FORTY-SIXTH YEAR NUMBER 26

CHRISTMAS OPENING HELD IN CROWELL FRIDAY; SANTA CLAUS DISTRIBUTES GIFTS

10 Turkeys, 2 Guineas Given Away; Holiday Spirit Reigns

Attending Crowell's annual Christmas opening Friday night of last week were approximately 5,000 people, the largest crowd here since the celebration of Foard County's Forty-fifth Anniversary observed in April, stated members of the committees promoting the affair.

A prolonged note of the fire whistle announced the arrival of Santa Claus, at 6:30 p. m., who was escorted into the city by a parade headed by a band of marching musicians.

The parade entered town from the east on the Vernon-Crowell highway, having formed about two blocks east of the public square. The delegation marched around the square twice and came to a standstill on Main Street.

1,600 Sacks of Candy

Sixteen hundred sacks of Christmas candy each including a balloon, were distributed to the children of the county and adjoining counties who welcomed Santa Claus to Crowell for his annual pre-season visit.

Ten turkeys and two guineas were thrown from the top of the court house and were given to those who caught them. Promptly at 6:30 the windows of the stores were unveiled to display new Christmas stocks and Yuletide decorations. Colored lights placed over the streets at each intersection around the court house and on the awnings of many of the buildings of the town added to the holiday atmosphere which reigned in Crowell Friday night and will reign until after Christmas Day, December 25.

BIRTHS

Two births were registered in the office of the Justice of the Peace this week.

To Mr. and Mrs. M. F. Hunter, a daughter, Patsie Ann, December 12.

To Mr. and Mrs. W. G. Pierce, a son, Jimmie William, December 13.

Famous Facts—And Fancy—Had You Heard That—

There are 450 veterinary surgeons in Texas, and 6,093 physicians. But there are twice as many cattle as people.

The natural resources of Texas are estimated to be about 15 per cent developed. Less than half of its tillable land is under cultivation. It has a population of 22.2 persons per square mile. The national average is 41.3. Texas could accommodate within its borders one-third of the population of the United States and still be no more densely populated than Ohio.

With an average crop value of \$187,335,000 for the past twelve years, Texas has ranked first in total value of agricultural products. In 1930, Texas produced one-fifth of the world's cotton and one-third of the total crop of the United States. The yield exceeded 4,000,000 bales, with forty of 233 counties planted producing half the crop.

Texas consumes more cheese per capita than any other state in the Union.

Marlin has a mineral spring in which ordinary glass may be dipped and become a beautiful amber. There is no known reagent which will remove the color from the glass.

Twenty-six counties were named after signers of the Texas Declaration of Independence, 24 after heroes of the Alamo, 4 after Texas presidents and 10 after Texas governors.

The sun shines more at Amarillo, Texas, than anywhere else in Texas; 81 per cent of daylight hours.

Frankston, Texas, is the largest non-competitive tomato shipping point in the United States. More than 100 different kinds of crops are grown on Texas farms on which there is commercial production from about 45. The remaining crops are in experimental stage or produce on small commercial scale.

New State Auditor

Tom C. King of Dallas, who becomes state auditor, succeeding C. B. Sheffield, December 1, King's appointment announced last week by Governor Allred is a promotion from the position of assistant state auditor. Prior to his connection with the auditor's office he was with the RFC in Washington.

King attended Vanderbilt and Tulane Universities and received his law degree at Washington University in St. Louis. He was admitted to the bar in Texas in 1927 and received his Certified Public Accountant certificate in November, 1931. He is a member of the Texas Society of Certified Public Accountants and has resided in Texas since graduating from Washington University.

King's appointment was highly popular with capitol newsmen.

BRIDGE OVER GOOD CREEK IS COMPLETE

Project Requires Two And Half Months; Thirty Work

Work was completed Wednesday on a low-water bridge over Good Creek.

The 182-foot slab of concrete, the center of which lies in the bed of Good Creek, was constructed by approximately 30 Works Progress Administration laborers who worked in two shifts of 15 men each. The bridge spans the creek on the road which leads from the Texaco plant in the southwest part of Foard County to the Paducah-Crowell highway.

The project also included the cutting down of hills along the approach to the bridge. It was begun about October 1, and the estimated time required for constructing the bridge was three months.

The project was sponsored by the county and county commissioners J. M. Marr and A. W. Barker. The bridge is in both precincts three and four.

E. G. CAMPSEY ILL

E. G. Campsey of Truscott, former resident of Crowell, is critically ill at the home of his sister, Mrs. S. S. Turner. His daughters, Mrs. L. J. Hayworth of Pueblo, Colo., Mrs. Chester Thompson of Clovis, N. M., and Mrs. W. A. Hardy of Borger, are at his bedside.

Mrs. Hayworth and Mrs. Hardy were in Crowell for a short time Tuesday afternoon.

Mr. Campsey is well known in Crowell, having lived here for many years. He was a familiar figure on the streets of Crowell in the early days when he delivered water to the residents of the town daily from his well one mile west of Crowell. He still owns his home here.

LAWTON MAN DIES RESULT TRAIN INJURY

Falls as Attempts to Get Aboard Moving Freight Train

Evans Finley, 49, of Lawton, Okla., died Wednesday afternoon at 2:40 as a result of injuries received earlier in the day when he fell beneath a freight train at Margaret.

The accident happened about 11:15 a. m., Wednesday, near the depot of the Santa Fe Railroad at Margaret. Finley attempted to board the northbound freight train as it was leaving.

The wheels cut off his right foot just above the ankle, crushed his left hand, and broke his right arm above the elbow. He also suffered head injuries. His death probably resulted from the loss of blood.

The train was not traveling rapidly and came to a standstill about 100 feet from where the man fell. He was rushed to the Crowell hospital by the Womack Funeral Home ambulance.

Regaining consciousness after receiving the injury, he gave the address of his wife at Lawton and she was notified. She was unable to come to Crowell and stated she could not have the body shipped to Lawton. Funeral arrangements are as yet indefinite.

Finley left San Angelo Saturday at noon en route to his home. He was carrying a package bearing his name and address. The names of his survivors were unobtainable.

Former Resident of Quanah Buried Here Sunday at 3 O'clock

Funeral services were held for Stacy Powers, 44, former resident of Quanah, at the First Baptist Church of Crowell Sunday, December 13, at 3 p. m. with Rev. A. Hope Owen, Baptist pastor of Quanah, officiating. He was assisted by Rev. W. B. Fitzgerald, pastor of the Crowell Baptist Church. Interment was in the Crowell Cemetery.

Mr. Powers was the brother of Arthur Powers of Margaret and his surviving wife is the daughter of Mrs. T. J. Priest, also of Margaret.

His death came Friday, December 4, in the Kern General Hospital at Bakewellfield, Calif., with lobar pneumonia. Mr. Powers was born in Waxahachie, Ellis County, September 23, 1892. He was married to Miss Bertha Priest August 6, 1931, and to this union two children were born. He became a member of the Missionary Baptist Church about five years ago.

He is survived by his wife and son, Stacy Thomas, of Quanah, a daughter preceded him in death January 9, 1934. He is also survived by his father, J. R. A. Powers of Rivera, Calif.

Five brothers and three sisters survive him. None of these were present for the funeral services except Arthur Powers of Margaret.

Out-of-town relatives who attended the last rites of Mr. Powers were Mr. and Mrs. T. J. Priest and family, Mrs. Mary Fletcher, Mr. and Mrs. V. N. Priest and Mrs. Byron Phelps, all of Vernon, and Mr. and Mrs. R. C. Priest and family of Wichita Falls.

Funeral services were held at the home at 4:30 Tuesday afternoon conducted by Rev. John W. Tyndall, pastor of the First Christian Church of Crowell. Burial followed in the Crowell Cemetery.

RECEIVES CERTIFICATE

J. A. Stovall returned last Thursday morning from Waco where he attended the Grand Lodge of Texas Masons. He remained there for a week's school in the secret work of the order at the close of which he received a certificate of proficiency from the Grand Lodge. Mr. Stovall was appointed District Deputy Grand Master of this district.

New President

T. S. (Hid) Haney was elected president of the Farmers and Business Men's Association for 1937 at its banquet held in the basement of the First Methodist Church Monday night. He, along with other new officers, will be installed at the January meeting. Amos W. Lilly is the retiring president.

BRIDGE WORK ON NEW ROAD HALF THROUGH

To Be Open By First of April, Estimate Engineers

Two shifts of government laborers, each consisting of approximately 25 men, are now employed in pouring concrete for bridges and culverts on the strip of new highway from Crowell to the Foard-Knox County line.

The little more than eleven miles of road will be open for traffic about April 1, according to estimates made by those in charge of the work.

About half the necessary bridge work has already been completed, and practically all work in grading, cutting down hills, and filling in has been finished.

The project is under the government building agencies, the Works Progress Administration and the Public Works Administration, each bearing part of the expenses and furnishing part of the building materials. The state furnishes only the engineering and the equipment.

Work on the project was begun about the middle of January.

Three-Year-Old Boy Buried Here Tuesday After Two-Day Illness

Billie Gene, 3-year-old son of Mr. and Mrs. C. W. Howry, died at the family home in Crowell Tuesday morning at 10 o'clock, following an illness of three days.

Funeral services were held at the home at 4:30 Tuesday afternoon conducted by Rev. John W. Tyndall, pastor of the First Christian Church of Crowell. Burial followed in the Crowell Cemetery.

Pall bearers were Adrian Thomson, C. C. Ribble, Johnnie Gamble and D. O. Bosley.

Survivors include the parents, one brother, C. W. Jr., and one sister, Frances Pauline.

Out-of-town relatives attending the funeral were Mr. Howry's parents, Mr. and Mrs. N. M. Howry, and their sons, C. M., Earl, Norval, Roy, Grady and C. B., and daughters, Mrs. E. M. Olive and Mrs. Troy Greggson, and husbands, all of Goree.

Truscott IOOF Host To Hardeman-Foard Chapters Wednesday

Quarterly meeting of the Hardeman-Foard Association of the Independent Order of Odd Fellows and Rebekahs was held in Truscott Wednesday night of last week.

President E. P. Storm of Truscott presided at the meeting. Eight members of the Crowell lodges attended the session. They were Mr. and Mrs. R. D. Oswald, Mr. and Mrs. O. O. Hollingsworth, Dick Crosnoe, E. V. Halbert, A. W. Barker and Ben Meason.

The chief address was made by Mrs. Verda Albright, Rebekah of Vernon. She is also the secretary to the president of the Vernon Chamber of Commerce. Several other visitors from Vernon also attended. A large crowd was present at the Truscott meeting.

The welcome was extended by Louis Williams, District Attorney, of Benjamin, and O. O. Hollingsworth gave the response.

NEW OFFICERS ELECTED FOR FARMERS AND MERCHANTS' ASSOCIATION MONDAY NIGHT

FIRST HONORS GO TO SPEERS, CICERO SMITH

Self Dry Goods, Owens Auto Supply Named For Seconds

Winners in the show window contest sponsored by the Farmers and Business Men's Association for the annual Christmas opening were Speers & 85 Stores, first, and Self Dry Goods Company, second, in the "A" division. Cicero Smith Lumber Company and Owens Auto Supply Company won first and second, respectively, in the "B" division.

The windows were judged on a basis of decorations, merchandising and lighting, each of the three counting one-third. The winners were announced Friday night immediately following the unveiling of the windows at 6:30 p. m.

The stores were divided into two divisions, the larger windows in the class "A" contest. Nineteen show windows were entered in the "A" division. The same number took part in the "B" contest.

A grade of 97 was given Speers' store, it having a perfect score in merchandising and lighting. The business was given a grade of 30 in decorations. To capture second honors Self Dry Goods polled a grade of 86. It was given a grade of 33 in both departments of lighting and decorations. A score of 20 was given the Self Dry Goods Company.

Third place honors went to

Will Join Staff of Lubbock Avalanche

Dan Tarpley will leave Sunday for Lubbock where he has accepted a position as reporter on the Lubbock Avalanche, daily newspaper of that city.

Mr. Tarpley came to The News force Feb. 1 of this year to take the place made vacant by the resignation of Mack Boswell which became effective Jan. 1. He has taken an active part in all organizations for the best interest of Crowell and Foard County and adjoining territory during his residence here.

COMMUNITY TREE

A community Christmas tree will be held at the Gambierville School Wednesday night, December 23.

