

Kracker Krumb

Odd Bits Salvaged By The Editor

Somewhere there may be a copy of the Munday Times, issue of March 8, 1962. If you have it, it's worth \$2.50 to you.

The embarrassing revelation came to us last Saturday, that we were completely out of this issue—not even one single copy for our permanent files—which is almost an unforgivable sin among newspaper publishers.

Usually we gather together every copy of the past year along in January and bind them for permanent files. Then we like to have another one for our pigeon-hole file, which we file every Thursday when the printing is completed.

Either one of two things happened. We got careless and failed to file them away that Thursday, or a salesman came in and found he needed that copy, and took our last one.

When we see we've run kinda short when mailing is completed, we try to guard that pigeonhole carefully. Sometimes we've had to almost fight a salesman off the last two copies we have.

Anyway, we slipped up with our January filing. We'd think of it after work hours, maybe at home, maybe some place else. Then last Saturday, we had Earl go through last year's files to secure one of each week for our permanent files. He announced this copy missing.

We have very slight hopes of finding one—but would be happy if we could.

The vacation period is in its final stages—vacation from school and the annual vacation from the job. Some of Munday's population are off this week, getting away possibly for the last time before school starts.

And school will be starting within the next ten days—with registration of students slated for Friday of next week.

Activity has begun on the Mogul football field, as Coaches Bingham and Lowrance started the fall football practice on Monday. Those Moguls have a fine last year's record to defend, and our guess is that they will be doing a good job of it.

We hope students don't mob us; but, personally, we're glad to have activities starting around the school buildings again. Maybe the weather had something to do with it, but this summer vacation period seemed far too long for us.

There'll be a number of new faces in the Munday school system, as the teacher list published early this month revealed. Patrons and citizens of the community will be meeting these new teachers in church and community activities, as well as school activities. We hope the associations during the next nine months will be pleasant and encouraging.

There'll be some new persons, too, we suspect wearing the numbers of the Munday Moguls. We understand that our coaches have some likely candidates to take the places of those lost by graduation last year, and fans will be following the Mogul activities with interest as the coaches continue the task of building a football team, which was started with the first fall practice Monday.

We hope Haskell can keep "The Thang" if they can't locate it and eliminate it. We hope she can keep her robbers, too!

But it may not be so. Earl McNeill stopped us Tuesday and asked about how big a footprint "The Thang" made. Of course, we didn't know, but he told us that after a recent shower something came to his place at night and walked around his pickup. "It was something of the cat family," he said, and we believe he said its paw spread was over five inches.

"Now listen," we admonished, "let's let 'The Thang' stay down at Haskell, and not be coming up our way."

Visitors in the home of Mrs. G. P. Burns last week were Mr. and Mrs. Tom Walker and Ronnie and Mattie Price of Fort Worth and Mr. and Mrs. Henry Thompson of Burkburnett.

Former Rhineland Man Is Killed In Accident West Of Childress Friday

K. W. Homer, 54, of San Mateo, Calif., former resident of Rhineland, was killed last Friday morning when his car went off an embankment about one mile west of Childress. Investigators said he apparently went to sleep while driving.

Mr. Homer was en route to Rhineland to pick up his wife and children, who had been spending their vacation period with Mrs. Homer's mother, Mrs. Catherine Kuhler. His wife is the former Victoria Kuehler.

Mr. Homer was a native of Knox County, having been born in Rhineland on November 16, 1909. The family moved to Paris, Ark., in 1952, then to California in 1955, where Mr. Homer was

employed by Consolidated Termite Co., at Palo Alto.

Rosary was said at McCauley Funeral Home at 8 p.m. Sunday.

Requiem Mass was said in St. Joseph's Catholic Church in Rhineland at 9 a.m. Monday. The body was taken to Paris, Ark., for services and burial at 9 a.m. Tuesday.

Survivors include his wife; four sons, Morris Joe of Paris, Ark., William Harold of San Diego, Calif., and Mark and Gerard of the home; three daughters, Patricia of San Diego and Diana and Donna of the home; his mother, Mrs. Mary Homer of Lindsey; three brothers, Alfred Homer of Groom, Hubert Homer of Pampa and Philip Homer of Rhineland; three sisters, Pauline Brady of Lamesa, Helen Hall of Akron, Colo., and Sister Geraldine of Jonesboro, Ark.; and three grandchildren.

Registration In Local Schools Begins August 30

Registration in the Munday school system is planned for Friday, August 30, and the following schedule has been announced:

Elementary school, 8 to 12 a.m.; Junior high school, 8 to 12 a.m.; seniors in high school, 7:30 to 9; juniors, 9 to 10:30; sophomores, 10:30 to 12, and freshmen, 1 to 2:30 p.m.

Buses will not run on registration day.

First grade students who will attend school for the first time this year and who registered last spring will not need to register again on August 30. Birth certificates are required of the beginners who have not already registered.

Students who will be enrolled in the special education class will register on Tuesday, September 3.

Classes will begin at 8:30 a.m. Tuesday, September 3, and the regular schedule will be observed. School will be dismissed at 3:30 p.m. each day.

The buses will run on regular schedule, and lunches will be served in the lunch room beginning September 3.

Vickie Bell Tells Of Stay At Kerrville

Vickie Bell, who recently completed two week's stay at the Lions Club's crippled children's camp at Kerrville, was a special guest of the Munday Lions Club at its regular meeting Tuesday.

Vickie told of some of the activities at the camp and showed several articles of handiwork which she had completed while there. This was her second trip to the beautiful camp at Kerrville, and was more enjoyable for her as she saw a number of those whom she met last year.

Vickie is the daughter of Mr. and Mrs. Riley B. Bell.

Former Resident Dies On Sunday

Funeral services were held for Aaron Burr Lee, 96, a former resident of Munday, at 10 a.m. Tuesday at the Higginbotham Funeral Chapel in Pising Star with Rev. H. K. Neely, pastor of the First Baptist Church, officiating. Burial was in Rising Star Cemetery.

Mr. Lee died at 3 p.m. Sunday at his home in Dallas, where he had been living for the past 5 years.

Born August 2, 1867 in McLeansboro, Ill., he farmed for many years in West Texas before retiring in 1941. He was an ordained Baptist minister.

Survivors include seven sons, Earl of Dallas, William of Whitney, Orel of Mena, Ark., Alton of Waco, Herschel of Dallas, Vernon of Denison, Paul of Denton; two daughters, Mrs. Beulah Kitchens of Sand Springs, Okla., and Mrs. Ella Fitzgerald of Rising Star; one brother, R. L. of Yucipa, Calif., one sister, Mrs. Mattie Rankins of Rising Star; 15 grandchildren and a host of great-grandchildren and great-great-grandchildren.

COMING AUGUST 27

A representative of the Social Security Administration will be in Munday at the City Hall on Tuesday, August 27, 1963 from 10:00 a.m. until noon. You are invited to meet with the representative to file your claim or to obtain information concerning social security.

Board Members For United Fund Named Recently

Officers of the local United Fund announce the election of three new board members to serve three-year terms. They are: Mrs. Charles Hogsett, W. O. Smith and Mrs. Omar Cure. Retiring directors are Paul Pendleton, Gene R. Haynie and Mrs. G. R. Eiland.

James Blakley was elected for a one-year term to replace J. Weldon Smith, who resigned.

Hold-over members are Clint Norman, V. E. Moore, Gene Thompson, Mrs. Goodson Sellers, Mrs. Rhoades Allen and Mrs. Callie Ann Combs.

Officers for next year are: Clint Norman, chairman; Mrs. Rhoades Allen, co-chairman; W. O. Smith, treasurer; and Callie Ann Combs, secretary.

Drive chairman is V. E. Moore, with Charles Baker and Goodson Sellers assisting as co-chairmen.

The board of directors, including the retiring directors, will make up the budget and admissions committee. They plan to have hearing sessions on August 28 and 29 from 2 to 4 p.m. All agencies requesting to be included in the 1964 budget are invited to appear before the committee while they are in session.

