WICHITA FALLS

Mr. and Mrs. J. T. Vessell of Crowell spent Sunday with Mrs. C. E. Dunn.

WICHITA FALLS

Mrs. C. M. Suits is on the sick list this week.

West Texas Chamber of Commerce Traffic Board Says Freight Rate Structure Penalizes West Texas

Abilene.—Discrimination against West Texas by the present freight rate structure is penalizing this area \$100,000,000 a year, charges the WTCC traffic board in an exhaustive analysis of the freight rate question just released.

West Texas with the greatest wealth of natural resources of any similar area in the nation, is paying higher freight rates than any other section, comparisons of the five major railroad regions of the United States made in the WTCC report show.

Freight rates in West Texas are 72 per cent greater than in the Ohio-Indiana, or Official Territory, which is the lowest-rate zone in the nation.

Tables showing increases in first-class rates are given in the report. From 1914 to the present, these rates between eleven West Texas towns and Houston increased an average of 130 per cent, the report states.

These increases in freight rates were made during a period when production of some commodities was increasing more than 1,000 per cent and when population of many West Texas cities was increasing more than 500 per cent, the report points out.

From these studies, the traffic committee concludes: "That West Texas when judged by population and quantity of production, has the nation's highest freight rate level; that its rates have been increasing while others have decreased; that others can ship into this territory at lower rates than shippers living in this territory have to pay for shipping wholly within the territory, and that expense of operating transportation facilities in West Texas appears to be lower even than in Official Territory."

The board states that its approach to the problem is not one of fighting the railroads or of depriving them of needed revenues, but is one of "equalizing those revenue payments as between the various sections of the United States to the end that one group of producers and consumers will not pay more proportionately to these revenues than another group of producers and consumers."

H. S. Hilburn, Plainview, WTCC president, says the report is accurate and conservative and is vital to the welfare and development of West Texas. The freight rate report represents one of the greatest pieces of pioneer, constructive work ever undertaken for West Texas, he declared in urging full co-operation with the WTCC in this movement by every town in the territory.

The analysis and report was assembled and prepared by D. A. Bantee, Abilene, WTCC manager, and E. R. Tanner, El Paso, WTCC traffic manager. It was approved and submitted to the WTCC directors by the WTCC

traffic board and a directors' traffic committee. Members of the board are B. Reagan, Big Spring, chairman; Jay Taylor, Amarillo; Joe Kerr, Sanderson; S. A. Wells, Lubbock; and J. M. Willson, Floydada. Members of the committee are A. F. Ashford, San Angelo; J. J. Gallaher, Graham; Courtney Hunt, Haskell; H. A. Walker, Sweetwater; B. P. Bludworth, Brownwood; J. C. Smyth, Snyder, and Van Zandt Jarvis, Fort Worth.

Monoxide Poisoning Danger Coming with Closed Car Driving

Austin.—To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. Geo. W. Cox, State Health Officer, to check up now on the exhaust systems of their automobiles for defective connections and leaks.

"This unreasonable weather will give way to winter soon and it will be necessary to drive in closed cars. Carbon monoxide may seep inside from leaky connections and overwhelm occupants of the car," Doctor Cox warned.

He said that "warming up" a car in a closed garage is the greatest cause of carbon monoxide deaths. Leaks from manifold connections, cracked manifolds, defective mufflers, leaks from loose muffler connections and leaks from hot air heater connections are potential sources for release of carbon monoxide and should be checked, Doctor Cox pointed out.

SAFETY SLOGANS

There is no record of a railroad crossing accident in which the car driver came to a stop before crossing the railroad track. "I didn't know it was loaded," is a thin excuse to give after an accident which has cost a life. It is one's business to know whether or not a gun is loaded, or to treat it as though he thinks it is loaded. Victims of guns that some one "didn't know was loaded" are just as dead as those intentionally shot. One hundred and six thousand men, women and children lost their lives in all kinds of accidents in 1937.

Lay Your Plans For BETTER FARMING with ALLIS-CHALMERS Tractors--Plows--Implements. ALLIS-CHALMERS Products are made to take the drudgery out of farming and make farm work a pleasure. THE FIRST COST ON ALLIS-CHALMERS PRODUCTS is very reasonable and the Up Keep surprisingly low. Howard Bursey

Area Boy Scout Merit Bag Show to Be Held in Wichita Nov. 18-19

Wichita Falls, Oct. 27.—Forecast as the greatest event in the history of Northwest Texas scouting, forty-four Boy Scout troops representing nearly every town in this area will participate here in the Merit Badge show, Nov. 18-19, sponsored by the Wichita Falls Kiwanis Club.

Arrangements are rapidly being made to secure exhibits from Burk Burnett, Iowa Park, Electra, Vernon, Crowell, Seymour, Odell, Childress, Paducah, Seymour, Odell, Petrolia and other cities.

