DRAMATIC CLUB WILL PRESENT 3-ACT COMEDY

Be Given Thursday Night, May 13, in Auditorium

The Dramatic Club of Crowell School will present a three-act comedy play, "The Red Headed Stepchild," Thursday night, May 13, in the high school auditorium at 7:45 o'clock under the direction of Mrs. I. T. Graves, director of many championship one-act plays.

The first three-act play presented by the club is the first of a series of plays to be given by the club. The cast will be made up of the four actors of the one-act play cast and one performer will play the title role. The best actor in this Inhabitant League region at the present time will be given the opportunity to witness in the play the four actors of the one-act play cast and one performer will play the title role. The best actor in this Inhabitant League region at the present time will be given the opportunity to witness in the play the four actors of the one-act play cast and one performer will play the title role.

POSTMISTRESS OF THALIA TO VACATE POST

Applicants for Exams Must Have Names in By Fri., May 21

Mrs. J. A. Stovall has resigned as postmistress of the Thalia post office and will vacate that position as soon as some one has been appointed to replace her.

Receipt of applications of aspirants for that position will close May 21 and those who apply to take the fourth class postmaster examination will be notified the date the examination will be held in Vernon after that date.

The examination is open to all citizens who have reached their twenty-first birthday but not their sixty-fifth on May 21, and must reside within the territory supplied by the Thalia post office.

Applications must be properly executed and on file with the Commission at Washington, D. C., prior to the hour of closing business on the date specified.

Will Return to Crowell

Mr. and Mrs. Stovall and daughter, Modena, plan to move to Crowell some time next week. They moved from Crowell to Thalia about 11 years ago, where Mr. Stovall operated a grocery store until being elected to the office of county and district clerk in the 1936 election.

Mrs. Stovall has been postmistress of the Thalia post office for 10 years.

State Director

J. C. KELLAM Acting State Director for the National Youth Administration.

V. A. Affiliated by School in One Year

Crowell High School received one and a half credit affiliation with the State Department of Education in Vocational Agriculture last week.

This brings the total number of affiliated credits of the Crowell school up to 21 and the number of subjects to twenty-six.

O. T. Ryan of Lubbock, Vocational Agriculture Area Supervisor, examined the work, projects and papers of the class and gave the affiliation.

The V. A. boys established a splendid record by affiliating this subject since the opening of the school in September as this is the first year that this subject has been taught in Crowell High School.

Walker P. Todd is the Vocational Agriculture teacher.

Goodwill Ambassador

Harry P. Savage, of Dallas, assistant to the promotion director, shown above receiving the official regalia of the Greater Texas and Pan American Exposition—a sash and sombrero—from Texasita Stella Stanley, thus making him a goodwill ambassador, presented Mayor C. T. Schlingel a hand-drawn invitational scroll inviting Crowell to attend the international fair opening in Dallas June 12 and running for twenty weeks.

Mr. Savage also contacted civic leaders while in Crowell and invited them to prepare a Crowell Day for the exposition. The date is to be set by the people of Crowell. If the Crowell Day plans as suggested by Mr. Savage are completed a portion of one of the larger buildings in the grounds will be set aside as Crowell headquarters.

Texas Co. Has Leased 35,000 Acres in Foard; Wildcat Location Made

With leases taken the past week, the Texas Company now has approximately 35,000 acres of land under lease in Foard County. These leases include the 9,000 acres in the producing lease 20 miles southwest of Crowell and 10,000 acres in the southeast corner of the county out of the Mill, Kilworth and Waggoner ranches. About 5,500 acres north of Crowell, just south of Pease River and a checker board spread of leases just east of Crowell.

Adjoining the leases taken by the Texas Company, individuals in Wichita Falls have taken about 5,000 acres.

New Drilling Location

A new location for a wildcat oil test has been made by the Denver Oil and Refining Company in Section 90, Block E, H. & T. C. Railway Survey, southwest of Crowell just across the Wichita River in Knox County on the W. T. Waggoner ranch. Materials for drilling will be moved on to the grounds within the next week or ten days.

TRIAL BY JURY CASES STARTED TODAY IN COURT

Dist. Court Held by New Judge; 2 True Bills Returned

Cases to be tried by a jury in the May term of District Court started this morning (Thursday). Only two true bills were returned by the grand jury, which was in session Monday.

With this term of court, Judge C. Y. Welch holds court in Crowell for the first time since his appointment on May 5 to succeed Judge W. N. Stokes as district judge of the Forty-sixth District Court. Judge Stokes was appointed to the Amarillo Court of Civil Appeals at that time.

One of the two cases scheduled to be heard in this term of court is of wife and child desertion and the second one is a chicken theft case.

Grand Jury Report

The report of the Grand Jury is as follows:

In the District Court, Foard County, Texas. To Hon. C. Y. Welch, Judge of said Court.

We, your grand jury, have been in session a total number of one day for the May term A. D., 1937, and have investigated all law violations that have been called to our attention, and beg to report that we have returned two true bills, indicting five people on all and have returned no no-bills.

We wish to report that it appears from our investigation that law and order seems to be prevalent in Foard County and we wish to compliment the law enforcement officers of this county for their splendid work.

We find that the only law violations have been of a minor nature and most crimes committed are those of theft of chickens and junk. We think that those engaged in the purchase of junk and produce should be more careful in their purchase and should be required, if possible, when purchasing from children, to require satisfactory evidence that the merchandise or produce was not stolen property.

There being no further business to come before our body, we pray that we be discharged for the term.

HARTLEY EASLEY, Foreman.

ROOKIES WIN OVER SENIORS IN GRID TILT

Comes From Behind in Last Minutes of Play to Win

The candidates of the 1937 Crowell High School Wildcat football team came from behind in the last two minutes of play to defeat the Seniors by one point, 7 and 6, in the annual Senior-Rookie game that closes the spring training period.

The Seniors scored in the third quarter on a pass from Rasberry to Veceera and held the rookies until the closing minutes of the game when a hard won victory was taken from them when Que Meason tucked the ball under his arm, ran around left end for about 13 yards for the touchdown that put the candidates back in the running. Fitzgerald placed-kicked the extra point to win a game that had seemed to be lost three minutes before.

The Rookies gained more yardage from running plays, completed more passes and registered 4 first downs to 2 for the Seniors.

First Quarter

A strong wind sweeping the field from the west gave the team defending the west goal an advantage. The Seniors kicked off from that end of the gridiron and placed the candidates with their back to their own goal and they were not able to advance the ball out of dangerous territory during the first period. Rasberry, 1936 all-district quarterback, led the Seniors, who outplayed the rookies during this quarter, making one first down while holding their opponents so close that they did not register a first down. The longest gain of the first quarter was made by Rasberry who picked up about 10 yards on a line play.

Second Quarter

On the first play of the second quarter Canup intercepted a Senior pass and returned it to the Senior 15-yard stripe. Orr picked up 8 through the line and then lost 3. Joy lost 8 and his pass to Fitzgerald over the goal line on the fourth down was knocked down by Eddy.

After gaining only three yards on three plays Rasberry punted to the rookie 40 yard line. A pass, Orr to Canup, netted 15 yards and the candidates' first down, but Rasberry intercepted a pass on the next play and returned to his own 35 yard mark.

On the next series of downs the Seniors fumbled three times but did not lose the ball and Rasberry kicked to Meason on the 25. Orr gained 2 but was hurt on the play and was replaced by Owens. Joy and Meason added 8 more yards to complete a first down. After two incomplete passes, Joy skirted an end for 9 yards and Fitzgerald passed incomplete to Canup as the half ended.

Second Half

On the kick-off, Rasberry put the ball over the goal line and play started on the Rookies' 20-yard line. After an incomplete pass Ike Wilson intercepted a pass and returned to the 9. Rasberry lost 2 yards on two plays and passed incomplete then shot a short pass to Veceera who ran the remaining distance for the touchdown. Try for extra point failed.

