SOPHOMORE CHRISTMAS PARTY

The Sophomore class mothers Mrs. Tanner Billington, Mrs. Paul Shirley and Mrs. O. W. Orr, en-tertained the Sophomore class with a delightful party at the home of Mrs. Shirley.

Various guessing games were played, then a game entitled, "Who were you with, Where were you, and What were you doing?" Gifts were determined by numbers on the packages.

Delicious refreshments were served by the class mothers. They consisted of turkey salad, olives, cheese sandwiches, fruit cake, a small candy Santa Claus favor, wiches, stuffed celery, potato and hot chocolate.
About thirty Sophomores were present.

TERM EXAMS

Just the title above is enough to make any student in CHS start fussing. However, these "dear" little exams are coming up next week nad there's no avoiding them, unless, of course, you've been very good all year and don't have over 30 demerits or unless you're just extra smart. NOW'S YOUR CHANCE

Well, "goils," it's leap year at last! Leap year just comes every four years, and it's only world-wide significance is that Februsome Romeo, hero, or whatever you call him, for dates. A good thing, don't you think? Being as this year is out of the ordinary, why not make it different, girls and sweep the boys off their feet?

THOUGHTS OF SERIOUS MOMENTS

Music is the mediator between the spiritual and the sensual life. -Beethoven.

Music is the harmony of being; of creation; an echo of the invisible world; one note of the divine concord which the entire universe is destined one day to sound .-

Giuseppe Mazzini.

Music is teh harmony of being; but the music of Soul affords the only strains that thrill the chords of feeling and awaken the heart's harpstrings.—Mary Baker Eddy.

Check Exhaust Pipes For Leaks to Avoid Monoxide Poisoning

Austin .- To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. Geo. W. Cox, State, Health Officer, to check up now on the exhaust systems of their automobiles for defective connections and leaks.

Cold weather, which necessitates driving in closed cars, is the time stars I believe that it was a nat- up in the House during the forthfinds most of its victims. The poison seeps inside the car from leaky connections and overwhelms occupants of the car.

Carbon monoxide is colorless, odorless, and tasteless; when in collapse results from lack of oxygen.

ness Census.

On April 1, 1940, the second phase, the Population, Agriculture and Housing census will begin. It is certain that many more enumerators will be required for this work since it is necessary that the Population Census be completed in two weeks to prevent missing persons who move from place to O. O. F. Lodge and the Woodmen of the World.

Survivors include his widow of Vernon; two sons, Dwight L. Campbell and Charlie Campbell of Crowell; one daughter, Mrs. Aubrey Huddleston of Vernon; one sister, Mrs. C. P. Sandifer of Crowell; two brothers, H. K. and A. D. Campbell, of Crowell; one granddaughter, Doris Lee Campbell, and three grandsons, Lowlell, Larry Dan and C. D. Campbell, all of Crowell.

In two weeks to prevent missing persons who move from place to place. Women were not employed as enumerators during the Business and Manufacturing census, but this will probably not be the case in the second phase. Ample notice will be given in the Rialto Theatre ad on the back page of this issue.

Only subscribers to The Foard County News receive these complying for positions in the Population, Agriculture and Housing Census may get in touch with the district office. This will probably

The Dragons were shoots at the freely at the basket throughout the fray, however, most of their shots were wild. The Dragons were given very few shots at the hoop, but when they did fire, their aim was poor which was a factor in their low score.

The half time rest period found the Wildeats out in front, 22-10, and in the third quarter the lead was increased to 34-14.

Much could be said about the Wildeats out in front, 22-10, and in the third quarter the lead was increased to 34-14.

Much could be said about their department to club house, with Mrs. W. L. Johnson as leader.
