### God's Word In Man's Salvation

Man's salvation has always depended upon God's word. God must instruct man in his ways so that he can walk uprightly. Jeremiah said, "It is not in man that walketh to direct his own steps." (Jer. 10:23). David said, "Thy word is a lamp unto my feet, and a light unto my pathway." (Ps. 119:105). Men who walk in darkness can never be saved. The blood of Christ cannot cleanse unless we walk in the light. (1 Jno. 1:7). Note, to walk in the light is to walk in his word.

Paul declares that God gives eternal life to all that obey him. (Heb. 5:8-9). Peter states that God gives the Holy Spirit to those who obey him (Acts 5:32). Jesus says that only those who do the Fathers will be saved (Matt. 7:21). Peter tells us that men's souls are purified in obeying the truth. (1 Pet. 1:21). Jesus said in John 8:32 "Ye shall know the truth, and the truth shall make you free." Again he said "Sanctify them through thy truth, thy word is truth." (Jno. 17:17). We are told in Romans 1:16 that God's saving power is in the gospel. To the Ephesians Paul refers to God's word as "The gospel of your salvation." (Eph. 1:13). The apostle James tells us that we are begotten by the word of truth and that it is able to save our souls. (Ja. 1:18-21). Friends let us study and rightly divide the word of truth which is the word of God. "Ye shall know the truth and the truth shall make you free." (Jno. 17:17).

## Knox Prairie Philosopher Amazed To Learn The Government Requires Some Businesses To Make A Profit

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek may be misinterpreting a law, but we aren't prepared to say.

J. A.

Dear editor:  
Up to now, I haven't paid too much attention to Congress's struggle to change the tax laws this year, figuring it would take its time and anyway what it has done is not as bad as what it could do.

But I read an article last night that has bowled me over and I'm coming out for some immediate changes. According to it, a Texas millionaire who owns a professional football team at Dallas has been satisfied to let the team lose an enormous amount of money for the past three years, just taking it off his income tax. But under an Internal Revenue Service law, he has only one more year to go, and if the team doesn't show a profit, he has to call it a hobby and go back and pay the taxes written off as losses the last three years.

This is a serious matter. You mean to say if I lose money four years in a row on this Johnson grass farm the government will call my farming a hobby and make me go back and pay income taxes on something I didn't make? Say I lost money four years in a row raising cotton, you mean to say the government could claim I was raising cotton as a hobby?

This is the first time I ever knew there was a law requiring a man to make a profit. If enforcement of this thing spreads, it'll throw agriculture into a tailspin, not to say the penitentiary.

Up to now, farming was one of the few occupations where a man could lose money every year

and still stay in business, and I'm appealing to you to use your influence to get Congress to repeal this law at once. Doesn't Washington know I've had a good year when I can show a smaller loss than the year before?

You set out to tell a farmer he has to make a profit or be taxed for his losses and the bottom will fall out of agriculture.

In the mean time, while Congress is getting around to changing this rule, the least Washington can do is to double my government checks, just to keep me inside the law. I'll go along with such an arrangement, and Congress can take its time on the other part.

Yours faithfully,  
J. A.

Mr. and Mrs. J. T. Offutt visited their son and family, Mr. and Mrs. Keith Offutt and daughter, in Irving over the week end. Enroute home, they visited her father and brother, T. R. Smith and Robert, in Fort Worth.

## Activities of The Colored People

By Fannie Mae Johnson

West Beulah Sunday School was called to order by Tommy Toliver, acting superintendent.

Pastor Wilson and wife arrive on time. Attendance were few on account of the weather. Rev. George Wilson preach a wonderful sermon at 3:30 p.m. The spirit ran high, our heart was made glad.

Miss Valorie Toliver of Wichita Falls visit her parent Saturday and Sunday, Mr. and Mrs. Willie Toliver.

Mr. and Mrs. Marshall Lyson of Waco visit his auntie, Mrs. Annie Williams, last week.

Mr. and Mrs. Edward Bradley, Miss Viola Toliver and Miss Patsy Toliver carried Miss Valorie Toliver to Wichita Falls Sunday evening.

Mr. Leroy Lyson carried his

aunt, Mrs. Annie Williams, to Waco Saturday evening.

Mr. and Mrs. Mack T. Thomas visit sick father Sunday in Waco. Rev. Wick, pastor of the Methodist church, preach brother Frank Scott's funeral Wednesday of last week at West Beulah church. Our hearts was sad tho its not ours to question the almighty God.

We know its given to man once to live and then to die. As we all know this is the dressing room and if we fail to put on the wedding garment here we wont be able to go into the marriage.

May we think as we live that we must pack up each day of our lives because someday we have got to move. Death is riding ever day knocking at ever door, taking the young as well as the old, rich as well as the poor. Yes it's wonder about the Lord.

We are asking all to attend the Bible class each week that we might learn more about what God will have us to know the way He will have to go.

The livestock producer who fails to figure depreciation on the livestock he buys is missing a good bet for conserving capital, says C. H. Bates, extension farm management specialist. Farmers should become familiar with the provisions of the 1962 tax legislation which made some changes in figuring depreciation. Bates suggests that farmers and ranchmen obtain a copy of the 1963 Farmers Tax Guide. Copies are available at the offices of county agents.
