Look To The East
By AARON EDGAR

Politics "just ain't" our cup of tea!
It isn't beverage of any kind for us.
It's not the "peaches and cream" type of desert for us.
It isn't the "main dish" or any other part of our meal.
We just don't relish it at all!
It makes for strange bed-fellows;
It brings strange skeletons out of the closets;
It makes prevaricators out of otherwise truthful persons.
It makes persons who are stalwarts in one party pull an about face and join another party.
It then causes those persons to say: "I didn't quit the party; the party quit me!"

If you become involved in politics, your hopes can be built up real high. You just soar around on Cloud Nine, then you can be pitched a slow curve; and, before you know it, you're lower than a snake's belly!
It causes some demoralizing things for our nation; Take Watergate, for instance.
But politics we have, and will continue to have. We might as well find a means of getting along with politics - in a measure, that is.
Some of those peculiar circumstances have been our portion during the past few days.
Following the elections of June 3, we thought efforts would be made the heal the campaign wounds after several months of battle. Now, we thought, we'll have a unified party that will bring about "democratic togetherness" for the remainder of the campaign trail, ending in the November election.
But such was not the case! Ted Kennedy, we think, went back on some of his campaign promises, or insinuations.
On a recent "Meet The Press" program, "Teddy Boy" was asked straight out three times if he would support President Carter if he should be nominated. "I still have hopes of becoming the nominee", he said.
Then when the June 3 elections revealed that President Carter had garnered enough delegates to win his party's nomination, "Challenger Ted" vowed he would continue his campaign until November.
So there will apparently be no party unification, no lessening of offensive campaign tactics, no handshakes, no congratulatory messages until the bitter end.
A private meeting between Carter and Kennedy last Thursday left very little for us to hope for. Kennedy came out of the meeting with the statement: "I have every intention of continuing in this campaign".
He declined to say he would support Carter if the president wins their party's nomination, as expected.
When that happened, we became inclined to believe that the Democratic challenger quit working for himself and became involved in efforts to have the opposition party occupying the White House for the next four years.
And that's the way the little ball bounces for us!

Bank Plans Open House For Drive-In Facility

THE NEW FACILITY of the First National Bank is shown above. The new drive-in window will be a definite asset to the customers of First National. The area will be

landscaped with various trees and shrubs making it a nice addition to our town as well. Open House will be held Friday, June 13.

Work that began on a new drive-in facility for the First National Bank has now been completed and a celebration is in order. Open House is planned for Friday evening, June 13, from 6:30 to 8:30 p.m.

Curley Awalt and his staff will cook barbecue. The free meal will be barbeque sandwiches, beans, chips, iced tea and coffee. Everyone in the area is invited to come and see the new facilities and have your evening meal as the bank's guests.
Roland Smith and the Roadrunners, an Abilene band, will be on hand to make music for the occasion. Directors and officers of First National will be present to welcome the guests and show them through the new drive-in area.

In 1979 the board of directors and officers of the local bank saw the need for a new drive-in window. The present one had definitely been an asset but it was not sufficient to handle the business necessary. The entrance has always been a disadvantage. Even though plans materialized in the latter part of 1979, construction did not begin until 1980. John Lee Wilde was builder/contractor for the project. Sub-contractors were C&C Electric of Knox City, Strickland Bridge of Haskell, Homer Rolston of Benjamin and Dale Huffman of Munday. It is outfitted with Mosler equipment.

The new window should be open for business Tuesday morning, July 1. Even though the customer will find himself in new surroundings, he will be greeted by the familiar face of Mrs. Jo Ann Marr.
One employee can easily serve customers in both lanes. In the lane nearest the office, the bank customer is waited on as in the old unit. If the customer is in the second lane farthest from the office, a canister will come from the office through an underground tube and be at window level for removal to place banking business in and return to the office by canister through the pipe. This works with air pressure.

The drive-in office is connected with the main bank building both by telephone intercom and closed circuit television. In either lane, the customer has intercom connection with the drive-in window personnel.

Two banks in Wichita Falls have the identical set-up which Munday has chosen. It will definitely give the customers faster service. Two more lanes have been constructed, and the mechanism needed for them to be operable will be very minor. At some future date, if there is a need for additional lanes, they will be provided.

"It is the bank's policy", stated president Gary Schur, "to think of customer."
Continued on Page 2

LYNN WALLING

Walling To Head Ag Department

Lynn Walling, son of Mr. and Mrs. Lendon Walling, will head the agricultural program at Howard College in Big Spring, effective July 1.

He was reared in Munday and is a 1965 graduate of Munday High School. He received a B.S. degree and a Masters degree in Agriculture from Texas Tech University.

Mr. Walling taught Ag in Spur four years and taught for seven years at Roosevelt, near Lubbock. Married to the former Barbara Walker, daughter of Messrs. Bob Walker, the couple have two daughters, Mandi, age seven and Tammi, age two.

Howard College will have a new agriculture program and is offering scholarships for the first time since 1978. The college is making several scholarships available to qualified students interested in studying agriculture at the junior college level.

Guests in the home of Mr. and Mrs. Welton Leflar during the weekend, were their son and family, Mr. and Mrs. Terry Leflar, Tommy, Samuel, and Micah of Alice.

Runoff Primary

And Voters Stayed Away

By AARON EDGAR
Munday, and Knox County, held a Democratic runoff primary last Saturday!

Realizing there would be a minimum of interest in this election, arrangements were made for Munday and Knox City to have only one voting box in each place. Others might have been combined to cut down on expense.

Polls at Munday opened for the designated time Saturday, and workers, Merle Anderson, election judge; Goodson Sellers and Marjorie Key, held forth for a good 12 hours - from 7 a.m. until 7 p.m. When the polls officially closed, they tallied a total of 15 votes, which made for a long, long day for workers.

As we voted No. 12 around 5 p.m., we remarked to Goodson, "I knew the election wouldn't be of much importance to Knox County, since we had no local candidates." "No," he replied, "but it's important to those six persons on the

Munday's vote was:
Supreme Court, place 1: Jim Wallace, 6; John Phillips, 7. Place 2: W. P. Phillips, 5; McCormick, 9. Place 3: Davis, 13; Roberts, 2.

The same record on non-interest prevailed over all of Knox County, as well as many others in the state that had no reason for local interest in the election.

Knox County recorded a total of 95 votes, as follows:
Supreme Court, place 1: Phillips, 46; Wallace, 49. Place 2: McCormick, 52; Phillips, 42. Place 3: Davis, 67; Roberts, 26.

Reception Planned At Knox County Hospital

The Knox City Chamber of Commerce will host a reception at Knox County Hospital on Sunday afternoon, June 15, from 2:30 to 4:00. A hospital board director or hospital personnel will greet guests at the door. Tours of the hospital facilities will be provided. Refreshments will be served in the dining room.

This will afford area residents an opportunity to get acquainted with the new hospital administrator, Tom Haden, and his wife and Dr. and Mrs. Newton D. Neufeld. Dr. Neufeld is associated with Dr. W. F. Thompson, in the Knox City Clinic.

Knox County has a hospital which the citizens of the area can take pride in. Competent doctors and up-

to-date equipment are both available to patients in the hospital.

Doris Crownover, secretary of Knox County Chamber of Commerce, stated, "We have planned this reception for the purpose of getting acquainted both with the doctors and the facilities." She continued, "It is our desire that every citizen in Knox County and the surrounding counties plan now to attend the reception."

TRUSCOTT TO HOLD SCREENING CLINIC

A Screening Clinic, sponsored by the Texas Department of Health, will be held at the Truscott Community Center on Monday, June 16, Truscott, from 2:00 p.m. until 4:00 p.m.

Thundershower Causes Disturbance

After a sweltering 103 temperature being recorded here Saturday, a noisy thundershower came over Munday, and much of the area, between the hours of 4 a.m. and 5 a.m. Sunday.
As the lightning flashed, bringing "crackles" of thunder directly overhead, this disturbance was interrupted

by sounding of the fire siren. Someone with the DPS reported to Munday that a tornado had been sighted in the vicinity of Knox City, and the warning was sounded.

As the siren emitted three long, loud blasts, lights came on in many Munday homes. People on foot and by auto

began scurrying for the nearest "frayid hole".

When the noises and electrical display subsided, Munday had experienced some high wind and a little bit of rain!

Munday received an official .38 of an inch, according to records of Goodson Sellers, local U. S. weather observer.

Help Requested To Improve Munday Drainage

After discussion of recent water drainage problems in Munday, W. O. Smith, president of Knox County Drainage District #1, and mayor, Jim Reid, requested that the Corps of Engineers be contacted by Walter Hertel, to check the possibility of available help from the Corp.

Jack Hussey of the Corp of Engineers, made arrangements for Steve Armstrong from Civil Engineering, and Robert Gergens from the Hydraulic section to be in

Munday on Friday, June 6. The men were joined in a meeting by Terry Keener and Lee Bruce of Texas Highway Department.

