## CROWELL LUNCH ROOM COMMENCED THALIA STARTS TODAY, AND NIVERSIDE AND MARGARET OPEN SOON

After a slight delay due to the necessity to secure sufficient certainty to the Crowell Lunch room workers, the Crowell Lunch room opened its doors Wednesday noon and fed approximately two hundred children on its first day, according to Judge Thomas. It is anticipated that within a few days, the project will be feeding approximately one hundred and fifty children. Thursday at noon the Thalia room was opened and on opening day fed approximately one hundred children. The Riverside project is slated to commence operation on Thursday, 16, while the Margaret project will commence October 21.

National Emergency. Judge Thomas since the declaration of the as has worked assiduously to cooperate in this respect to the fullest extent and to that end has been successful in the inauguration of these projects in the various schools eligible in Foard County. The Community School Lunch Program has demonstrated that adequate balanced school lunches for all school children throughout the state are a prerequisite to building men and women with good bodies and sound minds. A nourishing school lunch is a potent factor in the prevention of juvenile delinquency, disease, and crime. Aside from the humanitarian standpoint, good business judgment indicates that the small financial outlay represented brings enormous returns. A hungry, malnourished child cannot make the best progress in school, and is often a poorly adjusted individual, constituting a tremendous burden to the school. A community school lunch program in every school will make for increased efficiency in the entire school system. In removing the lag in learning caused by malnourishment those who were malnourished, as well as the other pupils in the school, will share equitably the opportunities for learning. Also, savings effected on medicine, doctor and hospital bills, reform schools and penitentiaries and on such human ills as illiteracy, etc., represent untold dividends. Compared to the outlay for school lunches for needy and malnourished children is small indeed. The School Lunch Program is not to be considered a relief program, but rather a community program for the promotion of the health and general

well-being of the youth of the nation. The essentials of a good school lunch program are an understanding and appreciation of its educational importance and the co-operation of every member of the faculty, the parents, and the community in general. The major purposes of the program are to provide a complete meal for each child, to assist in developing in the children an appreciation of good nutrition and the importance of an attractive, well-served meal, to assist in training the children in good table manners and to provide a period of relaxation, rest and pleasant conversation. Judge Thomas says that the school lunch program may be correlated with the total curriculum by problems relating to price and quantities of food such as in arithmetic; sources of good supplies, as in geography and science; development of food preparation and preservation, as in history and science and in writing menus, as in spelling. The success of the Community School Lunch Program will be in proportion to the interest that each local community takes in the nutritional needs of its own children, and it is believed by Judge Thomas that with the interest already manifested by the school officials and the patrons in the various communities that Foard County's Lunch Program will be such as will assuredly measure up to the great stress placed upon Public Health by the Government and that Foard County will have the reputation of affording to its boys and girls the essential elements that are necessarily entailed in good health.

## Hull Reaches 70

Cordell Hull, who has served as secretary of state longer than any other man in U. S. history, celebrates his seventieth birthday. The cake was presented by Washington correspondents.

## Mrs. Boardman Died at Her Home Sunday Evening

### Funeral Services Were Held at First Baptist Church Mon.

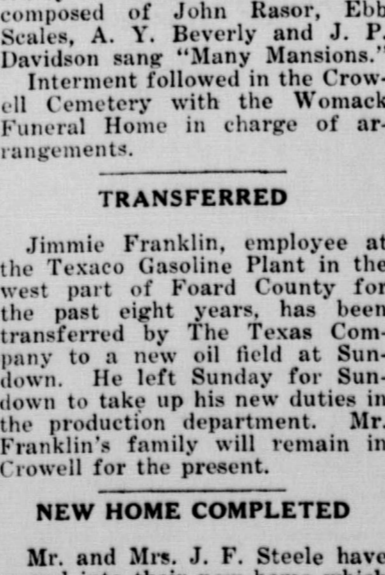

Mrs. Nora Boardman passed away at her home Sunday night at 9:50 o'clock following a brief illness which had not seemed to be serious until early Sunday morning. On Friday she was about her household duties as usual but was ailing somewhat Saturday and became seriously ill at 5:30 Sunday morning. Mrs. Boardman was born in Gibson County, Tenn., on Nov. 4, 1872. Her maiden name was Nora White. She moved to El Paso, White County, Ark., with her parents when she was five years of age. She was married to Joseph Edward Boardman on Feb. 12, 1891. The couple moved from Arkansas to Mabank, Kaufman County, Texas, and lived there for a few years, then came to Crowell to make their home in 1907. Mrs. Boardman passed away a number of years ago. They had one child, Julia Elbert Boardman, who is now Mrs. J. E. Minor of Lubbock. Mrs. Boardman is also survived by two grandchildren, Mrs. Lillie Mae Copelin, of Childress and Edwin Edgin of Crowell, who resided with his grandmother.

