## Crowell and Chillicothe Meet On Local Gridiron Tomorrow Night In Armistice Day Tilt; Both Ready

### SATURDAY, NOV. 19, IS LAST DAY TO PAY WHEAT INSURANCE PREMIUMS, SAYS SUPERVISOR

RAIL CHIEF

Mrs. Edith Jarvis Alden of Chicago, newly elected secretary of the Burlington railroad, as she takes over her duties as the only woman executive of a big railroad in the country. She is a smiling, gray-haired woman of 54 and has a son 26 years old. She went to work for the company in 1918.

Only nine days remain for wheat farmers to pay the government wheat insurance premium, as Saturday, Nov. 19, has been set as the deadline for accepting premium payments by the branch office, according to J. E. Miller, Foard County Crop Insurance Supervisor.

There have been more than 30,000 acres of wheat insured in this county, and approximately 80 per cent of the applicants have already paid their premiums. If the remaining 20 per cent of the applicants will pay the premiums before the closing date, Foard County will be guaranteed about 250,000 bushels of wheat on the 1939 crop. For that reason and for the farmer's own protection, insurance applicants are urged to pay the premium before the closing date.

Some applicants have not paid the premium, no doubt, because of fair crop conditions at the present time, but they are warned against doing this as there is yet a long time in which the elements or insects could badly damage or destroy wheat before the crop is ready to harvest. Payment of the premium is urged by Mr. Miller.

There are, perhaps, other applicants who have not paid their premium due to financial conditions. If that is the case, see the county crop supervisor and he will advise you how you may arrange for the payment.

## Crowell Masons Have First Meeting in New Lodge Hall

A large number of Crowell Masons and visitors from other nearby lodges assembled in the new home of Crowell Lodge No. 840, A. F. & M., in the north half of the upstairs of the Ringgold building Monday evening for the initial meeting at this place. This pioneer Crowell institution had been without a regular place to meet since the original Masonic hall burned in 1936 and the building committee and other members of the lodge who have been active in the work of securing a new lodge hall feel a great pride in what has been accomplished. The entire north half of the upstairs of the Ringgold building, bought from Howard Ringgold, owner, and considerable work has been done to make it one of the most beautiful and comfortable lodge halls to be found in this section. A partition was constructed through the center of the space, east and west, and the south half will be used as a banquet hall. Visitors present Monday evening were Leon Watson, T. E. Foster, Geo. Zelios, T. L. O'Steen and H. W. Norwood, of Vernon Lodge; E. G. Grimsley, J. M. Jackson, W. F. Hlavaty and J. A. Stovall, of the Ringgold Lodge; C. W. Patterson of Celina Lodge No. 330 of Lott, and Henry Sprinkle of San Angelo Lodge.

## Local FFA Chapter Maps Future Plans At Regular Meeting

Plans for the annual FFA sweetheart race and the FFA basketball team were discussed at the third monthly meeting of the Crowell FFA Chapter on Nov. 7. The question of subscribing for a number of farm magazines was also discussed at the meeting.

It is planned for the sweetheart race to start in about two weeks and close just before Christmas. It has been the custom for the past two years for the chapter to sponsor a sweetheart race. The chapter has realized considerable profits from these races as it takes poultry, eggs and money for the voting. The FFA boys nominate the girls to run in the contest and the queen is crowned shortly after the race closes, which usually covers about one month.

Following the meeting, members of the chapter played several games of basketball in the gymnasium and Marvin L. Myers, chapter adviser, started picking prospects for the FFA cage team, which will compete with the other chapters of this district for the championship.

The chapter members enjoyed refreshments at one of the local drug stores following the adjournment of the meeting at the high school building.

The next meeting of the chapter will be held on December 5.

## TO CASTRO COUNTY

Mr. and Mrs. W. M. Howell, residents of the Claytonville community for many years, left this week for Castro County to make their home. They will be located on Rural Route No. 2 out of Dimmitt, county seat.

Mr. Howell will raise wheat and has recently finished planting his crop. Henry Howell, son of Mr. and Mrs. Howell, and his wife will also move to Castro County within a short time.

## RELEASED FROM HOSPITAL

R. B. Edwards was released from the general hospital in Wichita Falls and returned to his home in Crowell Wednesday. His condition was reported as critical last week, but he has improved sufficiently to be returned to his home here.

## NEW CAR REGISTRATIONS

The following motor vehicles were registered in the office of the tax assessor-collector during the past week:

H. O. Campbell, Ford sedan.  
E. S. Flesher, GMC pick-up.  
W. F. Kirkpatrick, Ford sedan.  
John Nagy, Ford sedan.

now playing his second year as a regular Wildcat and has one more year of eligibility, will be leading the Crowell gridirers next season. Although Joy and Meason handled the ball on practically every play, the toughest assignments were handed to the line and J. S. Owens and Hugh Sollis, backfield men, who were depended upon to clear the path for and to protect Coach Graves' galloping backs.

To the Wildcat line, much credit and praise must be given. In the past games, this point has been allowed to lag, but no matter who is the star of the game, every member of Crowell's strongest line in years has starred in his position and is a candidate for all-district selection.

The seven Wildcat linemen, B. Fitzgerald and Wayne Canup, end; Ed Gafford and Oran Johnson, tackles; Charles Branch, H. Sollis and Frank Dunn, guards; and Jack Fitzgerald, center, has held their eight opponents to only 564 yards in gains from running.

(Continued on Page 7)

## Only 471 Foard Votes Cast In General Election Tuesday; Dueling Amendment Carries

## EARLY SNOW FALLS IN FOARD COUNTY SUNDAY NIGHT BEFORE FIRST KILLING FROST OF YEAR

Only 471 votes were cast in Foard County in the general election Tuesday, Nov. 8, according to an official release from the commissioners' court Wednesday afternoon.

Four hundred and fifty-nine voters approved the Democratic ticket and 12 ballots were cast for Republican nominees. The remaining parties received no votes.

**Amendment Carries**

The amendment to repeal the dueling provision of the state constitution, drafted in 1876, which required one newly elected to office to solemnly swear that he never had fought a duel, carried 47,009 to 29,719, according to late election returns from the election bureau.

Foard voters favored the change in the oath of office by a vote of 91 to 83.

**State Offices**

W. Lee O'Daniel was officially elected to the governorship of Texas with a vote of 155,138 votes against his opponent, Alexander Boynton, Republican, 5,660. This total was from 198 of the 254 counties and was released when the election bureau office closed Tuesday night. Homer Brooks, Communist candidate, received 134 votes, and Earl Miller, Socialist candidate, 150 votes.

Voters in this county gave O'Daniel 442 votes and Boynton 12. The remaining candidates did not receive a vote from Foard.

The following candidates carried the state poll and each were favored by Foard County voters: Coke R. Stevenson, lieutenant governor; Gerald C. Mann, attorney general; Richard Critz, associate justice of the supreme court; F. L. Hawkins, judge of the court of criminal appeals, regular term; Harry N. Graves, judge of the court of criminal appeals, unexpired term; G. A. Jerry Sadler, railroad commissioner; George H. Shepard, state comptroller; Bascom Giles, land commissioner; Charley Lockhart, state treasurer; L. A. Woods, state superintendent of public instruction; J. E. McDonald, commissioner of agriculture.