Walter Hertel accompanied the four men on a tour of Munday to help determine what happened during recent rains and see what recommendation could be made to improve the present drainage problems. Mr. Bruce and Mr. Keener assured Mr. Hertel that they would help in any way possible.

Appreciation for the drainage ditch was expressed to the Corps of Engineers representatives. However, they were reminded that too much of the "Thorpe" water goes around Munday and the ditch would

MISS APRIL WERLEY

New County Extension Agent Here

As of June 1, Miss April Werley, newly appointed county extension agent, was on the job. Sharon Book will be with her until July 31, assisting her in getting familiar with the job duties and meeting the residents of the county.

She is a graduate of Texas Tech University. Previous to coming to Knox County, she was a teacher in the Petersburg school system. She is a native of Crowell where she finished high school, and was an outstanding 4-H club member for eight years. April was a 4-H Gold Star Girl in Foard County.

On August 1, when she assumes the Extension Home Economic responsibilities for Knox County, she will be working on the total Extension program with Mr. Jim Mazurkiewicz, who serves as County Extension Agent for Agriculture.

She will soon be moving her mobile home to Benjamin and become a full-fledged resident of the community. She stated, "I am pleased to be in Knox County and am looking forward to my association with the people here."

Men's Softball League To Host Weekend Tournament

The Munday Men's Softball League is sponsoring a tournament on Thursday, Friday, and Saturday, June 12, 13, and 14. Munday, Knox City, Weinert, Goree, Stamford, Haskell, Rule and Seymour will participate in the tournament. Game time is 7:00 p.m. on Thursday and Friday and all-day on Saturday until they finish "some time" Saturday night. The tournament will be held on the Munday field, west of the High School Ag Shop.

A tremendous amount of interest has been shown locally in men's softball. A Munday Men's Softball League has been formed, including four Munday teams, one Goree, one Weinert, and one Knox City team. Officers for the league are Buddy Cypert, president; Billy Joe Flores of Knox City, vice-president; and Terry Alexander, secretary-treasurer.

Munday teams are First National Bank, Munday

Weevils, Knox Prairie Seeds, and the Johnsons. Gene Thompson is manager of the First National Bank team. The Munday Weevils are managed by Buddy Cypert. Buddy also plays on the team. Player/Coach for the Knox Prairie Seeds team is Bob Moore and Leon Johnson is manager/player for the Johnsons. Ages on the Munday teams vary from fifteen to around fifty years of age.

Mike Hord is manager/player for the Goree Farmers. The Weinert Harvesters have as their manager Johnny Earp, who also plays on the team. Billy Joe Flores is player/coach for the Knox City Oilers.

Games are scheduled on the Munday field, on Tuesday and Friday of each week during the summer. Game time will be at 7:00 p.m. After the tournament this weekend, they will continue their regular scheduled games.

In talking about the interest shown, Buddy Cypert stated, "The merchants have been very cooperative. Many of them have donated to our teams." He continued, "We also thank the Munday school board for allowing us to use the field weekly."

BANK PLANS

mers first". He continued, "It is our purpose to give our customer every banking convenience possible, both now and in the future, and in attractive and pleasing surroundings." He is very pleased with this new addition, as are the other officers, and extends "a personal welcome for the area citizens to attend the Open House."

Thirty-One Teams Entered In Guys And Dolls Tournament

A total of 31 teams entered the "Guys and Dolls" golf tournament held Sunday on the Lake Creek Golf Course. Towns represented were Olney, Throckmorton, Haskell, Rochester, Knox City, Benjamin, Fort Smith, Ark., and Munday. Winning the championship flight were Richie and Mary Smith of Munday, with a score of 66. Jack and Ruby Medford of Haskell were second, with 67. Wayne Zeissel and Annette Offutt of Munday were third, with 68. Other winners were:
First Flight - Philip Newton and Belle Grill, Benjamin, first with 74; H. J. Richmond of Ft. Smith, Ark., and Jo Ima Hill, Munday, second, 75; Bobby Burnett and Stacia Cook, Munday, third, 76.
Second flight - Nefro Gonzales and Patsy Anderson, Knox City, first with 78; Wayne and Jan Bufkin, Munday, second with 78;

Pilot Project For Aging To Be Renewed

Knox County received notification Thursday, June 5, that the Pilot Project for Aging Services has received funding from the Governor's Committee on Aging, according to Judge Homer Melton.
Judge Melton anticipates that the project will be operable within sixty days. Nutrition sites will open in several communities in the county.

STORK SHOWER IS GIVEN FOR MRS. URBANCZYK

Mrs. Ronnie Urbanczyk was honored with a Stork Shower in the home of Mrs. Clarence Searcey, recently. The table was set with silver trays and a Baby Tree made by her sister, Suzette Urbanczyk. The tree was decorated with colored checked bows and baby ornaments.
Twenty-three guests enjoyed a game to name the baby, and watching Cheryl open her gifts.

The hostesses for the party were Dorothy Patterson, Alta McGuire, Frances Cypert, Janice Vacek, Carol Cottingham and Etta Searcey.

The name of every continent ends with the same letter with which it begins: America, Antarctica, Europe, Asia, Australia, and Africa.

REMEMBER - The Courier will be closed from June 28 through July 6.

According to Judge Melton, County Coordinator Lillian Logan will be the project director.
The focal point for the project and the central kitchen will be established in Knox City, where the noon meal will be prepared and transported throughout the county.

Social services, including transportation, information and referral outreach, telephone reassurance and health screening, will be provided in the program. Coordination with other agencies will be developed. The program will strive to fulfill the needs of persons sixty years and older throughout the county.
Funds will come to Knox County from the Governor's Committee on Aging through West Central Texas Council of Governments.

PLAY NIGHT SATURDAY AT KNOX CITY

Everyone interested is invited to attend the Play Night on Saturday, June 14 at 8 p.m. in the Knox City arena.

There will be barrels, flags and poles in four age divisions with trophies and ribbons in each class.

For special fun they have planned a "goat tying contest" and a "ride a buck" class.

County Has \$3 Million In Taxable Sales

State Comptroller Bob Bullock Friday reported gross sales in Texas for 1979 totaled more than \$213.8 billion.

Bullock said a sales tax analysis of gross sales for the year's last calendar quarter showed that gross sales reached \$66.9 billion, up \$14.4 billion over third quarter gross sales.

The gross sales figures were gathered from 329,405 reporting outlets across the state.
Out-of-state gross sales received from 5,867 reporting outlets from the same period totaled \$5 billion.

He said 1978 gross sales for Texas amounted to \$186 billion.

Bullock also released a computer analysis showing reported sales for each of the state's 254 counties.

The report for Knox County showed a gross sales of \$10,732,522 from 176 reporting outlets. After deductions, the county was listed as having a total of \$3,804,189 in sales subject to tax.

For easier needle threading, cut thread at an angle, suggests Nancy Brown, a clothing specialist on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

Thread cut on a "bias" will have a sharp, neat point, she adds.

Honesty Portrayed By Ten Year Old Munday Citizen

Recently, Mrs. Fred Lain returned from a trip to Knox City. When getting out of her car at her residence, she unknowingly dropped her personalized check book. The check book folder had currency inside it as well as other important cards.

That same afternoon, the personnel at Munday City Hall called and informed Mrs. Lain that a check book

belonging to her had been turned in at the City Hall by Joseph (JoJo) Stinnett.

Mrs. Lain retrieved her property thinking all the time what an honest little boy JoJo was. She couldn't bear it any longer and contacted him. His mother brought him to Mrs. Lain's house and they had a chat together. She gave JoJo a reward, but we have an idea

a boy like JoJo already had his reward when he turned in the item to the City Hall.

When we talked with Mrs. Lain, she was so proud of JoJo. She stated, "He is just a precious little boy".

JoJo is the ten year old son of Mrs. Flora Stinnett. He attends Bible class regularly at the Church of Christ. He has been involved in the bus program since he was three years of age. Honesty such as JoJo displayed, is commendable. It is gratifying to know Munday has youngsters like

JoJo as citizens of this community.

MOVES TO KNOX CITY
Mrs. Marge Rixford has recently moved to Knox City to make her home. She will be associated with Brazos Valley Care Home. Mrs. Rixford was administrator at Munday Leisure Lodge for a number of years. She has rested now and stated, "I'm really happier when I work and am pleased to have this opportunity, although I will miss all my friends in Munday."

Shown are three examples of how rising prices are affecting the cost of producing electric energy. Of course everything else has gone up, too. Materials, equipment, labor - nothing has escaped the effects of inflation.

Which means that we at WTU are striving harder than ever to operate efficiently and economically as we meet the daily needs of our customers.

WEST TEXAS UTILITIES COMPANY

As always, WTU's goal is to provide a dependable supply of electric energy at the lowest practical cost. We hope you'll use it wisely.

