Over 100 Attend Fete Held in Church Monday Night

More than 100 men attended the Farmers' and Business Men's banquet held in the basement of the Crowell Methodist Church Monday night, March 9. The Co-Laborers' class of the Methodist Sunday School were in charge of the banquet, and the Business and Professional Women's club presented the program.

Mrs. Henry Borchardt, president of the business women's club, lead the program. Leon Solomon, accompanied by his wife, gave two violin solos. Jim Lois Gafford gave a reading. Miss Doris Oswald sang two solos. She was accompanied by the piano by Miss Florence Griffith.

Miss Maymie Lee Collins gave a musical reading. She was accompanied by Mrs. Alva Spencer. Miss Florence Griffith spoke to the "Horse Traders" on the subject of "Whiskers." At the end of her talk, she placed an exhibition several different types of whisker styles and recommended certain styles for particular personalities.

Whisker Pledges

Pledges to allow mustaches, goatees, side-burns or any combination of these to grow, were circulated among the members of the Farmers' and Business Men's Association. More than 60 members signed the pledges. Failure to keep the pledge subjects the signer to a fine of \$5 which will be placed in the Forty-fifth Anniversary Jubilee fund.

M. S. Henry outlined the financial condition of the city of Crowell, stating that tax payers should make a special effort to pay city taxes. C. E. Gafford called attention to financial affairs of the school and urged that school taxes be paid as soon as possible.

George Self, general director of Foard County's Forty-fifth Anniversary Jubilee, took charge of the business part of the program and called on the committee heads to make reports of what their respective committees had done toward making plans for the celebration which is to be held April 27-28.

Leo Spencer, chairman of the finance committee, reported that sufficient funds had been collected to take care of the current expenses.

T. B. Klepper and Amos Lilly, members of the publicity committee, reported that they had begun work on publicity. Mrs. T. P. Reeder and Mrs. Oscar Boman, members of the registration committee, reported to Mr. Self that plans were under way to take care of the registration of the pioneers and other visitors at the celebration.

H. K. Edwards, head of the men's dress committee, said the committee adopted as the official attire for the occasion whiskers, a red or blue bandana handkerchief, an official Centennial hat and the characteristic garb of the West Texas cowboy.

Reports from the chuck wagon committee were that the Chuck Wagon Gang of Wichita Falls with their chuck wagon had been invited to attend the celebration and from all indications they will be here.

"The parade is already taking form and we have information from many companies, organizations, and institutions saying they will have entries in the huge pioneer parade," A. Y. Beverly, chairman of the parade committee, said.

The parade committee asks that all home demonstration clubs in the county, all schools in the county and all business houses prepare floats or trucks of some kind for the parade.

Russell Beverly, head of the invitation committee, reported on the number of invitations that had

Local Post Office Receives Centennial Stamps; News Gets One of First Issue

The Crowell Post Office received 1,500 Texas Centennial stamps Sunday, March 8, and the first Centennial stamp was sold in Crowell the following day.

Alva Spencer, postmaster, ordered 7,500 stamps from Dallas, but due to the shortage of the stamps a smaller number were sent here. He said he expected to receive more soon. Because of the limited number of the first issue of them, they were sent out in small numbers so that more post offices could obtain them.

The stamp carries the picture of Sam Houston on the left and Stephen F. Austin on the right. A picture of the Alamo stands between the photographs of the Texas heroes. "United States Postage—Texas Centennial—1836-1936" is engraved across a Lone Star in the center of the picture and above the Alamo.

A letter was received by The News last week which bears a Centennial stamp cancelled at Gonzales, Texas, March 2, the date and place that the first Centennial stamps were sold.

GYPSY THIEVES ARE CAUGHT BY ARCHER LAWS

J. J. Brown Gets All of His Money Returned; Ribble Gets Part

Gypsies who robbed J. J. Brown of \$19 and M. C. Ribble of \$54 were caught by Archer County officers and part of the money was recovered and returned to Mr. Brown and Mr. Ribble Tuesday.

Mr. Brown received all his money. Mr. Ribble got \$25 of his back, and Sheriff R. J. Thomas said that he might get the remainder back later.

