

Convict No. 94835
To Elect Directors
Blizzard Roundup
It's Greater Germany
House Kills Bill
"Fireside Chat"
Fumes Kill Eight

OSSINING N.Y.—Richard Whitney, until recently a power in the financial circles of Wall Street, who served five terms as president of the New York Stock Exchange, Wednesday donned a gray prison suit and will henceforth be known as Convict No. 94835.

Whitney will serve a sentence of from five to ten years for grand larceny, imposed for having misused \$214,000 securities entrusted to his care. Bologna and potato salad constituted the chief part of the first prison meal of the one-time financial king.

MUNDAY—All members of the Munday Farmers Union local are urged to attend the meeting Saturday in the Union Hall, over the Moore Chevrolet, for the purpose of electing a new board of directors. The meeting is called for 2:30 p.m., J. E. Edwards, secretary announced.

BLIZZARD ROUNDUP—Figures compiled from an estimated 500,000 square miles of blizzard swept West Texas and Western Oklahoma:

Wheat and Oats—Estimates varying from 25 to 75 per cent damage.

Fruit—80 to 90 per cent killed. Vegetables—Nearly 100 per cent loss on young vegetables; 50 to 75 per cent loss on older crops. Onions, cabbage, peas less severely damaged.

Pecans—Estimated loss of 50 to 75 per cent. Trees killed in some instances.

Livestock—Minor losses. Corn and Feed—Practically 100 per cent loss on small amount that was planted and up. Seed planted but not up, unhurt.

BERLIN—Austria voted by the overwhelming majority of over 99 per cent for annexation to Germany in a plebiscite and at the same time Germany herself, voted by about the same margin to annex Austria, thus forming a Greater Germany. An estimated 50,000,000 voted "yes" for the annexation while less than 500,000 voted "no."

Germans throughout the world voted "yes" for Hitler, all going to polling booths on the oceans, just outside territorial waters of various nations. No vote was cast in the United States.

WASHINGTON—The House killed the reorganization bill sponsored by President Roosevelt last Friday by a vote of 204 to 195. The bill was sent back to a reorganization committee, which leaders admitted would kill the bill.

WASHINGTON—President Franklin D. Roosevelt will deliver another "fireside chat" over the NBC-CBS and mutual radio chains beginning at 9:30 p.m., central standard time, and running 45 minutes.

The message will probably discuss affairs of state in America and also touch lightly on conditions abroad, White House informants opined.

PAMPA—Two families were wiped out in this city as a result of fumes from gas stoves left on during Friday night while the April blizzard was raging. Eight persons succumbed to the fumes.

Clean-Up Week to Be Completed This Week End in City

E. W. Harrell, chairman of the Lions Club clean-up week committee, announced that the city-wide campaign, which is being conducted through cooperation with the Munday Boy Scout troop would be continued through this week end.

Reason for the continuation of the program was the inclement weather conditions which prevailed last week end. The club has offered prizes to the Boy Scouts for four patrols for the clean-up campaign.

Each of the patrols had made considerable headway in gathering up rubbish, cans, and unsightly debris in the city when the blizzard stopped their operations.

Sebern Jones and W. R. Cabaness are other members of the committee and the three men have been assisted by Riley B. Harrell, city secretary.

Redecorate Post Office Interior

The Munday Post Office building, on the east side of the square, received a new coat of paint on the walls and ceiling this week, Postmaster Lee Haymes announced.

The lower three feet of the walls was also given a new coat of plaster, replacing the crumbling plaster caused by the flood water of 1930.

W. E. Braly is Named Westex C. C. Delegate For Annual Meeting

'Stunt Night' Will Be Sponsored Here By P.-T.A. Group

The Munday Parent-Teacher Association will sponsor a "stunt night" program Monday night, April 18, 7:45 p.m., Miss Mary Couch, member of the high school faculty announced.

Three cash awards will be offered by the organization for the stunts with \$5.00 going to first prize, \$2.50 for second and \$1.00 for third.

Local organizations and groups of individuals that have agreed to offer stunts for the program are listed as follows: The Munday Lions Club, Chamber of Commerce, Study Club, Munday Fire Department, Munday Home Demonstration Club, Methodist Missionary Society, Baptist Missionary Society, Junior Methodist Missionary Society, Munday School Board of Trustees, Boy Scout troop, Girl Scouts and the Spanish Club.

A wide variety of entertainment is to be given and should prove highly entertaining to those attending. A small charge of 15c for adults and 10c for children will be made.

Seventh Grade Students to Present Easter Cantata at Auditorium Here Friday Evening; Public is Invited

Miss Mildred Kennedy Is Director of Program

An Easter Cantata of unusual beauty, "The Crusader" will be presented to the public by the Seventh Grade on Friday night of this week, April 15, in the Elementary Auditorium, at 8 o'clock, L. M. Palmer, principal, announced. The Cantata deals with the story of Phillip the Crusader, who on a journey to the Holy Land has a vision wherein he dreams that he was actually present at the Resurrection of the Lord.

The Reader gives the story while the musical background is given

Will Enter Student In Convention Speaking Contest

W. E. Braly, Munday's member of the West Texas Chamber of Commerce board of directors will attend the annual Westex C. of C. convention at Wichita Falls, April 26 and 27, T. G. Bengel, president announced.

Braly was director of the local organization on the West Texas board last year and was named to attend the meeting again this year by the local organization.

The Munday organization will also send a contestant to represent Munday in the "My Home Town" speaking contest, Mrs. Louise Ingram, secretary announced.

Selection of the Munday entrant in the contest will be in the hands of Dr. J. H. Bass, superintendent of schools.

Just who will represent the city in the contest is not known. Prizes will be awarded in the contest.

ORGANIZATION NOT TO MEET THIS WEEK. SECRETARY ANNOUNCES

The Chamber of Commerce did not meet this week and Mrs. Louise Ingram, secretary, announced that it was not known definitely whether the meeting would be next Thursday or not.

by the Choir. The ten musical numbers and the whole atmosphere of the Cantata is one of reverence and spiritual quality.

The entire cantata will be given from memory with the exception of the reading. There will be 46 voices in the choir and the stage setting will be in keeping with the Easter season.

This program is made possible through the efforts of Miss Mildred Kennedy and those of you who saw her Christmas program will agree that this Easter Cantata will be even better. The public is extended a cordial welcome and you will miss a worthwhile Easter program if you fail to hear the cantata.

Roads CC Major Project

NAME MEMBERS OF COMMITTEES FOR NEW YEAR

Completion of Three Roads Sought by Organization

The Munday Chamber of Commerce, in announcing personnel of standing committees for the following year, also announced that their major project for the year would be a three point road program.

The three point program includes completion of the Throckmorton highway, the Benjamin and Knox City roads.

It is hoped that the right-of-way can be secured to complete the Throckmorton road, which will open a rich trade area to local businessmen. Merchants have already purchased the right-of-way to the county line southeast of the city.

The Munday-Benjamin road has already been designated as a state highway and right-of-way purchased from the Benjamin-Seymour south to the Brazos river to give the required 100-foot roadbed and engineers are working to name the route of the road from the river to Munday. Right-of-way must be purchased for the remaining stretch when the route is designated.

The Munday-Knox City highway, which is a connecting road between state highways 16 and 22 has been named state highway 222 and funds allotted to grade and drain five miles of the road west from Munday. The state highway department, however, has called for a 120-foot right-of-way for this road, all of which is to be purchased when the department calls for it. It is believed by some officials that the Knox City and Benjamin roads will be hard surfaced during the year.

Committees Named

Standing committees for the new year as announced by President Bengel follow:
Financial committee: J. A. Caughran, chairman, J. C. Borden and E. W. Harrell; membership committee: G. R. Eiland, chairman, J. E. Reeves and Wade Mahan; civic and advertising committee: which are combined but yet have two committees, civic branch, Leland Hannah, chairman, P. V. Willard (Continued on Page 8)

Ingram Will Seek Superintendent of County School Job

John B. Ingram, member of the Munday elementary grade school faculty, formally announced his candidacy for the office of Knox County Superintendent of public schools, to the Munday Times this week.

Ingram, a native Texan, and a resident of Munday for the past six years, has had 10 years of experience in the teaching profession.

In Wood County, Texas, place of his birth, he taught four years, and then became a faculty member at Washburn, rural school near Munday, for four years. He came to Munday school system two years ago.

Ingram is a graduate of East Texas Teachers College at Commerce, receiving a B. S. degree from that institution.

He advocates a fair administration to all county schools, either rural or city, and will devote much of his efforts towards securing needed state aid for county schools, if elected, he announced.

His candidacy is subject to the action of the Democratic primary, July 23.

BULLETIN!

Work to Start

Work will be started at an early date on State highway 222, west of Munday on the \$8,000 grade and drainage project for the five mile strip running west from the city of Munday, according to word received from Judge E. L. Covey at Benjamin. Details were not available.

LO! The Knocker...

After God had finished the rattlesnake, the toad and the vampire, He had some awful "substance" left, with which he made the "KNOCKER." A knocker is a two-legged animal with a corkscrew soul, a water-sogged brain, and a combination backbone made of jelly and glue. Where other people have hearts he carries a tumor of rotten principles.

When the knocker comes down the street honest men turn their backs; angels weep tears in Heaven; and the devil shuts the gates of hell to keep him out.

No man has a right to "knock" as long as there is a pool of water deep enough to drown his body in, or a rope to hang his carcass with. Judas was a gentleman compared to a knocker, for after betraying his Master, he had enough character to hang himself, and a "Knocker has not."

WATER RATE IS LOWERED AFTER MINIMUM CHARGE

Goes Into Effect On May Water Bills Due June 1st

The Munday City Council this week lowered the city water rates to take effect June 1st, or the May water consumption, Riley B. Harrell, city secretary announced.

The reduction will stay in effect, should the plan work out satisfactorily, Harrell stated, and will not be a temporary reduction for the summer months as was afforded the citizenry last summer.

Minimum Charge Same
The minimum charge of \$1.50 for the first six thousand gallons is unchanged, it was pointed out, but the reductions come on all water used after that amount.

Under the old rate, a charge of 20 cents per each thousand gallons over the minimum was made, while under the new setup a charge of 10 cents per thousand for the next 5,000 gallons over the minimum is made and for each 1,000 gallons over that figure 5 cents is charged, Harrell stated.

Aid to Beautification
The lowering of the water rate will make it possible for more city homes to use water in larger quantities for beautifying their yards, raising gardens and growing trees. It was hoped that it would add incentive to the city beautification project sponsored by the Munday Lions club, beautification committee members of the club stated.