Again Rasberry kicked over the goal line and the ball was put in play on the 20. Owens fumbled on the first down and Reeder recovered for the Seniors. Rasberry lost 8 yards on two tries. Fitzgerald

WILDCATS END GRID TRAINING PERIOD THURS.

Lettermen Return to Squad Next Fall; Prospects Good

Crowell High School Wildcat closed a ten weeks spring training period Thursday afternoon with the annual football game against the Senior class. Prospects for the fall grid team are better than they have been in several years. In fact, in checking the youngsters that reported for training, it looks as though the fall football team for the next year will be near the top of the district race.

Nine Lettermen Back

The lettermen from the 1936 team return to the team fall. They are Vernon Gibson, William Simmons, John Lee Que Meason, Bernice Fitzgerald, Franklin Evans, Marvin Meason, Raymond Joy and W. F. Orr. Oran Johnson, Ed Gafford and Wayne Canup, 1936 substitutes who saw much service but did not letter, will also return and been working out in line position.

Veteran Backfield

Meason and Joy lettered in the backfield last year. Simmons lettered in the line in 1936 but was not in the backfield during training and proved that a fast, powerful blocking back. Owens and Charles Eddy, rookies, showed up well in the backfield and should do well in these positions next year. The cats will have one of the fastest and most versatile backfields in the district. Several have produced in several positions in that department block, punt, pass or carry the ball and no one player can be put in a spot by other teams of this district as it has been in the past.

As proven last fall and in training, Crowell will have one of the best defensive backfields in the district.

Five Linemen Back

The regular linemen of the 1936 team will be with the team next year and will be larger and have a year's experience behind them. Fitzgerald and Canup will probably fill the end positions. They can throw a pass equally as well as being fast they will be hard opposing backs to circle or run on end plays. Johnson and Orr will well enough to crowd the blockers of the district for honorees, Evans, and Statter, lettermen, will return to the positions to complete a well rounded line. Ed Gafford did work at center during the training period and at the present time is the most likely prospect for that position next fall. Crowell fans are certain that the 1937 line will be the best in several years.

Many Good Rookies

Although the lettermen will be in the race for position they will be forced to work by the boys that have reported for their first year. Even though

TRUSCOTT WINS SEASON OPENER WITH CROWELL

Dorsey Holds Crowell To 6 Hits; Strikes Out 12 Batters

Truscott won the opening game in the H-W-F Baseball League by defeating Crowell 5 to 1 here Sunday afternoon before one of the largest crowds to attend a season opener in several years.

"Smoky" Joe Dorsey, Truscott twirler, held the Crowell batsmen to six scattered hits while striking out 12 hitters to keep Crowell from seriously threatening the lead. Dorsey went the route for Truscott in the box.

Truscott drew first blood in the fourth frame when they pushed two scores across the plate and Crowell scored their only tally in the fifth. Truscott added two more runs to their lead in the eighth and the last counter came in the ninth.

Crowell batters were unable to hit in the pinches as enough men in scoring position died on bases to turn the tide of the victory.

Herman Green started on the mound for Crowell and pitched a good game until the eighth inning, when Graves took over duties with one out and bases loaded. He caught a fly ball for the second out and fanned the next batter to retire the side without them scoring on him. J. Russell, rookie, pitched the last inning and although he did well Truscott scored one in that frame.

Gordon Taylor on second and Clyde Russell on third proved that they will greatly aid the Crowell nine's chances at the championship.

(Continued on Page Five)

George Little Dies Suddenly at Lorenzo

George Little of Lorenzo, former Foard County resident, died suddenly at his home Wednesday morning, May 5. He was a resident of Foard County from October, 1907, until 1925, when he located in Crosby County near Lorenzo.

Mr. Little was born in Hunt County and was 62 years old at the time of his death. He was married in Hunt County, Aug. 4, 1904, and is survived by his wife and three children, Mrs. Jake Denton and Floyd and Robert Clarence Little, all of Lorenzo. Other survivors include his mother and brother, Ben Little, of Abilene, and sister, Mrs. Verg Allen of Crowell. He was a member of the Baptist Church.

John Todd's Station Leased to Gafford

Jim Riley Gafford has bought the interest in the stock of the Phillips "68" Station from John Todd and has leased the station from the Phillips Petroleum Co. Mr. Gafford assumed management of the station this week.

Mr. Todd has accepted a position as deputy sheriff in the office of Sheriff A. W. Lilly.

Penmanship Awards Received by Over 30 Ward Students

Thirty-six students in the Crowell grammar school were awarded penmanship awards. Their papers were accepted by W. S. Benson and Co., of Austin, Educational Publishers of the Graves Progressive Handwriting. The papers were graded on twenty-six points.

The following seventh grade pupils were awarded the Student's Final Certificate: Eva Ruth Gafford, Dorothy Maxine Johnson, Florence Pauline Adams, Doris Lee Campbell, Nettie Fay Griffin, Dorene Gibson, Sybil Mullins, Reed Sanders and Virginia Lee Moseley.

Fifth and sixth grade students who received a student's penmanship pin are as follows: Mary Ellen Ford, Dimple Carter, Geraldine Moseley, Bonita Liles, Mary Evelyn Edwards, LaVerne Kenner, Wanda Jo Ketchersid, Rita Fay Callaway, Ray Davis, C. D. Mullins, Wanda B. Evans, Margaret Claire Shirley, Alton Roark, John Clark Long, June Billington, Jean Orr, Clonita Russell, Rita Jo Bruce, Virginia Thomas, Isabelle Lanford, Riley Adams, Ruby Adams, Truman Taylor, Donald Ward, Kenneth Archer, Charlie Thompson and Yvonne Weaver.

Crowell Odd Fellows Observe 118 Year of Organization in U. S.

The Crowell IOOF celebrated the 118th anniversary of the establishment of the Odd Fellow Lodge in America by Thomas Wylie Friday night at the lodge hall.

The program was opened by R. D. Oswald, noble grand, with invocation by H. H. Henry, Mrs. Crockett Fox and Miss Doris Orr, accompanied by Mrs. Leon Solomon at the piano, sang two songs. A reading, "Within the Alamo," was given by Ray Burrow. O. O. Hollingsworth, H. H. Henry and Mrs. H. H. Henry were the speakers of the evening.

Mr. Hollingsworth gave a brief history of the life of the founder of the IOOF in America, Thomas Wylie, and a summary of what the work that he started 118 years ago Friday. Starting with a membership of five the Odd Fellow Lodge is now one of the largest fraternal organizations in the world, spending millions for relief of families of members and supporting 42 homes in the United States for widows, children and aged Odd Fellows, according to Mr. Hollingsworth.

Mr. Henry spoke on the value of Odd Fellowship. He stated and explained the principals of the lodge and Mrs. Henry gave a talk about the Rebekah Lodge, the sister organization of the IOOF.

Music for the occasion was furnished by Marion Crowell and her orchestra. After the program, refreshments were served by the Rebekahs.

May 15 Last Day to Apply for Crop and Livestock Feed Loans

Saturday, May 15, has been set as the official closing date for accepting applications for 1937 crop loans and livestock feed loans, according to W. E. Farwell, regional manager.

All applications must be in the mail at the close of business May 15. Applications postmarked on that date will be given proper consideration.

Methodist Revival Closed Sunday Night

The revival meeting that was in progress for one week at the Methodist Church closed Sunday night, however, a social meeting was held Monday evening when members of the church gathered for a covered dish luncheon.

The revival was sponsored by the young people's department of the church and Rev. Clarence Bounds, pastor of the Post Methodist Church, did the preaching. Sam Mills was leader of the singing.

Much interest was manifested throughout the meeting and a number of conversions resulted. Rev. Bounds returned to his home in Post Tuesday morning.

H-W-F LEAGUE SCHEDULE FOR HALF SEASON

George Cates Acting Manager for Next Month

The schedule for the remaining seven weeks of the H-W-F league's split season was announced Tuesday by W. H. Holt of Harrod, secretary of the league. The last game of the first half of the season will be played June 20 and the second half will get under way June 27. The schedule has been arranged so that each team in the league will play at home every other week.

