Number 38

## Under the Dome at Austin

Julia A. Kennedy

After working the past twenty days without a day out we took this Sunday off and went to church. Heard an excellent sermon by the Rev. Edmund Heinsch, pastor of the University Methodist Church. This church has none of the stiff formalities found in most city churches, due I suppose, to the fact that the membership is composed to a great extent of students and others here from different sections who plan to be in Austin for only a few months. Good pipe organ music and an excellent choir. It is known as "A Friendly Church."

In the afternoon attended funeral services for Prof. William Rudolph, a musician and an artist on the trumpet. Stricken in the prime of life with a heart ailment he was told he would have to give up the teaching of music. With him life was music, without it he would cease to live. Surely God had mercy on him—for it isn't given to all to die when they cease to live.

Attended a very smart affair Friday evening in the home of Mr. and Mrs. Carl Robinson, at which time their daughter, Nancy Carl, was presented in piano recital by the Texas School of Music. Nancy Carl shows rare talent and, as she continues the study, will find an enviable place in the musical world. Mrs. Robinson will be remembered as Miss Nancy McLeod of Seymour, daughter of a pioneer merchant of that place. Refreshments were served fifty guests.

The older residents of Munday and Knox County will be interested in learning that James Milam, of Seymour, son of a former beloved diarist, J. H. Milam, deceased, and Mrs. Milam, has graduated from the College of Law of the State University and is now connected with the law office of Senator Bledsoe of Lubock. Through the excellent recommendation of Dean Hildebrand of the law school he was enabled to secure this position. Mrs. Milam holds a responsible position with the State Highway Department.

In the legislature a bill has been introduced to increase the tuition fee of the State University, as well as all other state schools. You students who plan to enter this great institution at a later date write your representative and urge his vote and influence against this bill. That which should be the God-given right of every person, an education, comes high enough as it is. (Did I hear "You're telling me"?)

Miss Mary Hope Smith of Munday, student in Westmorland College at San Antonio, was a guest recently of Miss Margaret Campbell. What, to us, was a light dust breeze Friday brought forth the following from the editor of the Daily Texan:

"The God of the Winds was very, very angry Friday. He raged and fumed, roared and snorted, and beginning about nine o'clock in the morning steadily deposited over the Forty Acres the greatest concentration of North Texas cotton land, West Texas grazing ground, and other particles of dust brought in from more distant sections by a

(Continued on Back Page)

## Lee Kennedy Is Slain Wednesday Afternoon; C. B. Yates Released On Bond After Making Statement

### Dollar Per Year Offer On Times To Close On Saturday

Our special dollar-a-year rate will come to a close Saturday and after that date the regular price of \$1.50 per year will be charged to all who wish the paper to continue, and those not in good standing on our list will be dropped. However, at the present time it seems that but few will be dropped since our readers have responded most liberally to this special offer and but few delinquent names remain on our list, and we have secured far more new subscribers on this offer than will be dropped. During the past week we have received renewals and new subscriptions from the following: Frank Yeager, P. W. Bryan, J. M. Terry, Fred N. Decker, Mrs. W. E. Hammack, V. H. Dierring, John Zeissel, Fritz Zimmer, R. F. Hediger, Herman Friske, W. A. Smith, A. J. Gilbert, F. A. Warren, W. A. Jungman, A. W. Griffin, Mike Phillips, J. E. Edwards, H. E. McMahon, G. E. E. Lows, G. E. T. B. Dobbs, Benjamin, Mrs. W. A. Burroughs, Winnsboro; Mrs. Thelma Williams, Abilene; J. F. Clark, Annona; Earl Clark, Clarksville; J. A. Melton, Garner; J. E. Reeves, Haskell; Chancy Hobert, Abilene.

Look at the date on your paper and note the expiration date, the same being shown in figures indicating the month, day and year on which your subscription expires, and take advantage of this special rate between now and Saturday night.

Lee Kennedy, 27, was instantly killed about four o'clock Wednesday afternoon on the C. B. Yates farm two miles east of Munday, and shortly thereafter Yates came to town and surrendered to Constable Jack McGraw.

Justice W. S. Bailey went to the scene of the tragedy and conducted an inquest over the body in which he was assisted by Dr. A. A. Smith, and after which he rendered a verdict that Kennedy had come to his death as a result of pistol wounds inflicted by C. B. Yates. Justice Bailey fixed his bond at \$3,000 to await the action of the Knox County grand jury, which is now in session and will investigate the case Monday. Yates readily made bond and was released from custody. Yates' son, Bill Yates, was detained by officers for some hours but was released without any charges having been filed against him.

Yates made a statement in which he stated that the trouble between himself and Kennedy had arisen over possession of the place on which Kennedy lived and which is owned by Yates, and some days ago written notice was given to Kennedy to vacate the place. Kennedy, according to Yates, had refused to do so, and Wednesday afternoon when Yates and his son, Bill, went to the field where Kennedy was plowing Kennedy is alleged by Yates to have struck his son whereupon he began firing with a 32 calibre pistol. Kennedy was struck by one bullet just under the shoulder blade and it is believed the heart was penetrated.