Ice Cream Service Added Coates Cafe

The Coates Cafe installed an ice cream refrigerator compartment in their business, and will handle ice cream for their patrons through the summer, Curtis Coates, manager, announced today.

The refrigerator, which will hold four ice cream flavors, will be supplied by the Banner Ice Cream plant of this city.

Tuberculin and Schick Tests Will Be Given Students of Munday High School by Dr. D. C. Eiland Soon

Importance of Tests Cited by Doctor Eiland

Dr. D. C. Eiland, local physician and surgeon announced today that students of the Munday school system will be given tuberculin and Schick tests without cost for either medicines or professional services rendered, in the near future.

The Health Clinic, a movement that originated under the sponsorship of the Munday Parent-Teacher Association, was at first instigated for the purpose of giving students inoculations against contagious diseases, but the two mentioned tests will be fostered by the local doctor.

All children will be given the Schick test by Dr. Eiland and a staff of nurses for the purpose of determining their immunity from diphtheria.

This test is absolutely harmless and no ill effects caused by giving such tests have ever been recorded, it was pointed out by the doctor.

Opened Campaign at Waco Tuesday

Conservation of all Texas' vast natural resources, from the first 12 inches of the soil to the fish in the streams; a war on unemployment, in the form of an organized drive to bring new industries to Texas; no new taxes; state regulation of utilities with rates slashed to a fair level. These were the main points of Ernest Thompson's program for Texas, as outlined when the red-headed West Texan opened his campaign for governor with a speech at Waco Tuesday night.

D. R. Laney Added To Guinn Hardware Co. Repair Force

D. R. Laney, who has had much experience in blacksmith work, repair work and welding, has been employed by the Guinn Hardware Company, Ben Guinn, manager announced this week.

Laney has been employed in various shops in the city and is well known to the public. Guinn also has Hershel Crain employed in his well-equipped repair shop which is carried in connection with his hardware and implement business.

Guinn also carries a large stock of repair parts for tractors and other farm implements

FARM DAMAGE PLACED NEAR 50 PER CENT HERE

Fruit and Wheat Are Hit Hardest in Munday Area

YOUNG WHEAT IS BELIEVED OKAY

Seven Inches Snow Fell in Munday In 48 Hours

The 48-hour blizzard that raged over the vast fields of grain in the Texas Panhandle and the central West Texas area, termed the worst in history, dealt a death blow to bumper crop estimates forecast preceding the blow.

Grain in this immediate area, considered the best in history for the early stage, has been damaged from 35 to 75 per cent according to grain men and farmers with a larger majority estimating the loss at 50 per cent or more. However, a close estimate of the loss cannot possibly be made until the harvest season, several opined.

All fruit and young feed were hit hard by the freezing temperature that rode on the wings of a strong wind that lasted until the temperature started breaking Friday night. Fruit is placed at a total loss for this area.

For a short time all roads from Munday were impassable as the routes to Wichita Falls, Abilene, and west towards Knox City were closed by highway patrolmen. The Seymour road was opened first and the Knox City road was opened Friday morning, but the Haskell road was not thrown open to traffic until late Friday.

(Continued on Page Eight)

McGaughy Seeks Superintendent of County School Job

The Times is authorized to announce Mr. Merick McGaughy as a candidate for the office of County School Superintendent, subject to the action of the Democratic primary.

Mr. McGaughy, whose home is at Vera, is a native of this part of the state, having lived in Baylor County when a small boy but moved with his parents to their place near Vera where the family has lived since 1908. After attending public school in Baylor and Knox counties, he attended school at the State Teachers College at Denton, where he took his A.B. degree. He afterwards attended school at Greeley, Colorado, where he took his Masters degree in 1934.

Mr. McGaughy has taught in the public schools 20 years, both in the rural schools and the high schools. He has made a special study of rural school supervision, and those who know him best believe him to be especially fitted for the position of county school superintendent.

He will try to see every voter of the county between now and election day, but he wants each and every voter to know that he would appreciate having you make a close investigation of him as to his qualifications and his ability to make you a good superintendent. If, after your investigation, you believe him to be the right man for the place, he will appreciate your vote. And should he be elected, he will do all within his power to render good service.

Postal Receipts Of Munday Office Gained Over 1937

Postal receipts of the United States Postoffice of Munday, were 13 per cent ahead of the same period for 1937, Lee Haymes, postmaster, announced this week.

Receipts for the first quarter of this year were \$2,382.27 as compared to \$2,103.35 Haymes stated.

Other noticeable increases in the local office were a 25 per cent jump in insured mail leaving the city during the period over last year and a 50 per cent increase of registered mail over the first quarter of 1937.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

DEATH OF CHRIST—EASTER

Easter comes at a glad season of the year. The festival itself is both commemorative of the resurrection of Jesus Christ and also a memorial to the atonement wrought by the death of the Master upon the cross.

It is hailed with great acclaim in all Christian churches of the world, and contains one of the most beautiful stories of the life of Christ. It is the fulfillment of the old testament.

For those who wish to witness a re-enactment of the death of Christ, they may do so by going to the Easter Pageant conducted each year by the churches of Lawton, Oklahoma at a great natural amphitheatre in the Wichita mountains. Four great stages on the side of a mountain which are well lighted give the various stages leading up to the crucifixion of Jesus Christ, and the songs and dialogue are carried over the valley to the opposite mountainside, which will accommodate over 100,000 persons, by powerful loud speakers. The pageant is held just before sunrise, Easter morning.

Without doubt, it is one of the most colorful and outstanding Easter programs in the nation.

An Easter cantata will be presented in this city at the First Baptist Church. For details see the society page.

ANTI-NAZI NONSENSE

Childish and ill-considered were the complaints of anti-Nazis against the two swastikas which were built into the powerhouse smokestacks of New York hospital long before Adolph Hitler made the swastika Germany's national symbol.

As a result of the criticism the hospital will spend \$1,000 to remove the swastikas, which are near to top the 335-foot chimney and are rarely noticed by passersby. The symbols were built into the smokestack merely to relieve the monotony of the expanse of brick and with no thought of their representing any political belief or principle.

In a world where civil liberties are generally considered archaic remnants, America has scrupulously preserved the rights of the individual. Those rights can best be retained by sensible use on the part of all. This most recent anti-Nazi outcry in New York City was anything but sensible.

CLEANED UP YET—

Mr. Proud Citizen says: If you haven't cleaned up your premises yet, it's your civic pride, not your premises, that needs cleaning most.

At the funeral of Admiral Gary Garyson, eight respected negro servants of the distinguished Virginia family were given seats in the section reserved for relatives, and followed the family from the church ahead of President Roosevelt and other dignitaries.

HISTORY OF KNOX COUNTY

Taken from the files of THE MUNDAY TIMES

(Editor's Note: Each week hereafter this column will appear on the editorial page of The Munday Times. Eleven years ago happenings is the latest that the Times can publish as all files preceding that date have been destroyed or lost in past years. If you have an old edition of the Times published before 1927 please inform the Times news editor or publisher.)

OLD FIRMS GONE

Some of the firms of Munday in 1927 that have changed ownership or moved are as follows: H. W. Stogner and Son, ice dealers; E. E. Akers Dry Goods Company; Loveless Drug Store; The Tennessee Store; Baker Campbell Company; First State Bank; The Peoples Theatre is now the Roxy Theatre; Geo. Isbell was in the Dodge Motor car business, he is now in the real estate business; U. S. Rogers opened a filling station; The Moore Chevrolet Company was then the Bell-Moore Chevrolet Company.

NEWS FROM WEINERT

Picnic At Park
The adult class of the Baptist Sunday School enjoyed a picnic supper Tuesday night April 5 at the highway park, 2 miles north of town, and the following were present: Mr. and Mrs. Fred Monke, Mr. and Mrs. Wesley Liles, Mr. and Mrs. Raymond Liles, Mr. and Mrs. Henry Monke, Mr. and Mrs. Payne Hattox, Mr. and Mrs. Stiegler and baby, Mr. and Mrs. W. L. Johnston, Mr. and Mrs. H. W. Johnston, Mr. and Mrs. J. K. Kane, Mr. and Mrs. Cooper, Rev. and Mrs. I. J. Duff and Mrs. Mary Nool, Mrs. John Reeves, Mr. and Mrs. Earnest Ingram.

Correction
The article telling of Mr. Henry Smith being called to the bedside of his stepfather of Malino was incorrect, as his name was Mr. J. W. McNeely, former resident of Haskell county. Mr. McNeely

EYES OF LOVE PLAY CAST GIVEN

BIBLE THOUGHT

For yet a little while, and he that shall come, will come, and will not tarry.
Heb. 10:37.

WHY JAP SOLDIERS DIE HAPPY

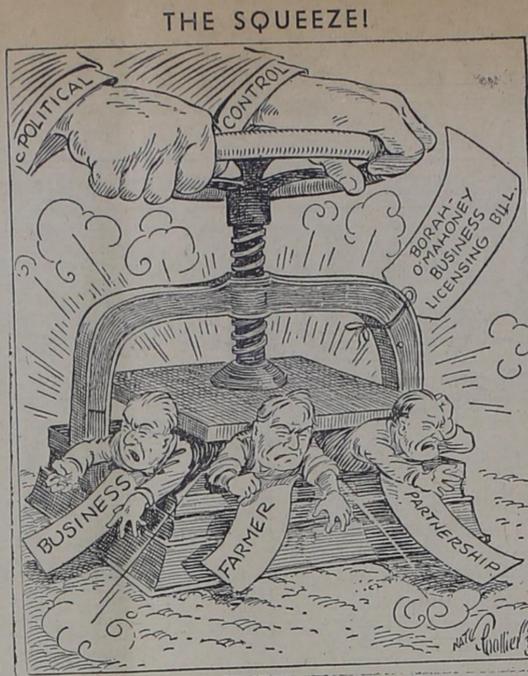

One reason why Japanese soldiers show so much courage and bravery in fighting is the belief instilled into them from childhood that they will be rewarded with immortality for death in battle. A pamphlet issued on March 10 by the Japanese War Department, to all its fighting forces, contains the following: "To die for the sake of the Emperor and the fatherland is to live forever. Moreover, to die participating in the supreme enterprise of mankind must be the greatest glory and the height of exaltation. Therein lies the possibility of bringing eternal peace to the Far East and constructing the paradise of mankind."

THANKS, MR. DICKENS

I am certain that there are not in any branch of manual dexterity so many remarkable men as might be found in the printing trade. For quickness of perception, amount of endurance, and willingness to oblige, I have found the compositor pre-eminent. The printer is the friend of intelligence, of thought; he is the friend of liberty and of freedom of law; indeed, the printer is the friend of every man who is the friend of order—the friend of every man who can read.
—CHARLES DICKENS

BUSINESS THOUGHT

Since it couldn't do any harm, why not have a "Mind Your Own Business Week"?

