## Foard County's Quota Is \$240 Red Cross Drive for Ten Million Relieve Suffering in War Zone

The drive to raise \$10,000,000 to inaugurate a wide-spread campaign, the American Red Cross has set a quota of \$240 for Foard County, according to a telegram received Friday from George Self, chairman of the County Red Cross Chapter.

With the invasion of Holland, Belgium and Luxembourg, and war raged in a phase which will be a long and appalling suffering and helplessness, the American Red Cross has set a quota of \$240 for Foard County, according to a telegram received Friday from George Self, chairman of the County Red Cross Chapter.

The year's financial report will be given. The water problem will be discussed and numerous other matters are to be brought before the meeting.

## Officers for Farmers and Business Men's Association to Be Elected At Banquet Next Thursday Night

New officers will be elected for the Farmers and Business Men's Association next Thursday night, May 23, at 7:45 o'clock at a banquet to be held at the Faith Cafe, according to plans laid at a meeting of the directors Wednesday afternoon.

For the first time in the history of the organization, each member of the association, which includes all farmers and business men of the county, present will take a part in the election of the president, as each person will cast a written ballot for the person of his choice. In the past, the officers were selected by a nominating committee and passed upon by the board.

Another important phase of the program next Thursday night will be the initial discussions for Foard County's Golden Jubilee Celebration to be held in Crowell next April.

This will be the most important meeting of the association to be held in several years and every person who is interested in this organization is urged to be present.

Business men, farmers or individuals who want to attend this meeting may obtain tickets from John Rasor, C. R. Seale, Henry Black, Dwight Moody or George Self, as these men compose the ticket committee.

## W. H. Odum, 58, Died Suddenly Here Last Week

Last Rites Are Held In Baptist Church Saturday Afternoon

Funeral services for William Houston (Bill) Odum, 58, who died suddenly at his home in Crowell last Friday morning after suffering a heart attack, were held in the First Baptist Church of Crowell Saturday afternoon at 4:30 o'clock with the pastor, Rev. W. B. Fitzgerald, officiating.

Interment was made in the Crowell cemetery with the Womack Funeral Home in charge of arrangements.

Active pall bearers were Doyle Callaway, A. R. Mills, Earl M. Davis, Milton Hunter, Roy Barker and Walter Thomson.

Flower girls were Mrs. Paul Wallace, Mrs. Earl M. Davis, Mrs. Milton Hunter, Mrs. Crews Cooper, Misses Mayme Lee Collins and Lottie Russell.

Members of the T. E. L. Class, of which Mrs. Odum is a member, were honorary flower bearers.

Mr. Odum was born in Collin County on July 9, 1881. He lived there for a short time before moving to Fannin County with his parents. At the age of 17, he moved back to Collin County.

He was married to Miss Mary Ellen Hutcheson near Westminster on Oct. 11, 1905. Two children were born to this union. One child died in infancy.

## New Foard City Community Church Will Be Dedicated Sunday with Corner Stone Laid in Afternoon

Ceremonies for the dedication of the Foard City Community Church will be held Sunday morning at 11 o'clock conducted by Rev. W. B. Fitzgerald, pastor of the Crowell Baptist Church.

The occasion will be an all-day meeting with a basket dinner served at the noon hour. The corner stone will be laid at 2:30 in the afternoon with Rev. W. B. Hicks, pastor of the Crowell Methodist Church, in charge of the services.

The committee in charge of the program Sunday is composed of Mrs. Blake McDaniel, Mrs. Clarence Barker and Mrs. Grady Halbert.

The new church, which is 30 feet by 44 feet, was completed April 25. The native stone for the rock veneer work on the outside of the building came from the Foard City community and was donated by Mart Ebeling of Dallas, owner of the Big 4 Ranch in Foard and Knox Counties.

The building was finished on the inside with fir board and Celotex with oak flooring laid on a sub-floor. The decoration above the door in the front entrance is made of granite and marble stones which were given by Mr. and Mrs. E. R. Roland.

Work on razing the old structure was started on Feb. 6, 1940. All labor done in the construction of the new building was donated with the exception of that done by the carpenter, Tom Callaway, and the rock mason, Marvin Butts, of Quanah. The City of Crowell donated the use of a concrete mixer. Gafford & Higginbotham hauled the cement from Fort Worth and the corner stone was furnished by the G. W.

Backus Marble Works of Vernon. All other material used was bought from Crowell merchants on which a reasonable discount was allowed.

The building committee was composed of Grady Halbert, chairman; T. M. Whitby, secretary and treasurer, and A. W. Barker. The finance committee included Marcus Mill, J. M. Barker, W. L. Johnson, V. A. Johnson, Clarence Barker, T. M. Whitby, Carvel Thompson and Charles Merriman.

Every person in the Foard City community had some part in the erection of this place of worship. The children, with Naomi Teal, Evelyn Barker and Helen Ruth Marts as leaders, solicited individuals in the community to place rocks in the front of the building to represent the different families at the small cost of 25c each. Broken beading encloses these rocks.

The women organized a Willing Workers' Club and through this organization contributed their part of the work and considerable cash for the building.

All of the men donated labor and use of trucks in hauling of rock and other materials.

Actual cost of the building in cash was \$1,000 and its present value is set at \$3,000.