We Reduce Prices - Never Quality

THE MUNDAY POLICE RESERVE OFFICERS took time out from a first aid course to have this photo taken. From left, is Donna Saffel, Bob McWhorter, Melvin Cypert, Mark Reed, Larry Tomlinson, and Joe Tidwell. These reserve officers have now completed seventy hours of training, and will be available to assist the local police department when called upon.

Local Police Reserve Officers Complete 70 Hours of Training

Members of the Munday Police Reserve Program completed their required training on Saturday, May 31. The climax of the seventy hours of schooling was firearm qualification at the indoor range of the Mesquite Country Gun Club. A grade of 60 was required for passing in this particular phase of training. The lowest score of the group was 80 with two officers firing 98.

The required grade by the state of Texas in the overall school is 70. The lowest overall grade average of the Munday group was 92.7.

Members of the graduating class are Melvin Cypert, Mark Reed, Donna Saffel, Bob McWhorter, Larry Tomlinson and Joe Tidwell. Each of these reserve officers will receive a certificate of completion from the Law Enforcement and Education department of the state of Texas.

Police Reserve officer training school director for the Munday school was Chief Saffel, who holds a B. A., M. Div., advanced certificate in law enforcement, and an instructor certificate with over six years experience in law enforcement. Chief Saffel taught the following courses: Department Organization, Field Interrogations and Interviews, Criminal Law, The Code of Criminal Procedure, Case Preparation and Report Writing, Officer Conduct in Court, and Police Community Relations.

Patrolman Rickie Russell, of Haskell, assisted in teaching Beat Patrol and

Observations. District Attorney Bill Heatley instructed the class in Rules of Evidence, and the Laws of Arrest, Search, and Seizure. Patrolman Dave Thompson of Knox City instructed the class on the Mechanics of Arrest and Staying Alive on the Streets. Department of Public Safety trooper, Brian Williams, instructed the class on many various aspects of traffic, including accidents, crowd control, traffic stops, and emergency safety procedures. Mrs. Thelma Maston instructed First Aid as a qualified Red Cross instructor in order for each person to receive his Red Cross Basic Course. Firearms training and qualification was conducted by Chief Saffel.

The Reserve Officers are trained citizens, ready to assist their community in protection and service. They are also sources of information where the average citizen can learn more about the laws of their City, County, and State. They will be examples to our young people of what civic pride and service is all about. They are trained observers to report on criminal activity in our community.

Chief Saffel and Officer Nix wish to thank the City Council for backing this program. So far only \$100.00 has been granted, to buy badges and identification cards for the men. The services of the men are free. Reserve officers buy their own uniforms, weapons, and ammunition. This amounts to \$300.00 or more per man, depending on the quality of equipment he purchases.

vides up to \$150,000 life insurance in case of death in the line of duty. The Reserve Law Officer's Association of America will pay up to \$5,000.00 per event for every injury incurred in the line of duty.

It's A Boy!

We all welcome Nathan Lynn Urbanczyk to our world. He was born Friday, June 6, 1980 at 9:50 a.m. in Haskell Hospital to Mr. and Mrs. Ronnie Urbanczyk. He weighed 8 lb. 10 1/2 oz. and was 20 inches long.

To help welcome him are his grandparents, Mr. and Mrs. Pat Hill and Mr. and Mrs. Louis Urbanczyk. Also great-grandmothers, Mrs. Lela Hill and Mrs. Annie Urbanczyk; great-grandparents Mr. and Mrs. Foud Waldrip of O'Brien, and Mr. and Mrs. Chester Jackson of Knox City; a great-great-grandpa, W. T. Waldrip of Knox City; and several aunts and uncles to welcome him, especially Aunt Suzette who thinks he is the greatest yet in our world.

Each officer must provide his own health insurance. The State of Texas and the Federal Government pro-

The Courier has Eaton stationary in stock.

Activities of Colored People

By ALINE JOHNSON

Sunday School was good. Pastor and wife opened Sunday School and as usual our assistant pastor and family were present. Also Bro. and Sis Darkins and our Supt. Bro. Murry and his mother and others. Sunday School Lesson subject was God's World Bring Change. You know a great subject. Bible Basis: Lesson Scripture - II Kings 21:1, 2; 2:22; 2, 9-13. Background scripture II Kings 21: 1:23,30; II Chronicles 33:35. Bible Truth: God is pleased when his people hear his word and obey it.

Bible verse: With my whole heart have I sought thee. O let me not wander from thy commandments, Psalm 119:10. Lesson Aim: That you will allow the teachings of the Bible to change you. Lesson scripture, II Kings 2:1, 2; 22:1, 2, 9-13.

When Manasseh was 12 years old he began to reign, and he reigned fifty-five years in Jerusalem. His mother's name was Hephzibah. II King 22:1, 2, 9-13 Josiah was eight years old when he began to reign, and he reigned thirty-one years in Jerusalem, and his mother's name was Jedidah, the daughter of Adaiah of Boscath.

You know it certainly would be wonderful if we would stop, look and see how we are living in the world and everyone called the children of God would do what's right in the sight of God. And love one another as God has for us to do.

Do pray for our good Dr. R. L. Newsom from your heart you know God will hear and answer prayer from the heart because prayer is a sincere desire of the heart. All sickness is not until death.

Parents do teach your girls and boys in the path of righteousness each day and night and start in the cradle when you know they understand you.

HERE FOR VISIT

Tony Hobert and son of Hurst were weekend guests in the Chalmer Hobert and Wallace Moorhouse homes. Randy is extending his stay to work with his grandfather on the farm.

Other visitors in the Hobert home were Mr. and Mrs. George Shupee of Arlington, cousins of Virginia, who had returned from a nice trip to Ruidoso enjoying a visit with Mr. and Mrs. Bill Fore, cousins of Virginia and George.

Dr. and Mrs. John A. Wiggins and Dr. and Mrs. Kenneth Wiggins of Fort Worth spent the weekend in the home of Mr. and Mrs. J. Weldon Smith.

Mr. and Mrs. Jim Morton of South Gate, Calif., and Mrs. Jessie Bomar of Silverton, visited in the home of Mr. and Mrs. Weldon Leflar last week.

We Congratulate

Officers and directors of the First National Bank in Munday in bringing this up-to-date drive-in facility to the Munday area. This new addition is adequate to take care of many banking needs for many years to come.

We're Happy

To have had a part in this project as building contractor for the First National Bank. As we have served in this capacity, let us remind you that we might be able to serve you, too!

Let us figure with you on all your building needs!

IN TOUCH

By DAN COX, MINISTER
CHURCH OF CHRIST

There is more interest today than ever before in religion, especially in salvation by God the creator of us all. Many so-called "Evangelists" are preaching "Salvation is by faith alone". But what does the Bible say? Can we trust any other source for our eternal security? Let's look at three points on salvation. Check the scriptures in your Bible and see if you agree with God's word.

THE GOSPEL IS GOD'S ONLY PLAN OF SALVATION. Do you agree here? The fact is stated by Paul in Romans 1:16: "For I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes." Of course, we can all agree at this point. According to the "gospel", men must hear the gospel (Romans 10:17) to obtain faith. We are responsible for what we hear, and therefore what we believe. The Bereans in Acts 17:11 were commended for checking up on Paul as he preached to them. We must be ready to accept this responsibility for what we hear, and how we apply what is learned. The gospel (good news) of Jesus can only help us if we hear the pure gospel. This accounts for Paul's curse on any who try to pervert the truth (Galatians 1:6-9).

FAITH IS ESSENTIAL TO SALVATION. Again, almost everyone is in agreement here. Without faith, it is impossible to please God (Hebrews 11:6). Also, a majority of us could agree what is taught to believe in the scriptures: God, Jesus the Savior of all, resurrection of Christ, eternal punishment and reward, etc. But a warning stands clear in James Chapter 2 - there are two kinds of faith. One kind is dead and unsaving (James 2:19, 20); the other is active and brings salvation (2:20-26). Verse 19 and 20 show that even the demons believe, but it is a dead faith. It is also pointed out that faith can be seen in actions (works). In verses 20-26 it is plainly summed up by "As the body without the spirit is dead, so faith without works is dead". Faith is perfected in obedience. See Romans 16:26 and Hebrews 5:8, 9. What are these "works?"

OBEEDIENCE IN FAITH DEMANDS THREE, BIBLICAL "ACTS". Repentance towards sin is the first of these three. Turning from sin (repentance) is commanded (Acts

17:30), and the consequences of neglect are clear (Luke 13:3). Confession of faith in Jesus is also a necessary step. Jesus said that those who confess him before men would be confessed before the Father in Heaven (Matthew 10:32). Romans 10:10 teaches that with the mouth confession is made unto salvation. This brings us to baptism, a disputed work of obedience. Yet baptism is mentioned as strongly as repentance or confession in required acts of faith. Baptism (immersion in water - Romans 6:4; Acts 8:36) is essential for the forgiveness of sins, thus salvation. Read Mark 16:15-16, Acts 22:16, and I Peter 3:20-21.