## Falls on Sidewalk and Breaks Left Leg

Miss Nora Banister, veteran employe of the Haskell Telephone Co. of Crowell, sustained a broken left limb early Monday morning on her way to work when she slipped and fell on the sidewalk near the home of W. R. Womack. The fracture was between the hip and the knee.

M. S. Henry and Recie Womack reached Miss Banister shortly after she fell and carried her to her home, where she received medical attention. She is reported to be resting well.

## HURT IN CAR ACCIDENT

E. P. Bomar of Henrietta, for many years a resident of Foard County, suffered painful injuries in an automobile accident last Thursday morning. Mr. Bomar was en route to Claremore, Okla., to attend the dedication ceremonies of the Will Rogers Memorial. He was to have ridden in the parade, upon invitation of officials in charge. The lights of an oncoming car blinded him and in making an effort to pull to one side to escape the car, his car struck the side of a bridge and overturned. Mr. Bomar escaped with scratches and bruises and is reported to be improving satisfactorily. His car was entirely demolished.

## BOGEY MAN

Orson Welles, 23-year-old prodigy of the stage and radio, whose recent dramatization of H. G. Wells' "War of the Worlds" via the radio was so realistic that thousands of listeners were seized by a wave of panic fear of an invasion of the United States of monsters from the planet Mars.

## County's Aged Receive \$979 In Last Month

Nine hundred and seventy-nine dollars were paid to seventy-five persons in Foard County in Old Age Pension payments during the month of October, according to figures obtained at the county clerk's office.

This marked an increase of one person to Foard County's old age roll and \$15 in the total payment. In the previous month, 74 persons received \$964.00.

The October payment raised the total Old Age Pension payment for Foard County to \$8,291.00 since the first of the year, or \$949.10 for each of the past ten months.

## REPORTED TO BE IMPROVING SATISFACTORILY

His car was entirely demolished.

## 1938 RED CROSS POSTER

The appealing figure of the Red Cross nurse presents a plea for your annual membership in the Red Cross during the roll call, beginning Armistice Day and ending Thanksgiving Day. This is the official 1938 poster of the Red Cross, and appears in the form of a window card.

Must Beat Chilli  
The spotlight of the district-leading Crowell team was back to the Crowell team Friday night when the High School Wildcats met the pass-minded Chillicothe team in the first Armistice Day game to be played here in years.

Crowell is Wary  
Although they are given the credit of the score predictions, the Wildcats are not letting up for a moment with their rivals, the Chillicothe boys, in the Armistice Day game.

Last Home Game  
The game will be the last home game for the Wildcats as they will be present to see the Chillicothe boys in the Armistice Day game.

Wind Blows Roofs from Buildings in Truscott Wednesday  
During the rain Wednesday night of last week wind of cyclonic proportions unroofed the building occupied by the Truscott Mercantile Co. in Truscott. The roof was also blown off of the rear of Brown Drug Store building. Guyann Hickman is manager of the mercantile company and George Brown is owner of the drug store.

Wildcats Take Panther Pelts by Score 46-0  
Proving to fans of District 10-B, of which they are approaching the throne, that they were no 1 players in the Burk Burnett game under an immense strain that they would suffer a let down, Coach Grady Graves' Crowell Wildcats showed good form in dusting off their old rivals, the Seymour Panthers, 46 to 0, and are now aiming for their Armistice Day game here next Friday with Chillicothe.

Crowell Takes to Air For 5 Scores Against Seymour Team  
Proving to fans of District 10-B, of which they are approaching the throne, that they were no 1 players in the Burk Burnett game under an immense strain that they would suffer a let down, Coach Grady Graves' Crowell Wildcats showed good form in dusting off their old rivals, the Seymour Panthers, 46 to 0, and are now aiming for their Armistice Day game here next Friday with Chillicothe.

Stage Air Circus  
Throughout most of the game, the Wildcats left the ground to give their running attack a rest and staged a passing attack that bewildered the Panthers and accounted for five of the Wildcats' touchdowns. Joy was on the throwing end of practically all of the Crowell tosses that were received by B. Fitzgerald, Que Meason and Wayne Canup.

With the whole Wildcat eleven starting it would be difficult to name an outstanding player, but the nod must go to B. Fitzgerald as he caught three passes for touchdowns, ran the ball over for a counter, booted four extra points and played a jam-up defensive game.

Joy and Meason Lead Attack  
Raymond Joy, 138-pound center, is showing this district its fastest football since the days of Dick Todd, Wildcat great of five years ago, again led the Wildcats to another victory, which marks the eighth consecutive win for Coach Grady Graves' cohorts this season. Que Meason, 154-pound Crowell halfback who is matching the pace of his running mate on the gridiron, juggled the leather and received passes excellently and took his place at the side of Joy in the Crowell attack.

Joy starred equally as well on the ground and in the air. He carried the ball on 22 running plays against the Panthers and turned in an average of 5 1/2 yards per trip. While he was not running he was either passing or blocking for Meason. This 138-pound football power threw twenty-two passes, found his receivers on 11 tosses, missed them 10 times and had one pass intercepted.

Meason carried the pigskin eight times for an average of 6 1/2 yards on each try. He was on the receiving end of seven of Joy's completed passes, and formed a passing combination that clicked more often than any other. Fans are looking ahead when Meason, who will be making strong bids for the honor positions.

At the tackle positions, the Wildcats have Ed Gafford and Oran Johnson. These two boys have won for themselves the distinction of being the best pair of tackles in the district. Jack Fitzgerald, 173-pound center, has had things pretty much his own way at the pivot man position. There has not been a team that has been able to keep this scrapping Wildcat out of the plays. The guards, Charles Branch and Frank Dunn, compose a fine blocking and defensive combination. They help form the mid-section of the Crowell line, which has been practically impenetrable this season.

John Lee Orr, Wildcat halfback, who was placed on the second all-district honor team last season, has been handicapped this season with injuries received in early fall workouts and was finally forced to retire from the team during the past two weeks. He was sufficiently recovered to be in uniform Wednesday afternoon and will be with the team Friday night, although he will not be a starter, but might see some service. He will be ready to play by the time the Wildcats reach their bi-district game, providing there are no upsets in the remaining two games.

Hugh Sollis, who has been in the guard slot all season, was shifted to Orr's position and his guard training served him well in the backfield. Although he has only been in the backfield two weeks, he carries out the duties with the efficiency of a veteran.

J. S. Owens, rookie who got off to a bad start early in the season, has come through with flying colors, and today is one of the best blocking backs in the district. He has also improved much in the safety position, having learned to take the ball from the air easily, and his great speed makes him capable in that position. He has made many nice punt returns, one for over 60 yards and a touchdown.

W. F. Bradford, public weighers of precincts Nos. 1 and 3, respectively.

**National Results**

According to bulletins Wednesday afternoon the power of the Republican party increased in the general election, as more than seventy Democratic seats in the House of Congress were won by members of that party, thus reducing the power which the Democratic party has held for the past two years.

Several of the states that went Democratic in the previous general election returned to the ranks of the G. O. P., although in California there will be a Democratic governor for the first time in forty years.

Election returns Wednesday afternoon showed that only 18 states in the United States had voted Republican.

