All-Important Election Set Tuesday!

Look To The East

By AARON EDGAR

How important is your country to you?
Where will you be heading next Tuesday?
What is your most important project for Tuesday, November 4?
Who is your favorite candidate, if you have one, who is seeking occupancy of the White House?
Give some thought to these questions, please!
The most important chore for you Tuesday is to exercise your right, and privilege, of voting.
Next Tuesday may and probably will be the last time you will have to vote for these three presidential candidates. For certain, you will never have an opportunity like this for the next four years!
So, you don't especially like, or relish, any of the three choices. This certainly is not an excuse to stay away from the polls in this, or any other, election.
Your country needs you - you need your country!
So make a decision and vote your convictions. We would not be naive enough to try to tell you how to vote. This is a privilege that you, and you alone, should exercise.

At a time like this, we often think of being confronted by M. L. Wiggins one day after an election. "Well, did you vote right yesterday?" he asked. Then he added this statement: "If you voted like you want to, then you voted right!"
Those statements are just as true today as the day they were uttered. It's "right" to vote like you want to. This right is guaranteed you by the U. S. Constitution. No person should ever try to take it away from you.
During this heated campaign, we heard of one or more church leaders who said: "It's wrong for a Christian to vote" for certain candidates, and some people interpreted wrong to mean sinful.
And that's going too far! We believe in separation of church and state. We also believe in separation of church and politics.

Our opinion of wrong is: It's wrong; not sinful, but unpatriotic, to willfully refuse to vote! There are circumstances, maybe, that prohibit persons from casting their ballots on election day - and that's different.
By refusing to vote, you are voting anyway! You won't be voting for any of the candidates, but by no voting, aren't you voting against all of them?
So make your choice for next Tuesday, then go to the polls and vote your choice. By so doing, you will be doing your American duty, and you'll be just as right as the one who doesn't vote like you do.
Then when the final tallies are completed after the polls are closed, the person who is elected will be your president, and my president, for the following four years.
history will be in the making, then! So, as the old saying goes: "Be sure you're right, then go ahead!"

Senior Class Plans Barbeque Supper Friday, October 31

The Senior class of Munday High School invites you to contact one of the class members for tickets to the annual senior supper on Friday, October 31. Serving time is from 5 p.m. to 7 p.m. at the Munday High School cafeteria. Tickets are \$2.75 for adults, \$2.00 for students, and \$1.50 for children ten years of age and under. Tickets may also be purchased at the door.
The menu for this supper is barbeque, beans, and the trimmings. Your meal also includes dessert.
This is planned so you can have supper at the cafeteria with the senior class and then attend the Haskell/Munday football game at 7:30 p.m. The senior class will appreciate your support.

THE MUNDAY COURIER was awarded the Meritorious Service Award by Knox County 4-H. This is the first year this award has been presented and plans are for it to become an annual award. The honorable Judge Homer T. Melton is shown presenting the award to Mrs. Sue Baker, editor of *The Munday Courier*. The publisher and staff are very pleased to have been chosen as recipients of this award. (Photo Courtesy of M. M. Booe)

Annual Achievement Banquet Highlight of Knox 4-H Year

SR. GOLD STAR AWARD winners of Knox County 4-H this year were Kelley Boone, son of Mr. and Mrs. Joe Boone of Knox City, and Shannon Ryder, daughter of Mr. and Mrs. Donnie Ryder of Benjamin. Knox County has not had a Gold Star winner since 1977. This is the highest award presented in 4-H work.

United Fund Drive Nears Completion

Mrs. Paula Schur, United Fund president, reports that the Goree barbeque dinner, held Sunday, was again a huge success. Attendance was estimated at 225 and proceeds of \$463.97 were donated to the Munday Area United Fund.
"E. B. Hosea, George Cotton, Curley Awalt, Mrs. Bernice Steward, and many Goree residents are to be commended for preparing an excellent meal and working so hard to make it a success. On behalf of the Board of Directors, I wish to thank all those involved," stated Mrs. Schur.
M. L. Wiggins, Drive Chairman, announced Tuesday, "\$3,471.47 has been raised so far. The \$463.97 that Goree contributed certainly was a big boost to the campaign. Thanks are extended to all who worked and participated." He further stated, "We are confident that the goal of \$6,525 will be reached."
United Fund workers are reminded that the deadline for the drive is Friday, October 31. Envelopes need to be completed and turned in to Mrs. Sandy King, executive secretary, at the Chamber of Commerce office by Friday.

The annual Knox County 4-H Achievement Banquet was held on Tuesday, October 21, at 7 p.m. in the Benjamin Memorial Building with the chosen theme of "Expanding Horizons".

Richard Daniel very ably served as master of ceremonies. He is the son of Mr. and Mrs. Ed Daniel of Knox City and is a very active member of Knox County 4-H.

Ray Rankin, President and Chairman of the Board of Bowie National Bank, was guest speaker for the occasion.

Knox County commissioners, Bobby Roberson, Billy G. Johnston, Lee Patterson and Philip Homer were special guests at the banquet. The commissioners each presented a number of accomplishment awards to the 4-H members which had been earned during the year. Categories of awards and names of the winners are:

The end of a long, rough and rugged road for political candidates - especially those who are seeking the highest office in our nation - is set for Tuesday, November 4, when voters from all over the nation will be casting their ballots in the General Election.

