ly Bruce Injured When Hit by Car on Main Street Wednesday Afternoon

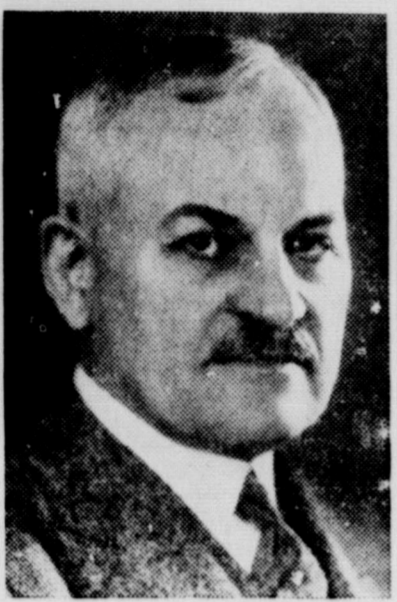

Scott Bruce, 10, son of Mrs. Jeff Bruce, received a broken leg, minor internal injuries and painful lacerations when he was accidentally struck by a car driven by Mark Saunders Wednesday afternoon about 5:30 o'clock. The accident occurred on the Fox-Way Grocery, north Main Street. He was taken to the hospital where his injuries were treated and was released to his home about two days later.

According to eye witnesses, the car was not visible. The car was seen from behind a parked car on the path of the car and driver was unable to stop in time to avoid striking him.

He suffered a compound break of the right leg, between the hip and knee, where the bumper of the car hit him. He also sustained lacerations on the stomach and back when he was struck, which had stopped at the intersection, was moving south and the car was moving north. The car was struck from behind by the boy and the driver was unable to stop in time to avoid striking him.

Mr. Saunders stated that he was driving the car when he struck the boy from behind the truck but he was close upon him that the truck struck him before the motion of the car could be stopped. He had slowed down at the intersection and was traveling about 15 or 20 miles an hour.

Dies Suddenly

F. L. Maytag, 79, of Newton, Iowa, who died at Beverly Hills, Calif., on Friday, March 26, was a visitor in Crowell about four years ago when he was making a tour of Texas. Mr. Maytag was until recently active in the business which bears his name.

DOROTHY BELL SUCCUMBS TO SHORT ILLNESS

Funeral Services Held At Margaret; Popular High School Student

Dorothy Marie Bell, daughter of Mr. and Mrs. A. J. Bell, died Friday afternoon, March 26, at one o'clock at her home two miles north of Margaret ten days after she was stricken with pneumonia.

Funeral services were held Saturday afternoon in the Margaret Methodist Church at 2:30 o'clock with Rev. E. A. Irvine officiating and Rev. Marvin Brotherton of Vernon assisting. Interment was made in the Crowell cemetery.

Pall bearers were Garland Taylor, Herman Blevins, Buster Davidson, Charlie Haseloff, J. S. Owens and Floyd Bradford.

Flower bearers were Miss Leona Bradford, Mrs. S. H. Kelsey, Miss Nadine McCurley, Miss Geraldine Roberts, Miss Juanita Boman, Miss Margaret Woods, Miss Opal Borchardt, Miss Helen Harwell, Miss Floetta Bradford, Miss Mozelle Lemons, Miss Aylene Payne, Miss Faye McCurley, Miss Thelma White, Miss Juanita Hunter, Wilma Jean Armstrong, and Miss Fay Marie Anderson.

Miss Bell was a Junior in Crowell High School, coming here as a Sophomore. She had a charming personality, having the ability to make friends quickly and was loved by her teachers and classmates.

Dorothy Marie Bell was born March 21, 1920, at Margaret, which had been her home since birth. She observed her seventeenth birthday last Sunday. She was converted and joined the Methodist Church in Margaret at an early age and was a member of that church at the time of her death. She was a regular attendant at Epworth League, Sunday School and church.

She was the granddaughter of Foard County's second oldest pioneer, W. T. Dunn, of Margaret, who moved to that community in 1881.

Miss Bell is survived by her parents, one brother, Raymond; her grandparents, Mr. and Mrs. W. T. Dunn; seven aunts and nine uncles.

Two Trustees Will Be Elected Saturday In School Election

Two names will be on the ballot for the Crowell Independent School District trustee election which will be held Saturday, April 3. The names of J. W. Bruce and R. L. Taylor will appear on the ballots. The terms of S. T. Knox and Mr. Bruce expire this year.

The names were filed with the secretary of the school board, L. A. Andrews, and the date has passed to add other names to the official ballot.

G. A. Mitchell is the presiding judge and he will be assisted by two clerks, Mrs. Maggie French and A. D. Campbell. The election will be held in the office of the secretary-assessor-collector in the southwest office in the basement of the court house. The polls will be open at 8 a. m. and close at 6 p. m. Qualified voters who live in the Crowell Independent School District are entitled to vote in this election. The trustees will be elected for a period of three years.

The new board will be installed at the next meeting of the trustees which will be Monday night, April 5. Members of the board at the present time are J. W. Bruce, president; C. E. Gafford, H. C. Brown, T. E. Womack, F. C. Borchardt, T. V. Rascoe and S. T. Knox.

SCOUT LEADERS SCHOOL PLANS ARE FINISHED

To Be Held Here This Week-End; Many Expected

Arrangements have been made for the Scout leaders training school to be held in Crowell Friday, Saturday and Sunday, April 2, 3 and 4, under the supervision of Frank B. Creighton, Scout Executive of Wichita Falls.

The training school for the men will start with a session Friday night at 7:45 o'clock. The next session is to be held Saturday morning at 8 o'clock, when the entire group will go to a nearby place and make camp. Outdoor tests will be held Saturday and each man will do his own cooking. Saturday night there will be a camp fire utilizing troop program for over night hikes.

There will be church services Sunday morning and then have troop activities all day, completing the session about 4 or 5 o'clock Sunday afternoon. Any man that attends all sessions will be awarded a certificate as issued by the National Office for Element of Scoutmastership, Part I.

Sleeping quarters will be furnished the men who attend the school and there will be no costs except for food. Any one wishing to attend notify Henry Black of Crowell. The session is not for boys, but for men over 18 years of age.

Third Year

W. Lee Cox, pictured above, was elected for a third time as superintendent of the Thalia school system at a recent meeting of the trustees. Mr. Cox came to the Thalia school as superintendent from Denton in September, 1935.