**ATTEND BAPTIST MEET**

Rev. W. B. Fitzgerald, Mr. and Mrs. Albert Dunagan, Mr. and Mrs. Homer Zeibig and Mrs. A. E. McLaughlin are in Dallas this week attending the state Baptist convention. They will return to Crowell Friday.

**ATTEND FUNERAL**

B. T. (Uncle Ben) Meason and daughter, Mrs. Fred Dennis, attended the funeral for his great nephew, John Hinds, at Acme Sunday. Mr. Hinds died suddenly as the result of a heart attack Friday morning.

Several of the states that went Democratic in the previous general election returned to the ranks of the G. O. P., although in California there will be a Democratic governor for the first time in forty years.

Mrs. Hammit, who has been visiting her daughter, Mrs. Preston Henry, has returned to her home in De Leon.

A small twister came through our town last Wednesday night and slightly damaged several buildings in the main part of town.

RAYLAND

(By J. C. Davis)

L. D. Mansel and wife and daughter, Juanita, and Miss Thelma Raines visited relatives in Quanah over the week-end.

Mrs. Buck Clark is visiting her daughter, Mrs. Floyd Anderson, in Sweetwater.

Mr. and Mrs. Luther Street of Parsley Hill spent Sunday evening with Mr. and Mrs. R. A. Rutledge.

Mr. and Mrs. Bill Keenan visited his parents, Mr. and Mrs. Jess Burgess, last week.

Everett Haggard's small son had the misfortune to cut his leg on glass last Monday. He was carried to Crowell for medical treatment Monday and Thursday.

T. L. Culver and wife and son of Lamesa spent Thursday night with his sister, Mrs. J. C. Davis, and family. They were returning from a visit to Whitesboro and Kilgore.

Quincy Rutledge and wife of Elliott visited his parents, Mr. and Mrs. R. A. Rutledge, Thursday.

Mrs. Ernest Churchwell was carried to a doctor at Crowell Friday. She had an attack of appendicitis but is improved.

Mr. and Mrs. T. F. Lambert visited in Wichita Falls Wednesday.

H. D. Lawson and family visit-

ed her brother, Mike Blankenship, and family at Higgins during the week-end.

Mr. and Mrs. Oscar Holland and children visited his brother, Arthur Holland, and family at Iowa Park over the week-end.

About three-fourths inch rain fell here Wednesday night.

E. J. Davenport, who has been seriously ill for four weeks, is slightly improved.

Mrs. Doyle Britton is recovering nicely from a broken ankle.

Jess Burgess of Lockett was a business visitor here Monday.

Mrs. Truett Neill of California, who is visiting relatives at Thalia, spent part of last week with friends here.

The wolf hunters of Thalia, Rayland and Vernon had a barbecue near the Oscar Haney farm last Friday night. Barbecued goat and all the "fixings" were served. Two wolves were caught by the hounds.

The harvesting of all crops is almost finished in this community. Crops of all kinds have made a fair yield on most farms and from reports, with the government checks coming in, the farmers are in better financial shape than for several years.

Snow covered the ground Sunday night, but melted during the day. There was also heavy frost which killed all vegetation.

MARGARET

(By Mrs. John Kerley)

The citizens of this community were surprised Monday morning to find the ground covered with snow. A portion of it remained in bar pits until Tuesday at noon. The snow will be of great benefit to the grain crops and rye grass for pasture.

George Wesley and family of Riverside visited Ed Taylor and family Sunday.

Little Grant Morrison of Good Creek visited Grant Morrison and family Sunday.

Tommie Haseloff spent the week-end with friends at Denton.

Mrs. John H. Stout was honored with a shower at the home of Mrs. Studie Bradford Friday afternoon. Many beautiful and useful gifts were received.

Frank Priest has been on the sick list several days but is improved at this writing.

Miss Lois Burns of Childress spent from Friday until Sunday visiting Miss Virginia Murphy.

Mrs. Lee Bradford and little daughter, Phyllis Ann, have returned to their home at El Paso after several weeks' visit with relatives here.

Mr. and Mrs. Robert Long and little daughter, Peggy Sharon, arrived from their home at Camrose, Alberta, Canada, Sunday for a visit with relatives here.

Judge Claude Callaway of Crowell was here Tuesday.

Laman Green of Vernon, who is with the U. S. Forest Service, was here Tuesday placing the farm shelter belt exhibit in Boman & Co.'s store, and they are now ready to take applications for fall planting. Citizens are urged to come in and see the exhibit and place all orders as soon as possible.

GAMBLEVILLE

(By Opal Garrett)

Mr. and Mrs. Roy Alston and daughter, Jimmie Ruth, spent Saturday with Mr. and Mrs. E. C. Hargrove and family of Vernon.

Mr. and Mrs. J. A. Garrett and son, Vernon, spent from Thursday until Sunday visiting her father, W. B. Dudley, who is ill, at Bonham. They visited other relatives there also.

Mr. and Mrs. Grady Solomon and children and Miss Dorothy Alston of Crowell spent a while Saturday night with Mr. and Mrs. O. A. Solomon and family.

Misses Opal and Frances Garrett and Wanda V. Gamble and Sidney Garrett spent a while Saturday with Mr. and Mrs. Willie Garrett near Margaret.

Orville Alston of Crowell spent Saturday night with Mr. and Mrs. Hubert Carroll and children.

Mr. and Mrs. Willie Garrett of near Margaret spent Friday with Mr. and Mrs. Frank Gamble and daughter, Wanda V.

Mr. and Mrs. Hubert Carroll and children, Marshall and Lucille, spent Saturday with Mr. and Mrs. Dave Alston and family of Crowell.

Several from here attended the football game at Crowell Friday night.

Almost all of the cotton in this community has been gathered, but there is still some scraping to be done.

A light snow fell here Sunday night. The rain that fell Thursday was a great help to crops and also filled cisterns and tanks that were almost empty.

GOOD CREEK

(Mrs. E. M. Cox)

Mrs. C. C. Cox went to Dimmitt with her parents, Mr. and Mrs. W. M. Howell. They moved out there.

Mr. and Mrs. A. B. Fortner and son, Jesse, spent Sunday with Mr. and Mrs. Fred Traweck of Foard City.

Mr. and Mrs. E. M. Cox spent Sunday with Mrs. Cox's sister, Mrs. C. C. Hinkle, of Foard City.

Miss Nannie Belle Whitley spent the week with her sister, Mrs. Arthur McBride, of Crowell.

James Whitley is spending the week with his sister, Mrs. Pat McDaniel, in Crowell.

Two Minute Sermon

(By Thomas Hastwell)

A Sound Religious Life: I think that one of the greatest blessings that a man can have is a sound religious life. By that I do not mean a religious life that prompts him to methodically and mechanically read so many verses of the Bible each day or just as methodically and mechanically utter a prayer at night, and on Sunday methodically attend all services of the church.

"My Skin Was Full of Pimples, and Blemishes from Constipation" says Verna Schlepp: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." Adlerika washes BOTH bowels, and relieves constipation that so often aggravates a bad complexion. —Ferguson Bros., Druggists.

THE Foard County News

T. B. KLEPPER, Editor-Owner
HENRY ASHFORD, Reporter and Sports Writer

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, November 10, 1938

One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life...