The presidential battle started with primaries in a large number of states, with candidates vying for electoral votes in the political conventions. Following the conventions, the number of candidates was narrowed to only three: President Jimmy Carter, Democrat; former California governor Ronald Reagan, Republican; and Senator John Anderson, who started activities for the Republican nomination, then switched to an independent candidate.

Revised Census Show A Gain For Munday

On Monday, October 27, the first official results of the U. S. Census Bureau's 1980 population count were released. These figures show the population of Munday 1751, a 1.4 percent increase from the 1970 total of 1726.

Housing count for Munday was reported to be 775 for 1980. The 1970 figure on this count was 735, showing a 1980 increase, also.

These figures are revised from unofficial, pre-preliminary totals announced in July and are subject to further verification. The Courier received these figures by telephone. A spokesman in the Dallas regional office of the Census Bureau stated that final census figures may differ and are expected in early 1981.

Knox County shows 5,329 for the newly released figure for the county population. In 1970, the county population was 5,972, reflecting a decline of 10.8 percent. Housing count for 1980 for Knox County is 2,432, compared to 2,665 in 1970, an 8.7 percent decline.

Knox City is the only other town in Knox County listed in the release. The new figure shows 1,540. The 1970 census shows 1,536, an increase of .3 percent since the 1970 census figure.

Knox City's housing count is 654 in the new release as compared to 673 in 1970, a 2.8 percent decline.

The town of Haskell reflects a 4.2 percent increase in population while Haskell County shows a 9.1 percent decline. In the housing count, the city of Haskell has a 1.6 percent increase in the recently released figure. Haskell County has a 1.6 percent decrease in the housing count.

Two Munday FTA Members Elected To District Office

The annual District IX Future Teachers Association convention was held in Graham on Saturday, October 25. Munday was well represented at the meeting. The two Munday candidates running for office were both elected.

Melinda Welch was elected the new district Parliamentarian. She ran against Wichita Falls High School and Vernon High School. Melinda is the first girl to hold this district office. Members taking part in the skit to help elect Melinda were Julie Partridge, Junior Andrade, Teresa Cypert, Cathy Cartwright and Ricky Ramos.

Mona Choucair was named Miss FTA for District IX, which is an outstanding honor. This qualified Mona to run for Miss State FTA at the state convention in San Antonio to be held in February. She ran against six other District IX nominees. Mona was also elected as a State candidate, defeating Jacksboro for this position. Students participating in the skit aiding Mona's election were Donna Welch, Kelly Fisher, Junior Andrade, Sherri Adams and Teresa Cypert.

Voting delegates for Munday were

have had almost daily articles on these candidates as they entered into one of the most bitter contests in recent history. The "suffering public" has long awaited the end of the road which will be when the polls close next Tuesday.

Although there are some candidates, possibly for state and district office, attention will be aimed principally to the presidential race as voters trek to the polls next Tuesday. It is hoped, both locally and nationwide, that next Tuesday will experience one of the largest voter turn-outs in modern history.

In addition, there will be nine constitutional amendments to get attention of voters.

Voting places in Knox County are given below, that all voters may know where to go to cast their ballots:

Voting Box No. 1, courthouse in Benjamin; No. 2, Community Center in Truscott; No. 3, Community Center in Gilliland; No. 4, Methodist Church in Vera; No. 5, Community Center in Goree.

No. 6, East Munday, Community

Center; No. 6 North, Munday High School; No. 6, west, Munday band hall. In Knox City: No. 7 south, Community Center; No. 7 north, City Hall.

No. 8, Sunset, Gillespie Baptist Church.

Stated briefly, here are the constitutional amendments that need your "for" or "against" attention:

No. 1, Unmanned bank teller machines.

No. 2, State's right of appeal in criminal cases.

No. 3, Equalization board for ad valorem tax.

No. 4, Local charitable bingo games.

No. 5, Budget execution power for Governor.

No. 6, Removal of certain appointed officials.

No. 7, Authorizing county road work on private roads.

No. 8, Jurisdiction and authority of Court of Civil Appeals.

No. 9, Conversion of marital community property into separate property.

Moguls Down Paducah 14 to 7

Taking advantage of turnovers by the Paducah Dragons, the Munday Moguls had a "successful trip" to Paducah last Friday night by being able to bring home an important 14 to 7 victory.

The Moguls scored twice in the first half, then saw their 14-0 lead trimmed down to 14-7 in the third period. The local boys held off a fourth period determined drive by the host team; but, with only a 7-point lead, they were never sure of victory until the final whistle.

This was a district 7-AA conference game for both teams.

After the first turnover, Randy Routh put the Moguls ahead only four minutes deep in the first stanza on an end sweep that covered 22 yards and ended when he crossed the goal stripe. Munday had recovered a Paducah fumble on the visitors' 21-yard line, and it took four plays for the Moguls to hit pay dirt. Craig Paylor kicked the extra point.

The second Mogul score came with 6:50 left in the second period, after Kevin Smith intercepted a Paducah pass on the Munday 41-yard line. The scoring play came when Lawrence Collier, halfback, broke through right tackle and scampered 35 yards goal-ward, crossing over standing up. Paylor again converted, and the Moguls ended the half with a 14-0 lead.