Crowell, the only Class A school in this county, won 365 points at the Foard County Interscholastic League meet held here Thursday, Friday and Saturday, March 25, 26 and 27.

In the class B division Foard City placed first in the county meet with 242 points and Riverside was second with 202. Thalia received 74 points.

Margaret took the rural division with 176 points. Black second with 45 and Four Corners third with 5 points.

Crowell senior boys took the track and field meet with 89 points. Thalia placed second with 58 points and Riverside third with 3 points. Foard City made one point.

The district meet will be held in Childress Saturday, April 10, and first place winners in the literary events and the first and second winners in the field and track events will compete at Childress at this time. The district meet has always lasted two days but it will only last one day this year.

In the junior events Crowell was first with 48 points and Thalia second with 15.

John Lee Orr and Garland Rasberry tied for high point man with 184 points each. Frank Gray of Thalia was second with 13 points (Continued on Last Page.)

O. W. C. Chickasha—Miss Aylene Lanier and Miss Mildred Jacobs.

GREATLY IMPROVED

Mrs. B. F. Hinds, who has been bedfast for the past two months due to an attack of flu and rheumatism, is able to sit up in bed a little while every day. For a period of about sixty days Mrs. Hinds was not able to move without aid, but she can now move her left arm and leg.

CHRISTIAN CHURCH WILL HAVE VESPER SERVICES

Night services at the First Christian Church have been discontinued for the time being in favor of the Vesper Hour of worship at five o'clock in the afternoon. The Vesper service has proven quite popular throughout the country and it is hoped that a larger percentage of the membership of the church will attend. The service will not be over one hour in length, probably less, and the public is cordially invited to attend, according to announcement by the minister, Rev. John W. Tyndall. Mrs. T. S. Haney will sing at this service.

DIES SUDDENLY

Mrs. Roland Arthur, sister-in-law of Mrs. A. L. Sloan and a former teacher in the Crowell school, died suddenly at her home in Southland Sunday morning.

CROWELL GRID ROOKIES PLAY MARGARET FRI.

Game Called for 4:15 O'Clock Friday Afternoon

A team composed of candidates for the 1937 Crowell High School Wildcat football team will tangle with the Margaret all-star team Friday afternoon (tomorrow) at 4:15 o'clock on the High School football field.

The letter men from last year's team who have been working out for track reported for grid practice Monday afternoon and at the present all of the letter men have reported. The boys reporting were John Lee Orr, Que Meason, Marvin McKown, Bernice Fitzgerald and Ira Klepper. This brings the squad up to full strength.

Dunn, Branch and Owens, first year men, are showing unusually good and they should see much service in the game Friday.

The spring training period will continue for another three weeks at the end of which the annual Rookie-End game will be played.

Probable Starting Line-Ups

The probable starting line-up for the High School squad: Fitzgerald and Canup, ends; Johnson and Gafford or Mitchell, tackles; Evans and Gibson, guards; Campbell or Dunn, center; Joy or Orr, quarter back; Meason or Branch, left halfback; Orr or Owens, right halfback; Simmons or McKown, fullback.

Margaret's probable line-up: Malone and Middlebrook, ends; Reinhardt and Sollis, tackles; Blevins and Davidson, guards; Frank Priest, center; Garland Taylor, Gordon Taylor, Raymond Bell and Hubert Smith will make up the backfield.

This should be one of the best spring training games that the Wildcats have had in several years and will afford fans an opportunity to see the future Crowell gridmen in action at full strength. Sixteen freshmen reported for spring training and most of these will see action so Wildcat followers can see the team for next year and several of the coming years test their metal.

April 7th Last Day To Sign Conservation Program Work Sheets

Wednesday, April 7, has been set as the deadline for Foard County farmers to sign the 1937 Soil Conservation work sheets, according to information released from the office of the county agent, John Nagy.

Mayor and Three Aldermen Will Be Elected April 6th

A City election will be held Tuesday, April 6, to elect a mayor and three aldermen. The terms of the mayor, C. T. Schlagal, and three aldermen, George Allison, J. C. Self and M. S. Henry, will expire at the first regular meeting of the City Council which is the third Tuesday in April.

G. A. Mitchell will be in charge of the election which will be held at the city hall. The polls will be open from 8 a. m. until 7 p. m.

Names appearing on the ballot will be C. T. Schlagal for mayor and M. S. Henry, J. C. Self and M. O'Connell, for aldermen.

ATTEND FARMERS' MEET

C. W. Carroll, Hartley Easley, A. D. Campbell, John Nagy, Foard County farm agent, and Roy Huckabee, assistant agent, attended an all-day meeting in Wichita Falls Tuesday of county agents, county committeemen and key farmers.

George Chant, committee, presided at the meeting. Andy Bousland of Vernon introduced the speakers of the day, among whom were H. H. Williamson of College Station, director of Extension Service, and J. A. Scofield, Farm Agent for district 3. B. F. Vance of College Station, Assistant Administrative, explained the regulations of the 1937 soil program.

Margaret Girls Win First, Second in Essay Contest

Prizes were awarded to the winners of the essay contest sponsored by C. P. Sandifer in the Crowell High School auditorium Tuesday morning.

Verna Ray Morrison of Margaret won the first place prize of \$5.00. Juanita Boman, also of Margaret, took the second prize of \$3.00, and Camille Graves of Crowell, won third, which was \$2.00. The subject on which the essays were written was "Ten Reasons Why One Should Not Smoke or Drink."

Before the awards were given the judges, Rev. E. L. Yeats, Rev. John Trydall and Claude Callaway, were introduced by I. T. Graves, superintendent, and each in turn made short speeches advising against the habits of smoking and drinking. Mr. Sandifer stated that he was glad to see the students take an interest in the contest and believed that many would profit by the thoughts in the themes.

The three winners were picked by the judges from 123 essays turned in to Mr. Graves at the end of the contest last Thursday. The papers were numbered and only the pupils knew their own numbers.

Congressman W. D. McFarlane

Crop Insurance Legislation—The Crop Insurance bill, S. 1397, introduced by Senator Pope, was favorably reported by the Agriculture Committee, last Tuesday. This moratorium financed Government owned stock issue of \$100,000,000, set up under the Department of Agriculture, to insure the Nation's wheat crops against the natural hazards, and then if the plan is successful, will later be enlarged to take in cotton, corn and other basic crops. Under the provisions of the measure insurance would be optional to farmers. This bill will likely be voted on by the Senate next week.