Although the deeds to the property are held by the Methodist and Baptist denominations of the community, it is truly a community church and is to be used by any group desiring to hold religious services. Trustees for the Methodist Church are W. R. Ferguson and T. F. Welch; trustees for the Baptist Church

## Two Weeks' Revival Meeting Will Be Started at Crowell Methodist Church Sunday Morning, May 19

The revival meeting for the First Methodist Church of Crowell will start with the 11 o'clock services Sunday morning and will continue until Sunday, June 2, according to an announcement made by the pastor, Rev. W. B. Hicks.

Rev. Hicks will do the preaching for the revival and will be assisted by Rev. Ray Lee, pastor of the Methodist Church at Rule, who will conduct the song services and will also work as a leader for the young people.

The original plan for the revival was to have Rev. D. B. Doak of Elk City, Okla., to do the preaching, but unforeseen conditions prevented Rev. Doak from coming at this time. Following a conference of the stewards and pastor, it was decided to have the revival as scheduled with Rev. Hicks taking the place of the evangelist.

Rev. Ray Lee, the song leader, was an evangelistic singer before he became a pastor and his work as a singer and leader of the young people will add much strength to this revival effort.

Morning services after Sunday will be held at 9:30 o'clock and the evening services will begin at 8 o'clock.

## May 20 to 25, Has Been Set Aside by the Mayor of Crowell As "This Work Pays Your Community" Week

The sponsors of projects in the Professional Service division of the Works Progress Administration have set aside the week May 20th to 25th as "This Work Pays Your Community Week," to better acquaint the citizens with the manner in which their tax dollars are spent in this work, and the benefits derived therefrom.

In accordance with this program, C. T. Schlagal, Mayor of the City of Crowell, has issued the following proclamation: "WHEREAS, the Works Progress Administration Association, State headquarters, has set aside the week of May 20-25, 1940, as 'This Work Pays Your Community' week, of the Division of Professional and Service Projects of the Works Progress Administration, and do hereby officially designate and set aside said week as such within the City of Crowell and recommend to the citizens hereof that advantage to be taken of this opportunity to the utmost extent."

The largest Senior Class in the history of Crowell High School will be graduated at the commencement exercises to be held tonight (Thursday) in the High School auditorium at 8 o'clock, at which time diplomas and awards will be presented by Supt. I. T. Graves, who has awarded diplomas to thirteen of Crowell High School's graduating classes.

Honor Students Tom Alton Andrews will be the valedictorian of the 1940 Senior Class of Crowell High School and Wilma Jo Lovelady will be the salutatorian. Tom had a four-year average of 94.96 per cent to win top honors in the class. Wilma Jo has the highest term average which was 94.87 per cent.

Ted Crosnoe ranked second for the boys with a term average of 94.12 per cent, while Dorothy Winningham was second for the girls with an average of 94.40 per cent for the past term. In the four-year averages, Charlie Clark ranked second for the boys.

Mentle Edith Briscoe is the valedictorian of the grammar school graduating class and Helen Jo Callaway is the salutatorian.

Address by Lubbock Man The commencement address will be made by Dr. Doyle D. Jackson of Texas Technological College in Lubbock.

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin—The competition of an European war that threatens at long last to flame into "total war", with involvement of all Europe, and the apathy of an electorate, continued to smother the 1940 political show in Texas.

Garner forces, taking advantage of a "peace agreement" worked out in Washington by Congressmen Sam Rayburn and Lyndon Johnson, met little opposition from Roosevelt third terms in the Texas precinct and county conventions, and will control the Waco State convention.

Roosevelt advocates apparently are satisfied to permit the convention to endorse the Roosevelt-Garner administration, frown on a "stop Roosevelt" movement, and give the sage of Uvalde a complimentary favorite son vote at the national convention. Otherwise, the Garner movement seems to be hopelessly deflated. Indication are now that Roosevelt, unless he forbids it, will be drafted by the votes of the state ahead of Texas on the roll-call, so the Garner vote will be nothing more than a compliment to a distinguished Texan.

Out of the campaigning, however, likely will come the election of Myron G. Blalock, Garner leader, as Democratic national committeeman from Texas, and the state could make no better choice. Blalock, able, experienced, one of Texas' best speakers, and a man who retains the confidence both of the people at large and of the group interests, will reflect honor and prestige upon the Democracy of Texas as its representative on the national committee.

Big Legislative Turnover Gov. W. Lee O'Daniel asked the folks, in his opening address, to give him a legislature that would knuckle under to his fantastic financial plans for a \$60,000,000 sales tax program for Texas. He may or may not get it. But it is evident at this stage that there will be a lot of new faces in the next Legislature, with nearly one third of the present House membership voluntarily retiring, and 360 candidates for the 150 places, with many others expected to get in as the political show warms up, during the next three weeks. Seven women candidates already have terms expire, and there will be new faces in some of these places, it is certain, with John Redditt, of Lufkin, G. H. Nelson,

of Tahoka, and probably Clint Small of Amarillo not seeking re-election. Will Pace, the Tyler veteran and mentor of the powerful East Texas bloc in the Senate has not yet announced. Three other candidates seek his place. Two hold-over Senators, Olan Van Zandt of Tioga, and L. J. Sulak of Lagrange, seek other offices. Van Zandt to the Railroad Commission and Sulak for Congressman.