The date for the 1964 drive has not been definitely set; however, it will be during the month of October.

Benjamin School To Open Sept. 2nd

The fall term of Benjamin High School will open on Monday morning, September 2, Roy Tomlinson, superintendent, has announced.

The school buses will make their regular runs, and classes will begin at 8:30 a.m., with a full day of classes.

Lunches will be served in the school lunch room at the same prices as last year.

Johnny Tom Hudson has been hired as coach of junior high and high school athletics.

Mr. and Mrs. E. C. Zeckser, Mike and Mark, of Midwest City, Okla., visited Mr. and Mrs. J. L. Stodghill and other relatives from Friday until Wednesday.

WHEN THE FRENCH WARSHIP 'BOUVET' recently docked at Chicago, it became the first French ship of its class to visit an inland U.S. port. On hand to greet the visiting Frenchmen was Miss Janet Bucklin of the Sun Glass Institute who is shown presenting a pair of American-made sun glasses to Gerald Puybasset of the Bouvet crew. He revealed that most French sailors earn about \$3.00 per month in American money. Needless to say the gift was warmly received. When Janet asked what he would like to do first in the Windy City, Puybasset summoned his best English and replied enthusiastically, "Let's twist!"

Football Practice Begins, 19 Lettermen And 24 Other Moguls Report For Duty

With 34 men reporting for regular practice this week, Coaches Wayne Bingham and Troy Lowrance started the job last Monday of shaping these recruits for busy days ahead—the 1963 football season.

The boys are going through three hours of stiff and strenuous workouts each day. They report for practice at 8 a.m. and continue until 9:30, laying off during the heat of the day, then returning to the football field at 5:30 p.m. for another hour and a half.

Coach Bingham said Wednesday he had 10 of last year's lettermen back on the squad this year, including six of last year's winning regulars. It's too early in the season to make predictions, but Coach Bingham seemed pleased with the interest his boys are showing and prospects of the squad making a good showing.

"Prospectively," he said, "I believe we have a chance to have as good a team as we had last year—but that doesn't mean we'll win as many games. We were hurt deeply through graduation last year in several of the team's key positions, but we have men working out in these positions who are making good showings."

The opening game, with Rochester, will be a home game this year, and local fans will be favored with five home games before the Moguls will take to the road.

Dunbar School To Open August 29th

Dunbar school will open Thursday, August 29, with a faculty meeting in the science room. Registration for all grades will be held August 30, and classes will begin September 3.

Parents of beginners are asked to accompany their child on the day of registration, bringing the child's birth certificate and immunization records. Without these two, the child will not be permitted to enroll in school.

All students who have attended school some other place and will be entering Dunbar for the first time must bring book cards and all records at hand from the school they attended. Books will not be issued until these records are clear.

Faculty for the year: Mrs. W. L. Seaton, first and second grades; Miss Cherrie Johnson, fourth and fifth grades; Mrs. Gay Otis, fifth and sixth grades; Miss Billie Collier, seventh and eighth grades; Mrs. Lebertha Gipson, homemaking and science; Mrs. Hampton Boozier, English and history; Hampton Boozier, principal and mathematics.

MUNDAY MOGUL FOOTBALL SCHEDULE

Table with 2 columns: Date and Opponent. Rows include Sept. 7-Rochester, Sept. 13-Rule, Sept. 20-Knox City, Sept. 27-Haskell, Oct. 4-Open, Oct. 11-Henrietta, Oct. 18-Holiday, Oct. 26-Paducah, Nov. 1-Crowell, Nov. 8-Archer City, Nov. 15-Chillicothe.

TO LEAVE SOON FOR THE NETHERLANDS

Mr. and Mrs. Lee Lemaster and children of Lake Jackson will leave September 4 for The Netherlands where he has been transferred. Mr. Lemaster, who is in Dow Chemical's Texas Division Polyglycol Dept., is being transferred to Dow Chemical International. They will go to Haarlem, The Netherlands, first, and then to Terneuzen in the same country. Mr. and Mrs. Rush and their two daughters will reside in Munday.

The new English teacher is Gerald Holcomb, who has served in the Antelope and Alba school systems for the past several years.

St. Joseph's Parochial School will begin classes on August 27 with Sisters Mary Bertha and Marh Kathleen as teachers.

Weather Report

Farmers To Elect A. S. C. Committeemen For Knox County In Balloting By Mail

Farmers in Knox County were reminded today that community elections of Agricultural Stabilization and Conservation farmer-committeemen will soon be taking place.

T. W. Russell, Chairman, ASC County Committee, said that a farmer will be eligible to cast a ballot for the men he wants to represent him on the committee if he is participating or is eligible to participate in one or more of the national farm programs administered locally by the farmer-committeemen. Such a person is

eligible to vote in the committee election if he or she is of legal voting age and a farm owner, tenant, or sharecropper, or, if not of legal voting age, in charge of the farming operations on an entire farm.

Programs administered by the ASC committees include the agricultural conservation program, acreage allotments, marketing quotas, commodity loans, the feed grain program, the sugar act program, the national wool program, farm storage facility loans, and others as assigned by the Secretary of Agriculture.

Knox County elections will be by mail. Ballots will be mailed to all known eligible voters August 26 and must be returned to the ASCS office by September 11. The elections will choose three community committeemen and two alternates. The chairman, vice chairman, and regular member of the elected ASC committee will also serve respectively as delegate, alternate delegate, and second alternate delegate to the county convention to be held soon thereafter, where the ASC county committee will be chosen.

Four Accidents Are Investigated

The Texas Highway Patrol investigated four accidents on rural highways in Knox County during the month of July, according to Sergeant Frank Jirek, Highway Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$1,375.

The rural traffic accident summary for this county from January through July of 1963 shows a total of 35 crashes. As a result of these crashes there were two persons killed and 17 persons injured. The estimated property damage amounted to \$19,280.00.

Knox County Hospital Notes

Patients in the Hospital August 19, 1963:

Miss Maud Isbell, Munday; Mrs. Susan Dunn, Benjamin; Phyllis Bellinghausen, Goree; Mrs. Luke Birkenfeld, Munday; Mrs. Ben Hunt, Munday; Don Hawkins, Knox City; Mrs. B. McKord, Rochester; Dr. T. S. Edwards, Knox City; Mrs. Effie Chandler, Munday; Wayne McDade, Munday; Charles Burton, Truscott.

Patients dismissed since August 12:

Mrs. Fred Bufkin, Jr., Benjamin; Mrs. E. S. Allen, Vera; Oscar Hudspeth, Benjamin; Mrs. Hattie Keith, Bryan; Charlene Johnson, Goree; Mrs. Eristero Sandoval and baby, Munday; Eddy Lee Giles, Munday; Willie Jones, Knox City; Carl Coulston, Vera; Regina Mitchell, Rochester; Julia Martinez and baby, Goree; Mrs. Ed Johnson, Munday; Mrs. Jesse Acosta, Knox City; Mrs. Lewis Cassillas and baby, Rochester; Frank White, Abilene; William Roy Carver, Big Spring; Eddie Watson, Knox City; Roy Snoddy, Benjamin; J. W. Michels, Munday; F. G. Offutt, Munday; Mrs. D. C. Key, Munday; O. O. Putnam, Munday; Sadie Burton, Goree; Mrs. Charlie Groves and baby, Benjamin; Mrs. Bill Davis and baby, Munday; Harold D. Bankston, Knox City; Mrs. Connie Saenz and baby, Knox City; W. A. Beard, Rule; W. H. Waggoner, Knox City; Mrs. Ennis Carter, Rochester; H. E. Rogers, Rochester; David Brown, Munday; Liberty Bell Cotton and baby, Munday; J. A. Kinnibrugh, Vera; David Ellis, O'Brien.

