

City and School Tax Receipts Show Gains

TAX PAYMENTS HIGHEST SINCE 1929 IS REPORT

\$19,000 Paid School And the City by Taxpayers

\$3,000 UNPAID ON JANUARY 31

Delinquencies Short of Amount Expected

City property owners paid in \$19,696.28 for city and school taxes of this city for 1937, Riley B. Harrell, city secretary reported, up to the delinquent date, January 31.

The total was the highest percentage of payment since 1929, the tax rolls revealed with 85.82

2,500 PAY 1938 POLL TAX

It was unofficially reported from Benjamin Thursday morning that an estimated 2,500 persons of Knox County paid in their poll tax for the coming elections. Watch for the exact total in next weeks Times.

per cent of the city tax roll paid \$6.08 of the school tax roll paid.

Taxes assessed for collection from the city valuation of \$719,640 was \$10,794.60 with \$9,263.25 paid, leaving only \$1,530.35 delinquent. Valuation set for school taxation was \$1,212,334, which called for \$12,123.34 tax collection, and taxpayers paid in \$10,433.03.

Although the amounts collected were exceedingly good, Harrell stated, delinquent payments fell short of the amounts expected. City delinquencies paid in during the past six months totaled \$1,791.35 compared to only \$1,317.46 for the same period in delinquent school taxes.

Comparison of the per cent of city taxes paid up to the delinquent dates of past years, follow: 1933, 64.60; 1934, 57.20; 1935, 74.25; 1936, 76.89; and 1937, 85.82. The same period for school taxes are: 1933, 71.20; 1934, 64.30; 1935, 79.00; 1936, 82.74; and 1937, 86.08.

Davis to Seek Post Assessor-Collector Here

The Munday Times was authorized this week to formally announce Denny W. Davis of Knox City as a candidate for the office of Assessor-Collector of Knox County, subject to the action of the voters at the first primary, July 23.

Mr. Davis, for 37 years a resident of this county, has been a successful farmer during the recent years and has had 25 years of business experience in stating his qualifications for the county post.

He wishes to thank the many persons throughout the county who have solicited him to make the campaign for the office and at the same time make a plea for the support and influence of voters in his behalf.

Davis will make a strenuous campaign and will cover as much of the county as possible during the coming months. He will probably make a statement later in the race concerning his policies and qualifications.

Name Manager For Atkeison's Produce House

R. D. Atkeison, manager of the Atkeison Grocery and Produce firm, announced this week that George Hammack, veteran produce man of this city had been named manager of the Atkeison produce house.

Hammack will replace John West, who has left for Abilene where he will enroll in Abilene Christian College.

Hammack invites his many friends and patrons of the past to visit him in the Atkeison Produce house and asks a continuance of those who have patronized the firm in the past.

Miss Lorene Newsom, manager of the local telephone office, returned from Hedley, Texas, Sunday night after a weeks visit in that city with friends and relatives.

Routt Holds the Bag---and Likes It!

Proud as he is of his chain of gold footballs, All-American Joe Routt seems even prouder of the Gladstone bag he received for being the favorite senior football player of girls at Texas State College for Women. Successor to Sammy Baugh of T. C. U. as the girls' gridiron hero, A. & M.'s Joe told Miss Edna Mae Jenkins, Breckenridge (right) Sports Editor of the Lass-O, and Mary Ann Walker, Wichita Falls (left), president of the student body, that this selection was the greatest honor he had received. His 2500 feminine fans cheered enthusiastically when he was presented in assembly.

Knox County Cotton Crop For 1937 Reaches 40,000; City Gets 13,000

Cotton production of Knox county for 1937, prior to January 16, totaled 40,057 bales, according to figures released from the department of commerce census bureau.

The 1937 crop was counted as near complete with only a few scattering bales left in the county to be ginned and will fall short of the early crop estimate for this county made by ginners and cotton men by 5,000 to 10,000 bales.

However, two factors can be attributed to the underestimate in the opinion of cotton men; 1, the exceptionally early freeze which nipped young bolls; and 2, the price fight carried on at Weibert for a short period that drew an estimated 2,500 bales from the Munday and Goree gins.

The 1937 crop nearly tripled the 1936 figure, which was only 15,698 bales compared to the 40,057 this year and Munday ginned slightly over one third of the county's crop this year with a total of 13,580 bales registered Saturday.

One noted feature of the Munday area was the increase of long staple cotton over previous years, and it is believed that farmers will increase long staple cotton acreage during the coming year even more. The unusually low price for half and half and other short staple cotton will cause the change it was opined.

Most of the long staple cotton here is Acala, a seed developed in California, and apparently well adapted to this area's climate, and soil. The seed was introduced and sold in this section last year by the Munday Cottonoil Company.

Five Schools of County Reporting On Transportation

The County Superintendent of Schools, J. Lyndal Hughes, was this week receiving reports from five county schools on their transportation of students to determine the amount of state aid to be given the five schools.

Hughes expected something like \$9,000 to be given the schools for transportation purposes on completion of the reports.

The schools reporting were Munday, Goree, Sunset, Vera and Truscott.

Guinn Hardware Is Redecorated

The Guinn Hardware and Implement Company during the past week end repainted the front section of the building which houses the display and shelf hardware.

Parts department has been moved to the rear and the repair shop is in the rear of the building. Part of the fixtures were also painted during the improvement work.

J. F. Isbell Will Seek Chief Police Office of Munday

The Munday Times was this week authorized to announce J. F. Isbell as a candidate for the office of Chief of Police of Munday subject to the city election, April 5th.

His statement follows: In making my announcement as a candidate for the office of Chief of Police of Munday, I feel that I am qualified for the office as I have had several years of experience as an officer in city and county positions.

I will serve the people to the best of my ability and without partiality or favor, and will conduct myself in a manner that you will not regret having cast your vote for me.

I solicit your vote and influence. J. F. Isbell

Auction Sale is To Be Held Soon By J. D. McClaran

J. D. McClaran will hold an auction sale on his home place farm one mile north of Weibert on Wednesday, February 9, beginning at 2 o'clock, he announced today.

Farm implements and tools will be included in the listings to be sold, according to the advertisement in this issue of the Times.

McClaran is moving to another farm north of Munday, where he will make his home in the future.

Munday National Farm Loan is Aid to the Farmers of Haskell Knox and Throckmorton Counties

Loan Volume Increased Over Million Since 1929

(Editor's Note: This is the fifth in a series of articles in the nature of business surveys and functions of leading civic organizations and their value and importance in building a greater Munday.)

R. A. (BOB) STUART Candidate for Railroad Commissioner

Former Senator R. A. "Bob" Stuart of Fort Worth, today formally announced his candidacy for State Railroad Commissioner. He has been district attorney, on board of regents at Texas Tech, on the board of seven state teachers colleges, and is now president of that group.

NAME WINNERS OF 4-H COTTON CONTEST TODAY

Busbie Wins 1st Prize With 2493 Pounds Lint Cotton

Winners of the Knox County 4-H cotton contest were released by H. A. Pendleton, chairman of the committee sponsoring the affair, today. The contest was staged by the ginners of the county who posted \$100 in prize money to be awarded the winners.

Pershing Busbie, of Knox City, was awarded first place when his three acres of ground produced 2493 pounds of lint. All cotton staple was required to be of 15-16 length, to compete for the prize money offered.

Remaining winners were listed as follows: second, Carl Cochran, Knox City, 1583 pounds of lint; third, Leslie Phillips, Munday, 1398 pounds of lint; fourth, Raymond Phillips, Munday, 1392 pounds of lint; fifth, Artist McGregor, Benjamin, 1143; sixth, Jimmie Craft, Knox City, 1042 and seventh place went to Eugene McGregor of Benjamin who produced 933 pounds of lint.

W. W. Rice, county agent, was in charge of the project and worked with the club boys on the project.

Visit in City Mr. and Mrs. V. A. Southern of Taylor, Texas, were recent guests in the home of Mr. and Mrs. Ben Guinn. Mr. Southern and Mr. Guinn are boyhood friends.

Leaves For School Ted Longino, son of Rev. and Mrs. H. A. Longino of this city, left Sunday for Abilene where he will enroll in McMurray College as a freshman.

to this city in 1929. was first organized in 1922.

Under the present set-up, John Ed Jones is secretary-treasurer, and G. R. Eiland is president, with offices in the Jones and Eiland building here. A member of the 10th Federal District, the association serves three counties, Knox, Haskell and Throckmorton.

At the time the association was moved to Munday, only \$77,000 had been loaned to farmers of the three counties in seven years of operation, the records show.

Under the present administration the association has grown until a (Continued on Page 8)

BASEBALL AND FOOTBALL ARE NOW POSSIBLE

Athletic Plant Will Be Best in This Section

LIONS CLUB TO SPONSOR LIGHTS

Twelve Poles to be Erected Under Lions Plan

Bonds to raise funds for lighting the Munday high school athletic plant were placed on sale this week by the Lions Club Football Committee, Boyde Carley, chairman announced.