They went to Wichita Falls Tuesday and identified part of the group of Gypsies who were in Crowell. Sheriff R. J. Thomas and deputy Dude Moseley were in Wichita Falls Monday night and Tuesday in connection with the robbery.

The Gypsies took the pocketbooks from the pockets of the men, emptied them of the money and placed the pocketbooks back in the owners' pockets. Mr. Ribble was robbed Friday, March 6. Mr. Brown lost his money about two weeks ago.

Sixteen men of the gang were placed in the Wichita County jail, and the women are being held at their camp near Holliday. They will be held until after further investigation of a \$5,000 robbery in Oklahoma.

WILDCATS END FIRST WEEK OF GRID TRAINING

Glen Don Reeder, William Simmons, Gordon Thompson, Glen Shook, Garret Middlebrook, Bernice Fitzgarrald, all linemen, donned football uniforms for the first time Tuesday as Coach Grady Graves called for the first workout for guards, tackles, centers, and other linemen.

Other linemen who were in the field Tuesday were Edward Gafford, Joe Eddy, W. F. Statser, Ira Klepper, and Vernon Gibson.

With the completion of the first week of workouts of the six weeks' spring training season many of the squadmen are rounding into good shape, coach said. Vernon Gibson, guard, and Garland Rabberry, back, both of the 1935 "B" team, are looking like powerful men for the 1936 eleven, he said.

The backs were called into service again Wednesday for a workout. If the equipment that is being repaired returns in time there will be a scrimmage Thursday afternoon at the regular workout.

The game to be played at the end of the spring season will be between the candidates for the 1936 squad and the seniors. The senior class has eight or nine letter men in their ranks and enough other available material to play the regular squad a hard game with about even chances to win. Prior to this year the game has been fought between the regulars and the seniors combined with the exes. The exes will be barred in this year's game.

HUMBLE TEST GOES TO DEPTH OF 2,300 FEET

Drilling Is Slow Due to Hard Formation; Have to Fish

Drilling on the Humble wildcat well 15 miles west of Crowell was continued Tuesday after a delay of a few days because of a lack of fishing equipment when it broke off in the hole.

When drilling stopped Friday the hole was at a depth of 2,300 feet. The contract calls for a 4,000-foot well. At present the hole is one of the hardest that is drilled in this territory. The last 100 feet of drilling has been through this same formation, since hitting this rock has been at a rate of about 20 feet every 8 hours.

The well's log follows to a great extent the logs of other test wells in the area.

Work on the well was shut down Friday while waiting on fishing gear which had to be trucked from another field.

The test is located on the Tomsett Ranch, section 16, block T. & N. O. survey, 15 miles south of Crowell. It is one-fourth mile northwest of the Texaco field.

The drilling contract was let to Eke Strawn of Graham. Drilling is with a standard rig with an 800-foot steel derrick.

THALIA HOME CONSUMED BY FIRE THURSDAY

The home of J. G. Thompson, one mile north of Thalia, burned early Thursday morning, March 5. The nine-room house and two outhouses were destroyed by the fire.

Mrs. John Thompson, daughter-in-law of J. G. Thompson, was severely burned as the gasoline with which she was cleaning a dress became ignited. The gasoline explosion started the fire which consumed the house.

Mrs. Thompson was taken to a Vernon hospital and remained there until yesterday when she was moved to the home of her sister, Mrs. Fred Rennels. J. G. Thompson suffered minor burns.

The home which was built 25 years ago by J. G. Thompson, included two rooms which were built in 1886 when he came to Foard County from Collin County. Mr. Thompson, who is 86 years old, is one of Foard County's oldest settlers.

Only a few of the household goods were saved from the flames.

COTTON BELT CLUBS MEET FRIDAY NIGHT

Officials and representatives from the participating clubs of the Cotton Belt baseball league will meet Friday night in Crowell to lay plans for the re-organization of the league. The meeting will be held at Our-Way Grocery at 8 o'clock.

The meeting was called by the officers who are: E. P. Storm, president, and Clyde Cobb, secretary. The teams that took part in the league last year were Crowell, Quanah, Medicine Mound, Truscott, and Eldorado and Elmer, Oklahoma.