Rhineland School Will Open Sept. 3

Rhineland High School will begin its 1963-64 school term on Tuesday, September 3, it has been announced.

Huey Rush of Corsicana is the new superintendent and coach. Mr. and Mrs. Rush and their two daughters will reside in Munday.

The new English teacher is Gerald Holcomb, who has served in the Antelope and Alba school systems for the past several years.

St. Joseph's Parochial School will begin classes on August 27 with Sisters Mary Bertha and Marh Kathleen as teachers.

Munday Teacher To Receive Degree

ABILENE—Mrs. Barbara Ratliff of Munday is a candidate for the Master of Education degree from Abilene Christian College in August graduation exercises.

A 1946 graduate of Munday High School, she majored in secondary teaching and minored in physical education and American studies for her master's.

About 50 master's degrees—an all-time record—are expected to be awarded in August.

Mrs. Latham, 87 Of Weinert Dies; Funeral Sunday

Mrs. Sallie Latham, 87, passed away at 3:45 p.m. Friday at her home two miles west of Weinert after being in ill health for two and one-half years.

Mrs. Latham was born December 24, 1879, in Paris, Texas, and married the late R. S. Latham in Cooper. The couple came to Knox County in 1920 and moved to Haskell County in 1930.

Funeral services were held at 4 p.m. Sunday from the First Baptist Church in Weinert with the pastor, Rev. R. N. Tucker, officiating. Burial was in Gillespie Cemetery under the direction of McCauley Funeral Home in Munday.

Survivors include one daughter, Mrs. Nellie Grimes of Weinert; three sons, Bill Latham of Weinert, Al Latham of Munday and Jess Latham of Lubbock; 12 grandchildren, eight great-grandchildren and four great-great-grandchildren.

Dr. R. G. Howell Begins Practice

Dr. R. G. Howell moved his family to Knox City during the week end, and he will be associated with the Knox City Clinic and Knox County Hospital. He will also be associated with Dr. David Eiland in his office in Munday.

Dr. Howell has just received his discharge from the Air Force. The Howells have two sons and one daughter.

Baptist Revival At Gilliland To Begin On Sunday

A revival meeting at the First Baptist Church in Gilliland will begin on Monday, August 26, it was announced this week by Rev. William A. Park, pastor.

Finlay M. Graham, a native of Argyll, Scotland and who is serving as a missionary to Beirut, Lebanon, will be the evangelist. The pastor will lead the singing. Services will be held at 8 p.m. daily through Sunday, September 1, and the public is cordially invited to attend.

Brother Of Local Woman Dies Friday

Funeral services for Hugh N. Roberts, 69, were held at 1 p.m. Tuesday from the Owens and Brumley Funeral Home chapel in Wichita Falls with Floyd J. Spivey, minister of the Lincoln Street Church of Christ, officiating. Burial was in the Byers cemetery.

Mr. Roberts, a former resident of Wichita Falls, passed away Friday in Los Angeles, Calif., where he had lived for 22 years. He was born April 1, 1894, in Fannin County, and was a painter by profession.

Survivors include two daughters, Mrs. Joyce Godby of Texarkana, and Mrs. Janice Wilson of New Boston; a son, Bill Roberts of Wichita Falls; a sister, Mrs. B. A. Yarbrough of Munday; and three grandchildren.

DISASTER WORK REQUIRES UNIQUE SERVICE—A Salvation Army officer gives cartons of fresh drinking water to flood victims when local water was contaminated. Often, Salvation Army workers in disaster canteens are first to arrive on the scene. Thousands of victims and rescue workers can be served entire meals from these mobile canteens.

### NEWSPAPERS ARE TOP SALESMEN

Television, like radio before it but to a far greater degree, has brought about major changes in the advertising picture. It has been an aggressive competitor with the other media, and its appetite for the advertising dollar, with the cost of producing even Grade B programs running to comparatively astronomical sums, seems insatiable.

But the power of the written word still gets top recognition.

An announcement from Sears, Roebuck and Company will interest those who like to read as well as to stare. It expects to spend more than \$60 million for newspaper advertising this year. Last year the figure was \$58 million, which represented 71.2 per cent of Sears' total retail media expense. The balance went to advertising through circulars, magazines, radio and television, and other media.

A spokesman tells the story: "This tangible evidence of our continuing faith in the potency of newspaper advertising. From the day Sears opened its first retail store, the company has made greater and greater use of newspapers. It is obvious that Sears store managers continue to regard the newspaper as their major medium for more than historical reasons. Their evaluation is based on the day-to-day results in their stores."

Television advertising is a catch-as-catch-can affair—you have to be looking at the set at the moment and it's gone in an instant. Print is durable and the prospective buyer can scan and consider it at his leisure.

### THOSE EMPTY SEATS

The problem facing the international airlines can be simply stated—too many empty seats.

The solution proposed by Pan American World Airways is an eminently reasonable one—lower fares. It wants to establish a new Thrift Class service which could send the happy traveler from New York to London for \$160. This is a whopping cut of 39 per cent, or \$103, from the going charge. A similar service would be provided between California's gateways and Hawaii at a one-way fare of \$100 as compared with the present Economy Class fare of \$133.

The introduction of over-ocean Thrift Class service to Europe and Hawaii marks the extension of a service on which Pan Am has operated for seven years on routes to Puerto Rico. And this run has justified Pan Am's belief—the number of passengers carried has increased year after year and the volume has considerably exceeded that of Economy and First Class.

The service to Hawaii, according to plan, will

### SUBSCRIPTION RATES

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

go into effect next November 1 on a daily basis. But the traveler who is interested in visiting Europe isn't advised to wait to save his \$103, pleasant as that would be. Inasmuch as an international route is involved, the new fare must be approved by the International Air Transportation Association, to which all the governments involved belong. There will be dissension, beyond doubt. It is to be hoped our own government throws its influence behind the plan. As the Seattle Times says, "Pan American should be allowed to demonstrate to the world it serves that private enterprise can set the pace for a lowering of international air fares."