The Bible speaks plainly when it tells us that the gospel is the only plan of salvation, faith is essential to that salvation, and obedience requires repentance, confession, and baptism for the forgiveness of sin. "What must I do to be saved?" Some say "just believe". What does the Bible say? No one asks you to give up God's grace, for Ephesians 2:8, 9 says, "For by grace you have been saved thru faith." His grace is still applied, but only when his commandments are met. Are you saved? Have you ever been told these things before? You have now! Will you accept His gospel as the Way to Heaven and be obedient to Him?

***** Reunion Held By Rodgers Family

The family of the late Ben and Laura Irene Rodgers gathered for their annual reunion on Sunday, June 1, at Munday Community Center. Mrs. Gill (Ina) Wyatt is the only living child of the Rodgers couple.

Forty-six kin were present for the day of visiting and reminiscing. Mrs. Bobbie Kegley catered the noon meal and Mrs. Wyatt shared the fact with us that it was all delicious and to think "we didn't have to do a thing".

Mrs. Wyatt also commented, "There were some relatives who came this year who had not been able to come before and everyone seemed so happy. I believe it was the best reunion ever!"

Relatives attended from Gatesville, Flat, San Angelo, Odessa, Arlington, Dennis, Lancaster, Fort Worth, Humble and Munday.

County Extension Agent Reports

Routine servicing, careful maintenance and proper use of microwave ovens can insure many years of safe use.

ROUTINE SERVICING If the microwave oven

Local Girls Invited To Enter Contest

The Seymour Old Settlers Reunion and Rodeo will be held on July 10, 11, 12 this year.

Applications are now being taken for the Rodeo Queen contest. There will also be a Junior Rodeo Queen Contest for girls who are 13 years of age and under.

Girls from this area are invited to participate in the contests. For more information, contact Sue Walker, 888-2013 or Julie McMath, 888-2845.

gets hard use or if the user tends to overlook manufacturers' use and care instructions, have it checked for possible radiation leakage at least once or twice a year.

Also check for possible radiation leakage if the oven has been moved either voluntarily or involuntarily.

You can buy hand-held leakage testers for home use; however, the accuracy of some of the commercially available testers has been questioned by independent testers. Call your appliance dealer or a service representative for servicing information.

Microwave ovens sold

ATTEND FUNERAL IN FORT WORTH

Attending the funeral of Waymon C. Lain in Fort Worth, were Mr. and Mrs. Chester Lain, Danny Lain, Mrs. Margaret King and Patsy, Mr. and Mrs. Jerry King, Mr. and Mrs. Donnie King and Mrs. Eula Crouch.

after October 6, 1971, meet the federal safety standards for microwave radiation emission levels. They do not present a radiation hazard when used according to the manufacturer's instructions.

However, if you microwave was manufactured before this 1971 cut-off date, have it checked for possible leakage.

MAINTENANCE
Regardless of when your microwave was manufactured, check for leakage periodically. Also check for build-up of cooking residues on door seals. If this region is not kept clean, it may contribute to energy leakage.

Clean the oven cavity, door and seals frequently with water and mild detergent. Do not use scouring pads, steel wool or other abrasives.

PROPER USE
Never operate an oven if the door does not close firmly or if it is bent, warped or otherwise damaged.

Never tamper with or inactivate the oven safety interlocks. Never insert objects through the door grill or around the door seal.

Vera Happenings

By MRS. THELMA COULSTON

Visitors in the home of Mrs. Henry Patterson were Mrs. Joe Cardwell of Starkville, Miss.; Mr. and Mrs. David Cardwell and son, Jason of Kenner, La.; Mr. and Mrs. Alton Lee Patterson, Mike and Ricky, Mr. and Mrs. Larry Sweatt and son, Jeffery, Wichita Falls; Mr. and Mrs. Leonard Myers, Kenneth and Sandra of Amarillo; Mr. and Mrs. Loran Holland of Burk Burnett; Mr. and Mrs. Bob Thornhill, Dana and Bruce, Ronnie Gates and Carla Nelson of Seymour; Mr. and Mrs. Robert Nix of Munday; Kathy Nix of Lubbock; Tim Nix of Ralls; and Mr. and Mrs. Rex Patterson of Benjamin.

Mrs. Ruth Hickey and son, Charles, of Royalty, visited last Wednesday with their Beck relatives.

Mrs. Jerrell Trainham, accompanied by her daughter, Mrs. Toby Crooks and two children, Stephanie and Bret of Seymour, were in Jacksboro last Wednesday where they met Mrs. Royce Young of Plano who returned to Vera with them for a few days visit with her mother, Mrs. Sabra Rice. Mrs. Young returned home with her husband, Royce, who came for her Saturday.

Mr. and Mrs. Joe Brooks Cleveland of Wichita Falls visited Saturday with his parents, Mr. and Mrs. Cecil Cleveland.

Mr. and Mrs. Kevil Coffman of Stamford are spending this week with her parents, Mr. and Mrs. Jim Kinnibrugh.

Mr. and Mrs. Aubra Ritchie of Granberry were recent visitors with his brother, Mr. and Mrs. K. B. Ritchie. Other visitors in the Ritchie home were Mike and David Montgomery, both students at Tarleton State College in Stephenville.

Mr. and Mrs. Jim Frank Coulston, Michelle and Jonathan of Tahoka visited Thursday thru Sunday with his parents, the Carl Coulstons.

Visiting Mr. and Mrs. Wayne Sutton Thursday were their daughter, Mrs. Fred Wilson and Teresa Gail and Mrs. Joyce Hendrich

and daughter, Anell Quick and little grandson, Chris of Wichita Falls.

Mr. and Mrs. Kevin Trainham, Kenon and Stony and Dalton Gore were in Grand Prairie for the weekend where they attended the wedding of Dalton's granddaughter, Tammy Young at the First Baptist Church in Grand Prairie, Saturday evening. Tammy is the daughter of Butch and Letha Bell Young of Grand Prairie.

Visiting Mrs. Dalton Gore Sunday were Mrs. Harlan Boone of Jacksboro; Mrs. Wanda Lee Cox of Burk Burnett; and Mr. and Mrs. Gerd Badgett of Haskell.

Mr. and Mrs. LaMoine Ritchie and son, Kerry of Lubbock spent the weekend with his parents, Mr. and Mrs. K. B. Ritchie.

Mrs. Lona Feemster returned home last Monday from a few days visit with a daughter, Mr. and Mrs. George Parrish in Franklin. Mrs. Parrish brought her home, and returned to her home Thursday. Mrs. Feemster is a patient in the Knox County Hospital in Knox City and is reported to be recovering nicely from pneumonia.

Mrs. Jerrell Trainham and Minka were business visitors in Wichita Falls, Monday.

WATER BILL TOO HIGH?

One water utility company reports that 9 out of 10 complaints about unusually high water bills are traced to leaky commodes. To check for leaks at your house, first of all, listen. If your toilet hisses or hums after the tank has filled, then you've got a leak.

Even if you don't hear anything, place a few drops of food coloring into the toilet tank. If the color seeps into the bowl before flushing, then you've got a repair job on your hands.

Mrs. Jenny Leach, J. J., and Jana of Midland, and Frank Nance Jr. of Turlock, Calif. spent several days last week visiting their parents, Mr. and Mrs. Frank Nance.

DEBBIE LINDSEY placed sixth in the state public speaking contest held June 4th at Texas A&M University. Debbie competed against twenty-five individuals who qualified from the fourteen districts throughout the state. Debbie spoke on "Now is the time for all good men to come to the aid of their planet". Coaching Debbie was Mrs. Darlene Bellinghausen of Knox City. Debbie is the daughter of Mr. and Mrs. Preston Lindsey of Benjamin.

TODD PARCHMAN VISITS GRANDPARENTS

While his mother and father, Mr. and Mrs. Danny Parchman, were vacationing in Las Vegas last week, Todd Parchman of Lubbock, spent the week with his grandparents, Mr. and Mrs. Douglas Myers. They attended the Weaver family reunion in Gatesville and Todd got acquainted with a number of relatives he had not met. His great-grandparents, Mr. and Mrs. Melvin Myers especially enjoyed having Todd with them.

Ranell Scott Receives BS Degree

Ranell Scott, daughter of Mr. and Mrs. Gaylon Scott of Vera, graduated from Texas Tech University, Friday, May 9, 1980. She received a Bachelor of Science Degree in Range Management and the Vocational Agricultural Teaching Certificate.

