

# THE MUNDAY TIMES

Volume XXVIII.

Munday, Texas, Thursday, January 26, 1933.

Number 35.

## Local Chairman Is Named By Texas Good Roads Ass'n

Announcement has been made of the appointment of J. A. Kennedy to the chairmanship of the membership drive to the Texas Good Roads Association which will be conducted in Munday.

The Texas Good Roads Association has been formed to protect the investment Texas motorists have been making for years and make every time they buy a gallon of gasoline and pay the attendant tax. The average Texas motorist has been paying on this investment in highways at the rate of \$28 a year, and now, through diversion of the gasoline tax to other channels, the investment is at stake, and will be entirely lost if such diversion is allowed, the officers of the association point out.

Motorists cannot, as individuals, protect the investment they are making in good roads, but banded together in an association such as this, with an expected membership of 100,000, their demands cannot be ignored, according to Judge Huggins, editor of the Houston Chronicle and president of the association.

In explaining the work of the association Judge Huggins said, "This is a non-political organization, and is neither for or against the incoming administration. It stands for good roads being built by the two cents of our gasoline tax at the lowest possible cost."

"Keeping 40,000 men employed in Texas is one of the jobs of the association. If highway construction is halted, 40,000 men will be thrown out of work. The unemployment is severe enough without adding to it that extent."

"Tourists have been spending \$50,000,000 a year in Texas, by actual check, and if roads are allowed to deteriorate, that money will go to some other state."

"Not only would Texas business suffer greatly if road construction stops, but Texas will be paying \$7,500,000 to the federal government each year in gasoline tax and not getting one cent of it back."

"In view of all this, it is no wonder that such a patriotic movement is gaining the support of Texans. We are expecting a goodly number of memberships from Munday because we know the people in that section will suffer greatly if road construction is halted."

## Furniture Repair Shop Opened Here In Jim Lewis Bldg.

J. D. Tucker, for many years connected with the furniture factory of Oliver & Myers in Dallas, has opened a furniture repair and upholstery shop in the Jim Lewis stucco building, and plans a little later to add second hand furniture to his line of endeavor.

Mr. Tucker's many years of experience in factory work enables him to give his patrons the same finishes and workmanship on furniture entrusted to him for repair that it carries when it comes out of the factory. He states that he was laid off during the slump in business incident to the depression and he plans to enter the business here on his own hook, and promises the patrons who give him business the very finest of workmanship to be had.

Jim Ashcroft of Knox City, was in Munday on Tuesday afternoon on business.

## Wants 1934 American Flight into Stratosphere

Professor Auguste Piccard, noted Belgian scientist who went ten miles high in the stratosphere, is now in America for a lecture tour. He thinks a balloon ascension in his metal ball should be made at a northern latitude of America during 1934 because of our proximity to the magnetic pole, thus being better able to study the cosmic ray. He says it will not be necessary for him to again make the trip, but only direct the work. Prof. Piccard, (left) was greeted at New York by his twin brother, Jean Piccard, of

## Suggests Birth Control

Federal Judge Paul Jones of Cleveland, lectured a 46-year-old bootlegging mother of 10 children and expectant of the 11th, on birth control before sentencing her to 15 days in jail on a liquor charge.

## D. T. Mauldin Is Named President Waterworks Ass'n

D. T. Mauldin, city secretary, attended the annual meeting of the Texas division of the Southwest Waterworks association at Temple last week, and was elected president of the association, which honor came as a great surprise to him, especially so since he had not been an official in the association before, however, he had attended the meeting of the association for a number of years and at this meeting he was on the program for a paper in sewage irrigation, in which he gave an outline of the accomplishments of the local plant.

The Texas branch of the association along this line has a membership of more than 150, representing a like number of municipalities, and the principal aim of the association is to bring about improved service, protect the health of citizens by providing pure water and improving the methods of sewage disposal.

## "Go Slow, Mary" To Be Presented By Lone Star Pupils

The Lone Star school will present a play entitled "Go Slow, Mary," on Friday night at the Lone Star school, and the same play will be presented by the students of Lone Star at Lake Creek on Saturday night.

## Boone Dry Goods Co. Pleased With The Response Given Here

The Boone Dry Goods Company, which recently moved here from Groves, held their formal opening last Saturday and Mr. Sunset Boone, proprietor of the business, is highly pleased with the cordial reception given the new business in Munday. "While much of our stock is new spring merchandise for which there is not a heavy demand at this early date, I am well pleased at the business we have enjoyed since opening," said Mr. Boone to a Times representative early this week.

