## Texas Voters To Decide On Constitutional Amendments

Absentee voting has been light for the November 5 amendment election, but area voters are reminded to cast their ballots on these issues.

Polls will be open from 7 a.m. to 7 p.m., and all Munday voters will vote at the City Hall. James Smith is the presiding judge, with Juanita Nelson assisting. Sunset voters will cast their ballots at the Knox City Community Center, and all other boxes will remain the same.

The Texas Research League has prepared a brief synopsis of each of the amendments to the Texas Constitution on which we will vote next week. In layman's language, these explanations follow.

Voters in Texas will be asked to cast their ballots for or against the following propositions:

1. Authorizing the issuance of an additional \$980 million of general obligation bonds to finance water development, water quality enhance-

ment, water conservation and flood control.

2. Authorizing the issuance of \$200 million of agricultural water conservation bonds.

3. Enabling cities to spend public funds for replacing water lines on private property and to assess the cost against property owners.

4. Permitting proceeds from the sale of land dedicated to the permanent fund to be used to acquire other land for that fund.

5. Authorizing the legislature to regulate the provision of health care by hospital districts.

6. Permitting state prisoners to be placed in penal facilities in other states pursuant to an interstate agreement.

7. Allowing Chambers County to be divided into two to six justice of the peace precincts.

8. Providing \$500 million in additional general obligation bonding authority for the Veterans Land Board to finance more low-interest loans to veterans.

9. Permitting the legislature to provide for the prior approval of the expenditure or emergency transfer of appropriated funds.

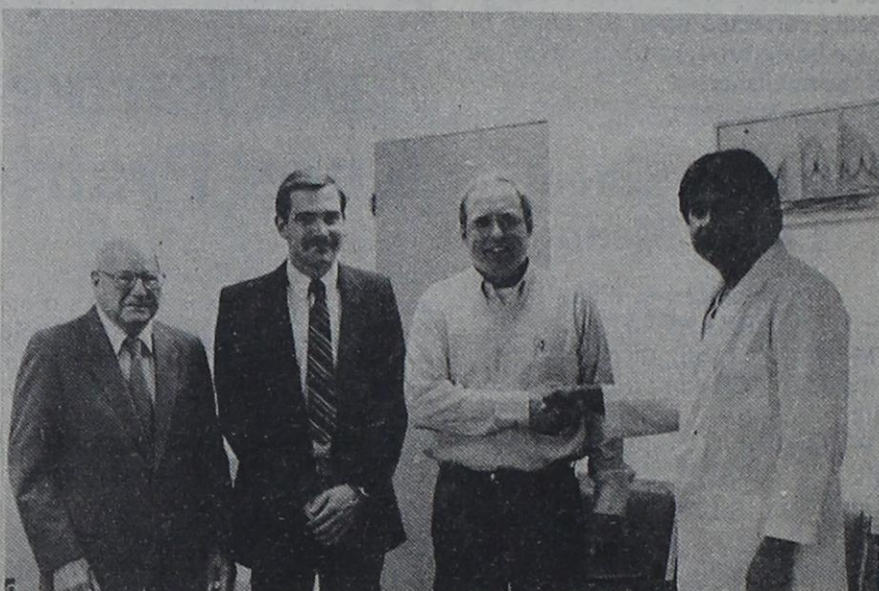

10. Authorizing the Veterans Land Board to issue up to \$500 million in general obligation bonds to create the Farm and Ranch Finance Program to provide financing assistance for the purchase of farm and ranch land.

11. Giving the legislature the authority to determine the manner in which a person is charged with a criminal offense.

12. Granting to the Texas Supreme Court and the Court of Criminal Appeals jurisdiction to answer questions of state law certified from a federal appellate court.

13. Creating the Judicial Districts Board, providing for the reappointment of district-court districts and providing for the administration and jurisdiction of the courts.

14. Abolishing the office of county treasurer in Andrews and El Paso counties and the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson and Randall counties.

**DR. JOE MENDOZA**, at far right, began his medical practice here Monday, October 28. Welcoming him to our town were representatives of the Munday Chamber of Commerce Moulton Wiggins, Lyndle Reeves and Gary Decker. The Seymour physician's office is located at The Munday Medical and Surgical Clinic east of town on Highway 277.