The show will be held in the McConnell building here, three floors being devoted to the exhibition of activities of area Scouts.

"The primary purpose of the show, besides giving Scouts an opportunity to exhibit their work is to introduce more area boys in Scouting," A. T. Bryce, secretary of the Kiwanis club said.

Bryce pointed out that of 25,000 boys in this area who are eligible for Scouting, only 1,600 are actually enrolled in the movement.

General chairman of the show is Hal Basham, and vice chairman is Dr. Ralph Peterson. Scout leaders in the various cities are co-operating with these two leaders in an effort to have their respective cities well represented.

Bryce urged that all Scout Masters immediately begin their plans for entering exhibits. Aiding in overseeing work will be C. H. Peden, area scout executive, Bob Elliott and R. K. Ayers, Field Executives of the Northwest Texas Council.

Subjects of exhibits will cover a wide field of merit badge work. Members of each troop will demonstrate their projects, and prizes will be awarded for the best demonstrations and exhibits.

QUESTIONS AND ANSWERS

- 1. Of what well known American was Claremore, Okla., the home town?
2. What birthday did Mrs. Franklin Roosevelt recently celebrate?
3. What disaster happened recently at Linden, N. J.?

THE Foard County News

T. B. KLEPPER, Editor-Owner
HENRY ASHFORD, Reporter and Sports Writer

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, November 3, 1938

Red Cross Roll Call Begins November 11; Ends Nov. 24

A large Red Cross membership drive in proportion to the population of Texas is necessary for expansion of services within the state this coming year.

Mr. Self expressed confidence that an increase of more than 50,000 members will result when the 235 Texas chapters offer residents in every community an opportunity to join the Red Cross.

The re-districting, said R. J. Kild, league athletic director, was done purely on an enrollment basis. No consideration whatever was given to team strength.

Under the new rules, applying to football only, conference AA will be composed of schools enrolling 500 or more students the previous year.

Only the AA conference will play in a state championship, the A conference will play to the regional championship and the B conference to bi-district.

Under the new alignment the A conference in which Crowell will play next year will be composed of the following teams:

LIBRARY NOTES
A new book recently donated to the library is 'The Fear' (The Rider Fire). It was written by Henri Barbusse. A counter soldier in the trenches during the World War, he was involved to the very end and wrote the book which made him famous overnight. It has been translated into every language in Europe and won outside of Europe.

RIVERSIDE 4-H CLUB
A good educational exhibit is the number of eggs a hen should lay per month, the Riverside 4-H Club girls were told Tuesday, Oct. 25, by Miss Myra Holman.

GRID SQUADS OF STATE ARE RE-CLASSIFIED

District 10-B Will Be Class A Next Year; AA Highest Class

Crowell High School's Wildcats will be classified as a Class A team in 1939 and might have Olney and Quanah on their schedule next year.

In the list of teams included in the district in which Crowell will play next season are Olney and Quanah, but whether or not these cities will be taken into the higher class has not been announced.

If they choose to remain in this district, the move would mean the Olney would return to the district which they completely dominated for so many years.

As a whole, this move means that the football teams playing in Class A will be classified as Class AA next year and Class B as Class A and Class C as Class A.

Mr. Lee A. Baker and Miss Annie Thompson were quietly married at the home of the bride's parents, Mr. and Mrs. Joel Thompson, last week.

Barley Russell won first on maize and S. B. Middlebrook won first on White Leghorn chickens in the county fair.

Mrs. W. S. Douglas of Fort Stockton, who was in the Armstrong party that toured the Holy Land this last summer, was a visitor in the home of Mrs. M. S. Henry this week.

Under the new alignment the A conference in which Crowell will play next year will be composed of the following teams:

Subscription Campaign Making Good Progress

The following renewals and new subscribers have been received since the fall bargain rates started last month.

T. H. White, San Jose, Calif.; George Gosham, Lockney; Z. D. Shaw, Rt. 2; E. G. Morgan, Rt. 2; M. L. Myers, city; Foy Nichols, Kermit; Jack Spotts, Margaret; W. S. J. Russell, city; G. L. Scott, city; J. B. Meason, city; Melvin Moore, Llaneno; Melvin C. Joy, Bryan.

The 5th and 6th grade classes were entertained with a Halloween party Monday evening.

Mrs. Oscar Solomon was carried to the hospital on account of appendicitis.

Rev. and Mrs. G. E. Tyson and children, George, Martha and Henry, visited in Vernon Sunday.

All state aid permitted by law has been allowed the Riverside Consolidated School, according to a report released last week by John L. Beard of Children, district school supervisor.

Perfect attendance record for the second month of the Gambleville school includes the following names:

Kenneth Shook, Juanita Shook, Honor roll for second month, fourth grade, Juanita Shook.