## Baby Son of Mr. and Mrs. E. A. Wilson Dies On Thursday

The eight-month old son of Mr. and Mrs. E. A. Wilson died on Thursday morning after a protracted illness from whooping cough and complications. The family resides north of town.

## Little Pen-o-grams

## Prof. T. T. Tucker Gets Co-Operation Band Organization

T. T. Tucker, who recently came here to instruct a band, states that he is meeting with very gratifying response in his efforts along this line and has already enrolled a number of music students on various instruments, however, Mr. Tucker states that it will be some time before he can whip a band into training for a public appearance.

Mr. Tucker is located at the Wilson Hotel where anyone who is interested in taking lessons on any instrument may see him. For the past seven year Mr. Tucker has been in New York, and during his stay in the metropolis he has played in a number of nationally famous musical organizations, and while he confesses most of his efforts to saxophone and cornet, he gives instruction on any wind instrument.

## Sidney Portrays Oriental Maiden In Latest Role

"Madame Butterfly," one of the most treasured romances of all time, now comes into a motion picture, comes to the Box Theatre Sunday, with a cast headed by Sylvia Sidney, Cary Grant, Charlie Burgles, Irving Michel and Helen Jerome Eddy. Miss Sidney, playing the title role—a high-born Japanese girl—makes her appearance in an entirely new type of characterization. Eyes heavy and eyes slanted, hair lacquered, her steps mincing, draped from head to foot in colorful oriental robes, she is anything but the American girl of "City Streets," "An American Tragedy," "The Miracle Man," "Married We Go to Hell," or other of her recent screen successes. It is the story of the beautiful Japanese girl's romance with the American naval officer with which "Madame Butterfly" concerns itself. Grant, as the officer stationed in the island land, meets and falls in love with her. Then, discovering that under Japanese law, divorce is almost automatic when a husband leaves, his wife, he decides to marry her and enjoy the happiness of life with her while he remains in the country. As for what is to follow, he does not concern himself. Ultimately he is sent back to the United States. Too deeply touched to tell her the truth about his plans, he promises to return when "she robins nest again." And the girl takes him at his word; prepares to await his return. He does return, years later, but under entirely different circumstances.

A goodly number of people from this community attended the singing convention at Groves Sunday afternoon and report a most enjoyable program and some fine quartette numbers. One feature of the program was special music by T. T. Tucker of Munday on the trumpet.

## Thinking Out Loud

By J. A. K.

The Times editor accompanied Editor E. L. Covey over to Benjamin on Monday afternoon, where we visited with the Bible boys, publishers of The Benjamin Post, and while in Benjamin we ran into Sam Smith, editor of the Knox County Herald at Knox City, and Mack Sweeney, former publisher of that paper. So many newspaper guys could not be gathered together on call.

Chas. Bibbe has just returned from Austin, where he attended the ceremonies incident to the induction into office of Mrs. Miriam A. Ferguson.

## An Ice Queen

Miss Violet Wellford, 17, of Detroit, has been chosen Michigan's winter queen to preside at ice carnivals and later go to Chicago as guest at an ice festival.

and he reports that there were twenty five thousand visitors in Austin during the ceremony, and a goodly percentage of them were job-hunters.

Chas. tells of an optimist who went down there to confer with the Ferguson concerning a job on the ranger force, of which there are about thirty to be appointed by the new administration out of some fifteen hundred applications. This particular individual, while awaiting his turn to confer with the Governor, visits the haberdashery establishments in Austin and purchases a complete ranger's outfit, including boots, big hat and all, completing his regalia with a pair of kid gloves, from which he cut the (Continued on back page.)

## Thinks Pay Too High

Congressman-elect Terry Carpenter of Nebraska, says the \$10,000 salary is too much and prevents Congressman from seeing a true picture of the people's needs. He goes to Washington on March 4.

## Federated Church Societies To Hold Meeting Monday

The Federated Church Societies of Munday will meet on Monday afternoon of next week at the Presbyterian church at three o'clock, and a very interesting program has been arranged for this meeting, which will include the following numbers: Instrumental music—Miss Fannie Isbell. Hymn—Love Divine. Responsive reading—19th Psalm. Devotional—Matt. 6:26-30. Leader—Mrs. G. R. Eiland. Talk—"God, Our Strength and Help"—Mrs. W. H. Atkinson. Hymn—Take My Life and Let It Be. "How God Has Been a Strength to me—Round table discussion. The ladies of the town are urged to attend, whether belonging to the church societies or not.

