Look
To The
East

By AARON EDGAR

Our nation's First Lady seems to be a pretty good fundraiser in her own rights! Soon after establishing residence in the White House, Mrs. Reagan turned down a congressional appropriation of \$50,000 to renovate the family quarters.

We thought at first this was a gallant move in keeping with efforts of fighting inflation and getting the budget in balance.

But she didn't want peanuts! What she needed was real money. Besides, her husband wasn't turned on with peanuts—he was a jellybean enthusiast!

Mrs. Reagan then sought \$200,000 in contributions for redoing the family living quarters.

Some two weeks ago, her refurbishing project had received tax-deductible contributions to the White House Historical Association amounting to better than \$735,000.

These involved "multimillionaire" contributions and some from the president's "kitchen cabinet", whatever that is.

The money amounted to over three times the amount Mrs. Reagan had sought.

Among the 209 contributors listed, almost all of the money came from 59 contributions of \$2,000 or more. Another 150; who, we guess, could have been identified as "small fry", chipped in almost \$9,000 including 94 persons who gave \$10 or less.

In the \$10,000 bracket were listed such contributors as Frank Sinatra, Mrs. Albert D. Lasker, a New York art dealer; Jack H. Choate, of Hennessey, Okla., president of Choate Oil—and then there was H. E. (you are really mad, today, aren't you, Eddie?) Chiles, and two other Fort Worth residents.

After a new list of donors was released last Friday, bringing the total to almost \$825,000, it was decided that the White House would reverse a decision not to identify the donors.

The First Lady says she appreciates the widespread public response. "We are so grateful for the additional, unanticipated contributions," she said. "The White House is America's most cherished living museum, and I am committed to maintaining its historic integrity for future generations."

And so, plans now are to redecorate the second and third floors of the executive mansion.

We really don't know how many floors are included in "family quarters" for White House occupants!

Mrs. Reagan's chief of staff has said the donors had "absolutely no political interest, no political motive" in their actions. He also said the Reagans were unaware of a fund-raising drive among the oil interests.

Two fund-raising drives were held last month, according to reports, in Texas and Oklahoma that were attended by individuals connected with the oil business. Some consumer groups had criticized (as did some members of Congress) the White House for accepting \$270,000 from 23 individuals with oil interests.

A number of donors were interviewed by the Associated Press who said the money was not intended to influence presidential policy. Some said it was meant to show appreciation for President Reagan's general policy decisions, particularly those affecting the oil business.

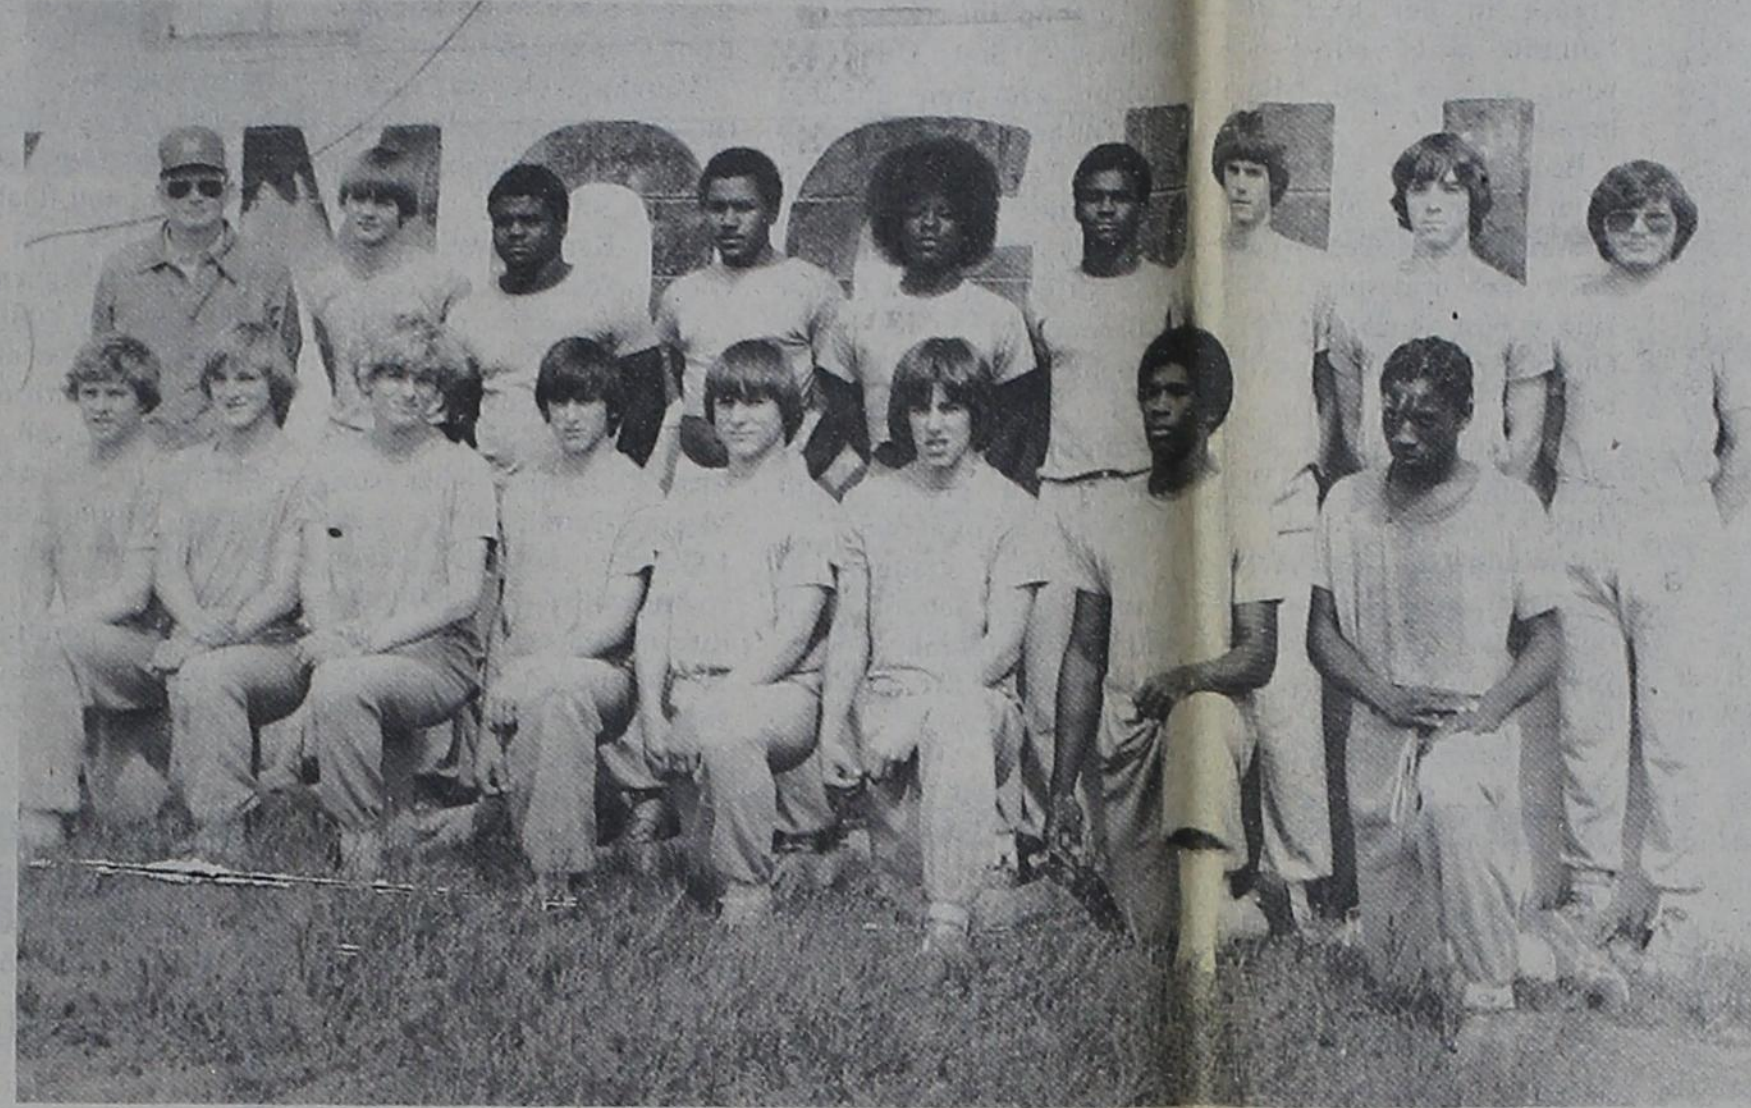

Somewhere along the line, we got the notion that such restoring and refurbishing will be sufficient to last for a period of years—perhaps longer than the present occupants would be enjoying such luxuries in living.

And this is where care should be exercised!

One person, or group of persons, fixing up living quarters for another person or group doesn't work out to advantage always.

We remember one time, after a group of ladies had worked diligently in fixing up living quarters for another family, the "lady of the house" walked into one of the bedrooms and said something like this: "It just makes me want to puke."