Adopted by the service club as its major project for the year, the Munday Board of Trustees approved the project and stated that they would secure an experienced coach, purchase new playing equipment, get in class B competition next fall, and cooperate to the fullest extent in bettering local athletic teams.

Baseball played under the lights came as a recent development in the local affair, and necessitated revising plans with additional poles and reflectors to be installed.

If the club reaches their goal by sale of the bonds, which are to be paid in full, without interest to the bondholder, the entire plant will be constructed, giving this city the best lighted athletic field in West Texas and probably the only well lighted baseball park in the state, excluding large cities.

It was believed by the committee that work will start within the next 20 to 40 days, and it is the intention of the club to have the plant installed by close of school for the coming baseball season.

Citizens who can, are urged to see any of the three Lions Club lighting committee members, and purchase a bond, or as many as possible. The committee is composed of Boyde Carley, Lee Haymes, and W. R. Moore.

Dr. J. D. Kethley Attending Clinic For Optometrists

J. D. Kethley, Optometrist of this city, left Wednesday afternoon for Lubbock, Texas, where he will attend a post-graduate course in Optometry the remainder of the week.

The clinic is being conducted by Dr. A. M. Skeffington, of Chicago, a nationally known clinician who is devoting his entire time to lecturing throughout the United States and Canada on the latest methods of Optometry practices.

This is an annual affair, attended by the leading Optometrists of Texas. This is the eleventh consecutive clinic that Dr. Kethley has attended, and will prepare him for a more advanced knowledge of Optometry.

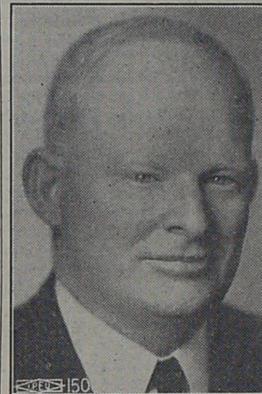

'Tovarich' to Be Shown at Theatre Sunday and Monday

One of the most talked of pictures released during the past few months, "Tovarich," will furnish a thrilling comedy with difficulties aplenty, for two persons who will be guests of the Munday Times either Sunday or Monday at the Roxy Theatre.

Claudette Colbert and Charles Boyer are co-starring in the feature production. Search our Classifieds--find a bargain and possibly your name as our theatre guests while you read.

PLEASE NOTE! The page advertisement of the Southwestern Life Insurance company that was to have run last week in connection with a news story concerning R. R. Davenport, local representative, arrived too late for last weeks paper and is being run this week.

Will Seek State Senatorship

State Representative George Moffett of Chillicothe, today announced his candidacy for state senator of this district. Ben Oneal, incumbent, has not announced whether he will ask reelection. Moffett's announcement appears on page eight in this issue.

ANNIVERSARY OF CITY FIRE DEPT MONDAY

City Council, Charter Members Are Invited

Final preparations were made last week for the 16th anniversary of the Munday Fire Department which will be staged Monday, February 7th, at the fire hall.

The present fire boys will throw a turkey feed and invite all the charter members of the organization and the members of the present city council. Entire handling of the affair is in charge of a committee composed of Boyde Carley, chairman, Clint Hawes, Tom Riggsby, Curtis Coates, and Porter Bryan.

Members and guests will gather at 7:00 p.m. for the affair and the feed will be served at 7:30 it was announced. Following the eats the guests will be honored by the present fire boys and games will be played after that.

Officers and members of the original fire department of the city are as follows: President, H. A. Pendleton; Vice-president, R. B. Wilson, (deceased); Secretary, Jack Mayes; Fire Chief, Tom Riggsby; U. R. Houser, Sidney Lyles, Hamlin, Texas; Cecil Burton, Hugh L. Stodghill, Bill Shaw (deceased), R. G. Campbell, Dr. Joe Davis, W. A. Spelce, R. B. Bowden, John Cook, Putnam, Texas; Mike McGraw, (deceased), M. Carroll, (deceased), and Clyde Nelson.

City councilmen, all of whom are invited are R. B. Davy, B. L. Blacklock, J. M. Terry, P. V. Williams, and H. P. Hill.

ALL ATHLETIC EVENTS TO BE HELD IN CITY

L. M. Palmer Named Director Athletic Events

BASKETBALL IS FIRST ON LIST

J. H. Bardwell, Goree, General Director of League

Munday will be host to the Knox County Interscholastic League athletic events for the present school year it was decided by the county school heads at a meeting held recently.

Knox City was given the literary and one-act play events of the meet and the playground ball will be played at Benjamin.

Only one event will be held in February under the present set-up, with four set for March, one in April and the one-act play date to be set.

Basketball First First county title to be competed for will be the basketball crown, won last year by Sunset's Eagles, who are apparently well on the way to repeat. The quintets will open hostilities on the large Munday court Friday night, February 11, with the finals to be played Saturday night, February 12.

L. M. Palmer, principal of the Munday elementary school, is in charge of all athletic contests for the county league and J. H. Bardwell, of the Goree school system, is director-general.

Dates for other events follow: Tennis, March 19; volleyball, March 26; track and field, March 26; all to be held in Munday. Literary events, Knox City, March 26; one act play, Knox City, date not set; playground ball, Benjamin April 16.

Charges for various events were set as follows by the school heads: basketball sessions, teachers and (Continued on Page 8)

Williams Named First Alternate For West Point

Jack Williams, son of Mr. and Mrs. P. V. Williams of this city was named first alternate in the nominations for admittance to West Point, Congressman W. D. McFarlane announced last Saturday.

Williams, who took the examination at Wichita Falls recently, is a cadet in the preparatory school for West Point aspirants at Fort Sam Houston, San Antonio.

James Wilson Walker, Gainesville, Texas, was named principal in the appointments, Williams first alternate and Travis D. King, second alternate.

Munday and 4-H Work

The Chamber of Commerce has started a fine piece of work in bringing the Knox County 4-H Calf Show to Munday for this year.

It is another step in making Munday the show place of Knox County's products. The 4-H boys are receiving more prize money through local shows than they have in the past, and the shows are housed and carried out in a systematic manner.

The organization plans on giving the boys the best calf show in history, in such a manner that they will want to come back.

Lighting System for Munday

The Build Munday movement, which is apparently the theme song of the Munday Lions Club, was given another boost this week when that club placed bonds on sale to install a lighting system adequate for night baseball and football playing.

The project will call for considerable amount of money, but not too much for the benefit to be derived. However, unlike other civic enterprises, the lighting project does not call for donations—purchaser of bonds merely loan the Munday High School Athletic Association money, which is to be paid in full, without interest.

The project is a money making athletic venture, that has paid out in nearby cities. It will give Munday High School the recognition that is deserved, but which it has not had the past five years in athletic competition. It will put football on a higher plane, giving the city school system a team that they will want to see in action and that they will be proud of.

Munday needs this project.

Personally, we have never had a great liking for cold weather, despite the fact that we have to take what comes. Cold weather usually tends to increase fuel bills and that makes it very hard on the pocket-book.

War Waifs

One of the most heart-rending aspects of the long and bloody Spanish civil war has been the fate of little children. One observer estimates that more than 900,000 have been made helpless and homeless during the fighting.

The plight of all war refugees is sad enough, but what of these waifs—nearly a million of them—who are now without food, homes, friends or adequate clothing? How can the Spanish nation, regardless of which side wins, ever hope to rear these children into useful happy men and women?

Compared with disaster such as this, even the Texas school explosion, resulting in more than 400 deaths, pales into relative inconsequence.

State Budget

The consolidated balance sheet of all State Government funds at the close of the year showed a cash balance of \$18,266,057, although the deficit in the general revenue fund was \$17,727,061, and other deficits in Confederate pension and social security fund raised the total red ink figures of funds having deficits to more than \$23,000,000.

There is not much to recommend such transfers, however logical they may seem on the face of the figures. The present situation arises largely from the logical practice of applying to highway purposes money collected from highway users. The highway fund and the road bond indebtedness fund show surpluses simply because the automobile and truck owner pays a relatively high tax. The high tax is assessed on the theory that he ought to pay for the roads that he drives over.

Investigation of the ninety-odd minor funds may reveal instances where surpluses should be diverted to the general revenue fund. What is more needed, however, is a general overhauling of the State fiscal system to eliminate a large number of the special funds, thus giving legislative and administrative departments greater leeway in adjusting income to outgo as sources of revenue of these various funds fluctuate, and contingencies requiring expenditures change.

NEWS FROM WEINERT

Club Meets

Mrs. Henry Monke was hostess for the Matrons Club which met for its regular program January 26. Mrs. Goble presided during the business session in which plans were completed for the benefit "42" party which will be given at the Home Ec Cottage Monday, January 31 at 7:30.

her father, Mr. Burgess.

Mrs. Gorden James and sister-in-law Miss James of Wichita Falls visited in Weinert Friday night. Mrs. James was a former teacher in the high school here.