NOBODY'S BUSINESS

By JULIAN CAPERS JR.

Austin—Texas' foremost 1938 political floor-show got off to a flying start this week, as Ernest O. Thompson, erstwhile mayor of Amarillo, now serving his second term as railroad commissioner, made his initial bow to the voters at Waco, where he reviewed the record he has made, and outlined the issues upon which he asks the voters to promote him to the governorship.

Previously, Thompson has stolen a march on his chief opponent, Attorney General Bill McCraw, of Dallas, by promulgating a 15-point platform advocating economy, no new taxes, aid for farmers and schools, a leasing board for school lands, liberal old age pensions based upon need, removal of insane from jails, cooperation with organized labor, lower utility rates and state utility regulation. He opposed un-American "isms," chain stores, centralization of government, Federal control of child labor and natural resources, open saloons and liquor by the drink, gambling, socialized medicine. He pledged fulfillment of the State's obligation to pension teachers and aid dependent children and needy blind, as approved by the voters. He advocated additional taxes on natural resources or on luxuries to finance this obligation, if additional funds were needed, though expressing the belief more taxes will be unnecessary.

McCraw Opposes Taxes
Meanwhile McCraw, leaving the State for a hearing in the Green Estate tax case in Florida, issued a statement echoing Thompson's opposition to new or increased taxes, and advocating increased taxes on natural resources, public utilities and pipelines, if they are needed for the social security program. He said he will state his platform fully in his opening address at Arlington, between Fort Worth and Dallas, on Saturday, April 23.

Announcement by Jim Ferguson that his wife would not enter the race clarified the gubernatorial waters considerably, and left Harry Hines, highway commissioner, the only unheard-from prospective candidate. Hines friends believe he will announce for Governor during the week.

Inside Story
Behind the decision of the Ferguson to keep out of the gubernatorial race this year lies the interesting story which goes back to 1933, when Mrs. Ferguson took office for her second term as Governor. Ernest Thompson was serving his first elective term as railroad commissioner at the time. There were a good many state officials, elective and appointive, who had been aligned with Ross Sterling, and who resented fiercely Mrs. Ferguson's defeat of the Houstonian for a second term. They were hostile, some even discourteous, to the woman governor. Thompson, although his political ideas were quite different from those of the Ferguson, and he was loyal to Sterling, the man who had originally appointed him to the railroad commission, was nevertheless, courteous and considerate of the woman governor. This chivalry and good sportsmanship won the undying friendship of Mrs. Ferguson for the red-headed Amarilloan. So when there was talk of Mrs. Ferguson running again this year, close friends say she told her husband he could do a little political dickering by using her

Munday, Texas

name, but that when the showdown came, she would not enter a race against Thompson.

Family Confers
The final decision of the Ferguson was reached the day before Jim's announcement, at a family conference attended by their children and in-laws. The unanimous opinion of the latter group was that the health and age of neither Jim nor Ma justified them in entering, and this opinion, backed by the positive stand of Mrs. Ferguson against jeopardizing the chances of the man who had been chivalrous to her, swung the balance, and Jim was overruled. It was a knowledge of this situation which caused the writer of this column last autumn to report that the Ferguson would not be in the race this year, in direct contradiction or reports and rumors published in every daily newspaper in the State.

Chinese contributions to maritime science, including the lee-board, the balanced rudder and the watertight compartment, will be shown at the Golden Gate International Exposition, on Treasure Island in San Francisco Bay, in 1939.

Living blossoms, changed with each blooming season, will carry out the color schemes of various courts of the Golden Gate International Exposition in 1939.

NOTICE OF SHERIFFS SALE

The State of Texas
County of Knox
Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Knox County, on the 31st day of March, 1938, by Clerk of said District Court for the sum of Twenty-Six Hundred, Eighty-Three and 99-100 Dollars and costs of suit, under a judgment, in favor of Plaintiff, a certain cause in said Court, No. 2962 and styled Rollinsford Savings Bank, Inc., vs. Eddie Gibbins, et al, placed in my hands for service, I, Louis Cartwright as Sheriff of Knox County, Texas, did, on the 5th day of April, 1938, levy on certain Real Estate, situated in Knox County, Texas, described as follows, to-wit:
Northwest (N¹/₄) quarter of Survey No. Sixteen (16) in Block "C," C.T.R.R. Co. Survey, Certificate No. 31, described by metes and bounds as follows: Beginning at the Southwest corner of Survey No. 15, this Block, and the Northwest corner of said Survey No. 16; Thence South 950 varas to a stake in the west boundary line of said Survey No. 16; from the S.W. corner of this tract; Thence East 950 varas to a stake for the Southeast corner of this Survey; Thence North 950 varas for the northeast Corner of this Survey; Thence West 950 varas to the place of beginning and containing 160 acres of land, and levied upon as the property of Eddie Gibbins, et al and that on the first Tuesday in May, 1938, the same being the 3rd day of said month, at the Court House door of Knox County, in the City of Benjamin, Texas, between the hours of 10 a.m., and 4 p.m., by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Eddie Gibbins, et al.
And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Munday Times, newspaper published in Knox County.
Witness my hand, this 5th day of April, 1938.
LOUIS CARTWRIGHT,
Sheriff, Knox County,
Texas.
By Orvel Capehart, Deputy

All buildings for the 1939 Worlds Fair on San Francisco Bay must conform to the range of an "official color palette."

JUST INNOCENT FUN

Number of Trench Silos in State Increased to 10,000 Eudaly Reports

Over 700,000 Tons of Feed Are Stored in Silos

College Station.—The number of trench silos filled in Texas during 1937 as officially reported by the county agricultural agents was 9,483, according to E. R. Eudaly, dairyman of the Texas A. & M. College Extension Service, who said that unreported silos would bring the number up to well over ten thousand.

The silos contain 711,525 tons of feed, or an average of slightly over 75 tons per silo. Silage was valued at from \$3 to \$6 per ton in accordance with the type of feed used.

In addition to the standard feeds such as corn and the sorghums, which are usually stored in the trench silos, Eudaly cited many instances where farmers had used the trenches to save frost bitten crops and sprouted grains. Russian thistles, sweet potato vines, johnson grass, broom corn, prickly pear with dry fodder, cotton stalks, and similar crops have been successfully made into silage in short crop years.

A recent report from Frank Brunneman, county agricultural agent of Cameron county, stated that grapefruit rinds had been placed in a trench silo. This use of the by-products of citrus canneries, which is normally wasted, is considered especially interesting in view of recent tests which have shown that grapefruit rinds have the same food value as beet pulp.

The use of trench silos has practically doubled each year since 1930 when only 12 trenches were filled. The low initial cost of the silos, ease of filling and feeding from them, and their adaptability to any number of animals, is largely responsible for the increase, Eudaly said. Farmers and ranchmen are also becoming aware of the need for reserves of food, and nothing fills this need like the trench silo, which in addition to being economical, is rat, insect, fire and flood proof, and will hold silage for indefinite periods, he pointed out. A trench silo contest sponsored by the East Texas Chamber of Commerce is expected to result in expansion in that section.

Information on "Stored Cotton" Loans is Given

The following information concerning cotton loans is given for the benefit of farmers and others who are interested, through the county agent's office: "The maturity dates on all 1937 cotton-loan notes has or will be extended from July 31, 1938, to July 31, 1939.

"The number of pounds for which a producer will be eligible to the 3-cent subsidy will be determined solely by his base production and will not be affected in any wise by whether or not he has sold his cotton or placed it in the Government loan.

"A producer who has obtained a loan on his cotton may now transfer his title to the pledged cotton to the Commodity Credit Corporation and receive an additional two cents per pound on the cotton so transferred, provided: "He has complied with the 1938 AAA program and is eligible to receive a subsidy equal to two cents per pound on the cotton transfer.

"(a) He may not receive any larger payment by reason of the transfer. "(b) He will not receive payment any sooner than the producer who does not transfer his cotton."

William Allen White, the "Sage of Emporia, Kansas," and nationally known author and editor, is a member of the Kansas state committee planning participation in the 1939 World's Fair of the West on the 400-acre man-made island in the center of San Francisco Bay.

Beauty Queens for WTCC Convention Ad Colorful Note

Wichita Falls, Texas, April 11—Beauty queen nominees from throughout West Texas, named by member cities in the West Texas Chamber of Commerce, added a colorful feminine note today to business and program plans for the twentieth annual convention of the WTCC, to be held in Wichita Falls, April 24 to 27.

Miss Inez Mayo, senior student of the Texas State College for Women at Denton, elected at the Brownwood convention in 1937, will reign over the convention as Her Majesty, Queen of All West Texas. At the Monday night oil festival, entertainment highlight of the convention's opening day, registered convention delegates will ballot on Miss Mayo's successor, after the community queens have been presented.

Tuesday night, Mayor Fiorello H. LaGuardia, principal speaker of the general session of that day, will preside at the coronation of Miss West Texas.

Walter D. Cline, Wichita Falls, WTCC president of 1933, will be master of ceremonies, and Miss Elizabeth Huff, as Miss Wichita Falls, will be hostess to the visiting queens.

Entertainment plans for the West Texas queen include an airplane trip to Chicago, with chaperone, as guests of the Braniff Airways.

R. W. Lindsey, convention chairman of the community queens contest, said today he had arranged for the queen and her escorts to be guests at the Hotel Muehlebach, Kansas City, and the Blackstone Hotel, Chicago, while on the trip.

Return From Southwestern Life Insurance Convention
Mr. and Mrs. R. R. Davenport, returned to this city Sunday night from San Antonio, where they attended the Southwestern Life Insurance company's annual state convention.

Mr. Davenport is agent for the company for Knox, Haskell and Baylor counties, operating out of this city.

More than 1400 workmen are building the 1939 Golden Gate International Exposition.

Conditions call for physical effort are not frequently affected.

"There would be fewer victims of ravishing diabetes," Doctor Cox added, "if those who are indulging in soft, anti-natural living would realize the folly of their ways. Especially middle aged persons and those beyond it should exercise care. Simple living, an annual physical examination, and, if already showing the result of indulgences, obtaining and abiding by the advice of the family physician, could drastically cut down the power of this disease and its threat to an alarming number of adult Americans."

Knox City P.-T.A. To Sponsor Boy Scout Movement

The Knox City Parent-Teacher Association will sponsor a Boy Scout troop for that city, it was announced from there last week end.

Much of the enthusiasm for the organization of the troop there is accredited to the recent meeting held in Munday for the purpose of promoting scouting in Knox County.

