News About Our Men in Service

T-Sgt. Bruce Bledsoe of the Air Force Base in Omaha, Neb., was here from last Thursday until Saturday visiting his parents, Mr. and Mrs. Joe Bledsoe. Sgt. Bledsoe stated that the planes had to be moved from the air base on account of flood conditions.

Lt. Sajjad Akbar, Lt. S. M. Iqbal and Lt. Arif Manzoor, Pakistan jet fighter pilots en route to their homes in Pakistan, visited with Mr. and Mrs. J. C. Prosser and daughters and Mr. and Mrs. Henry Ross last week. The men will leave by air transport from Charleston, S. C., and will be in Pakistan by April 9. They have recently completed gunnery training at Luke Field, Phoenix, Ariz., and have been in the U. S. for about two years.

Army Specialist Four Don F. Hunter, son of Mr. and Mrs. Milton Hunter of Crowell, recently joined other members of the First Artillery to help provide a new home for an unfortunate family in the small village of Yabu-son, Okinawa.

Specialist Hunter and other members of his unit responded to the plight of an Okinawan family who lost their home and two children in a fire. Hunter and other unit personnel moved a house donated by a construction firm to the original home site in Yabu-son where they installed plywood paneling, painted walls and ceiling and put in wiring for electricity.

Hunter, assigned to the artillery's Battery D, entered the Army in February, 1960, completed basic training at Fort Carson, Colo., and arrived on Okinawa in April 1961.

The 21-year-old soldier is a 1959 graduate of Crowell High School.

Lots Donated to Community Center

Three lots east of the Community Center have recently been donated to the Community Center, Mayor Henry Black announced Tuesday. Ed Dunn donated two lots and the R. L. Kincaid Estate donated the other lot. Archie Campbell gave the center a lot last year. The Community Center now has a total of eight lots.

Munson Welch, Mrs. L. A. Andrews, Mrs. Maggie Fox, Mrs. Chester Hord, Mrs. N. J. Roberts and their helpers are now in the process of landscaping the area adjacent to the center. They plan to purchase shrubs and trees for the property.

This committee will appreciate donations of shrubs or money to carry out their project. The executive committee of the Community Center wishes to express its appreciation to Mr. Dunn and to the Kincaid heirs for the lots, and to the landscape committee for its work.

Principal of Crowell High School, Henry Black, and Mrs. Vera Manard, English teacher, will accompany the following participants to the District Interscholastic League Spring Meet for literary events at Henrietta on Friday:

Bill Fitzgerald, extemporaneous speech; Nancy McCurley and Gene Wheeler, spelling and plain writing; Wendell Callaway and Lynda Harris, ready writing; Jo Carol Cooper, prose reading; and Gena Adeock, Patricia Brown, Carolyn Eubanks and Judy Traacek, typewriting. Mrs. Manard will be in charge of prose reading at the meet, and Mr. Black will conduct the typewriting.

Coaches Thayne Amoneet and L. H. Wall will accompany the following boys to the District track meet at Wichita Falls on Saturday:

Bob Borchardt, Jon Lee Black, Ronnie Bradford, Dale Doyal, Bill Fitzgerald, Jim Mac Gafford, Larry Henry, Junior Hopkins, Jerry Setliff and Freddie Wehba.

Girl Scout Cookie Sale Termed "Success"

The Crowell Girl Scouts finished selling all their cookies last week end to make their sale a success.

Total amount received from the sale was \$314.63, the cookies cost \$140.40; Crowell's share to County is \$174.23. Of this amount, the Brownies Troop I received \$11.50 and the Girl Scout Troop I received \$22.33. This was divided according to the number of cases each troop sold plus the equal division of contributions.

As stated at the start of the sale, this cookie sale will be the only money-making project for the council budget for this calendar year. With the chili lunch funds (\$97.73) and last year's cookie sale (\$55.87), Crowell has met its share of the NorCenTex Council budget which is \$282.00.

The Girl Scouts, Brownies and their leaders want to thank the people of Foard County for making the sale a success. Particular acknowledgment and appreciation is given to the Shirley-Youree Drug, D&T Foodway, McClain's and Wehba's foods for their newspaper ads.

No More Rain, But Heavy Clouds Look Promising Wednesday

No measurable amount of rain has fallen here during the past week, however a very light shower did fall early last Friday morning. The wheat is in critical need of moisture, and a heavy layer of clouds Wednesday morning raised hopes that rain was on its way.

The mercury dropped to a low of 30 degrees early Monday morning for what is hoped will be the last freeze of the winter.

High and low temperatures for the past week follow:
Thursday: high 54, low 45.
Friday: high 50, low 38.
Saturday: high 64, low 33.
Sunday: high 56, low 34.
Monday: high 60, low 30.
Tuesday: high 59, low 37.
Wednesday: low 52.

Death Toll on Highways in '61 Greater Than '60

The Texas Department of Public Safety has officially closed the 1961 traffic "death book," and reported that last year 60 more persons died in Texas traffic than in 1960.

The motorcade total was 2,314, as compared to 2,254 in 1960, or an increase of 3 per cent.

The report, prepared by the Department's Statistical Services, indicated that although the number of motorcades increased, the death rate—the number of deaths per 100,000,000 miles traveled—decreased from 4.9 to 4.8, the lowest rate on record in Texas.

In 1961, Texans traveled 47.9 billion miles, or 3.42 per cent more miles than they did in 1960.

In addition to the 2,314 deaths in 1961, there were an estimated 132,570 injuries sustained in 324,149 motor vehicle accidents.