### PURSUER DOESN'T MEAN CARRIED

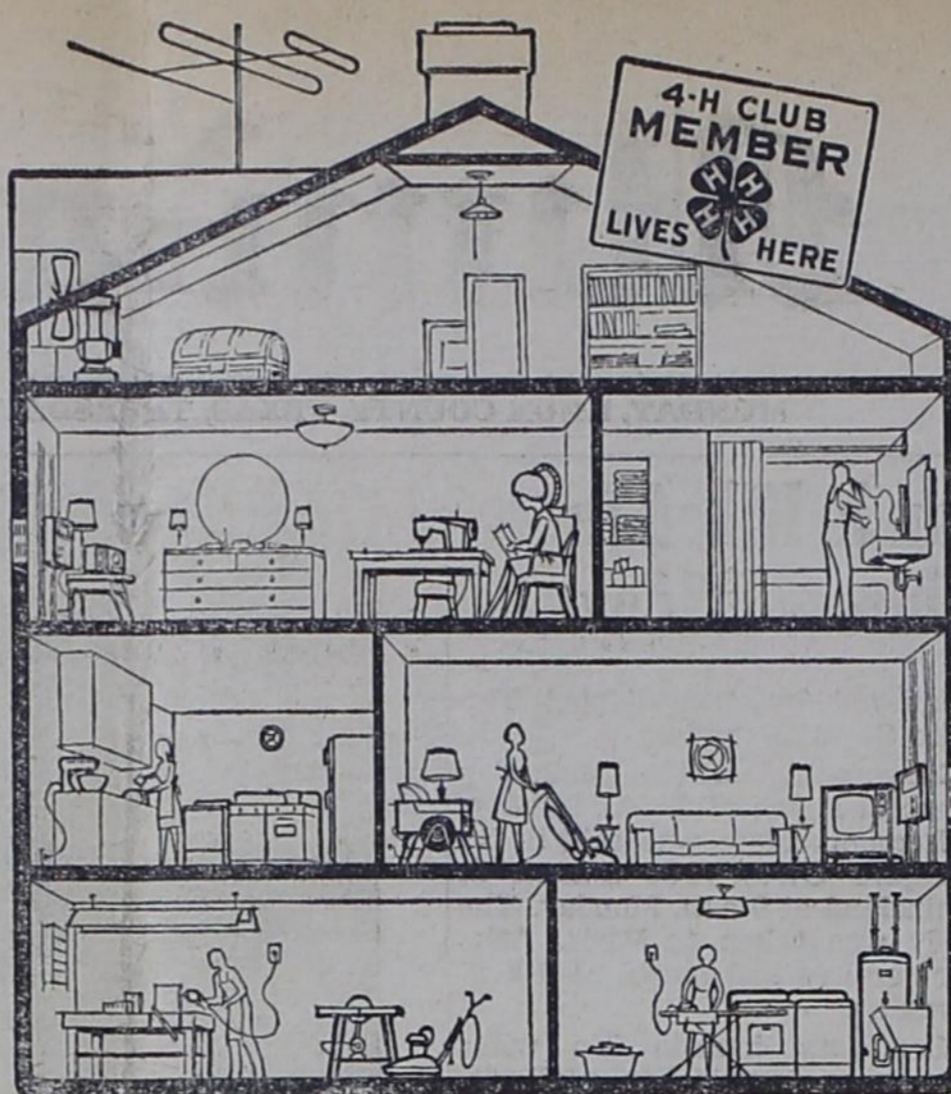

A. W. Quattlebaum observes in the Pike County Journal, Zebulon, Georgia: "Just because the Declaration of Independence says everyone is entitled to the pursuit of happiness, it doesn't mean the government should finance the chase."

This is a quip with profoundly serious overtones and undertones. The word pursue, in fact, involves voluntary, energized-from-within effort. It certainly doesn't mean we should be pushed, carried, or otherwise artificially transported toward some goal.

The founders and developers of this country knew that. In fact they regarded it as one of the most important bequests they could make to those who would follow them. It's time, past time, we remembered.

DE PERE, WISC., JOURNAL-DEMOCRAT: "A special presidential council on the Older American has concluded that the man or woman over 65 has become almost a second-class citizen. He may be hale and healthy, but he can't get insurance except at exorbitant rates, he can't get a job, he can't make his ideas known (except in higher professional levels), he is becoming more and more excluded from family councils, he is thrown into institutions and deprived of his liberty on the barest excuses. . . . All levels of government private organizations and individuals need to do their share to restore these stalwarts of another day to first class citizenship."

The morning after Charles Lindbergh flew the Atlantic nonstop from New York to Paris, an associate of Charles Kettering rushed into the research expert's laboratory in Dayton, Ohio, shouting: "He made it! Lindbergh landed safely in Paris!" . . . "He did it all by himself!" Kettering looked up from his work momentarily and remarked quietly: "When he flies it with a committee, let me know."

National 4-H Electric program sponsored by Westinghouse Educational Foundation

### How many ways is electricity used in this picture?

How many ways is it used in your home? Do you ever wonder what happens when you plug into a wall outlet? Where does the power come from? You usually can't see it unless it is in a light. Why do fuses blow? Why should you NEVER touch an electrical object with wet hands? Scores of 4-H Club members could tell you the answers. They found them while working in the 4-H electric program. Through the Cooperative Extension Service and sponsoring groups, the young people have access to some of the best personal guidance and informative literature in the electrical field. Boys and girls interested in electricity should see the county extension agent.

### Chemurgetics: Solution To Farm Surplus Problem

Chemurgetics is a new word for a relatively new field. Simply put, it describes the process of breeding plants for specific industrial uses—a sort of "you name it, we'll grow it" process.

In chemurgetics an industry determines the properties it wants in an agricultural raw material; then the geneticist, working with the chemist, attempts to breed those properties in an agricultural crop. Chemurgetics is research aimed in a positive direction toward crops that will have an immediate demand.

Recently the USDA and corn refining companies participated in a chemurgentic effort to increase the amylose content of corn. Pure amylopectin starch has important applications as a thickening agent, in the manufacture of adhesives and in textile printing and finishing. Potential uses for amylose also include permanent textile finishes, plastics, film making and paper pulp fiber bonding. Today a 50 to 60 per cent amylose crop called amylo-maize is being produced commercially on a contract basis.

Changing the starch composition is not the only chemurgentic interest in the corn kernel. Since corn is the most widely used agricultural raw material for industrial products and processes, and since more is known about the genetics of corn than of any other crop, it is not surprising that many of the developments of chemurgetics are with corn.

Work is currently progressing on a "super-sugary" sweet corn, a new sweeter eating corn. There is also considerable interest in in-

creasing the protein and oil content of corn. Most of the breeding to date has increased the zein present in corn. Zein is not as good nutritionally as the proteins, but is used in laminating adhesives, printing inks and plastics. There is a great increase in demand for corn oil which has advantages of polyunsaturated fatty acids such as linoleic.

Chemurgetics is a useful, significant word that describes what has in fact become a challenging new field, worthy of serious consideration by our college-bound young people, and a field which has broadened the market for agricultural products substantially.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963, SENATE JOINT RESOLUTION NO. 1 proposing an amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas be amended to read, respectively, as follows:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces; and provided further, that before offering to vote at an election a voter shall have registered if required by law to do so. The Legislature may authorize absentee voting. This Amendment shall take effect on December 1, 1963.

"Section 4. In all elections by the people the vote shall be secret ballot. The Legislature shall provide for the numbering of ballots and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of elections, and may provide by law for the registration of all voters. Should the Legislature enact a registration law in anticipation of the adoption of this Amendment, such law shall not be invalid by reason of its anticipatory character."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

"AGAINST the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

## Weekly Health LETTER

Issued by the State Health Department

AUSTIN—About this time each

year, thousands of Texas mothers suddenly realize that only a few more weeks remain until school begins.

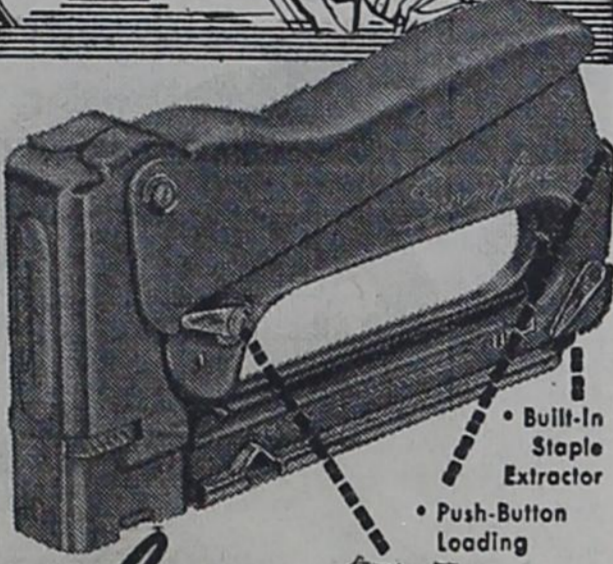

For those mothers who have six-year-olds beginning school for the first time this September the excitement is beginning to rise—and for mothers with no older children, a little bewilderment accompanies the excitement.

Smart mothers have already

## THE TOOL OF 1000 USES!

Also carpentry, shelving, storm windows, valances, window shades, plaster-wood walls, etc.

**CHAMP'S PROGENY TO GO ON BLOCK**—Offspring sired by the World's Champion Cutting Horse will be auctioned for the first time on Sept. 7 when mares in foal to Cutter Hill (above) and some of his two-year-old fillies are offered at the Rex C. Cauble ranch near Crockett, Texas. The record-smashing palomino is on his way to winning the world title for the second year in a row despite his duties at stud. Ike Hamilton will be auctioneer.