George Cates Pinch Hitting

George Cates will manage the Crowell nine until the return of Manager O. O. Hollingsworth, who will be away for about a month installing plumbing fixtures in a new consolidated school building.

(Continued on Page Four.)

WILL GO TO HENDERSON

Miss Frances Patton of Dallas is here this week visiting her parents, Mr. and Mrs. T. S. Patton, and other relatives and friends. Miss Patton is a graduate nurse of the Baylor Hospital in Dallas and has been working as a supervisor in that hospital since she graduated. She has accepted a position as superintendent of a private hospital in Henderson and will assume her duties May 10.

MARRIAGE LICENSE

A marriage license was issued to G. H. Hudson and Miss Nell Murphy, both of Knox County, May 2, in the county clerk's office.

Thomas Hughston Takes Position As Range Inspector

Thomas Hughston has recently accepted a position as senior range inspector with the Government Soil Conservation program.

Mr. Hughston assumed his duties last week with headquarters in the County Farm Agent's office. He will make reports on grass land on ranches in this county and make estimates as to the number of cattle the land will support.

ATTENDS DISTRICT MEET

Walker P. Todd, Vocational Agriculture teacher in Crowell High School, attended a district meeting held in Vernon Thursday, April 29. All members of this district were present.

J. B. Ruthland and R. A. Manire of the State Department of Agriculture discussed plans for next year's work and the part of the V. A. teachers part in the Soil Conservation Program.

PROGRAM AT GAMBLEVILLE

A free program will be given by the pupils of Gambleville school Thursday night, May 13, at 8 o'clock. This program will end school activities for the Gambleville school this term as the school closes the next day.

NEW CAR REGISTRATIONS

The following new cars were registered in the office of the tax assessor-collector last week:

Howard Bursley, Plymouth sedan.

FRACTIONATED ACTION!
SUPER COLOSSAL POWER
MYSTERIOUS INGREDIENTS

For the TRUTH about GASOLINE

LISTEN TO YOUR MOTOR -NOT CLAIMS!

Shut your ears to claims. Instead, compare gasolines in your car. Note which gasoline gives easiest starting, best acceleration. Observe which provides greatest flexibility. Listen for silent action on straightaways, for telltale knocks on hills and heavy pulls. Finally, carefully check your speedometer for mileage per gallon.

That's the way to judge—by results! And you'll certainly see and feel that difference with your first tankful of Phillips 66 Poly Gas.

This sensational new-type motor fuel quickly demonstrates its finer performance and greater value to any intelligent motorist. It gives extra power, pick-up, and mileage because every gallon contains extra energy units added by patented POLYMERIZATION process without extra cost.

This plus-performance is proven and guaranteed against changing weather, because Phillips 66 Poly Gas is 100% custom-tailored, extra cost.

Why not discover what this standing gasoline will do for your motor? Just keep an eye on the Orange and Black 66 Shield the place to get Phillips 66 Poly Gas, without extra cost.

Congressman U. D. McFarlane

Mrs. Dave Boren, of Thalia visited in this community Thursday. Horace and Reba Trammell and Elba Simmons attended a weiner roast at Mrs. Raymond Sparkman's at Quannah Saturday night.

Board of Visitors

The Board of Visitors composed of sixteen members, appointed in pursuance to Title 34, Section 1081, United States Code, met at Annapolis at the invitation of Admiral D. F. Sellers, Commandant of the Naval Academy, Monday morning, April 26, and for three days thoroughly inspected all phases of the Naval Academy's activities...

GOOD CREEK (By Vidie Phillips)

Mrs. R. E. Ballinger and little daughter spent Thursday with her brother, Mr. Tucker, of Thalia. Mr. and Mrs. H. K. Black spent Saturday night with Esker New of Truscott.

Economy in Government

The great awakening is here and the realization that loopholes in our tax laws have again let too much revenue escape and at the same time the continuing increase in legislative authorization has made necessary the increased appropriations which have caused Government expenses to continue to rise beyond the expectation of the Administrative authorities.

The Calendar

The Senate was in session Tuesday and Thursday of last week and promises to be in session about the same length of time this week. They apparently are awaiting the battle of the century, to be waged if and when they get ready to take up and consider the Supreme Court Proposal, which continues to be front page news and the pressure groups that operated behind the scenes in the Wheeler-Rayburn fight look like a local controversy exerted on the Senate in the Court fight.

Deficiency and War Department Appropriations

Wednesday the House debated and passed the Second Deficiency Appropriations bill, providing \$83,206,000 to supplement the needs of many departments of Government.

Leading Cork-Producing Area

Cadiz is one of the ports for the world's leading cork-producing area, southwestern Spain and Portugal. Piles of bark, stripped skillfully every nine years from the evergreen cork-oak tree, are hauled through the streets of the ancient white city to docks along the well-enclosed harbor.

DURSO THE GREAT

"Spook Show" to Be Features At Rialto Friday at Midnight

Delving into the realm of the supernatural, that unknown region where weird, inexplicable actions take place, Durso the Great, will appear at the Rialto Theatre at a midnight show Friday night as master of ceremonies of the famous "Spook Show."
Such things as spooks flying around in the air, spirits moving inanimate objects, ghosts talking, spooks walking, are only a few of the thrills in store for theatre-goers Friday night. The show will consist of a number of weird, shuddery, spine-tingling episodes. Some of the ghosts may even wander into the audience to mingle socially with the audience.
Durso guarantees his show to thrill, chill and scare and recommends that only the strong hearted attend.
Harmonizing with the stage presentation, the screen offering at the midnight show will be "The Ghosts Walk," a mystery drama, dealing with a party of tourists occupying a neerie mansion on a stormy night. June Collyer, John Miljan and Spencer Charters have the leading roles in this production.
NEW MARKET MANAGER
Herman Biggerstaff of Childress is the new manager of the Haney-Rasor meat market. Mr. Biggerstaff is an experienced meat man. He takes the place of Edwin Greening who resigned to accept a position with the West Texas Utilities Co.

East Side Church of Christ Bible class at 10 o'clock. Preaching at 11 a. m. and 7:45 p. m. Young people's meeting at 7:15. Elder Alvin A. Mitchell of Vernon will preach at both morning and evening services.
"Bobwhite" Name for Quail
"Bobwhite" is the common name for the native American quail, especially Colinus virginianus, or Virginia quail. The popular nickname was suggested by the male quail's note or call, which sounds like "bobwhite," with the accent on the second syllable. In the Southern states the same species of bird is called "partridge," a name applied in the North to the ruffed grouse or American pheasant.

Rookies Win—

(Continued from Page One)
aid intercepted a pass on the next play, returning to the 20.
Reeder threw Canup for 9 yards loss. Joy made 5 on a delayed buck and a pass to Fitzgerald netted 5 yards. Joy kicked to his 32-yard line. Rasberry threw an incomplete pass for the last play of the quarter.
Last Quarter
Lankford and Eddy failed to gain on two attempts and Rasberry punted to the Rookies 35. Joy put the Seniors in a hole with a quick-kick that was killed on the Senior 8.
On three line plays Rasberry picked up enough yardage to register a first down. Lankford made two and two passes netted no gain. Rasberry punted to his 37. Branch knifed through left tackle for a first down. The Seniors held the Candidates for three downs and Joy kicked out on the Senior 9.
The Seniors lost 6 yards on three tries, forcing Rasberry to punt to his 25. Meason galloped around right end for 11 yards. Joy pick-

ed up 1 yard and Meason circled the left end for the Rookie touchdown. Fitzgerald put his place-kick between the uprights for the point they needed so badly.
Fitzgerald's kick-off went over the goal line and play was started on the 20. Rasberry picked up 8 yards on three plays and punted to the 40. Rasberry intercepted a Rookie pass on the next play and was finally downed on the Candidates' 20-yard marker as the game ended.

THALIA

(By Minnie Wood)

 Mid-week worship Wednesday evening at 8 o'clock.
 We extend to one and all a hearty welcome to come and worship with us at each of these services.

