Stray Dogs Problem in Muleshoe Area

Dog Ordinance Provides Fines And Penalties

John Stangle Still Missing

John Stangle, 23, eighth grade math teacher at Muleshoe Junior High School, is still officially listed as missing, after he disappeared from the school shortly after lunch Monday.

Stangle and J.B. Smith, junior high school art teacher, had eaten lunch at a local drug store and returned to the school. Stangle told Smith he was going to work on his grade books during the first period after lunch, which was an 'off' period for him.

That was the last reported time anyone saw him around the school.

Brian Maconi, another teacher at the school, who was Stangle's roommate, told investigating officers that the only thing he can find missing from the apartment they shared is a pair of levis and a pair of boots. Also missing is a three or four year old Datsun pickup which Stangle drove. The pickup is red and has New Mexico license tags.

Bailey County Sheriff D.E. Clements and his deputies began an investigation into the disappearance of the teacher Monday afternoon, but at present, he had not been located.

Stangle is a native of Portales and attended Notre Dame for a year before graduating recently from Eastern New Mexico University at Portales. His father is head of the business education department at Eastern.

Late Thursday afternoon, the sheriff from Panhandle telephoned the local city police department and told the dispatcher that on Tuesday afternoon at 6:30 p.m., a pickup similar to the one Stangle owned was seen parked on a side road six miles from Panhandle. He said that a young man was seen sitting in the pickup with both doors open and appeared to be either reading a newspaper or a book.

This lead seems to have not worked out as no further word has been heard from the Panhandle sheriff. He said he would check the town and the area and tell officers immediately should he locate either the pickup or the missing teacher.

around muleshoe with the journal staff

Visiting in the home of Mrs. A.M. Bradley and Sam Bradley, recently were Willis Montgomery of Colliage, Ariz., and Ruth Ray of Mojave, Calif.

Mr. and Mrs. Phillip Brockman visited last weekend in Nazareth, Tex. They visited in the home of Mr. Clarence Shulte and Mrs. Agnes Brockman.

Mr. and Mrs. A.B. Harris visited in the home of Mr. and Mrs. Troy Harris last weekend. The Troy Harris' are residents of Artesia, N.M.

Mike Bryant, son of Mr. and Mrs. Russell Bryant, is visiting home this weekend from college. Mike is a junior student at Texas Tech.

Mrs. Octavia Jenkins of Baton Rouge, La., returned home recently after a ten day visit in the home of Mr. and Mrs. L. Byrd.

Mr. and Mrs. Calvin Calvert and their son, Lee, visited in Amarillo last weekend. They were guests in the home of Mr. and Mrs. J.C. Graham.

David Davis, freshman student of West Texas University of Canyon, visited home last weekend.

Mr. and Mrs. Danny Gunstream expect to leave the latter part of October for Little Rock, Ark. He will be employed by the Delta Securities, Inc., an investment banking firm. Danny was discharged from the Navy October 7.

Mrs. Dee Clements had a pin removed from her ankle at Methodist Hospital Wednesday. She returned to her home Friday afternoon. Mrs. Clements is doing fine but will be confined to crutches again for awhile.

Mr. and Mrs. James Williams, Rance and Jennifer, will

Dogs... dogs... dogs... hundreds of dogs... are creating quite a problem in Muleshoe these days.

City Manager Albert Field said there are apparently several hundred stray dogs roaming the streets and alleys of Muleshoe and leaving chaos in their wake. Calls come in daily from irate citizens who have had messed up yards, turned over garbage containers and children snarped at by these dogs.

If you are up early, before daylight, you can see these roaming in packs in different areas of the town.

The Muleshoe City Police Department, hardpressed to handle the dog calls, in addition to its regular duties, is currently in a drive to pick up the dogs when calls come in. Muleshoe has no regular dog catcher so it falls the lot of the uniformed city officer to act as dog catcher.

Muleshoe city councilmen, in 1967, enacted a specific ordinance to deal with the dog problem. The ordinance states in part:

"No person shall own, keep or harbor any dog within the City Limits unless such dog is licensed as herein provided. Written application for such license shall be made to the City Secretary, or such agent or representative as shall be designated by the City Secretary, upon forms to be furnished by him, and shall state

Bill Ellis New Owner Friona Star

Bill Ellis, a native of Muleshoe, who graduated from Muleshoe High School in 1955, has announced the purchase of the Friona Star this week.

Ellis has been with the Star since 1962. He was editor, and since September 1955 has been editor and manager.

He received his journalism degree from Texas Technological College in 1960 and spent 18 months with the San Mateo Times before moving to Friona.

Brown, a farmer/businessman, is a native of Hartley County and was educated in Hartley Schools.

He served for three years on active duty in the U.S. Navy and spent 23 years in the active reserve.

Brown is opposing Republican Bob Price.

UNITED FUND SPEAKER AND OFFICERS—Jack Seaman, center, was guest speaker and instructor at the United Fund kickoff dinner held Thursday night at the First Methodist Church Fellowship Hall. Pictured with Seaman are Robert Alford, left, campaign chairman and Roy Whitt, right, president of the Muleshoe Area United Fund.

Lazbuddie 'Horns Win Fifth Game

Trailing at halftime 13-12 didn't set too well with Coach Pat Casey's Lazbuddie Longhorns, so they roared back in the second half to take the Amherst Bulldogs by a final score of 45-19 in football action in Class B Friday night in Amherst.

Lazbuddie drew first blood in the game in an 81-yard drive which took six minutes before Derrell Matthews plunged over from the three-yard line for a TD. The extra point failed.

Amherst scored with 3:02 on the clock in the first when fullback Willie Moore made a 22-yard TD run and the extra point was good.

In the second, Troy Steinbock scored from one-yard out to go ahead following an 80-yard drive downfield to Bulldog territory, and the extra point failed.

With 1:31 to go in the first half, Amherst pulled ahead on a one-yard run by quarterback Royce McAdams to go ahead at halftime, 13-12.

Willie Moore iced the cake real good for awhile when just after resuming play after halftime, he made a 93 yard kickoff return for the next Bulldog TD. Monte Barnes blocked the kick. The score stood at 19-12.

Going into the third, the Longhorns returned the kickoff 13 yards to their own 19 yard line and began a march downfield, picking up 15 or 16 yards a carry. A penalty of 15 yards set the players back but they came back to make the first down and a couple of plays later Troy Steinbock scored from 13 yards out. Seven minutes on the clock in the third

Weather

Br-r-r... it's that time again. Holding to tradition, Muleshoe and its surrounding area got its first freeze on the night of October 17, when the temperature dipped just below the 33 degree mark to 29 frosty degrees.

Tell-tale marks were left on vegetation in the area as some vegetables wilted and the plants turned black after the low.

First freeze of 1967 was also recorded on October 17, when the thermometer dipped to 30 degrees.

All Spooks, Goblins, Witches To Gather

To all spooks and goblins... want to be in a parade? You can be... and at the same time compete for cash prizes for best costumes.

A gala Halloween parade will be presented by the Business Activities Committee of the Muleshoe Chamber of Commerce on Saturday afternoon, October 26 at 2 p.m.

The parade will start from the parking lot of the Muleshoe State Bank.

The rules are quite simple: Children through the eighth grade are eligible to compete; There will be three divisions of competition: "Scariest Costume," "Funniest Costume" and "Most Original." There will be three cash awards in each division.

First prize is \$5, second prize \$3, and third prize \$2. No bicycles, animals or wheeled vehicles will be allowed in the parade this year and entrants must be present at the parking lot behind the Muleshoe State Bank promptly at 2 p.m. with entry forms filled out and signed by a parent before entering.

So come on out, all you spooks, witches and goblins, join the fun parade on October 26.

This is only one of several upcoming activities for fun and entertainment in the Muleshoe area.

MHS Students Entertained Administration

The Administrators Association of Bailey, Cochran, Hockley, Terry and Yoakum counties met in Texas Hall on the Campus of South Plains Junior College, Levelland, Wednesday, October 16 at 6:15 p.m.

After the dinner, a group of Muleshoe High School students known as "The Folk Singers" sang three numbers: "The Hangman's Song," "Vision of Sugar Plums" and "California Dreamin'." Ray Sanchez, Waid Griffin, Leland Ferris, Rebecca Phelps, Renee Dyer and Sheryl Mason composed the group.

A professor of sociology at South Plains, Dr. Lewis, spoke to the educators.

Ralph Stevenson, Bill Taylor and Mrs. John Watson from Muleshoe attended this area meeting.

Guest Speaker Gives Spark to Workers

United Fund of Muleshoe was kicked off Thursday night with a dinner meeting held at the First Methodist Church Fellowship Hall.

