Odd Bits Salvaged

"Old Knox County—she's hard to beat. It's a wonderful farming area."

That was a remark we heard from a comparatively new-comer. He hasn't been here but just about three years.

It came about as a closing remark to a conversation on the moisture situation.

We received our moisture—plenty of it—and more than was needed at the time.

Some had remarked that they were ready for it to let up for a while.

But we opined that we were not nearly so anxious for the rain to stop as we were for it to begin a few weeks ago.

We talked about that "poor old plains country."

Some of it has received rain, perhaps plenty. Other portions have gotten only sprinkles, while some portions have received a half inch in the past seven months.

And here, we've been blessed with around 12 inches during 1950.

Knox County is a wonderful country.

We got the moisture, as we said, and more than was needed to the time. We didn't get it as soon as we thought we needed it.

Wheat will be cut short. But there's still some pretty good wheat in this area. Take a look at some other sections and you will agree.

And preparations are going forward toward harvesting our wheat crop.

Nearly everywhere you see combines. New combines being assembled and made ready, used combines being repaired and put into shape.

Elevators being made ready. More storage facilities being added, yet there likely won't be anything like the wheat movement in this section as there was last year.

Tractors and equipment have also been put into shape, and with a drying spell, the old Knox Prairie will be a beehive of action.

Farmers will be starting the 1950 cotton and feed crops in earnest, looking forward to and working toward another harvest in this "wonderful country."

And speaking of rain, the height of something or other was on Wednesday of last week. A group from this area were in an important meeting to discuss further plans toward the consummation of the Bob Baskin Dam project.

As you know, the idea of the Bob Baskin Dam now is for irrigation purposes. A vast area of 30,000 acres would be irrigated by the project.

But while the group was talking and laying further plans, it was just pouring down rain! The meeting broke up, and most of the group got pretty well wet while making it to their automobiles.

But the irrigation project wouldn't be for this year, the year in which present rainfall was doing good. It's a plan for the future—for 50 years in the future—it might be a right likely plan.

And speaking of rain again, wouldn't we here in Munday have been in a fine shape if it hadn't been for our drainage ditch.

More water came through than the ditch could take care of. Water ran over the highway south of town. It backed up and flooded the area around (Continued on Last Page)

Architect's Conception Of New Church

New Methodist Church Is Third To Be Erected In This Community

(Editor's Note: The following article by Hamilton Wright appeared in the Abilene-Reporter News on Friday morning, May 12.)

The First Methodist Church is starting its third church since it was organized in 1900, according to the Rev. R. L. Butler, pastor.

The third attempt to provide needed space will be a \$150,000 Tennessee crab-orchard sandstone structure trimmed in Austin shell limestone. The new building will be L-shaped, 124 feet by 103 feet. It will be surrounded by a tapering tower which will enclose electronic bells.

The sanctuary or auditorium will be 40 by 70 feet, with emergency extension of 28 by 14 feet, with seating capacity of 350, including choir. The building will have 26 class rooms and 14 other rooms, including kitchen, nursery, study and secretarial office. The basement will contain kitchen and dining room.

An electric organ recently installed will be used in the new building. The auditorium will be air conditioned.

Dr. Butler said that between 130 and 140 tons of the Tennessee stone would be hauled in. Brick construction cost would have been \$1,134 less, but the congregation desired the imported rock. Steel rafters and steel columns have been included in the building structure.

C. O. Chromaster of Fort Worth is architect. Rea Brothers, Weatherford, has the general construction contract. The edifice is expected to be finished sometime in October. Contract calls for 160 working days.

The second church Monday Methodists built was erected in 1908 at a cost of around \$35,000. The structure was elegant for its day, commodious, and of attractive architectural design. The Rev. C. L. Cartwright was (Continued on Last Page)

Display Window Shows Grasses For Soil Conservation

As a highlight of Soil Conservation Week, Cobb's Department Store has devoted one of its show windows to the showing of various soil improving crops.

The window was arranged by members and officers of the soil conservation district.

It features various types of grasses adaptable to this area and shows the grasses as shown under excellent, good, fair, and poor conditions. In addition there are pictures of soil building crops which are being shown in this area.

The window is creating quite a bit of interest and should make Knox County people more conscious of the value of conserving the soil. A similar window has also been arranged at Knox City.

Local Students Win In Audition

Mrs. Al C. Williams had six winners in the National Guild of Piano Teacher's Audition held in Midwestern University in Wichita Falls, May 6th.

Gail Williams was highest, Jo Ann Winchester and Dianne Gaither tied next and Brenda Kay Gass, Lynda Gayle King and Carla Mae Booe were next. All made excellent.

Taking the children were Mrs. J. B. King, Mrs. Bill Gaither, Mrs. M. J. Gass, Mrs. Clovis Winchester and Mrs. Al Williams.

John C. Rice Announces For Justice Office

John C. Rice on Tuesday authorized the Munday Times to announce his candidacy for the office of Justice of the Peace of Precinct 6, which is the Munday precinct.

Mr. Rice, who is serving his first elective term, stated that, if elected, he will continue to perform the duties of this office to the best of his ability. He feels that his past experience in the office better qualifies him for another elective term.

Mr. Rice solicits the vote and influence of all qualified voters in the precinct.

Bond Drive To Continue Here Thru July 4th

The Savings Bonds Independence Drive, May 15-July 4, is getting under way in Knox County, and the county quota is expected to be met during this drive, since Drive is the U. S. Liberty by chairman, Nathan Adams of Dallas, chairman of the advisory committee for Texas, said:

"Your county's quota for the Independence Drive is \$27,800. All of the quota is in Series E bonds, in line with the Treasury's policy of selling more bonds to individuals."

The insignia for the Independence Drive is the U. S. Liberty Bell, which is encircled by the slogan: "Save for your independence—buy U. S. Savings Bonds!"

UNDERGOES SURGERY

Mrs. Rose Jones was admitted to the Wichita Falls clinic hospital on Thursday for surgery on Friday of last week. She is reported to be improving nicely.

Pictured above is the new First Methodist Church building in Munday, as made from the drawing of C. O. Chromaster, architect of Fort Worth, and

as it will look when complete.

All that remains of the old building now is a pile of rubble, and this is being cleared away. Work on the erection of

the new structure will begin in the near future, and the building is expected to be completed within a period of five or six months.

Postal Employees Meet Here Tuesday

The Munday group were host to members of the Brazos Valley Postal Employees Association in their regular meeting last Tuesday night. The meeting was held in the assembly room of the Production Credit Association.

Lee Haymes led a discussion on postal problems as pertaining to this area, and Mrs. Pearl Monke of Weinert gave a report on the postmasters convention held in Fort Worth last week.

Representatives were present from Stamford, Seymour, Knox City, Goree, Weinert and Munday.

Mrs. Wm. B. Payne Wins Radio In The Dairyland Contest

Mrs. William B. Payne, 928 Main Street, Munday, Texas, has been named winner of a table-model radio, as the result of her entry in the contest being sponsored by Goble's Dairyland, distributors of dairy products here.