A program is to be given, starting at 7:30 o'clock. According to those in charge of the program, Santa Claus will be there to distribute the gifts on the tree to their owners.

MOVE TO KNOX COUNTY

Mr. and Mrs. Ragsdale Lanier have moved to a farm owned by Mr. Lanier three miles south of Knox City where they expect to make their home permanently.

Three Persons Each Subscribe for Three Foard County News Three Days in Row

Three days last week, Thursday, Friday and Saturday, The News received three one-year subscriptions each day from one person plus one subscription to a Wichita daily paper, and this is not the first year this has happened because these people have been paying for three yearly subscriptions to The Foard County News for many years.

On Thursday afternoon, Mrs. N. W. Killen of Route 2, gave a News representative her three subscriptions, one for herself with the Wichita Daily Times, one for her sister, Mrs. S. A. Lawrence of Spur, and one for her nephew, R. O. Awhrey of Dixon, Calif. Mrs. Killen has been subscribing for three papers for five years.

On Friday afternoon, J. G. Thompson Sr., called at the office and renewed for his own paper and the Wichita Record-News and also renewed for a year for his son, H. N. Thompson, of Levelland, and his sister-in-law, Mrs. M. B. Thompson, of Plano. We don't know how long Mr. Thompson has been taking the paper for himself, probably ever since it was started, but we do know he has been paying for three subscriptions to The News for nine years or more. Our records show nine years.

On Saturday Mrs. W. R. Tuttle, another faithful supporter of The News, phoned in to have her subscription, together with the Wichita Falls Record-News, renewed. She also renewed two subscriptions going to her daughters, Mrs. H. L. Jinks, Rt. 3, Wichita Falls, and Mrs. Allie Lawrence, of Van Vleet. Mrs. Tuttle has been sending the paper to her daughters for eight years, or more, however. Mrs. Tuttle went the other one better by phoning back Monday morning and adding another one to her list, her granddaughter, Mrs. Geo. Bateman of Poughkeepsie, Ark.

And when you stop to think about it, what could be given a relative or friend that would afford more real genuine pleasure than their home paper? It is like a letter from home and contains much more than could be written in a letter, even if one would write a letter each week.

January Session to Be Ladies Night; Date To Be Arranged

New officers for the Farmers and Business Men's Association were elected at a banquet held by the organization Monday night in the basement of the First Methodist Church.

New officers elected were T. S. Haney, president; Dwight Moody, vice president; H. E. Ferguson, secretary; and O. W. Orr, A. Y. Beverly, T. P. Reeder and E. Swain, as directors. Amos Lilly, the retiring president, will act as chairman of the board of directors.

New officers will be installed at the next meeting of the organization in January.

A motion was proposed by Dwight Moody and passed by the organization to make arrangements for programs each Saturday so as to bring larger crowds to Crowell. Members of a committee to work out the details of this plan are Mr. Moody, chairman; A. Y. Beverly, George Self, W. H. Moyer, Leo Spencer and Foster Davis.

Program

H. E. Ferguson, general chairman of the committees in charge of Crowell's Christmas opening this year, made a report of the affair held Friday night of last week. Miss Wanda Rose Liles

Final Plans Mapped for Graduates' Banquet to Be Held December 26; Reservations Must Be in by December 21

Final plans were made Wednesday night, December 16, for the Crowell High School graduates' banquet to be held in the Ringgold Hall Saturday, December 26, at 8:00.

The executive committee met at the home of Ernest Speers, president of the organization, for the final arrangements. Efforts are being made by those in charge to contact as many graduates as possible. Including 1936 graduates there have been 563 contacted who are eligible, many of them

living within a radius of 40 miles of Crowell.

Those attending are invited to bring their husbands and wives. Class mothers and fathers and High School faculty members are also on the guest list. Special invitations are not being mailed out and graduates should not expect them. All who finished high school at Crowell are invited and urged to come, committee executives said.

Mrs. F. A. Davis will act as master of ceremonies at the affair. Many out-of-town Crowell High graduates have already reg-

istered. Reservations must be made before December 21 with either Mrs. Henry Borchardt or Henry Ashford.

The graduates' organization was first formed in December of last year when the classes of 1930 through 1933 held a banquet at the Hotel Premier. This group voted to make the organization include all graduates of Crowell High School and no efforts have been spared to make this first banquet the most important social event of the entire year.

Items from Neighboring Communities

RAYLAND
(By Annise Davis)

Bill Abston moved from Thalia to the farm of Bert Abston one day last week.

Mrs. J. C. Davis is visiting her daughter, Mrs. Bill Barrett, and family of Paducah.

Dorothy Love visited Annie Polk of Claytonville Friday.

Mr. and Mrs. C. C. Hinkle spent

A BALLOON BUGGY-BOAT

The Balloon Buggy-Boat is truly a unique vehicle. Powered by an automobile engine it rolls over land, mud, and water on tires ten feet high by three feet wide—the largest ever molded.

In water and mud the Marsh Buggy obtains traction from rubber treads pulled over the tires. If punctured, the tires can be inflated while the machine is in motion by starting a small air compressor.

THE 7500 pound Marsh Buggy is used to transport Gulf geophysicists, together with their equipment, into the Louisiana marshes where they search for oil. The huge machine, which combines the basic principles of motor car, tractor, and boat, has a top speed of 35 miles an hour on firm ground, 12 miles an hour in waist deep mud and 6 knots in water.

Saturday night with Mr. and Mrs. Rufus Nalls of Foard City.

Mr. and Mrs. Paul Howell of Claytonville spent Sunday with Mr. and Mrs. Pat Moore.

F. R. and Charlie Chatfield of Crowell visited in this community Saturday.

Mr. and Mrs. Rufus Nalls of Foard City spent Sunday with Mr. and Mrs. C. C. Hinkle. Mrs. Nalls also visited Mrs. W. A. Love.

L. R. Scott is working at the Johnson ranch near Crowell.

Cecil E. Dunn of Black visited his parents, Mr. and Mrs. C. E. Dunn, Monday.

W. M. Cox of Claytonville visited C. W. Collins Sunday evening.

Mr. and Mrs. Rufus Nalls of Foard City spent Sunday night with Mrs. Charlie Hinkle.

Mrs. Charlie Hinkle visited Mrs. George Foster of Claytonville Saturday.

week for Amherst where they will work for a while.

Mrs. N. A. Nichols visited Mrs. L. Kamstra of Crowell Monday.

FOARD CITY
(By Mrs. George Canup)

Edna Lynn Thompson of Crowell spent Thursday night with Hazel Canup.

The P. T. A. met Thursday night with a large attendance and a program was given by the high school pupils, after which a bountiful supper was spread.

Mr. and Mrs. Everett Carter's little son, Mac, is ill at the home of Mr. and Mrs. Pete Bell in Crowell.

Mr. and Mrs. E. V. Halbert visited friends in Sagerton Sunday.

Mrs. Anthony of Truscott visited her daughter, Mrs. Griffith, last week.

Poison in Plants

Poison may be present in greater quantity in some parts of plants than in others, as in the case of Datura Stramonium or "jimson weed," the seeds of which are far deadlier than other parts of the plant.

FENCING

Curiously enough, fencing originated in comparatively recent times. Up to the time of the discovery of gunpowder and the invention of firearms, men went to battle in suits of armor and carried broadswords. The most muscular soldier, the one who by sheer brawn could hack through his opponent's coat of mail, was generally the victor. But guns ended armor, and skill with sword and saber became essential. Then it

was that fencing began. The Italians and the Spaniards were among the first to develop the technique of swordsmanship.

Crowell, Texas, December 17, 1936

Education is Chief Foe of Tuberculosis

Austin.—Tuberculosis continues to be one of the major causes of death in Texas. Public health authorities agree that the death rate will not diminish satisfactorily until the average person appreciates that tuberculosis is preventable, that it is not inherited directly, that it is acquired by direct transmission of the tuberculous germ from the sick to the healthy; and above all, that he must be concerned immediately if any symptoms appear.

"In combating tuberculosis," said Dr. John W. Brown, State Health Officer, "education of the public is of prime importance—education as to the treacherous character of the disease and its methods of transmission, how to prevent the disease and how to treat it when contracted, to the end both that recovery may be as rapid as possible and that spread of the disease to other members of the family and to neighbors may be avoided.

"Children pick up tuberculosis as readily as they do measles or scarlet fever or any other contagious disease, but tuberculosis differs from some in not showing up as quickly as other germ diseases. As a rule, the characteristic symptoms of other diseases develop in a few days after a person has been exposed, while it takes a much longer time for the symptoms of tuberculosis to be recognized.

"The periodic health examination by a competent physician plays an important role in the fight to stamp out tuberculosis. These check-ups should include examination of high school and college students by the tuberculin test and X-ray and prompt examination of all persons who have symptoms of tuberculosis.

"Removal of the contact case, protection of the infant and the young, and prompt professional advice when symptoms suggestive of tuberculosis arise, will do much to reduce the tuberculosis death rate. These measures, however, are largely outside the province of health officials, and the problem is quite definitely a personal one."

SUBSCRIPTION CAMPAIGN NOW PROGRESSING; NEWS IDEAL GIFT

Again we want to express our appreciation for the many new and renewal subscriptions that come to this office each week. We are well pleased with the progress our annual fall subscription campaign is making and we feel that it will be as good as any year we have ever had when it has been concluded. We are sending out sample copies each week with the hope that our new subscribers this year will exceed any number we have had in the past. What could prove more beneficial to the entire family for a Christmas present than a year's subscription to the home paper? It would keep giving throughout the year when other Christmas presents have been forgotten.

New and renewal subscriptions

Your Horoscope

December 13, 14—You are somewhat arrogant and rather conceited. You are very bright and take responsibility. You are civic-minded and watch the development of public interests with keen understanding. You like to have a good time but you must have company. You are very thoughtful of others especially the less fortunate. You are usually very calm and collected but you can be excited.

December 15, 16—You are very shrewd and want you way in everything but you have some regard for the feelings of others. You like to move around from one place to another for the change of scenery and environment but you always take your home with you because you love your home. You read a lot and you retain what you read.

December 17, 18, 19—You have big ideas and sometimes undertake more than you can accomplish. You like a change and want to be on the go all the time. You are very quarrelsome to those who do not jump at your beck and call or who stand in your way. You have an imagination which leads you to sometimes overstep the truth.

to reduce the tuberculosis death rate. These measures, however, are largely outside the province of health officials, and the problem is quite definitely a personal one."

Full Length Comedies Featured at Vernon

This week, beginning Friday, December 18, has been designated as "Fun Week" at the Vernon Theatre with several comedy attractions to be presented.

Joe E. Brown in "Polo" Friday and Saturday will start the gale of laughter which more than likely will not subside until after Laurel and Hardy make their departure Wednesday in "Our Re-Lotions," another feature length picture.

For the midnight show Saturday and Sunday—Monday, Clark Gable and Marion Davies are teamed in the film musical, "Cain and Mabel."

LOCAL CAGERS LOSE TO TURKS ON THURSDAY

Margaret All-Stars Take Truscott 45 to 11

Crowell High School's inexperienced quintet, without the two first string guards, bowed to the Terrible Turks of Turkey Thursday night 31 to 20.

Only twice during the game were the Wildcats as good as the enemy, according to the score. These times were at the opening of the game and soon after the half when McLain looped a field goal to knot the count, 16-all. It was soon broken however by Young, who took advantage of a gratis shot, and Johnson roped a two pointer. The Turks, resuming the Felines tying the score, rallied by the end of the third period had gained a 5 point margin.

Jim Whitfield and J. S. Owens, mainstays of the defense, were absent from the tussle because of illness. Reports were that Owens might have pneumonia. Nelson and Fitzgerald were started in the places left vacant by the first string guards.

Snaring individual honors, and proving to be about the difference in the teams was little Yarbrough, guard. He handled the ball like an expert, rifled it to open men under the goal, played a jam-up game, and hit the basket for a half-dozen field goals and a couple of free tosses for 14 points.

Next in line for scoring honors was Weldcat forward Kelsey, who was good for 8 points. Johnson of the enemy forces and Crowell's own McLain each looped seven points.

The game Thursday was the first one for the Turks. By the end of the first quarter, they had grabbed a 10-4 lead, but the Wildcats out-scored them in the second quarter 6-4. In the early part of the third quarter the Wildcats managed to even the points 16 each, but the tie was short-lived as an enemy gratis throw placed them in the lead.

