What Is the Distance From Your Peddle To the Floor Board?

This Is A Serious Question!

On hydraulic brakes, the fluid might be low and the cylinders on your brakes will take more fluid than your supply. Therefore, one more application of brakes might be the last one.

Push your brake peddle down—if the distance from the peddle to floor board is three inches, or less, you should come in and let us examine your brake system.

is the daughter of Mrs. Maude Townley of Thalia.

Mr. and Mrs. Bob Miller and daughter, Pauline, of Shamrock spent the week-end with relatives here.

Quite a number from this community attended the commencement exercises in the Thalia high school Friday night. Zella Scales, daughter of Mr. and Mrs. G. W. Scales of this community, won salutatorian honors with the second highest average in four years. She won scholarships from the following colleges, Weatherford College, Southern Methodist University, Dallas; Texas Wesleyan College, Fort Worth; and from all state colleges. She won scholarship honors by making the highest average in the past school term.

Several from this community attended the Cottle-King County Singing convention at Ogden Sunday.

Mr. and Mrs. Johnny Marr spent Sunday in the home of Mrs. Marr's parents, Mr. and Mrs. Charlie Carroll, of Gambleville.

Your Horoscope

May 20, 21.—You are good company and always enjoy a good time. You make your decisions slowly but speed up action once they are made. You are fond of music and art and you are quite in manner. You enjoy your home and help keep harmony with your joking and fun.

May 22, 23, 24.—You are talented with many gifts which you waste through lack of organization. Poverty makes you very unhappy. You are proud and on account of this pride resent being given assistance. Yet you are willing to accept favors. You are impulsive, full of life, and take a bold stand for the right.

May 25, 26, 27.—You are pleasure loving and a devotee of sports and amusements. You are easily influenced and apt to change from one thing to another quickly. You should learn to stay put. Your carelessness often leads to vexing situations, and you are apt, through your self-conceit, to become involved in many irritating experiences.

"CHEVROLET'S FIRST AGAIN!"

BORCHARDT CHEVROLET CO.

"HE WOULD APPROVE OUR RECORD HERE"

The cost of all Electric Service used in the average home today is no more than for light alone just one generation ago.

Something ought to be done about this!

FORTY years ago there were few women who didn't know the back-breaking misery of doing a family washing over a tub and a washboard.

Today, few women have that experience. What made the change? First of all, someone said, "Something ought to be done about it."

In those words you have the real slogan of America. Great inventions, great industries, great social benefits result from Americans' deep desire for better living. The electrical industry, for example, was founded by Thomas A. Edison, a man who spent his entire life looking for better ways to do certain things; and today the people of your electric company carry on in the Edison tradition. They belong to the great army of workers—engineers, scientists, linemen, managers and many others—who give the United States the finest, cheapest electric service in the

world. Yet they continue their tireless efforts to improve the quality of electric service and to reduce its cost.

Within the last fifteen years, these employees have done their work so well that this company has been able to cut the unit price of electricity just about in half. That means you can now use electric light, a radio, electric refrigerator, washing machine, vacuum cleaner and toaster for a total operating cost very little, if any, higher than you used to pay for light alone.

The aim of your electric company's employees is always to give you better service at less cost. Foremost in their minds is the thought, "Something ought to be done about it."

Invite a Visitor to West Texas in 1940

We have many things of which to be proud in West Texas, the "Land of Opportunity." Agricultural and industrial growth; sites of scenic beauty and historical significance; great natural resources; fine highways; splendid educational institutions, and a delightful all-year climate. When you write friends in other states, invite them to visit West Texas on their 1940 vacation trip.

Crowell, Texas, May 21, 1940

In all thy ways acknowledge him and he will direct thy paths.—Proverbs 3:6.

The fact that the occupation of Norway by German troops was accomplished quickly by the fact that German agents had worked for months in Norway paving the way for the German army by boring from within should suggest to everyone the importance of the work being done by the Dies committee. Dies states that there are a hundred organizations in this country that do not believe in this form of government and would use their knowledge against it in the event of war. Dies believes that they should be cleaned out. So say we all.

It isn't the church that a man belongs to that determines whether or not he is a Christian. It's his attitude toward his fellow man, and how he lives, that determines the true measure of his religion.

The mother who is forever picking up after her son is preparing some woman for the same kind of drudgery. A man who has allowed his mother to pick up his toys and his clothes all his life won't pick them up for his wife.

It is easy to have enough adversity and hard times to satisfy every one, but there will never be enough prosperity that every one will be satisfied.

Rayburn and Johnson Urged To Head Democrats

Austin, May 20.—Democratic leaders here this week reported widespread support over the state of a movement to name Congressman Sam Rayburn of Bonham and Congressman Lyndon B. Johnson of Austin as chairman and vice chairman of the Texas delegation to the national democratic convention in Chicago.

The move was launched by Mayor Tom Miller of Austin and Edward Clark, chairman and secretary of the Texas Roosevelt-third-term committee.

Rayburn and Johnson were urged for these posts in recognition of their leadership in working out the recent Garner-Roosevelt harmony agreement that eliminated the prospect of an intra-party fight in Texas.

Congressman Rayburn, house majority leader, was manager of the 1932 campaign for Garner and a leader of the Garner group this year, while Johnson was one of the foremost draft-Roosevelt leaders.

More than 250,000 families are going to move from rented homes into their own homes this spring according to the estimates of the United States Savings and Loan League. Last year the number of new home owners was 190,000 and in 1935 100,000. The trend, it appears, has started. Home ownership makes for a stability of a people. It gives one a sense of being a part of a community that a family in a rented shelter never knows.