## Advertising Agency Opens New Building

Marking its fiftieth year as a national advertising and marketing agency with headquarters in the Southwest, Tracy-Locke Company, Inc., opened its new building at 3960 N. Central Expressway in Dallas Thursday, August 15.

With more than 36,000 square feet on three floors, the new Tracy-Locke building is the first major structure in the South designed from the ground up for an advertising and marketing agency operation.

Listed among the top two percent of the nation's agencies, Tracy-Locke is the largest agency in the South. It handles advertising for 20 of the nation's and the Southwest's leading food, beverage, industrial, financial, petroleum, apparel, insurance, and utility companies. There are more than 100 employees in Dallas. The agency also has a branch in San Antonio.

Morris L. Hite has been president of the agency since 1950, with Raymond P. Locke retired. Mr. Locke, Shelley Tracy and Joe M. Dawson were the co-founders.

## YOU—AMERICAN BOY

Have you ever dreamed of hiking the wilderness trails that were worn down under moccasins hundreds of years ago? Do you hear in your imagination the almost soundless dip-dip of Indian canoe paddles or the ring of the axe of an early pioneer hewing a home out of the American wilderness? Have you followed with your mind's eye the covered wagons on the trek across our continent? Have you thought of the men and women who built our country by their determination and devotion?

You are the descendant of those people. You are the guardian of what they built. You are the American on whom the future of our wonderful country depends.

Today you are an American boy. Before long you will be an American man. It is important to America and to yourself that you become a citizen of fine character, physically strong, mentally awake, and morally straight.

Boy Scouting helps you to become that kind of citizen. Also Scouting gives you fun and fellowship if you are between 8 and 18 years of age. Cub Scouting is for boys 8-10 years of age; Boy Scouting, 11-14 years; Exploring, 15-18 years.

Yes, it's fun to be a Scout. It's fun to go hiking and camping

with your best friends . . . to swim, to dive, to paddle a canoe, to wield and axe . . . to follow in the footsteps of the pioneers who led the way through the wilderness . . . to stare into the glowing embers of a campfire and dream of the wonders of the life that is in store for you in Scouting.

## LOCALS

Dr. and Mrs. David Eiland and children are vacationing in Corpus Christi and other points this week. They were accompanied by Miss Kay Taber, daughter of Mr. and Mrs. Artie Taber. Dr. Eiland will be back in his office next Monday.

### BENJAMIN NEWS

Mrs. Marvin James of Tahoka spent the week end with Mr. and Mrs. Hammons Pierce, other relatives and friends.

Mrs. Myrtle Meinzer spent last week with Mr. and Mrs. Penny Meinzer and daughter in Childress.

Mr. and Mrs. J. C. Bumpas, Jr., and children visited her parents, Mr. and Mrs. Estell Pierce and family over the week end.

Mrs. Elton Ramsey of McKinney, Mr. and Mrs. Clarence

George and son, Ben, of Arlington and Mrs. Clarence Box of Blue Ridge visited Mr. and Mrs. O. V. Chitty and Mr. and Mrs. D. V. Gilbert, Nan and Judy, here last week. They were enroute home after attending funeral services for Wade Chitty in Tulsa.

Miss Linda Swanner of Grand Prairie visited with relatives and friends here last week.

Mrs. Jim Cash and children, Freddie, Kerry and Trena Ray, of Gilliland visited her mother, Mrs. Lillie Ryder, Monday.

Mr. and Mrs. James McCanlies and daughter, Deloris Yarbrough,

### Warren Spahn Drives "Relief Taxi"

Full-time pitcher and part-time rancher, Warren Spahn looks right at home behind the wheel of an Allis-Chalmers B-1 tractor. The versatile garden tractor with "passenger" trailer was used to taxi relief pitchers to the mound during a recent Braves-Giants series in Milwaukee. Spahn, one of the top lefthanders of all time and ace of the Braves staff, is an old hand with tractors. He uses them on his beef cattle ranch in Hartshorne, Oklahoma.

### Miss Joan Cude Is Honored At Shower

Miss Joan Cude, bride-elect of Jerry Hutchinson, was honoree at a bridal shower Tuesday evening, August 13, from 7 to 9:30 at the Weinert Community Center.

Guests were greeted by Mrs. Tom Morton and Mrs. W. B. Guess. In the receiving line with Miss Cude were her mother, Mrs. Elmer Cude, Mrs. R. E. Hutchinson, mother of the groom to be, and Miss Cude's grandmothers, Mrs. E. J. Cude and Mrs. E. H. Mullican.

Mrs. Zane Franklin registered the 75 guests in a white leather bride's book with silver lettering. Registry table was laid with a white embroidered lace trimmed cloth.

### Judy Anderson Is Honored Saturday

Miss Judy Anderson, bride-elect of John Massey, was honoree at a luncheon last Saturday in the home of Mrs. J. Weldon Smith. Co-hostesses were Mrs. E. L. Horton, Jr., and Miss Linda Kay Smith.

Tables were decorated with bouquets of pink crepe myrtle. Guests were members of the bridal party, Misses Nancy Penick, Claire Harpham, Jan Pendleton and Jan Hawkins, the bride-elect's mother, Mrs. Jeff Anderson and Mrs. Joe Massey, mother of the groom to be.

### Walker Appointed To State Hospital

Henry Walker, well known local man, was recently appointed as a counselor at the state hospital in Wichita Falls. He will assume his duties on September 1, and will be in charge of the alcoholic rehabilitation program.

Walker said he will maintain his home in Munday, and will return here on week ends.

Dr. and Mrs. Richard Gilkey of Clarendon visited Mr. and Mrs. Troy Moore last Saturday, enroute to Austin for a visit.

The first Postal Savings Bank in America was opened in 1911.

Mr. and Mrs. Edward Lee Kirk, Ollie and Sandra, of Abilene spent Sunday with his parents, Mr. and Mrs. Oliver L. Kirk. They were enroute to Chicago where he will attend a school for two weeks.

Mr. and Mrs. Ed Thompson visited relatives in Borger over the week end.

Raymond Stewart of Shamrock visited in the home of Mr. and Mrs. Pete Barnett and Mrs. Della Barnett Monday night.

### Distinguished Service Winners Announced

Four county home demonstration agents of Texas have been named winners of Distinguished Service Awards for 1963, highest recognition given by the National Home Demonstration Agents Association.

They are Mrs. Mildred Roberta Pugh, Lipscomb county; Mrs. Bernice P. Thurman, Cooke county; Mrs. Mildred Y. Martin, DeWitt county and Miss Louise Brown Newman, Jim Wells county.

Winners were announced by Mrs. Nellie Nichols, Nueces assistant county home demonstration agent and chairman of the awards committee. She said the awards are made annually to agents from throughout the nation who have rendered outstanding service to the people with whom they have worked for a period of 10 years or more. The ability to develop leadership and effective programs in adult and 4-H work were major factors considered in the awards program, she explained.

Texas winners will receive plaques during the National Home Demonstration Agents Meeting in Salt Lake City, Utah, Sept. 29-Oct. 3. They also will be recognized in ceremonies at the state association in San Antonio, Oct. 17-19.

Mrs. Delmon Alexander of Waco was here the first of this week to assist Dr. Alexander on Monday and Tuesday prior to his moving to Waco, where he will be located in the future.

**CARD OF THANKS**  
 We wish to thank each and everyone who helped in anyway during the illness and death of our loved one. May God bless you all.

**Servis GYRO 60 STALK SHREDDER**

3" stalks and brush—a cinch!

Heavy duty, for sure! Has been demonstrated on rows of 4" x 4" posts. Easily cuts tough growth like bois d'arc, salt cedar, broom corn. Yet, fits lighter tractors: 20 to 40 HP. Fine shredding. Optional shredding attachment features patented intermeshing blades, makes fine litter of cotton and grain stalks to turn under for soil enrichment. Cuts 60" swath.

Fan-type blades available to lift light materials like corn stalks off ground.