Mr. W. D. Hinson Jr., took the Weinert basketball boys to see the midnight show at Haskell Saturday night. Mesdames Henry Monke and W. D. Hinson Jr., and Miss Beatrice Weinert went to the show at Haskell Saturday night.

The girls basketball tournament was held at O'Brien this week-end and the Weinert girls won the consolation trophy.

Basketball Tournament
The first game of the tournament opened Thursday, January 27 at 6:30 p.m. with Sunset and Benjamin playing and the score was 44-37 in favor of Sunset.

The next game called was Mattson and Weinert with Weinert coming out victorious. The score was 46-30.

The final game for the evening was between Bomarton and O'Brien the score being 29-25 in favor of O'Brien.

County Council Meets

The County Council of the P.-T. A. met in the Baptist church Saturday, January 29 at 2:30 p.m. Mrs. O. Maloy presided and an interesting program was given.

A song was led by Mrs. Wayne Koonce accompanied by Mrs. J. F. Cadenhead at the piano.

A couple of readings were given by Otis Hawkins and one by Billie Jean Jenkins.

Mrs. R. N. Huckabee gave a talk on Social Hygiene.

Mrs. Maloy gave a report of the state meeting at Beaumont, she being the delegate from the county council.

Mrs. T. R. Odell district president of the thirteenth district, gave some very necessary information on the state meeting and other things pertaining to the council work.

In the business session the resignation of Mrs. Cecil Jetton as secretary was accepted and Miss Koonce teacher in the South Ward school of Haskell was elected in her place. A nominating committee with Mrs. T. L. Hawkins, president of Weinert P.-T.A. chairman, was appointed to select the officers of the council for next year.

Tea and wafers were served to Mesdames T. R. Odell, O. Maloy, Wayne Koonce, R. N. Huckabee, of Haskell. Mesdames Ellis Miles, O. M. Matthews, Jim Stanford and Stanley Furrh of Mattson, Mrs. Cody West and little daughter of Brushy. Mesdames W. D. Hinson, J. F. Cadenhead, C. T. Jones, T. L. Hawkins, R. H. Jones, J. F. Omen, I. J. Duff, Wesley Lises, Raymond Lises, Carl Palmer, Guy Jenkins, R. H. Jones, H. Weinert, and Miss Rosella Jones, Miss Lucille Foote.

Mrs. George W. Farr and her mother Mrs. Joe Martin of Westover were in Weinert Friday enroute to Abilene. They were accompanied this far by Mrs. Claude H. Farr and little daughter Doris, who will visit her parents, Mr. and Mrs. H. Weinert for a few days.

Mr. Hugh Jenkins and daughters Earline and Margie who have been guests in the Guy Jenkins home have gone on to Bremond, Texas.

Little Wilton Omen, who is recovering from pneumonia was surprised with a fruit shower given by his classmates in Mrs. W. D. Hinson's room and he wants each and every one of his friends and his teacher, Mrs. Hinson, to know that he enjoyed everything that they sent him and wants to thank them.

Mrs. J. M. Williams and Miss Jew Williams are on the sick list. We wish for them an early recovery.

Mr. and Mrs. Carl Palmer were in Lubbock to place their daughter, Miss Alice Palmer, in Texas Tech.

New Business Opens in Weinert
The Eiland Drug Company will move their stock of drugs to the building recently vacated by the Baker McCarty company.

Mr. Cooper of Shallowater has bought the building now occupied by the Eiland Drug Company and will move the grocery stock of Baker McCarty company which he has bought into it. Mr. Cooper was in Weinert this week.

Mr. and Mrs. Guy Jenkins and family and Mr. Hugh Jenkins visited relatives in the Panhandle last week. They were in Amarillo, Wellington and other points. Two daughters of Mr. Hugh Jenkins returned with them.

Mr. and Mrs. Earnest Griffith and son Clay were in Abilene and Tuscola Thursday night. They visited Rev. and Mrs. W. L. Culwell and Imogene at Tuscola. Rev. Culwell has been in an Abilene hospital and is able to be at home now.

Mrs. Guy Jenkins visited Mrs. Gladys Pace in Haskell Wednesday. Mr. and Mrs. T. L. Hawkins had as their guests Friday night Misses Alva Lee Williams and Mary Jane Brown of Millsap.

Miss LaVerne Burgess left Saturday morning for a trip to Skelleytown to visit friends. She was accompanied as far as Guthrie by

score being 28-27. The trophies were presented by Mr. W. D. Hinson, Jr., the Weinert coach. First place to Weinert, second to Sunset and consolation to Benjamin. Weldon Leflar was chosen as one of the five outstanding players in the tournament and received a gold basketball. Cut Coffman of Goree refereed all the games.

Weinert junior boys played Munday Saturday night, Munday winning by a score of 17 to 13.

Mr. and Mrs. W. H. Atkeison returned to their home here Saturday from Stovall Wells, Texas where they have been vacationing.

Lee Haymes, Worth Gafford and Boyd Carley were in Iowa Park Sunday attending to business.

Advertisement titled 'NOBODY'S BUSINESS' by Julian Capera Jr. Text: 'Austin.—Two principal questions emerged from the first week's work of the Senate investigating committee which is probing the conduct of the affairs of the State Land Office and its administration by Land Commissioner Bill McDonald. These paramount questions are: (1) Is the policy of leasing State lands for mineral development on a basis of high cash payments and the usual one-eighth royalty to the State advantageous to Texas; or is the newer one followed by McDonald, leasing these tracts for a nominal cash payment of about \$1 per acre, and a higher royalty (if oil is discovered)—a better way? (2) Has there been irregularity in the granting of vacancy claims filed with the Land Office, including the favoring of certain claimants over others less favored, and the use of influence to obtain approval of claims? Regarding the first question, evidence already introduced and the testimony of McDonald himself are not at variance. The Land Commissioner admits, and his records show, that he has consistently accepted bids of \$1.00 per acre, and promises of higher royalty payments, and rejected cash offers ranging up to thousands of dollars, plus the usual one-eighth royalty, on promising tracts. He stoutly defends his policy, declaring that it will bring many times as much money to the State, in the long run, as the cash offers. The opposite view is taken by Gov. Allred, whose activity caused the probe, and by some members of the committee, which includes Senators Holbrook, Collie, Hill, Stone and Weinert. Many Witnesses Heard McDonald also has denied any irregularity in the conduct of his office. He cited what he described as precedents set by previous Commissioners for his action in renewing the KMA tract lease to the Venmex Oil Company, in Wichita County, after the lease had lapsed. He later canceled this renewal, after Gov. Allred complained vigorously, and hired a lawyer to file suit to cancel the lease. After McDonald's opening testimony, the committee called witnesses whose testimony was designed to show that large profits were made by successful bidders who bought leases for \$1 an acre, and quickly transferred them to others for large profits. The testimony also brought out details of how one group of bidders headed by I. E. Harwell of Burk Burnett bought five Jefferson County submerged tracts for a total payment of \$1 an acre, then traded one and one-

Advertisement titled 'The REST Of the Record' by James V. Allred, Governor of Texas. Text: 'Testimony before the Senate investigating committee this week shows without dispute that Land Commissioner McDonald has issued hundreds of leases on submerged coast lands for which he refused big cash offers bearing the usual 1-16th royalty. Instead he accepted small cash offers, usually one dollar per acre, with an agreement for an overriding, or sliding, royalty if and when oil was produced. In some instances evidence shows Mr. McDonald has turned down over one thousand dollars per acre cash while accepting one dollar per acre with an overriding royalty. With the exception of a few leases, there was no obligation for immediate drilling, and, although some of these leases have been executed more than a year, only one-half of the tracts to a driller, who is putting down an 8,000 foot test well, costing around \$100,000 in return for the interest in these leases. An interesting sidelight was the identification by Harwell of a geologist, whose name he gave as Joe Dawson, of Houston, who was shown by Harwell's books to have a one fourth interest in certain valuable leases, but whose interest was carried on the books under the name of "brokerage." Harwell said "for some reason, Dawson preferred not to have his name used." He said Dawson was the son of a close friend of his, and was given the 25 per cent interest for aiding the group select tracts upon which they made bids. Evidence Not All In What recommendations, if any, the committee will make regarding changes in the land laws and their administration, will of course, depend upon study of the records, after all of the witnesses have been heard. Obviously, no judgment can be formulated until all of the evidence is in. If the committee then deems emergency action necessary, it can recommend to the Governor that a special session of the Legislature be called to take corrective steps. Meanwhile, Austin was buzzing with a report that County Judge Roy Hoffheinz, of Harris County, a youthful former legislator with a brilliant record, is being urged to announce as a candidate against McDonald. The reports here assert that Hoffheinz has been pledged the support of many County Judges and school organizations officials who have sided with Gov. Allred in his criticism of McDonald's policies.'