Time was when Armenia was the most persecuted nation on earth. This however was before Hitler appeared on the scene.

A good hostess, an authority on etiquette says, is one who can make her guests feel at home even though she wishes they were.

FOARD CITY H. D. CLUB

"When making angel food cakes, don't beat your egg whites too fast, for that will destroy the texture of your cake," stated Miss Joellene Vannoy, agent, to members of the Foard City Home Demonstration Club on Tuesday, May 2, at the home of Mrs. Jim Shook.

"Most women make the mistake of beating the egg whites too stiff before adding the sugar and flavor, and these should be folded in the egg white," continued Miss Vannoy, during her demonstration on making angel food cake. She used several decorations for angel food cakes that were appropriate for different occasions, and also fixed some small cakes which were served with ice cream to club members and Mrs. A. E. Barker, Mrs. Claude Callaway and Mrs. Frank Cates of Crowell, and Mrs. Ted Wisdom of Good Creek.

At noon a covered dish luncheon was served, carrying out a balanced meal planned by Miss Vannoy and club members, which consisted of fried chicken, gravy, green beans, fresh Irish potatoes, salads, hot rolls and butter and iced tea, with ice cream and cake as the dessert.

Next meeting will be held June 4 at club house with Mrs. Davis as leader.

FOARD CITY

(By Mrs. J. L. Farrar)

Ben Barker, who is attending a business college in Wichita Falls spent the week-end with his parents, Mr. and Mrs. A. W. Barker.

Fate McDougle, who is working at Truscott for Mr. Browder, spent Sunday with his mother, Mrs. Lee Lefevre, and attended the services at the church.

Mrs. Arthur Sandlin and son, James, of Nivian spent Saturday with Mrs. Lee Lefevre.

Mr. and Mrs. Ernest Patton and son, Don, of Crowell and Mr. and Mrs. J. L. Farrar and Joe visited Mr. and Mrs. Roy Fox in Gilliland last Tuesday evening.

Lon Rundell and Haskell Kemp of Clarendon spent Sunday with Mrs. E. V. Halbert and attended services at the new church.

Mr. and Mrs. Robert Rundell of Farwell and Mrs. I. S. Rundell of Walnut Springs visited last Tuesday night with Mrs. E. V. Halbert. Mrs. I. S. Rundell remained for several weeks' visit with her daughter.

Cliff Stone, Claude Stone and Theo Duncan of Wylie spent Saturday night and Sunday visiting Mr. and Mrs. W. L. Callaway and family.

Mr. and Mrs. Elmo Todd and daughter, Camille, and Fate McDougle of Truscott visited Mrs. Lee Lefevre and daughter, Lavoce, Wednesday evening.

T. M. Whitty, C. J. Marts, Joe Farrar and Boss Johnson spent Monday night fishing at Lake Pauline near Quanah.

Mr. and Mrs. M. N. Morris and children spent Sunday with Mrs. Morris' parents, Mr. and Mrs. G. W. Shepperd, of Vernon. Mrs. Shepperd is confined to her bed with illness.

Lester Patton of Crowell spent Saturday night with Hughston McLain.

This community received about a three-fourth-inch rain Tuesday evening which was very much needed for all crops.

Some farmers in this community began cutting oats Monday.

A picnic was given for the school children of this community and Good Creek at South Pocket Park Friday at noon. Sandwiches, tea, and cake were furnished by the women and M. N. Morris, Charlie Merriman and Bill Dunn, bus drivers, furnished ice cream. All report a very enjoyable time.

FOARD COUNTY Softball News

There was less activity in the Foard County Softball League this week than there has been since scheduled play started at the Margaret-Rayland game was moved up a night last week and the Rayland-Oilers' game was rained out again. This left only two games to be reported in this issue.

On Monday night, the Oilers took the bit between their teeth to take advantage of a couple of Aces' errors to overcome an early inning lead late in the scrap to win 10-7. The Aces have beaten everyone in the league at least once, but the Oilers have not beaten anyone except the Aces, and still they are in second place.

In the "visiting team" game last Friday night, the Benjamin lads found their hitting stride after the mid-point of the game to overcome a four-run lead and won 18-10.

Vernon at Rayland

The Vernon Oilers invade Rayland Sunday in a return match, as the Rayland club journeyed to Vernon recently and won a victory, while holding the Oilers to a lone scratch hit. All softball fans will be traveling to Rayland Sunday to see a real tit.

First Half Ends

The coming week's play will close the first half of the league race with the league-leading Margaret boys still facing a lot of tough play, however, a victory in one of their two games would practically clinch the first half title for them.

The Margaret players will play their first game of the "last go-round" on Thursday night when they tackle the Aces, who are due to break a losing streak. Monday night will see the Margaret club again take the field against the Oilers who have been showing more power in their last few games. The last scheduled fracas for this half is between Rayland and the Aces on Tuesday night.

On Friday night the Oilers and Rayland team will play the first of their postponed games. The play-off of their second postponed game has not yet been dated.

The Foard City Society of Christian Service met Monday afternoon at the church. Mrs. I. T. Huckabee gave a talk using as her subject, "Keeping Your Eyes on Jesus."

The program for the afternoon was taken from the third and fourth chapters of the Mission Study, "Homeland Harvest." The following members gave parts: Mrs. Blake McDaniel, Mrs. J. M. Barker and Mrs. Virgil Johnson.

During the social hour Mrs. W. L. Johnson served ice cream. The next meeting will be May 27 at the church.

Additional Locals

Farmers! See our "Economy" Butane tank on display. Other sizes quickly available.—W. R. Womack.

