Bullets Miss Roosevelt—Cermak Wounded

F. D. ROOSEVELT, left
MAYOR CERMAK, right

WOULD-BE ASSASSIN SHOTS AT PRESIDENT-ELECT; MAYOR OF CHICAGO SERIOUSLY HURT

President-elect Franklin D. Roosevelt escaped without injury and Anton Cermak, mayor of Chicago, was seriously wounded, probably fatally, when a gunman fired a stream of bullets into the Roosevelt party at Miami, Florida, Wednesday night.

After his capture by unidentified citizens standing by him and by police, the would-be assassin said: "I kill presidents. Kill all officers." The man, a black, curly-haired man of stocky build, said he was Joe Zingara of New York City, and that he attempted to assassinate King Emmanuel of Italy 10 years ago.

His five shots also hit Mrs. Joe Gill, Miami; Wm. S. Caldwell and Miss Margaret Krutts of Newark, N. J. The bullet that struck Cermak pierced his body, coming out at the back and little hope was held for his life.

The shooting occurred in beautiful Bay Front park on Biscayne bay where a reception was in progress for Mr. Roosevelt, who had just returned from a vacation cruise before taking the office of President next month.

There was some doubt as to whether Mayor Cermak or the president-elect was the original target of the assailant. Mayor Cermak was about 20 feet from Roosevelt at the time of the shooting, however, a man who was also shot was standing closer to Roosevelt than Mayor Cermak.

Roosevelt held Mayor Cermak's head with a circling arm as his automobile sped to a hospital.

"I have always hated the rich and powerful and I hoped tonight that I could have better luck than I did 10 years ago in Italy," Zingara said after the shooting. "I meant to shoot him (Roosevelt) while he was talking but the crowd was in my way and I am a short man," he added.

Sixteen Chicago gangsters were arrested in Miami Thursday by secret service men to be questioned in connection with the shooting.

Roosevelt Cruise Has Sensational End

President-elect Roosevelt is shown above waving farewell as he set sail on an eleven day cruise, his last vacation before taking over the Presidency. He had looked forward to a real rest and relaxation from cares on this trip and it was just as he returned from it that an attempt was made upon his life Wednesday night at Miami, Fla.

Two of those who made the cruise with Roosevelt are shown with him. Kermit Roosevelt, son of former president, Theodore Roosevelt, is at the left; the president-elect is in the center, and Vincent Astor, host and upon whose yacht, The Nourmahal, the cruise was made, is at the right.

FIVE TEAMS TO PLAY SATURDAY FOR CO. HONORS

Five senior boys' Class B basketball teams will participate in a tournament at the Crowell gymnasium Saturday to decide the Class B championship of Foard County. This tournament was to have been held last Saturday but was postponed on account of inclement weather.

Vivian, Foard City, Thalia, West Rayland and Margaret are the teams that will play in this event, which is to begin at 10 o'clock in the morning. The final game will be played Saturday night. It will follow a game to decide the winner of third place, Margaret, Thalia, West Rayland and Foard City have made impres-

sive records this season and Vivian has now given definite notice that its team is going to be right in there fighting for the championship. West Rayland had a tough time in beating the boys from Vivian in a game following the Crowell-Olney tilt Monday night. The score was 18 to 10.

The line-up follows: Vivian—Sandlin and Rasberry, forwards; Morgan, center; G. Lewis and H. Lewis, guards; West Rayland—H. Adkins and Simmons, forwards; Gibbs, center; D. Adkins and Garrett, guards. Beecher Wisdom of Thalia was referee.

Further indication that the tournament Saturday would be closely fought was evidenced by the tight contest between Thalia and West Rayland at the local gym Tuesday afternoon. Thalia won 21 to 16. Those playing for Thalia were J. C. Wisdom, Mason and Capps, forwards; B. Wisdom and Banister, centers; Cato, Miller and Tole, guards. The West Rayland line-up was the same as above. Clyde Fincher of Thalia was referee.

DISTRICT P. T. A. MEETING TO BE HERE IN APRIL

The fifth annual conference of the 13th District of the Texas Congress of Parents and Teachers will be held in Crowell on April 11 and 12. The 13th District includes 15 counties in this section of Texas and several hundred visitors from the P. T. A. units in this district will be present for this occasion.

Last year the annual conference was held in Quannah with over three hundred delegates and visitors in attendance.

Plans are already under way to make the Crowell conference a successful one and it is hoped that the citizenship in general will co-operate in this respect.

Miss Lottie Woods and Mrs. T. B. Klepper are co-chairmen in directing general arrangements for the conference.

Committee chairmen have been named as follows:

Homes, Mrs. W. C. McKown; transportation, Mrs. Paul Shirley; program, Mrs. R. L. Kincaid; decoration, Mrs. J. E. Harwell; finance, Mrs. A. Y. Beverly; pages, Miss Barbara Cryer; publicity, Mrs. L. A. Andrews; courtesy and information, Mrs. M. L. Hughston; souvenirs, Mrs. T. P. Reeder; exhibits, Mrs. R. R. Magee; music, Mrs. A. F. Wright.

Mrs. R. L. Kincaid is now serving her second year as president of the 13th District, having been re-elected for a two-year term at the last conference. Mrs. T. B. Klepper was also elected at the last conference for a two-year term as corresponding secretary and publicity chairman of the district, after serving one year in this capacity.

CROWELL TO BE SITE FOR 1-ACT PLAY TOURNEY

For the fifth consecutive year Crowell has been named by Texas Interscholastic League officials as the site for the one-act play tournament of District No. 3, according to a letter received this week by I. T. Graves, local school superintendent, who has also efficiently served as manager of the tournaments for the four years that they have been held in this city. The fact that Crowell is named as the site for the tournament each year reflects credit upon the work of Mr. Graves.

It is likely that the tournament will be held on March 17 and 18.

Twelve schools have already notified Interscholastic League officials at Austin that they intend to participate in the district tournament here. These schools are: Chillicothe, Childress, Allison, Estelline, King, Kirkland, Matador, Paducah, Quannah, Oklaunion, Shamrock and Crowell. Seven casts competed in the tournament here last year.

For the past three years the Crowell cast, under the direction of Mrs. I. T. Graves, has won first place in this event. Chillicothe won the first tournament here in 1929.

Roy Bedichek, chief of the Interscholastic League Bureau at Austin, writes that there are more entries in the one-act play tournaments this year than ever before.

Grand Jury Recesses Until Friday, Feb. 24

After being in session only two days, Monday and Tuesday, the Foard County grand jury for the February term of court recessed until Friday, Feb. 24. An oral report from the grand jury gave the information that seven bills of indictment had been returned.

Due to business that will require District Judge W. N. Stokes to be in Austin this week, the appearance of petit jurors has been postponed from Thursday of this week to Monday morning at 9 o'clock.

L. A. Andrews is the foreman of the grand jury for this term of court.

OIL NEWS

Work of cleaning out the hole at the Texas Co.-L. K. Johnson oil test in the west part of the county is continuing at the present time and no drilling has taken place during the past few weeks. The hole is now about three thousand feet deep.

Meeting at Christian Church Will Come to An End Sun. Night

The one-week meeting at the Christian Church will come to an end Sunday evening. Grant L. Slagle, pastor of the church, is conducting the services, which are proving of much interest to all who are availing themselves of the opportunity to attend.

Barry Polo Star for Oklahoma City Team

Roy Barry, formerly of Crowell, is performing in sensational style for the Oklahoma City polo club, according to press reports in Augusta, Georgia, papers. The young player is the son of Mr. and Mrs. A. P. Barry, who lived in Crowell for many years before moving to Byers, Texas, over a year ago.

In commenting on a recent game with Fort McPherson, the sports editor of the Augusta Herald commented: "Roy Barry was the outstanding star of the game. We don't believe he has ever played any better polo. He was hitting the ball long and often both on forward and backward shots. Barry, at back, outmaneuvered the entire Army team and uncorked four chukkers of the most brilliant performance ever witnessed on an Augusta field. This youngster scored three goals, from the throw-in at midfield, while the other was a powerful shot from the side boards, more than a hundred yards away from the goal." Oklahoma City won this game 7 to 4, Barry scoring 4 of the goals himself.

Foard County polo players have certainly gained fame for themselves in the annual winter tournament at Augusta, which is a big event in that section. As members of the Augusta team in 1931, four Foard men, Jim Minnick Sr. and Jr., Glen Offield and Bill Barry, brother of Roy Barry, led that team to victory in important contests with some of the best teams of the South.

Baptist Brotherhood Meets Monday Night

The Baptist Men's Brotherhood will have a meeting and feed in the basement of the Baptist Church Monday evening at 6:30 o'clock. Leo Spencer will have charge of the program at this occasion, which promises to be an interesting one in every respect.

PERFECT BASKETBALL RECORD IS MAINTAINED BY CROWELL HIGH; 26 CONSECUTIVE VICTORIES TO DATE

Opens News Bureau

R. H. NICHOLS

Ray H. Nichols, publisher of the Vernon Daily Record, arrived in Austin Wednesday to assume charge of the Texas Press Association's legislative news service to small dailies and weeklies not otherwise served with Capitol news.