Funeral services were conducted at the Baptist Church here Thursday afternoon with Rev. W. H. Albertson officiating, after which interment was made in Johnson cemetery.

Kennedy is survived by his wife and parents, Mr. and Mrs. W. W. Kennedy, 341 1/2th St. in this community for a number of years.

## More Interest in Adult Schools Earnestly Sought

More interest among both the local civic organizations and the people for whom these schools have been established is earnestly sought by those in charge of the school here, and with a view of enrolling additional students new classes will be started on Monday evening in arithmetic, English and spelling, and everyone who is interested in bettering themselves from an educational standpoint is urged to report at the school building Monday evening or see some one of the faculty members in the meantime, and those who have been attending are urged to attend and review the work that they have done. This school is provided by the government to provide educational advantages for those who have been deprived of these advantages in their youth and certainly everyone should avail themselves of this opportunity.

There are some sixty students enrolled, according to Roy Bullington, who has been actively engaged in teaching classes and who is assisted by Cyril Lane and Mrs. Parsons. No charges whatever are made for the instruction and classes are held each week day evening in order that the school work might not interfere with those employed during the day.

Much good is being accomplished by these schools in communities where a sufficient number of citizens interest themselves in improving their educational facilities.

## Funeral Rites Here Saturday For M. Carroll

Funeral services were held Saturday afternoon at the Church of Christ for M. Carroll, who died in the Knox County Hospital at Knox City at an early hour Saturday morning following a prolonged illness. The services were conducted by Elder Carl Collins of Breckenridge, while funeral arrangements were in charge of R. G. Campbell. Interment was in Johnson cemetery.

M. Carroll, who was for many years mechanical superintendent at the Munday Cotton Oil Mill, was stricken several months ago, and his condition continued to grow worse steadily despite the fact that numerous blood transfusions were given him in an effort to restore his strength, and he passed away about two o'clock Saturday morning.

Mr. Carroll was born in Collin County July 23, 1883, and when a young man went to Durant, Oklahoma, where he was married to Miss Trudy Ellington on March 2, 1915. In June of that year they came to Munday and have resided here continuously since that time. In addition to his wife he is survived by two children, a daughter, Martha Nell, 16, and a son, Paul, 8. He is also survived by his mother, Mrs. Rant Carroll of Farmersville, Texas, two brothers, R. N. Carroll of Electra, and Rant Carroll of Dallas; three sisters, Mrs. Jim Sigler, Farmersville, Mrs. Arnold LeFevre, Farmersville, and Mrs. Lizzie McCauley, McKinney, all of whom except one brother, Rant, were here for the funeral.

## Small Dams in This Sections to Prevent A Water Shortage

TEMPLE, Texas, February 21.—Recent investigations by the State Board of Water Engineers have resulted in the planning of some 20 to 25 small dams in the Brazos watershed, it was announced at headquarters of the Brazos Conservation and Reclamation district here today.

The small dams will be built, engineers state, coincident with the major projects along the Brazos, should the Brazos \$50,000,000 project be approved by the public works engineers.

Some of the major of these shallow dams, which will cost from \$100,000 to \$1,000,000, will be along the White River and the Yellow House in Castro, Lamb, Hale and Lubbock Counties. Near Abilene, surveys have already been completed on Elm Creek at old Fort Phantom Hill, and at the Nugent site, on Clear Fork. The surveys were made by the City of Abilene and are approved by the State Board of Water Engineers. The dam at Abilene will cost \$950,000 and will impound approximately 24,000,000,000 gallons of water.

On the upper reaches of the Llano, in Hamilton, Leon and Eastland Counties, several sites have been selected, and tentative plans made for the construction of the small dams. Other sites include one on the Lampasas River in Lampasas County; Aquilla Creek in Hill County; Nolands River in Johnson County; Paluxy River in Hood and Erath Counties; the lower San Gabriel and Brushy Creek in Williamson County; and the Yegua in Burleson County.

John Norris, chairman of the State Board of Water Engineers, said an appeal had been voiced by the board for citizens of the watershed to send in prospective locations of sites for small dams impounding from 5,000 acres feet upward. Each of these locations will be investigated with an eye to eventual construction of reservoirs.

## WASHINGTON News Letter

By W. D. McFarlane, M.C.