Mrs. J. M. Allee, Mrs. R. R. Magee and son, Joe Mark, and Mrs. J. R. Allee left Saturday morning for Rockwood where they will visit Mrs. A. S. Hart. Mrs. J. R. Allee will go on to Harlingen to visit her daughter and son-in-law, Mr. and Mrs. Edwin Greene.

Bill Wilcox and daughter, Miss Beverly, of Manitou, Okla., and J. W. Franklin of Hastings, Okla., were visitors in the home of Mr. and Mrs. B. C. Franklin of Foard City Sunday. Mr. Franklin remained for a longer visit with his brother and family.

We now have our own Butane gas supply system. We supply, install and fill tanks and drums.—W. R. Womack.

EXPECT TO ATTEND TSCW

Denton, May 21.—Misses Thelma Moore and Jennie Dee Coffey of Crowell are planning to attend Texas State College for Women for the coming school year of 1940-41, according to college authorities who have entered their room reservations.

ROTARY CLUB

Out-of-town Rotarians visiting the Crowell Club Wednesday were, Dr. J. J. Hanna and Editor Harry Koch of Quanah, and Rev. Ray Lee of Rule. Rev. W. B. Hicks, pastor of the Crowell Methodist Church, was also a visitor and was a speaker on the program which was in charge of Henry Ferguson. Rev. Hicks' talk concerned the crime wave of recent years which involved a large number of the youths of the land.

The Combine they're all talking about—the MASSEY-HARRIS CLIPPER

3 POINT COMBINE

- Full Six-Foot Cut—gets work done in a jiffy—makes custom work paying proposition too.
- Five-Foot Rasp-Bar Cylinder—famous Massey-Harris rasp-bar cylinder rubs out the grain the natural, easy way. Brings "big combine" quality to the small combine field.
- Full Width—Straight-Thru Separation—no turns, no corners to retard even flow. Straw goes through "thin as pig milk" for more thorough separation.

years which involved a large number of the youths of the land.

LIBRARY NOTES

Summer is here; spend your vacation in worthwhile reading.

A new book to begin with "How Green Was My Valley," Richard Lewellyn.

This is a magnificent novel, Wales, full of tragedy and a study of life itself. It will make anyone forget everything but the splendor of human courage.

It portrays the quietness of ancient peace of the valley, mountain-side, and the deep appreciation of everything in life.

CITATION

The State of Texas, County of Foard.

To the Sheriff or Any Constable of Foard County, Texas—Greeting: Lester Ownbey, Guardian of the Estate of F. L. Ownbey, a non compos mentis, now deceased, having filed in our County Court his final account of the condition of the Estate of F. L. Ownbey, a non compos mentis, now deceased, on the 1st day of May, A. D. 1940, for hearing on his final account and for an order closing said Guardianship and discharging him as Guardian of said Estate and releasing his bondsmen, and you are hereby commanded, that by publication of this writ, once a week for three consecutive weeks in a newspaper regularly published in the County of Foard, and said publication shall not be less than twenty days before the return day hereof, you give due notice to all persons interested in the account for final settlement of said estate, to file their objections thereto, if any they have, in said Court on or before Monday the 3rd day of June, A. D. 1940, when said account and application will be considered by the Court.

Herein fail not, but have you before said court at the time aforesaid, this writ, with your return thereon showing how you have executed the same.

Given under my hand and Seal of said Court, at my office in Crowell, Texas, this 1st day of May, A. D. 1940.

J. A. STOVALL, (Seal) Clerk, County Court, Foard County, Texas. By Maymie Lee Collins, Deputy. A true copy, I certify. A. W. LILLY, Sheriff, Foard County, Texas. 47-4tc By J. D. Todd, Deputy.

Thalia Lodge No. 666 A. F. & A. M. STATED MEETING Saturday Night, June 15. Members urgently requested to attend. Visitors always welcome. C. C. WISDOM, W. M. C. H. WOOD, Secretary.

STATED MEETING OF Crowell Lodge No. 840, A. F. & A. M., June 17, 7:30 p. m. Members urged to attend. Visitors welcome. C. E. GRAHAM, W. M. D. E. MAGEE, Secretary.

There are about 2,000,000 stamp collectors in the United States and 5,000 dealers who deal exclusively in stamps for collection. United States exports in March 1940 were \$344,000,000, which was 30 per cent greater than they were in March 1939.

CHURCHES

Christian Science Church Sunday School at 10 a. m. Sunday services at 11 a. m. Wednesday evening services at 8 o'clock. Sunday, May 26, 1940. Subject: "Soul and Body." The public is cordially invited.

East Side Church of Christ Each Lord's Day—Bible classes at 10 a. m.; worship service at 10:45 a. m.; Young People's class at 7:30 p. m. Each Wednesday—Mid-Week Bible Class at 8:30 p. m. Second and Fourth Lord's Days.—Preaching at 10:45 a. m.; evening at 8:30 o'clock.

The public is cordially invited to meet with us at each one of our services. "And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers." Acts 2:42. It is our aim to follow the pattern that is described by the inspired writer in the above passage because it was under the direct leadership of the Apostles of our Lord, and we know that it was well-pleasing to the Lord. Since we have a divinely inspired pattern to follow, we are afraid to follow any other course because the Apostles John said, "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son." 2 John 9. We must ever strive to "obey God rather than men," as Peter told the chief priests, because Christ said "the word that I have spoken, the same shall judge him in the last day." "Come now, and let us reason together," saith the Lord. ROBERT McCOWN, Minister.