Deep in the third period, Paducah's Eugene Reikita found running room through the line, evaded the secondary and went 64 yards for the Dragons' score. Joe Moreno added the extra point.

A determined drive by the Dragons was stopped by the Moguls stiff defense on Munday's five-yard line in the fourth period. After setting the Dragons back to the 21-yard line, Chris Moore jumped up to intercept a Paducah pass, and the Moguls took over and ran out the clock.

Statistics were close, with the Moguls having 16 first downs to 14 for Paducah. The dragons led the ground gain by 289 yards to 201 for Munday. Munday's aerial attack added 99 yards, while Paducah gained only 13 in the air. The teams were even in both interceptions and fumbles lost, with 2 each.

COACH LOWREY COMMENTS

We were happy to get back in the "win column" against Paducah. Offensively we had over 300 yards total, which is the most we've had for this season.

We did have some difficulty in blocking their stunning defenses. Paducah probably played their best game of the season against us.

I feel like we gave up far too much yardage on defense. Our tackling was not crisp, sharp like it has been. We gave up 300 yards total offense to Paducah, which I felt was way too much yardage.

This week against Haskell we will have to play much better than we did against Paducah. Even though Haskell has only one win they are much better than their 1-6 record indicates. They played a lot of tough competition in pre-district.

It's going to take a good overall effort for us to beat Haskell.

Indians Come To Munday On Friday

The Haskell Indians will come to Munday on Friday for the Moguls' third district game of the season.

Last year Haskell represented the district after beating Quanah on penetrations. They were beat out by Seagraves in the second round. They do not show as strong this year as in the previous two years since they did lose a lot from their squad.

Seymour beat Haskell in their first district game with a final score 14-12. Haskell downed Crowell last Friday night 21-8.

Everyone is invited to come to the game and support the Moguls!

**WARDROBE
COST-CUTTERS**
Careful planning can help
cut the cost of your
wardrobe, regardless of
season.

The first step is to analyze
existing garments to see
which ones can still be worn
this year. Decide what items
are needed to complete
ensembles and to give this
year's look to your wardrobe.

List the things you need
to buy or make. A brief
description of what you want
may be useful.

Attach samples of fabrics
to be matched or coordinated
with new garments
and accessories. If you can't
snip a sample carry the
garment with you while
shopping.

Carrying samples helps
prevent costly and time-
consuming mistakes. It is
especially important when
shopping for fabrics since
they cannot be returned.

Plan to vary the quality of
items you buy. Coats, suits,
and everyday shoes need to
be of good quality because
they will receive hard wear
over several years. These
clothes will cost the most.
Blouses and other accessories
may be of lesser quality.

Garments or accessories
that will be fashionable for
just one season can add spice
to your wardrobe. These
items may be of fairly poor
quality as they will not be
worn long. Look for the
lowest price regardless of
quality when buying these.

Lynn West, who was a
member of the select
135-member band, America's
Youth In Concert, gave a
resume of her trip last July
to members of the Munday
Lions Club in their regular

meeting last Tuesday.
She told of her audition
and selection as a member of
this band in the spring of
1979, then gave some high
points of her visit to several
European countries. Before
departure for London, the
band held its first concert in
Carnegie Hall in New York
City.

The first European concert
for the band and chorus
was in London. In her
narration, she said this was
a very rewarding trip, but it
was rush-rush all the time,
and she would prefer her
next European visit to be
"on my own".

With Sherry Adams assisting
her in the presentation,
Lynn showed colored
pictures of many interesting
and historic places visited
during the tour. These
included such cities as
London, England; Paris,
France; Strasbourg, France;
Innsbruck, Austria; Venice,
Florence and Rome, Italy.
The 26-day tour started at
Rider College in New
Jersey, and the group
landed back in the U. S. on
July 29, 1980.

Lions were very attentive
during this presentation,
and they expressed appreciation
to Lynn for sharing her
experiences with the club.

WORK OUT YOUR OWN SALVATION

Philippians 2:12-13

If I ask you what you have
done about your salvation
lately, how would you
respond? We would receive
two answers to this question.
One, thinking he is
sound in doctrine, would say
nothing. The other would
respond I am doing everything
lest that day come and
I find myself short and will
not make it to heaven. Paul
says, "Work out your own
salvation with fear and
trembling."

Work out is to work out to
its logical end to its finish.
The thing to be worked out
is salvation. Salvation can
have three contexts of
meaning. First, it is used at
the initial encounter with
Jesus. Secondly, God is
working in us moment by
moment until Christ comes
in keeping us saved. We call
it sanctification. Lastly, we
are saved when God calls us
home, called glorification. It
is the second form of
salvation Paul is talking
about here.

WORK OUT YOUR SALVATION INDEPENDENTLY

"As you have always
obeyed." Logically salvation
should lead to obedience to
God as Christ was obedient
to death of the cross.
Worried about his extensive
absence he is commanding
his disciples. Tendency is to
develop dependence upon
our spiritual leaders. I can
never point my finger at you
and say - "You made me
fail".

WORK OUT YOUR SALVATION CAREFULLY

Hear what Paul says,
"Work out with fear and
trembling." Fear is reverential
awe of God. Trembling is
the physical side of the fear.
Fear that I come short of
what God had planned for
me lest I stand before him
as a wasted life and misspent
opportunity. You shake in
fear at many things but have
you ever been afraid of
displeasing God.