### Bonus

Congressman Wright Patman of Texas filed a petition with the Clerk of the House to discharge the Ways and Means Committee from further consideration of his bill, H. R. 1, Thursday, February 21st. Seventy nine members signed the petition that day and 39 more added their signatures the next day, making a total of 118. This leaves only 100 more signatures required before the Patman Bill can be taken out of the Ways and Means Committee and brought to the floor for a vote. Under the discharge (pass) rule adopted by the 74th Congress early this session, a total of 218 members, a majority of the House of Representatives, must sign the petition before a bill can be taken from the Committee to which it has been referred. Although Chairman Doughton of the Ways and Means Committee promised early in the session that his committee would hold hearings on this bill immediately, the Committee has sidetracked the Patman measure in favor of the Works Relief Bill. The Rules of the House stipulate that no petition for the discharge of a committee may be filed until the bill has been before the committee for thirty legislative days. Accordingly, when this period had passed and still no action had been taken by the Ways and Means Committee, Congressman Patman filed his petition to bring his measure to the floor for a vote.

### Works Relief Bill

Senator Pat McCarran of Nevada carried his fight against the Administration's proposed wage scale of \$60 in the Works Relief Bill to a successful conclusion Thursday, when his amendment raising the wage scale to the prevailing wage, was adopted by a vote of 44 to 43. This was the second major defeat for the Administration in the Senate this year. A personal plea from the President, the desperate efforts of the Administration's Senate leaders, and a prophecy of a Presidential veto from Senator Glass all went for naught when Senator Huey P. Long, Louisiana's Kingfish, unfolded some maneuvering vaguely reminiscent of his tactics at home. After being originally paired with Senator Barkley, Senator Dickinson of Iowa, shifted his pair to Senator Frazier, and then when Senator Frazier appeared and voted aye, Senator Dickinson paired his vote with Senator Caraway of Arkansas, thereby securing the deciding vote. Majority Leader Robinson, also of Arkansas, immediately demanded the right of Senator Dickinson to pair his vote with Mrs. Caraway's. Senator Long then leaped over and modestly whispered in the Leader's ear: "By my right."

### War Department Appropriation Bill

Thursday, February 19, the House began its general debate of the huge War Department Appropriation Bill. Wednesday and Thursday were also devoted to the debate and reading of the bill and it passed the House on Friday. As the bill now stands it gives the President authority to increase the personnel of the Army from 118,750 to 165,000. It also provides for 247 new airplanes and an increase of 5,000 in the personnel of the National Guard. It is the largest peacetime appropriation for the War Department in many years.

### Patronage

The patronage sub-committee of the Steering Committee made a partial report back to the Democratic Caucus Thursday afternoon. While no definite action was taken by the caucus, it received from the committee the report that the President had assured his cooperation and an investigation. The caucus was also advised that the President has agreed to place a personnel man in each department to see that Democratic patronage is properly handled. The writer in reporting to the caucus expressed his satisfaction with the progress made.

### BANK TO BE CLOSED ON SATURDAY IN OBSERVANCE TEXAS INDEPENDENCE DAY

The First National Bank will be closed all day Saturday in observance of Texas Independence Day, and business men and other patrons of the bank are requested to make their arrangements accordingly.

Mr. and Mrs. Houston McCarty are announcing the arrival of a son in the hospital at Dalhart, Feb. 27.

Miss Jewel Faulkner of Anson was here Sunday visiting friends.

## Ameen Will Move Dry Goods Crock Here From Knox

C. S. Ameen of Knox City was here last week and closed a deal for the building recently vacated by the Akers Dry Goods, and announced that he would move his dry goods stock from Knox City into the building early next week.

Mr. Ameen and family are not strangers in Munday, having resided here for a number of years, and they have always entertained a desire to return here, and the opportunity has been presented.

## D. E. Holder & Son To Move Grocery To Old Atkeison Stand

D. E. Holder & Son, who recently purchased the stock of the People's Grocery and Market, have announced that they will move shortly after the first of March to the building recently vacated by the Atkeison Food Store.

## RHINELAND

Through the cooperation of most of the high school boys, the baseball diamond was cleaned and dragged Friday morning. Pitcher's mound and home plate were remodeled. In return for showing of interest in baseball our coach presented us with two new bats and balls. Now, with a few weeks of practice, we will be ready to visit our neighboring schools.

Mr. Joe Albus and sons, Leonard and Clarence, of Pop, Texas, visited relatives and friends here this week. Miss Gertrude Sokora of Wichita Falls, Texas, is visiting in the home of her parents, Mr. and Mrs. John Sokora. Mr. and Mrs. Leo Kubeca and family of Wichita Falls visited here Sunday.

## AT THE METHODIST CHURCH

Plenty doing at the Methodist church. Book Day was a good one. Plenty of literature in the hands of any church membership properly read means much for the future of the church. I reading good books makes a loyal strong membership, the Munday Methodist Church is in line for a virile membership.

## THE CONTEST WITH HASKELL AND SEYMOUR METHODIST CHURCHES BEGINS SUNDAY

Let's express our enthusiasm in the church and get more men here to work. Several mature men were at church Sunday that had not been to church during the present pastorate. COME ON. The contest embraces total attendance at all of the services Sunday.