On an average, last year in Texas traffic, a person was killed every three hours and forty-seven minutes, and a traffic accident occurred every 97 seconds.

Col. Homer Garrison Jr., Director of the DPS, said:

"It is a sobering thought to realize that the number of persons killed on Texas streets and highways was greater than the populations of most Texas towns, and that the number of injuries was more than the population of Lubbock. When the economic loss resulting from traffic accidents in 1961—over 356 million dollars—is added to these losses, the problem we face is only too apparent."

"Texans must accept the challenge posed by these figures. The best way to do this is for every driver to obey the traffic laws, because in almost every accident at least one violation is involved."

Livestock Killed When Barn Burns Last Thursday

A fire last Thursday afternoon in a barn behind the residence of Rawleigh Loyd killed a mare and her colt and a hog.

The mare and colt belonged to J. H. Free. A horse belonging to Mr. Loyd which was in another part of the barn was led to safety, and a hog also escaped the blaze. Those on the scene at the time could not get the mare and colt to leave the burning building.

The Crowell Volunteer Fire Department answered the alarm and extinguished the blaze.

Bank Deposits Now EXCEED \$3.5 MILLION

Deposits in the Crowell State Bank at the close of business on March 26 showed a total of \$3,501,036.05, which is nearly \$400,000 above the figure listed in the bank statement a year ago.

Deposits have increased nearly \$700,000 in the past two years as the statement of March 24, 1960, showed deposits of \$2,818,002.72.

Deposits on the last day of 1961 were \$3,550,346.38.

In comparing the statements, a feature worthy of note is that loans have decreased nearly \$340,000 from \$1,691,238.56 to \$1,353,550.50.

The cash, balances with other banks, and cash items in process of collection comparison shows an increase from \$828,394.21 at the first of the year to \$1,254,459.94 on March 26.

Miss Fisch Initiated by Sorority at SMU; On Dean's Honor Roll

Miss Carole Sue Fisch, daughter of Mr. and Mrs. Irving Fisch of Crowell, has been recently initiated into Zeta Tau Alpha sorority at Southern Methodist University in Dallas.

Miss Fisch, a 1961 graduate of Crowell High School, was on the Dean's Honor Roll at SMU for the first semester with an average of 3.24. She is majoring in foreign languages.

Father of E. D. Howard Died Sunday at Haskell

Funeral services for E. A. Howard Sr., 67, were held at 2:30 p. m. Monday from the First Baptist Church in Haskell. Burial was in Willow Cemetery under the direction of Holden Funeral Home of Haskell.

Mr. Howard, a resident of Foard County for 20 years and the father of Dillard Howard of Foard City, died Sunday morning at his home in Haskell.

He was a deacon in the Baptist Church at the time of death.

Survivors include his widow, Mrs. Ola D. Howard; four sons, Oren Lewis of Rule, Dillard of Crowell, Hines Truett of Clyde and E. A. Jr. of San Angelo; three daughters, Mrs. Helen Lovving of Odessa, Mrs. Ola Muriel Sedberry of Sagerton and Mrs. Ruby Stiewert of Lubbock; two sisters, Mrs. John R. Watson Sr. and Mrs. John B. Nanny, both of Haskell; three brothers, Joe of Haskell, Johnny of Fredericksburg, and Ernest of the U. S. Air Force, and 18 grandchildren.

All of the children and grandchildren were present for the services.

Those attending from Foard County were Mr. and Mrs. Dillard Howard and family, Mr. and Mrs. C. N. Barker, Mr. and Mrs. George Baker, Mrs. O. N. Baker and son, Johnny, Mr. and Mrs. Jim Henry, Mrs. Lewis Stone and son, Thomas, and Mrs. Gladys Crosnoe.

German Exchange Student Represents Good Will

Through the exchange of foreign students, the nations of the world are developing a deeper understanding for their fellow man. Monday, at 9 o'clock the Student Council and the student body were hosts to Herbie Nax, the Vernon foreign exchange student from Bad Oeynhausen, Germany, which is sixty miles south of Hanover. THE RACE FOR REPRESENTATIVE

Elections in which public officials are chosen are important at any and all times and under any and all circumstances. There are times, however, when more than usual significance attaches to a race for a particular office. Such a situation exists in the 82nd Legislative district this year.

Redistricting, made necessary by population changes as shown by the 1960 Federal Census, brought about the merging of two districts, the 82nd, composed of Cottle, Foard, Hardeman and Wilbarger Counties, and the 88th, composed of Childress, Donley, Hall and Motley Counties.

W. S. Heatly of Paducah, who has represented the 82nd district since 1956, is seeking election from the enlarged district. The present Representative from the 88th district, now included in the 82nd, is not a candidate.

There is no more important office in our whole governmental system than that of a member of the State Legislature. Laws governing property and civil rights are enacted on the state level. Direct taxes such as ad valorem, retail sales and excise, are levied by state law. Regulation of intra-state business of all kinds is a state function. City and county affairs are regulated and powers of municipal governments are subject to limitations imposed by state law. Education, including compensation and qualifications of teachers and selection of textbooks, is a responsibility of the state and is controlled by state law.

For these reasons the ability, experience, attitude on moral issues, understanding of the needs and functions of state institutions, and demonstrated courage of candidates are of primary concern. Of equal importance are such factors as major sources of support of candidates.

During his service in the Legislature, Mr. Heatly has aroused the uncompromising opposition of two powerful special interests. They are advocates of legalized race track gambling and opponents of legislation which would levy an equitable tax on beer. Representatives of these special interests have publicly vowed to bring about Mr. Heatly's defeat. Consequently, paid representatives of these special interests will be working in every county of the 82nd district to achieve that objective.