WORK OUT YOUR SALVATION COOPERATIVELY

In verse thirteen we find
God is working with us. You
work out because God is all
ready at work. Work is that
energetic activity.

Bob Cude of Goree, president of Adult Leader's Association, presented the "I Dare You" award to Garry Brown and Kelley Boone. This is a "first time award" for Knox County and the winners were presented with books entitled "I Dare You" by Wm. H. Danforth.

Knox County Judge Homer T. Melton presented five special awards during the evening.

SR. SILVER AWARDS were presented to Stasia Carver and Garry Brown. Stasia Carver is the daughter of Mr. and Mrs. Fred Carver of Benjamin. Garry's parents are Mr. and Mrs. Clarence Brown of Rhineland. This award, like the other special awards were given on the judging of record books and an interview of each nominee for the award.

OUTSTANDING ADULT LEADERS were chosen by members of Knox County 4-H for the first time this year. Recipients of these two honors were Mrs. Joe Boone and Mr. Ed Daniel, both of Knox City. This award will become an annual award.

The Meritorious Service Award was presented this year for the first time. The honored recipient was The Munday Courier.

Chosen for the first time were two outstanding 4-H Adult leaders in Knox County 4-H work. These awards were presented to Mary Ann Boone and Ed Dnaiel, both of Knox City. The 4-H members made the selection for this

award.

Knox County 4-H program also was instrumental in introducing for the first time the Jr. Gold Star award and the Silver Award. Stasia Carver and Garry Brown were winners of this award. Jr. Gold Star winners this year were Amy Griffith and Julie Partridge.

Knox County has not had a 4-H member to qualify for the Sr. Gold Star Award since 1977. Jim Mazurkiewicz and April Werley, extension agents for Knox County, were very pleased to have 4-H members who qualified this year. Gold Star Award winners for 1980 were Shannon Ryder and Kelley Boone.

Another Gold Star winner was also present at the banquet. Richard Daniel received the Gold Star Award in Limestone County before moving to Knox County. A boy or girl can only win this award one time during his years in 4-H.

Record books are a must for the Star Award winners. Interviews are held with each nominee, by qualified personnel and the winner is then selected. Much time and work has been put in on 4-H work, to be sure, for a boy or girl to qualify for one of these outstanding awards.

First National Bank in Munday and Citizens State Bank in Knox City donated beef for the banquet. Knox City M System donated plates and cups. Ed Daniel, Bobby Roberson, and Jim Mazurkiewicz barbequed the brisket and all who attended the dinner were complimenting the "cooks" for such tender, tasty meat. Mothers of 4-H members prepared vegetables, salads, and desserts to complete the delicious meal.

7th And 8th Lose To Dragons Junior Varsity Brings In Win

HASKELL HOSTS MUNDAY ON THURSDAY

The game with Paducah for the seventh and eighth grade and Jr. Varsity became history for this season. Paducah was victorious against Munday's seventh grade, 14-0 and won over the eighth grade, 16-6. The Mogul Jr. Varsity defeated Haskell 18-6.

These three teams will face Haskell there this Thursday at 5 p.m.

7TH AND 8TH GRADE GAME COMMENTS
By COACH DENNIS

The coaching staff didn't feel our seventh grade team played well. In the second half I let some of our young players go on the field to give them some needed experience.

I felt the Munday eighth grade team was fairly well matched with their opponents but did not play as well as they could have. The score at the end of the first half was 16-0.

Our score came when Jim Earl Dockins intercepted a pitch-out and ran 60 yards for the only touchdown. Miss assignments hurt us badly on a couple of occasions.

We go to Haskell this Thursday. They play a straight T and a 5-2 defense which is basic football. In my opinion this is the best procedure for Jr. High football while they are learning the fundamentals.

JR. VARSITY GAME COMMENTS
By COACH LANKFORD

We got back on the winning side with the game against Paducah. Quincy Adams scored the three touchdowns for the Moguls. He brought in one in the first half and two in the second half of play. We failed to convert on any of our extra point attempts.

Paducah's score came on about a 45 yard touchdown pass during the second quarter.

We played well offensively but several long gains and a touchdown were nullified by penalties.

Except for the one

touchdown pass, our defense was excellent. Defensive stand-outs for the Moguls were Carlos Aldaco, Quincy Adams, Quinn Smith, Danny Sloan, and Paul Wright. Sloan was injured in the ball game and is questionable for the game with Haskell.

We are looking forward to facing Haskell. It will be good for us because they play almost the same defense as we do.

GILLILAND JAMBOREE SATURDAY NIGHT

"Surprise Shower" Is Given Everyone

The elements treated everyone in the Munday area, as well as many other places, to a "surprise shower" last Sunday night! Such a thing as rain was barely in the forecast, and, although Sunday was mostly cloudy, shutting out the sun's rays most of the time, few were those who even thought of moisture coming. It was pleasing to everyone, though. No griping or dissatisfaction was expressed, except by those who had loose hay in the fields and waiting for the bailer.