For years this country refused to recognize that there was such a thing as a farm problem. Every other industry that asked for it was subsidized and pampered.

European nations who repudiated their war debts, proceeded to put on the biggest armament program the world has ever seen.

It is estimated by Arthur J. Altmeyer, chairman of the U. S. Social Security board that it will require \$1,315,766,400 to support California's proposed pension plan of \$30 a week.

Legal technicalities are still the best defense of the lawbreakers.

FOARD CITY

(By Mrs. J. L. Farrar)

Mr. and Mrs. W. B. Luscomb of Anna left Wednesday morning for Lubbock after a 10-days' visit with Mr. and Mrs. Grady McLain.

Mrs. W. A. Patton and daughter, Alma, of Crowell spent Wednesday visiting Mrs. J. L. Farrar.

Mr. and Mrs. M. L. Owens and son, Eugene, visited last Saturday with Mr. and Mrs. Bill Owens at Truscott.

Miss Delou Caldwell spent the week-end in Abilene visiting friends and relatives.

Mr. and Mrs. L. P. Glover and family spent from Thursday until Monday visiting Mr. Glover's sister, Mrs. Randolph Campbell, and family in Menard.

The W. M. S. met Monday afternoon with Mrs. Bass Johnson. A very interesting program was given during which time Mrs. Johnson gave the last chapter of the study book, 'The American City and Its Church.'

A good crowd was present last Thursday night for the pie supper here at the school house. After the school children sang several songs, Tom Callaway auctioned off the pies which brought \$15.84.

Mrs. M. L. Owens, accompanied by her daughter, Mrs. J. T. Billington, and daughter, Gloria Ruth, of Crowell, spent Wednesday with Mr. and Mrs. Bill Owens and daughter, Patsy, of Truscott.

Mrs. Grady McLain and Mrs. W. B. Luscomb of Anna visited in Vernon on Monday and Tuesday of last week.

Miss Lona Johnson, who is attending school in Abilene, spent the week-end with her parents, Mr. and Mrs. Henry Johnson, and family.

W. B. Lilly is getting along nicely after receiving a broken arm two weeks ago, when a team started up while he was standing in a wagon, and threw him out on the ground, breaking his arm.

Mrs. S. T. Lilly has returned home from Las Vegas, N. M., where she spent the summer with her daughter, Mrs. J. M. Shawn, and family.

HOUSEHOLD HINTS

If your white clothes have turned yellow by being packed away, or from any cause, just place a slice of lemon in the water in which they are boiled and note results.

Try greasing potatoes with lard or bacon drippings before baking and you will be surprised to see how quickly they bake.

NOBODY'S BUSINESS

BY JULIAN CAPEIRS JR.

Austin. — Financial affairs of the State of Texas engaged public attention in Austin this week, as various reports for the fiscal year ended August 31, 1938, became available.

Income and expenses of the state government reached an all-time peak, with total receipts of the state amounting to \$197,715,961, of which only \$175,311,068 was classified as "revenue receipts."

Schools Cost Most Education led all other governmental costs, with \$52,829,722, and highways were next, with \$48,014,442.

Every dollar of state revenue spent included the following major items: Educational purposes, 33.48 cents; highways, 30.43 cents; public welfare (including old age pensions and Confederate pensions), 18.6 cents.

A decline in costs for the year under the previous year were reflected by five governmental departments, including the legislative, executive and administrative, highways and parks and monuments, Government functions which cost more this year were judiciary, protection of life and property, regulation of business and industry, public health, conservation of natural resources (supervision of oil and gas production), eleemosynary and correctional institutions, educational service, and debt service.

Gas Tax Nets 42 Millions The gasoline tax proved the largest single source of revenue for the year, yielding \$42,228,405, or 63.69 cents of each revenue dollar received. Gross receipts taxes brought in 12.91 cents per dollar and ad valorem property taxes brought only 8.84 cents.

Automobile license taxes brought in 4.08 cents per dollar, while the chain store tax, a new levy, yielded 1.13 cents.

Significantly, the state auditor made public a report of an audit of the affairs of the State Department of Education which contained some pointed criticism, and recommended that a centralized bookkeeping system be installed, with one individual responsible for the accounting of this, the most costly function of government.

Raps School Accounting Auditor Tom King reported the records of one manufacturer of appliances used by the vocational rehabilitation department indicated sales commissions had been paid an employe of this division, but a letter from the manufacturer later declared the payment was a "loan" instead of a commission.

Other items of loose accounting included payment of expenses accounts of the director of school census by local officials without sufficient data available to verify the items.

King also reported an expenditure of over \$6,000 for pay of clerks under the title of "co-ordinators" in vocational education work, was apparently made in violation of state law. He also criticized inadequate records in the college entrance examination division, and payment of salaries to employes while attending college in Texas and other states.

The department spent during the biennium \$606,299 for salaries and \$141,601 for traveling expense.

Deficit Looms Big The deficit in the state's general fund reached a high point of \$18,426,353 as of Oct. 31, but Treasurer Charley Lockhart predicted a decline, as the 1939 payments on Texas "bread bonds" have already been set aside from the fund, and revenue coming into the general fund for the 1939 fiscal year will go to reduce the deficit.

Texas is in excellent shape so far as bonded debt is concerned, as the last of the \$29,000,000 of bread bonds issued during the depression will be retired within four years, ahead of schedule.

Highway Officials Coming Texas will be host to the highway building brains of the nation next month, when the American Association of State Highway Officials, including representatives from every American state, convenes at Dallas Dec. 5-8 for their annual parley.

Following the convention, the highway builders will be conducted by Texas road officials on a three-day motor tour, visiting the East Texas rose and oil fields, the Gulf Coast, the famous Kinz Ranch, and colorful San Antonio. These annual meetings provide an opportunity to exchange ideas developed throughout the nation on advanced highway building practice and policies.

Safety Slogans Don't try to get a season's sun tan in one day. Falls take 57 lives every day. The reason: obstructed stairways, standing on boxes and chairs, slippery floors, scattered toys. Accidents are all due to someone's carelessness.

A cyclone or an earthquake or a flood that would take 10,000 lives would be regarded as a major catastrophe, yet 10,200 persons were killed in accidents the result of some one's carelessness last July.

Approximately one million persons suffered disability accidents last July—one out of every 130 persons in the United States—all the result of some one's carelessness.

Ice cream sundaes originated in 1897.

## Chiropractic Health Clinic to Be Opened In Crowell Monday

A health clinic will be opened in Crowell on Monday, Nov. 14, by Dr. Ira Bowman of Paducah. The clinic will be located in the stucco residence north of M. O'Connell's home, four blocks north of the Phillips Service Station, and will be under the charge of Dr. O. G. Lee.

Dr. Bowman has been located in Paducah for the past three years and has established one of the largest chiropractic businesses in Texas.

His clinic in Paducah is large and well equipped and is one of the best in this section. The Crowell clinic will be similar to that one, as \$2,500.00 worth of new and modern equipment will be installed here.

Dr. and Mrs. Lee have been connected with Dr. Bowman for the past year, and he stated that they are the most efficient members of his staff. They will have charge of the Crowell clinic and Dr. Bowman will be here two evenings of each week from 8 until 10 o'clock to examine and treat patients.