Had visitors? Call the Courier at 422-4314.

1981 VARSITY BOYS TRACK TEAM members for Munday High School are pictured above with Coach Jerry Lowrey at extreme left on back row. The boys are from left, back row, Chris Moore, Lester Adams, Victor Shields, Paul Wright, Gary Adams, Stan

Decker, Danny Hertel, and Eustacio Ramirez Jr. In front row, from left, are Stephen Kuehler, Danny Sloan, Pat Angerer, Stephen Schumacher, Kevin Kuehler, Kevin Smith, Lawrence Collier, and Dave Hunter.

City-Wide Cleanup Is Planned

Machinery is being set in motion for a city-wide cleanup drive, which has been set for Saturday, April 11, 1981.

The drive is being sponsored by the Munday Lions Club, in co-operation with the City of Munday.

All local citizens are urged to make an

effort to clear their premises of all trash, limbs and other debris and place it in their alleys or some place easily accessible for the trash trucks. "We urge you to do this, now," those in charge said, "and have it ready for us so the cleanup can be completed in quick or-

der." For special pickups of trash and articles not placed in the alleys, citizens are urged to call the city hall, or Douglas Myers at the school superintendent's office, and a special truck will be sent to assist.

A truck for the trash pickup will be furnished by the City of Munday, and another by Philip Homer, commissioner of Precinct Three. These will be manned by workers to help in the cleanup. Members of the Lions club will also be manning private pickups.

Citizens of Munday are urged to cooperate fully, so this undertaking can be termed the most successful cleanup drive in recent years.

Cancer Crusade Area Workers Named At Salad Supper

The Knox County unit of American Cancer Society enjoyed a salad supper on Wednesday, March 25, in the fellowship hall of Vera United Methodist Church.

An hour of work to complete crusade kits followed, as all plans for "Crusade '81" were about to be put into action.

Crusade chairman for Knox County is Mrs. Norman Clark of Vera. Area chairmen are as follows:

Mrs. Harold Jones, Goree; Sharon Newton and Joetta Boyd, Knox City; Wilma Beck, Vera; April Werley and Philomae Roberson, Benjamin; Geneva Navratil, Gilliland; Mrs. Paul Bullion, Truscott; Valera Hertel, Rhineland; Mrs. W. H. Everett, and Omar Choucair (business chairman), Munday.

Jeff Bullock of Wichita Falls, district leader, showed a film with instructions and tips on being a volunteer helper.

As your volunteer calls on you, remember cancer is a national thing, and people should be educated about this dread disease. Read your free literature and take precaution at any warning signs.

"Cancer can, and will be beat!" This will take everyone's help. Remember, "You do make a difference."

May 18 Set For Uniform Cotton Planting Date

The Knox County Cotton Committee has set May 18, 1981 or later as the earliest cotton planting date. This planting date can result in a significant reduction in boll weevil damage during the entire growing season.

Boll Weevils emerge from overwintering habitat in highest numbers during late May or early June. These overwintered weevils live 10 to 22 days after emergence. When cotton is planted May 18, 1981 or later, it will be the last few days of June or early July before 1/3 grown squares are present and squares will not support the developing weevil larvae until they are 1/2 grown. Only a small percent (less than .5%) of the overwintered boll weevils generally survive until early July.

City, School And Hospital Elections Set

A Freedom Can Be Exercised By Voting

One of our important freedoms can be exercised Saturday, April 4 by casting our ballots in the local elections. You may vote at Munday City Hall for Munday Independent School District trustees, City of Munday Councilmen and also Knox County Hospital board of directors. The Hospital Board election will be held in conjunction with the City of Munday election. Polls will be open from 7 a.m. to 7 p.m. City Election Judge is Goodson Sellers.

Absentee voting ended Tuesday, March 31. Hopefully, if you are to be out of town April 4, you have cast your absentee ballot.

In the City of Munday election, three councilmen will be elected. Terms of M. M. Booe, Donald Hobert, and Ray Lynn Hardin are expiring. All three incumbents and J. M. (Chris) Christensen have filed for election. Councilmen will be elected for two year terms.

Two trustees for Munday Independent School District will be elected. Filing for these positions are Kenneth Hendrix, incumbent, Larry Thompson and Buford Berryhill. Each of the two men elected will serve three year terms. Election judge will be Winters Matthews.

Mazurkiewicz To Move To Ector County

Jim Mazurkiewicz, Knox County Extension Agent-Agriculture, will transfer to Ector County April 16, 1981, according to District Extension Director Thelma Wirges.

He is a native of Waller County, where he graduated from Waller High School. He holds a B. S. Degree in Animal Science from Texas A&M University, where he was active in Meats and Livestock Judging.

Prior to going to Knox County as County Extension Agent-Agriculture, he worked in Chicago as a USDA Meat Grader for one year and served as Assistant County Extension Agent in Guadalupe County.

Along with his wife and twins, he will make his home in Odessa.

Munday Lions To Host Softball Tournament

The Munday Lions Club will host their first annual slowpitch softball tournament Thursday, April 30 through Saturday, May 2. It will be a double elimination tournament and prospective entries are invited to contact Frank Jackson, manager of West Texas Utilities or M. L. Waggoner, owner of The Munday Courier.

Mr. Jackson stated, "We are real enthused about the tournament and urge all the area teams to enter. Entry fee for the tournament is \$60.00 per team. A concession stand will be open during the games. All the games will be played on the senior league field west of Munday High School."

Take stock in America. Buy U.S. Savings Bonds.

One director for Knox County Hospital Board will be elected. The term of Greg Clonts of Knox City expires, and Mr. Clonts has filed for re-election. Also on the ballot for hospital board director are Dr. Bill Kingston of Munday and W. F. Thompson D. O. of Knox City.

Voting is a privilege we would not want taken away and we need to be mindful of fulfilling this freedom.

A Cattery? Well Now, Let's See

Sunday morning, a local man answered his phone with a hello and the party on the other said, "Is this a Cattery?" The Munday man thought he was talking with his son (since he could tell it was long distance) and his son was "horsing around with him" so he answered, "Yeh, this is a Cattery, what do you need?" (He had immediately decided a Cattery was a place people called for cats.)

The calling party asked for a certain breed and the local man said he was out and was then asked what breeds he stocked.

Not giving a serious thought to the question, the answerer popped up with, "Wildcats, I raise wildcats."

The questions then began seriously from the apparent cat enthusiast such as how do you go about raising them and what do you do with them? The local man said he became acutely aware of the seriousness of the caller's conversation and knew it was not his son to whom he was speaking. He told the man he did different things with the wildcats and was, in fact, married to one.

He then ended the conversation by saying, "I gotta go, it's time for church." The caller reluctantly hung up while saying, "I can't believe this—actually raising wildcats."

After a fellow has a conversation such as the one above on a Sunday morning and then later has time to muse over it, he has a lot of unanswered questions.

Church Of Christ In Weinert To Hold Gospel Meeting

A gospel meeting will be held at the Weinert Church of Christ, beginning on Thursday, April 9, and continuing through Sunday, April 12.

Jimmy Hackney of Fort Worth will be the featured speaker. He completed high school in Weinert, later graduating from A. C. U. in Abilene. He then moved to Baytown, where he was youth minister for two years.

Moving to Dallas, he then served as youth minister for five years. His first pulpit ministry was at St. Louis, Mo. He now serves as minister at Midtown in Fort Worth, where there is a membership of 1,400.

He was married to the former Sue White, daughter of Mr. and Mrs. D. I. White of O'Brien. They are parents of two children, Todd and Talanda. Jim's parents are Mr. and Mrs. Elwood Hackney.

Services will be at 7:30 each evening, except Sunday, when they will be at 6 p.m. Joe Fletcher of Rochester will direct the singing. Topics to be discussed are:

- Thursday - "Seeking a Refuge."
- Friday - "For me to Live is Christ."
- Saturday - "The Message of Malachi"
- Sunday - a.m., "You cannot be my Disciple"; p.m., "Soldiers of Christ, Arise!"

Kindergarten Children Need To Pre-Register

Parents who have children who will be five years of age by September 1, 1981 are requested to pre-register these children for the fall term of Kindergarten in Munday Schools.

The children may be pre-registered at the Munday elementary school office at anytime during the school day.

BOB COLLINS and NIKI SHERLEY

Engagement Announced

Mr. and Mrs. O. C. Sherley of Megargel announce the engagement and approaching marriage of their daughter, Niki Gay, to

Robert W. Collins, son of Mr. and Mrs. Don Collins of Electra.

Mrs. Coody Celebrates Birthday

Mrs. Walter Coody was privileged to celebrate her 75th birthday on Sunday, March 22. She was delighted to share her age and had a wonderful day, lots of gifts, good company, and delicious food.

Guests in the Coody home for the day included their children, G. H. Coody and family of Seymour; Donnie Coody and family of Seymour; Mr. and Mrs. Ronald Coody and daughter, Debbie of Farmers Branch; and Mrs. Doris Routon of Goree, mother of Mrs. Ronald Coody. Mrs. Coody's daughter, Mrs. Weldon Herring of Wichita Falls was unable to attend, but Mrs. Coody talked with her by telephone.