I. T. GRAVES, S. S. Supr.
 H. H. HENRY, Asso. Pastor.

Christian Science Services
 "Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, May 9.
 The Golden Text is: "As we have borne the image of the earthly, we shall also bear the image of the heavenly" (I Corinthians 15:49).
 Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul. . . . Cease ye from man, whose breath is in his nostrils; for wherein is he to be accounted?" (Genesis 2:7; Isaiah 2:22).
 The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man reflects God; mankind represents the Adamic race, and is a human, not a divine, creation" (page 525.)

Two Minute Sermon

(By Thomas Hastwell)

False Promises: In the book of Genesis appears the story of the Garden of Eden and the creation of man. As may be learned from the story, the Garden was a perfect home for man. Everything necessary for his comfort and sustenance and well being was provided and he was placed in the midst of a perfect world a sinless creature. But the serpent came and with him sin and the downfall of man. As we read the story we note that the serpent presented sin as a pleasant and a desirable thing, a thing that would add to living and would make man wiser and more knowing. Nothing was said of the consequence or of the inevitable price of disobedience. What a familiar ring that has even today. How true it is that sin never presents its real and ugly side. It is always pleasant, always inviting, always desirable. The consequences today are no different than they were then. They are just as sure and just as terrible. Man gave up then a priceless heritage for a thing he knew was wrong, and every where today men are throwing away their lives and fortunes and future, only to spend years of regret in expiation of their folly. They are still being deceived by the false promises of sin.

Your Horoscope

May 2, 3—You like a certain amount of flattery and consideration for your feelings, but may not render as much as you receive. AI

CLAYTONVILLE

(By Pairlee Weatherred)
 Mr. and Mrs. Charlie Hinkle of Good Creek visited Mr. and Mrs. J. M. Weatherred Tuesday.
 J. B. Weatherred is spending the week with R. E. Weatherred of Crowell.
 C. T. Wisdom and son, Ted, are at Lockney on business this week.
 Mr. and Mrs. W. C. Golden and sons, W. C. and Clark, are visiting their daughters, Mrs. Fred Johnson and Mrs. Claude Vessell, and families of Sudan, and they will also visit Mr. and Mrs. Frank Polk of Kermit before returning home.
 George Brown of Chalk is visiting Clark Brown this week.
 There will be a big dinner at Claytonville Sunday, Mother's Day, and singing in the afternoon.
 Mr. and Mrs. Willie Brown of Foard City spent Sunday with Mr. and Mrs. W. C. Golden and family.
 Mrs. Wilson Myers of Truscott is spending the week with her parents, Mr. and Mrs. J. M. Weatherred.
 Pairlee Weatherred and W. C. Golden visited Mr. and Mrs. R. E. Weatherred Saturday night.
 Mr. and Mrs. Dock Gray of Crowell visited Mr. and Mrs. J. M. Weatherred Sunday.
 Mr. and Mrs. Glen Jones went to Lake Kemp this week.
 Misses Annie Belle Thurmond spent Saturday night with Inelia Milburn of Crowell.
 R. E. Davis and Gaylon Gover of Foard City spent Sunday night with Pairlee Weatherred.
 The school board met Monday night at Crowell. The pupils were transferred to Crowell last year and W. C. Golden will continue to drive the school bus.

RIVERSIDE

(By Bonnie Schroeder)
 Mr. and Mrs. J. H. Ayers and Mr. and Mrs. S. H. Hembree returned home Monday night from Mingo where they attended the funeral of Harry Newth.
 The singing at the school house Friday night was well attended. There will be singing there every Friday night.
 Mr. and Mrs. Ernest Cribbs, G. W. Scales, Pete Gobin, Delbert Johnston, Lord Whitten and Emmett Martin were among those from here who went to Lake Kemp fishing the past week-end.
 Shirley McLarty and Carl Austin spent several days last week at Knox City working on an irrigation well.
 Mr. and Mrs. C. H. Sitten and daughter, Vida Ruth, attended singing at Gambelville Sunday night.
 Mrs. Ed Thompson and daughters, Misses Juanita and Lynn

THOUGHTS OF SERIOUS MOMENTS

No greater grief than to remember days of joy when misery is at hand.—Dante.
 A thousand enemies suffice thee not; in a single enemy thou hast more than enough.—Taleb.
 Goodness does not consist in greatness, but greatness in goodness.—Athenaems.
 All things are in common among friends.—Drogens.

WHAT WE THINK

(By Frank Dixon)
 Babies and old people get up early in the morning because they have nothing to do.
 I've a hunch that if one should inquire into the history of these old fellows that insist upon getting up at 5 o'clock in the morning it will be found that when they were young enough to be any good about the place they had to have an alarm clock to get up before eight o'clock.
 I'd think the acid test of marriage to a girl who has been used to making her own way and getting a salary check every Saturday night to spend as and when she saw fit, would be to marry a man who carried the pocketbook and made her give an accounting for every nickel.
 The fact that the thing does happen and men get away with it, is evidence to me, that, as the boys in high school say, love is wonderful.
 The depression has lasted almost long enough to remove the stigma that five years ago was attached to a man who had the reputation for being thrifty.
 Talking about resourceful salesmen, out in my neighborhood a Some of the neighbors didn't understand how he did it since his wife went to the hospital last month for an expensive operation. He told the neighbors that with the interest and the mortgage coming due on top of the bill for the operation that he would have to make more money than ever and the best way to do it was with a tractor. That is what I call salesmanship.
 If there was anything funny about war one might get a good laugh out of the manner in which the Duce's troops got set back in Spain. They got the idea because they whipped a bunch of unarmed colored men and women in Ethiopia that they were soldiers.
 The Spaniards are right at home in this scrap. They have been bullfighters for years.
 A young woman neighbor of mine thinks she is eligible for a good job in the diplomatic service. She has been able to manage three boy friends the past summer without ever getting her dates or letters mixed and has kept each one thinking he is the only one.
 Some twenty years ago this country engaged in a war to abolish all war. What we need now is a tax to abolish all taxes and when we get it let's hope it comes nearer getting the job done that it starts out to do than the war did.
 Out in my part of the country times got so hard during the depression that newspapers quit speaking slightly of hash.
 The town that has the best Chamber of Commerce is not the town in which half of the business men ask, "Why don't they do something?" The best Chamber of Commerce is always found in the town in which all of the business men say, "Come, let's do something."
 Jim Whitten returned to Guthrie, Okla., Tuesday after a visit with his parents, Mr. and Mrs. R. G. Whitten.
 Mr. and Mrs. David Lee Owens of Crowell spent Saturday night and Sunday with Mr. and Mrs. Ben Bradford. They were accompanied home by Kenneth Bradford.
 Mr. and Mrs. Roy Fox and children of Crowell visited Mr. and Mrs. Loyd Whitten Sunday.
 Teachers for the 1937-38 term were elected at a meeting of the Riverside school board Thursday night. The following teachers were elected: Grady Halbert of Foard City, principal; Erwin Reed, Mrs. J. B. Rennels, Miss Johnnie Mae Short and Mrs. J. H. Bursley. Misses Alene Light and Ruth Austin and C. B. Shoulders visited Miss Light's parents, Mr. and Mrs. W. B. Light, of Farmers Valley Sunday night.
 Mrs. Otto Schroeder and daughter, Bonnie, and Kenneth, Evelyn, Rennie Lee and John Winston Bradford visited Mrs. Sudie Bradford of Margaret Sunday.
 Mrs. Hibit Grisham of Quannah spent Saturday night and Sunday with her parents, Mr. and Mrs. Sam Tele.
 Mr. and Mrs. Ira Tole visited her mother in Dallas the past week-end.
 Mr. and Mrs. Grisham of Quannah spent Saturday night and Sunday with their daughter, Mrs. Jady Tole, and family.
 Mrs. Hugo Jones of Thalia visited Mrs. Walter Carl Tuesday.
 Dale and Albert Lee Earthman and Edgar Long of Thalia visited in the C. L. Adkins home Sunday. Grandma Woods of Thalia visited in the Eric Wheeler home Sunday.
 Mrs. and Mrs. R. G. Whitten.