Rail Race is Joke

With 20 candidates either announced or planning to get in, the competition for the Railroad Commission place of retiring Lon Smith has become a political farce. Olin Culberson, William McDonald, former Land Commissioner, Olin Van Zandt, and possibly Ross Hardin are regarded as possibilities for the runoff, at this stage, by most observers here. The public has shown little interest up to date, despite a barrage of radio oratory in this race.

Mann Sues Motor Sales Corp.

Attorney General Gerald Mann, charging that officials of the corporation had refused to permit an assistant of his to inspect its books and records in Detroit, as provided by Texas law, has brought suit to oust the General Motors Sales Corporation from doing business in Texas. It is a sales subsidiary of the huge auto manufacturing corporation. Mann has sought, he said, to determine whether the company was violating the anti-trust laws in Texas, and Texas' law provides for forfeiture of the permit to do business in this state, upon refusal to permit inspection of its records, under such circumstances.

Morse to Vacate

Emmett Morse, veteran of seven terms in the House from Harris County, and present Speaker, will seek re-election to the House, he announced, but will not seek a second term as Speaker. That leaves Homer Leonard, of McAllen, a contender last time who withdrew to support Morse, as a likely top candidate for Speaker of the next House.

Your Horoscope

May 12,13,14—You have a very keen mind and a sharp witted intellect and you retain what you learn. You are too sensitive to what others think of you. Don't be afraid to make your own stand. You like to travel and gain much knowledge this way. May 15,16,17—Your greatest need is to take an enlarged view

about you. You are prone to only the thing which benefits yourself rather than seeking share with others. You have strong will and good executive powers and a discerning, balanced mind. May 18, 19—You enjoy entertaining and people like to be invited to your home. Your qualities wakes your home capable. You resent being crowded from your position of advantage. You may have a fiery temper and at times quite suddenly throw a fit.

WHEAT

Government Loans

This year at Crowell, Bomarton, Benjamin and Truscott, just as soon as you sign a Government note our check will be delivered to you for your loan.

To illustrate, if the loan is 63c, the same as last year, on 1,000 bushels of wheat, your note would be made for \$630, and a check delivered for the \$630, no freight added to pay interest on.

Your wheat stays at home, in our Crowell plant, and should the market advance you can sell it, and take your profits, any time, and we attend to all details.

Our Crowell plant is bonded for 150,000 bushels only. So above applies for this amount of bushels only.

Bring your wheat to a Government approved warehouse, where you have safety, service and a Terminal elevator.

**What We Think**  
 (By Frank Dixon)

The other day the Superintendent of our schools came to me to talk over a situation in the school that was causing him no little worry and concern.

The difficulty arose over the fact that three members of the graduating class of sixty had not done satisfactory work during their last year and were not entitled to graduate.

The situation was news to me, not being a school man, and never having had to face a similar problem with children of my own. "It seems to me," I said, "that there is only one thing you can do and that is to not permit them to graduate. To do so would not only make liars of the faculty and the school board, but would be an injustice to the pupil as well, who will go out of school with the feeling that his slipshod, indifferent, incompetent work got by in school and will throughout life."

"We can't do that," the superintendent said, "if we fail to pass these three their parents will be furious, and the school will be condemned bitterly. The parents will charge that the teachers have not done their part, that their children are not lazy, are not shiftless. They will charge this even though we have sent letter after letter to the home explaining that the child is not doing good work in school and asking for assistance to get the pupil to take his school seriously and get to work. They will charge this even though fifty-seven of the class have done good work and made three required grades and only three have not. We feel that the community would sympathize with the failed students and their parents and the faculty would not be supported in their effort to require in all instances passing grades."

I think that the same situation exists in many schools. The school trustee feels its inability to convince many parents that their children are wasting their time in school and are not working as they should. Too many parents refuse to believe the truth about the matter and exonerate the child by throwing all the blame upon the teachers. The child knowing this, welcomes an alibi for its laziness, or inability for application, and makes even less effort. The teachers in many cases after having exhausted all efforts to accomplish results with a pupil indifferent to learning, incapable of learning, or too lazy to learn, finally give up and accept the path of least resistance.

The above is not true of all schools, it is not true of all parents, it is not true of all students, but I know from rather wide inquiry that too much of it exists. It is unfortunate indeed since the pupil after all is the one who suffers for it. The parents' vanity is satisfied when the child graduates, but the diploma the child receives means nothing when the real values of an education are considered.

The remedy, as I see it, is that requirements should be adhered to from the first grade up. A faculty of a school can't do a slipshod job in the matter of making only deserved promotions through the grades and then the last moment clamp down and require honest work and honest grades. After all the greatest failure isn't the public failure that comes with failure to graduate with one's class. The greatest failure is for a young person to complete school thinking that shiftless, and indifferent work, laziness and sloppy preparation of lessons can get by, and one's friends and the community be deceived by it. This is easily the greatest failure as far as the individual life is concerned.

**West Texas Endorses Federation Candidate**

Plainview, May 13—Mrs. J. W. Walker of this city, candidate for the presidency of the Texas Federation of Women's Clubs, received the enthusiastic and unanimous endorsement of her district, the Seventh, at its meeting in Shamrock the first of this month.