PROBABLE STARTING LINE-UP

Table with columns: No., CROWELL, Wt., Position, Wt., SEYMOUR, No.
The probable starting line-up for the Crowell Wildcats and the Seymour Panthers in the game Friday night at 8 o'clock are as follows:

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.
Austin.—Legislators who made their campaigns this summer on a platform of "economy in the State government," will get an opportunity to make good on that campaign promise when the new Legislature starts in to make appropriations for the fiscal years beginning Sept. 1, 1938.

From several lawyer-legislators this week came a suggestion that many result in an effort by the next legislature to provide a retirement act for Texas high court judges, similar to the Federal judges' retirement act passed by the last Congress.

Gov. Nominée W. Lee O'Daniel picked one of the most highly controverted issues in Texas, when he told San Antonio reporters he favored abolition of capital punishment in Texas.

Mr. and Mrs. Benton Westbrook and children, Dorcas Deane, Frances and Verna Mae, were visitors in Knox City last Tuesday.

The District Deputy Supervisor, John L. Beard, of Children, and our county superintendent, J. Lyndall Hughes of Benjamin, visited our school Monday morning.

Mrs. Oscar Solomon was carried to the hospital on account of appendicitis.

Rev. and Mrs. G. E. Tyson and children, George, Martha and Henry, visited in Vernon Sunday.

All state aid permitted by law has been allowed the Riverside Consolidated School, according to a report released last week by John L. Beard of Children, district school supervisor.

Perfect attendance record for the second month of the Gambleville school includes the following names:

Kenneth Shook, Juanita Shook, Honor roll for second month, fourth grade, Juanita Shook.

M. S. HENRY & CO.

Bulldogs--

(Continued from Page One)

crossed the goal line. The Bulldogs took the ball on their own 20-yard line. After making a first down, the Burk Burnett running attack bogged down on the 29 and Brown punted out on the Crowell 46. On the first Crowell running play from scrimmage, Joy ripped off 14 yards. Meason added a yard and Joy passed to Canup for 15 yards to place the ball on the Burk Burnett 25-yard marker. Joy slipped through left tackle to cross the goal line but the play was voided with a holding penalty against the Wildcats. Running from the 46, Meason put the ball back up to the 36. The Bulldogs drew an offside penalty and Joy ran right tackle to travel to the 9. On the next play, Joy found a hole at right tackle, and cut back to his left and raced through the Burk Burnett secondary to cross the goal line standing up. The attempt at conversion failed and Crowell held a 13-0 lead before the initial period was but a very few minutes old.

Burk Burnett took the kick-off which went out-of-bounds, on its own 35-yard line and advanced 19 yards to the 49 by virtue of a 4-yard gain and a 15 yard holding penalty against the Wildcats. In two plays, Willet lost 7 yards and on the third down Brown fumbled and was smeared for an 18-yard loss to his own 28. Brown punted to the Crowell 40 and Owens returned to the Bulldogs' 40.

Wildcat's Only Punt

It was in the series of downs that caused the Wildcats' only punt. Solis and Joy picked up a yard each and Joy's pass was tipped by a Bulldog and fell incomplete. B. Fitzgerald punted from the Burk 48 to the 19.

Joy Shows Heels

Brown lost a yard. Crowell drew an offside penalty and Brown passed incomplete to find the Bulldogs with fourth down coming up on their own 25. Brown punted to the Crowell 48 and Owens returned it into Bulldog territory to the 43. On the next play, Joy slipped through right tackle, threw the Bulldog secondary defense off-balance with his tricky footwork and streaked down the side line for 43 yards to again cross the goal line. The conversion attempt failed.

Coach Hill sent in his second string into the serap at this point in an effort to stop the surging Wildcats. B. Fitzgerald's kick-off was returned to the Bulldogs' 25, but the Burkmen were pushed back to the 18 in the three plays and the Bulldogs punted to the Crowell 48, with Owens returning to the Burk 40 where he hit his own fumbled. The Bulldogs recovered at the quarter end.

This break was evened up on the following play when Johnson recovered a Bulldog fumble on the enemy's 45. Joy made 3 yards and Meason 11 yards. Joy added 2 more and then passed only to have it intercepted on the 5-yard line and returned 21 yards.

The Bulldogs were able to penetrate the Crowell line for 4 yards in three tries, but were forced to punt. Owens made a nice punt return from his own 30-yard marker to the Bulldogs' 47.

The Burk Burnett first string came back into the game and Joy said "howdy" with a 13 yard gain. On the next play the ball was placed on the 50-yard line with a 15-yard yard against the Wildcat's for holding. From that point B. Fitzgerald took Joy's pass on the 40-yard marker and galloped for a touchdown, leaving prone Bulldogs in his wake. He then booted the ball over the cross bar for the extra point to set the score at 26 to 0, of which he had marked up half of the points.