A social is to be had at the parsonage Friday evening for the grown up young folks.

Superintendent Bass will address the mid-week service next week. Topic: Does Christianity Fit Into the Present World Condition. Hear him.

Subject of pastor at 11 A.M.: How to Beat Haskell and Seymour, and Why Beat Them.

Sunday evening subject: What Paul Preached and Why.

Everyone is invited to attend this church that don't attend church elsewhere.

GEO. S. SLOVER.

## Atkeison's Store Had Big Opening Day Last Saturday

From early morn until late at night the Atkeison Food Store was crammed with people Saturday, at which time they held their formal opening of their new store. Music by Isbell's Orchestra provided delightful music in the store throughout the day and other entertainment features were provided, and the proprietors of the store are highly elated over the opening and the many complimentary remarks that have been made concerning their new store, which would be a credit to any city much larger than Munday.

## HOOD NEWS

Sunday School was attended by a very good crowd. Sunday morning the farmers in this community have been very busy sowing oats and listing their land.

The young people were entertained with a social at the school house Friday evening.

Mr. and Mrs. Raymond Melton and daughter and Mr. and Mrs. Harry Garrison visited in the home of Harry's sister, Mr. and Mrs. Virgil Stephens of the Sunset community Sunday.

Mr. Dewayne Chandler and family visited Mr. Clifford Finley and family Friday evening.

Mr. I. B. Gresham and family visited Mr. W. B. Temple and family of Goree Sunday.

Mr. J. W. Polson and family, Mr. and Mrs. A. G. Jones and Miss Sylvia Polson of Swenson, Texas, and Mr. and Mrs. J. D. Smith spent Sunday in the home of Mr. and Mrs. George Weber.

Mr. W. D. Wilburn visited Mr. Dean Bingham Sunday.

Mrs. Jack Tidwell and son spent part of last week visiting relatives in the Brushy community.

Messrs. G. M. and A. L. Roden made a trip to New Mexico last week. They were accompanied Friday by Mrs. H. L. Cannon and son, who will spend a few days visiting relatives and friends in this community.

Mr. and Mrs. W. J. Swain and son attended the funeral of Mrs. Swain's brother, Mr. Bob Mabry of Lamesa, last week.

Mr. and Mrs. Rufus Bason spent Friday night with Mr. and Mrs. Leslie Polson.

Mr. and Mrs. Harry Garrison spent Saturday night with Mr. Raymond Melton and family.

Miss Nannie Beauty of Swenson visited in the home of her sister, Mrs. Claud Thompson and family.

Mr. R. J. Melton and family, Messrs. and Mesdames R. B. Jones, H. E. Garrison and J. D. Smith visited in the W. J. Swain home Saturday evening.

## BRUSHY NEWS

Brother McGeorge, of Weinert, preached to large crowds, both Sunday morning and evening. Most of the folks came over from the Methodist church for each service.

Bro. Culwell will preach at Union Chapel next Sunday. Prayer meeting Thursday night as usual.

Prayer meeting last Thursday night was well attended. Bro. Culwell led the discussion of the lesson of the life of Christ as given by Luke.

School. The play, "Happy Valley," given at the school house Saturday night, was very good. All who saw it say it was one of the best ever presented at this place. A record crowd was out, there being hardly standing room in the house.

The Valentine party given for Miss Florence's room, was a huge success, judging from the reports of the kiddies.

A number of Mrs. Hinson's pupils are again working on declamations.

## PERSONALS

Mr. Norman Frey had as his guests Sunday to help him celebrate his birthday, his entire class of young people, and that is saying a good deal, for he has about fifty others were present, or called during the day. Miss Ethyl Chamberlain, Mr. and Mrs. Asa Williamson, Jerry and Elsie Patton, Mr. and Mrs. E. I. Chamberlain and several others. The dinner was given in observance of Luther Chamberlain's, and little Mr. Nelson's, and Alvin Bowman's birthdays also.

John Albert Hicks also celebrated his birthday Sunday. He had as his guests Earl and Lloyd Rounton, and Earl Ellby. Bro. McGuire and family, and Mr. and Mrs. Hinson also spent the day in the Hicks home.

## FIRST BAPTIST CHURCH

All services at regular hours next Sunday.

Sermon subjects: Morning, "Jesus' Baptism," why was He baptised? Evening, "The Day of God's Wrath."

We urge you to come to these services. We are always welcome.

W. H. ALBERTSON.

Judge and Mrs. J. S. Kendall spent the week end in Austin visiting their daughters and son. They were accompanied by Mr. and Mrs. J. Horace Bass, who visited friends.

## Telephone Company Has New Directory For Local Exchange

The Times Job Department has just completed a new directory for the Munday and Goree exchanges, which will be ready for distribution within the next few days. For some years this work has all done in Dallas, but Mr. G. H. Williams, superintendent for this district, has found that he can get better service by patronizing the home-town printers, and he and his company are to be congratulated for this policy.