Mrs. Walker, who has served as district president, and who is now serving with distinction as state treasurer and finance chairman, has received the unanimous endorsement of every club in her home town, and is now recognized as the Seventh district candidate. In addition to the official endorsement given her in a tremendous ovation at the district meeting, by both board members and delegates, Mrs. Walker has received the endorsement of clubs and individual club women throughout her district.

In nineteen years of loyal service to the Federation, Seventh district has never before asked for the state presidency. Now, by overwhelming endorsement, made by rising vote of the delegate body amid deafening applause, Seventh District has served notice that it feels that the time has come when the presidency should come to one of its women, and the district points with pride to the woman who has become its official candidate. Mrs. J. W. Walker, a native Texan with a background of education and culture, is an efficient club woman and leader, church-woman, home-maker, wife and mother. Club women throughout Seventh district are working for Mrs. Walker's candidacy and expect to see her elected. "A delegate from every club in Seventh District to vote for Seventh District's candidate" is now the slogan in the great West Texas district, which numbers its club women by the thousands.

Sunday will be the first meeting to be held in the new church and everybody is cordially invited to attend and bring a basket lunch and join in the festivities of the day's program.

The people of the Foard City community are happy that the building was completed without incurring a debt and they are thankful to all those in this county and elsewhere who helped in any manner.

**Railroads to Sell Travel Installment Plan; No Money Down**

Into the news this week comes an announcement that will bring cheer to the hearts of the legions of substantial Americans who want to travel but can't spare the money just now. The announcement brings assurance to millions that the slogan, "1940 is Travel America Year," really means something after all. From now on, you can literally travel and pay later.

A Travel Credit Plan, sponsored by 66 great railroads, makes possible the purchase of railway trips and tours in the same manner that you buy your car or radio—on convenient monthly payments.

The plan, which becomes effective May 20, is exceedingly simple. The prospective user merely goes to the ticket office of the cooperating railway over whose lines he wishes to travel, or to a travel agent, and makes application for credit in the amount of the cost of the proposed trip or tour. If the routine credit inquiry indicates an ability to meet monthly payments, he is notified that his ticket is ready for him. The only contact in connection with the application is with the ticket or travel agent, just as though the ticket were being purchased for cash. The application is passed upon within twenty-four hours.

Use of the Travel Credit Plan requires no collateral—only the signature of the individual. The cost of the proposed trip, however, must total \$50 or more to be eligible for purchase on credit. No down payment is required. There is a nominal service charge for the credit accommodation.

CHURCHES

Christian Science Church Sunday School at 10 a. m. Sunday services at 11 a. m. Wednesday evening services at 8 o'clock. Sunday, May 19. Subject: "Mortals and Immortals." The public is cordially invited.

First Christian Church Sunday School—10 A. M. Mr. John Rasor, Superintendent. There is a class in our school for every member of the family. Morning Worship—11 A. M. Sermon subject: "The Missionary Crisis", pastor. Evening Worship—8 P. M. Sermon subject: "The Brotherhood of Man.", Pastor.

It has been the privilege of men and women to blaze new trails—to lead in making new discoveries. Dreams have urged them on and they have had the courage to follow through to fulfillment. This "following through" is the thing which test the fiber of souls. Back of all fulfillment must be many long hours of preparation. The person who would make much of his life must be constantly seeking after knowledge. Limitless opportunities for learning never comes unbidden; it comes only by effort.

How can you ever hope to know "the truth which shall make you free" if you do not grasp the opportunity which you have to "study to show yourself approved unto God, a workman that needs not to be ashamed, rightly dividing the word of truth." You will find a hearty welcome at the little white Church on the corner. Come, worship with us. Harrell Rea, Pastor.

East Side Church of Christ Each Lord's Day Bible Classes, 10 a. m. Worship service, 10:45 a. m. Young People's Bible Class, 7:30 p. m. Each Wednesday—Mid-Week Bible Class, 8:30 p. m. Second and fourth Lord's Days —Preaching, 10:45 a. m. Evening, 8:30 p. m. "Come now, and let us reason together, saith the Lord." We are always happy to have visitors and strive to make them feel welcome. If you have never visited the Church of Christ in Crowell, come out and meet with us; you are always welcome. If you have visited with us in the past, come back and meet with us again; we are always happy to see you. It is our aim to teach what the Christ and His inspired Apostles taught. Robert McCown, Minister.

Christian Science Services "Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 19. The Golden Text is: "This corruptible must put on incorruption, and this mortal must put on immortality." (I Corinthians 15:53).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ" (Ephesians 4:13). The I.H.H. It The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "Mortals can never know the infinite, until they throw off the old man and reach the spiritual image and likeness" (page 519).

Margaret-Thalia Methodist Churches Sunday at 11, Rev. Cal Wright will preach at Margaret. We invite all who can, to come hear him. After dinner is served on the church yard, the conference for the second quarter will be held. Evening services will begin at 8 o'clock. If possible be with us Sunday. Sunday school at 10 o'clock.