Farm Tenancy

The Agriculture Committee of the House has voted to substitute the Bankhead-Jones farm tenancy bill H. R. 8 for the bill proposed by the President's farm tenancy commission. This measure is to aid tenant farmers to purchase homes on long terms at a low rate of interest. Preference will be given to those recommended by local committees as being the most deserving and worthy. Action is expected to be taken on this measure by the Committee on March 31st.

State, Justice, Commerce and Labor Appropriations Bill

The House, after debating the above bill, H. R. 5779, Monday, Tuesday and Thursday, finally passed the measure Thursday afternoon, March 25th. The bill calls for the appropriating of \$123,099,000 for the State, Justice, Commerce and Labor Departments for the fiscal year 1938. This measure now goes to the Senate for action.

Neval Appropriations Bill

The Navy Department Appropriations Bill, H. R. 5232, appropriating \$512,847,808 for the Navy was passed by the Senate last Monday afternoon by a vote of 64 to 11. The measure was sent to conference on account of minor amendments added by the Senate. This bill passed the House March 5th.

Government By Judges

The writer spoke February 18th in favor of the President's Judicial Reform program and specifically pointed out the progress made under this Administration for the Nation, as well as Texas and then took up the different shop word arguments of the opposition to the plan and pointed out why the proposed legislation is not only sound but badly needed at this time. The writer showed how under the Supreme Court's decisions in their power rate making cases, they have held that less than 7 1/2 per cent (7.44 per cent) per annum is confiscatory. Under the Court's rate regulatory decisions they have permitted the Power Trust to earn more than \$1,000,000,000 per year more than is charged for the same services in the 500 mile TVA area.

BLACK

(Mrs. Clint Simmons)

Street Simmons of Medicine Mound spent the week-end visiting Clint Simmons and family. Mr. and Mrs. L. Kamstra and little Deloras Battle of Crowell attended the Easter egg hunt at the school house Thursday afternoon. C. D. Hall returned home Saturday from Decatur where he had been working for the past several weeks. Antone Slovak and family moved to Wichita Falls last week. Adolph is staying with Mr. and Mrs. John Milnar until school is out. Mrs. Tom Bursay visited her daughter, Mrs. Gerald Knox, of Crowell Saturday. Mr. and Mrs. Thomas North of Medicine Mound spent Sunday with W. C. Trammell and family. William, Elba and L. G. Simmons, Horace and Reba Trammell, Lee Ellen and Frances Hanks of Crowell visited a while Sunday afternoon in the home of V. A. Jackson and family of Medicine Mound. Lynn McKown of Crowell visited his mother, Mrs. Tillie McKown, Tuesday. C. V. Ketchersid and family and Miss Pauline Branch of Crowell visited Clint Simmons and family a while Sunday afternoon. Cecil Hughes and Tom Nichols went to Fort Worth Wednesday. Miss Annie May Hall attended the funeral of Miss Dorothy Marie Bell in Margaret Saturday.

Since these rate decisions of 1930 the power companies have been allowed to earn more than \$6,000,000,000 profit beyond what has been proven to be a fair price for the services rendered (TVA rates.)

The writer further discussed many of the other decisions of the Supreme Court favoring property rights over human rights and specially pointed out how even the 16th Amendments providing taxes on income, has been chipped away until it is carefully estimated today that we are losing in income taxes through loop holes and court decisions more money annually than we are collecting. The amendment provides "The Congress shall have power to lay and collect taxes on incomes, from whatever source derived" (Italics mine.) The Supreme Court, through their construing of our tax and other laws, have deprived the Government of billions of dollars. For example in the case of Eisner vs. Macomber (125 U. S. 189) the Court held that Corporations stock dividends were not subject to income tax, and for the past 16 years this decision alone has lost the government revenue amounting to \$1,060,000,000. To illustrate, an individual with \$5,000 net income above exemptions pays an income tax. However, a Corporation can avoid payment of income taxes by issuing stock dividends. A complete showing of all cases, including a study of all excessive utility rates permitted under the Supreme Court decisions, it is believed on good authority, would more than double this amount.

Only A Few Cards Returned, Says Highway Survey

With approximately 2050 vehicles affected by the registration law, car owners of Foard County have returned to the Highway Planning Survey 28 of the post cards that were handed to them at the time they paid their 1937 automobile license fees at the office of A. W. Lilly, County Tax Assessor and Collector. Car owners of Foard County have failed to respond to pleas of the Highway Planning Survey to provide information on which the highway programs of the future will be based, a tabulation of returns received on Wednesday disclosed. The number of car owners sending in information on cards received when they registered their vehicles is insufficient to provide an accurate picture of the road needs of this county. The information which is being collected will be used by the Highway Department and the U. S. Bureau of Public Roads in planning the future construction and maintenance of roads and highways in this county and in this section of the State. Local motorists should be sufficiently interested in improving the road system of this county to ask for these cards at the time they pay their license fees and should fill in the cards and mail them, because information collected by the Highway Planning Survey will be used in designating federal funds which soon will be spent on improving the secondary road system of Texas.

The cards on which this information is being collected are self-addressed and require no postage. The Highway Department and the U. S. Bureau of Public Roads have gone to considerable trouble in order to offer highway users the opportunity of helping to plan their own roads. Just as citizens were long ago given the right to vote, car owners are now being given a similar right and should take advantage of their opportunity. It is to the advantage of each county to return at least as high a percentage of these post cards to the Highway Department as are returned by its neighboring counties.

Uncle Jim Says

"On most farms superphosphate and legumes help build up the soil, boost crop yields, and cut production costs."

Texas farmers, in complying with the agricultural conservation program in 1936, planted 1,625,235 acres in 222 counties to legumes and an additional 3,819,325 acres in 228 counties are devoted to other soil-conserving crops and practices. Experiments of Texas Agricultural Experiment Stations have shown that rotation of crops increase yields by adding fertility and holding moisture.

Farmers in the State who complied with the agricultural conservation program in 1936 diverted 3,773,415 acres from their cotton acreage and used these acres for planting legumes and for other soil-conserving crops and practices.

KEEPING UP WITH THE TIMES

The "scientific approach" of the life insurance industry toward economic conditions and problems affecting investments and savings, is well exemplified by the recent mid-year meeting of the financial section of the American Life Convention, representative organization of a large number of leading life insurance companies. Expert after expert presented discussions of such topics as interest rates, bond prices, the real estate outlook, legislation, etc. The point of it all was to better prepare life insurance executives for meeting the exigencies of the times, and maintaining their companies' financial security.