## Lake Creek News

There have been many colds and some influenza in this community. Mr. Weaver has been very sick with pneumonia, but is a little better now.

The farmers were getting along pretty good with their listing and breaking land until it 'turned winter' again.

Most everyone is getting ready for the County Meet which will be in March. The rhythm band, the spellers and declaimers are trying to be the best. The tennis players at Weinert will begin their try-out Wednesday 27th. Those entering in declamation at Weinert will have their try-out Friday night.

Mrs. Alma Counts of Munday visited Mr. and Mrs. Johnson Friday night.

Mr. J. M. Voyles and family visited his son, A. T. Voyles at Knox City Sunday.

Mrs. D. C. Morrow of Goree visited Mr. and Mrs. Eli Elliott Sunday. Inez Elliott spent Saturday night with the Morrow girls of Goree.

There will be preaching at Lake Creek Sunday. Everyone is invited.

## PAYS CLAIM PROMPTLY

G. H. Jones, secretary of the E.K. Local Insurance Association of Seymour, was here Thursday morning with a check payable to Mr. and Mrs. W. W. Kennedy whose son, Lee Kennedy was killed Wednesday afternoon, and who carried a thousand dollar policy in that association.

The new United States Savings Bonds, known as "baby bonds," have been received here by Postmaster J. B. Reneau and will be placed on sale today, March 1. The \$25.00 bonds are offered at \$18.75; the \$50.00 bonds are \$37.50 and the \$100.00 bonds are \$75.00. They are ten year bonds and can be cashed after the first year and one half after purchase.

Miss Ollie Bateman spent the week end with her parents at McCauley.

## The Sunset Glow

BY THE SUNSET CONSOLIDATED SCHOOLS

Editor-in-chief..... V. LAIN  
 Assistant Editor..... PETE SWANER  
 Business Manager..... EDNA HUDSON  
 Sports Writer..... HOWARD VOSS  
 Senior Reporter..... DRUCILLA WREN  
 Junior Reporter..... ELWOOD HACKNEY  
 Sophomore Reporter..... MARGARET SHANNON  
 Freshman Reporter..... FLOYD FROST

On Thursday of last week, Miss Sue Mann, our district supervisor, visited our school and inspected the school in order to determine the amount of transportation aid and teacher's salary aid. We were treated very nicely indeed in that we received \$2,152 transportation aid and \$2,640 in teacher's salary aid, making a total of \$4,792 dollars which will insure a full nine months term of school. Even though Miss Mann was not on a regular tour to inspect schools for affiliation, she granted us an additional half unit in civics making Sunset a fully accredited High School. She will be back in April to inspect English IV and Biology for affiliation.

In order to take care of the additional increase of our scholastics and to introduce public school music into the curriculum it has been necessary to add another member to the faculty, bringing the number up to fourteen. We feel that we have been very fortunate to secure the services of Miss Jessie Gaston of Fort Worth. She is a graduate of T.C.U., class of 1931. Miss Gaston comes very highly recommended and we are glad to have her added to our teaching staff. She is staying at the R. L. Myers home.

We are planning to set out approximately one hundred and sixty shade trees so that the course in campusology will be more popular and at the same time the trees will beautify the campus. We hope to get the holes dug by the C.W.A. The seniors say that if someone digs the holes and puts the trees in the holes, they will supervise the planting of them.

### HOWARD'S EAGLE CRY

Our senior boys basketball team consisted of J. C. Walling, Herman Reeves, Rogers Curry and Rex Howell, captain, whom we are losing by graduation. Mat Verhalen, Garland Forehand, Foreman Nix, Joe Lynn (Pete) Swamer, Leland Crouch, Asperion Stogner, Edgar Frost, Lloyd Walker, Woodrow Myers and Leman Clark. The boys are training for track and field. They expect to have a practice meet soon.

Our junior boys team consisted of Gary Shannon, captain, Loree Duggers, Marguerite Jarvis, Louise Russell, Ida Lena Walling, Willie Jay Floyd, Besie and Corina Hunter, Elizabeth Earp, Juanita Forehand, Amerella Hutchesson, Clarence Moore and Ruby Taylor.

Our junior boys team consisted of J. B. King, Fuller and Howard Payne Shannon, Leroy Lane, Leroy Henderson, Herbert Partridge, Orvel Strickland, Alton Newberry, Harold Tom Cunningham, Buddy Bumpas, Floyd Frost, Noble Land, J. R. Hill and Ben Sloan.

The school and community are proud of the games they have won. They are proud of the boys and girls who can smile even after a loss. We are all hoping for an even better season next year.

### BASKETBALL GIRLS

The basketball girls of the Sunset Consolidated School and their coach, Mrs. Davenport, attended the Girl's West Texas Invitation Tournament at Roby on Friday and Saturday, February 15 and 16.