Mr. Heatly comes from one of the less populous counties of the district, while his opponent lives in a county whose civic and political leaders seem to make a specialty of monopolizing public offices in their section of the country.

Mr. Heatly is qualified from every point of view. He has made an outstanding record in the Legislature and unquestionably his views are in harmony with those of a majority of the people in this section. We believe he should receive an overwhelming vote of endorsement in the May 5 primary.

(Pol. Adv. paid for by Foard County Friends of W. S. Heatly.)

sponsored by the American Field Service, the Student Council of Vernon High School, and the American Field Service Chapter of Vernon, is staying in the home of Mr. and Mrs. William E. McBroom, 2216 Sixteenth Street in Vernon. He is a member of the senior class of Vernon, and he works on the high school news.

Herbie has studied four languages besides German. He had French two and one-half years; English, six and one-half years; Latin, four and one-half years; and Spanish, one year. He has a thirteen-year-old brother; his father is a delivery service employee; his mother, a bookkeeper. After finishing six and one-half years of high school in Germany, Herbie came to America. When he returns to Germany, he plans to continue his schooling. June 19, he leaves Vernon to begin his trip back to Germany. From Vernon he goes to Dallas, Washington, D. C., New York and then home. Herbie has ambitions of coming back to the United States after he finishes school in Germany.

As the Crowell students learned, the customs in Germany are quite different from those of America; German students have four years of grammar school and nine years of high school if they wish to further their education. The students must buy their own books in grammar and high school, as well as college. Most of the teenagers decided that they would go broke in Germany; chewing gum costs fifty cents and Cokes cost from forty cents to one dollar. The teenagers have no cars and very few dates.

In appreciation for the interesting talk that Herbie made, the Student Council and the student body presented him a gift of friendship and good will.

Tennis Singles Tryouts

Monday, April 2, Jerry Setliff beat Edward Kajs in a tennis match to determine Crowell's representative in the match for this half of the district April 4. The score of the sets were 6 to 3 in favor of Edward and 6 to 3 and 6 to 1 in favor of Jerry.

An Open Letter to the Editor

115 E. Duffy, Norman, Okla. April 2, 1962
 Editor, Crowell Wildcat.
 Dear Lynda,
 I want to thank you for satisfying Tom's desire to be mentioned in the Wildcat. His wanting to be

included in the high school news may sound silly to some, but I think it illustrates one very important thing about the school news and the work you and the other students do to report it. Even though he was never a part of Crowell High School and the activities there, as a reader of the Wildcat he has developed a desire to be a part of all you write about. This is true of many of your readers—those who cannot be an active part of CHS enjoy the opportunity to participate as readers.

This is a "left handed" compliment to you, your staff, and Mrs. Manard for the excellent job you do. Please keep up the good work, and even though you cannot do all for what you did for Tom, I am sure they will realize that as readers, they are an active part of the Wildcat and C. H. S. Sincerely,
 Judy Borchardt Bond.

Senior Mothers Honored

Last Thursday afternoon, the senior girls honored the mothers of the senior students with a tea at the Community Center.

They were greeted by Misses Carria Driver and Carolee Oliphant. The tea table, laid with a linen cloth, was decorated with an Easter bunny surrounded by multi-colored grass and candy Easter eggs. Misses Gaye Ramsey, Sue Sanders and Lynda Harris poured punch from the crystal bowl and served dainty cookies.

Misses Alta Bartley and Jeanette Moody provided music throughout the tea hour. Other hostesses were Misses Marcia Carroll, Jo Carol Cooper, Carolyn Denton, Vickie Farrar, Earlyn Hammonds, Bonnie Little, Ina Joy Statser, Kay Ann Taylor and Genell Wheeler.

Senior Personalities

Kay Ann Taylor is the first senior personality this week. Kay Ann is a member of the FHA and the Wildcat staff.

She enjoys listening to music, reading, watching television, and collecting records. Kay Ann's favorites are the color, red; food, fried chicken; singer, Ricky Nelson; actress, Doris Day; and actor, Rock Hudson. Her favorite subject is English; her hardest, home economics; her easiest, biology.

Kay Ann's pet peeve is someone who talks about a person behind his back. Her parents and teachers have been Kay Ann's main influences. She has no definite plans except to finish high school. We hope Kay Ann has the best of luck.

The second personality this week is David Powers. He is a member of the FFA and has participated in several judging teams. His hobbies are collecting stamps, dragging around, and burning gas.

His favorites are the actor, Rock Hudson; actress, Doris Day; singer, Ricky Nelson; color, blue; and food, steak.

David's pet peeve is a person who doesn't do what he promises. David's family and church have been his chief influences. He plans to go to school next year. We wish David the best of luck.

Sports in Short

Sports fans, good news has fallen upon my ears. The track team won first place at the Monday track meet April fool! Oh, well, it was a good thought. "Wild Bear" Gaffard has previously requested that his middle name be changed to "Running Bear," but after his performance at Monday, I believe he should be called "Falling Bear." Also acquiring a new nickname was Bill Fitzgerald, better known to his admirers and friends as "Fumble Fingers Fitz." (alliteration!) However, with due respect to all of our great stars, I would like to dedicate this crown of my life's work to Ronnie Bradford, our high jump man.

