Wildcats Play in Iowa Park Tonight; Brockmorton Greyhounds Come Here for Game Thanksgiving Day, Nov. 21

The Crowell High School Wildcats will play their last game away from home this season on Thursday night when they tangle with the Hawks in Iowa Park in a 4-4 game. This contest was set up from Friday night on and of the Coyote-Graham game being played in Wichita on that night.

Thanksgiving Game
Shortly after the mayor of Crowell proclaimed Thursday, Nov. 21, Thanksgiving Day, arguments were immediately made with the Brockmorton of the Greyhounds to come to Crowell on Thursday afternoon and of Friday night. So the game will close the 1940 season with a Thanksgiving Day game with the Brockmorton Greyhounds on the local gridiron on Thursday afternoon, Nov. 21, at 7 o'clock.

Wildcats Favored Over Hawks
The Hawks give the Wildcats the edge in their meeting tonight, but it is acknowledged they will have one of their best scraps when they invade Iowa Park.

Leading the Crowell attack will be Junior Haseloff, end, and A. Y. Leroy Gibson and Bill Ownbeks.

Haseloff, right end, will hold the eyes of the fans tonight as he is expected to be in prominence last when he ran over two touchdowns to stop Archer City on a slick field. He has been an important cog in Coach Grady's grid machine this season as he has carried the ball for yards against teams this season and has also one of the best defense records of the year.

Haseloff is featured on an end-play which he executes perfectly than any wingman in the district. He has carried the ball 35 times this season for an average gain of 21 yards per try.

Another star in the Crowell team is A. Y. Olds, 126-pound center, who carries the most massive quarterback record of the district. Olds, although light weight, has never been completely stopped this season and is the Wildcats' leading scorer.

Probably the most deadly blockers in the district are Bill Ownbey and Leroy Gibson, backs, and Bobby Spears and Daniel Ownbey, guards. Their blocking is mostly responsible for Crowell's success on the gridiron this season. Ownbey and Gibson also handle punting duties for the crowd and are among the best.

Wells, 138-pound pivot, has been named by many as the finest center of the district. He has not been outplayed this season and is one of the strongest defensive men ever to don a football uniform.

At the tackle positions tonight will be T. L. Owens, Charlie Simpson and Murrell Diggs, all (Continued on Last Page)

Redskins Lose

First Game of Season Sunday

Brooklyn Team Wins 16-14; Todd Dropped for Safety

The Washington Redskins lost their first game of the season last Sunday in New York to the Brooklyn Dodgers, 16-14, to break a record of seven consecutive wins and lose their chance to become the first Eastern team to finish its National League schedule.

Safety is Difference
The difference in the score was safety which came when Dick Todd of Crowell was tackled behind his own goal line.

The safety came in the second quarter when Sam Francis, left-footed Dodger punter, kicked out on the Redskins' 8-yard line. On the next play, Todd chose to run the ball instead of punting. He received a bad pass from center and was tackled behind the goal line.

The Dodgers held a 16-0 lead at the end of the third quarter but Washington came to life to push over two quick touchdowns and scare the Brooklyn outfit.

Baugh Sets Record
"Slingshot" Sam Baugh of Sweetwater set a new National League passing record by completing 23 of his throws. Up until Sunday, the record was held by Baugh's former TCU teammate, Davey Owen, who completed 21 passes during a game last year.

T. M. Haney Died Suddenly at Vernon Thurs., 4:30 P. M.

Funeral for Pioneer of This Section Held at Vernon Saturday

Funeral services for T. M. (Mode) Haney, pioneer resident of the Thalia community and father of T. S. Haney and Mrs. John Rasor of Crowell, were held in the First Baptist Church at Vernon Saturday afternoon at 2 o'clock when the seating capacity of the large auditorium and balcony were filled with relatives and friends.

The services were conducted by Dr. Chas. A. Powell of Abilene, life-long friend of the deceased assisted by Dr. E. S. James, pastor of the Vernon church, and Rev. T. J. Dubose, pastor of the Thalia Baptist Church. Special music for the services included a vocal duet by Volus Norsworthy and Miss Doris Oswald, and a vocal solo by Gus Neill of Thalia. Mrs. Neill played the piano accompaniments. Interment was in the Thalia Cemetery under the direction of the Thalia Masonic Lodge. Underwood Funeral Home of Vernon had charge of the funeral arrangements.

Pall bearers were J. A. Stovall, J. C. Taylor, J. M. Jackson, A. B. Wisdom, W. R. Moore and F. A. Brown.

Mr. Haney died suddenly about 4:30 p. m. Thursday. Death was attributed to heart failure induced by shock following a minor automobile collision, in which Mr. Haney's car figured. The accident occurred on the highway near the sales pavilion of the Vernon Stockyards Company, two miles east of Vernon.

He had been attending the reg- (Continued on Page Five)

Date of Meeting of Masonic Lodge to Be 2nd Monday

At the regular meeting of the Crowell Masonic Lodge Monday night, it was voted to change the date of meeting from Monday night, on or before the full moon, to the second Monday night in each month. This change was made for the convenience of members in determining the meeting date.

It was also decided at this meeting that the Crowell Lodge would have a home-coming for all members and former members which will be held some time in January, the exact time to be decided later.

Committee appointed to promote this affair includes T. P. Reeder, Leslie Thomas, A. Y. Beverly, T. B. Klepper and W. S. J. Russell.

Thanksgiving Proclamation

Thursday, November 21, has been officially proclaimed as Thanksgiving Day for Crowell by Mayor C. T. Schlagal, and will be celebrated here on that date.

Last year, President Roosevelt designated November 23 as Thanksgiving Day, but Mayor Schlagal proclaimed November 30 as the celebration date because it would have been too late to make plans for the early Thanksgiving Day. But this year, Mayor Schlagal is following the President and proclaiming November 21 as Thanksgiving Day. Last year, Gov. W. Lee O'Daniel did not designate either date for this state and left the choice to the mayors of the state, but this year he has proclaimed Nov. 28 as the day in Texas.

This will be the first time in the history of the City of Crowell that Thanksgiving Day has come on such an early date.

Following is the Mayor's proclamation:
WHEREAS, President Roosevelt has proclaimed November 21st, as National Thanksgiving Day, and

WHEREAS, A number of State Governors have proclaimed either one or both dates as Thanksgiving Day, and

WHEREAS, There has been some confusion existing as to the celebration date for the City of Crowell; now

THEREFORE, As November 21st seems the most suited day to be celebrated this year as Thanksgiving Day in Crowell, and in agreement with President Roosevelt, I, C. T. Schlagal, Mayor of the City of Crowell, do hereby officially proclaim, designate and set aside Thursday, Nov. 21st, as our official Thanksgiving Day.

C. T. SCHLAGAL,
Mayor, City of Crowell, Texas.

County's First Quota Is Filled With Volunteers

200 Questionnaires for Selective Service Are Mailed Out

The quota set for Foard County in the call for 800,000 men for military training under the Selective Service Act was one man, and this quota was automatically filled by one of the eight volunteers whose names appeared in the last issue of The News.

Another Volunteer
There has been one volunteer made to the local board since the list of volunteers was printed last week. He is Vernon Lee Gaines, Negro, who volunteered on November 11.

Questionnaires Mailed
Immediately after order numbers were given the men between the ages of 21 and 36 in Foard County last week, the local board started mailing questionnaires.