The game that the Sunset girls played was with Pyron, the team which defeated the Roby girls the night before. The girls lost by a score of 25-19 after a hard-fought game in which only five of the Sunset girls were left on the court, the others fouling off.

Consolation will not be played off until this week end. The team does not plan to attend.

Regardless of the girls defeat, they deem the trip a very beneficial one in that they learned a great deal more about basketball and the teams of West Texas.

The girls report that they were treated with much respect and they expect to treat those teams as well when they play here. In fact, the girls stayed in the very nicest homes in Roby and we are proud to hear that they conducted themselves as Mr. Harber says, "Very lady-like."

The basketball girls appreciate the attitude shown them throughout this successful year of basketball. Especially do we wish to thank the fans for their contribution for a trophy following the game with Knox City in which the girls won the county meet.

### SENIOR REPORT

Exams are over! Well, what a relief. All of us made good grades. They were lots better than we expected. We got our play today and sincerely hope that everyone will like it.

Our report was not in the paper last week. I hope it gets in there this time.

The seniors finally had their class party last Thursday night at Drucilla's home. Many games were played and prizes were awarded to Virginia Lain and Edna Hudson. Refreshments were served to the following: Edna Hudson, Herman Reeves, Tom Morton, Drucilla Wren, J. C. Walling, Virginia Lain, Howard

### Chickens-Turkeys

Give them Star-Sulphurous-Compound in drinking water regular. Use as directed and it will keep them free of germs and worms that cause diseases. Also free of blood-sucking lice, mites, fleas and blue-bugs that sap their vitality and we will guarantee you to have healthy, good egg-producing fowls and strong, healthy baby chicks at a very small cost or your money refunded. For Sale By—

Eiland's Drug Store

Voss, Jimmie Lois Frasure, Rex Howell, Rogers Curry, Juanita Forehand, Ruby Reeves, Laney Offutt, Mr. Ray Akin and his brother, and to the waitresses Traphene Wren and Winters Groves.

An enjoyable time was had by all.

Our famous president of the Senior Class, Senor Sebran Rex Howell, was born in Hico, Texas in 1916, on May the 3rd. He moved to Knox County when he was just a pup. He has proved to be a very good class leader and a good sport. All the boys on the Basketball team say that he is an ideal captain. Now for a few facts about him:

Ambition: To be the best of all basketball coaches.

Favorite subject: Typing.

Weakness: Sophomore girls.

Sport: Basketball.

By-word: By the Way!

Song: The Last Roundup.

But after all putting two and two together he is a rather good classmate.

### JUNIOR REPORT

Several of the Junior Class have been absent this week; we don't know what the trouble is unless it is the weather.

Mat says that he is in love; how-

ever, it is doubtful that he can give a definition of love, but you never can tell.

We think Mr. Akin is going to arrange the American History class so that Mat and Jack can take time about teaching.

Jimmie: My brother didn't eat a bite in New York for a month.  
 Leland: How did he do that?  
 Jimmie: He was in Washington.

### SOPHOMORES

We have some news which is about two weeks old as the Sunset Glow was not published last week.

The Sophomores and our sponsor, Miss Blanton, enjoyed a Valentine box. Everyone received at least one valentine; some as many as eighteen. We noticed particularly one large valentine which was to Elizabeth Earp from a Junior boy who plays guard on the basketball team. We were not surprised as to whom it was to or from.

Harold Tom Cunningham, the only representative of the Sophomore class on the junior basketball team, reports a nice time of the winter court that the junior boys had. Reports are out that he jumped off a cliff five feet high, head first. We wondered what had been the matter with him the last few days.

## NEW FORD V-8

### The Car Without Experiments

THERE'S never any doubt about value when you buy a Ford car. You know it's all right or Henry Ford wouldn't put it out. One thing that never changes is his policy of dependable transportation at low cost.

That's the biggest feature of the New Ford. The reliability and economy of its V-8 engine have been proved on the road by upwards of 1,400,000 motorists. Owner cost records show definitely that the Ford V-8 is the most economical Ford car ever built.

See the nearest FORD DEALER for a V-8 demonstration.

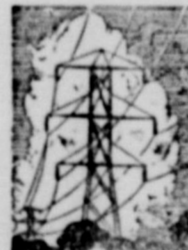

NEW FORD V-8 TRUCKS AND COMMERCIAL CARS ALSO ON DISPLAY.

## Looking Forward—

West Texas has untold possibilities for development. Although much progress has been made, there is much room for further achievements by all thrifty and enterprising citizens.

A bulk of our natural resources lie virtually untouched. A continued diversification of agriculture in its broadest sense will materially benefit our section. Homes and places of business, as evidenced in travel over West Texas, need repairing, painting or entirely rebuilding. Many of our cities have faced a shortage in the better class of homes for the past several months. Industry and capital needs encouraging in West Texas so that more labor can be profitably employed.