The bride-elect is a graduate of Megargel High School and of Abilene Christian University. She is presently employed by Munday Independent School District.

The groom-to-be graduated from Electra High School and Midwestern State University. He is employed by Electra Independent School District.

The wedding will be June 6 at the Church of Christ in Megargel.

Senior Citizens Enjoy Singing

The Senior Citizens of Munday had a very enjoyable evening of Gospel singing on March 26, 1981 in the Community Center. There were several trios and quartets, besides the entire group singing.

We had singers from Haskell, Knox City, Red Springs, and Olney. Mr. and Mrs. George Burkhalter, Kingman, Kansas; Mr. and Mrs. Loyd Robertson, Red Springs; Mr. and Mrs. Clyde Williams, Haskell; L. D. Rue, Mr. and Mrs. Clayton Robertson, D. C. Rue, Mr. and Mrs. Jack Bishop, Freddy Horany, Joy Willis, Norman Robertson, all from Olney; and Mrs. Tom Christ, Knox City.

After singing for about 2 hours, the group took time for refreshments of cookies, coffee, and iced tea. Everyone visited for a while before returning to more singing.

Everyone expressed they had a very enjoyable time.

All were invited to a singing at Olney on April 16 at 7:00 p.m. Several from here said they would like to attend.

Our thanks to all who who attended our singing and a special thank you to all of the visitors and also Nolan Phillips for his help.

The next singing will be announced in the paper at a later date. All who wish to sing or just listen are welcome to attend.

Virginia Cary, reporter

Mr. and Mrs. Leon Looney of Garland and Laura White of Richardson visited in the home of Mr. and Mrs. Bill Gaither during the weekend.

Cartwright And Welch Wedding Vows Solemnized

Susan Welch and Tracy Cartwright were married Friday evening, March 27, in the home of the bride's parents, Mr. and Mrs. E. D. Welch in Gilliland. Parents of the groom are Mr. and Mrs. W. T. Cartwright of Benjamin. Terry Cartwright of Lubbock, brother of the groom, officiated.

Given in marriage by her father, the bride wore a white street length dress complimented by a wreath of baby's breath in her hair. Her bouquet was yellow and white daisies and baby's breath.

Becky Welch served her sister as maid of honor. Leann Oustad, niece of the bride was bridesmaid. Serving as best man was George Oustad, brother-in-law of the bride.

A reception was held following the ceremony. The bride's chosen colors of yellow and white were used in the decorations. The serving table was covered with a yellow cloth and lace overlay. Deann Cartwright of Lubbock and Charlotte Welch served the guests.

After a short wedding trip, the couple is making their home in Benjamin. The bride will continue to attend school in Benjamin. The groom is self-employed as a carpenter.

Nikki Cooke Initiated Into Honor Society

Nikki Urbanczyk Cooke was among the twenty-five Midwestern State University students who were initiated into freshman honor society Alpha Lambda Delta in ceremonies at 7:30 p.m. Tuesday, March 31, in MSU's Clark Student Center Ballroom.

Alpha Lambda Delta is open to all students (traditionally women) who maintain a grade point average of 3.5 or above.

Nikki is a graduate of Munday High School and is married to Jimmie Cooke. Her parents are Mr. and Mrs. Buddy Urbanczyk.

Varsity Girls Track Team First At Quanah

BY Coach Dennis

We surprised ourselves in the fact that we brought home first place in the Lady Indian relays in Quanah Saturday, March 28.

The nearest competition was the host school, Quanah, with a 136 to our 148. Childress came in third. We were not assured the victory until the 1600 meter relay.

We came out of the field events with 31 points consisting of a first place by Lisa Zeissel in long jump and fourth for Elaine Jones in the long jump.

Lisa was fourth in triple jump and Cheri Welch was sixth in the event. Vickie Shields placed second in shot put and Darla Myers placed fourth.

We began the running events by winning the 400 meter relay in a time of 52.05. Team members were Lisa, Caroline Myers, DeeDee Kuehler and Elaine.

Mona Choucair placed third in the 3200 meter run with a time of 14:28.6. Sixth place was won by Kristi Smith in the 100 meter low hurdles.

Caroline Myers earned Munday a first in the 800 meter run with 2:29.92. In this event, Jeannette Kuehler was fourth and Karen Beaty, fifth.

Elaine Jones brought in another first in the 100 meter dash with a time of 12.88. Vickie Shields was third with 13.3.

Lisa, Caroline, DeeDee and Elaine also ran the 800 meter relay and came in tops with 1:52.79.

V. Shields placed third with a time of 29.04 in the 200 meter dash. In the 1600 meter run Jeannette Kuehler ran 6:35.41 and Mona Choucair had a time of 6:55.67.

In the mile relay (1600 meter) we had to place one place behind Quanah to win; two places behind to tie; and to make sure, we just 'beat

'em' and ran a 4:35.42 and placed second. Kristi Smith, Darla Myers, Lisa Zeissel and DeeDee Kuehler ran the relay.

I was very, very proud of the way the team competed and the self-sacrifice some of the girls made for the team. The "family atmosphere" was felt once again which has carried us through this year.

Probably one of the most exciting happenings of the day, at least in our minds, was the 800 meter relay win in which Caroline Myers received the stick 15 yards behind and two lanes outside of Quanah and made up the deficit plus extended a lead within her leg of the race and handed the stick to Elaine Jones who brought it on home.

Our time was not necessarily blazing time but considering the track conditions (weather), we did real well.

This Friday we go to Vernon. All the teams in our district will be there and we can observe the participants before our district meet.

The 3200 meter run and field events will begin at 2:30 p.m. Running pre-lims begin at 3:30 p.m. and finals at 6 p.m. The award presentation is slated for approximately 8:30 p.m. This is a two division meet and one of the finest in the area.

We expect the competition to be very strong and expect to benefit greatly.

HERE WITH SISTER

Mr. and Mrs. Willard Bauman of Huntsville and Mrs. Dolly Hill of Vermont came in Sunday to be with the ladies' sister, Mrs. Irene Claburn, who was taken to the Knox County Hospital on Saturday night after having suffered an apparent heart attack at her home in Munday. She was later transferred to Bethania Hospital in Wichita Falls.

Jr. Varsity, Varsity Boys Track Results

Munday Junior Varsity boys and Varsity boys track teams participated in a track meet at Olney Saturday, March 28. The Junior Varsity boys placed fourth with 67 points. Lake Worth was first with 90, the Haskell team had 90, and Olney was in third place with 79 points.

Munday varsity boys placed 4th with 82 team points. Seymour was first with 176, Albany was in second place with 96, and Knox City was third with 85.

Munday J. V. was first in the 400 meter relay with 47.75. Team members were Robert Murray, Quinn Smith, Kent Josselet, and Quincy Adams.

Other events in which Munday J. V. placed included 110 meter high hurdles, Quinn Smith second with 17.7; 800 meter run, Murray second with 2:15.38; 100 meter dash, Q. Adams second with 11.65; 300 meter intermediate hurdles, Q. Smith second with 45.31; 1600 meter relay team, sixth with a time of 3:54; high jump, Q. Adams, 5'8" for fifth place; shot put, Johnny Collier, fifth with 36'5 1/2"; shot put, Moses Dena, sixth with 36'4 1/2"; and Dena placed fifth in discus with 102'3".

In varsity competition, Lawrence Collier, Paul Wright, Stephen Kuehler, and Victor Shields ran the 400 meter relay and placed third with a time of 46.41. Sloan was sixth with 11:15.36 in the 3200 meter run. Stephen Kuehler was sixth in 800 meter run with 2:11.7; L. Collier brought in a first place in the 100 meter dash with 11.19 and V. Shields placed third in that event with a time of 11.43.

Paul Wright was fourth in the 400 meter dash with 54.28. V. Shields earned Munday a first in the 200 meter dash with a time of 23.34. Danny Sloan came in fourth with 5:03.8 in the 1600 meter run.

Munday won fourth in the 1600 meter relay with a time of 3:43.88. L. Collier, S. Kuehler, Q. Adams, and P. Wright ran the 1600 meter.

Kevin Smith won first place in high jump, clearing 6'5" and Stan Decker cleared 6'0" for third position. Gary Adams was in sixth place in this event with 5'4". Lester Adams earned a second place for his team in the discus throw with 123'.

Coach Lowrey Comments

It was a typical track day - rain, sand, and then a beautiful afternoon for the finals.

I felt that as far as competition, this was the strongest meet we have participated in. There was real good quality shown in the boys of the other teams. Munday team members improved their time in almost

every event which is encouraging.

This Saturday the Varsity boys will travel to Abilene and run in a meet on the Abilene Christian University track. This is a three division track meet and will afford spectators a chance to see some 4A and 5A competition. The meet will include division 1 for 4A and 5A ninth graders; division 2 for Class 2AA and 3AA varsity and 4A and 5A Junior Varsity; division 3 for 4A and 5A varsity.

Field events will start at 11 a.m.; running pre-lims at 2:15 p.m.; and finals begin at 6 p.m. The last event is scheduled to begin at 9:15.