Dr. Lee is a graduate of Carver Chiropractic College of Oklahoma City.

## KER-C-H-O-O!!

Pretty Jean McNally has tossed her hankie into the ring to vie for honors as "hay fever queen" in the novel contest conducted at Galveston, Texas, among the hay fever colony. Galveston's medical authorities say that this is one of the most virulent seasons in years for sufferers of the allergic affliction. Miss McNally was given odds to win by a nose.

## In The News 15 Years Ago

The items below were taken in whole or in part from the issue of The Foard County News of Nov. 2 and 9, 1923.

**Lots of Rain**  
October, 1923, has to its credit 9.91 inches of rain, which is the second best for October in the history of the county. October, 1919, holds first place with 11.9 inches.

**Birth Rate Close**  
According to the records, both at the clerk's office and at the city secretary's office, the birth rate between the boys and girls of this county has been pretty close since the first of the year. The females led outside of Crowell by two, there being 34 females and 32 males. But the city record has a tendency to equalize matters, the boys taking the lead with 23 as against 25 girls. There has been a total of 119 births since the first of the year.

**Luncheon Next Thursday**  
The ladies of the Baptist Church will serve luncheon to members of the Chamber of Commerce in the auditorium of the church next Thursday evening at the usual hour, possibly 7:30.

**Compliments Guests**  
On Wednesday afternoon, Oct. 24, Mrs. C. R. Ferguson delightfully entertained with a "42" party complimentary to her sisters, Mrs. Robert Leonard of Memphis, Tenn., and Mrs. Frank Burna of Houston.

**Harvest in Boats**  
Noah Jones, a farmer residing a few miles north of Foard City is gathering his maize crop in a boat and is realizing a ton to the acre off of it. The crop was planted in an old lake, which ordinarily is dry. It is one of those large shallow depressions in the earth common in the West that has no drainage and when it rains long enough a natural lake is formed. Mr. Jones has been heading his maize by means of a boat which he built and runs along between the rows. When the boat is filled he rows to the end and dumps the load on dry ground. At night he kills wild ducks that come to the lake and has feed for his stock and meat for his family when he starts home at night.

**Improving**  
Mrs. R. H. Cooper underwent a very serious operation in Dallas last week, and according to information received, she is improving.

**Shower for Mrs. Hayes**  
The telephone girls honored Mrs. Travis Hayes, a recent bride, with a miscellaneous shower Friday afternoon. The shower was

## THOUGHTS OF SERIOUS MOMENTS

Crabbed age and youth cannot live together.—William Shakespeare.

Prosperity is not without many fears and distastes; and adversity is not without comfort and hopes.—Francis Bacon.

**What's New?**  
Tests at Indiana University have shown that automobile drivers respond more quickly to audible danger signals than to visible ones.

An electric device has been invented to spin bullets in a tray, the imperfectly balanced ones being detected when they fail to spin evenly.

Invented by a Russian and demonstrated recently in England, a new brake is asserted to stop a train speeding at 60 miles an hour within 100 feet without shock.

## Your Horoscope

November 7, 8—You are keen at scheming and planning but your efforts do not always meet with success. Your disposition is determined and persistent and you are often taken advantage of. You will not fight for your own, but you have friends who help you and in the end you do get your own. You have musical ability and an intense leaning toward occultism and mystery. You enjoy fun in real life. You are often misunderstood and blamed wrongfully.

November 9, 10, 11—Being of an antagonistic nature you always have a fight on your hands. You read much and prefer the classics and books that deal with the deeper things of life. You take little interest in politics but are deeply interested in public matters. You keep your own confidences with very few exceptions.

**TEN LUCKY PERSONS**  
have complimentary guest tickets awaiting them at The News office to see—

**Arkansas Traveler**  
Five of them will find their names in the classified ad section and the other five will find their names in the Rialto Theatre ad on the back page of this issue.

## INTERESTING FACTS OF THIS AND THAT

Leprosy is one of the few things that will change finger prints.

Green gold contains one per cent of aluminum.

The Rock of Gibraltar is 1396 feet high.

Hair grows faster in warm weather than in cold weather.

The Indian word for Manhattan means, "the place of drunkenness."

The average lungs have a capacity of 320 cubic inches.

To keep white silk stockings, blouses, etc., from turning yellow in laundering, use a little alcohol in the rinse water.

## Meat Vault Added to Fox-Way Grocery

The installation of a 7x5x9 Ed Friedrich meat vault equipped with floating air was completed at Fox-Way Food Market last week. The storage space in this vault is adequate to take care of 2,000 pounds of meat. A room was built on to the southeast corner of the building to house the new refrigeration plant.

The addition of this fixture gives the Fox-Way Food Market all late type refrigeration, according to Herman Fox, owner and manager.

## WHAT WE THINK

(By Frank Dixon)

We hear the farm problem mentioned frequently today as though it were a new problem, one that had just come into being within the last few years since the advent of the depression. The farm problem is not a new problem. It is as old as this country. The reason it is a problem today is that it has never been solved.

A hundred and more years ago when the farmers of the east reached the end of their resources they pulled up stakes, loaded their possessions into a wagon and went west to a new section of the country where the soil was fertile and where, because of lack of development, such as roads and schools, the taxes were low. Here amid privations and meagre comforts a new home was set up and a living made from the fertile soil not yet depleted of its fertility by long cropping.

As the fertility of each section became depleted and the taxes and cost of maintaining government, roads and schools increased, the farmers, when they could no longer make a profit or maintain their farms, moved further west. For years this continued until at last there was not more frontiers and the outposts of the pioneers had reached the western shores and the Pacific Ocean.

Then it was the farm industry was deprived of its subsidy of cheap land and low taxes and was forced to rest upon its own bottom and to depend upon its own resources, the farm problem could no longer be evaded by running away from it but had to be met and solved.

This is what we are doing today. For the first time in the history of this country instead of running away from it incidentally must be being met and incidentally must be solved if this nation is to continue.

The farm problem is not a product of the depression. It was here before the depression, a long time before. The farm situation is the cause of the depression. When the income of the farm fell below the cost of upkeep, of living and taxes there was nothing left with which the farmer might buy manufactured products. The result was, merchandise piled up on the shelves of the merchant and filled the factory warehouses, causing the factories and mills to shut down and general unemployment to result, because farm purchasing power was gone.

Recovery will not come until farm purchasing power is restored, until the farmer has a surplus, left from taxes and upkeep expenses, with which he can purchase manufactured products.

Two theories prevail as to how the problem shall be solved—one that every farmer shall be permitted to raise all he wishes to or to do anything he wishes to as he had done in this country the past two hundred years. The other theory is that production shall be balanced with consumption or demand, and that there shall be supplied only what is needed to supply the needs, that a fair cost above production can be secured and farming be made profitable.

Next week I will take up the two plans in detail and explain further the need of a farm program in this country.

## BUYS CAFE INTEREST

John Borchardt has purchased the interest of Gordie Johnson in the Borchardt and Johnson Cafe on the north side of the square. The cafe had been operated by Mr. Borchardt and Mr. Johnson and the transaction gives Mr. Borchardt full ownership.

## WHAT'S NEW?

George Hilton of Leeds, Eng., sold his shirt to obtain money for his dog's license, thus escaping a fine.