Advertisement titled 'Tech President Made Secretary'. Text: 'Lubbock, Texas, Jan. 25—President Bradford Knapp has been appointed secretary of the better ginning section of a State wide Cotton Committee of Texas, by General Chairman Burris C. Jackson, of Hillsboro. The subcommittee has as one of its aims establishment of a Federal cotton ginning laboratory in Texas. The state-wide committee, made up of more than 200 agricultural and business leaders, will promote now uses for a cotton research laboratory, cotton quality improvement, and better ginning, representing practically every agricultural and industrial interest in Texas. Sixteen million dollars will be spent for construction of the 1939 Golden Gate International Exposition.'

Science Dep't

The biology class of the science department paid 75¢ for a large Japanese snail. We now have 28 little snails—result; we are thinking of going into the snail business, for at this rate we now possess \$21 worth of snails. The science department is indebted to Dr. Chase Eiland for his gift of three framed portraits of well-known men of science, Ludwig Karl Virchow, Sir William Crookes, and Louis Pasteur.

Darlyne Duke is Awarded First In Home Ec Contest

Darlyne Duke was awarded first place on her school dress made in the first year Homemaking Class last week when the dresses made by the class were judged by Mrs. Foote, Homemaking Teacher of Weinert. Second place was awarded to Doris Lee Walker, and Nadine Salem won third place. All of the dresses shown were complimented for their workmanship and style. The winning dresses along with others were displayed in a store window three days last week. This window drew much attention because of the interest in the progress of the class and the general attractiveness of the dresses.

Sophomore Report!

The Sophomore Class has had two presidents this year, and before the year is over we will have another. Our first president was Hollis Barnicoat. Then followed Kate Nell Mauldin who left us two weeks ago. We wonder who will be next. The Homemaking II class, which is made up mostly of Sophomore girls began work on their silk dresses Monday. These dresses are to be judged March 14 in a style show. It is interesting to notice the array of colors to be found in these dresses. I don't think color was so prominent in the dresses that were worn three or even two years ago, but we all agree that the dresses of today are more colorful, if not prettier. I would like to know what our Sophomore boys see in those little Freshman girls. (Oh! I forgot! That's Valter Vinchell's business.)

The most important thing since the play is over is to study and make up for the time we have lost while working on it. We know that we tried to please everyone, and we hope that everyone who saw the play enjoyed it.

Helen Brown
 Helen was born five miles southwest of Seymour on May 22, 1922. She lived there until she was three years of age, and then she moved to the Fancher Ranch headquarters where she stayed two years. Helen next moved eight miles north-west of Munday and began school at League when she was seven. When she was eight, she moved to her present home five miles southeast of Munday. She went to school at Washburn until she graduated from the seventh grade. She then started going to school at Goree where she went for two years. Last year Helen transferred to Munday High School and started in the Junior Class. This year Helen is a Senior and a proud one at that. Her classmates find her very likeable.

Favorite Teacher—Miss Couch.
Favorite color—Blue.
Favorite song—Star Spangled Banner.
Favorite subject—English.
Favorite Classmate—Loraine Finley.
Favorite sport—Volleyball.
Favorite hobby—Reading.

Joe Albertson
 The life of William Joseph Albertson has been one of variety. He was born in Dallas, Texas, May 23, 1921. Since then he has lived in Garland, Merkel, Haskell, Wichita, and Munday, Texas. Like Bob Burns, he was a resident of Arkansas also. Joe's nick-name is Chello. His past time is singing; his favorite subject, business law; and his favorite sport is football. He is also pretty good at blushing. Joe is going to Baylor University if he can. Luck to you, 'n' boy. If you want to know how well he can act, just ask someone about the Senior Play.

Junior Report!

The Juniors were sailing along splendidly when they were hailed to shore and we found two young men from Valley View were anxious to become members of the Junior class of Munday High. After meeting these fellows we found that we should be proud of them. Their names are Doyle (Jiggs) and Gene Thompson. We should like to thank the Valley View school for sending us such studious young men.

The Home Ec III girls have started making their special occasion dresses. They have all chosen afternoon frocks. The prospects are that there will be some adorable dresses about the middle of March. Here's hoping, anyway.

Freshman Report!

In Civics we are studying "How Man Used Natural Resources." We are all extremely interested in natural resources, and therefore find it an interesting study. Math I students are studying interest. We are glad we know how to find interest even though it holds no interest for us.

The VALTER VINCHELL COLUMN

By . . . ?

Lee: They say it's fine to ride in an automobile.

Anna Belle: Tramps are so lazy, it's a wonder they do not get tired when they talk to each other.
 Lura Faye: You forget that most of their conversation is idle gossip.

What paper has the largest circulation in the world?

C. J.: I noticed your advertisement for a man to retail imported canaries.

Proprietor of Bird Store: Yes, sir, are you looking for a job?

C. J.: Oh, no, I merely had a curiosity to know how the canaries lost their tails.

GRADE SCHOOL NEWS

7A Class is sponsoring a play Friday, February 4, at 1:00 o'clock. The title is "Too Much Bobbie." Bobbie is neither a boy nor a girl, so get your curiosity stirred up and come. The characters are: Florene Pippin, Peggy Bowley, Mary Lois Beatty, Jane Alexander, Jimmie Henslee and Bobbie Floyd. We sincerely hope that each and everyone of you will attend. Signed: 7A Class.

Jane Alexander's name was left off the honor roll last week but not intentionally. Sorry, Jane, and we are glad to get this opportunity to correct it. We'll try not to let it happen again.

The Junior Boys basketball team won over Weinert last Saturday night by a score of 17 to 13. We think the boys have a very nice team and are going to surprise somebody by winning some more if they don't watch us. This week we play Knox City here, and probably another team Friday night, but as yet it has not been definitely decided.

Last, but not least, everybody in the grade school is wearing a big smile; yes, it is because of the new tile floor we have in the corridor. It is just beautiful and thanks very much to Dr. Bass and the board members. We'll try to show our appreciation by keeping it just as nice as possible and not wear our skates inside the building.

Self-Pity

Self-pity is like dope, and the eternal pessimist is hard to tolerate. His company soon becomes boring.

Friendly sympathy is not too much to ask of a real friend, but to ask anyone to share self-pity is an imposition.

Your troubles can be real to you, but they are rarely as bad as they seem. They never amuse your friends when they are imagined troubles.

Why should you expect your friends to put up with them. Life may be terribly hard at times. But the best way to get through them is to find something to hope for. Giving way to self pity never helps. It makes matters worse.

Leola: Call for me at eight sharp.
John: OK, what time will you be ready?

Peggy Jo: Mann says he has learned to speak Spanish in a month.

Zell: I can't understand it.
Peggy Jo: Neither can the Spaniards.

Miss Couch, to Dan: Correct this sentence. "Girls are naturally better looking than boys."
Dan: "Girls is artificially better looking than boys."

MEDITATION

By ANN ATKEISON

How much easier our work would be if we put forth as much effort trying to improve the quality of it as most of us do trying to find excuses for not properly attending to it.

Live and think.
 Brutality to an animal is cruelty to mankind—it is only the difference in the victim.—Lamartine.

Think it Over

No man is on top unless somebody is helping hold him there.

The maker of excuses never finishes his job.

Some people travel into distant lands and know not where they have been, while others stay at home and become world travelers.

Did you know:
 Whales have larger brains than human beings.
 An elephants tusk is its incisor teeth.

Crickets are sold in Florence, Italy, as household pets.
 Glass cloth is made of tiny threads as soft and durable as other materials.

One can bear grief, but it takes two to be glad.

It is easy to get everything you want, provided you first learn to do without the things you can not get.

Give me the man, who instead of always tell you what should be done, goes ahead and does it.

Our greatest deeds we do unknowingly.

An ounce of loyalty is worth a pound of cleverness.

Talk less and listen more.

Sunset Selects Most Popular Boy And Girl and Most Representative Boy and Girl for Hi School Annual

Monday afternoon the Sunset High School assembled to elect the most popular boy and girls and the most representative boy and girl for the annual. Everyone wrote two girls' names and two boys' names on a slip of paper and dropped them into a box. When the votes were counted, it was found Nell Nix and Fuller Shannon had been selected as the most popular girl and boy; Nettie Griffith and Herbert Partridge had been selected as the most representative girl and boy. Since there are awards to be given, at the close of school this voting Monday will have nothing to do with that selection. These best all-round students will be voted upon at the close of school and awarded medals at commencement.

Just think how nice it will be to see all of these pictures in our annual. Why not buy one? March 1st is the last date to make your deposit. The price is \$1.50.

DOROTHY GARRETT BECOMES MEMBER OF PAPER STAFF

Members of the staff were asked to elect a grade school reporter to take the place of Inez Vernon who graduated at mid-term. The staff decided upon Dorothy Garrett since she is interested in newspaper and journalistic work, and, too, they feel that she can be depended upon. They feel that Dorothy Garrett will keep up the good work begun by Inez.