## Akers Dry Goods Co. Makes Changes In Interior of Business

Mr. and Mrs. E. E. Akers have been busy the past few days remodeling and making numerous changes in the interior of their store which will enable them to better display their merchandise, and they extend a cordial invitation to the public to visit their store and see their new merchandise.

## Defective Wiring Results in Damage At Water Plant

Defective wiring resulted in some damage Sunday afternoon at the pumping plant of the City of Munday. The wires connected with the plant became shorted out in some manner and the blaring woodwork spread to the chlorinator, and this machine was damaged to some extent.

Bill Shaw suffered from breathing the chlorine gas when he went into the building to cut off the chlorine gas which was escaping, some of the tubes on the machine having melted from the heat, but after a time he recovered from the effects of the gas. The chlorinator at the plant was put out of commission and a service man came from Dallas during the week and made the necessary repairs to put the plant back in operation.

## Teachers Victors In Basket Ball Games With PTA

A large crowd was in attendance at the basketball game staged Saturday night at the community auditorium between the faculty and members of the Parent-Teacher association, and they were well repaid for the two games were exciting and interesting from the blow of the first whistle until the final blast, and especially exciting, close and interesting was the game between the mothers of the association and the lady members of the faculty, the mothers having the best of the argument all throughout the game until the final quarter, then they began to tire from the exertion and the faculty members were able to forge ahead, the game ending with score of 14-16 in favor of the faculty, but we don't mean perhaps when we say that they had to fight and fight hard for the two-point lead during the final quarter.

In the men's game the faculty had all the better of the argument from the beginning, and the teachers demonstrated from the very first that they had all the edge on the dads, had not made any preparation in the while many of them evidenced a way of practice for the game, and militarily with the game in days gone by, they gave equal evidence that they were not in the best of form for such violent physical exertion, and soon were exhausted, while the teachers played a brand of basketball that would have been difficult for a well trained team to have bested.

Those making up the patron's team were E. H. Bauman, Lyle Stodghill, R. Campbell, M. H. Reeves, D. E. Holder and Howell Burton, who were opposed by G. C. Jones, L. S. Hardigree, L. M. Palmer, Riley B. Harrell and Harvey Lee, the latter being pressed into service by reason of the fact that the teachers were short a man, however, they could have easily won without outside aid.

But the ladies really gave an exhibition that was interesting from the first to the last, and the team which displayed indicated that they had practiced coach and have been efficiently coached, for they handled the ball like nobody's business, and gave the teachers all they could do to win.

Mothers making up the P-T-A team were Mesdames Oscar Spahn, forward; Howell Burton, center; Mat Dillingham, forward; A. B. Warren, guard; Tom Martin, center; Jewell Love, guard; John White, guard; D. T. Mauldin, substitute.

The teachers' team was composed of the following: Coach, center; A. Palmer, center; Clifford, forward; L. M. Palmer, forward; Curry, guard; Bennett, guard.

## Fire at Munday Mill & Grain Co Results In Small Damage

The fire department was called out just before noon on Thursday by a small blaze at the Munday Mill & Grain Company's plant, where waste from a maize thresher had become ignited in some unknown manner and due to the high wind had spread to a box car on the siding at the plant and some damage was done to the car before the blaze was extinguished, and had it not been for the quick action of the department further damage might have resulted.

## W. C. A. Girls in Homeland Costumes

Young Women's Christian Association homes in cities throughout the country are featuring "Native Land Evenings" wherein girls from every land don native costumes and tell of home lands. Here are Elaine Swanson, Finland, and Mariora Pabel of Rumania in native costumes at a Detroit, Mich. Y. W. C. A. evening.

Deaf people in New York want a theatre where they can see silent motion pictures.

**PIGGLY WIGGLY**  
The Road to Prosperity Leads Through the Turnstile at Piggly Wiggly

**Where Does She Get Her "Pep?"**

SHE doesn't look seventy. Nor feel that old. The woman who stimulates her organs can have energy that women half her age will envy!