Mrs. Payne is the first of three winners in this county. A second winner will be announced one week from today, and a third winner two weeks from today. Each of the three winners, in addition to the grocer named by the final winner, wins an identical prize—a Motorola Table-Model radio.

All persons are urged to submit entries now, in order to compete for the two radios yet to be given away, Dairyland announces. Instructions for entering the contest can be found in the Goble's Dairyland ad in this newspaper.

It is emphasized by the sponsors that four radios, including the one going to a grocer, will be given away in this county alone. Therefore, each entrant has an excellent chance of being a winner.

30 Seniors To Get Diplomas On Friday Night

Thirty members of the 1950 class of Munday High School will receive their diplomas in final graduation exercises which will be held Friday evening, May 19, at eight o'clock in the school auditorium.

The graduation exercises will feature only members of the class, as there will be no commencement speaker. Awards will be presented by E. B. Littlefield, and diplomas will be awarded by Supt. W. C. Cox. A large crowd is expected for this final exercise of the school term.

Members of the graduating class are: Joann Burgess, Margie Lou Campsey, Newana Goolsby, Marguerite Hammett, Maxine Henson, Colleen Jamison, Patricia Johnson, Wanna Johnson, Dorlee Johnston, Robbie Johnston, Joy Jones, Ilene McClaran, Betty Matthews, Woody Moore, Sarah Reed, Carolyn Stone, Berna Dean Suggs, Jo Ann Tackett, Wilma Tuggle, Betty Yost, Elvis Ray Davis, J. L. Ford, Alford Guinn, Leo Hill, Joe Mac Hill, Troy Lee Lowrance, Royce Reddell, Joe Stevens, Garon Tidwell and Bobby Winchester.

Dr. Ben Bowden, who is with the U. S. Navy in Florida, will begin working with Dr. D. C. Eiland in his office on July 15. Dr. and Mrs. Bowden will make their home in Munday.

Funeral For Mrs. Hutchins Is Held At Goree

Mrs. Irene Hutchins, well known and beloved resident of Goree, passed away on Thursday, May 11, following a period of illness.

She was born May 2, 1880, in Cleveland County, Ark., and was 70 years and 9 days of age. She was married to W. H. Hutchins in Bell County in 1908, and they came to Knox County in 1914, settling in the Goree area.

She was a Christian mother, having been converted in Arkansas some fifty years ago and uniting with the Baptist Church.

Five children survive her. They are Lewis and Elmer Hutchins of Goree, Mrs. Lloyd Jackson of National City, Calif.; Floyd Hutchins of Goree and Mrs. Bettie Spain of Megargel. Another son, Jessie, passed away April 15, 1923. She is also survived by four step-children, who are: Mrs. Belle Gun, Fort Worth; Rado Hutchins, Wilson, Texas; Mrs. Bud Dickerson, Grapevine and Harvie Hutchins, Fort Worth.

Funeral services were held from the First Baptist Church in Goree at three o'clock last Friday afternoon, being conducted by Rev. S. E. Stevenson, pastor. Burial was in the Goree cemetery by the Laningham Funeral Home.

Pallbearers were Johnnie Moore, Calvin Robinson, Elkin Warren, Arthur Howard, Bill Orsak, Homan McMahon, Marshall Gass and Dude Coffman.

Area Doctors In Meeting Here Tuesday Night

A meeting of the Tri-County Medical Association was held last Tuesday night at 7:30 in the Home Economics department of the Munday School. Hostesses for the social were Mrs. D. C. Eiland of Munday and Mrs. C. G. Markward of Rochester.

A dinner was served to the doctors from the three counties attending, Baylor, Knox and Haskell.

Guest speakers for the evening were Dr. Dan Gill of Dallas and Dr. Howard Heyer of Dallas. Dr. Gill talked on Surgical Treatment of Ulcers of the Stomach and Dr. Heyer discussed Disease of the Vessels of the Extremities.

The dinner was served by Miss Joy Kay Morton and Miss Ruthie Stodghill, both students of the homemaking class, to seventeen members present.

11 Graduates To Get Diplomas In Goree Exercises

Eleven graduates of Goree High School will receive their diplomas in the final graduation exercises on Friday evening, May 26, it was announced this week.

Honor graduates are Virginia Anne Arnold, valedictorian, and Douglas Allen Moore, salutatorian.

The baccalaureate service will be held on Sunday evening, May 21, at eight o'clock, with the Rev. S. Y. Allgood, pastor of the Goree Methodist Church, delivering the sermon.

Mr. A. W. Akins will deliver the address at the commencement exercises on Friday evening, May 26, and diplomas and awards will be presented by James C. Carver, principal of the school.

Both exercises will be held in the Goree school auditorium.

Seniors who will receive their diplomas are: Virginia Ann Arnold, Margaret Jean Bowman, Anna Joyce Brogden, Joel Lynn Coffman, Gypsy Lee Decker, Billy Dolan Moore, Douglas Allen Moore, Kenneth Roberts, Joyce Dean Weir, Margaret J. Williams, and Edith Rosetta Wilson.

4-H Club Girls Plan To Attend 4-H Encampment

The 4-H Club girls of Knox County have done a wonderful job in 4-H Club work this year. Their annual District III Encampment will be held at Leuders, June 5, 6 and 7. Four girls from each county, Motley, Haskell, Hardeman, Wilbarger, Archer, Childress, Collingsworth, Cottle, Wichita, and Knox and one adult leader from each county will attend.

Miss Allen, County Home Demonstration Agent, said that she would take four of the girls over 12 years of age who have done outstanding 4-H Club work this year.

Since Miss Allen was not familiar with the records of the girls she asked each of them who were 12 years old or older and were interested in going to district camp to write a story of their accomplishments in 4-H this year. Those submitting stories were: Burnidean Grant, of the Benjamin Club; Mary Joyce Jones, Goree; Vanta Mae Baty, Peggy Jo Cure, from the Gilliland club; Nellie Ruth Hamilton, from Sunset Club; Anita Thompson, Rowena Helms, Wanda McNulty, Carol Jones, Armita Thompson, Florence Reeves, Barbara Egenbacher, Shirley Leferve, from Knox City club; Deanna Carter, Janice Johnson, Shirley Patterson, Gene Anne Guinn from the Munday club.

NOTHING LEFT BUT THE MESS THEY MADE!

There's nothing left of the C. R. Elliott oil well but the mess they made to several acres of good farming land. The A. J. Bankhead No. 1 C. R. Elliott, south of town, has been abandoned at 5,448 feet with no show, and the rig has been moved away.

OUR NEEDS FOR 1950

1. Completion of our portion of the Throckmorton road, giving the farmers of that area an all-weather outlet.
2. A farm-to-market road to the north and east of Munday, possibly connecting with the Hefner road.
3. A U. S. Federal building. Munday needs a new post office home.
4. More homes in Munday. We did a good job in 1949, but there's still a housing shortage.
5. A new telephone system, giving the town adequate telephone service and tapping the rural area surrounding the town.
6. Greater cooperation of business man, farmer, and citizen toward long-range development for our community.

THE COUNTRY PRESS SAYS

VICTORVILLE, CALIF., NEWS-HERALD: "Are the people of this nation becoming plain, ordinary panhandlers—beggars from the government? Individuals, towns, cities and states have their hands out for Federal aid."