Mrs. Boardman joined the Christian Church when she was a young woman and has lived a consecrated, Christian life, continually ministering to those in need with her services of friendship. She was a charter member of the Crowell Christian Church and, at the time of her death, was serving as a member of the official board of that church. The church had no more loyal, faithful servant and the town had no more faithful, friendly and helpful citizen, and her life of service will ever be remembered by her many friends.

Funeral services were held at the First Baptist Church Monday afternoon at 3 o'clock with the pastor of that church, Rev. W. B. Fitzgerald, preaching the funeral sermon. Pall bearers were Arnold Rucker, Claude McLaughlin, Charlie Wishon, J. H. Lanier Jr., Grady Magee and Roy Mullins. The flower bearers were members of the Sunday School class of which Mrs. Boardman was a member. Mrs. Arnold Rucker served as pianist and Mrs. Alva Spencer played the violin for all the songs which were led by Joe Ward. A male quartet, composed of John Rasor, Ebb Seales, A. Y. Beverly and J. P. Davidson sang "Many Mansions." Interment followed in the Crowell Cemetery with the Womack Funeral Home in charge of arrangements.

**MRS. HARTMAN DEAD**  
Mrs. W. S. Hartman, 87, mother-in-law of J. L. Hunter and a pioneer resident of Crowell, passed away at her home in Fort Worth about the middle of August. Mrs. Hartman was well known to the early settlers of this section. She and her late husband built the old Garlinghouse residence in Crowell when the town was laid out in 1891.

## Paris a Changed City Nowadays

Groups of high Nazi officials and their retinues are quite common in Paris these days. Lone Nazi functionaries run the risk of assassination. Lieut. Gen. Von Schaumburg, second from right, commander of greater Paris, is shown as he is inspected the markets. He is accompanied by Admiral Bard (third from right), prefect of police in Paris.

## 2 Undeclared Teams, Munday and Crowell, Meet Here Friday Night to Open Conference Play

The probable starting lineups for the Crowell Wildcats and the Munday Moguls, first conference game in Crowell Friday night, Oct. 10, at 8 o'clock, are as follows:

No.	Munday	Wt.	Position	Wt.	Crowell	No.
97	Denham	155	Left End	150	Roark	83
89	E. Lowrance	145	Left Tackle	210	Owens	99
88	Tidwell	167	Left Guard	143	Pierce	93
92	Stevens	175	Center	148	Archer	89
93	Cadwell	169	Right Guard	150	Vecera	73
96	Kitchens	163	Right Tackle	192	Canup	87
95	Care	160	Right End	180	Thompson	90
90	Carden	138	Quarterback	154	Bred	75
99	Cude	160	Left Half	136	Halecnak	35
94	McGraw	185	Right Half	138	Cauthan	25
91	Moore	170	Fullback	160	Spears	55

**Crowell Reserves**  
Linemen—White 65, 152; Taylor 80, 160; Erwin 70, 192; Hunter 63, 139; Sollis 95, 109; Parkhill 60, 120.  
Backs—B. Owens 45, 138; Kelton 85, 160; McDaniel 77, 126; Stout 97, 130; Carter 67, 142.

**Munday Reserves**  
Linemen—B. McGraw 58, 137; M. Lowrance 62, 135; Lowery 60, 130; Haymes 63, 150.  
Backs—Montgomery 98, 135; Massie 72, 115.

**Officials**  
John Smith, McMurry, (Benjamin), referee; George Ray Colvin, W. T. S. T. C., (Turkey), umpire; Pressley Wright, N. T. S. T. C., (Childress), headlinesman.

