MUNDAY BEATS THROCKMORTON 41-0

Versatile Moguls Run And Pass By Hounds

The Throckmorton Greyhounds came to Munday to play ball Friday night, but were not able to keep up the pace against the unbeaten Munday Moguls, who took a 41-0 shutout win over the Hounds in District 3-A action. Throckmorton dropped to 1-1 in the district standings, while the Moguls share a two-game lead with Archer City.

The fired-up Greyhounds received the opening kickoff and drove 43 yards to the Mogul 34 before being forced to punt. Starting from their three-yard line, the Moguls moved out to the 30 and fumbled, and Hound Ronnie Rankin pounced on the ball. But four plays only netted the Greyhounds nine yards, and Munday got the ball back.

The Greyhound defense stiffened, leaving Munday no running room, and the Moguls punted, but Throckmorton fumbled and Neil Waggoner grabbed it back for Munday, setting up the first Mogul touchdown. A 37-yard run by J.B. Jones took the team deep into Throckmorton territory, and Dent Offutt swept around the end for three yards and the score. Jones kicked the extra point.

After trading punts, the Moguls set up another drive late in the first half. Beginning at mid-field, Offutt passed to tight end Kregg Sanders for 19 yards, and fullback Ronny Lowrance ran for another 15 to get the Moguls into scoring position. At the five Throckmorton stopped Munday for three plays, then Offutt tossed a fourth-down pass to Anthony Stinnett, who raced untouched into the endzone. Jones was good on the extra point, and the Moguls took a 14-0 lead in at half-time.

Munday made some adjustments at the half and exploded for 20 points in the third quarter to ice the game away. They kept it on the ground in the first drive except for a 21-yard pass to Tony Wilde to take them into Greyhound territory. Runs by Offutt and Lowrance got the ball down to the 2, and Offutt carried over for the score. The Greyhounds fumbled on their next possession, and Shawn Cude recovered for Munday. Offutt connected with split end Wilde for 20 yards and the score, and Offutt drop-kicked the first of three extra points, making the score 27-0.

Penalties and incomplete passes hurt Throckmorton on its next series, and Munday quickly got the ball back. Offutt broke loose for 38 yards to the 15, and Jones went the rest of the way to boost the Moguls' margin to 34-0. Playing a good game at cornerback after Tim Collier left the game with a sprained ankle, Shawn Cude intercepted a pass to set up an 18-yard scoring strike to Stinnett from Offutt for the Moguls' last score. The kick made the score 41-0 with 11:01 in the fourth quarter.

The big third quarter seemed to take the Greyhounds' steam away, and they fumbled once more, with Ronny Lowrance nabbing it for the Moguls. But a long drive that ate up most of the final period resulted in no points, as a penalty took the Moguls back to the Greyhound 11 and Offutt's last two passes were incomplete.

Final statistics showed Offutt leading all rushers with 94 yards on 16 carries. Jones followed with 65 yards on only five carries and Sanders caught three passes for 59 yards. Kevin Latham led the Hounds with 55 yards on 14 carries.

Munday, still rated number one in state Class A football polls, now shares the state's longest unbeaten, untied streak with Denison at 23 games. The Moguls will be on the road for the next two games in District 3-A, beginning Friday night at Chillicothe. The Eagles are 1-1 in district play and 3-4 for the season, having lost to Archer City and defeated Windthorst. Kickoff for the Munday-Chillicothe game is 7:30 p.m. and Munday fans are en-

couraged to follow and support the team.

Coach Edwards Comments

We played very well against Throckmorton. Kregg Sanders had a terrific night catching the ball, and Dent did a real fine job passing. That area of our game is looking good.

Throckmorton put in some new plays and looked a little different than we had expected. We didn't tackle very well on the first drive, but after that we settled down to play, and our halftime adjustments made a big difference.

Shawn Cude came in and played a great defensive game and J.B. Jones did a fine job on offense to replace Tim Collier when he sprained his ankle early in the game. Tim is making good progress and should be ready to play in a few days.

Throckmorton was very fired up at the beginning of the game, but after their excellent first quarter they lost their intensity, and we were able to keep to our game plan of controlling the ball.

Chillicothe is a sounder team than last year and plays hard. They like to pass and have a good passing attack with Bluford Jones at quarterback. We will have to be mentally ready to play.