Our Weekly Sermon

By Rev. M. A. Darroch, Christian Workers Bureau, The Moody Bible Institute of Chicago

The World's Greatest Transformation

"We change things" is the cry of progress in all fields. "Wings of a Century" graphically portrayed the great strides made by science and manufacture during the last century. "Progress of a Decade" presented the startling progress of the last few years. Medicine, manufacture, science and all business might well cry aloud: "We change things." Christ Jesus has changed the history of the world in all ages. Letters are dated from the time of His incarnation. The world annually recognizes His birthday at Christmas. His triumphant entry into Jerusalem on Palm Sunday. His crucifixion on Good Friday, and His resurrection on Easter as well as on every Lord's Day (Sunday) during the year. But the greatest change wrought in the history of this world is the change which the apostle Paul mentions in II Corinthians 5:17. "Therefore if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new"—the miracle of a changed life. Man says, "I can change myself," and goes about trying to reform his habits and actions. Each New Year's Day witnesses man "turning over a new leaf," only to find it early blotted and torn. He makes new resolutions only to break them. What is the trouble? He is seeking a change from the outside. Can a leopard change his spots? No matter how much one may wash and scrub a pig, when let go he will head immediately for the mud hole. What man needs, then, is not reformation but regeneration. Christ said to Nicodemus, "Ye must be born again" (John 3:7). Man cannot cleanse His own heart. "Who can say, I have made my heart clean?" (Prov. 20:9). Only Christ can "make the vilest sinner clean." If any man be in Christ (by a personal acceptance of Christ as Saviour and Lord), he is a new creature. Automobiles are recreated every year by manufacturers; styles are recreated by designers in many businesses, but only Christ within can recreate a human life. Down through the ages men and women sick with the leprosy of sin have been cleansed as they have put their lives in the hands of the Great Physician; many spiritually blind have been given sight; many "dead in trespasses and sin" have come forth unto newness of life in Christ Jesus. Can He say to you today, as He said to the sick of the palsy, "Arise, thy faith hath made thee whole?" Will you not accept Christ by simple faith today and experience the greatest of all miracles in your own heart, the miracle of a changed life in Him?

Santa Fe's Program of Improving Lines Started This Week

A program embracing the placement of new track over 134 miles of the Western Lines of the Santa Fe Railway in the States of Colorado, New Mexico, Kansas, and Oklahoma, was launched this week with employment of more than 400 additional workmen, General Manager J. A. Gillies, has announced. Heavier rail and considerable new ballasting is part of the project which creates an additional payroll approximating \$101,000 for the five-month period required, coupled with a huge expenditure for rails and other material necessary for the work. Approximately 26,000 tons of rail are required plus the plates, rain anchors, joints, and other materials.

"Know Your Texas" Contest Winners to Pass Through Here

The 2,000 mile tour of winners of the Know Your Texas Contest, sponsored by the Texas Almanac and the Dallas News, will pass through Crowell the second of three weeks in June. The tour will start from Dallas, June 10. One purpose of the trip is to give the winners a view of various physiographic regions of the state. The tour will go through the North Central Plains over the cap rock to the Great Plains, and into the Trans-Pecos section. The tour will also touch the lower part of the Edwards Plateau; the central plains, the piney woods, and the black lands. While in the Davis Mountains the children will go almost 7,000 feet above sea level when they visit the McDonald Observatory on Mount Locke. The tour will touch

THE FAMILY DOCTOR

(By John Joseph Gaines, M. D.)

The Nervous Patient Let us hope and pray that you may never encounter one! I am not assuming that you may treat a nervous invalid; but I can imagine that you may have a neighborly courtesy. Let the doctor do the treating. But, my advice to you is most important—for you may, with the best intentions possible, make the patient most miserable by your ill-timed attentions, and make a lasting enemy of the poor physician. To illustrate: I was called recently on a collapsed nervous man; in the small bed room, I found four blood-relatives in a circle around the patient! They were of all ages and occupations; and they were all conversing about all the deaths that had occurred in the family for the last six or seven years! Can you imagine the effect on the poor, distraught nervous system—the man lying on the bed? I found the patient in a most distracted state of mind true, he was among his loved ones, but they were heedlessly driving him nearer and nearer to the verge of despair. And they had been visiting—and torturing him for several hours, prior to my arrival. Your conduct with the nervous patient should be regulated by the physician in charge. You should never call to see an extremely nervous invalid, unadvised; never make a long call—and, if you cannot carry a helpful manner and smiling face, please stay out of that sick room! I never really wanted to commit murder; but, my blood sometimes arrives at the boiling point when I find my nervous patient torn assunder by well-intentioned neighbors or kin-folks. To sugar doughnuts, place sugar and doughnuts in a paper bag and shake. Motion picture companies produce annually 500 feature films and 800 "shots" at an aggregate cost of \$165,000,000. The deepest hole ever drilled in the ground on the North American continent is an oil well drilled down 15,004 feet or 2.84 miles, in the San Joaquin Valley of California.

DEDICATION

to the Seniors of '41. We dedicate this paper, to you, with sincere hopes...

may God have mercy on your soul."

MR. GRAVES

There is a man in Crowell High School who, although he is a teacher, is admired and respected by every boy and girl in school.

He has been to college and graduated from Baylor University, and Oklahoma University.

He received his B. A. degree at Baylor, his M. A. at Oklahoma University. He did graduate work at the University of Texas.

We can think of no better leader of FCHS than Mr. Graves. He is a part of it all, the part that makes it nearly perfect.