"We will send them the news concerning tax measures," Mr. Nichols said. "There will be no propaganda and no lobbying. We will be neither for nor against anybody or any proposed measure. We will give the facts to the people and let them form their own judgments. We have no axe to grind."

Important Meeting of H. D. Council Sat.

A meeting of the county council of Foard County home demonstration clubs has been called for Saturday afternoon at 2:30 o'clock by Mrs. E. A. Dunagan, chairman of the council.

Mrs. Dunagan states that all club members of the county, as well as club officers and council representatives, are urged to be present as several matters of interest to club women are to be discussed. The usual matters of interest to the club meeting will be held at the office of the home demonstration agent.

Masons and Families Of 90th Dist. Meet At Vernon Feb. 23rd

A George Washington Anniversary Celebration for the 90th Masonic District will be held at the Mason Temple in Vernon on Thursday night, Feb. 23, at 7:30 o'clock. All Masons and their families are invited to attend.

Marvin G. Poteet of Vernon will act as chairman for the program. C. V. Allen of Crowell will give the response to Ed L. Gossett's address of welcome. Musical numbers will be given by the Norsworthy orchestra and Miss Catherine Pierce and Miss Enid McCarroll.

The features of the program for the evening will be addresses by two prominent Dallas men, Temple H. Morrow and Judge E. B. Muse. Refreshments will be served.

This program was originally announced for Wednesday, Feb. 22. Notice was received Wednesday of the change in the date for it.

"Grand Hotel" 3 Days Next Week at Rialto

The greatest cast ever assembled will appear in "Grand Hotel," which will be shown at the Rialto Theatre on Tuesday, Wednesday and Thursday of next week. Stars in this cast include Greta Garbo, John Barrymore, Joan Crawford, Lewis Stone, Jean Hersholt and others.

In connection with this picture, a special added feature, "Washington, the Man and the Capitol," will also be shown. This picture shows true historic events of Geo. Washington, portrayed by Clarence Whithill of the Metropolitan Opera Co.

During this program there will be only one show each night.

Natural Gas Office Is Now in New Location

The local office of the Texas Natural Gas Co. was moved this week to the brick building just north of the Foard County News. This building was recently purchased by the gas company and its interior has been remodeled to fit the needs of the company.

A partition was constructed to separate the office from the shop in the rear of the building.

For the past three years the gas office had been located in the Fox building on the north side of the square.

Twenty-six victories and no losses—that's the record of the Crowell Wildcats at the present time. This is the largest string of consecutive victories ever scored in Crowell history and definitely brands the local quintet as the outstanding team in this section of Texas and southern Oklahoma.

Last week-end the Wildcats beat Hollis, Oklahoma, 21 to 19 and downed Wichita Falls 49 to 31 in games at Hollis on Friday night and Wichita Falls on Saturday night.

The customary Olney jinx failed to materialize here Monday night and the Wildcats found bear meat appetizing in handling the Cubs a 29 to 13 defeat. A few weeks ago Crowell beat Olney 26 to 11 at Olney. For the past two football seasons and the two basketball seasons previous to this one, it was Olney that smashed Crowell's impressive undefeated records on four separate occasions.

Crowell's 53 to 31 victory over Wichita Falls here Tuesday night brought the Wildcats their 26th victory in as many games for this season. The previous record was 18 consecutive victories for the season of 1931.

Hollis Game
Hollis, Oklahoma, proved to be the strongest team that Crowell has met this season and Crowell's outstanding finish in that game adds strength to the statement that "Truth is Stranger than Fiction."

Two points behind and with but 45 seconds to play, things looked mighty sad for the Wildcats until Capt. Loraine Carter sensationally intercepted a Hollis toss and then dribbled down the hardwood to score a field goal that tied the game.

The large crowd had not recovered from the excitement caused by

(Continued on Page Four)

Trades Day Banquet To Be Held Tuesday

The sale of tickets for the regular monthly banquet of the Foard County trades day association will be started Friday by M. O'Connell and A. Y. Beverly, who were named for this work at the last banquet.

The banquet is to be held Tuesday evening and the program for the occasion is being arranged by a committee composed of D. R. Magee, T. P. Duncan Jr. and John Rasor.

FOARD COUNTY MEAT SHOW ON FEBRUARY 24-25

A cured and canned meats show together with a 4-H baby beef show will be held in Crowell on Friday and Saturday, Feb. 24 and 25. This show is being sponsored by the local extension agents and is open to anyone living in Foard County who wishes to exhibit cured and canned meats.

G. J. Benham, R. H. Cooper and Joe L. Orr have charge of the arrangements for the cured pork and a committee composed of Mrs. G. H. Patton, Mrs. T. W. Cooper and Mrs. Jack Beggs will have charge of the canned meats division.

The following products may be entered in the show here:
Hams—weight 9 to 14 pounds.
Hams—weight 14 pounds and above.

Bacon—9 pounds and over.
Pork roast—canned.
Beef roast—canned.
Scrapple—canned.
Chili—canned.
Sausage—canned.
Lard—half gallon bucket.
Soap—two bars each of cold and cooked.

Two cans of each variety in the canned meats class should be entered as one will be opened by the judges here and in case it wins the other will be taken to the "Ham and Bacon Show" at Wichita Falls on March 3 and 4. Plain beef, pork and stuffed roasts should be in No. 3 cans and scrapple, sausage and chili in No. 2 cans.

Other winning entries will also be taken to the Wichita show, where substantial cash prizes will be given. Prizes for the local show are being planned.

The show is to be held at The Allen Company and entries will be received on Feb. 23 and up to 12 o'clock Friday morning. Judges have been secured and will judge the entries Friday at 2:30 o'clock.

Cutting Demonstration
E. M. Regenbrecht, meat specialist of A. & M. College, will conduct a pork cutting demonstration in connection with the show on Saturday afternoon at 2 o'clock.

A number of calves, which are being fed by 4-H Club boys of the county, will be exhibited on the lot just south of The Allen Co.

WOMAN LOST 20 POUNDS OF FAT

Lost Her Prominent Hips—Doubt Her Chin—Sluggishness

Gained Physical Vigor—A Shapely Figure

If you're fat—first remove the cause!

Take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give any fat person a joyous surprise.

But be sure it's Kruschen—your health comes first—and SAFETY first is the Kruschen promise.

Get a bottle of Kruschen Salts from any leading druggist anywhere in America (lasts 4 weeks) and the cost is but little. If this first bottle doesn't convince you this is the easiest, SAFEST and surest way to lose fat—your money gladly returned.

An orphan pig on the farm of J. C. Heber in Hastings, Neb., is being fed by bottle.

A "No, No, No" Club has been organized in Reno, Nev., which means "no name, no officers and no dues."

What's New

To enable firemen to enter burning buildings without the danger of being overcome by smoke, masks are now provided through which fresh air is pumped from the hose truck.

Ireland has completed a tar-oil product that is said to be a satisfactory substitute for gasoline.

"Mother-of-pearl" paint, made from fish scales, has been developed in Germany.

The ultra short wave two-way radio apparatus to communicate with any telephone subscriber within 100 miles.

New help for cotton planters is an attachment which distributes seed at various depths in the row.

Development of a synthetic motor oil from a base of paraffin wax has been demonstrated.

Seeking wider usefulness for prunes, California scientists have devised a method of bottling prune juice, and have also made a prune breakfast cereal.

Luminous hair dyes, which glow softly in the dark, are the invention of a London hairdresser.

Two new varieties of strawberries and a purple raspberry are announced by government plant breeders.

There is a brand new gadget on the market which is a little device that holds a single slice of lemon and you merely press the handle

and it squeezes the juice into your tea.

So small that it can be held in the hand and used much like a fountain pen, a grinding tool, powered with compressed air, is intended to run at 60,000 revolutions a minute.

Get Official Entry Blank from Conoco Stations and Dealers.

CONTEST RULES:

- 1 Names must be not more than 12 letters; slogans not more than 12 words. Submit either or both on single sheet, plain white paper, one side only; but preferably on official contest information-and-entry blank, free at Conoco dealers and stations. Elaborate presentations receive no extra credit.
 - 2 Contest closes midnight, February 23, 1933. Entries must be postmarked before that date and hour.
 - 3 Continental employees, members of their families and others connected directly or indirectly cannot compete.
 - 4 Should more than one person submit exactly the same name or slogan, each will receive full amount of any prize such entry may win. All entries become Continental Oil Company property, and none will be returned.
 - 5 The Company reserves prior rights to phrases and slogans of its own creation, already in prepared advertising. Also it reserves the names "Continental" or "Conoco" gasoline, "Conogas", and "101" gasoline. Whether or not the winning contest name is adopted, prize money will be paid; but the Company reserves the right to use a name of its own creation if decided more suitable and more protectable under trademark laws.
 - 6 No purchase is required of contestants. Continental Oil Company executives will be the judges and their decisions final. Winners will be announced over radio and prize money paid as soon as possible after contest closes.
- Address All Entries to "CONTEST OFFICIAL", Continental Oil Company, Ponca City, Okla.