Jumping the Bar

Track meet at Rising Star
 And one more jump for me
 And may there be no moaning if
 I knock down the bar
 When I try to jump five-three,
 For such a height seems too high
 Without a pogo stick
 And to such a fall I cast a wary eye
 For I might obtain a hard lick.
 Ready, set, here I go into the air
 And after that the dark!
 And may they bring me around
 without musing my hair
 So I can get home in time to get
 my girl and go park.
 For though out at our barn I hide
 in my secret place,
 The coach may chase me far
 I let my friends I can face
 After I have jumped the bar.
 How about that, fans? Well,
 our schedule this week includes
 the big district track meet at
 Wichita Falls on Saturday. Let's
 all go to support our Crowell Wildcats.

Kenneth Wyatt Speaks at Assembly

Monday at 11 a. m., Kenneth Wyatt, pastor of the First Methodist Church at Chillicothe, spoke to the student body and faculty. Bro. Wyatt, who was introduced by Alta Nell Bartley, president of the Crowell MYF, is holding the Youth Revival at the Methodist Church. He was accompanied by Rev. John Fitzgerald. Rev. Wyatt read a theme, written by an average teen-age boy,

This theme was boy's interpretation of his problems. It went into detail about the difference in being a "somebody" and a "nobody" and brought out advantages and disadvantages of each. The student body wishes to thank Mr. Wyatt for his timely remarks.

Students Are Guests of Rotarians

Mr. Black spoke at the Rotary Club meeting last week about the CEEB and ACT tests required for college entrance. Guests of the club were nine of the nineteen seniors who had taken one or both of the tests. These students—Jo Carol Cooper, Lynda Harris, Jeanette Moody, Ronnie Bradford, Wendell Callaway, Jim Mac Gafford, Jerry Setliff, John Stone and Jerry Tole—wish to express their appreciation to Mr. Black and to the Rotarians for this courtesy.

Something New!

You may have noticed the new trellis and honeysuckle vines by the Home Ec building. This is a result of much work. It is the project of three girls to achieve their Junior Homemaking degrees. The girls, Delores Eubanks, Elaine Crowell and Gayle Smith, asked the FHA boys to put up the trellis for them. The girls baked a chocolate cake for the boys to say "thank you." These boys were Dale Henry, Edward Kajs, Gerald Howard and James Riley Borchardt. They also extend a special thanks to Mr. Myers.

Library News

The latest bulletin board display consisting of a big red check with the caption "Scratching Around for Something to Read?" Try These! was arranged by Ina Joy Statser and Nelda Chappell. Featured books are "Men, Microscopes, and Living Things," by Katherine B. Shipper; "Our Language" by Eloise Lambert, and "How to Make and Use a Telescope" by Percy Wilkins and Patrick Moore.

Birthdays!

Time does fly! Three months have gone by and it's time for another birthday report. Pat Cates, Dale Doyal, Marlyn Denton, Sandra Ellis, LaRue Gidney, Mike Gambie, Earlyn Hammonds, Paulette McBeath, Linda McClain, Ricky Traweck and Betty Welch had birthdays in January.

Those with February birthdays are Bobby Bond, Buck Baylor, Ronnie Bradford, Bobby Chapman, Bill Fitzgerald, Jim Mac Gafford, Kenneth Campbell, Junior Denton, Mark Harris, Thomas Hopkins, Carolee Oliphant, Marion Payne, Elizabeth Pittillo and Freddie Wehba.

The following had their birthdays in March: Nancy Archer, Jannette Bolbruech, Jon Lee Black, Sue Cates, Mickey Chapman, Anna Hall, Betty Kajs, Jerry Setliff and Jerry Tole.

The Blab

with the new nature which this involves. If the Christian would be truly spiritual and deal in a Scriptural way with the sin that indwells him, he must clearly recognize its presence; he must face the fact that while, thank God he is no longer "in sin," sin is still in him.

But this conflict should not discourage us, for it is one of the true signs of salvation. It is unknown to the unbeliever, for only the additional presence of the new nature, along with the old, causes this conflict, for the Bible says about these two natures: "these are contrary the one to the other."

But not only is this conflict within the believer a sure sign of salvation; it also creates within him a deep and necessary sense of our inward imperfection and of the infinite grace of a holy God in saving us and ministering to us daily in helping us to overcome sin. And this in turn gives us a more understanding approach as we proclaim to the lost "the gospel of the grace of God."

Paul's epistles show clearly that there is nothing that will so help us to overcome sin and live pleasing to God as an understanding and an appreciation of what He has done for us in Christ. As we are occupied with these "things of the Spirit," we find ourselves

"walking in the Spirit," 5:16 says: "Walk in the Spirit, and ye shall not fulfil the lusts of the flesh." How many of us have our lives transfixed in the heavens (Col. 3:1-3) than to the hopeless task of trying to prove the "old nature" engaged in introspection occupied with the flesh?

"The truth is . . . the lower job levels, federal private businesses, many secretaries and various other draw nice pay checks every little, in fact. Private try, however, pays them more—and quite often—than government pays many of its servants. This is only an inducement to America's grounds that are more money, or as private business."—N. C. From the News THIRTY YEARS AGO

News items below were taken from the Friday, April 8, 1932, issue of The Foard County News:

Homer R. Zeibig has authorized the News to announce that he is a candidate for the office of commissioner of Precinct No. 2 of Foard County.

The Margaret taxpayers association will have a meeting Saturday night at the Margaret school auditorium.

One of the finest catches that has been reported at the City Lake during the present fishing season was accomplished by Joe Ben Roberts Tuesday morning. Within a comparatively short time, he caught three bass and then stopped fishing, thinking that he had reached the ten-pound limit. However, the fish weighed a total of seven and three-fourths pounds. The largest weighed four and one-half pounds.