B. Fitzgerald got off a short kick but the ball was covered by Wayne Canup on the Bulldogs' 34-yard line and the Wildcats marched down for another tally. Owens let Canup's pass dribble through his fingers on the 10-yard stripe. Joy made a yard and then passed to Meason for 12 yards to put the ball on the 21. Meason ran 4. Joy added 3 more and then ran wide around right end to run out-of-bounds on the 1-yard marker. Joy crashed over tackle for the fifth Wildcat touchdown. Fitzgerald's place kick was wide.

Thrilling Run by Meason

Coach Graves sent a number of second stringers into the line. B. Fitzgerald put another kick-off over the goal line and the Bulldogs ran over on their own 20-yard line, but punted to the Crowell 38, where the ball was killed, on the third down after gaining only 3 yards. Joy circled left end to place the ball on the 50. On the following play, Meason tried the other end and fought, twisted, and stiff-armed his way to the goal line in one of the most thrilling runs of the scrap. B. Fitzgerald passed to Joy for the extra point. At this point, more Crowell second stringers came into the game. Again B. Fitzgerald booted over the goal line, and the Bulldogs punted to Crowell after making only 1 yard in three tries. Joy took the punt on the Bulldog 45 and was finally dragged down on the 25. After registering a first down, Joy fumbled on third down and the Bulldogs recovered but did not have time to run a play before the half ended.

Crowell 39, Burk 0.

Second Half

B. Fitzgerald's kick went out of bounds and the Hillmen started play on their own 35-yard line. It was here that the Bulldogs tried their new plays on the Wildcats. Willet picked up 2 yards, and with the same formation made 4 more on a pass. Running from deep punt formation, Brown was dumped for a 4-yard loss, and then punted out on the Crowell 35.

Lots of late (1939) wall paper!—W. R. Womack.

Listen to Ben Berry, KGKO, at 12:30 noon Friday; WRAP Saturday at 10:45 a. m.—Ferguson Brothers.

Eleven double edge razor blades for a dime at M. S. Henry & Co.

Buy Superflex oil or distillate heaters here.—W. R. Womack.

A card was received yesterday from G. E. Davis at Sweetwater requesting that we send his paper to that city. Mr. Davis and family left this week for Sweetwater to make their home. They had resided in Foard County for many years and in Crowell for about one year.

Electric iron poppers only a dollar at M. S. Henry & Co.

Mrs. Denton Lockhart, Miss Odie Pearl Thompson and Miss Edith Fox of Rankin arrived in Crowell Monday for a two weeks' visit with their parents, Mr. and Mrs. Joe Thompson and Mr. and Mrs. Roy Fox. The visitors and the Thompson family will visit relatives in Cass County next week before returning to Rankin.

Lots of felt caps, all popular sizes, lowest prices.—W. R. Womack.

Mr. and Mrs. Tom Johnson of Fort Worth are here this week visiting Mr. Johnson's mother, Mrs. W. Lake Johnson, and Mrs. Johnson's parents, Mr. and Mrs. George Doty of Thalia. Mr. and Mrs. Johnson are former residents of Crowell at which time he was an employee of the First State Bank. He is now employed in the auditing department of the First National Bank at Fort Worth.

Just received a big shipment of that famous Welles Pottery at M. S. Henry & Co.

WEST SIDE H. D. CLUB

"Toys of the right kind are constructive tools for a growing personality," stated Mrs. G. H. Patton to the West Side Club which met with Mrs. S. E. Tate Wednesday, Oct. 26.

"Instead of serving merely to kill time until a child is mature enough for so-called useful things, toys serve as a means of development. They may educate just as truly as doing sums in arithmetic," continued Mrs. Patton.

Mrs. Donald Norris showed numerous hand-made Christmas gifts and gave patterns for making to all present.

The following officers were elected for the ensuing year: Mrs. R. E. Eubank, president; Mrs. G. H. Kinchloe, vice president; Mrs. F. A. Davis, secretary-treasurer; Mrs. S. E. Tate, council delegate. Mrs. G. H. Kinchloe was appointed reporter.

Mrs. Joe Ward and Mrs. R. N. Barker were welcomed as new members. Mrs. E. W. Burrow and Miss Jessie Blue of Los Angeles, Calif., were visitors.

The next meeting will be Guest Day at the home of Mrs. F. A. Davis, November 9.

Something new! 1 1/2-volt battery radio. Only one battery.—W. R. Womack.

Summary

First down—Crowell 18; Burk 2. Yards gained from rushing—Crowell 416; Burk 52. Yards lost—Crowell 7; Burk 50. Passes—Crowell completed 8 out of 17 for 120 yards and had 2 intercepted. Burk completed 2 out of 7 for 11 yards and had two intercepted. Punt—Crowell punted 1 time for 25 yards; Burk punted 8 times for a 31-yard average. Penalties—Crowell 8 times for 40 yards; Burk 4 times for 40 yards.