MORO, OREGON, SHERMAN COUNTY JOURNAL: "We have aided labor organization until they now have assumed some of the characteristics of the trusts of the first of this century. They prevent production and make necessary price increases for their own personal welfare."

INTERNATIONAL FALLS, MINN., DAILY JOURNAL: "More than 14,000,000 Americans have laid their savings on the line to buy big and little buildings, big and little machines, to turn out literally millions of food products. These people have worked and saved, and their savings are used to build America's production."

OSKALOOSA, IOWA, DAILY HERALD: "Out of the government suit against the A. & P. may come clarification of the antitrust laws so that they will be used to preserve competition but will not be used to destroy all of the great business organizations of this country which have done so much to give the American people the highest standard of living ever enjoyed by any people anywhere in the history of the world"

NEW ALBANY, INDIANA TRIBUNE: "France was neither the first nor the last to try to thrive by spending cheap money. Every nation trying the system believes it can be made to work, and ends by proving the contrary. New nations, new governments in old nations, are always learning the hard way. That the father may have had bad burns in the fire, teaches his baby nothing."

A classic of oratory is the "Babe of the Alamo" speech delivered in the Texas House of Representatives by Guy M. Bryan, many years ago.

I intended, Mr. Speaker, to be silent on this occasion, but silence would now be a reproach, when to speak is a duty. No one has raised a voice in behalf of this orphan child; several have spoken against her claim. I rise, Sir, in behalf of no common cause. Liberty was its foundation, heroism and martyrdom consecrated it. I speak for the orphan child of the Alamo.

No orphan children of fallen patriots can send a similar petition to this House—none save her can say, "I am a Child of the Alamo."

Well do I remember the consternation which spread throughout the land when the said tidings reached our ears that the Alamo had fallen! It was here that a gallant few, the bravest of the brave, threw themselves betwixt the enemy and the settlements, determined not to surrender nor retreat. They deemed that pledge with the forfeit of their lives—they fell, the chosen sacrifice to Texas freedom!

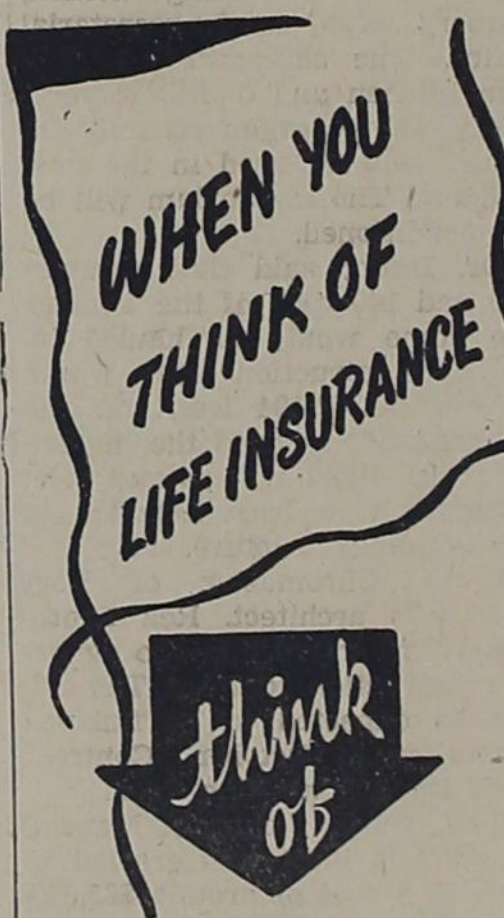

Texas, unappraised of the approach of the invader, was sleeping in fancied security when the gun of the Attila of the South was near. Infuriated at the resistance of Travis and his noble band, he marshaled his whole army beneath the walls, and rolled wave after wave of his hosts against those battlements of freedom. In vain he strove; the flag of liberty—the Lone Star of Texas—still streamed

out upon the breeze and floated proudly from the outer wall. Maddened and persistent, he reared his batteries and, after days of furious bombardment and repeated assaults, he took a blackened and ruined mass—the bloodstained walls of the Alamo. The noble, the martyred spirits of all of its gallant defenders had taken their flight to another fortress, not made with hands.

But for this stand at the Alamo, Texas would have been desolated to the Sabine. Sir, I ask this pittance, and for whom? For the only living witness, save the mother, of this awful tragedy—"This bloodiest picture in the book of time," the bravest act that ever swelled the annals of any country.

Grant the boon! She claims is as the Christian child of the Alamo—baptized in the blood of a Travis, a Bowie, a Crockett and a Bonham. To turn her away would be a shame! Give her what she asks, that she may be educated and become a worthy child of the State—that she may take that position in society to which she is entitled by the illustrious name of her martyred father—illustrious because he fell in the Alamo.

FARM PROGRAM NEWS

From the County PMA Committee

PREPARING LAND FOR A LONG JOURNEY

"Ever see a farmer fixing up his land for a long trip—a trip from which the land will not return?" says B. P. Haman, Secretary of the Knox County PMA Committee.

"If the land is to go by air the excess baggage must be kept down. There can be no sod or clods. The soil should be well pulverized. Soil particles must be prevented from grouping together. It should be dry and fine so that when a good wind comes along, the tiny particles can take off with a minimum of difficulty. If the land is to go the water route, it likewise should travel light. It's difficult—if not impossible—to transport any amount of soil that is loaded down with sod or tree roots.

"A finely pulverized soil—practically free of organic matter and humus—and not hindered by field strips or windbreaks—has priority for air travel. It is first in line when the winds come sweeping across the country.

"Likewise, pulverized soil with little or no vegetation cover, free of organic matter and with natural channels in the up-and-down furrows, is all set to leave with the next heavy rain."

In this indirect way Haman emphasizes the importance of

keeping land in condition to stay on the farm. "Heavy loss of topsoil by dust storms in some areas and by floods in others serve as a warning that constant protection through conservation practices is necessary to keep land from taking off."

"And," he points out, "soils which start on these air and water journeys travel on a one-way ticket—they do not come back."

CONSERVATION ACCOMPLISHMENTS

Soil and water conservation practices were carried out on 335 of Knox County farms under the 1949 Agricultural Conservation Program, according to Bennett Haman, Secretary of the County PMA Committee.

A report of accomplishments under the 1949 ACP for Knox County, shows that cooperating farmers carried out the following practices:

- Ridge type Terraces, 614,368 ft.
- Subsoiling ----- 2,130.6 acres
- Deep Plowing --- 12,781.9 acres
- Livestock Wells ----- 4
- Stock Dams ----- 10
- Prickly Pears ----- 971.5 acres
- Mesquite ----- 834.7 acres
- Winter Legumes----- 20,900 lbs.
- 20% Superphosphate, 325,600 lb ----- 325,600 lbs.
- Deferred Grazing --- 1500.0 acres
- Pastures seeded --- 160.5 acres

A total of 96,045.2 acres of cropland in Knox County was on farms participating in the program. This is about 40% of the total cropland in the county. Stressing the significance of these conservation accomplishments, the chairman says: "Not only is the agriculture in Knox County in better condition because of these conservation practices, but the business enterprises depending on the county's agriculture are direct beneficiaries."