SUNSET SCHOOL GETS FULL TIME LIBRARIAN

Last Friday morning Miss Mary Etta Jones of Munday began her work at Sunset as a full time high school librarian. Mary Etta is going to receive additional library training from Mrs. Bertie Allen of Knox City who is supervising library projects in both Knox and Haskell counties.

The Sunset School is very glad to have a full time librarian.

SUNSET SENIORS ON PARADE!

By FRANCES GRAY

Since Inez Vernon is finishing at mid-term, she is to be the first one of which we will tell a few of the high-points of her life.

Inez was born at Rule, Texas, April 25, 1919. Her parents are Mr. and Mrs. G. W. Vernon. Inez attended high school at O'Brien while she was a freshman and sophomore. In 1936, Inez moved into the Sunset community. She started going to school at mid-term, and was classified as a junior. She finished her high school work at Sunset at mid-term this year. Although Inez is finishing at mid-term, the seniors are expecting her back next spring to graduate with them. During the four years she has been in high school, she has made an A average. Inez plans to attend business college at Tyler.

A few of her favorites:
 Sport: Volleyball.
 Song: Sail Along Silvery Moon.
 Hobby: Collecting Pictures.
 Color: True Blue.
 Musical Instrument: The Piano.

The seniors regret to lose Inez because she was a good pupil in class work, and she was a dependable and courteous worker always. There are sixteen seniors left, seven boys and nine girls. More information will be given later concerning these other sixteen folk.

FARM FOR SALE

320 Acres near Muleshoe in Bailey County. Well improved with irrigation well and pump. This is a real buy for \$30.00 an acre. Will take as much as \$1600 in trade, \$2500 cash, and finance balance to suit the buyer. Geo. Isbell. 32-2tc

Senior Home Ec Girls Have Two Class Luncheons

Seniors Prepare Luncheon For Home Projects

Faye Marie Partridge and Hallie Phine Clark entertained a group of friends with a luncheon at the Partridge home Sunday, January 23. The girls planned their menu, did their marketing, and prepared the luncheon as a Home Project in Foods 1A. The table was set with white linen and a mixed fruit centerpiece was used.

The menu consisted of: Stuffed Green Peppers, Creamed Peas, Buttered Potatoes, Banana and Peanut Salad, Rolls, Cocoa, Fruit Jello, Fruit Cake. The total cost of the luncheon was \$1.50.

Miss Dorothy Garrett planned and served a luncheon to members of the High School as her Home Project in Foods 1A. She was assisted by her mother who acted as co-hostess. The color scheme of red and white was carried out in the following menu: Fried Chicken, Gravy, Corn, Asparagus Tips, Pineapple Salad, Hot Rolls, Coffee, Pineapple Up-side Down Cake, Buttered Peanuts.

KEEPING TAB ON The Eagles

By BUDDY BUMPAS

Eagles in Stale Condition

The Eagles entered the invitation tournament at Weinert last week-end and their first game was with Benjamin, Thursday night. Sunset played a slow game the first half, but they picked up enough the last half to take the game by ten or fifteen points.

They played their next game Friday night with Goree as their opponents. This was another slow first half for the Eagles although Fuller Shannon made some nice shots. The Eagles played a better game in the remaining part of the time, and Strickland made 17 points in the last half. The game ended with the scores standing 47 to 30 in the Eagles favor.

The next Sunset victory was against O'Brien. Although the Eagles played an unusually bum game, they won easily. Sunset played Weinert in the finals Saturday night. The first quarter looked as if Sunset was going to play a game like they did in the good old days, because they had a twelve point lead on Weinert in the first period. But they started slowing down in the second quarter and almost quit entirely during the last half. The game ended with the Eagles trailing by one point; the scores were 27 and 28. This was the second upset out of 21 games in January for the Eagles.

Two members of the Eagle squad were placed on the all-tournament team. Herbert Partridge received every coach's vote, and Orville Strickland, the other Sunset man, received a large majority. This is the second week in succession that the two boys have been placed on an all-tournament team.

The Eagles have their eyes on a second county championship this year. The county meet is to be held in the Munday gym February 11 and 12.

SUNSET GIRLS ENTER SECOND TOURNAMENT

The Sunset girls forfeited their first tournament game to the O'Brien girls Thursday night, because they were having mid-term examinations.

The girls went to O'Brien Friday night and met the Knox City girls. They started off as if they were not awake, but by the last half of the first quarter, everyone began to play ball. At the half, the girls led the Knox City girls by a few points. In the third quarter, they scored several tallies and the final count was 21-10 in favor of Sunset. This game placed the girls in the final game for consolation.

Saturday night the girls went to O'Brien to play Weinert. Bernice and Rachel Strickland, two first string players, had to leave to go to their new home in Graham, therefore the substitutes were Juanita Hunter and Dorothy Gammill. Dorothy and Rachel had been exchanging places in the past games, but Dorothy was a first string player Saturday night. Juanita Hunter did a swell job of guarding the tall Dunnam girl from Weinert, and the team really appreciates her.

In the latter part of the third quarter the girls gave Weinert a scare and came within four points of them. The girls still felt that they had a chance to defeat Weinert, until Nettie Griffith, a first string forward, was injured. The final score was 31-20 in favor of Weinert. Coach Spraggins was well pleased with the work of the new players on her team, and she states that she feels that the entire team played the best game that they have played this season.

SUNSET VOLLEYBALL GIRLS

The Sunset girls have started their volleyball work. Because of the fact that they just started, it is hard to tell which girls will be on the team. The girls intend to continue basketball until the county meet is over, but they will play volleyball and basketball both from now on. Here's hoping that Sunset will produce another winning team, and thus keep up the good record of the school.

Nell Nix

Name Changed Of Sunset's Paper

Thursday morning the staff of the Sunset School Paper met to straighten up some business they had on hand. A member of the staff raised the question of changing or giving the Sunset School Paper a name. "The Eagle's Echo" was suggested. At once all the members of the staff agreed upon this name. From now on the name of the Sunset School Paper will be "The Eagle's Echo" instead of Sunset School News. This is also the name of the school annual.

Freshman News

The freshmen are through with exams, but they are not so happy as they might be, because they came to school Monday and found that their smartest student, Rachel Strickland, had moved away. Rachel was valedictorian of the seventh grade last year and was making the highest grade in the eighth grade so far this year. Rachel is now a student in the Graham High School.

We also have a new student, Ruby Ingram, of El Dorado, Oklahoma.

POWER TO THE JUNIORS

Mid-term exams are over! The Junior Class as a whole made good on their examinations, but each one has decided to do a little more outside work on all his lessons in order to compete with the other classes, and to make Final exams easier.

Louise Gray, one of the Junior Class members, has been ill for the past week and has been unable to attend school. It has been reported that she is some better and will soon be back in school.

The Junior Class is very proud of themselves in that one of their classmates, Nettie Griffith, was elected as the most representative girl in high school. Nettie takes part in most all activities that are carried on. She is now an active member in basketball, volleyball and debating. She is vice-president of the Home Economics Club, reporter of the Junior Class, and is Social and Activity reporter for the "Eagles Echo."

It seems that the Juniors have a great deal to be proud of this week. We are especially proud of E. G. Parkhill who is one of the two boys in high school who has an average of 90 or above. Keep the good work going, E.G., and do not let the Junior class down.

COURTESY

Courtesy is a little word that has a big meaning. Custom, religion, and government interfere with many lives, but courtesy is something that can be carried on; although many times it is not. How can a person overlook courtesy? Yet it is done over and over again every day by some thoughtful person. Not only does a discourteous person make all who are around him unhappy, but he really hurts himself. Don't you think if you make a person happy you will find happiness a lot easier for yourself than if you are hateful, stubborn and thoughtless of others?

How did courtesy originate? When we think of courts, we think first of men of chivalry. They were courteous men; and they not only thought of others first, but they were intent on doing deeds of kindness.

There is nothing more pleasing to the eye than to see a person

Musical Program Given by Club In Isbell Home

A musical program of unusual merit was given at the regular meeting of the Munday Music Club on Thursday afternoon of last week at the home of Miss Fannie Isbell. The subject for the afternoon was: The Lives and Compositions of Three Great Musicians, Weber, Schubert and Mendelssohn.

Mrs. Orb Coffman offered a vocal solo, Schubert's "The Erlking," and her spirited and deft rendition of this dramatic work was superb.

Weber's "Invitation to the Dance," a composition of melody and grace, was given by Mrs. Jim McDonald and Mrs. Longino as a piano duet, and their interpretation gave to the audience all the grace and beauty for which the composition is known.

Mmes. J. H. Bass, Jno B. Ingram, L. M. Palmer, Louise Ingram offered as a quartet Mendelssohn's "I Waited for the Lord." This most difficult work was well interpreted and proved a most enjoyable number.

Mrs. Louise Ingram brought the program to a close by playing with infinite sweetness and depth of feeling, Schubert's "Hark! Hark! The Lark!"