Carefully Baked and Always Good

Two New Fords to Be Shown Tomorrow, Friday, November 4

The two finest Ford cars in the 35 years of the company's history will be given their first public showing tomorrow (Friday, Nov. 4), in dealerships throughout the country. The cars are the 1939 Ford V-8 and the 1939 DeLuxe Ford V-8. They are individually styled. Both are of compelling beauty. Both have hydraulic brakes.

Introduction of the new Ford eliminates a year of activity which saw the company embark on its current plant expansion program, bring out its entirely new Mercury 8, and establish the Lincoln-Zephyr still more firmly as the acknowledged style leader in the automobile industry.

The DeLuxe Ford V-8, with wholly new streamlines, has a distinctive appearance of its own. At the same time, both it and the Ford V-8 share a family likeness with the Lincoln-Zephyr and the new Mercury 8.

The DeLuxe has a deep hood with long lines, unbroken by louvers, low radiator grille in bright metal, and wide-spaced headlamps set into the fenders. The wheels Ford DeLuxe, in script letters of chrome, are divided at the front of the hood. The hood handle is concealed in a vertical extension of the radiator ornament.

All Ford cars are now equipped with hydraulic brakes. Pedal action is exceptionally easy, and the brake shoes work in 12-inch cast iron drums with a total of 162 square inches of braking lining for quick stopping and long life.

A feature of the bodies of both cars is their silence, achieved as a result of exhaustive road and laboratory research into the cause and correction of car noises. By use of newly developed insulating materials, engine and road noises are effectively kept out of the car. The interiors of the DeLuxe car are luxuriously appointed. Cush-

ions in all body types are of entirely new construction to allow freer spring action. They are notably deeper, and the padded effect in the tailoring gives them added smartness.

The DeLuxe Ford V-8 is available in seven attractive colors. There are five body types: Tudor and Fordor sedans, coupe, convertible sedan, and convertible coupe. The Ford V-8 is available with three color options and in three body types, Tudor and Fordor sedans, and coupe.

SALVATION ARMY

W. D. Pedigo of Dallas, veteran Salvation Army campaigner for funds, was here Thursday on his regular yearly round. Mr. Pedigo has been making Crowell regularly for many years and he reports the amount given the Salvation Army during his stay here Thursday as about the average.

The Salvation Army solicits funds once a year and no other solicitation is ever made.

"Don't Move to West Coast," FSA Advice to Farm Families

With income from crops for 1938 less than anticipated, many farm families are thinking of selling what goods they have and moving to the West Coast. The Farm Security Administration advises strongly against it, according to Julian Wright, local supervisor, who headquarters at Vernon.

He said that a recent study of California conditions was made by W. J. Green, Assistant Regional Director for FSA in this region, and it offers no encouragement to the farm families of the Southwest unless they already have permanent employment.

"Frequently statements reach Texas that there is a shortage of laborers at certain points in the west," Mr. Green reported. These statements are probably correct, but the people making them often fail to add that the work will last for only a short time, that living conditions in the area are undesirable and that when the work is finished, the laborer may find himself stranded in a community far from other employment with no hope of assistance from local sources."

Green pointed out that agricultural labor in California is almost entirely seasonal and that the land is owned in large units and operated for the most part by machinery. Only at harvest time is there a demand for additional labor, and when the highly perishable fruit and vegetable crops are harvested, the worker must move on to other places to find employment. These people have become known as migratory laborers and rarely stay in one place as long as six months.

"Along the roadsides of California, many people from the Southwest are camping out under conditions much worse than the ones they left behind them," Mr. Green reported. "Usually they live in tents which they carry along with them. In many cases their only supply of drinking water is an open irrigation ditch into which the waste from other camps has been thrown. No protection from disease is possible.

The Farm Security Administration has made some progress in improving the circumstances of migratory workers by establishing camps with the minimum essential of healthful living at a few of the more crowded points. In the stream of people to California from the Southwest slows up, conditions for those people who have already gone to the Coast states may be expected to improve in time. Nevertheless, as long as there is a surplus of laborers in that region as is found at the present time, California is not a refuge for financially distressed farmers of this state, it was pointed out.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

HOUSEHOLD HINTS

To make silk hose last longer put a tablespoon of vinegar in the last water when washed. It will help to set the color in black hose and helps keep the white hose white and both last longer.

Before trying to break a coconut put it in the oven and warm. When heated a slight blow will crack it easily and the shell will come off.

Mt. Vesuvius' Height Varies
Owing to the effects of eruptions, the height of Mt. Vesuvius varies as much as several hundreds of feet.

INTERESTING FACTS OF THIS AND THAT

Czecho-Slovakia is composed of four provinces: Bohemia, Moravia, Slovakia, and Ruthenia. Before the World War, Bohemia and Moravia were provinces of Austria, and Slovakia and Ruthenia were provinces of Hungary.