**Makes Motors Say,
"Wh-oo-pee.. then
Get-up-and-Go..."**

Here's high-powered gas; extra dry; extra fast; extra potent. The instant it reaches the spark-plugs, then the show begins. Within the cylinders, it explodes. Every atom turns into energy... drives the piston down in a smooth stroke of power.

Greased lightning can't beat it. It starts quick as a spark and picks up fast as a flash. Press the starter and step on the gas. No mis-firing; no bucking, stalling or lagging. You step right out... right now!

A treat to your motor, a joy to you, yet it costs not a penny more. It's improved in anti-knock. It makes miles thrifty. Fill up today. Test it out. Ask the Conoco man for an entry blank. Last call to help us name it. Who knows? You may win a prize.

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, February 17, 1933

GEORGE WASHINGTON

In a month replete with notable birthdays and anniversaries, February 22 stands out in the minds of Americans as the date of greatest significance, the birthday of George Washington.

As a national holiday it is perhaps second only to the Fourth of July, while as a matter of fact it is probably an anniversary of even higher importance, because without a Washington the struggling colonies might not have made the Declaration of Independence effective.

Although much that is legendary has been associated with the life of Washington, due principally to the zeal of Parson Weems, his early biographer, the main facts of his inestimable service stands unimpeached, and his fame takes on added luster with the years.

FLIRTING WITH DEATH

It is an amazing fact that the appalling number of deaths which result from sheer carelessness make no greater impression upon the average person. This is especially true with respect to drivers of automobiles.

Persons who are ordinarily careful in protecting their health and property often throw discretion to the winds the moment they grasp the wheel of a motor car, and flirt with death through failing to observe the most elementary principles of safety.

They will take a chance at a grade crossing, speed while rounding a blind curve, pass other cars under dangerous conditions and do other foolish things which menace life and limb—seemingly oblivious of the fact that one slight mistake of judgment may prove fatal to them or to those who happen to be passengers in their cars.

The jaywalker is equally reckless, taking the chance of being run down for the sake of saving a few steps or a moment's time. In fact, many pedestrians are even more careless than the average motorist.

Safety education has been the means of reducing accidents to some extent, but the lamentable fact remains that no amount of warning has any appreciable effect upon the majority of people.

The result is that 30,000 or more persons are killed and about 750,000 are injured in automobile accidents in the United States every year, while at least 90 per cent of these casualties might be averted by the use of ordinary common sense.

THE PASSING VETERANS

According to the adjutant-general's office in Washington, 2,128,984 Union soldiers served in the Civil War, while the estimates place the number of Confederates at between 800,000 and 900,000, no accurate record being available.

The government pension roll shows only 27,673 Union veterans, while a recent survey places the number of living Confederates at no more than 10,406. This it will be seen, shows a fairly equal percentage of survivors of the two armies.

Considering that it will be 68 years on April 9 since Lee's surrender, it seems remarkable that even the numbers mentioned are

still alive, as one who was a boy soldier only 15 years old at the close of the war would now be 83. However, when it is remembered that the last survivor of the Mexican War lived more than 80 years after the end of that struggle, it may be expected that a good many Civil War veterans have several more years ahead of them.

EASY FOR THE QUACKS

The ease with which charlatans of all kinds, particularly medical quacks defraud the public would be incredible were it not for the evidences to be seen on every hand. A few of the schemes whereby the humble and superstitious have been separated from their money by these swindlers are mentioned in an article by Dr. Morris Fishbein.

Soon after Franklin made his famous kite demonstration in electricity, everyone was discussing the wonderful new force. A doctor named Elisha Perkins manufactured a lot of short metal rods, which he claimed were charged with electricity and therefore capable of drawing diseases from the human body. He sold many of the rods—one pair to George Washington.

Electric belts and similar appliances have been sold by the millions, not one of which, of course, had any curative value whatever. A few years ago a widely advertised product called Sanatogen had an enormous sale, and testimonials were obtained from many people of prominence. The stuff was composed of 95 per cent cottage cheese and the remainder, glycerine phosphates, neither of any medical value.

One promoter acknowledged making \$45,600 profit in a year from the sale of a "chemical ring" supposed to cure diseases of the blood, but in reality no more efficacious than a twine string tied around one's finger.

But we can hardly wonder at the success of quackery in a state of civilization which still accepts a mass of medical superstition as gospel truth.

UNFAIR COMPETITION

In a recent address Representative Joseph B. Shannon of Missouri, chairman of the House committee to investigate governmental competition with private enterprise, declared:

"The government, which pays no taxes, no insurance, and which takes no account of many other items of indispensable overhead which private enterprise must pay, is able unfairly to undersell the enterprises of its taxpaying citizens. This, the committee held, constitutes unfair competition."

Mr. Shannon cited many specific instances of war-time bureaus which still exist, although the war has been over for 14 years. He charged that in many cases the chief activities of these agencies were in connection with the operation of business enterprises in competition with local merchants and others.

This condition exists especially at Army and Navy posts, where government stores and restaurants not only serve persons in the military service, but through the abuse of lawful privileges serve a large portion of the general public to the detriment of taxpaying business men.

"The conditions which have been revealed to this committee of the House of Representatives of which I am chairman are almost unbelievable," said Mr. Shannon.

It is an indisputable fact that the gradual encroachments of the government in the field of business have made conditions more difficult for thousands of small merchants who to the support of civic enterprises, pay taxes and otherwise contribute to the support of the government.

The finding of Mr. Shannon's committee should lay the foundation for action to abolish these abuses.

Americanism: Thinking good will for a product is made by long-winded harangues to radio listeners who want entertainment.

New York is to have an anti-noise campaign, in which the speakers will doubtless lend hearty cooperation.

BRUCE BARTON

Writes of "THE MASTER EXECUTIVE" Supplying a week-to-week inspiration for the heavy burdened who will find every human trial paralleled in the experiences of "The Man Nobody Knows."

A CONCEPTION OF GOD

In Jesus' great acts of courage he was the successor, and the surpasser, of all the prophets who had gone before. We have spoken of the prophets as deficient in humor; but what they lacked in the amenities of life they made up richly in vision. Each one of them brought to the world a revolutionary idea, and we can not understand truly the significance of the work of Jesus unless we remember that he began where they left off, building on the firm foundations they had laid.

Bruce Barton

Let us glance at them a moment, starting with Moses. What a miracle he wrought in the thinking of his race! The world was full of gods in his day—male gods, female gods, wooden and iron gods—it was a poverty stricken tribe which could not boast of a hundred at least. Along came Moses with one of the transcendent intellects of history. "There is one God," he cried. What an overwhelming idea and how magnificent its consequences.

Moses died and the nation carried on under the momentum which he had given it, until there arose Amos, a worthy successor. "There is one God," Moses had said. "God is a God of justice," added Amos.

That assertion is such an elementary part of our consciousness that we are almost shocked by the suggestion that it could ever have been new. But remember the gods that were current in Amos's day if you would have a true measure of the importance of his contribution. It was the high privilege of Amos to proclaim a God who could not be bought, whose ears were deaf to pleadings in judgment between the strong and weak, the rich and poor.

Years passed and Hosea spoke. His had not been a happy life. His wife deserted him; heartbroken and vengeful he was determined to cast her off forever. Yet his love would not let him do it. He went to her, forgave her and took her back. Then in his hours of lonely brooding a great thought came to him! If he, a mere man could love so unselfishly one who had broken faith with him, must not God be capable of as great, or greater forgiveness, toward erring human beings?—A God so strong that he could destroy, yet so tender that he would not!

One God. A just God. A good God. These were the three steps in the development of the greatest of all ideas. Hundreds of generations have died since the days of Moses, of Amos and Hosea. The thought of the world on almost every other subject has changed; but the conception of God which these three achieved has remained in control of men's thinking down to this very hour.

Next Week: All Men Created Equal Copyright, Bobbs-Merrill Co.

SO WE THINK

If people of our town could be prevailed upon not to turn paper loose the down town section of town wouldn't get so disgracefully cluttered up when one of those high north winds arrives. Paper is easily turned loose but it is hard to control when it gets in the path of a high wind and when that happens it seems like all of it comes to the business section, or, at least it seemed that way last week when the worst norther of the season blew up.

We are not saying all of it came from the residential section—some of it might have come from the rear of the stores, however, it was all in front of the stores Monday night of last week. Waste paper, whether in the residential or business section of town, should be burned in a container and not allowed to blow all over town.

The R. F. C. Committee has done a good job in having the vacant lots grubbed and cleaned up all over town and have done many other things that greatly help the looks of our city. Now if a campaign could be started that would enlist the help of every individual in keeping waste paper burned instead of being turned loose and blown all over town by the high winds, it might be possible to keep our town clean and pleasing to the eyes of its citizens as well as to tourists or visitors.