A-shaped blade carrier and free swinging blades protect against stump damage. Extra heavy blades and carrier develop tremendous momentum, are the secret of the efficient "gyro action" cutting.

Also lift models and other sizes. 60" lift model fits all standard 3 pt. lift, 2 pt. Fast Hitch, and AC Snap Coupler. Larger models include 66", 84", 100".

Plan to see Servis Gyro this week at:

**4-H'ers Find It Pays to Keep Electrical Equipment Tip-Top**

Just as electricity revolutionized American industry before the turn of the century, it has within the past two decades revolutionized communication, recreation and housekeeping. Millions enjoy more leisure hours, better health and safety.

Meanwhile young and old have had to learn to use the hundreds of new electrical items. Knowing how to maintain and repair lamps, motors, appliances and power tools—to name a few—is a distinct advantage and money-saver. Families realize that electricity actually is a silent servant, and if properly treated will give dependable service 24 hours every day of the year.

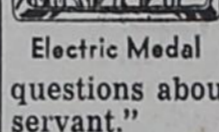

**Learn About Electricity**  
Keeping pace with the growing use of electrical power and equipment are the nation's 4-H Club members. The national 4-H electric program was launched about the same time hundreds of new electrical items reached the market for farm and home use.

Now in its 28th year, the program covers up-to-date projects spelled out in an expanding series of why-and-how-to-do-it guide sheets. Subjects range from basic cord repair to complicated wiring systems and electronic devices.

According to 4-H boys and girls completing electric projects, what they learned and applied resulted in more utility, comfort and enjoyment in the home. Dollar savings or increased values also were reported.

Said a recent national 4-H scholarship winner: "From the

time I was a little boy, I watched my father wire light sockets, put in receptacles and repair appliances. I wanted to know what electricity was; why it could only be seen in light bulbs; why it could shock a person, and answers to countless other questions about this mysterious servant."

Apparently the young man found many of the answers in tackling some 1,300 different electrical jobs during his 4-H membership.

**Offer \$500 Scholarships**

Sponsor of the 4-H electric program since its inception is the Westinghouse Educational Foundation. Besides helping to develop the wealth of educational material made available to electric club members and leaders, Westinghouse annually provides funds for county medal awards, trips to the National 4-H Club Congress in Chicago for 50 state winners and six \$500 college scholarships, an increase of \$100 each over last year.

Current enrollment in all 50 states is around 160,000, according to the Cooperative Extension Service.

day; Mrs. Jim Shipman, Dan, Mary Lou and Anita of Burkburnett; Mr. and Mrs. Flaude Gribble, Mary Louise Randall, Mrs. Frank Feemster, Mrs. Rosa Machen, Mrs. Maud Randall, Maud and Cliff Randall, Alma Fay and Leslie Trammell, Mr. and Mrs. Lestel Trainham of Ft. Worth; Mr. and Mrs. Walter Trainham of Benjamin; Kenneth and Neilli Trainham of Grand Prairie; Mr. and Mrs. Joe Lewis, David and Dena, Mr. and Mrs. Charles Trainham of Wichita Falls; Mr. and Mrs. Finie Bratcher and children of Bowie; Mr. and Mrs. J. L. Trainham, Jr., and boys of Arlington; Mrs. Louise Trainham and children, Otho and Mary, of Honey Grove; Jerry Trainham of Lubbock; Wesley Trainham, Mr. and Mrs. Barney Welch, Mr. and Mrs. Jess Trainham, Mr. and Mrs. Bill Feemster and Clyde, Mrs. Bobby Roberson and Kathy and Mr. and Mrs. Sam Shipman all of Vera.

**Attends Fashion Market In Dallas**

Mrs. Clarice Mitchell, buyer for Clarice's Dress Shop, attended the annual holiday fashion market in Dallas on August 18-22.

During market, buyers selected holiday fashions from over 7,000 lines on display, thus assuring local customers of up-to-the-minute selections of fashion-right material.

The holiday market is one of the most exciting of the four major markets held in Dallas each year, as most of the items shown are of a luxurious, festive nature. Holiday evening wear, jewelry, accessories, and gift lingerie are at the top of the shopping lists for most of the buyers attending this market.

Guests of Mrs. Tennie Suggs last week were Misses Kathy and Dana Jo Suggs of Arlington and grandson, Billy Ray Reagan. Mrs. Louise Reagan and son, Jackie, of Wichita Falls were guests over the week end.

**DON'T WORRY I'LL HOLD MY OWN**

I am Kevin Wayne Smith. I made my arrival at 5 a.m. Sunday, August 18, 1963 in the Hamlin Memorial Hospital in Hamlin, Texas. My parents are Mr. and Mrs. Richie Wayne Smith of Stamford. I think I am something special cause I'm their first child and also the first grandson for my paternal grandparents, Mr. and Mrs. C. J. Albus of Rhine-land. They already have three granddaughters, but since I'm a big boy, 8 pounds and 5 ounces, I think I'll be able to hold my own with the girls. My paternal grandparents are real proud of me too. They are Mr. and Mrs. Hill Smith of Hamlin.

**LOCALS**

Mr. and Mrs. J. J. Keel and Leona visited relatives in Winters and Abilene last Sunday.

Miss Tennie Montandon and her sister, Mrs. Bud McCarty of Knox City, visited Miss Alice McCarty in Abilene last Sunday.

Mr. and Mrs. J. R. Hill visited their daughter and husband, Mr. and Mrs. Phillip Cobb, in Abilene over the week end.

Mr. and Mrs. J. H. Amerson and his sister and husband, Mr. and Mrs. Andy French of Hamlin, enjoyed fishing at Lake Stamford from Wednesday until Saturday.

Miss Linda Kay Smith of Lubbock spent the week end with her parents, Mr. and Mrs. J. Weldon Smith.

Mrs. Helen Phillips and Becky of Fort Worth visited her sister Mrs. Roddy Griffith, and Chuck the first of this week.

Mr. and Mrs. Bob Brown and Linda accompanied his brother and family, Mr. and Mrs. Henry Brown and son, of Lubbock on a vacation to points in Colorado last week.

Mrs. Joe Frank Bowley and children of Irving and Mrs. J. O. Tynes of Dallas visited Mr. and Mrs. A. E. Bowley and Mrs. T. H. Armstrong several days this week.

A rubber stamp is the greatest labor and time-saving device of the modern bank, office or factory. Used in countless ways for the small investment involved it has no equal in business equipment.

**100** **UNITED STATES SAVINGS BOND** **100**

**TREASURY DEPARTMENT**  
**U.S. SAVINGS BONDS DIVISION**

**FACTS ABOUT UNITED STATES SAVINGS BONDS**

1. They are Government bonds especially designed for individuals and backed by the full faith and credit of the United States of America.
2. They are unexcelled for safety, liquidity, guaranteed interest return, and freedom from market fluctuation.
3. There are two types: Series E and Series H United States Savings Bonds.
4. Series E is an accrual bond. You buy it at 3/4 of its face value. The interest is compounded semi-annually. They range in size from \$25 to \$10,000.
5. Series H pays interest by Government check two times each year. You pay face value for the bond. They come in convenient sizes from \$500 to \$10,000.
6. The interest from both Series E and Series H is not subject to state and local income taxes and personal property tax.
7. Both Series E and H are registered bonds and will be replaced FREE if lost, stolen or destroyed.
8. They are easy to buy. Over-the-counter at most any bank or automatically through the Payroll Savings Plan. Easy to cash too—at your bank.
9. You can exchange E Bonds for Series H any time you wish. No charges for this service.
10. With Series E and H Bonds you pay no commissions and clip no coupons. And they keep on earning interest for you—and building strength for America—as long as you hold them.

## First Day School Schedule

Supt. E. B. Hosea has announced the first day school schedule which begins Monday, August 26, to be as follows: Buses will deliver the children to the school at 8:30 a.m. There will be a general assembly program at 9 o'clock. Lunch will be served at the cafeteria. School will be dismissed Monday at 3 p.m.