Mrs. Franklin D. Roosevelt never writes her speeches.

Last year 283,750,000 pounds of cotton was used in the manufacture of automobile tires.

The New York Times consumes 1923 tons of newsprint each week.

THOUGHTS OF SERIOUS MOMENTS

O, what man may in time hide, Though angel on the outward side.—William Shakespeare.

Prosperity is the blessing of the Old Testament; adversity is the blessing of the New. — Francis Bacon.

Your Horoscope

October 30, 31, Nov. 1—Your nature is sensitive and easily wounded. You are possessed of a wide circle of admiring friends, and on the other hand your enemies are plentiful also. Your nature on the surface is stormy and tempestuous but underneath there is a deep and affectionate nature which you keep enmeshed in a shell of cold aloofness. You are a puzzle even to yourself and a decided problem to your friends. You are given to moods of despondency from which you can recover quickly to heights of elation. Your ability to retain valuable knowledge is inclined to impress your associates that you are a "know it all."

November 2, 3—You would succeed well as a surgeon, physician or chemist. You are energetic, impulsive and independent but also have fits of bleak despondency. You have occult tendencies and are a fearless investigator. You do not waste much time in outside investigations but delve deep. You should exercise your energies in the higher things of life.

November 4, 5, 6—You radiate under kindness, but unfortunately you do not receive a lot of it from others. You should strive to be more hopeful. In defeat you withdraw into yourself and become depressed. If your efforts for the good of others are rebuffed, don't relax, but pursue your course and await developments. Remember God waits.

Brief Bits of News From Here and There

A new automobile tire is being built in which rayon is used instead of cotton. It is claimed for the new tire that it has 25 per cent more strength under friction heat developed at high speed than tires in which cotton is used.

To correct traffic violations by children riding bicycles, the mayor of Salamanca, New York, requires child violators to copy the broken law 200 times. This punishes the violator without subjecting the parents to a fine.

When truck drivers and teamsters struck in New York City, Mayor LaGuardia sallied out the city's fleet of 400 garbage trucks to break the strike.

A recent nation wide Gallup poll of opinion showed 48 per cent of the people opposed to a reduction in railroad worker's wages and 52 per cent favoring a reduction.

Lord and Taylor, Manhattan department store, one morning recently delivered to each of 15,000 women in New York and New Jersey a red rose at breakfast time with an invitation to visit the Lord and Taylor store.

Louisiana produces \$20,000,000 worth of sugar annually.

Automobile tire manufacturers in this country made 4,093,234

tires during the month of August. Alexander Dumas is said to have written 1,200 books.

Stage and radio comedians pay from \$1 to \$500 for a good gag. Many of these are written by writers who sell them direct to the comedians.

Many articles attributed to well known people are written by ghost writers. Ghost writers receive from two cents to a dollar a word. The service is organized so that one can get most any type of article he desires. One writer furnishing this service has 127 writers on his staff.

Invitations Issued to Water Conference in Lubbock, Nov 7

Lubbock, Oct. 31.—Invitations to all interested officials and citizens to attend a district ground water conference in Lubbock, Monday, Nov. 7, to be held in the ballroom of the Hilton Hotel at 2:30 p. m., are being extended by officials of the city and the chamber of commerce.

On that occasion, members of a state-wide committee appointed at a conference in Austin last summer are to be here for a public hearing and discussion of legislation to be proposed to the January legislative session seeking to conserve diminishing underground water resources of Texas. F. W. Pulliam of Crystal City is committee chairman.

The Lubbock conference will be the only one held within the area north of the Texas and Pacific Railroad, including the whole of the South Plains and the Texas Panhandle, and extending eastward to include the tier of counties made up of Wilbarger, Baylor and Throckmorton.

The conference and the contemplated legislation to be discussed, according to Mr. Pulliam, are of concern to every municipality, industry and farmers dependent upon underground water supply.

Last summer's conference by Governor James was the result of growing concern because of depleting such water.

Jimmie Ashford and Mrs. Faye Boyer Are Married in Del Rio

Jimmie Ashford and Mrs. Faye Boyer of Crowell were married in Del Rio Tuesday afternoon, Oct. 25, at 4 o'clock with J. P. Aderhold, justice of the peace, officiating.

They were accompanied by J. P. Jameson III of Crowell and Mrs. Roy Madding of San Angelo, a nephew and sister to Mrs. Ashford.

After the ceremony, the group visited in Villa Acuna, Old Mexico, before returning to San Angelo. Mr. and Mrs. Ashford returned to Crowell last Friday night.

The bride is the daughter of H. C. Ernest of Eastland. She was born in Eastland County and reared in Abilene, where she attended school and was graduated from High School in 1918. She also attended Simmons College in Abilene. Mrs. Ashford had lived in Vernon before moving to Crowell several months ago.