Girl Scouts from Troops 89 and 288 served the evening meal. These poised, capable young ladies are under the leadership of Marsha Rasco and Evelyn Harris. The Muleshoe Neighborhood of Girl Scouts and Girl Scouts of America Caprock Council are participating agencies who benefit from the annual United Fund Campaign, along with fourteen other local and state agencies.

Roy Whitt, president of the Muleshoe and Bailey County United Fund was master of ceremonies for the evening and introduced guest speaker, Jack Seaman.

Seaman, who is area manager of Northern Natural Gas Co. in Midland, is president of the Midland United Fund; past campaign chairman for Midland; one of the originators of United Fund in Midland and a director of the Texas United Fund.

He said "I am here to provide you the stimulant and motivation to conduct your campaign."

"There is no simple formula or panacea for a campaign of this type as most people believe the drive to raise the funds is primarily for charity and hardship cases," he continued, "however United Fund agencies are not charity agencies."

"We have an excellent demonstration tonight by the Girl Scouts who are serving this group," he pointed out, "most of the United Fund is used primarily for youth groups."

"One of the major platforms today in the political picture is the rising incidence of crime and juvenile delinquency," he continued, "and with several youth organizations served by the United Fund in your own area, it is one of the strongest organizations provided for youth recreation and development."

Commenting on the fact that Muleshoe is presently in a growth stage, he added "Muleshoe wants to attract new industry and business."

"One principal consideration given to local concerns is the local attitude and spirit. They notice the town that year after year fails to reach their goal."

When United Fund was organized in 1963, the goal was \$13,000. Seventy percent over that goal was raised with \$22,000, in 1964, with a goal of \$15,250, it was raised with 27.4 percent over the goal; 1965, the goal was again 26 percent over the set amount of \$16,821; 1966, the goal of \$13,969 was barely met and in 1967, only 82.4 percent of the \$16,191 goal was reached. For 1968, United Fund has set a goal of \$16,400 to meet requirements of the 16 agencies it serves.

Robert Alford is local vice president and campaign chairman of the United Fund for 1968. Local division chairman are M.D. Gundrum and W.Q. Casey, advance gifts; Robert Hooten, commercial division; Don Chak, professional division; Don Hempt, employees division; W.M. Pool Jr., city citizen.

Cont'l. on Page 10, Col. 5

Young People For Bob Price Organize Here

A young group of Muleshoe High School students have organized a group called "Young People Representing Bob Price for Congress."

Ed Mason, who was named chairman of the group told the Journal, "We believe Bob Price is the most qualified for the job because of his voting record. It is 95 percent conservative."

"His congressional attendance was 96 percent at the first session and 97 percent in the second session."

"He is also, we believe, representing our district best because he is aware of the problems and our agricultural needs. He is affiliated with the agricultural department in government."

"For these reasons, we have organized the Young People for Bob Price and we are actively campaigning for him."

Mason said Tim Toles of Pampa, Young People for Bob Price chairman in that area, had telephoned him Sunday night

Cont'l. on Page 10, Col. 7

ABSENTEE BALLOTS—Deputy County Clerk Pauletta Crawford shows one of the 63 absentee ballot requests received by Friday noon in the County Clerk's office. County Clerk Hazel Gilbreath and her deputies are processing the requests and sending ballots to fill requests. Many of the requests are from servicemen who are allowed to vote absentee for the first time.

Ed Mason

Dogs...

Cont'l. from Page 1

the name and address of the owner and the name, breed, color, age and sex of the dog. The license fee shall be paid at the time of making application, a numbered receipt given to the applicant, and a numbered metallic tag shall be issued to the owner.

"The owner shall provide each dog with a choke chain, collar or harness which shall be worn by the dog at all times. Each owner shall keep the license tag and vaccination tag securely fastened to the dog's choke chain, collar or harness.

"Unlicensed animals found running at large shall be taken

up by the Chief of Police or his representative, and impounded in a suitable animal shelter, which shall be under the control of the Chief of Police. If the animal is unlicensed or untagged, it shall be confined for a period of three (3) days, and thereafter disposed of. Licensed animals found running at large shall be taken up by the Chief of Police or his representative, and confined in a suitable animal shelter for a period of not less than three (3) days, and may thereafter be disposed of, if not claimed by their owners. An animal untagged at the expiration of the prescribed period shall be disposed of at the discretion of the Chief of Police except as hereinafter provided in the cases of certain animals.

"When animals are found running at large, and their ownership is known to the Chief of Police or his representative, such animals need not be impounded, but the Chief of Police may, in his discretion, cite the owners of such animals to appear in court to answer to charges of violation of this ordinance.

"Any animal described in the foregoing subsections (a) and (b) of Section 8 which is found at large or declared to be a public nuisance shall be impounded by the Chief of Police and may not be redeemed by owners unless such redemption is directed by a court of competent jurisdiction.

"The Chief of Police or his representatives may destroy any animal for humane reasons and in the event of his decision to do so, such animal may not be redeemed.

"For the purpose of discharging the duties imposed by this ordinance and to enforce its provisions, the Chief of Police or any representative so designated by him, is empowered to enter any premises upon which a dog is kept or harbored and to demand the exhibition by the owner of such dog or the license for such dog.

"No person shall interfere with, hinder or molest the Chief of Police or any of his representatives in the performance of his duty as established by this Ordinance, or seek to release any animal in

the custody of said Chief of Police or his representatives except as herein provided.

"Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not to exceed two hundred (\$200) dollars, and if such violation be continued, each day's violation shall constitute a separate offense."

Officers have found that many dogs, especially those strays, who are unaccounted for being either caught or confined by humans, will run real fast when an officer approaches them. In order to catch them in the most humane way possible, officers have been equipped with a gun which shoots darts filled with a nicotine solution which puts the dog to sleep long enough for the officer to catch him.

Although they prefer to catch them when possible, there are times when there is no alternative except to use the dart gun.

and asked him to attempt to organize the youth of this area. Wednesday, Mason said, they passed out Price brochures and a few stickers and held the organizational meeting.

He said, "We invite the high school students of the area to join us in this campaign. If they will contact any of the members we will put them to work in the campaign."

Members other than Mason are Jack Allison, James Gulley, Mark Dillman, Mark Edwards, Mike Tibbets, Melanie Precure, Marsha Johnson, Karen Mayhugh, Danny May, Garry Wood and David Henderson.

Longhorns...

Cont'l. from Page 1

and the Longhorns pulled out to a comfortable lead of 46-19. Final TD of the game was on a one-yard run by Steve Foster with 3:09 in the game, scoring ended at 46-19.

Steinbock made a 60 yard run with 19 seconds on the clock and went into the end zone, however, the play was called back.

Coch Coach said Lazbuddie is now one of the three undefeated teams in Southwest Texas at this time in Class B. The other undefeated teams are Ropes and Meadow.

Commenting on the game Coach said "The boys played the best ball they have played all year and I could not pick any one player as outstanding... they were all outstanding."

He said this was the first game this year where Lazbuddie had trailed not only at halftime, but well into the third quarter.

GAME STATISTICS
Lazbuddie Amberst

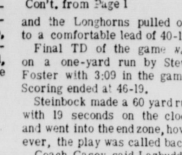

Pushing 479 177
Passing 115 20
PASSES 6-12 1-6
Penalties 7-60 2-7

Steinbock 162 yds - 21 carries
Hinkson 138 yds - 19 carries
Mathews 106 yds - 20 carries
Foster 63 yds - 13 carries

Lazbuddie obviously dominated the field with a total of 73 carries as compared to 37 for the Amberst Bulldogs.

Next Friday night, conference play opens for the Longhorns when they meet Turkey on the home field at Lazbuddie.

Muleshoe Hobby Club Holds Regular Meeting

Muleshoe Hobby Club held a regular meeting in the home of Bernice Amerson Thursday, October 17.

Twenty-one members and six guests were present for the meeting. The nominating committee asked all existing officers to serve for another year. All were re-elected unanimously except for the secretary, Mrs. LeVina Pitts submitted her resignation and will be replaced by Jean Landers. Officers who will be serving are May Henderson, president; Allia Hans, vice president; Jean Landers, secretary; Vada Burtlett, assistant secretary; Ina Givens, reporter and Bernice Amerson, assistant reporter.

Recognition was given Dora Phipps, who won a white ribbon for an Afghan at the Lubbock South Plains Fair last month. She was inadvertently left off the list when winners were published before.

It was Mrs. Phipps first ribbon from a fair and she is understandably proud of her ribbon.

Mrs. Givens, Hobby Club reporter said "Muleshoe Hobby Club members are as proud of that ribbon as she is. . . that made 'Lucky 13' ribbons won at the South Plains Fair in Lubbock."