According to reports received from the local board there have been 200 questionnaires mailed to registrants in this county. Following is the order in which the questionnaires have been mailed:

Group No. 1, including order numbers from one through 50, were mailed on Nov. 8 and should have been returned not later than Nov. 13.

Group No. 2, which included order numbers from 51 through 100 were mailed on Nov. 12, and must be returned not later than Nov. 17.

Group No. 3, which included order numbers 101 through 150, were mailed on Nov. 13, and must (Continued on Last Page)

News Will Be Printed One Day Early Next Week

Owing to the fact that Thursday, Nov. 21, has been declared Thanksgiving Day for Crowell, The Foard County News will be printed on Wednesday next week, so that the force can have the full day off Thursday.

We hope our correspondents, contributors and advertisers will co-operate in making it possible to get the paper printed a day earlier. Items from rural correspondents should be in the office Monday or Tuesday. We wish you a happy Thanksgiving and thanks very much for helping us in this manner.

Knox City Woman Hurt Near Foard City After Overturns

Mr. and Mrs. J. J. Mills and son of Knox City were injured when their automobile overturned on State Highway 283 about 10 miles south of Crowell last Sunday afternoon. It was reported that a tire blow out caused the accident. The vehicle overturned three times and was badly damaged.

Mrs. Mills received three broken ribs and internal injuries and Mr. Mills suffered a painful gash in the top of his head. The boy escaped with minor bruises and cuts.

Mrs. Mills was taken to the Knox City hospital in an ambulance from the Womack Funeral Home of Crowell.

Last Rites for C. E. Gafford Held Monday

Foard Citizen Died in Vernon Hospital Sunday Morning

Funeral services for C. E. Gafford, 58, resident of Foard County since 1899, were held from the First Methodist Church of Crowell Monday morning at 10 o'clock with Rev. Almus D. Jameson of Lake Charles, N. M., officiating. He was assisted by Rev. W. B. Hicks, pastor of the Crowell Methodist Church. The auditorium and balcony were filled with relatives and friends of this well loved citizen.

Interment was made in the Crowell cemetery with the Womack Funeral Home in charge of arrangements.

Mr. Gafford died in a Vernon hospital Sunday morning at 2:40 o'clock after a serious illness of about ten days. He had been in bad health for over two years.

Active pall bearers were I. T. Graves, L. A. Andrews, John Rasor, H. C. Roark, Tom Bursey and C. F. Hunter.

Nieces acted as flower bearers and were as follows: Mrs. Than Seaman of Sulphur Springs, Mrs. Hadley Thomson of Altus, Okla., Miss Elizabeth Baucum of Guthrie, Okla., Mrs. Willis Jinks of Iowa Park, Mrs. Moody Bursey of Crowell, Mrs. Jack Kays of Wichita Falls, Mrs. Gaston Jackson of Afton, and Mrs. Allen Jinks of Wichita Falls.

Born in Sulphur Springs
Charles Ernest Gafford was born in Sulphur Springs, Texas, on July 15, 1882, and lived near that city until moving to Foard County with his parents in 1899.

Here, the Gafford family settled on a farm about 4 miles north of Crowell.

Mr. Gafford married Miss Iva Tuttle in Crowell on June 16, 1909, and six children, all of whom survive, were born to this union. In 1917, Mr. Gafford moved to a farm on Pease River about 10 miles northwest of Crowell, and made his home there until his death.

He was very active in the development of public schools in this county as he had served as a school trustee here for many years. He served the Jameson school in his own community as trustee for a number of years until that school consolidated with the Crowell Independent School (Continued on Page Five.)

A group of representatives from Seymour, headed by Judge O. McDaniel, will be present for the meeting, during which further plans will be laid to obtain state designation of a highway from Crowell to Seymour.

This meeting will be open to the public and all those interested in this proposed highway are urged to be present.

County Is Gripped by Freezing Weather Following Norther

Foard County received its second freeze of the year shortly after a norther swept over the county late Sunday night.

Thermometers have dipped below the freezing point every night this week and it is almost certain that King Winter has finally taken his grip on the country.

The lowest temperature recorded here was on Wednesday morning when the mercury stood at 18 degrees.

COTTON REPORT

There were 5,271 bales of cotton, counting round bales as half bales, ginned in Foard County, from the crop of 1940 prior to Nov. 1, 1940, as compared with 8,295 bales ginned to Nov. 1, 1939, according to the Government report handed to The News by E. M. Crosnoe, cotton enumerator for Foard County.

Renews 43rd Time

About this time every year for many years, we have received a check for the renewal of the subscription of J. E. Coffman of Albuquerque, N. M., former pioneer resident of Foard County. This is the 43rd year that Mr. Coffman has been a subscriber to this paper.

In his letter Mr. Coffman says: "I am counting the months until the 50th anniversary jubilee celebration when I hope and expect to see all of you."

The annual Roll Call drive of the Foard County Red Cross Chapter for its quota of 250 members was launched with a breakfast for the workers at the De-Luxe Cafe Tuesday morning.

The meeting was presided over by C. R. Seale, roll call chairman, and interesting talks were made by Mr. Seale, George Self, chairman of the Foard County Red Cross Chapter, and Judge Claude Callaway.

Mr. Seale outlined the plans for the annual membership drive and issued materials to the workers. Mr. Self briefly told of the work which the Red Cross is doing in this county, and Judge Callaway told of the work which the Red Cross had done in this county while he was county chairman several years ago.

This drive is not to be confused with the war relief drive made by the local chapter during the summer. At that time voluntary contributions were called for and workers did not take the field. But during the next week practically every one in the county will be contacted by the various workers.

Fifty per cent of each one dollar membership received by the workers will remain in the local treasury and the remaining fifty per cent will be sent to National Red Cross Headquarters in Washington, D. C. The money remaining in Foard County will be used locally, and during the past year 85 persons received aid from the local chapter. Money raised in this drive will be used in this county during the coming year.

Workers and their districts are as follows:

Business section of Crowell—John Rasor, Ernest Patton, Miss Blanche Hays, Miss Bertha Womack, Miss Thelma Lois Moore, Miss Marjorie Spencer, Henry Black, Miss Lottie Russell, and D. R. Magee.

Crowell schools—Mrs. F. A. Davis.

Residential section of Crowell—Mrs. W. B. Johnson, Mrs. L. A. Andrews and C. B. Graham.

Texaco Plant Community—Mrs. F. M. Marshall.

Vivian—Miss Rosalie Fish.

Thalia—W. L. Woods.

Margaret—Mrs. W. A. Dunn and Mrs. J. S. Owens.

Riverside and Rayland—Mrs. John S. Ray.

Foard City—Grady Halbert.

Girl Scouts to Aid

Members of the Crowell Girl Scout troop will aid in the membership drive on Saturday. A booth will be erected on one of the business section streets for the Girl Scouts, who will solicit for members. The Girl Scouts have aided greatly in drives of the past and the work is greatly appreciated by Roll Call officials.

Red Cross Officials

The Red Cross officials are taking an active part in this annual membership drive and are as follows: George Self, chairman of the Foard County Red Cross Chapter; Miss Maye Andrews, newly appointed treasurer; Jack Seale, roll call chairman; and Henry Ashford, publicity chairman.

Man Escapes Injury When Car Crashes Near Thalia Saturday

A man whose identity was not learned escaped serious injury when his car overturned on the curve a short distance west of Thalia Saturday afternoon. The cause of the accident which completely demolished the automobile was not learned.