While at Texas Tech, Ranell was on the Dean's honor list, she was a member of Alpha Zeta, a National Agricultural Honor Society, Secretary of the Texas Tech Collegiate FFA, Treasurer of the Block and Bridle Club, Agricultural Council Representative, Vice-president of the Soil Conservation Society of America, a member of the Texas Tech's Range and Wildlife Club, and a member of the Vocational Agriculture Teachers Association of Texas.

Ranell is a 1978 graduate of Vernon Regional Junior College where she was elected Who's Who Among Students in American Junior Colleges, vice-president of Phi Theta Kappa, a National Honor Fraternity, secretary of the FFA, secretary of the VRJC Rodeo Club, and was on the Dean's list. She is a 1976 graduate of Seymour High School. She is employed by the Soil Conservation Service at Tulia.

Visiting Mr. and Mrs. John R. Rayburn this week, is their granddaughter, Kim Hardin of Holland, Texas.

News From Leisure Lodge

By MRS. MILDRED HENDRIX

Mr. and Mrs. Curtis Seale and Ina Scarbrough of Goree visited Maggie Gunn, Minnie Brooks and Daisy Bates. Grace Smith of Goree visited Mrs. Kate Glasgow on Monday.

Mr. Bill Goode visited his mother, Dicie Goode.

Mrs. Allen came for reading class Monday. We had a large number in attendance. We think this is a good way to spend a Monday afternoon.

Valrie Kinnibrugh visited his mother, Bennerette Birgus.

Merle Dingus and Pam Bowman came to call bingo for us Tuesday. We had a

good time and everyone enjoyed the refreshments. These ladies who bring refreshments for Tuesday bingo really go all out, and we appreciate this very much.

Pat Owens was here Tuesday morning to share with us a very inspiring devotional. Pat is doing a real ministry here, and we look forward to seeing her on Tuesday mornings.

Wednesday afternoon is "movie time", a time we look forward to and enjoy very much. We appreciate Edith Hobert making this possible.

Louise McGuire visited her mother, Bertha Bennett,

recently.

Mr. and Mrs. Cecil Voss of Wichita Falls were recent guests of his mother, Mrs. Ida Voss.

We changed our regular schedule Friday, and had our Bible Study after supper. Bro. Tom, as always, had a very good lesson for us, and we want to thank Jeanie Ward for being so loyal to come and play for the singing time.

Speaking of singing, we all look forward to the sing-along on Saturday afternoons. Everyone who wishes makes their request for favorite hymns, and just have a great time together.

We want to say "thank you" to those responsible for the sing-a-long.

It has been such a busy week. Several out of town visitors failed to register. We can't list them, but we're always glad to have friends and relatives in.

John Weathersby was taken to the Knox County Hospital early this week, and has not been released yet. We have really missed him and hope he will be back with us soon.

Our birthday party is June 11 at 2 p.m. Mr. Semer Williamson is the only resident having a birthday this month.

Mrs. Johnny G. Jones of Plano and Ruby Jones Wickham of Irving visited Minnie Brooks, Daisy Bates, Mildred Warren and Shelly Lee.

Lois Livingston of Sey-

mour visited Omie Watson. Mrs. Minnie Dormire of Seymour also visited her.

Dr. John Wiggins and Dr. Kenneth Wiggins of Fort Worth visited their aunt, Shelly Lee, and Dr. Newsom during the weekend.

The Gillespie Baptist Church held services here Sunday afternoon. All reported a wonderful time together.

ENERGY-SAVING

Question: How much energy can I save for each degree I raise the air-conditioning thermostat during summer months?

Answer: For each degree, you save one-to-four percent in energy, according to Sue Young, a housing and home furnishings specialists with the Texas Agricultural Extension Service, The Texas A&M University System.

City Council Minutes

SPECIAL SESSION

The City Council of the City of Munday, Texas met May 30, 1980 in Special Session at the Munday City Hall at 9 p.m.

Members present: Mayor James W. Reid and Aldermen M. M. Booe, Larry Smith, and Donald Hobert. Members absent: Aldermen Ray Lynn Hardin and A. Dale Selzer.

Mayor Reid called the meeting to order. Booe moved the reading of the May 13th minutes be delayed due to long agenda. Hobert seconded. All for.

The following persons attended the Council meeting to discuss drainage in the North Park area. They were Ricky Herring, Evelyn Herring, Allen Beaty, Alan Hutchens, Carl Booe, and Joe Tidwell. The group was informed that Jerry Smith, engineer for the Council of Governments, had made a trip to Munday to make a field preliminary survey; secured several contour maps from the City; and would make a report back to the City of Munday as to possibilities to ease the flooding situation in North Park, on East Main St., and in the Farmers Grain Co. area. Ricky Herring, spokesman for the group said that something has to be done. The flooding is worse due to more water than usual coming in on North Park from the North and West, he said. Others in the group agreed that this is the case. Joe Tidwell also said that part of the water came in from the west. The group was reminded by the City Administrator that water drainage on the north alley to its outlet on Munday Avenue is "zero" fall.

Homes built in North Park should have been raised no less than 1 (one) foot and 2 (two) feet would have been better (part of the homes were raised some), however, everyone present seemed to agree that something needs to be done to ease the flooding problem to some degree.

Mayor Reid informed the group that he favored waiting for the report from Jerry Smith, consider the alternatives, and then take action. The Council agreed to follow the Mayor's recommendation. The group from North Park requested the Council not forget this matter and also that the storm sewer pumps be kept in operating order at all times possible to help the flooding situation.

The Council voted to table the paving seal coat proposal until the next regular meeting.

The Council next discussed a tract donated to the City by Clint and Jo Ann Norman for park purpose. Since the City will not utilize the lot in the foreseeable future, Hobert moved the lot be deeded back to the Normans and the Mayor be authorized to sign a deed for same. Booe seconded. Voting for motion was Booe, Hobert, and Smith. No opposition, motion carried.

The proposed airport lease with Jim Cottingham was discussed. Information from the F.A.A. from Mrs. Peggy Whiting was given by the City Adm. Some changes were proposed. A letter from F.A.A. will come prior to the next regular meeting. They also recommend T.A.C. be contacted and given a copy of the proposed lease for examination and comment.

After discussion the Council agreed on the following changes in the proposed lease:

1. That the \$300 annual payment for the land lease be paid at the time of the least contract execution and on each 12 month anniversary of the contract thereafter.

2. That Item 11 be changed as follows: at the end of the 10 year period and each 5 year period thereafter, the lease amount can be modified upon action by the City Council subject to limitations, upward or downward, according to the

consumer price index by the Federal Department of Labor. After changes, the proposed contract is to be re-submitted to F.A.A. for re-consideration.

The City Adm. reported both large storm sewer pumps now operable. One is still unfused on one leg, however, parts are on order. The "cleanup" pump is to have the impeller repaired as soon as possible. Mayor Reid is to check on possible improvements to the automatic operation of the pumps.

Lot 7, Block 152, Munday Development is being advertised for sale.

The Council discussed needed repairs to police car motor. Hobert moved that Oscar Cypert's bid to install a short block assembly be accepted. Smith seconded. All for.

Next discussed were swimming pool problems. Opening has been delayed because of varied problems due to the rains and flooding, several sewer and storm sewer pump problems, dump ground problems, tower work, etc. A full time certified operator has not been found. Larry Smith is to check out operator possibilities and city workers are to continue pool cleaning to ready for opening as soon as time permits.

Hobert moved for adjournment. Smith seconded. All for.

LOCAL

Visiting in the home of Mrs. Lawrence Kegley this week are her son and family, Mr. and Mrs. Don Kegley, Lisa and Don II, from Jacksonville, Fla. Also visiting during the weekend were Mr. and Mrs. Arthur Hargrove, Goree; Mr. and Mrs. Wayne Hargrove and Sue, Rolla, Kansas; Mr. and Mrs. M. L. Wood, and Mr. and Mrs. Manley Wood and Jennifer, Lone Star; Mr. and Mrs. Charlie Rueffer and Teddy Don and Mrs. Margaret Wallace, of Munday. They all enjoyed talking, visiting, singing, playing games, and eating lots of good food. *****

The Knox County 4-H Horse Show as held Saturday, June 7, 1980 in Knox City. Max Stapleton, county agent from Haskell county was the judge.

The winners were: Champion Mare - Kelley Boone, Reserve Champion Mare - Shawn Cude; Champion Gelding, Brand Cude; Reserve Gelding, Stacia Carver.

In the Showmanship division placing first - Brand Cude, second - Kelley Boone, third - Stacia Carver, fourth - Kristi Boone, fifth -

Shawn Cude.

Western Pleasure was won by: first, Stacia Carver; second, Leah Boone; third, Shawn Cude; fourth, Kelley Boone; and fifth, Brand Cude.

Western Horsemanship: first, Leah Boone; second, Kelly Boone; third, Stacia Carver; and tied for fourth, Brand and Shawn Cude.

In Reining - first, Leah Boone; second, Stacia Carver; third, Kelley Boone; and fourth, Brand Cude.