A troop committee composed of Joe Averitt, Ed Shaver and Rev. U. S. Sherrill has been named and organization plans are being put through by these men. A temporary setup was made at a meeting Tuesday night in the Methodist church.

Do you want to SAVE MONEY?

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.
300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?
Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.
But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.

Clubs to Present Easter Cantata Here

CANTATA TO BE PRESENTED HERE SUNDAY EVENING

Munday Music Club And Choral Club Collaborate

MRS. LONGINO NAMED DIRECTOR

Mrs. Baker Will Read Scripture Text For Cantata

The Munday Music Club and the Choral Club of this city, will collaborate their talents Sunday night at the First Baptist Church in presenting an Easter Cantata, entitled "The Thorn Crowned King."

Text for the Cantata was written by Berge and music was composed by Holton.

Mrs. C. P. Baker will read the scriptural text at various points in the program, and Mrs. Jim McDonald will serve as pianist during the entire cantata, and Mrs. H. A. Longino will direct the choir.

The program will include several special numbers in the form of solos, duets, sextets and special obligato solos with the choir. Three special numbers, all solos, which will intersperse the cantata are taken from the "Gospel of Easter," a cantata written by Ferris. They are: "O Golden Day," to be sung by Mrs. H. A. Longino; "Fear Not Ye," by Mrs. Joe Davis; and "I Shall See Him," a duet by Mesdames H. A. Longino and Orb Coffman.

Solo parts in the featured cantata, "The Thorn Crowned King," will be given by the following ladies with the title given after the soloist:

Mrs. P. V. Williams, "He Chose the Cross of Shame"; Mrs. Joe Davis, "Betrayed"; Mrs. J. H. Bass, "The Thorn Crowned King"; Miss Mildred Kennedy, "Let Him Be Crucified"; Mrs. Louise Ingram, a solo and obligato part, "They Laid Him Away," and Mrs. Ima Reece, "He Is Risen."

The closing number for the cantata in entitled "Praise Ye The Lord," which will be sung by the choir.

All churches of the city will discontinue Easter night services in order that the citizens may hear the cantata, which is a story in song of the crucifixion, death and resurrection, of the Christ.

The public is invited to attend.

NOTE—It was announced just before going to press that Mrs. Coffman would be unable to participate in the Cantata and that Mrs. C. H. Giddings of this city would probably sing the special numbers previously assigned to Mrs. Coffman.

CHURCH NEWS

METHODIST CHURCH

The results of the meeting just closed was very gratifying in that the spiritual life and tone of the church was lifted very perceptibly and a number of persons accepted Christ as their Savior. Under the difficult weather conditions for three days of the meeting there was not a service called off and not a dull service in the entire meeting. Rev. Clarence Bounds, the pastor-evangelist assisting us was at his best. His fervent spiritual life and untiring service led others to surrender their lives to a daily service of the Master. The results of this meeting will long be felt and the future of the church is brighter than in some years.

Since next Sunday is Easter there are some special services that will interest you. A "Sunrise Devotion Service" at 6:15 will open the day of service and worship. A well arranged program is planned and this early service should lift up our spirit for the day. Come to this early service and bring a friend.

Special Easter music will be had at the 11 a. m. service and the message is of the Cross. Also at this service those joining the church during the meeting will be received and any others who wish to become members by letter or profession.

The Choral Club of the community will sing an Easter Cantata at the Baptist church at the evening hour. This is a union service and will be well attended. Let's "Lift Christ Up" in adoration in our lives and community.

"I met God in the morning, when my day was at its best, And his presence came like sunrise, Like a glory in my breast."

H. A. Longino

Return From Convention
Mr. and Mrs. R. R. Davenport returned Sunday night from San Antonio where they attended the annual Southwestern Life Insurance convention. Davenport is agent for the insurance company for Knox, Haskell and Baylor counties, with offices in Munday.

Society

MRS. G. C. PAYNE TO GIVE PROGRAM OF SHORT STORIES AT MUNDAY STUDY CLUB EASTER PROGRAM FRIDAY

Mrs. G. C. Payne of Wichita Falls will present a program consisting of short stories at the regular meeting of the Munday Study club Friday afternoon at the club house, it was announced this week.

The program will carry out the Easter motif also, Mrs. M. H. Reeves, president, stated.

Mrs. Payne will open her program by telling a very short story, entitled "Daisy Chain," which signifies when you pass a pleasant thought to someone how it travels.

She will bring connection of the thought trend of "Daisy Chain" to her efforts during the remainder of the program.

Mrs. Payne's second story will be a humorous one, entitled "Blue Roses," which is based on the writer's opinion that "women don't know what they want."

The program will be interspersed here with a piano solo by Mrs. Jim McDonald and a duet in song by Mesdames John Ingram and J. H. Bass accompanied at the piano by Mrs. Louise Ingram.

"The Madonna," a much deeper story than the first two to be given by Mrs. Payne will then be told. It will climax her program, and is the story that Mrs. Payne won the Texas Federated Women's Club story telling contest during the past year at Dallas. It is a story for mothers, with the many beautiful thoughts that may be connected with mothers.

The program will be closed with a musical reading by Mrs. Payne entitled "Patchwork Quilt." An informal tea will be enjoyed by the club members and invited guests for the afternoon program, which will open at 3:00 o'clock.

FAMILY REUNION IN ARMSTRONG HOME SUNDAY

A family reunion was enjoyed in the C. W. Armstrong home here last week end which all the children of Mr. and Mrs. Armstrong attended, except the oldest son, Raymond, who lives at Hobbs, New Mexico.

Attending the reunion were Mr. and Mrs. J. B. Smith and son Jimmy of McCamey, Texas; Mrs. B. B. Fitzgerald of Crane, Texas; and Mrs. Grover Poole of Olney, Texas.

Mrs. Armstrong left following the reunion for Wellington, Texas, where she will visit in the home of her parents, Mr. and Mrs. F. M. Murry.

Visit in Wellington

Mr. and Mrs. Wade Mahan of the Mahan Funeral Home of this city, spent the past week end in Wellington, Texas, visiting in the home of their parents.

Visits Daughter Here

Mrs. E. Ford, Cisco, and mother of Mrs. W. R. Cabaness, and Mrs. V. E. McCharron, Cisco, Mrs. E. K. Henderson and little daughter, and Miss Olga Ford of Rising Star, sisters of Mrs. Cabaness, all visited in the Cabaness home over the past week end.

MISS BRADLEY AND MR. LEWIS ARE MARRIED

Miss Ola Mae Bradley of Wichita Falls and Mr. William Bradley Lewis of Seymour were married Sunday afternoon at five-thirty, at the home of the bride's parents south of Munday, in a beautiful ring ceremony read by Rev. S. E. Stevenson of Goree, in the presence of the brides' parents, Mr. and Mrs. H. C. Bradley, two brothers, Mr. and Mrs. Lloyd Bradley and son Jerry of Goree, Mr. and Mrs. George Bradley of Mankins, sister, Miss Angie Bradley and Mr. R. B. Jacobs.

The bride wore beige and British tan. After a short trip to Fort Worth the couple will be at home in Seymour where Mr. Lewis has been employed for the past nine years.

FIRST BAPTIST CHURCH

The Resurrection Message will be the sermon subject for next Sunday morning. There will be special music in keeping with the occasion. If you miss this service it will be your loss. Come to the service, whether the bonnet is a new one or the last year's lid.

Sunday evening the Music Club is rendering an Easter Cantata, The Thorn-Crowned King. You will appreciate and enjoy this service.

Our summer revival meeting begins the first Sunday in August. Dr. J. Pat Horton, pastor of the First Baptist Church, Plainview, Texas, will do the preaching. The meeting is billed for two weeks.

W. H. Albertson

Mrs. R. L. Ballenger and son of Wichita Falls visited in the home of her parents, Dr. and Mrs. A. A. Smith, here last week end.

AMIGOS SUNDAY SCHOOL CLASS ENTERTAINED

Mrs. John Ingram, Mrs. Howard Cobb and Mrs. Chandler Hughes entertained the members of the Amigos Sunday school class in the home of Mrs. Cobb with an 84 party Wednesday evening.

The Easter motif was carried out in the decorations and plate favors. Roses were used for flower decorations in the party rooms.

Ice cream and cake were served to the following members and guests: Dr. and Mrs. D. C. Eiland, Dr. and Mrs. Hollis Douglas, Mr. and Mrs. Buel Bowden, Mr. and Mrs. Chester Borden, Dr. and Mrs. J. H. Bass, Mr. and Mrs. T. R. Haney, Mr. and Mrs. Riley B. Harrell, Mr. and Mrs. W. L. Barber, Mr. and Mrs. J. C. Elliott, Mr. and Mrs. M. L. Barnard, Mrs. J. L. Stodghill, Mrs. Louise Ingram, Messrs. Chandler Hughes, John Ingram, Howard Cobb and the hostesses.

Brother-In-Law of A. L. Smith Killed in Train-Car Crash

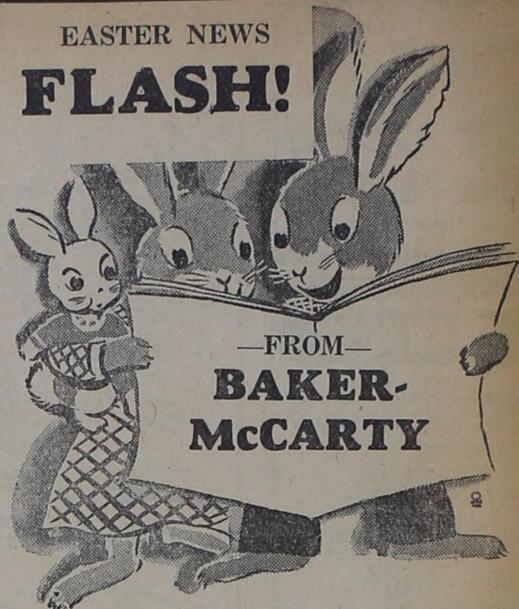

Mr. and Mrs. A. L. Smith of this city, left Tuesday afternoon for Cooper, Texas, where they will attend the funeral rites for Mr. Smith's brother-in-law, W. T. Alley, who was killed in a train-auto crash near Sherman.

Morris Alley, son of Mr. Alley was also in the crash and was severely injured, but it was believed that the injuries would not prove fatal.

Burial was made in the Cooper cemetery Wednesday afternoon.

GRADE SCHOOL NEWS

The grade school pupils enjoyed their Easter Egg hunt on April 2. They met at the school house and then rushed to the place where the Easter rabbit had hidden them. The bunny certainly did a good job coloring them, but why did he have to paint the prize eggs the color of the ground?