Score by quarters: CROWELL— FG FT PF TP; TURKEY— FG FT PF TP

Officials—Joe Forrester and Dan Stallworth.

Truscott-Margaret Game

Margaret's All-Star quintet drubbed a Truscott five 45 to 11. C. Russell of the Margaret cagers was high point man of the night with 17 points. Bell was second with 10 points.

C. Myers led the Truscott offense with 3 points. O. Myers, his brother, was close on his heels with 4. From the first it was Margaret's game. At the half the score was 21 to 6 for the Foard County aggregation.

The Box Score: TRUSCOTT— FG FT PF TP; MARGARET— FG FT PF TP

Nothing for Something

Gambling isn't as much getting something for nothing or for almost nothing as it is getting nothing for something.

CROWELL F. F. A. WINS DISTRICT CAGE TOURNEY

Middlebrook Is Second In Race for High Scoring Honors

The cage quintet representing the Crowell chapter of the Future Farmers of America swept through a tournament for teams made up of members of the organizations from five towns held at Chillicothe Saturday.

Members of the team from Crowell were Bradford and Joy, forwards, Smith and Fitzgerald, guards, and Middlebrook center. Swattles were Russell, Hasseloff and Davidson. Clubs from Chillicothe, Harold, Westover, Burk Burnett and Crowell competed in the tournament.

A tournament of the same teams, with the addition of a quintet from Kirkland, will be held in Crowell Saturday, January 16.

The Crowell cagers trounced the Chillicothe five in the finals 37 to 20. In the first rounds of play Crowell swamped Harold 69 to 4. Chillicothe ran over the Westover lads 41 to 26. Burk Burnett drew a bye in the first round. Crowell drew a bye in the second round, allowing them to take the championship with only two games.

A trophy was awarded the Crowell basketballers. It was paid for by the advisors of the five competing chapters. Hightower, fast forward of Chillicothe, snatched high honors with 35 points. Stepping on his heels was Middlebrook, center from Crowell, who looped 34 points.

SHERIFF'S SALE

The State of Texas, County of Foard.

By virtue of a certain Alias Order of Sale issued out of the Honorable District Court of Foard County, on the 7th day of December, 1936, by A. G. Magee, Clerk of said Court, against N. J. Roberts and Ellen Roberts for the sum of Three Thousand Five Hundred Thirty-six and 78/100 (\$3,536.78) Dollars and cost of suit, in cause No. 2464 in said Court, styled N. J. Roberts et ux versus North Texas Federal Savings & Loan Association, and placed in my hands for service, L. R. J. Thomas, Sheriff of Foard County, Texas, did, on the 7th day of December, 1936, levy on certain Real Estate, situated in Foard County, Texas, described as follows:

Lots Nos. Eleven (11) and Twelve (12) in Block No. Twenty (20) in Pack's Addition to the town of Crowell, in Foard County, Texas, and levied upon as the property of said N. J. Roberts and wife, Ellen Roberts, and on Tuesday, the 5th day of January, 1937, at the Court House door of Foard County, in the town of Crowell, Texas, between the hours of ten A. M. and four P. M. I will sell said property at public vendue, for cash, to the highest bidder, as the property of said N. J. Roberts and wife, Ellen Roberts, by virtue of said levy and said Alias Order of Sale.

And in compliance with law, I give notice by publication, in the English Language, once a week for three consecutive weeks immediately preceding said day of Sale, in the Foard County News, a newspaper published in Foard County.

Witness my hand, this 7th day of December, 1936.

R. J. THOMAS, Sheriff Foard County, Texas. By S. T. Crews, Deputy.

Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies, such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

SINGING AT RIVERSIDE

A singing will be held in the new auditorium of the Riverside school building Sunday afternoon at 1:30, December 27, according to an announcement made this week.

First Honors—

(Continued from Page One)

Reeder's Drug Store with a score of 81. It was awarded the full score on merchandising, but was graded down on lighting and decorations.

"B" Contest

Cicero Smith Lumber Company snared first place in the second division with a grade of 83. It scored highest in the merchandising department. Owens' Auto Supply Company was awarded second place with a mark of 78. It was given highest honors in the decorations department.

Only one point behind the second place winners in the "B" contest was the White Rose Cafe. It scored 77, with a perfect score in merchandising.

First and second prizes were awarded the four winners with the same amount of cash being given to each division. Leon Speers and Ernest King were members of the window decorating contest. Disinterested judges were named for picking the winners.

Officers Elected—

(Continued from Page One)

gave a reading and sang "A Gay Caballero" as an encore.

M. S. Henry gave a short talk on "What the Horse Traders Have Done." He also outlined some projects for the organization to work on during the coming year. He included a new water system, home trading and the re-surfacing of the streets as suitable aims for the association.

Following the meeting, the entire group of "Horse Traders" were guests of Dwight Moody at the Rialto Theatre. Members of the program committee for last week were George Self, A. Y. Beverly and Mr. Moody.

Next Meeting
Members of the Farmers and Business Men's Association will bring their "wives or sweethearts" to the meeting next month. The exact date and place for the banquet has not been determined. No business will be discussed at the session. An out-of-town speaker will be on the program. Those appointed by President Amos Lilly to be in charge of arrangements for the next meeting are M. S. Henry, Jack Seale and Munson Welch.
Gordon Cooper and Lewis Sloan will sell tickets for the January meeting.

Honor Roll—

(Continued from Page One)

Marie Wells, Faye Zeibig and Virginia Coffey.

Grammar School "A" Roll:
Edna Lou Brisco, Doris Campbell, Iva Ruth Gafford, Fay Griffin, Virginia Moseley, Billy Klepper, A. Y. Olds, Joe Wallace Beverly, J. T. Hughston, Riley Adams, Ruby Adams, Virginia Adams, June Billington, Clonita Russell, Margaret Claire Shirley, Virginia Thomas, Lowell Campbell, Ray Burrow, Lois Evelyn Flesher, Josephine Slovak, Geraldine Moseley, Wanda B. Evans, Joyzelle Ty-singer, Bonita Liles, Wanda Jo Ketchersid, La Verne Kenner and Mary Evelyn Edwards.

The "B" grammar school: Reed Sanders, Beverly Hughston, Marjorie Pechacek, Stanley Sanders, Ralph Flesher, Charles Davis, Wayne Cobb, Daniel Brisco, Oleta Naron, Elizabeth Brisco, Mary Catherine Lankford, Leroy Gibson, Travis Porter, John Clark Long, Bobby Jo Myers, Bobby Spears, Truman Taylor, Julia Halenack, Isabelle Lankford, Mary Jo Brock, Yvonne Weaver, Glen Randolph, Clifford White, C. D. Mullins, James Milton Cooper, Ray Davis, Jean Thompson, Mary Ellen Ford, Evelyn Jean Seales, Ruth Diggs, Rita Faye Callaway, and Wilma Jean Bryant.

The attendance honor roll: Edna Lou Brisco, Doris Campbell, Iva Ruth Gafford, Dorene Gibson, Fay Griffin, Syble Mullins, Joe Wallace Beverly, Daniel Brisco, Wayne Cobb, Ralph Flesher, Johnnie Ray

Varied Program to Be Given This Week At Rialto Theatre

This is another week which is marked by a program of wide interest to theatre-goers at the Rialto Theatre. Gaining recognition for its early showing of fresh, diversified pictures, the Rialto continues this week with a program of wide appeal.

Clark Gable forces his way into the life of beautiful Marion Davies in the picture "Cain and Mabel" which shows for the last time tonight, Thursday. The popular star, Cable, plays the part of a hard-hitting prize fighter in this new musical romance which was produced by Warner Bros. Incidentally Gable actually knocked out his opponent while filming this picture. Clark says if he ever loses his job as an actor he will take the fight game to fall back on.

Friday night and Saturday matinee those who love outdoor action have the chance to see "Daniel Boone" pictured by George O'Brien.

Saturday night from 7 to 11 o'clock another episode in the life of the Jones family unfolds before audiences who will remember this same group in the amusing "Every Saturday Night." The Jones family's history this time takes them "Back to Nature." "Ladies in Love," which co-stars four of the screen's most famous stars, Loretta Young, Constance Bennett, Janet Gaynor and Simone Simon, will begin its engagement at the preview Saturday night and continue through Sunday matinee and night and Monday night. Comedy, most of it light and gay, is the predominant quality. Yet the dramatic contrast, principally as it concerns the various rivalries of the Ladies in Love, and as it pertains to the shattering of Susie's dreams, is poignant.

Stuart Erwin is starred in Tuesday night's picture, the "All-American Champ" and proves to be just that.

Ace sports scribe Paul Gallico had a brainstorm about a newspaper lad who handed his gal a three alarm fire for a wedding present. The Saturday Evening Post grabbed it and published it. Millions of Post fans clapped hands and cheered. E. P. Schulberg grabbed it and filmed it with new romantic comedy team, Joan Benet and Cary Grant. It was directed by Richard Wallace. Now fans get what the critics call "swellest romance-comedy in months" at the Rialto next Wednesday and Thursday.

'Justice on the Pecos'

(By Las Vegas Kim, Texon)

This is a true story of court on the Pecos. A well known early day cowboy was gathering cattle on the Pecos when a cowboy shot the horse wrangler in an argument. The wrangler being just a kid the cowboys began to discuss hanging the killer. The wrangler, however, not taking to the idea of a hanging, wanted to take the killer to Las Vegas, N. M., for regular trial. He asked the boss about doing so to prevent the hanging. The boss, an experienced cowhand, said it would be loss of time from work to take the killer in and to go back as witnesses so he would not stop the hanging. The cowboys then discussed the method of hanging, whether they'd pull him up or how it was to be done. The man to be hung was smoking a cigarette and said he had seen several hung by putting them on their horse and tying the rope and then moving the horse out from under. That was decided on as the way. So, after the hanging, the cowboys buried both the killer and the wrangler, and went on with working cattle without unnecessary delay.

SCHEDULE FOR LOCAL CAGERS IS ANNOUNCED

Sixteen Engagements For Wildcats Yet To Be Played

The full basketball schedule for the Crowell High School cagers has been completed with seventeen engagements to be played between December 31 and February 20, according to Coach Grady Graves.

The local quintet has already tangled in four games, emerging victorious in three of them. They snared Kirkland in the opener and took a double-bill from Chillicothe. They bowed to the Terrible Turks of Turkey for their loss.

The Schedule

- Paducah at Crowell, Dec. 31.
- Crowell at Paducah, Jan. 1.
- Eldorado at Crowell, Jan. 7.
- Crowell at Childress, Jan. 8.
- Crowell at Turkey, Jan. 12.
- Wichita Falls at Crowell, Jan. 15.
- Vernon at Crowell, Jan. 20.
- Matador Tournament, Jan. 22-23.
- Crowell at Quanah, Jan. 26.
- Childress at Crowell, Jan. 29.
- Crowell at Wichita Falls, Feb. 2.
- Seymour at Crowell, Feb. 3.
- Crowell at Vernon, Feb. 5.
- Crowell at Seymour, Feb. 9.
- Quanah at Crowell, Feb. 12.
- Crowell at Eldorado, Feb. 16.
- District Tournament, Childress, February 19-20.

Asterisks denote Big Five Conference games.

Aladdin lamps for Christmas, \$4.95 and up.—M. S. Henry & Company.

THIS WEEK IN HISTORY

- December 14—Washington died at Mt. Vernon, 1799. Alabama admitted to the Union, 1819.
- December 15—United States Patent Office burned, 1836. Battle of Nashville, 1864.
- December 16—Boston Tea Party, 1773. Beethoven, composer, born, 1770.
- December 17—First airplane flight, 1903, John G. Whittier, pilot, born, 1807.
- December 18—Slavery in United States abolished, 1865. Prohibition amendment in Congress, 1917.
- December 19—First wireless message, 1902. Battles of Lexington and Concord, 1775.
- December 20—Harvey Firestone tires, 1868. South Carolina secedes, 1860.

Indirect lighting student lamps \$3.25 and up.—M. S. Henry & Co.

NEWS OF PICTURES AND PLAYERS

The play, Seventh Heaven, in which Charles Farrell and Janet Gaynor won recognition several years ago is to be revived this time with the new French actress, Simon and James Stewart in the leads. The play will star Simone Simon.