A Word To The Wise ALKA-SELTZERIZ EVERYONE SEEMS TO BE USING ALKA-SELTZER THESE DAYS

Millions of users feel that they get quicker, more potent, more effective relief from ALKA-SELTZER than old-fashioned unpalatable preparations. That's why ALKA-SELTZER is more in demand than almost any other single item in the average drug store.

dark headed, very likeable. Senior, and member of pep squad. Evans, Evelyn—Senior, lives at Vivian, one of best students of Senior class, and likes Foard City boys.

Our Weekly Sermon The Christian who is over-flowing life. Indeed, he shall flow rivers of life. Herein lies the revitalizing power of our Let us severally ask some questions? Is the life flowing out from a fountain? What do my neighbors know or think about my life? Is my life by the power of Christ? Is my life by the power of the Holy Spirit? Is my life by the power of the Holy Spirit?

God is the source of all spiritual life. We receive the Spirit only as He gives to us. Yet He gives freely; the flow is continuous and our intake should be constant. "I will give unto him that is athirst of the fountain of the water of life freely" (Rev. 21:6). He gives up to the limit of our capacity and in accordance with our receptivity. It is only when we limit the flow into our lives that there need be any deficiency.

As the flowing fountain abundantly enriches all who benefit by its waters, so the Spirit of God enriches the souls of all who drink of the living water. The true Christian life will be a full, overflowing, abounding life. This is Christ's very purpose for us and we need stop nothing short of its realities.

Even if other remedies don't do discouraged, try ALKA-SELTZER. Your druggist is sure to refund your money if you are not thoroughly satisfied with words obtained. Creomilum, ask for it plainly, its name on the bottle is Creomilum and you'll get the genuine and the relief you want.

### Some Have Meat and Can Eat

Richardson, Secretary of the Feeder-Feeder Ass'n.

tion in the Southwest, with new ones being built rapidly, and they make it possible for farm families to have their own supply of fresh meat at a very low cash outlay; if a locker is anywhere in a two-hour drive they no longer have to eat only cured meat—and chicken.

Fresh meat is essential to a wholesome diet, and farmers and their families can have it with little cash outlay, while town folks often do without because it costs more than they can afford. Enough feed goes to waste—grass and weeds in fence corners and fields, or eaten by rats after it is stored—to raise and fatten all the beef, mutton and pork the average farm family could eat.

Of course the steam pressure canner has made it possible for farm families to eat a great deal more of their own product than formerly, and now the freezer-locker and the home refrigerator offer another method of preserving fresh meat with all its delectable flavors.

The Plainview plant is also be-

### Seymour—

(Continued from Page One)

ing plays through and around the line, and have dumped enemy backs for losses totaling more than half their gains, or 293 yards.

While holding their opponents in that manner, the Crowell line has worked to clear the way for the Wildcat's 1,872 yards in gains from rushing and allowing opposing linemen to break through to throw Wildcat backs for an unusually low total of yards in losses. Crowell has only lost 159 yards from rushing this season.

**Seymour Star Injured**

The Panthers' running attack was seriously hampered when in the second quarter their running star and quarterback, Butler, was carried from the field in the arms of Coach Maurice Orr. He was found to be suffering from a hip injury. He was taken from Crowell to Seymour where X-rays were made of his injury, which Seymour line up the remainder of the season.

**Wildcats Score Early**

Seymour received the opening kick off but was forced to punt on the Panthers' 20-yard marker and the Wildcats got their running attack underway from the Crowell 46.

Joy made two yards and Mea-

son swept around right end for 25 yards to place the ball on the Seymour 23. Joy passed to Meason for 3. Joy circled left end for a first down on the 12-yard line. Joy passed to Meason to put the ball on the 4. Meason failed to gain. Joy made 1 yard and then shot a pass over the goal line to B. Fitzgerald for the first counter. B. Fitzgerald converted the extra point with a place kick.

**Canup Scores**

After the kick off, Owens returned a Panther punt 14 yards to give the Wildcats the ball on their own 38. Joy circled left end and with good blocking in the open by Owens he made his way down to the Panthers' 33. Meason made 4 yards at center. B. Fitzgerald passed incomplete. Joy lost 5 and then punted. Seymour took the ball on their 12 and punted on the first down to give the Wildcats the ball on the Panther 43. Joy made 3 and then shot a pass to Canup, who took the ball on the 20-yard marker, shook off two tacklers and crossed the goal line standing up. Conversion failed.

The remainder of the first period and the first few minutes of the second remained scoreless, but the Wildcats started a drive on the Seymour 34 where a short punt was taken by Joy. A lateral after a forward pass was ruled illegal and Joy's pass was ruled incomplete. Joy passed to Meason for 11 yards to put the ball on the 22. Meason tried left end for 3 yards and Joy scampered around the right end only to be knocked off

the playing field on the 3-yard marker. Meason failed to gain. B. Fitzgerald, on an end-around play, carried the ball over the goal line and booted the extra point.

The remainder of the first half was scoreless, but the Wildcats lost little time in the third period. The Wildcats received the kick off and started a drive from their own 39. Meason made 1 and Joy added 4. Joy made 6 yards in two plays. B. Fitzgerald passed incomplete and Joy passed incomplete. B. Fitzgerald punted to the Panther 3, and Seymour punted right back, with Owens returning the ball 18 yards to the Panther 20. Joy failed to gain and then passed to B. Fitzgerald for a touchdown. B. Fitzgerald place kicked the extra point.

Four plays later, Owens placed the ball on the Seymour 47 with a 13-yard punt return. Crowell drew a clipping penalty. Joy passed to Meason to put the ball on the enemy 45. B. Fitzgerald passed incomplete. Joy passed to B. Fitzgerald who advanced to the 30 before lateraling off to Owens who was downed on the 20. Joy passed to Canup for the score. B. Fitzgerald booted the ball over the bar for the extra point. Crowell 34, Seymour 0.

On the last play of the third quarter, Meason intercepted a Panther pass on the Seymour 45 and returned to the 10-yard line, where he was knocked out of bounds. Meason lost 4. Joy passed incomplete to Meason and then passed to B. Fitzgerald for the

counter. The place kick was wide. Crowell 40, Seymour 0.

**Seymour Threatens**

The Panthers took the kick off on their own 20 and returned to the 45. From that point they drove down deep into Wildcat territory to make their only scoring threat, but the drive was stopped on the Crowell 17 and the Wildcats took the ball on downs.

**Joy Races 60 Yards**

Joy passed incomplete and then made 4 yards. Joy again passed incomplete and B. Fitzgerald punted but Seymour was penalized 5 yards. Again Fitzgerald punted but the play was called back and the Panthers remained 15 yards for clipping to put the ball on the Crowell 40. Meason made 6 but the play was called back as both sides were offside. On the following play, Joy slipped through left tackle, worked his way through the Panther secondary defense. He cut to the left side line and was overtaken on the Seymour 15 by two tacklers. The first of these tacklers was dropped with a deadly stiff-arm which threw him backwards to fall flat on his back. The second dived at Joy but found only air. The attempted pass for conversion was incomplete and the final score was set at 46-0.

At this point, Coach Graves sent in the remainder of his reserves and a Crowell line up composed of a large number of second stringers finished the game.