Witnesses stated that the car overturned several times and that the man was thrown out the first time it turned over.

He was brought to Crowell for medical attention and later left Crowell for Lubbock by bus.

IN THE NEWS...
40 YEARS AGO

In the Nov. 9, 1900, issue of The Foard County News, a 2-column item by Robt. L. Taylor under the head of "Advice to Politicians," appeared. Excerpts follow:
"To the Politicians: My Dear Sweet Old Angels—With tearful eyes and breaking heart I leave your shining ranks. My tears are tears of gladness; my heart is breaking for joy.
"Somehow or other we have never flocked together in the paradise of politics. You wanted me to blow your trumpet, but I preferred the mellow notes and softer tones of the old-time fiddle of the people. I am aware that the good, old-fashioned popular airs which thrilled the hearts of our fathers are not in favor now with your angelic majesties. Our country is keeping step to the modern boom-de-aye of ring politics, and waltzing to the earth-racking and sly-rending music of modern 'Vogners.' Our statesmanship now trips the light fantastic toe in the latter-day gold-standard 'german' and the imperial expansion 'skirt-dance,' at the expense of the people and the peril of the nation."

Mr. and Mrs. J. C. Harrison were trading in the city last Thursday.
J. P. Nichols' new house is nearing completion.
Dr. Adams is preparing to erect a new building at his residence.
Sunday at 11 and at night, Rev. C. E. Lindsey conducted his last service at this place for this conference year. It was a touching service throughout and its effect was manifested by the falling tears and throbbing hearts of his audience.
Bro. Lindsey has endeared himself to all the people within his pastorate. His faithful, zealous, Christian conduct, and brotherly love has made an impress upon minds that will be as lasting as time itself.
George McKown and family were in the city this week.
A. F. Barkley clothed himself with glory Tuesday and an overcoat Thursday.

Why does Phillips 66 Poly Gas start cold motors faster?
Because it is higher test... more volatile! Actually higher test than most premium gasoline which sell for 2¢ more per gallon.

IMPORTANT NOTE:—This remarkable fact was proved by scientific laboratory study of 30 separate samples of 19 different premium gasolines. The Volatility Number (high test rating) of Phillips 66 Poly Gas was 50 per cent higher than the average Volatility Number of the premium price motor fuels.

Is volatility important? Here is what the impartial Petroleum Marketer Magazine says, August 1940 issue, page 9:
"... the successful operation of a gasoline in an automobile engine depends more upon volatility than upon any other factor."

So when you want faster cold-weather starting, remember that Phillips 66 Poly Gas is higher test, more volatile, than others.

Why don't you have to pay extra for this extra high test? Because Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline. Stop for a trial tankful at any Phillips 66 Shield.

The Title Deed to Answered Prayer

Text—Faith is the substance of things hoped for.—Hebrews 11:1. Prayer is the mightiest weapon against evil which God has put in the hands of the one who has received Christ as Saviour and is trusting in His precious blood. When a Christian really prays, he exercises faith in God the Father, and offers his petition in the name of the Lord Jesus. This act of faith is the substance of that thing which we pray for.

Now, what does that word "substance" mean? The Greek word from which it is translated, is found in a very interesting connection which illustrates its use in the first century and also in this passage.

Back in those days lived a woman called Doonvsia, a person of set jaw and grim determination. She had lost a case in a local court of law over a piece of land to which she laid claim. Not being satisfied with the decision of the judge, she was taking the case to a higher court in Alexandria, Egypt. The slave who carried her legal documents in a stone box perished one night while on his way to Alexandria, when the inn where he slept burned down. The charred bones of the slave and the stone dispatch box were covered by the sands of Egypt until recently, when archaeologists discovered them. The box was opened and the woman's note to the judge was found. It read: "In order that my lord, the judge, may know my appeal is just, I attach

my 'hypostasis.' It was the word used in Hebrews 11:1. The attached legal document indicated by this word was found to be the title deed to her property.

"Faith is the title deed of things hoped for." The Spirit-energized act of faith is the title deed which God gives us, guaranteeing to us the ownership of the thing for which we trust Him. If we do not receive the answer at once, or next week, or next month, let us rest content with the title deed until the answer comes.

Influenza Prevalent in Texas Past Four Weeks, Ending Nov. 9

Austin.—Prevalence of influenza in Texas increased 80 per cent in the four-week period ending November 9 over the previous month's total cases, according to Dr. Geo. W. Cox, State Health Officer.

Dr. Cox pointed out that the present prevalence of colds and more serious affections of the upper respiratory tract places a definite responsibility upon the public. Mass control measures are not especially adaptable to this problem.

On the preventive side, the general rules against acquiring contagions of this type are applicable. The thoughtful person will follow them as closely as personal conditions permit.

In the current prevalence of the influenza cases, while scattered over wide areas of the state, do not possess the virulence of peak influenza epidemics, though their seriousness by no means should be discounted by this fact.

The termination of acute symptoms does not indicate complete recovery. Many persons, believing this to be true, have prematurely returned to their daily routine only to suffer a relapse.

Others plod along in a weakened state, harbor a sub-acute cold, and by continuing to lower their resistance invite prolonged trouble.

Persons under a physician's care will be properly advised as to convalescent care. The great danger lies with those who treat their "colds" themselves, and re-

Chevrolet Sets All Time High in New Car Sales in October

Detroit, Nov. 9.—It was stated today by W. E. Holler, general sales manager of Chevrolet, that Chevrolet dealers had sold at retail during October a total of 99,822 new passenger cars and trucks.

This figure sets an all-time high October sales record for the company and exceeds by 8,705 units the number of Chevrolets retailed in the comparable month of 1927, which was the highest previous October in the company's history.

Mr. Holler further stated that used car sales likewise established a new all-time high October sales record in this important division of the business. A total of 146,162 used cars and trucks were sold which represents an advance of 13.0 per cent over the preceding month this year.

What We Think (By Frank Dixon)

It is said that in time of severe physical stress the human body breaks down in its weakest point. If one's eyes are the weakest the sight begins to fail. If one's back is weakest it begins to fail. If one's nervous set up is weak it begins to fail. Whatever the weakest point is, it is first to show up when the test and extra pressure comes.

The same thing is true of a business organization. As long as things are going smoothly most any sort of set up will function, but when stress and pressure comes the weakness will begin to be revealed.

The same thing is true of a government or an economic system. As long as things are rolling smoothly and times are good, and crops are good, and the industries are on the move most any sort of economic set up will serve. But when drouth comes and markets are glutted with farm and industrial products and depression overtakes a country, then the weaknesses of the economic system shows themselves.

This is what happened in the United States in 1929. The economic system was not prepared for the thing that came, and before anyone realized it the country was in the midst of a depression and millions became unemployed. The whole system seemed to bog down.

We believe that when the necessary corrections are made and business and the country gets back upon its feet, as we have no doubt at all that it will, this country is going to be on a better and more sound footing than it ever has been in the past. It is going to be stronger than it ever has been in the past.

The pity of it is that we are not able with our finite minds to foresee these conditions and to do the things that should have been done before the whole country became prostrate upon its back.

The depression has caused many defects to be remedied, and movements have been started that will strengthen our system greatly for future stresses and strains. There is one thing, however, that I do not believe has been worked out. In fact, little has been done at all with it. I refer to the problem of the youth, not the young problem, but the problem of the youth.