OUR FACULTY

Our faculty, we think, is the grandest in existence. Among them we find a person brimming with poise and this is Mrs. Sloan.

Miss Yeats, who teaches Spanish I and II, typing and bookkeeping, is a lovable bundle of charm. She has been with us five years.

Miss Patterman, who teaches home economics, is known as a grand person. And last but not least, we come to Mr. Foster.

THE PRESS CLUB

This article is dedicated to the Press Club as a whole, but it is mainly written to Dotie Pickett, our editor, because without her, it just wouldn't be.

Ever since the beginning of the Press Club organizations in our school, the same written toast has been given, but it's a good one, and we hope it is used again and again.

HOMEMAKING

The Homemaking classes of C. H. S. have more enrolled this year than ever before. There are ninety-four students in the three divisions.

Billington, reporter; Dorothy Winningham, historian; Joyce White, parliamentarian; Virginia Thomas, song leader.

JUNIOR-SENIOR BANQUET

The Junior-Senior banquet this year was an overwhelming success. It was held in the basement of the Methodist Church on April 18th.

VOLLEY BALL

The volley ball team for this year came from the fourth period physical education class.

BASKETBALL

The Crowell High School basketball team had perhaps one of the best basketball teams in the history of Crowell High during the season of 1940.

The players on Crowell's team who won individual honors were Jack Fitzgerald, Gus Russell and Dick Smith.

FOOTBALL

Crowell High School had another successful season in football this year, winning eight games out of ten played.

was to Burkburnett, a team that won the district, bi-district and regional championships, and left Class A to play in Class AA in the future.

Crowell placed more boys on the all-district teams this year than any school. Que Meason, Jack Fitzgerald and Oran Johnson made all-district; Wayne Canup, John Lee Orr and Frank Dunn made second all-district.

In the past three seasons, Crowell has won twenty-nine games out of thirty-two played, which is one of the best records in Northwest Texas.

CONGRATULATIONS

Your Class Mothers wish to congratulate you upon your graduation and to thank you for all the cooperation and pleasures we have enjoyed with you.

FFA SWEETHEART

The FFA members elected for their sweetheart this year, Jean Orr. She is a sophomore, dark blonde, blue eyes, so tall and very pretty.

FFA banquet by Ralph Flesher.

IT FLEW

Mr. Graves: "Lot was warned to take his wife and daughter and flee out of the city. Lot and his wife and daughter got safely away."

FFA

The officers of the Crowell F. F. A. Chapter are the following: Bill Owmby, president; Jesse Whitfield, vice president; Que Meason, secretary; Blaine Barker, treasurer; Truman Taylor, reporter; Glendon Russell, parliamentarian; Jack Fitzgerald, farm watch dog; Ralph Flesher, historian; Duane Capps, song leader; Carley Franklin, band director; Marvin L. Myers, adviser.

There are thirty-nine F. F. A. boys in all and they have made a record that is above average for the year of 1939-40.

GOOD ENGLISH

Miss Jackson: How would you punctuate this sentence, "The wind blew a ten-dollar bill around the corner?"

FATHER AND SON BANQUET

On May 7th, the FFA boys had the fourth annual Father and Son banquet. It was held at the Self Motor Company.

SCIENCE DEPARTMENT

The Crowell High School received 25 pounds of various chemicals for use of the science classes; a new electro-static generator for production of high

voltage sparks of low amperage. This chemistry class has shown real ability to take its place in industrial laboratory work; for example, each student was assigned five unknown solutions to find what each contained, and only six students failed to make 70 or above on the tests.

The biology class this year completed their text and a minimum of fifty experiments besides keeping a voluminous record of class recitations.

The laboratories boast approximately \$700.00 worth of fixtures, equipment and supplies. Each year, a few pieces of equipment are added. At the present, the lab has only three microscopes, and needs ten more.

## Charles Fergeson and Miss Russie Rasberry Married

Chas. Fergeson and Miss Russie Rasberry were united in marriage in a quiet wedding ceremony performed Sunday night by the groom's father, H. E. Fergeson, Justice of the Peace. The couple left immediately for Lubbock on a short wedding trip, returning to Crowell Tuesday.

Mrs. Fergeson is the daughter of Mrs. J. B. Rasberry of the Vivian community and was reared in that community. She graduated from High School at Anson in 1928 and since that time has made her home with her mother.

Mr. Fergeson is the son of Mr. and Mrs. H. E. Fergeson and was born and reared in Crowell, graduating from Crowell High School in 1929. Following his graduation from high school, he attended Sul Ross College in Alpine for two summers. He attended Asbury College in Wilmore, Ky., for four years, graduating with an A. B. degree in 1933. For the past year he has been employed in Fergeson Bros. drug store.

The couple will reside in Crowell.

### CROWELL GARDEN CLUB

The free picture show on "Flower Arrangement," which was given last Friday by the Coca-Cola Bottling Company and sponsored by the Crowell Garden Club, was a great success and valuable lessons were obtained by all who attended. The Garden Club wishes to express thanks to the Coca-Cola Company for extending this courtesy to Crowell citizens.

The Garden Club met Friday afternoon at the Christian Church at 3 o'clock in the last regular meeting of the year. Eight new members were elected to membership. Mrs. Sam Bell, Mrs. John Hutchinson, Mrs. F. H. Marshall, Mrs. John Carter, Mrs. E. M. Crosnoe, Mrs. Recie Womack, Mrs. Mel Kincaid and Mrs. Lewis Ballard.

