LOCAL METHODIST CHURCH TO OBSERVE ENTIRE MONTH OF OCTOBER AS LOYALTY MONTH

In response to the call for Loyalty Days in the churches of the United States by the National Committee for Religion and Welfare Recovery, officials and members of the Crowell Methodist Church have decided and announced that this church will observe Loyalty Days during the entire month of October instead of only two days as suggested by the National Committee.

The movement has been endorsed by the President of the United States and he thinks it highly important at this time that the minds and hearts of men be brought back to consciousness of the fatherhood of God and the brotherhood of man.

With a great war going on in Europe there is little doubt that America faces a period in its history when the leaders and people need Divine guidance more than ever before, and during this great national drive it is believed that much good can be accomplished.

Every effort possible will be made to create new interest in the services of the local Methodist church during the four Sundays in October. A drive will be made to increase attendance in the Sunday School to a maximum during these days and in doing this, it is thought that attendance at the church services and the young people's leagues will also be increased.

The interest is so intense that a 30-inch paid advertisement is being run in this issue of The News, making a plea for Church Loyalty. Turn to page 3 and read it.

CROWELL WINS OVER PADUCAH BY 26-0 SCORE

Wildcats Thrill Fans With Sparkling Play

Coach Grady Graves' Crowell Wildcats completely surprised and routed the Paducah Dragons in their non-conference game here last Friday night which opened the Wildcats' home season with a powerful running attack, which the Dragons were not looking for, easily score a 26 to 0 victory over their strong opponents.

Crowell Line Feature

In the line Friday night, there were Jack Fitzgerald, Oran "Muscle-Bound" Johnson and Wayne Camp, stalwart veterans who furnished the defensive spark. Not to be overlooked, and boys who will draw praise from over the district, are Charlie Clark, light and powerful, and Murphy Solis and Frank Dunn, guards, who furnish effective blocking for the backs and who attend to the task of seeing that the center of the line is not penetrated. In a wing position is Dick Smith, 200 pounder, who is playing his first year with the Wildcats and his play against the Dragons was that of a seasoned veteran.

Or Nurses Injury

After taking the linelight in the Matador game, Joan Lee Orr, nursing an injured ankle, featured in the first touchdown drive and then turned the ball carrying chores over to Que Meason, who gave local fans their greatest football thrills since the days

Fire At Thalia Gin Does Slight Damage

Slight damage was reported after a fire at the Farmers' Gin in Thalia Wednesday afternoon about 2:30 o'clock.

The fire started in the cotton house and trucks from both the Crowell and Vernon fire departments answered the call, but the flames had been brought under control before the trucks reached Thalia.

A report from the gin stated that the heaviest damage came from water used in fighting the flames. The extent of the damage can not be determined until the cotton which was in the house has been ginned.

COTTON GINNED

There were 1,676 bales of cotton, counting round bales as half bales, ginned in Foard County, from the 1939 crop prior to Sept. 16, 1939, as compared with 302 bales ginned to Sept. 16, 1938, according to figures furnished by the Department of Commerce at Washington, D. C.

Former Resident Of Foard Dies At Lawton, Okla.

M. T. Patton of Lawton, Okla., former resident of Foard County and brother of W. A. Patton of Crowell, died at the home of his daughter, Mrs. James Hays, in Lawton, Monday, Sept. 25. He had been in ill health for the past three years.

Funeral services were held in the Lawton Funeral Home Tuesday afternoon at 3:30 o'clock with the pastor of the Lawton Baptist Church officiating. He was buried in the Lawton cemetery by the side of his wife who died in 1931.

Those from Crowell who attended the funeral services were: W. A. Patton and daughters, Misses Alma and Truda; Mrs. O. W. Orr, Miss Sihil Hays and Weldon Hays and Mrs. H. E. Powell of Port Worth.

Mr. Patton was born in Ellis County in 1875 and came to Foard County in 1917. He lived on farms near Crowell and Thalia until 1928 when he moved to Lawton, where he had made his home since.

He is survived by six daughters, Mrs. Jess Walker of Chillicothe, Mrs. James Hays of Lawton, Okla., Mrs. Lem Henry of Vernon, Mrs. Calvin Henry of Vernon, Mrs. Lincoln Middleton and Miss Audie Patton of Lawton; two sons, Barney and Delbert of Lawton; his father, M. J. Patton of Stephenville; three brothers, three sisters and 22 grandchildren.

Wolf Hunters of Foard-Hardeman Organize Ass'n.

Over one hundred people of Foard and Hardeman Counties, composed of business men, farmers and professional men, together with their wives, met at Hamp Stepp's farm just over the river in Hardeman County, Wednesday night, Sept. 20, for a get-together meeting and picnic supper.

Following the supper and entertainment furnished by the Wallace string band, the group organized a two-county wolf hunting association which will bear the name of Hardeman-Foard County Wolf Hunt Association.

District Attorney Jesse Owens of Vernon acted as chairman of the meeting. Judge Claude Callaway of Crowell and others appeared as the purpose of the organization was to promote better understanding and good will between

MEXICAN HELD IN JAIL HERE ON MURDER COMPLAINT AFTER MEXICAN DIES OF KNIFE WOUNDS

A Uvalde Mexican, Tomas Soles, is being held in the Crowell jail on a complaint charging murder following a fight on the Walker farm at Rayland last Saturday night about 8 o'clock in which a second Mexican, Jesus Jauremillo of Raymondville, was fatally stabbed. The Mexicans had been pulling cotton on the Walker farm.

Soles was arrested on a complaint charging assault with intent to murder, but the complaint was changed to murder following the death of the wounded man Wednesday.

The wounded Mexican was rushed to Crowell for medical attention by Ransom Walker, who notified officers of the fight. Jauremillo was later taken to the county jail where he succumbed Wednesday. He had received two deep cuts on the body, one on the throat and one on the arm and one of the lungs had been cut.

Witnesses to the fight identified Soles as the assaulter to Sheriff A. W. Lilly, who arrested the Mexican Sunday morning about 9 o'clock, after patrolling the highway all of Saturday night. Soles spent the night in fields and was arrested a few minutes

C. T. WISDOM SUCCEUMBS AT AMARILLO SUN.

Funeral Held at Baptist Church in Crowell, 4 P. M. Monday

C. T. Wisdom of the Foard City community, 71, resident of Foard County since 1906, died Sunday morning, Sept. 24, at the home of his son, M. C. Wisdom, in Amarillo, following an illness of three months. Mr. Wisdom was removed from his home to that of his son about two months ago because it was believed that the cooler climate would aid him in his recovery from a serious illness.

Funeral services were held from the First Baptist Church in Crowell Monday afternoon at 4 o'clock, conducted by the pastor, Rev. W. B. Fitzgerald.

Pall bearers were G. C. Owens, Glenn Jones, A. L. Davis, Virgil (Continued on Page Four.)

AUTO OWNERS AFFECTED BY NEW STATE LAW

Certificate of Title Required; Law Goes Into Effect Oct. 1

A new law will go into effect on October 1 whereby every owner of a motor vehicle in Foard County will be affected, sooner or later, according to an announcement made this week by A. W. Lilly, tax assessor-collector.

This new law, as outlined by Sheriff Lilly, is that every owner of a motor vehicle must have a certificate of title before he can offer to sell or trade his car.

Starting Monday, Oct. 2, owners who are planning to sell or trade their vehicles must apply at the tax collector's office for a certificate of title, and they will be given blanks to be filled out before a notary public. A fee of twenty-five cents will be charged for the certificate of title.

The owner must have a bill of sale, registration papers and make note of any lien or mortgage against the car, and all this information is to be given on the blanks. The applications are returned to the tax collector's office, and the application is sent to the Department of Public Safety in Austin. When this department is satisfied as to the ownership of the vehicle, the applicant will be mailed a certificate of title from Austin.

This law will not effect the present set-up in reference to transfers, registrations and bill of sale, but an owner must have a certificate of title before he can make a transfer.

Sheriff Lilly stated that his office would be glad to explain the new law to the best of its ability, but pointed out that one must have all papers on the motor vehicle before making application.

Rebekahs and Odd Fellows of Truscott to Have Open House

Odd Fellow and Rebekah Lodges of Truscott are to have an open house program Friday night, Sept. 29, at which time members from the Crowell lodge will be present as guests. The following program will be rendered at this meeting:

Song, congregation; invocation, Rev. Geo. E. Tyson; welcome addresses, Gordon Acker and Mrs. Clyde Myers; response, members of Crowell Lodge; violin solo, George Tyson Jr., accompanied by his mother; bass solo, Lester Hickman; trio, Estelle, Crystal and Maye Jo Chilcoat; accordion solo, Neva Mills; musical number, A. D. Jameson, Warren Morton and Mrs. J. G. Acker; male quartet; "Blest Be the Tie," congregation; benediction, Rev. Joe W. English.

Immediately following the program refreshments will be served.

Baptist Ass'n. Will Meet With Crowell Church

The Wilbarger-Foard Baptist Association will hold its annual meeting with the Crowell church on Tuesday and Wednesday, Oct. 2-4, according to information from Rev. W. B. Fitzgerald, who asks that all members of the church be present for services Sunday, as it is the last Sunday before the association, and is "catch-up day."

Ladies of the association are to meet Tuesday morning at the church at 9:30 o'clock and bring a covered dish. The association proper begins Tuesday evening at 7:30 o'clock and closes Wednesday evening at 8:40 o'clock.

An interesting program has been arranged.