Christian Science Services "Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 26. The Golden Text is: "My soul longeth, yea, even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God" (Psalms 84:2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I will walk before the Lord in the land of the living" (Psalms 116:9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is the law of Soul, even the law of the spirit of Truth, and Soul is never without its representative. Man's individual being can no more die nor disappear in unconsciousness than can Soul, for both are immortal" (Page 427).

Senior B. T. U. The subject for the Senior B. T. U. for Sunday, May 26, is "The Southward Quest for Souls" with Faye Hart in charge of the program. The subject is a discussion of Missionary and Denominational Life Program.

The following, who have discussions on the program are: Vernon Gibson, No. 1; Marjorie Bradford, No. 2; Leroy Gibson, No. 3; Tina Mae Cummings, No. 4; Effie Griffin, No. 5, and Maxine Thompson, No. 6.

Faye Hart was elected corresponding secretary last Sunday by the B. T. U. to fill Garland Foster's place, who will be in Florida this summer.

Our Weekly Sermon

By Harold K. Stephens, Bureau of Maintenance, The Moody Bible Institute of Chicago.

The Garden Text—Their soul shall be as a watered garden. — Jeremiah 31:12.

This verse applies primarily to redeemed Israel, reathered and restored, but it may also apply to the individual soul who knows Christ. What a privilege to know Him! No longer need one wander lonely and desolate in a forlorn, barren and dangerous wilderness, but he may walk supremely happy, content, in confidence, in quietness, and in strength "in the garden of the Lord."

This garden of the soul is watered about by grace. Within the wall are salvation, hope, faith, justification—all the inheritance of the saints. Here the seed of God's Word, planted by heavenly instruction, yields flowers and fruit. Some gardens have wonderful flowers and fruit, but, alas, many are spotty and ragged, and others are so undernourished and ill-kept that they are hardly recognizable as gardens.

What do we need in order to keep these gardens of ours fresh and fruitful? They need to be watered by heavenly discipline, for one thing. Seed must have clean, fertile soil in which to germinate. The Christian life must be separate from the weeds of worldliness, hatefulness, bitterness, strife, backbiting. Oh, that we might be good gardeners, faithfully weeding out everything that we recognize in the light of conscience and God's Word to be weeds.

In order that this garden may be kept fresh, it needs to be watered by the Holy Spirit of God. Without this watering there will be no fruit. And we need not a thin stream, but a deep well of water. That well is provided; all we need do is to drink. The

words of the Master Gardener are: "The water that I shall give him shall be in him a well of water springing up into everlasting life" (John 4:14).

What a fruit will be produced in our garden. The fruit of the Spirit—love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, self-control (Gal. 5:22), and in addition, abundant power for service. "Ye shall receive power, after that the Holy Ghost is come upon you," said Christ to His disciples. And their lives straightway became a never ceasing record of mighty deeds done in the power of the Spirit.

With the garden of our soul under heavenly cultivation and nourishment, there arises a fragrance that is indeed a "sweet smelling savor" unto God—the fragrance of prayer and praise.

NOBODY'S BUSINESS

BY JULIAN CAPERS JR.

Austin.—The pip-squeak oratory of petty state and local politicians this week was literally blacked-out by the echoes of bursting bombs and crashing shells on European battlefields, as citizens of Texas heard President Roosevelt ask for a billion dollars to build military and naval defenses to prevent this nation being swallowed up by the blood-hungry legions of the German mad-dog, Hitler.

Throughout Texas, and every other State in the union, Americans of all shades of political belief gave ungrudging approval of the President's plea for defense funds and activity, as partisan politics was, by silent agreement, laid aside until the international situation becomes clarified. Notwithstanding the bitter opposition which exists everywhere to some of Roosevelt's domestic policies, there seems to be unanimous agreement among Americans that the President's conduct of foreign affairs has been faultless, and reflects the spirit and feeling of all Americans.

Congress Lends Aid Congressional leaders gave quick indications that they would move swiftly to provide the money needed and such supplemental legislation as is needed to make its expenditure effective to protect this nation from the European maelstrom. Senator Tom Connally of Texas, patriot that he is, moved immediately to push through the upper chamber laws to safeguard the United States from the deadly "fifth column" activity which has paralyzed the neutral nations invaded by the Germans. Out of his efforts doubtless will come quick laws to control aliens who seek to tear down this Government and to aid its enemies by "boring from within."

After the President's vivid speech, in which he pointed out that the two oceans no longer meant security to us, with modern aircraft able to attack American objectives within a few hours from half a dozen accessible bases, the situation was brought home to Texans with tremendous impact. A million Texas mothers and fathers envisioned their sons being blasted to death in bloody trenches; parents visualized their homes and their children destroyed by aerial bombs in unfortified Texas towns.

Clowns Out of Luck Beside these painful realities, the radio barrage of little men, seeking little jobs from Governor to constable, simply failed to register. The thump of the bass fiddle, the squeak of the hill-billy crooner, leave the people cold. The maudlin, drooling sentimentality about home and mother, the piddling quarrels over taxes, the loud-mouthed declarations of devotion to the "hoary headed old pioneers,"—all sound a little silly against the background of burst-

ing bombs and roaring artillery which may be deciding the fate of civilization for centuries to come.

The elections probably will be quiet affairs this year. The folks may make some changes—their doubtless will. But it now appears they will do it without enthusiasm, without hurrah and with a deadly serious purpose in mind.

The politician who doesn't understand how to do anything but clown, or to "pour it on" somebody in a mock warfare of words, may be desperately out of luck next July, no matter whether he is running for President or constable.