This year there will probably be two more teams in the league, but which teams will be added is as yet tentative. Several teams have put in bids to get into the Cotton Belt Association.

The title was won last year by Elmer, Okla., who defeated Crowell in the play-off series. The three-game series had to go to the third game before the winner was decided. The schedule for the circuit will be worked out at an early date. Games will be played every Sunday throughout the summer.

TRACK SQUAD PREPARING FOR COUNTY MEET

After the first week's workout preparation for the county track meet which is scheduled for March 28, the Crowell track squad is coming into shape with each man assigned to his special event, said Coach Garland Marshall.

Sam Crews is one of the most promising whose chances are being watched by the county. At the district meet last year he carried off first place in a pole vault with an altitude of 11 feet. He is expected to take the county meet with ease. Clinton McLain of Abilene, Kan., is also topping the game at around ten feet. Robert Thompson, a new man, is high jumping about 5 feet and 2 inches with practically no practice. James Stone and Sam Crews are leaping about five and six feet.

Bob Lilly is Crowell's best bet in the broad jump with a little better than 20 feet. Wisdom of Thalia is reported to be going about 18 feet.

In the weights department Gilbert Lankford and Austin Wiggins are working. Gilbert Lankford tosses the javelin and Austin Wiggins is showing the shot. He is putting it about 37 feet.

Bob Lilly, Sam Crews, James King and Bernice Fitzgerald are being trained for the 100 yard and 220 yard dashes and the hurdles. James Stone is also a hurdler.

Gilbert Lankford is the candidate for the mile jump. Fitzgerald and Crews are working on the mile. Lilly and Crews have been practicing on the 440. The participants in the relay have not been definitely settled, but Lee Zebig, Bob Lilly, Bernice Fitzgerald and James Stone are being trained for the places.

"We have lots of available material in the junior division," the coach said. "John Lee Orr is valuable in every division of junior track. He will probably be used in the high jump, broad jump, 50 and 100 yard dashes and the 440 yard relay. James Long is also an all-around junior trackster and will be used in anything that Orr fails to take up."

Fourteen track candidates are working out daily.

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, March 12, 1936

SPRING IS HERE

Judging from activity the past two weeks in the yards of many Crowell people, spring is here. Much valuable work is being done which will aid greatly in the beautification of the town for Centennial year and the celebration of the forty-fifth Anniversary of the organization of Foard County that will be held in Crowell April 27 and 28.

RODEO AT MIDLAND

One of the nation's most authentic and interesting roundups of picturesque characters of the Old West will be presented in Midland on June 26, 27 and 28 when the annual Western rodeo is held at Midland's part in the Texas Centennial observance.

Old-Timers Write

The following letters have been received by the invitation committee, J. R. Beverly, J. C. Thompson and H. E. Ferguson, in answer to letters sent out to former Foard County residents inviting them to attend the Forty-fifth Anniversary Jubilee in Crowell April 27-28:

From Hardy Carter

Penrose, Colo., March 5, '36. I sure appreciate having your invitation to come back to Crowell, as all of you know, most Texans when they leave Texas, are afraid to come back. I was just like for each of you to know what a thrill I had to see those three names which were in the invitation.

It shows that Crowell is keeping up its good standards. Now if the old Ford will make the grade, I'll be there. I was in Hardeman County when they cut off the best part of it and named it Foard County. It has been twenty years since I have been in Foard County. I have been pretty well all over the Northern States, but I have never found a country which is as good as Foard County used to be for livestock. I have been in the livestock business a lot since I left Texas. I still have my spurs that I used in Texas and if I get there, I want Henry Ferguson to catch up one of Ed Bomar's Texas broncs and twist its ears till I get my stirrups.

Well, I sure am in hopes that I will be there.

Your friend, Hardy H. Carter.

From Luke McCrory

Wichita Falls, Mar. 5, 1936. The invitation of your committee to attend the 35th Anniversary Jubilee in celebration of the organization of Foard County has been received.

I would certainly like to attend your meeting and will keep the

date in mind, hoping that nothing will interfere with my attendance on your first day.