We only had one junior high game last week, and our Braves defeated Throckmorton 16-0 behind fine playing by Perry Collier, Mark Andrade and Terry Collier. This week our junior high will host Hamlin for one game at 5 p.m. and the Munday-Hamlin junior varsity game will follow.

New Officers For Farm Bureau Board Chosen At Convention

A crowd of 200 Knox County Farm Bureau members and guests attended the annual Farm Bureau convention held Monday night at the Munday High School auditorium. A meal of barbecue sandwiches, beans, chips and homemade ice cream was served by local directors and cafeteria employees.

After the meal, those attending were entertained by the Imitation Stats of Seymour, who performed a number of well-known Statler Brothers hits. The group was announced and introduced by Don Welch, Farm Bureau agent.

Leo Beason, president of the board of directors, welcomed the audience and introduced special guests. He then presided at a business meeting. Larry Smith read the minutes of the 1984 convention.

Council Discusses Options For Trade Or Repair Of Backhoe

The Munday City Council met in special session Thursday, October 10, to examine committee recommendations regarding the repair of the city's 1980 JD-300 backhoe or the purchase of a new backhoe and trade of the JD-300.

Present for the meeting were Mayor Doris Dickerson and Aldermen Jessie Tucker, Garon Tidwell, Von Marr and Richard Albus. Jessie Andrade was absent.

A committee consisting of the mayor, Aldermen Tidwell and Albus and City Administrator Walter Hertel recommended consideration of two options: that the city

THE PURPLE CLOUD BAND from Munday High School will represent District 3-A at the regional marching contest to be held Saturday, November 2, in Vernon. The band received a unanimous first division rating at the district contest October 12 in Wichita Falls and will

be making their first trip to regional competition. Their crisp marching routines have entertained fans at Munday Mogul football games this season. The band and its director, Rodney Bennett, have proved the theory that hard work pays off!!

Local Voting Boxes To Combine For Election

Tuesday, November 5, is election day in Texas, and local voting officials are expecting a light turnout in Knox County since a series of proposed amendments to the Texas Constitution are the only items on the ballot.

For this reason, a change has been made in voting locations in Munday. Article 2.02 of the Texas Election Laws explains that "if in any county there is no local office or proposition to be voted on by the voters of only that county or a part of that county, the authority holding the election may combine any two or more regular election precincts into consolidated precincts for such elections in that part of the county having no such local office or proposition to be voted on if it

appears that the voters included within each consolidated precinct can be adequately and conveniently served at one polling place; provided, however, that there shall always be at least one consolidated precinct wholly within each commissioners precinct of the county."

In accordance with this decision, Knox County Judge David Perdue has announced that Munday precincts 6 East, 6 North and 6 West will combine and vote at the Munday City Hall, the usual polling place for Precinct 6 East. James Smith will be the presiding judge, and Juanita Nelson will serve as alternate judge.

Precincts 7 North and 7 South in Knox City, as well as Precinct 8 (Sunset) will vote at the Knox City Community Center with Clyde Voss as presiding judge and Carl Shelton as alternate.

All other precincts will have the same polling places as in other elections. The combinations have been made for this election only.

Absentee voting for the election began last week and continues through November 1 at the county clerk's office in Benjamin.

Standard Time Starts Sunday

On Sunday, October 27, standard time will once again be in effect. At 2:00 a.m., the time will fall back one hour.

We wouldn't want anyone to get up in the middle of the night just to change their clock, so to avoid losing any sleep, just turn your clock back one hour when you retire to bed Saturday night.

Don't forget to change your clocks or you will be late for all your Sunday appointments.

4-H Achievers Honored At Awards Presentation

Knox County 4-H'ers were honored for their club achievements at a program held Sunday afternoon at the courthouse in Benjamin. Angie Partridge served as mistress of ceremonies, and county commissioner Bobby Roberson welcomed the audience.

Dixie Reid responded for the 4-H members and introduced special guests. Angie Partridge presented the Year in Review, a summary of the year's happenings in 4-H, after which Andrea Longan, David Tunmire and Bobby Roberson announced the achievement award winners.