Boy Scouts Given Junior Red Cross First Aid Cards

Twenty-three Boy Scouts of the Crowell and Truscott troops, and Granville Lanier, Scoutmaster, received their Junior American Red Cross cards in first aid this week from John E. Long, Foard County Boy Scout Commissioner, and Vance Favor, State Highway Section foreman, who conducted the first aid school.

Mr. Favor was assisted in conducting the school by other State Highway employees, J. A. Thompson and J. R. Moore, of Crowell. The 15-hour course covered a period of four weeks and was completed several weeks ago by the local Scoutmaster.

Crowell boys receiving junior first aid cards were, John Clark Long, Billy Klepper, Ray Davis, Joe Wells, Paul Vecera, Joe Wallace, Beverly, Charlie Thompson, J. T. Hughton, Harry Harwell, Lowell Campbell, Ted Crosnoe and Billy Scott Bruce.

Cards were also awarded to the following Truscott boys: Curtis Tapp, W. J. Walker, Arnold Smith, Tommie Westbrook, Billy Smith, George Tyson Jr., L. C. Abbott, Frank McMinn Jr., Sam Franklin, Vreeland McNeese and Wayne Young.

Truscott Teachers Attend County-Wide Meeting Tues. Night

Teachers of Truscott High School met Tuesday night with the other teachers of Knox County, the object of the meeting being to elect officers for the Inter-scholastic League events to be held during the year.

Officers elected at this meeting follow:

A. F. McMillin, Truscott, general manager; L. G. Cook, Knox City, debate; N. T. Underwood, Sunset, extemporaneous speech; W. C. Cunningham, Benjamin, declamation; Mrs. J. H. Bardwell, Goree, spelling; A. M. White, Knox; City, essay writing; Jesse G. Thompson, Vera, athletics; John H. Huffman, Rhineland, music memory; D. J. Horace Bass, Munday, extra music events; L. M. Palmer, Munday, number sense; Miss Elizabeth Parris, Gilliland, picture memory; Miss Mildred Kennedy, Munday, choral singing; Howard Cobb, Munday, typing; Mrs. Helen Randolph, Vera, story telling; S. H. Thompson, Gilliland, one-act play; Mrs. E. E. Branton, Union Grove, rural school events.

Stop Signs Moved To Intersection Northeast of Square

Three stop signs from the intersection of Main Street and State Highway 28 were moved to the intersection of the highway and Commerce Street, one block east of their old location.

A flashing caution signal has been installed at the intersection on Main Street and the city had the signs moved to the intersection on the northeast corner of the square.

NOTICE

The Thalia Masonic Lodge meets Thursday night, Sept. 28, (tonight), at the lodge hall in that city. A mistake was made in the date of the notice that appears regularly each week in this paper, which gave the meeting date as Sept. 21.

The monthly meeting of the Thalia Lodge is held on Thursday night, on or before, the full moon.

After coming out onto the highway, he has been bound over for the action of the January grand jury under a \$1,000 bond. Sheriff Lilly said witnesses told that the two Mexicans became involved in an argument concerning a debt and the fight followed.

EDWARDS MOTOR CO. AND WARD MOTOR SERVICE OPEN IN NEW LOCATION IN CROWELL MONDAY

Boone Imp. Co. Moves to South Side of Square

The Boone Implement Company opened in its new location in the tin building on the south side of the square Monday morning, after moving from the building which had housed the implement agency for many years.

The building in which the Boone Implement Company is now located has been used by the Boy Scouts of Crowell as a meeting place during the last several months. Repair work was started on the building last week. The front has been re-arranged and the floor has been repaired.

The parts department occupies the front part of the building and the repair shop is located in the rear part.

Agriculture Teachers Of District Met In Vernon Last Saturday

The Vocational Agriculture teachers of the Vernon district held their first meeting of the year at Vernon Saturday afternoon, Sept. 23, at which time O. T. Ryan, area supervisor, met with the group and aided the teachers in planning their work for the present school term.

Francis Todd of Quanah was elected chairman of the group and Marvin L. Myers of Crowell was chosen as secretary at the meeting.

B. W. Boswell of a Soil Conservation Project at Vernon attended the meeting and invited the teachers to bring their classes to visit the project.

Dates for six regular meetings to be held in Vernon this year were set, and are meetings in which boys of the various F. F. A. chapters will participate. The next meeting is scheduled for October 28, at which time the boys will elect district officers and set up their program of work for the year.

The following chapters were represented at the meeting: Crowell, Quanah, Chillicothe, Harrold, Burkburnett, Megargel and Westover.

BIRTH

To Mr. and Mrs. Arvin Pechecek, a boy, John Robert, Sept. 23.

INSTRUCTOR

Forty-one girls have recently completed summer projects in connection with their home-making courses in this department of Crowell High school, according to a report given us by Miss Ruth Patterson, home economics teacher.

Many evidences of improved living conditions were noted in this report and some of them are:

Two bedroom closets were made, 2 kitchens were improved, 2 bedrooms were improved, 28 pieces of furniture were refinished, 4 pieces of furniture were made, 6 floors were refinished, 502 pints of vegetables canned, 980 pints of fruit canned, 337 pints of preserves and jelly made, 61 pints of pickles canned, 245 meals prepared, 137 garments made, 10 garments renovated, 2 yards improved.

Projects rated as highly superior were carried on by Evelyn Crosnoe, Doris Campbell, Jade Halecank and Beverly Hughton. Projects rated as superior were carried on by Layoyce Lefevre, Frances Hart, Anita and Juanita Traweck.

Projects completed by Estell Autry, Helen Russell, Iva Mae Bradford and Laura Belle Whitfield, were rated as excellent and those projects carried on by Marylou Nichols, Virginia Thom-

EDWARDS MOTOR CO. AND WARD MOTOR SERVICE OPEN IN NEW LOCATION IN CROWELL MONDAY

The Edwards Motor Company, new Chrysler and Plymouth agency in Crowell, and the Ward Motor Service occupied the building which formerly housed the Boone Implement Company on Monday of this week.

An office room has been installed in the front part of the building, the part taken by the Edwards Motor Company, and the floor of the large show room has been refinished in preparation for a shipment of new model automobiles which is expected the latter part of this week.

The new automotive agency is headed by H. K. Edwards of Crowell, who took the Chrysler and Plymouth dealership recently after severing connections with the M. & S. Chevrolet, now Borchardt Chevrolet Company, in which firm he was a partner for about two years. Mr. Edwards stated that a shipment of new cars was expected this week and the formal opening date of the business would be announced later.

The rear section of the building is occupied by the Ward Motor Service, which was moved from its old location in the rear of the Cooper Service Station. Joe Ward, owner of the motor service, once housed his business in the building in which it is now located, but moved from there to what was then the Ivey Service Station, and now, after several years, he is back in his old location.

Both Mr. Edwards and Mr. Ward invite the people of this section to visit them in their new business location.

Fires Reported At Local Gins This Week

A number of fires have been reported at the gins in Crowell during the past week, but none have been very damaging.

A fire in the gin house of the Crowell Gin was fought for over two hours late Wednesday afternoon. The fire started in the cleaner in the front part of the gin, however, the cotton was stopped before any fire reached the press. No heavy losses were reported, but over thirty quarts of fire extinguishing fluid were used.

A fire in the burr stand of the Farmers' Gin was extinguished Monday afternoon and several fires have been reported in the gin house this week.

IMPROVING

J. F. Steele, who has been ill at his home one block northwest of the square for several weeks, is reported to be improving.

A howling band of Redskins will invade Crowell Friday night when the Nocona Indians meet Coach Grady Graves' Wildcats in a non-conference game on the local gridiron at 8 o'clock.

Indians Experienced

The Nocona team has been picked by the Wichita Falls Record News to win the district 11-A championship, and the Wildcats were chosen to end the season in third place of this district. The Indians will have plenty of experienced material, as they will place three two-year lettermen, five one-year lettermen and three first year men on the field tomorrow night.

Wildcats Crippled

The Wildcats will enter the game Friday night badly crippled as three regulars are suffering injuries. One will be unable to play and will see the game from the sidelines, and the other two will probably start the fracas but will see much of the scrap from the sidelines.

John Lee Orr, quarterback, who ruptured a sprained ankle through the Paducah game, turned it again Sunday when he stepped from a stair case and has been unable to take part in scrimmages this week. He will start the game but Coach Graves plans to keep him on the bench as much as possible.

"Hard luck" struck again in the Wildcats' camp Tuesday afternoon when Que Meason was carried from the practice field with a badly twisted ankle. He was unable to work Wednesday afternoon, but his ankle had shown much improvement last night and if it continues to knit, he will be in the starting lineup. Meason will also see much of the game from the sidelines.

Frank Dunn, guard, left the Paducah game after receiving a hard blow from a player's knee over his kidney. Dunn is definitely out of the lineup tomorrow night and will not see any action. At present, the starting lineup of the Wildcats is doubtful but the injuries are healing fast and Coach Graves announced that his

GROUNDS SPRINKLED

The grounds around the football field will be sprinkled Friday afternoon so that dust will not be blowing during the game. During the game last week, dust hovered over the field during the game, but this will be avoided tomorrow night.

CROWELL MAN RETURNS FROM SOUTH AMERICA

Spends Past 6 Months Working In Venezuela

J. C. Greenway, son of Mr. and Mrs. L. W. Greenway of Crowell, returned to his home here last Thursday after spending the past six months in Venezuela, South America, where he was employed by H. C. Price, welding contractor of Bartlesville, Okla., as operator of a caterpillar tractor. The crew with which Mr. Greenway worked in South America laid two pipelines, one for the Gulf Refining Company and one for the Standard Oil Company.