Under the present order, the young people of the nation graduate from school and college, prepare themselves for life, and find no place in which they fit into the scheme of things. In the adult world in which they find themselves, adults can offer them no answer, no solution to their problem. They are at an age when the natural mating instinct calls with all its power. They desire to marry and establish themselves in homes. They have done everything the adult world provided to fit themselves to this end, and, having prepared themselves, find themselves thwarted, baffled, defeated, confused and bewildered.

It is natural that they become fertile soil for foreign isms that irresponsibly promise a solution to their problem. The leadership of the isms point to the leadership of the democracy and says: "They have done nothing for you. They can do nothing for you. We will provide a way."

This, as I see it, is the biggest problem before this democracy. It cannot be evaded or overlooked. It must be solved and it must be solved soon. A democracy cannot safely ignore this problem or safely fail to provide a solution for it. It is just now our biggest problem.

Crowell 'B' Gridders Beat Quanah To Hold Perfect Season Record

The Crowell Wildcat "B" team maintained their undefeated record by smothering the Quanah Indian "B" eleven under a 25 to 0 score in their game played on the Crowell High School gridiron Wednesday afternoon.

The Crowell boys, who will be the Wildcats of 1941, have played six games this season and did not have too much trouble in winning either of the contests. They defeated Paducah twice, Quanah twice and Vernon twice.

In the game Wednesday afternoon, the "B" Wildcats scored against Quanah in each quarter of the game while holding their opponents at bay during the entire playing time. The Quanah lads did not penetrate the Crowell 30-yard line.

Albert Bird, quarterback, opened the scoring when he smashed through center to break into the open and gallop about 30 yards for the touchdown. Bird also plunged the ball over for the only extra point of the game.

Bird also accounted for the second Crowell score when he scampered left end behind effective blocking to race 50 yards for pay dirt. The score came in the second period.

In the third period, the Wildcats tallied again when Dewit Cauthan, fullback, plunged through center to find his way open to the goal line 25 yards away. Bird scored the final score in the last quarter when he intercepted a Quanah pass and carried it back for about 20 yards.

Playing on a wet, elusive ball and on a wet field with rain coming down during the entire playing time, Coach Grady Graves' Crowell High School Wildcats were brought from behind in the fourth quarter by the flying feet of Junior Haseloff, right end, to turn back the Archer City Wildcats, 18 to 13, in a conference game of which the winner has been picked to cop second place in District 9-A.

The Chillicothe Eagles appeared to be safely on their way for their first District 9-A championship after bumping the Throckmorton Eagles from their path last Friday night with a 13-0 score. The Eagles have only to play the Seymour Panthers, one of the low ranking clubs of the district, to complete their schedule.

The Crowell Wildcats won the game which dopsters declared the winner would land in second place at Archer City over the Wildcats, 18-0.

Truscott Blasts Sunset, 41 to 0, On Muddy Field

The Truscott Bulldogs overpowered the Sunset six, 41 to 0, on a muddy field last Friday afternoon to ring up their second conference victory of the season.

The Bulldogs scored the first time they came into possession of the ball and tallied two more touchdowns and an extra point to place the score at 21-0 at the half time. The second half saw the Truscott six score 20 points while holding Sunset scoreless.

The most spectacular play of the game was when Young of Truscott took a punt and threaded his way for 75 yards and a touchdown. The score was made possible with a bit of effective blocking by A. Smith.

Sunset nearly scored on several occasions but each time their threat was stopped when the muddy ball slipped away from pass receivers.

In addition to the touchdown and drop-kick by Young, Massingill made three touchdowns. Kelton registered two touchdowns and one extra point. A. Smith was responsible for a safety for two points.

The starting lineup for Truscott was as follows: Cook, A. Smith, Young, McMinn, Kelton and Massingill.

The appointment of Elliott Roosevelt to a captaincy in the air service at \$316 a month has brought a great deal of criticism. It develops that Mr. Roosevelt gave up a job paying \$76,000 a year to become a captain at \$316 a month. In commenting on the situation Walter Winchell said: "There is nothing unprecedented in Elliott Roosevelt's appointment. In 1865, a year after his graduation from Harvard, Robert Lincoln, son of President Abraham Lincoln, was commissioned a captain on the staff of Ulysses S. Grant, at the age of 22."

Approximately 111,000 children in 1,684 Texas schools benefited from the Texas free school lunch program last year.

Archer City Scores First Early in the second period, Archer City came to life to put Crowell behind by taking advantage of a couple of breaks to score. Archer City recovered Leroy Gibson's fumble on its own 36 and pushed the ball to the Crowell 44. Here Johnson punted and Olds touched the ball only to have an Archer City lad scoop the pigskin up on the Crowell 9-yard line. From that point, Johnson drove through center for the touchdown.

Crowell Retaliates With the stage so abruptly changed, Archer City fans went wild but on the following play their joy was suddenly cooled. Archer City attempted to kick out-of-bounds, but Haseloff picked up the ball on his own 30 and started up the right sideline breaking a screen of blockers to break into the open and outdistanced the Archer City lads for 70 yards. So again the stage was re-set with surprising swiftness.

The Crowell boys struck swiftly during the next five plays to cast the gloom over to the Archer City camp. Diggs kicked to the Archer City 10 and on a hand-off, Johnson tried the old hidden ball trick by carrying it behind his back. This trick backfired when Gibson jolted him loose from the ball with a tackle and W. D. Hudgens, left end, recovered for Crowell on the Archer City 22. On two plays, Olds made 3 yards and Gibson passed to Haseloff to put the ball on the 5-yard line and on the next play, Olds sped through left tackle to cross the goal line standing up. Again Olds'

Archer City Scores First Early in the second period, Archer City came to life to put Crowell behind by taking advantage of a couple of breaks to score. Archer City recovered Leroy Gibson's fumble on its own 36 and pushed the ball to the Crowell 44. Here Johnson punted and Olds touched the ball only to have an Archer City lad scoop the pigskin up on the Crowell 9-yard line. Crowell held for three downs and on the fourth down received a defensive penalty of 5 yards to give Archer City a first down on the 5-yard stripe. From that point, Johnson drove through center for the touchdown.

Crowell Retaliates With the stage so abruptly changed, Archer City fans went wild but on the following play their joy was suddenly cooled. Archer City attempted to kick out-of-bounds, but Haseloff picked up the ball on his own 30 and started up the right sideline breaking a screen of blockers to break into the open and outdistanced the Archer City lads for 70 yards. So again the stage was re-set with surprising swiftness.

The Crowell boys struck swiftly during the next five plays to cast the gloom over to the Archer City camp. Diggs kicked to the Archer City 10 and on a hand-off, Johnson tried the old hidden ball trick by carrying it behind his back. This trick backfired when Gibson jolted him loose from the ball with a tackle and W. D. Hudgens, left end, recovered for Crowell on the Archer City 22. On two plays, Olds made 3 yards and Gibson passed to Haseloff to put the ball on the 5-yard line and on the next play, Olds sped through left tackle to cross the goal line standing up. Again Olds'

Bill to Be Introduced in Coming Legislature by West Texas Chamber to Modernize State Government

A week-end announcement by the West Texas Chamber of Commerce told of the completion of its bill for introduction at the coming session of the Legislature of Texas embodying the regional chamber's plan for reorganizing and modernizing the budgetary functions and the administrative machinery of the state government.