Receiving certificates in foods and nutrition were Angie Partridge, Shelly Balis, Leah Boone, Jenni Bowman, Tammy Brothers, Chris Burnett, Laura Burnett, Amy Carver, Robyn Clem, Andrea Longan, Kacy Longan, Amy Morgan, Sheila Morgan, Angie Offutt, April Offutt, Amy Parker, Lynn Parker, Ann Parker, Rhonda Parker, Dixie Reid, Jae-Jae Reneau, Missy Reneau, Robin Reneau, Kathy Welch, Susan Whittemore, Kathy Wilde, Christy Williams and Misti Zeissel.

Other achievement awards were won by Leah Boone, horse; Billy Wayne Large, poultry; Jae-Jae, Robin and Missy Reneau, beef, clothing and fashion review; Andrea and Kacy Longan, Dixie Reid, Susan Whittemore and Misti Zeissel, home environment; Jacy Dillon, Donnese Fritsche and Billy Wayne Large, rabbits; Bryan and Kent Latham and Robin, Jae-Jae and Missy Reneau, sheep; Justin Emerson and Starla Whitaker, swine.

Sandy Patterson recognized 4-H leaders and Jane Locknane made a special presentation to Angie Partridge and Leah Boone for their participation in the state 4-H record book contest.

A highlight of the afternoon was presentation of the 1984 Gold Star awards, which was conducted by David Tunmire. Junior Gold Star winner was Jae-Jae Reneau, a seventh-grader at Munday Junior High and the daughter of Mr. and Mrs. John Reneau of Munday. Leah Boone, senior daughter of Mr. and Mrs. Joe Boone of Knox City, won senior Gold Star honors. These girls have participated in several phases of 4-H work and won many awards in various categories.

A Meritorious Service award, given to a person who has been very supportive of the 4-H program in Knox County, was presented by

JAE-JAE RENEAU

RONNIE CUDE

Mary Ann Boone to Mrs. Ronnelle Cude of Goree.

The Knox County 4-H Adult Leaders Association hosted a reception after the program for all award winners and guests.

**PRODUCERS CAUTIONED TO
USE PROVEN PRACTICES**

With continued low prices for all
farm products, everyone is looking
for alternative crops, cheaper or
improved chemicals and fertilizers.
This is a natural and healthy reac-
tion to a desperate situation. Un-
fortunately, this frame of mind also
allows the not so reputable salesman
or operator an opportunity. It is the
worst of times that the people with
miracle or bargain products come
on the scene in force. This is such a
time.

Before you buy there are several
points to be kept in mind:

1. Check before you buy. Contact
your county Extension agent or
other well established good source
of information. Recommendations
of the Extension Service are based
on proven research results.
2. Check out claims. Is the material
effective for the purposes for
which it is being sold?
3. Are the claims based on sound
research data, or are they based on
testimonials of people that you are
unfamiliar with?
4. If you are told that the material
is too new to have been tested by
university researchers, ask yourself,
"do I really want to be the experi-

**Two Propositions Likely To
Affect Farmers, Homeowners**

Farmers and ranchers as well as
homeowners have a direct stake in
the 1985 Texas Water Act and the
upcoming constitutional amend-
ments. The two amendments on
water resources will be placed
before Texas voters at the Novem-
ber 5 general election.

"The 1985 Texas Water Act
focuses on water conservation in
cities and in agriculture, water sup-
ply development, protection of bays
and estuaries, flood control and the
creation of ground water districts,"
points out Dr. John Sweeten with
the Texas Agricultural Extension
Service.

Sweeten, an agricultural engineer
in waste management and chairman
of the Extension Service's major
program committee on water utili-
zation and conservation, notes that
Article 1 of the act calls for cities
that apply for state water develop-
ment funds to establish water con-
servation programs that can include
education, drought contingency
plans, lawn watering restrictions
and plumbing codes. Municipal

education and technical assistance
programs would be provided by the
Texas Water Development Board as
well as other local and state agen-
cies.

Article 2 outlines financial assis-
tance programs and expands the
existing water loan assistance pro-
gram to allow expenditures for
water conservation, flood control,
drainage, subsidence control,
chloride control and desalination
in addition to water development
and to allow direct appropriations
as well as revenue bonds. State loans
administered by the Texas Water
Development Board could be used
to guarantee local water bonds or
pay the local share of federal cost-
sharing projects.