The first line laid was for Gulf and is the largest crude oil pipeline in the world. The 16-inch line started from Porto LaCruz and extended inland for a distance of 135 miles to a large oil field at El Tigre. The first sixty miles of the line was over the Andes Mountains, the next thirty-five miles through swamp land

Two Minute Sermon (By Thomas Hastwell)

A Great Life Dedicated To Service: In the story of Isaiah the prophet, is found many splendid lessons that are as applicable to the present day as they were in the days when Isaiah lived and ministered to the nation of Judah. In a two minute sermon one can touch on but one of these lessons. Isaiah was a young man when the call came to him. It so happened that because of his relationship with the ruling class of that day he had had opportunity to become familiar with the court life, the rulers and leading men of other nations, the political background of the nation to which he belonged, and all the implications of political trends of his day. All of this training fitted him in a special and peculiar way for the leadership of his people in their most trying time. Instead of tossing

aside the responsibility, as he might easily have done, he accepted it in a spirit of humanity, and dedicated his great young life to it. What a challenge to young men and young women today. Isaiah had wealth, and honor, and friends, and recognition that might have permitted him to live the life of a playboy, but he chose rather the life of service. As a playboy Isaiah would have been soon forgotten, but as a prophet, and a man who dedicated his life to a great nation, and a great cause, he is known and honored down to this day.

In The News 15 Years Ago

The items below were taken in whole or in part from the issue of The Foard County News of Sept. 26, 1924.

Commissioners Visit The four commissioners of Terry County were here Thursday looking at Foard County's fine court house with a view of deciding upon a style of building for Terry County to be constructed in the near future. They were favorably impressed with our court house.

New Gin Starts A new gin built by the farmers of the Thalia community, has been finished and is now in operation, having commenced Monday of this week. The gin is modern in its machinery and will gin something like 50 bales per day.

School to Open The Foard City school will open Monday, Sept. 29. W. C. McClendon will occupy the position of superintendent again as he did last year and Misses May King and Eunice Randolph and Mrs. Ernest King constitute the remaining faculty.

Continuous Light Service Under the new management Crowell is now having continuous light and power service, two men being regularly employed at the plant. C. L. Rucker works from noon until midnight and his son, Arnold, goes on at midnight, taking the other half of the time. Until Mr. Porter took charge of the plant it was necessary to keep coal oil lamps handy so that in case a light should become necessary at any time from 11 p. m. until 6 a. m., one could strike a match and provide a dim and unsatisfactory light.

Sowing Wheat The recent rains came as a great blessing in the matter of wheat sowing. The farmers had figured on going right ahead regardless of whether or not it rained and sow their grain in dry ground, but the rain will help both. Wheat sowing will be pushed rapidly this week and for two or three more weeks until all the wheat acreage has been put in.

Record Session The grand jury of Foard County made a record in the dispatch of business this week that we believe surpasses that of any grand jury in the United States. Within one hour after that body had met for business it was ready to turn in its report and adjourn.

Wagon Train Ruts Aerial photographers, taking pictures of Haskell County, Kansas, farm lands for mapping purposes, saw lines across dozens of negatives and thought they were scratches. Closer examination disclosed they were ruts that had been made by wagon trains 70 years before.

1940 Chevrolet Models to Be on Display Oct. 14

Detroit, Sept. 23.—Chevrolet's new 1940 models will make their public bow on Oct. 14. W. E. Holler, general sales manager, announced here today. The cars, he said, will be shown simultaneously at the National Automobile Show in Grand Central Palace—where, as volume leader in the industry, Chevrolet again had first choice of space—at the General Waldorf-Astoria, at several important local auto shows, and in dealers' showrooms throughout the country.

In line with the company's experience in recent years, Mr. Holler said, an important part of Chevrolet's announcement advertising has been scheduled in newspapers. Some 6,800 daily and weekly papers from coast to coast are on the schedule, other media being used to supplement and round out this effort. Pre-Announcement advertising has already begun to appear, and space will be increased as the new car introduction date approaches. Formal presentation of its new product, and the selling program for 1940, will be made to Chevrolet's wholesale field organization and the Central Office sales department staff at the annual national sales convention scheduled to open here Sept. 28. The sessions will last two days, and will be attended by about 350 key members of the organization.

THOUGHTS OF SERIOUS MOMENTS

What is time?—The shadow on the dial, the striking of the clock, the turning of the sand, day and night, summer and winter, months and years, centuries—these are but the arbitrary and outward signs—the measure of time, not time itself. Time is the life of the soul.—Henry Wadsworth Longfellow. Jesus loved little children because of their freedom from wrong and their receptiveness of right.—Mary Baker Eddy.

Alka-Seltzer
When statements about Alka-Seltzer are made over the air, please, please believe them.
Mrs. Oma Catherine Jones
MILLIONS enjoy greater freedom from everyday aches and pains because they have heard—and believed—Alka-Seltzer announcements over the air or have read—and believed—printed statements about Alka-Seltzer. To these millions the relief obtained from the use of Alka-Seltzer is worth much more than the genuine enjoyment they get from Alka-Seltzer broadcasts. Why don't you try the Alka-Seltzer way to relief from Gas on Stomach, Heartburn, Headache, Acid Indigestion and Distress of Cold, "Morning After" and Muscular Aches and Pains?
YOU GET TWO FOLD RELIEF
First—relief from pain, because Alka-Seltzer contains an analgesic, (sodium salt of aspirin).
Second—relief from the over-acid condition that is often associated with these everyday ailments, because Alka-Seltzer contains alkalinizing agents.

MOBILIZATION FOR SERVICE
Nations in the East are calling for their finest and most promising young men. They are not asking them to come to social gatherings or a religious festival. They are being called to give their lives on a bleak battlefield! To give up their homes, their prospects of a long and happy life, their ambitions, and go face war tanks, cannons and poison gas and die for their country.
In this country we are being called by the National Committee on Religion and Welfare Recovery, and by our president, to mobilize our citizenship for Christian worship and thanksgiving and loyalty, to the Church and Christ.
What a contrast in these two calls! One is a call to real living and the other is real death! Was there ever a time when we had greater reason to thank God that we are citizens of the United States of America?
In harmony with the above, we of the Crowell Methodist Church, are declaring October as Loyalty Month in our church and requesting that every member come with rejoicing, and worship the God that has so blessed us. Every citizen is cordially invited and every member is confidently expected to attend church services for worship on these five Sundays in Loyalty Month.
The more than 10,000,000 soldiers now mobilized in Europe are given no option in answering the call to war. Just so, every church member who has any sense of Loyalty to his religious vows, should recognize the solemn obligation in these days of world-wide stress and peril, to acknowledge in formal church service, as well as in private worship, the fatherhood of God who "Made of one blood all nations of the men."
Next Sunday, therefore, is the first Sunday of Loyalty Month. Give expression to your noblest self. Be true to the call of your soul to worship. Let us all meet at the church for a season of devotion.
Our regular week's church program follows:
Sunday School, Sunday at 9:45 a. m.
Preaching service Sunday at 11 a. m.
Epworth Leagues Sunday at 6:30 p. m.
Evening preaching service at 7 p. m.
Woman's Missionary Society Monday at 4 p. m.
Mid-week church service, Wednesday at 7:30 p. m.
Lord, make our hearts to be LOYAL TO THEE.

I will lift up mine eyes unto the mountains; from whence shall my help come.—Psalm 121:1.

It is not at all surprising that the splendidly equipped German army should sweep the forces of Poland before it. Poland does not compare in the matter of resources in any way with Germany. She is not a warlike nation. She is an agricultural nation struggling to wring from a none too fertile soil a meager existence. The mass of her people are desperately poor. In the matter of all resources that go to equip a nation for war Germany is seven times as strong as Poland. Germany has four times the army that Poland has, Poland has no navy. Germany has ten times the air force that Poland has. Germany has ten times the industrial resources that Poland has. Germany has three times the general resources that Poland has. For all his bragging and blustering the invasion of Poland by Hitler is equivalent to an overgrown bully attacking a small boy. The boasted victories against Poland are not surprising. The surprising thing is that a country so weak at all points except courage should assume to attempt to stop the ruthless advance.

Paducah Game—

(Continued from Page 1)

when Dick Todd, now with the Washington Redskins, ruled the gridirons of the district.

Meason Hits Stride

Meason, all-district back, performed a feat that might never be seen on the Crowell field again. On three plays, he picked his way through the line, reversed the field, shook off several tacklers and outran the whole Paducah team for a total of 182 yards and three touchdowns. His shortest of the three runs was 40 yards. Meason's performance Friday night forever carved his name in Crowell High School hall of fame.

Leroy Gibson and Bill Ownbey, fullback and halfback, showed much improvement in the game and will be powers in the Wildcat backfield. Gibson looked good in the safety slot, especially on pass defense, and both figured in the Crowell attack with their block-

Orr Scores First

Crowell took the opening kickoff on its 40-yard line and after failing to gain a first down in three plays, Meason punted but a Dragon knocked the ball down and covered it on the Crowell 18. The Dragons were unable to move the ball from that point and the Wildcats took the ball on downs. Getting underway the Wildcats staged a touchdown drive, which required 17 plays, featuring Orr and Meason, with Orr covering most of the ground and crashing over from the Paducah 5-yard line through left tackle for the first score. Canup added the extra point with a place kick.