At middle-age your vital organs begin to slow down. You may not be sick, simply sluggish. But why endure a condition of half-health when there's a stimulant that will stir a stagnant system to new life and energy in a week's time?

This remarkable stimulant is perfectly harmless. It is, in fact, a family doctor's prescription. So, if you're tired of trying every patent medicine that comes along, tell the druggist you want a bottle of Dr. Caldwell's syrup pepsin. Like a bit of this delicious syrup every day or so, until you know by the way you feel that your lazy liver is again active, and your bowels are poison-free.

Men, women, and children who are run-down, who tire easily, get bilious spells or have frequent headaches, are soon straightened out when they get this prescriptional preparation of pure pepsin, active senna, and fresh laxative herbs. (Syrup pepsin is all the help the bowels need, and you do not form the very bad habit of always taking cathartics.)

Keep a bottle of Dr. Caldwell's syrup pepsin in the house, and take a stimulating spoonful every now and then. It is all that a great many people ever take to keep strong and vigorous, and absolutely free from constipation.

### THE MUNDAY TIMES

KENNEDY & KENNEDY, Publishers  
JESSE A. KENNEDY, Editor  
JULIA A. KENNEDY, Associate Editor

Entered as second class matter January 4, 1919, at the postoffice at Munday, Texas, under the Act of Congress of March 3, 1879.

PUBLISHED EVERY THURSDAY  
SUBSCRIPTION PRICE \$1.50 PER YEAR.

**'FINANCIAL INDEPENDENCE'** ONE OF THE UGLIEST WORDS

The institution of life insurance will conduct a special educational campaign from April 17th to April 22nd. The cooperation of all life underwriters in this country and Canada is expected, and the slogan for the six-day period will be "Financial Independence Through Life Insurance."

Observation of the week will focus attention on life insurance as a public necessity and a safeguard for the nation's savings.

As a matter of fact, we could very well have called the period from 1930 to the present "The Life Insurance Years." In that time investments have shrunk to an unprecedented degree. Business failures of all kinds have been wiped out entirely, or dwindled to a fraction of former values. Stocks and bonds that seemed sure-fire in 1928 have taken discouraging depreciation.

Yet a life insurance policy is as valuable today as when you bought it. It will be paid in full according to the letter of the contract.

Yes, "Life Insurance Week" deserves enthusiasm. It deserves national and international observance. It will bring before millions of people the facts concerning one of the most beneficent institutions ever conceived by the human mind.—Industrial News Review.

### WITHOUT RAILROAD PROSPERITY—WHAT?

An article in Railway Age on "Railway Purchases—A Vital Force in Business Recovery", brings out vividly the influence of the transport problem on the lives of all workers, all farmers, all producers.

In the five years previous to 1930, railway purchases averaged over two billion dollars a year. In the past three years reductions in these purchases have amounted to almost \$3,000,000,000.

This decline is greater than all the loans and appropriations made by the federal government for public works and relief.

It has brought distress to a multitude of communities, has affected every state in the Union, and has thrown hundreds of thousands of workers, in a large number of industries, out of employment.

The iron and steel industries, the lumber and copper industries, the oil and coal and electric supply business, in the past, have counted on the railroads for a heavy percentage of their sales.

Restoration of railway purchasing power is indispensable to business recovery. No one can doubt that stimulated rail activity would be one of the greatest blows we could strike against unemployment, against low general purchasing power, against depression.

### NOTICE OF MEETING OF CREDITORS ON DISCHARGE.

WHEREAS, a petition for discharge, properly verified, has been filed in said Court and in the above cause by said Bankrupt who was heretofore adjudged bankrupt, which has been referred to me under the orders of this Court, to give statutory notice, hear and make report.

You are therefore notified that if you wish to oppose the granting of said discharge by the Judge, you must file with me at my office, 714 Staley Building, in the City of Wichita Falls, Texas, on or before the 24th day of February, A. D. 1932, at ten o'clock in the forenoon, your appearance in writing, stating therein that you appear for the purpose of opposing said discharge and file with me within ten days thereafter at said place, specifications in writing, of the ground or grounds of your opposition, as provided in General Order XXXII of the Supreme Court of the United States in Bankruptcy.

Dated this 24th day of January, A. D. 1932.

WALTER NELSON,  
Referee in Bankruptcy.