**SATURDAY IN VERNON**

## Munday Band To March In Regional Competition

Band director Rodney Bennett said Munday's time slot is from 12:56 to 1:09 p.m. The Purple Cloud will be the third band to march in Class A, which is the first class to compete. ## Saturday's Turkeywalk To Aid Heart Research

Participants in the American Heart Association's Turkeywalk slated for Saturday, November 2, need to be contacting as many sponsors as possible by Saturday in order to win a turkey to grace their Thanksgiving tables. Ray Hunter, event chairman, said he expects approximately 70 walkers to raise money for heart research.

Registration for the Turkeywalk will begin at 9 a.m. at the Munday **FOR CITY HALL**

## Donations Requested For Lawn Sprinkler System

The Munday Sesquicentennial committee is accepting donations for the installation of a sprinkler system at the Munday City Hall lawn. Members of the committee estimate the cost will be approximately \$1,500, and Doris Dickerson, Munday mayor, has agreed to serve as chairman of the group trying to secure the system.

Generous donations from the Munday Lions Club, the Chamber of Commerce and Agriculture and the Volunteer Fire Department will go into this fund. Others wishing to donate should contact Dickerson or members of the Munday Sesquicentennial committee, who are Paula Schur, Phillis Urbanczyk and Gail Ramirez.

At the present time, several trees and shrubs have been ordered as donations by local residents. Officials of the City of Munday and the Sesquicentennial committee express thanks to the following people for their generosity:

Gerrie Boggs Baccus, two pecan trees in memory of A.C. Boggs Jr.,

Church of Christ parking lot. The course from that point to Offutt's Corner will be walked twice for the full eight-mile goal, but no one is obligated to walk the entire course. A rest station with water will be manned on the road near the Dan Offutt residence, and drivers will be spotted along the course to help anyone who may need to stop and be taken back to town.

Walkers have been contacting

residents and businesses in Munday for sponsorship. Sponsors pledge a monetary amount for each mile the participant walks, or they may make a fixed donation. Walkers who turn in \$50 or more in pledges will receive Turkeywalk t-shirts, and those raising \$100 or more will receive turkeys.

Anyone who is interested in donating turkeys or other prizes should contact Perry Kuehler. If there are any prospective walkers or sponsors who have not been asked to participate, they should call Ray Hunter, minister of the Munday Church of Christ, at 422-4691 or 422-4731, and he will welcome them to the fun, healthy and worthwhile event.

Information as to collecting and turning in the money from pledges will be given at the close of the Turkeywalk.

and Mahlon Boggs; Mr. and Mrs. Charles Yost, Ray, Tracee, Russell, DeLane, Randy and Chad, one yaupon tree in memory of LeAnna Camille Yost; the Alcala children, one yaupon tree in memory of Mary Tereza Alcala; Harvey Lee, two pecan trees and one shrub; Alicia and Jered Crownover, one yaupon tree; Jimmy and Phillis Urbanczyk, one pecan tree in memory of Ed Johnson.

A plaque inside the city hall will recognize the plantings donated by local citizens.

## Moguls' Powerhouse Smashes Chillicothe

The Munday Moguls' awesome stable of talent proved to be too much for the Chillicothe Eagles Friday night, as the Moguls slaughtered their hosts 71-0 in the third District 3-A game of the 1985 season. The Eagles dropped to 3-5

in the season and 1-2 in district action. The undefeated Moguls now have a one-game lead over their district foes, followed by Throckmorton and Archer City with 2-1 records, Chillicothe and Bryson at 1-2, and Windthorst is in the cellar

at 0-3.

Munday scored ten touchdowns and a safety in their romp over Chillicothe, racking up almost 600 yards in total offense while holding their opponents to just 101 yards. Mogul quarterback Dent Offutt, a likely candidate for all-state nomination, was seven for seven in the passing department for 185 yards.

In other individual statistics, Anthony Stinnett rushed 84 yards on two carries and caught a pair of passes for 39 yards. J.B. Jones also had yardage in both rushing and in pass receptions - 60 on the ground and 75 in the air. Todd Thompson ran for 74 yards, Ronny Lowrance for 53, Offutt for 38, Jerry Shields for 32 and Jeff Bruce for 28. Gregg Sanders gained 58 yards on three Offutt passes, and Scotty Jackson gathered in another toss for 13 yards.