It was welcomed by those who had wheat or other small grains just popping through the ground, or who had their wheat sowed and needed sufficient moisture

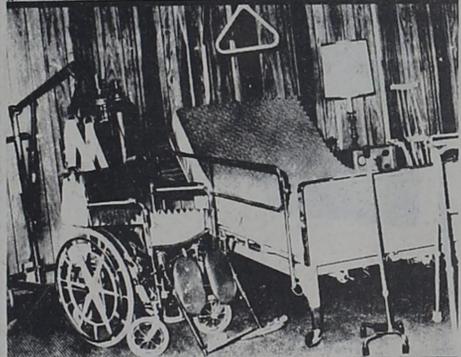

to bring it up. It was good for removing particles from the dust-laden air and making breathing easier!

The spring-like thunder-shower activity started not long after 10 p.m. Sunday. Some heard thunder, then fell asleep before realizing that rain had fallen.

From reports over the area, rainfall ranged from .70 to .80 of an inch to 1.60 inches in some gauges around Munday, 1.30 north-east of Munday, just a sprinkle at Gilliland, and so it goes!

Goodson Sellers, local U. S. weather observer, reported an official 1.41 at Munday.

Surviving him are three sons, Ray Dean Penick of St. Augustine, Fla., Russell Penick of Munday, and David Penick of Midland; a sister, Myrtle Penick of Rule; eight grandchildren and seven great-grandchildren.

FFA Members Plan Spook House For Saturday Night

The Munday FFA officers and members have been very busy during the last month planning a Halloween Spook House.

The Spook House will be held at the old Ag building on Saturday night, November 1, from 7:30 to 11:00 p.m. Admission is .75 cents. Children six years old and under must be accompanied by an adult.

The FFA members promise a fun time and invite everyone to come.

Workshop Set For Children Mrs. Carroll Is Installed As Director

The Munday Future Teachers are sponsoring a series of three arts and crafts workshops for elementary school children. These sessions will be held at the Munday Community Center on November 8, December 6, and January 17.

An Arts and Crafts Fair is planned on February 14, where the children will display their work.

Registration forms for the first workshop have been sent home by each child's teacher. In order to participate the form must be returned by October 31 with a registration fee which will cover the cost of supplies.

Activities such as ceramics, leather crafts, mood crafts, and ink on glass painting have been planned for the workshops. The FTA members also invite any interested parents to help in the planning or in the actual workshops.

For more information, please contact Karen Longan at Munday High School or at 422-4438.

The 54th Annual State Convention of Texas Extension Homemakers Association was held October 14-17 in San Antonio. Mrs. Joe (Rennie) Patterson of Munday and Mrs. Kenneth (Kathy) Carroll of Gilliland represented Knox County as delegates to this convention.

Mrs. Carroll was installed as District III director by the outgoing director, Mrs. Lowell Thornburg of Roby, during installation services for the new state officers and district directors. She will resume her duties on January 1, 1981 and will serve on the board with the new state officers: president, Mrs. Billi McCraw of Raymondville; vice-president, Mrs. Elna Richards of Port Arthur; secretary, Mrs. Jane Leathers of Vidor; treasurer, Mrs. Martha Crawford of Ballinger; and thirteen other district directors. First board meeting will be January 5-6 in Austin.

Answer to Preceding Crossroads: CRANE

Four and one half miles south on U.S. highway 385 and off east, about a mile, you can see Castle Gap. It was a pass on an ancient highway of the southwest. From time immemorial Indians came this way in migrations from Canada to Mexico. Their paths were followed in 19th Century by West Bound 49'ers, the Butterfield Overland Mail Coaches (1850-1861), Cattle Drives on Goodnight-Loving Trail (Mapped 1866), Treasure of the Late Emperor Maximilian of Mexico is said to have been buried here by his aides in the 1860's. Mesa and Pass dominate the landscape, reminding Texans of Legendary Eras.

Area Grid Results

As football teams of this area got well into their district schedule, several upsets resulted Friday night. Here are some of them:

KNOX CITY AND ASPERMONT TIED

The Knox City Greyhounds and Aspermont Hornets fought to a 14-14 tie at Aspermont in their District 4-A contest.

Chuck Hutchinson scored on an 8-yard pass from Jay Rutherford to start the first period scoring for Knox City. Ricky Gonzales kicked the extra point.

Gonzales added a 8-yard TD and another PAT to up Knox City's lead to 14-0 in the first period.

Marvin Louis ran four yards for a Hornet TD in the second period, and Gary McDowell's reception of a two-point conversion pass brought the score to 14-7 at halftime.

QUANAH BLANKS SEYMOUR PANTHERS

Halfback David McGary scored four touchdowns and as many conversions to lead the Quanah Indians to a 43-0 rout of the Panthers from Seymour.

The only bright spot for the visiting Seymour team was in the third period when they held the Indians at check with a strong defensive show. Quanah scored 18 first downs to 5 for Seymour.

BENJAMIN OUTSCORES GUTHRIE TEAM

Mark Oxford scored five counters for Benjamin in a fast scoring 55 to 40 victory over Guthrie in a six-man contest at Benjamin.

Also scoring for Benjamin were Jim Mancille, 2 TD's and John Kinnibrugh, with 1. Troy Oxford scored four extra points, Stacy Groves, two and Mark Oxford one.

HIGGINS DEFEATS WEINERT BULLDOGS

Higgins defeated the visiting Weinert team 63 to 27 in a six-man contest Friday night.

The game lasted only two quarters because of the high score.