According to an exchange Uncle Sam's printing bill for the fiscal year ending June 30, 1932, was \$15,181,081.50. Instantly everybody will agree that that is a lot of money and perhaps too much for Uncle Sam to pay for printing in one year. We believe that if our Uncle would quit furnishing the business men all over the United States with stamped envelopes with the return printed thereon at a little more than the cost of the stamps, a great reduction in the government's printing bill would result. If business men all over the nation could be led to see the injustice of this encroachment upon the printing industry, a big step would be taken to eliminate this unfair and unprofitable competition and reduce the government's bill for printing.

Boys and Girls

Harold Toon of Acton, Ind., is only 17 years old but supports his mother and younger brother by operating a 40-acre farm.

Jane G. Clark, 15-year-old high school girl, of Brookline, Pa., has learned to play a pipe organ in three weeks.

Robert Hilando, sensational young Filipino boxer, is called "Little Dempsey" by his enthusiastic countrymen.

Mildred Kusa of Cleveland scored highest as the perfect girl during health week, posture, teeth, and living habits being the points scored.

Joanna Knox, 8, Chicago prodigy, finished grade school with a rush after skipping six grades in two years.

Seven Truscott Boys To Receive Letters For Basketball Work

The Truscott High School basketball team, coached by Phil H. Davidson, ended its 1933 season Saturday night by losing to Goree High School in the final game of the Knox County tournament. The Truscott Bulldogs had a successful season this year, winning eight of their fourteen games. The following seven boys will receive letters for their service with the team this year: Lawrence Abbott, Orval Myers, William Pettes, Louie Cure, Dennis Eubank, Raymond Black and Rolin Chilcoat.

Basketball

(Continued from Page 1)

This play when Dick Todd passed to Jack Russell who made a long one-handed heave to drop the ball through the basket just as the whistle blew to end the game. He was being closely guarded by two Oklahomans when he scored this winning goal.

Hollis has one of the strongest teams in Oklahoma and has suffered only a few defeats during the past two seasons all by very close margins. The score was tied 10 and 10 at the end of the first half.

Crowell's regular line-up, Carter and Wisdom, forwards; Russell, center; Todd and Allee, guards, played throughout the game. Those on the Hollis team were: Vanderford and Barefoot, forwards; Chapman, center; Burgett, Hall and Richardson, guards.

At Wichita Falls The Wildcats had little trouble in downing Wichita Falls 49 to 31 at Wichita Saturday night. Taking an early lead, Crowell held it safely throughout the remainder of the uninteresting contest.

Olney Game The local gymnasium was packed with about 600 spectators for the Olney game here Monday night. Naturally the 29 to 13 victory over the town that has dealt Crowell so much misery in the past, gave local fans the greatest possible satisfaction.

Field goals by Todd and Allee gave Crowell a four point lead, however, this lead was erased and as the quarter ended Olney was leading 5 to 4. Russell led a flashy scoring attack in the second quarter which gave Crowell an 18 to 8 lead at the end of the first half.

An air-tight defense by both teams featured the third quarter and neither team scored. Todd was the principal scoring threat in the last period, in which the Cats scored 11 points to 5 for the Cubs.

Olney Game Box Score table with columns: CROWELL, FG, FT, FTM, PF, TP and rows for players: Carter, Wisdom, Dunagan, Russell, Rettig, Todd, Allee, Dunn.

Technical foul—Crowell, one. Referee—Roy Mints. Points by periods: Crowell 4 14 0 11—29 Olney 5 3 0 5—13

Wichita Game Here

In a return game with the Wichita Falls Coyotes here Tuesday night, the Wildcats won 53 to 31. This was the score that Wichita made against Crowell Saturday night and marked the second time this season that an opponent had scored more than 30 points on Crowell. The Wildcats had little trouble in

Truscott Wins Second In Knox County Tourney Last Week

The Knox County basketball tournament was held in Goree Friday-Saturday of last week with Truscott winning in all three divisions: boys, junior boys and senior boys. Truscott won second in the boys division.

The Box Score table with columns: CROWELL, FG, FT, FTM, PF, TP and rows for players: Carter, Wisdom, Dunagan, Russell, Rettig, Todd, Allee, Dunn.

Total 24 5 2 WICHITA FALLS Randolph, f 2 0 0 Chatterton, f 1 0 2 Mundy, f 4 1 0 Underwood, f 0 0 0 Decker, c 5 0 1 Thompson, g 0 0 0 Greenwood, g 2 1 0 Winengar, g 0 1 0

Total 14 3 3 Referee—Roy Mints. Points by periods: Crowell 14 13 14 15—56 Wichita Falls 3 6 10 12—31

In the first game of this tournament, Knox City beat Sunset in other first round games. Truscott downed Cottonwood; Munday and Gilliland and Goree defeated Vera. Saturday afternoon Truscott won the best game ever played on the Goree court by beating Knox City 25 to 23. Goree then beat Munday with the result that Truscott and Goree entered the game. The first half was very hard fought and the contest looked as if it might be anybody's game if the Goree lads found the basket regularly in the last half.

Goree beat Knox City in the game of the senior girls division. Knox City had previously won Truscott and Vera, and Goree beaten Munday and Sunset.

In the junior boys division, Truscott and Goree again met, Truscott winning. In the initial round Munday beat Gilliland; Goree beat Knox City; Vera downed Star and Truscott too. In the final victory from Washburn, Truscott then beat Vera, Sunset beat Munday and Truscott beat Sunset to win the final game with Goree.

The tournament is said to have been the best held in Knox County in several years. The attendance was also good.

years.

Mr. and Mrs. Harry Adams and
little daughter, Wanda Faye, re-
turned to Crowell this week from
Vernon, where they had resided for
about five months, Mr. Adams being
employed by J. C. Pace and Son
gin.

A truck of the State Highway De-
partment, carrying a large magnet,
has been at work on the highways of
Foard County this week. It was at
work in Crowell Thursday picking
up nails and other metal on local
streets.

Mr. and Mrs. J. A. Whitfield and
children recently moved from Alpine
to the Whitfield farm about two and
a half miles northeast of Crowell.
Mr. and Mrs. Whitfield are former
residents of Crowell and Foard
County but have been living in Al-
pine for a number of years.

Clinton French of Brownsville is
here visiting his mother, Mrs. Maggie
French. He expects to be here for
about a month. Clinton has been
away from Crowell about six years
and was with the Humble Oil Co. un-
til 18 months ago when he accepted
a clerical position with Pan-Ameri-
can Airway and located at Brown-
sville.

New spring shoes for men. "Up
Town" shoes for the man about town.
New styles, new colors and the finest
of materials for \$5.00.—R. B. Ed-
wards Co.

Mr. and Mrs. Jack Norman and
small son, A. Y., recently moved to
their farm home near McAadoo. They
had been living five miles south of
town for a number of years.

Mr. and Mrs. C. R. Bryson left
Tuesday for Muskogee, Okla., where
Mr. Bryson will enter a Government
hospital for an operation. They ex-
pect to be gone about six weeks.

J. R. Logan of Fort Worth, vice-
president and general manager of
Cicero Smith Lumber Co., and E. V.
Haltom of Electra, district manager
for this company, were here Thurs-
day of last week visiting the local
yard.

Bill Morris of Wichita Falls, former
teacher and coach in Crowell
High School, accompanied the Wich-
ita Falls basketball team here Tues-
day night. He is an assistant coach
and teacher in Wichita Falls High
School, positions that he has held
since leaving Crowell over five years
ago.

Death of Price Bush
Is Followed in Short
Time by That of Wife

S. P. Bush, 71, president of the
First National Bank at Allen, Col-
lin County, and owner of several
farms in Foard County, died at his
home in Allen on Saturday after-
noon, Feb. 11. Within 8 hours follow-
ing his demise his wife also answer-
ed death's call.

Mr. Bush had been in frail health
since suffering a paralytic stroke a
few years ago. Mrs. Bush's death
resulted from a heart attack, which
was no doubt hastened by the shock
of her husband's death.

Double funeral services for the
couple were held Sunday afternoon
at the Allen Christian Church, con-
ducted by Rev. A. L. Clinkenbeard
of Dallas and by Rev. Walker, pas-
tor at Allen.

E. M. Crosnoe of Crowell and R.
L. Taylor of the Foard City commu-
nity attended the services. They had
been close friends of the deceased
for many years.

Sterling Price Bush was born in
Collin County on Jan. 16, 1862, and
grew to manhood there. Achieving
success as a farmer and stockman,
he acquired considerable farm prop-
erty in the Allen section and in
Foard and other West Texas coun-
ties. He was an active worker in the
Christian Church and headed several
denominational movements in the
interest of Texas Christian Univer-
sity.

He was twice married. He is sur-
vived by four children by his first
wife as follows: Fred Bush, Dallas;
Mrs. Frank Elkins, Midland; Mrs. Ed
Alle, Plano; Mrs. H. F. Wolford, Mc-
Kinney. A brother, James N. Bush,
of Allen also survives.

