City Council Calls For Budget Hearing

The following City Council minutes were prepared and submitted by City Administrator Walter Hertel.

The city council of the City of Munday, Texas met in regular session April 12 at the Munday City Hall.

Members present: Mayor Doris Dickerson and Aldermen Garon Tidwell, Gene Brown, Jessie Tucker, Richard Albus and Jessie Andrade.

Members absent: None

Mayor Dickerson called the meeting to order. Minutes of the March 8, 1988 meeting were read. Brown moved minutes be approved as written. Andrade seconded. All in favor.

Mayor Dickerson next stated that the public hearing is in progress to further consider a grant from the Texas Department of Commerce. He stated the public hearing being held is a further requirement of the Texas Department of Commerce; also other revisions in the project application are to be made. Kay Looney and W.R. Moore, Jr. met with the Council to provide information and explain the point system. Discussion. The grant request is being lowered to \$321,250. Local interests may be required to supply approximately \$30,000, they said. Points scored, ratings, minority hiring, etc. were discussed. A resolution was read. Brown moved the resolution be passed. Andrade seconded. All members for. (Full text of resolution is in files of Texas Department of Commerce; also in resolution files.)

Next business was consideration of an appointment of a City Judge. After discussion, Mayor Dickerson recommended that Truman Cypert be appointed to serve the balance of term concurrent with the mayor's term as required by law. Brown moved Truman Cypert be appointed now; term of appointment to expire when the mayor is re-elected and sworn in (reappointment required at that time). Andrade seconded. All members voted in favor. Mayor Dickerson read oath of office. Cypert repeated and he was duly sworn in.

Next considered were prices secured from two firms on a Peerless sewer lift pump. Pumps bid were VCSLMBC4A Peerless with 1½ HP motor, T.E.F.C., etc. Tidwell moved the city administrator be authorized to purchase said pump as bid by Sterling Company of Plainview with SS shaft for \$1,485.59. Brown seconded. All in favor.

Next a resolution was requested from Lanco Insurance Company to allow adding the Knox County Drainage District No. 1 board of directors to the city's general liability policy.

Brown moved that the following resolution be passed: That the city

Area Schools Set Advisory Meetings

Several area schools will be conducting parent advisory committee meetings during the next week to discuss special programs in the schools. Chapter I regular and migrant programs, Chapter II programs, vocational programs and discipline management programs will be evaluated.

All parents of students in the special programs, as well as elected members of the committees, are invited to attend. The agenda will consist of current implementation and evaluations of the programs.

Meeting schedules will be as follows:

Weinert School - Tuesday, April 26, 2:30 p.m., school cafeteria;
Benjamin School - Wednesday, April 27, 12 noon, school cafeteria;
Gore School - Wednesday, April 27, 2:30 p.m., homemaking department;
Knox City-O'Brien School - Friday, April 29, 12 noon, homemaking department.

of Munday permit the Knox County Drainage District board of directors to be added to the general liability policy of the City of Munday insurance policy subject to the following conditions:

1. That the insurance company agrees to add this provision to the policy and the Drainage District reimburse the city for any additional premium charge and provided such additional charge is agreeable to the Drainage District board of directors.

2. That the city will provide no assurance or coverage to the district beyond and above that afforded by the city general liability policy in force.

Tidwell seconded the motion to pass the resolution. Voting for were Brown, Tidwell, Albus, Andrade and Tucker. Noes, none. Carried.

Police Department business listed on the agenda was tabled at this time.

Two prices were received from local welders for turn-key construction of two or three additional trash windcreens needed at the sanitary landfill site. Albus moved three more screens be built using bull-wire as per price and materials, to be used as quoted by Hendrix & Caram, bid of \$1,350 turn-key complete. Tucker seconded. All for.

Brown moved that the resolution in support of the City of Abilene Rail Garrison Peacekeeper Missile Project request be passed. Andrade seconded. All for. (Copy of complete resolution in city's resolution file.)

Mayor Dickerson reported that Harmon Cable Company has added equipment that apparently has stopped the channel 10 interference problem. Housing Authority minutes were reviewed. No action needed.

Mayor Dickerson next reported current tax collection. 85% was paid on time, however, the budget will reflect good collections when adding delinquent collections.

The new pickup ordered should be delivered in the next week or 10 days, the Mayor said. Next, the council reviewed information from U.S. Sprint. No action taken to change our present system. Item 10 relating to a city administrator request required no Council action.

Next considered was when to advertise for bids on the approximate \$20,000 1988 summer seal coat project. Tabled, to be considered again at next regular meeting.

Mayor Dickerson gave the council an update on dump ground site progress. Discussion followed. Some problems were voiced, however, previous action taken in prior meetings will prevail with no change. No new action taken.

The 1988-89 budget proposal was presented by Mayor Dickerson. It was prepared by City Administrator Hertel and changed and reviewed as you see it, he said. The council reviewed the proposed budget which reflected a net loss (forecast) of approximately \$10,824, part of which will come out of existing capitol funds in Interest and Sinking. After review, Albus suggested the following be added: swimming pool

TENNIS CHAMPS: Corey Moore, left, and Marc Andrade, will represent Munday at the regional tennis competition at Abilene on April 27. They captured the boys' doubles title at both zone and district tennis competitions, which were held in Knox City. Both young men are also involved in football and basketball and Marc qualified for the regional track meet, as well.

MHS Netters To Prepare For Region

MHS athletes Corey Moore and Marc Andrade will represent the school and district at the regional tennis competition April 27 in Abilene. Two year doubles partners, the pair won the boys' doubles title at the zone and district tennis contests held April 5 and April 12 in Knox City.

Also competing in the district contest were Chad Bordovsky and Jae-Jae Reneau, neither of whom placed in their singles matches. The team of Moore and Andrade drew a weak Lueders-Avoca duo for their first contest and easily won 6-2, 6-0. The second round was much closer, as one of the two Knox City teams battled hard before finally falling to the local boys 7-5, 7-6. In the final round, Moore and Andrade defeated the other Knox City team 6-4, 6-1.

Ralph Klinkerman coached the Munday tennis teams this year. Moore, a senior, is the son of Maynard and Carolyn Moore, and Andrade's parents are Jessie and Martha Andrade. He is a sophomore student.

New Rules Affect Tax Write-Offs For Conservation

The new Federal Income Tax rules have brought a major change in the area of conservation. The changes involve a farmer or rancher's ability to write off conservation practices for tax purposes. Conservation practices include those improvements that ASCS or SCS will cost-share.

For an operator to write off many conservation practices, they must now be included in a locally approved conservation plan. In Knox County, the Soil Conservation Service office at Knox City can develop the conservation plans to be approved by the Wichita-Brazos Soil and Water Conservation District. The Wichita-Brazos SWCD is a locally elected board which serves Knox County. The Soil Conservation Service operates in Knox County in cooperation with the Wichita-Brazos SWCD.

Any Knox County farmer or rancher anticipating doing conservation work should contact the Soil Conservation Service for more information on this matter. Planning ahead could result in a lower tax bill next year.

Park Workday Set By Chamber

The Munday Chamber of Commerce is organizing a park workday at 4:30 p.m. Thursday, April 28. Persons interested in helping improve the city park are asked to meet at the park for the workday.

If the weather is bad, according to Chamber manager Kay Looney, the group will meet in the Chamber board of directors' room to discuss the park situation.