After the hunt pictures were taken in the school grounds. The following won high prizes: Francis Redder, first; Lucille Schumacher, prize egg; Kenneth Blaschke, second highest. Others winning were: Agnes Redder, Rayford Gene Chandler, T. J. Hoffman, and Florine Decker.

We wished two of our classmates happy birthdays last week. We hope Ben doesn't have such a wintry one again.

Senior News

The Seniors will receive their Easter gifts next Tuesday and Wednesday when examinations are given. But since we have studied diligently, we have no fear for them. The Seniors hope that the Easter Rabbit will bring them a basket of knowledge.

Some may never consider how valuable it is to laugh. It makes one see the cheerful side of life. Just read this poem.

A trick of laughing
When all your plans go wrong
Will turn a fit of growling
Into a cheerful song.

Sophomore News

In spite of the snowstorm, all but one Sophomore came to school Friday. We think the Sophs are very diligent in their studies and always ready to come to school.

Because our English work books are rather difficult, we are grateful to Miss Walsh when she makes us write letters or compositions in order to make our class more interesting.

The biology students were very grateful to receive a live rattlesnake for the laboratory last Sunday. The snake was caught and given to our school by former students. We intend to have many specimens of different snakes, and insects when we leave the biology class.

Junior Class News

The snow storm did not seem to affect the Juniors, for they are just as naughty now as before. Anyway it seemed that way with all the bouquets they received during the past week.

We have been working hard in trying to memorize a poem in German I. It seems very difficult, but we are hoping to learn it perfectly soon.

Who remembers this sentence in class Monday: "They distinguished the fire with much difficulty."?

Freshman Report!

The students of our class are progressing very rapidly and are feeling jollier every day, because we just have five weeks more of school.

When we looked outside last Thursday morning, this thought came to our mind, man's hand can do great work but there is a stronger hand—the hand of Nature.

Because of the bad weather, we made candy and popped popcorn. We had an enjoyable time, because this gave us not only an opportunity to learn how to make candy but also eat it.

Wayne believes that if a room is filled with people it will not have as many echos as an empty room because the echos will go in the peoples' ears and will not come back out.

We will take this opportunity to wish you a very enjoyable Easter and we hope that the Easter Rabbit will fill your nest with eggs.

Wish Patrons Happy Easter

We, the students of the Rhineland School, take this chance to wish all our patrons and friends a very happy Easter.

Here is some good advice to the drivers of all cars:

The Stiller The Better
Stop and let the train go by,
It hardly takes a minute,
Your car then starts again intact.
And, what is more YOU'RE in it!

And here is a very good one for the quitters:

Ain't It The Truth?
"No one is beat till he quits; no one is through till he stops. No matter how often he drops, a fellow's not down till he lies in the dust and refuses to rise."

"Fate can slam him and bang him around, and batter his frame till he's sore, but she never can say that he's down while he bobs us serenely once more. A fellow's not dead till he dies, not beat till he no longer tries."

Leaves for Meeting

Dr. J. H. Bass, superintendent of local schools left this morning for Vernon, Texas, where he will appear on the program of the Texas Congress of Parents and Teachers, at the annual conference of the 13th District.

County Judge E. L. Covey of Benjamin was in the city Wednesday afternoon attending to official business.

Margie Marie and Wayne Walton's aunt, Mrs. Della Barret, was seriously injured in a head-on collision of two autos near Lubbock week before last. Ten people were in the wreck, six of whom were injured and four killed. Mrs. Barret is in a hospital at Lubbock suffering from a crushed chest, an injured lung, a broken leg and a crushed foot. She is the mother of four children.

The Walton relatives from here went at once to the injured lady.

SCOUTING THE

SCOUTS

MUNDAY, TEXAS, TROOP

Cecil Cooper, Scoutmaster
Robert Greene, Assistant
Henry Dingus, Reporter
Meeting Place—Legion Hut

Due to bad weather the latter part of last week, the "Clean-Up Contest" which the scouts are engaging in will be resumed this week. The patrol collecting the largest pile of rubbish will receive the four dollar prize offered by the Munday Chamber of Commerce.

The Scouts are planning to have an entrant or two in the "Stunt Night" which will be put on at the school auditorium next Monday night. Just what stunt they will perform has not been decided yet, although several good ones were suggested at the Scout Meeting.

There is a possibility that our troop may not be able to attend the Scout Jamboree at Seymour on the twenty-second and twenty-third of this month. We all hope we get to be there.

One thing which is noted gladly by the Scout Reporter is the enthusiasm shown by the fathers of the Scouts of our troop. Rarely do we have a scout meeting without at least one or two, and sometimes as many as five, local men attending.

Scouts who attended the meeting were: Bobbie Reese, David Eiland, J. E. Reeves, Jr., Jack Pippin, Willard Reeves, Howard Payne Shannon, Sargent Lowe, G. C. Conwell, Jimmy Lee Haney, Weldon Higginbotham, Dorse Collins, Frankie Boone, Charles Baker, Kenneth Spele, Joe Albertson, Lamine Blacklock, D. P. Morgan, and Henry Dingus.

One visitor present was Orin Joe Bowden, who, we hope, will join us soon.

All Scouts are urged to be at the next meeting at the Legion Hall next Monday night at 7:30 o'clock.

New Fire Hose is Added Munday Fire Department Force

The citizens of Munday will have a greater protection against fire loss in the future, due to the addition of 500 feet of new fire hose to the equipment of the Munday fire department.

The city council recently ordered the new hose for the local department, which was received here and has already been placed in the racks of the two city fire trucks.

Rhineland News

ROSE ANN KREITZ, Reporter
Mr. and Mrs. Leo Wilde are the proud parents of a baby girl, born April 6.

Mr. and Mrs. Matt Kreitz and daughters Nadine and Elaine, visited in Wichita Falls, Texas, Sunday.

Mr. and Mrs. Albert Fetsch and son visited in Wichita Falls Wednesday of last week.

Mr. Peter Lorran returned home from Dallas last Friday.

Mr. and Mrs. John J. Hoffman and family visited in Wichita Falls Saturday.

Miss Veronica Schumacher visited her parents, Mr. and Mrs. August Schumacher, Monday. She was enroute from Lubbock to Abilene.

Meers Is Injured

Frank Meers received painful injuries this week when he was crushed by his car. Meers had the machine jacked up while he was working on it and the car fell from the jacks while he was under it. The injuries are not serious according to reports.

Mr. and Mrs. Riley B. Harrell and Mr. and Mrs. A. P. Garrert were in Abilene last Sunday visiting W. H. Chapman, who has been a patient in the Abilene hospital.

County Commodity Department Given Shipment Potatoes

Surplus potatoes from three states will be added to the diets of families receiving relief. According to R. L. Montgomery, director of Commodity Distribution, Texas Relief Commission, the Federal Surplus Commodities Corporation, under the direction of the Agricultural Adjustment Administration, is now engaged in buying surplus potatoes in Idaho, Colorado, and Utah, in order to bring about orderly marketing and to protect growers.

As a result of this buying program, the Texas Relief Commission has received 2,988,000 pounds of this nourishing vegetable during February, and Mr. Montgomery states that he expects 612,000 lbs. more from the Corporation as its program progresses.

HAPPENINGS

Here on Business

Louis Cartwright, sheriff of Knox County was a business visitor here Tuesday. He was still conducting the affairs of his office although the blizzard had left him without the use of his voice, due to an extreme cold.

Son is Ill

Mr. and Mrs. Giddings' son, Charles, has been quite ill for the past week with an infected throat. He is reported to be improving.

Admitted to Hospital

W. H. Chapman, former Munday resident and now manager of a lumber yard in Odessa, Texas, was admitted to an Abilene hospital last week with a severe case of flu. He is improving, according to reports.

Home For Easter

Pauline McCarty, daughter of Mr. and Mrs. W. W. McCarty of this city accompanied her parents home Tuesday night from Texas Tech college for the Easter holidays. Miss McCarty is a member of a choir of 200 voices that presented an hours Easter musical program at Lubbock on Tuesday night, which was heard by Mr. and Mrs. McCarty.

Bill Yates Leaves

Bill Yates, employed in the Coates Cafe the past two months, returned to his home in the Brushy community this week. He will return in the fall and work for the firm and enter school.

Leave For Brownwood

Rev. W. H. Albertson and daughter, Helen, left Wednesday afternoon for Brownwood, where they will be accompanied home for the Easter holidays by Howard and Lily Albertson, who are attending school in that city.

Mr. and Mrs. Joe Massey of this city, and Miss Almada Josselott of Haskell county, left Wednesday afternoon for Sierra Blanca, near El Paso, Texas, where they will visit in the home of Mr. Massey's father.

Mrs. R. L. Boles and two sons, LeRoy and Charles of Tulsa, returned to their home last week after a visit in the home of her parents, here, Mr. and Mrs. A. C. Brock.

Ralph Layne, Philip Zeissel, and Mr. Renfro of Wichita Falls were here Tuesday visiting relatives and friends and attending to business.

CARD OF APPRECIATION!

I wish to express my appreciation for the persons who supported and voted for my candidacy for the office of Chief of Police of Munday in the city election.

Marshall Franklin

(To Be Continued)

No Chance For Argument!!

Irvin Cobb said that one of the most serious mistakes President Roosevelt had made since his re-election was when ew took up 15 minutes of Amos and Andy's time recently in one of his National hookup speeches recently. We are conducting our used car business in a manner that our friends won't have to apologize of they speak a good word for us.

Hefner School News

Official School Paper of Hefner School

CONTRIBUTED BY HEFNER SCHOOL CHILDREN

People of our community have been after us to send in news of our school again. We are trying the "postoffice plan." Each pupil contributes some article or news event. All articles are put into our mail box and the teacher corrects and combines them. As a result you shall again hear from us.

The thing of greatest interest to the intermediate boys and girls seems to be the new unit on birds and flowers.

"We are studying birds and flowers. I am studying the ducks, swans and geese. We are all making booklets," says Taylor Cooksey.

"I am making a book of flowers and I am very glad because I already have a good collection of flowers," says Fay Cornutt.

My sister, Beatrice, left a week ago Sunday for a trip to the plains. "I am studying many kinds of flowers," says Neoma Norwood. She also confesses, "The fifth grade had to stay in for not knowing our history lesson."

Aunt Thelma went to the plains to visit her sister, who is in the hospital at Lubbock.

"The third, fourth and fifth grades are studying about birds and flowers. We like it very much," says Betty Allene.

"I am studying about the parrot and Blue Jay," says Emogene, "and Betty is studying the blue-bird and robin."

Perhaps some of you folk did not know it, but Emogene with Dalton won first place in sub-junior spelling at the county meet.