The bill will be introduced by Rep. Joe Humphrey of Abilene. Humphrey is known as a student of governmental practices, holding a master's degree from Southern Methodist university. He has made a close study of the WTCC program and, in a statement, expressed the confident opinion that "this bill and plan supplies the whole answer to our present haphazard, makeshift and piecemeal system in fiscal affairs."

"We are ready to start firing," said J. S. Bridwell, president of the West Texas Chamber of Commerce. "Our program, carrying the bill, is set forth in detail in a pamphlet prepared by D. A. Bander, our general manager, and Dr. Geo. C. Hester, head of the school of government in southwestern university. The plan and procedure have been approved by our Public Expenditure Commission headed by Judge Jas. D. Hamlin of Farwell. The pamphlet is ready for the printer and soon will be distributed for study by legislators, the taxpayers and all who are concerned over the problem and the need for gearing the structure of Texas government to the tempo of a modern world where inefficiency is no longer excusable and may spell catastrophe."

Problem, Remedy, Benefits
The WTCC plan is a study of the state's management problem, offers a remedy, and recites benefits to accrue from its adoption. It says, as to the problem, that the state has property and investments worth hundreds of millions of dollars and spends annually around 175 millions—"more than the cotton income from all the farms in Texas."

This largest business institution in Texas, consuming so much from Texans' income, is—says the WTCC—run without adequate financial plan or control and amid confusion of responsibility and management; without adequate accounting or auditing including independent post-auditing; without adequate information made available to the Legislature, the policy-determining and appropriating branch; and with far too many agencies and departments (more than 100 at present) each independent of the others.

The West Texas chamber contends the remedy lies with the legislature. The bill drawn to meet the problem, to be introduced by Rep. Humphrey, provides for continuous supervision of state expenditures and receipts through definite, centralized control; for direct, financial planning; for an adequate system of centralized purchasing of state supplies, materials and equipment. It provides a system of accounting control and independent auditing; co-ordination of the staff services of the state; a civil service system for employment of non-policy personnel on basis of merit and open competition. It consolidates the state's 100-odd agencies into not more than 18 departments; provides for the supply of complete information on administrative affairs to the legislature; and, in the whole, aims at the installation of a more business-like administration of affairs for the benefit of taxpayers.

Legislature To Be Told
"The whole plan," Manager D. A. Bander said, "rests on recognition of the constitutional functions of the legislature. It has for its objective the providing of sound means of planning, placing and executing duties and responsibilities, and handling of funds entrusted to the government. Its adoption for Texas will, we feel certain, simplify and improve the administrative machinery, accomplishing this in a democratic way without delegating distasteful power to any person."

Dr. Geo. C. Hester said: "If it works as similar plans are working in other states—notably Minnesota, Nebraska, Virginia and Kentucky—it will save millions of dollars for Texas taxpayers."

A general meeting of the plan will be called during this month. Bander said, to be held under the direction of the WTCC's Public Expenditure Commission. Allied with Hamlin's commission are a Sinking Fund Investment commission and a Budget Analysis staff composed of technical experts. Bander and Dr. Hester

District. Following this, Mr. Gafford became a member of the Crowell school board and served in that capacity for 13 years and was an active member at the time of his death.

He was converted and joined the Crowell Methodist Church in 1931 and had served the church faithfully since that time and was a member of the board of stewards for the past six years. He was also a member of the Masonic Lodge, having joined that organization at the age of 21 years.

Survivors include his widow; four sons, William, Otis, Jim Riley, all of Crowell, and Edward of Fort Ringgold, Texas; two daughters, Mrs. George Davis and Miss Iva Ruth Gafford of Crowell; four sisters, Mrs. J. Sid Lindley of Sulphur Springs, Mrs. Joe Jackson of Afton, Mrs. Lula Ramey of Wichita Falls, Mrs. Lizzie Baucum of Guthrie, Okla.; three brothers, Ellis Gafford of Sulphur Springs, Bill Gafford of Duncan, Okla., and Gordie Gafford of Electra; three grandchildren, Charles Leslie Gafford, George Ann and Patricia Davis, all of Crowell; and a large number of other relatives.

Out-of-town relatives present for the funeral services were Mr. and Mrs. Joe Jackson of Afton, Mr. and Mrs. J. Sid Lindley of Sulphur Springs, Mrs. Lula Ramey of Wichita Falls, Mrs. Lizzie Baucum and daughter, Elizabeth, of Guthrie, Okla., Ellis Gafford of Sulphur Springs, Bill Gafford of Duncan, Okla., Mr. and Mrs. Gordie Gafford and sons, Gordon, Billie and Marshall, of Electra; Mr. and Mrs. Gaston Jackson of Afton, King Lister of Childress, Mr. and Mrs. Than Seaman of Sulphur Springs, Mrs. Beulah Gafford and son, Herschell, of Wichita Falls; Mr. and Mrs. Willis Jinks of Iowa Park, Mr. and Mrs. Allen Jinks of Wichita Falls, W. L. Jinks of Dallas, Mr. and Mrs. D. E. Thomson and grandson, Kenneth, of Quanah; Mr. and Mrs. Hadley Thomson of Altus, Okla.; and Mr. and Mrs. Gregg Lawrence of Bay City.

ular weekly auction and was returning home. As he turned his car onto the highway it collided with a car being driven east by Roy L. Taylor of Fort Worth. Both cars were moving at moderate speeds and neither machine was seriously damaged. Mr. Haney was not injured in the collision and got out of his car and conversed with bystanders who had been attracted to the scene. He suddenly collapsed.

Dies in Ambulance
An ambulance of the Underwood Funeral Home was summoned and the stricken man was rushed to a hospital. He was unconscious but still breathing when placed in the ambulance, but he expired before the hospital was reached. Examining physicians pronounced death due to natural causes. Mr. Haney had been suffering from weak heart action and death was attributed to the shock and excitement of the collision. No blame was attached to the driver of the other car and witnesses said the accident was unavoidable so far as Mr. Taylor was concerned.

Native of Tennessee
T. M. Haney was born in Benton County, Tenn., May 2, 1869, and as an infant was brought to Texas by his parents in 1871. The family settled near Springtown in Parker County. Mr. Haney came to the Thalia community in 1885 and lived in that community until two years ago when he moved to Vernon from the town of Thalia where he and his family had lived for twenty-two years. He was married to Miss Annie Drake on Aug. 25, 1892.

Taking an active part in farm organizations from the time of the Grange and Farmers Union, Mr. Haney was long prominent as a leader in farm movements. He was one of the founders of the Co-Operative gin at Thalia and served as president of the gin's board of directors from 1922 until 1938, when he retired from active affairs. He was a member of the Thalia Masonic Lodge.

Survivors include his widow; three sons, E. M. Haney of Vernon, C. D. Haney of Thalia, and T. S. Haney of Crowell; four daughters, Mrs. John Raser of Crowell, Mrs. W. H. Rowand of Plainfield, N. J., Mrs. F. H. Williams of Wichita Falls, and Mrs. Vance Swaim of Lubbock; one sister, Mrs. Eugene Emery of

Independent Grocers Adjust Themselves to Chain Competition

Although modern big business methods are popularly supposed to have driven the independent merchant to virtual hiding, Government statistics show that last year 66 per cent of the nation's food bill was paid to the 40,000 independent merchants and only half as much to the chain stores, writes Jesse Rainsford Sprague, noted business commentator, in the current Rotarian Magazine.