CHRIS BURNETT

Munday Freshman Wins District Golf

Although they are little publicized, Munday High School athletes participate in other sports besides football, basketball and track. A member of the school golf team will represent the district as medalist at the regional golf competition at Abilene's Maxwell Municipal Golf Course April 26-27.

Chris Burnett, freshman daughter of Bobby D. and Judy Burnett of Munday, shot a 97 at the district golf match at Knox City last week. The overall winner of the contest was the host school, whose number one team won first and number two team was runner-up. Munday coach Mark Dobson expressed pride in Chris' performance as one of only two local girls to sign up for the golf team.

"We really hope this will encourage more girls to try out next year," he said. "We want them to get involved in golf because it is a great lifetime recreational sport."

Dixie Reid was the other Munday girl in the competition. Members of the Mogul number one team, which finished fourth in the district contest, were David Owens, Chad Bordovsky, Marc Andrade, Michael Waggoner and Jeff Herring. A fifth place finish went to the number two team, made up of Jonathan Smith, Lowell Hutchens, Ronald Edrington, Bryan Latham and Brett Bruce.

Historical Group To Meet In Benjamin

The Knox County Historical Commission will meet at 3 p.m. Wednesday, May 4, at the assembly room of the Knox County courthouse in Benjamin.

Reports will be heard on the progress of the cemetery survey, museum fund raisers and the purchase of material for helping train museum volunteers. The museum fund now holds some \$9,000 earmarked for purchasing a building, according to officials.

Track Teams Sweep District Competition

The district 9-A track meet had "Munday" written all over it in big, glowing purple and gold letters Thursday and Friday, as the local teams took convincing wins in both divisions. Scoring points in all but two events in the entire meet, the Moguls and Mogulettes gave their fans something to cheer about at every turn.

The Mogulettes scored 208 points to outdistance their nearest competitor, Knox City, by over 80 points. The Houndettes, with 127 points, were followed by Rochester with 93, Aspermont with 58, Paint Creek with 25 and Rule with 21. In the boys' bracket, the Moguls racked up 191 points, and the Knox City team was again second, putting together 106 points. Others in the top six were Aspermont with 88, Rochester with 61, Rule with 47 and Goree with 8.

A total of 18 Munday athletes, nine boys and nine girls, will travel to Abilene April 29 and 30 for the regional meet, planned for the McMurry track complex. These 18 young people will compete in 23 events, and early speculation gives Munday a good chance to sweep this meet, as well.

Munday athletic director Jim Edwards expressed thanks to a number of persons who helped with the

Locals To Work In Texas Trash-Off

Two local organizations will join other Texas groups in the state-wide trash-off sponsored by the Texas Highway Department. The cleanup effort is part of the department's "Don't Mess With Texas" anti-litter campaign.

The Munday Lions Club will meet at 7 a.m. Saturday at the Shamrock Station, and from there they will move into their two-mile stretch of highway just east of town to remove litter from the road and shoulders. In addition, the local Masonic Lodge has recently "adopted" the two miles just south of town on Highway 277, and Masons will begin their cleanup work about 8 a.m. Saturday.

Maryland Club supports the trash-off by purchasing and donating all the 33-gallon trash bags to be used and by helping to fund other cleaning, restoration and beautification projects.

Band Goes For Top Rating In Concert

The Munday Purple Cloud band traveled to Vernon on Wednesday of this week to participate in the district UIL concert and sight-reading contest, the second and third leg of the three-part competition entered into by bands statewide. Munday was to begin their sightreading phase at 9:40 a.m. and would perform their concert immediately afterward.

Band director Rodney Bennett was hopeful that the band would win its third consecutive Sweepstakes award - first division ratings in marching, sightreading and concert. "I know things can happen that might deny us our chance to make history at Munday, but at the same time I am confident about this band's ability. It is without a doubt the finest performing band I've stood before," Bennett said.

At a band clinic held here last week, the visiting clinician remarked that Munday had a band program which would make many 3-A and 4-A schools envious, Bennett continued.

The band has had a busy year and there is no letup in sight. On May 7, the band will march in the state capitol centennial celebration parade in Austin, after which the Purple Cloud members will return home to prepare for the annual Musicade, set for May 17.

meet, including superintendent Doyle Lowrance, high school principal Bill Kingston, Susan Edwards, Janice Dutton, Ronnie Stewart, Ronnie Baker, John Lee Nelson, John Reneau, Jessie Andrade and the members of the Booster Club who manned the concession stand.

Edwards also thanked a large group of men, including Andrade, Freddie Caram, Tony Shawver, Ray Lynn Hardin, Stewart, Byron Gass, Terry Hendrix, Buford Berryhill, LeRoy Leflar, Baker and Nelson, who helped build the new press box. Special thanks went to Jim Reid, who donated the pipe for the stands and press box. "We really appreciate these people for their efforts and support," Edwards commented.

Regarding the track meet, he said, "I thought our young people performed tremendously. Everybody just did a terrific job. I was extremely pleased with Scotty Hutchens, who bettered his shot put distance by more than two feet." Edwards feels his team has a good chance to win the regional meet, barring any injuries or disqualifying mistakes.

Multiple-event performers for the Moguls will include Perry Collier, who will compete in five events, and Anthony Stinnett, who will be entered in four categories. Trey Thompson and Terry Collier will each run in two relays and an individual race.

Equaling Perry Collier's feat on the girls' side is Kathy Wilde, who will also compete in five regional events, and Mindy Myers qualified for four. Angie and April Offutt will each run in three events, and Robin Reneau, Eva Campos and Alicia Cook are down for two events each.

"We just had an outstanding day," said girls' coach Gina Farmer. "Kathy did a great job. She had her best long jump; her distance

Qualifiers Meet Planned For Friday

A regional qualifiers' track meet will be held at the McAfee track in Munday after school Friday. Beginning at 4 p.m. with field events, the meet features no preliminaries, no entry fees, no medals or ribbons. But 100 or more athletes are expected to practice their events against other quality competition, according to meet director and MHS athletic director Jim Edwards.

Both boys and girls will compete in all track events, and the meet is expected to continue until approximately 9 p.m. The final event, the 1600 meter relay, is set to start at 8:10.

Teams, in addition to Munday, which had committed to sending athletes to the meet as of early this week were Burkburnett, Wichita Falls Hirschi, Vernon, Chillicothe, Crowell, Aspermont, Knox City, Winters and Trent. There will be no separate classifications for participants from larger schools; all will compete together.

This should be a good opportunity for Munday fans to see some of the area's premier athletes in action, and everyone is urged to be on hand for this meet, which will prepare the young people for the regional meets the following weekend. A concession stand will be available.

Puppet Show Cancelled

The National Marionette Theatre production originally scheduled for this week in Munday has been cancelled, according to persons in charge of the program.

The show was designed to raise funds for the Munday Ambulance Service, but the show has been cancelled at this time.

GRACE E. SMITH

Grace Smith Rites Held Here Thursday

Longtime Munday resident Grace Eunice Smith, 80, died Tuesday, April 12, in the Haskell Memorial Hospital. Funeral services were at 2 p.m. Thursday, April 14, at the First Baptist Church in Munday with Rev. Derrell Marion of Knox City and Dr. Pete Bradfield, pastor, officiating. Burial was in Johnson Memorial Cemetery in Munday under the direction of McCauley-Smith Funeral Home.