Parents of the first grade pupils are requested to come with them to help them get acquainted.

In our school news last week we failed to mention the schools that two of our new elementary teachers were graduates. Walter Davis of Weirnet is a graduate of McMurry College, Abilene and Mrs. Eva Blalock of Breckenridge is a graduate of South Eastern State College, Durant, Okla.

## PUBLIC NOTICE

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.**

**SENATE JOINT RESOLUTION NO. 16** proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the State of Texas to Three Hundred Fifty Million Dollars (\$350,000,000.00); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended to read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been designated the Veterans' Land Fund, a separate governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for issue and sale not to exceed Three Hundred Fifty Million Dollars (\$350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrue interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board; but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, be approved by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or pur-

## Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

principal and the interest thereon, together with the expenses hereinafter authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such sale shall be in accordance with the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract with which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby designated to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands held by the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board, in such quantities, on such terms, at such prices, and under such rules and regulations as are now or may hereafter be provided by law, to any veteran (90) continuous days, unless sooner discharged by reason of a service-connected disability, active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recording, field advertising and other like costs necessary or incidental to the purchase and sale or resale, of any lands purchased with any moneys attributable to such additional bonds, such expenses to be added to the price of such bonds, and for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1955, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for such purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon when there are sufficient moneys to retire all of such

## Stays Fresh Longer

Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate duties, responsibilities, functions, and authority to the Veterans' Land Board as it deems necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state on an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law.

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in accordance with the provisions of the Constitution and laws of this state.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published by the printer when there are sufficient moneys to retire all of such

All in good repair, newly painted inside and out, nice corner lot and lots of shade trees. Also garage. See owner next door east or call O. V. Milstead, phone 4901. 6-tfc

## Knox Prairie Philosopher Takes A Close Look At Idea Of Selling Farm Vacations To The City People

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek discovers a new idea on increasing farm income, his letter this week indicates.

J. A.

Dear editor: With so many other grave problems facing the thinkers of the nation the farm problem generally has been ignored lately and it was therefore a pleasure to find an article in a newspaper last night getting back to the subject.

According to it, one way for a farmer to increase his dwindling income is to sell farm vacations to over-worked, wound-up city people. Instead of going to the beach or the mountains, a city family relaxes on a farm.

The way it works is, a wound-up city man comes out and spends a week or two in your home, away from the noise of the metropolis, where he can get close to nature, study your folkways, view the scenery, enjoy a simple life, help with the fascinating chores, watch the sun go down, eat three solid meals a day, walk through the countryside, sleep soundly, and awake to the sweet lowing of cows, which generally takes place around day-break.

Then he pays you for all this, and you take the money and light out on a vacation of your own.

Now I don't know whether this will work or not, but I can testify that I have tried it on a limited basis and my advice to any farmer planning on making money off of city visitors is to watch his prospective clientele pretty close.

I mean, the first thing you want to do is to steer clear of relatives and in-laws. You can do

lots of business with them, but the financial gains are awfully meager. It's sort of like the foreign aid business, all you get is goodwill and that stops when the aid does.

If there are any city people who want to vacation on this Johnson grass farm, I want it understood it's cash in advance. I wouldn't be interested in a swap where I'd have to spend a week in the city. I don't need to un-wind. I never have wound up.

Yours faithfully,  
J. A.

**NOTICE TO BIDDERS**

The Knox County Commissioners' Court will receive bids on one new asphalt distributor up until 10:00 A.M., Monday, September 9, 1963, in the usual meeting place, in County Court House, Benjamin, Texas. Specifications can be obtained from the County Judge's office, Benjamin, Texas. Offered in trade as part payment is one used 400 gallon trailer-mounted distributor which can be seen at the County Barn Precinct No. 1, Knox City, Texas.

The County reserves the right to accept or reject all or any part of any bid, waive minor technicalities and award the bid to best serve the interest of the County.

L. A. Parker  
County Judge of Knox County,  
Texas 7-2tc

**NOTICE** — Knox County Baracks No. 1029 and auxiliary have changed their meeting night to the third Monday night of each month. Next meeting will be September 16. R. F. Horan, Q. M. 7-2tc

**CUSTOM STRIPPING** — I have new Hesston brush type cotton stripper to do you a good job. Oscar Spann, phone 6767. 7-tfc

## LOCALS

Here's a picnic tip about a long-time favorite: If you include hard-boiled eggs in the menu, keep them in the shell until served. After cooking and chilling, put the eggs back into the carton. They'll be easier to carry and less susceptible to spoilage than shelled eggs.

**DESSERT LOVERS** — want an easy answer to the fancy dessert problem? Let frozen bakery products lend a hand. German-style "tortes," particular favorites of those with a sweet tooth, are a cinch with frozen pound cake. While the cake is still firmly frozen, slice lengthwise into four thin layers. Make chocolate cream by melting one-half package semi-sweet chocolate squares and whipping into one-half pint heavy cream, whipped. Spread filling between each layer and cover top and sides. Decorate with about three-fourths cup slivered almonds and chill until firm. Slice like bread and serve cold. Makes eight delicious servings.

If two drinking glasses are stuck together, one inside the other; fill the inner glass with cold water and set the other glass in hot water and they will come apart easily. The cold water causes the inner glass to shrink slightly; the hot water will expand the outer glass.

**"CAR WASHING PROHIBITED** except between 10 a.m. and 12 noon! Only water lawns from 9 p.m. to 12 p.m.!" Are notices like these found only in some arid area of the Southwest? Not on your life. Just last summer residents within fifteen miles of New York City received these warnings, according to the National Water Institute. Was there a water shortage? No, the tremendous demands in hot summer months so taxed the inadequate water system that pressure trickled down to nothing. There was plenty of water. It just didn't reach the people who needed it when they needed it. Support your local officials. See to it that they are able to purchase the equipment to give you an adequate supply of high quality water.

Mr. and Mrs. Joe O. Johnson of El Cajon, Calif., spent last week with her mother, Mrs. Mattie Gray.

Gene Harrell, Jr., of Portales, N. M., spent last week with his grandfather, E. W. Harrell.

Mr. and Mrs. Dorse Collins, Stacia and Karen, visited Six Flags over Texas last Monday.

Mr. and Mrs. Skip Cure and children of Lawton, Okla., came in last Friday for a week's visit with their parents, Mr. and L. C. Guinn, Jr., of Knox City and Mr. and Mrs. Omar Cure.

Chris Harrell of Portales, N. M., is spending this week with his grandfather, E. W. Harrell.

Mr. and Mrs. Felton Raynes, Larry and Shelly, of Lawton, Okla., visited their parents, Mr. and Mrs. T. V. Yost and Mr. and Mrs. M. L. Raynes, last Sunday. Mrs. Raynes and children remained for a weeks visit.

Mrs. Ernest Ameen and children of Lubbock visited Mr. and Mrs. Sied Waheed and Nancy over the week end.

Mrs. J. W. Cowan, Mr. and Mrs. H. H. Cowan, Miss Merle Dingus and Henry Dingus met Mr. and Mrs. Harry Cowan and children of Borger at Childress last Sunday for a days visit.

Mr. and Mrs. Al Cartwright, Lou, Pat and Lisa, vacationed last week in Dallas and Rosser.

Misses Marilu and Melissa McCauley are spending this week with their grandparents, Mr. and Mrs. Bryan McCallum, in Mertens.

Mr. and Mrs. W. G. Welborn and Gaston visited Mrs. L. L. Williams in Ballinger last Sunday. Mrs. Clayton Wren and Erwin, who spent last week there and in Lubbock, returned home with them.

Bob Baker, Max Anderson and Stan Key returned home Sunday from two weeks at Philmont Scout Ranch in New Mexico. Mr. and Mrs. Charles Baker and Bill met them in Wichita Falls and brought them home.