"If you believe a small businessman hasn't a chance against the competition of big, corporate business, have a talk with Mr. Jones, the groceryman around the corner," Mr. Sprague advises. "His seems a pretty hopeless situation. Yet he manages to pay his bills and keep going."

Hill. "The Taming of the Shrew," Laura Bell Whitfield.

OUR SYMPATHY Crowell High School wishes to express its sympathy to Iva Ruth Gafford for the loss of her father. We realize that the town has lost an interested citizen, a loyal, efficient school board member and a friend.

OUR RESERVE TEAM (Elsie, Dorene and Frances) Do we give our football substitutes enough praise?

After all these little boys of today will be our football heroes of tomorrow.

Praise gives confidence and courage, so here's to our subs. Bear these words in mind—spoken by the greatest coach of all modern times: "It takes as much 'spunk' to be a good substitute as it does to be a first stringer."

Albert Bird—"Booty" is the bird of the subs—fast as a chipmunk, he flies low and hits hard. Wilburn Davidson, "Web" for short. An end the line couldn't do without.

Paul Vecera—like the first letter in his name, shows lots of "vim," "vigor," and "vitality," in breaking up passes and stopping enemy secondary rushes.

David Parkhill—He parks his opponents on a hill. Harold Canup—A ruff tackle and sets the sparkling defense mark for his team mates.

Alton Roark—"Shorty" is a devastating blocker. Daurice Naron—is the work horse of the team. He throws blocks, tackles, and runs with the ball when those things most count.

Charles Nelson—is the field general. He is a smart signal selector, and his quick kicks keep the opponents constantly in hot water.

Dewitt Cauthan—leaves the glory to his team mates. He isn't a flashy ball carrier, but those who know football know that if it hadn't been for his timely blocks, lots of gains would be marked up as losses.

Rudy "Moonglow" Haleneak plays lots of guard, and is the biggest little man on the team.

"LONG TIME, NO SEE, HOW COME?"

There's a "little CHS gal" missing and we're not telling her name, but (sh-h-h-h), her initials are Juanita Shultz. Missing people isn't much fun; ho, a quick recovery to you, Juanita! Hurry back to school!

"THE SPECTATOR"

The first of our speaking is Pearl Porter, whose analysis of character would be, we believe, an intelligent person and one who will really gain her goal in life, if she'll use the common sense we give her credit for.

The gentleman next in esteem among us is Duane Capps, "a man of great probity, wit and understanding."

Next, Billy Klepper, "a gentleman of good understanding, and invincible modesty."

Miss Yeats, a woman who "preserves a respect founded on her benevolence, lives like a princess rather than a master. Her orders are received as favors rather than duties, and the distinction of approaching her is part of the reward for executing what is commanded by her."

Elsie Vecera, "a girl of honor and generosity, considers it would be miserable to herself to have no will but that of another."

Richard Bird, whose person is well turned and of good height. He is very ready at that sort of discourse with which men usually entertain women. He has all his life dressed very well.

Miss Cogdell, one of officiance, a person with attractiveness and a ready wit and humor. She has much of the trait of friendliness.

LIBRARY NEWS

What's new in our library? Books! How unusual! Books in a library. But seriously, we are proud of our new books. They're fiction, prose and just everything! Some of the best books there are, are in our library. Of course, all of them were checked out the first day, but be patient, children, they'll soon be in again soo-o-o-o read 'em and weep!

PLEASING PATTEN

"He walks as if balancing a family tree on his nose"—Lowell Campbell. "He's all sail and no anchor." "Gabby" Randolph. "Busy as a cat with two mice." "Mr. Foster. "As nervous as a candleflame." "Joan Gentry. "Restless as a rumor."—Gene Fitzgerald. "Bulldogmatic."—Joe Wells. "Unpredictable as a humming bird."—Marjorie Young. "She meets life as if it were her own invention."—Dorene Gibson. "A mind like a flash of lightning, quick but crooked."—You guess!

"She is a long stalk of loveliness."—Billie Jean Hudgeons. "She holds up her end of the conversation until it is practically perpendicular."—Billie Kline. "He's a sophisticad."—Ralph Flesher. "They sandpaper each other's temperaments with a few words."—Evelyn J. Scales and Virginia Thomas. "Jubilant as a flag unfurled."—Betty Owens. "She came into the room like

CAMPUS CHAT

Greetings, mates! How do you rate? Well, me now, I don't rate a 'tal, I just percolate. You know, boil every time I get mad.

Saturday night at Margaret Claire's party, Evelyn Jean Scales caught her dress on a chair and ripped the hem out. Charles Davis brightens up out of the fog and says, "She's pretty bad off without a hem." (him). Get it?

It's being rumored that H. A. Phillips is going to move to Levelland. We're certainly going to be sorry to see him go.

Have you noticed that glittering array of rings on Stanley Sanders' hand? He wears a 1940 ring and Theda Wright is wearing a 1941 ring. Heh! Somebody is all mixed up!

That guitar-playing, girl slaying, Romeo from the country! None other than Wilburn Davidson. He has stolen the heart of Belle, our typical CHS Girl, and we don't mean maybe!

Billy Diggs doesn't seem to have the knack of following in his brother's footsteps where girls are concerned. Don't let that stop you, girls!

What a gal that Marjorie Davidson is! She has a boy friend on every corner.

What was Nora Carl Zeibig doing out at 2:15 Saturday night or rather morning? It might be "Oh, hello, Joe!" Anyway we know it must be lov.

Why does Lorine Odle go around singing "O Laurence" instead of "O Johnnie"?

If you notice, Marie Davis doesn't like leaving her locker very much. Reckon Mr. Lewis is around or sump'n?

Clay Vessel and Mentie Brisco make a swell couple. They're both lucky.

We just can't find out who Bobby Russell's girl friend is! We're guessing that Bill Owens likes that pretty little girl, Helen Callaway.

It seems Billy F. Short gets around with Ann Favor, one night and with a cute little seventh grader next.

We wish we knew who Jane Roark's S. P. is (Figger it out). Typical Sayings: Mrs. Sloan—Now, use your common sense; Billie Kline—Go eat a big juicy one; John Raso—Hush, Cobby; Miss Yeats—(Explaining a term in bookkeeping)—A man proposes to a girl and when he goes home he doesn't think about it any more so he forgets the whole idea.

By the way, one swell guy is Clark Golden! Yours with a brain that feels like a pincushion stuck full of things to do. KITTY.

CHURCHES

Christian Science Church Sunday School at 10 a. m. Sunday services at 11 a. m. Wednesday evening services at 7:30 o'clock.

Sunday, November 17, 1940. Subject: "Mortals and Immortals." The public is cordially invited.

East Side Church of Christ Each Lord's Day—Bible classes at 10 a. m. Worship service at 10:45 a. m. Evening service at 7 o'clock. Mid-week Bible class each Wednesday evening. "Come now, and let us reason together, saith the Lord."

Christian Science Services "Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 17.

The Golden Text is: "He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal" (John 12:25).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, now are we the sons of God, and it doth not yet appear what we shall be; but we know that, when he shall appear, we shall be like him; for we shall see him as he is" (I John 3:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man in the likeness of God

as revealed in Science cannot help being immortal" (page 81).