Born October 15, 1907, in Daffau to Mr. and Mrs. M.O. Burnett, she moved with her family from Douglas, Arizona to Munday in 1918. She graduated from Munday High School in 1924 and attended the College of Industrial Arts in Denton. She married Aubrey Lyndol Smith January 31, 1927, in Munday and he preceded her in death February 27, 1974. Mrs. Smith was a member of the Munday Study Club until it disbanded and was an officer and was elected Mother of the Year by that organization. She was also a former president of the Munday PTA and an active member of the First Baptist Church in Munday. The Grace Gift Center, an extension of the drug store her husband and son operated for many years, bears her name.

In addition to her husband, she was preceded in death by a son, Dr. Aubrey Lyndol Smith Jr., on December 20, 1973, and by a brother, Otis Burnett.

Survivors include two sons, Dr. H. Wayne Smith of Amarillo and W.O. Smith of Munday; a daughter, Gwyna Parker of Taylor; two sisters, Bethel Hughes of Fort Worth and Mildred Howard of Midland; nine grandchildren and five great-grandchildren.

Serving as pallbearers were her six grandsons, Dr. Tom Parker Jr., Stephen Smith Parker, Christopher Carter Smith, Quinn Smith, Russell Smith and Dr. Aubrey Lyndol Smith III.

puts her in with the top jumpers in the state. Our sprint relay also ran its best time. We had a couple of bad handoffs on the mile relay and still ran a 4:10, which is about what I wanted out of them. Mindy and April ran tough legs on the mile relay, and Kacy and Robin really fought it out for second in the mile run. April had her best triple jump ever, and Angie competed well in this event, also.

"I don't think many other teams will go to the regional meet with as many athletes as we have. We will be competing in all but three events, and I feel real good about our prospects."

BENJAMIN NEWS

By Mrs. Gladene Green

CEMETERY ASSN. NEWS...

Lamoyne Patterson, president of the Benjamin Cemetery Association, has asked everyone to attend a public meeting of the association to be held at 7:30 p.m. May 3. Place of the meeting to be determined later as it is not known if the assembly room in the courthouse will be in use on that night.

The purpose of the meeting will be regular business, consideration of new officers and to bring everyone up to date on the cemetery fund. Watch this column and I'll let you know next week where we will meet.

Latest donors to the association are Ruth House, the J.P. Tolsons Sr., Fred Crenshaw, the Togo Moorhouses, Earlene Meinzer, the W.T. Cartwrights, the L.O. Jacksons, the Glen Dunksles, Mrs. J.B. Moorhouse, Mrs. E.L. Branton, the Lester Dukes, the Dutch Youngs, the Bobby Robersons, Clodell Duke, Beulah Huntsinger, Billy Crenshaw, the Don Hertels, the Evan Duvals Jr., and Gladene Green.

These donations consist largely of memorials and have been placed in the maintenance fund for the cemetery upkeep.

Did you notice an extra \$1 tacked to your water bill this month? If not look again! This \$1 goes to the BV-FD, as shown on your bill, for use as the department sees fit. Many folks, myself included, fail or forget to donate to this very dependable department. So the city council figured a way for us all to give and not hurt anyone financially. The money collected will be put in an account for the exclusive use by the department. After all, it takes gas and maintenance on the trucks so they will be ready to roll when fire breaks out. We hope we don't have any more fires but if we do, the department will be there to do their best. Also they are still in need of donations for the new siren. The Togo Moorhouses gave a whopping \$1500 to help put them over the top as far as the siren cost but money is needed for installation and they appreciate any amount!

SOROSIS CLUB NEWS

The Sorosis Club met April 7 in the clubhouse. Bea Parks, president, called the meeting to order. The pledge of allegiance was led by Betty Bohannon.

Bea Parks read a poem on trees. Lucille Moorhouse gave a report on the conservation program. Pearl Ryder, federation counselor gave a report on the upcoming arthritis telethon and urged all to give to the arthritis fund.

The program was given by Kenneth and Jessie Roberts, who showed very interesting and beautiful slides of their trip to California, on up the West Coast into Canada and Alaska.

Refreshments were served by Pearl Ryder and Louella Tolson to members Jessie Roberts, Betty Bohannon, Lucille Moorhouse, Bea Parks, one new member, Jimmie Klutts and two guests, Kenneth Roberts and Ozelle Kilgore.

CLEAN UP DAY SUCCESSFUL

Bea Parks, president of the local Sorosis Club, which sponsored the town cleanup on Saturday, expressed the club's appreciation for everything anyone did in making the campaign successful. Whether you raked, hoed, burned, hauled trash or helped prepare lunch for the hungry workers, it was all appreciated - and the town sure looks nicer, too!

CANCER DRIVE COMPLETED

Benjamin volunteer workers collected an even \$300 for the American Cancer Society. Those working on the campaign were Jo Etta Cartwright, Jessie Roberts, Jimmie Klutts, Pearl Ryder, Gladene Green, Louise Hertel and Bea Parks.

LOCALS GRANDSON DOES WELL

Jimmy Cooper of Monument, New Mexico, recently won first place in an invitational rodeo in Guthrie, Oklahoma. Thirty cowboys were entered and working 20 head of cattle in five events. Cooper's average was 12 seconds plus. The events were heading, heeling, calf roping, steer wrestling and steer roping.

By winning first place, Cooper won \$42,000 cash and a \$5,000 diamond belt buckle. This brings his total earnings to \$700,000 since 1980. He was World Champion all around cowboy in 1982.

Cooper is married to the former Sheryl Schneemann, who is the daughter of the former La Rue Tolson and granddaughter of Buster and Lou Ella Tolson.

HERE AND THERE

W.T. and Jo Cartwright were in Lubbock Sunday to visit Homer T. Melton in the Methodist Hospital.

They say Homer T. seems improved and was very talkative and in good spirits.

Visiting Rex and Maretha Patterson one day last week were Carol and Robbie Large of Knox City.

Olga and Leon Bivens were recent guests of the Johnny Hertels in Fillmore, Okla.

Visiting their grandparents, Bill and Dorothy Spikes, last week were Sara and Christopher Spikes of Haskell.

James Redwine of Savoy was a Benjamin visitor one day last week. It was good to visit with James.

Gladene Green and daughter, Diane Herring of Munday, were weekend visitors with relatives in Fort Worth.

Derryll, Mary and Mike Sawyers of Hamlin visited Clodell Duke on Saturday.

NOTE:

Last Monday night, prior to the Democratic primary runoff, a telephone committee called everyone in town, if they were available, to remind them of the runoff the next day, and to ask consideration of a particular candidate in the DA's race. This was in no way intended to question one's judgment and certainly not anyone's intent to tell another how to vote. If anyone took this call any other than the way it was meant to be, all concerned express apologies to those people.

The main reason was to get the voters to the polls.

Have a nice day!

MR. and MRS. DAVID JAMES MANLEY

Local Woman's Granddaughter Marries In Houston Nuptials

Traci Leigh Tidwell and David James Manley were married Saturday, January 30, at Hankamer Chapel of Second Baptist Church in Houston. The Rev. Ed B. Young performed the ceremony at seven o'clock in the evening. An archway flanked by candelabra and greenery formed the nuptial setting.