This kind of work is reflected in the remarkable record of the industry during depression—assets of the companies have actually increased in the face of the worst economic storms. The insurance policyholder can feel certain that the money he has put aside for investment and protection is safeguarded in every conceivable manner.—Industrial News Review.

Local Association to Join in State Wide Celebration

The Crowell National Farm Loan Association plans to take an active part in the state-wide observance of the twentieth anniversary of the founding of the Federal Land Bank of Houston, according to J. C. Thompson, secretary-treasurer of the association. The observance is scheduled to begin at 10 o'clock on the morning of Saturday, April 3, which will be twenty years to a day since the charter of the Federal Land Bank of Houston was signed.

A program of unusual interest is being prepared for the occasion. Mr. Thompson declared. One of the highlights, he said, will be a radio broadcast featuring dramatic incidents in the history of the bank and the National Farm Loan Association in Texas. This broadcast, which will be heard from station WBAP at Ft. Worth, as well as the other stations of the Texas Quality Network, will go on the air from 10:30 to 11 a. m. on that date. The Crowell National Farm Loan Association will provide a fine radio receiving set at the place of meeting in the district court room. Other entertainment will include talks by John Nagy, County Farm Agent, and Miss Myrna Holman, County Home Demonstration Agent, according to Mr. Thompson. This occasion will be one of the biggest celebrations in the history of the Crowell National Farm Loan Association. Members of the association and their friends are urged to be present.

Refuse Hospitality to Fly and Mosquito Urges Health Officer

Austin.—Word has just been received by the State Department of Health that Mr. and Mrs. Mosquito and Mr. and Mrs. Fly, with their kindfolds, are on their way to Texas for the summer season. They state that, although many had died since last summer, they would soon have large families. Mrs. Mosquito raises from fifty to three hundred children at one time and only takes around two weeks to have full grown children. Mrs. Fly admitted that she and her husband could be ancestors to a million flies in one season.

Dr. Geo. W. Cox, State Health Officer, stated that Texas hospitality could be refused the Fly and Mosquito families if Annual Clean-Up Week from April 4 to 11 is used to begin a thorough campaign to eliminate the breeding spots of these pests.

Mosquitoes are responsible for the spread of malaria, dengue, and yellow fever. Malaria is spread by the bite of the anopheles or malaria mosquito. Dengue fever and yellow fever are transmitted by the Aedes Aegypti or Tiger mosquito. The best way to prevent these diseases is to destroy breeding places of the mosquito. They breed in standing water, therefore, you should drain, ditch and fill such places, spray oil on water each week, too, or stock the water with surface minnows as they will eat the wiggle-tails. Houses should be screened.

Flies help spread typhoid fever, dysentery, diarrhea, tuberculosis, anthrax, and cholera. They breed, live and feed in filth. To prevent their increase all refuse should be disposed of at once, garbage kept in covered containers, privies made sanitary and houses screened. Every neighborhood raises its own flies so that their number is on excellent index to the sanitary conditions.

Farm Women and Club Girls Plan Spring Gardens

Home demonstration club members and club girls of Northwest Texas are planning gardens to supply fresh and canned vegetables, reports from county home demonstration agents indicate.

In Randall County, 43 hotbeds and cold frames have been constructed to give young vegetable plants a good start in life. Utilization of scrap lumber enabled Mrs. S. S. Howell, demonstrator of the Ralph home demonstration club in that county, to build a hotbed 3 by 15 feet, and the only cash outlay was \$1.75 for glass cloth for the cover. Lettuce and greens are already growing in hotbed built by Dorothy Bauer of the Johnson 4-H girls' club.

A Nolan County girl, Ruby Pearl Waggoner of the Rylton 4-H girls' club, has planted three varieties of plants in her hotbed. At a cost of 30 cents for seed, she expects to have 3,200 tomato plants, 800 cabbage plants, and some 500 pepper plants.

"The amount of vegetables that can be grown in a small garden which is well cared for is almost unbelievable," Mrs. Jim Barr of the Cross Plains home demonstration club recently told the Callahan County home demonstration agent. A frame garden 6 by 18 feet, well fertilized, watered through a tile sub-irrigation system and protected from cold and wind, has yielded Mrs. Barr a rich harvest of such vegetables as lettuce, spinach, mustard, tender greens, carrots, radishes, and beets.

Not only vegetables, but fruits will be provided through the efforts of farm women and girls. Dicksen County club girls have set out 1,484 grape cuttings. One girl, Fannie Lou McAllister of the Patton Springs 4-H club, has added 24 cherry, cherry-plum, and peach trees to the family orchard and the McAllisters have planted a 50 by 60 foot plot of berries.

New Corporations Chartered in Texas

Austin.—A total of 130 new corporations were chartered in Texas during February, a decline of 14.5 per cent from February, 1936, according to the University of Texas Bureau of Business Research. Their total capitalization was \$2,135,000, a decrease of 16.9 per cent from the like month of last year.

Comparison of the number of new charters granted varied widely with the different groups. Banking-finance, merchandising, and transportation increased sharply in number, whereas manufacturing, oil, public service, and real estate declined.

Fourteen Commercial Failures in February

Austin.—Only fourteen commercial failures occurred during last month, compared with 24 during February last year, a decline of 41.7 per cent, the University of Texas Bureau of Business Research has announced. Liabilities of the firms which failed last month totaled \$159,000, a decrease of 20.9 per cent from February, 1936.

"The assets of the firms that failed were substantially above those of the firms that failed in February last year," the Bureau's report said. "But the average liability per failure was \$11,000, an increase of 37.5 per cent over that of a year ago."

4. Alcohol and tobacco cause many terrible accidents each year. Drunken drivers make the automobile tragedies soar into millions. Burning cigarettes and cigars cause a major portion of the annual fire losses.

5. These habits mean disease and death to posterity, because children inherit the weakened and diseased bodies of their parents. One should at least protect one's children.

6. Happiness is often at stake when alcohol and tobacco are used. They cause irritable tempers and faults of the nervous system, which result in separation, divorce, riot and general unhappiness. Disgrace is often connected with drinking.

7. The acquiring of the habit of smoking and drinking leads one to acquire other bad habits, because after one habit has mastered one, it is easier for one to weaken under other stimuli. Habits often cause the loss of self respect and control.

8. The Bible positively teaches against liquors and drunkenness. Some preachers believe it is a sin to injure one's body knowingly and therefore forbid the use of tobacco in their church.