Kay Francis doesn't like to be interviewed by fan magazine writers. She usually submits pictures herself, but the practice has become tiresome to the extent that Miss Francis arranges to meet her interviewers all at one time at intervals several months apart. In this way a tiresome duty is disposed of quickly.

In his production of "Gone With the Wind," David Selznick will seek a southern girl to play the role of Scarlett O'Hara. An extended search will be made among the many beautiful and charming young women of the South for the woman who is to play this part.

It is not only necessary that girls be beautiful to put a show across. They should also be intelligent. So important is this that in "Gold Diggers of 1937" applicants were required to submit to the "Otis Test to Determine Mental Ability." The beautiful but dumb girl may have her place but it is not in the pictures.

CAGE CAPTAIN

Garrett Middlebrook has been selected to act as captain of the Crowell High School basketball team this year.

A vote was taken Tuesday afternoon by the members of the squad. Middlebrook is the only experienced man on the club, having played forward last year. He is holding the center post this year—a spot left vacant by Austin Wiggins who was graduated in the spring.

College Men and Women Taller

In physique, college men and women show two distinct differences from the men and women of the general population. One, says a writer in Hygeia, the health magazine, is that when growth is completed college men and women are distinctly taller, and the men are also much heavier than men or women of the general population. The other difference is that the college students, having been accelerated in growth during childhood, attain maximum growth at an earlier age than the rest of our population.

ROTARY CLUB

Esca Brown was in charge of the program given at the Rotary Club at the regular luncheon held Wednesday at noon at O'Connell's Lunch Room.

Floyd Thomas, the principal speaker on the program, made a classification talk. The next program to be held Wednesday of next week is a Christmas program. Members of the organization drew names and will distribute Christmas gifts at the meeting.

CARD OF THANKS

We wish to express our sincere thanks to our friends in Crowell for the many acts of kindness shown us in the illness and death of our baby son, Billie Gene. May God bless you.
Mr. and Mrs. C. W. Hewry and Relatives.

CARD OF THANKS

We wish to thank our friends for their deeds of kindness shown us during the death of our loved one.
Mrs. Bertha Powers and Relatives.

There's A Day

There's a day in each year we all should remember, Christmas Day, twenty-fifth of December. A gift from sister and everyone, a gift from you. On that twenty-fifth day is expected too. Be gay and brighten the smile on Mother's face. No other gift can take its place—

YOUR PHOTOGRAPH.

Sittings made day or night.

Solitude is as needful to the imagination as society is wholesome for the character.—James Russell Lowell.

Kapok, Down from Seed Pods

Kapok is the down from the seed pods of the Randoe tree, grown chiefly in Java, but to some extent in Ceylon and the Philippine Islands. The United States imports around 700,000 tons per year. Due to its resilience it is used in the manufacture of pillows and mattresses. Its buoyancy makes it useful in the manufacture of life preservers. It has been found that it is an excellent insulating material for both heat and sound.

CHURCHES

Christian Science Church
Sunday School at 10 a. m.
Sunday services at 11 a. m.
Wednesday evening services at 8 o'clock.
Sunday, December 20, 1936.
Subject: "Is the Universe, Including Man, Evolved by Atomic Force?"
The public is cordially invited.

First Baptist Church
Sunday School at 9:45, I. T. Graves, general superintendent.
Preaching at 11 a. m. by W. B. Fitzgerald, pastor.
E. A. U. and B. T. U. at 6 o'clock, Garnet Jones, general superintendent.

First Christian Church
A Christmas program will be given by the young people at the First Christian Church Bible School next Sunday morning at ten o'clock and every member of the Church and Sunday School is invited to be present. The program is one that the older members will appreciate and one that the children will greatly enjoy. We hope that every member will be present to add his or her bit to the success of the program. A letter is being mailed to all members of the church inviting them to come, but a special invitation is extended to the public to worship with us.

The Church and Bible School will give a package of candy and fruit to all the children present. Here is your opportunity to make the little folk happy. Bring them to Sunday School.
Special Christmas music will be rendered at the morning worship hour, and a Christmas sermon will be delivered by the minister. The subject will be "The Different Road." Let us all meet at the Church and celebrate the Birthday of the Saviour in a way that will be pleasing to Him. We hope to see many of you Sunday.

Discussion No. 3—Edith Hutcheson.
Discussion No. 4—Roy Ownbey.
Discussion No. 5—Leta Ferrel Meadows.
Everyone is invited to come and bring your friends.—Reporter.

Christian Science Services
"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, December 20.

The Golden Text is: "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands" (Hebrews 1:10).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is but one God, the Father, of whom are all things, and we in him" (1 Corinthians 8:6).
The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them" (page 295.)

Two Minute Sermon (By Thomas Hastwell)

The Only Hope: In Paul's letter to Philemon, written on the occasion on which he sent the slave Onesimus back to his master with the suggestion that because of friendship and brotherhood the master set the slave free, is presented in a clear cut manner, the question of Christian brotherhood. The law of the land gave the master the undisputed power of life and death over his slaves. The penalty for a slave's running away was invariably death if he should be retaken. Notwithstanding this fact Paul appeals to Philemon that the returned slave not only be received kindly but even be given

Agriculture Should Develop Along With Commerce, Industry

(Dean W. R. Woolrich, who at the beginning of the current session of the University of Texas became a member of the staff of that institution as head of the College of Engineering, has made a study of the economic situation of the South especially as it relates to cotton, its principal product. In a series of five articles, of which this is the first, Dean Woolrich has analyzed the situation which confronts the people of Texas and other cotton producing states and points out the obstacles to their development and progress. His first article follows.)
By W. R. Woolrich, Dean College of Engineering, University of Texas.

There is a fundamental need for agriculture, industry, and commerce to go down the road together in finding new ways of using farm and mineral products, new methods of adding soil fertility, new equipment for improving country life, and new devices for turning the destructive forces of nature into agencies for the public good. They will thus direct new forces of nature into agencies for the public good. They will thus direct new forces toward the stabilization of both industry, agriculture, and commerce for their supporting region.

During the past century period in which the objectives of industry and agriculture were wide apart, the national percentage of people living under rural conditions decreased to 23 per cent. The United States became more urbanized than any nation that had ever carried on with any appreciable degree of permanence. Today, 77 per cent of the people require a daily supply of fluid money, while a century ago only 15 per cent needed it.

Thousands of workers were encouraged to stop producing their own livelihood on small tracts because they could buy so cheaply. This brought about a greater demand for fluid money among the laboring and middle classes and a greater concentration of wealth and investment among the dealers in goods.

When industrial work stopped, these laboring and middle classes discovered they had given up their independence and to a large extent the implements by which they could produce their own subsistence. When the normal flow of money required to feed their families stopped, they were thrown upon a bare city lot and an overburdened government for food, raiment, and shelter.

In the early period of the United States, so long as extensive construction was under way throughout the middle west, and while natural resources were abundant, people could carry on in spite of a national imbalance between industry, agriculture, and commerce.

But as the natural resources were mined out and the vast rural areas settled down to an earnest endeavor to earn a living from depleted soils, then the concentration of industrial wealth and activity became a real hazard to the livelihood of the thousands who depended upon industry for their entire existence.

In a northern Alabama Hotel the atmosphere in the lobby was under considerable tension. A traveler from the Chicago Gold Coast was voicing his disapproval of the South, of Southern backwardness, and of the aid extended to southern areas by the Federal program.

Directing his statement to the writer he emphasized: "You folks in the South ask for

his liberty. In this request Paul goes beyond and above the law of his day. I've thought as I have read of the reports of the growing tenacity of the situation in Europe, of the obvious drift toward a war that may yet involve the entire world, that again we are going to be called upon to witness the failure of man-made substitutes, of preventative against war, Diplomacy, intrigue, secret treaties, the pressure of commercial relationship, larger armies and navies, all alike, will break down and fail. The only thing that is ever going to bring about world peace is the power of Christ as exemplified in Christian brotherhood, a brotherhood that reaches above and beyond the law, above and beyond the letter of treaties and agreements and peace pacts, and puts in the place of man-made substitutes, the teaching and philosophy and principles of Christ and Christian brotherhood. This is, and in the final analysis must be, the only guarantee of world peace.

more, do less, and receive more from the Federal Treasury than any gang I know of, and we fellows pay the bill. I tell you it is a damnable graft, and we are fools to pay for it."
He had thrown down the gauntlet, and for the next two hours he was obliged to listen to the other side of the story.
It is upon the South that our

international exchange most largely depends. For a century cotton has been the principal factor in our United States exchange values. Cotton has gone onto the exchange market without any national protection. Both plantation owner and worker were forced into competition with the foreign labor markets. Ethiopians, Chinese, and Hindoos are typical of the laborers with whom our south-

ern workers have had to compete. Southern cotton was demanded by New England to be on a free market, but the goods manufactured by these same New England mills were permitted to enjoy protection from foreign competition.

This was not the only handicap which faced the cotton growers. After they had sold the products of their own labor on an international competitive market, they

were expected to buy their dairy, meat, and cereal food stuffs from the North on a high protective market.

It was this differential between the national and international market that encouraged the South first to adopt a slave, then a tenant system to find a way out. It is a question whether the latter is much of an improvement over the former.

FFA CHAPTER CHANGES TIME OF MEETING

The Crowell chapter of the Future Farmers of America will meet at 6:30 o'clock instead of 7:00 o'clock at their coming meetings, it was decided at the regular meeting Tuesday, December 8. The time of meeting was changed in order that the chapter can have more time for both business and recreation.

The chapter conducted a parliamentary practice program after which several games were played in the gymnasium. Refreshments of candy, bananas, and cookies were served to 24 members and the advisor, Walker Todd, after the games.

BASKETBALL HIGHLIGHTS

The Wildcats were feasting on various kinds of birds last week. They tore the Eagles of Chillicothe up rather decidedly, but they found the Turks of Turkey a little tough to tear into.

We are not going to admit that Turkey has the better basketball team, however, until we get a chance at them with our two regular guards in the line-up.

Nelson, Fitzgerald and the other reserves that played against Turkey were looking good, but they lack quite a bit being able to play the brand of ball that Owens and Whitfield can play.

Kelsey was the outstanding man for Crowell in the Turkey game. He was handling the ball better out on the floor than he has any other time this season. He was finding the basket rather often, too.

Yarborough and Young were the hotshots playing for Turkey. Those two boys and Meecham graduate in January. In fact, Yarborough and Young have already had four years of basketball.

Middlebrook was looking a lot better on his floor work in the Turkey game, but he still has trouble with his shots.

The FFA boys were going basketball minded last Saturday. They won the tournament at Chillicothe that was held for this FFA district. Ed Smith was plenty warm in those games.

We only have a few more contests until the Northwest Texas Basketball Conference games start. We play some of the larger schools of this territory in that schedule. Wichita Falls, Vernon, Quanah, and Childress are included.

We certainly hope Cotton and Jim are back in shape before those games get under way.

FIELD TRIP

The morning Vocational Agricultural class went to Will Erwin's home Friday morning and helped Jim Hill and his father kill and dress four large hogs. Mr. Erwin turned most of the work over to the boys. Sam Russell, Jim Hill Erwin, Glenn Shook, Franklin Evans, Raymond Joy, Cecil Carroll, Granville Mullins, Chippie Griffin, Richard Davidson, Edward Gafford, Bob Middlebrook and Clois Orr proved to be pretty fair butchers. Mrs. Erwin served the boys lunch in cafeteria style.

CROWELL FFA TEAM WINS TROPHY

The Crowell FFA basketball team emerged as winners of the district FFA basketball tournament at Chillicothe Saturday, December 12. A small trophy is to be given to the winner. Teams represented were Harrold, Chillicothe, Westover, Burk Burnett and Crowell. Kirkland was supposed to be present but due to a tournament there, they were unable to attend. Crowell defeated Harrold 69 to 4 in the first game, then drew a bye and went to the final game with Chillicothe. The final score was 37 to 26. Those making up the Crowell team were Garrett Middlebrook, Ed Smith, Raymond Joy, Floyd Bradford, Bernice Fitzgerald, Buster Davidson, Tommie Haseloff, and Sam Russell. Others who went were Hughes Fish, District FFA Secretary, Billie Brown, local aggie sweetheart; Ann Mabe, and Walker P. Todd, advisor.