On the kickoff, Fitzgerald booted the ball over the Dragons' goal line. Running from their own 20-yard stripe, the Paducah boys ran three plays and finished exactly where they had started and punted to the 40. On the first play, Meason cut through right tackle, reversed the field and scampered over to pay dirt. Canup's place kick was wide.

Line Stops Scores

Early in the second period, a holding penalty and a loss set Crowell back on its own 37 and Meason punted to the Paducah 37. Whitney and Handley brought the ball back into Wildcat territory on three plays and the drive was stopped when Canup intercepted Mobley's pass on the Crowell 37. Running at the line twice, Olds took the ball back to the Dragons' 48, but two plays later, after being thrown for a loss, a pass from center went wild and a Dragon recovered it on the Crowell 27, however, Paducah lost the ball on downs on the Wildcats' 22.

Orr picked up 5 yards and Meason fumbled and the Dragons recovered on the Crowell 18. On this series of plays, Paducah pushed the ball up to the 16, but lost it on downs on the 17 when the Crowell line stiffened to push the Dragons back a yard.

Meason Scores Again

Orr carried the ball to the 21. Meason gained 6 and Orr advanced to the 32. Meason started around left end, cut back through left tackle into the secondary defense and sped down the sideline to lead several Paducah boys in a 68-yard race and went over the goal line standing up. Canup's place kick was good for the extra point.

Too Much Meason

Paducah returned the opening kickoff of the second half to its 40. With a ground drive, the Dragons took the ball to the Crowell 18 and "put the ball in scoring position for Meason," as one Dragon follower stated. Here the Crowell defense stiffened and took the ball. From his own 18, Orr circled left end for 6 and then added two more yards to place the ball on the 26. Meason followed his blockers through left tackle into the Paducah secondary where he ran into a host of Dragons. He reversed the field only to run into more and again he changed his course to break into the open and lead a pack of Dragons in a 74-yard run to again cross the goal line standing up. Canup's place kick was no good.

The Dragons took the kickoff on their own 17 and Mobley, in a series of running plays, had carried the ball to the Crowell 44 when the third quarter ended.

Goal Line Stand

Paducah failed to make a first down and punted to the Crowell

18. Meason punted the ball right back to give the Dragons possession of the ball on the Crowell 35. A Wildcat penalty and a line play placed the ball on the 28. Mobley shot a pass to Foster who was overtaken by Smith on the 1 yard line. Mobley passed incomplete over the goal line and gained one foot on a line play. Another power play by Mobley failed to gain any ground, and on the fourth down, Mobley fumbled the pass from center and the ball was recovered by Smith on the 16 to end the scoring threat.

The Wildcats advanced to the 28 and were set back by a holding penalty. Meason punted and Paducah took the ball on the Crowell 37. Meason intercepted a Dragon pass and raced to the Paducah 20, only to have the play called back and Crowell given an off side penalty. Shortly afterward Fitzgerald intercepted a Paducah pass and the game closed four plays later with Crowell in possession of the ball on its own 5-yard line.

South America—

(Continued from Page 1)

and the last 40 miles of pipe was laid on a prairie. After completing this job, the crew traveled across the state and laid a second line from Caripito to Maturin, capital of Estado Manogas, a distance of 42 miles. This work required nearly as much time as the first job, due to the fact that the land through which the pipe was laid was solid swamp land. When Mr. Greenway signed up for this work, he went to Effingham, Ill. where he underwent examinations. Then he went to New York City and from there sailed to La Guaira, Venezuela, on March 19. After landing in South America, he went to Porto LaCruz where his work started. On the return trip, Mr. Greenway was forced to come to the United States by airplane as war tension between the South American islands, owned by various foreign powers, had caused a cancellation of boat passage because of fear of submarines in the Caribbean Sea.

There are no refineries in Venezuela and the refineries are located on the islands off the coast of Venezuela and are important possessions of the European nations as well as the United States. He made the trip to Port of Spain in a Pan-American plane and there obtained passage on the Brazilian Clipper to Miami, Fla. Mr. Greenway came to the United States with a group who had been given special permission to leave the country by the government. Pictures were not allowed to be brought from Venezuela because of the war conditions and Mr. Greenway's camera was taken apart and sealed in two separate packages and forwarded to Miami. Due to the weight limit allowed each passenger on the airplane, Mr. Greenway was forced to leave a large part of his personal belongings and when asked when he would receive them, he stated that the natives had made away with them before he was out of sight.

After arriving in Miami, he again went to Effingham, and then came to his home in Crowell. The skilled laborers on the job were men from the United States and the common laborers were natives. Mr. Greenway stated that a white man could not do a day's work as is commonly thought of here due to the climatic conditions of the country. The men from the States lived in camps and all of their food supplies were shipped from this country. He stated that one or two times the supply ship was late and caused some worry among the workmen, but they were never forced to go hungry, however, they never ate any of the native food. In Venezuela, Mr. Greenway stated, the United States dollar had the value of about sixty-five cents, which is unusual as there is a premium in most countries on

SEVEN TEAMS OF DISTRICT 10-A FINISH SECOND WEEK UNBEATEN TO HAVE DOPSTERS GUESSING

After the smoke from the second week grid wars clears, one still wonders who will be the top team of the district, because the teams of District 10-A have not been defeated and all even in percentage, but football experts still string along with Burk Burnett and Chillicothe for the two top positions. Last Friday, the Crowell Wildcats had little trouble and stayed on the ground in defeating the Paducah Dragons, who were probably the strongest opponent played by any eleven of the district. Burk Burnett stock soared skyward when they blasted Nocona, 52-6, in a game in which Coach Volney Hill used second and third stringers, according to dispatches, but "it is hard to believe that any Class A team has reserves strong enough to hold a first string eleven. The Bulldogs received all of the breaks and had several touchdowns handed to them on a silver platter. The Chillicothe Eagles, favorites for second place, showed lots of power in romping over the Eldorado, Okla., team by a score of 56 to 0, and Eldorado has yet to place a strong team on the field. From the east end of the district comes rumblings which can not be taken lightly by the favorites. Throckmorton defeated Albany by a 7-0 score. Holiday

swept over the Rochester eleven, 19-0. Archer City won its first game of the season over Woodson, 20-0, and Iowa Park burst forth to swamp Henrietta, 36-0. Seymour, dark horse of the district, defeated Munday by a tally of 12-6.

W. E. Eubanks of Quannah, was named president of the association. Other officials elected were, L. D. Fox, Crowell, vice president, and Bill Clark, Quannah, secretary-treasurer.

Three directors were named for each county: Hardeeman, Bill Brooks, Doc Morris and Jap Lane; Foard, Floyd Borchardt, Dave Adams and Charlie Ebleins.

Rules and by-laws will be drafted in the near future by the directors and officers. President Eubanks said.

The purpose of the organization of this association and its meetings is to allow wolf hunters of the two counties to have a good time socially and the families are invited to attend all meetings.

regular eleven would start the game, with the exception of Dunn, if Meason and Orr were in shape.

Weights Even

The weights of the Wildcats and Indians are exactly the same. Both clubs average 166 pounds per man. The Crowell line will tip the scales for an average of 163 pounds to hold a slight advantage over that of the Nocona line, which averages 163 pounds per man. The Indian backfield averages 6 pounds per man more than that of Crowell, as its backs average 165 pounds and Crowell's 150.

Subs Ready

Coach Graves has already announced that Dunn will not play against the Indians and used the practice session Wednesday afternoon in polishing up the understudies to go into the game at a moment's notice.

Glendon "Rusty" Russell will get his chance for glory in the guard position, replacing Dunn. If Meason is unable to report for the opening whistle, H. C. Brown will go into the backfield in the fullback position and Leroy Gibson will be shifted to Meason's place, left half back. When Orr is out of the game, he will be replaced by A. Y. Olds at quarterback.

Coach Graves used the combination given above in yesterday's practice and the understudies ran through their paces smoothly. The shifts made in the backfield would be fairly strong, playing behind the Crowell line.

Johnson, Shelton Ferguson and Dick Crosnoe. Flower bearers included Mrs. George Brown, Mrs. A. E. McLaughlin, Mrs. A. G. Bell, Mrs. J. M. Barker, Mrs. Grover Owens and Mrs. Coystal McClure. Interment was in the Crowell cemetery.

Creed Taylor Wisdom was born March 26, 1868, in Scott County, Ark. He came to Texas at an early age with his parents, Mr. and Mrs. F. K. Wisdom, and the family settled in Eastland County. Mr. Wisdom was married to Miss Caroline Hanna Dec. 29, 1892, at Desdemona. Ten children were born to this couple, eight of whom survive. The family came to Foard County in January, 1906, and had lived in the Foard City community for about thirty years.

The deceased was converted in the summer of 1894 and joined the Baptist Church, and he had been a member of that denomination until his death. He was well known over this section as a man of quiet disposition and a friend to all.

Survivors include the widow; four daughters, Mrs. E. G. Woodward of Lockney, Mrs. A. W. Johnson of Abertnathy, Miss Bernice Wisdom of Flagstaff, Ariz., and Mrs. F. A. Jordan of Brownfield; four sons, L. C. and W. C. Wisdom of Lockney, M. C. Wisdom of Amarillo, and Ted Wisdom of Foard City; one sister, Mrs. E. E. Williams of Desdemona; one brother, John K. Wisdom of Meadow. Eighteen grandchildren also survive.

Texas History

Colorful episodes in the history of our native state, along with the story of Sam Houston, are revealed in "Man of Conquest," which is showing Wednesday and Thursday at the Rialto Theatre.