Mr. Ashford is the son of Mrs. Eva Ashford of Crowell. He was born and reared in Crowell and

attended school in Crowell and Porterdale, Ga., but was graduated from Crowell High School in 1927. He was a member of the high school football and baseball squads for five years. For the past eleven years he had been employed at the Crowell Service Station, until recently purchasing a half interest in the Ashford Service Station here.

The couple will make their home in Crowell.

CO-LABORERS' CLASS

The Co-Laborers' Class of the Methodist Sunday School held its social meeting at the church last Thursday afternoon, at which time Mrs. W. C. McKown, Mrs. R. R. Magee and Mrs. Roy Todd were joint hostesses.

Mrs. Hubert Brown was leader of the lesson study. She was assisted by Mrs. Pete Bell. Mrs. Brown talked on the book of "Ecclesiastes" and Mrs. Bell on "The Song of Solomon."

After a business session, a contest was enjoyed as diversion during the social hour. The hostesses served a delicious refreshment plate, which suggested the Halloween season, to twenty-three members.

Shower Honors Newly Married Local Couple

Mrs. W. L. Greenway was hostess at a miscellaneous shower in honor of Mr. and Mrs. Jimmie Ashford at the home of B. F. Hinds Tuesday night.

Guests were met at the door by Mrs. Vern Walden and introduced to the hostess, Mrs. Eva Ashford, and the honor guests, Miss Dorothy Winningham rendering two piano numbers and a reading was given by June Billington. Miss Virgie Sanders served at the punch bowl.

A large number of attractive and useful gifts were received by Mr. and Mrs. Ashford.

BIRTHDAY CELEBRATION

Jeannette Roark, daughter of Mr. and Mrs. H. C. Roark, celebrated her ninth birthday Monday afternoon at the home at which time her sister, Mrs. Ralph Burrow of Munday, was hostess.

The white birthday cake, decorated with a parade of cracker animals and the nine candles, occupied the center of the dining table.

Jane Roark, sister of the honoree, told the fortune of each guest and many games were played. Jeannette received nice birthday gifts.

The refreshments consisted of the birthday cake, served with punch and Halloween candies. A Halloween favor adorned each plate. The following were present: Kathleen Eddy, Sharon Sue

Haney, Joan Meason, Billie Billington, Geraldine Davis, Ruth Barker, Ramona Cates, C. D. Campbell, Baxter Gentry, Billy Cooper, Kenneth McClure, H. A. White and Vance Nelson.

B. Y. P. U. ENTERTAINED

On Saturday night, Oct. 29, Mrs. J. L. Ownbey was hostess to the Intermediate B. Y. P. U. of Crowell with a Halloween party at her home near Foard City.

Those attending wore masks and were greeted at the door by two ghosts. Throughout the house there prevailed an air of Halloween and Halloween games were played.

Refreshments were served to the following: Carl Connell, James Braswell, Harvey Crosnoe, George Cates Jr., Rita Fay Callaway, Winnifred Connell, Betty Jo Zeibig, Billie Diggs, June Billington, Roy Lee Weathers, Milburn Starnes, Dorothy Greening, Iva Mae Bradford, Dorene Gibson, Fay Griffin, Evelyn Crosnoe, Maxine Thompson, Clonita Russell.

Glen Randolph, Bill Ownbey, Marjorie Bradford, Kenneth Archer, Mary Ellen Ford, Edna Lou Brisco, Jimmy Cates, James Starnes, Gene Fitzgerald, Kenneth Ownbey, Joyce Ownbey, Joe Charles Bond, Oneta Fay Bond, Mrs. R. P. Bond, Fred Ely, Mrs. H. R. Zeibig, Mary Curtis, Miss Margaret Curtis, Mr. and Mrs. S. E. Crosnoe, Mr. and Mrs. Virgil Johnson, Mr. and Mrs. Roy Ownbey and the host and hostess, Mr. and Mrs. J. L. Ownbey.

THALIA IDLE HOUR CLUB

The Thalia Idle Hour Club met Thursday, Oct. 27, in the home of Mrs. Jack L. Coppage. An enjoyable afternoon was spent in doing various kinds of fancy needle work. A lovely refreshment plate carrying out the Halloween motif was served to the following members:

Mrs. Mack Edens, T. R. Cates, R. M. Grimm, H. L. Shultz, R. L. Simms, R. B. Cato, W. J. Long, W. G. Seales, J. D. Miller, C. H. Wood, J. M. Jackson, C. C. Lindsey, E. M. Cates, G. A. Shultz, Bob Abston, J. W. Wright, Miss Minnie Wood and the hostess, Mrs. Coppage; and the following visitors, Mrs. J. R. Morris of Fort Worth, Mrs. Truett Neill of Monrovia, Calif., and Mrs. Coppage's mother, Mrs. Sellars.