The Moguls lost no time in getting on the scoreboard. On the first play from scrimmage Offutt lateraled a pass to backup quarterback Anthony Stinnett, who lofted the ball to J.B. Jones. The 75-yard play was good for six points, and Lowrance kicked the extra point with 11:38 showing on the clock.

Three plays netted the Eagles two yards and a five-yard penalty on their first possession, and the punt was returned to the Chillicothe 23. From there a long run by Lowrance set up a two-yard plunge by Jones for his second tally. The point after attempt failed.

The Eagles did manage their first of six first downs on the next series, but were soon forced to punt, and penalties assessed against them helped push Munday down the field along with runs by Thompson and Jones, who made it three in a row at 5:24 in the first quarter. Offutt ran the ball in for the two-point conversion to make the score 21-0.

Beginning on their 24, the Eagles drove just across midfield before another penalty and Munday's defensive strength stopped them. The Moguls were on the Chillicothe 6 when J.B. Jones lost control of the ball and Chillicothe recovered. But it was a costly move for the Eagles, as they fumbled in the endzone and Munday took the two-point safety. Later in the period, Lowrance capped a five-play drive with a two-yard shove across the goal, then kicked the PAT.

Gregg Sanders set the stage for the next score by sacking Eagle quarterback Bluford Jones. Jones' next running attempt lost three yards and the Eagles punted. Offutt promptly fired a 30-yard scoring pass to Sanders, and with the successful PAT, Munday led 37-0 at halftime.

The Moguls were flat to begin the second half, losing a fumble and having to punt for their first and only time in the ballgame. But at 4:37 in the third period, Offutt again found a big target in Sanders, who scored his second touchdown. After another dismal series by the

**DON'T YOU DARE TACKLE ME!** says Munday quarterback Dent Offutt as he prepares to straight-arm a Chillicothe Eagle trying to stop Offutt from making his usual yardage-eating runs. Offutt only ran for 38 yards

in the Moguls' win, but punished the Eagles through the air with seven completions in seven attempts for 185 yards and several touchdowns.

**BILL WILLIAMS**, President of the Munday Volunteer Fire Department, and Gary Decker, president of the Munday Chamber of Commerce and Agriculture, are shown with Phillis Urbanczyk, a member of the Munday Sesquicentennial Committee responsible for landscaping the Munday City Hall lawn. These two organizations have made generous donations which will be used to purchase a sprinkler to help keep the yard looking good year-round.

**Area Farmers Create Knox Prairie Co-op**

A group of area farmers have purchased Knox Prairie Seeds, Inc., and formed the Knox Prairie Co-op in hopes that the move will benefit them all. No changes will be made in the management of the facility. Directors of the co-op are Larry Smith, president; Mark Reed, Dan Offutt, Garon Tidwell and Byron Gass. The directors will hold their appointed positions until the co-op has its first annual meeting, when an election will be held. In view of the fact that there is little money to be made in agriculture at this time, these men have devised a way to put some money in their pockets until the hoped-for better times arrive. All the farmers in the co-op will benefit from the sale of fertilizer or feed and from ginning cotton. Available to members are the gin, elevator, fertilizer and chemical dealerships, livestock medication and co-op fuel, thus saving farmers money in areas where they spend a lot of money. Approximately 15 area farmers are members of the co-

op at this time, and officials expect as many as 30-40 members by the end of the ginning season.

Knox Prairie offers cattle feed, seeds, fuel, custom application of dry, liquid or ammonia fertilizer, chemicals and animal health supplies as well as the gin and elevator facilities. Knox Prairie also has one of the largest module feeder pads in the area and can gin up to six modules at one time.

Area farmers agree that it is going to be tough to stay on top in any agri-business for some time, and co-op members feel their new venture will help them out over a short-term period as well as prove to be a good investment in the long run.

J.C. Reagan of Crosbyton visited his mother, Mrs. Maude Reagan, while she was in the hospital.

**Seniors Announce Chili Supper Date**

The senior class at Munday High School will sponsor its annual chili supper on Friday, November 8, before the Moguls' final home game with the Bryson Cowboys.

Chili, crackers, beans, slaw, cobbler and tea will be served, and tickets for this big meal are only \$3 for adults and \$2 for children. Serving time will be from 5 until 7 p.m., giving everyone plenty of time to gobble chili and do some visiting before strolling over to the football stadium to watch the Moguls' last district game.

Proceeds will finance senior class activities, and any class member will be glad to sell you a ticket.