A check-up of ACP operations in the county shows a total of \$50,806.24 is now going to Knox County farmers to help pay the cost of the practices. The farm-

ers themselves spent at least this amount and contributed all or most of the necessary work. The additional conservation work stimulated by the program cannot be estimated, says the secretary.

These are direct dividends that stem from the Agricultural Conservation program, he points out. "Not so direct and less easy to measure are, the soil that was prevented from washing and blowing away, the erosion which will not take place in the future, and the increased productivity of the land which will continue to bring returns for many years to come."

Boll Weevils Threaten 1950 Record Loss

Warning that boll weevil incidence in 1950 will be the highest in many, many years—possibly in history—the National Cotton Council is urging farmers to lay in a good supply of poison and get their equipment

Ramsey Announces For Lt. Governor

Ben Ramsey of San Augustine, backed by a long record of outstanding service in both the Texas House and Senate, has announced for Lieutenant Governor.

Ramsey resigned as secretary of state February 9 to prepare for the state race, convinced that the thinking people of Texas must take a more active interest in the actual operation of their state government.

Ramsey has been a leader in advancing rural electrification in the state and in the farm-to-market road program. (Political advertisement paid for by friends of Ben Ramsey.)

ready for a determined stand against insect pests.

The Cotton Council points out that the Cotton Insect Field Laboratory at Tallulah, La., found survival of 2200 out of the 3200 weevils per acre which went into hibernation there last fall. This year's count sets a new record. Even though 1949 cotton insect losses amounted to an estimated \$470,000,000, worst in 22 years, a greater loss is threatened this season.

1949 Weevil Count

At the beginning of the 1949 season the survival count at the Louisiana laboratory was 1700 weevils per acre, highest since the tests began. Ordinary survival runs from 50 to 1000 weevils per acre. Only on three occasions since 1936 has the spring survival exceeded 1000 weevils per acre.

In "Control Cotton Pests," a booklet summarizing 1950 insect control recommendations for each of 14 states in which pest damage is an important factor, the Cotton Council lists these points as a general guide for using insecticides:

1. Make early arrangements for enough insecticides for at least one application for your entire cotton crop.
2. Before infestation occurs, make definite arrangements for use of application equipment. If services of custom applicators are used, establish a definite schedule.
3. Follow cotton insect control recommendations for your state.

Other Recommendations

4. Keep abreast of the cotton insect population by making frequent field inspections. To make boll weevil infestations counts, walk diagonally across the field, gathering squares at random from top, middle and lower branches, until 100 are picked. The number of punctured squares is the percentage of infestation.

5. Remember that beginning control at the proper time, correct intervals between applications, and thoroughness of application are more important than

the insecticide used.

6. Adapt cotton insect control program to conditions on your individual farm.

7. Where feasible, use weather reports in conducting control programs.

Insect control is only one of the essential operations in efficient cotton production, the Council explains. Chemical and cultural control practices should complement each other. Damage from cotton pests is influenced by other farming practices such as: (1) proper land selection; (2) thorough soil preparation; (3) selection of the best adapted variety of cotton; (4) adequate fertilization and early harvesting; and (5) early stalk destruction and proper field cleanup.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

AUSTIN—State Health Officer Geo. W. Cox believes chronic diseases represent the biggest problem facing health officials today.

Recent statistics compiled by the Bureau of Vital Statistics, Texas State Department of Health, show:

1. One-third of all deaths among 15-29 year olds are due to chronic diseases, with tuberculosis being the leader.
2. "Well over half" the mortality in the 30-40 age group is due to chronic disease, with heart trouble, cancer and tuber-

culosis being the leaders.

3. "Almost 8 out of 10" deaths in the 45-59 bracket are caused by this disease classification, with the proportion rising to 85 percent for those 60 to 74 years old.

4. For those 75 and over chronic diseases cause 82 percent of the total mortality. The slight decrease in percentage over age 75 is because of the high susceptibility to accidents, pneumonia, and influenza among the aged.

The term, chronic, Dr. Cox explained, means the opposite of

acute. When applied to a disease, chronic means of long duration. That would mean cancer or tuberculosis is chronic, while smallpox or poliomyelitis is acute.

"The significant thing," Dr. Cox indicated, "is that the chronic disease classification cause one-third of all deaths among young people in the 15-29 age bracket."

"Obviously, that makes the teen ages the first age at which the diseases assume a major mortality role."

Knox Prairie Philosopher Offers His Farm For Use By The New United States Government Weed Bureau

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek won't get anywhere with his proposition this week, but that never seems to faze him.

Dear editor:
I was out here the other afternoon not doing a thing, every once in a while a man ought to spend some time not even pretending to be doing anything, when I noticed a calf jump sideways and beller and I wandered over near where it was and discovered it had been scared by a copy of the Fort Worth Press and since it's handy to have a newspaper in your hands in case your wife starts up a naggin conversation, I took it home with me and after supper if you want to call it that, and read where the Department of Agriculture is plannin on a new bureau to be known as the Bureau of Weeds.

As I understand it, the bureau will spend its time studyin weeds, their health and progress and the right way to get rid of em.

I am glad to see this progressive step, and was wonderin if you have enough influence with Congressman or Senator in Washington to line me up with a job as a consultant for this new department?

If there's anything I'm an authority on, it's weeds. Unlike some farmers who seem embarrassed at the sight of a weed on

their farm and spend a lifetime fightin the things when everybody knows there's about as many weeds now as there was when things started. I have learned long ago to accept weeds as part of nature, the same as politicians, high taxes, radio static, a naggin wife, a squallin baby, etc.

However, instead of them Washington agriculturists settin up an expensive plant up there to grow weeds, I will be glad to offer my farm as a experimental plot. This way I believe the government can save some money and time. I got every kind of weed they have in Washington, some they probably haven't heard of yet, and I believe I can grow em a lot cheaper.

I will be glad to rent the government my farm for use by its Weed Bureau.

Why don't you line up the Chamber of Commerce behind this project and let's bring this new bureau here?
Your faithfully,
J. A.

Katherine Bellinghausen Is Bride Of Bedrick Pavlicek, Jr., On Saturday

A scene of unusual beauty was the nuptial high mass celebrated in the St. Joseph's Church on Saturday, May 13th, to unite Miss Katherine Bellinghausen and Mr. Bedrick Pavlicek, Jr. in the holy bonds of matrimony. Rev. Fabian Diersing, O. S. B., directed the double ring ceremony.

Music for the wedding was provided by Mrs. Francis Albus, organist, and accompanied by the local choir. Also Mrs. Albus played the traditional wedding march and recessional.

The bride was a lovely picture in a gown of white slipper satin designed with a Peter Pan collar and covered buttons extending to the waist line. The full skirt extended into a long train. Her finger tip veil of illusion was attached to the bridal head-dress of white satin. She carried a white prayer book with a huge bouquet of white carnations. She completed her costume by observing the bridal rhyme of "something old, something new, something borrowed and something blue."