The bride is the daughter of Mr. and Mrs. Wyman Tidwell of Bellville and the granddaughter of Mrs. Aree Tidwell of Munday. The groom's parents are Mr. and Mrs. Vann Brown of Tulsa, Oklahoma.

Musicians were Dr. Don Looser and Cliff Hooper. Lisa Hooper and David Malone, vocalists, provided selections throughout the ceremony.

Given in marriage by her father, the bride wore a formal length gown of bridal satin. The bodice was covered with seed pearls and lace appliques, which were repeated on the Victorian sleeves. Her cathedral length train was edged in lace and enhanced with scalloped appliques. She wore a fingertip veil of illusion attached to a headband of gypsophilia, and her bridal bouquet was of roses and mixed flowers.

Terri Tidwell attended her sister as maid of honor. Bridesmaids were Tammy Patterson, also sister of the bride; Kerri Jones and Julie Daniels. The feminine attendants were attired in royal blue tea length gowns.

Natalie Patterson, the bride's niece, was flower girl. She wore a gown similar to that of the bride with royal blue rosettes.

Ricky Broyles was best man. Wes Ransdell, Johnny Broyles and Eddy Mason were groomsmen. They were attired in black tuxedos. The bride's nephew, Brandon Patterson, was ring bearer.

The bridegroom chose a white tuxedo with tails for the wedding. The ring bearer's tuxedo was also white.

Michael Broyles, Scott Patterson, Brian Smith and Steve Winters seated guests.

The bride's parents were hosts for a reception held at the University Club, Galleria Complex, in Houston.

The bride is employed by Siemens in Houston while the bridegroom is a student at the University of Houston.

BACK CARE

Whatever the cause of low back pain, part of its prevention and treatment is correcting bad posture. Good posture is not simply a matter of "standing tall." It means correct position of the body at all times.

Over the next several weeks we will be taking a look at some ways to prevent and treat the aching back. We will begin with back care while driving.

The key to correct posture in a car is the same as in all body posture positions; keeping the lower back in a flat or slightly rounded position, never with a forward curve or swayback.

When driving, move the car seat close enough to the wheel so that your knees are bent and either level with or slightly higher than your hips. This helps assure that your lower back will be flat, not swayed. The seat should be adjusted so that your legs are not fully extended.

Sit back in the seat with your upper body over your hips. Keep your head and neck back over your shoulders in a straight line with your spine. If you are on a long trip, if you travel a lot, or if the car seat doesn't provide good back support, add a firm, flat pillow to support and protect the lower back.

On long trips be sure to stop every few hours so you can stand up and stretch.

It is also important to learn how to get in and out of a car properly. Sit facing the open door, then swivel your feet and body into position. Reverse the procedure when getting

out of the car.

You can even use driving time for some easy, inconspicuous abdominal exercises that will help to prevent back pain. For instance, while waiting for a traffic light to change, pull in your abdominal muscles and flatten out your lower back. Hold this position for a count of five then slowly relax. Gradually increase the count as your abdominal muscles get stronger. And be sure not to hold your breath.

HOW IT'S EATEN COUNTS MOST

Differences between beef and chicken -- as they are commonly eaten -- are often not very great. If chicken breast without skin and roasted is compared to beef rib steak or top round steak, the chicken will be lower in calories, total fat and saturated fat. But if a fried chicken breast with skin is compared to round steak, the beef will be lower in calories, total fat and saturated fat. If you're counting calories or watching total fat intake, what really counts is how you prepare and eat meat and poultry.

Beta Chi Members Meet In Haskell

Beta Chi chapter of Delta Kappa Gamma Society International met Sunday afternoon, April 17, at the First United Methodist Church in Haskell. Thirty-seven members and two guests, June Biffle and Randy McLelland, were present.

First vice-president Vida White presided in the absence of president Christie Stapleton. Minutes of the last meeting were corrected concerning membership status; treasurer Margaret Chafin reminded members to pay dues, and corresponding secretary Pat Quattlebaum read a thank you note from the president.

Dorothy Myers, chairman of the nominating committee, presented the slate of officers for the biennium 1988-1990: Jackye Leonard, president; Willie Dipple, first vice-president; Jo Cox, second vice-president; Adrian Brothers, recording secretary; and Alice Jones, corresponding secretary. Mrs. Myers then presented the new nominating committee: Christie Stapleton, chairman; Sherry Hacker, Jill Druessedow, Janice Dutton, Dana Martin and Carol Dickson. Both groups were elected unanimously.

Linda Edrington, ceremonials chairman, assisted by Vida White, Janice Dutton, Linda Chapman and Margaret Chafin, conducted the initiation ceremony for Billie McKeever of Haskell and Dolores Lawrence of Aspermont. Both became active members. Ellen Rieger provided musical background and accompanied Susan Pope who sang "The Symbols of Delta Kappa Gamma." The ceremony was concluded with the singing of the Delta Kappa Gamma song.

Sara Hodgin introduced Susan Pope and Randy McLelland, youth minister of the First Baptist Church in Haskell. The sang selections which could apply to teachers, *What a Difference You've Made in My Life* and *He's the Hand on My Shoulder*. Ellen Rieger accompanied them.

After the new members were greeted and welcomed into the society, refreshments of pies, coffee and tea were served by Rule, Rochester, Weinert and Haskell members.

The next meeting will be a Saturday luncheon on May 14 at the First United Methodist Church in Aspermont. There will be a Founders' Day observance and installation of new officers.

Wedding Announcement

Lois Beaty of Munday, Jimmie Beaty of Greenville, Mississippi and Mr. and Mrs. Floyd Patton of Weinert wish to announce the marriage of their children, Karen Lynn Beaty and Perry Floyd Patton. The couple exchanged vows Saturday, April 9, in Seymour with Justice of the Peace Loyd Robertson performing the 9 p.m. ceremony.

The bride is a 1984 graduate of Munday High School and is employed by Dairy Queen of Knox City. The groom is a 1980 graduate of Weinert High School and is employed at Stewart's Texaco in Munday. They are making their home in Munday.

Kent's heifer purchase was sponsored by Jerrol Springer of Houston.

Texans Plan Third Trash Cleanup Day

More than 20,000 volunteers will comb 2,400 miles of Texas right-of-way, bar ditches and culverts Saturday, April 23, in the largest trash cleanup in the nation.

The third annual "Great Texas Trash-Off," sponsored by the State Department of Highways and Public Transportation, will employ the efforts of 1,200 Adopt-A-Highway groups across the state. During last year's Trash-Off, 16,843 volunteers cleaned up 2,484 miles of highway, collecting 1,633,720 gallons of trash.

"This year's Trash-Off will involve 5,200 more volunteers and 7,600 more bags of trash," said Don Clark, director of the highway department's travel and information division.

"Our first priority is to get the bottles out of the bluebonnets. By combining the energy of all the Adopt-A-Highway groups, we aim to remind Texans that trash belongs in a trash can - not along our highways. It's unsightly, unsafe, and an expense Texas taxpayers should not have to bear."

The highway department began an aggressive war against litter in 1985 with the tough-talking Don't Mess With Texas program. The first of its kind in the U.S. to speak directly to habitual litterers, Don't Mess With Texas is credited with a 54% reduction in trash on Texas highways in just two years.