According to Sweeten, Article 3
of the Act creates a \$10 million
Agricultural Soil and Water Con-
servation Trust Fund. Half of the in-
terest on the principal is to be ap-
propriated among various state
agencies for agricultural water con-
servation programs, including
technical assistance, education,
demonstration, equipment, grants
to underground water conservation
districts, research, desalination
and weather modification. A pilot
farm loan program (\$5 million for
two years) will be used for improved
irrigation systems that conserve
water.

If voters approve Proposition 1
on November 5, the state of Texas
could issue an additional \$980
million of Texas Water Develop-
ment Bonds. Approval of Proposi-
tion 2 would mean that the state
could issue \$200 million of Texas
agricultural water conservation
bonds for low interest loans to far-
mers subject to legislative review of
the \$5 million pilot loan program
and approved by two-thirds vote of
both houses of the legislature.

Technology for improving irriga-
tion water use efficiency from about
60 percent on the average up to 80 to
95 percent is available to farmers,
but capital costs generally present
an economic obstacle to its adop-
tion, says the agricultural engineer.

"The passage of the 1985 Texas
Water Act would provide for a
statewide commitment to water con-
servation and development pro-
grams that would have far-reaching
effects on farmers and ranchers as
well as homeowners," Sweeten
points out. "It would open the door
for more concentrated educational
and research projects aimed at more
effective municipal and agricultural
use of the state's present limited
water resources as well as the de-
velopment of additional resources.
Also, the current statutory limita-
tions on interbasin transfer of water
are maintained.

"Water problems have plagued
many areas of the state in recent
years due to drought conditions,
population growth and increased
per capita consumption," notes the
engineer. "A year ago, towns and
cities with two million Texans had
to impose either voluntary or man-
datory water use restrictions. Thus
the need for a workable statewide
water plan is paramount."

**Sesquicentennial
Committee Slates
Knox County Pageant**

A Knox County Sesquicentennial
pageant has been set for Friday,
July 25, 1986, on the courthouse
lawn in Benjamin.

Jessie Roberts of Benjamin,
pageant chairman, has asked each
town in the county to be responsible
for working up a ten-minute skit
depicting early aspects of Knox
County history to be incorporated
into the pageant. Cheryl Berryhill
has agreed to write Munday's skit,
as well as obtain local talent for the
play.

The Texas Sesquicentennial
wagon train will begin its journey
January 2, 1986, at Sulphur Springs
and end July 3 at the Fort Worth
Stockyards. The train will spend the
night at Cactus Farms west of Ben-
jamin on June 1-2. Since wagon
train members will provide enter-
tainment, our county celebration,
which had previously been
scheduled for those days, had to be
moved to the July dates.

The pageant will be held on
Friday night, July 25, and booths
and food vendors will set up on the
courthouse lawn for festivities the
next day.

A Knox County history book is
being sold at various places in the
county. Locally, they may be ob-
tained from Paula Schur, 422-4631,
Gail Ramirez, 422-4507, or Phillis
Urbanczyk, 422-4368. Proceeds
from the book sales, above printing
costs, will go to the county Ses-
quicentennial committee for expen-
ses.

PUMPKIN EATERS

Not only do kids enjoy carving
the pumpkin to create their own
jack-o-lantern, but it can also be a
fun experience (for mother and
child) to let them help cook fresh
pumpkin.

You can either steam or bake a
pumpkin. To steam it, clean the
seeds and strings out, peel it, and
cut the pumpkin into several pieces.
Steam over fairly high heat for 30 to
40 minutes or until the pumpkin is
soft. Then run the pumpkin through
the food processor or blender.

Or, if you prefer to bake the
pumpkin, place cleaned-out halves,
shell side up, in a pan. Bake at 325
degrees for one hour or more, until
tender. Then scrape out and mash
the soft-cooked pumpkin.

Did you know that you can roast
the pumpkin seeds? To do it, wash
the seeds, then pat dry with a towel.
Spread on a baking sheet, pour on a
little oil, stir the seeds around;
sprinkle lightly with salt if you like.
Bake at 300 degrees F. for about
half an hour or until they are golden
brown and crispy. They make a
delicious snack.

Cooking the pumpkin and the
seeds helps you get the most out of
every pumpkin.