9. Alcohol and tobacco hinders one's profession because they injure the organs that direct the body, the brain and other nerve centers. Therefore it would not be just to human society to hire a drinker as engineer of a train, captain of a ship, prescription clerk, doctor, etc., because the safety of many lives depend upon their wisdom and efficiency.

10. One should not drink or smoke because it might cause others to take up the habit, especially young children.

NYA Employs 361 Boys on District Highway Projects

Three hundred and sixty-one boys are employed in nine counties of the Wichita Falls National Youth Administration of District 12 on diversified highway projects, according to H. A. Ziegler, assistant district supervisor.

In Baylor County the boys, working under the sponsorship of the NYA and highway department, are busy sodding the shoulders and slopes of the county's highways. H. E. Conklin, highway section foreman is in charge. David Guest, foreman of work in Childress County, is supervising nursery work for tree planting in the Childress highway division.

The Cottle County boys, with H. Byrd, foreman in charge, are improving the highway system by flattening slopes and filling ditches. Two roadside parks are being completed in Foard County under the direction of C. C. Ribble, section foreman. Hardeman County youths are flattening slopes, filling ditches, and planting trees. Raymond Long, foreman, is in charge of the work.

C. B. Dunn, foreman of Throckmorton, is supervising the construction of two highway parks and the graveling of mail box turn-outs. Flattening slopes, filling ditches and planting trees is being carried on by the NYA crews of Young County under the leadership of the foreman, Q. Spradley.

Wilbarger County assistants are busy on safety work of the highway between Oklahoma and Vernon by flattening slopes, filling ditches and constructing ditch retards. In Wichita County the boys are supervised by R. B. Dougherty, section foreman, in the construction of a safety sidewalk between Iowa Park and Wichita Falls. Slope and ditch work is also included in the project.

Emperor Norton Was Some Card, But His Bridge Idea Worked

They laughed when Emperor Norton commanded San Francisco to build a bridge across the bay to Oakland. Now the world respects the wisdom of his command, for the 77 million-dollar bridge which now spans the four and one-half miles between the two cities is recognized as one of the engineering wonders of the world.

This and other interesting sidelights on the history and attractions of San Francisco will be discussed by Carveth Wells in the Continental Oil Company broadcast, "Exploring America with Conoco and Carveth Wells," which may be heard at 6:30 p. m. Saturday night over station WFAA, Dallas.

"Norton wore a uniform, carried a sword and scepter, and claimed himself the Emperor of North America," explains the popular explorer-reporter. "His proclamations were always printed in the local papers. Although he never possessed a cent, he issued his own money and was welcome in any restaurant or theatre."

A special feature of Wells' broadcast will be his description of San Francisco during the gold discovery period, "when laborers received \$20 a day, flour cost \$40 a barrel and doubtful eggs were cheap at a dollar apiece!"

Meaning of "H. M. S." on Ship

"H. M. S." preceding the name of a vessel stands for His (or Her) Majesty's ship. The letters are used in connection only with vessels in the British service. Popularly "H. M. Two Musical Hits Featured at Rialto This Coming Week

Because of the variety of song numbers used in the Warner Bros. musical picture "Gold Diggers of 1937," two studio song teams collaborated in the writing of the music and lyrics for the lavish production numbers staged by Dance Director Busby Berkeley.

The team of Harburg and Arlen wrote four of the numbers—"Speaking of the Weather," "Let's Put Our Heads Together," "Hush Mah Mouth" and "Life Insurance," while the team of Warren and Dubin wrote "With Plenty of Money and You" and "All is Fair in Love and War," a stirring drill number that serves as the finale for the picture. "Gold Diggers of 1937" comes to the Rialto Theatre on Saturday.

The production scenes built around these numbers are among the most brilliant ever directed by that past master, Busby Berkeley. Leading them are Dick Powell, and appearing with him in at least one of the numbers are Joan Blondell, Rosalind Marquis, and Lee Dixon.

The magic phrase, "Words and music by Irving Berlin," proved to be the deciding factor in inducing Dick Powell to star in "On the Avenue," which shows during the week-end.

When he heard that the Berlin melodies would play an important part in the new picture, his choice was practically made, Dick admitted frankly. He was all for doing the film before he even read the script or heard who was going to be in the cast with him.

With Madeleine Carroll as co-star, and such prominent players as Alice Faye, The Ritz Brothers and George Barbier featured, the cast of "On the Avenue" more than fulfilled all requirements, and the unusual nature of the story and the splendid opportunity it offered the star checked more than satisfactorily.

The story of "Camille," showing at the Rialto Theatre tonight, is that of a gorgeous woman who fell in love with a dashing young man when it was far from her original intention. She was a woman of the world intending to lavish her charms on a wealthy baron when she met Armand Duval. The story of their love brings Garbo to the screen in her greatest role and offers Robert Taylor the most powerful part he has yet portrayed.

Rebecca Hudson and Michael Whalen are co-starring in "Woman-Wise," which shows Saturday night. Whalen, assisted by Miss Hudson as a newspaper woman, is a crusading sports editor who combats unscrupulous promoters mauling the public.

WILL DEDICATE NEW BUILDINGS

Denton.—Approximately 1,000 invitations have been sent all over the state for the official Dedication Ceremony of the seven new buildings at Texas State College for Women (CIA). The program will be held Saturday, April 10, according to L. H. Hubbard, president of the college, and will include an address, visits to the new structure, an informal tea and a concert by the St. Louis Symphony Orchestra.

J. L. Miller and that on the first Tuesday in May, 1937, the same being the 4th day of said month, at the Court House door, of Foard County, in the City of Crowell, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Alias Execution I will sell the undivided interest of the said J. L. Miller, in and to said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said J. L. Miller.

And in compliance with law, I give notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Foard County News, a newspaper published in Foard County. Witness my hand, this 22nd day of March, 1937.

Preaching, 7:30 p. m.
W. M. S. will meet Monday, April 4, at the Baptist parsonage for an all-day program.
Prayer meeting each Wednesday evening at 7:30 o'clock.
This church every Sunday gives a cordial invitation to the world's weary workers and tired pilgrims to enter and worship God.

The soul each week needs this refreshment of God's house. The pleasures of this world are too short lived to pay, except pursued with mind and heart at peace with God. Man's supreme and lasting pleasures are promised to those who please God.