NEW LIBRARY BOOKS

Twenty-six new library books were received last week. They are: "Alaskan," "The Heart of the Hills," "The Hunchback of Notre Dame," "The Blazed Trail," "The Moonstone," "Mrs. Haliburton's Troubles," "Shirley," "Understood Betsy," "Cyrano de Bergerac," "Oscar Wilde," "Minute Biography," "The Green Pastures," "The Tragic Era," "The Perfect Tribute," "Twelve Men," "The Buccaneers and Pirates of Our Coasts," "Plays by Henrik Ibsen," "Come With Me Through France," "The Good Earth," "The Life of Horatio Lord Nelson" and "Ghosts and Two Other Plays."

The books will be issued at the beginning of next semester.

BASKETBALL

The Turkey basketball team won a game from the Crowell team last Thursday by a score of 31 to 19. The Crowell team was handicapped greatly by the loss of their main string guards, Jim Whitfield and T. S. Owens, who are sick. The Junior team played two games

last week, winning one and losing one. The loss was to Aeme by a score of 43 to 9 and the win was over Margaret by a score of 23 to 9.

FOOTBALL BANQUET

The Rotary Club honored the Football boys with a banquet Wednesday last week. Chief speaker on the program was Rev. John Tyndall. Coach Grady Graves and Football Captain Garland Rasberry also made short talks.

EX MAKES BOW

"The Enemy," a four-act arrangement of war by Channing Pollock, will be presented by the College Players of North Texas State Teachers College next Thursday, December 17, as one of that group's contributions to the Fine Arts season. The first major production of the dramatic club this season, "The Enemy" is in special keeping with the Christmas season as it brings a message of peace.

Geraldine Carter, who plays the leading feminine role, is a sophomore from Crowell. She gained her dramatic experience in high school productions in Crowell under the direction of Mrs. I. T. Graves.

LOCALS

Billie Brown, FFA Sweetheart, went to Chillicothe Saturday with the FFA club. She was accompanied by Ann Mabe.

The volleyball girls sold candy at the basketball game last Thursday night. The money taken in by the club is to be spent for new suits.

Evelyn Cauthon went to Abilene last Wednesday and returned Thursday afternoon.

Frances Henry Johnson and Theda Wright spent the weekend in New Mexico.

Jim Whitfield has been absent from school several days on account of illness.

Garrett Middlebrook was absent from school Friday because of illness.

J. S. Owens has been ill for several days.

ASSEMBLY PROGRAM

Fond memories were brought back when Miss Vera Patton presented her assembly program Monday morning, December 14. The play was representing the day when the teachers went to school. Miss Patton's entire class took part in the program. The students were permitted to see how their teachers acted in their school days.

Coach Graves will present his assembly program Friday, December 18.

CHRISTMAS HOLIDAYS

The Crowell Public Schools will turn out December 18 for the Christmas Holidays. The students will resume their studies December 28.

SNOOPING

We find that Ed Smith and Buster Davidson did a swell job of escorting Ann Mabe to Chillicothe Saturday. Tommie wasn't doing so bad, he had the FFA sweetheart.

Granville, what will Dorothy Dee say when she finds you've been two-timing her? We have trouble with the "dizzy" blondes, don't we, Dorothy? Seems like Norma has something the brunettes can't have.

Seems as if Mary Housouer is robbing the cradle. "Sonny" Schooley was seen driving her around Sunday afternoon. Guess who Frances Davis is sporting around now?

Is it true Thelma White couldn't type well Monday for thinking about her boy friends?

It seems we hear Faye Zeibig has a football hero—W. F. Statser.

We wonder who Harwell Hale sat by in church Sunday night.

If at first you do not succeed try, try, again. That's just what Dorothy Dee did. Edward Gafford, what did she want when she called you out of the second study hall?

It seems that G. D. Reeder has given his girl friend the air, judging from a note recently written to Elsie Vecera. Well, girls, G. D. is the ladies' man if that's what you discovered. G. D., where has your ability to spite the ladies gone?

CAN YOU FEATURE—

Annie Mae Hall with blond hair? Joyce White liking anyone except Jimmie Williams? Margaret Long not talking with Marion Benham? Buster without Virginia Mae? Mary Housouer coming to school a whole day at a time? James Long reporting to Spanish class more than three days a week? Johnnie Orr without a note to Jenny Dee? Lenagene Green not giggling in the study hall? Glenn Shook with his algebra lesson? Raymond Joy minding his own business? Margaret Woods without a new

Compensation Law Explained by Head; Tells Differences

Austin.—Promising sane and constructive administration of Texas' new Unemployment Compensation Law, first explanations of the law designed to stabilize employment were made here this week by R. B. Anderson, chairman of the Texas Unemployment Compensation Commission.

Anderson's initial explanation emphasized the distinctions between the Texas "job insurance" law and the various phases of the Federal Social Security Act. Because the two laws are distinct, yet interrelated, considerable confusion has resulted, particularly following the current intensive drive of the Federal government to enroll employers and employees.

Differentiating between the laws, Anderson emphasized these points:

1. Under the Federal law, a tax against workers will be collected. With this tax on employees, the Texas law has no connection whatever. The Texas tax provisions are applicable solely to employers.
2. While the Federal Social Security law includes a division relating to unemployment compensation, or insurance, the administration of unemployment compensation is entirely a matter for the state.

3. Had the state failed to enact an unemployment compensation act, employers nevertheless would be assessed a tax by the Federal government. The state having enacted a law, the same amount of taxes will be collected; but nine-tenths of the total will be paid to the state, and one-tenth only to the Federal government. The state tax must be paid first; and the amount paid to the state may be deducted from the amount assessed by the Federal government.

Anderson likewise emphasized that the law was designed for the sole purpose of helping workers in times of stress. "The purpose is not to put anybody on a dole, nor to place a premium on idleness. Its sole purpose is to provide a living income to workers during periods of unemployment. Not only are payments meager; they are rigidly limited in duration. The man who has proved by his past record that he wants to work will draw a proportionately larger benefit than the drifter, the shiftless and the occasional worker."

JOKES

Garrett: "Does your father object to my staying so late?"
 Lois E.: "Oh, no. He says it gives me right for letting you hang around."

Henry Black: "I see that in South Africa a single spearhead will often purchase a wife."
 Ann Mabe: "That's nothing. I know of instances in this country where a bone head got one."

Marvin McKown: "Did you take your usual two weeks' camping trip this year?"
 John Lee Orr: "No, we just left our house doors open, removed the window screens and got the same effect."

The Ant Lion

The ant lion is the larval form of a winged insect. It digs its pit, waits concealed until an ant or other small insect falls in, then throws sand on the head of the victim so it can't get out.

Brigham Young Left 17 Wives

Brigham Young died in Salt Lake City, August 29, 1877, leaving 17 wives and 47 children. In his will he provided each wife with a home of her own or a life suite in Lion House with ample provision for her maintenance in comfort for the rest of her life. All his sons and daughters inherited alike.

Tens of Barnacles Carried

Ocean vessels must go into drydock every six or eight months because of barnacles, 50 to 300 tons of the pests collecting on the hull every year.—Popular Mechanics Magazine.

World's Youngest Mayor Guest of LaGuardia and New York

Municipal budgets and such were discussed by the mayor of the world's largest city and world's youngest mayor when Mayor LaGuardia of New York played host to 17-year-old Mayor Daniel Kampan of Boys Town recently. Left to right above are LaGuardia, Kampan and Father Flanagan, founder and director of Boys Town.

THE world's youngest mayor visited New York recently as official guest of the mayor of the world's largest city—and they talked about budgets!

Danny Kampan, Mayor of Boys Town, Nebr., is only 17 and the youngest mayor of a real city in the world. As mayor of New York, Fiorello LaGuardia controls the largest municipal budget in the world.

After being locked in private conference in LaGuardia's office for some fifteen minutes, the mayor of New York admitted newspapermen and photographers:

"Mayor Kampan and I have exchanged credentials" LaGuardia said. "We've decided this job of being mayor isn't all it's cracked up to be!"

"You said it!" chimed in the youthful Kampan.

Going to New York to take part in a national radio broadcast, the Mayor of Boys Town and Father Flanagan, founder and director of the nationally famous home for homeless boys there were accorded all the courtesies and honors extended by the metropolis only to world celebrities. They were met at the train by Mayor LaGuardia's official motor cavalcade with smartly uniformed motorcycle officers flanking all sides. With screaming sirens clearing their way through the heavy New York traffic, they were whisked to the city hall for the big public reception.

While the two mayors posed for a battery of photographers, Father Flanagan stood in the background smiling gently, his eyes serious and kindly. He founded Boys Town, ten miles west of Omaha in 1917. Since then 4,466 homeless boys of all races, colors and creeds—from the 48 states of the union have been made good citizens there.

Besieged by reporters for a history of his famous home he said: "No boy is a really bad boy. If you take him off the streets you can stem the tide of crime. No one wants to be a criminal. It's only the lack of opportunity that makes boys criminals."

Breathless before the honors and recognition extended his homeless boys by the great American metropolis Father Flanagan told newspapermen how Boys Town began 19 years ago with five boys, how today present Boys Town with its 360 acres of fine farm land and modern buildings was his dream come true. With pride he showed reporters a recent letter written him by J. Edgar Hoover, head of the nation's G-Men. Hoover wrote: "If Boys Town were just financially able to care for all the boys that need its help, crime would be dealt one of the most effective and crushing blows I can imagine."

While in New York, young Kampan was offered an opportunity to attend an eastern preparatory school, a scholarship in an eastern college and a career. He turned them down with thanks, and a smile: "Thank you very much" he said "but I think I'll go back with Father Flanagan!"

Tens of Barnacles Carried

Ocean vessels must go into drydock every six or eight months because of barnacles, 50 to 300 tons of the pests collecting on the hull every year.—Popular Mechanics Magazine.

097 in said Court; I did, on the 8th day of December, 1936, at 10 o'clock a. m., levy upon the following described parcels and tracts of land situated in Foard County, Texas, as the property of said defendants, said property being more particularly described by metes and bounds as follows, to-wit:

177 acres of land, more or less, being a part and out of the Thos. Leftwich Survey, Abstract No. 420, Certificate No. 15/391, patented to Thos. Leftwich March 6, 1859, Pat. No. 459, Volume No. 16, and being more particularly described as follows:

Beginning at a stone set for the Southeast corner of the Thos. Leftwich Survey;

Thence North 1050 yds. to the North line of Survey No. 462, H. & T. C. Ry. Co.;

Thence West 1281 yds. to a point in the West line of said Leftwich Survey;

Thence South with the West line of said Leftwich Survey, 525 yds.;

Thence East 657 yds. to public road on the West line of Section No. 462;

Thence South 525 yds. to a stake in the South line of said Leftwich Survey;

Thence East 624 yds. to the place of beginning; and

Being the same land described as Tract No. 1 in a certain deed referred to as the S. M. Roberts trust executed by S. M. Roberts, et ux., to M. H. Gossett, Trustee, dated November 25, 1922, and shown of record in Vol. 11, Page 423, Deed of Trust Records of Foard County, Texas, to which reference is hereby made for all legal purposes.

Being the same land described in Deed of Trust executed by S. M. Roberts, et al., to A. C. Williams, Trustee, on February 13, 1924, and recorded in Volume 18, Page 613, of the Records of Marriages and Trust Deeds of Foard County, Texas.

Said property being located about one mile West from the City of Crowell, Texas, in said County, and commonly known and

Estate. And on the 5th day of January, 1937, same being the first Tuesday of said month, between the hours of 10:00 o'clock A. M. and 4:00 o'clock P. M. of said date at the Courthouse door of Foard County, Texas, in the City of Crowell in said County, I will offer for sale and sell at public auction for cash all the right, title, estate and interest of the said Leonard B. Roberts, Hubert Roberts, Glen M. Roberts, Beulah Roberts, Tom Dockins, Humphreys Dockins, Lowell Dockins, A. J. Dockins and the Crowell National Farm Loan Association, in and to the said heretofore described land and premises and apply the proceeds of such sale to the satisfaction of the judgment for the sum of Four Thousand Two Hundred Ninety-Two and 14/100 (\$4,292.14) Dollars, together with interest, costs, attorney's fees and the further cost of executing this writ, which amount was adjudged against Leonard B. Roberts and Glen M. Roberts; and if any balance shall remain in my hands after the satisfaction of said amount, such balance shall be paid to the said defendants as their interests shall appear; and within thirty (30) days after the date of said sale I will place the purchaser in possession of said property.