**PUMPKIN-WHIPPED
CREAM PIE**

CRUST:
1 1/2 cup graham cracker crumbs
1 T. sugar
1/8 tsp. cinnamon
1/2 cup melted butter
1/2 cup chopped pecans
Combine the graham cracker
crumbs, sugar, cinnamon, and but-

ter in a bowl and mix well. Press in-
to bottom and sides of pie plate.
Bake in 350 degree oven for 3
minutes, then cool. Sprinkle pecans
over crust.

FILLING:
32 large marshmallows
1/2 cup milk
1 cup cooked mashed pumpkin

1/2 tsp. cinnamon
1/2 tsp. allspice
1 T. melted butter
1 cup heavy whipped cream
Combine the marshmallows and
milk in a saucepan and place over
low heat until marshmallows are
melted. Remove from heat and stir
in pumpkin, cinnamon, allspice,
and butter. Fold in whipped cream
and pour into graham cracker crust.
Chill for 3 hours.

USDA Issues Cotton Classing Report For Early Crop Samples

The 1985 Abilene cotton harvest was weather-delayed for the second consecutive week by heavy rain. Cotton samples from almost 13,000 bales had been classed at the USDA Cotton Classing Office in Abilene through October 17, according to B.B. Manly Jr., cotton division area director. Farmers reported that early harvest yields ranged mostly from 1/2 to 1 1/2 bales per acre. Cotton production is expected to be slightly above average and significantly higher than during the past two seasons. Cotton had been ginned at more than one third of the area gins before the harvest was delayed by rain.

Manly announced that USDA classing fees were unchanged for this season. Farmers pay \$1.00 per sample for manual classing, and \$1.45 per sample for HVI classing, with review classing being 10 cents

per sample higher than the original classification. Gin managers may access USDA classing records for their particular gin through computer telecommunications this season, according to Manly, and any manager interested in doing so should contact him as soon as possible.

Local cotton prices were steady during the past week at 1 1/2 cents per pound above CCC loan values to about 2 cents per pound below the loan. High grade, long staple cotton was bid at about 2 cents per pound below the loan; while grade 42, staple 31 and 32 cotton miking 30 to 32 was bid as high as 1 1/2 cents over the loan. Trading was slow to inactive, and most actual sales were around 1/2 cent per pound over the loan. Forward-contracting was inactive. Inclement weather prevented harvesting and kept the supply light. Demand was light to very light, being slightly stronger for lower physical price cotton. Cottonseed prices paid farmers ranged mostly from \$45 to \$55 per ton.

Early harvested cotton was about 86% light spotted grades. Grade 42 comprised 36%. Thirty-four percent was grade 32, 12% was grade 52, and 5% was grade 31. Fiber length was 27% staple 33, 23% staple 32, and also 23% staple 31. Micronaire readings were 84% within the 35 to 49 range, with 38 being the average mike. Grams per tex strength reading of HVI classed cotton averaged 22.7 for the season.

Local Youths Begin Round Of State And County Stock Shows

Three Knox County 4-H members represented the county at the State Fair of Texas and placed well in their respective categories. The 4-H'ers were Stacia Ryder, daughter of Mr. and Mrs. Donnie Ryder of Benjamin, and Bryan and Kent Latham, sons of Mr. and Mrs. Ruddy Latham of Munday.

In the junior beef heifer division, Stacia took third place with a Santa Gertrudis early heifer calf, and Bryan was eleventh with a Brangus junior yearling heifer calf.

In the junior market lamb show, Bryan was 14th and Kent 22nd with Rambouillet lambs, Kent was 15th with a Suffolk cross and Bryan placed 23rd with a lightweight Suffolk.

In addition to the state fair, the Lathams showed livestock at the King County Fair, as did Todd, Trey and Tyler Thompson, sons of Mr. and Mrs. Larry Thompson of Munday. Placings are as follows:

Heavyweight fine wool - Kent Latham, first; Bryan Latham, second. Kent Latham showed the champion finewool.

Heavyweight finewool cross - Todd Thompson, first; Kent Latham, second; Bryan Latham, fifth. Todd Thompson showed the champion finewool cross.

Mediumweight medium wool - Trey Thompson, first; Bryan Latham, second; Tyler Thompson, fourth.

Light heavyweight medium wool - Todd Thompson, first; Trey Thompson, third.