Monday Night Bridge Club Meets In Moore Home

The Monday Night Contract Bridge club held a regular meeting last Monday night in the W. R. Moore home with eleven members and two guests present.

High scores for the evening were won by Mrs. Pitzer Baker for the women and Tom Haney for the men. Refreshments were served at the close of the evening.

Members present were Mr. and Mrs. Tom Haney, Mr. and Mrs. Pitzer Baker, Mr. and Mrs. Fred Broach, Mrs. H. A. Pendleton, Mr. and Mrs. Grady Roberts, and guests were Mr. and Mrs. W. E. Braly, and the host and hostess.

Munday Study Club Met in Club House Friday

The Munday Study Club met in the club house Friday, January 21, for a regular meeting, to study the subject "Social Problems."

The following program was given by club members in keeping with the subject: "The Woman's Problem," by Mrs. Riley B. Harrell; "Cannabis Sativa," given by Mrs. P. V. Williams; "I Have Four Parents," by Mrs. Deaton Greene.

A short business meeting followed the program. A book review will be heard by members of the club at their meeting Friday afternoon at the club house, it was announced today. The review will be given by Mrs. Pearson.

Munday H.D. Club Met in Parker Home Friday

The Munday Home Demonstration Club met January 28 at 2:30 p.m. in the home of Mrs. C. R. Parker in a business meeting.

With president in charge the minutes were read and approved, after which the making of candlewick bedspreads was discussed with interest to several of the ladies.

After the meeting adjourned refreshments were served to fourteen members and one visitor.

Next regular meeting of the club will be Friday, February 11 in the home of Mrs. Kirby Fitzgerald at 2:30 p.m.

Topic of the program is "The Art of Reading."

Miss Nina Astin, county home demonstration agent, will have charge of the meeting.

All members are urged to be present.

Goree H.D. Club Met Tuesday Afternoon

The Goree Home Demonstration Club met Tuesday February 1st, in the band house for a regular meeting. The house was called to order by the President. A short business session was held after which a topic on "Rags to Rugs," was discussed. Mrs. Walter Fowler displayed some very beautiful rugs made from old sweaters and other materials.

There were six members present and one new member was added to our roll.

Our next meeting will be held at Mrs. Mack Tynes. "The Use of the Kitchen" will be our subject.

Anyone interested in our work is cordially invited to visit or join our work.

—Reporter

Sunset H.D. Club Meets Tuesday

The Home Demonstration Club of the Sunset community will meet February 8 in the kitchen of the Home Economics department. The topic for the evening will be "The use of the Kitchen." Roll call: "The thing I enjoy most in my kitchen."

Miss Astin will meet with the ladies and give a demonstration on the use of the kitchen. All members are urged to be present. Visitors are always welcome.

File 48 Claims For Payments of Social Security

Wichita Falls, February 2.—A total of 48 claims for lump-sum payments under the old-age insurance provisions of the Social Security Act was filed in the Wichita Falls office of the Social Security Board during 1937, it was announced today by J. Gordon James, manager of the office.

Of this total, 35 were filed by estates of deceased workers, while 13 were filed by workers who had reached age of 65. The total was only about 8.6 per cent of the number expected to be received from the Wichita Falls area during 1937; however, the rapid rate of increase in number of claims received during the past few weeks indicates that the working population is becoming more claims-conscious and that the number of claims filed here during 1938 will be substantially greater than that submitted during the past year, James said.

"Any worker who reaches age 65, and the estate of any deceased worker are eligible to apply for lump-sum payment, provided the work on which the application is based was performed after January 1, 1937, in employment covered by the Social Security Act.

"The average value of claims paid in this region in 1937 was about \$23.50; in the Wichita Falls area, the range was from a few dollars up to \$103.25. The claimant in each case applies for an amount equal to 3-1/2 per cent of the wages received from covered employment after December 31, 1936, and prior to attainment of age 65 or death.

"One of the functions of our office is to assist persons wishing to apply for these lump sums. We are very glad to give this service," James said.

Brazil Girl is Enrollee at Tech

Lubbock, Texas, February 2.—Traveling 4,000 miles by water and land, Allie Hevia of Rio de Janeiro has arrived at Texas Technological College and registered for the spring semester. She attended Tech in 1935, majoring in business administration, completing her freshman work at Tech before returning to her home in Brazil.

Born in Argentine of a Spanish mother and Argentine father, Miss Hevia has lived all but four years of her life in South America. She has been employed as a stenographer since leaving college, speaks English, Spanish, Portuguese, and French with equal ease.

Visit in Floydada

Mrs. E. C. Henry, mother of Mrs. Pitzer Baker, accompanied by Miss Jeanette Campbell and Charles Baker, spent last Sunday visiting in Floydada with friends and relatives.

Mr. and Mrs. D. E. Holder spent last Sunday afternoon in Stamford visiting relatives.

Sam Roberts, Haskell Free Press publisher, visited his brother, Grady Roberts of this city last Friday.

Hardeman Court Here
J. Luther Potts, Earl Greene and Will Gregory, members of the Commissioners Court of Hardeman county were in the city last Thursday visiting Grady Roberts.

PEEP SHOW

FOR LADIES ONLY
—BY—
MIGNON

If a horse has a colt
And a cow has a heifer
It occurs with a jolt
That a wind has a zephyr.
—Nonsense Rhymes

The prairie country has been swathed in a saffron veil of dust the past weeks and under cover of this red haze the tumbleweeds have been hurrying to their meeting places under the barbed wire fences where they mutter and quarrel among themselves like a bunch of politicians trying to agree who is to run for which. Great wind trumpets are calling and all that's wild and free in my heart longs to be out racing with the wind.

The days of miracles are not past. As a concrete example I give you the story of John Amos who gave his good eye to his friend for a Christmas present. We all read about it and thought how foolish for the old man to make this sacrifice. It just couldn't work. However it did. 18 year old Frank Chabina now sees out of the eye which once belonged to John Amos, 68 year old carpenter of New Orleans, La. A modern miracle of surgery and science.

Novelist Sinclair Lewis of Chicago, America's first Nobel prize winner for literature recently listed "the nation's public heroes" as:

Charlie McCarthy
Robert Taylor
Clark Gable
Dale Carnegie
Tom Gridler
John L. Lewis
Bruce Barton
Joe Di Maggio
Jim Farley
Rudy Vallee
Bernarr MacFadden
The list, Mr. Lewis said in an address, indicates "an unhealthy state of affairs."

Love is like an onion,
Taste it with delight,
When it's gone you wonder why
You ever took a bite.
(The "Voice of Experience")

Sh-h!—Papa got home from the press association okeh and didn't bring a present. The question before us is, "Is his conscience getting seared over, or did he behave himself?"

Big news of the Week!

Dora Aydelotte who has rung the bell with two former novels, "Green Gravel" and "Here we Go Round the Mulberry Bush," writes me this week that she is back home in Oklahoma City after having finished "Trumpets Calling" and viewing the pre-view copies that are off the press this week. Hurrah for Dora. She's a novelist that all the South-west can be proud to own. Her novels portray the simple homespun life of our own predecessors. We reenact the scenes in our own lives right along with Dora's characters who are living, breathing people we have always known and not dummies who are dressed up and marching across the pages of her delightful stories, in search of an idea.

In the January issue of the Retailer Bookseller, Frances Ludlow devotes his page, "Editor's Choice" to Dora Aydelotte's forthcoming novel "Trumpets Calling," (Appelton-Century). He says in part: "Of all the novels in January 'Trumpets Calling' seems to me the most universally enjoyable and for that reason the best. It is as simple and homespun as the lives it chronicles. It has not thesis, it proounds no problem, it reveals no sensational truths. But it is absorbing reading. 'Trumpets Calling' is real. It is cheerful. I believe that thousands of readers will share my admiration for Martha Prawl and for Dora Aydelotte, her creator." The novel deals with settlers in the Cherokee Strip.

Then I hear that Curlylocks, (Louis L'Amour to you) is taking aspirin until his new book rolls off the press this month. Then there is a book of verse called "Prairie Mods" carrying across its jacket a redbud bowed down by a prairie

wind which will be off the press by the time you read this, which is keeping its mother awake nights and chewing on her fingernails in anticipation... There is the happy prospect of a whole week of delightful happenings. Elsie Parker, vice president of the American Poetry Association will be my guest and we are to attend the State Poetry Banquet and Writers in Oklahoma City. Dora Dean Reed, that songbird of the Southwest, is to sing one of my very own songs on the program and we are to be guests of the Oklahoma Council of English Teachers to meet Carl Sandburg... Ain't life grand?

My heart's so full of happy things
I've got to get a zipper
So I can open it up sometimes
And view my best-loved SKIPPER

Extension Cotton Specialists Reach 23,000 Cottonmen

More than 23,000 farmers, ginners, merchants, bankers, and others interested in the cotton industry attended a series of 190 countywide cotton meetings sponsored by the Extension Service of Texas A. and M. College during 1937, according to Jack Shelton, vice director and state agent.