Austin, Tex.—Candidates for governor now are quarreling over legislative redistricting . . . which would give the metropolitan cities more strength.

Poll tax payments indicate that these cities actually have the voting strength.

But final figures are not in on all counties.

Official figures plus some estimates reveal 1,250,429 qualified voters in the 12 counties which contain cities of 100,000 or more. Offhand this would indicate that the 12 "big city" counties would have more than half the votes in the state.

But the "big 12" are not as well prepared to vote this year as they were in 1960. That year they had 1,362,173 voters. It was a presidential year. However, declines are reported for 1962 elections in all of the 12 big-city counties except Travis, where the State Capital is located.

One notable thing about the poll tax figures is the growing number of those with exemptions from the poll tax because they are 21 years of age and vote free—or they are over 65 and don't have to buy a poll tax in order to vote.

Indications are that there will be more exemption certificates this year (those in cities of 10,000 or more) than ever before, even in record-setting 1960.

Another fact to consider is that rural people go to the polls regardless of the weather, while inclement weather keeps many city folks home.

MOTORCIDE INCREASES — Texas Department of Public Safety statisticians figure an accident occurred in Texas traffic every 97 seconds last year, with someone killed every three hours and 47 minutes.

When the department closed its 1961 "death book," it reported a motorcide total of 2,314—60 more traffic deaths than 1960 held. Drivers of 324,149 motor vehicles sustained 132,570 injuries.

December 22 was the most deadly day . . . 23 people were killed in 15 fatal accidents.

Col. Homer Garrison Jr., director of the DPS, remarked, "It is a sobering thought to realize that the number of persons killed on Texas streets and highways was greater than the populations of most Texas towns."

"WEL-KNOWD CAMEL CART DRIVER" — The State Highway Department is pondering a mysterious postcard that carries a request for a copy of the new 1962 highway travel map.

The return address reads: Bashir Ahmed Sarben (Wel-Knowd Camel Cart-Driver), 27, Corner Chambers, 181, McLeod Road, Karachi, Pakistan.

Folks at the highway department are wondering if this is the same Bashir Ahmed who visited Texas and the U. S. last year as Vice President Lyndon Johnson's guest.

There was quite a furor when that "Bashir" retired his camel and accepted a gift of a new Ford. Could he be planning to return to America and motor through the Lone Star State.

HOPES RISE FOR HISTORIC PARK — Lawson Knott Jr., deputy administrator of U. S. General Service Administration, informed Gov. Price Daniel that the government has granted his request for Lorenzo de Zavala's burial site to be bid on separately when San Jacinto Ordnance depot is put on the sale block.

Property contains the grave of de Zavala, a Mexican-Texan, who signed the Texas Declaration of Independence and served as vice president of the republic.

General Antonio Castillo, a "gallant foe" who died at San Jacinto, also is buried there.

Governor Daniel has been urging that the de Zavala homestead and cemetery acreage be set aside for state or county park purposes. He believes this bidding provision will delay the sale of this tract to give time for Sen. Ralph Yarborough to pass a bill transferring the 142 acres to the state or county, or pave the way for some other park arrangement.

MISREPRESENTED — Governor Daniel revoked a one-year reprieve for Johnny Will Ford after C. V. "Buster" Kern, sheriff of Harris County, revealed some new information about the case.

Ford had served one year of a three-year sentence in the Harris County jail for unlawfully carrying a pistol, as an habitual when the Board of Pardons and Paroles made the customary recommendation for a reprieve and failed to get any objections from local officials.

After the reprieve was granted on March 9, Sheriff Kern advised the governor he hadn't had notice of the pending clemency application, and would have protested it if he had received it.

He said Ford was pursued for two years before he was forced to surrender, whereas the board had been told surrender was voluntary.

Daniel stated his action did not reflect on the board, "because they acted upon factual representation made on behalf of the applicant and in the absence of protests from local officials."

LETTER OF THE LAW — The State Comptroller declared oil, gas and related well services are responsible for collecting a two per cent sales tax when service involves any taxable, tangible, personal property sold or rented by a firm. Comptroller Robert S. Calvert further stated that receipts from the sale of tangible personal property to a common carrier are exempt from

the sale and use tax if the property is shipped out and used out of the state.

When democratic county clerks in Harris and Galveston counties said they would attempt to nullify the republican primary nominations unless GOP primaries are held in every voting precinct in their counties, GOP state chairman Tad Smith dug up a 1952 opinion on the matter by the then attorney general, Price Daniel.

The 1952 ruling states that a county clerk does not have the authority to determine questions of irregularity or illegality where a certificate of nomination is regular on its face. The opinion said the county clerk acts in a ministerial capacity in receiving the certificates and placing names of nominees on the general election ballot.

Members of the State Bar Association voted 4,532 to 1,012 in favor of a proposed constitutional amendment for local option abolition of justice of the peace courts.

They also voted 4,506 to 966 for a proposal urging an amendment to authorize the Legislature to provide for interim county and state government during a disaster period.

Attorney General Will Wilson ruled that Morningside Manor, Inc., a Methodist-operated home for the aged in San Antonio, is exempt from ad valorem taxes,

SCHOOL TRUSTEE ELECTION

There has been considerable interest shown in the school board election this year. This interest is beneficial to the community and encourages the hope that a record number of voters will exercise their privilege and responsibility of voting Saturday. Our school system deserves the attention and consideration of all the citizens, including those who have no children of school age, because the future of the community is linked to the school.