## People Owing Delinquent Taxes Have Till Nov. 1, 1941, to Pay Without Penalty and Interest

### Truman Taylor Will Attend F. F. A. Meet At Kansas City, Mo.

Truman Taylor will represent the Crowell FFA chapter at the national FFA convention in Kansas City, Mo., Oct. 20-22. He will leave Fort Worth on a special train Sunday morning, Oct. 19, and return to Fort Worth Thursday evening of the same week.

The Crowell chapter has been represented at the national convention for the past several years. Boys who have represented the chapter in the past are James Welch, Harvey Crosnoe, and J. M. Hill Jr.

### Local Man Hurt in Auto Accident

J. Z. Branch, who is employed at Spears' blacksmith shop, figured in an automobile accident near Wichita Falls last Tuesday night and received minor cuts about the face. He was released from a hospital soon after his wounds were dressed there. The accident happened when two cars collided on the Henrietta road about four miles from Wichita Falls. The driver of the car in which Mr. Branch was riding was driven by L. H. Bunch, also of Crowell.

The two men were en route to Blue Ridge for the family of Mr. Branch, who was coming here to make their home. The car was demolished.

### HOSPITAL NOTES

**Foard County Hospital**  
Patients In: E. L. Floyd, Ima Jean Daniels, Jessie Dorsey (colored).  
Patients Dismissed: Mrs. Albert Holderbaum and baby, Betty Jo Dunn.

## British Ambassador Returns to U. S.

Holding a cigarette, Lord Halifax, British ambassador to the United States (right), apparently is amused by a reporter's question during a press interview on his return to America after spending a number of weeks in England. He and his wife had just stepped off the Dixie Clipper in New York.

## Life Insurance Program Under AAA in Progress

Remaining an average lint and premium rate per acre every cotton farm in Foard County is the first task to be accomplished under the cotton crop insurance program, Grady Halbert, chairman of the Foard County AAA committee, has announced. All these figures have been determined by the State AAA Commission and Federal Crop Insurance Corporation, applications to be accepted, the AAA explained.

Mr. Halbert said in explaining that all allotments would be made by Nov. 1 in order that the cotton crop insurance program get under way. The 1934-1940 cotton history farm will be the basis of determining the average lint yield farm. In the event historical records are not available, appraisals will be used in determining the average, Mr. Halbert explained.

The sheet rock walls were painted pale ivory and the windows and doors were done in oak. The painting and new lighting fixtures have added much to the appearance of the lodge hall, it is reported.

### BABY DAUGHTER BORN

Mr. and Mrs. Henry Borchardt are the parents of a baby daughter, weight 7 lbs., born Wednesday morning at Vernon.

### REAVIS SUCCUMBS

Reavis, 82, oldest brother of the late D. L. Reavis of the last surviving member of the family, died in Enterprise, Ore., Oct. 7. Mr. Reavis was a former resident but never visited in

## Total Rainfall for Year Is 35.5 Inches; Heaviest Since 1926

With 1.95 inches of rain falling Thursday and Friday and 47 Saturday, the total rainfall for this county reached 35.5 inches for the year, according to the records at the Crowell State Bank. July was the only month in the year so far in which no rainfall was recorded. The rainfall this year is the greatest since 1926 when 36.96 inches were recorded. The greatest precipitation recorded in this section fell in 1919 which reached 39.49 inches.

## Thalia Masonic Lodge Hall Remodeled and Re-Decorated

The job of re-modeling and re-painting the Thalia Masonic Lodge hall was completed last Thursday by G. W. Seales. New lighting fixtures were also installed.

The sheet rock walls were painted pale ivory and the windows and doors were done in oak. The painting and new lighting fixtures have added much to the appearance of the lodge hall, it is reported.

### BABY DAUGHTER BORN

Mr. and Mrs. Henry Borchardt are the parents of a baby daughter, weight 7 lbs., born Wednesday morning at Vernon.

## Annual Salvation Army Fund Appeal to Start Soon

The Salvation Army will make its annual appeal in Crowell and Foard County soon to carry out its program in the Texas division. W. D. Pedigo, campaigner, who has been coming to Crowell for many years will be here to assist in making the canvas which is to be supervised by the County Advisory committee composed of M. S. Henry, W. F. Kirkpatrick, T. B. Klepper and H. E. Ferguson. The plea of annual appeal made in this county in October of each year affords the citizenship an economical and dependable means of assisting the Salvation Army in its broad program of humanitarian and spiritual services and is for the entire year, and any other solicitation is without proper authority.