CHARLES G. CLARKE, OWNER • PHONE 658-6391 • KNOX CITY, TEXAS

**FARM and RANCH Notes**

**JOE W. DOBY**  
COUNTY AGRICULTURAL AGENT

The brucellosis testing lab located in Knox City reports they have tested 6,512 cattle so far in the county. This is a total of 244 herds. One hundred ninety-six (196) of these herds tested negative, 22 had positive reactors and 26 were suspect. There have been a total of 63 reactor animals and 40 suspect animals in the county. The reactor animals are branded with a "B" on the left jaw and shipped for immediate slaughter. The suspect and reactor herds will be retested within 90 days to see if they will be clean.

The testing crews report they are moving slowly toward completion of testing. If any cattle owner has not had his cattle tested, please get in touch with me or the testing lab located at the K Courts in Knox City. Their telephone is 658-7031.

Now is the time to get those soil samples into the laboratory. Find out what kind and how much fertilizer is needed for those small grain crops this fall. We had tests last year that paid \$3 for every \$1 invested in fertilizer. Sample boxes and probes are available at different places over the county. It will pay you to take advantage of this service by your soil fertility committee. Ask about them at the ASCS office, Knox City; both banks; Weiss Store, Vera; Knox Prairie Seeds and Farmers Co-op Gin, Munday; Goree Gin and vocational agriculture teachers in the county.

I had a call from Mr. C. V. Hackney, Munday, three weeks ago. He had a field of cantaloupes in which the melons were rotting where they were in contact with the ground. Almost every melon in the field was affected. There was a white mold covering the affected area. I sent a sample to our plant pathologist for identification. He tells me it is southern blight, a soil inhabiting fungus that affects many crops, including most vegetables. Rotation with corn, wheat, oats or other grasses will lessen the damage. If it becomes too prevalent, soil treatment will have to be used.

There's a tax refund on farm truck gas. Most farmers are aware of the 4 cent per gallon federal tax refund they can get on gasoline. But some figure this means only "tractor gas." Not so. IRS Publication No. 308, 6-61, provides that gasoline is used for "farming purposes" if it is used by a farmer in carrying on a trade of business on a farm "in cultivating the soil, or in raising or harvesting any agricultural or horticultural commodity . . ." This would include gasoline used in trucks for planting and harvesting. The Revenue Service is mailing forms to farmers who claimed a refund last year. Farmers have until September 30 to file claims on gasoline purchased between July 1, 1962 and June 30, 1963.

If there are any producers or feeders who would be interested in beef carcass evaluation, this service is now available. The meat grading branch of the Agricultural Marketing Service will check your animal after slaugh-

ter for a number of factors under the following areas — cutability, maturity, and marbling.

Last week was the second straight week in which only thirteen cases of screwworms were confirmed over the entire state of Texas. At the same time, the native fly population is declining, the production at the mission "fly factory" is reaching new heights. More than 132 million flies were reared, sexually sterilized and distributed by airplane last week.

Lets not relax our guard, however. The arrival of cooler weather is the time for another buildup if ranchers do not take every precaution.

The most important thing is to take samples so that officials will know where the outbreaks are and can take steps to halt them before the flies can build up to large numbers.

The 1963 "Cotton Defoliation Guide" has been released recently. Copies may be obtained from the bulletin racks in the banks or at my office. Each gin in the county also received a copy.

Last year 77 per cent of the state's cotton crop was harvested by machine. The use of dessiccants and defoliants reached an all time high.

**ATTEND LUEDERS CAMP**

The following Royal Ambassadors of the First Baptist Church attended camp at Lueders last week: Jeff Searcey, Mike Lemley, Gary Cypert, Charles Taylor Hutchinson, Glen Reeves, Dennis Searcey, Holbrook Smith, Larry Smith, Rev. John Street and Edward Smith were counselors for the group.

**BIRTH ANNOUNCEMENT**

Mr. and Mrs. Bill Davis of Haskell are announcing the arrival of a son at 8 a.m. Wednesday, August 4, 1963, at the Knox County Hospital. He weighed 6 pounds and 3 ounces and has been named Michael Shane. Grandparents are Mr. and Mrs. Leslie Davis of Haskell and Mr. and Mrs. J. B. Tomlinson of Munday.

Mr. and Mrs. Ronnie Clifton and Dianna Kaye of Spur and Paul Slough of Dickens were recent visitors in the home of Mrs. Tennie Suggs. Mrs. Clifton and daughter also visited her other grandmother, Mrs. C. A. Reagan.

Mr. and Mrs. O. H. Spann, Jr., and daughters of Irving visited their parents, Mr. and Mrs. Oscar Spann and Mr. and Mrs. Jack Clowdis, over the week end.

Mrs. Everett Kuehler and sons and Mrs. Earl Brewer were visitors in Wichita Falls one day last week.

Jim and John Moore of Clarendon are spending several days this week with their uncle and aunt, Mr. and Mrs. Troy Moore.

Mr. and Mrs. Donnie Coody visited Mrs. Leroy Lain and family in Villa Ahumada, Mexico several days last week.

Mr. and Mrs. Joe Duke of Wichita Falls were Sunday guests of her parents, Mr. and Mrs. A. B. Warren.

Mr. and Mrs. C. B. Barbee and children of Bronte visited her parents, Mr. and Mrs. Clyde Nelson, several days this week.

**ATTEND MEETING**

Mrs. Bobby Winchester and Miss Lynda Navratil attended the state executive council of F. H. A. in Austin from Tuesday until Friday of last week. They reported a very interesting meeting.

**Area Grain Harvest Almost Completed**

Harvesting of this area's 1963 grain crop was slowed down considerably last week and will likely be completed within the next few days. One elevator operator stated last week that there will be some scattering combining of milo for sometime, since a portion of the grain is later at maturing.

Portions of the area's yield is exceptionally good, despite the dry weather at maturing time. Dryland maize yielded from 1,100 to 3,500 pounds, with some irrigated fields going as high as 6,000 pounds, according to reports.

Mr. and Mrs. Glynn Bilbrey and Cathy of Hereford visited his sister and husband, Mr. and Mrs. M. L. Barnard, and other relatives over the week end.

Week end guests of Mr. and Mrs. Ben Tuggle were Mrs. Lena Welch of Cleburne, Mr. and Mrs. Leon Tuggle and children of Snyder, Rev. and Mrs. L. A. Morgan from Buckner's Children's Home in Dallas, M'Liss Shipman of San Antonio, Mrs. Evelyne Malmos of Seymour, Mrs. Jimmy Bell and children of Abilene, Mrs. Billie Bradford and Cliffla Jean of Nocona and Mr. and Mrs. Coy Tuggle of Munday.

Mr. and Mrs. Don Johnson, Julie and Don Wylie of Poway, Calif., and Mrs. Johnson's nephew and wife, Mr. and Mrs. Ronnie Gummert of Los Angeles, Calif., came by last Monday afternoon to spend some twenty-four hours with Don's parents, Mr. and Mrs. Wylie B. Johnson. They have been on a vacation with Mrs. Johnson's relatives in Iowa. Relatives coming to see Don while here were his brother, Doyle Dean, and family of Graham, Mr. and Mrs. W. B. Hudson and Mr. and Mrs. H. R. Beauchamp of Knox City and Mr. and Mrs. Ed Johnson of Munday.

Mr. and Mrs. J. T. Gross of Big Spring spent Sunday night and Monday with her niece and husband, Mr. and Mrs. Wylie B. Johnson.

Mr. and Mrs. Clyde Pierce, Marigene, Duane and Dale of Dallas spent part of their vacation recently with her parents and brother, Mr. and Mrs. Ardell Spelce and Kenneth.

**CARD OF THANKS**

We wish to extend our thanks to all who were so kind to us in our recent sorrow, especially for all the food and flowers.

Mrs. Victoria Homer and family  
Mrs. Mary Homer and family  
Mrs. Catherine Kuhler and family 1tc