Two extension workers, E. A. Miller, agronomist, and F. E. Licher, cotton ginning specialist, held the meetings in cooperation with county agricultural agents. In many instances, representatives of the Texas Agricultural Experiment Station and of the Bureau of Plant Industry station at Greenville were present.

In the course of the meetings, it was pointed out that at least part of the blame for the falling off of cotton exports from Texas could be traced to the production of inferior cotton of such short staple as to be unmarketable. In the past Texas cotton commanded a premium and was eagerly sought because of its excellent quality and inch staple.

The formation of one variety cotton communities, and improved harvesting and ginning methods were brought forward as means of improving the quality of cotton. In many counties, the meetings resulted in steps being taken to organize communities along the one variety line, Shelton said.

In Williamson county, 2,159 people attended a series of five meetings which were held there. Other counties where the attendance ran to more than 500 were Baylor, Dallas, Harrison, Taylor, Lavaca and Refugio.

A. L. Smith, manager of the Rexall Store was out of the city Wednesday afternoon on business.

SCOUTING THE SCOUTS

SCOUTS

MUNDAY, TEXAS, TROOP
Cecil Cooper, Scoutmaster
Ted Longino, Assistant
Meeting Place—Legion Hut

By Henry C. Dingus

Attendance at Scout meetings is increasing. Last Monday night twenty-five scouts attended the regular weekly meeting. Our Scoutmaster, Mr. Cooper, told us of the plans for Boy Scout Week, which include a Scout sermon, and maybe a Scout parade.

We have ordered some new equipment which we needed very badly. Included in the order were four patrol flags, the Flying Eagle, the Fox, the Indian and the Panther; we also ordered a new troop flag.

A real treat was in store for us at the meeting, for Mr. Bob R. Roberts, who was an officer in the U.S. Navy, entertained us with a demonstration of the semaphore signaling system. He also taught us how to march and to obey a few of the drill commands. The Scouts enjoyed his presence immensely and earnestly requested him to come again.

Regular Scouts who attended the meeting were: Grady Beck, J. Winston Blacklock, Dan Billingsley, Mac Haymes, Howard Payne Shannon, Joe Dean Clough, Jack Pippin, D. P. Morgan, J. E. Reeves, Jr., Lynn D. Rayburn, Hugh Longino, Kenneth Spelce, Charles Baker, Harold Longino, David Clarence Eiland, Willard Reeves, G. C. Conwell, Lamonie Blacklock, Jimmy

C. R. Whittle and E. A. Kennedy of Medicine Mound, Hardeman county were visitors in the city one day last week.

Mrs. E. C. Stoker of Edna, Texas, is visiting in the home of her parents, Mr. and Mrs. B. B. Chamberlain.

Mr. and Mrs. R. R. Davenport were in Weinert last Friday night where they witnessed part of the invitation basketball tourney.

Dude Coffman, amateur radio operator of Goree was in the city Friday afternoon attending to business.

Wade Mahan, owner of the Mahan Funeral Home, was in Benjamin Monday afternoon attending to business.

George Keene, owner of the Palace Cafe, was in Stamford Tuesday attending to business.

Editor and Mrs. B. B. Forgy and son Marvin of Chillicothe were the week end guests of Mr. and Mrs. Grady Roberts.

Miss Shirley Nell Kethley, daughter of Mr. and Mrs. J. D. Kethley, former residents of this city, was in Munday visiting friends.

Willard Bauman spent the past week-end in Munday visiting his father and friends. He returned to Lubbock to enter the second semester work.

Lee Haney, Sargent Lowe, J. C. King, C. J. Howeth, and Henry C. Dingus.

One noted absence was that of Ted Longino, our assistant Scoutmaster, who left us to attend McMurray College at Abilene.

All Scouts are urged to be on time for the meeting next Monday night at seven in the Legion Hall.

Enrolls at Denton
Miss Louise Ingram, daughter of Mrs. Louise Ingram, is in Denton, Texas, where she has enrolled in North Texas State Teachers College for the spring term of school.

Mrs. O. Strickland, of Graham, and recently of the Sunset community, was in the city Saturday visiting. While here they renewed their times.

Joe Lynn Kethley, student at A.C.C., in Abilene, spent the past week-end in the home of his father, Dr. J. D. Kethley in this city.

George Moffett, candidate for State Senator was a visitor in this city Wednesday evening.

County Superintendent J. Lyndal Hughes, was a business visitor in this city Wednesday.

Miss Avis Chamberlain of Benjamin, who has been going to Texas Tech at Lubbock, was at home with her parents, Mr. and Mrs. Marvin Chamberlain of Benjamin last week-end.

MILROSE MEET GETS TWIN TWAIN OF N.T.S.T.C.

DENTON, Texas—Speedy double trouble for both their competitors and dazed fans attending the 31st annual Milrose Games in Madison Square Garden, Feb. 5, this medley relay team from the North Texas State Teachers College at Denton is unique in sports history.

It is the first time in all track records that two sets of twins have ever run together on one team, says their coach, Choc Sportsman, who is sending his two sets of "identicals" to compete on the boards against Manhattan, Indiana, and Ohio State.

They are, left to right, Delmer Brown, who will run the 440; brother Elmer, who paces the 220; Wayne Rideout, the half, and Blaine Rideout, his twin, who finishes with the mile.

GEO. MOFFETT IS CANDIDATE STATE SENATE

Representative Seeks Promotion To The Upper House

George Moffett, of Chillicothe, now a Representative in the Legislature from Hardeman, Foard, Knox, and King Counties, has authorized his announcement as a candidate for State Senator, from the 23rd Senatorial District, composed of nine counties in Northwest Texas, of which this county is one.

Mr. Moffett is no stranger to the people of this county, as he has represented them nearly eight years in the House of Representatives at Austin, and during that time has achieved a position of leadership in legislative matters. He is a veteran member of the committee on agriculture and has served several years on the committee on live-stock and stock raising, both of which are important to our county.

At the present time he is also chairman of the committee on conservation and reclamation, which appointment came as recognition of his efforts to secure passage of bills designed to conserve the soil and other natural resources of our state. Another measure which he has championed for a long time, is the establishment of a research laboratory to study new uses for cotton with a view of finding new markets for the state's principal farm commodity. The Moffett Bill on this subject was passed at the last regular session of the legislature but was vetoed by the Governor on the grounds of economy.

This measure was sound in purpose, as indicated by the inclusion in the new 1938 Farm Bill, in the United States Congress, of a provision for the establishment of a cotton research laboratory, somewhere in the Southern States.

The so-called "Moffett Amendment" to the state constitution was voted upon and adopted by the people in 1936. This constitutional amendment definitely limits the number of representatives which may be elected to the legislature from any one county. Mr. Moffett declares that this amendment protects small towns and rural sections of the State from having the legislature controlled by a few large cities.

Mr. Moffett is forty-two years old, a farmer, a World War veteran, and a native of Hardeman County, where his parents settled nearly 50 years ago. He has spent most of his life operating a good farm, but has had a brief retail business experience. Mr. Moffett made the following statement: "First, I want to sincerely thank you for electing me to the House of Representatives for a good many years."

"I do not have a lot of glittering promises to make in entering this race for the State Senate, for my observation has been that frequently those who promise the most, actually do the least. I have learned in nearly eight years that I have been in the House, that it takes a lot of hard, and often times tedious work, to get a bill of any consequence through the Legislature. Experience certainly counts heavily in a legislative body."

"I elected to the Senate, I expect to be on the job. I believe that my past experience in the legislature, my experience as a farmer and stockman, and my business experience qualify me to properly serve you in the State Senate."

"I will issue a platform statement at a later date. I expect to make a vigorous campaign and to visit every part of the nine counties and will try to see all the voters. But I realize that this is a huge task in such a large district; however, I want you to know that I will appreciate your vote and support in this race."

County Meet ...

(Continued from Page One)

students, 10 cents each and adults 20 cents; volleyball, 5 and 10 cents per session; and no charge will be made for any other interscholastic events.

Directors of the various events and the school they teach in are as follows: Director general, J. H. Bardwell, Goree; declamation, A. M. Whitin, Knox City; debate, A. F. McMillan, Truscott; speech, W. C. Cunningham, Benjamin; spelling, Mrs. E. F. Branton, Knox City; ready writing, Mrs. Otis Cash, Sunset; rural schools, J. Lyndal Hughes, county school superintendent, Benjamin; athletics, L. M. Palmer, Munday; music memory, J. J. Hoffman, Rhineland; picture memory, Miss Maurine Boyd, Vera; arithmetic, S. H. Thompson, Gilliland; choral singing, Mildred Kennedy, Munday; typing and shorthand, Mr. Shumaker, Knox City; musical contests, Dr. J. H. Bass, Munday; and one-act play, Miss Merle Lowe, Goree.