Miss Patsy Pavlicek, sister of the groom, attended the bride as maid of honor, while Miss Ilene Bellinghausen, sister of the bride, was bridesmaid. They were dressed identically in gowns of white shadow organ-dy over light green taffeta, styled with a fitted bodice and ballerina length circle skirt. Their head-dress was of matching color and they carried a bouquet of yellow carnations.

Henry Pribyla attended the groom as best man while Herbert Bellinghausen served as usher.

Immediately following the wedding, the young couple was honored at a reception held in the home of the bride's parents, Mr. and Mrs. H. L. Bellinghausen. The bride's table was covered with a lace table cloth and centered with a four-tiered wedding cake topped with a miniature bride and groom. Dinner was served to approximately forty guests. As the couple left for a wedding trip, the bride was wearing a white waffle pique dress with brown and white accessories. She wore a corsage of white carnations.

Mrs. Pavlicek is the daughter of Mr. and Mrs. H. L. Bellinghausen and attended the Rhineland High School. Mr. Pavlicek is the son of Mr. and Mrs. Bedrick Pavlicek of Bomarton. He is a graduate of Bomarton High School and is now employed in Fort Worth where they plan to establish residence.

Deaths from occupational accidents in 1949 totaled 15,000—about 6 percent fewer than in 1948, the National Safety Council says.

4-H Club Girls Entertained By Munday Ladies

In observance of National Home Demonstration Week, the Munday Home Demonstration ladies entertained the Munday and Goree 4-H Club girls and their mothers with a party Thursday, May 4th, at 4 o'clock in the Study Club House.

The Munday 4-H girls had charge of the program, telling what 4-H stands for and some of they work they are doing.

Games of merriment were enjoyed after which punch, cake squares, and mints were served. Plate favors were four leaf clover forms announcing the 4-H Dress Revue to be held at the American Legion Hall in Knox City, May 25th at 2 p. m.

Girls and their mothers attending from Goree were Johnnie and Billie Hutchens, Jacqueline and Mrs. Ruth Bates, Jerry Brooks, Patsy Claborn and Connie Haskins.

Those attending from Munday were Glenda Guffey and Mrs. R. A. Guffey, Janice and Mrs. A. L. Johnson, Gene Ann and Mrs. L. C. Guinn, Jr., Jacquetta and Mrs. J. E. Jackson, Shirley Guinn, Carolyn Bryan, Sue Norville, Bobbie Nance, Peggy Thigpen, Kay Sharp, Gloria Guffey, Gail Littlefield and Shirley Patterson and Gail Williams.

Mrs. Crockett Is Hostess For Little Girl Party Recently

Mrs. J. D. Crockett was hostess to the Number Eight Luncheon Club on Thursday, May 11, with a "School-day" party.

The guests were in school attire, little girl dresses, pretty hair ribbons, fancy handkerchiefs, pig tails and even one missing tooth caused much hilarity.

Dinner was announced with the ringing of a bell which had belonged to Mrs. Crockett's mother. Roll was called by using the maiden names of the pupils.

After dinner, a program of readings, spelling match, ciphering match, favorite songs, reminiscences and the song, "School Days", were very enjoyable. This was followed by games of "84".

Those enjoying this unusual event were: Mrs. W. E. Braly, Mrs. G. R. Eiland, Mrs. D. E. Holder, Mrs. H. F. Jungman, Mrs. Roy Maples, Mrs. A. H. Mitchell, Mrs. S. E. McStay, and Mrs. P. V. Williams.

Garden Conservation Is Discussed At Meeting May 11th

The Farmers Home Administration's Home Improvement, Garden and Food Conservation Committee of Baylor-Knox-Throckmorton Counties met in the home of Mr. and Mrs. Marvin H. Mansfield, Route 1, Munday, on Thursday afternoon, May 11th. Mrs. Elizabeth Hoffman, Assistant Home Management Specialist, who serves this west Texas area, demonstrated all the latest, approved methods for canning and freezing fruits, vegetables and meats.

Gardening and garden insect control measures were discussed by the group. Mrs. James A. Blankenship, Rt. 1, Seymour, who is Chairman of this Committee, reported that she has been serving three or more vegetables daily from their garden since the middle of April. She is ready now to begin canning English peas and pinto beans.

Mrs. Kyle B. Ritchie, Rt. 1, Vera, and Mrs. M. H. Mansfield and also others that attended reported that they have early and very productive gardens. Mrs. Willie B. Neighbors reported that a fine crop of fresh strawberries is being harvested from their garden.

Each family present stated they had, or would purchase, the 1 percent Rotenone, 20 percent Sabadillo and 10 percent Chloradone to be ready to combat and control various insects that try to destroy the garden vegetables.

Following the business session, Mrs. Mansfield served delicious home-made ice cream and cake to the following:

Mrs. Eugene N. Montandon, Rt. 1, Munday; Mrs. William H. Freeman, Rt. 1, Munday; Mrs. James A. Blankenship, Rt. 1, Seymour; Mrs. Willie B. Neighbors, Rt. 1, Box 32, Goree; Mrs. John E. Hunter, Rt. 1, Knox County; Mrs. Kyle B. Ritchie, Rt. 1, Vera; Mrs. Hoffman, and Mrs. Wilburn A. Satterwhite, County FHA Supervisor.

Senior Class Is Entertained With Party On Friday

The senior class of Munday High School was entertained with a class party last Friday night in the home of Miss Ilene McClaran.

The students, along with their sponsors and wives, enjoyed playing several different kinds of games and singing.

Delicious refreshments were served to the following: Bette Yost, Betty Matthews, Wanna Allen Johnson, Marguerite Hammett, Newana Goolsby, Burnadean Suggs, Margie Lou Campsey, Joy Jones, Robbie Wayne Johnston, Darlee Johnston, Max

Talent Shows To Be Feature Of Wheat Harvest Festival

Talent shows from a downtown bandstand in Wichita Falls will spice afternoon hours at the National Wheat Harvest Festival June 2-3.

A collection of entertainers from cities in the 65-county area will be presented for the enjoyment of those attending the festival. At the same time the cities represented in the shows will be included in the bandstand appearances and will intersperse their talents with those coming from distant points.

Complete informality will rule during these performances, and the object will be fun and entertainment for all.

Mr. and Mrs. John Goode of Goree recently returned from a trip on which they viewed several of the old colonial homes that were shown in the Natchez, Mississippi, pilgrimage. Around 250 Hear John Ben Shepperd Give Anti-Communistic Recipe Here

Around 250 persons attended the first annual American Legion banquet here last Friday night and heard John Ben Shepperd, newly appointed secretary of state, give a recipe for avoiding a communistic government in America.

After introductory remarks and the "cracking of jokes," Shepperd gave five fronts on which private citizens may guard against communism, which are: the home, the church, the school, civic responsibility, and public affairs.

Home should be a place where all the family meets and communicates, he said, and all members of the family should participate in the school program. Too many of us are using the home as a filling station—a place to get something to eat and change clothes.

Civic responsibility should be a personal matter of every citizen, he continued, and recommended that each person cooperate with and take active parts in the community's civic organizations.