The club will place roses in all the churches of Crowell next Sunday, May 19.

The civic committee reports that work will be continued in the Clean-Up Campaign. The Garden Club will give \$28 toward piping water to the Girl Scout Little House. In order to raise money for this project, the club will sponsor a silver tea to be given on May 24. The finance committee will give further notice of the tea.

The white elephant vase contest proved to be very valuable. Several ladies made flower arrangements in the vases and some

## Marriage of Crowell Man and Cottle Girl Is Announced Here

Jack Mitchell of Crowell and Miss Betty Jo Fudge of the Hackberry community of Cottle County were married in the parsonage of the First Methodist Church in Matador with the pastor, Rev. Vaughn, performing the ceremony. They were accompanied by Jimmy Ellis and Miss Virginia Adams of Crowell.

The bride is the daughter of Mrs. Elizabeth Fudge of the Hackberry community. She was born in Foard County and lived in the Vivian community where she attended school until moving to Cottle County in 1931. She was a member of the Junior Class of the Paducah High School at the time of her marriage.

The groom was born at Commerce, Hunt County, and spent his early life there, moving to Crowell in 1934 to make his home with an uncle, Clyde Beesinger. He attended the Crowell schools.

The couple will make their home in Crowell.

proved to be of value and others still remained white elephants.

Mrs. Grady Graves brought an interesting lesson on the Decorative and Realistic Designs of Eastern and Western Art of arrangements. Mrs. Graves said you see a tempering of the two extremes of arrangements. Pure design and the highly naturalistic is the most perfect type of floral art. The scientific spirit, blended with the emotional, gives true expression in the art of flowers. The achieving of this balance will make floral art a medium of expression sufficiently pliable to complement or dramatize the most exacting occasions as well as the most simple needs of life.

### B. & P. W. CLUB

Thursday night, May 9th, the club enjoyed its annual Mother's banquet with all members present except one and all members present had their mothers with them, except three. The following were mothers for the members whose mothers were not present:

Mrs. Edna Bell, Mrs. Geraldine Smith and Mrs. Minnie Loyd. Others present were: the guest speaker, Mrs. Louise Howell, Mrs. Jennie Reed, Mrs. Almeda Meadors and Mrs. Hallie Beverly.

Roses were pinned on each mother and guest as they entered. The president, Miss Gusta Davis, gave the welcome address and Miss Mayme Lee Collins the toast to the mothers.

The speaker's table was decorated with two baskets, one vegetables and one fruit, with a

clothes line stretched between, with the wash hanging on it spelling "Mother's Day." Red roses and honeysuckle were strewn along the edge and down the center of the other two tables.

Place markers were pastel colored baskets filled with honey-suckle and pink polyantha roses with the names on the handles. Hand made gold and purple pansy folder held the menu and program for the evening.

After the main course a paper plate with a clothes pin was placed before each one and all were relieved to find it was not for dessert but a game of "pass it on." Then the real desert of ice cream and cake was served.

The following program was enjoyed: "Mother's Day Song," Alma Walker piano music, Inez Spencer, Louise Howell; game, "To market, To market."

### GARDEN CLUB TO GIVE TEA

The Crowell Garden Club extends to all lovers of flowers and to all men and women interested in helping the Girl Scouts of Crowell, an invitation to a silver tea and Flower Show at the Adelphian Clubhouse on Friday afternoon of next week, May 24th. For those of the B. & P. W. Club and business men who are unable to attend at the tea hour, the flower show will remain open until 6:30 o'clock.

The following committees will be in charge: invitation—Mrs. Claude Callaway; Mrs. Grover Cole and Mrs. Mason Brown; reception—Mrs. Hines Clark, Mrs. P. L. Kincaid and Scout Patrol Leaders; program—Mrs. C. G. Graves; "The Parade of Live Flowers"—Miss Frankie Kirkpatrick and Mrs. George Self; refreshment—Mrs. H. K. Edwards, Mrs. Q. V. Winingham and Mrs. M. O'Connell; publicity—Mrs. T. B. Klepper; flower arrangements, special—Mrs. H. Schindler; general—Mrs. John Raso; wild flowers—Mrs. Vance Favour; novelties—Mrs. A. Y. Beverly, and miniatures—Miss Joellene Vannoy.

It is the purpose of the Garden Club to use the money obtained from the tea and the flower show in helping to finance the piping of city water to the Girl Scout Little House. All donations will be appreciated.

### Foard City S. of C. S.

The Foard City Society of Christian Service met Monday afternoon in the home of Mrs. Lawrence Glover. Mrs. Blake McDaniel gave a very interesting devotional from Isaiah 55:6.

The program, "The Lord Calls Me," in the life of Mrs. Luke Johnson, was given by Mrs. Laura Johnson, leader, and Mrs. J. M. Barker and Mrs. V. A. Johnson.

Second chapter of "Homeland Harvest" was given by Mrs. Huckabee. Refreshments were served by the hostess. The next meeting will be on May 29 at 2:30 at the church.

Released by the German censor, this photo shows Danish seamen and German soldiers fraternizing after the invading Nazi troops entered the Danish capital. Little Denmark offered no opposition to the invaders as they established control of Copenhagen, capital city.