Until a year or so ago Mr. Bush
visited Foard County regularly each
year in looking after his business in-
terests here.

COMMENT
CAGE

By PERCY NALLS

Criticism in any form isn't pleas-
ant, nevertheless it is worthwhile if
it can aid in bettering a situation.
This week our criticism is offered
to local fans who are unconsciously
causing the Crowell Wildcats to lose
a number of points that they would
otherwise make in local games.

Cheering is entirely O. K. at the
right time—but there are certain
intervals in basketball games when
there should be absolute quiet on the
part of all present. We refer to the
times when players are attempting
to make free tosses. Great concen-
tration and co-ordination of mind and
muscle are necessary in scoring free
tosses and often a sudden remark
or cheer can completely disrupt a boy
who is starting to shoot a free goal
and as a result he misses it.

About 95 per cent of local fans
strictly observe the proper etiquette
in this respect but there are few who
do not and in all good faith they at-
tempt to encourage a player to make
a free toss by yelling, "Make this
one count," or some similar remark
that spoils the chance of scoring.

The same consideration along this
line should also be shown the oppos-
ing team and the poorest sportsman-
ship we know of is for a fan or group
of fans to attempt to disrupt a vis-
iting player who is attempting a free
toss with uncalled for remarks or
sounds.

Naturally it is difficult to main-
tain proper order along this line with
such a great crowd as was present
for the Olney game, however, local
fans can do much toward bettering
this situation by spreading the facts
regarding it.

As a rule the Olney and Crowell
players this season have been ac-
curate in scoring on their free at-
tempts, but, such was not the case
Monday night and we believe that
cheering and noisiness at the wrong
time had a lot to do with the poor
records of both teams in this depart-
ment of the game. In ten attempts
for free goals, Crowell scored only
three times, and Olney scored only
three times in eleven attempts.

William Wisdom scored Crowell's
1000th point for this season with a
field goal late in the game at Wich-
ita Falls Saturday night. The coun-
ter at that period of the game brought
Crowell's score to 38. Naturally Wil-
liam nor any of the other Wildcats
realized this at the time and they
calmly went about scoring 11 more
points before the game was over.

Quitaque, a team that Crowell has
beaten twice, has won the sectional
championship of its part of District
1. Previous to winning the sectional,
Quitaque won the championship of
Briscoe, Swisher and Castro coun-
ties. Amarillo beat Dalhart for its
sectional championship and will be
one of the few teams competing with
Quitaque for the district champion-
ship at Canyon.

The championship of District 1 is
settled in a different manner than
it is in our district, No. 3. In our dis-
trict each of the nine county cham-
pions is allowed to compete in the
district tournament at Childress.

HERE'S HOW

Every day one may hear remarks
similar to this one: "Was that a con-
ference game—how much do we
lack now in winning the champion-
ship?"

In order to set a large number of
people straight on the matter of the
state basketball race The News here-
with attempts to briefly shed some
light on the subject.

Although Crowell has won 26
games and lost none, yet the local
team has not won a single game to-
ward any kind of championship in
the state race.

First—Crowell must win its county
championship. Crowell is the only
Class A team in Foard County. The
Class B teams—Thalia, Margaret,
Foard City, West Rayland and Viv-
ian—will meet Saturday in a tourna-
ment here to decide the Class B cham-
pionship. The winner of that tourna-
ment then has the privilege of meet-
ing Crowell for the official county
championship.

The county winner then has the
privilege of competing with the win-
ners of nine other counties in the
District 3 tournament at Childress on
Feb. 24 and 25.

The winner of this district and the
winner of District 4, the Wichita
Falls district, play for the honor of
getting to represent the two districts
at the state finals in Austin early in
March.

Some counties and districts use dif-
ferent methods for deciding their
championships. For instance in Wil-
barger County, where there are a
number of Class A schools, the of-
ficial race has been going on for
several weeks, all teams playing each
other and the winner being decided
upon a percentage basis.

FOX BROTHERS

Crowell is Member of
New T-O Golf Ass'n.

The Spring Lake Country Club of
Crowell has been included in the
membership of the Texas-Oklahoma
Gold Association, which was organiz-
ed at Vernon last week. Electra,
Vernon and Frederick, Okla., are
the other members of the organiza-
tion at present.

Officers are G. R. Davidson of
Electra, president; M. L. Tyson of
Frederick, vice-president; U. G.
White, Electra, secretary.

The governing board is to be com-
posed of one member from each
club. Crowell has not yet named its
member of the board.

Teams of each club shall consist of
a minimum of fifteen players and a
maximum of twenty-five players.
Play shall consist of individual
match play of 18 holes and the team
winning the most matches of the day
shall be declared the winner.

A tentative schedule has been ar-
ranged as follows:

- March 12—Electra at Crowell,
Vernon at Frederick.
March 26—Crowell at Vernon,
Frederick at Electra.
April 9—Electra at Vernon, Crow-
ell at Frederick.
April 23—Vernon at Crowell.

YES Ladies Suits, new
ones every day.—
Self's.

Electra at Frederick.
May 7—Frederick at Crowell,
Vernon at Electra.
May 21—Crowell at Electra, Fred-
erick at Vernon.

How Doctors Treat
Colds and Coughs

To break up a cold overnight and re-
lieve the congestion that makes you
cough, thousands of physicians are now
recommending Calotabs, the nausealess,
calomel compound tablets that give you
the effects of calomel and salts without
the unpleasant effects of either.

One or two Calotabs at bedtime with a
glass of sweet milk or water. Next morn-
ing your cold has vanished, your system
is thoroughly purified and you are feeling
fine with a hearty appetite for breakfast.
Eat what you wish—no danger.

Calotabs are sold in 10c and 35c pack-
ages at drug stores. (Adv)

Whatever plan of allocation may be adopted, there must be no diversion of road funds. Every dollar of privilege tax and every dollar of gasoline tax should go for road building or road maintenance.—State Senator W. N. Taylor of Mississippi.

A dog in the gallery of a Baptist church in Chicago began to yelp when the choir started to sing and the music halted until he was ejected.

CHURCHES

Christian Science

Sunday, 11 a. m. Subject for Sunday, Feb. 19, "Mind."
Sunday School at 9:30.
Wednesday evening service at 8 o'clock.
The public is cordially invited.

Methodist Church

Teachers, officers and workers are especially urged to be present Sunday morning for the sermon on the text, "Study to show thyself approved unto God, a workman who needeth not to be ashamed, rightly dividing the word of truth." The sight of the teacher of a class at church is an incentive to the pupils to remain also. The eleven and seven o'clock hours are the hours at which all the church and Sunday School meet for worship. Your influence is greatly needed and your presence noted. The pastor will preach at eleven. At the evening hour, 7:15, the presiding elder, Rev. R. A. Stewart, will preach and will hold quarterly conference after the preaching service.
Monday night at seven we begin the Christian Culture Institute for young people with classes in recreation, worship and missions.
GEO. E. TURENTINE, Pastor.

Baptist Church

9:45 Sunday School, 11:00 sermon, "Success."
6:30 Training Service, 7:30 sermon, "The Cross."
Tuesday, 7:30 Brotherhood.
Wednesday, 7:15, Prayermeeting.
Many refuse to believe in Christ. They say "too many denominations." There are many denominations, but one church; many creeds, but one faith; many ways up the hill, but one cross on top."
O. L. SAVAGE, Pastor.

Christian Church

Sunday School at 9:45 a. m.
Communion at 11 a. m.
Preaching at 11:15 a. m.
Christian Endeavor—6:30 p. m.
Evening Worship—7:30 p. m.

Your minister would be glad for members to submit subjects for Sunday morning services upon questions that they are most interested in.

Your co-operation in making the remaining services of our one-week meeting a success will be greatly appreciated. This meeting will come to an end Sunday evening and if you have not already been in attendance, we extend you a cordial invitation for your presence.
G. L. SLAGLE, Minister.

Money expended for highway building contributes relatively more to unemployment relief than an equal sum spent upon almost any other public or private enterprise.—San Antonio Express.

SUNDAY SCHOOL LESSON

by Charles E. Dunn

The Growth of the Kingdom
Lesson for February 19th Mark 4:21-34.

Golden Text: Isaiah 11:9.

Our lesson deals with the spread of Christianity, an expansion that Jesus described in terms of the Kingdom of God. This divine Realm is future, and is to come by the direct, miraculous action of God. But the forces promoting it, as the lesson makes clear, are even now present. This truth the Master makes evident in two gracious little parables.

The first is the parable of the seed that is cast into the ground and mysteriously springs up by itself into lovely grain. The sower does not need to worry after the seed is cast. He can relax with an easy mind knowing that nature will act of her own accord. But when the corn is ripe, he must act.

Now you and I can wait when we have sown our seed. We can allow the influences we have set in motion to slowly fructify. We can trust in God to finish what we have begun. But when the harvest in due time appears, then we must act.