Members decided to hold the annual Christmas Party on December 19 in the home of Jean Landers.

Program for the afternoon was presented by Kay Parkerson and Jean Yeary of Lubbock on the Relaxa-Cizer. They gave demonstrations on Ina Givens and Jean Landers.

Guests were Mrs. Thomas Lee Harper, Circleback; Mrs. Lester Elmore, Needmore; Jean Yeary and Kay Parkerson, Lubbock; Aurora Bearden, Muleshoe and Becky Mardis, granddaughter of Jean Landers.

TOPS Club

Twenty-one members weighed in at the weekly Jenny TOPS Club meeting Thursday night at Bailey County Electric cooperative meeting room.

Bernice Spawn was crowned queen for the week and was presented a china pig, Lucille Harr and Jewell Peeler tied for first runner-up and Mable Wolf was second runner-up.

A program, which members found both informative and entertaining, was presented on "Calorie Count of Vegetables, both Cooked and Raw," was given by Jewell Peeler.

The club dismissed with the goodnight song.

VERY SPECIAL

Summer is that season of the year when a housewife can put anything on a lettuce leaf and call it a special salad.

-Herald-Journal, Greensboro, N.C.

Jewel Pin Ceremony Held by Sudan ESA

A jewel pin ceremony of the ESA was held Thursday night for Loretta Reid in Sudan, with Charlene Blume as hostess and Alms Lumpkin, co-hostess.

Members attending were told of the District Nine Leadership Service to be held in Midland, October 20. A 12:30 luncheon will precede the service.

Toothpaste will be purchased by the ESA to be distributed by school nurses to school children.

Plans were made for each member to prepare a Christmas package to be sent to local servicemen. Families

having boys in the service are asked to give the addresses to members of ESA as soon as possible as the deadline for mailing Christmas packages is November 1.

Thought for the evening was "Give and it Shall Be Given Unto You."

Refreshments were served from a table decorated in the fall theme to Charlene Baker, Pat DeLoach, Martha Markham, Arlene Provence, Loretta Reid, Pam Wiseman, Mary Wood, Mary Tollett, Charlotte Brown, Betty Martin, Jan Brown, Wyanette Fisher and Sharon Brown.

Girl Scouts Combine For Troop Meeting

Eight troops were represented at a joint meeting of the Muleshoe Neighborhood of Girl Scouts, Thursday, October 17.

Ann Gunter and Peggy Suresak, Lubbock, presented the program for the afternoon.

Lenora Malfou resigned her position as secretary to beco-

me the new Brownie consultant. Betty Estep was elected to serve as secretary for the coming year. Both Mrs. Estep and Mrs. Malfou will continue to serve as voting delegates.

Evening meal was served to replace Bobbie Pena as reporter.

Marsha Rasco will be delegate and Evelyn Harris alternate at the council meeting to be held in Lubbock, November 18.

Three Junior Troops Will Be

4-H Banquet Held at Y-L

More than 75 parents and friends attended the annual achievement banquet Saturday night, October 12, at the Y-L Methodist Church for the Y-L 4-H Club.

Each member received a certificate listing their year achievements and year projects were presented each member.

Community projects were discussed in order to be voted upon at the next meeting on October 21.

AMERICAN ROYAL PRINCESS--Suse Frazier, Muleshoe, in biology at West Texas State University in Canyon, was chosen one of two princesses (runners-up) from among 18 queen candidates in the American Royal Live Stock and Horse Show Queen judging contest. She is the daughter of Mr. and Mrs. Dick Howard, Muleshoe.

DeShazo P-TA Guest Speaker, Cooper

Marshall W. Cooper, executive director of Girlstown, U.S.A. will be keynote speaker at the Monday meeting of Mary DeShazo P-TA. The meeting is scheduled for 4 p.m. in the school cafeteria.

Cooper attended Odessa High School, Odessa College and Howard Payne College while preparing for his career. He was formerly employed by West Texas Boys Ranch at San Angelo as Superintendent and spent four years in the Juvenile Probation Department in Andrews County.

Girlstown U.S.A. is located nine miles south of Whiteface in Cochran County. It was founded April 13, 1949 by Miss Amelia Anthony.

Girlstown is not a correctional institution but a home for deserving girls. At Girlstown they learn respect for God, a sense of responsibility and an appreciation of others.

The girls attend Whiteface Independent School and each girl is encouraged to participate in extra-curricular activities such as athletics, academic endeavors and student government.

Three and three guests present.

Girlstown has a 72 girl capacity and there is never a lack of girls to fill the site to capacity. They are accepted from throughout the United States and presently several states are represented by the residents.

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Wilburn Nevil of Grand Prairie announce the engagement of their daughter, Phyllis Kaye, to Thomas Wesley Cornelison, son of Mr. and Mrs. Elmer Cornelison of Muleshoe. The bride-elect is a 1956 graduate of Grand Prairie High School and is employed by Texas Instruments, near Dallas. The bridegroom-to-be is a 1965 graduate of Muleshoe High School and attended Lubbock Christian College. He is now serving his apprenticeship at Harveson and Cole Funeral Home in Fort Worth. Vows will be exchanged between the couple on December 14 in Grand Prairie.

Swell Trick A drunk was watching a man enter a revolving door. As the door swung around a pretty girl stepped out. "Swell trick," he muttered. "Don't show how that guy changed his clothes so fast."

Big Undertaking "I suppose," said the recruit of his new "chum," "you used to do big things in civil life." "I did that was the answer. I had a job washing elephants at the zoo."

is this the moment for your 2nd Debut?

It is if you've never before slipped behind your back while they're looking at you. It is if you are looking dangerously older than your husband. It is if your husband no longer brings you flowers on birthdays as he used to. Then, this is the moment for you to discover the wonders that 2nd Debut is capable of performing on skin of most any age past 30.

The power of 2nd Debut is now acknowledged wherever people read. This exotic emulsion is releasing facial tension and least semi-permanent residence in the necessary land of happy forgetfulness.

CEF Cellular Expansion Factor is a synthesis of the substance made by Nature within the skin to help keep the skin's water-moisture level high to prevent the formation of premature age lines. But, for some as yet unknown reason, the facial skin mending age 30 fails to make enough of this needed substance. Age lines then begin to appear. When women begin to wrinkle behind their eyes, that, there is no valid reason to despair. Nightly treatments with 2nd Debut keep a rich supply of CEF available to help draw water moisture from its own surrounding environment. As the water-moisture level in the water-saturated skin layer rises, the skin's surface is usually seen to improve noticeably many facial lines vanish as though a magic wand had so commanded them. Hundreds of deeper nature find their unique importance squelched into near nothingness. All due to the action of CEF. You'll find 2nd Debut with CEF 600 and 2nd Debut with CEF 1200 nightly rewording and the 2nd Debut satellite preparations more than justifying every claim made for them.

2nd Debut WITH CEF
A SECOND DEBUT FOR MOTHER

2nd Debut with CEF 600
For premature wrinkles and lines. Night and morning applications moisten, tighten deeply. Skin appears smoother, more youthful. 4-oz. size, \$3

2nd Debut with CEF 1200
For the more mature skin -- or for more rapid results. Use nightly and under makeup for deep moisturizing. See results quickly! 4-oz. size, \$5

2nd Debut Liquid Cleanser
The quick-cleansing with 2nd Debut liquid cleanser, and your skin feels really clean -- make-up and dirt rinse away. 2-oz. bottle, \$3 4-oz. size, \$5

2nd Debut Liquid Makeup with CEF 600
Give smooth matte finish. Natural, Light Pink, Beige, Brunette, Suntan, Bronzette with pink tone. \$3

Nursery News
UNDAUNED By A.L. Woodburn
GARDEN CENTER NURSERY
CLOVIS, N.M.

Most of us will agree that fall is here. We often wonder where the season got the name. Does the falling of the leaves designate the season or does the season designate when and what to the leaves. That brings up another question and that is what makes the leaves turn before they quit for the season.

There is still a lot to be learned in the realm of plants but there is one thing we can count on and that is, if a plant is in good condition and has the necessary ingredients to do what it is supposed to, you have no fear that the plant will do it's very best. In fact we have a lot of plants that repay us number fold and we are guilty of gross mistreatment to them.

On the matter of taking care of plants, I think it is time to stress the winter injury, freeze damage, or other conditions that will keep a plant from doing it's best. There have been great strides made in the application of plants to this area in a very short time. A lot of us that are not too old can remember very well when spruce or spruce would not grow here. Yet by further study, more attention to what was learned, and better methods, it is commonplace to get an order to plant a pine, spruce, fir, magnolia, and a variety of other plants. The time to us might be more important than it is to a tree. In other words a tree often waits until tomorrow and we are not content with today, a lot of ours we want yesterday.