I. T. Graves, S. S. Supt.
H. H. Henry, Associate Pastor.

Assembly of God
Evangelist N. L. Locke and party from Terral, Okla., are conducting an old time Pentecostal revival at the Assembly of God Church. You are invited to come and take part. Bring your sick folk and let God heal them according to James 5:14.

Methodist News Notes
Our Spring revival will begin April 25th and close May 2nd. Rev. Clarence Bounds of Post, Texas, will be with us in the one-week meeting and we are truly expecting great results under his leadership.

The young people of our church are sponsoring this meeting with backing and full support of the board of stewards.
In choosing this date we sought the advice of Mr. Graves, our school superintendent, for a time that would cause no conflict with the school and we appreciate his cooperation and counsel.
Services will be regular next Sunday. We appreciate the increasing attendance in our services and extend to you a cordial invitation to worship with us next Sunday.
E. L. YEATS.

First Christian Church
Preaching services will be conducted at the First Christian Church Sunday morning at 11 o'clock, and at the Vesper Hour at five o'clock Sunday afternoon by the minister, Rev. John W. Tyndall Jr. The morning subject will be "The Gospel of Christ." The subject for the Vesper Hour will be: "The Memory of A Lofly Soul." Bible School begins promptly at 10 o'clock under the capable leadership of John E. Long. Attendance at Bible School and church is on the increase and we hope to see more new faces next Lord's day. We hope every member will do their bit to help build up a large attendance.
Mid-week services are conducted at the church each Wednesday evening at 7:45 o'clock. You will enjoy these studies. Come and worship with us.

The Golden Text is: "Surely God will not hear vanity, neither will the Almighty regard it" (Job 35:13).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Whence then cometh wisdom? and where is the place of understanding? God understandeth the way thereof, and he knoweth the place thereof. . . . And unto man he said, Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding" (Job 28:20, 23, 28.)

Two Minute Sermon

(By Thomas Hastwell)

Living Triumphant! I was reading in the Old Testament yesterday the story of that remarkable old character Job. He was an interesting life. He had many trials and tribulations but through them all he was patient. I thought, what a lesson in the patience of that old patriarch to the people of today, most of whom are madly scurrying about, too busy to think, too busy with nothing, to sit down and give an hour's contemplation to what it is all about, in an effort to discover if there isn't a better way to live. Another thing about Job that interested me very much and commended my attention was his faith that I fear all too many moderns never achieve. It was this that gave him his patience. Although he was harassed with many trials and burdens and was persecuted in the flesh he said of his God "Though he slay me, yet will I trust Him." Job had learned the greatest lesson of life, the calm, deep, strong faith that steadies man and makes him secure, come what may. It is a gift reserved for those who can look beneath the surface of things in a superficial world and give some time to the rich contemplation of the deeper wealth of the soul. It is the secret of triumphant living.

THOUGHTS OF SERIOUS MOMENTS

I never knew a man in my life who could not bear another's misfortunes perfectly like a Christian.—Poep.

Let men suspect your tale untrue, keep probability in view.—John Gray.

Doth thou love life? Then do not squander time, for that is the stuff life is made of.—Benjamin Franklin.

The first years of man must make provision for the last.—Samuel Johnson.

'Tis our policy to steer clear of permanent alliances with any portion of the foreign world.—Geo. Washington in his farewell address.

I have but one lamp by which my feet are guided and that is the lamp of experience. I know no way of judging the future but by the past.—Patrick Henry.

The winds and the waves are always on the side of the ablest navigators.—Edward Gibbon.

Error of opinion may be tolerated where reason is left free to combat it.—Thomas Jefferson.

Your Horoscope

March 29—You are fond of music and poetry; are thorough in their work and would make a good and practical architect. You are domestic, kind and patient with your children. Possessing a roving disposition, you are anxious to see for yourself what is going on in the world.

March 30, 31, April 1—You know when your work is done right and are not easily satisfied with it. You are somewhat opinionated, often rather nervous and sometimes gain the undeserved reputation of being a crank. Possessing a strong reasoning power of your own, you are not apt to believe everything that is told you.

April 2, 3—You are a true and faithful friend, impulsive, and possess a nervous organism that sometimes causes you much suffering. Although you sometimes start out on an undertaking full of hope and life, you are apt to be disappointed at the outcome of it.

Know Texas

Denton.—Checking up on the barber around the corner and waging a heroic fight against the malaria menace are two of the varied activities which come under the supervision of the Texas Board of Health.

Considering the peculiar health problems of Texas, the ten board members and their staff have a difficult job. Besides the inspection of the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Evil has no reality. It is neither person, place, nor thing, but is simply a belief, an illusion of material sense" (page 71).

tion problems presented by 900 miles of Mexican border, the long coast line adds the dangers of disease transmission from foreign vessels.

With the aid of a widespread organization of county and city officers, however, the situation is being capably handled. At an annual expense of \$272,114.37 for the conservation of health and sanitation, according to the 1936 figures, the state maintains seven departments. These are the boards of Rural Sanitation, Barbers' Examiners, Medical Examiners, Dental Examiners, Cosmetologists' and Hairdressers' Exam-

iners, the Department of Vital Statistics and the Administration of the General Fund.

In addition to the maintenance of these departments, which come immediately under the State Health Board, Texas also advances the cause of healthful living through its various eleemosynary and correctional institutions and through its medical branch of education at Galveston. Also, in an emergency such as the New London tragedy, the board offers its services and co-operation in getting doctors, nurses and supplies to the scene of the tragedy.

Dallas Couple Married at Home of Bride's Parents Sunday Morning

The marriage of Miss Ira Pearl Saunders to Dr. Grady W. Hayes of Dallas was solemnized in a pretty home wedding at the Saunders' residence on Sunday morning at 10:45 with Rev. E. L. Yeats, pastor of the Methodist Church performing the ceremony.

The bride was modestly attired in a beige woolen suit with brown accessories and carried a huge bouquet of calla lilies. Her bridesmaid was her youngest sister, Miss Eloise Saunders. She wore a navy suit with navy accessories and carried a hand bouquet of sweet peas. Mark Saunders, brother of the bride, attended the groom, as best man.

The wedding took place in the arched opening between the living room and dining room. These rooms, as well as the entire house, were attractively decorated with snapdragons and ferns, emphasizing a color scheme of pink and lavender.

The marriage was witnessed by just the bride's family.