For the second year, volunteers in community affiliates to Keep Texas Beautiful, the Texas Conservation Foundation, the General Land Office and the Lower Colorado River Authority will join forces with the highway department to clean Texas beaches, lakes, and city streets and parks.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Word has been received here of the death of a former Vera resident, Ralph Bedell, 71, who passed away in a nursing home in Garland April 8. Memorial services were held April 10 at the First United Methodist Church in Garland with Rev. Henry Wood and Rev. Malcolm Smart officiating. Burial was in Big Spring cemetery in Garland. Ralph was born March 25, 1917 in Murphy. He was a member of the First United Methodist Church and the Democratic Club in Garland. Survivors include his wife, Ruth of the home; two sons, Ralph Benton of Irving and Hoyle Bruce of Dallas; two daughters, Patricia Ruth Hansard of Era and Pamela Lee Penny of Garland; his mother, Mrs. Alleathia Wheat of San Antonio; a sister, Vivian Hardy of San Antonio; and 13 grandchildren. The Bedell family was engaged in farming two miles east of Vera before moving to Dalhart where they continued to farm before their move to Garland where they operated a grocery store. Ralph had been in failing health for the past seven years. Mr. and Mrs. Rea Carter of Seymour and a daughter, Cecila of Irving, attended the memorial services.

Mr. and Mrs. Robert Morton of Kress were weekend visitors in the home of their daughter, Mr. and Mrs. Randal Kinnibrugh and children.

Mr. and Mrs. Murl Trainham and children, Murl Jr. and Brandy, of Azle were visitors with Murl's parents, Mr. and Mrs. J.L. Trainham.

Mr. and Mrs. Harold Beck spent Saturday with a son, Mr. and Mrs. Kent Beck and family in Duncan,

Okla. Mrs. Nora Mae Townsend was honored with a surprise party on her 80th birthday Saturday evening, in the home of a daughter, Mr. and Mrs. Billy Kinnibrugh. Also celebrating was a granddaughter, Sarah Kinnibrugh, on her 3rd birthday. Those attending were Mrs. Barbara Coulston of Odessa, Mr. and Mrs. Albert Townsend and a son, Mr. and Mrs. Robert Townsend of Blanket, Stephen Coulston of Lubbock and a friend, Lynn Lambert of Odessa, Mr. and Mrs. Tom Crawford of Lubbock and a friend, Schotz Fry of Dallas, Mr. and Mrs. Randal Kinnibrugh and children of Vera and Mr. and Mrs. Robert Morton of Kress.

Mr. and Mrs. Ernest Beck Jr. were in Frederick, Okla. Saturday to attend memorial services for a

cousin, Mrs. Irene Smart.

Mr. and Mrs. Leon Sims of Plainview and Mr. and Mrs. Don Kelly of Frederick, Okla. spent Sunday night in the E.D. Richard home. Monday Duward and Wanda accompanied the group to Possum Kingdom Lake with their travel trailers to try their luck at some fishing.

Mr. and Mrs. Jack Cain of Lubbock visited her niece, Mrs. Loran Patterson, and Mrs. Tom King of Seymour who was spending a few days with her daughter, Friday. On Saturday Mrs. Tommie Crawford and grandson, Wes Crawford, of Munday visited Violet and Mrs. King returned home with her for a visit.

Did you know that leftover whipped cream can be whipped again if it has been refrigerated after the first use? The second whipping will take only about 40 seconds as compared to the first time when it took two or more minutes.

Meeting Planned Sunday To Open Cemetery Survey

A meeting set for 3 p.m. Sunday, April 24, in the assembly room of the Knox County courthouse in Benjamin will open the county cemetery survey, according to Moulton Wiggins, survey chairman, who invites all interested persons to attend the meeting.

Worksheets will be distributed to those who will copy tombstone information, and examples will be posted to demonstrate the types of information which should be obtained.

The survey goal is to gather information on every burial site in Knox County, including location, and, where possible, the name of the person buried along with some simple biographical information.

Each community or cemetery group will survey its own area, then compile the typed information in a notebook form. One copy of this notebook will be retained in the community and one copy will be given to the county historical commission for the Knox County museum. If a community wishes to produce several copies of its report it is encouraged to do so, but information gathering, not publication, is the primary goal of the county-wide survey. The information obtained will be a great deal of help to persons researching the county.

Nearly every cemetery in the county has been represented by at least one interested person at preliminary planning meetings. The April 24 meeting will be open to anyone interested in the survey, including residents of Knox County and surrounding areas.

Registration will begin at 2:45 p.m. and a short demonstration on tombstone rubbing is set for 3. Wiggins will preside at the meeting, at which goals and methods will be discussed. A tabletop cemetery will offer a workshop learning opportunity, and time will be allowed for questions.

The county historical commission has been informed that some communities are hoping to begin their surveys by Memorial Day weekend. The opening of the survey on April 24 has been timed with the onset of warmer weather to make it possible

to begin gathering tombstone information almost immediately.

It is hoped that a group from each community will attend the Sunday meeting so they can carry the information back to their neighbors.

Elementary Honor List Is Announced

Twenty-nine youngsters were listed on the honor roll for the fifth six weeks grading period at Munday Elementary School, according to principal Doug Donoho. Honor roll recognition went to students who had grades of 90 or above in every subject.

Listed on the honor roll were, in first grade, Angela Albus, Rafael Bejar, Brent Selzer, Brandon Sosa and Tracee Tomlinson. In second grade were Andrea Brown, Jennifer Yates, Susan Baker, Melinda Latham, Nathan Urbanczyk and Ambra Welch.

Third grade honorees were Lanesa Wilson, Mindy Zeissel, Kandis Longan and Jason Hise. The fourth grade had the largest number of honor students, including Mandy Bradley, Heather Brown, Zane Donoho, Robin Bowen, Jennifer Baker, Haley Hutchinson and Marc McWhorter.

Fifth graders on the honor roll were Donny Browning, Jeff Dunnam, Doug Edrington and Keith Myers. Sixth graders receiving recognition were Jason Bowman, Kyle Sanders and Michele Berryhill.

It's A Boy!

Philda and Roy Dudgeon of Dimmitt are proud to announce the birth of their son, Danny Ray. He made his grand entrance Tuesday, April 5, weighing in at 8 pounds, 1½ ounces and measuring 21½ inches long.

Maternal grandparents are Dan and Nell Sloan of Munday, and paternal grandmother is Winona Dudgeon of Sudan. Maternal great-grandmother is Glea Conatser of Levelland, and Frances Blair of Graham and Hattie Dudgeon of Post are paternal great-grandmothers.

Stinnett Chosen For All-Star Football Game

Munday High School senior Anthony Stinnett has been selected to play in the Whataburger All Star football game this summer in Houston. The two all-star teams, picked by selection committees of the Texas High School Coaches Association, will meet Tuesday, July 26, at the Houston Astrodome.

Stinnett, son of Mrs. Ida Jo Stinnett, is the only Class A back playing for the North team. Other schools in this area represented in the all-star game are Holliday, which placed back David Hoepfner on the North team, and Iowa Park, whose lineman Gregg Young will be competing. Also chosen for the team was Wheeler lineman Richard Smith. Several Class A backs are listed on the South team roster.

Minor Chords Are Feted At Fish Fry

A fish fry at the Troy Moore residence Monday night, April 18, honored the Minor Chords barber-shop quartet for their outstanding performances and their willingness to donate their time and talent to entertain at various functions in Munday and surrounding towns.