We are making a study of birds and flowers. I am studying about the thrasher, swallow, and the thrush," says Alvin. "We have been playing ball and the other day we had to play when the sand was blowing."

"We are studying birds and everyone has some birds to make a special study of," says Thomas Heard.

"I am working out a booklet on the wren, oriole, and the turtle dove," says Billie.

"Our room is studying about birds and flowers. I am working on the hawk, crow and owl," says John Perry.

"We are having a bad sand-storm today. It is our fourth on. We are studying about birds. I am studying the quail and the canary," says Wayne.

There will be preaching services at the Methodist church Sunday by the pastor, Bro. English, of the Bomarton charge. There is to be a special Easter service Sunday evening.

Edward Ewin Jones visited his uncle, Paul Jones, who is in college at Texas Tech Sunday. He went with his grandparents, Mr. and Mrs. Ed Jones and Eva Jones.

Dalton Jones who helped win first place in spelling is a fourth grade boy. He is studying about the sparrow, canary and the cardinal.

Mr. and Mrs. Elmo Cure of Abilene spent last week end in the home of Mr. and Mrs. J. E. Cure.

Mr. Roy Jones who was in a Wichita Falls hospital was brought home Saturday.

A dinner party was given by Mr. Elmo Cure in behalf of Wear-ever aluminum at his mother's home last Monday evening. The guests: Mr. and Mrs. Sidney Johnston, Dave Jetton, Felton Lambeth, and Lonnie Offutt. All reported an enjoyable time. Music and singing were enjoyed after the meal.

A singing was given at Mr. and Mrs. J. E. Cure's Wednesday evening, April 13th. The next community singing is to be at the Methodist church the 4th Sunday.

Mr. J. J. Pennington and son, Leroy, of Shamrock, formerly of this community, were in a car wreck during the cold spell, near their home at Shamrock. Mr. Pennington was thrown through the windshield. As a result, his face was cut in several places rather badly.

Mr. Teakell and family moved this week to Buck Tidwell's place.

Mr. and Mrs. Ivan L. Burgess our former principal and his wife, have an eight pound boy, who was born April 3. Mr. Burgess is now working with the West Texas Utilities Company in Ballinger.

Thrills and Spills

By ???
 Some seem to have been getting a little angry about what has been published in this column, but after all remember it's just "thrills and spills" and all comes in good clean fun, but in case you want to say something about it, just come to our private office and talk to us in private, please.

Well, it seems as if a freshman boy has really beaten your time, Lemuel. But still you don't seem to be doing so bad with that freshman girl, either.

It also seems as if E. G. Parkhill still has some good times with a certain senior girl of good old S.H.S. You'd better watch your step, E.G., or that K.C. girl of yours will find it out.

It is also very queer that Buddy Bumpas isn't ever seen with a farmer's daughter any more.

We have all begun to wonder where the Bray girls stay. We can't ever find out anything about them.

Fuller Shannon almost got up enough courage to ask a Sunset junior girl for a date Saturday night, but somehow his courage failed him. Maybe you'll have enough courage next time, Fuller.

There certainly must be something very interesting outside of Sunset, for some little Wren, because she doesn't seem to want to come to school. So I'm sure that she really didn't care so much for the Junior boy after all.

LeRoy Henderson and Faye Marie Partridge are still just as usual, fussing one minute, and very friendly the next.

Say, what's this I hear about Ralph McBeth being after Sweet? Maybe it was just sweat on his brow, but still there's a junior girl by that name.

Floyd Frost was out playing around last week and it seems as if he has taken up E.G.'s old place. You'd better be careful, Floyd.

Lillian, we've just about decided that you won't stay single much longer, for all your pals are getting hitched. Don't let them leave you too far behind.

J.R. Hill seems to enjoy seeing Sophomore girls walk.

Wicklon Stogner thinks he really could learn to read if he only had a Reader.

Cleta, could it be any chance have been you and LaVerne that got to walk to town Saturday night?

The three sophomore boys, J.B., H.P.S., and H.D.M. still seem to like the same girl.

Say, even little George Thomason has begun to watch the little Clarke girl. George, you're pretty young.

Junior, when you were given that part in the class play to play opposite that "Chocklate" brown girl, you really weren't supposed to take it seriously.

The smoothest running thing in Sunset is Orville's and Hallie Phine's love affair.

It was pretty cold last week, but I think Robert will admit that he likes Winters.

Nell, can't you make up your mind? Is it going to be a Junior, senior, or a boy that doesn't even go to school?

SUNSET SENIORS ON PARADE!

LeRoy Henderson
 LeRoy Henderson, son of Mr. and Mrs. M. M. Henderson, was born April 3, 1920 in the Red Top community. When Roy was six years old, he started to school at Red Top. He continued going to school at Red Top until he was in the fifth grade. Then he started to school at Sunset, and he is now completing his high school work. LeRoy is senior reporter for the "Eagle's Echo." He played on the junior basketball team for two years, ran on the junior track team for two years, and played in junior baseball team for two years. As a Senior, he ran on track three years and played basketball two years.

LeRoy is a very dependable member of this class and always takes part in anything that there is to accomplish. Also he is making very good grades. He is the one Senior boy who has stayed on the honor roll all during this year.

His Favorites:
 Subject—Music
 Sport—Track
 Sweet—Heigh Ho.
 Song—Track
 Girl friend—Flirtations Blonde
 Teacher—None of 'em
 LeRoy plans to attend John Tarleton next year.

Colored lights playing on fountains will deceive the eyes as to the height of fountains at the San Francisco 1939 Exposition.

Colors will be so blended at San Francisco's 1939 Exposition that visitors will not get tired from glare of buildings and walks but will be refreshed and mildly excited.

Sunset Seniors to Present Class Play Wednesday Night

There has been a tendency for the theatres and stages to imitate real happenings that go on every day. The senior class is presenting a three act play that will simply knock your hat off. It is not all humor. It has just enough to keep you guessing and laughing at the same time. Mrs. Sheppard McLean, a young widow is in a tight for money. On her summer vacation she met a supposedly rich real estate and stock holder. Mr. Luther Long had immediately fallen for Mrs. McLean but at the same time he was thinking how handy a little of her money would come in. He did not know that she was as poor as he. In spite of the money question each had learned to love the other. They both looked much younger than their real ages, thus they each suspected the other of being much younger than he really was.

Juliet Long is a girl of seventeen, very pretty and the typical modern girl.

Sheppard McLean, "Mama's Baby Boy" is eighteen years of age. Mrs. McLean knows that he is liable to give her age away, so she forces him to dress as a thirteen year old child. Unknown to Mrs. McLean, Mr. Long has a seventeen year old daughter, Juliet Long. He fears she will give him away so he dresses her as a twelve year old child. They have a rip-roaring time posing as children. Oddly enough, each has the other fooled. Mrs. Blackburn, Mrs. McLean's mother, sees the boy and girl dressed as kids. She thinks the whole thing is masquerade. She, a lady of sixty, dresses in a small child's attire. Mrs. McLean does not now that Mrs. Carlotta Anglin, the woman that she borrowed money from, is Luther Long's sister. Things begin to explode when the brother and sister meet. Minnie, the colored girl, is constantly changing bad matters to worse. You can't afford to miss seeing how Mrs. McLean, Luther Long, and the others grab a happy ending out of the hopeless mixup.

Cast of Characters—Faye Marie Partridge, a young widow of forty. She looks much younger than her real years. She is a very charming lady and we can't blame Luther Long a bit for falling for her.

Luther Long—is played by Herbert Partridge. Mr. Long is a tall, good looking man of forty. He is the type that could get any woman he wants, but he is a settled gentleman who has a great longing for love and money. Herbert has had experience in several of the plays in the last several years. He does a splendid job in the present play.

Sheppard McLean is a good looking lad of eighteen. He is much along the athletic type and is evidently a "lady killer." He is very light and frivolous in manner and his chief aim in life is to have a lot of fun. This part is played by Fuller Shannon. He also has had experience in the past. He plays "Mama's Baby Boy."

Juliet Long is a girl of seventeen, very pretty and the typical modern girl of today. This part is played by Nell Nix. She is also "Daddy's Baby Girl." You'll agree that she does a splendid job of acting.

Mrs. Matilda Blackburn, Marguerite Jarvis, is a sweet old lady in her sixties, yet she is bright and peppy. She furnishes a barrel of fun. Marguerite plays the role as an experienced hand.

Cynthia Anglin, Lillian Hackney, is a former sweetheart of Mama's Baby Boy.

Wilbur Warren is played by Buddy Bumpas. I'm sure that none of you will need an introduction to him. He is everybody's favorite—very light and mischievous in manner.

Sylvia Kline is played by Francis Gray. She is Wilbur's girl friend.

Max Moore, a breezy real estate agent, is played by Aselon Stogner. He carries the solution to the play in his brief case.

Minnie, the young colored maid, is played by Dorothy Gammill. She is constantly mixing up her mistress' plans and she is very easy to get excited or tickled. Her chief worry is to get her back wages. Dorothy does a swell job

4% Farm and Ranch LOANS

John Ed Jones
 SECRETARY
 Munday, Texas

impersonating a negro. She puts those giggles and excited expressions just where they fit just right.

Mrs. Carlotta Anglin, played by Loveda Cheek, is a friend of Mrs. McLean's.

Remember, the Sunset Seniors present the play, "Mama's Baby Boy," in the Sunset auditorium, on Wednesday evening, April 20.

Special music will be furnished by the Knox City High School band. The between act numbers will be under the direction of Mrs. N. T. Underwood.

Following the play high school juniors and seniors and their teachers are invited to attend a reception in the Sunst School auditorium.

Plan now to see "Mama's Baby Boy."

Sunset Personals

The Sunset school was dismissed for two days last week. When the weather got so disagreeable Friday morning, it was decided not to attempt to have school. The buses took the children, who had ventured out to school home. No attempt was made to have school Friday.

A number of Sunset folk were disappointed Friday when the roads proved impassable for them to get to the District meet at Breckenridge. The declaimers and other winners in the literary events simply had to miss entering the district meet—since they were held Friday as scheduled.

The volleyball team and the track men are enthusiastically planning their entrance into district events next Saturday.

The playground ball teams are very thankful that their contest has been postponed for a week, since the weather has been against them for the past week. The playground ball games will all be played Saturday, April 23, at Benjamin.

Traphene Wren is out of school this week because of illness.

The Sunset Seniors have ordered the invitations and personal cards through Mr. Boyde Carley, a representative of The Munday Times. The class was well pleased with the samples that were shown, and the boys and girls are looking forward to the day of receiving the invitations and mailing them out to their friends and relatives.