## Milton Callaway and Myrthal Ketchersid Marry Last Friday

The marriage of Miss Myrthal Ketchersid to Milton Callaway, both of Crowell, was solemnized last Friday evening at 7 o'clock at the Methodist parsonage with the Rev. E. L. Yeats, pastor of the church, performing the impressive ring ceremony. Mrs. Yeats played "The Flower Song" softly during the reading of the marriage service. The couple was unattended.

Following the ceremony they left for a short wedding trip to Abilene, returning to Crowell Sunday afternoon and are now making their home in the apartment of Mrs. M. J. Girsch.

The bride is the daughter of Mr. and Mrs. Guy Ketchersid and was born and reared in this county. She attended the Crowell schools and after graduating from Crowell High School in 1936, attended a beauty school in Abilene. She has been connected with the Rader Beauty Shop here for the past several months.

Mr. Callaway is the son of Judge and Mrs. Claude Callaway of Crowell. He was born in Collin County and reared in Foard County. He attended school in Foard City and Crowell and has been connected with the State Highway Department for the past six years.

## GENTLEMEN'S EVENING WITH COLUMBIAN CLUB

The Columbian Club members and their husbands and friends, were guests last Thursday evening in the home of Dr. and Mrs. H. Schindler, at which time Mrs. Schindler, Mrs. Jno. S. Ray and Miss Lennis Woods were hostesses.

## Miss Betty Borchardt and J. B. Stewart Marry in Houston

Miss Betty Borchardt and James Bryan Stewart of Houston were united in marriage in a ring ceremony performed Thursday, Nov. 3, at 8 p. m. by Rev. J. W. Shuddeworth, pastor of the Park Memorial Baptist Church.

The couple was attended by Mr. and Mrs. Luther Knight. Mrs. Stewart wore a Boy Blue suit with black fox fur trim, accessories of black and a corsage of gardenias. Mrs. Knight wore a teal blue suit with black accessories and also a corsage of gardenias. Mr. and Mrs. Gus Sadlo were guests at the wedding.

Mrs. Stewart is the daughter of Mr. and Mrs. F. C. Borchardt and has recently graduated from the school of nursing at Jefferson-Davis Hospital in Houston.

Mr. Stewart is employed by the Sinclair Oil Co. in Houston. Mr. and Mrs. Stewart returned to Houston Tuesday following a visit with Mrs. Stewart's parents and other relatives and will be at home at 6601 Ave. H.

Bouquets of yard chrysanthemums were arranged throughout the reception rooms.

Attractive place cards marked places at linen-covered quartet tables where a delicious supper was served immediately after the arrival of all the guests.

Games of forty-two provided pleasant diversion for the remainder of the evening. Mrs. C. W. Thompson and L. T. Graves were high scorers in the games.

Other than club members and their husbands, the following guests were present: Mr. and Mrs. J. R. Beverly, Mr. and Mrs. M. S. Henry and T. C. Foster.

## Mrs. Jimmie Stewart Honored at Shower

Mrs. Jimmie Stewart, formerly Miss Bettie Borchardt, of Houston, was complimented with a beautiful miscellaneous shower Monday afternoon at the home of Mrs. E. M. Davis, 4 1/2 miles south of town, when Mrs. Davis and Mrs. Byron Davis were hostesses. Mrs. Blake McDaniel presided over the bride's book, where thirty-one guests registered.

A program was rendered which included a reading by Evelyn Jean Seales and another by Mrs. Virgil Johnson. These were followed by a game of "Pleased or Displeased." The bride was led to the lovely array of gifts which were assembled in an adjoining room, by winding ribbon on a spool.

Misses Ruth Patterson, Florence Black, Lottie Russell and Frankie Pennington served punch to the guests before their departure.

## P. T. A. MEETING POSTPONED

The November meeting of the Crowell Parent-Teacher Association has been postponed until November 22 since some of the members will be in Lubbock next week to attend the State Convention of Parents and Teachers.

## Shower Given Tuesday for Mrs. Milton Callaway

Mrs. Milton Callaway, who was before her recent marriage, Miss Myrthal Ketchersid, was named honoree at a lovely shower Tuesday afternoon given at the Methodist Church by Mesdames Jeff Bruce, Grover Cole, E. L. Yeats and Walter Thomson.

Guests were received by Mrs. Bruce and guided to the basement where the auditorium was attractively decorated with bouquets of yellow and white chrysanthemums, establishing a color scheme which was carried out in further appointments of the party.

A receiving line, composed of Mrs. Cole; the bride; the bride's mother, Mrs. Guy Ketchersid; the groom's mother, Mrs. Claude Cal-

laway, and Mrs. Dan Callaway, greeted the guests upon their entrance to the reception room. Miss Effie Griffin presided over the bride's book where each one registered.

Miss Dorothy Winghamam opened the program with a piano solo, an arrangement of "Suwanee River." Mrs. C. W. Thompson and Mrs. Yeats sang "Let the Rest of the World Go By." They were accompanied by Mrs. Paul Shirley. Miss Wanda Rose Liles gave a reading, "To the Young Bride." This was followed by a violin solo "The Flower Song," played by Mrs. Foster Davis, with piano accompaniment by Mrs. Shirley.

Mrs. R. L. Kincaid gave a toast to the bride, at the close of which she invited the bride and the guests to follow her to the upstairs auditorium where the many beautiful gifts had been arranged. Mrs. Frank Mabe assisted with the gift arrangement.

Misses Ruth Patterson, Florence Black, Lottie Russell and Frankie Pennington served punch to the guests before their departure.

## GILLILAND GIRL ELECTED TO COLLEGE SOCIAL GROUP

Miss Geraldine Cure, daughter of Mr. and Mrs. J. O. Cure, of Gilliland, has been pledged to the Gata Club, girls' social club of Abilene Christian College, Abilene.

This organization was established on the A. C. C. campus in 1919. The club holds two major social functions each year and several private parties and picnics. This is the first group of pledges for the year and there will be another group selected in the spring.

The club is purely of social nature but has as a purpose to band the girls together into a group where life-long friendships will be made.

## HARMONY CLUB

With Mrs. Esca Brown and Mrs. Wylie Ellis as hostesses at the home of Mrs. Brown, the Harmony Club met on Tuesday afternoon.

An Armistice Day program was rendered, the first number of which was the singing of several

war songs by the club ensemble. Theda Wright read "In Flanders Field," by McCrea, and Margaret Long read "The Answer to Flanders Field," by Lillard. Ray Burrow then read a poem, "Twenty Years Later." Billy Fred Short played "Just a Baby's Prayer," as a trombone solo and was accompanied by Mrs. Arnold Rucker.

"The War" from the viewpoint of a veteran was given by Ebb Scales. This was in the form of an interview, with questions asked by Mrs. Ernest King and answered by Mr. Scales.

A lovely refreshment plate was served by the hostesses to fifteen members and one guest, Mrs. J. H. Shults.

## HOME COMING AT A. C. C.

Early correspondence indicates that this year's "home-coming" crowd at Abilene Christian College in Abilene Nov. 11 and 12, will be by far the largest in the history of the school, a report from the college states.

The complete program has been announced by Crutcher Scott, president of the ex-students' association. With the fall of dusk Friday, the 11th, festivities on the campus will begin with the traditional burning of a large bon-fire, followed by what is expected to be the biggest pep rally ever held at the college.