Barrels: first, Shawn Cude; second, Stacia Carver; third, Kelley Boone; fourth, Leah Boone; and fifth, Brand Cude.

The top five individuals were: first, Brand Cude; second, Kelley Boone; third, Stacia Carver; fourth, Leah Boone; and fifth, Kristi Boone and Shawn Cude.

These individuals have qualified for District competition on June 26, 27 and 28, in Stamford. *****

Waymon Lain Buried In Fort Worth

Waymon C. Lain, formerly of Munday, passed away on Wednesday, June 4, 1980, in a Fort Worth hospital, after a lengthy illness.

He was born in Parker County, near Peaster, in 1901, and moved to Knox county with his parents, the late Mr. and Mrs. D. L. Lain, when he was a young man.

He married Mary King in Knox County. They farmed southwest of Munday for a number of years before moving to Fort Worth. He was a member of Victory Assembly of God Church in Fort Worth, where he attended regularly as long as his health permitted.

Funeral services were held at the Victory Assembly of God Church on Friday morning at eleven o'clock. Burial was in Blue Bonnet Cemetery.

Survivors include his wife, Mary; one son, Billy Wayne; one daughter, Mary Ellen Warren; six grandchildren; eight great-grandchildren; and three stepchildren. He is also survived by two brothers, Chester of Munday, Elmer of Bridgeport; four sisters, Myrtle Neiman and Bertha Little of Weatherford; Vergie Fitzgerald of Colleyville; and Hazel Junman of Brady. *****

First Baptist Church Mobilizes To Combat Hunger

"Most Americans want to help feed starving people overseas, but don't know how," according to Bro. Jack Mints, pastor of the First Baptist Church in Munday. "The average person feels overwhelmed by the size of a problem like global famine. When you realize that two-thirds of the world goes to bed hungry and some 14,000 people die every day from starvation it causes people to want to do something about the situation."

The people of First Baptist Church have decided that the "something" they can do is to participate in a Love Loaf program. Small coin containers, shaped like miniature loaves of bread, will be distributed to the families of the church on

June 15.

"These will be kept on the dinner tables," explained Bro. Mints, "as a reminder that while we have much, others have little or nothing to eat. I think it will also be a way parents can teach their children compassion. As the family prays for the world's needy, they also put coins in the Love Loaf each day. Even the smallest child can participate."

A "Dedication of the Loaves" has been planned for Sunday, August 3, when the loaves, which will have been in the homes for eight weeks, will be turned in and the proceeds counted. Throughout this period of time, each Sunday service at First Baptist will be focusing on various aspects of world need and the Christian response.

Hospital News

Patients in the Knox County Hospital as of June 7, 1980:

Munday - Teresa Albus and John Weathersley.

Knox City - Truman White, Carmen Carbrera, Alice White, Lela Loper, Effie Miller, John Box, and Dave Whitford.

Rochester - Janis Allred, Lenora Reyna, and Sarah Harris.

Seymour - Myrtle Bowie and Elsie Keck.

Abilene - Randel Baker.

Rule - Jean Bell.

Benjamin - Era Brown.

Patients dismissed since May 31, 1980:

Munday - Joe Lowe, Charlie Haynie, Leita Lain, Cecil Smith, and Opal Guffey.

Knox City - Adelbert Suter and Elaine Lewis.

Rochester - Leonora Reyna, Ruby Clemmer, and Eulalia Hearn.

Goree - Raymond Shelton and Pearl Yates.

Rule - Verdia Ashley.

O'Brien - Eddie Adkins.

Benjamin - Julia Trepanier.

Mrs. Reynolds Buried In Knox City

Grace Lee Reynolds, 75, of Knox City, died at 8:50 p.m. Tuesday, June 3, 1980, in the Knox County Hospital.

Born on June 30, 1904, in Tolar, Mrs. Reynolds had lived in Knox city most of her life. She was a member of First Baptist Church.

Services were held Thursday afternoon at two o'clock in the First Baptist Church in Knox City. Rev. John Gillispie, pastor, and Harvey Wayne Reynolds, a grandson of Mrs. Reynolds, officiated. Burial was in Knox City Cemetery under the direction of Smith Funeral Home. Grandsons served as pallbearers.

Survivors include her husband, Roy Reynolds; two sons, Harvey Lee of Abilene and Tommie "Bud" of Knox City; three daughters, Christine Poteet of Haskell, Cleo Collins of Knox City, and Pat Strahan of San Antonio; fourteen grandchildren; and sixteen great-grandchildren.

THE KNOX COUNTY 4-H LIVESTOCK JUDGING TEAM placed fifteenth in state at Texas A&M University on June 4th, and that is out of 254 counties in the state of Texas. These members had started only three weeks before the District contest in which they qualified to go to state and compete. They competed against twenty-eight teams that qualified from their respective Districts. Knox County did an excellent job considering the ten weeks experience to the five to nine years experience that the competition had. Members of the team are Richard Daniel, son of Mr. and Mrs. Ed Daniel of Knox City; Doug Brown, son of Mr. and Mrs. Stanton Brown of Benjamin; and Gary and Ronnie Brown, sons of Mr. and Mrs. Clarence Brown of Rhineland.

Letter to the Editor

Dear Editor,

I read the letter from Mr. Hitchcock concerning the chemicals in the water we use. I didn't quite understand what he was trying to say but he left the impression with me that the chemicals might be harmful. I am not a chemist nor am

I a chemistry teacher, but common sense tells me that anything used wisely can be beneficial but misused can be harmful. For example, not many people would let a rattlesnake bite them but snake venom used correctly is very valuable. Any drug and/or chemical used correctly can be very helpful but on the same order any drug and/or chemical misused can be very dangerous.

I want to thank Mr. Hitchcock for bringing to our attention the products used in our water, but more important than knowing what is used is knowing that these germicides are used

correctly by rules and regulations set by the State.

Mr. Hitchcock stated that Mr. Beecher was very nice to him. This is natural, for Mr. Beecher is that kind of man. But I have seen him suffer mental anxiety because a few people do not realize that he is doing the best of his ability to serve you, the people of this area.

I am prejudiced and my opinion may be bias, but I feel that Mr. Beecher does a fine job as manager of the Water Authority, but more than that, "Mr. Beecher, you are a great Dad."

Nell Haskin
Goree, Texas 76363

Truman White Of Knox City Dies Monday

Truman White, 72, long-time resident of Knox City, passed away at 5:25 a.m. Monday at the Knox County Hospital.

He was born on October 29, 1907, in Merkel and married Elizabeth Earnest on July 5, 1937, in Anson. The family moved to Knox City from Paducah in January, 1957. He was a retired custodian, having worked for the Knox City School and First Baptist Church, of which he was a member.

Funeral services were held from the First Baptist Church in Knox City at 3 p.m. Tuesday with the pastor, Rev. John Gillespie, officiating. Burial was in Knox City Cemetery under direction of Smith Funeral Home.

Serving as pallbearers were Alex Godsey, E. H. Tankersley, Morris Benton, Bill Baker, Cliff Swan and Doug Meinzer.

He is survived by his wife; a son, Larry Truman of Topeka, Kans.; three daughters, Terry Berryman of Knox city, Ginny Branham of Midland and Vicki Stevens, also of Midland; a sister, Rhoda Davis of Plainview; 11 grandchildren; and one great-grandchild.

Sales Tax Return Form Is Simplified

State Comptroller Bob Bullock Monday unveiled a new streamlined sales tax return - the best and shortest in the nation - that he says will reduce paperwork and bookkeeping chores for most Texas businesses.

Bullock said the short form sales tax return is about the size of a postcard and will be into use this month.

"The best and shortest in the nation, bar none", he said of the new return, "and it won't take a fancy-pants Dallas lawyer to fill it out."

Bullock said 85 percent of all Texas sales tax permit holders will be able to use the short form.

"Now more than a quarter-million taxpayers can fill out their taxes on a pre-printed 9-by-4 inch card in probably less time than it takes to make out a grocery list."

The new short form requires less information from taxpayers than the current sales tax return and

state, city and metropolitan transit authority tax rates are combined in one computation.

Alton Hester Dies Monday At Amarillo

Alton Gene Hester Jr., 37, of Amarillo, passed away Monday morning at an Amarillo hospital.

Born August 11, 1942, he was a salesman for a Hardware Supply Co., and a member of the Baptist Church. He moved from Knox City to Amarillo about two years ago.

Funeral services were held from the O'Brien Baptist Church at 5 p.m. Tuesday with Rev. Roy McGowen, minister of Faith Baptist church in Lubbock, and Rev. Bill Trice, minister of O'Brien Baptist Church, officiating. Burial was in O'Brien Cemetery under direction of Smith Funeral Home.

Serving as pallbearers were Terry Hester, Gary Hewitt, Joe Hester, Tommy Kent, Bobby Reeves and Jerry Johnston.