The winter season seems to be harder on plants here than any other. With additional help and a little protection by good cultural methods and some luck, we might improve considerably the list of plants that we can expect to grow. A lot of the winter damage is done by lack of water and good food. The thought that to fertilize plants in the fall will damage the new growth is true if you are using a fertilizer that is not well balanced.

Welcome to Muleshoe

Neal Parson

Neal Parson, mechanic for Jake Diel Dirt & Paving Contractors, Inc., is a newcomer to Muleshoe. He was formerly employed by Castro County in Dimmitt. Parson and his wife, Latha, have two children: Laura, 5 and Ervin, 3. They live just outside the city limits, on Rt. 3 and attend Baptist Church.

The following firms extend a cordial welcome to the Parsons:

HAPPY BIRTHDAY TO YOU—Members of the Dorcas Society of the Woman's Circle of the First Methodist Church honored two residents of the Muleshoe Nursing Home with a birthday party Tuesday afternoon at the nursing home. Honored were Mrs. Nellie Norwood, left and Mrs. Edith Clark, formerly of Farwell.

Eric Smith 1969 Science Council Officer

Eric Smith, Muleshoe High School science teacher, recently attended a meeting of the South Plains Science Council which met at Lubbock Christian College.

This meeting was held to organize the South Plains Regional Science Fair to be held April 11 and 12, 1969. Students from all 16 counties of the South Plains are being encouraged to submit projects to this fair.

Officers for the 1968-69 council are: Dr. F.W. Mattox, president, Lubbock Christian College; Mrs. Sandra King, secretary, New Deal and Tim Batin, treasurer, Security National Bank of Lubbock.

Officials for the 1969 Fair will be: Lester Carr, Fair Director, Hale Center; and the following assistant fair directors: L.A. Garner, Lorenzo; Eric Smith, Muleshoe; Jerry Livingston, Floydada; Archie Clanton, Roosevelt and Paul Walden, Olton.

Next meeting of the Science Council will be November 12 at the MaBee Auditorium on the L.C.C. campus.

At this time, winners from the 1958 Science Fair will discuss their trips and awards and slides from the National Science Fair International held in St. Louis last May will be shown.

Donna Shaw was hostess for the eight members and guests, Severn James, Dorothy Freed and Mary Alice Stone.

New Projects To Take Bow For 4-H Clubs

SPECIAL - The national 4-H Grain Marketing program has opened up a whole new area of participation for 4-H Club members. It also has been expanded to include this and 32 other states, reports the Cooperative Extension Service, instead of the 12 states previously enrolled. The Chicago Board of Trade sponsors the program.

In addition to learning the best way to grow, harvest and market quality crops, which pretty much limited the projects to farm boys and girls, the program now encourages members to explore other phases.

The new projects need not necessarily be carried out in a farm situation. Recommended is a study of commodity markets. Information is available from the Extension Service, Chicago Board of Trade, radio, television, newspapers, magazines, schools and libraries.

More research projects that can be done by any youngster include transportation and distribution of grains; wholesaling and retailing of foods; business management; careers in the grain industries.

Finally, club members can look forward to becoming a

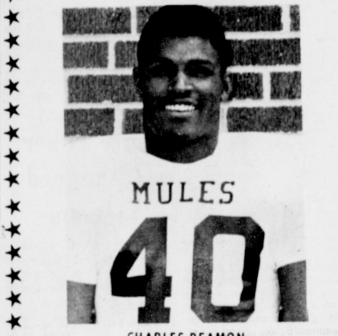

state delegate to the 1969 4-H Grain Marketing Conference to be held in Chicago January 29-31 at the Chicago Board of Trade. The trip is the top state award. Competition in the county will earn a grain marketing medal for four outstanding members.

Projects will be judged by the Cooperative Extension Service.

"Muleshoe Mules" PLAYER OF THE WEEK

MULES
40
CHARLES BEAMON

Charles Beamon, who was chosen as Player of the Week in the Muleshoe-Denver City game, made it two in a row when he was chosen player again following the Portales game. He racked up 138 yards carrying the ball in that game.

THIS RECOGNITION COURTESY OF:
MULESHOE STATE BANK
Member FDIC

Richland Hills P-TA Speaker, Thomas Cannon

Thomas M. Cannon Jr., Lubbock, will speak on "Living With Discipline" at the Monday Richland Hills P-TA meeting in the school cafeteria at 4:15 p.m.

Cannon has been a police officer, firefighter, salesman and postal employee during his college years.

He spent one year as a social worker, six years in a juvenile probation office and two years as a teacher in a College of Psychology, three years as headmaster of St. Christopher School and three years at the St. Christopher Correction Learning Center.

Pupils from the Richland Hills fourth grade will provide musical selections for entertainment.

Wesleyan Service Guild To Make Ditty Bags

Wesleyan Service Guild met Monday night, October 15, in the home of Mrs. Ray Edwards with Faye Krebs presiding.

The meeting was opened with prayer, followed by a short business session.

Members made plans again this year to make and fill ditty bags to be mailed to overseas servicemen at Christmas. This will be the third consecutive year for the guild to prepare the ditty bags.

Study on the second chapter of "The Gospel of St. John" was given by Beth Edwards with

ESA Social Theme 'Trick or Treat'

Epsilon Chi Chapter of ESA sorority had a social meeting Tuesday, September 15, at the First National Bank.

Theme for the social was "Trick or Treat" with Halloween colors being used on the serving table. Mrs. Charles Mayhugh was hostess, with Mrs. Hugh Young assisting.

Cake, coffee and cokes were served guests as they played card games.

Those present for the occasion were Mrs. John Gen-

One Minute Sports Quiz

1. In what year did Gene Tunney earn boxing's greatest purse?
2. Where was the first football stadium in the U.S. built?
3. For whom does Earl Wilson pitch?
4. In what year did Detroit win its last World Series?

The Answers

1. In 1927, when he earned over \$900,000 defending against Jack Dempsey.
2. In 1903 in Boston (Harvard Stadium).
3. The Detroit Tigers.
4. 1945.

Texas Receives Largest Water Resource Grant

Congressman Jake Pickle announced that Texas has been tagged as the largest recipient of Department of Interior funds for water resource planning grants.

The Department of the Interior made the selection last week, and Texas has been awarded \$75,300.

Money was made available through the 1955 Water Resources Planning Act, and is used to assist the states in developing and participating in comprehensive water resource planning.

The administration of the program will be conducted by the Federal Water Resources Council, which is chaired by Secretary of the Interior Stewart Udall. The council also advises the President on national water policy.

CO-EDITORS John Elliott John Woodard

OCTOBER 20, 1968

Powder Puff Football Highlights School Activities

offensive linemen out of Sue Darsey, Lou Ann Cole, Vanda Spurgeon, and Marilyn Pool. We had some good offensive, hard running backs out of Brenda Kimbrough, Kay Douglass, Linda Washington, and our two fine quarterback Speedy Gonzales II (Mitzl Bass), and Janis St. Clair. But, next year that Junior-Senior team better watch out for this bunch of girls.

MJHS Student Council Names Representatives

Muleshoe Junior High School has named Student Council Representatives and alternates. Included are LaDonna Caldwell, Mike Slayden, Reta Cochran, Lupe Hernandez, Melita King, Prisca Young, Denette Mann, Mark Bruns, Fred Locker, Clifton Myers, Sandra Briscoe, Ann Marie Castorena, Mike Glover, Dicky Hanks, Rhonda Fields, Tim Sooter, Sharon Martin, Stephanie Bryan, Douglas Crawford and Patti Nickels.

Freshman Class Names Favorite and Slaves

Monday, October 14, a Freshman Class Meeting was called to order for the purpose of

Freshman Team In Good Offense At Hereford

The Muleshoe Freshmen team played La Plata Junior High at Hereford last Thursday and won a wild scoring marathon 51-40. We felt that our offense looked better than it has all year, but our defense probably played its poorest game of the year. At half time we were leading 43-12, but in the second half we had a terrific letdown both offensively and defensively.

Our opponent for this week's game will be the Plainview Red Pups who are undefeated for the season. We feel as if this will probably be our toughest ball game of the season, and we will have to have a tremendous effort in order to win. This team defeated us last year 25-16 for the only loss of the year.

The Plainview game will be played at 4:30 October 17th in Plainview.

WHOA, NOW--Forward progress of Gator Treena Bryant is stopped by vicious Cougars, Linda Washington and Debbie Parks.

IN THE WINNERS CIRCLE--Victorious Mule is honored by defeated Ram as bumfuzzed sportscaster, Sheryl Mason, looks on.