The second is the parable of the tiny mustard seed that becomes a powerful tree, shooting out great branches as a restful, shady lodging-place for the birds. What Jesus means, of course, is that you cannot judge the success of God's Kingdom by its humble start. The Cause of God, though inconspicuous at first, is enduring; it has the latent capacity of the mustard seed to become a mighty tree, steadfast, hospitable, solid, a continuing joy.

This homely parable is a symbol of the amazing growth of the Christian movement. Launched by an obscure Galilean who was cruelly crucified, it quickly expanded into a worldwide society to which both Rome and the barbarians who conquered her paid deference. And at the present time it is estimated that the disciples of Christ now equal, if they do not exceed, a third of the human family.

Rev. Chas. E. Dunn

The Nature of God—Vera Dawson.
God's Reaction to Man's Sin—Margaret Schlagal.
The First Promise and Redemption—Ophelia Diggs.
The Fulfillment of the Promise—Bill Dunagan.

Christian Science Churches

"Mind" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, February 19.

The Golden Text is from Isaiah 14: "The Lord of hosts hath sworn, saying, Surely as I have thought, so shall it come to pass; and as I have purposed, so shall it stand."

Passages from the Bible will include this from Isaiah 55: "Let the wicked forsake his way, and the unrighteous man his thoughts; . . . For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord."

The Lesson-Sermon will also include the following citations to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The categories of metaphysics rest on one basis, the divine Mind. Metaphysics resolves things into thoughts, and exchanges the objects of sense for the ideas of Soul."
"These ideas are perfectly real and tangible to spiritual consciousness, and they have this advantage over the objects and thoughts of material sense,—they are good and eternal."

"The testimony of the material senses is neither absolute nor divine. I therefore plant myself unreservedly on the teachings of Jesus, of his apostles, of the prophets, and on the testimony of the Science of Mind. Other foundations there are none. All other systems—systems based wholly or partly on knowledge gained through the material senses—are reeds shaken by the wind, not houses built on the rock" (p. 269).

The gasoline tax is one of the best taxes yet devised. It stands up in depression, it is easy to collect, it is paid by those who use the highways. But like any other form of taxation it may be destroyed if it is abused.—The Nashville (Tenn.) Banner.

Ernest Jackson of Chicago went to jail for ten days for eating razor blades and electric light bulbs in public.

Users of cars are quite willing to pay for the use of good highways in a fair gas tax but a diversion of such funds to other uses will meet with strenuous opposition.—McMinnville (Ore.) Register.

For constructing a glider has proved to be successful flights, John R. Castle, Jr., of Wrentham, Mass., has been awarded a Yankee ingenuity scholarship by Worcester Polytechnic Institute.

THE FOARD COUNTY NEWS

Where Roosevelts Will Likely Worship

St. Thomas Episcopal Church in Washington, D. C. which Franklin D. Roosevelt and family will most likely attend while occupying the White House. The insert is of Dr. C. Ernest Smith, pastor of the church.

THIS WEEK IN WASHINGTON

Washington, D. C. (Autocaster) February 15.—With less than three weeks left before the present "Lame Duck" Congress comes to an end on March 4th, the outlook for the passage of any important legislation intended to relieve the economic depression becomes more and more remote. It is now thought likely that the program for balancing the budget, revising the Volstead Act, submitting a resolution for the repeal of the Eighteenth Amendment, the Glass banking bill, the strengthening of tariff protection against nations operating on depreciated currency, the modification of the bankruptcy laws, the domestic allotment farm relief bill, the proposals for direct relief for the unemployed, and will so-called inflation measures, will be passed over to the new Congress.

This seems to make a special session of the new Congress immediately after the presidential inauguration absolutely necessary. President-elect Roosevelt had urged several of the measures upon the Democratic members of the present Congress, saying that if they would pass satisfactory laws balancing the budget, providing aid for the farmers and revising the Volstead Act, he would not call a special session. But apparently that cannot now be avoided.

The Roosevelt Program
Out of the conferences between Mr. Roosevelt and party leaders in Congress just before he started on his fishing trip have come some rather definite forecasts of the legislative policy which the new President will avoid in his inaugural address. Of course, Mr. Roosevelt may propose something entirely different, but those closest to him believe that he will recommend higher income and inheritance taxes, balancing the budget by reducing Federal expenditures, legislation to restore the purchasing power of farmers, to increase the return from agricultural production, to scale down the principal and interest of farm mortgages and extend cheaper

credit for new farm operations. Mr. Roosevelt will also probably recommend negotiations with other countries for tariff revision and the removal of foreign exchange obstruction to our export trade. It is regarded as definite that he will advocate the repeal of the Eighteenth Amendment and the immediate legalization of beer with a view of making it possible by July 1st to levy a tax on beer which is estimated to yield \$150,000,000 a year of revenue.

There seems also to be a little doubt that he will recommend vast projects of reforestation and conservation of flood waters, to provide employment, decentralize industry, readjust the use of land and redistribute the population.

Whatever Mr. Roosevelt proposes will, at least for a year or so, be put into effect as fast as the new Congress can act. That is always the case when a new party comes into power with control of both houses of Congress. So long as there are any Federal jobs left undistributed, Senators and Representatives are eager to do the President's bidding. After there is no more patronage to be handed out, they often lose their enthusiasm for the Presidential program.

Shoals and Pensions
Mr. Roosevelt's statement, after his visit to Muscle Shoals, that he would advocate an extensive plan of development for the entire Tennessee Valley which, he said, would give employment to 200,000 men, has started a great revival of interest in that football of politics, the Wilson Dam and the Government Nitrate Fixation Plant at Muscle Shoals.

Just how far Congress will go in the direction of putting the Government directly into the electric power business as a commercial venture remains to be seen. A bitter fight is expected to be waged over this proposal.

It seems reasonably certain now that the new Congress will give to President Roosevelt the power which the present Congress denied to President Hoover, of reorganizing and consolidating the Government bureau. There are all sorts of estimates of how much could be saved in this way, running up to as high as \$750,000,000.

Bonus and Taxation
It will not be long after the next Congress meets before the demand for the immediate payment of the bonus to which every man who wore

a uniform during the war will eventually be entitled, will be put forward vigorously. This is a demand upon which Mr. Roosevelt has not as yet specifically expressed himself. It is not regarded as likely, however, in view of his declaration of economy and the reduction of the Government's expenses, that he will favor that program. It will, however, furnish another opportunity for acrimonious debate in Congress. Mr. Roosevelt is understood to favor greatly increased tax rates on large incomes, but to be opposed to forms of taxation, like the sales tax, which would distribute the tax burden proportionately among all of the people.

Washington gossip is perhaps more interested in the reconciliation between the two wings of the Roosevelt family than in such apparently unimportant matters as how to get the nation and its people out of debt. Kermit Roosevelt's presence as one of the guests with his fifth cousin, the President-elect, on Vincent Astor's yacht, is regarded as a public gesture on the part of both branches of the Roosevelt family that the breach between them has been healed.

Mrs. Franklin Roosevelt is credited with an important part in this reconciliation. She is more closely related to the Theodore Roosevelt family than is her husband, and she and her first cousin Alice, now Mrs. Longworth, have always been warm friends. Mrs. Longworth is reported to have been greatly pleased at the letter she received from her cousin, Franklin, in response to her note of congratulation on his election, and it is regarded as likely that she will be a frequent White House guest and lend the aid of her intimate knowledge of the ins and outs of national politics to her newly inaugurated relatives.

New Ford V-8 Seen By Many Visitors At Local Showroom

A steady stream of visitors viewed the new Ford V-8 cylinder 112-inch wheelbase Tudor Sedan when it was put on display Saturday at the showrooms of Self Motor Co., Ford dealers of Crowell.

Throughout the day the crowds about the car showed unusual interest in the new bodies and its appointments. The new Fords are the most powerful ever built. Fourteen body types are available, including both standard and Deluxe types of the Roadster, Phaeton, Coupe, Tudor and Fordor Sedans. The Cabriolet and Victoria are exclusive Deluxe types.

The New V-8 has new and distinctively modern lines, a most attractive front end, longer wheelbase, larger and roomier body, faster acceleration, increased power and speed and is exceptionally economical in operation. With its 75-horsepower, V-8 engine, the New Ford is capable of a sustained speed of 80 miles an hour.

The styling of the 14 body types expresses the new mode in motor car building. The modern note is found in the sloping vee radiator grill, the skirted fenders, newly-designed headlamps, cowl lamps and bumpers, the curve of the hoodside ventilators, the 20-degree slant of the windshield, the curved roof header, the reverse curve of the rear quarter and the backward sweep of the apron masking the gasoline tank.

The new all-steel bodies are materially wider, almost a foot longer and consequently much roomier. The attractive instrument panel is directly in front of the driver, with a large package compartment at the right side of the instrument board. Front seats in closed cars are fully adjustable. Interior fittings are luxurious. Options in upholstery and a wide choice of body colors are available.