The fall of the Alamo and the Battle of San Jacinto are portrayed with such realism that few historians have been able to find any flaws in the locale or re-enactment of events.

Richard Dix has gained great praise, not only in Texas, but in Northern states for his portrayal of Sam Houston. The lovely Gail Patrick is seen as his wife, Robert Barrat as Davey Crockett, George (Windy) Hayes as a faithful friend of Sam Houston, Edward Ellis as Andrew Jackson, Victory Jory as William Travis, and Robert Armstrong as Jim Bowie, with an outstanding part played by Ralph Morgan as Stephen F. Austin, the patriot of Texas independence.

Desperate Character Gives Up!

Christ (Rom. 6:3) has been freed from his slavery to Satan. Now he is a loving, willing bonds slave for Jesus, and that blessed place of service will always be his. Thus believers are bondslaves of Christ for time and eternity.

Again, the Greek word meaning "bondslave" refers to a slave whose will is swallowed up in the will of another. Before salvation, our wills were swallowed up in the will of Satan. We were his willing slaves. Paul tells us in Ephesians 2:1, 2 that we "were dead in trespasses and sins, wherein in time past ye walked according to the course of this world, according to the prince of the power of the air." But after being born again, of the Holy Spirit, we become bondslaves of Jesus Christ, Christ, having a nature, the divine nature (II Peter 2:4), which causes our wills to be swallowed up in the sweet will of God.

This Greek word for bondslave means also, "one who serves another to the disregard of his own interests. All the wages which ever received from him were sorrow, heartache, misfortune, despair. Since we have been saved, are serving Jesus Christ to the disregard of our own interests? Are you serving Him just up to the point where to go further would interfere with our own convenience and ease? Or are we burning our lives in a sacrificial service in His name?

Whose bondslave are you? You have been born just once, the Bible says that you are SAVED again, from above, through faith in Jesus Christ as your own personal Saviour, the Bible says that you are a bondslave of Jesus Christ and a child of God.

Check up on yourself just now and if you have never been born again, won't you, recognize yourself as a lost sinner, born again, then put your faith in Him as your Saviour? Don't put this off. Deeds are most dangerous. This may be your last opportunity.

PENCIL SHARPENERS, Chicago, \$1.65.—The News Office.

Legislature, had to begin payments of approximately \$200,000 a month to a group of Dallas banks, repaying money borrowed for pension purposes. This \$200,000 has been matched by the Federal government, so the total reduction of revenues will be \$400,000 a month. Meanwhile, the pension roll, which for October will be about \$119,000 will be steadily increased, as the work for investigating thousands upon thousands of new applicants, who sought relief under the "liberalized" law, can be completed.

Meanwhile, due to the fact the pension investigation section has been continuously understaffed since 1936, there are literally thousands of new applications, as well as more thousands of re-investigations, which remain to be made. The Federal Social Security Board has been tightening up on its requirements, and now insists that all pensioners on the rolls be re-investigated at least once a year. Many Texas pensioners have never been re-investigated since they originally began receiving aid, in 1936.

Typical of this situation is one Central Texas county. Five hundred persons in that county are receiving pensions, and must be re-investigated before the Federal auditor gets around again, or the state will lose the Federal aid on these cases. In addition, 300 new applications have been made under the liberalized law, and have not yet been checked. New applications in this county come in at an average rate of 80 per month, to swell the total job that is being done by two investigators, who cannot handle more than 100 cases per month. This is a thrifty German county, where he ratio of pension-seekers is supposed to be below normal. A worse condition probably prevails in many other counties.

Those Promises Haunt W. Lee

Gov. O'Daniel promised elimination of investigators. He promised everybody \$30 a month, later cutting this promise in half, to \$15 a month. He promised a liberalized pension law. He got the latter. Today, there are more investigators on the payroll than ever before, and informed persons admit the present staff simply cannot handle the job and meet the rigid requirements, necessary to get Federal aid. The average pension payment drops in October from \$14.24 in September to \$8.24 for October, with prospects of further cuts during the next few months, as the rolls grow longer under the liberal law.

Whether O'Daniel, who has firmly rejected all suggestions for a revenue-raising special session, can resist the pressure which the politicians feel certain will commence immediately among the pensioners—the group which gave him his greatest strength in his election—is the question being asked here. The large corporate and special interests which backed O'Daniel's sponsorship of a sales tax to pay pensions—written into the Constitution to protect them against increases—are bitterly opposed to a special session, because a constitutional amendment cannot be acted upon except at a regular session. So far, O'Daniel has heeded their pleas for no special session. But Austin observers, having seen the Governor change his mind often and quickly in the past, feel that such a change will come as soon as he sees a definite threat to his re-election in the dissatisfaction of the pension seekers. The best informed observers here believe a special session must come before the campaign opens up next spring.

Thompson Campaigning

Meanwhile, Ernest Thompson, railroad commissioner and runner-up in the Governor's race last year, is making hay of his proposal for a 5-cent tax on oil to raise pension money. Thompson this weekend spoke to county officials of Texas, meeting in Temple, and urged his "nickel for Grandma" program, asking the county officials to help him get the folks behind it. Jerry Sadler, railroad commissioner, also issued one of his hasty statements, declaring unless O'Daniel abandoned his sales tax idea, and adopted "something like an omnibus tax program" to raise pension revenue, Sadler himself would enter the race for governor. In Austin, however, Sadler's statement was not taken very seriously, as the fiery East Texan has been known to talk hastily before, and change his mind next day.

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 1. The Golden Text is: "There is that maketh himself rich, yet hath nothing; there is that maketh himself poor, yet hath great riches" (Proverbs 13:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty;... Both riches and honour come of thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all" (I Chronicles 29:11, 12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Material sense has its realm apart from Science in the unreal. . . . What is termed material sense can report only a mortal temporary sense of things, whereas spiritual sense can bear witness only to Truth" (pages 480, 298).

NOBODY'S BUSINESS
BY JULIAN CAPRIS JR.

Austin.—The real test of the popularity of W. Lee O'Daniel with the voters of Texas, about which there has been much speculation and conjecture, probably will be cleared up during the next few months, political observers here believe, as they prepared to watch for the first reaction to a wholesale slash in pension payments. The State Welfare Board, in an all-day session during which its members futilely sought some way to avoid the pension cut, announced that a \$6 horizontal slash will be made in October payments. This means that at least 1500 pensioners who have been receiving less than \$6 monthly, will be cut entirely from the rolls; those receiving \$15 will be cut to \$8, etc. It may also remove additional hundreds, if the Board carries out a policy it has heretofore followed, of issuing no check for less than \$5. In other words, if a pensioner has been getting \$9 for instance, the cut will reduce him to \$3, and the board has been granting at least \$5, or nothing. So if this plan is continued, it may remove many hundreds of additional beneficiaries.

Pensions in A Mess

The pension set-up is in a fairly terrible state all around. The Board, under an act of the last

AUGUST SALES INCREASE

Austin, Sept. 24.—School days for Texas' 1,400,000 students—calling for new shoes, shirts, frocks and hats—boosted August sales of Texas department and apparel stores 22.9 per cent above July. University of Texas economists announced today. One hundred stores and shops reported to the University Bureau of Business Research that their August business more than doubled the usual 10 per cent seasonal increase from July to August. Sales last month were almost 1 per cent ahead of those in August last year, and 1939 total sales for January to August were .9 per cent above those of the corresponding first eight months of 1938.

Our Weekly Sermon

By Rev. Kenneth S. Wuest, Member of Faculty, Moody Bible Institute, Chicago.

Whose Bondslave Are You?

Text—But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered to you. Being then made free from sin, ye became the servants of righteousness.—Romans 6:17, 18.

The English word "servants" is translated from a Greek word which literally means "bond-slaves." The Greek word in turn comes from a word meaning "to bind." Thus a person bound to another is that other person's bondslave.

There are two Greek words which refer to a slave. One speaks of a person captured in war. The other refers to a person born into slavery. The second is used here. Every one born into this world is born into slavery to sin. Our text tells us that. We serve our master, Satan. We are his bondslaves. Thus we enter upon our bondslavery to sin through our first birth.

If we are to serve God, we must become His bondslaves. But we cannot be His bondslaves unless we have a nature that loves Him and His holiness, and that loves to serve Him. And to get a nature like that we must be born again; and not only again, but we must be born from above, born of God. Jesus said, "Ye must be born again." (John 3:7). But to be born again, we must receive Jesus Christ as our personal Saviour, for John tells us, that "to as many as received him, to them gave he the right to become born ones of God, even to as many as believe on his name."

Again, the Greek word "bond-slave" refers to a slave who is bound to his master in a relationship which only death can break. Before salvation, the sinner is bound to Satan, and he cannot loose himself from those bonds. But when he puts his faith in

NOTICE TO OWNERS OF MOTOR VEHICLES:

Beginning the FIRST OF OCTOBER, we have a NEW LAW GOING INTO EFFECT in reference to motor vehicle titles. The law requires that before an owner of a motor vehicle can trade his vehicle he must have a **CERTIFICATE of TITLE**

This is obtained by making application to the tax collector, which requires a fee of 25 cents. The application is filled out before a Notary Public, returned to the tax collector and then mailed to the Department of Public Safety in Austin, Texas. When this department is satisfied as to ownership, the owner will receive the Certificate of Title through the mail.

When making application for a Certificate of Title, the owner must have Bill of Sale, Registration Papers and Transfer Papers, and make note of any lien or mortgages on said vehicle.