LOSE UGLY FAT

This Easy, Safe Way

How would you like to get rid of that bulging waist, sprawly hips, double chin and at the same time feel better than you have for years?
 How would you like to get your weight down toward normal and at the same time develop that urge for activity that makes work a pleasure—also get in ambition and keenness of mind?
 Get on the scales today and see how much you weigh. Then get a 4-oz. bottle of Kruschen Salts which costs but a few cents and will last you for weeks. Take one half teaspoonful in a glass of hot water first thing every morning and cut down on fat meats, butter, cream and sugary sweets. After 2 weeks weigh yourself again and note the fat you've lost.
 Now you can laugh at the people who pay hundreds of dollars to lose a few pounds of fat—now you'll know the pleasant way to lose unsightly fat and you'll also know that the 6 mineral salts of Kruschen (salts that kidneys, liver, gall bladder and bowels should have to function properly) have helped present you with more glorious health.

Did You Know That—

By Myrna Holman, H. D.
 Clothing demonstrations completed by the A-H Club this month and achievement will be held soon?
 "Mona Lisa" by Leonardo Vinci is considered the best picture ever painted?
 A very satisfactory bath can be made from on all cut in two lengthwise and on a frame?
 Lamb's quarters are cooked canned in the same way as peas and other greens?
 Food Preservation demonstrations (not just canning, but types of preservation) will be on in all home demonstration this month and that everybody welcome to attend?
 The gaillardia pulchella wheel or blanket wheel and gaillardia suavis (perfume incorrectly called nigella) are in bloom now and are worth a drive or hike to see?
 Detroit's Names
 According to Farmer's of Detroit, the early French onists applied the name Detroit to the settlements on both sides of the river, calling one North Detroit and the other South Detroit. It has had at least five names, including Young meaning "great village," Wagon, "crooked way," Le Grandie, referring to the Grandie, referring to the straits, and Fort Pontchartrain. The name is the word for "strait" and refers to the city's location on the between the lakes.

FLASH

That's this we hear a week late from our beloved Superintendent Mr. Todd at Canyon? It seems the Superintendent was walking in his sleep and suddenly, he rushes in with the smelling druses in with the smelling druses.

For further details consult the second chapter of the episode concerning the V. A. professor. It seems that he, too, was strolling and the boarder's house looking at the dining room. Was his face when he found that he had been in the dressing room of some instead. OH, MY!

VALDEDICTORIAN AND SALUTORIAN

Graces Green and Hughes will be the Valdedictorian and Salutorian, respectively, of Senior Class this year.

Graces has the highest four year average as well as the highest average for this year. Her average is 92.84.

Hughes has the second highest average for the four years work. Her average is 92.84.

Miss Mac Hall has the second highest average for the girls. She has an average of 91.82.

Miss Slovák has the second highest average for the boys. He has an average of 89.25.

SENIOR DAY

Senior day is again the destination of the Senior Class. The class will leave Friday morning and will return Monday night. The class expects this to be one of the best events during their high school days. The trip will be made in a school bus. About 27 girls are expected to make the trip. Henry Black, class sponsor, Miss Frankie Kirkpatrick, mother, will accompany them.

ADVICE TO GIRLS

There are nine points of advice for girls. They were fashioned by the pen of Bernice Fitzgerald. Know him?

Keep away from track men; they are usually fast.

Never make dates with boys; they like to cut-up.

The football man is OK; he'll do anything.

The tennis player is harmless (usually), but he has a racket. You can trust a swimmer; live in and do his best.

Watch the dramatist; he usually has several good lines.

Don't play cards (or anything) with the civil engineer; he is a bridge expert.

The baseball man; well, he runs, scores sometimes.

Don't let the band boy talk much; he enjoys blowing his horn.

EXCHANGE

Who wooed Juliet on a balcony because he thought it good policy; today, they make love on the balcony, not because of the mess of it all, but because it is 5 cents to sit down stairs.

Walking into classes late and early is becoming a thing.

Dr. Hines Clark

PHYSICIAN and SURGEON

Office Over Reeder's Drug Store

WET WASH 2 1/2 Cents Per Lb.

10 Lbs. Washing for 25c

Everything washed spotlessly clean and returned to you ready to iron or hang on line as you choose. Remember, WET WASH 2 1/2c per pound—weighed dry.

BERNON STEAM LAUNDRY

of the past for St. Thomas College students. An electric eye detects the miscreants. Even while the professor's back is turned, a person can't slip in or out, undetected, for he must cross the light beam and when he does, a gong clangs.

Students enrolled in a class of chemical photography at John Tarleton have become so interested that they insist on slaving at night. The professor holds his head in worry at the over-interest and runs a ragged night life trying to keep the students out of the lab.

When Jason Bernie, son of the "Old Maestro," left Rutgers University to take a position at the Universal studios in Hollywood, he brought to an end a friendly feud with W. Winchell, no relation to the gossipist. The two, because of their names, had carried on a friendly bantering.

PHILOSOPHICAL PHRASES

"Tis the mind that makes the body rich.

Patience is bitter, but its fruit is sweet.

The darkest hour in any man's life is when he sits down to plan how to get money without earning it.

Originality is simply a pair of fresh eyes.

EXCHANGE

Winners of the short story contest to be held at Gettysburg College in May will share the \$150 contributed by Dr. Lloyd C. Douglass, author of "Magnificent Obsession" and other best sellers.

The day of long stockings and billowing bloomers are gone, and the day of shorts has come to stay, says the president-elect of the Central Physical Education association. He believes that co-physical education promotes cleanliness, and boys won't hang around staring at the girl's legs on the athletic field.

Los Angeles Junior College has an active campus hosts organization and the girls are forming a college hostess club. Women with personalities and interested in making friends are invited to attend. The betterment of social activities on the campus is the aim of the club.

Six hundred Texas University students, 400 girls and 200 boys, who have achieved social distinction on the campus, will be rewarded by having their names printed in the "Tip-Top Social Directory." No charge will be made, but those who are chosen must buy a copy of the book at \$2.50.

The campus is much distressed over the situation. "Haters" of the socially elite have nicknamed the book, "Topsy-Top."

And remember—the line is what the coach hands the players.

THE FRESHMEN THINK

A grass widow is the wife of a vegetarian.

There are three kinds of poetry—lyric, dramatic, and epidemic.

The four seasons are salt, pepper, mustard, and vinegar.

An important bill passed in 1845 was the "Buffalo Bill."

Most of the houses in France are made of plaster of Paris.

Shakespeare was born in the year 1564, supposedly on his birthday.

A horse divided against itself cannot stand.

TOP OF THE TOWN

Pitt University, the "world's tallest school," is housed in a 42-story skyscraper that cost \$10,000,000. Imagine trying to make a top floor 8 o'clock class with only a minute to spare. And as a suggestion, a penthouse all-col-

PICKUPS

Get Thee Behind Me, Satan. Blue eyes gazed at mine—Vexation.

Soft hand clasped mine—Palpitation.

Fair hand brushed mine—Expectation.

Red lips close to mine—Temperation.

Footsteps—Damnation.

There are two parts of a sentence, the subject and the predicament.

And they laughed—when I spoke to the waiter in Italian, and he came back with Scotch!

No, Frosh, a neckerchief is not the head of a fraternity house.

The optimist fell ten stories—at each window bar he shouted to his friends—"All right so far!"

F. F. A. BOYS ENTERTAIN THEIR BEST GIRL FRIENDS

Each of nineteen F. F. A. boys invited his best girl friend to a picnic held at the south pocket park Wednesday afternoon, April 28. It was agreed that the boys attending would bring his girl or else not come. It seems that some of the V. A. boys could not get up enough courage to ask girls to go.

A committee composed of Glenn Shook, Marion Benham and Franklin Evans directed games and entertainment for the group. Roasted weiners, cookies, potato chips, bread, ice cream and a special F. F. A. punch was served to each couple. The F. F. A. punch was made of lemons, oranges, pineapple, cherries, sugar and plenty of ice.