With warm personal regards, I am, Truly yours, Luke W. McCrory.

From Geo. P. Brown

McKinney, Mar. 6, 1936. My kind and considerate friends, I received your invitation dated February 29, 1936, to be at the Forty-fifth Anniversary Jubilee.

I had previously seen in the Dallas News that the event was contemplating, and I purposed in my mind then that I would be there, and intended to inform you and my sister, Mrs. J. M. Allee, Mrs. Crowell, Mrs. Thacker, John Wesley, and J. W. Klepper, and other old-timers, that I would be there; but I find that our District Court convenes at McKinney on the 27th day of April, and when the docket is called that day, I will have to be present to get my cases set down for trial; Tuesday, the 28th day of April, is appearance day, and it is necessary for me to be present on that day on the call of the docket. I very much regret my inability to come, however, should I be able before court convenes to arrange these matters and I can find some one who can drive an auto and take me along, I may yet come.

I got a fall on the 19th day of January, was confined in the hospital for five weeks, have not sufficiently recovered to spend the days in the office all day, only up until noon, and my left knee is so badly bruised that I go on crutches, and I am unable to drive a car. This accounts for my having to rely upon someone else to take me. "None but him who feels it, knows the joy of mixing and mingling again with those with whom he associated in the years long ago."

I presume that I am the only one living in Collin County who was present at the organization of the county and the location of the county seat, and the election of its officers, forty-five years ago. None with whom I can talk, and this condition brings to my mind the beautiful expression of the Irish poet, Tom Moore, "I feel like one, who treads alone some banquet hall deserted, whose hopes have fled and laurels dead, and all but him departed."

Yours for a grand, great and gorgeous jubilee. Geo. P. Brown.

From Walt Cousins

Dallas, March 6, 1936. I have your letter and the invitation to attend your celebration. I note what you say about the "Cowboy's Christmas Ball." I am glad you like it. I drove 200 miles and danced all night getting the material for this poem, and if you old rannies out there like it I am happy, because I don't care a tinker's d--m what the Broadway cowboys think about it.

That dance brought back a cluster of memories to me, it brought back faces that I have not seen in 30 years. It made me realize that I am an old man now, but am glad I went and I hope I can come out when you celebrate in Crowell. I have not been in Crowell in 35 years except to pass through and that has been at night. I guess I would not know the town, I bought groceries there when I was cooking on the trail. That was in 1899.

I think it is a fine thing to celebrate this Centennial year. Of course, it will bring back the ghosts of cowboy days, and make oldsters remember things they have not thought about in years. I like to do that kind of thing. In fact, old days are about the only thing I indulge myself in. All my life I have had to work too hard to ever learn to play any kind of a game. I never had a golf stick in my hands, I cannot play bridge, if I did not have a horse to ride I would not have any play at all, but I am still interested in the doings of West Texas where I grew up.

When I think of Crowell I think of (an old-timer who has passed on.) A lot of folks did not like him, they talked about him pretty bad, but do you know he was one of the best fellows I ever knew inside. He watered a herd for us once with the last drop of water he had. He said "mabbe it will rain," and that night it came a flood. I never can forget that one thing that he did. Since I am older I had rather look at the good things a man has done than to look at the bad things he is accused of doing. Thank you for the invitation, and I will make it if I can. I might bring Mart Eberling with me. With kind regards, I am, Sincerely yours, Walter H. Cousins.

Whiskers

The whisker campaign inaugurated and promoted by the men of Crowell and Foard County to compel attention and interest in the coming Forty-fifth Anniversary Jubilee is gaining adherents all over the county, and the more timid men are contemplating joining the "army of whiskered men" as soon as their courage is developed to the proper point.

For the encouragement of the timid ones we quote the following from J. J. Taylor in "The State Press" column of the Dallas News. Mr. Taylor has carried on a "whisker campaign" in his column for many years and if he could see some of these Crowell and Foard County men at the present time he would feel that his persistent efforts were getting results. It follows:

"For years State Press has urged a unanimous return to whiskers on the part of the masculine population. He has been opposed in this by the feminine contingent, and he well knows why. The women are afraid of men with whiskers. Such men dominate their homes, a rulership abdicated of late years as beards disappeared from many chins. Certainly the housewife and the housechild. The only way he can retain his rightful authority is by throwing his razor away and disdaining the barber shop. Such a man can compel his wife to cut his hair. No beardless man has any such control. It is the part of wisdom also for the man not only to wear whiskers but keep his hat on in the house. . . ."