The seniors are glad to have their old steady, Ida Lou Walling, back in their class. She moved and went to Fredericksburg to school for a while, but she came back to graduate with her class at Sunset.

As a result of the presentation of the one act plays "Why Lie About It" and "Yes, Lucy," under the direction of Mr. T. W. Harber and Mr. W. C. Kimbrough, the sum \$21.00 was added to the sweater fund for the graduating lettermen of 1938. The outlook for sweaters is still rather gloomy, however, since there are twelve boys and girls to receive these sweaters this year, and the fund is still very insufficient for that great need.

Three Elected to Trustee Board of Weinert Schools

Two were reelected and one new member was also elected to the Weinert School board of trustees in the school election held there April 2.

Dr. J. F. Cadenhead and Neil Mathison were re-elected to the board and H. C. Yandell is the new member.

Rugby teams of Australia, New Zealand, Japan and Canada will be asked to meet American teams at San Francisco's 1939 World's Fair.

HEFNER NEWS

The cold weather and snow injured wheat, gardens and all tender plants last week.

Next Sunday is preaching day at the Methodist church. The pastor, J. A. English, will preach at 11:00 am.

Last Sunday the Baptist pastor, J. L. Gray, preached three sermons. One member was added to the church.

Mr. and Mrs. Cecil Murdock of East Texas were guests of Vernon Murdock and Faris Mobley over the week-end.

Horace Boogs of Hemet, Calif., is visiting his mother, Mrs. L. Boggs, this week.

Roy Jones is home after being a patient in the Wichita Clinic hospital several days. He is improving.

The community sing-song at Mr. and Mrs. J. E. Cure's was enjoyed by all present Wednesday night.

Mr. and Mrs. Earle B. Peterson and baby daughter, Earlene, of Lubbock, returned home after visiting Mr. and Mrs. E. J. Jones.

Mr. and Mrs. Lonnie Offutt of the Hefner teacherage spent Sunday with relatives at Sunset and Munday.

HEFNER H.D. CLUB MEETS
 The Hefner Home Demonstration club will meet Tuesday, April 19, at 2:30 p.m. with Mrs. Ed A. Jones.

Topic: From Rags to Rugs.
 Roll Call: The inexpensive Christmas gift I enjoyed most, and why?
 Bring your homemade rugs and

PLEASANT VIEW

The farmers of this section feel that the grain was badly damaged by the freeze last week.

Mrs. A. D. Irick is slowly improving and hopes to be up in a short time.

Mrs. Bob Gaines is also improved, at this writing.

Mr. and Mrs. J. M. Voyles and Mr. and Mrs. Ed Owen visited Mr. and Mrs. Bill Owen Sunday.

Mr. and Mrs. Floyd Conwell and family were dinner guests of Mr. and Mrs. Raymond Suggs Sunday.

Miss Louise Jacobs spent Saturday night with Louise Suggs.

Mr. Walter Rodgers returned from Wichita Falls Friday.

Mr. and Mrs. G. C. Conwell, Mr. and Mrs. Floyd Conwell and Mr. and Mrs. Raymond Suggs visited Mr. and Mrs. Lynn Cooks of Corn Sunday afternoon.

J. W. Cowan, Jim Cunningham, and son Douglas, were seen at the oil well Sunday afternoon.

Mrs. Raymond Suggs was on the sick list last week but is able to be up again.

Miss Louise Suggs spent Thursday night with Mr. and Mrs. C. F. Suggs.

Mr. and Mrs. Elmer Melton entertained with a party Saturday night.

Wayne Royce Rodgers visited Arledge Wayne Suggs Saturday.

All members are urged to be there and bring a report of their club work.

Visitors are welcome.

—Reporter.

WORK IS HALTED ON NEW SCHOOL

Work was halted on construction of the new Vera Consolidated school district building, during the blizzard and snow storm last week after two days work.

Work was started on the project by razing the Lone Star building, which district is a part of the newly consolidated district. Materials of the Lone Star building will be moved to the site of the new building and then the Vera building will be torn down.

Classes for the grades will be conducted in church buildings in the district the remainder of this school term. J. G. Thompson, superintendent of Vera announced.

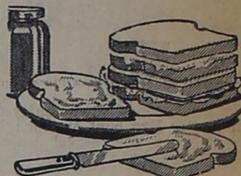

Four hundred feet high, the slender Tower of the Sun at the 1939 Golden Gate International Exposition is only 57 feet wide at its base.

FRESHMAN.....Marcelle West

I WILL!!
"Whenever anybody says, 'I wish I could, but I can't,' either of two things is wrong. The work he wishes is not truly his, or he is stalling because he is not willing to pay the price in suffering that the prize demands.

"It is creative work that builds up a business, reforms society, masters a problem of any sort, and fills a successful life with sacrifice, under the stern direction of a settled purpose. These are the forces that mold a Self strong in its own right, the only Self that can make a wish come true.

"The greatest obstacle any of us has to overcome is his own Self. We protect the precious Self with our last protesting breath. We shield and guard it and hide it away from all harm, holding it sacred from the world.

"Thinking about Self is a pet pastime, but the thinking we do is the loving, protecting, denies instead of facing weakness, smothering the spark of adventure, fears suffering and kills initiative. What is needed is the attitude that says: 'What is wrong with you? What are you afraid of? A little suffering won't hurt you. You can take it. Come out here and prove yourself a man. You can. You must. You will.'

Freshman Report

The snow Thursday morning rather surprised us; especially as this month is April. We had a fairly good attendance Thursday and Friday. The campus was a mixture of snowballs and children being rolled in the snow.

The Freshmen put off their picnic schedule for today until Wednesday. We feel that we are going to have just as much fun with a few days loss.

A number of the Freshmen girls and boys are interested in baseball. I noticed several of them "perked up their ears" when Mr. Hardegren announced where the teams might practice. We believe the other class will have to admit that even though we are small, we have some of the finest members in the clubs and we're not bragging, either.

Sophomore Report!

The Home Economics II girls plan to have their child's dresses completed by Thursday afternoon. It is interesting to look at the bright colors and designs found among the dresses. The dresses are for children of six years of age or under. Several small boys' suits are also being made. Materials which are cool and easily cleaned were chosen. Types of dresses for small children were studied and we believe that we have made some very pretty dresses as well as self-help ones.

Junior Report!

Well, spring has finally come at last, and are we Juniors glad to welcome it? From the picnics which we have planned it seems that everyone is really glad to see spring. The Spanish classes planned a picnic and Easter Egg hunt for Wednesday. Yes, it may be "babyish" for us to have an Easter Egg hunt, but we still think it's lots of fun.

One more six weeks has been finished, and we have only one more. Some of us are beginning to regret those closing days of school. Is it because of final exams or what? Anyway, we feel very sad when we think about it.

Senior Report!

The last six weeks has started, and not many of the Seniors are glad of it. Every time we think about leaving high school, we get a funny feeling in our stomach. It means leaving old friends, familiar places and happy environment. Perhaps we will be just as happy and have much more fun next year, but it would be hard to convince the Seniors of that fact. Maybe we are all funny, but it is really going to be a hard dose to take when the last of May rolls around.

Harvey Reid
On December 19, 1920, Harvey was born in his present home which is four miles south of Munday. He started to school in 1927. He was a charter member of the present Senior Class. Harvey played on the Junior baseball team in grammar school. If Harvey graduates this year he plans to attend a photography school in Dallas. His ambition is to become a good commercial photographer.

MEDITATION

Margaret Tiner
"We help ourselves only as we help others."

"There is no such thing as success in a bad business."

"Do not separate yourself from plain people, be one with all—be universal."

"The punishment of the liar is that he eventually believes his own lies."

"You had better be a round peg in a square hole than a square peg in a square hole. The latter is in for life, while the first is only an indeterminate sentence."

"If you want work well done, select a busy man. The other kind has no time."

"Man creates in his own image. When a painter paints a portrait he makes two—one of himself and one of the sitter. If there is a sleazy thread in your character, you will weave it into the fabric you are making."
—Elbert Hubbard

Northwest Texas Ex-Aggie Students Will Meet Tuesday

The Northwest Texas A. & M. College Club will hold a meeting in Vernon the night of April 19th with Homer H. Norton, Texas Aggie Football Coach, E. E. McQuillen, secretary of the A. & M. Ex-Students Association, and Dick Todd, the All-Southwest Halfback of the Aggies, as its special guests.

Mr. Norton will discuss the Aggies football prospects for the coming season, while Mr. McQuillen will talk on the work of the Ex-Students Ass'n. A feature of special interest will be the showing of moving pictures of last year's football games, as well as campus scenes of student activities. The presence of Dick Todd, former Crowell high star, will also attract many of the 100 expected.

Geo. Isbell, local real estate dealer, was a business visitor in Benjamin last Saturday.

WASHBURN NEWS

Mrs. C. N. SMITH, Correspondent

Colds are quite prevalent in the community at present. Several from this community attended the Home Ec rally at Stamford last Saturday.

Lola Mae and Juanita Kemp visited at Throckmorton last week. Mr. and Mrs. A. M. Searcy visited Mr. and Mrs. Delma Hill last Sunday.

M. A. Davis, J. D. Kemp, and Mildred Davis visited at Throckmorton over the week end. Louise Suggs spent Saturday night with Louise Jacobs.

Mildred West spent the week end with Helen Brown. Mr. and Mrs. Robert Owen and Mr. and Mrs. Ed Owen spent Sunday with Mr. and Mrs. Johnnie Owen.

Mrs. Alec Branch and Mrs. Lloyd Jacobs and daughter visited in the home of Mr. and Mrs. R. F. Suggs Sunday.

An interesting "42" party was held in the home of Mr. and Mrs. Harlan Claborn Sunday night.

Mr. Horace Hood visited Mr. and Mrs. C. H. Brown Sunday afternoon.

Mr. C. Lansford of Trent, Texas, visited in the home of Mr. and Mrs. Revel King over the week end.

Miss Estelline Gulley of Wichita Falls is spending this week with her parents, Mr. and Mrs. W. T. Gulley.

Mrs. L. A. Searcy and little son Wayne Deryk visited Mrs. Brice Dobbs last week end.

Miss Bernice Wallace of Munday visited relatives here last week.

Mr. and Mrs. Charley McAfee of Thorp spent last Sunday with Mr. and Mrs. Revel King.

Mr. and Mrs. Charley Thompson of Goree visited in the home of Mr. and Mrs. H. C. Claborn Sunday.

Angeline and Virginia Nell Yates visited relatives at Sunset last week end.

Mr. and Mrs. Brice Dobbs visited Mr. and Mrs. A. M. Searcy last Sunday afternoon.