Minor Chords Russ Byard, Ray Hunter, Lyndle Reeves and Pat Smith were in attendance, along with honored guest Pat Byard. Also attending and helping to prepare the meal were Mrs. Thelma Lewis and Mr. and Mrs. Billy Cypert.

In addition to enjoying the meal, the diners were also entertained, since their special guests had their arms twisted just a bit to encourage them to "sing for their supper."

★ Weinert News ★

By Mrs. Myrtle Plemister

We are happy to report more moisture for our area. By Monday morning we had 7 tenths of an inch of rain. We could use more, naturally, but we are so grateful for this bit.

We extend congratulations to several people this week:

To Mattie and D.I. White, who have purchased Mike Stewart's home and will be moving into town soon.

To Mike Stewart who has moved into his old "home place" on the farm.

To Margie and Junior Stewart who have purchased a home in Munday and have moved there. We are happy for all these who are making a move, but we will miss the Stewarts, especially will we miss Mike.

Also, congratulations to Doris Walker, who has purchased the Mane Tamer hair salon from Melanie Wood.

And to several who are doing some home remodeling, good luck!

Birthday greetings are extended to Debbie Crump, Thelma Edwards, Doris Walker, Donna Castorena, Frances Mahan, Monica Estrada (and to a special little five-year-old great-granddaughter Deshea Plemister). Happy Birthday, all!

Rene Vojkufka returned Saturday from a ten day sight-seeing tour with the Charles Abernathy Tours of Aspermont. She said Charles called this is "last" trip, but it was such a fantastic tour she recommends he repeat it a few more times. It is called the Bluebonnet Tour, but the late freezes and lack of rains have kept the bluebonnets dormant.

The tour took them through Fredericksburg, Johnson City,

Austin, San Antonio, to Del Rio and over into Old Mexico for a day, with stops for sightseeing at all the points of interest. They returned through the Big Bend Country to McDonald's Observatory and a stop in Midland for the marvelous Permian Basin Petroleum Museum there that is an education about oil and oil production.

They all arrived home safely, with such a host of memories, tired bones, happy hearts and a bus load of new friends!

Marvin and Myrtle Plemister were guests of the Alvin Ulmers at the Friday night showing of "Hee-Haw 88" in Sagerton. They were accompanied by Helen Boykin. The Plemisters have received word their granddaughter and family, the Wimon Walkers, have arrived safely in Johannesburg, South Africa, where they will be starting their second three-year missionary term of service in the country of Batswana, Africa. They are sponsored by the Churches of Christ, with the Church in Tigard, Oregon being their sponsoring church. The Walkers have two children, Martin 4, and Marcella 1 1/2. Mrs. Walker is the daughter of Lola Plemister Williams of Harlingen.

Sandra and Don Stafford of Denton spent the weekend with her parents, the Ted Jettons.

T.E. and Nelda Reeves entertained several aunts and uncles the past week. Opal and Sam Benchie of LaVerne, Calif., Mildred Echols of Arlington and Lucy Mitchell of Mineral Wells, all sisters of T.E.'s mother, came for a visit with the Reeves.

Recent visitors in the Rex Herricks home were Tinka's parents, Mr. and Mrs. Queston Greer of Snyder, and Tammy and Bernie Kimmel with Tiffany of Lubbock. The Herricks' 15 baby calves (bottle fed) have been a novelty with all the children in town.

Leta and Roy Plemister were in Stanton and Big Spring on business this week and spent some time with their son's family in Odessa. Roy Lynn has a plant nursery and also teaches horticulture in high school and college in Odessa.

The Weinert Extension Club members enjoyed a day of fun and fellowship on Tuesday as they journeyed to Vernon for the spring TEHA district meeting. They were delighted to hear the state extension president Nell Finney speak, as well as Mrs. Ray Farabee, candidate for the State Senate. The meeting was attended by over 200 club women in the district. They enjoyed a luncheon and a style show before returning home. Those attending were Faye Jetton, Myrtle Plemister, Debbie Crump, Alice Yates and Betty Sanders, our voting delegate. Haskell county will host the meeting in 1989.

The home of John and LaVerne Mayfield was buzzing with excitement the past weekend, as the families of all three of their children came home to visit and attend the reunion of John's grandparents' descendants, Isaac and Nancy (Nannie) Furrh, and to celebrate the birthday of an aunt, Dovie Furrh of Haskell. The reunion was held in the community room of the Haskell National Bank. Others from Weinert who attended were Clyde and Otie Bell Mayfield and Tiffen and Erlinda Mayfield, with Mondy and Mitch.

Ferril McCampbell of French

Gulah, California is here for a few days visit with her brothers, John and Clyde Mayfield, and attended the Furrh reunion on Saturday.

George and Couilla Cunningham of Ransom Springs, with her son, Jeff and Lisa Teague and children of Haskell, visited her parents, the Clyde Mayfields, the past weekend, and also attended the Furrh reunion.

Helen Boykin spent the weekend in Vernon in the home of her son, Raymon and Janie Boykin.

Ima Stewart and Rene Vojkufka were in Munday on Sunday to check on the progress of their brother, Doris Alexander. Doris was injured a few days ago when he fell from a ladder while painting at the T.E. Reeves home. He is doing well.

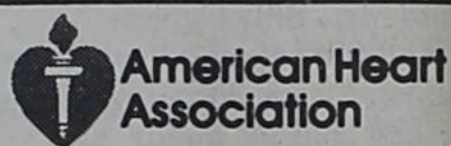

Taylor Wade of Abilene spent the weekend with his grandparents, Alice and Toby Yates.

Joe and Caron Yates, with Dusty and T.J., and Bob and Melanie Wood with Zachry, attended the Scouts soap box derby held in Nelson Park in Abilene, where their sons, Dusty Yates and Cory Wood, were participants, a part of Den 4, Pack 136, and classified as the "Winners".

There are 8 boys in Den 4, and they made a car together to race. They won first place in their Bear division, received first place for best made car and third place overall in the grand champion race. Congratulations from us all!

The elementary students will enter the track meet to be held at Rochester on Wednesday, April 27. Have a nice day!

New Tractors At Local Dealer Carry 5-Year Warranty

Case IH is setting an industry standard by introducing a 5-year/5,000 hour warranty on all new tractors.

"A standard tractor warranty this long is a first for the agricultural equipment industry," according to Doug Parker of Parker Implement Company in Munday. "It reflects the confidence Case IH has in the thoroughly tested reliability of the Magnum line."

"The new Magnum tractors have already made farmers take a look with features like improved fuel efficiency, 18-speed powershift and improved visibility from the cab. A warranty that covers the whole tractor for five years or 5,000 hours is the icing on the cake. I'm sure it's going to help us sell more tractors," Parker said.

The 5-year/5,000 hour coverage provides no-charge, warranty service for dealer labor and parts replacement during the first year.

During the second year through the fifth year, the plan pays warranty service charges after a \$200 deductible is paid by the customer. If a customer sells a tractor, the warranty is transferable.

The warranty coverage applies to all of the 14,000-plus parts on the Magnum tractors. Only the tires, which are covered by tire manufacturers' warranties, are excluded. The warranty applies to all Magnum tractors including those already sold and being used by farmers.