The club will meet Thursday, Nov. 11, in the home of Mrs. L. A. Roberts. All members are urged to attend.

ALPHA JUNIOR ADELPHIANS

The Alpha Junior Adelpian Club met October 12 with Thelma Jo Ross as hostess. A very interesting study of "Your Personality with God," was given by Frances Johnson, Lenagene Green, Dorothy Winningham and Thelma Lovelady.

The hostess served delicious refreshments to fourteen members. The club met again on Wednesday, Oct. 26, with Wanda Rose Liles as hostess.

"Beautiful Girlhood" was a very interesting study for this meeting.

Those taking part on the program were Marie Wells, Dorothy Flesher, Helen Harwell and Theda Wright.

Delicious refreshments were served to fifteen members. Next meeting will be with Joyce White as hostess on Wednesday, Nov. 9.

County Council Plans County-Wide Achievement Events

Plans for the county-wide achievement events were made at a special called meeting of the Home Demonstration Club County Council in the District Court room Wednesday, Oct. 26.

The exhibit is to be Dec. 2 and 3. Each club, Girls 4-H clubs included, is to have one educational exhibit and take part in the general exhibit. Educational exhibits decided upon will be as follows: Foard City, model kitchens; Vivian, tufted bedspreads; Margaree, frame gardens; Gamberville, nutritional standards; Riverside, milk exhibit; West Side, dish storage.

General exhibits will include canning, needlework, gift suggestions, etc.

The place for the event has not been decided upon but will be announced in a later paper.

The next meeting of the Home Demonstration Council will be Nov. 19 in the District Court room.

RIVERSIDE H. D. CLUB

In the hustle and bustle of this modern life mothers very often are not particular about the type of toys they give their children to pass the time away. Just anything is likely to be given to the child that will attract them for the moment and keep them from bothering the busy mother. On the other hand with very little expense and work, very educational toys can be provided. Instead of simply attracting and amusing the child for the time being they help the child to learn. These toys teach them the art of accomplishing things and develops an ability to think and reason for themselves.

The above was a part of the discussion given on educational toys for children by Mrs. C. L. Adkins to the Riverside Home Demonstration Club.

Mrs. Sam Kuehn was leader of the program for the meeting at the home of Mrs. Otto Schroeder October 25, and she displayed a number of hand-made toys and Christmas gifts. Several toys for the small child were exhibited. These were various shaped pieces of wood that fit into and over corresponding spaces. With these any child can spend many hours experimenting in arranging the objects and at the same time be learning the art of accomplishing things alone. One of the toys could be used as the child grows older because as the child fits the numbered triangular pieces of wood into a circle it learns to count, add, etc.

Mrs. S. H. Hembree was elected vice president in place of Mrs. Bill Hudgins, who has moved out of the community.

In place of the meeting for November 8 the county home demonstration agent, Miss Myrna Holman, will visit the homes of several members to inspect improvements made and assist them with any problems they might have. Homes to be visited are: Mrs. C. L. Adkins, Mrs. Sam Kuehn and Mrs. Roy Ayers. Mrs. Adkins and Mrs. R. G. Whitten will accompany her on the tour.

Three new members, Mrs. Judy Tole, Mrs. Anton Kajs and Mrs. Roy Ayers, were received into the club.

The club will meet with Mrs. Harry Simmonds November 22 at 2 p. m.

FOARD CITY H. D. CLUB

So far as possible, a leafy, green or yellow vegetable, a starchy food, citrus fruit and other fresh or dried fruits have been on the table daily at the home of Mrs. Tom Ferguson, Home Food Supply Demonstrator of the Foard City H. D. Club. There have been approximately five servings of meat weekly, and her family of three uses five quarts of milk daily. Butter, eggs, jellies and preserves complete the items of food which enables Mrs. Ferguson and her family to have a well balanced ration daily. These were the facts revealed by Mrs. Ferguson when the Foard City H. D. Club met at her home on Tuesday, Nov. 1.

Although Mrs. Ferguson's garden was far below normal this year, and many of her products have been canned in previous years, she now has on her pantry shelves 343 containers of various fruits and vegetables.

In addition to the abundant food supply record, Mrs. Ferguson also reports a profit from her eggs and cream. Since January 1, the net profit from her hens has been \$154.90. At no time since then has she had more than 125 hens. From four to seven cows have been milked since Jan. 1, and a net profit of \$325.88 has been realized.

Mrs. Ferguson served dainty refreshments to club members and three visitors, Mrs. A. E. Barker, Mrs. Joe Owens, and Mrs. G. W. Wallen.

The next club meeting will be held on Nov. 15.

THALIA 4-H CLUB

Standard egg production per hen for November is nine eggs, the Thalia 4-H Club learned through an exhibit at its meeting Tuesday, Oct. 25.

For December it is eleven eggs, January, twelve, and February, fifteen.