This will be kind of a new experience to be able to see good competition in our division as well as good athletes in the 4A and 5A classes. Running at night will be different, too, for our boys.

We are pointing toward this particular meet and hope to get some of best performances in since it is our last meet before district.

The Mazurkiewiczz To Be Remembered

Knox County 4-H'ers are planning a going-away gift for Kathy and Jim Mazurkiewicz who are leaving Knox County this week to become the new county agent in Ector County. Part of the plans call for a money tree to help this young couple defray some of the immediate expenses that are accruing during the time their young twins remain in the hospital.

Anyone wishing to contribute to the "Mazurkiewicz Money Tree" can do so by contacting Ed Daniels in Knox City, Linda Griffith in Benjamin, and Ronnie Cude in Goree or Munday.

Sister Of Local Man Dies At Rule

Ellen Conder, 71, of Rule, passed away at 8:32 a.m. Saturday in Haskell Memorial Hospital after a short period of illness.

She was born August 15, 1909, in Rule and married Gene Conder on December 15, 1930, in Haskell. They lived in Rule until 1955, when

they moved to Olton. They returned to Rule in 1978.

She was a housewife and a member of the Church of Christ in Rule.

Funeral services were held at 3 p.m. Sunday from the Rule Church of Christ with John Greeson and Travis Boyd officiating. Burial followed in Rule Cemetery.

Surviving her are her husband; a daughter, Mrs. Riley Erlene Falkner of Casper, Wyo.; two sons,

Audie Jr. and Johnny Conder, both of Abilene; three sisters, Ruby Franks of Skellytown, and Sallie Whittemore and Alma Counts, both of Rule; a brother, Jesse Johnston of Munday; 11 grandchildren; and one great-grandchild.

M. L. Wiggins To Attend WTCC Convention

M. L. Wiggins will attend the 63rd Annual Convention of the West Texas Chamber of Commerce, set for April 15-16-17, in El Paso. Mr. Wiggins is a life-time member of WTCC.

He makes a special effort to represent Munday in as many meetings and conventions of the WTCC as possible. He is presently serving as president of Munday Chamber of Commerce.

Cancer Victims Can Obtain Help And Information

Anyone knowing of a Knox County cancer victim who might be in need of any of the number of aids available or information concerning the American Cancer Society and what they have to offer a new patient may contact Mrs. Armon (Katherine) Smith at 888-2677.

It takes 17 muscles to smile, 43 muscles to frown.

Sing-Along.

St. Joseph's Catholic Church at Rhineland brought Sunday afternoon services for the residents.

Ann Kiser conducted exercises and games for the players on Friday morning.

We want to thank all our volunteers this week for taking time out of their busy schedules to be with us.

Ernest and Gail Proctor of Abilene visited Elsie Eiland this weekend. Also visiting Mrs. Eiland were Marshall, Patty and Lynn Middleton of Lamesa.

Mrs. Bera Spann, Mrs. Eunice Raynes, and Mrs. Virginia Cary entertained the residents Saturday at the

Loufana Eubank enjoyed a drive with her daughter, Shirley, to the old Sunset area and countryside Sunday afternoon.

John Weathersby attended church Sunday and then went out for dinner. Edith and Clyce Adams of Wichita Falls visited her

"THERE'S ONE NEAR YOU"

**FOR A SMALL MONTHLY CHARGE,
HE COULD'VE ANSWERED IT IN BED.**

Jerry Ryan figures he's saving a lot of money by doing without an extension phone. But the fact is, he's paying an even higher price for not having one. Think about it. For much less than you'd expect you can reach rather than run for your phone. Whether

you're doing laundry, watching the tube or taking a snooze. What's more, you know you've got a phone that's as reliable as the phone company. So call your General Telephone business office and ask for an extension phone. You'll sleep better.

By MRS. THELMA COULSTON

Visiting Mr. and Mrs. Harold Beck and Keith recently were Mr. and Mrs. Kent Beck, Josh and Elizabeth, of Duncan, Oklahoma and Debrah Beck of Denton. The ladies attended a bridal shower honoring Miss Judy Daniel of Crowell in the home of Mrs. Maddie Hardin.

Mr. and Mrs. Paul Weiss returned home Friday from a few days visit with their children, Mr. and Mrs. Jack Robertson and family in Dallas and Mr. and Mrs. Gary Wayne Weiss and children in Carrollton.

Mr. and Mrs. Roy Finis McGuire of Levelland were Friday visitors with his sister, Mr. and Mrs. Tom Hardin.

Rev. and Mrs. Douglas Crow of Melvin were guests of Mr. and Mrs. Gaylon Scott on Tuesday night.

Mr. and Mrs. George McKinney entertained the members of the forty-two club in their home last Tuesday evening. Attending were Mr. and Mrs. Clyde Beck, Mr. and Mrs. Armon Smith, Mr. and Mrs. Billy Kinibrugh, Mr. and Mrs. Loran Patterson, Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Claudell Bratcher, Mr. and Mrs. Carl Coulston and guests, Mr. and Mrs. Delbert Montgomery of Seymour.

Mr. and Mrs. Kevin Trainham visited Sunday with Jim Cooper of Seymour, a patient in General Hospital in Wichita Falls.

Mr. and Mrs. Arthur McCaughy visited last week with his daughter, Mr. and Mrs. Ray Brooks and boys in Floydada.

Mr. and Mrs. Clyde Feemster were Saturday visitors with her daughter, Mr. and Mrs. Alva Maag and Amanda in Iowa Park.

Mr. and Mrs. Claudell Bratcher were in Wichita Falls Sunday afternoon to attend the 45th wedding anniversary celebration honoring Mrs. Bratcher's sister, Mr. and Mrs. Ralph Blanton, in the home of their son, Mr. and Mrs. Ralph Blanton, Jr. The Bratchers also visited her mother, Mrs. Ruth Ellis, in Bowie.

Robye Sullivan of Woodson spent a few days last week in the home of Mrs. Lona Feemster and J. Winston.

Mr. and Mrs. Wayland Hardin and family visited

Saturday with Mrs. Hardin's sister, Mr. and Mrs. Dowell Matthews and family, in Anson.

Mr. and Mrs. Harold Beck and Keith visited in Crowell Saturday with Mr. and Mrs. Billy Daniel and family and attended a bridal shower honoring Judy Daniel.

Mrs. Jerrell Trainham and Minka, accompanied by Stephanie Crooks and Nicole Jurecek of Seymour, were business visitors in Wichita Falls last Saturday.

Mr. and Mrs. J. L. Trainham of Houston visited in their home here during the weekend and attended the anniversary tea honoring her sister, the Ralph Blantons, in Wichita Falls on Sunday.

Lake Creek Golf Club Minutes

The members of the Lake Creek Golf Club met at a called meeting last Thursday evening at First National Bank. Club president, Wayne Zeissel opened the meeting by reporting that it has become necessary to replace the verti-cutter, that considerable work is needed on the tractor and also there are water leaks which need to be repaired. He also noted that for the year 1980 club expenses exceeded income by approximately \$400.00. After considerable discussion the members present unanimously voted to increase dues by \$4.00 per month for members owning carts. Dues for all other members will remain the same. It was felt that this measure will put the club in a sounder financial position. However, in order to meet the expenses of the verti-cutter, tractor repairs and water leak, it was voted to ask all active members for a voluntary donation of \$25.00 per member. This also unanimously carried. Many members have already donated the \$25.00 and those who have not done so are asked to make their contributions to Charles Baker, club secretary.

