One gallon of SWP house paint covers 800 square

feet of surface ... at a cost less than 1/2c per square foot!

And look what you get for this low price. Beauty no other house paint can beat. Complete protection against

weathering . . . o protection that lasts for years. And the added feature of washability. That's why more homes

are painted with SWP than any other brand of paint.

Gone to Market

The National Exhibitors of America will be in Fort Worth, Texas, from July 26 to August 4. This is one of the largest markets in the country—in fact, the fastest growing market in the world. Five hundred of America's leading lines will be shown here. I avail myself of this wonderful opportunity and buy alongside of buyers for the largest and most exclusive stores of the larger places. I expect to have a showing of merchandise this fall and winter that will do credit to a place much larger than Crowell.

I appreciate the patronage you have given me which has made it possible for me to occupy larger quarters where we can serve you better than we have been able to heretofore.

The remainder of our spring and summer stock is on sale at very attractive prices to make room for fall merchandise. There is plenty of time for you to use this type of things as summer will last a long time yet.

Always look here before buying.