New Goodyear Tire Announced by Dealer

Important to the owners of not-so-new automobiles, who may be thinking about new tires to themselves trouble-free Memorial Day week-end holiday trips, is announcement by Fite Crowell, local Goodyear dealer, of the company's new All-American tire, priced within the reach of 70 per cent of the majority market of users.

In discussing the tire, Mr. Crowell said, "It's full-size and bears a life-time guarantee without time or mileage limitations. These are the sizes: 6.00-16, 5.25-17, 5.50-70 and 4.75-19, so you can see that it is tailor-made to fit a lot of cars now operating for several years.

"We are mighty pleased to have it, completing the Goodyear line we handle and enabling us to fill anybody's car or truck tire needs, no matter in what price class he wants to buy or what his driving demands may be."

Smart in appearance, the new All-American has the same high-carbon, high-tensile steel wire for beads as is used in all Goodyear passenger car tires. Its body is made with low-stretch Superwrist cord, which has even higher tensile strength than did quality tires of two years ago. Mr. Crowell pointed out. In addition, there is a double cord breaker of high tensile strength to give greater protection against bruises.

Thread compounds are of time-tested reputation, providing long time abrasion resistance, while the thread design is new and known as multiple-rib, assuring long, even wear, easy steering and side slip protection.

At the same time every possible economy has been effected in manufacture without sacrificing essential safety factors, summarized Mr. Crowell, so the tire should prove popular with people who want the product of a recognized manufacturer at lowest possible initial cost.

THIS WEEK IN HISTORY

May 27.—Century of Progress Exposition opened at Chicago, 1933. Morse telegraph first used, 1844.

May 28.—First United States troops sail for France, 1917. Colonel Charles Lindbergh married Miss Anne Morrow at Englewood, N. J., 1929.

May 29.—Patrick Henry, statesman and orator, born, 1736. Ebenezer Butterick, originator of tissue paper patterns, born, 1826.

May 30.—President Garfield delivered the address on the first Memorial Day at the Arlington National Cemetery, 1868.

May 31.—Plane NC-4 reached England 1919. Lindbergh received by King George, 1927.

June 1.—Kentucky admitted to the Union, 1792. Amelia Earhart sets forth to fly around the globe, 1937.

June 2.—Maine adopts prohibition, 1857. General Lee made commander of Confederate army of North Virginia, 1862.

HOUSEHOLD HINTS

A long-handled dustpan works as well as a short-handled one and saves much back-bending.

A pleasing surprise is to use fruit or vegetable juice in place of milk in making an omelet.

An ordinary blackboard eraser makes an excellent shoe polisher.

News from Neighboring Communities

MARGARET

Mrs. George Pruitt and family Sunday. Mr. and Mrs. A. J. Powers and little daughter, Gene, of Crowell spent Sunday with Mr. and Mrs. Jim Ewing.

Miss Juanita Boman of Crowell visited her sister, Mrs. William Bradford, and husband Sunday.

Lee Wright is having a stock tank dug on his place. Guy Naron is doing the work.

Mrs. R. L. Alexander is visiting her daughter, Mrs. William Blevins, and family of Truscott. She is able to walk again with the assistance of others. It will be remembered she sustained an injured hip some months ago.

W. R. McCurley and S. B. Middlebrook Jr. visited Fred Robb and Melvin Moore in Lorenzo Tuesday.

Mrs. Jim Choate spent Tuesday with her daughter, Mrs. Charles Huskey, of Gambleville.

John L. Hunter made a business trip to the Plains Wednesday.

Rev. Cal Wright of Vernon delivered the sermon at the second quarterly conference at the Methodist Church here Sunday. Dinner was served to a large number who attended the services.

Mr. and Mrs. John Taylor and son, H. A., spent Thursday in Quannah visiting relatives.

Johnnie Bob Dunn returned home Thursday from McLean where he had been assisting Haskell McCurley with his farm work.

Rev. John H. Stout spent from Monday until Thursday in Fort Worth.

Mr. and Mrs. John Mahoney of Quannah visited Mr. and Mrs. John Taylor Saturday night and Sunday.

Clarence Priest of Vernon, who came for a visit with Frank Priest Sunday, was slightly injured when he struck a bridge in Riverside community while riding Frank Priest's motorcycle. He was unconscious for a short time but was thought not to be seriously injured.

Mrs. Lee Eckols of Lorenzo visited relatives here and in Riverside from Saturday until Monday.

Mrs. Melvin Moore and little son, Billy Ray, of Lorenzo visited her parents, Mr. and Mrs. Bay Middlebrook, from Saturday until Monday. They came with Mrs. Greek Davis, who visited relatives in Riverside.

Mr. and Mrs. John L. Hunter Jr. and son, Louis, visited Alvin Hysinger and family of Olton Sunday.

Rev. H. C. Bristo of Butler, Okla., has been called as pastor of the Baptist Church here and at Rayland. He will move his family to the Baptist parsonage here in the near future.

Mrs. J. C. Hysinger was in the Quannah hospital for a tonsil operation Friday. She returned home Saturday and is doing fine.

Repairs are being made at the grain elevator for this season. The work is being done by Ed Dunn and Lon Priest.

Mrs. W. R. McCurley and daughter, Faye, visited Mr. and Mrs. Earl Hysinger of Olton Sunday. Misses Laverne and Wanda Fay Hysinger returned home with them for a visit.

Herman Blevins of Lubbock spent from Thursday until Monday with friends here and relatives in Truscott.

Misses Opal and Ruby Priest, Geneva Smith and Anita Wesley were dinner guests of Mrs. Arthur Powers of Crowell Wednesday of last week.