Student Council Continues TWIRP Week Activities

The members of Student Council are still quite busy with their various activities. This week, October 13 through October 19, is Twirp Week. The student body has joined in the spirit of the week by buying licenses and trying to dodge the rules. Those offenders of Twirp Week rules who are caught in the act will suffer the

punishment of Kangaroo Court. The slave sale held by the Student Council on Friday, October 18, helped to raise funds for the state convention and sent several students into a week of hectic work while serving their "terms."

Tuesday night, several members gathered at Trevor Ford's home to work on campaign material for the district meeting. Muleshoe High Student Council is running for Parliamentarian of the S.P.A.S.C.

Clair, Lee Clodfelter, Johnny Hays, Robbie Green, Ronnie Mason, Don Heathington, Randy Fields, Billy King, Lonnie Ferris, Billy Riels, Bruce Bruns, Mike Riley, and Danny Noble.

Time ran short before four girls and four boys were elected to be in the Beauty Contest.

Vicky Henexson Is Art Club Queen Candidate

The Art Club held its second meeting of the school term last Monday. This meeting was held primarily as a planning session for the Halloween Carnival. Vicky Henexson was selected as the club's candidate for Halloween Queen. Her escort will be Tommy Little. The club decided on two projects for the carnival. Homemade ice cream will be sold by the members in addition to a booth consisting of a balloon and dart game.

GO, TEAM, GO--Enthusiastic Cougar coaches encourage team to 'hit 'em hard'. Don Heathington, Bobby Burge and Steve Black can hardly contain themselves as Cougars press harder for a victory.

Randy Field, John Pitts Crowned Kings

By Vicky Henexson

The F.T.A. Powder Puff football game was held Monday night at the Benny Douglass stadium. A very large crowd attended the Junior-Seniors vs. the Freshmen-Sophomores. It was believed to be the largest crowd ever attending a powder puff game.

The Gators (Juniors-Seniors) won the game against the Cougars (Freshmen-Sophomores) with a score of 24-0. From kickoff to final buzzer it was an exciting game. The Gators scored in the first three plays of the game. The next touch down was not made until the second quarter, both of these touch downs were made by Treena Bryant and Lee Clodfelter. The extra points were made by a combination play between Ann Douglass and Debra Hayes. The third and final touch down was made by Ann Douglass in the fourth quarter. The final score of the game being 24-0 in favor of the Gators.

Some of the outstanding linemen were Arlene Brown, Diane Washington, Vicky Henexson, Gayetta Gable, Jackie Bash, Karen Dobbins and Nancy Hopper.

Overall the Gators played exceptionally well for the amount of time they practiced. Their enthusiasm and will to win was unbeatable. Halftime activities included the crowning of the football kings from both teams. Freshman-Sophomore boys as candidates and team captains were Randy Field, escorted by Janice St. Clair, John Cole, escorted by Kay Douglass and Lee Clodfelter, escorted by Brenda Kimbrough. Crowned king was Randy Field.

Junior-Senior candidates and team captains were Trevor Ford, escorted by Treena Bryant, John Pitts, escorted by Vicky Henexson and John Woodard, escorted by Debra Hayes, Crowned Junior-Senior king was John Pitts.

ON TO VICTORY--Coaches of victorious Gators overstep sideline positions to yell encouragement. J.C. Slaughter, Gary Ethridge and John Woodard were able coaches of the Junior-Senior team.

I LOVE YOU--Uncontrollable affection is displayed by cheerleader Roger Swint for head coach John Woodard. Tommy Little awaits 'ura' for 'that old team spirit.'

GAINING YARDAGE--Ann Douglass (No. 25) scampers for Gator yardage as Marilyn Pool makes a decisive tackle for the Cougars.

HIKE!--Mighty Mule, Ray Dubose, is pictured as he begins an all-important play against Portales Ram Brenda Scott. Cheerleaders wait in apprehension.

electing Class Favorites, Slaves, and contestants for the Beauty Contest.

Nominees for girl class favorites were Sue Darsey, Kay Douglass, and Janis St. Clair.

Nominees for boy class favorites were Lee Clodfelter, Mike Riley and Randy Field. Elected for Freshman Class Favorites were Kay Douglass and Mike Riley.

Nominees for slaves were Monica Griffiths, Cynthia Gable, Marilyn Pool, Vanda Spurgeon, Lee Clodfelter, Robbie Green, Danny Noble, Randy Field, Ronnie Mason, Ricky Favor, Johnny Hayes Larry Michel, Sammy Finch, and Mike Riley.

Elected for slaves were Cynthia Gable, Marilyn Pool, Danny Noble, and Randy Field. Nominees for the Beauty Contest were Marilyn Pool, Cynthia Gable, Kay Douglass, Brenda Kimbrough, Debby Parks, Sue Darsey, Janis St.

Bula News

by Mrs. John Blackman.

Women's Society of Christian Service met Wednesday afternoon at 3 p.m. at the church with six in attendance.

Mrs. Charlie Landers having charge of the study with the topic being "Jesus Faces Last Alternative" taken from the current study book "The Compassionate Christ". The study opened with the group singing "Yield Not to Temptation", and opening prayer by Mrs. Whitteburg. The scripture for the lesson read by Mrs. W.L. Clawson was taken from Luke 10, chapter. She also read the scripture reading for the subject each on program Mrs. Young taking the subject "Kingdoms of the World". Mrs. Kirk "A Day in Capernaum", Mrs. Wittteburg, "The Re-occurring Battle", and Mrs. Simmons, "Jesus in the Synagogue at Nazareth". Following the study Mrs. Young dismissed the group.

Attending were Mrs. Paul Young, Mrs. Tommy Kirk, Mrs. Harvey Wittteburg, Mrs. W.L. Clawson, Mrs. Charlie Landers and Mrs. F.L. Simmons.

"Bring Your Tithes to the Storehouse", program for Thanksgiving the Royal Ambassadors for the local Baptist church are working on. At Sunday's meeting they had ten members, two visitors, and two counselors present. They are also selling tickets for the Billy Graham film "For Putes Sake" to be at the Palace theater in Littlefield November 10, 11, 12.

The Student Council met Monday in the Library. President Patricia Gundersen conducted the meeting. Mr. Willis Hedges sponsor, met with them.

Among the principal items discussed was a Harvest Festival to be sponsored by the student council and date set was for October 31, beginning at 7 p.m., with each class having a booth set up. Representatives to be entered in the king and queen contest to be secured soon.

W.M.U. met Tuesday at 2:30 for their study with Mrs. C.A. Williams in charge of the study "Paul's Missionary Manifesto" taken from the Royal Service magazine. Mr. Richardson read the missionary calendar and gave the prayer for the missionaries.

Attending were Mrs. C.A. Williams, Mrs. E.O. Howard, Mrs. Dewitt Tiller, Mrs. E.O. Batties, Mrs. Fred Locker and Mrs. Rowena Richardson.

Company over the weekend for the Bradley Robertsons were their daughter Mrs. Patricia Bennett of Austin. Also Mrs. Robertson's mother, Mrs. L.A. Short and a sister Mr. and Mrs. Henry Mosier and children Terry, Katherine and Sharron of Avondale, Arizona. All had a family get together at the home of another daughter of Mrs. Shorts Mr. and Mrs. Burtis Cloud of Morton on Sunday.

Rev. Eddie Howard, pastor of the Bula Baptist Church was ordained as a minister of the Baptist Church Sunday afternoon at 3 p.m. in the First Baptist Church at Taboka. The home church for both Mr. and Mrs. Howard.

The ordination message was

brought by Rev. Dale Cain, pastor of the First Baptist Church of Godley. Rev. Jimmy Turner, Taboka pastor led in questioning of the candidate. Special music for the occasion was brought by James Hollars, director of music for the Taboka church. This was followed by laying on of hands by the entire presbytery of the church. Robert Edwards, chairman of deacons presented the Bible and the ordination certificate to Rev. Howard.

Attending from Bula were the Rev. and Mrs. Eddie Howard, Mr. and Mrs. Dewitt Tiller, Mr. and Mrs. Clyde Hoque, and P.R. Pierce. Mr. and Mrs. J.C. Withrow were met Saturday at the Lubbock Christian College by their two daughters that are attending ACC at Abilene. Cynthia and Sherry. The girls were at LCC for the Annual Mission Workshop at Lubbock Christian College.

Mr. and Mrs. Jake Bogard and children of Anton visited Tuesday evening with his parents Mr. and Mrs. Tom Bogard.

Mr. and Mrs. E.O. Batties visited the past week in Wellington and Hollis. They visited her brother Mr. and Mrs. Wayne Estes at Wellington and in Hollis with Mr. and Mrs. Raymond Estes and also his sister Mrs. E.T. Holly at Hollis.