Full participation in the affairs of the church was also emphasized by the speaker as another safeguard. He urged that each person take a part in community, state and national politics and support his candidate both before and after his election. In closing he said, "Wherever you are, whatever you do, do it honestly and do the best you can."

Senator George Moffett of Chillicothe was an honored guest at the dinner. Guests were also present from Gooee, Knox City, Benjamin, Haskell, Seymour, and Albuquerque, N. M.

The Legion sponsored Boy Scout Troop No. 76 of Munday attended the banquet in a body.

Gene W. Harrell acted as toastmaster. Rev. R. L. Butler, pastor of the First Methodist Church, delivered the invocation. Mayor W. R. Moore introduced the visitors. The speaker was introduced by J. C. Shockey, and the post chaplain, George Hammock, delivered the benediction.

Sunset School Students Visit Ft. Worth Firms

Eighteen students from the seventh and eighth grades of Sunset Consolidated School took an interesting trip to Fort Worth last week, where they saw the sights of the city on Saturday.

In the past, the school groups have visited Wichita Falls and nearby places, but this year Principal M. G. Hannaforde said they decided to visit Fort Worth.

Eight pupils missed the bus because they were unable to reach the school, due to high water and muddy roads. Heavy rains on Wednesday forced closing of the school on Thursday, and additional rains made the roads impassable.

The group, accompanied by Mr. Hannaforde in a school bus and Mrs. Moody Johnson and Mrs. T. V. Yost, visited Strippling's, Leonard's Department Store, the Star-Telegram building, TCU and Forest Park where they ate picnic lunches.

Pupils on the trip were Tommy Walling, president of the seventh grade; Mary Maude Hannaforde, president of the eighth grade; Minden Hannaforde, Charles Yost, Donald Hill, Jimmy Morgan, Larry Lain, Jack Hardin, Claude Hill, Wayne Butler, Tommy Carter, Shirley McAfee, Corrine Urbanczyk, Lois Michels, Johnny Matthews, Nell Johnson, Pat Walker and Roy Voyles.

The sightseeing trip in Fort Worth was arranged by J. C. Griffith, vice-president and treasurer of W. C. Strippling Company.

New TSCW Dining Hall Dedicated

Governor Allan Shivers delivered the dedication address May 12 at 1:30 p. m. for Hubbard Hall, new dining unit at Texas State College for Women in Denton. The \$1,500,000 structure of red brick is a 300 foot square, the equivalent of one city block, in the center of the

college campus. Named in honor of Dr. L. H. Hubbard, retiring president of TSCW, and in memory of his late wife, Bertha Altizer Hubbard, the hall contains four student dining rooms, each 60 by 100 feet, two banquet rooms, a cafeteria, store-rooms, bakery, meat shop, laundry, and large central kitchen.

The program was highlighted by the presentation of the champion potato award by Gov. Allen Shivers.

Easy Way with Fish

Wash and dry small whole fish or fish fillets. Dip in milk and then in crumbs mixed with salt and pepper. Arrange the fish in a greased rectangular porcelain enameled baking pan and dot with butter. Bake about 20 minutes in a hot oven. Put the porcelain enameled pan to soak during the dinner. Then wash with soapy water and there won't be a trace of lingering fish odor on the baking pan.

Colorful Potatoes

Scalloped potatoes are delicious and colorful when slices of carrots are mixed with the potato slices before baking. And for easy dishwashing, bake scalloped potatoes in a glossy porcelain enameled pudding or baking pan.

Mr. and Mrs. W. E. Braly spent the first of the week in Fort Worth, where they attended the bankers' convention.

John Ed Jones of Austin was here the first of this week, visiting with friends and attending to business matters.

"Save The Soil" Banquet Is Held Here Tuesday

Around 100 persons, farmers and their wives and business men and their wives, attended the "Save the Soil" banquet which was held Tuesday night at the Munday school lunch room.

The banquet, sponsored locally by the Community Development Association, was a part of the Wichita-Brazos Soil Conservation District's participation in soil conservation week. The banquet room was lined with pictures, maps, grasses and legumes showing various means of soil improvement.

Upon arrival guests received lapel corsages of vetch in bloom. Lunch was served by the ladies of the lunch room.

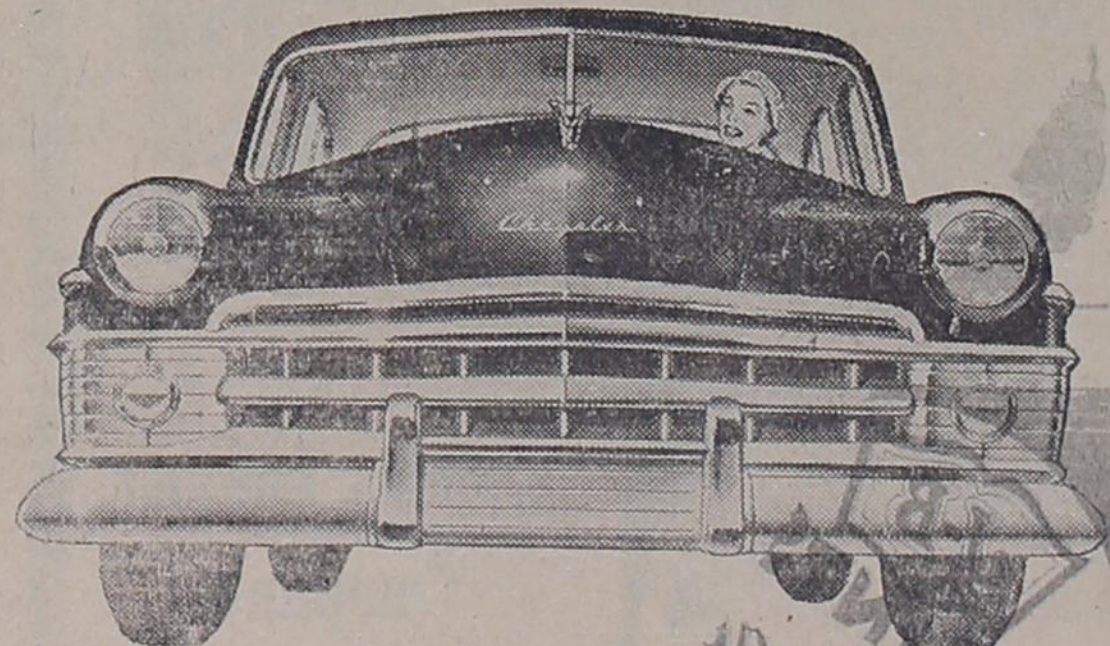

Clay F. Grove, one of the five district supervisors, acted as toastmaster. He called on F. P. Mika of Seymour, District 3 conservationist, who told of the soil building and conservation practices being carried on over the 700,000 acres embraced in the district. These practices include contouring, terracing and the planting of grasses and legumes to increase the fertility of the soil.

W. E. Braly, local banker, spoke on behalf of the business interests, giving the value of soil conservation. "If any business survives," he said, "it is because the farmer survives and prospers."

At nine o'clock, the group tuned in on a radio program at Houston in which soil conservation practices were discussed.