Climaxing the two days' fete, the Abilene Christian Wildcats will meet the Daniel Baker eleven from Brownwood at 2 o'clock on Morris Field in Abilene.

## GAMBLEVILLE H. D. CLUB

"Framed gardens planted now will produce an abundance of green, leafy vegetables during the coming winter months," stated Miss Myrna Holman, Foard County home demonstration agent, to the ladies of the Gambleville Home Demonstration Club Thursday, Nov. 3, at the home of Mrs. Roy Mitchell.

The planting of peach seeds and the storing of sweet potatoes was also brought out in an interesting discussion by Miss Holman.

The next meeting of the club will be with Mrs. C. Garrett on Nov. 17 at 2 p. m. The program will feature "Health."

## MARGARET P. T. A.

On Friday afternoon, Nov. 4, the Margaret P. T. A. held its regular meeting at the school auditorium, with 21 present.

Mrs. J. L. Hunter presided. The congregation sang "Old Black Joe." The committee chairmen appointed were as follows: Mrs. Arthur Bell, program; Mrs. Leo Owens, publicity; Mrs. A. B. Owens, hospitality; Mrs. Raymond Sikes, budget and finance; Mrs. Curtis Bradford, membership; Mrs. William Bradford, publications. Room mothers: for 5th, 6th and 7th grades were Mrs. Willie Murphy, Mrs. Leo Owens, Mrs. Curtis Bradford and Mrs. George Fox; 1st, 2nd, 3rd and 4th grades, Mrs. A. B. Owens, Mrs. S. B. Middlebrook Jr., Mrs. Doyle McCurley and Mrs. George Reithmayer.

The 5th, 6th and 7th grades sang two songs. Special songs were sung by H. C. Payne, Helen and Bobby Ruth Smith and Bobby Jo and Junior Galey. A reading, "The Salt and Pepper Dance," by Valeria May Owens. How much home work a child should do, by Mr. Reed.

The next meeting will be Friday night, Nov. 18, at 7 o'clock at the school auditorium.

## ROTARY CLUB

Father Wendelin Dunker, nephew of Dr. H. Schindler and Catholic missionary to China, told many interesting and instructive things concerning the customs and living conditions of the Chinese in a talk at the Rotary Club Wednesday at noon. Father Dunker, whose home is in Parryville, Mo., returned from China in August on a vacation and will go back to that country in February.

Speaking of the war in which Japan is invading China, Rev. Dunker stated that at the present it was difficult to predict when it will end. If the Japanese attempt to penetrate the interior of China it will bankrupt Japan and consequently that nation will lose the war, but on the other hand, if Japan is satisfied with what has already been gained and endeavors to hold it, the results will be different.

Dr. H. Schindler was also a visitor at this meeting.

## Large Number FFA Projects Carried By Members V. A. Class

A large number of projects are being carried on by members of the Crowell FFA Chapter under the supervision of Marvin L. Myers, chapter adviser.

Sixteen project calves are being fed out by members of the two Vocational Agriculture classes. In this group, there are twelve Hereford, three Aberdeen Angus and one Shorthorn. The calves are of good stock and are in fairly good condition. Most of the calves are being fed out for the annual chapter project show, which will be held some time in the future.

There are also twenty-two pigs being fed out for pork production. Most of the pigs and sows are from good stock.

There are 465 hens being raised for egg production and 25 turkeys. These poultry projects include various breeds.

The boys have 200 acres of wheat planted at the present date. Two of the boys have planted pedigreed Tenmarq seed, purchased from the Chillicothe experiment station. Tenmarq wheat was purchased because of its heavy yield. Records show that Tenmarq will yield from three to five bushels more per acre.

The projects named above are all that are in progress at present, but it is planned for members to plant about 200 acres in row crops, and obtain four or five hundred baby chickens in the spring.

## RIVERSIDE 4-H CLUB

At the club meeting on Tuesday, Nov. 8, several questions were asked by Miss Myrna Holman and answered by the club girls, on table manners. A table was set, the chairs placed around it, and other table services were shown.

Each club girl that had made an educational toy or other things, showed them.

The game leader appointed for the next meeting, which will be on Tuesday, Nov. 22, is Flora Bell Blevins, and hostess, Evelyn Johnson.

## LIBRARY NOTES

Three more books recently donated to the library that will appeal especially to boys of the teenage are: "Calvary of the Clouds," Capt. Allan Bott; "The Fighting Fool," Dan Coolidge; and "Only a Farm Boy," Frank V. Webster. "You Can't Have Everything," by Kathleen Norris is probably the most popular book in the library at present. It is one of her latest books and perhaps better than the average Kathleen Norris novel.

Most of her novels during the past two or three years have dealt with some aspect of the depression. Now Mrs. Norris seems to have divined that her audience is once more in an optimistic frame of mind. All of the characters in "You Can't Have Everything" are in comfortable circumstances. Their privations, if any, are purely emotional.

## W. P. A. TO ASSIST TICK ERADICATION IN EAST TEXAS COUNTIES

San Antonio.—The campaign to eradicate cattle fever ticks in various Texas areas will be continued through a Works Progress Administration project involving Federal expenditures of \$324,670, it was reported today by E. A. Baugh, WPA state director of operations.

Notification that WPA funds are available for the work has been received in the state office. Sponsors of the project are the Bureau of Animal Industry of the U. S. Department of Agriculture, and the Texas Livestock Sanitary Commission.

Although statewide in scope, the project is intended to operate mainly in the timbered region of East Texas, including Nacogdoches, Angelina, Tyler, Polk, Trinity, San Augustine, Sabine, Harris, Shelby, Newton and Jasper counties.

It is estimated that WPA will employ 782 workers and that 277 workers employed by the sponsoring agencies will take part in the tick eradication activity. Materials valued at \$42,000 will be supplied by the sponsors.

New books intended for the National library at Stockholm are treated to destroy microbes.

# EYE to EYE in your own living room, Your Mileage Merchant would unblinkingly talk this same good sense about saving your car's battery and oil by changing now to WINTER OIL-PLATING

**NO BRASH "sounding off" by Your Mileage Merchant, because he can easily be specific about his patented Conoco Germ Processed oil. It specifically OIL-PLATES your engine for winter... no other oil does. And winter OIL-PLATING specifically cuts down on draggy "starts," battery exhaustion and oil extravagance, for these specific reasons:**

The Germ Process adds in to this oil a patented man-made substance that sets up a strong force of attraction between Germ Processed oil and every engine surface it touches. Even the upright surfaces instantly attract and hold Germ Processed oil in the form of lasting OIL-PLATING. This OIL-PLATING can never drain down—any more than chrome plating—during the longest, coldest parking. No question then, about winter OIL-PLATING speeding your starter from the first, because before you've even got out your key, your engine is ready-lubricated by slippery OIL-PLATING. Never letting loose, OIL-PLATING can't shoot out of the engine, but remains a constant help to your oil-level—one of the smartest reasons for changing to Your Mileage Merchant's Conoco Germ Processed oil. Patented—your one way to change to WINTER OIL-PLATING!

**OIL-PLATING GUARANTEED TO LUBRICATE BEFORE ANY OIL CAN CIRCULATE**