**FACTS ABOUT POPCORN**

If you're eating popcorn during October, here are a few facts about it. Popcorn has been eaten and enjoyed for over 2000 years. In days of old, people thought a little demon lived inside each kernel. When his "house" was heated, the demon got mad and threw such a tantrum the kernel exploded! Americans eat more than 9.7 billion quarts of popcorn each year -- that's 42 quarts per person! And un buttered popcorn has only 25-55 calories per cup. It's low in fat, has no cholesterol, and is free of added sugar -- and only pennies per serving. National Popcorn Poppin' Month is observed in October!

**Dr. Mendoza Practicing At Local Clinic**

Members of the Munday Chamber of Commerce were on hand Monday, October 28, to welcome Dr. Joe Mendoza to Munday, where he has begun to practice. The Seymour physician will alternate hours with Dr. Daniel B. Jackson at the Munday Medical and Surgical Clinic on Highway 277.

Clinic hours will be from 3 to 6 p.m. Monday through Thursday, 1 to 6 p.m. Friday and 8:30 to 11:30 a.m. Saturday. The clinic phone number is 422-4537. Tommie Crawford will remain at the clinic as receptionist and Jan Nees of Seymour will serve as staff nurse.

Dr. Mendoza has been practicing in Seymour several years, and has a number of patients from this area.

"I have always liked Munday," he commented, "and felt this was a good place for a medical practice. This will keep my Munday patients from having to drive to Seymour so often, and it gives me an opportunity to broaden my practice. I think I will enjoy coming over here every day, and I hope to have a real good response from residents in this area."

**Jamboree Time Is Here Again**

Once again it is time for the Gilliland Jamboree which will be held Saturday, November 2, at the Gilliland Community Center. The festivities will start at 7 p.m.

All area musicians are urged to attend, as well as all good listeners and hand clappers. There will also be refreshments served. Come one, come all!

**JUDGES ATTEND SEMINAR** -- Ninety-five justices of the peace from Region 10 recently attended a 20-hour seminar in Amarillo conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes. Topics covered included justice court venue, defensive driving, forcible entry and detainer statutes, license and weight laws and new game and fish laws. New legislation relating to the justice court which was passed by the 69th State Legislature was also reviewed. Among those attending were, at left, Don Griffith of Benjamin, Knox County Precinct 2, and John L. Phillips of Munday, Knox County Precinct 4.

A BLACK AND WHITE picture just doesn't do justice to the brilliant mass of yellow and white chrysanthemums in the yard of Jerry and June Kane at 461 S. 7th Street. This Yard of the Week is pretty from all sides, with more bright flowers found around back. Munday Garden Club judges made a good choice here.

### Retired Teachers Meet In Knox City

The Knox County Retired Teachers Association met Tuesday, October 22, in the Knox City Community Center.

Seventeen members were present and enjoyed the program given by Margie Clonts. Mrs. Clonts showed slides and related interesting facts about her recent trip to France and Germany.

A brief business meeting was conducted by president Wretha Fitzgerald. Virginia Williams of Munday was welcomed as a new member.

Refreshments of finger sandwiches, cookies, coffee, and hot ap-

Delce was held to 41 yards on 13 carries, but Delce did score the only Bulldog touchdown when he grabbed a blocked punt and ran it back.

Both teams are now 2-1 in district play.

#### KNOX CITY LOSES AGAIN

The Crowell Wildcats outlasted Knox City in their District 3-A west zone matchup to take a 27-20 win. Knox City has now lost three and tied one of their last four contests. Crowell is 6-2 this season and the Wildcats drop to 3-4-1.

Knox City struck first with a one-yard dive by halfback Trent Driver in the first period. Crowell's Billy Henry tied it up a few minutes later, and Stacy Henry intercepted a Greyhound pass in the second quarter to give Crowell the lead.

The Hounds went on top again in the second half on George Rocha's

scoring run, but Crowell answered with two quick touchdowns by Steve Sparkman and Billy Henry to make the score 27-14. Rocha's 54-yard run in the last quarter gave the Hounds another score, but it was too late to come back for a win.

#### THROCKMORTON EDGES ARCHER CITY TEAM

The Throckmorton Greyhounds handed Archer City its first district loss Friday night with a narrow 9-7 defeat of the Wildcats. The Hounds are also 2-1 in district and will host the Munday Moguls this Friday night.