Ray Spence and George Bahmman fished at Matagorda Bay last week returning Monday night.

Mrs. C.A. Williams and her sisters Mrs. Billy Cooper of Morton and Mrs. Lillian of Earth visited Saturday with another sister Mrs. Jack Swanner of Plainview. Mrs. Swanner had undergone surgery Tuesday, the sisters met and canned peas and beans for her. Ladies Bible Class for the Church of Christ met Tuesday at 2:30 with Mrs. J.D. Rowland in charge of the lesson study on the offering of Isaac and the death of Sarah, taken from the 22 chapter of Genesis. Each present taking parts in the lesson discussion.

Attending were Mrs. Nolan Harlan, Mrs. Cecil Jones, Mrs. John Hubbard, Mrs. John Blackman and Mrs. Rowland.

Nine youths and four adults attended the Lanos Altos Youth rally Monday evening at the First Baptist Church in Bowina. Bula was responsible for bringing the entertainment. Rev. Howard secured the folks singing group from Tech. They brought much enjoyment and inspiration from their singing.

The message "God, Parents and the Young People" was brought by Rev. Hugh Jack Norwood of the Three Way Baptist Church.

193 were in attendance for the gathering. From Bula were Donna and Diane Crum, Elaine and Beverley Tiller, Barbara and Allen Black, Margaret Richardson, Louis Garza, Kom Wallace, sponsors Rev. and Mrs. Eddie Howard, Mrs. Eddie Wallace and Mrs. Dewitt Tiller.

Mr. and Mrs. Marvin Drake visited several days the past week with his mother Mrs. Effie Drake of Winters. Mrs. Drake has been very ill. She makes her home in a rest home in Winters.

Mr. and Mrs. W.L. Clawson spent Saturday and Sunday in Amarillo with her daughter and family Mr. and Mrs. J.H. Collins.

Raymond Teston and sister Mrs. Gene Bryan and also Mr. and Mrs. Floyd Farington of Littlefield attended the funeral Tuesday in Portales for a cousin Jack Teston. Funeral was at the funeral home with burial in the Portales cemetery.

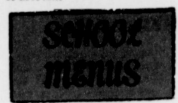

Roy Lee Nichols of Denver City visited Saturday in the her brother Mr. and Mrs. J.C. Weaver home.

Both A and B girls basket ball teams played Spad's scrimmage game Tuesday evening on the Bula courts. The B team won their game 53 to 36 but the A team lost with a score 38 to 36. Mr. Willis Hedges is the girls coach this year.

Mr. and Mrs. Eddie Wallace were host to a cook off supper Saturday evening for the FA's of the local Baptist Church. Hamburgers, hot dogs, and ice cream were served to Mr. and Mrs. Larry McCain and boys Dug, Dennis, and Keith, Timmy Cannon, Jerry Sowder, Allan Black, Ben Davila, Louis Garza, Kevin Wallace and also Mr. and Mrs. Dewitt Tiller and children Janice and Billy, Mr. and Mrs. Wallace, Kim and Robert and Rev. Eddie Howard.

Sharron Turay, junior student was in charge of the devotional for the assembly Monday morning. All classes gathered in the auditorium every Monday morning for a short meditation to start the weeks activities.

Mr. and Mrs. Cecil Jones were hosted to a Spanish supper Saturday evening as guests of Mr. and Mrs. John Crockett of Morton.

Volunteers More Efficient All Fronts

BY PAUL HARVEY

Always I have insisted that the good-neighbor policy should start over here, not over there; that we should first be good neighbors over the back fence--then overseas.

Instead of telling the world how it should mind its business we should show them by practicing good citizenship at home.

Because I am only rarely able myself to practice the home community involvement which I preach, Angel has.

With admiration and respect I have watched my own Pal Beta Kappa wife and comparably competent men and women serving on the Salvation Army Board and as officers of infant welfare and mental health and hospitals and the like. I have seen them tirelessly giving to these community and charitable efforts brainpower which such agencies could not possibly afford.

I have wished that government might somehow similarly inspire men and women to donate their talents to Washington, D.C., as many did during the big war.

As is, leaving the administration of government to bureaucrats, we pay so much for often mediocre personnel.

Please, I do not mean sweepingly to slur all government workers. But the good ones know of whom I speak when I say that too often the taxpayer pays too much for too little.

To get capable people to give themselves to government service when they can make so much more money elsewhere might sound impossible, except, as I say, in wartime they do.

And in community affairs, properly motivated men and women not only give their services without compensation but usually at considerable expense to themselves in time and money.

So it is possible.

This fall, seminars are being conducted at seven universities around the United States. Co-sponsored by the General Federation of Women's Clubs, the Sears Roebuck Foundation and the National University Extension Assn., these seminars will seek better ways of redirecting wasted woman power into channels of community betterment; to teach clubwomen who are already active "how to do it better," how to be more effective.

Why could not the incoming administration in Washington put less emphasis on handouts and payoffs and more emphasis on inspiring competent volunteers?

In each community we know who the leaders are. Any volunteer army can outfight mercenaries--in peace as well as in war.

Could not "civil service" become "a duty" and "an honor" as it was in the earliest days of our republic? I believe it could.

It may sound overly idealistic in the present atmosphere of much callous indifference. Yet listen closely to the restiveness of today's young people. They are yearning to "identify with a cause." Perhaps their passion needs only direction.

The very ones who now resist serving under duress and who appear only to want to loaf might be first in line to work if the reward were something more than money. Copr. T-M 1968, Gen. Fea. Corp.

Car Stickers Get Us, Coming and Going

(Editor's Note: The following column appeared in Kansas City Star recently, by-lined by Bill Vaughan, associate editor of the Star. It is reprinted - in part - by request of a Journal reader. The Journal Office has a limited variety of political stickers of candidates of the two major, and American party, thus the sticker-bumper story is appropriate to auto owners-drivers.)

I do not know much about automobiles, especially all that stuff under the hood. What I do know is largely outdated. When I buy gasoline I still ask for "ethyl," which puzzles filling station attendants under 30, who prefer to think of this particular grade of fuel as "premium" or "high test."

But there are a few things on cars that I always thought I understood. The windshield is to see out of, the bumper is to bump with or be bumped on. The rear window is there so people behind you can look in and make comments on the junk that has accumulated on the rear shelf and what your head looks like from the back.

Today, however, the owner of a car, at least in a 1-car family, must wage a continuous campaign to preserve these items for the purposes for which they were intended.

Because, somehow or other, they have been transformed into media of communication. The State, meaning political entities on all levels, will seek to save the redwoods, the prairies, or almost anything of scenic or historic value. Yet it shows no interest in defending the integrity of the windshield or the bumper.

Cities, in fact, were among the first to infringe upon the pristine purity of the windshield, with their license stickers. Then the states came along with their Safety

Inspection stamps, and there went the whole neighborhood, or at least the lower right hand corner.

Before a man knows it, the educational establishment has taken over his rear window. Decals advertising high schools and colleges appear and are often joined by the Greek initials of social organizations.

It does very little for a man's esteem to drive a car which proclaims that he is a member of a third-rate sorority at some leaky-roof academy.

To be entirely open about it, I must admit that signs in the rear window are not exactly new. There was a time when a certain popular make of swimming suit put out a stunning (for those days) silhouette of a diving beauty which was virtually standard equipment on car windows among the livelier set.

Then came the new wave of stickers, front and rear. With these glass expanses cluttered, politicians and activists of all sorts launched a campaign to take over America's bumpers.

If man is not careful he will find all sorts of strange views being expressed on his own bumpers. He travels about, labeled with his children's candidates and his wife's pet causes. He may even find flowers glued to his auto.

About all he can do is add one more bumper sticker: "The Opinions Expressed by This Car are Not Necessarily Those of Its Driver."

Signs Point To Growth Says Ford

Frank Ford, Republican candidate for state representative, stated this week that he sees many "Encouraging signs

pointing to economic growth in the southern counties of this district."

"There is tremendous potential in cattle feeding and vegetable processing," said Ford. "And it only makes good sense that agriculturally related industry would want to locate where the food and fiber is grown, and where the people of the communities are working together for growth and progress."

"The time is right for growth," Ford continued. "And if elected, I intend to spend a lot of time working with people in this area to achieve this growth. Progress comes with good jobs for our wage earners and a good education for our children, and this is the task before us."

"We have heard a lot from Washington the past five years," Ford concluded. "About what the 'Great Society' could do for us, and we have learned from hard experience quite a few things that do not work. Now, perhaps, we can employ a few of the ideals and ideas that do work."

Ford is a candidate in the 72nd District, which includes Lamb, Bailey, Cochran, Farmer, Castro, and Deaf Smith Counties.