Dated at Crowell, Foard County, Texas, this 8th day of December, A. D. 1936.

R. J. THOMAS, Sheriff of Foard County, Texas.

VERNON STEAM LAUNDRY

FORD

advances into 1937 with the **LOWEST PRICE IN YEARS** and new operating economy

THE ADDITION of a new 60-horsepower engine to the Ford line for 1937 brings you a new, low price and gives you a choice of two V-type 8-cylinder engines. 85 horsepower for maximum performance, 60 horsepower for maximum economy.

The 60-horsepower V-8 engine was originally developed for use in England and France, where fuel costs are high. It has been proven there for two years with brilliant success. Now, brought to America, it creates an entirely new standard of modern motoring economy!

The "60" engine, available in five body types, is built in exactly the same body size and wheelbase—to the same advanced design—with the same comfort and convenience as the "85." And it delivers V-8 smoothness at speeds up to 70 miles an hour.

Two engine sizes—but only one car and one purpose—to give you more miles and more satisfaction for your money in 1937.

Point thy tongue on the anvil of truth.—Pindar.

Solitude is as useful to the imagination as society is whole-some for the character.—James Russell Lowell.

Kapok, Down from Seed Pods

Kapok is the down from the seed pods of the Randoe tree, grown chiefly in Java, but to some extent in Ceylon and the Philippine Islands. The United States imports around 700,000 tons per year. Due to its resilience it is used in the manufacture of pillows and mattresses. Its buoyancy makes it useful in the manufacture of life preservers. It has been found that it is an excellent insulating material for both heat and sound.

MESCAL IKE By S. L. HUNTLEY

Bates to Mulloney to Boggs

more, do less, and receive more from the Federal Treasury than any gang I know of, and we fellows pay the bill. I tell you it is a damnable graft, and we are fools to pay for it."

He had thrown down the gauntlet, and for the next two hours he was obliged to listen to the other side of the story.

It is upon the South that our international exchange most largely depends. For a century cotton has been the principal factor in our United States exchange values. Cotton has gone onto the exchange market without any national protection. Both plantation owner and worker were forced into competition with the foreign labor markets. Ethiopians, Chinese, and Hindoes are typical of the laborers with whom our southern workers have had to compete. Southern cotton was demanded by New England to be on a free market, but the goods manufactured by these same New England mills were permitted to enjoy protection from foreign competition.

This was not the only handicap which faced the cotton growers. After they had sold the products of their own labor on an international competitive market, they were expected to buy their dairy, meat, and cereal food stuffs from the North on a high protective market.

It was this differential between the national and international market that encouraged the South first to adopt a slave, then a tenant system to find a way out. It is a question whether the latter is much of an improvement over the former.

CHURCHES

Christian Science Church
Sunday School at 10 a. m.
Sunday services at 11 a. m.
Wednesday evening services at 8 o'clock.

Sunday, December 20, 1936.
Subject: "Is the Universe, Including Man, Evolved by Atomic Force?"
The public is cordially invited.

First Baptist Church
Sunday School at 9:45, I. T. Graves, general superintendent.
Preaching at 11 a. m. by W. B. Fitzgerald, pastor.

E. A. U. and B. T. U. at 6 o'clock, Garnet Jones, general superintendent.

First Christian Church

A Christmas program will be given by the young people at the First Christian Church Bible School next Sunday morning at ten o'clock and every member of the Church and Sunday School is invited to be present. The program is one that the older members will appreciate and one that the children will greatly enjoy. We hope that every member will be present to add his or her bit to the success of the program. A letter is being mailed to all members of the church inviting them to come, but a special invitation is extended to the public to worship with us.

The Church and Bible School will give a package of candy and fruit to all the children present. Here is your opportunity to make the little folk happy. Bring them to Sunday School.

Special Christmas music will be rendered at the morning worship hour, and a Christmas sermon will be delivered by the minister. The subject will be "The Different Road." Let us all meet at the Church and celebrate the Birthday of the Saviour in a way that will be pleasing to Him. We hope to see many of you Sunday.

Christian Science Services
"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, December 20.

The Golden Text is: "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands" (Hebrews 1:10.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is but one God, the Father, of whom are all things, and we in him" (1 Corinthians 8:6.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them" (page 295.)

Two Minute Sermon
(By Thomas Hastwell)

The Only Hope: In Paul's letter to Philemon, written on the occasion on which he sent the slave Onesimus back to his master with the suggestion that because of friendship and brotherhood the master set the slave free, is presented in a clear cut manner, the question of Christian brotherhood. The law of the land gave the master the undisputed power of life and death over his slaves. The penalty for a slave's running away was invariably death if he should be retaken. Notwithstanding this fact Paul appeals to Philemon that the returned slave not only be received kindly but even be given

Agriculture Should Develop Along With Commerce, Industry

(Dean W. R. Woolrich, who at the beginning of the current session of the University of Texas became a member of the staff of that institution as head of the College of Engineering, has made a study of the economic situation of the South especially as it relates to cotton, its principal product. In a series of five articles, of which this is the first, Dean Woolrich has analyzed the situation which confronts the people of Texas and other cotton producing states and points out the obstacles to their development and progress. His first article follows.)

By W. R. Woolrich, Dean College of Engineering, University of Texas.

There is a fundamental need for agriculture, industry, and commerce to go down the road together in finding new ways of using farm and mineral products, new methods of adding soil fertility, new equipment for improving country life, and new devices for turning the destructive forces of nature into agencies for the public good. They will thus direct new forces toward the stabilization of both industry, agriculture, and commerce for their supporting region.

During the past century period in which the activities of industry and agriculture were wide apart, the national percentage of people living under rural conditions decreased to 23 per cent. The United States became more urbanized than any nation that had ever carried on with any appreciable degree of permanence. Today, 77 per cent of the people require a daily supply of fluid money, while a century ago only 15 per cent needed it.

Thousands of workers were encouraged to stop producing their own livelihood on small tracts because they could buy so cheaply. This brought about a greater demand for fluid money among the laboring and middle classes and a greater and greater concentration of wealth and investment among the dealers in goods.

When industrial work stopped, these laboring and middle classes discovered they had given up their independence and to a large extent the implements by which they could produce their own subsistence. When the normal flow of money required to feed their families stopped, they were thrown upon a bare city lot and an overburdened government for food, raiment, and shelter.

In the early period of the United States, so long as extensive construction was under way throughout the middle west, and while natural resources were abundant, people could carry on in spite of a national unbalance between industry, agriculture, and commerce.

But as the natural resources were mined out and the vast rural areas settled down to an earnest endeavor to earn a living from depleted soils, then the concentration of industrial wealth and activity became a real hazard to the livelihood of the thousands who depended upon industry for their entire existence.

In a northern Alabama Hotel the atmosphere in the lobby was under considerable tension. A traveler from the Chicago Gold Coast was voicing his disapproval of the South, of Southern backwardness, and of the aid extended to southern areas by the Federal program.

Directing his statement to the writer he emphasized: "You folks in the South ask for

his liberty. In this request Paul goes beyond and above the law of his day. I've thought as I have read of the reports of the growing tenacity of the situation in Europe, of the obvious drift toward a war that may yet involve the entire world, that again we are going to be called upon to witness the failure of man made currenals and preventatives against war. Diplomacy, intrigue, secret treaties, the pressure of commercial relationship, larger armies and navies, all alike, will break down and fail. The only thing that is ever going to bring about world peace is the power of Christ as exemplified in Christian brotherhood, a brotherhood that reaches above and beyond the law, above and beyond the letter of treaties and agreements and peace pacts, and puts in the place of man made substitutes, the teaching and philosophy and principles of Christ and Christian brotherhood. This is, and in the final analysis must be, the only guarantee of world peace.

FFA CHAPTER CHANGES TIME OF MEETING

The Crowell chapter of the Future Farmers of America will meet at 6:30 o'clock instead of 7:30 o'clock at their coming meetings, it was decided at the regular monthly meeting Tuesday, December 8. The time of meeting was changed in order that the chapter can have more time for both business and recreation.

The chapter conducted a parliamentary practice program after which several games were played in the gymnasium. Refreshments of candy, bananas, and cookies were served to 24 members and the advisor, Walker Todd, after the games.

BASKETBALL HIGHLIGHTS

The Wildcats were feasting on various kinds of birds last week. They took the Eagles of Chillicothe on rather decidedly, but they found the Turks of Turkey a little tough to tear into.

We are not going to admit that Turkey has the better basketball team, however, until we get a chance at them with our two regular guards in the line-up.

Nelson, Fitzgerald and the other reserves that played against Turkey were looking good, but they lack quite a bit being able to play the brand of ball that Owens and Whitfield can play.

Kelsey was the outstanding man for Crowell in the Turkey game. He was handling the ball better out on the floor than he has any other time this season. He was finding the basket rather often, too.

Yarborough and Young were the hotshots playing for Turkey. Those two boys and Meecham graduate in January. In fact, Yarborough and Young have already had four years of basketball.

Middlebrook was looking a lot better on his floor work in the Turkey game, but he still has trouble with his shots.

The FFA boys were going basketball minded last Saturday. They won the tournament at Chillicothe that was held for this FFA district. Ed Smith was plenty warm in those games.

We only have a few more contests until the Northwest Texas Basketball Conference games start. We play some of the larger schools of this territory in that schedule. Wichita Falls, Vernon, Quanah, and Childress are included.

We certainly hope Cotton and Jim are back in shape before those games get under way.

FIELD TRIP

The morning Vocational Agricultural class went to Will Erwin's home Friday morning and helped Jim Hill and his father kill and dress four large hogs. Mr. Erwin turned most of the work over to the boys. Sam Russell, Jim Hill Erwin, Glenn Shook, Franklin Evans, Raymond Joy, Cecil Carroll, Granville Mullins, Chippie Griffin, Richard Davidson, Edward Gafford, Bob Middlebrook and Clois Orr proved to be pretty fair butchers. Mrs. Erwin served the boys lunch in cafeteria style.

CROWELL FFA TEAM WINS TROPHY

The Crowell FFA basketball team emerged as winners of the district FFA basketball tournament at Chillicothe Saturday, December 12. A small trophy is to be given to the winner. Teams represented were Harrold, Chillicothe, Westover, Burk Burnett and Crowell. Kirkland was supposed to be present but due to a tournament there, they were unable to attend. Crowell defeated Harrold 29 to 4 in the first game, then drew a bye and went to the finish with Chillicothe. The final score was 37 to 26. Those making up the Crowell team were Garrett Middlebrook, Ed Smith, Raymond Joy, Floyd Bradford, Bernice Fitzgerald, Buster Davidson, Tommie Haseloff, and Sam Russell. Others who went were Hughes Fish, District FFA Secretary, Billie Brown, local agrgie sweetheart; Ann Mabe, and Walker P. Todd, advisor.

NEW LIBRARY BOOKS

Twenty-six new library books were received last week. They are: "Alaskan," "The Heart of the Hills," "The Hunchback of Notre Dame," "The Blazed Trail," "The Moonstone," "Mrs. Haliburton's Troubles," "Shirley," "Understood Betsy," "Cyrano de Bergerac," "Oscar Wilde," "Minute Biography," "The Green Pastures," "The Tragic Era," "The Perfect Tribute," "Twelve Men," "The Buccaneers and Pirates of Our Coasts," "Plays by Henrik Ibsen," "Come With Me Through France," "The Good Earth," "The Life of Horatio Lord Nelson" and "Ghosts and Two Other Plays."

BASKETBALL

The Turkey basketball team won a game from the Crowell team last Thursday by a score of 31 to 19. The Crowell team was handicapped greatly by the loss of their main string guards, Jim Whitfield and T. S. Owens, who are sick. The Junior team played two games

last week, winning one and losing one. The loss was to Acme by a score of 43 to 9 and the win was over Margaret by a score of 23 to 9.

FOOTBALL BANQUET

The Rotary Club honored the Football boys with a banquet Wednesday of last week. Chief speaker on the program was Rev. John Tyndall. Coach Grady Graves and Football Captain Garland Rasberry also made short talks.