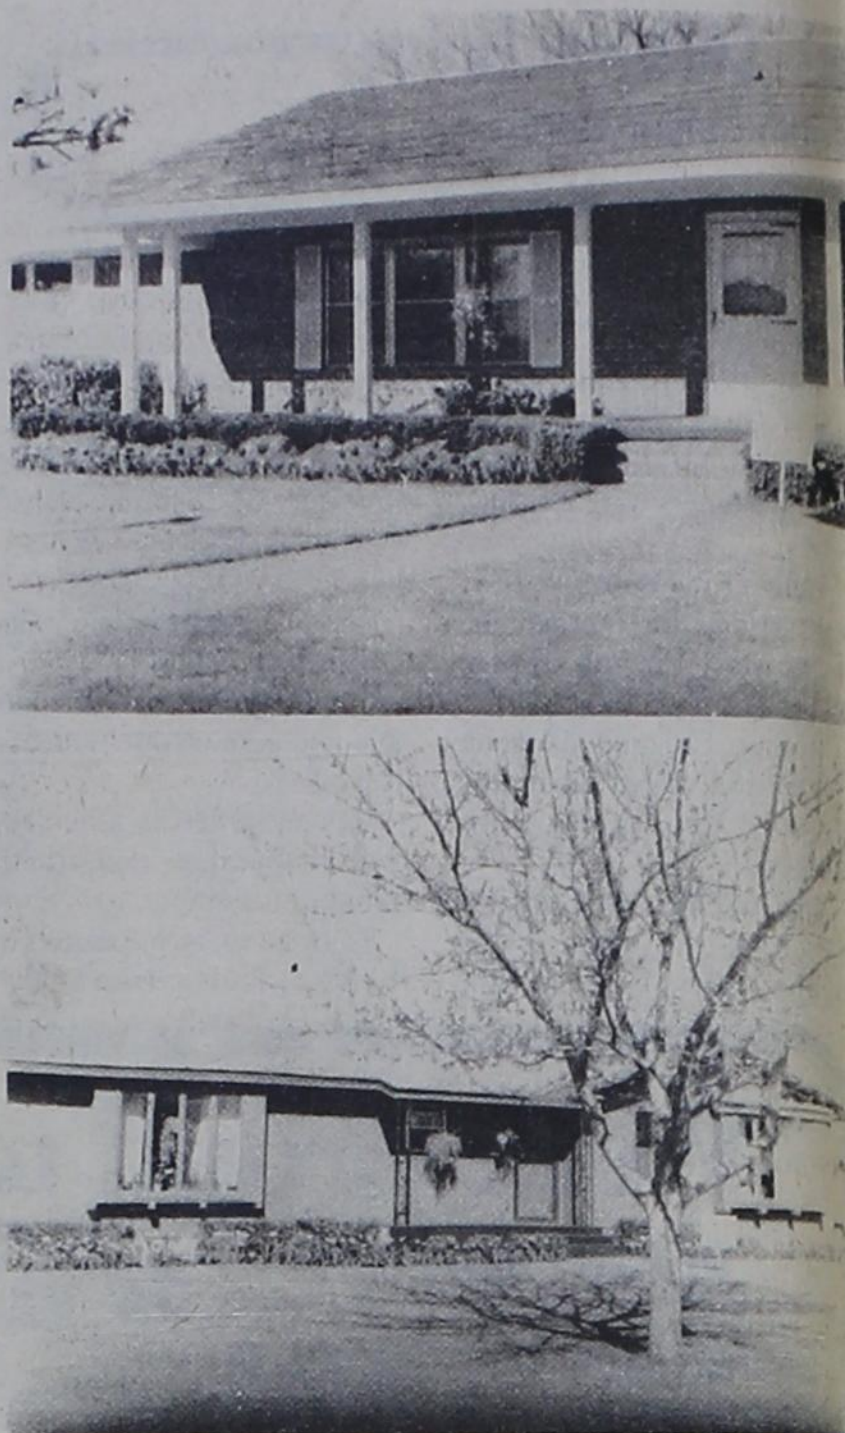

The members also voted to establish a Hole-in-One Club. Those wishing to participate are asked to put up \$2.00 with Charles Baker and the first member who makes a hole-in-one after April 1, 1981 will win the pot, at which time the process will begin again. Zeissel also announced the dates for the club tournaments as follows: May 23-24, Men's lowball Invitational Partnership; June 7, Guys and Dolls Tournament. Also there will be a handicap tournament and the annual club tournament the dates of which will be announced later. On the first Sunday of each month beginning May 3, 1981 the ladies golf association will sponsor a scramble.

Zeissel also announced that Jeff Anderson is now handling golf merchandise including the ordering of clubs and equipment at his place of business, Munday Auto Supply.

The meeting concluded with a discussion of the fact that green fees are not being collected. The members voted to take it upon themselves to collect green fees from all non-members. The only exception to this, is that during the week the Munday and Goree high school golf teams and their coach may play for free. On the weekends, golf team members whose parents are not members of the club will be expected to pay green fees. The green fees are \$4.00 per day during the week and \$5.00 per day on the weekends.

Americans write more than 24 billion checks a year - over 100 checks per person.

drive 55 Texas Department of Public Safety

WHAT A PRETTY PAIR! APRIL YARD OF THE MONTH honor has been awarded to two yards. The Munday Garden Club judges sometimes find selecting a yard is a difficult task. These two yards, belonging to the Tom Oustads, top photo, and Mr. and Mrs. Tommie B. Harper, bottom photo, caught the eyes of the judges because of the beautiful tulips in bloom. Side by side, both yards are mowed, neatly trimmed, and very well kept. These two ladies are sisters and enjoy making their yards attractive.

Our Aging Services Program Serves Four County Centers

Lillian Logan, coordinator of the Knox County Aging Services Program was in Dallas earlier this week attending the Texas White House Conference on Aging. Mrs. Logan was one of 900 certified delegates to the conference, held March 30-31. The many issues affecting service to elderly persons in Texas were discussed. Recommendations from this conference will be discussed at the National White House Conference on Aging, set for late November, in Washington, D.C.

Some delegates will be named to serve at the national conference. Jarold Kieffer, acting director of the national conference, said recently that the older population in America is "unique in American history and probably in the World's history. In its experience and capacities, and its desire to remain productively involved, it is a major resource." He added that because of this, the rapidly growing older population presents many needs to be filled but also some "great opportunities."

The aging program in Knox County has four centers which seek to meet some of the needs of the elderly, by providing a variety of activities, information of available services, transportation and a hot noon meal for all persons who are 60 years of age and older. The center at Knox City is open Monday through Friday. Activities this week include exercises Thursday and again on Tuesday; singing on Friday; and games most every day. The Truscott Center is open on Tuesdays and Thursdays, and participants can enjoy quilting both days. The center in Munday is open Mondays, Wednesdays and Fridays for regular ac-

tivities. In addition, a covered dish luncheon will be held on Thursday, and those attending will play table games. The Benjamin center is open on Tuesdays and Thursdays. This week's menus were announced, as follows:

Thursday, April 2 - Roast beef and gravy, corn o'brien, tossed salad, fruit jello.

Friday, April 3 - Barbeque on bun, potato rounds, baked beans, cake.

Monday, April 6 - Beans and franks, turnip greens,

IN TOUCH

Believer's Chapel by Derrell Marion

Christian Unity

"Neither pray I for these alone, but for them also which shall believe on me through their word; That they may all be one; as thou, Father art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me." John 17:20-21

One of the great blessings of the Christian life is the fellowship we can enjoy one with the other. Christian brotherhood is a priceless possession. Christian fellowship lifts and strengthens whenever it occurs. It is this spiritual blessing that Jesus wanted to preserve. He knew of the strength derived from oneness with God and brethren.

Yet many of us act as though Jesus prayed, "Father that they may be divided and struggle one with the other." The need that was so heavy on the heart of our Saviour is taken so lightly by His followers. We find ourselves divided over strings, cups, times, gifts, and many other things which we have made points of division.

As long as we continue to be divided in our spirits we will never be as strong as God intended. Our spiritual life will not receive the thrust

God has for us when we harbor resentment and divisive attitudes toward our brethren. Hold a grudge against your brother and watch your spiritual strength dwindle. Refuse to accept a brother because he differs with you on some doctrinal point and lose some of the power that is rightfully yours.

Besides robbing the Christian of some of his strength, division will also confuse our witness to the world. One of the reasons that Jesus clearly stated for our unity was, "...that the world may believe that thou hast sent me." The Christian message to the lost would certainly ring louder if it were a united voice proclaiming that Jesus is the Son of God, Saviour of the world, Redeemer of all. Let the Christians be united in this message that greater strength may come to the church and a greater witness be made to the world.

Lions Sponsored Events Announced

"Boss Lion" Norm Anderson announced upcoming dates of Lions activities at Tuesday's luncheon of the club. These included:

Saturday, April 11, city-wide cleanup beginning at 8 a.m.

April 30, May 1-2, softball tourney.

Tuesday, May 26, annual ladies' night.

First week in June, Lions sponsored carnival.

Aaron Edgar had charge of the program, and he gave a brief review of some six projects, or organizations which the local club contributes to each year.

These include: Seeing-Eye Dog Foundation, Texas Lions Camp, West Texas Rehab Center, Lions Eye Bank, Lions International Foundation and Lions Care Program.

Most of these contributions amount to \$1 per member per year. It was pointed out that this "little bit", added to other little bits, combine into a "whole batch" that provides relief to untold thousands throughout the world, helping to carry out the admonition of our Lions International president to "Touch a life with hope."

pickled beats, banana pudding, cornbread.

Tuesday, April 7 - Beef and macaroni, blackeyed peas, creole corn, fruit cobbler.

Wednesday, April 8 - Country fried steak, new potatoes, chopped broccoli, fruit cobbler.

Thursday, April 9 - Roast beef and brown gravy, mashed potatoes, green beans, fruit jello.

Friday, April 10 - Turkey and noodle casserole, English pea salad, glazed carrots, cookies.

Munday FFA Participate Judging Contest

Mr. Jack Campsey, instructor, and several members of the second year Ag class journeyed to Abilene Monday, March 30, where the students participated in the Abilene Christian University Land Judging Contest.

Team members from Munday are Danny Hertel, Junior Ramirez, James Tidwell, and David Hernandez. There were 40 teams entered from all over Texas and the Munday boys placed eighth.

Danny Hertel was sixth highest individual with 232 points out of a possible 280. The winning individual was from Wall, with a total of 260 points. Other individual scores for Munday were Junior Ramirez 185, James Tidwell 145 and David Hernandez 129.