Revival At the Assembly of God Church We are inviting everyone to attend the on-coming revival at the Assembly of God Church, conducted by Sister Beatrice Martin and her evangelistic party, coming to Crowell from Brownwood, Texas. To begin Sunday evening, Nov. 17, and run as the Lord leads. There will be services each evening at 7:15 o'clock. Special singing will be the main feature of these services. Come and hear the old-time Gospel preached. We covet the prayers of all Christians that God will give us a great revival here in Crowell.

H. C. BROWN, Pastor.

Two Minute Sermon (By Thomas Hastwell) Living Our Religion: Not long ago I visited a Sunday School class of small boys. The lesson was on Christian Living and Christians. The teacher asked the class to name some of the men and women they knew who were Christians and who were living Christian lives. A certain man of the community was mentioned as an example of a Christian. "I don't think he is a very good Christian," one of the boys said. "He is cranky and mean and stingy and grouchy and I don't think a man who is a Christian is like that. The teacher sidetracked the discussion in a tactful manner. I thought to myself during the rest of the class period the little boy was right. No man who is a Christian should be grouchy and mean and stingy and cranky. These are not

the qualities of a Christian. A Christian should be kind and generous and happy and helpful. If he isn't, his religion isn't helping him very much. Every thing about the Christian religion is designed to cause one to be happy, cheerful, kind and generous. If a Christian has not these qualities he isn't living his religion.

Excellence is never granted to man but as a reward of labor.—Sir Joshua Reynolds.

OUR SUPERINTENDENT Our superintendent, and are we proud of him! And of course, we say have been, but now we have double reason, triple reason, many more reasons to be glad the depth of our Crowell High School souls that he's ours! Probably, "ours," sounds too possessive or something, but happy we are that it's true. Many of us heard his speech on "Parent-Teacher Association" at he made over the radio on Wednesday, Nov. 8. He not only had a wonderful speech but also a marvelous manner of presentation. On Nov. 22, Mr. Graves will speak at the State Teachers' Association in Fort Worth. This is an honor that very few receive and we know that Mr. Graves deserves it. Here's to Mr. Graves as our orator, and here's to him as our superintendent, the best in the world!

GREETINGS

As Thanksgiving nears, once again we turn to old friends and to newly made ones... to thank them. We are grateful for their praise along the way... and for their earnest and helpful criticism. For in building an institution like ours, so intimately a part of the glowing west, it becomes a happy privilege to serve... to "live and let live". We are grateful for this rugged west where freedom is deeply cherished.

I had an idea what was coming, but I never batted an eye. "I understand, Mr. Electric Light man," she said, "that you've been saying electric rates have been cut." "Right," I said, "in fact, electric rates have been cut about 50% in the last ten years." "Ha," she cried, "then maybe you can tell me why my electric bill runs higher now than it used to." "Yes, madam," I said, "I can. Mine runs higher, too, and so, no doubt, does most everybody's in town. You see, all of us are using a whole lot more electricity now than we used to. Take your own case—I'll bet you've got a vacuum cleaner, a radio, an iron, maybe you're using those bigger and better light bulbs, and maybe you've got an electric ice box. The point is, you're probably using three or four times the electricity you did ten years ago!" "Hmmm," she said, "I hadn't thought of that." "Few people do think of that," I said, "and here's another thing—our customers not only get twice as much electricity for their money

Marriage of Miss Faye Webb to Chester Borders Announced

Mr. and Mrs. Thurman Rascoe announce the marriage of their niece, Miss Faye Webb, to Chester Borders of Maverick, Texas, which took place in Canyon on Tuesday, Oct. 29.

The following story of the wedding is taken from "The Prairie," the student newspaper of West Texas State College at Canyon, of which school Mrs. Borders was a member of the Junior class at the time of her marriage.

"In a candle-light ceremony read Tuesday afternoon in the home of Mr. and Mrs. Ross Craig, Miss Faye Webb became the bride of Chester Borders of Maverick, Texas. The single ring ceremony was read by the Rev. Virgil W. Jackson of the local Church of Christ.

"The bride, whose home is in Crowell, was a Junior in W. T. S. C. Mr. Borders is a graduate of the college, having finished with the class of 1940. He has been employed as principal of the Brice school in Hall County.

Mrs. Borders was dressed in a day-time frock of medium blue alpaca, with shoulder corsage of gold chrysanthemums. Her turban and gloves were identical with the color of her dress and her bag and shoes were black.

"The couple left immediately after the ceremony for Hall County where they are to make their home."

FOARD CITY SOCIETY

The Foard City Society of Christian Service met Friday, Nov. 8, at the home of Mrs. Lawrence Glover in an all-day meeting for the "Week of Prayer" program.

The morning program was "New Roads Untried." Scriptures were given by Mrs. G. G. Mills and Mrs. R. E. Sparks; others on the program were Mrs. Ruth Marts, Mrs. Laura Johnson, Mrs. J. M. Barker, Mrs. I. T. Huckabee and Mrs. Lawrence Glover. "Scarritt's New Day" was read and discussed by the entire class. Mrs. J. M. Glover gave a poem.

The Society met again Monday afternoon for the regular meeting. The devotional was given by Mrs. Lawrence Glover. The program was "Our Inheritance of Woman's Missionary Work." The following gave interesting parts: Mrs. J. M. Barker, Mrs. J. M. Glover and Mrs. Joe Morris.

The next meeting will be at the church Monday, Nov. 25, at 2:30.

HEALTH AND SAFETY CLUB

Twenty-six children of the fourth grade were present Tuesday afternoon and joined in organizing a Health and Safety Club in room 17 in the grammar school building.

Officers elected were as follows: Gwendolyn Ownbey, president; Loyd Vessel, vice president; Frances Meadors, secretary; and Marvin Brisco, reporter.

Committees were appointed to carry out the program of the organization. Time of meeting is every Thursday afternoon at 2:40 o'clock.

MARGARET P.-T. A.

The Margaret Parent-Teacher Association met in its regular session Nov. 1, with Mrs. A. B. Owens, president, in charge of the meeting.

A splendid program consisting of numbers by the rhythm band, a piano solo by Mrs. C. R. Moore, a talk on hobbies by C. R. Moore and a travelogue by Mrs. W. A. Dunn, were given.

A shower for the kitchen was held at this time. Groceries and other useful articles were received.

A committee for improvement and beautification of the school grounds was appointed by the president. The committee, with others, met and cleaned off the school ground and set out some shrubs on Nov. 5.

Plans are being made for the wiring of the school building for electricity.

ENTERTAINS YWA

Mrs. L. E. Archer was hostess to members of the Baptist Young Women's Association and their guests at a party in her home last Tuesday night.

Games of "bingo" were enjoyed and Miss Thelma Lois Moore and Leroy Gibson were the high scorers. Refreshments were served to eighteen guests.

42 CLUB MEETS

Mrs. Paul Shirley was hostess to the 42 Club and Mrs. Earl Moody, Mrs. Allen Sanders, Mrs. Dwight Campbell and Mrs. Bert Self as additional guests at her home last Wednesday afternoon.

A bulb bowl with a growing bulb in it was the 84 prize and was given to Mrs. W. C. McKown. The hostess served a plate of delicious hot refreshments to her guests.

New Home of Mr. and Mrs. T. P. Reeder

Pictured above is the new and modern 6-room home of Mr. and Mrs. T. P. Reeder, four blocks north of the square in Crowell. This is the first rock veneer home to be completed in Crowell and was finished in May, 1939.