Services For Goree Woman Held Friday

Solestia Pace, 81, a longtime resident of Goree, died at 6:25 p.m. Wednesday, October 16, at the Haskell Memorial Hospital.

Funeral services were at 2 p.m. Friday, October 18, at the First Baptist Church in Goree with Rev. Charles Culpepper, pastor, officiating. Burial was in Goree Cemetery under direction of McCauley-Smith Funeral Home of Munday.

Serving as pallbearers were Ed Howeth, Tommy Decker, J.D. Hicks, Kent Trainham, Harold Jones and Slick Myers.

She was born June 28, 1904, in Comanche County and married Arthur Raymond Pace January 29, 1930, in Knox City. A member of the First Baptist Church, she was preceded in death by her husband, a son, Thomas Pace, and a grandson, Greg Sanders.

Survivors include four daughters, Winona Sanders of South Lake, Sue Tucker of Seagoville, Pat Peek of Goree and Margie Welch of Balch Springs; a son, Clyde Pace of Balch Springs; two sisters, Eula Mapes of Modesto, Calif., and Viola Mercer of Haskell; ten grandchildren and four great-grandchildren.

wool - Bryan Latham, first; Kent Latham, third; Tyler Thompson, eighth.

Heavy heavyweight medium wool - Todd Thompson, first; Trey Thompson, second.

Todd Thompson won grand champion honors in the medium wool division and showed both grand and reserve champion market lambs.

In the beef heifer category, Bryan Latham was second with a Brangus early senior yearling heifer and took reserve champion honors in the heifer show.

Windbreak Trees Available From Area Conservation Office

L.D. Offutt, Chairman of the Wichita-Brazos SWCD, announced this week that the local conservation district would begin taking orders for windbreak seedlings. The evergreen and hardwood trees will be available at a nominal fee to those landowners who wish to establish windbreaks for erosion control, wildlife and beautification. "This is the second year we will be sponsoring a windbreak seedling program, and I hope that more individuals will take advantage of what we have available," commented Offutt.

Trees available this year will be Afghanistan pine, Arizona cypress, Austrian pine, Eastern red cedar, bur oak, pecan and Russian olive. All seedlings are from nursery stock from the Texas Forest Service and will be delivered to Knox County in time for early spring planting. It is reported that some seedlings are limited in quantity, so the SWCD directors encourage interested parties to order early.

Orders can be placed by contacting the Soil Conservation office in Knox City at 658-3526, or one of the SWCD directors: L.D. Offutt, Munday; C.H. Cornett, Knox City; Charles Griffith, Benjamin; Louis Baty, Gilliland; or Carl Coulston, Vera.

Mrs. Propps, 97, Dies In Knox City

Birdie A. Propps, 97, of Knox City died at 3 p.m. Saturday, October 19, at the Knox County Hospital after a brief illness. Services were at 2 p.m. Monday, October 21, at the First United Methodist Church in Knox City with Rev. Jack Maddox, pastor of the First Christian Church in Knox City, and Rev. Bill Perkins, Methodist pastor, officiating. Burial was in Knox City Cemetery under direction of Smith Funeral Home.

She was born Birdie Thacker December 12, 1887, and married Algie Elwood Propps February 21, 1916, in Sweetwater. He preceded her in death in 1969. She was a homemaker and a member of the First United Methodist Church.

Survivors include a daughter, Margie Berkeley of Denver, Colo.; and three grandchildren.

Bowman Elected To Collegiate Office

Michael Bowman, son of Mr. and Mrs. Martin Bowman of Goree, has been elected reporter of the Vernon Regional Junior College Collegiate Future Farmers of America chapter for the 1985-86 school year.

A graduate of Goree High School, Bowman is a sophomore agriculture studies major at VRJC.

More than 43 million Americans have one or more forms of heart or vessel disease, says the American Heart Association.

SUPERMAN TOOK UP RESIDENCE at Munday High School last week to help out in a Spirit Hall contest. Junior high students won the contest with their Superman theme, and the senior class was a very close second with their rainbow and cloud decorations. Judges had a hard job deciding the winner, as it was obvious that class members had put a great deal of thought and work into their spirited decorations.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

ABOUT OUR SICK

Several Benjamin folks have been ill the past week or so. Sue Oxford had surgery Thursday in a Wichita Falls hospital. Julia Propps underwent surgery Friday also in a Wichita Falls hospital. Reports are that they are both doing well. Von Conner returned home Saturday after surgery and several days stay in Hendrick Medical Center in Abilene.