This law does not effect the present set-up in reference to transfers, registrations or bill of sale.

This office will be glad to explain this new law to the best of its ability, but to register an automobile, it is absolutely essential that you have all papers on motor vehicles.

AFTER THE NEW LAW GOES INTO EFFECT, IT WILL BE UNLAWFUL TO OFFER FOR SALE OR TRADE A MOTOR VEHICLE WITHOUT A CERTIFICATE OF TITLE, AND SOONER OR LATER IT WILL EFFECT EVERY CAR OWNER IN FOARD COUNTY.

CLASS MEETINGS

Monday morning Superintendent Graves asked that all classes attend for the coming year there has been some changes in the socials that attend to other business. Each class appointed a committee to arrange for the coming year. He suggested that each class desiring to have their announcements post their colors on the bulletin board. The Junior colors are red and white, the Sophomore colors are blue and white, the Senior colors are green and white, given them by the upper grades.

HOME-MAKING DINNER

(By Fay Griffin)

Monday night, September 18, the girls of the Home Making Club served dinner to the executive committee of the (9A) hall district.

The girls prepared the menu: Tomato cocktail, roast chicken, gravies, congealed salad, wax beans, new peas, pickles, rolls, ice cream, and coffee.

The executive committee was composed of Mr. J. F. Kemp and Mrs. Orr of Seymour, Mr. C. J. Thomas of Burk Burnett, Mr. R. Sandlin of Archer City, Mr. E. Hancock and Coach Pruitt of Chillicothe, Mr. H. W. Rice of Coach Morris of Throckmors and Mr. I. T. Graves of Mill.

PEP SQUAD ORGANIZED

The pep squad has been having meetings from 12:30 to 1 during the past week and will continue to do so throughout the school year.

Forty-one formed the pep squad Friday night. More girls are expected to be in the pep squad after the uniforms arrive. They will be expected to be in the pep squad after the uniforms arrive. They will be expected to be in the pep squad after the uniforms arrive.

Miss Patterson and Mr. Foster were elected sponsors. The school expects to have one of the best formed pep squads in years.

THE NEW TEACHERS

We have in our faculty this year, two new members, Miss Jackson and Mr. Rucker. Miss Jackson has taken Miss Patton's place in the English Department. By the remarks freshmen and sophomore pupils make, she must be an excellent teacher and a likable person. Welcome to C. H. S., Miss Jackson and we hope you will like it here.

Mr. Rucker is the new Plane Geometry teacher and who could not learn for him! This is a new course and the music does go round and round. The little songsters seem to have learned a great deal even in three weeks. Greetings to you dear teacher. We are glad you have come and we know that your music will add pep and happiness to Crowell High.

FRESHMAN PICNIC

The freshmen had their first picnic Thursday afternoon at the Spring Lake Country Club. They were chaperoned by their sponsor, Miss Mildred Cogdell, and their class mothers, Mrs. W. B. Tysinger, Mrs. H. K. Edwards, and Mrs. E. A. Evans. They were accompanied by Mrs. Earl Davis, Mrs. Will Erwin and Mrs. Dwight Campbell. Many games were played such as "Whip to the Right," "Man, Robber and Gun," and "Flying Dutchman." A picnic lunch was served to about forty-five members.

A SCHOOL NURSE

A great need for a "nurse maid" was felt by the entire student body and as usual the Home Making Department came to the rescue. Class Three elected a school nurse, Frances Johnson, and an assistant, Verne Joy. The nurse and her assistant will be in their office, the Home Making dining room the fourth, fifth, sixth and seventh periods. In the office there will be a medicine cabinet and a cot. If medical attention is required by anyone at periods other than the above the nurse or the assistant may be called out of class. The Home Making library has been moved

into the nurses' office also and books are to be checked out from the nurse.

SENIOR RINGS

The Seniors are very happy and sad. Happy because their precious rings have arrived and they are in the depot. Sad because everyone will not bring their money soon enough. The rings arrived Monday and president, H. C. Brown, urges that every Senior bring his money immediately. Approximately thirty-six seniors will get their rings. Those seniors who failed to order rings this time will order their rings now and get them in November.

RE-ORGANIZATION OF F. H. T. CLUB

Thursday afternoon the former and the future members of the F. H. T. Club were all called together for the purpose of re-organization.

At the short meeting the new officers were elected and a brief report was made by the program committee. The club members are looking forward to the new year with eager anticipation.

The officers for the coming year are: Beverly Hughston, president; Jean Orr, vice president; Doris Campbell, secretary; June Billington, treasurer; Joyce White, parliamentarian; Dorothy Wingham, historian; song leader, Virginia Thomas.

NEW LIBRARY FAUCETS

Mr. Pat McDaniel and Mr. Foster have installed four new water faucets in the science laboratory, thereby making the capacity of the lab. 28 instead of the 16 of last year. The school has allotted the science department fifty dollars for new equipment. The new equipment includes: one new microscope, platinum wire for flame tests, a variety of chemicals, and a few pieces of glassware.

The cost of installing the faucets was \$2.50 plus two scratches on the arms of Mr. Foster.

CLASS OFFICERS ELECTED

As is the custom each year, every class elects its class officers. The freshmen officers are: President, Lowell Campbell; vice president, Paul Vecera; secretary-treasurer, Gordon Erwin; reporter, Ray Davis; and Miss Cogdell, sponsor. The class mothers are: Mrs. Edwards, Mrs. Tysinger and Mrs. Evans.

Sophomore officers are: President, Truman Taylor; vice president, Jean Orr; secretary-treasurer, Richard Carroll; reporter, Berl Cavin. Mr. Meyers is sponsor

State Fair All Set For Gala Opening

Dallas.—All's set and the 51st State Fair of Texas will open its gate the morning of October 7 with the most complete exhibition of the Southwest that has ever been presented. Harry L. Seay, president, announced this week. When entries closed last Saturday night it was assured that in the livestock and farm divisions every section would be crowded to capacity with many turned away.

The National Hereford Show has attracted more than 600 nationwide entries, this marking its first showing south of Kansas City. All other cattle divisions also are crowded. A total of 1,500 hogs are entered and more than 700 sheep. The poultry show is filled to overflowing.

Sixty-four counties have exhibited in agriculture. They represent every section of the State. In addition there are numerous competitive exhibits by individual farmers. For the first time in history there will be a chemurgy show, and a water culture show, depicting the possibilities of growing things without soil.

Numerous free acts are on the menu. In the auditorium will be Follies Bergere, with an international cast. The show comes in from San Francisco World's Fair. Indorsed by clergymen of all creeds, the Holy Land will be presented, depicting intimate things of the life and times of Christ.

Opening Day is Texas Press Day, when Southwestern Newspapers will be guests. In the evening a Queen of Queens will be chosen in an elaborate pageant from among more than a half hundred entrants. This free attraction in the massive Cotton Bowl.

On a day in 1933 a dynamite explosion set off on the Arctic island of Niva Sembia was detected at Berlin, more than 2,000 miles

away. The dynamite was the work of a sorcerer and class mothers are, Mrs. Meyers, Mrs. J. T. Billington, Mrs. O. W. Orr and Mrs. P. Shirley.

Junior officers are Billy Klepper, president; Joe Beverly, vice president; Doris Campbell, secretary-treasurer; A. Y. Olds, reporter. Mr. Rucker is sponsor and the class mothers are, Mrs. Stanley Sanders, Mrs. Sam Mills, Mrs. T. F. Hughston and Mrs. Dwight Campbell.

Senior officers are president, H. C. Brown; vice president, Oran Johnson; secretary-treasurer, Que Meason. Mr. Foster is sponsor, and class mothers are Mrs. H. C. Brown and Mrs. W. B. Johnson.

Cold Prevention Would Save Loss of Time for Students

Austin.—Loss of hundreds of school days during the approaching school year could doubtless be saved with some advance home teaching in connection with prevention of colds and other respiratory infections, according to the Texas State Department of Health.

A considerable reduction would result in school time lost if parents would instruct children regarding proper use of the handkerchief. School children should be taught to cover the mouth and nose when coughing and sneezing. Both channels must be covered to prevent spread of infectious material.

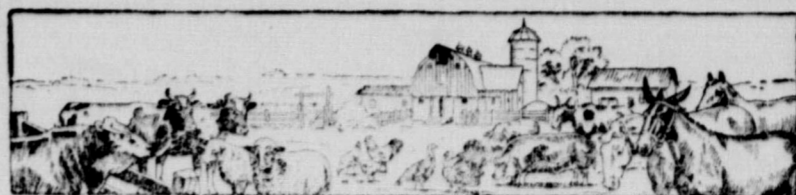

The common cold virus is conveyed in secretions of the mouth and nose of infected persons. Colds are the most common of the infectious diseases, outnumbering any of the other communicable diseases about twenty-five times, according to some estimates. Other diseases spread by respiratory discharges are influenza, scarlet fever, diphtheria, measles, whooping cough, smallpox, and meningitis.

The State Department of Health advises that school children go to bed at the first sign of a cold and stay there until at least twenty-four hours after the temperature is normal if there has been fever. At school, children who have recently had a cold should avoid conversing with others at close range, and should take care to use a handkerchief whenever they cough or sneeze.

Because of the complications of the common cold, it is a disease of major importance; among possible complications are sinus infection, middle ear and mastoid infection, throat infection, bronchitis, and pneumonia.