ABOUT \$4,000,000 IS POURED INTO THE VARIOUS GAMBLING SLOT MACHINES IN THE UNITED STATES EACH WEEK. OF THIS ONLY ONE FOURTH IS RETURNED

AT THE CHURCH OF CHRIST, J. Porter Wilhite, Minister.

Next Lord's day at both hours we are expecting to talk on one of the most important subjects that is to be considered in this day. You may wonder what the subject is. Well, it is the Lord's Supper, or Communion. We hope to have a lot of interested listeners, even those who do not know why we place so much importance on this part of the Lord's work. Come and let us reason together. It will do us both good. We will treat you exactly like we hope for you to treat us when we visit you. If time will permit, we will also bring in the subject of "foot washing" in connection with the supper, because some think they should go together. We will give you quite a number of scriptural references and will be glad if you will bring a note book and get the references, then study it out for yourself.

The ladies Bible class on Tuesday afternoon is fast developing into one of the most interesting parts of our work, so don't fail to be with us next time. We study Romans 2:17-29 next. Remember singing is on Thursday nights. We had a very fine young folks meeting last Sunday night and the Sunday morning classes were fine. A study for every member of your family, and a welcome is extended to all.

There are scores of men and women in New York who enter every prize contest that comes along. They actually make a living that way.

Little German bands are appearing in all parts of New York and even in the suburbs. It's the depression.

FOR BEST SLOGANS \$5,000.00 IN CASH

# \$10,000 IN CASH PRIZES!

Instant Starting Pick-up Lightning Gasoline

### Nothing Will Help You So Much to Win as to T-R-Y this Gas in Your Car

Conoco refining chemists have produced a new, improved motor fuel. No matter how different it is, we must call it g-a-s-o-l-i-n-e; for that is the name the public knows for every motor fuel. But this gasoline deserves a special name; one that suggests how "different" it is. How else may the public know?

Conoco (—?) Gasoline! If you can give us the name we want, \$5,000 in cash is yours. \$5,000 more will be divided among those who suggest the best slogans to describe it. What we seek is to make motorists "understand."

To describe the "difference" you must know the difference. To know the difference you must feel it in your motor. The man at the Conoco station will tell you the exciting facts; give you, free, an official contest-information-and-entry blank. Prepare yourself to produce the winning words. Fill your tank with this gas. Within 10 blocks, you'll know why your words may be worth \$10,000.00 to us.

Get Official Entry Blank from Conoco Stations and Dealers

### CONTEST RULES:

- Names must be not more than 12 letters; slogans not more than 12 words. Submit either on both on single sheet; plain white paper; one side only; but preferably on official contest information-and-entry blank, free at Conoco dealers and stations. Elaborate presentations receive no extra credit.
- Contest closes midnight, February 23, 1932. Entries must be postmarked before that date and hour.
- Continental employees, members of their families and others connected directly or indirectly cannot compete.
- Should more than one person submit exactly the same name or slogan, each will receive full amount of any prize such entry may win. All entries become Continental Oil Co. property, and none will be returned.
- The Company reserves prior rights to phrases and slogans of its own creation, already in prepared advertising. Also it reserves the names "Continental" or "Conoco" gasoline, "Conogas", and "101" gasoline. Whether or not the winning contest name is adopted, prize money will be paid; but the Company reserves the right to use a name of its own creation if decided more suitable and more protectable under trade-mark laws.
- No purchase is required of contestants. Continental Oil Co. executives will be the judges and their decisions final. Winners will be announced over radio, and prize money paid as soon as possible after contest closes.

H. A. Pendleton, Jr., Miss Maxine Pendleton and Paul Pruitt were among the Mundayites who went to Wichita Falls Monday evening to see George White's Scandals.

Messrs George Salem and Sied Waheed of Munday, and Jimmy Sillman of Knox City are in Corpus Christi this week visiting in the home of C. S. Ameen and taking a fling at fishing in the gulf. They plan to return home on Friday.

### A Grand Champion

A single-comb white leghorn rooster, owned by Dr. E. L. Denison, of Chicago, won the grand championship at the New York Poultry show in which 3,000 birds competed. Miss Alice Rheinhart posed the champ for this photo.

# 60 cents\* of every gas bill goes for TAXES

IN the course of a single year, MORE THAN TWO AND THREE-QUARTER MILLION gas bills are rendered to customers of the Lone Star Gas System. It requires 60c for each and every one of these bills to pay the numerous TAXES levied against the fuel service of this dependable System for the production, transportation and distribution of natural gas.