The improved V-8 engine is fitted with all-aluminum cylinder heads, one of the most noteworthy forward steps in motor design in many years. Because aluminum dissipates heat more rapidly, the use of the aluminum cylinder heads permits higher compression pressure and results in increased speed, power and smoothness, faster acceleration and added fuel economy.

Smooth engine performance results also from the basic 8-cylinder design and the 3-point rubber mount-

ing. Cylinder blocks are set at a 90-degree angle. The crankshaft is fully counterbalanced and the crank throws are at 90 degrees. Opposing piston and connecting arms are even in weight. All of these features combine to place all moving parts in natural balance, resulting in exceptional smoothness of operation. The engine is fitted with down-draft carburetor, air-intake silencer and a diaphragm-type fuel pump.

Features of the 112-inch wheelbase chassis include an extremely rigid double-channel, double drop X-type frame, torque tube drive, a straddle-mounted rear axle pinion, transverse cantilever springs internal expanding mechanical four wheel brakes, 17-inch welded steel spoke wheels and tires of 5.50 inches section.

In the new three-quarter floating rear axle, the driving pinion is mounted in a double taper roller thrust bearing at the front and a straight radial roller bearing at the rear. This maintains permanent alignment of the pinion with the ring gear under all driving conditions and results in extremely quiet axle operation.

The frame is cushioned by four Houdaille double-acting hydraulic shock absorbers which are both automatically and thermostatically adjusted for every variation of weather or road surface conditions. The shock absorber links are insulated in rubber. The rear fuel tank has a capacity of 14 gallons.

The transmission is of the synchronized type, with helical constant mesh gears, and functions unusually quietly both in second speed and during speed changing. The clutch is of the double-disc type and is spring cushioned for soft engagement.

MILLIONS SPENT ANNUALLY IN RADIO INDUSTRY

Radio is one of our newest industries—hundreds of millions of dollars annually are being invested in all branches of Radio. Those who profess to know say that ere long most communication will be carried on by radio. When mammoth sea-going ships can be controlled miles out at sea by radio without a human being on board; when airplanes can be guided at will thousands of feet in the air by radio; when one can sit in his home and by the simple turn of a small ebony knob pick up programs from the farthestmost corners of the earth, is it any wonder that the industry grows as if by magic? The surface is only scratched thus far.

What does all this mean to the ambitious young fellow who is looking around for a vocation? A business man was heard to remark sometime ago that "he had two sons and that he intended to give them both a training in Radio, for he felt that with as much money as there was being spent in the industry, surely it offered the ideal opportunity for the future."

And radio offers so many differ-

The Family DOCTOR

By JOHN JOSEPH GAINES, M.D.

HEART DISEASE

A man who belonged to his country has passed—Calvin Coolidge. Former-Presidents always belong to America in common. Politics does not alter ownership. Mr. Coolidge was ours.

Scientific physicians may well ponder on death that comes before it ought to be due; Mr. Coolidge was too young to have died. But, there was a mighty insistent CAUSE, which physicians should be alert to discover. I cannot believe that the distinguished patient was not warned in plenty of time to have averted the tragedy.

Was it tobacco? My own experience contradicts that verdict. I am seventy-one! and I have smoked excessively. I feel sure, but not with any menacing symptoms. Was it indolent habits and over-eating? Some say it was "acute indigestion." I don't believe acute indigestion alone ever killed anybody. Thousands—millions of children have it—relieved by simply evacuating the digestive canal.

If Mr. Coolidge died of genuine heart disease, it must have been a blocking of the coronary arteries—due for the most part to influenza—maybe an attack of mild severity, years ago. Such a thing could be,—I admit. But, the patient would have been warned in plenty of time by insidious, creeping attacks of SHORT BREATH ON EXERTION. I have never contacted a case that was not—and I have seen many.

I lost two aged people with acute influenza last week. One past 80, the other 70. It is one of the most virile poisons known—and not well-known at that.

It was more likely a case of over-indulgence in highly-seasoned food that disrupted an artery of the brain, that took Mr. Coolidge; one does not have to be a glutton to die of such a condition. He was temperate. I wonder if he ate his chief meal at six o'clock?

ANTHRITIS

Possibly you have tried using one remedy after another in search of relief from Arthritis, but without success. If you have, you will be pleased to learn of a natural relief that has been successful in treating Arthritis cases for over fifty years.

This natural treatment—Crazy Mineral Water—gives lasting relief because it checks the cause. It literally washes away the poisons of the digestive tract that have been causing all the pain, stiffness, and suffering. You will find it a very pleasant, gentle way to recovery, and you have the assurance that it is natural and not harmful. Through the evaporation of Crazy Water at the Wells, the world's greatest mineral water is brought to your home in the form of Crazy Water Crystals. Merely add them to your drinking water and drink your way to health.

Crazy Water Crystals is not a drug or patent medicine. It is a natural mineral water—nothing added. It will produce thorough elimination. It is not habit forming. Let us tell you about this wonderful natural product today.—Adv't.

STOP GAS PAINS! GERMAN REMEDY GIVES RELIEF

Acting on BOTH upper and lower bowels Aderika washes out all poisons that cause gas nervousness and bad sleep. One dose gives relief at once.—Ferguson Bros.

Throw OFF That COLD!

Some men and women fight colds all winter long. Others enjoy the protection of Bayer Aspirin. A tablet in time, and the first symptoms of a cold get no further. If a cold has caught you unawares, keep on with Bayer Aspirin until the cold is gone. Bayer Aspirin can't harm you. It does not depress the heart. If your throat is sore, dissolve several tablets in water and gargle. You will get instant relief. There's danger in a cold that hangs on for days. To say nothing of the pain and discomfort genuine Bayer Aspirin might have spared you! All druggists; with proven directions for colds, headaches, neuralgia, neuritis, rheumatism.

NO TABLETS ARE GENUINE BAYER ASPIRIN WITHOUT THIS CROSS

PROGRESS AND POWER

Present-day industrial progress of small communities is based in a large measure on ample and economical power facilities which deliver a practically unlimited power supply at once—when and where needed.

Small local plants, serving single communities, generally lack these facilities—lack the variety of volume and demand which is necessary if the road to industrial growth is not to be blocked.

The transmission system, which has resulted from a group of towns pooling their power requirements and resources, can deliver this power easily, economically, at any time or place.

Progress and Power go hand in hand in the small city—and the West Texas Utilities Company is aiding this desired progress in 125 alert cities and towns in West Texas, the "Land of Opportunity."

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

West Texas Utilities Company

SOCIETY

MRS. T. B. KLEPPER, Editor
—Phone 163J—

Program for Founders' Day at P. T. A. Tues.

A birthday party has been planned for Tuesday afternoon, Feb. 21, at the high school auditorium and every person interested in P. T. A. work is especially invited to be present. This program will be in remembrance of National Founders' Day which falls on Feb. 17th.

Mrs. R. R. Magee is leader of the program and devotional. I. T. Graves will talk on "Proper Standards of Patriotism" and Mrs. R. L. Kincaid, president of 13th District, P. T. A., will bring "The message of Founders' day," and will light the candles on the birthday cake.

The Girl Scouts will be present to give a survey of the work which they are attempting. The P. T. A. has aided this organization by furnishing a part of the expenses of organizing the work. Everybody is urged to be present and give them the further encouragement of an interest in their undertaking.

COLUMBIAN CLUB

Mrs. W. R. Womack was hostess to the Columbian Club Wednesday afternoon, Feb. 8th. Mrs. S. T. Crews was leader for the afternoon and a very interesting lesson on National Parks was given. "Zion National Park" was given by the leader, "Sequoia and Gen. Grant National Parks" by Mrs. Schindler. In addition to the parks Mrs. Kincaid gave some interesting facts about "National Monuments."

Mrs. I. T. Graves gave three poems concerning trees. Mrs. O. L. Savage and Mrs. R. J. Roberts were guests for the afternoon. The hostess, assisted by her daughter, Bernice, and Mabel Lee Eddy, served a lovely refreshment plate.—Reporter.

BIRTHDAY PARTY

On Saturday afternoon, Margaret Long entertained a number of her little friends in celebration of her tenth birthday which occurred Sunday, Feb. 12th.

The guests arrived at 3 o'clock, bringing attractive gifts. A number of interesting games, contests and songs were enjoyed after which

photographs and kodak pictures of the hostess taken on former birthdays were displayed.

Refreshments, consisting of hot chocolate, cookies and sandwiches, were served to Frances Davis, Alice Frances Burks, Joyce White, Frances Henry Johnson, Wilma Jo Lovelady, Jennye De Coffey and the hostess. Guest favors were bags of home-made candy and Valentines.

MRS. HENRY ENTERTAINS

Mrs. M. S. Henry entertained a number of local young people with a party in her home last Friday evening. Games of "600" were played at seven tables, after which two interesting and educational contests were conducted.

Refreshments of sandwiches, stuffed eggs, hot chocolate and fruit cake, topped with cream, were served. Favors and decorations were in line with the Valentine season.