Breeder-Feeders of the nation will be honor guests at a banquet under the auspices of the State Fair of October 10. It will be in recognition of the rapid progress of the industry in Texas and in honor of the bringing to the State Fair of the American Hereford Show, its first time south of Kansas City. The Fair is assured the greatest assemblage of livestock in its history.

Climax of the opening day of the State Fair of Texas, October 7, will be the coronation of a Queen of Queens chosen in an elaborate pageant from among fifty regional Texas beauties. It will be free attraction in Cotton Bowl.

Th' Farm Is Still the Best Poultry Yard

By T. C. RICHARDSON, Associate Editor Farm and Ranch, Breeder-Feeder Association

We have seen numerous spectacular inventions and high pressure methods in every sort of farm activity, among the latest of which is the battery system of poultry production, by which a thousand pullets could be raised and kept as laying hens in a city back yard. One of our turkey-raising friends, who had made a reputation as a breeder on his farm, went into the battery system of turkey raising some years ago, and proudly invited the writer out to see his sky-scraper coops.

Every ounce of feed was scientifically mixed and carried to the pullets, the droppings and litter cleaned up and carried away. Being somewhat old-fashioned in our allegiance to nature's own ways, we couldn't help wondering if cod liver oil in the feed would be as good as sunshine, and whether the investment in coops and labor wouldn't have been better spread over more acres, where a turkey could live a turkey's life.

We never did learn why our friend soon afterward disappeared from the turkey world. Perhaps we now have the answer. The Texas Experiment Station went to a great deal of trouble and expense to compare results in raising turkeys by the battery system and by the out-door, or what we like to think of as the "natural" system. They found that more of the pullets could be kept alive by the battery system, but that the weaklings, thus artificially protected in early life, were never profitable in the long run.

To turn it around another way, young turkeys raised out of doors showed greater loss by death during the first few weeks than those in the batteries. But they died before they had cost much, and those which survived by superior vitality and resistance, were the sort that made the most of their future life.

In recent years Southwestern turkey raisers have been met in the northern markets by competition from huge "turkey-factories" on the west coast. They have hurt our markets, not by cheaper production costs, but by a better finish on the birds they send to market. Farmers who use nature's own methods and take prop-

er sanitary precautions, supplement farm feeds with the necessary elements to balance the ration, and "pour the grain to the birds"—the market turkeys for the last seven or eight weeks before marketing time need have no fear of the competition from the "turkey factory" which has had so much publicity lately.

There was a fellow at Los Angeles years ago who developed a back yard, battery system for hens. It was a typical promoter's set-up. The Los Angeles Chamber of Commerce gave him a spot on its weekly program as an aid to selling suburban half-acre homesites twenty to forty miles out. A Texas group paid this promoter to come here and explain his system, and sold some suburban home sites with the idea that the hens would make the payments. The promoters made plenty of money but the enthusiastic would-be egg producers seldom did. In the meantime the good old farm hen kept on supplying the market, year in and year out.

Now the specialized poultry farm is an admirable institution, in the hands of the right man, and under certain conditions. We have no fault to find with it. Even the highly artificial "battery system" may have its place.

The one point which should be remembered is that out doors, on the farm, is the natural habitat of all sorts of poultry, and with ordinary care and good judgment, the farm flock will continue to be the mainstay and the most profitable form of poultry production, for either meat or eggs.

This does not mean "letting nature take its course." It only means working in co-operation with natural forces and conditions. Neither poultry raising nor any other farm enterprise will be profitable without intelligent application of known principles of sanitation, feeding, preparation for market, and selling. But the farmer and his family can beat the "factory" system if they want to.

Adelphian Club Hostess to County Federation Meeting

The Adelphian Club was hostess to the Foard County Federation of Women's Clubs when it met in its last meeting of the 1939-40 year last Thursday at the Adelphian club house. Mrs. Grady Hubert as leader, presided over the day's program.

At the business session, Miss Bonnie Schroeder of Riverside was elected as president, on account of the resignation of Mrs. E. A. Dunagan. Mrs. A. Y. Beverly is the incoming secretary and treasurer. The new president also was elected as delegate to the State Convention of Women's Clubs which will meet in Wichita Falls in November.

At the morning program, Mrs. Merl Kincaid told of the New York Fair; Mrs. Leon Solomon of Yellowstone Park; Mrs. H. Schindler of "The Big Bend," and Mrs. R. L. Kincaid of the New England States.

Following a covered dish lunch at the noon hour, during which time the president's address was heard over the radio, the program was resumed.

John Thomas Raso and Billy Fred Short gave two duets, accompanied by Mrs. A. L. Rucker. John Thomas sang and Billy Fred played the trombone. Miss Joellene Vannoy told of the work of

Dorothy Wunningham Hostess for Party Thursday Evening

Miss Dorothy Wunningham was hostess at her home on Thursday evening, Sept. 14, at a delightful party.

Games of 600 were played. The game was played in a novel way, each hand being played differently. Miss Thelma Moore and Glendon Russell were high scorers in the games.

Guests for the evening were Misses Wanda Liles, Joyce White, Wilma J. Lovelady, Beverly Hughton, Virginia Thomas, Frances Johnson, Betty Lou Stinebaugh, Mary Frances Bruce, Margaret Long, Theda Wright and Thelma Moore and John Lee Orr, H. C. Brown, Gordon Thomson, Jack Fitzgerald, Jimmy Williams, Charlie Clark, Glendon Russell, Robert L. Saunders and Clyde Eddy.

The hostess served a lovely refreshment plate.

the 4-H Girls. The Girl Scout Encampment at Palo Duro Canyon was reviewed by June Billington and Evelyn Jean Seales, and Billy Klepper and John Clark Long told of the Boy Scout Encampment at Camp Boulder.

Mrs. N. J. Roberts gave "A Summary of War Conditions." Mrs. Ino. Ray, in the name of the Federation, presented Mrs. Abb Dunn, outgoing president, with a pottery vase as a token of appreciation of her work.

The next meeting will be at Foard City on November 21.

Crowell Girl and Vernon Man Marry

Miss Mildred Donaldson of Crowell and Grady Sullivan of Vernon were married in Altus, Okla., last Sunday, Sept. 24. They were accompanied by Oscar Johnson and Miss Juanita Brown of Benjamin.

Mrs. Sullivan is the daughter of Mr. and Mrs. R. L. Donaldson of this city. She was reared in Crowell and graduated from Crowell High School in 1930.

Mr. Sullivan is the son of Mr. and Mrs. George Sullivan of McKinney, and is employed with the Wilson Coca-Cola Bottling Company of Vernon.

The couple will make their home in Vernon.

ADELPHIAN CLUB

The Adelphian Club met Wednesday, Sept. 20, at the home of Mrs. S. S. Bell for a study of Turkey.

The program for the afternoon was taken from the National Geographic Magazine. Mrs. Henry Borchardt told of the transformation of Turkey. She said that anyone visiting there would find a modern world and yet just enough of the old world to make it interesting. Mrs. Stovall told of the old pattern and the new in Turkey. She told of many interesting customs of these people. Mrs. Andrews conducted, in a very clever way, a parliamentary drill.

The president stated that Mrs. A. Y. Beverly had been appointed caretaker of the club house and that anyone wanting the key could get it from her.

Refreshments were served to 33 club members and one guest, Mrs. Chas. B. Pangburn.

The club welcomed Mesdames Vance Fayer and L. E. Archer and Miss Helen Harwell into the club as new members.

4-H CLUB ORGANIZED

Twelve Crowell school girls met at the school house with Miss Joellene Vannoy and organized a 4-H Club to be known as 4-H II

Crowell Boy and Truscott Girl Wed

J. D. Carroll of Crowell and Miss Ruby Myers of Truscott were married in the Truscott Methodist parsonage last Saturday afternoon at 2:30 o'clock with Rev. Geo. E. Tyson, pastor, reading the ceremony. They were accompanied by the bride's sister, Miss Irene Myers of Truscott.

The groom is the son of Mr. and Mrs. G. Y. Carroll of Crowell. He was reared in Foard County and attended the Crowell schools. Mr. Carroll is now employed with the Ashford Service Station.

Mrs. Carroll is the daughter of G. W. Myers of Truscott and was born and reared in that city, attending the Truscott schools.

COLUMBIAN CLUB

Mrs. M. N. Kenner was hostess to Columbian Club members on last Wednesday afternoon at her home. The lesson subject was "The American Home," and response to roll call was made by naming an attribute of an American home.

Mrs. Hines Clark gave a review of Federation News.

Health in the Home was interestingly discussed by Miss Joellene Vannoy, who was leader. Mrs. N. J. Roberts talked on Safety in the Home, Mrs. R. E. Baines on Co-operation in the Home, and Beauty in the Home was given by Mrs. A. E. McLaughlin.

The hostess served a lovely refreshment plate to those present.

B. & P. W. CLUB

"What is Democracy?" was the subject for the dinner meeting of the B. & P. W. Club, Thursday, Sept. 21, at O'Connell's Lunch Room.

"Club Collect" was given by Mrs. Jewell Wallace and the answer to roll call was "My Vacation."

"Democracy Defined" was given by Mrs. N. J. Roberts, guest speaker for the evening.

"The American Way" was then given by Mrs. Lillie Welch, who also led the club in pledging allegiance to the flag and in singing patriotic songs.

Toy trucks loaded with cotton and picnicians with their filled cotton sacks made a very clever table arrangement.

4-H CLUB III ORGANIZED

Four-H Club No. 3 was organized and officers elected at a meeting of the pupils of the fifth and sixth grades of the Crowell school with the Foard County home demonstration agent, Miss Joellene Vannoy, Monday afternoon.