According to the records, there has been only one new member elected by the people to the board in the last twelve years. The other vacancies have been appointed by the board.

We are running for a place on the board, to help your school continue to raise its educational standards in order to meet the increasing needs of tomorrow.

Grandson of Margaret Couple Wed in Fort Worth Saturday

Miss Patricia Ann Williams and Calvin Thomas Blevins were married at 8 p. m. Saturday in Ridgeley West Baptist Church in Fort Worth by Rev. J. D. Stinebaugh, pastor.

The bride is the daughter of Mr. and Mrs. William Gordon of Ft. Worth, Mr. and Mrs. Wm. Hermon Blevins, also of Fort Worth, are parents of the bridegroom, who is the grandson of Mr. and Mrs. C. T. Murphy of Margaret,

Miss Sylvia J. Henson of Midland was maid of honor. Mrs. Jim M. Williams was matron of honor for her sister-in-law, Miss Cheryl Tompkins was bridesmaid.

Karen Key and David Clifton were flower girl and ring bearer. S. F. Ludwick was best man and groomsmen were Fred M. Birkes and Jim M. Williams, brother of the bride.

Given in marriage by Mr. Camp, the bride wore a gown of white silk satin and her hand-molded bodice had a scalloped decolletage of jeweled lace and fitted sleeves. The voluminous skirt of satin had a front panel of the lace from which it swept with side fullness

to a circular chapel train from a butterfly bow of the material at the back waistline.

Her bouquet of white rosebuds with Stephanotis was carried with a white Bible bound in satin with lace.

House party for the reception at the church included Miss Rosebud Rutledge, who kept the guest books, and Miss Jeanette Yeager and Verna Ann Wells and Mrs. Norman Graf.

When the couple left for a short trip, the bride wore a navy silk sheath with matching coat and accessories and a corsage of pink sweetheart roses.

The couple, graduates of Arlington High School, will live at 5001 Penrose Ave., Fort Worth.

Columbian Club

The Columbian Club met at the home of Mrs. Jack Roberts with Mrs. John Ray as co-hostess on Wednesday, March 28, for study and business with the president presiding. The pledge of allegiance was led by Mrs. M. N. Kenner. Devotional was given by Mrs. Mar-

ion Crowell reading the 28th chapter of Matthew on the Resurrection of Jesus. Mrs. H. A. Smith was leader for the afternoon.

Two delegates were elected to go to Childress to the convention: Mrs. Knox and Mrs. Crowell. Mrs. Smith introduced Bro. Bingham, who showed pictures of his trip to the Holy Land and commented on what he saw and was very helpful and interesting and thanks again to him.

The hostesses served refreshments to 14 members and 2 guests. Mrs. Allie Moorhouse and Mrs. Frances Moorhouse of Benjamin. The next meeting will be at the home of Mrs. Homer Black on April 16.

Home Builders Circle

The Homebuilders Circle met Tuesday evening with Mrs. Glenn Shook serving as hostess in her home.

The meeting was called to order by the president whereupon she led the group in prayer.

After the order of business, the program was begun by Mrs. Baylor Weathered who combined many beautiful and inspiring verses of scripture which described the healing power of "The Great Physician." Upon conclusion of this part of the program, Mrs. DuWayne Elliott presented a devotional from the eighth chapter of Mark, verses 36 and 37, based on the question, "How Much Does It Cost?"

Refreshments and visitation were then enjoyed by eight members present. The meeting was closed with prayer by Mrs. Arthur Bell.

The next meeting will be April 10 with Mrs. Jack James.

West Side H. D. Club

There were 15 members who met in the home of Mrs. A. L. Daniel March 27. Mrs. Daniel read the opening exercise, the title of the poem being "New Start." Roll called by Mrs. Donald Norris and was answered by the members on "the type of clothes I enjoy wearing most." Minutes of last meeting read by Mrs. Norris. Mrs. B. J. Halenack gave an interesting demonstration on the psychological effect of clothes, showing what type of clothes should be worn and the correct way of choosing the color of clothes and accessories.

Delicious refreshments were served by the hostess to the members and three visitors, Mrs. Claude Callaway, Mrs. R. F. Cates and Mrs. N. A. Nichols.

The next meeting will be April 17 at 2 o'clock in the home of Mrs. Halenack.

Co-Laborers Class

The Co-Laborers Sunday School Class of the Methodist Church met in the home of Mrs. Clint White on Thursday, March 29, for a social meeting. After a singing of a number of sacred numbers, Mrs. R. J. Thomas gave an appropriate poem, "Spring Is Here."

Mrs. A. R. Sanders brought the devotional from the 13th chapter of First Corinthians and read a poem.

It was decided to have a homecoming for the class at the church on the fourth Thursday (28) of June, to be in the form of a covered dish dinner.

After a period of visiting, Mrs. White served a lovely refreshment plate to 23 members.

Home Demonstration Notes

JANET CARROLL

Mrs. Johnny Marr, Mrs. Hugh Shultz and Mrs. Walter Thomson have been elected delegates to attend the District Texas Home Demonstration Association meeting Tuesday, April 10, at Midwestern University in Wichita Falls. Other Foard County Home Demonstration members will also attend the meeting.

The Foard County Home Demonstration Council will meet on Thursday, April 12, in the agent's office at 2:30 o'clock.

Are you a weight watcher?

Many a person goes on a diet, loses weight successfully, then a few weeks or months later finds she has re-gained all of the weight she has lost.

What is the reason for this inability to hold one's weight?