## HARMONY CLUB PICNIC

With Mrs. A. L. Rucker and Mrs. W. A. Dunn as hostesses, the Harmony Club members, their husbands and a number of additional guests enjoyed a delightful picnic supper last Friday evening on the lawn at the home of Mr. and Mrs. Dunn at Margaret.

Barbecued chicken and dessert prepared by the hostesses and supplemented by vegetables and salads brought by the members, made a delicious meal which was thoroughly enjoyed by approximately fifty guests.

Following the supper which was served at quarter tables on the lawn, a short program was rendered. Mrs. R. L. Kincaid talked on "Places of Historical Interest in the United States." A quartet composed of Garland Foster, Glen Goodwin, Joe Rucker and Billy Ownbey and accompanied by Mrs. Rucker, sang several numbers.

John Thomas Raso sang two songs.

Games of 42 were played after which an informal period of recreation was enjoyed.

With this meeting, the Harmony Club closed its year's work and disbanded until next fall.

### COLUMBIAN CLUB

Continuing its custom of several years' standing, the Columbian Club observed its Mother's Day with a program of entertainment in the basement of the Methodist Church on Wednesday, May 8, and had as their guests, mothers.

Mrs. S. T. Crews and Mrs. H. Schindler received at the door and Mrs. T. L. Hugstun presented the guests to Mrs. M. N. Kenner, who presided at the registered where thirty-two registered. The number fell short of those invited on account of inclement weather.

Mrs. C. W. Thompson was program leader and gave a beautiful greeting to the guests. Mrs. Grady Halbert, in a charming manner, paid tribute to "Mother's Day."

Miss Mary Ragland Thompson sang "A Mother's Day Melody," a composition by J. H. Lanier of Crowell. She was accompanied by Mrs. T. B. Klepper. The guests were given the pleasure of requesting a favorite song, a verse or two of which was sung, in this way bringing to memory many old-time songs seldom heard now. They were closed with "When You and I Were Young, Maggie," and accompanied by Mrs. John S. Ray.

Mrs. T. B. Klepper concluded the program with a review of Kathleen Norris' book, "Mother," an old story, old but ever new. Mrs. Hines Clark and Mrs. A. E. McLaughlin served punch and cakes from a lace-covered table decorated with a flat arrangement of roses. Iris and other spring flowers further added to the decoration of the reception room.

### WEST SIDE CLUB

"In making angel food cake, use a flat wire beater and do not beat eggs too fast," Miss Joellene Vannoy told the ladies of the West Side Club when they met in an all-day meeting with Mrs. J. T. King, on May 8.

"Eggs should not be too dry but be sure they are beat long enough," Miss Vannoy continued, "and never beat when adding sugar. Fold in flour last and bake in slow oven."

Mrs. Darwin Bell and Mrs. Clarence Garrett were visitors. The club will meet on May 22nd with Mrs. Donald Norris with a program on "Wild Flowers."

### SAFETY CLUB MEETS

The fourth grade safety club had its meeting last Thursday. Members of the club had a surprise for their teacher in the form of a gift shower.

It requires about four miles of silk thread to make one pair of ladies' hose. The modern automobile contains 15,000 separate parts.

## Crowell Post Office Ranks High In Sale Of U. S. Savings Bonds

The Crowell post office ranked among the first ten third class post offices in Texas for the sale of United States Savings Bonds during 1939, according to information released Wednesday by Alva Spencer, postmaster.

The local office ranked seventh in the state and the offices on this list in the order of their rankings are as follows: West Columbia, Woodsboro, Sonora, Malakoff, Fairfield, Humble, Crowell, Rogers, Hubbard and Spearman.

The postoffice sales in Crowell during 1939 totaled \$26,418.75. This information was received from the Division of Savings Bonds, Treasury Department, Washington, D. C.

Secretary of the Treasury Morgenthau announced that the total sales of Savings Bonds through March 31, 1940, aggregated in maturity value, more than \$3,860,275,475, and that purchases have been made by approximately 1,987,374 investors. The total represents average purchases of \$2,495.325 for each business day since March 1, 1935, when these bonds were first placed on sale. Deducting bonds redeemed, the maturity value of Savings Bonds outstanding on March 31, 1940, was approximately \$3,495,573,600.

## Foster Davis Announces for County Attorney

Foster Davis released his announcement this week as a candidate for County Attorney, subject to the action of the Democratic primary in July. He had the following to say in regard to his candidacy:

"To the Citizens of Foard County:

"I want to express my appreciation for the splendid cooperation accorded me by the citizenship of this county during the period it has been my privilege to serve you as County Attorney.

"In announcing my candidacy for another term I wish to state that, should I be elected, I believe that my past experience will enable me to execute the duties of this office in a more efficient and capable manner. I will endeavor, at all times, to discharge my responsibilities fairly and impartially. Your vote and influence will be sincerely appreciated."

### ROTARY CLUB

John Raso was the principal speaker at the meeting of the Crowell Rotary Club Wednesday afternoon with L. E. Archer in charge of the program. Mr. Raso lead a discussion to inaugurate plans at an early date for the celebration of the 50th anniversary of the organization of Foard County next April, which will be sponsored by the Farmers' and Business Men's Association.