It was also decided that junior boys can play on only one team during the county tournaments and that the volleyball net will be six and one-half feet high for grade school with the server to stand inside the court to serve, Palmer announced.

He also gave out that G. A. Scruggs, Abilene Christian College of Abilene, has been obtained to officiate for the basketball tourney. Scruggs worked the tournament last year, it will be remembered.

Farm Loan ...

(Continued From Page 1)

total of 480 loans have been made farmers of the counties, 284 under the Federal Lank Bank and 196 Commissioner loans. Thirty-five of the loans have been paid out.

Total loans under the association have increased more than \$1,000,000 in the three counties served by the group. Compared to the \$77,000 when the association was moved to Munday is \$1,180,850, Jones stated.

The significant point to be noted is the saving made possible to farmers in interests, with the rate running from three and a half to 6 per cent. The payments are also lower making it possible for almost anyone to pay out one of the loans. Jones stated that collections during the past year were good.

The association is another of the many business firms of this city that induces farmers to come to this city to do their business, and their growth brings in more farmers from adjacent territory. It saves them money and make it easier for them to pay out their loans, thus they are financially able to purchase merchandise that otherwise they could not.

Munday is fortunate in having the National Farm Loan Association that serves not only Knox county, but also Haskell and Throckmorton counties.

Union Grove Is Checked Monday By J. L. Hughes

Union Grove school system was checked for standardization Monday of this week by County Superintendent J. Lyndal Hughes, and scored 910 points out of a possible 1,000, Hughes reported.

Hughes stated that Mrs. E. F. Branton, principal of the school, expected to reach the 1,000 mark in standardization before the year is completed.

Union Grove and Dixon were made standard schools last year.

Visits Sister Here

Mr. and Mrs. Ed Erwin of Wichita Falls visited in the home of Mr. and Mrs. Jim McDonald over the past week end. Mr. Erwin and Mrs. McDonald are brother and sister.

Jones and Eiland Building Interior, Floor is Renovated

The building housing the Jones and Eiland Insurance and Loan office and the business office of P. V. Williams was renovated throughout during the past week.

New tile flooring was laid in large blocks of different shades of brown and the walls were repainted. New office furniture has been purchased and when it arrives will add much in appearance to the interior of the building.

135 Students Vaccinated in Rhineland H.S.

One hundred and thirty-five students of the Rhineland school system were vaccinated against small-pox last Monday by Dr. W. M. Taylor of Goree.

The cost of the precautionary move was met by the Rhineland school board of trustees, and was made to insure that community against an epidemic of the disease.

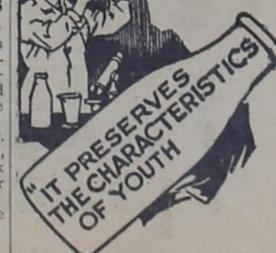

GOREE FARMER MOVED TO HASKELL LAST WEEK

Noah S. Lane, prominent farmer of the Goree community for the past few years has moved to another farm near Haskell, he writes this publication.

Mr. Lane asked that his paper be forwarded and renewed for another year before leaving.

J. B. Reneau, Sr., and Dr. J. B. Reneau, Jr., were in Abilene on business Tuesday.

MUNDAY DAIRY

Times Bargain Rates Will Soon Be Withdrawn

Better take advantage of the Times Bargain rate now while you can get a full year's reading for only one dollar. This special rate will soon be withdrawn and the price will be \$1.50 in Knox and adjoining counties, and \$2.00 elsewhere.

Hundreds have already taken advantage of our special rate, which is very gratifying to the present management. In fact the large family of satisfied readers have more than doubled since the present publisher took the paper over in July. This is indeed very encouraging, but the publisher would like to see the Times go into every home in the Munday trade area. For this reason the bargain rates have been kept in effect much longer than it would have otherwise. So you had better act now before it is too late as this special offer will positively be withdrawn soon.

The cost during our bargain days is less than two cents per copy—so trivial you can't afford to be without it, especially during a political year. You will naturally want to keep in touch with your favorite candidate and no other weekly paper in this section will give you as much local, county and state news as the Times. Besides the news value which is worth more than the price of subscription, you can save many dollars each month on the family budget by using the Times ads as your shopping guide when purchasing groceries, dry goods, drugs, hardware and other necessities for the home. One week's shopping by using the ads in the Times may save you many times the price of a year's subscription.

A word to the wise is sufficient. Act Now!

Maxie Dingus Accepts Position At Fort Worth

Miss Maxie Dingus, employed in the office of the city secretary here for the past ten years, resigned her position last week to take effect immediately, in order that she accept another position.

Miss Dingus left Monday for Fort Worth where she will be connected with the Texas State Employment Service as a junior clerk. Her work starts there Tuesday morning, February 1st.

ARE YOU PROGRESSIVE?

If so, you will purchase one of the Munday Lions Club bonds to help build the lighting system for the local athletic plant. Munday is five years behind in this particular civic enterprise. Let's go places.

Return From Vacation
Tug Nesbitt and Lawrence Kegley returned Wednesday from an eight-day vacation spent at Brownsville, McAllen, Matamoros, Mexico, San Antonio as well as other South Texas points.

DONT KNOCK—BOOST

If you can't purchase one of the bonds to light the athletic plant—you can help sell one by giving the project a boost. Talk "Light the Munday Baseball and Grid Park" and you will build it.

(To Be Continued)

No Chance For Argument!!

An acquaintance of ours was arrested for speeding, but the Judge remitted the fine when our friend told him why. "Judge," he said, "my mother-in-law said she wanted to go home and I wanted to get her there before she changed her mind." He might also have had it remitted had he told His Honor that he was driving one of our used cars and that it was running so smoothly that he didn't realize how fast he was going.

THESE WILL "STEP" RIGHT ALONG—

1929 Model A Sedan, down \$50
New motor, good tires, a very good Ford.

1936 Chevrolet Pick-up, down \$125
A-1 all round. Practically new tires, will give absolute satisfaction.

1936 Chevrolet Sedan, down \$150
Hydraulic brakes, steel top, good tires, paint good. A mighty slick car.

Moore Chevrolet
Your Dealer

CANDIDATE

Superintendent S. R. LeMay of Athens, Texas this week announced his intentions of campaigning for the post of State superintendent of public instruction. He has prepared a 10-point platform to make his race on.

HELP BUILD MUNDAY!

Purchase one of the Munday Lions Club bonds to light the Munday high school athletic plant for baseball and football. It will bring more people to our city—IT WILL HELP BUILD MUNDAY! You will be proud of your city!

Visits in Moore Home

Howard Harrell of Mexico City, visited in the home of Mr. and Mrs. W. R. Moore last week. He was returning to his home from Detroit, where he has been attending a factory school of the Burroughs Company.

NOTICE OF SHERIFF'S SALE

The State of Texas County of Knox

Notice is hereby given that by virtue of a certain execution issued out of the Honorable District Court of Knox County, on the 28th day of January, 1938, by District Clerk of said District Court for the sum of Seven Hundred and Seven 75-100 Dollars and costs of suit, under a judgment in favor of A. J. Fuller in a certain cause in said Court, No. 2738 and styled A. J. Fuller vs. H. A. Patterson, placed in my hands for service, I, Louis Cartwright as Sheriff of Knox County, Texas, did, on the 29th day of January, 1938, levy on certain Real Estate, situated in Knox County, Texas, described as follows, to-wit: North 120 acres of the N.W. quarter Survey No. 63 in Block B, Certificate No. 31-36, abstract No. 50 of the G. H. & H. R.R. Co., Survey, in Knox County, and levied upon as the property of H. A. Patterson and that on the first Tuesday in March, 1938, the same being the 1st day of said month, at the Court House door of Knox County, in the City of Benjamin, Texas, between the hours of 10 A.M. and 4 P.M., by virtue of said levy and said execution, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said H. A. Patterson.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Munday Times, a newspaper published in Knox County, Texas, my hand, this 29th day of January, 1938.

LOUIS CARTWRIGHT
Sheriff Knox County, Texas
By Orvel Capehart, Deputy

Mr. and Mrs. C. C. Palmer were in Lubbock, Texas, Sunday where they returned their daughter to Texas Tech for the second semester work.

WPA Sewing Room Officials Here
Mrs. Avis, of Vernon, area supervisor of WPA sewing rooms, and Mrs. Haynes, head cutter of the Vernon sewing room, were visitors in the local sewing room Tuesday afternoon. The visitors were impressed with the workmanship of the local personnel, who are under the supervision of Mrs. Addie Layne.

Returns to University
Miss Mary Anna Burnison, daughter of Mr. and Mrs. Jess Burnison, has returned to Austin to begin the second semester as a sophomore in the University of Texas.

Returns from Visit
Miss Lois Warren, daughter of Mr. and Mrs. A. B. Warren of Munday, who has been visiting friends and relatives at Santa Rosa and Albuquerque, New Mexico, returned to this city last Monday.

Louis Cartwright, county sheriff, was here on official business Wednesday afternoon.