THE VOTERS' ALL RIGHT Contrary to what you sometimes hear the American voter is no boob, as proven over the years by the bumps he has thrown out of his office. -Times-Dispatch, Richmond, Va.

Two Kinds Of Courage

"There are only two forms of moral courage: the courage to be yourself, and the courage to be as a part of something other than yourself alone - and neither form is much good without the other. (The first leads to eccentricity and selfishness; the second leads just as destructively to tyranny of the collective mass. . .)

"To feel and display anger without becoming less, but becoming more, is the surest sign of emotional maturity; for most of us in anger regress to childishness and resort to insult, which diminish the righteousness of our cause rather than support it," states Sydney J. Harris in his "Strictly Personal Thoughts at Random" column of recent date.

We agree - and no matter which party or candidate you campaign for, which party achieves national power following the November 5 election in a couple of weeks, and no matter what "someone else thinks" of your reasons for your choice: this is an American duty as well as privilege. We must rationally, intelligently, reasonably, and fairly state, work, and vote for our convictions.

America needs moral courage - and it must come from the grass-roots. The politicians should listen to each grass-roots voters expressions of their own moral courage.

A Vote for Nixon

GUEST EDITORIAL

It's time for a change. The nation seems to have made up its mind pretty thoroughly on that.

But unless that change is orderly; unless it is made with skill, wisdom and a decent consideration for the processes of government that have grown out of the Constitution, great damage to the American system could result.

Of the three major candidates for the presidency, Richard Nixon stands out as possessing the ability, integrity, and experience to bring about this change.

Beyond these personal qualifications, he, alone of the candidates, has the ability to bring to the office a carefully assembled and smooth-running political mechanism. This is important at a time of division and confusion in our nation. We can risk neither disorganization at the top, nor rule by fiat.

A shift in direction is obviously the will of the people. This calls for a firm and skillful leader, whose personal and political qualifications fit him for the task.

Because Richard Nixon is such a man, the Daily News endorses his candidacy for the presidency of the United States.

STATE CAPITAL Highlights AND Sidelights

by Norm Sanford

AUSTIN, Tex. - Presidential candidates, wooing Texas voters and the state's 25 electoral votes, are becoming familiar visitors in the Lone Star State.

Republican Richard Nixon swooped into Dallas for a rally Friday. He's likely to return, as is his running mate, Spiro T. Agnew, who also was here earlier.

Vice President Hubert H. Humphrey will try to breathe new life into the late-starting Democratic drive with a barnstorming tour starting October 22. Ed Muskie, Humphrey's No. 2 man, is supposed to drop in around the 30th.

Third party candidate George Wallace made plans to return to Texas this week. He scheduled a high-noon rally for Fort Worth for Thursday (October 17). Both Wallace and Vice-presidential candidate Gen. Curtis E. LeMay are being encouraged by backers to make repeat performances before November 5.

While waiting for the candidates to make their personal appeals, their supporters fought the battle of the polls. Humphrey's national headquarters claimed a Belden sampling showed 35 per cent of the Texans interviewed favored Humphrey, 33 per cent were for Nixon, and 26 per cent for Wallace, with just six per cent undecided.

"Strange," retorted Nixon's state camp, since its Merrill-Wrightin poll showed: Nixon 34 per cent, Humphrey 27 per cent, Wallace 22 per cent, and undecided 17 per cent.

Houston Chronicle interviewers concluded Nixon is leading with 40 per cent of the vote. Humphrey ran second in the Chronicle's poll with 33 per cent, and Wallace third with 28 per cent.

Activity in the Humphrey camp is definitely in the upswing. Texas Citizens for Humphrey-Muskie--headed by Sen. Ralph Yarborough--and Texas Democrats for Humphrey-Muskie--led by Congressman Jim Wright of Fort Worth and Will D. Davis of Austin--are battling against time to rally the traditional Democratic strength.

Former Gov. Allan Shivers, who emerged as national chairman of Democrats for Nixon, is actively encouraging "Splitting the ticket" -- for the GOP national nominee and his Democratic state and local candidates.

APPOINTMENTS

Austin District Judge Tom Reavley replaced retiring Judge James R. Norvell of San Antonio as an associate justice of the State Supreme Court.

Gov. John Connally promptly tapped Norvell as a special judge to review the complex, 12-year-old lower Rio Grande Valley water rights controversy now on appeal before the 13th Court of Civil Appeals in Corpus Christi.

Corally named former Corporation Court Judge Jerome Chamberlain as judge of Criminal District Court No. 1 in Dallas County to succeed Judge J. Frank Wilson, resigned.

W. Astor Kirk of Austin, who has been deputy director of the Southwest Regional Office of Economic Opportunity, now is regional director of the Middle Atlantic OEO in Washington, D.C.

P.C. Naylor Jr. of San Antonio will serve as chairman of the Texas Real Estate Commission next year.

Awards totaling \$477,900 to seven persons injured in a truck and Greyhound bus wreck three years ago was upheld by the State Supreme Court.

High Court, while declining to annul an order appointing Houston attorney Leon Jaworski to the board of trustees of the Robert A. Welch charitable foundation, agreed that the appointment should be given full court hearing.

Right of Temple to retain 54,3 acres of land annexed five years ago was upheld by the Supreme Court, even though the city had not provided water or sewer service to the territory.

Same court backed a trial court decision in holding that no vacancy existed with regard to 155.1 acres of land in Upton County and that the property belongs to Atlantic Refining Company.

Court of Criminal Appeals stuck by its earlier reversal of a seven-year sentence given Houston tobacco merchant Mair J. Schepps charged as an accomplice in printing counterfeit cigarette tax stamps. State motion for rehearing was overruled.

ELECTION SUIT FAILS

Laurel N. Dunn, an independent candidate for the 11th District congressional seat held by U.S. Rep. W.R. Poag, lost in his lawsuit before the Texas Supreme Court to challenge state election regulations.

Dunn wanted to force Secretary of State Roy Barrera to change his election handbook because it requires the "check" method of marking ballots, and Dunn insisted that the "scratch" method should have equal sanction.

Under state law, ballots may be marked either way, so long as the voter is consistent all through his ballot.

SALES-TAX CHALLENGE

Texas Supreme Court will hear an appeal from a lower court's ruling that transportation of material between the seller and the buyer is subject to the state sales tax if the transporting is part of the sale.

High court will review a holding by the Third Court of Appeals at Austin, which overturned a ruling by a district court and ordered Gifford-Hill & Co. to pay the state \$12,232 in taxes, penalties and interest.

Gifford-Hill sells sand, gravel and crushed stone, hires trucking companies to transport it to the buyer, pays the carrier itself and bills the buyer for the transportation costs.

Firm maintained that this amounted to transportation after the sale, which would make the shipping non-taxable. District court agreed, but the civil appeals court did not.

TRUCKERS' SUIT

Truckers have sued the Texas Railroad Commission for granting three other truckers permits to carry fresh vegetables for hire around the state.

Charles Long of Rusk, Alvin Land and his Land Trucking Co. of Raymondville and Rio Grande Truckers Inc., the plaintiffs, are each authorized to transport "fresh fruits and vegetables" from and to any point in the state.

L.T. Waldrop of Seminole, V.R. Nelson of Dimmitt and W.A. Jobe of Saragosa got Commission approval to begin trucking vegetables from within 200 miles of their home towns to any point in Texas.

The three contestants claim that the Commission's granting of the permits amounts to unfair competition for them. Their lawsuits are pending in Travis County district courts.

AIRLINE HEARING PUT OFF

Texas Aeronautics Commission Director Charles Murphy ordered a 10-day postponement on the application of Air Texas to provide commuter-plan service linking Austin, Houston, Fort Worth and San Antonio,

postponement came when Air Southwest Company, which is waging a court fight to serve Dallas-Fort Worth, Houston and San Antonio, urged dismissal of the competing application.

Air Texas dropped its original application to fly between Fort Worth and Wichita Falls. It proposes back-and-forth between Fort Worth and Austin, Houston and San Antonio in Beechcraft Queenairliners. Air Southwest would fly 90-passenger Electra turboprops on its three-legged route.

GAS REGULATION HIT

Governor Connally lambasted as "unrealistic and discriminatory" a Federal Power Commission rollback on natural gas sold to interstate lines but said it policy could benefit Texas.

Regulation, said the governor, may dry up supplies, put many small producers out of the search for gas and drive new gas discoveries into intrastate markets.

On the other hand, Connally contended, Texas may be benefited, since industries requiring natural gas will be "forced to locate in gas-producing areas."