Mrs. Lee Blevins of Truscott visited here Saturday.

Mr. and Mrs. Clyde Odum have returned from Post to resume work on the river bridge.

Mrs. Harrell J. Kennedy and sons, Delbert and H. J., of Crowell visited Mrs. George Pruitt and Mrs. W. A. Priest Monday. Mrs. Cleo Spears came with them.

Mrs. John Edwards of Gambleville visited friends here Monday.

Rev. W. M. Lawrence of Thalia delivered the graduation address for Margaret school Friday night.

Rev. Foster Russell and family of Bedice visited relatives here Friday while en route home from Dimmitt where he closed a revival meeting.

Two Minute Sermon

(By Thomas Hastwell)

Only A Christian World Can Be A Warless World: It is a common thing these days when one-half of the world is at war, to hear the folly of war condemned, and the question raised as to why a Christian civilization cannot put a stop to the cruel and wasteful folly of war.

A device by which motorists can quickly and accurately measure their gasoline mileage is being introduced today by Continental Oil Company in a nationwide newspaper advertising campaign which includes The Foard County News.

The "Mile-Dial" is a simple device which keeps count of the number of gallons of Conoco Bronz-z-z gasoline purchased and the number of miles traveled during the test, and automatically calculates the miles per gallon by a simple turn of the dial.

The dial, which can be obtained free at service stations selling Continental Oil Company products, can be attached to the dash without marring the surface or can be carried in the glove compartment of the car. With it the motorist can make frequent checks of the mileage he obtains from Conoco Bronz-z-z gasoline and can at the same time easily accumulate his purchases and miles traveled, so that an average miles-per-gallon over a long period can also be determined.

The Mile-Dial was invented by Continental Oil Company engineers, and its mathematical accuracy has been certified by F. A. Bergen, chairman, mechanical engineering department, Washington University.

BLACK H. D. CLUB

An all day session of the Riverside Home Demonstration Club was held in the home of Mrs. R. G. Whitten Tuesday. The county home demonstration agent, Miss Joellene Vannoy, gave a demonstration on special occasion cakes. A covered dish luncheon was served at the noon hour. Mrs. John S. Ray invited the club members and their families and guests to enjoy a social on the lawn of her home Tuesday night, May 21. The club will meet May 28 in the home of Mrs. Cap Adkins. All members are urged to be present and visitors are cordially invited.

Crowell Girl and Wellington Man Married May 18th

Announcement has been made of the marriage of Miss Oleta Thompson of this city and C. E. Gresham of Wellington, Texas. The marriage took place in the Abilene Methodist Church Saturday evening, May 18, at 8 o'clock. Only a few close friends and relatives were present at the wedding. The bride wore a white lace dress, and her going-away dress was of navy blue with white accessories.

The bride is the daughter of Mrs. E. L. Thompson of Crowell. She finished high school at Crowell and received a Bachelor of Arts degree from Sul Ross State Teachers' College, Alpine, in 1936. She also attended college at Texas Tech, Lubbock. She taught school 3 years at Benjamin, and at the time of her marriage, she was teaching in the Paducah city school system.

The bridegroom's home town is Memphis, Texas, where he finished high school. He attended John Tarleton College, S. M. U. and received a degree in civil engineering at Texas Tech, Lubbock, in 1935. He has been employed for the past 5 years as a civil engineer for the Highway Department. At the time of his marriage, he was stationed at Wellington.

After a short trip, the couple will be at home in Wellington.

CELEBRATES 79TH BIRTHDAY

Mrs. N. A. Crowell celebrated her 79th birthday on Mother's Day, Sunday, May 12, with a dinner at her home when she had seventeen of her children and grandchildren there for the celebration. The dinner was served at the noon hour to the following:

Dr. and Mrs. J. M. Hill and three children, Miss Frances and J. M. Jr., and Mrs. Haskell Norman and husband and three children; M. F. Crowell and son, Marjion, and wife and small daughter,

Shower in Honor of Mrs. Chas. Ferguson

With Mrs. Charles Ferguson, who was Miss Russle Rasberry before her marriage last week, named as honoree, Miss Mary Ennis Carter, Mrs. Raymond Burrow and Miss Faye Easley were hostesses at a pretty miscellaneous shower Saturday afternoon at the Adelphian club house.

Guests were greeted by Miss Carter and presented to Mrs. Henry Ferguson, mother of the groom, to Mrs. Charles Ferguson, to her mother, Mrs. J. B. Rasberry, to her sister, Mrs. Ernest Johnson, and her sisters-in-law, Mrs. Glenn Rasberry, Mrs. J. B. Rasberry Jr. presided at the bride's book where the guests were asked to register.

Miss Wanda Rose Liles, accompanied by Miss Dorothy Wingham, sang two numbers. A group of appropriate readings was given by Mrs. Moody Bursey and a violin solo was rendered by Mrs. Alva Spencer. She was accompanied by Mrs. A. L. Rucker.

Mrs. Burrow invited the guests into the dining room where Miss Easley poured punch from an attractive table where a miniature bride and groom were featured. Red roses provided further decoration. Misses Ruth Ferguson and Theda Wright served the punch with dainty cakes.

The many lovely gifts were arranged in a rear room and were admired by the guests before leaving. Mrs. Ferguson expressed her thanks and appreciation.

COUNTY FEDERATION

The last meeting of the Foard County Federation of Women's Clubs for '39-40 was held at the Adelphian club house on May 8 with the executive board as hostesses.