GOREE WILDCATS BEST PATTON SPRINGS

The Goree Wildcats compiled a 40-0 half-time lead then coasted to a 63 to 27 lead over Patton Springs in a six-man contest at Goree.

Scoring for Goree were Roman Arismendez, four and a field goal; Virgil Riggins, two; and Robert Arismendez, Bucky Decker and Richard Dixon, one each. Robert Arismendez also scored on a safety.

HASKELL INDIANS CHALK UP WIN

Joe Benavides chalked up two touchdowns to lead the Haskell Indians to a 21 to 8 win over the Crowell Wildcats. His first score came in the first period, then came back to score another in the second.

Jeff Christopher scored for Crowell in the second quarter on a three-yard run. John McGee passed to Christopher for the two-point conversion.

Crowell and Haskell now have identical records of 1-6 for the season.

OTHER SCORES

In other games of interest, Albany defeated Anson, 13 to 0; Rule humbled Throckmorton, 60 to 0; Jayton defeated Rochester, 33 to 12, and Stamford defeated Wylie, 33 to 12.

Host Families Needed In YES Program

Rev. and Mrs. Don Jeffreys, pastor and wife of First Baptist Church of Roby, have been authorized by the Youth Exchange Service (YES) Board of Directors to serve as representatives in this area to handle all related business of the YES organization. This exchange service has been designated by the U. S. Government to increase international understanding through the exchange student program.

The exchange service is currently in need of families all over America to provide a temporary home for students wanting to come to the U. S. on short cultural VISA's. Host families receive a high school exchange student for three to nine months starting in mid December. They are to be enrolled in local High Schools. Students are chosen to fit as nearly as possible to the same qualities of the host families. The students have their own money and are fully covered by medical insurance. Jeffreys stated, "We want them to become as much a part of your family as possible, so they may learn about middle income American family life."

If you are interested in participating in the program contact Rev. Jeffreys at 915/776-2159.

 The Future Teachers of America sold candy last week for a fund raising project. The sale ended on Monday. The money raised will help the F. T. A. go to the state convention.

WHAT DOES IT MEAN TO BE A MOGUL

By ALLEN BROWN
 What it means to be a Mogul to me is that it makes me a part of the team. It makes me feel like I really am somebody to be able to go out and play football, or whatever it might be. It makes me feel good to know that I am part of the team and that I am wanted on the team.

We have a great coaching staff and a great faculty. Everyone is treated the same and it makes me feel good to know this. This is the best school around our area. I am very proud to be a Mogul in that I know I am going to a great school and will be treated like I should be.

I am a senior this year and I am glad that I was fortunate enough to go to this school and be a part of the school. I am very glad to be a Mogul and if I had to do it all over again I would be a "MOGUL".

FHA

SECRET SISTERS
 By DEBBIE VALENCIA, CYNTHIA JOHNSON, JOANIE VELA, FLORINDA FERNANDEZ
 Attention FHA'ers! If you found a lollipop in your locker Thursday, it wasn't the candy man who put it there. It was probably your secret sister.
 All the members drew a

piece of paper with a name on it, to tell them who their secret sister was. Each member has a secret sister who will be placing a little surprise in her locker from time to time.

This is the project that the F. H. A.'ers chose for the first semester. They will find out who their secret sisters are at their Christmas party. Until then you will never know who it is, and there is a lot of guessing going on.

F. H. A. PLAN SALE

By DEBBIE VALENCIA
 An Art and Craft sale will be held at the Community Center on November 15 by the FHA'ers. The FHA'ers have worked hard making items to be sold. They have painted ceramic ornaments for Christmas trees. They will also be selling colorful potholders that the girls made.

Each member will donate an item which she has made, at home, to be sold. All of these items are great gift ideas for Christmas. Don't miss out on this great sale.

NEW TEACHER FEATURE

By BERNICE SHIELDS and CYNTHIA JOHNSON

COACH LANKFORD

Coach Rogers Lankford is a 1971 graduate of Knox City High School, where he ran track and played basketball and football.

After high school graduation, he entered McMurry College and played football for 1 1/2 years there. He was also assistant coach at McMurry for one year. He received his degree in 1975. He has coached in Rotan, Denton and Honey Grove before coming to join the coaching staff at Munday. Munday head coach Jerry Lowrey coached Mr. Lankford during his senior year at Knox City.

Coach Lowrey is in his sixth year of coaching and so

far his stay in Munday has been very enjoyable. "My classes are all good, and coaching staff gets along very well," he stated. Coach Lankford is looking forward to a very successful season in football and basketball.

When he has spare time to fill, he enjoys fishing and golf. Good luck, Coach Lankford, we are pleased to have you at MHS.

FFA MEETING

By LESTER ADAMS, STEPHEN SCHUMACHER, JOHN MYERS
 Wednesday during activity period we had an FFA meeting. Gary Birkenfeld, president; Stephen Schumacher, vice-president; Lori Kimmel, secretary; Lissa Brown, treasurer; Eustacio

Ramirez, sentinel; and advisors Greg Rawdon and Jack Campsey were at their stations for the opening and closing ceremonies.

First item of business was the reading of the minutes. There were forty-nine members present. The treasurer gave the financial report.