As chairman of the legal committee of the Interstate Oil Compact Commission, Railroad Commission Chairman Jim C. Langdon spoke out against a Maine petroleum producer's application for a special oil import quota, warning it would hurt production in Texas,

Louisiana and Alaska.

SDEEC TO MEET

New State Democratic Executive Committee will hold its first meeting in Dallas on October 21.

Purpose of the session, said SDEEC chairman Dr. Elmer C. Baum of Austin, is to "review the challenges facing the Texas Democratic Party and to analyze methods which will continue to strengthen" it.

To be more specific, SDEEC projects a massive get-out-the-vote drive, aimed primarily at making the state safe for Democratic incumbents and newcomer candidates at the state and local level.

DRAFT QUOTA UP AGAIN

December draft call for Texas increased to 869 (from 523 in November), according to Col. Morris S. Schwartz, state Selective Service chief. Inductions will occur between December 1-4.

Quotas for October and September were 774 and 683, respectively; monthly calls for 1967 ranged from 674 to 1,421.

Schwartz said 1,928 men will be sent to pre-induction mental-physical exams during November, compared to 6,697 in October.

Somehow we never run into the situation described so lushly in best-sellers.

Home: Sudan 227-5601

New Galvanizing Doubles the Life of Valley Self-Propelled

Every new Valley is almost totally galvanized inside and out. Valmont built one of the nation's largest hot dip galvanizing plants to make this new, long-life Valley Self-Propelled possible.

save labor save water make money boom yields

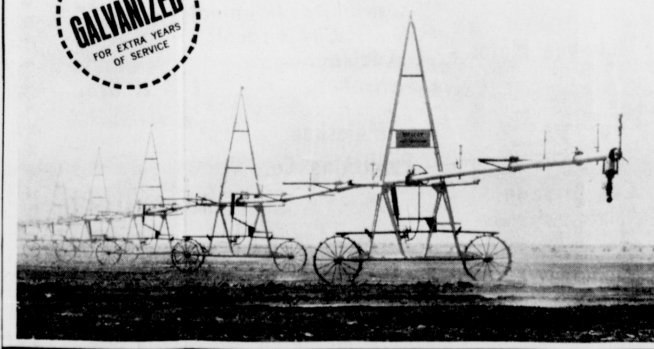

Even long-time flood irrigators are switching. Valley Self-Propelled is a true, push button operation. You irrigate up to 180 acres with no more work than the push of a button. There are no stops, no re-hook-ups, no pipe to move, no constant attention. It works while you sleep. Count up the dollars you'll pay for irrigators and other labor over the next ten years and then see a Valley dealer.

Sprinkler irrigation gives you the means to save half your water and Valley Self-Propelled gives you the way to do it with even less labor than furrow-ditch systems. Think of the savings you can make when 1,000 gallons per minute does the same job that 2,000 gallons did formerly.

Drastic water and labor savings and increased yields are only part of the story. No land leveling. You pocket those savings, too. On new land developments, you can achieve the same kind of yields as farmers are getting on land costing ten to twenty times as much. Be sure you investigate Valley Self-Propelled before you invest in hard work.

Rain at the right time is the secret to those extra big yields of any crop. Many soils need frequent, light water applications and a Valley makes that possible. For example a Valley can automatically supply one inch of water every three days to 150 acres. Supply fertilizer at the same time and the right time.

WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues...

STOP AND THINK WHAT WILL ACTUALLY HAPPEN...

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives...

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE...

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction... the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!

Fred Tippett Assisted Unit In Award

ALBUQUERQUE, N.M.--U.S. Air Force Technical Sergeant Fred D. Tippett, son of Mr. and Mrs. Charles C. Tippett of Lostine, Ore., has been recognized for helping his unit earn the Military Aircrew Award for accident free flying.

Sergeant Tippett is a supply inventory supervisor with the 58th Weather Reconnaissance Squadron at Kirtland AFB, N.M. The unit conducts missions on a global scale for the Air Force, National Aeronautics and Space Administration and other scientific organizations under the auspices of the Department of Defense.

The sergeant, a veteran of the Korean War, has completed a tour of duty at Bien Hoa AB, Vietnam. He is a graduate of Lostine High School and attended Eastern Oregon College of Education, LaGrass.

His wife, Margie, is the daughter of Mr. and Mrs. C.D. Anderson of Spade.

SCOTTY OLIVER, LINEBACKER--Scotty Oliver, son of Mr. and Mrs. Martin Oliver, wears number 50 when he goes into a ball game for the University of New Mexico. Oliver is a senior at the university and is a 165-pound linebacker. Head Coach Rudy Feldman said of Oliver, "He has given the squad excellent senior leadership, is an excellent competitor and although he is not big in size, he plays 100 percent, always."

Deadline Nears For November NROTC Exams

The Navy Recruiting Office, Clovis, New Mexico announced today that the deadline date for making application for the Regular NROTC qualifying examination is fast approaching.

Applications must be received by the Science Research Associates on or before 15 November 1968. Applicants will participate in the nationwide competitive examination on 14 December 1968, the only date on which the examination will be given, as the first step toward a college education and a regular commission in the naval service.

All tuition, fees and books are furnished by the Navy, and the student receives a subsistence allowance of \$50.00 per month for not more than four years. During each summer between his college years, a midshipman participates in training periods.

High school seniors and graduates who will be entering college in September 1969 and who will be at least 17 but not 21 years of age by 1 July 1969 may apply for the Navy College Aptitude Test. Those who make

a qualifying score on the Navy College Aptitude Test (NCAT) will be given a medical examination and will complete their applications in January and February of 1969.

Applications for the NCAT are available at local high schools, the Navy Recruiting Station, Clovis, New Mexico, or from the Chief of Naval Personnel (Pers-B041), Department of the Navy, Washington, D.C., 20370.

Ernest Perez With Support Group: Vietnam

VIETNAM, October 10 -- Marine Lance Corporal Ernest Perez, son of Mrs. Mike Perez Sr. of 1032 S. Main, Muleshoe, is serving with Force Logistic Support Group A, a unit of Marine Force Logistic Command in Vietnam.

The group primarily furnishes supply service and maintenance support for Marine units operating in the central sector of the five northernmost provinces of Vietnam.

In addition to normal functions, Men of Force Logistic Group A maintain their own perimeter guard and provide quick reaction forces made up of personnel from all occupational fields as supply clerks, maintenance personnel and bakers. They also supplement combat units as the need arises.

JUST BECAUSE Just because nobody disagrees with you doesn't necessarily mean you are brilliant-- maybe you're the boss. --Record, Columbia, S.C.

TRUE! The only woman who'll listen to both sides of an argument is the woman who lives next door. --Beacon, Philadelphia.

TREASURES

He walked a long time and rang many doorbells and "scared" a lot of people in order to acquire his Halloween treasures. He wants to sleep with his treasures beside him, where he can feel the sack with his hand.

These treasures somehow remind you that one of your responsibilities toward your adorable child is to teach him what real treasures are-- friends, country, church, good deeds, family, love of God, and quality of spirit, to name a few.

That "Trick or Treat" bag somehow reminds you of that scripture in Matthew that goes, "Lay not up for yourselves treasures upon earth where moth and dust corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: for where your treasure is, there will your heart be also."

You know that the church will help you in this, so you vow again to be faithful to every service, thankful for all the wonderful workers there, asking God to help you and them.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth over man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

MAKE SAVINGS A HABIT... AND ENJOY THE GOOD THINGS OF LIFE

This chart will help you plan your savings goals. Put "money magic" to work for your family, by combining: (1) Regular saving -- a fixed amount each month (2) the good earnings we pay on your savings (3) Earnings on the earnings you leave in, compounded at regular intervals.

HOW SAVINGS GROW	\$5	\$10	\$25	\$50	\$100
	Monthly	Monthly	Monthly	Monthly	Monthly
1 Year	61.57	123.13	307.79	615.62	1231.24
5 Years	339.07	678.15	1695.14	3390.50	6781.00
10 Years	768.44	1536.88	3841.70	7683.90	15367.80
15 Years	1312.15	2624.30	6559.89	13120.64	26241.29
20 Years	2000.65	4001.30	10001.94	20005.20	40010.40

This Schedule is Based on our Current Rate of 4 3/4% a Year on Savings. With Earnings Added to the Account and Compounded Quarterly. Inquire About our 5% and 5 3/4% Savings Certificates.

Your Gift Can Work

Wonders...the United Way

There are people in our nation...in
 our community...who are counting on us.
 They are the needy, aged, sick and infirm.
 They are kids without homes and people
 without sight. They are people whose hope
 is in the United Fund and its agencies.

Show these people that we care...by
 giving generously. We must all do our share
 to assure them a better life. One gift to the
 United Fund can work wonders for many.