Chances are that the dieter has reverted to his old habits of too much food and too little exercise. Even though you have reached the weight you want, you can't suddenly go back to your old calorie-laden diets. Since it was a reducing plan that took off those extra pounds, the same plan will keep the pounds off.

A person with a weight problem may ease up a little on the diet routine, but servings should be increased cautiously. And it is a good idea to keep an eye on the scales regularly.

For persons wanting information on weight control, an excellent booklet has been put out by the U. S. Department of Agriculture. Entitled "Food and Your Weight," the pamphlet offers basic weight control facts and a daily food guide. It suggests meals and menus for reducers and for those who want to gain weight, and it lists the calorie values of nearly 400 food items so you can plan your own meals according to your likes and dislikes.

If you are a weight watcher, you can obtain the pamphlet, "Food and Your Weight," HG-74, by writing the Office of Information, U. S. Department of Agriculture, Washington 25, D. C. There is no charge for single copies.

Misleading Statement

According to Comptroller General Campbell, financial statements of the St. Lawrence Seaway Development Corporation are misleading. The law requires, he said, that tolls be set at a level that will produce enough money to cover nearly as practicable all costs, including depreciation. However, depreciation costs were not included in the base used to establish tolls. As a result, the Cor-

Scouts to Hold Camporee at Lake Pauline April 7-8

Several hundred boys scouts from 13 North Texas counties will pitch camp on the shores of Lake Pauline near the historic Medicine Mounds April 7 and 8 for the North Texas Council of Boy Scouts first council-wide camporee.

From 30 to 50 troops are expected to be on hand to raise a veritable tent city on the lake shores in the heart of a land steeped in Indian lore.

The Saturday and Sunday camporee, scouting's name for an overnight camp-out and field day of camping activities skills, will draw scouts from Montague, Clay, Wichita, Archer, Throckmorton, Wilbarger, Baylor, Knox, Foard, King, Cottle, Childress and Hardeman counties.

Mel Smith, council field executive, said the 90-member council executive committee will hold its monthly meeting during the camporee which could accommodate as many as 500 scouts plus several hundred additional scout leaders.

The scouts will set up tents along the northeast shores of the lake on a strip of well-sodded, well drained area stone's throw from the lake. Camporee headquarters will be established at the Lake Pauline Club house, owned and maintained by the West Texas Utilities Co., which also owns and supervises the lake for its big power plant that supplies a large section of North Texas with electrical power.

Scouts will begin arriving on Friday evening, April 6, and will register at the club house headquarters and be assigned a camping space. Field events will be held Saturday from 2 to 5 p. m. and again Sunday morning from 9 a. m. until noon.

Highlights of the camporee will be a large campfire program Saturday night at 8 o'clock on the lake front. Parents of the boys and others interested in scouting will be invited to attend and witness scout Indian dances, other scout ceremonies and entertainment. Church services for the scouts will be arranged at 9 a. m. Sunday.

The corporation's financial statement for 1959 showed expenses of \$993,601 and operating gains of \$2,210,893. If depreciation and bond interest expenses had been included, Mr. Campbell observed, the 1959 operation would have shown a loss of \$1,095,670.

No Two Can Agree

"One of the problems with income tax laws today is that two experts can agree on the various provisions and interpretations should be applied to a given set of facts. Even more dangerous is that what was a legal deduction for the taxpayer when he filed his 1960 return a year ago is not a legal deduction in the files for 1961, thanks to a 'interpretation'. This amendment 'ex post facto' legislation passed that made an action after it has taken place. ex post facto laws are prohibited by the Constitution. Port Huron, Mich., Times Herald.

NEW LOW RATE

Speaking of economy, did you know that homes served by West Texas Utilities Company are heated during the winter months at a low low 1¢ rate per kilowatt hour? Enjoy this new, low rate in your home! Ask a WTU representative to discuss this new rate with you.

SAFETY, cleanliness and economy are the best-known features of flameless electric heating — so well known, in fact, folks sometimes take for granted that the all-electric Medallion home is the MOST COMFORTABLE, too! Only electricity can heat so evenly, heat so quickly, heat so dependably. When you're buying or building a home, look for the medallion that tells you your home will be "comfort-conditioned" with flameless electricity.

No Premises Are Quarantined in Screw Worm Program

Individual premises on which screwworms are found will not be quarantined, advises Dr. R. G. Garrett, executive director of the Texas Animal Health Commission in Austin.

State and federal animal health authorities must have reports on all suspected screwworm infestations to conduct the eradication program properly. Livestock owners who make such reports will get the earliest and most thorough relief, Dr. Garrett said.

A screwworm transport patrol line has been established by the Commission across Texas from Del Rio generally east to Columbus and south through El Campo and Bay City to the Gulf of Mexico. This action was taken to contain known infestations in the southern part of the State, where their presence has been confirmed, and to prevent their transportation by truck or rail to the free area north and east of the patrol line.

Dr. Garrett requests that all animal handlers be especially watchful for animal wounds. He suggests that, where possible, such wounds be treated immediately with screwworm remedies and fly repellents so they will not become infested.

If worms are found in animal wounds, their identity should be established as quickly as possible, Dr. Garrett said. Free mailing kits may be obtained from county agricultural agents, livestock inspectors and others. Samples of the worms found will go to Screwworm Identification, ADE-USDA, Box 969, Mission, Texas. Identity of the worms will be made known to the owner immediately.