This money comes from the pockets of the gas consumers, and adds to the cost of gas service. The company acts as an agency for the collection of this tax money from its customers, and has no control over this item of expense which is a part of the rate you pay for natural gas.

\*This figure computed from the amount of taxes paid compared to the average number of bills rendered in a year.

LONE STAR

Stamford and Western Gas Co.

## SOCIETY

Mrs. Geo. Salem Hostess  
Munday Study Club

Syria and Turkey formed the basis of study for the Munday Study club at their regular meeting Friday of last week. Mrs. O. F. Greer was leader at this time, with Mrs. Geo. Salem hostess.

Mrs. Salem's talk on "Life in Syria and Turkey" was very interesting. A piano solo, "Syrian National Anthem," by Mrs. Louise Ingram was followed by a song in the Syrian language by Mrs. Salem.

Refreshments consisting of cakes in colors representing the Syrian and Turkey flags and Turkish coffee were served.

Mrs. T. G. Bengt Hostess  
Wednesday Club

Mrs. T. G. Bengt was hostess to members of the Wednesday Bridge club at her home Wednesday of last week. Three tables were placed for contract bridge, Mrs. F. S. Broach winning high for club members and Mrs. H. A. Pendleton winning guest high.

At tea time delicious refreshments were served. Mmes. W. H. Atkeison, F. S. Broach, U. R. Houser, C. L. Mayes, G. H. Craig, H. F. Barnes, J. A. Kennedy, William Fritz, H. A. Pendleton, S. E. McStay of Goree and Pitzer Baker of Weimer.

Little John Nesbitt, one of the twin sons of Mrs. Frank Nesbitt, has been critically ill during the week with pneumonia, but late reports from the bedside are to the effect that his condition is somewhat improved. The other twin, Joe, also suffered an attack of the flu as has Mrs. Nesbitt, who is slowly improving from a prolonged siege of the malady.

Monday Night Club Meets  
at Pendleton Home

The Monday Night club members were entertained this week by Mrs. H. A. Pendleton. In the games Mr. and Mrs. E. B. Davy held high scores. A salad course with coffee was served. Messrs and Mmes. Fred Broach, R. B. Davy, W. H. Atkeison, E. H. Bauman, Tom Haney, W. R. Moore, E. W. McGlothlin and Mr. and Mrs. Pendleton.

Mrs. E. H. Bauman Hostess  
Wednesday Bridge Club

Mmes. W. H. Atkeison, T. G. Bengt, F. S. Broach, Joe Davis, U. R. Houser and H. H. Langford, members, and Mmes. Mat Dillingham, R. D. Atkeison, J. D. Kottley, W. R. Moore, E. W. McGlothlin and Glenn McGlothlin of Sierra Blanca were guests Wednesday afternoon when Mrs. E. H. Bauman was hostess to the Wednesday Bridge club. At tea time delicious refreshments were served.