Mrs. Hayes is the eldest daughter of Mr. and Mrs. L. I. Saunders of Crowell and has been practically reared in this place. She finished high school here, after which time she attended Brantley-Draughn Business College at Dallas, and later a business college in Kansas City, Missouri. She was employed as assistant in the County Agent's office here for several years and for the past few years has been in Dallas, first employed by the C. I. T. Finance Company and is at the present bookkeeper for the Vulcan-Bearing Company.

Dr. Hayes is the son of Mr. and Mrs. J. H. B. Hayes of Marble Falls, Texas. He is a graduate of the Kansas City Dental College and a member of the Delta Sigma Delta Fraternity. Several years ago he practiced dentistry in Chillicothe, Mo. From Chillicothe he went to Marble Falls, where he followed his profession for a number of years. For more than a year he has practiced dentistry in Dallas.

Mr. and Mrs. Hayes returned to Dallas Sunday afternoon. They will make their home at 210 S. Windmere, Dallas.

Henry Howell and Miss Melba Connell Wed Easter Sunday

Henry Howell and Miss Melba Connell were married Sunday afternoon, March 28, at 2 o'clock in the Baptist parsonage, Rev. H. H. Henry performed the ceremony. A number of relatives and friends were present.

Mrs. Howell is the daughter of Mr. and Mrs. O. E. Connell and graduated from Crowell High School in 1931.

Mr. Howell is the son of Mr. and Mrs. W. M. Howell.

B. & P. W. MEMBERS GUESTS OF QUANAH CLUB

Quannah Business and Professional women were hostesses to the Crowell and Vernon clubs at a Public Relations banquet given at the Quannah Country Club Tuesday evening.

With Mrs. Jess Hamilton as master of ceremonies a varied program was presented, one number of which was a reading by Miss Jim Lois Gafford. An inspiring address on "The Responsibilities of Our Club" was delivered by Mrs. J. A. Huber of Vernon.

Those attending from Crowell were Messlames Henry Borchardt, M. O'Connell, Alva Spencer, Alice Bell, and Misses Zell Saunders, Jim Lois Gafford, Lottie Russell, Gussie Todd, Blanche Hays, Myrna Holman and Mayme Lee Collins.

ADELPHIAN CLUB

The members of the Adelpian Club met with Mrs. S. S. Bell as hostess on Wednesday afternoon, March 24.

The afternoon study was "Poetry."

Miss Vera Patton, leader, called the club roll and the members responded with the name of a Texas writer.

"Strange Holiness," a volume of poems by Coffin, was presented in a most unique manner by Miss Patton.

Preceding Miss Patton's review, Mrs. T. B. Burrow gave the out-

standing facts about the life of Coffin. Refreshments were served to club members.

THALIA IDLE HOUR CLUB MEETS THURSDAY

The Idle Hour Club met with Mrs. W. J. Long in her home Thursday afternoon, March 18. A very pleasant hour was spent in different ways of fancy work. After this a short business session was held with Mrs. Schultz, the president, presiding. It was voted to send Mrs. Royce Cato, who has been ill for some time, a get-well quick card. Also adopted a plan that each member pay a nickel each time they are absent from the club, which will be placed in the local treasury.

A lovely refreshment plate was served to Mrs. J. A. Stovall, Mrs. G. W. Scales, Mrs. C. C. Lindsey, Mrs. W. L. Cox, Mrs. C. H. Wood, Mrs. L. A. Roberts, Mrs. G. A. Shultz, Mrs. Mack Eden, Mrs. Lee Sims, Miss Minnie Wood and the hostess, Mrs. Long. The next meeting will be with Mrs. J. M. Jackson. Each member is urged to be present.

COLUMBIAN CLUB

Mrs. F. A. Davis was hostess to the Columbian Club members at her home last Wednesday afternoon.

Mrs. T. L. Hughston was leader of the study which consisted of a Bible program. After the roll call had been answered to with "My favored woman of the Bible," Mrs. Hughston gave a talk on "The Bible—a living force." The Three Marys—a contrast of their natures and characteristics" was given by Mrs. A. E. McLaughlin. Mrs. N. J. Roberts talked on "Esther—the beautiful queen," and Mrs. Leonard Male on "The Music of the Bible."

For diversion, the leader and the hostess conducted two Bible contests.

An ice course was served at the conclusion of the program.

LIBRARY NEWS

The two new books in the Library are "Danger in the Dark" by Mignon G. Eberhart and "Let Me Die Tuesday" by Helen Topping Miller.

"Danger in the Dark" is one of Mrs. Eberhart's best mystery novels. One is concerned with the problem of how a young man and a young woman are to prove their innocence of the murder of Ben Brewer. So overpowering is the evidence against them that they feel compelled to resort to deception, to remain silent as to their discovery of the body in a sumnerhouse, and to make it appear that the circumstances of the murder are otherwise than they are.

But the detective in charge is not deceived. Slowly the net tightens around Daphne and Dennis Haviland until the detective knows so much of the truth that

Mrs. Kincaid Will Give Book Review Saturday at 2:30

"The Phantom Crown" will be reviewed by Mrs. R. L. Kincaid at the court house Saturday afternoon at 2:30 o'clock.

"The Phantom Crown" is the account of one of the strangest chapters in history, a story of love, youthful ambition, and political intrigue. The author, Bertita Harding, tells brilliantly the story of Maximilian and Carlota and of the fantastic ill-starred empire which Napoleon III founded in Mexico.

Mrs. Kincaid has recently been on a tour of Mexico and attended a reception in the palace which Maximilian and Carlota occupied. Mrs. Kincaid will give the book local color which she obtained during her recent pilgrimage to the country in which most of the scenes actually occurred. Adults and children as well, will enjoy the book. The review will be finished in time for those, who care to, to attend the drawing on the square.

they are compelled to tell. The situation is familiar enough, but seldom has it been so convincingly set forth.

Mrs. Miller has written another splendid romance in "Let Me Die Tuesday." It is the story of a girl who tried to run away from love because she could not distinguish reality from a dream. However, she realized later just what love really was.

OPENS OFFICE

Miss Lennis Woods opened a general insurance office in the Lanier building Wednesday. The office was formerly the Federal Land Bank office.

Miss Woods has had about eight years experience in the insurance business. Six of these years she has been in Crowell.

Mrs. Edwin Greene returned to her home in Austin Wednesday after a visit of several weeks in the home of her mother, Mrs. J. R. Allee. She was accompanied to Fort Worth by Mrs. Allee and they spent Wednesday night with their son and brother, Mitchell Allee.