Surviving him are his parents, Alton and Lana Hester of Lubbock; a son, Tim Hester of Thibodaux, La.; a daughter, Angie Hester of Tahoka; three sisters, Cathy Mitchell of Albuquerque, N. M., Elaine Easton of Ansbach, Germany, and Vrenda Robinson of Panhandle; his maternal grandmother, Mrs. Rob Johnston of O'Brien.

MEDICAL EXPENSES

Medical expenses increased faster than any other major category of personal expense - rising 107 percent - over the last 10 years in the United States, says Linda McCormack, a family resource management specialist.

Mrs. McCormack is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

Local Ladies Have Two Summer Softball Teams

A number of ladies enjoy softball and Munday has two teams this summer: the Lady Bugs and the Misfits.

Freddie Caram and Ray Lynn Hardin coach the Misfits. Freddie said, "The team named themselves, Ray Lynn and I didn't have anything to do with that." Members of this team are Karen Caram, Janie Hendrix, Lisa Hardin, Vickie Branham, Janice Smith, Diane Moore, Frieda Brown, Donna Welborn, Joan Hutchison, Kendra Cooke, Carolyn Moore, Martha Hunter, and Leslie Franklin.

The Lady Bugs, coached by Jim Reid and Jessie Andrade, will participate in a tournament at Quanah this weekend. Team members are Janet Yates, Melissa Zeissel, Kathy Kuehler, Pam Caram, Karla Brown, Shirley Welch, Kenna Cotton, Julie Myers, Caroline Myers, Darla Myers, Glenda

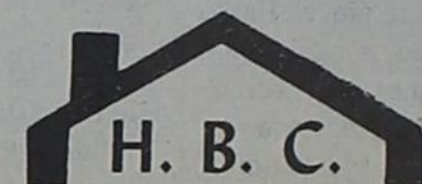

Decker and Susan Kuehler.

The two Munday teams will play one home game each week and one game a week away from home. They will play teams from Knox City, Haskell, Anson, Hamlin, and Crowell. Their practice and games will be on Monday and Thursday nights of each week. They do not have a schedule, but if you enjoy ladies' softball, you can find them on the field these two nights either playing or practicing.

CARD OF THANKS

I would like to express my
sincere thanks to my family
and friends during my stay
in the hospital.
The visits, cards, flowers,
prayers, and telephone calls
were greatly appreciated. I
also appreciate so much Dr.
Howell, Dr. Neufeld and all
the wonderful nurses who
took care of me. A special
thanks to Gayle Harris, too.
May God bless each one of
you.

With affection
Pearl Yates

CARD OF THANKS

Words fail me when I
attempt to say thank you for
the many expressions of
kindness shown me and my
family during my surgery
and hospital confinement.
Your phone calls, visits,
cards, and most of all - your
prayers for my recovery
have blessed me.
L. H. (Hub) Ford

**4-H'sers Learn
Through
Travel**
Summer is ideal travel
time. This year hundreds of
boys and girls will combine
vacations and learning
through the Texas 4-H and
youth program.
"Through short-term
exchange trips, 4-H'sers
travel to other Texas
counties to learn about the
area history, industry and
agriculture, points out Jim
Mazurkiewicz, Knox County
4-H program coordinator for
the Texas Agricultural Ex-
tension Service, Texas A&M
University System. Intra-
state exchanges also help
stimulate new program
ideas for 4-H volunteer
leaders and members.
Several Texas counties
conduct a two-year inter-
state exchange programs.
These involve travelling one
year to a selected county in
the United States and then
hosting the out-of-state 4-H
group the next year.

Reminder
Any ladies interested in
the Powder Puff Mechanics
class need to contact Mrs.
Bob Winchester or Greg
Rawdon by the end of this
week.
Classes will be held June
16, 17, 19, 20 from 7 p.m. to 9
p.m. There is no charge for
the sessions. Ralph Cypert
and Greg Rawdon will
instruct. You will be much
better informed about your
car after participating in this
course.
The Texas Dept. of
Highways state that the
average 1980 car gets 51
percent better gas mileage
than the average 1974
model.

One Has "Family History"

Four Tractors Receive Facelift By 'Ag' Boys

Greg Rawdon, instructor of the Farm Power and Machinery class, and his 13 senior students experienced a very busy and worthwhile school year. They were successful in acquiring four tractors to overhaul and bring up to "par".

A. B. Martin Jr., principal of Munday elementary and Junior high school, presented them with a "family heirloom", a 1936 model A John Deere. Mr. Martin's dad, the late A. B. (Alvie) Martin Sr., bought the tractor new from Wesley Harrison Hardware in Seymour, trading his horses, mules, and a Farmall lug tractor in on this up-to-date piece of equipment.

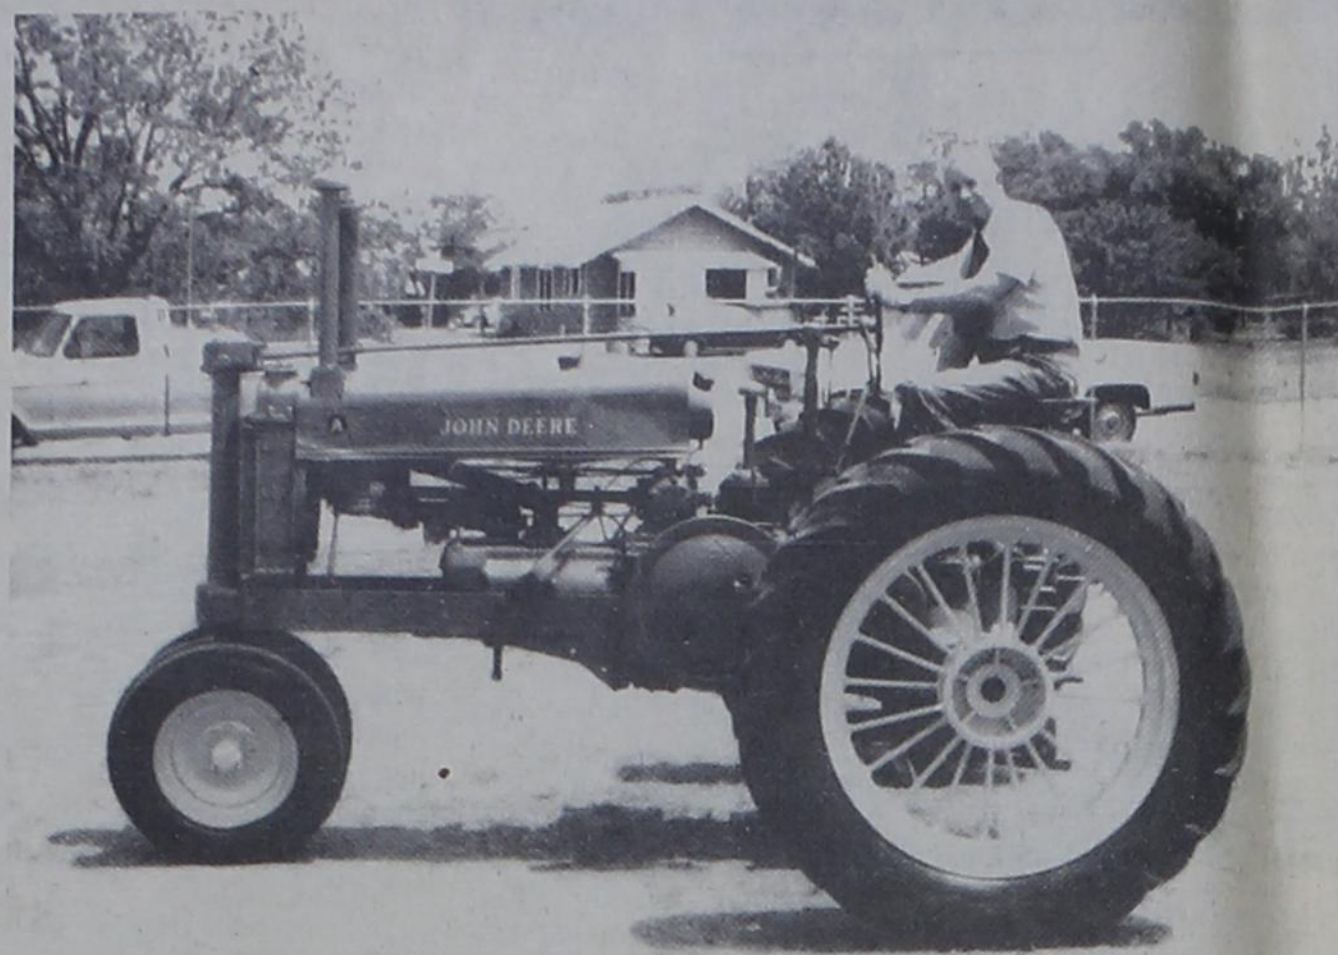

It came equipped with a two row cultivator and two row planter. List price was around \$1550. It burns kerosene and has a one gallon annex gas tank used for starting. At that time, kerosene sold for about four or five cents a gallon - talk about economy!