Martha Low Auxiliary Elects New Officers
 The Martha Low Intermediate Girls Auxiliary of the First Baptist Church met Monday, April 2, in the home of Mrs. Walter Stapp. After the president, Frances Cates called the meeting to order, Joy Trawek led in opening prayer.

New officers were elected as follows:
 President, Jon Ann Carter; vice president, Joylyn Haynie; secretary, Joy Trawek; program chairman, Frances Cates; prayer chairman, Deborah Jones; stewardship chairman, Lanette Lemons; mission study chairman, Billy Sue McClain; community missions chairman, Lela Jo Cates; forward steps chairman, Janis James; social chairman, Renee Daniel; publicity chairman, Virginia Stapp.

These officers will take their offices Monday, April 9. Lela Jo Cates read the names of missionaries who had birthdays on April 2 and Virginia Stapp led in prayer then. At the close of the mission offering, they had collected \$14.00 toward the goal of \$15.00. They unanimously voted to accept the YWA's offer to let the girls help them with their vacation Bible School for Latin American children April 16-19. Frances Cates turned the program over to the stewardship chairman, who conducted a quiz on the cooperative program. They discussed attending the G. A. Galaxy in San Antonio this summer. The counselor led in closing prayer. Ice cream cones were served for refreshments.

MOST REPRESENTATIVE—Col. Homer Garrison, Jr., right, director of the Texas Department of Public Safety, congratulates W. E. Turner, Dallas, upon being named 1961's Most Representative Hobbs Knight of the Road. The truck driver was one of four finalists, from among nearly 100 drivers, who were honored during the annual Knight banquet in Austin. Knight citations are made by DPS patrolmen who witness or investigate incidents in which commercial drivers perform exceptional acts of courtesy. Each year one driver is selected as "Most Representative" of the others. Turner was chosen for his helpfulness at the scene of an auto accident, driving record and exemplary private life. The Knight of the Road program is sponsored by DPS, Hobbs Trailers and Texas Safety Association.

New Texas State Highway Map Free to Public

The pioneering Texas Highway Department—originator of a proposal to standardize symbols on state maps for easier understanding by motorists—features some of the new symbols on its 1962 Official Highway Travel Map. A four-color beauty with "See Texas" as its theme, the new map is now available free to the public. In 1956, Texas recommended that a standard set of symbols be adopted for use on all state maps—to make the maps easier to read for motorists crossing from one state into another. This proposal was eventually adopted by the American Association of State Highway Officials and within the next few years all official state highway maps will be using these accepted standard symbols. When this standardization is effected, none of the road symbols should be "foreign" to a motorist traveling anywhere in the United States—provided the map he consults utilizes AASHO symbols. Such uniform symbols will make the nation's travel maps easier to read and understand—whether in New York or New Mexico, South Dakota or South Carolina. A quick look at the standard symbols, and the motorist immediately knows what type of highways are available in a given area, as well as many types of other special travel information required by the modern motorist.

Texas Highway Department officials said they plan to adopt all the AASHO highway symbols when the basic travel map is reissued. They said the basic map probably will be completely redrawn within the next two years. Chances are the Lone Star State will be the first of The Forty and Ten whose highway department turns out a travel map incorporating all the AASHO symbols. Use of the AASHO color symbols indicating the network of Interstate, U. S. and State highways, and Farm to Market roads in Texas keynotes the major changes in the latest edition of the popular travel map. On the new map, U. S. highways and Farm to Market roads—both formerly indicated in black—are now shown in a red band and a blue band respectively. Shields for U. S. highways remain red; but Farm to Market road shields, which were black, now are "boxes" in blue, too. Officials of the Texas Highway Department said that markings for the state highways will remain a black band. Also, Interstate Highways will retain their two narrow black bands with a red center. This is the standard symbol for showing the Interstate Highway System. Multilane-divided highway miles are now completed and shown on the new map total 2,131 miles. They include the finished sections of the seven National Systems of Interstate and Defense Highways throughout Texas. This year's map has more than 698 Farm to Market and Ranch

Free copies of the new Texas motoring map may be obtained by writing the Texas Highway Department, P. O. Box 5064, Austin. The map also is available at the 25 highway district offices and eight Tourist Bureaus throughout the state. County tax offices have map cards for requesting copies of the map. Distribution of the 1962 Official Highway Travel Map is estimated at 750,000 copies, but demand for this motorist's must might push the estimate near the million mark.

The Only One He'd Visited

The solar system was the subject and the teacher had prepared each pupil in her fourth grade class to select his own topic which to study and report to the rest of the class. Jim took to "Earth," and his selection seemed most logical. "You he explained, 'it's really the planet I have visited.'" Monitor.

A section underneath the vacation map tells about the vacation activities in Texas that are "as varied as the landscape of the Lone Star State itself." In another section, entitled "Good Highways: A Texas Tradition," the map reader is told about the state's "vast 62,000-mile highway network which offers the maximum in safety, comfort, and convenience of all types of motor travel.

Texas—in all its panoramic grandeur—is illustrated in eleven full-color photographs of scenes the motorist may view from his car window as he travels on the more than 62,000 miles of the Texas Highway System "engineered for safety, comfort, and pleasure." These pictures were selected to get a geographical cross section of the Lone Star State, and they depict the different types of highways and special traffic facilities offered motorists by the Texas Highway Department. The 1962 map plots 1,828 cities and towns. It also features twelve insets, which are not city maps but maps showing major routes in the state's dozen largest cities. They are Amarillo, Austin, Beaumont, Corpus Christi, Dallas, El Paso, Fort Worth, Houston, Lubbock, San Antonio, Waco and Wichita Falls.