JUNIOR-SENIOR PICNIC

The Juniors were given a picnic at the South Pocket Park Monday afternoon by the Seniors. Many amusing games were played, a sing-song was held, and the Seniors initiated next year's Seniors. Members of both classes reported a hilariously good time.

The Junior-Senior picnic is becoming almost as much of a tradition as the Junior-Senior banquet. At some time in the dim, dark past, a resourceful Senior hit upon the idea of repaying the Juniors for their kindness in giving them a social of some sort. This idea has been carried out by surprise breakfasts, parties, and picnics since its birth.

SNOOPING

Snooper wants to inform you that she really got the low down on the F. F. A. picnic.

It seems that Jim Whitfield was pleased to escort Miss Marjorie Spencer. We hope he was pleased although Marjorie was second choice—that's alright, Marjorie, better second choice than no choice at all.

Now since Jim Hill Erwin is really stepping out who could he have been with but the one and only Mary Housouer.

Glenn Shook was with the superintendent's daughter, Camille; he couldn't by any chance be trying to graduate.

We find that Edward Gafford was seen with Frances Davis. Snooper wants to know what the little Carroll boy said when he found it out—or is he one of those kinds that is not jealous.

Little Kenneth Halbert wanted to go with Mary Frances Bruce, but due to responsibilities at the church she couldn't go with him; he also wanted to go with Ada Groomer, but she seemed to be dated up with none other but the Reubino of high school, John Bowley.

David Solis can't say that he was robbing the cradle; say that fellow that wears the uniform around didn't say anything to you for carrying Lillie Mae around while he wasn't here, did he?

News Flash—Chippie Griffin had a date the other night, but it was Mr. Todd's fault. He's going to be the old match maker yet. Now Chippie might not have ever gotten to go with Oma Floy McLain if Mr. Todd hadn't made all the boys have a date.

Ah, why doesn't Granville Mullins go with some one that would be news to the Snooper; everybody knows that he goes with Dorothy Flesher all the time.

Now, Sam Russell is making high school news history; look at the heavy date he was with; now Marie isn't really heavy.

Marion Benham must be getting tired of these brunettes; he was with one of the dizziest blonds in high school at that picnic. You know Margaret Long really has got that blond hair.

Clinton McLain is seen escorting the neighbor's daughter around; you know that is a good way to keep in good with a neighbor so long as you don't do it too often. Has he been back, Jean Opal?

Now, this isn't F. F. A. picnic news, but Horace told Miss Cogdell that he could come nearer making history than love. We ask Elba's opinion on that—what about it kid?

JOKES

In grade school a geography teacher was having a little difficulty trying to teach geography to a none too precocious and somewhat indifferent little girl. Finally in a state of desperation she wrote a note to the child's mother insisting that she see to it that her daughter prepare her home work.

The next day the teacher received the following reply:

"Dear Miss: My granmam didn't know no geography and she got

her man. My mam didn't know geography and she got her man. I don't know no geography and I got my man. You know geography and you ain't got no man."

"I thought you said I was sociable to the judge that he'd let me off," said one neighbor to another.

"Well, didn't it work?"

"Sure did—in reverse. I said, 'Good morning, judge. How's the boy today?'"

"And what did he say?"

"Fine—ten dollars."

"Did you enjoy your dinner, sir?" asked the solicitous restaurant proprietor.

"Yes, except the dessert. That was terrible."

"Did you have the plum tart or lemon pie?"

"I don't know. It tasted like glue."

"Ah! It was the plum tart. The lemon pie tastes like paste."

Which Is Dirtier?

Teacher: "My goodness, Willie. How did you get such dirty hands?"

Willie: "Washin' my face!"

V. A. BOYS MAKE FIELD TRIP

The V. A. boys visited D. E. Todd's farm Tuesday afternoon, May 4, and put into actual practice some more of their theory. The group castrated seven pigs, castrated and vaccinated nine calves, Creosote and pine tar oil were used as disinfectant and fly repeller. They judged four cows for dairy production.

The four cows were tied up in a row. Each boy was given a score card and was asked to examine the cows, scoring her as a dairy animal. After the cows were scored, each boy placed them and gave oral reasons for his placings. Three important things were emphasized in placing each cow, which were, constitutional vigor, barrel capacity and mammary developments.

LOCALS

Several CHS students spent the week-end in Vernon. While there they attended a District League meeting.

Beulah Ivie left last Tuesday morning for Denver, Colo., where she will make her home.

Several Homemaking girls attended the Homemaking Rally at Fort Worth last week.

The quilt which was made by the Seniors will be given away Thursday.

Miss Bonnie Cogdell, a former student of CHS, who is now a teacher at Bobette, spent the week-end visiting in the home of her parents, Mr. and Mrs. W. A. Cogdell.

Pat McDaniel and Coach Graves spent the week-end at Lake Kemp on a fishing trip.

I. T. Graves was ill several days last week.

Homemaking Rally

Juanita Brown Wins Second at Rally in Fort Worth

Juanita Brown won second place at the State Homemaking Rally at Fort Worth last week-end on her special occasion dress. After the winners were announced, their pictures were taken.

Banquet at Rally

The girls who attended the rally were entertained with a banquet in the Crystal Ball Room on the fourteenth floor of the Texas Hotel Thursday evening. A very interesting floor show was given, including solos, dances, numbers given by the chorus which won first place in state, a welcome to the girls, and group singing. Food was served to 1,360 girls. The time was required for this number of girls to reach the fourteenth story of the hotel on three elevators was one hour.

State Meeting of F. H. T.

Delegates from 70 schools of Texas assembled in the Crystal Ball Room of Texas Hotel Thursday morning for the State meeting of the Future Homemakers of Texas. The program included group singing, a welcome to the girls numbers given by the North Texas State Teachers College band, and an address. The business meeting was held Saturday morning in the Crystal Ball Room. Edith Hutcheson was the delegate from the Crowell F. H. T. Club.

Rally Entertainment

The Texas Hotel's doors were open with a hearty welcome to all Homemaking girls from all over the state of Texas.

The Hollywood theatre of Fort Worth gave free passes to all Homemaking girls to see Robert Montgomery and Rosalind Russell in "Night Must Fall."

Friday afternoon Fort Worth cars were furnished for the girls to tour the city. They visited the Rose Garden, parks, and buildings of interest throughout the city.

Sidelights of Rally

Ask Billie Brown what the shoe salesman told her. If it isn't too much trouble you might ask Edith Hutcheson, Daphne McClure and Elsie Vecera what they saw when they peeped through the key hole of their room into the adjoining room of the Texas Hotel.

You might also ask Helen Harwell about the girl she met on the fourth floor of the Texas Hotel at one o'clock Wednesday night.

The fire trucks and ambulances didn't keep Juanita Brown from

THIS WEEK IN HISTORY

May 3—Jacksonville, Florida, fire 1901. First medical school in U. S. 1865.

May 4—Work started on Panama Canal, 1904. Battle of Chancellorsville, 1863.

May 5—First congress of the Cuban Republic met at Havana, 1902. Napoleon died at St. Helena, 1821.

May 6—First issue "New York Herald," 1835. First post office in Omaha, Neb., established, 1854.

May 7—Joseph Cannon, statesman born 1836. American Peace Society formed, 1828.

May 8—New York-Denver telephone line opened for service, 1911. Underwood tariff bill passed the House of Representatives, 1913.

May 9—Lafayette College opened, 1832. John Brown, abolitionist, born 1800.

SAFETY SLOGANS

If involved in an accident take the names and addresses of all witnesses to the accident. Give the other party your name and address and secure his name, address and license number.

Remember if you are driving a car you are not only responsible for your safety but the safety of those riding with you as well as the safety of other car drivers. Driving is a big responsibility.

If you don't feel well it may be your diet. You may be eating too much or possibly the wrong food. An unbalanced diet, though large,

falling asleep at one o'clock Wednesday night and waking up at ten the next morning.

Miss Patterson is really used to the noise of the big city, but every time an ambulance passed, Billie and Daphny just had to look out the window, keeping her awake.