Plans Set For Demonstration On Cattle Grading

A highlight of the program for the annual State 4-H Club Round Up and Extension Service Conference to be held at Texas A. & M. College from June 12-16, will be grading demonstrations involving slaughter steers, calves and carcasses. According to A. L. Smith, extension animal husbandman and chairman of the committee on arrangements of Texas A. & M. College, final plans have been made for the demonstration.

The slaughter cattle and calves will be graded on June 12 at 4 p. m. at the new beef cattle center, Tom Bruce, correlation grading specialist of the Production and Marketing Administration, U. S. D. A., will do the official grading. He will use in the demonstration at least two animals of each market grade. One animal in each grade will be slaughtered immediately following the demonstration.

The carcasses, according to Smith, will be graded by Fred Beard, head of the Marketing and Grading Division, at another demonstration on June 14, which is to be held in the lecture room of the Animal Industry

Building on the A. & M. campus.

Smith says these demonstrations are expected to give the county agricultural agents and assistants and the other invited participants a closer insight into slaughter cattle and calf grading by showing both live and carcass grades on the same animal.

Serving on the arrangements committee are U. D. Thompson, assistant extension animal husbandman, Roy W. Snyder, extension meats specialist, and J. K. Riggs and O. D. Butler, professors in the animal husbandry department of Texas A. & M. College.

TAKE NOTICE that an election will be held on the 3rd day of June, 1950, within COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS, to determine if said Precinct shall issue bonds, and if an annual ad valorem tax shall be levied annually on all taxable property within said Precinct sufficient to pay the bonds at maturity, and to pay the annual interest thereon, in pursuance of an ELECTION ORDER made and entered by the Commissioners' Court of Knox County, Texas, on the 27th day of April 1950, and which order is in words and figures as follows, to-wit:

ORDER OF THE COMMISSIONERS' COURT ORDERING BOND ELECTION TO BE HELD IN SAID COMMISSIONERS' PRECINCT NO. 3, OF KNOX COUNTY, TEXAS: THE STATE OF TEXAS COUNTY OF KNOX

ON THIS, the 27th day of April, 1950, the Commissioners' Court of Knox County, Texas, convened in special session, there being present and in attendance the following members of the Court, at the regular meeting place thereof in the Courthouse at Benjamin, Texas, to-wit:

- J. B. EUBANK, JR., COUNTY JUDGE,
- G. L. KNIGHT, COMMISSIONER, Precinct No. 1;
- L. A. PARKER, COMMISSIONER, Precinct No. 2;
- C. A. BULLION, COMMISSIONER, Precinct No. 3;
- GEORGE NIX, COMMISSIONER, Precinct No. 4;

and, among other proceedings had, were the following: There came on to be heard and considered the petition signed by more than fifty (50) of the resident property taxpaying voters of COMMISSIONERS' Precinct Number 3, of Knox County, Texas, praying this Court for an order for an election to determine the following proposition:

"WHETHER OR NOT the bonds of COMMISSIONERS' PRECINCT NUMBER 3, a political subdivision of KNOX COUNTY, TEXAS, shall be issued in the total sum of \$35,000, for the purpose of constructing, maintaining and operating, macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Commissioners' Precinct Number 3, of Knox County, Texas, and which bonds are to bear interest at a rate not exceeding 3% per annum and are to be payable at such times as may be deemed most expedient by the Commissioners' Court; but not to exceed twelve (12) years from the date thereof; and whether or not ad valorem taxes shall be levied on all taxable property within the said Precinct for the purpose of paying the interest on the said bonds and providing a sinking fund for the redemption or payment thereof at maturity."

AND IT APPEARING to the Court that said petition was presented to the Court, and filed with the Court, on the 10th day of April, 1950, and that it is duly signed by more than fifty (50) resident qualified property taxpaying voters of said Commissioners' Precinct Number 3, of Knox County, Texas; and

IT FURTHER APPEARING to the Court that on said date, to-wit: April 10, 1950, by order duly passed and entered of record, this Court set said petition down for hearing before the Commissioners' Court, at a session thereof to be held in the Commissioners' Court Room in the Courthouse in the City of Benjamin, Texas, on the 27th day of April, 1950, at 10:00 o'clock, A. M., which was not less than fifteen (15) nor more than thirty (30) days from the date of the aforesaid order setting such petition down for hearing; and

IT FURTHER APPEARING to the Court, from the evidence submitted, that notice of this hearing was thereupon given by the County Clerk in the time and manner required by law, and which notice informed all persons concerned of the time and place of such hearing, and of their right to appear at such

hearing and contend for or protest the ordering of such bond election, and further, that the aforesaid notice also stated the amount of the bonds proposed to be issued, and described the boundaries of said Commissioners' Precinct as such boundaries are described and defined in the order of this Court re-defining and re-establishing the boundaries of said Commissioners' Precinct Number 3, passed and adopted on the 24th day of August, 1903, of record in Volume 2, Page 319, et seq., of the Minutes of the Commissioners' Court of Knox County, Texas; and

IT FURTHER APPEARING to the Court, and the Court so finds from the evidence submitted, that the Clerk of this Court, pursuant to the order setting said Petition down for hearing, posted and published the notices of such hearing in the time and manner required by law; that is to say—

(a) The County Clerk and Ex-Officio Clerk of the Commissioners' Court of Knox County, Texas, executed said notice by posting true copies thereof in the following three public places within COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS, to-wit:

ONE COPY on Post, front of New's Service Station, Gilliland, Texas,
ONE COPY on Post in front of Cafe, Truscott, Texas.
ONE COPY on post in front, or corner Bates Grocery, Truscott, Texas

(b) That the said County Clerk also posted a true copy of such notice at the door of the County Courthouse of Knox County, in the City of Benjamin, Texas.

(c) That each and all of the three copies of the notice of hearing were posted by the County Clerk at the three public places in said Commissioners' Precinct above described, on the 11th day of April, 1950; that each of said places was a public place in said Commissioners' Precinct; that each of the notices posted at said places was posted in a conspicuous position; that each of said places was accessible to the public; and that each of said notices so posted at each of said places was posted so as to be easily visible to the public;

(d) That the copy of the notice of this hearing, posted by the County Clerk at the Courthouse door, as aforesaid, was posted on the 11th day of May, 1950, and that such notice was posted at said place so as to be easily visible to the public, and

(e) That the said County Clerk also caused said notice of hearing to be published in THE MUNDAY TIMES, which is a newspaper of general circulation in Commissioners' Precinct Number 3 of Knox County, Texas, and published in said Precinct in the City of Munday, Texas, and which said notice was published in said newspaper on the 13th day of April, 1950, which date was at least five (5) days prior to hearing set for the consideration of such petition.

AND WHEREAS, on this the 27th day of April, 1950, and be-

ing the date set for hearing said petition, the said petition came on to be heard and considered in regular order; and

WHEREAS, it appearing to the Court that if said bonds are voted and issued, the money received from the sale thereof will be applied to the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Knox County, Texas, Commissioners' Precinct Number 3; and

WHEREAS, it appearing to the Court from evidence submitted that the amount of \$38,000 will be needed for the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, within said Commissioners' Precinct; and

WHEREAS, IT APPEARING TO THE COURT that it is necessary and desirable to increase the amount of the proposed bonds to be issued to the sum of \$38,000;

NOW, THEREFORE, on this the 27th day of April, 1950, the Commissioners' Court of Knox County, Texas, in special session, as aforesaid, by reason of investigations carefully made, and from all facts found and evidence submitted at such hearing, finds, and IT IS THE ORDER AND JUDGMENT OF THIS COURT:

(1) That the petition for said bond election is signed by more than fifty (50) of the resident qualified property taxpaying voters of COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS, and who had duly rendered their property for taxation.