EX MAKES BOW

"The Enemy," a four-act arrangement of war by Channing Pollock, will be presented by the College Players of North Texas State Teachers College next Thursday, December 17, as one of that group's contributions to the Fine Arts season. The first major production of the dramatic club this season, "The Enemy" is in special keeping with the Christmas season as it brings a message of peace.

Geraldine Carter, who plays the leading feminine role, is a sophomore from Crowell. She gained her dramatic experience in high school productions in Crowell under the direction of Mrs. I. T. Graves.

LOCALS

Billie Brown, FFA Sweetheart, went to Chillicothe Saturday with the FFA club. She was accompanied by Ann Mabe.

The vally ball girls sold candy at the basketball game last Thursday night. The money taken in by the club is to be spent for new suits.

Evelon Cauthon went to Abilene last Wednesday and returned Thursday afternoon.

Frances Henry Johnson and Theda Wright spent the week-end in New Mexico.

Jim Whitfield has been absent from school several days on account of illness.

J. S. Owens has been ill for several days.

ASSEMBLY PROGRAM

Fond memories were brought back when Miss Vera Patton presented her assembly program Monday morning, December 14. The play was representing the day when the teachers went to school. Miss Patton's entire class took part in the program. The students were permitted to see how their teachers acted in their school days.

Coach Graves will present his assembly program Friday, December 18.

CHRISTMAS HOLIDAYS

The Crowell Public Schools will turn out December 18 for the Christmas Holidays. The students will resume their studies December 28.

SNOOPING

We find that Ed Smith and Buster Davidson did a swell job of escorting Ann Mabe to Chillicothe Saturday. Tommie wasn't doing so bad, he had the FFA sweetheart.

Granville, what will Dorothy Dee say when she finds you've been two-timing her? We have trouble with the "dizzy" blondes, don't we, Dorothy? Seems like Norma has something the brunettes can't have.

Seems as if Mary Housouer is robbing the cradle. "Sonny" Schooley was seen driving her around Sunday afternoon. Guess who Frances Davis is sporting around now?

Is it true Thelma White couldn't type well Monday for thinking about her boy friends?

It seems we hear Faye Zeibig has a football hero—W. F. Statser.

We wonder who Harwell had sat in by church Sunday night. If at first you do not succeed try, try, again. That's just what Dorothy Dee did. Edward Gafford, what did she want when she called you out of the second study hall?

It seems that G. D. Reeder has given his girl friend the air, judging from a note recently written to Elsie Veeger. Well, girls, G. D. is the ladies' man if that's what you discovered. G. D., where has your ability to spite the ladies gone?

CAN YOU FEATURE—

Annie Mae Hall with blond hair?
 Joyce White liking anyone except Jimmie Williams?
 Margaret Long not talking with Marion Benham?
 Buster without Virginia Mae?
 Mary Housouer coming to school a whole day at a time?
 James Long reporting to Spanish class more than three days a week?
 Johnnie Orr without a note to Jenny Dee?
 Lenagene Green not giggling in the study hall?
 Glenn Shook with his algebra lesson?
 Raymond Joy minding his own business?
 Margaret Woods without a new

Compensation Law Explained by Head; Tells Differences

Austin.—Promising sane and constructive administration of Texas' new Unemployment Compensation Law, first explanations of the law designed to stabilize employment were made here this week by R. B. Anderson, chairman of the Texas Unemployment Compensation Commission.

Anderson's initial explanation emphasized the distinctions between the Texas "job insurance" law and the various phases of the Federal Social Security Act. Because the two laws are distinct, yet interrelated, considerable confusion has resulted, particularly following the current intensive drive of the Federal government to enroll employers and employees.

Differentiating between the laws, Anderson emphasized these points:

1. Under the Federal law, a tax against workers will be collected. With this tax on employees, the Texas law has no connection whatever. The Texas tax provisions are applicable solely to employers.
2. While the Federal Social Security law includes a division relating to unemployment compensation, or insurance, the administration of unemployment compensation is entirely a matter for the state.

Anderson likewise emphasized that the law was designed for the sole purpose of helping workers in times of stress. "The purpose is not to put anybody on a dole, nor to place a premium on idleness. Its sole purpose is to provide a living income to workers during periods of unemployment. Not only are payments meager; they are rigidly limited in duration. The man who has proved by his past record that he wants to work will draw a proportionately larger benefit than the drifter, the shiftless and the occasional worker."

JOKES

Garrett: "Does your father object to my staying so late?"
 Lois E.: "Oh, no. He says it serves me right for letting you hang around."

Henry Black: "I see that in South Africa a single spearhead will often purchase a wife."
 Ann Mabe: "That's nothing. I know of instances in this country where a bone head got one."

Marvin McKown: "Did you take your usual two weeks' camping trip this year?"
 John Lee Orr: "No, we just left our house doors open, removed the window screens and got the same effect."

THE ANT LION

The ant lion is the larval form of a winged insect. It digs its pit, waits concealed until an ant or other small insect falls in, then throws sand on the head of the victim so it can't get out.

Brigham Young Left 17 Wives

Brigham Young died in Salt Lake City, August 29, 1877, leaving 17 wives and 47 children. In his will he provided each wife with a home of her own or a life suite in Lion House with ample provision for her maintenance in comfort for the rest of her life. All his sons and daughters inherited alike.

LEGAL NOTICE

The State of Texas, County of Foard.

To those indebted to, or holding claims against the Estate of J. W. Bell, or Julia A. Bell, deceased, the undersigned having been appointed administrator of the community estate of J. W. Bell and Julia A. Bell, deceased, also administrator of the separate estate of the said J. W. Bell, and Julia A. Bell, deceased, late of Foard County, Texas, on the 30th day of November, 1936, notice is hereby given to all persons indebted to the community estate, or the separate estate of J. W. Bell, and Julia A. Bell, or either of them to come forward and make settlement, and those having claims against the community estate, or the separate estate of J. W. Bell, Julia A. Bell, or either of them to present them to the undersigned within the time prescribed by law; that the residence of the said Valmer Bell is Crowell, Texas, where he receives his mail, this the 14th day of December, 1936.

VALMER BELL, Administrator of the Community Estate of J. W. Bell and Julia A. Bell, and Administrator of the separate estate of J. W. Bell and Julia A. Bell, deceased.

NOTICE OF SALE

The State of Texas, County of Foard.

By virtue of an Execution and Order of Sale issued out of the District Court of Harris County, Texas, 113th Judicial District, on a Judgment rendered in said Court on the 13th day of October, A. D. 1936, in favor of The Federal Land Bank of Houston, and against Leonard B. Roberts and Glen M. Roberts, for the sum of Four Thousand Two Hundred Ninety-Two and 14/100 (\$4,292.14) Dollars, with interest and costs, together with foreclosure of lien against Leonard B. Roberts, Hubert Roberts, Glen M. Roberts, Beulah Roberts, Tom Dockins, Humphreys Dockins, Lowell Dockins, A. J. Dockins and the Crowell National Farm Loan Association, in the case of The Federal Land Bank of Houston against Leonard B. Roberts, Hubert Roberts, Glen M. Roberts, Beulah Roberts, Tom Dockins, Humphreys Dockins, Lowell Dockins, A. J. Dockins and the Crowell National Farm Loan Association, No. 230-

Tens of Barnacles Carried

Ocean vessels must go into dry-dock every six or eight months because of barnacles, 50 to 300 tons of the pests collecting on the hull every year.—Popular Mechanics Magazine.

World's Youngest Mayor Guest of LaGuardia and New York

Municipal budgets and such were discussed by the mayor of the world's largest city and world's youngest mayor when Mayor LaGuardia of New York played host to 17-year-old Mayor Daniel Kampan of Boys Town recently. Left to right above are LaGuardia, Kampan and Father Flanagan, founder and director of Boys Town.

THE world's youngest mayor visited New York recently as official guest of the mayor of the world's largest city—and they talked about budgets!

Danny Kampan, Mayor of Boys Town, Nebr., is only 17 and the youngest mayor of a real city in the world. As mayor of New York, Fiorello LaGuardia controls the largest municipal budget in the world.

After being locked in private conference in LaGuardia's office for some fifteen minutes, the mayor of New York admitted newspapermen and photographers.

"Mayor Kampan and I have exchanged credentials" LaGuardia said. "We've decided this job of being mayor isn't all it's cracked up to be!"

"You said it!" chimed in the youthful Kampan.

Going to New York to take part in a national radio broadcast, the Mayor of Boys Town and Father Flanagan, founder and director of the nationally famous home for homeless boys there were accorded all the courtesies and honors extended by the metropolis only to world celebrities. They were met at the train by Mayor LaGuardia's official motor cavalcade with smartly uniformed motorcycle officers flanking all sides. With screaming sirens clearing their way through the heavy New York traffic, they were whisked to the city hall for the big public reception.

While the two mayors posed for a battery of photographers, Father Flanagan stood in the

background smiling gently, his eyes serious and kindly. He founded Boys Town, ten miles west of Omaha in 1917. Since then 4,466 homeless boys of all races, colors and creeds—from the 48 states of the union have been made good citizens there.

Besieged by reporters for a history of his famous home he said: "No boy is a really bad boy. If you take him off the streets you can stem the tide of Crime. No one wants to be a criminal. It's only the lack of opportunity that makes boys criminals."

Breathless before the honors and recognition extended his homeless boys by the great American metropolis Father Flanagan told newspapermen how Boys Town began 19 years ago with five boys, how today present Boys Town with its 360 acres of fine farm land and modern buildings was his dream come true. With pride he showed reporters a recent letter written him by J. Edgar Hoover, head of the nation's G-Men. Hoover wrote: "If Boys Town were just financially able to care for all the boys that need its help, crime would be dealt one of the most effective and crushing blows I can imagine."

While in New York, young Kampan was offered an opportunity to attend an eastern preparatory school, a scholarship in an eastern college and a career. He turned them down with thanks, and a smile:

"Thank you very much" he said "but I think I'll go back with Father Flanagan!"

097 in said Court; I did, on the 8th day of December, 1936, at 10 o'clock a. m., levy upon the following described parcels and tracts of land situated in Foard County, Texas, as the property of said defendants, said property being more particularly described by metes and bounds as follows, to-wit:

177 acres of land, more or less, being a part and out of the Thos. Leftwich Survey, Abstract No. 429, Certificate No. 15,391, patented to Thos. Leftwich March 6, 1880, Pat. No. 459, Volume No. 10, and being more particularly described as follows:

Beginning at a stone set for the Southeast corner of the Thos. Leftwich Survey;

Thence North 1050 vrs. to the North line of Survey No. 462, H. & T. C. Ry. Co.;

Thence West 1281 vrs. to a point in the West line of said Leftwich Survey;

Thence South with the West line of said Leftwich Survey, 525 vrs.;

Thence East 657 vrs. to public road on the West line of Section No. 462;

Thence South 525 vrs. to a stake in the South line of said Leftwich Survey;

Thence East 624 vrs. to the place of beginning; and

Being the same land described as Tract No. 1 in a certain deed referred to as the S. M. Roberts of trust executed by S. M. Roberts, et ux., to M. H. Gossett, Trustee, dated November 25, 1922, and shown of record in Vol. 11, Page 423, Deed of Trust Records of Foard County, Texas, to which reference is hereby made for all legal purposes.

Being the same land described in Deed of Trust executed by S. M. Roberts, et al., to A. C. Williams, Trustee, on February 13, 1934, and recorded in Volume 18, at Page 613, of the Records of Marriages and Trust Deeds of Foard County, Texas.

Said property being located about one mile West from the City of Crowell, Texas, in said County, and commonly known and

VERNON STEAM LAUNDRY

Office in Lanier Building

FORD

advances into 1937 with the **LOWEST PRICE IN YEARS** and new operating economy

THE ADDITION of a new 60-horsepower engine to the Ford line for 1937 brings you a new, low price and gives you a choice of two V-type 8-cylinder engines. 85 horsepower for maximum performance, 60 horsepower for maximum economy.

The 60-horsepower V-8 engine was originally developed for use in England and France, where fuel costs are high. It has been proven there for two years with brilliant success. Now, brought to America, it creates an entirely new standard of modern motoring economy!

The "60" engine, available in five body types, is built in exactly the same body size and wheelbase—to the same advanced design—with the same comfort and convenience as the "85." And it delivers V-8 smoothness at speeds up to 70 miles an hour.

Two engine sizes—but only one car and one purpose—to give you more miles and more satisfaction for your money in 1937.