Grace Snailum was able to come home the latter part of last week after several days in the Knox County Hospital. Still in the Knox County Hospital today are Beth McCanlies, Claude Stockton and Judy Shipman. We wish all these folks a speedy recovery.

HERE AND THERE

Rene and Bill Powers of Midland were weekend guests of her parents, Clarence and Maudie Clower.

Terry and Dee Ann Cartwright of Lakewood, Colorado were guests of his parents, W.T. and Jo Cartwright, and his brother and family, Tracy, Susan and Ashley Cartwright, several days last week.

Van and Gladene Green attended the annual Yeager reunion at Munday on Sunday.

Nell and G.H. Hudson spent the weekend with Carl, Bell and Tasha Zoch in Killeen. On Saturday night they all went to Austin for dinner at the Old San Francisco Steak House in honor of Bell's birthday.

Bonita Pyatt of Plainview spent a few days here last week taking care of her mother, Grace Snailum, after her dismissal from the hospital.

Randy and Mary Whitsett and children of Lake Dallas visited Mary's mother, Gertrude Brannon, during the weekend.

There has been a little changing of residence in town here late.

Ruth Ressel has moved into her new home, the former home of Tracy and Susan Cartwright. The house has been added on to and remodeled and Ruth says she sure is enjoying it. This is Tracy and Susan's first house, not their new one.

Steve and Janet Conner and children have moved into Ruth's former house.

Also white steel siding has certainly changed the looks of Collins and Fayette Moorhouse's home. It's not completed yet, but is already looking a lot different and is really looking good.

Local Woman's Aunt Is Buried At Brady

Miss Edith Berquist, 95, of Brady, aunt of a Munday woman, died at 12:10 a.m. Tuesday, October 15, at Heart of Texas Memorial Hospital in Brady. Services were at 2 p.m. Friday, October 18, at Rudell and Sons Funeral Home in Brady with Rev. Fred Cox officiating. Burial was in Live Oak Cemetery.

She was born May 21, 1890, in Manor, and lived in McCulloch County most of her life.

Survivors include three nieces, Maybelle Wise of Munday, Anna Mae Hargrave of Austin and Mary Helen Hughes of Brady; and three nephews, Dudley Berquist of Menard, Bill Charnquist of Corpus Christi and Norman West of Brady.

Dickinson Rites Held At Truscott

Frank H. Dickinson, 86, of Brownwood, a former Benjamin resident, died Monday, October 14, in a Temple hospital. Graveside services were at 3 p.m. Thursday, October 17, at Truscott Cemetery, directed by Smith Funeral Home of Knox City.

Born May 8, 1899, in Mexico City, he operated a hotel in Benjamin and was a veteran and retired welder.

Survivors include a grandson, Paul Frey, Jr., of Mesquite; and several nieces and nephews.

The Nose Knows.

An aromatic chemical is added to natural gas to give it a distinct odor. One that's easy to detect.

It's this distinct odor and knowing what to do when you detect it that keeps gas safe.

If you're outdoors and smell gas, you should call your local Lone Star Gas office.

If you're indoors and detect faint whiffs, check to see if a pilot light has gone out or a burner valve has been left partially open. These are corrective steps you can take yourself.

If your equipment is working properly and you still smell gas, please follow these precautions:

1. Don't switch anything electrical on or off. Don't strike a match or do anything that could cause a spark.
2. Have everyone leave immediately, leaving door open to help ventilate.
3. Go to a nearby phone and call Lone Star.

Help us keep natural gas one of the safest energies available. Use your nose. Then use your head... and follow the proper precautions.

(Just a reminder: Before you do any digging, call your local Lone Star Gas office so they can inform you on pipe locations.)

In Appreciation
The Board of Directors and staff of the Knox County
Farm Bureau would like to express appreciation to
Larry Smith and Leo Beason, retiring directors, for
their years of service to the board. Their dedication and
interest in the Farm Bureau program in Knox County
and throughout the state have been invaluable, and they
deserve recognition for their time and efforts on behalf
of the Farm Bureau membership.