Mrs. H. Schindler presided, in the absence of the president. A

Jan; Mrs. Ben Crowell and two sons, Ben of Wichita Falls and Frank of Texas Tech, Lubbock; Miss Katherine Crowell and Mrs. Crowell.

report of the district meeting recently held at Shamrock, was made by Mrs. R. L. Kincaid and Mrs. Raymond Burrow.

Mrs. M. S. Henry told of the growth of the General Federation of Women's Clubs during the past fifty years, giving the story of the organization of the first Woman's club in New York City in 1868.

Mrs. Henry and Mrs. Kincaid were made pioneer club members by a vote of those present. Mrs. Kincaid was chosen as having had the longest continuous membership and service in a federated club and Mrs. Henry as having had the longest and most outstanding record of leadership in a club, county, district or state affiliated with the General Federation.

The regular outlined program was carried out at this meeting. It was voted to make a donation to the Phoebe K. Warner Memorial.

Texaco Bridge Club Entertains Husbands

Members of the Texaco Bridge Club entertained their husbands and two outside guests at a 6 o'clock bridge dinner in the De Luxe Cafe dining room Thursday evening.

Mrs. H. Schindler made an arrangement of roses and larkspur for the dinner table centerpiece. Games of bridge followed the lovely dinner and Mrs. J. B. Fairchild was high scorer for the ladies and J. B. Fairchild for the men. Dr. H. Schindler secured high score for the guests.

Those present for the delightful party were: Mr. and Mrs. H. O. Walters and son, Charles; Mr. and Mrs. Floyd Marshall, Mr. and Mrs. Charles Jones and daughter, Jana; Mr. and Mrs. J. B. Fairchild, Mr. and Mrs. Alton Higginbotham; Mr. and Mrs. Leland Zirax; Mr. and Mrs. Jim Coffey; Mr. and Mrs. R. E. Baines and daughter, Barbara Jane; Mr. and Mrs. John B. Hutchinson and son, John Franklin, and Dr. and Mrs. H. Schindler.

ENTERTAIN SPEAKER

Dr. and Mrs. R. L. Kincaid were hosts at their home last Thursday evening with a dinner party to honor Dr. and Mrs. Doyle Jackson of Lubbock, Mr. and Mrs. I. T. Graves and Miss Camille Graves.

Dr. Jackson was the speaker at the commencement exercises of the 1940 graduating class. He and Supt. Graves were class-mates in college. Miss Graves, who attends school at Texas Tech, accompanied Dr. and Mrs. Jackson here for the evening.

General Federation Golden Jubilee Facts

The years 1939-40-41 mark the celebration period of the fiftieth anniversary of the organization of the General Federation of Women's Clubs. Clubs over the entire nation have been requested to celebrate the birthday with some form of ceremony. Many clubs have already honored the founders and the work that has ensued from the organization and others plan to include the celebration in the program of the fall and early winter. The Jubilee programs take various forms but all feature the enviable record of the past half century and forecast what club women will achieve in the next fifty years.

It is desired and predicted that these carefully planned programs arouse a re-dedication of faith in women's organizations; an awakening consciousness of the great potential power of the women of today; and a new inspiration on the part of our women, especially our junior club women, to strive for greater heights than were ever even anticipated by our present leaders or their predecessors.

The Sorosis Club of New York City, the first woman's club organized in America, had its birth in 1868. It was organized by Mrs. Jennie C. Croly, who was better known to the reading public of that time as Jennie June Croly. Mrs. Croly, a journalist and newspaper woman of repute, foresaw a place for woman in the world's activities and followed her inspiration with action in the organization of the Sorosis Club.

Mrs. Croly also proposed on the twenty-first anniversary of this club, a resolution that a convention be called of the clubs that had been organized during those twenty-one years. So it was, that in 1889, there assembled delegates from 61 out of the 97 clubs and an organization was consummated which is known as the General Federation of Women's Clubs, which has for some of its objectives: distribution of responsibility, increase of membership, stressing of the educational value of women's clubs, development of civic power by organized womanhood and democracy in women's clubs.

In the celebration of these fifty years of progress, the Pioneer club women have been and are being honored. There are three classes of Pioneer club women: (1) The club woman who has had the longest continuous membership and service in a club federated with the General Federation and who is living at this time; (2) The club woman who has had the longest and most outstanding record of leadership in a club, county, district or state, affiliated with the General Federation; (3) The pioneer woman, who has had the longest continuous service in a club or federation which is federated with the General Federation, but who is not living at this time. Choice of pioneer club women in the first two classes has been made by the various women's clubs of Crowell and Foard County.

At the present time there are 15,000 clubs in the General Federation with a membership of more than 2,000,000 women.

In the observance of the Golden Jubilee celebrations, club women emphasize their gratitude for the traditions of the past, the accomplishments of the present and hopes for the future.

BIRTHDAY CELEBRATION

The seventh birthday of Jimmie Tom Cates was celebrated by his mother with a party at the family home for a number of his little friends.

Sharon Sue Haney, Larue Graves and De Alva Thomas had charge of the program. They sang "Happy Birthday" and "Oh, Jimmie," to the tune of "Oh, Johnny." Each guest had a part on the program. Ferdinand, the Bull, was pantomimed. Games and a sing-song were also enjoyed.

A pink cake with white candle holders and pink candles adorned the dining table amid pink and white flowers. Pink punch was served with the birthday cake.

Those who were present follow: Larue Graves, De Alva Thomas, Sharon Sue Haney, Marian Hays, Marilyn Hays, Gordon Wood Bell, David Fox, John Sanders, Jimmie Rasberry, Glen David Jobe, Joe Verne Walden, John Thomas Diggs, Baxter Gentry, F. L. Ballard.