Capital can be secured and this continued program of development can be realized when men are convinced of the attitude of governing bodies on taxation and government competition in business. The debacle of 1929 to 1934 will have passed and progress will have begun when government experiments give way to co-operative efforts of American principles of private initiative.

Your power company has co-operated fully, and eagerly anticipates the part it will play in the future development of West Texas at rates and service in keeping with the demand.

Do you know that some increased use of Electric Service is billed on a surcharge's low rate schedule . . . and adds only a small amount to your total bill?

### OUR FIRST TIME

In the Senior Play to be given next week—Friday, March 8—it will be the first time that:  
 Gordon James ever caressed a boy's hair.  
 Ralph put his arm around Betsy or Virginia.  
 Philip ever followed a cop.  
 Bill made Ralph run in circles.  
 Mary Eva ever slapped Ralph.  
 Maxine became engaged.

Martha Nell sang in high contralto. Louise became a negro maid. Vinton became arrested. Vernice has ever been escorted by M.B.  
 Glyn was a millionaire. Bob pulled Vinton around. M. B. ever smiled at Vernice.  
 I'm sure that everyone is almost crazy reading these things but WHO WOULDN'T BE CRAZY!

### SOPHOMORES WIN!

The Sophomores were victorious in their basketball game with the seniors, which began our class tournament last week. Their game was with the freshmen since they beat the juniors. Again the sophomores were the winners, thereby establishing themselves as the best class team in M.H.S.

On Wednesday of last week the men of the faculty of the Munday Public Schools issued a challenge to the winners of the class basketball tournament for the game which was played Friday 22. The line-up for the faculty was as follows: Rhinero Hassocko Cootybug—captain, center; Lalla Stingaree Hanlygreese, forward; Jamaika Hambone Parkabird, forward; Lucindamus Machre Palm-tree, guard; William Champense Lartrope, guard; Japlap Hallibut Bassinet, utility.

The Sophomores were defeated, but now an all star team of the high school has challenged the faculty to a game which was played Wednesday afternoon of this week. The new challengers were Ralph Layne, Joe Barnes, Everett Pruitt, William Eiland, Rupert Williams, Boyd Meers, A. A. Smith Jr., Joe Kethley, Robert Layne and Glyn Bilbrey.

### NEW OFFICIAL CREDIT

On Monday of this week Mr. J. Lyndal Hughes introduced Miss Sue Mann to our superintendent. She is the Deputy State Superintendent of High School Division with headquarters at Abilene. After going over our records, Miss Mann gave our new subject, Bookkeeping, an official credit. Those taking this

subject—John Earl, Douglas Hops, Grace, Emma Lou, Gardon James, Vinton—are certainly overjoyed because of her decision.

We now have 23 credits including many beneficial departments. Miss Couch directs the four years of English. Mr. Coody has Ancient History and Medieval History. He and Mr. Bass direct the classes of American History. Mrs. Jones is conducting two years of Home Economics—our officials are striving to receive affiliation for Home Economics III. Our Science Department, under Mr. Parker's direction, includes General Science, Biology, Physics and Chemistry. The two latter subjects are only taught every other year. The mathematics, Algebra and Geometry, are directed by Mr. Harlegree and Mr. Bass. Our commercial courses, Bookkeeping and Typing, are taught by Mr. Larimer, who also directs the course of foreign languages, Spanish. The half-year credits include Economics and Civics, conducted by Mr. Coody—and Advanced Arithmetic, which is directed by Mr. Larimer.

We feel, now that our school is still on the climb to higher learning and has reached a higher point in its strife.

### JUNIOR MUSIC CLUB

The Munday Junior Music Club was honored to have as their guest Mrs. Harley E. Goble of Wichita Falls, the president of the First District of Federated Music Clubs of Texas. She has studied long and extensively in music, developing a voice which is not comparable to any "small-town" singing such as we are accustomed to. She sang several selections; her most liked song was "The Sleigh."  
 Mrs. J. O. Dotson accompanied the guest of honor at the piano, and also she rendered several solos of her own selection. The classical version of "Turkey in the Straw" was liked by everyone. Since she gave such inspiring piano music over KGKO at Wichita Falls as Lorene Tucker, she consented to play some popular songs at the end of the program.

The dinner was served buffet style in the home of our counselor, Mrs. Louise Ingram. Patriotic colors were carried out as we met on Feb. 20. Margaret Tiner and Mary Moore acted as waitresses, and Mrs. Neff assisted the hostess.

The club was influenced by Mrs. Goble's talk on "The Value of Federation." She asked Vinton Tiner, our president, Virginia Smith, Betsy Reeves, and Margaret Tiner to play for her.

### Our Safety Code

Student government has been introduced in the form of traffic officers on the stairs and along the lines to see that students go down the steps and line up in a quiet, orderly manner. Responsibility rests not only on the student officer, but on each member of the student body in cooperating in every way possible, thus promoting safety and order.