### Young People's Federation Meets & Sunday Evening

- Lumbago
- Sciatica
- Muscular Pains
- Periodic Pains

### Here's Smiling Relief . . .

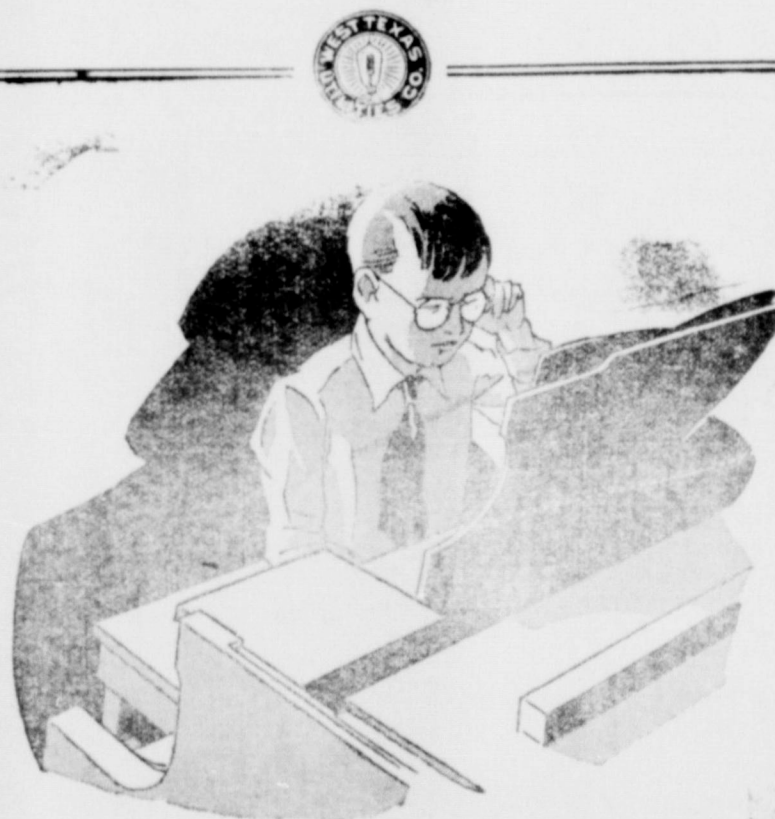

Most of your suffering from common every-day aches and pains is unnecessary and unwise. Unnecessary, because Dr. Miles' Anti-Pain Pills relieve quickly and without unpleasant after effects; unwise, because pain makes your physical condition worse instead of better. One pill usually brings relief in a few minutes.

If you suffer from any of the disorders listed above, take Dr. Miles' Anti-Pain Pills. If they do not give you greater relief in less time than anything else you have used, go to your druggist and get your money back.

A package of Dr. Miles' Anti-Pain Pills in your medicine cabinet, pocket, or hand-bag means fewer aches and pains.

25 for 25 cents 125 for \$1.00

## You Mustn't Take Chances . . . With Children's Eyes

Unimpaired eyesight is essential to the growing child . . . for two reasons: First, because good vision enables him to keep pace with his schoolmates and his playmates. Second, because strong eyes, guarded in youth, will last a lifetime.

Improper lighting is one of the largest causes of weakened eyes. If you permit your child to study or even to play where there is not enough light, or where there is a blinding glare, you are making a mistake that may prove disastrous.

Enjoy the benefits of plenty of light . . . it's ridiculously inexpensive. And, remember, new eyes cannot be bought at any price!

One of our trained employees will be happy to inspect your lighting arrangements . . . without charge or obligation, of course. Chances are, a simple rearrangement of your present equipment, with larger or smaller lamps in a few of the fixtures, is all you need. Call for an inspection TODAY.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

**West Texas Utilities Company**

## Banks at Haskell Elect Officers

Both Haskell banks have elected officers and directors for the coming year.  
Haskell National re-elected the old board which is composed of Mrs. M. S. Pierson, Abilene, president; Hardy Grissom, Abilene, vice-president; O. E. Patterson, actice president; A. C. Peirson, cashier, and the following directors: John W. Pace, J. U. Fields, L. F. Taylor, G. W. Waldrop, of Abilene, and J. W. Gholson.  
Farmers State reduced its board from seven to five. President is R. C. Montgomery and vice-president and cashier, John S. Rike; directors: R. C. Montgomery, John S. Rike, R. J. Reynolds, T. C. Cahill and T. E. Ballard.

## Household Hints

**Frost Proof Windows**  
Rub windows with cloth dipped in alcohol. Polish with dry cloth. They will shine brilliantly and be practically frost proof.  
**Mousse**  
Mousse is an ideal dessert for every class and occasion. It is also good and easy to make. It is especially nice for the winter months.  
Method: Just whip your cream stiff. Add sweetening and flavoring. The flavor can be of the bottled or canned variety. When pineapple or any fruit is used the platter or dish should be garnished with the fruit used with possibly the addition of a cherry.

## Raisin Puffs

2 eggs.  
1-2 cup of butter.  
2 tablespoons of sugar.  
2 cups of flour.  
1 cup of milk.  
1 cup of raisins (chopped).  
1 teaspoon of vanilla.  
3 teaspoons of baking powder.  
Method: Mix butter and sugar. Add beaten eggs. Add flour and baking powder, then milk and flavoring. Last add the raisins dredged with flour. Pour in individual molds and steam for 1 hour. Serve warm with creamy sauce.

## Fruity Sauce

1-2 cup of butter.  
1 cup of powdered sugar.  
3 eggs.  
Vanilla.  
Method: Cream butter and sugar together. Add yolks of egg well beaten. Add the flavoring and last add the egg whites beaten stiff.  
**Date and Orange Salad**  
This makes a nice combination for a winter salad. Arrange prettily and serve with French Dressing.