This little number is a two cylinder which was the John Deere style for a number of years. The one gallon starter tank works real well if a fellow doesn't forget to soon change it over to kerosene. If it slips the driver's mind and all the gas is used up, one would be walking to the house, or wherever, for a gallon of gas, because there was just no getting it started. It was slow to travel - a rain shower coming up would get you wet easily before you could get to shelter.

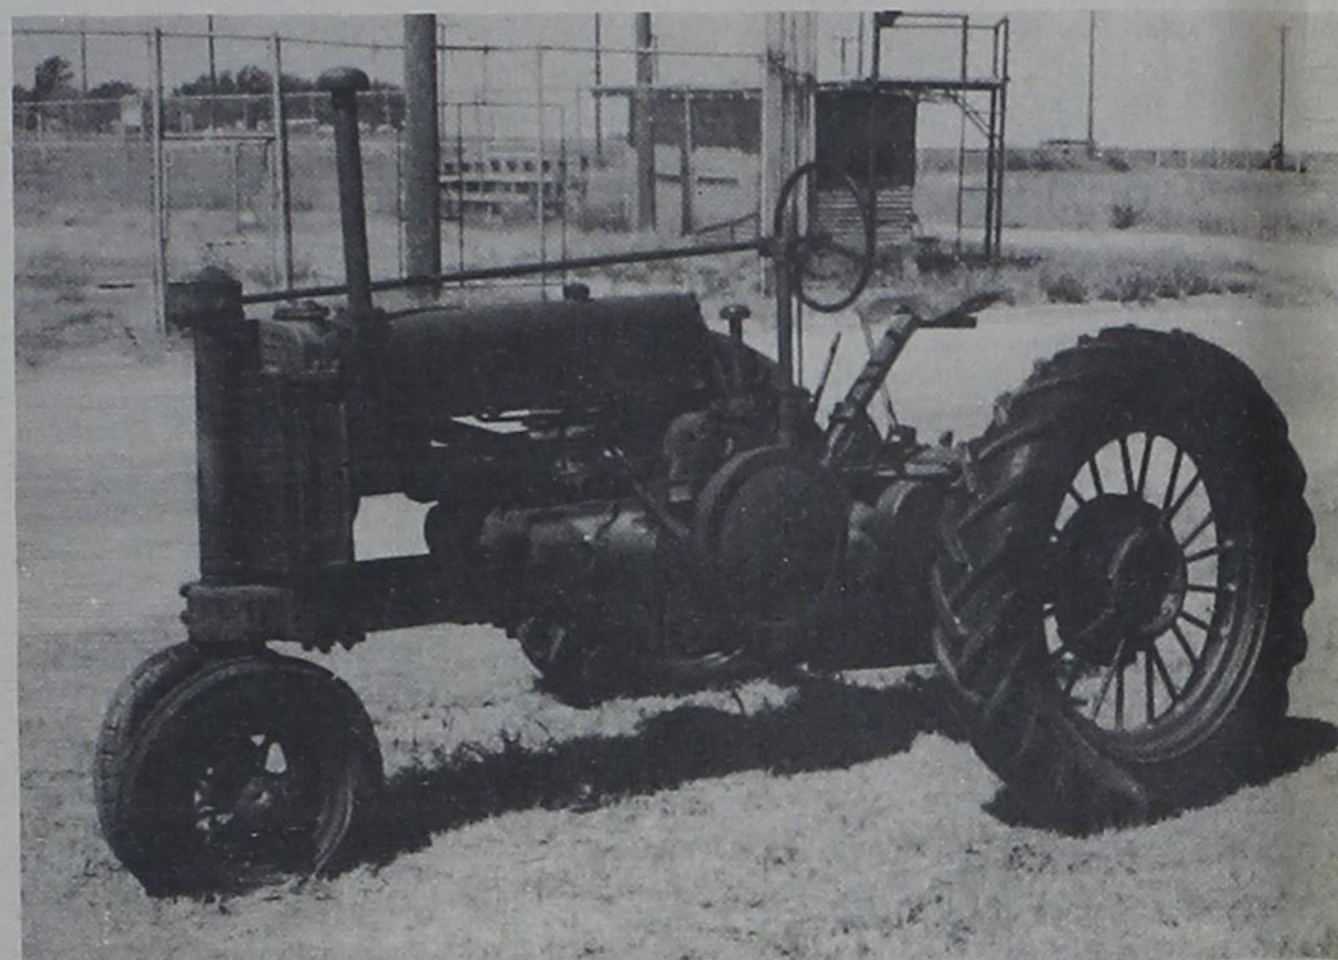

This 1936 model was used for field plowing until around 1947; then, was used around the farm for odd jobs as late as 1953.

Mr. Martin, his dad, and his brother, Forest, now of Seymour, all drove the tractor. It has now become a three generation tractor, since Mr. Martin's son drove it home from Munday after its "facelift."

All the materials for the repair work could be found except for a gasket. The

A. B. MARTIN JR. proudly sits in the seat of his 1936 John Deere after it was "all dressed up" by the Farm Power and Machinery class. Greg Rawdon is instructor of the group and Mr. Martin said, "They really did a nice job and I am real pleased to have the tractor in operation." The boys not only painted it but completely overhauled the engine.

BEFORE THIS 1936 MODEL A JOHN DEERE was renovated by the Farm Power and Machinery class at Munday High School, it wasn't much to look at. Mr. A. B. Martin Jr. let the class overhaul it for one of their projects this year.

John Deere depot in Dallas had most of the parts with some few coming from Iowa. Boys doing the work on

the 1936 John Deere were Greg Melton, Johnny Reid, and Todd Meers. These boys are able to say, "it was an

experience". One incident Mr. Rawdon shared with us (without the boys' permission) was a little "oil spill"

the boys caused. Mr. Rawdon had to be out of the Ag shop a short time that day; and, when he returned, he observed what appeared to be a giant pool of molasses on the floor. He heard one of the boys shout, "Here he comes!" It seems what the students thought was an empty crank case was not and when they removed the cover the old, old, oil - thick as any blackstrap molasses - made its way to the floor. A picture snapped by Mr. Rawdon of Todd "working on the mess", up to his elbow in oil, would prohibit any denial of the happening from the boys!

Another tractor overhauled this year was a Cyclone A John Deere, belonging to Alvin Adams. The boys, Jerry Gray, Kenny Brown, and Bret Kimmel, worked on this project, overhauled the engine and painted it to look like new. It is a two cylinder model dating to 1947 or 1948, and had been more or less discarded. It is certainly in working order now! The cost of the work was around \$300.00. The owner pays for the materials and gives a donation to the chapter to cover incidentals.

Merle Lambeth of Goree has a 1951 M Farmall which, after having approximately \$600.00 worth of parts put in it and hours of hard work by Phil Johnson, Isom Murray, Ernie Valencia and Ralph Hernandez, works like a top. This tractor proved to be the biggest challenge. Finding parts was a major problem.

James Carden let the boys work over his 1943 9N Ford. They completely rebuilt the engine, replaced bearings in the rear end, painted it, and had around \$450 to \$500 in it when they called it finished. Chris Brown, Jeff Cooke and Henry Escamilla were the mechanics and painters on this project.

Greg Rawdon complimented the boys in sticking to their job until the end, in each instance. "There were problems but they worked them out and the boys felt a real sense of accomplishment when the jobs were completed. He stated, "They have been a real fine group and have learned a great deal which they can use later in life."

AARP Meets

The Munday Chapter #1437 of the American Association of Retired Persons held their monthly meeting on June 5, 1980 in the Munday Community Center. The meeting was called to order by the president, E. R. Ponder.

Opening prayer was voiced by Frank Hendrix, followed by the Pledge of Allegiance in unison.

Minutes of the May meeting were read and approved.

The treasurers report was given and accepted as read.

Frankie Ponder gave a report on the AARP Seminar that was attended in May. Several important points were brought out for the benefit of the chapter.

A trip to Albany to the Fandnagle was discussed. A sack lunch will be taken by each one and we will stop at Fort Griffin and eat.

Mrs. Bera Spann read "What are Fathers Made Of", it being near Father's Day.

Tuck Whitworth moved to adjourn for lunch. Mrs. Coody seconded the motion. Motion carried.

Prayer for the noon meal was given by Mr. E. R. Ponder. All enjoyed a delicious meal and a period of fellowship.

The afternoon program was a talk on insurance given by Mr. Keith Jarrell of the Dallas office. He gave a very informative talk and answered questions.

Game nights are 19th for singing and 26th for games. The meeting adjourned. Next meeting will be held on July 3, 1980 at 10:00 a.m.