County Meet—

and Ira Klepper of Crowell was third with 12½. Orr won the high hurdles, 220 yard dash, broad jump, third in high jump and was a member of the mile relay team. Rasberry took the high jump, shot put, 100 yard dash, third in broad jump and was also a member of the mile relay team.

Que Meason, Crowell flash, copied individual honors in the junior meet with 20 points and gathered more points than any one in the meet, but he was not competing against senior boys. Meason won the chinning contest, high jump, 50 yard dash and 100 yard dash. Potts of Crowell placed second with 10½ points. He, alone, won enough points to give his team first place.

The outdoor events scheduled to take place Friday were postponed until Saturday morning, April 3, beginning at 10 o'clock. The contests postponed were volleyball, baseball and tennis. These events will close the 1935 meet and the results of them may possibly change the standing of two of the schools.

Thalia presented a very strong track team this year and nearly won over Crowell. Crowell gathered a total of 43 points and Thalia 38 in track events. In the 440 yard dash Vecera came from behind to barely win and Connell won the mile run by just a few strides. If Thalia had won these two races they would have carried off the track honors.

Riverside won first in the primary division. In the intermediate competition, Crowell took first with Riverside and Foard City placing second and third, respectively. Crowell also placed first in the high school division with Riverside second. The Crowell duets and quartets won both the intermediate and high school divisions. Riverside took second in the high school duet and quartet. Foard City won first in division one in intermediate choruses with school enrollment of less than fifty.

In the rural division Margaret won first and Black second in the primary chorus contest.

Rural Division: Fourth and fifth grades—Margaret, Bill Owens and H. C. Payne, first. Sixth and seventh grades—Margaret, Marjorie Davidson and Billy Cline, first; Black, Billy Nichols and Wilma Nichols, second.

High School Division: Fourth and fifth grades—Crowell, Mary Evelyn Edwards and Wanda B. Evans, first; Thalia, Dorothy Mae Hylavaty and Frankie Mason, second; Foard City, Netha Simpson and Lila Faye Hudgeons, third. Sixth and seventh grades—Crowell, Reed Sanders and Virginia Moseley, first; Riverside, Mary Tamplin and George Hem-bree, second; Thalia, Charles Wood and Wanda Self, third. High School spelling—Thalia, Ruth Huskey and Ruby Short, first; Crowell, Hughes Fish and Mary Helen Carroll, second; Foard City, Helen Jones and Edith Lewis, third.

Extemporaneous Speech. Bascom Callaway of Foard City was first in the boys' division and Annie Mae Hall of Crowell took first in the girls' division.

H. D. and 4-H CLUB ACTIVITIES

Officers of
FOARD COUNTY HOME DEMONSTRATION COUNCIL
Mrs. J. L. Hunter Jr., Chairman Mrs. S. E. Tate, V. Cha'm.
Mrs. Frank Gamble, Secretary
Miss Myrna Holman.....Home Demonstration Agent

Reporter Holds Important Place, Says Chairman

"The reporter has a position to be of great service; his office is one of the most important offices of the club," stated Mrs. F. A. Davis, chairman of the Reporters' Association, to a group of reporters and assistant reporters which met in the office of the Home Demonstration agent Saturday, March 27.

To be of service to the public the report must carry information which will be useful to someone who was not at the meeting. This can not be done by stating that Mrs. So-and-So made such-and-such a report. What she reports and not the fact that she report-

ed is news, said Mrs. Davis. She stressed the fact that the reporter who sent news right off the reel doing his paper a favor was asking unwarranted favors if he sent in tardy reports with stale news.

Each report for March was studied and improvement in content and form was noticed. At the next meeting of the reporters and assistants visits to the Foard County News and Vernon Record will be made. The date of this meeting will be announced later.

RIVERSIDE 4-H CLUB

Thirteen members were present at the garden planting demonstration given Tuesday, March 23, at the home of Miss Bessie Short, garden demonstrator.

The Riverside 4-H Club will meet again Tuesday, April 6, at the school house.

RIVERSIDE P. T. A.

The Riverside P. T. A. met in regular session Thursday, March 4, in the school auditorium.

After the house was called to order and the minutes read and approved, a nominating committee, composed of Mrs. J. S. Ray, Mrs. Bailey Rennels and Mrs. Howard Bursey, was named by the president. New officers will be elected at the April meeting.

Mrs. Roy Ayers, leader of the program, read an interesting article on "Character Development in Children Through Co-operation." Mrs. Bailey Rennels read the president's message.

VIVIAN H. D. CLUB

"Screening is the thing to do," stated Miss Rosalie Fish in the "Control of Household Pests" program at the Vivian Home Demonstration Club at the home of Miss Bernita Fish, Thursday, March 25.

Eight members and Mrs. J. M. Denton of Paducah as visitor, were present.

A way to kill ants and cockroaches were given by Mrs. B. W. Matthews and Mrs. J. B. Rasberry. A dialogue of the "Typhoid and Fly" was given by Misses Bernita and Neoma Fish.

The club will meet at the home of Mrs. T. W. Cooper, April 8.

WEST SIDE CLUB

"The common house fly is not only disgusting and annoying but is a distinct menace to health, for it has been proven beyond a shadow of a doubt that they carry typhoid," Mrs. F. A. Davis told the ladies of the West Side Club when they met with Mrs. Agnes McLaughlin on March 24.

The fly breeds in filth, so the most effective way to rid the place of flies is to destroy all breeding places. Even after doing this flies in greater or lesser number will come to our homes. Proper screening and use of the fly swatters are the most effective methods of keeping them out of the house.

The following formula makes a very good fly poison: ½ cup sweet milk, ½ cup water and to this mixture add one teaspoon brown sugar, two teaspoons formaldehyde, and a pinch or two of lime to render acidity. Pour this solution over a thin slice of bread placed in a saucer or pan and set where flies will find it easily.

The club will meet on April 14

CARROTS PLANTED

One hundred feet of row was planted in carrots by Short, garden demonstrator, the Riverside 4-H Club.

The seeds were planted in drill where more moisture available than on the bed, covered lightly with the sand. Other leafy greens of low colored vegetables will be planted as the weather permits. Bessie has plenty of space with sandy soil.

VIVIAN 4-H CLUB

"Spinach should be planted only a small amount at a time, it grows up rapidly and seeds," said Miss Myrna Holman at the meeting of the Vivian 4-H Club on Thursday, March 25.

The roll call was answered by the girls wearing slacks they made.

The club will meet again on Thursday, April 8, with "Making A Dress" as subject.