While the above paragraph reads good, we are not so sure whether the men here who have been wearing mustache and beards for the past two weeks "rule their own roost" or not. It's possible that they started too late to accomplish more along this line than growing a heavy mustache or beard, however, as the whiskers grow rulership may develop. It remains to be seen.

The "whisker campaign" has received the endorsement of the Business and Professional Women's Club of Crowell, members of this club having offered their assistance in designing a suitable whisker "lay-out" for each individual man. . . .

Problem Unsolved at Vernon According to the "Here, There and Yonder" column of the Vernon Record Tuesday, former Crowell and Foard County residents of Vernon are faced with the problem of deciding whether or not they will join their former "buddies" in the whisker campaign. It says:

"To grow or not to grow, is the perplexing question facing Sidney Collins, president of the Vernon Chapter of the Crowell High School Exes' Association. 'We have been called deserters by former classmates at Crowell because we are not permitting our beards to grow in connection with Foard County's anniversary celebration April 27 and 28 and the situation is causing dissension in our own ranks here at Vernon,' said the local president and ex-gridiron 'great' of Crowell High.

"A meeting of the exes has been

drop of water he had. He said "mabbe it will rain," and that night it came a flood. I never can forget that one thing that he did. Since I am older I had rather look at the good things a man has done than to look at the bad things he is accused of doing. Thank you for the invitation, and I will make it if I can. Only two more days will the Rialto Theatre show "The Ghost Goes West" starring Robert Donat, Jean Parker and Eugene Pallette. In addition to the mystery-comedy is a detailed movie of the S. M. U-Stanford Rose Bowl game. There is also a cartoon football game.

John Boles and Gladys Swarthout, movie and radio singing stars, will play in "Rose of the Rancho" which is slated for the Saturday matinee and the night show.

Those nationally known and

set for tonight, according to Collins, and Dr. Alvin L. Borchardt, secretary-treasurer, is prepared to report as to the constitutional phase of the matter. Jess Owens is said to have led in raising the whisker question locally, without raising any whiskers himself, and together with Reger Adams, has demanded a showdown at tonight's meeting. R. B. Sherill, Sr., teacher in Crowell High many years ago, may be used as mediator in the local situation, as leaders in both factions have indicated that his appointment would be satisfactory.

loved comedians, Stan Laurel and Oliver Hardy will be here Saturday night for the preview, Sunday for the matinee and Monday night in the greatest of their full length pictures, "Bohemian Girl." Bookings for next week are "Marriage" with Kent Taylor and "Way Down East" with Rose Hudson and Henry Fonda.

The sounding brass and tinkling cymbal of worldliness is surprising. "The biting cares of business and anxious greed for gain, the wretchedness of discontent, the stings of conscience, the thorns of disappointment and ingratitude," the inevitable hardening of the heart and setting down of the soul to a deadly indifference to eternal things, the final awful realization of the fact that years have passed like a dream and the consciousness that a life of possible usefulness is being squandered—this is the price paid for love of the world. Let us say with Ralph Hoyte: The world for sale! Hang out the sign; call every traveler here to me. Who'll buy this brave estate of mine, and set this weary spirit free? This going! Yes, I mean to fling the bauble from my soul away; I'll sell it whatsoever's bring! The world at auction here today!—Reporter.

"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, March 15. The Golden Text is: "Honour the Lord with thy substance, and with the first fruits of all thine increase" (Proverbs 3:9.) Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thy throne is established of old; thou art from everlasting" (Psalm 93:2.) The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Substance is that which is eternal and incapable of discord and decay. Truth, Life, and Love are substance, as the Scriptures use this work in Hebrews: 'The substance of things hoped for, the evidence of things not seen'" (page 488.)

Time Lost is Money Lost
It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.