Elevators didn't agree with Elsie.

may be starving the system because of the lack of needed electric materials.

Many disastrous fires are caused each year because some one puts pennies and other unsuitable materials in the electric fuse block. In some states this is taken as evidence of intended arson.

Brief Bits of News From Here and There

Charles Evans Hughes, Chief Justice of the United States Supreme Court was 75 years old April 11.

The Federal Trade Commission is checking up on illegal and misleading advertising. A number of New York merchants were picked up for advertising imitation goods as "silk," "satin," "velvet," etc. Advertising, the commission says, must tell the truth.

Paper dealers predict a shortage in paper products and an increase in prices. The reasons given are that the paper mills have allowed their stocks to run down and are not prepared to handle a normal business. Another factor

is that new uses have been found for wood pulp such as rayon, plastics and other cellulose products have helped to reduce the stocks.

Alfalfa Bill Murray, former governor of Oklahoma is living in seclusion on his small farm in Oklahoma. He has written one book on the Constitution and is at work on another, a history of the Oklahoma Indians.

Dry ice was discovered by a French scientist named Thilorier, a hundred years ago. In 1925 its manufacture was begun in a commercial way. Today 145,000 tons are manufactured each year in 70 plants. About 70 per cent of this is used by ice cream manufacturers. It sells around \$40 a ton. Experiments are being conducted to manufacture dry ice from waste by-products at a much lower cost.

STOMACH ULCERS

Yeats is Principal Speaker at Thalia School Banquet

Junior Class members of Thalia High School were hosts to the Senior Class, the faculty of the school and other guests at the annual Junior-Senior banquet Friday evening at Raymond's Cafe. The table was decorated with the class colors and places were marked for forty-five people with attractive programs and dolls, doilies in caps and gowns, holding a diploma were plate favors.

Rev. E. L. Yeats of Crowell was the principal speaker of the program. The seniors who attended were: Fred Gray, Homer Matthews, Kay Cox, Bill McKinley, Geneva Jo Wood, Modena Stovall, Edna Ward, Ruth Huskey, Mildred Townsend, Ina Belle Shultz, Johnnie Lee Tarver, Ruby Lee Tole, Norma Jean Long, and their sponsors, Miss Imogene Wells and Ocie Chism.

The main address of the evening was given by J. Lyndall Hughes, an out-of-town guest. A three-course dinner was served. The dessert course further accentuated the color scheme. It consisted of pink and white brick ice cream and pink and white individual angel food cakes. Those attending were: Wayne Cure, Estelle Chilcoat, Oscar Whitaker, Mr. and Mrs. C. D. Holmes, Mr. and Mrs. Robert Berg, Pauline Stinebaugh, Zolner Sanders, Gladys Meek, Paul Bullion, Miss Eileen Motley, N. L. Barr, Jessie Lee Glasscock, Marcella Stevenson, Clois Cobb, Francis Pettis, Lee Linden Turner, Winnifred Horne, Helen Burg, Margeritte Westbrook, Edith Banks, Derward Horne, Willie Lue Combest, Ray Lynn Cure, Oleta Aldridge, Mr. and Mrs. A. F. McMin, Martha Loyce Meek, Marian Crowning, Clarence Woodard, Florence Whatley, J. Lyndall Hughes, Buford Brown, Nina Cook, Kenneth Gillespie and Marjorie Browning.

BIRTHDAY PARTY

Mrs. L. L. Saunders celebrated the fourth birthday of her little grandson, Raddy Nichelch, Tuesday afternoon at the Saunders home.

The following little friends were present: Joe Welch Jr., Marcia Kincaid, Mary Ermine Cooper, Georgia Rhea Meason, Gordon Wood Bell, John Victor Sanders, Jimmie Tom Cates, Jean Hughton.

After playing games, the little folks went into the dining room where the birthday cake with four pink candles centered the table. From the cake there floated numerous balloons of various colors. Strawberry ice cream was served with cookies and the balloons were given as favors.

Truscott Juniors Honored Seniors With Banquet Fri.

The Truscott Junior-Senior banquet was given last Friday night in the auditorium of the Baptist Church. The color scheme of pink and white was established in the May-pole center-piece.

The welcome address was given by Wayne Cure, president of the Junior class, and the response was made by the Senior class president, Helen Burg. The class will be read by Winnie Horne. A duet, "Moonlight and Roses," was sung by Florence Whatley and Estelle Chilcoat.

The main address of the evening was given by J. Lyndall Hughes, an out-of-town guest. A three-course dinner was served. The dessert course further accentuated the color scheme. It consisted of pink and white brick ice cream and pink and white individual angel food cakes.

Those attending were: Wayne Cure, Estelle Chilcoat, Oscar Whitaker, Mr. and Mrs. C. D. Holmes, Mr. and Mrs. Robert Berg, Pauline Stinebaugh, Zolner Sanders, Gladys Meek, Paul Bullion, Miss Eileen Motley, N. L. Barr, Jessie Lee Glasscock, Marcella Stevenson, Clois Cobb, Francis Pettis, Lee Linden Turner, Winnifred Horne, Helen Burg, Margeritte Westbrook, Edith Banks, Derward Horne, Willie Lue Combest, Ray Lynn Cure, Oleta Aldridge, Mr. and Mrs. A. F. McMin, Martha Loyce Meek, Marian Crowning, Clarence Woodard, Florence Whatley, J. Lyndall Hughes, Buford Brown, Nina Cook, Kenneth Gillespie and Marjorie Browning.

The banquet was served by Misses Mildred Black, Helen Chowning, Inez Reagan, Sarah Ruth Aldridge, Mary Jo Chilcoat and Katherine Browning.

After the banquet Nina Cook and Winnie Horne further entertained the guests at the home of Mr. and Mrs. Delbert Cook.

BIRTHDAY CELEBRATED

Mrs. Henry Greening was hostess Tuesday, April 27, at a birthday party in honor of the 10th birthday of her nephew, Kenneth Greening. Games were played throughout the afternoon.

Kenneth received many nice gifts, one of which was a quilt top for his own bed, pieced by his grandmother, Mrs. John Greening. Ice cream and a birthday cake baked by his grandmother, Mrs. Greening, were served to, Doris Evelyn Johnson, Leta Fay and Eva Lois Gray, Mary Curtis, Winifred and Joan Greening, Lola May Fox, Fernez and Patsy Doris Gamble, Billy Fred Short, Billy and Charles McKown, Nally McClure, M. T. Whitley, Alton Reed, Griffin, Billy and James Milton.

Splendid Support Fully Appreciated

The management of The Foard County News has many things to be thankful for and one of the outstanding things for which we want to express our appreciation is the hearty co-operation and faithfulness of our many readers. The annual campaign for renewals and new subscribers carried on the latter part of 1936 and the first of 1937 was one of the best in the history of the paper. More papers are being printed each week to supply the demand than in many years. Around 1,200 copies are being printed each week and only enough are left over to supply our files and extras called for.

Mothers Are Guests of Columbian Club

Wednesday was Mothers' Day for the members of the Columbian Club and their guests. For more than twenty years Mothers' Day has been observed for the mothers of members and other mothers. The home of Mrs. R. L. Kincaid was the scene of the party this year and each member was considered a hostess.

The president, Mrs. I. T. Graves, opened the program with words of welcome and Mrs. M. N. Kenner led the following program: A short story, "Mother's Revolt," was reviewed by Miss Myrna Holman; a poem, "The Most Wonderful Thing in the World," by Mrs. Kenner; song, "In the Garden of Tomorrow," by Mrs. A. F. Wright, accompanied by Mrs. Jno. S. Ray; and a concert, "Mothers of the Bible," by Mrs. Kincaid. Roll call was answered to with "Memories of My Mother."

Refreshments of brick ice cream, cake and punch in the color scheme of gold and white, the club colors were served. Plate favors were lovely Mothers' Day cards, bearing the message, "May happiness and contentment, too, make every hour complete, and may the years bring joy to you and keep you ever sweet."