After a practice session in Throckmorton Wednesday, April 1, the team will travel to Stephenville for district and area competition Saturday, April 4.

Library Week

With their theme, "Texas Libraries—Check Us out!", libraries throughout Texas are planning special activities to observe Library Week in Texas during the week of April 5 through 11.

Mrs. Edith Hobert, City-County librarian, stated, "We are pleased to have a week set aside for Texas Library Week. We invite you, if you are not now using the library, to let this week begin your regular visits. We will assist you in any way we can. If you are a regular visitor to the library, we will expect you as usual."

A GROUP of Knox County Cancer Society workers are pictured above. These ladies were very busy preparing packets for the upcoming cancer campaign when the photo was taken.

Jr. High Boys Track Results

by Coach Lankford
The Jr. High boys participated in the Aspermont track meet Friday, March 27, for their second meet this season. They placed fourth with 72. Rotan was first with a team total of 101. The boys will also run at Vernon on Friday, April 10.

Terry Lowrey, Todd Thompson, Dent Offutt, and Jim Earl Dockins earned Munday a first place in the 400 meter relay with a time of 50.9.

Robert Hemphill was in second position in the 800 meter run with 2:25. Todd Thompson placed third with 57.9 in the 400 meter run. Jim Earl Dockins was sixth with 26.2 in the 200 meter run and was third with 5:46 in the 1600 meter run.

The 1600 meter relay was run by Todd Thompson, Jerry Shields, Frankie Stinnett and Dent Offutt. The boys placed fourth with a time of 4:09.2.

In the field events Jesus Ramirez was fourth in shot put and sixth in discus. Jim Earl Dockins was third in high jump.

Deadline Set For Loss Loans

Farmers Home Administration has announced a deadline for receiving applications on Emergency Loss Loans.

County Supervisor Joe T. Boone of the Knox County Farmers Home Administration announced that applications for crop losses occurring June 1, 1980 through July 22, 1980 and continuing due to drought and extreme heat, will not be accepted for Emergency Loans after April 30, 1981.

Boone stated that this disaster designation covered primarily cotton and other summer crops in this county and that many of the affected farmers have already made applications for their loans.

Researcher Studying The Mesquite Bean

Mesquite has provided food for native Americans and southwestern pioneers. They made meal, cakes, jelly and a type of coffee and beer from it.

This almost forgotten food of the past—the mesquite bean and pod found on approximately 70 million acres of land in the American Southwest, with each acre producing about 100 bushels of fruit per year—may very well be making a comeback.

Texas Tech University researchers know the fruit, or bean, has one of the highest protein contents of any legume, that is it is high in iron and that the pod contains twice as much sucrose sugar as a sugar beet or sugarcane.

The researchers are studying the beans and pods at various stages of maturity and cooking them to learn more about their full

nutritional value.

Funded by the Texas Tech Department of Agriculture, the mesquite bean research is conducted in the Department of Food and Nutrition in the College of Home Economics.

"We are not trying to find a new food," Professor Margarette Harden said, "but to see if the mesquite bean is another good alternative protein source." She said the project is also an attempt to make good use of the abundant mesquite.

A big problem with the mesquite bean is that it is very, very hard.

"We have to find some way to break down its hardness if it is going to be very functional as a food for humans," Reza Zolfaghari, research assistant, said.

The hardness not only makes the beans difficult to study but also hinders

digestion of the beans. Beans fed mice for study are ground into a soft powder, he said.

"It is almost impossible to separate the bean from the pod at its immature stage," Zolfaghari said. "We may have to resort to microbiology to accurately study it at this stage." The plant reaches its full maturity in late July or August.

Hardin said if studies show the benefits cannot be obtained from the full bean, the bean may be useful as a food supplement in cereals or other products.

There have been a few studies on the human nutritional value of the mesquite bean, she said. At one time, it was highly recognized as one of the most important grain feeds for all kinds of livestock and chickens.

She said the tree grows rapidly, is native to North and South America and grows well in arid climates. Some trees produce two crops a year.

The researchers have run across the mesquite as an ingredient in some "granma's jelly" recipes.

Studies show native Americans and, for centuries, Mexicans boiled and ate the immature pods and

ground the ripe pods into a meal called "pintole", which was made into a cake or mixed with water to make "atole" which would be fermented for a weak beer.

Roasting the beans produces a smell much like coffee and the beverage made from the roasted beans has the astringent quality of coffee, Harden said.

FARM & RANCH Uniform Planting Date Aids In Boll Weevil Management

A uniform planting date, scouting of hot spot fields and early season boll weevil control where needed are important parts of the boll weevil management program.

For the past four years, boll weevil damage in cotton has been light. A uniform planting date of May 18 will help insure that boll weevil damage will be light in Knox County during the 1981 growing season.

The uniform planting date is the critical first step in the cotton pest management program for counties in the Rolling Plains of Texas.

The peak period of boll weevil emergence from overwintering habitat usually occurs from May 23 to June 14. Overwintered boll weevils live from 10 to 22 days after they emerge. When cotton is planted after May 18, it will be the last few days of June or early July before $\frac{1}{2}$ grown squares are present. Boll weevils cannot deposit eggs that will survive in squares until the squares are $\frac{1}{2}$ grown. Research has shown that only a small percentage of the overwintered boll weevils survive until early July. This year less than 0.5% of the overwintered boll weevils are expected to survive.

The uniform planting date also limits the boll weevil populations to hot spot fields. These are the fields that are near the most favorable overwintering habitat.

Where boll weevils are detected, one insecticidal application just prior to the $\frac{1}{2}$ grown square stage will usually control the overwintered weevils. Last year overwintered boll weevil applications were not needed in any Knox County fields.

Banquet Highlights

Some events that transpired at the annual Chamber of Commerce banquet on the night of March 24 (not covered in last week's Courier because of the time element) are as follows:

Retiring president Gary Schur, in reviewing activities of the chamber during the past year, reported that a total of six doctors had been interviewed in efforts to secure a doctor for Munday, and a representative had talked to at least a dozen more by telephone. Ads have been placed in medical publications and other media.

Callie Ann Combs Receives Award

After presenting a plaque to M. L. Wiggins for his successfully conducting the United Fund drive, Paula Schur, president of the United Fund, made a surprise presentation.

Callie Ann Combs, chamber manager, who had assumed her usual position "out of the limelight" at the banquet, was presented a plaque for her more than 20 years of service as secretary of the United Fund. She retired this year.

W. H. (little Bill) Healy,

1981-82 Cheerleaders

by Debbie Valencia
Cheerleader tryouts were held last Thursday at the gym. Eight girls tried out for the five places. Those who were chosen were Lori Kimmel as head cheerleader, Darla Myers, Kristi Smith, Sharla Bryan, and Sherri Adams. Others who tried out were Terri Adams, Elaine Jones and Cheri Welch.

The girls had worked hard to prepare for the contest, which was directed by Caroline Myers, head cheerleader of 1980-81.

LETTER TO EDITOR

Dear Editor,

The Chamber of Commerce banquet last Tuesday night was a very enjoyable event. The food was delicious, the speaker, Dr. John Stevens, was super, but the special music ("His Kids") directed by Keith Davis, was the highlight of the banquet.

Sincerely,
Ruby Roden

attorney for the 50th Judicial District, did a good job of substituting for his father, who was "still wheezy" from his attack of pneumonia and was unable to attend. Bill introduced the speaker.

After performing his usual niceties: of paying tribute to Rep. Healy and a verbal bouquet to "His Kids", the group of boys and girls who performed so splendidly under direction of Keith Davis, Dr. Stevens emphasized that we need to return to religion and old time virtues. "Sometimes," he said, "we have to settle for the best things we can get, and do the best we can with them."

Dr. Stevens announced his subject: "The greatest need of our society today", then enumerated five of these needs:

1. Give top priority to standards of quality and

workmanship—to produce better goods.

2. Have proper concern for our neighbors, stand up for anybody who needs our help.

3. Have more of a personal willingness to assume responsibility to our sons and daughters and to our school.

4. Get back to old fashioned courtesy. We have a surplus of "smartalecs" to last us until the year 2025.

5. Recognize the impor-

workmanship—to produce better goods. Elect good people, and they will balance the budget. Inflation hurts the old and infirmed and the poor worse than all.

Out-of-town guests introduced included those from Vernon, Seymour, Abilene, Weinert, Stamford and Knox City.

Letter To The Editor

Editor's Note: The following letter was received from Mrs. Bearden by Mrs. David (Gail) Bordovsky. The letter was printed in the San Angelo paper March 12, 1981 and Mrs. Bordovsky felt it very worthwhile to share it with The Courier's readers. Mrs. Bearden has spoken in Munday in the past and is very instrumental in curbing humanism in school textbooks.

Dear Editor:

San Angelo traditionally has had a fine school system pleasing to most people. Will you people be pleased with the radical changes in curriculum which will occur if H.246/S.178 and H.316/S.208 become law?

Texas Education Code, Sec. 21.101 reads: "All public schools in this state shall be required to offer instruction in English grammar, reading in English, spelling, penmanship, composition, arithmetic, mental arithmetic, U. S. and Texas history, modern geography, civi Government, physical education, physiology and hygiene, and, in all grades, a course in which some attention is given to the effects of alcohol and narcotics..."