Throckmorton led through the entire game by virtue of a second quarter field goal by Ronnie Rankin. The 3-0 lead stood until the last period, when Greyhound tailback Dow Latham scored on an 11-yard run with two minutes left in the game. The Wildcats made it close on Nickey McCorkle's 24-yard scoring pass to Bobby Jones with 24 seconds left in the game.

#### BRYSON TAKES BATTLE OF WINLESS TEAMS

The Bryson Cowboys won their first game in two seasons Friday night at home with a 21-8 victory over Windthorst. The Trojans enjoyed their first touchdown of the year to salvage something out of the loss.

Bryson took a 14-0 lead in the third quarter on touchdowns by Shane Reddell and Ricky Epperson. Windthorst forced a safety in the final period, then Carl Keener went 73 yards for the Trojan score, narrowing the Cowboys' margin to 14-8. But Johnny Downing scored from 17 yards out to preserve the

#### Bryson win. SEYMOUR BLITZES NOCONA INDIANS

For the first time this year, the Seymour Panthers had an easy night on the football field, as they took a 40-0 shutout over the Nocona Indians in District 9-AA action. The Panthers now own a 3-5 record.

The Panthers amassed over 400 yards of offense, with Mark Peters leading the way. The star back rushed for 134 yards on 10 carries and two touchdowns. Corey Daniels also scored twice for Seymour and Chris Hardeman and Corey Pierce added one each.

In six-man play, the Benjamin Mustangs were defeated 43-8 by Miami, and Weinert extended its unbeaten streak with a 50-0 shutout over Lueders-Avooca. \*\*\*\*\*

**JOHN KINNIBRUGH**, son of Mr. and Mrs. John Kinnibrugh of Gilliland, recently began student teaching duties at the Seymour High School agriculture department. A graduate of Benjamin High School, Kinnibrugh is a candidate for December graduation from Tarleton State University in Stephenville, where he is a member of the collegiate FFA chapter and secretary of the Tarleton Plowboys. He received his Lone Star Farmer degree in 1980. Kinnibrugh is the grandson of Mrs. Henrietta Burgess, who resides at the Munday Nursing Center, and the nephew of Mr. and Mrs. Arnold Reeves of Munday.

### MOGULS (Continued from Page 1)

Eagles, Todd Thompson raced 38 yards around the right end to take Munday across midfield, and a 29-yard scoring pass from Offutt to Anthony Stinnett made the score 51-0 with another quarter left.

Sophomore Stinnett got the next touchdown, too, with a spectacular 81-yard scamper to kick off the fourth period. Three minutes later, J.B. Jones scored his fourth TD of the night with a 26-yard run. Jeff Bruce wrapped up the Moguls' scoring spree, staying on the ground for five straight plays through the right side of the Eagle line and carrying the pigskin into the end zone from the four with three minutes left in the game.

The Moguls will take their mighty machine to Archer City this Friday, November 1, for a 7:30 p.m. kickoff. The Wildcats are coming off a narrow 9-7 loss to Throckmorton, and should be fired up to improve their disappointing season record. The game will also offer a good opportunity for local fans to hear the Archer City band, which will be competing at the regional

marching contest Saturday along with Munday.

#### Coach Edwards Comments

Chillicothe was certainly not one of the stronger teams we have played this year, being rather young and inexperienced. We were very aggressive, and showed the best hitting we've done all year. I was very pleased with our tackling.

We got a little complacent in the second half, but after the proper encouragement we settled down to play again. Dent threw the ball well, and Gregg did a fine job receiving. In fact, everybody was catching the balls sent their way.

Our offensive line did a good job blocking, and the punt return and kick return teams looked great. Jerry Shields and J.B. Jones had super nights. We just need to play some tougher opponents to get ready for the playoffs.

Archer City has a good nucleus back from last year. They have fine backs in Beau Henry and Junior Malone, and are starting freshman Nicky McCorkle, who is 6'3" and 190, at quarterback. He will eventually be a real good player. On defense Billy Morehead and Tim

Ditto lead their attack. The Wildcats have plenty of returning starters and good experience, as they have been in the playoffs before. We will have to play well to keep our string intact.

We kept Tim Collier and Isias Dena out last week to give their injuries a little more time to heal and are listing them as questionable this week, although both are making good progress and are raring to play.