Corn Choppers on Chapel Program  
 "Corn Choppers," or no—the band under the able direction of Mr. John Henry Parker presented a "tip-tapping" thirty minutes of entertaining in chapel last Friday morning. Among the selections played were: "Dark on Observatory Hill," "Oh, feet of my Affection," and "Dark Eyes." Mr. Parker says that the "Corn Choppers" are planning to use "Dark Eyes" as their signature melody.

The members of the "Corn Choppers" orchestra are: Preston Ingram, Willard Bauman, Claude Mansell, Eddie Marie Mansell, Bennie Fajtek, DeFrance Burton, Miss Billie True Hill is accompanist for the orchestra.

### Choral Club News

The Grammar School Choral Club is making rapid progress because they are hard and ardent workers for their cause. Miss Kennedy, their director, has expressed her confidence in their winning spirit. The same opinion is held by the entire grammar school. We heard the choral club in chapel last Friday morning, and we know they are winners.

The choral club contest and the literary events included in the county meet will be held at Truscott this year.

Miss Bennett's geography class had as their guests this week Mrs. E. M. Ammon and Mrs. L. S. Harlegree, who gave the class interesting reports on the wonderful sights to be seen in touring the Western States.

### Sport Lights

The boys of grammar school are aiming to have a good baseball team this year. They have two good pitchers and the rest of the team is very good. They ought to have a good track team too, because they have some mighty fast runners and some good jumpers.

Hellis Barnicoat was going to coach the girl's baseball team, but he got fired and now he is playing with the boys, although he is ineligible to play on the real team. The girls are working hard to be the winners of the girl's baseball contests.

## Munday Night Club in Chapman Home

The Munday Night Club met for their weekly game of bridge Monday evening with Mr. and Mrs. W. H. Chapman hostess. Russell Matson and Mrs. Tom Haney held high score.

A refreshment plate of sunshine salad, cocktail crackers, fruit cake and coffee was served.

## BROWN-VERHALEN

(Too late for last week)  
 St. Joseph's Catholic Church, in Rhineland, was the scene of a beautiful wedding on Tuesday morning, February 19, at eight o'clock, when Miss Rosa Verhalen, daughter of Mr. and Mrs. M. A. Verhalen, and Mr. Bill Brown, son of Mr. and Mrs. Anton Brown were united in marriage by the Rev. P. Boniface, O.S.B. The sermon was read before an altar decorated with flowers and lighted candles, creating an atmosphere of tranquil beauty.

John J. Hoffman presided at the organ throughout the ceremony. The bride was attired in a lovely gown of white lace, fashioned on slim, fitted lines and falling into a graceful flare. The neckline was made in empress style, and the long, puffed sleeves fit into tight bands about her wrists. Her ensemble was completed by a generous veil of bridal illusion. The bridal cap, of silk lace, was adorned with tiny sprays of orange blossoms. She carried an arm bouquet of carnations and sweet peas among ferns. The bridesmaids were Misses Lilian Verhalen, sister of the bride, and Miss Clara Jungman, cousin of the groom. They were gowned in maize and tea rose crepe. Their collars were in empress effect, and the long skirts were trimmed with two rows of wide ruffles. Their corsages and braided belts were of white satin.

The groom was attended by his brother, Martin Brown, and Clarence Herring of Rhineland. The wedding reception was held at the home of the bride's parents, for approximately seventy relatives and friends. In the afternoon members of the bridal party went to Seymour where a number of pictures were made of the group. Mr. and Mrs. Brown will make their home in Benjamin.

 Attested:  
 H. F. BARNES,  
 President,  
 LILLIAN HANNAH,  
 Secretary

**Under the Dome . . .**  
 (Continued from Page One)  
 west-wide windstorm. The campus could do nothing but suffer.

One professor refused to let a student who had absorbed quite a bit of dirt get a drink of water for fear that the childhood delicacy, mud pie, would be neither appetizing nor healthful. Nerves were strained to the breaking point. Girls lost their proud reserve and cracked under the strain of having their powder hopelessly contaminated and roughened. Everyone was miserable. But the West Texas students were

comfortable and at home. They ran, danced and were in high glee, but some of the more sentimental even grew misty-eyed with nostalgia.

People who prided themselves on their fine homes closed the windows and endured the day in breathless discomfort. Janitors went to bed last night with the prospect of dreary dusting today.

But everybody is happy now, because about 5 o'clock Friday afternoon the cloud began to lift and Austin became clear once more."

**CARD OF THANKS**  
 To the many good friends who assisted us during the long illness and upon the death of our husband and father we wish to express our deep gratitude. No greater friendship or true neighborly helpfulness was ever shown to anyone, and we shall ever feel grateful to each of you.  
 Mrs. M. Carroll and Children.