This new warranty applies to Model 7110 at 130 PTO horsepower, Model 7120 at 150 PTO horsepower, Model 7130 at 170 PTO horsepower and Model 7140 at 195 PTO horsepower. All four models are row-crop two-wheel-drive tractors with optional mechanical-front-drive.

WILDA SMITH, daughter of Mr. and Mrs. James Smith of Munday, is shown receiving the Katie Foy Austin endowed scholarship at Hardin-Simmons University in Abilene from Dr. Peter J. Gilman, dean of the HSU Irvin School of Education. The scholarship fund was established in 1986 by Mrs. George Gafford of La Jolla, Cal., to honor her mother, Katie Foy Austin, on her 88th birthday. The recipient must be working toward teacher certification and preference is given to students in the field of English. Wilda is a senior education major.

It Takes A Tractor This Good To Earn A Warranty This Good

The MAGNUM 5-Year/5,000-Hour Warranty

MAGNUM means more! But there's much more to a MAGNUM tractor than meets your eye. Because behind the more powerful engines, the more efficient transmissions and the high-visibility cabs...

Stands the best warranty in the business: The MAGNUM tractor 5-year/5,000-hour warranty, whichever occurs first.* A warranty that gives you coverage, from top to bottom,

front to back. It's the best warranty in the business. By far.

The way MAGNUM tractors are built there's a good chance you'll never need to take advantage of this advantage.

Come on in and look over the all-new MAGNUM tractors. And ask us for details on the best warranty... and the best tractors in the business.

*Excluding tires, which are covered by their own manufacturers' warranties. A \$200 deductible applies to each repair after the first year.

Knox Voters Help Elect Williams

Knox County voters went right along with the rest of the district and state in electing a district attorney, a nominee for the board of education and candidates for U.S. Senator, U.S. Representative, Railroad Commissioner and Supreme Court justice in the runoff election April 12.

Chad Williams, a Seymour attorney, defeated Cottle County lawyer Larry Evans for the office of district attorney. Williams received 1,853 votes in the four-county 50th Judicial District to Evans' 1,396. Baylor and Knox County voters gave Williams his biggest margins, while Evans carried Cottle and King counties. The Knox County vote was 378-223 in Williams' favor.

The county also followed the statewide trend in casting 375 Democratic ballots for William Hudson of Wichita Falls, who defeated Charles McDonald for the party nomination for a seat on the state board of education. McDonald received 145 votes in Knox County.

Local Republican voters gave Beau Boulter the nod over Wes Gilbreath in the senate race. Boulter took 35 votes while Gilbreath only received one. Ed Emmett captured 24 votes for railroad commissioner against P.S. Ervin, who collected 6 ballots. Dallas appeals court judge Nathan Hecht earned 22 county votes for a state Supreme Court seat, and Ronald Block got six votes in Knox County.

Former Resident In Texarkana Hospital

Bill Bowley, a longtime Munday resident and former writer for the Munday Times and the Munday Courier, recently fell and broke a shoulder and a hip. Surgeons had to insert pins into both the breaks. Although Mrs. Bowley's condition was considered very serious at one time, she is improving and enjoys hearing from her former friends in Munday.

Persons interested in sending a card or letter to Mrs. Bowley can do so at Saint Michael's Hospital, Room 653, P.O. Box 1140, Texarkana, Arkansas, 75504.

★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

Over an inch of moisture last week helped make the wheat harvest prospects much brighter. Right now is when we really need some rains. Tanks are still low and need that "good hard rain to run water and fill the tanks" that everyone always wants. Monday came in cloudy, windy and cold, 48 degrees.

News is a little short this week as Clara Brown spent Saturday and Sunday visiting son Bill Brown. She attended the district track meet at Denver City and watched Brownfield win second at the meet and several of the firsts and seconds needed to carry them to Odessa. It was cloudy, cold and windy all day, then just as the last race started, rain poured down. One man said, "As bad as we needed the rain I wish it could have waited 15 minutes!" Anyway Bill woke up with the flu Sunday and though your writer got home in time to make calls, the flu bug hit her about that time too.

Lula Baty reports that she has found a set of keys that someone dropped on the east side of the Gilliland Baptist Church. A little sign on the key ring says "Mom's House Keys". Lula doesn't think it could have been there long because the sign was printed on a heavy paper material and had not deteriorated much despite being exposed to the weather.

The Gilliland volleyball tournament had a good turnout of teams and a good audience. Overall it was a success again.

Ila Mae and Paul Bullion went to Lubbock last Wednesday. Ila Mae presided at a meeting of the Colonial Dames of the Seventeenth Century. While in Lubbock they visited with Mr. and Mrs. W.C. McClurg and the Sam Bullion family. Saturday the Bullion brothers had a family gathering of the Sam Bullions, Ila Mae and Paul, Jack Bullion of Lubbock and Kelly and wife, Frankie, of Odessa at Sam's house. All four Bullion boys are making plans to come to the Truscott homecoming Labor Day weekend.

The annual community meeting was held last Monday at the community center. Plans for homecoming on the Saturday of Labor Day weekend were discussed. It was also agreed to replace the old gas cook stove and buy some new pans for the kitchen.

The Truscott Cemetery Association also met Monday night. The association agreed to pay for the worksheets which will be used for the Truscott cemetery in completing the county-wide cemetery survey.

The Knox County cemetery survey will be explained at a meeting in Benjamin Sunday, May 24, at 3 p.m. at the courthouse. Everyone is invited to attend.

Curtis Casey had a busy day last Friday. First of all he had breakfast at Vernon with Rev. George Garner and family of Lyon, Colorado. They were on their way to Dallas so that Rev. Garner could fill a speaking engagement and asked Curtis to meet them. His wife, Barbara, and two children, Grant and Ginger, were with the minister.

Friday night Mr. and Mrs. Elwood Hicks of Deer Park spent the night with Curtis. She is a cousin to Curtis but they had never met. Her husband is retired from NASA and they were traveling in their van to Utah. They traveled this way once before and had enjoyed a stay at Copper Breaks State Park north of Crowell. Since then they had made contact with Curtis and both cousins enjoyed getting acquainted.

Harold and Carrie Barry went to San Antonio last week for the funeral of his brother, Bill Barry.

USDA Seeking Comments On Conservation Program Changes

The public is invited to comment on proposed changes in the U.S. Department of Agriculture's National Conservation Program from April 4 through June 4, 1988, according to Harry W. Oneth, head of USDA's Soil Conservation Service programs in Texas.

"Changes in the National Conservation Program are being proposed which USDA officials feel are needed to reduce erosion levels on highly erodible land, help keep contaminants out of surface and subsurface water, and address other land and water resource conditions and trends," Oneth said.

"Public participation and cooperation are needed before a final program can be formulated. Comments from farmers, ranchers and others with an interest in agriculture or the environment are a cornerstone of conservation program development."

Oneth said that the National Conservation Program resulting from this process will guide USDA conservation policy and programs through 1997.

USDA made the proposals at the direction of the Soil and Water Resources Conservation Act (RCA) of 1977, which requires the Secretary of Agriculture to identify conservation needs through periodic appraisals of soil, water and related resources on nonfederal land. The second major RCA appraisal was reviewed by the public in 1987.