Our junior varsity remains unbeaten after a 28-7 win over Hamlin last week. John Paul Browning did an excellent job running the offense. The combined seventh and eighth grade team won also, with a 28-14 victory over the Hamlin squad. Perry and Terry Collier and Marc Andrade were outstanding offensively, and Tyler Thompson, Jerry Wayne Branam and Brett Bruce led our defensive charge.

We will play three games here Thursday (today), October 31. The seventh graders will begin at 5 p.m. and the eighth grade and junior varsity games will follow. Our opponents will be the Archer City junior high and JVs.

**CINDY REAGINS**, a 1985 graduate of Goree High School, will be playing swing guard forward for the Clarendon College Lady Bulldogs basketball team this season. They are the children of Johnny and Vergue Reagins of Goree. Clarendon College is a member of the Western Junior College Athletic Conference.

## Weinert Walks Off With Shutout Win Over Lueders-Avoca

The Weinert Bulldogs extended their unbeaten record to six games with a 50-0 defeat of the Lueders-Avoca Raiders Friday night in six-man football action. Shannon Forehand's passing arm got plenty of use in the win, and the Perez family chalked up more big chunks of yardage.

Forehand connected with Johnny Perez for 44 yards and the first score at 8:37 in the first quarter. Kevin White kicked the point after. The Bulldogs recovered a fumble to set up their next score, which was tallied by Mondy Mayfield from the 14. The PAT was blocked.

The Raiders couldn't keep the ball, and Weinert quickly recovered another fumble. Forehand passed to Ricky Perez for a 40-yard TD, and White was good on the extra point. Edward Perez got in on the scoring action when he went over for a 12-yard touchdown at 3:03 in the first quarter.

Forehand connected with Johnny Perez again in the second quarter for a 12-yard touchdown, and Barry Walker went over from the one for another six points with three minutes left in the half. As the half-time buzzer sounded, Forehand threw to Walker, who caught the ball for a 76-yard score to give the Bulldogs a 50-0 win. The game was called at halftime due to six-man rules.

Weinert will host the Jayton Jaybirds at 7:30 p.m. Friday, November 1.

Callie Ann Combs is in Methodist Hospital in Lubbock. Her room number is 588. She is to undergo exploratory surgery today, Thursday, which she was told would be very serious. She would surely appreciate any cards or calls to help her get through this time.

## Lady Bulldogs To Enter VB Playoffs

The Weinert Lady Bulldogs volleyball team will advance to bi-district play after finishing their season with a 4-2 record. Chillicothe won the district with a perfect 6-0 season.

At the district matches played in Vernon, Weinert was defeated 15-13 and 15-5 by the Chillicothe Eagles in their first match, but came back to hand 15-2, 15-13 losses to Harrold. Earlier, the Lady Dogs had drilled Knox City with two losses and Harrold with one.

Weinert will meet the yet undetermined first-place team for District 10 in the near future.

THESE DRESSED-UP YOUNG FOLKS were seen at the Halloween costume contest and carnival held Saturday night in the Goree school gym. The "punk" look seemed to be very popular, a change from the monsters, ghosts and other traditional Halloween creatures. Other activities at the carnival included a cake walk and several game booths.

WINNERS OF THE adult category in Goree's Halloween costume contest are hidden behind these get-ups. Elizabeth Watson, first place, at left, probably wouldn't tell her real age, but it's not near as old as she looked Saturday night. Winning second place was "Farmer Jones," alias Sherry, and her scarecrow sidekick is third place winner Cathy Lohman. The contest and carnival were sponsored by the Goree PTO.

# GET THE GAS ADVANTAGE.

You've got a right to better economy, greater efficiency and more convenience—found only with quality natural gas appliances. And that's what the Gas Advantage is all about. There's nothing like natural gas to save you time, money and energy. For the best in economy and convenience, a fast-recovery gas water heater provides hot water enough for a whole family's needs at half the cost of an electric water heater. And, a gas dryer dries three fast and fluffy loads for every one load in an electric dryer. You'll get perfect results every time with a gourmet quality gas range. With instant on and off and infinite temperature control, a gas range makes cooking easier and it costs less to use than electric. And, of course, there's a natural gas furnace that warms your whole house gently and draft free—more economically than a heat pump. Demand your rights when it comes to better economy, greater efficiency and more convenience. Demand the Gas Advantage today!