Betty Mills, Jean Hughston, Frankie Mabe, Virginia Page McKown, Peggy Weaver, Ramona Cates, Rosamary Cates, Kenneth and Roy Keith Moore of Vernon, Orva Nell and Netadell Moore of Quanah, Mrs. T. S. Haney, Mrs. J. H. Olds, Mrs. Lewis Ballard, Mrs. F. B. Moore and Mrs. Roy Moore of Vernon, and Mrs. Orville Moore and Billie Joe of Quanah.

Nice gifts were presented to Jimmy Tom as birthday remembrances.

ADELPHIAN CLUB

The Adelphian Club met May 8 to celebrate the Golden Anniversary of the General Federation of Women's Clubs. Mrs. Clint White, the Golden Jubilee chairman, was leader of the program. Mrs. Raymond Burrow gave a report of the district convention in Shamrock. Mrs. M. S. Henry gave a history of the General Federation. Mrs. F. C. Brooks played "Beautiful Blue Danube" and "Over the Waves," as piano solo and Mrs. W. A. Dunn sang "Little Old Lady," accompanied by Mrs. Brooks. Mrs.

John Long talked on "The Pioneer Woman" and in very pretty and appropriate words honored Mrs. Sandifer as the woman in the Adelphian Club who had had the longest continued membership in a club federated with the General Federation and Mrs. Henry as the woman who had had the longest and most outstanding record of leadership in a club federated with the General Federation. Mrs. White then presented these two ladies with corsages.

Mrs. Merl Kincaid was hostess for the afternoon and invited the club members into the dining room to be served. The table was beautifully set with its white linen cloth and its centerpiece of old fashioned flowers. At one end of the table was the three-tiered birthday cake with its fifty candles. It was cut and served by Mrs. A. D. Campbell. Tea was poured by Mrs. Henry and served with sandwiches and mints. Plate favors were miniature old fashioned ladies. Others assisting in the serving were Misses Margaret Long, Joyce White and Frances Henry Johnson.

42 CLUB

Mrs. W. C. McKown was hostess to the 42 Club members and two additional guests at her home last Wednesday afternoon. Mrs. J. A. Johnson and Miss Stella Jackson were the guests.

The living room was attractive with bouquets of roses and for the refreshments the tables held roses as centerpieces. A delicious salad course was served.

WATCHES

Factory Cleaned While You Wait

With the installation of a cleaning machine, I am now able to give you the same cleaning service as you can receive at the factory.

Bring your watch in and be convinced that a factory cleaning job is better than a hand cleaning, as in this manner all parts of the watch are cleaned.

All sizes of watches cleaned.

No advance in price of watch cleaned.

GARDEN CLUB FLOWER SHOW

Flower arrangements in profusion are planned for the Garden Club Flower Show and Silver Tea at the Adelphian club house on Friday (tomorrow) afternoon at 4 o'clock.

The following program will be given: Piano music by Miss Dorothy Wingham; reading, Evelyn Jean Seales; "Parade of Live Flowers" by Girl Scouts; duet, Mrs. C. W. Thompson and Mrs. T. B. Klepper.

The guests will be asked to vote on the most pleasing flower arrangement in the following different classes: special, general, novelty and miniature.

For anyone unable to attend at 4 o'clock the flower show will be open from five until six-thirty. The Garden Club is planning for a large attendance as it feels sure that the town will co-operate in this worthy project of piping water to the Girl Scout Little League toward which the proceeds will be applied.

Salt water terrapin and turtles have legal size limits in Texas. Terrapins not less than six inches in length can be legally taken. Green turtles must weigh less than 12 pounds.

THE FORD WAY OF DOING BUSINESS

The Ford Motor Company was founded by a working-man for working-men. Its present officers began as employees of the Company. It was the first company to pay a minimum wage, beginning in 1914, at the then astounding figure of \$5 a day. That was double the prevailing wage of the time. The Ford minimum is now \$6 a day for all employees engaged in production work. And from that, the wages rise to \$10.80 a day, with the average wage \$7.25, exclusive of salaried employees.

The Ford Motor Company was the first large company to establish the 8-hour day—also in 1914. And the 40-hour week was inaugurated by the Ford Motor Company in 1926, years before any such laws existed.

The Ford Motor Company employs men without regard to race, creed or color. It is common knowledge that working conditions in the Ford shops are the best that science and constant care can make them. A square deal, a just wage and stabilized employment for a large proportion of our employees—and as fully stabilized for all as conditions will permit—enable our men to retain their personal independence.

In consequence of these policies the Ford Motor Company has one of the finest bodies of employees in the world. The larger proportion are mature men of long

service with the Company—sober, decent family men. Hundreds of them have been with the Company for more than 25 years—thousands for more than 15 years. Their health record, home ownership and citizenship records are good.

All this is reflected in Ford products, whether cars, trucks or tractors. The work is honestly done. Materials are the best that can be made or procured. Less profit to the Company and more value to the customer is known throughout the motoring world as "Ford's way of doing business."

Ford Motor Company was the first to make a motor car within the means of the average family—quitting the manufacture of what was then the largest selling model in the world to do so. Its chosen field in all the 30 years since that time has been the average American family—for which it has consistently provided car facilities which formerly only the wealthy could buy.

It is the policy of the Ford Motor Company to share the benefits of advanced methods and management with workers and public alike. Increased wages and employment over a period of many years have resulted in

A 300 per cent increase in the built-in value of the Ford car and a 75 per cent reduction in its price.