FRESHMAN CLASS HONORED

The girls and boys of the Freshman Class were complimented by the class mothers, Mrs. W. C. McKown, Mrs. C. V. Allen and Mrs. Sam Crews at the home of Mrs. McKown on Tuesday evening with a Valentine party. Valentine decorations were used throughout the reception rooms.

Games of "Hearts" formed the diversion for the evening. High and low score favors were awarded to Merveth Ketchersid and Ike Davis. These consisted of a heart-shaped box of candy and a Valentine.

Refreshments consisting of ice cream in heart molds and cake were served to heart tables of guests.

COMPLIMENTS BASKET BALL BOYS WITH DINNER PARTY

Mrs. Clint White was hostess at a delightful dinner party on Thursday evening, Feb. 2, complimenting the basketball boys of the first team.

The pretty new home was attractively decorated suggestive of Valentine.

After a two-course dinner, games of "42" hearts and "600" were played. The Valentine motif was further used in the appointments of the games.

Those who were present were Messrs. Jack Russell, William Wisdom, Mitchell Allee, Dick Todd and Loraine Carter and Misses Peggy Thompson, Faye Callaway, Bernice Poland, Billie Draper and Jim Lois Gafford.

BOX SUPPER

The Crowell P. T. A. will sponsor a box supper at the high school auditorium on Friday evening, Feb. 24, at 7:15 o'clock. Every woman and girl is urged to prepare a box and bring it to the school and every man and boy is urged to come to the school and buy a box.

Don't eat supper at home but come join the crowd and have a jolly good time at an old fashioned box supper. The proceeds are to be used for the expenses of the District P. T. A. Conference, which will convene in Crowell on April 11 and 12.

CROWELL PEOPLE ARE ENTERTAINED AT VERNON

Mr. and Mrs. John Myers entertained a number of Crowell friends recently at their home in Vernon with a dinner party. The guests went over to Vernon in the morning and besides the enjoyment of the turkey dinner, spent the day with their hos-

tes.

Those who were honor guests on this occasion were Mrs. S. E. Woods, Mrs. N. A. Crowell, Mrs. Fannie Thacker, Mrs. J. H. Self, Mrs. Belle Allee, Mr. and Mrs. J. W. Allison and Mrs. Ed McDaniel.

T. E. L. CLASS MEET

The T. E. L. Class met a regular business and social meeting at the Griffith Hotel with twenty members present. Mrs. Rasor in charge of business and Mrs. O. L. Savage in charge of the social. Valentine games were played and enjoyed by all.

Refreshments were served by Mrs. Stanley Sanders, Mrs. W. A. Daniel and Mrs. Griffith.

Hoping all T. E. L. Class members will be in their places Sunday morning.—Reporter.

MRS. FRANK HILL ENTERTAINS

Miss Opal Barry was complimented Saturday evening with a delicious three course dinner at the home of Mrs. Frank Hill. The table was beautifully decorated with attractive valentine suggestions. The list of guests included Mr. and Mrs. Hartley Easley, Misses Nona Owens, Faye Easley, the honoree, host and hostess.—Contributed.

YOUNG PEOPLE'S CHORAL CLUB ORGANIZED FOR M. E. CHRUCH

A large crowd of young people met in the home of Mrs. Charley Thompson Tuesday afternoon at 4 o'clock and organized a choral club. The following officers were elected: Ragsdale Lanier, president; Lella Ben Allee, vice president; Frances Allison, pianist; Peggy Thompson, leader. The next meeting will be held Tuesday at 4 at the home of Lella Ben Allee.

The following were present: Ragsdale Lanier, Dan and Faye Callaway, Mary Ragland and Peggy Thompson, Lella Ben Allee, Billie Draper, Mary Eva Meason, Peggy Cooper, Mary Lou Fudge, Mamie Lee Teague, Prudence Coffey.

Mrs. Thompson will direct the club. There are a number of other young people who are eligible for membership in the club and will doubtless be present in the near future. A fine fellowship and social life will be a part of the attraction of the club in addition to the improvement in voice culture and a larger service in song for the church and young peoples' division.

Sunday morning the club will sing in the choir together with the adults and will also render a quartet at the 11 o'clock hour.

RAYLAND CLUB

The Rayland Home Demonstration Club met at the home of Mrs. Truett Neill Feb. 8. The president and vice-president were absent, and Mrs. Buck Clark acted as president.

The songs, "It's a Good Time to get Acquainted," and "Ginger Up," were sung.

The club prayer was repeated in unison.

The roll call was answered with the number of different varieties of vegetables produced in home garden last year.

Several good talks were made by different members of the club.

Those present were Mrs. Buck Clark, Mrs. Irene Gobin, Mrs. Jep Haynes, Misses Pearl Davis, Hazel Rutledge, Annie Mae Pierce, Margie Davis and Mrs. Truett Neill. The club adjourned to meet at the home of Mrs. A. T. Heazley Feb. 22.

The county agents, Fred Rennels and Miss Dosca Hale, plan to give a demonstration on plans for irrigation.—Reporter.

WEST SIDE CLUB

The West Side Club met in regular meeting on February 8th with Mrs. O. M. Gentry, with 12 members present and Miss Hale. After a short business meeting, an interesting program on sub-irrigation was rendered. Miss Hale gave a demonstration on the sub-irrigation.

The club adjourned to meet February 22nd with Mrs. Beggs as hostess. The ladies of the West Side Club and their families were entertained with a social in the home of Mr. and Mrs. T. S. Patton on January 26th, honoring Mr. and Mrs. O. M. Gentry, who are soon to leave our community for their new home at Black.

After a time spent in enjoying games, refreshments were served.—Reporter.

One Leg, Then Wrap

They are pants but they are put on in a peculiar manner. One leg is a regular leg and slips on, foot first. The other leg "wraps around" and forms the new beach trousers which Nell Hughes of Memphis dem-

MARRIAGE ANNOUNCED

Announcement was made this week of the marriage of Ralph Gillette to Miss Lillian Hood of Rush Springs, Okla., in a wedding on Jan. 15, 1933, at Chickasha, Okla.

Mr. Gillette recently returned to Crowell from Littlefield after an absence of a year. He is employed at the parts department of The Allen Co.

He will bring his wife to Crowell Sunday. The young couple will make their home in Mrs. R. B. Edwards brick cottage.

About Women

Mrs. Libby E. Roth of East St. Louis, Ill., has been operating a coal business for the past 18 years.

Mrs. John E. Wires of Montgomery county, is believed to be the only woman sheriff in New York state.

Mlle. Helena Sedlak became the toast of Prague after she was judged to have the most beautiful arms and shoulders in Czechoslovakia.

Marjorie Sachs of Boston, tenth ranking tennis player in the United States, recently won her opening match in the French covered courts championship.

Senorita Elsa Castellon is said to be the prettiest Nicaraguan girl in the United States.

Women of Santa Monica, Calif., organized the first unit of "Buy American" and elected Lucy Hillyer as commander-in-chief.

Heroic Rescue Chief

Captain Giles Stedman, of the U.S. American Merchant, was accorded great honors when he landed 22 men in New York, the crew rescued from the sinking Exeter City during a raging storm in mid-ocean.

Automobile Speed King Again at Daytona

Sir Malcolm Campbell, holder of the world auto speed record, is again at Daytona, Fla., with his famous rebuilt "Bluebird", and ready to try to lower the mark he established on the famed beach speedway last year. The car is being tuned up and made ready for favorable racing weather.

Senate Demands Scalp

David S. Barry, 73, veteran Sergeant-at-Arms of the U. S. Senate, suspended in an unprecedented action by that august body for writing a magazine article for The New Outlook in which he said some members of Congress took money for their votes, faces the ire of veteran Senators who still insist upon his complete removal.

ROTARY LUNCHEON

A very interesting review of the book, "Thirty Years in the Golden North," was given at the luncheon of the Rotary Club Wednesday by George Self.

J. F. Rosborough of College Station was a visitor at the luncheon. Pres. H. E. Ferguson read a communication in regard to an inter-city meeting for the Rotary clubs of this section of Texas and Oklahoma.

W. E. Hitchcock of Truscott Died Feb. 8

William Edgar Hitchcock, 52, was buried in the Truscott Cemetery Thursday afternoon, following his death on Wednesday, Feb. 8.

The deceased was born Nov. 17, 1880. He came to Truscott about two months ago from Hot Springs, New Mexico. He had been in ill health for some time.

Mr. Hitchcock was a member of the Baptist Church. Funeral services were conducted by Rev. New at the Christian Church of Truscott.

Surviving Mr. Hitchcock are his wife, one son, Homer, and one daughter, Willa Mae. His father, A. D. Hitchcock; two brothers, B. M. and Henry Hitchcock, and two sisters, Mrs. S. B. Boyd and Miss Annie Honeycutt, also survive.

John Leslie Hilton, Jr., of New York, was born recently with two lower front teeth.