Officers elected were: Ada Jane Magee, president; Geniele Nelson, vice president; Billie Morrison, secretary; Ruth Catherine Cates, reporter; Margaret Klepper, assistant reporter; Patsy Ketchersid, song leader; Ruth Ribble, assistant song leader.

The club will meet every Monday afternoon. Members report that they enjoyed the first meeting and were well pleased with Miss Vannoy as leader.

Twenty members were present Monday and a drive is being made to have more present at the next meeting.

Club.

The following officers were elected: Edwina Ross, president; Naomi Teal, vice president; Betty Johnson, secretary-treasurer; Annie Fayer, reporter; Dorothy Powers, assistant reporter; Billy Jean Hudzons and Pauline Davis, song leaders; Mrs. W. V. Fayer, sponsor.

Miss Vannoy gave a talk on first aid, which included "What should be done in case of rattlesnake bite."

Club.

The following officers were elected: Edwina Ross, president; Naomi Teal, vice president; Betty Johnson, secretary-treasurer; Annie Fayer, reporter; Dorothy Powers, assistant reporter; Billy Jean Hudzons and Pauline Davis, song leaders; Mrs. W. V. Fayer, sponsor.

CHILDREN NOTICE

PLEASE DO NOT PLAY in the COTTON YARD

PARENTS:—

Please give your Co-operation by instructing your child NOT to play in yard.

FRANK MOORE

Public Weigher

100% American

Bob Burns, in the greatest of all his roles as a lawyer-philosopher, has his hands full fixing the business troubles of his neighbors. Yet, somehow, he manages to find time to solve the romantic problems of his daughter, played by lovely Susan Hayward, in the colorful new Paramount drama "Our Leading Citizen," which appears on the screen at the Rialto Theatre Saturday night preview, Sunday and Monday.

Weigher Asks Boys Not to Play In Cotton Yard Here

The boys of Crowell are asked not to play in the cotton yard here by Frank Moore, public weigher, who desires that parents give their co-operation by instructing their children to that effect.

Mr. Moore stated that the boys, in running over the tops of the bales, tear off bale tags, turn over bales of cotton and do other damage which cause much inconvenience to those in charge of the yard.

One of the main objections for this practice is the fire hazard. Someone might, quite unintentionally, start a cotton fire which could prove very costly.

In the future, Mr. Moore asks that the children play some place other than the yard, as it is troublesome and dangerous, because of a possible fire and possible injury to a child who might fall from the top of a bale.

Crowell F. F. A. Boys Buy 17 Calves To Be Used in Project Work

Seventeen calves have been purchased recently for baby beef production by twelve boys of the Crowell Chapter of Future Farmers of America, according to information released this week by Marvin L. Myers, chapter adviser.

The group of calves purchased included the Hereford, Shorthorn and Aberdeen-Angus breeds.

Following are the boys and the breed of calf or calves which they purchased, and the calves have been started on dry-lot feeding: J. S. Owens, one Shorthorn, one Aberdeen-Angus and one Hereford; Glendon Russell, one Hereford; Harvey Crosnoe, one Hereford and one Shorthorn; Truman Taylor, three Herefords; J. T. Hughton, one Hereford; Garvin Chandler, one Hereford; J. M. Hill, one Aberdeen - Angus; Dwaine Capps, one Shorthorn; Eugene Everson, one Shorthorn; Que Meason, one Hereford; Bill Ownbey, one Shorthorn; Daurice Ray Naron, one Hereford.

Two of the calves were purchased from Egbert Fish, three from R. L. Taylor, and one each from the following: Dr. Hines Clark, R. H. Cooper, Dr. J. M. Hill, W. S. J. Russell, Harley Capps, Ike Everson, Mrs. Frank Esley, Lester Ownbey and Dr. R. L. Kincaid.

The boys feel that their baby beef projects will be more successful this year due to the fact that they have started better calves which will fatten better.

With the help of their adviser, Mr. Myers, the boys have figured balanced rations, consisting largely of feeds from their own farms so as to save as much as possible. The boys will keep records concerning cost of feeding and weight of calves.

One ration being fed consists of 2½ parts of barley, 2½ parts of wheat, 3 parts of oats, one part of wheat bran, one-eighth part of cotton seed meal, and three parts of cane.

Several other rations were planned but lack of space prevents them being printed in this issue of The News.

The calves averaged about 500 pounds each, ranging from 430 pounds to 670 pounds.

Translated from the Spanish, here is what the names of some New Mexico post offices mean: Louise, Egg, Fly Trap, Eih Head, Rib, Onion, Chicken and Mouse.

Cemetery Funds Are Exhausted, President Reports

Money for the upkeep of the Crowell Cemetery has been depleted to such an extent that it is necessary to do without the services of the sexton for a time, according to a report given to The News this week by Mrs. N. J. Roberts, president of the Crowell Cemetery Association. Mrs. Roberts' report follows:

"Due to a much depleted treasury, we have temporarily discharged the sexton for a time. He has worked continuously since the first of March and has rendered good service.

"He has just recently gone over the entire ground and at the time being will not be employed unless heavy rains come.

"In early September, we had a complete survey made of the cemetery block and there need no longer be any confusion as to property lines when laying curbs or erecting markers.

"Along with water, good road and graveled streets, this is another permanent improvement for which we are justly proud.

"Another objective should be better living quarters for the sexton, and it is hoped that we may not only be able to keep him full time, but provide a suitable home, as well."

Since Sept. 1, the following gifts have been received, according to the report of the president:

J. M. Glover \$2.00
Mrs. N. A. Crowell 1.00
Mrs. E. S. Darby 2.00
W. W. Kinsey 5.00

Cook books are on sale at Ferguson Bros. drug store and the money is used for the up-keep of the cemetery.

Dallas, and Miss Mary Ragland Thompson, Mrs. Ernest King, Miss Anne Lee Long and Mrs. T. B. Klepper, were present for this meeting.

T. B. Klepper was in charge of the program which consisted of three old love songs rendered by a quartet of ladies from the Crowell Harmony Club. The quartet included Mrs. Ernest King, Mrs. Mary Ragland Thompson, Mrs. T. B. Klepper and Mrs. J. B. Beverly, with Miss Anne Lee Long as accompanist at the piano.

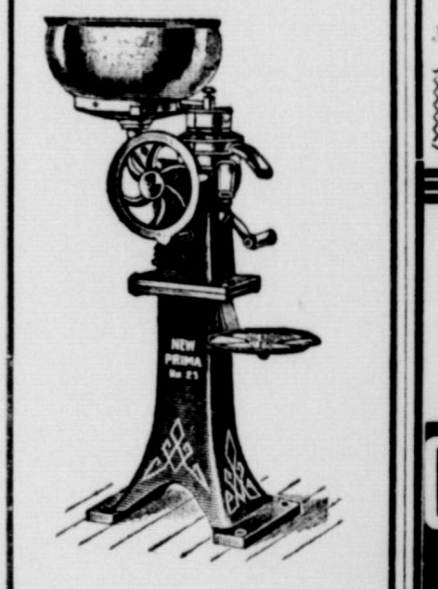

Mr. Todd is managing the station formerly operated by Mr. Dunagan and has made no announcement as to the future.

Jim Ashford, who has been a partner in the Ashford Service Station during the past few months, has again joined the Crowell Service Station force.

Several Changes Made In Service Stations Here During Week

Several changes in service station businesses were made in Crowell last Monday.

E. A. Dunagan, who has operated the service station owned by Jeff Todd for the past three years, resumed management of the Phillips 66 Station, one block east of the square on State Highway 28.

A. E. Barker, who had been manager of the Phillips Station during the past year, became a partner in the Phillips Station operated by his brother, Jiggs Barker, and located two blocks north of the square on State Highway 16.

Mr. Todd is managing the station formerly operated by Mr. Dunagan and has made no announcement as to the future.

Jim Ashford, who has been a partner in the Ashford Service Station during the past few months, has again joined the Crowell Service Station force.

Annual Roundup for Scouters Set at Electra October 2

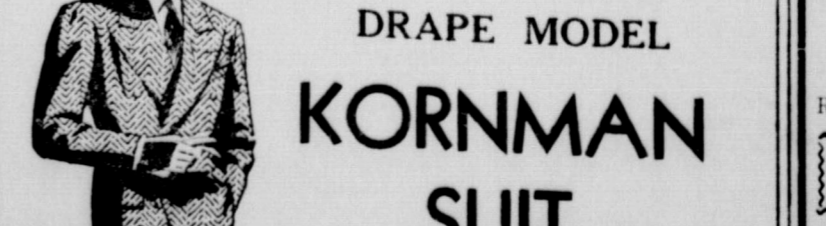

A program of interest to every person connected with Scouting in the Northwest Texas Council will be given at the Second Annual Roundup in Electra Monday, October 2, at Fair Park, according to information received by John E. Long, Foard County Boy Scout Commissioner. Mr. Long is expecting to secure at least fifteen Scouters to attend this meeting.

All executive board members will meet at 4:30 p. m. The chuck wagon feed will take place at 6:30 p. m. and at this time every Scouter in the Area is to be in the corrals at the Electra Fair Park for the big roundup. A real feed is promised by Electra Ranch No. 2.

A large number of visitors were present at the Wednesday meeting of the Crowell Rotary Club. Rotarians Ross Magee, Edward Magee, J. W. Simmons, Walter Teeter and Buddy Rogers of the Quanah Club, Byron Williams of