The following guests were present: Mesdames Lee Ribble, T. M. Beverly, J. W. Cook, J. H. Self, J. C. Roberts, P. P. Cooper, Frank Thomson, Tom Ferguson, B. F. Ringold, L. Kamstra, S. H. Bush, J. H. Olds, Frank Crews, Fannie Thacker, J. C. Calvin, W. R. Tuttle, C. P. Sandifer, John Roberts of San Antonio and J. W. Harris.

Care Should Be Taken To Prevent Typhoid

Austin.—Dr. Geo. W. Cox, State Health Officer, characterized typhoid fever as a National disgrace and an unnecessary evil, while discussing this preventable disease. He said, "Each year about four hundred Texans die of this disease and approximately four thousand are sick with it. The average duration of illness is about six weeks; this means that the disease is responsible for the loss of 168,000 days in Texas each year. Typhoid vaccine is a harmless solution. This is injected under the skin in the upper part of the arm, in three doses, usually at weekly intervals. It ordinarily protects against the disease from two to three years or longer, although one who is definitely exposed to infection should be vaccinated more frequently. Typhoid fever can be controlled by the use of pure water, pasteurized milk or clean milk, clean foods, proper disposal of sewage, screening against the fly and destroying its breeding places, and search for and care of human carriers, and by the general practice of vaccination. Certain people, apparently healthy, carry the germs of typhoid in their intestines or urinary tract and cause many cases of typhoid each year through handling foods with unwashed hands. They are called typhoid carriers and many cases result from personal contact with these carriers. In selecting a place for a vacation choose one where you know that the water and milk supply is pure. Be sure that the kitchen and dining room are screened to protect food from flies. When camping it is best to boil water used for drinking, unless you know that it is pure. Clear, sparkling spring water may be polluted by drainage.

Brownwood Making Elaborate Plans W. T. C. C. Session

Brownwood.—Delegates and visitors to the 19th annual West Texas Chamber of Commerce convention here May 10-11 will find plenty of diversion. Serious thought and consideration will be given to West Texas problems in the business sessions of the convention, but after the work is finished each day visitors will find Brownwood has made ample provisions for entertainment. WTCC officials are predicting this will be one of the largest conventions held by the organization in recent years. One of the highlights of the entertainment program will be an elaborate revue, "West Texas Follies of 1937," to be staged Monday and Tuesday nights, May 10 and 11. More than 50 beautiful West Texas girls, named by various WTCC affiliated towns as sponsors, will take part in each show. The most beautiful will be selected by popular vote and crowned Queen with the title, "Miss West Texas of 1937." Numerous entertainers will speak at the convention business sessions. Those include Governor James V. Allred, Attorney General William C. McCraw, Col. E. O. Thompson, member of the Texas Highway Commission; H. H. Williamson, director of Texas Extension Service; D. P. Trent, Dallas, regional director of the Resettlement Administration; George W. Cottingham, editor of the Houston Chronicle; R. E. Dickson, superintendent of the Texas Agricultural Experiment Station at Spur; State Senator E. M. Davis, Brownwood; and Judge J. C. Hunter, Abilene oil operator.

SLAVERY IN WEST VIRGINIA

Slavery was still in force when in 1861 the Unionists called a convention at Wheeling to form a new state out of the western counties of Virginia. Records are not detailed enough to show the number of slaves in each county, says the Cleveland Plain Dealer, but at that time there were 12,771 Negroes in that portion of the state proposed to be included in West Virginia. The question of slavery naturally came up but the resolution for emancipation was opposed by many "on the ground that it would cause an unnecessary agitation of a question that would in course of time solve itself." It was defeated by a majority of one vote. In political parlance West Virginia is not included in those states which comprise the solid south.

Three hundred sixty-one boys in the Wichita Falls district are working part-time on diversified National Youth Administration highway projects. Under the supervision of the State Highway Department, these boys are completing 4 roadside parks, flattening slopes, filling ditches, constructing ditch retarders, graveling mail box turn-outs, and planting trees.

H. D. and 4-H CLUB ACTIVITIES

Officers of FOARD COUNTY HOME DEMONSTRATION COUNCIL
Mrs. J. L. Hunter Jr., Chairman Mrs. S. E. Tate, V. Chalm.
Mrs. Frank Gamble, Secretary
Miss Myrna Holman.....Home Demonstration Agent

WEST SIDE H. D. CLUB

Several interesting suggestions were given for the 1938 Club Yearbook when the West Side Club met on April 28 with Mrs. Donald Norris. Mrs. Herbert King was appointed to assist the recreational leader, Mrs. Roscoe Eubank was named council delegate, and Mrs. C. R. Bryson was elected delegate to the Short Course with Mrs. Donald Norris as alternate. The club will meet on May 12 with Mrs. G. H. Patton, when Miss Myrna Holman will discuss "Food Preservation."

FOARD CITY H. D. CLUB

"There are more ways of preserving food than by the canning method," stated Miss Myrna Holman, home demonstration agent, at the Foard City H. D. Club meeting on Tuesday, May 4, at the club house. Miss Holman explained the different methods in her talk to the club. There were fifteen members with two new members, Mrs. Virginia Johnson and Mrs. Luther Marlow, and two visitors, Mrs. A. E. Barker and Miss Glendon Glover.

RIVERSIDE H. D. CLUB

The first requirement for an attractive view from a window is a clean, sparkling window," was the first thought developed in a lesson on attractive views from windows at the meeting of the Riverside H. D. Club Tuesday, April 27. Miss Bonnie Schroeder, leader for the meeting, gave a number of ways by which window glass could be kept in sparkling condition. A called meeting, May 4, will be held to have the programs which were omitted in February and March due to bad weather. Twelve members answered roll call.

RIVERSIDE 4-H CLUB

There were seven members present at the 4-H Club Tuesday, April 27, which was carried on at the home of Rudell Blevins. The most important facts about canning were discussed but no canning took place. The club will meet again May 5, for a tour over the county.

Second Birthday of Resettlement Passes

This week marks the end of the second year of the Resettlement Administration, which, in Foard County, has made 119 loans to farmers for a total of \$19,789.

Co-operative Loans Involving \$126,358 Have Been Made by Resettlement to 163 Groups of Texas Farmers, to Buy Equipment, to Purchase Pure-bred Sires, or to Purchase Community Projects

The supervisor said when Resettlement Administration was set up two years ago, its first job was to take over farm families formerly on relief, and to make these families again self-supporting. Detailed plans of farm and home management were worked out with each family, and backed by loans for the necessary supplies, livestock and equipment. "More than 18 per cent of Texas farmers have incomes ranging from \$400 down to less than nothing. A typical member of this group," the supervisor said, "spends on an average only \$1 a month for food, only fifty cents a month for clothing, and only five cents a month for medical care." He pointed out that these families can develop, in the aggregate, an enormous purchasing power, if properly financed and supervised. "Many farmers included in the Resettlement program last year had never before known what it was to grow a garden or to own a cow or chickens," the supervisor said. "Most of them had no team or tools. Resettlement plans worked out last year enabled such families in Texas to buy 26,599 horses and mules and 7,932 milk cows. These families planted 19,762 gardens and put up more than five million pounds of dried meat and vegetables as well as more than a half million cans. A total of 57,540 loans to such families were made in Texas during the past two years by the Resettlement Administration, for \$11,878,654. The number of non-repayable grants was 105,900 for \$1,547,082. The Debt Adjustment Section of Resettlement in Texas, working through volunteer committees in each county, has not only assisted in saving 916,131 acres of land from foreclosure on 3,529 farms, but has also brought about refinancing through which \$253,409 in delinquent taxes has been paid to state and county treasuries. To help put land into the hands of low-income farmers, and a small group of the more successful type of tenants, Resettlement has accepted options on 34,000 acres of land in Texas and has paid for 22,625 acres of this. The land was bought at a price which will return six per cent above taxes and insurance, with crops and prices equal to those of the last three years. Construction of buildings is now in progress on 125 of these farms and 145 families are now working them, living in temporary quarters. Most of them later will be given opportunity of buying, with forty years time to pay and interest at the rate of