A motion was made to conduct the Greenhand Ceremony. All those who had the qualifications required to become a Greenhand were: Quinn Smith, Terry Jones, Troy Dove, Greg Sepeda, Pat Angerer, Jamie Vasquez, Jeff Ramirez, Nancy Fetsch, Johnny Collier, Quincy Adams, Ronnie Brown, Kelly Fisher, Kent Josselet, Paul Wright, Karen Caram, Susan Morrow. The Greenhands will be given their

FFA pins at the next meeting.

The fruit sale has begun, so everyone may contact a member of the FFA Chapter for their fruit.

Mona Choucair was elected FFA Sweetheart for this year.

The meeting adjourned with the closing ceremonies.

Mr. and Mrs. A. H. Meadows and Mr. and Mrs. Jack Carroll of Gatesville were guests in the home of Mr. and Mrs. Gill Wyatt. They came especially at this time to help celebrate Mr. Wyatt's birthday.

Visiting Mr. and Mrs. Herby Peek this past week were her brother, Mr. and Mrs. Tom Owen and son, from El Cajon, Calif.

W. G.'S MEET IN HOME OF MRS. MASSEY

The W. G.'s met in the home of Juanita Massey Saturday night, October 25, for their October party.

Enjoying the salad supper, exchanging secret pal gifts and playing games of Forty-Two and Rummy were Dorothy Putnam, Ruth

Griffith, Elba McMahon, Vera Killian, Alta Bowden, Viola Cude, Allene Beaty and hostess, Juanita Massey. Pauline Morrow, who is visiting with her children, was unable to be present and was missed by everyone.

Reporter, Allene Beaty *****

"I shall make electric light so cheap that only the rich will be able to burn candles"

That's what Thomas Edison promised over 100 years ago.

And he did it!

For the same amount of light produced by ten 100-watt bulbs during their average lifetime, you'd have to buy \$59,937.50 worth of 35¢ candles. (That's a conservative estimate supplied by a reputable bulb manufacturer.)

Yes, electric lighting has come a long way, since Edison invented the incandescent bulb. And through most of those years the price of electricity has gone down steadily. Even now, when inflation is forcing power companies to increase their rates, electricity is still America's best bargain.

A Call For Help From Democrats and Independents

The citizens of Knox Co. have always voted heavily Democratic on most issues that are settled at the ballot box. I fear that sometimes many of these votes are cast without a close analysis of the after affects of the matter involved. Tradition is the principal influence of many votes. The 'Daddy would turn over in his grave' attitude prevails.

I plead with you for some unbiased thinking. Daddy was never confronted with so vital and important questions as you will help settle in the forthcoming election, and if he had have been, how would he have responded? Would he have supported a man and a platform that endorses and condones the following extreme measures?

#1. Abortion on demand. This is pure unadulterated murder. It is the denial of a baby's right to life.

#2. Forbidding a student the privilege to participate in private prayer at school for fear of discriminating again an athiest. This is discrimination in reverse. The very coins we carry in our pockets ring with mockery, for on them is inscribed the phrase "In God We Trust".

#3. Homosexuals and those of any other sexual abaterion or unique life style should be treated as a minority group. Should they be able to make demands on an employer that a proportionate number of their group be considered in any job application?

#4. We should not have the military might that insures peace. Should not America, the friendly giant, be armed well enough to protect her shores and foreign investments?

These are some of the implications of the present Democratic platform. I ask you now to think on the following broken promises and blundering decisions made in the White House in the past 3 1/2 years.

#1. When Jimmy Carter took office he said 4.8 percent inflation then was unacceptable. It has spiraled above seventeen percent.

#2. He said the 1976 unemployment rate was too high. It has risen to the highest level since the Great Depression.

#3. In 1976 Carter said he would balance the Federal budget by the year 1981. The estimated deficit for 1980 is over sixty billion dollars.

#4. According to Sen. Armstrong of Colo., Jimmy Carter has imposed the largest peace time tax increase in U. S. history.

#5. In the Afghanistan affair he used the American grain farmer and the Olympic team as political pawns.

#6. President Carter has opened the flood gates of immigration and inundated our social and welfare system. He has disgraced the immigrant who has earned his right to American citizenship.

#7. He has so completely dismantled our military that we no longer command world wide respect.

#8. Jimmy Carter has consistently surrounded himself with inefficient and incompetent advisors, chiefly, fellow Georgians.

The above statements are a part of the record and the platform of James Earl Carter and he is asking you for the job for four more years. Would not Daddy have had second thoughts about supporting such a man and such a platform?

The main points and issues and how each of the three major presidential candidates stand on them is printed in this paper. I ask you to examine each of the three columns and apply the one that best fits your convictions to your ballot sheet on Nov. 4th.

Party allegiance should not decide such crucial matters when America's very life blood is ebbing, but rather moral, fiscal, and national preservation principle.

ISSUES OF THE EIGHTIES

Jimmy Carter

ABORTION: Believes personally that abortion is wrong, but is against a constitutional amendment which would overturn the Supreme Court decision permitting abortions.

ERA: Strongly supports ERA; determined to "do everything within my power" to ratify the amendment. Has used the White House to further the cause of ERA.

SCHOOL PRAYER: Opposes an amendment on school prayer, cites separation of Church and State; feels it would discriminate against atheists.

HOMOSEXUAL RIGHTS: Supports legislation which would remove homosexuality from a list of "sexual aberrations" for which aliens can be denied immigration. According to a White House staff member, gays "have in the White House a President who is meeting with you and respects you."