(2) That due notice of the hearing had on such petition has been issued, made and given in the time and form and manner required by law.

(3) That it is necessary and desirable to change the amount of bonds proposed to be issued to the amount of \$38,000.

(4) That the proposed improvements will be for the benefit of all taxable property situated within the boundaries of said COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS.

IT IS, THEREFORE, FURTHER CONSIDERED AND FOUND BY THE COMMISSIONERS' COURT OF KNOX COUNTY, TEXAS:

I. That an election shall be and is hereby ordered to be held within COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS, on the 3rd day of June, 1950, and which date is not less than thirty (30) days from the date of this order, at which election the following proposition shall be submitted:

"WHETHER OR NOT the bonds of COMMISSIONERS' PRECINCT NUMBER 3, a political subdivision of KNOX COUNTY, TEXAS, shall be issued in the total principal sum of \$38,000, for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Commissioners' Precinct Number 3 of Knox County, Texas, and which bonds are to bear interest at a rate not exceeding 3% per annum,

and are to be payable at such times as may be deemed most expedient by the Commissioners' Court, but not to exceed twelve (12) years from the date thereof; and whether or not ad valorem taxes shall be levied on all taxable property within the said Precinct for the purpose of paying the interest on the said bonds and providing a sinking fund for the redemption or payment thereof at maturity."

II. IT IS FURTHER ORDERED that said election shall be held under the provisions of the laws of the State of Texas, particularly Chapter 16, of the General Laws of the State of Texas, passed by the Thirty-sixth Legislature, at its First Called Session in 1926, and amendments thereto.

III. IT IS FURTHER ORDERED that all persons who are legally qualified voters of this State, and of this County, and who are resident property taxpaying voters in COMMISSIONERS' PRECINCT NUMBER 3, OF KNOX COUNTY, TEXAS, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

IV. IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 357, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following proposition:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF," "AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

V. The polling places and the officials of said election shall be as follows:
Voting Box 2—Polling Place, at Caram Bldg., Truscott, Texas; Election Officials: J. C. Black, Presiding Judge; J. G. Adcock and J. C. Browder, Clerks.
Voting Box 3—At Schoolhouse, Gilliland, Texas; A. T. Brumley, Presiding Judge; Arnold Navratil and W. T. Cook, Clerks.

VI. IT IS FURTHER ORDERED that the manner of holding such election and canvassing and making returns thereof, shall be governed by the General Laws of the State of Texas, when not in conflict with the

provisions of Chapter 16, of the General Laws passed by the Thirty-ninth Legislature at its Called Session in 1926, and amendments thereto.

VII. IT IS FURTHER ORDERED that notice of said election shall be given by publication of a copy of this order in THE MUNDAY TIMES, a newspaper published and having a general circulation in COMMISSIONERS' PRECINCT NUMBER 3, for three successive weeks before the date of said election, and, in addition thereto, there shall be posted other copies of this order at three public places in said COMMISSIONERS' PRECINCT NUMBER 3, and also at the door of the County Courthouse in the City of Benjamin, Texas, and all of which notices shall be posted for three consecutive weeks prior to said election.

The County Clerk is hereby authorized, ordered and directed to post and publish notices of said election as hereinafter directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by this Court. The duties herein imposed upon the Clerk may be performed by said Clerk or by Deputy, as provided by law for other similar duties.

The above order having been read, it was moved by Commissioner Bullion, and seconded by Commissioner Parker that it be passed. Whereupon, the question being called for, the following members of the Court voted "AYE": Commissioners Knight, Parker, Bullion and Nix; and none voted "NO".

WITNESS THE SIGNATURES OF THE MEMBERS OF THE COMMISSIONERS' COURT OF KNOX COUNTY, TEXAS, this the 27th day of April, 1950.

exas Rivers And Streams Produce Abundance Of Sports For Fishermen

AUSTIN—An Iowa man wrote his postal card to the Game, Fish and Oyster Commission: "Dear Sir: Just read an article in SPORTS AFIELD about fishing won Texas way, near our town to be exact. Is this another way to get us to really spend our money or is it really a fact? Let me know what the situation is. I might send me some fish laws, please."

The article to which he referred excitedly presented "a terse, pertinent message" sending its electrifying import to more than 20,000 fishermen throughout the nation, creating a state of delicious excitement among them. His particular reference was to the spring run of "mammoth yellow cats" in "the most famous fishing hole in Texas—the Colorado River midway between the Buchanan and Marshall Ford dams which are northwest of Austin."

The facts are that Texas has excellent catfish angling and

that there are many good spots in addition to the excellent area on the Colorado.

Among the places having good catfish prospects, keeping in mind that practically all Texas rivers and streams have produced good fishing over the years, are:

Lake Corpus Christi, an artificial lake, about 30 miles up the Neches River from Corpus Christi;

A thirty mile stretch of the Trinity River from Anahuac to Liberty where the cats exist in such quantity that commercial fishermen make enormous hauls;

The first fifteen miles from the mouth of the Guadalupe River near Victoria;

Up river from the mouth of the Brazos River near Freeport.

There are many other good catfish grounds, including some on the Mexican border waters of the Rio Grande, and artificial lakes like Texoma on the Texas-

pastor. The large structure now is being razed and the site will be occupied by the new structure.

Stained glass and memorial windows will be transferred to the new structure. Brick in the old building will also be used in

the rear walls of the new edifice.

The Methodist church was organized in 1900 by a Rev. Lovelady. At least two charter members still live. They are Mrs. Terry Clark, Benjamin; Mrs. W. A. Earnest, Rule, Dr. J. H. Wiseman was presiding elder at the time. Munday then was in the Vernon District. The Rev. J. D. Young succeeded Mr. Lovelady.

FIRST BUILDING IN 1903

The wooden structure that served for the first church was built in 1903 by the Rev. Ed R. Wallace. Before its erection, Methodists worshipped in a local school house. At the time Munday consisted of a general mercantile establishment and a blacksmith shop. In the new edifice two chapters will be named for Thorp and Union Chapel Churches, merged with the Munday church.

W. R. Moore, Sr. is chairman of the building committee. Other members are Oates Golden, Chester Borden, J. C. Harpham, Judge M. F. Billingsley, J. A. Caughran. Moulton Wiggins is chairman of the official board of the church. Trustees are J. C. Campbell, Golden and Borden.

On the cornerstone of the church now being dismantled, appears the inscription: "First Methodist Church, Rev. C. L. Cartwright, pastor. Building Committee: A. F. Huskinson, J. T. Lee, W. A. Baker, N. L. Newsum, W. A. Earnest, J. R. Smith, John J. Switzer 1903."