Various Legislatures have added such requirements as the teaching of: the Free Enterprise System, the Constitution of the U. S. and of Texas, vocational courses, other courses ("... including Spanish... may be required by local School Boards or the Commissioner of Education"), Economic education, American Sign Language, and the assessing of penalties for failure to teach Texas History or to teach patriotism. Many authorities consider this a well-balanced curriculum which, if strictly enforced, will lead to a higher percentage of functionally literate students.

This will be replaced by the following which, as HB sponsors testified, requires

"substantial flexibility": "Each school district shall offer a well-balanced curriculum that includes the following content areas: English language arts, other languages to the extent possible, mathematics, science, health, p. e., fine arts, business education, vocational-occupational education, economics, (only H.246/S.178) and social studies (H.246/S.178).

H.316/S.208 is being changed from "social Science", which means each course is a specific discipline, to "social studies" which is defined as "...a field of study concerned with people, individually and groups, (past and present) in a variety of relationships and settings" by your tax-paid bureaucracy, The Texas Education Agency (TEA).

I taught school 17 years, then moved here in 1965 where, as a DAR member, I worked with the schools in the area of citizenship. Since 1973 I have reviewed books and materials offered for adoption at the state level. Many social studies materials state they are based on humanism (which has a tax-exempt status as a religion) and some even say they are not trying to teach facts but are trying to change the attitude of the child toward himself and his environment. Social studies is not now required and no Texas Legislature has ever considered or approved it as a course of study.

These bills do not provide for local control but, in essence transfer control of education from the Legislature to the State Board of Education. Implementation of these changes now proposed by TEA include something called "Basic Living Skills" for elementary and "Essential Living Skills for secondary levels. "American History Survey" replaces History and the Free Enter-

prise course is deleted. Physiology and Hygiene is replaced by Health. Many Health books reviewed included explicit sex and stressed diagnosis and treatment of "mental diseases". Humanists were quoted but Judeo-Christian psychologists were not.

If you believe existing laws provide a better and more basic curriculum, then let your Legislators and the Governor know immediately. Mrs. R. C. Bearden, Jr. 2411 W. Ave. K, San Angelo *****

LETTER TO ED

Thanks to my home town, and a special thanks to the directors of the Munday Chamber of Commerce.

Never have I been so honored. Never have I felt so proud and yet so humble - so unworthy of this honor - but I love all of you for thinking I am.

Really, Moulton Wiggins, chairman of the Historical Committee, provided the organization, the pleasant place to work, and the financing; Mr. Edgar provided the know-how and his powerful way with words; Barbara Ratliff provided the organizing of the material for the publisher; Mary Ann Lee provided the theme of the book; and I just worked - and worked; and I had most efficient help in June Kane and Sara Offutt. Karla Brown did a fine job on the typing and James McCrain on publishing our beautiful book. My grateful thanks to all of you for making possible my moment of triumph. Truly, "my cup runneth over".

Thanks also to Callie Ann Combs and the directors of the Chamber of Commerce whose brain-child the Historical Committee was - and for her continued support. The "coming out party" for the book was so lovely; my special thanks to Callie Ann, Mary Ann Lee,

Edith Hobert, Bera Spann, Sara Offutt, Ernestine Dickerson, June Kane, Mary Cartwright, Euris Reid, Juanita Nelson, Ruby Roden, Ammie Isbell, Allene Beaty, and to Mr. C. P. Baker, who had a special part - the financing of the party.

My home town, I love you - all you good people who told your family histories so beautifully. Thank you for taking time to do your part in preserving the early history of Munday. It had to be done in this generation; we have lost so many beloved pioneers in the past few years; much history has been lost with their passing.

To these special people, Margaret Cousins, Lorena Wilson Mahan, Harvey Lee, Aaron Edgar, Louise Burnett, Euris Reid, Norene Hawkins, Hazel Pruitt, Ammie Isbell, Jim Gaines, Edwin Johnson, Ira Bowden, Bera Spann, Irene Bardwell, Lena Tackitt, and Sam Stone, a special thank you. Your added material just made the book.

Thanks also to Ruth Hutchens, Lucille Smith, Moulton Wiggins, Blanche Nelson, M. L. Waggoner and Mrs. R. D. Gray for the early newspapers; to Helen Smith McClure for the early cookbook; to the Lonnie Offutt for early school material and to Barbara Ratliff for our present school news; to Edwin Johnson, the J. D. McStays, the Arthur A. Smiths, Billy True Nichols, the J. L. Yosts, Pitzer, Ruth, and Charles Baker, Ammie Isbell, and others for the extra pictures. Thank you for sharing them with us.

Munday's early history is preserved for posterity, and it has been a labor of love, thanks to all of you. History is being made daily. To you fine young couples of Munday, many of whom I have loved since fourth and fifth grades, we must so live, with God's help, that the history we make is worthy of the sacrifices and hardships our predecessors suffered to make for us a town. It is worth working for.

All this was in my heart on

Tuesday night while I stood before you with mouth hanging open - speechless. Thank you most humbly, not only for Tuesday night's honor, but for your love and your caring and support through all the years for the girls and me when we needed you, for supporting me in the teaching of your children, and for accepting me back home when I wandered away and for binding up my wounds.

My home town is made up of the finest people in God's wonderful world - and I love each of you. I am most grateful that my blessed mother and daddy gave me birth in Munday, that they reared me here in a Christian home and set the example of honesty and fair-dealing, that they taught me the dignity of work and the pleasure to be found in a job well done, that they set the example of perseverance: in Daddy's words, "Just keep on keeping on" when things get tough, and that they taught me to rely on Phil. 4:13. This is the heritage they

gave me - a priceless one - and I am deeply grateful.

God has been so good to me. Thank you for being my home town.

Mauryse Smith Stone *****

Dear Sirs,

I am enclosing a check for which please mail a copy of "My Home Town" to my son, Bill Rogers, 1310 S. Gessner St., Houston, Texas.

I can't tell you how very much I've enjoyed my copy, and how much I appreciate all the work done in compiling it. Munday will always be my home town.

Sincerely,

Jerry (Rogers) Daughtry Quannah, Texas *****

LETTER TO ED

Thank you so much for the Munday news. We do love to read about some of the people we knew there.

We regret with sympathy the passing away of one of my friends, Aline Johnson. We shall miss her much. Our son passed away a few days

before she did. Thank you again for your paper. I am sending a money order for renewal. Chink Phillips Denver, Colo.

Joe and Naoma Spann of Hereford spent their spring break with his parents, Mr. and Mrs. John Spann and Sam.

TO THE VOTERS OF KNOX COUNTY

During the past few weeks, I have observed a genuine concern about this election and hospital problems in general. Almost everyone believes our hospital facility needs improvement. The question is to what extent? Do we simply destroy our existing facility and construct a hospital that would put a great burden on our taxpayers, or do we improve only to the extent that we can afford without raising taxes?

Our legislature has seen to it that property taxes will increase, but your hospital board can control the amount you pay to this entity. This is why your hospital board must be composed of citizens who have no personal financial interests in the hospital. Physicians may come and go, as in the past, but it is you and I who continue to pay for our hospital.

I think that any physician who chooses to practice medicine in Knox County should have equal access to the board of directors. I will suggest to the board that a physicians advisory board be created. All physicians who practice medicine in Knox County would make up the board. In this manner, each physician could have input to the board on a non-voting basis. This would prevent the problem of conflict of interest. I think if any one physician is placed on the hospital board of directors, it could seriously affect the ability to attract physicians in the future.

We can solve the problems facing our hospital with cooperation and frugality, not confrontation and extravagance.

I will appreciate your vote for re-election.

GREG CLONTS

Don't Delay - Get Your Tickets Now

Munday Ambulance Service volunteers are now "circulating" with tickets for the Western Concert April 16, featuring Ernest Tubb and Tony Douglas.

Let us, as citizens, not forget the efforts of these volunteers at this time are for the purpose of acquiring a new ambulance. When the current ambulance was put into use, they knew the day would come when a new one

would be needed and the other one would serve as a back-up vehicle.

A new ambulance has been inspected by Bobby Hutchinson and a number of the volunteers. Mr. Hutchinson stated, "It makes the goal more realistic after seeing the improvements in the new vehicles. They have considerably more room and better arrangement. Progress is obvious in several areas once

you are inside the new one." The amount "staring at the volunteers" is approximately \$19,000 and they cannot reach this goal unless the citizens of the area support them in all their undertakings. We need to not let the ticket sales lag, and need also to plan to enjoy the barbecue supper with them on the same date. The shows are staged for 6:30 p.m. and 9:30 p.m. and transportation will be provided for the first show. Advanced tickets are \$6.00 per seat and can be purchased for either show. Tickets at the door will be \$7.00. The delicious supper featuring Curley's barbecue is \$2.50 and tickets for the meal may be purchased in advance.

Mail-in ticket orders may be addressed to Bobby Hutchinson, Box 155, Munday, Texas 76371.