DRAFT: Has called for draft registration in response to the Soviet invasion of Afghanistan. Supports drafting of women. Carter believes in the Volunteer Army and sees need to upgrade pay-scale and benefits.

DEFENSE: Opposed B-1 bomber, deferred production of neutron bomb, delayed production of cruise missile, Trident submarine, SSN-688 attack submarine, and Trident missile system. Has now asked for authorization for "rapid deployment force," and a 5% increase in defense spending.

SALT II: Supports the SALT process; feels it is "in our nation's interest," but that because of Soviet presence in Afghanistan it is "inappropriate at this time."

ECONOMIC POLICY: Plans to continue his policies of wage and price guidelines, regulatory reform, and restraints on government spending. He does not favor wage and price controls. Carter is now seriously considering a tax cut for 1981.

MIDDLE EAST: Brought about the historic signing of a peace treaty between Egypt and Israel in March 1979 following the Camp David Summit. Does not support West Bank settlements or Palestinian Autonomy.

ENERGY POLICY: "We will never be completely strong at home or secure abroad until we have solved our nation's excessive dependence on foreign oil." Proposes stand-by gas rationing plan, converting electric power plants from oil to coal, development of alternative forms of energy and synthetic fuel. Says we must cut our imports of foreign oil in half by 1990.

Ronald Reagan

ABORTION: Opposes abortion-on-demand. Believes that "interrupting a pregnancy is the taking of a human life and can only be justified in self-defense, that is, if the mother's own life is in danger." Suggests a constitutional amendment banning abortion.

ERA: Opposes ERA. "I do not believe that the ERA is the answer. The amendment would not itself redress inequalities in rights, and, by increasing the courts' legislative power, could do more harm than good."

SCHOOL PRAYER: Proposes an amendment to permit voluntary school prayer. "We are a nation under God." Says people are interpreting freedom of religion to mean freedom from religion.

HOMOSEXUAL RIGHTS: Does not advocate "gay lifestyles." Does not feel that any unique lifestyle should be given favored attention. "An employer should not be subject to special laws (such as gay ordinances) passed in some cities which, in effect, would compel him to hire a person because of that person's sexual preference."

DRAFT: Opposes universal service and the drafting of women. Supports all-volunteer army. "Universal service rests on the assumption that people belong to the state, and are simply statistics to be manipulated by social engineers."

DEFENSE: "Thousands of years of human history have demonstrated that the most effective deterrent to armed conflict is military strength, not weakness." Supports development of B-1 bomber, neutron warhead, and MX missile.

SALT II: Sees it as fatally flawed... more of a strategic arms build-up than an arms limitation... should be shelved and the negotiations should go back to the table.

ECONOMIC POLICY: Tax cuts a priority. Plans to cut taxes by 30% over next 3 years. Hopes to provide substantially less government interference in people's lives. Plans to cut government costs, consolidating some departments and dismantling others, such as the Department of Energy and the Department of Education.

MIDDLE EAST: Strong supporter of Israel. "The crucial element determining the success or failure of American policy is the fate of Israel. Israel is America's natural ally."

ENERGY POLICY: Plans to dismantle the Department of Energy and its allocation rules. By D.O.E.'s own admission, "regulation has compounded any problem arising from imperfect market structures. Allocation formulas were mainly responsible for last summer's gasoline lines."

John Anderson

ABORTION: An opponent of the recently passed Hyde Amendment which gives Congress authority to refuse to federally fund abortions. "As a matter of conscience, I am saddened by the high incidence of unwanted pregnancies." The choice is a matter to be decided by a woman in conjunction with her God and her physician. Poor women should have government assistance to finance abortions.

ERA: Strong supporter. "The ERA is needed to enshrine in the Constitution the moral value judgment that sex discrimination is wrong." Voted against states' right to rescind, for the extension of the ratification deadline.

SCHOOL PRAYER: Anderson voted against school prayer in 1971, and according to his staff, would vote against a school prayer amendment again.

HOMOSEXUAL RIGHTS: Anderson is co-sponsor of H.R. 2074, a bill to amend the Civil Rights Act of 1964 to include homosexuals.

DRAFT: Opposes reinstatement of peacetime draft registration or compulsory service. "I am unalterably opposed to the draft during peacetime in the absence of compelling circumstances. Such circumstances do not exist."

DEFENSE: "Every four years (during presidential elections) there is heightened fear about the Soviets as an excuse to take our minds off domestic problems." Opposes deployment of MX missile. Opposes defense hikes beyond 3%.

SALT II: Strong supporter. Believes SALT process should be continued to include an even more restraining treaty.

ECONOMIC POLICY: Supports holding down government spending, boosting productivity, encouraging personal savings, lessening the burdens of regulation and taxation on business, increasing research and development, and providing meaningful job training and continuing education programs. "Productivity is a vital national issue and should be brought to the forefront of domestic policy. Otherwise, we shall have to accept the resulting economic stagnation."

MIDDLE EAST: Supports an intermediary role for the U.S. without becoming an advocate for either Israel or Egypt.

ENERGY POLICY: Believes that a solution to energy crisis is to increase price of gasoline by fifty cents per gallon. Revenue raised would be redistributed through tax system to the poor and other groups.