## Tree Cake

This can be made in one long piece or, when cut, it can be as small tree cakes.  
4 egg yolks.  
3 tablespoons of cold water.  
1 teaspoon of vanilla.  
1 cup of sugar.  
1-2 tablespoons of corn starch.  
3-4 cup of flour.  
1 heaping teaspoon of baking powder.  
Little salt.  
4 egg whites.

Method: Beat egg yolks and water together until very light. Add the sugar and flavoring. Beat well. Fold flour, or starch, and salt into first mixture. Beat the whites very stiff and the last thing fold whites into first batter. Pour cake into large dripping pan. Be sure to line pan with paper and grease. Bake 15 minutes in a moderate oven.  
Have a clean cheese cloth ready and sprinkle with powdered sugar. Take cake from oven and lay on cheese cloth. Remove paper and spread cake with a little frosting. Roll cake up. Wrap cheese cloth around it to hold it in shape. When cool frost with remaining frosting. Decorate or cut into a tree through frosting to resemble a tree.

## Frosting

1-4 cup of unsalted butter.  
1-2 cups of sifted confectioner's sugar.  
1 tablespoon of warm strong coffee.  
1 egg white.  
Method: Cream butter and part of sugar. Add coffee slowly and mix constantly. Beat egg white stiff. Add remaining sugar. Mix altogether thoroughly. If necessary add more sugar.

# PAY YOUR CITY AND SCHOOL TAXES

## Before January 31st and Save 10 Per Cent Interest and 6 Per Cent Penalty!

### No Penalty or Interest Will Be Charged On Any Delinquent Taxes If Paid By JANUARY 31st

## T. O. L.

\*\*\*\*  
(Continued from front page.)  
!!!  
trigger-finger. That is real optimism for you.  
!!!  
"Believe It or Not" Ripley recently called attention to the fact that no president whose name begins with an H has ever succeeded himself in office, naming them all down to Mr. Hoover.  
!!!  
And when we thought of our chance we discovered that none of the president's names have started with the letter K, so we gave up hope.  
!!!  
However, we did get some consolation when it was called to our attention that there was a member of Congress whose name was J. Ambrose Kennedy.  
!!!  
We don't know from what state he hails, but we just hope he isn't a Republican.  
!!!  
O. C. Harrison of the Baylor County Banner came over last Friday afternoon and brought his golf bags along as per usual, and all the opposition he could stir up here was from Dad Roberts and Henry Atkinson.  
!!!  
Of course the Banner editor came in with a long string of alibis, but promised to come back again and get revenge.  
!!!  
However, it is only fair to add that the Banner man came out of the argument both winner and loser, for  
In New York's sanitation department \$500,000 is charged for the upkeep of 253 horses, of which only twenty are in service.

**THE PUBLIC** should be protected in seeking relief from pain. The medicine which does not have the approval of the medical profession.  
**BAYER ASPIRIN** will never do you any harm, and almost always brings the desired relief. But remember that the high medical endorsement given Bayer Aspirin does not apply to all tablets for relief of pain.  
**THE DOCTOR** is careful to specify Bayer Aspirin for these important reasons:  
It has no injurious ingredients. No coarse particles to irritate throat or stomach. Nothing to upset the system. Not even any disagreeable taste. The Bayer process insures a pure, uniform product.  
**INSIST** on the tablet you know to be safe. And the one that has speed. Bayer tablets dissolve so quickly, you get immediate relief from your headache, neuralgia, or other pain.

while he was being defeated by the veteran Roberts, he brought in a better score than Henry Atkinson—if he can get any consolation out of defeating a battle-scarred south-paw.  
!!!  
And another thing. Dorse Holder and Ed Bauman may be good at a number of things, and may have been fair basket ball players in their day, but boy, the sun has set on the athletic accomplishments of those two birds, and about all they could do in the game Saturday night was to keep out of the path of those fast pedagogues.  
!!!  
And Supt Jones didn't set any new records in the game. In fact, very few athletic records are set by men past forty.  
!!!  
Somehow, there's just a bit too much baggage there.  
!!!  
And those "mothers"—didn't they put up a game fight?

Mr. and Mrs. D. E. Holder and the Rev. and Mrs. H. C. Hand went to Lake Kemp on a fishing expedition Monday, and report having very little success.

## WANT ADS.