It is vital that the concert and supper be a success and with good people as we have in Munday and the surrounding areas, the volunteers believe it will be.

Former Munday Resident Dies In Houston

J. Frank Ferguson, 69, of Sugarland, a former resident of Munday, passed away on Tuesday, March 24, in a Houston hospital, following a heart attack and surgery.

Mr. Ferguson was a teacher in the Munday schools many years ago, and was later employed by Texaco Oil Co., serving in Houston; Bogota, Columbia; and New Orleans. He was living in retirement at the time of his death.

He was a member of the First United Methodist Church in Sugarland.

Funeral services were held last Friday from Renfro Memorial Chapel in Jacksonville, with his pastor of Sugarland officiating. Burial was in Jacksonville Cemetery.

He is survived by his wife, Virginia; two sons, George Ferguson of New Orleans, La., and Mack Ferguson of Houston; a sister, Mrs. R. D. (Iosa) Atkieson of Munday; and two brothers.

Garden Club To Meet April 7th

The Munday Garden Club will meet on Tuesday, April 7, at 11:30 at the Munday Church of Christ for a salad luncheon.

The program on "Prepare for Your Flower Show" will be given by Mrs. Jim Carpenter of Abilene, who is an accredited flower show judge.

All members are urged to be present, bringing a salad.

Surprises Come In Duplicate For Mrs. Stone

Moments after "digesting" the announcement she was selected as Citizen of the Year at the Chamber of Commerce banquet, Mrs. Sam (Mauryse) Stone was also told her daughter, Betty Moore of Tyler, was present at the banquet.

Unbeknown to Mauryse, Betty had been alerted of her mother's honor, and attended the banquet and spent the night and part of the next day visiting Mr. and Mrs. Stone and other relatives.

Check the classified section - you may find what you need.

We Endorse and Support

DR. W. F. THOMPSON

for the

KNOX COUNTY HOSPITAL BOARD

*We ask your vote and
support in electing him on*

SATURDAY, APRIL 4

Because of his position within the hospital, he knows our needs. He wants to see the hospital continue to grow and develop and with his medical expertise and insight, he can contribute to the progress of the hospital. Due to the concern he has for the hospital's advancement and his desire to be able to offer more services to the community through the hospital, he is the wise choice for the board.

CARD OF THANKS: Thank you folks who said a prayer for us, also your calls and cards. It's wonderful to be home. Doc and Pauline Clark

COACH LOWREY 191

CARD OF THANKS: We want to express our gratitude for each act of kindness shown to us in the loss of our loved one, Earl Ponder. Thank you for your expressions of sympathy shown through your cards, calls, flowers, memorial gifts, and especially your prayers. With Christian love we want to thank our friends and neighbors for the food that was brought to the home, and the ladies that prepared the noon meal for the family. Thanks also to Bro. Allen, Dr. Ellis, Keith Davis, the quartet, and the choir for the beautiful memorial service. And to Richie Smith for ambulance service from Lubbock. May God bless each of you. Frankie Ponder The Ponder Children and Families The Yost Children and Families

CARD OF THANKS: As we pass through this world but once, we do not wish to defer or neglect in expressing our thanks and appreciation for the beautiful flowers, cards, calls, visits and prayers while I was a patient in the Olney Hospital following surgery. Your calls of offers to help in so many wonderful ways have overwhelmed us. Our prayer is that God will bless each and every one of you and we pray that we will always be found worthy of your love and concern. Bob and Jo Jarvis

UNDERGOES SURGERY: Mrs. Frank (Thelma) Hendrix was transferred from the Knox County Hospital to Bethania Hospital in Wichita Falls on Tuesday, March 24. She underwent surgery last Saturday, and is reported to be doing nicely. Her husband and her son, Richie Smith, have been with her during her hospital stay. 24-2tc

LEGAL NOTICE LOCAL INVITATION TO BID ON HIGHWAY MOWING

Sealed proposals for six separate mowing contracts in Childress, Cottle, Dickens, King, and Motley Counties will be received at the State Department of Highways and Public Transportation District Office at 1700 Avenue F, N.W., P.O. Box 900, Childress, Texas, 79201, until 2:00 p.m., April 9, 1981.

Proposals will not be consolidated for bidding purposes. Bidder must submit individual bids for any of the following highway mowing proposals:

PROPOSAL NO. 1 (2 Year): Childress County, US Highway 62, from US 83 to the Oklahoma State Line, length 10.89 miles, approximate area 132.12 acres.

PROPOSAL NO. 2 (2 Year): Cottle County, US Highway 83, from South Pease River to King County line to include all of FM 3256 and FM 2998, length 33.92 miles, approximate area 253.08 acres.

PROPOSAL NO. 3 (2 Year): Dickens County, State Highway 70, from Motley County line to Dickens, length 14.78 miles, approximate area 143.32 acres.

PROPOSAL NO. 4 (2 Year): King County, US Highway 82, from Dickens County line to Knox County line, length 33.07 miles, approximate area 240.00 acres.

PROPOSAL NO. 5 (2 Year): Knox County, US Highway 83, from Cottle County Line to Stonewall County line, length 30.07 miles, approximate area 282.00 acres.

PROPOSAL NO. 6 (2 Year): Motley County, US Highway 62 and 70 and State Highway 70, from Floyd County line to Cottle County line to include State Highway 70, from Matador to Dickens County line, length 44.39 miles, approximate area 288.74 acres.

Proposals, plans, and specifications may be obtained at the Department Office of the following Maintenance Construction Supervisors: John W. Rothwell, Jr., Childress; Donald R. Fowler, Paducah; Hubert S. Collins, Dickens; and Clay R. Jameson, Matador; or District Office, Childress.

The State Department of Highways and Public Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the U. S. Department of Transportation (15 C.F.R., Part 8) issued pursuant to such act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the ground of race, color, or national origin. 24-2tc

Sister Of Local Woman Dies Friday

Juanita Hagins of Spur, a sister of Mrs. M. C. Hurst of Munday, died on Friday, March 27, in Crosbyton Hospital following a period of illness.

She was born on September 7, 1915, in Eastland County and was 65 years, 6 months and 20 days of age. She had been employed as secretary-bookkeeper for the Spur office of Rolling Plains Production Credit Assn. for some 26 years. She was a member of the Baptist Church and Order of Eastern Star.

She first married Claude Neaves, who preceded her in death in 1955. On May 20, 1960, she married Arthur Sanford Hagins in Spur. He died on March 28, 1977.

Funeral services were held at 2 p.m. Saturday from the First Baptist Church in Spur with the pastor, Rev. Norris Taylor, officiating. He was assisted by Rev. Lanny Wheeler of Hart, pastor of the First United Methodist Church.

Burial was in Spur Cemetery under direction of Campbell Funeral Home. Serving as pallbearers were Preson Givens, Jim White, Randy Arnold, John Russell, M. L. Steele and Bob Cannon. Honorary pallbearers were Fletcher Rich, Lester Ball, Jay Austin and Roy Johnson.

Surviving her are a son, George Neaves of McAdoo; a daughter, Beth Pierce of Benjamin; a brother, Wilson Justice of Benbrook; and the sister, Bernice Hurst of Munday. *****

LONNIE ALLSUP, president of Allsup's Convenience Store, Inc., cuts the ribbon during the grand opening ceremonies for Allsup's 200th store which opened in Clovis recently. The company, founded in 1956 by Mr. Allsup, hailed the event as a milestone in the company's history. Allsup's projects future growth to be 50 new outlets per year.

Jr. High Girls Track Results

The Munday Jr. High girls entered their only track meet for this year Friday, March 27. The coaches were unable to set up other meets for the girls this season. They placed second in the meet with a team total of 96. Rotan was first with 134 1/2, Breckenridge third with 78, and Goree was fourth.

Regina Jones placed fourth in the long jump with 15 1/2". Kelli Smith earned Munday a first in the high jump with 4'8". Russell of Goree placed third with 4'4" and Reagins of Goree had sixth place with 4'2".

The 400 meter relay team, including Ann Kuehler, Kelli Smith, Guinn Stinnett, and Regina Jones brought in a first for Munday with a time of 53.55. These same girls ran the 800 meter relay and won first with a time of 1:56.65.

Pam Welch with 19.10 and Holly Hutchinson with 19.42 placed fourth and sixth respectively in the 100 meter low hurdles.

In the 800 meter run, Angel Dockins placed third with a time of 2:52.52 and Laura Myers was sixth with 2:54.80.

Reagins of Goree placed fourth in the 100 meter dash with a time of 14.30.

Mary Kuehler was in fifth place with a time of 1:11.60 in the 400 meter run. Johnson of Goree was second in the 200 meter dash with a time of 27.15.

Laura Myers brought in a second place win in the 1600 meter run with 6:23.36.

Ann Kuehler, Kelli Smith, Janet Myers, and Regina Jones ran the 1600 meter relay and brought in another first place for Munday with a time of 4:43.19. Goree's 1600 meter relay placed fourth. *****

M. L. Wiggins spent the first of this week in Fort Worth, where he visited his brothers, Dr. John Wiggins and Dr. Kenneth Wiggins, and their families. *****