FORD BASE PRICES FOR 1937

\$ **480** AND UP At Dearborn Plant

Taxes, Delivery and Handling, Bumpers, Spare Tire and Accessories Additional

AUTHORIZED FORD FINANCE PLANS

\$25 A MONTH, after usual down-payment, buys any model 1937 Ford V-8 Car—from any Ford dealer—anywhere in the United States. Ask your Ford dealer about the easy payment plans of the Universal Credit Company.

FORD FEATURES FOR 1937

APPEARANCE—Distinctive design. Headlamps in fender aprons. Modern lid-type hood. Larger luggage space. New interiors. Slanting V-type windshield.

BRAKES—Easy-Action Safety Brakes with "the safety of steel from pedal to wheel." Cable and conduit control. About one-third less brake pedal pressure required.

BODY—All steel. Top, sides, floor and frame welded into a single steel unit. Safety Glass throughout at no extra charge.

COMFORT AND QUIET—A big, roomy car. Center-Poise comfort increased by smoother spring-action with new pressure lubrication. New methods of mounting body and engine make a quieter car.

Sewing Room Ladies Entertained Monday With Christmas Party

Mrs. Tip Edgin, who is WPA sewing room supervisor, entertained the sewing room ladies and helpers with a Christmas party at her home Monday night. Upon entering each guest was given several cranberries, which were used throughout the evening as pincups for answering a question with "yes" or "no." The evening's diversion con-

sisted of Christmas games. Refreshments consisted of sandwiches, cakes, spiced tea and mints and were served to the following guests: Mrs. Roy Harrison, Miss Rosa Lee Meharg, Mrs. Nora Davis, Mrs. Geo. Wright, Mrs. Brewer, Mrs. J. H. Jones, Mrs. Willie Dykes, Mrs. J. F. Rogers, Mrs. Joe Newton, Mrs. Clifton, Mrs. Eva Eubanks, Mrs. Elmer Dunn, Miss Ida Mae Yount and Miss Velma Johnson.

Gilbert Choate of Margaret Marries

Miss Rolene Gore, daughter of Mr. and Mrs. J. R. Gore of Cleburne, was married to Gilbert Choate, son of Mr. and Mrs. J. J. Choate of Margaret at 4:35 p. m. Saturday, December 5, at the Methodist parsonage at Margaret, Rev. Irvine officiating. The couple was attended by Miss Thelma Gore, sister of the bride. The groom is an employe of the Santa Fe Railroad Company. They will make their home at Margaret.

ADELPHIAN CLUB

Mrs. Esca Brown was hostess to Adelphian Club members Wednesday afternoon, December 9.

Mrs. L. A. Andrews was leader for the afternoon program. Mrs. J. A. Stovall gave a report from "Corset English."

Mrs. R. L. Burrow gave the outstanding news from the Federation magazine.

Mrs. Andrews reviewed "Honey in the Horn" by Davis, after Mrs. Hubert Brown had told the most interesting events and outstanding facts of Davis' life.

Refreshment plates were served to club members.

IN LEADING ROLE

Geraldine Carter, former member of Crowell High School, has been given the leading feminine role in a play to be presented in Denton tonight, Thursday, by College Players of North Texas State Teachers' College. The play is a part of the regular fine arts course of the school.

"The Enemy" is the organization's first major production this season. The drama is built around a Christmas theme.

Miss Carter is a sophomore in the teachers' college. She obtained much of her early dramatic experience in Crowell under the direction of Mrs. I. T. Graves.

VIVIAN 4-H CLUB

The Vivian 4-H Club girls met Thursday, December 11, with the Black Club girls present. Miss Holman gave no demon-

COLUMBIAN CLUB

Mrs. A. F. Wright was hostess to the members of the Columbian Club at her home last Wednesday afternoon. Mrs. N. J. Roberts was leader and the program subject was "American Women in Washington." Roll call was answered with a current political event.

Mrs. J. R. Self talked on "Texas Women in Washington." "Social Customs in Washington" was given by Mrs. H. Clark. "Famous Washington Hostesses" was discussed in a round table discussion.

The leader talked on "Our First Lady and Her Activities." The hostess served a delicious salad course at the close of the program.

LIBRARY NEWS

Lovers of adventure stories will find "Sam Campbell—Gentleman" completely satisfying. Like many of Edison Marshall's other novels the scene of this one is laid in the Far East, and the story of how Sam Campbell risks his head and heart in a gamble with life is as thrilling and gay as any he has ever written.

"Woman in Love" is the story of Tamara Todhunter, a graduate of Saint Bride's Convent in Canada, as told by Kathleen Norris. After leaving the quieter ways of life, Tamara learns, through bitter experience, that beauty can be a lodestone for strange perils.

A murder story that holds its mystery to the last chapter is "Hidden Ways" by Frederic Van de Water. The love story running through the book adds to the reading enjoyment, and in the end both justice and love triumph.

RIVERSIDE 4-H CLUB

The Riverside 4-H Club met Tuesday, December 8, Miss Myrna Holman, the county home demonstration agent, told the members a Christmas story called, "The Other Wise Man." The club will meet again January 5.

HOUSEHOLD HINTS

Vegetable stains can be removed from the hands by rubbing them with a slice of raw potato.

Lemon juice mixed with wood ashes will remove tarnish from brass.

Never run your electric cords under rugs.

Garbage and vegetable matter of all sorts buried underground will in time rot into excellent compost for use on lawn, garden or field.

stration but told us the story "The Other Wise Man."

We had a short Christmas program, singing Christmas songs and exchanging gifts.

There were nine club members, Miss Holman and the Black club girls present.

Future Farmers Have Busy Week; \$50 in Treasury

The past week has been a big week for the Crowell FFA chapter. They started the week off with an assembly program Monday morning and ended it by winning a trophy at the District FFA basketball tournament at Chillicothe Saturday. Between these dates the regular monthly meeting was held Tuesday night and their "aggie sweetheart" was crowned Wednesday night at the picture show with a full house to witness the performance.

About fifty dollars were added to the local treasury deposits, \$18 coming from the sale of poultry, \$12 from cash donations, and \$20 from the sale of show tickets. There were eight nominees in the race for the FFA Sweetheart, but the race narrowed down to two by Tuesday. Helen Harwell, nominated by Glenn Shook, led every day except two and was in the lead right up to the last. Bernice Fitzgerald brought in 305 votes right at the last moment to put Billie Brown over for the chapter's choice. The girls with the boys who nominated them and final votes were as follows:

Billie Brown, Jim Whitfield, 3-310; Helen Harwell, Glenn Shook, 3-047; Lois Evelyn Norris, Garrett Middlebrook, 213; Mozelle Lemons, Buster Davidson, 121; Virginia Mae Coffey, Floyd Bradford, 100; Ann Mabe, John Bowley, 98; Margaret Woods, Bob Middlebrook, 20; Dorothy Bell, Tommie Haseloff, 5.

A.W. Burkett Attends State-Wide Meeting Of Resettlement Men

A. W. Burkett, supervisor of rural rehabilitation in Foard and Hardeman counties, has returned from a state-wide conference of Resettlement Administration employees held at Dallas.

Reports from all over the state and nation showed that rehabilitation activities have grown steadily in efficiency and in public favor," the supervisor said. He pointed out that land ownership is the final goal of Resettlement work, but that there are 285,000 tenant farmers in Texas alone, and providing land for these is a program of many years.

The most ambitious plan yet suggested would appropriate fifty million dollars of federal funds each year, the supervisor said, and Texas' share would be only around one thousand farms a year. In the meanwhile, he said, we must help the other low-income tenant farmers to improve their present status.

Means of improving the tenant's situation, the supervisor said, include loans of tools, in order that the tenant may become more closely attached to a specific piece of land, in the care and improvement of which he will take a personal interest. Another step, which has been taken in Texas for more than 32,000 tenants, is to assist them in purchase of teams and tools, thus removing them from the class of sharecroppers dependent upon their landlord for "furnishing."

THIS WEEK IN TEXAS HISTORY

1826—On Dec. 16 Texas was declared independent by Hayden Edwards under the name of the Republic of Fredonia.

1835—The vigilance committee in Austin's Colony on Dec. 17 ordered a provisional post office department to be established with John Rice Jones as head.

1836—On Dec. 15 Congress passed a law making Houston the capital until 1840.

1836—The Texas Congress on December 19 boldly declared the Rio Grande as the line of boundary.

1841—For the second time General Sam Houston was inaugurated President of the Republic of Texas on Dec. 13. The government was almost bankrupt, and he was expected to save it from failure.

1859—Mirabeau B. Lamar, former president of Texas, died on Dec. 19 at the age of 61. He is buried in Richmond, Va.—Texas State College for Women (CIA.)

AHE OPTIMIST

(By Samuel Thomas)
The story is told of a man who had the fortunate faculty of always being able to look on the bright side of things. His hogs died from the cholera and not long after his horses died. Drouth and grasshoppers destroyed his crops and one night a fire destroyed his home. To each calamity when friends expressed regret he invariably said, "Yes, it is bad luck but it might be worse." One day the mortgage was foreclosed on the farm and he was set out in the road penniless and no place to go. His friends thought that surely he wouldn't be able to see any bright spot of hope in this misfortune but he returned his usual answer, "Yes, it is hard, but it might be worse." One day some time after a friend met him and was amazed to see the devil carrying him off. At last the friend said, here is a misfortune of which he can't possibly say it could be worse. The friend stopped the pair and said: "I am surely sorry for you. You have had all this bad luck come to you and now when you are old the devil is carrying you off. Nothing worse could possibly happen to you." "Yes," the old man said, "it is bad, but it could be worse. As it is the devil is carrying me. He might have made me carry him."

Youngest Commerce Body Member

When ten-year-old Warren Rapelle received his Chamber of Commerce membership card recently at San Gabriel, Calif., he was welcomed into the organization by George Constant, the president. Young Rapelle became eligible for membership in the San Gabriel C. of C. a short time ago when he opened his own model airplane supply store in his room at home. Plans for his business venture came from odd jobs and smaller enterprises.

Upward Trend Shown In Railway Traffic in Santa Fe Territory

(By S. T. Bledsoe, President, Atchison, Topeka & Santa Fe Railway Company.)

A general upward trend in both freight and passenger traffic in territory served by the Santa Fe has marked the present year. Various factors have contributed to this, industries, such as building, mining, lumber, and manufacturing, have become more active.

Another season of deficient moisture east of the Rocky Mountains curtailed such crops as grain, cotton, and hay; however, prices for these and other farm products have improved. Livestock is doing well. Drought conditions in considerable areas of the southwest have been largely relieved by heavy rains during the early fall, al-

though they came too late to be of much benefit to any crops except feed for livestock. West of the Rocky Mountains agricultural conditions have been on the whole satisfactory. The increase in travel has been due to the attractiveness of air-conditioned cars, faster service, and low fares, coupled with the improved financial status of the general public.

The Santa Fe is completing a new line from Las Animas, Colorado, south to Boise City, Okla., to provide a direct line from Colorado to Texas and the Gulf. Incidental to this and other improvements, orders have been placed for 155,000 tons of new rail and fastenings. A stainless steel light weight passenger train of nine cars is now being built to be delivered shortly, and contracts have been let for the immediate building of 27 locomotives and 3,025 freight cars. These capital expenditures mean

2,935 Bales Cotton Ginned in County by Middle of December

According to an unofficial check-up Monday, December 14, total of 2,935 bales of cotton has been ginned in Foard County. The A. L. Lockett Gin at Rayland was leading the field of five with 1,605 bales, more than half the total.

Second in line was the Thalia Farmers' Co-operative Society Gin with 951 bales.

Prior to December 1, a total of 2,821 bales had been ginned in the county, according to an official report from the Bureau of the Census of the Department of Commerce. This figure compares to 6,667 during the same period of last year. The figures for the gins of the county are as follows:

Gin	Bales
A. L. Lockett Gin, Rayland	1,605
Thalia Farmers Co-op. Gin	951
Crowell Farmers Co-op. No. 2	274
Youghin Gin Co., Margaret	95
Altus Gin Co., Crowell	10
Total	2,935

JOKE

Clerk: "These are especially strong shirts, madam. They simply laugh at the laundry."

Customer: "I know that kind, I had some which came back with their sides split."

employment for thousands of men in fields where employment has been lagging.