The second appraisal report states that the productive capacity of much U.S. agricultural land is not being maintained. It says that:

- *About 1.5 million acres of land are being removed from agricultural production each year;
- *Nearly half (41 percent, or 173 million acres) of cropland is eroding too fast to maintain long-term productivity.
- *A total of 10 percent of cropland and pastureland (57 million acres) is affected by salinity;
- *More than half of nonfederal rangeland (61 percent, or 250 million acres) is in less-than-good condition, and nine percent of the nation's pastureland is eroding excessively; and
- *Contamination of surface and subsurface water is a serious and

pervasive national problem. The appraisal reports moderate to severe pollution from sources such as urban runoff, mine drainage and agricultural lands in two-thirds of the states.

Oneth stated that the updated program proposes to mount a major attack on two basic interrelated resource problems that cause loss of productivity and environmental degradation -- erosion on the nation's agricultural land, especially critically eroding cropland, and contamination of surface and subsurface water.

"For the next several years our major erosion reduction efforts will be based on the Food Security Act of 1985 (the Farm Bill)," Oneth said. "This legislation authorizes several innovations in conservation programs to dramatically reduce soil loss from erosion during the next several years."

"Reducing contamination of surface and subsurface water will be done through research, data collection, information, education and assistance programs."

Oneth said that USDA wants to know what those interested in agriculture or the environment think about:

- *What the National Conservation Program priorities should be;
 - *The balance of Federal, state and local conservation responsibility; and
 - *USDA efforts as they relate to:
 - *Increasing assistance to small-scale, limited-resource and minority farmers;
 - *Research and analysis on alternative farming systems that may result in reducing chemical and fertilizer use;
 - *Linking USDA benefits to conservation programs; and
 - *Use and management of rangeland and forest land.
- Interested persons can review details of the USDA conservation program proposals in any SCS or Agricultural Stabilization and Conservation Service office. Written comments or suggestions on the proposals must be mailed by June 4 to SCS, 101 South Main, Temple, Texas 76501-7682.

Munday FHA'ers To Attend Conference

Representatives of the Munday Future Homemakers of America chapter will attend the 1988 state leadership conference along with 6,000 FHA members and advisors from Texas. The conference is set for April 22-23 at the Tarrant County Convention Center in Fort Worth.

Lynn Parker, incoming Region II vice president of programs; Angie Partridge, Region II winner of the senior illustrated talk competition and a participant in the state star event; and Holly Jackson, voting delegate, will represent the Munday FHA chapter. Lynn and Holly will assist in the job application interview on the state level.

Keynote speakers and presentations by members will highlight the conference. Interest sessions on leadership skills, employability and improvement and the nationwide problem of drunk driving will be held

along with competitive events. The business of the Texas Association will be conducted during the House of Delegates session. Recognition of the competitive events participants and installation of 1988-89 state officers will climax Saturday's activities. Officers elected through chapter participation in the state's five regions will be placed into office by a nominating committee. A newly elected president will receive the gavel from Demetra Baxter of Douglass, outgoing president.

Future Homemakers of America is an organization sponsored by the vocational home economics education division of the Texas Education Agency. Mrs. Judith A. Heatherly is director and Mrs. Sharon Reddell is state advisor. Local advisor is Mrs. Penny Winchester.

Laura Gray of Munday had surgery Wednesday in the Seymour hospital. She continues to be a patient there in room 3B. She would appreciate cards or calls to help make her hospital stay a little more pleasant.

In the city, I lived just 5 minutes from the store. I still do.

I have to admit . . . when Tom suggested we leave the city and buy a little land in the country, I had my doubts. Everything would be so far away, so inconvenient. Now, I know what convenience really is. It's having a five-minute, traffic-free drive to go pick up some bread. It's having friendly neighbors who aren't too close, but who are there when we need them. And it's having dependable electric power from our rural electric cooperative.

The co-op employees are good folks, too. Like our neighbors, they are there when we need them.

EXHIBIT I: ENVIRONMENTAL REQUIREMENTS

"The Farmers Home Administration (FmHA) has received an application for financial assistance from Rhineland Water Supply Corporation. The specific elements of this proposed action are to make improvements which include construction of a 64,000 gallon standpipe and distribution system to serve 91 meters, utilizing treated water to be purchased from the North Cental Texas Municipal Water Authority.

FmHA has assessed the potential environmental impacts of the proposed action and has determined that it will not significantly affect the quality of the human environment. Therefore, FmHA will not prepare an environmental impact statement for this project.

Any written comments regarding this determination should be provided within fifteen (15) days of this publication to Mr. Charles B. Hart, Community Programs Loan Officer, Farmers Home Administration, 101 South Main, Suite 102, Temple, Texas 76501, telephone: 817-774-1306."

FmHA will make no further decisions regarding this proposed action during this fifteen-day period. Requests to review the FmHA environmental assessment upon which this determination is based or to receive a copy of it should be directed to the above address. 30-2tc

Consumers Can Resolve Complaints

When you have a problem with a product or service, what do you do? Forget about it, complain to your friends or seek recourse? According to Bonnie L. Piernot, a consumer economics specialist, few people try to get satisfaction when they have a complaint.

"Unfortunately, consumers often believe their complaints won't be heard, or they don't know who to contact," she says. "In general, the best place to start is at the place where you bought the item or service. If you aren't satisfied with the response in a reasonable amount of time, however, don't give up, since you have other options for resolving the problem."

Piernot, who is a home economist with the Texas A&M University Agricultural Extension Service, says there are many sources available for resolving consumer complaints. The specialist notes that one of the best sources of assistance, the "Consumer's Resource Handbook," is published by the U.S. Office of Consumer Affairs and available free by writing the Consumer Information Center, Pueblo, Colorado 81009. *****

THANK YOU

You never really know just how wonderful friends are until you need them, and then they show their kindness in so many ways. Words can never express our thanks to the many friends in Knox County who have helped us during this difficult time. The cards, flowers and visits while Connie was in the hospital, the donations and especially the prayers made us feel that we weren't alone in our time of trouble, and the people who helped with the benefit dance and who bought cakes at the auction were greatly appreciated. Your support and encouragement will always be special memories for us.

Wayne, Connie and Brandon Melton

CARD OF THANKS

To the wonderful people of Munday we want to say a heartfelt thank you. The delicious food, phone calls, lovely cards, and prayers were deeply appreciated. Knowing you all care has been a comfort to us during a trying time. We appreciate your prayers and hope you will continue to remember us during the days of treatment that are ahead. May God bless each of you for your many kindnesses.

Elmer and Arlee Bruce
and family

THANK YOU

The many cards, flowers, memorials, food and especially prayers offered to us in the recent passing of our mother to be with Jesus have been wonderful.

Your acts of kindness to Mom and to us will always be a part of our treasured memories.

May God's peace and blessing abide with everyone who sent their support to our family in whatever manner. We love and appreciate you all.

The Family of
Grace E. Smith

NOTICE

The City Ordinance states that:

All dogs must be penned or on a leash.

The fact that they do, or do not, wear a collar and tag does not permit the owner to let these pets or strays roam the streets and run loose.

The owner of the dog or dogs may be issued a ticket if they fail to cooperate. Fines may range from \$1.00 to \$100.00.

Dogs impounded may be recovered by proof of ownership, paying an impounding fee of three dollars (\$3.00), and in addition a fee of five dollars (\$5.00) per day or portion of day animal is held. In addition, owner must tag and vaccinate dogs against rabies before they are released.

If ownership of dogs cannot be determined, they will be eliminated.