The house contains a large living room, a dinette, kitchen, three bed rooms and a bathroom. The building is dust-proof and is equipped with the most modern conveniences.

All of the rock, with the exception of two stones, were obtained in Foard County. The two rocks not obtained in this county are the two dark stones in the front of the house. The first is located to the left of the door and the second is located in the upper right part of the house. These two stones are of red granite and were brought from Oklahoma by Rev. E. L. Yeats, who placed them in the building. Rev. Yeats is a former pastor of the Crowell Methodist Church and is now pastor of the Methodist Church of Memphis.

MRS. LINDSEY RENEWS

A letter was received Friday from Wood Lindsey of Dallas in which he enclosed a check for the renewal of the subscription to The News for his mother, Mrs. C. E. Lindsey, early-day pastor of the Crowell Methodist Church.

In his letter Mr. Lindsey stated: "My mother has certainly enjoyed every issue of your paper and we are enclosing check for renewal. She had the misfortune to fall as she was leaving church about five months ago and broke her leg. She has gotten along wonderfully well and is able to be up now. She has a 'walker' with which she can get around by herself anywhere she wants to go in the home. Her spirit throughout the whole time has been very, very fine and I'm sure that has contributed a great deal to the way she has recovered."

RIVERSIDE 4-H CLUB

"Washable stuffed toys make nice gifts for children," said Miss Joellene Vannoy, county home demonstration agent, to the members of the Riverside 4-H Club girls, which met at the school Tuesday, Nov. 12.

Toys that are desirable for smaller children because they can be kept cleaner and may prevent diseases. The cotton may be taken out and washed.

The next meeting will be Tuesday, Nov. 26.

MARGARET H. D. CLUB

Miss Joellene Vannoy, county home demonstration agent, gave the Margaret Home Demonstration Club, 12 members and one visitor, a demonstration on fruit cakes at the home of Mrs. John L. Hunter Jr. on Friday, Nov. 8.

"For an 11-lb. fruit cake to be good and moist, boil in pressure cooker for 55 minutes, then close and let pressure go to 15 lbs., hold for 15 minutes. Then take out, decorate, put in slow oven, 325 degrees, to dry for 15 minutes," Miss Vannoy told the group.

The next meeting will be at the home of Mrs. Raymond Bell on Nov. 29.

J. M. Hill Jr., son of Dr. and Mrs. J. M. Hill of Crowell and representative of the Crowell Chapter of Future Farmers of America, is now in Kansas City, Mo., attending the thirteenth annual convention of Future Farmers of America. He will be a member of a group of Texas boys who will be guests of the American Royal Horse Show management at a matinee performance this week.

Six thousand farm boys from every section of the nation, including Puerto Rico and Hawaii, and representing 231,000 members of the Future Farmers of America organization, will attend the 13th annual F. F. A. Convention in Kansas City, Mo., November 9-16.

Conducting their own convention, these F. F. A. boys will demonstrate in national meeting how "Future Farmers" in nearly 7,000 agricultural communities are receiving practical training in leadership, co-operation and citizenship.

During the past 10 years the F. F. A. membership has increased from 30,000 to 231,000. Membership is open to male students of vocational agriculture, nearly a half million of whom are enrolled in rural high schools to improve their abilities in farming and rural citizenship.

Activities of the Future Farmers of America, fastest growing rural youth organization in the nation, are designed among other things:

1. To create a greater interest on the part of farm boys in a more intelligent choice of farming occupations.
2. To create and nurture in farm youth a love of country life.
3. To encourage rural boys to develop habits of thrift and to improve their scholarship.
4. To provide organized recreational activities for the rural community.
5. To demonstrate the value of co-operation through participation in chapter, school and community projects.

Each year the national F. F. A. Convention is held in conjunction with the American Royal Livestock Show and National Contests for Students of Vocational Agriculture which bring to Kansas City thousands of rural boys and young men. Many of them participate or compete in livestock and other judging contests.

Winner of F. F. A.'s highest honor, the title, "Star Farmer of America," is announced at this national meeting of farm youth. The American Farmer Degree is conferred upon F. F. A. members who, during the past year, attained certain high levels in farming ability, scholarship, and leadership. The most significant work accomplished by local F. F. A. chapters and State F. F. A. associations is rewarded. There are finals in the public speaking contest, concerts by F. F. A. bands, banquets and entertainment as well as serious discussion of farm and organization problems.

Be Careful. The little fire you leave may leave you little. More men are killed by accident than by war.

ROTARY CLUB

Rotarian L. Plunkett of Quannah was a visitor at the Wednesday meeting of the Crowell Rotary Club. Ernest Spears was in charge of the program and discussed different types of businesses. The club voted to sponsor and help promote a community Christmas tree to be held on the court house lawn Christmas Eve.

CARD OF THANKS

We take this means of expressing our thanks to the many friends for the many courtesies extended to us during the recent illness and death of our beloved husband and father.

the International Service Committee unanimously agree that it is a very good one. We felt that you would like to know that you were among those who first came into our thoughts.

"You probably remember Heine's reference to Göttingen as being famous for its sausages and university; well, Coventry, as you are no doubt aware, is famous for motor-cars, Lady Godiva and Peeping Tom, and we of Rotary seem to be the Peeping Toms of today, prying into all sorts of things to see where we can give a helping hand, and we have not looked in vain.

"Yet in spite of all that we are doing to aid the national cause, we are still maintaining a very high percentage of attendance; and no wonder, because instead of lowered, as was originally anticipated due to war conditions, we find we are getting lectures of a very high order, thanks to the untiring efforts of our programme committees. For instance, our speakers for October will deal with such subjects as "The Idea of Democracy," "Excavation" and "The Care of Animals in War-time." So you see we are in for an interesting time.

"We have been interested recently in the cablegrams that have appeared in the American newspapers saying that appeals are going out from Europe for America to feed the starving people in the areas under Hitler's domination. This would be laughable if it were not so tragic—that is, it would be laughable that anybody would be taken in by such specious talk. Everybody knows that both France and Poland have always been countries exporting their foodstuffs, so it would seem to be obvious that if those countries are going to be short of food this winter, it is because Goering and Hitler have carried it off to feed the German military force which is holding those very people in

subjection. Every sack of wheat sent from America to France would be a sack of food for Germany, and thus prolong the war and the slaughter.

"It seems to us, and we would like to know whether you agree that the best use to make of winter surpluses in North America is for Britain and America to store them and to tell the slave peoples who are now under Hitler's heel that we are throwing all our power into liberating them and that the moment they themselves co-operate in throwing off the Nazi yoke, armadas of food ships will cross the Atlantic and bring them the nourishment that they need.

"We hope that your club making really good progress, and would appreciate receiving a line from you some time telling some thing of its activities.

"With best wishes from Coventry Rotarians."

New Cleaning Plant Installed by The Magee Toggery Here

The installation of a new \$1,200 cleaning plant has been completed at The Magee Toggery and makes this one of the most modern and efficient dry cleaning shops in West Texas.

The equipment consists of a pressure filter which keeps 1,000 gallons of pure cleaning solvent running through the clothes continuously; a new washer, extractor and drying tumbler. A new, modern drying cabinet for drying and deodorizing silks and other delicate fabrics has also been installed.

D. R. Magee, owner and operator, announced that there would be no advance in the price of cleaning and pressing and extending a hearty invitation to the public to visit this new cleaning plant while it is in operation.