Mr. and Mrs. Cleo Pierce of Sunset visited Mr. and Mrs. J. M. Smith last Sunday.

There are several cases of whooping cough in the community. Felix Franklin and family of Goree visited Mr. and Mrs. A. D. Wallace last Sunday.

California's buildings and exhibits at the 1939 Golden Gate International Exposition will cost \$5,000,000.

11 BLISTERING West Texas Summers SERVEL ELECTROLUX THE Gas REFRIGERATOR (OR KEROSENE)

Different from All Others!

The new, 1938 Servel Electrolux still gives you the lasting efficiency of "No Moving Parts," and all the conveniences that go with modern refrigeration, besides. A small down payment puts it in your home. Savings pay for it. Why not start them NOW?

- PERMANENT SILENCE
- CONTINUED LOW COST
- LASTING EFFICIENCY
- SAVINGS THAT PAY FOR IT

Still Going Strong... Not 1c More to Operate Now Than When New... Still Silent... Because **IT HAS NO MOVING PARTS** In the Freezing System...

"We have been the satisfied owners of a Servel Electrolux refrigerator for over ten years. This remarkable refrigerator, after almost eleven years of daily use, is still just as economical, silent, and trouble-free as when it was first installed in our home.

"A representative of the local Electrolux dealer called on us recently in an attempt to interest us in trading for a late model, but we declined for the reason that our old Electrolux is still giving us such excellent and economical service that we would have nothing to gain by giving it up.

"We have lived in Abilene for fifty-five years, and I often think how wonderful it would have been could we have had the protection and convenience of a Servel Electrolux for all those years. And judging from the condition of our present refrigerator, I sincerely believe that could we have purchased one at that early date it would still be in operation today."

BUST FORMER STATE COMMISSIONER

Mrs. J. T. Robinson, widow of the late Land Commissioner J. T. Robinson who served as State Land Commissioner for a quarter of a century, is shown admiring the memorial bust of her late husband. His statue stands in the present land office where Mrs. Robinson is employed by the present commissioner, W. H. (Bill) McDonald.

Patterson Elected New Cotton Grower Director Tuesday

L. B. Patterson, Munday farmer, was elected director of district five of the West Texas Cotton Growers association at Abilene Tuesday.

Patterson received a majority over G. A. Branton, Knox City farmer, in the vote of local members.

Editor Lowry of the Texas Cooperative News was the principal speaker of the convention and spoke on the need of group and cooperative one-variety planting, thus making an effort to regain a part of the lost foreign cotton markets brought about, he stated, by an inferior grade of cotton produced by Texas farmers in the past few years.

The meeting was attended by local manager Jimmy Harpham, Frank Kuhler, manager of the Rhineland Union Gin, Shorty Kuhler, cotton buyer, and Louis Homer.

American Legion Meeting Is Held Tuesday Evening

Preparations are being made by the American Legion Post No. 44 of this city to place a softball team on the field for a game with the Knox City Legion post Monday night, April 25, Commander Jim Reeves, announced this week.

Three members of the Knox City post were in attendance at the regular meeting of the Lowry post last Tuesday night and details of the game were worked out. The game will be a night game.

Sell New Flags

The local post also appointed a committee composed of R. B. Bowden, Grady Roberts, and George Hammack, to replace American flags in the city. It was pointed out that none of the flags used on national holidays were presentable, according to honor and respect due the flag.

Each business house will be solicited to purchase a new flag and have the old ones properly destroyed according to custom.

New Dry Goods Store is Open

Mr. and Mrs. C. S. Stiegler and baby of San Antonio, Texas, have moved to Weinert where they will operate a dry goods and variety store.

They will open their business in the building formerly occupied by D. C. Cooper.

Mr. and Mrs. George Foster and two sons, Earl and Nevin, and Effie Foster of Sipe Springs spent last Sunday in the home of Mr. and Mrs. E. B. Bowden south of the city.

Merick McGaughey, of Vera, was in the city Wednesday afternoon attending to business. McGaughey is seeking the office of county superintendent of schools.

J. Lyndal Hughes, county superintendent of schools, and candidate for re-election, was a business visitor in Munday Wednesday afternoon.

Mrs. Carroll Blacklock and two children of Fort Worth and Arthur Smith, Jr., student at Texas Christian University of Fort Worth, arrived in the city Wednesday afternoon to spend the Easter holidays in the home of their parents, Dr. and Mrs. A. A. Smith.

--BUILD MUNDAY--

Layne Appointed To State Safety Training School

C. O. Layne, son of Mrs. Addie Layne, supervisor of the Munday Sewing room, has been appointed to a post in the Texas State Department of Public Safety, according to word received here.

Layne will leave this week end for Austin, where he will enter a six months training school on policing and public safety.

His wife and young daughter, Francis, will stay in the home of Mrs. Layne in this city during the six months that Layne will be in school.

He has been employed in the Employers Relations Department of the Texas Employment office at Fort Worth.

Farm Damage Placed Near 50 Per Cent Here

(Continued From Page 1)

At least seven inches of snow was driven into huge snowbanks in places by the strong wind, and weatherman H. P. Hill reported that approximately .60 inches of moisture was recorded from the snow.

It was believed by farmers that wheat that was planted early and had been allowed to grow at will, without being held back through grazing was damaged from 75 to 100 per cent. Sucker growth on the early wheat was believed to be of little value in restoring some of the loss.

Many of the local wheat fields were just in the booting stage or had already booted, and it was feared that practically all of such grains would rust out.

No cattle loss for this area was reported, although it was believed that some cattle suffered from the windstorm that accompanied the freeze.

Temperature for the 48 hour period ranged between a low of 24 and a high of 34, according to Hill's weather instruments.

Name Members

(Continued from Page One)

Jiams and Tom Haney; advertising branch, R. R. Davenport, chairman, Boyde Carley and D. E. Holder; the highway committee is divided into two groups and will be known as committee 1 and 2 and committee 3. The 1 and 2 committee, which will act on problems arising in the Throckmorton and Benjamin road projects are G. R. Eiland, chairman, W. E. Braley, W. R. Moore, Lee Haymes, and C. R. Elliott; members of committee 3 which will act on the Knox City road are C. P. Baker, chairman, E. H. Bauman and J. A. Caughran. The agricultural committee has not been completed by president Bengte, but is expected to be ready for announcement by next week.

Mr. and Mrs. J. A. Mahan, parents of Wade Mahan of this city, are visiting in the latter's home this week. They accompanied Mr. and Mrs. Wade Mahan from Wellington Sunday night.

VERA GRADE GIRL WIN VOLLEYBALL

Defeat Munday Girls In Finals

The Vera grade school girls won the Knox county championship of their division of the interscholastic league volleyball tournament held in this city.

The Vera lassie defeated Rhineland two straight games to advance to the finals where they defeated the Munday girls in two straight games.

Members of the Vera team were: Hazel Welch, Bobby Ruth Christian, Louise Allen, Mary Ann McGurie, Geneva Frazier, and Mozelle Richards.

Tuberculin And

(Continued From Page 1)

a previous tuberculosis infection and also has no infection at time of the test. However, should the student have a positive test, it indicates a tendency towards weakness in tuberculosis resistance and that the child has come in contact with the disease. A strong positive test shows that the child has developed some type of tuberculosis and should be placed under physician care and given immediate attention. Any child with a positive test, regardless of how weak or strong the test may register, is subject to development of tuberculosis.

From twelve to 21 years of age a majority of the children have negative tests, but a positive test is of more importance at that period as it indicates that the disease is of a more serious nature.

Sixty-five to seventy-five percent of persons over 21 years of age, Dr. Eiland stated, have positive tests, but a negative test over that age rules out tuberculosis.

Dr. Eiland announced that the utmost secrecy will be kept in all cases and that information about any individual will be given only to parents who come to his office where the complete set of records will be kept. He also pointed out that there is positively no ill effects or undue suffering to be feared in giving of the tests to children, as they are absolutely safe.

He will give a short talk on the importance of every child having these tests, why they are given, and the importance of the results obtained in the future health problems of each child, at the "Stunt Night" program which will be presented by the Parent-Teachers Association next Monday night. He is also offering two cash awards to students of the high school and grade school for best essays on "Tuberculin Reaction."

LETTERS FROM THE PEOPLE

Cites Need For Group Action By Texas Farmers

The fact that nine bales out of ten produced in Texas must depend on export markets and the corresponding prices paid on a world basis places the Texas farmer in a worse economic condition than any other farmer in the South. In order to obtain his just rights and his true position in society he must depend on group action and cooperation to overcome this problem. At a recent meeting held in Childress attended by a group of Texas farm leaders and Government experts, who are making a study of farmers' problems, facts were brought out, and proof presented showing the reason why Texas farmers are losing so much of their export trade in cotton. Mr. P. K. Norris, of the Foreign Agricultural Service, who has spent the past six years in a study of reasons for this loss, making contact with the foreign mills and merchants, said the principal reason was because of the manner in which American cotton was put up and the condition in which it reaches the mill. It is cut between nearly all ties, is improperly wrapped, damaged, stained with marking ink, and various other objectionable features. This results in a loss to the mill and a subsequent lowering of price because of the waste. False packed bales are numerous. Two-sided bales in which the cotton is not uniform as to either grade or staple. Some even had rocks and old clothes in them. Foreign cotton is mostly one variety, uniform in staple and grade, completely wrapped with bagging including the ends, no sample holes and no damage. Texas farmers by group action and cooperation should make a strong effort to develop new and improved methods of harvesting, ginning, warehousing and

classing of their most important export crop. One variety cotton, picking instead of pulling, proper wrapping, high density at the gin and proper classing by licensed government men are some of the things that must be done in order to regain these markets. It must be brought about by group action and cooperation. It is an admitted fact that American cotton is the very finest for spinning purposes and is in demand by the mills of the world. They are willing and anxious to buy if we will present them a decent package of cotton. More cotton has been consumed in the past five years than in any other period. There is a demand for cotton. The question is what kind of cotton do the mills want. Are we willing to change our methods to conform to their desires. Foreign countries are doing this, why not the American farmer and especially the Texas farmer, who must depend on selling his product in foreign countries? I appeal to everybody to help do something about it. Let us think, talk, act and cooperate.

L. B. Patterson

John Ingram, candidate for county superintendent of schools was a business visitor in Gore and Knox City Wednesday afternoon announcing his entrance into the race.

Here on Business Ed Gossett, Wichita Falls, who is a candidate for Congress of this district, was a business visitor in Munday Wednesday afternoon.

J. E. Reeves, manager of the Reeves-Burton motor company here, was a business visitor in Haskell Wednesday afternoon.