## Christian Church to Have Preaching Sun.

Orval Holt will preach at the 11 o'clock hour Sunday morning, at the First Christian Church, according to word received from him Wednesday afternoon.

**MRS. HARTMAN DEAD**  
Mrs. W. S. Hartman, 87, mother-in-law of J. L. Hunter and a pioneer resident of Crowell, passed away at her home in Fort Worth about the middle of August. Mrs. Hartman was well known to the early settlers of this section. She and her late husband built the old Garlinghouse residence in Crowell when the town was laid out in 1891.

## Paris a Changed City Nowadays

Groups of high Nazi officials and their retinues are quite common in Paris these days. Lone Nazi functionaries run the risk of assassination. Lieut. Gen. Von Schaumburg, second from right, commander of greater Paris, is shown as he is inspected the markets. He is accompanied by Admiral Bard (third from right), prefect of police in Paris.

### TRANSFERRED

Jimmie Franklin, employee at the Texaco Gasoline Plant in the west part of Foard County for the past eight years, has been transferred by the Texas Company to a new oil field at Sundown. He left Sunday for Sundown to take up his new duties in the production department. Mr. Franklin's family will remain in Crowell for the present.

### NEW HOME COMPLETED

Mr. and Mrs. J. F. Steele have moved into their new home which has recently been finished on the site of their old residence. The new house is of rock veneer and is modern in all ways. It is an attractive home, inside and out.

It will be two undefeated elevens that open district play at Wildcat Stadium Friday night. The Munday Moguls have victories over Rochester, Roscoe and Snyder. The Crowell Wildcats have victories over Matador, Paducah, Quannah and Floydada. Crowell will be outweighted for the first time this season. The Moguls weigh 162 pounds to the man and the Wildcats average 158 pounds per player. Crowell will be playing without the services of Arnold Smith, regular left end, who received a fractured hip last Friday night and will probably be out for six weeks. Coach Graves has shifted Alton Roark to end and Fred Pierce will play Roark's guard position.

The Moguls have five regulars back from last year: Tidwell, left guard; Stephens, center; McGraw, right half; Carden, quarterback; and Moore, fullback, are the Munday boys that were starters last season. The Wildcats have much respect for Moore, fullback for Munday, who completed more passes against the Wildcats last year than any other man Crowell played against.

Although Crowell has only two regulars back from last season, Thompson and Spears, the local fans have much confidence in the Wildcats due to the good games they have turned in so far this year.

## Graduates from Army School of Radio Communication

Graduating with the largest class in the history of Scott Field, Ill., 345 students, Pvt. David L. Sollis, son of Mr. and Mrs. Dave Sollis, Rt. 2, Crowell, received his diploma today on completion of a 22-week course in radio communications and mechanics, according to Col. Wolcott P. Hays, commandant of the army's radio university.

"You are a credit to yourself and the service," Col. Frederick F. Christine, executive officer, said in addressing the graduating class, "and you are one of the indispensable of the air force. The foundation you received here is that on which you will build your entire future." Pvt. Sollis has been assigned to duty at Bourquin Field, Puerto Rico, as an expert radio technician. All graduates of the school, groups of which leave the field every two weeks, are capable of going on duty as aviation radio experts in any military post in the country or its possessions.

Rapidly expanding in size and activity, Scott Field is destined to graduate 20,000 students annually.

## Womack Buys Allison Residence to Use As Funeral Home

W. R. Womack has recently bought the J. W. Allison home, two blocks north of the square, and work of converting it into a new funeral home is now in progress. It will be necessary to make many changes on the inside and it is hoped to have the building ready for occupancy by the first of December.

### J. M. CLAYTON DIES

J. M. Clayton, a resident of the Claytown community for many years, died in Galveston Wednesday, according to a message received here by his daughter, Mrs. Roy Woodward, and his son, Coy Clayton. The body will be shipped to Gainesville. Mr. Clayton's old home, for burial.

### CEMETERY ASS'N. TO MEET

Mrs. N. J. Roberts, president of the Cemetery Association, announces that there will be a meeting of the Cemetery Association on Monday afternoon, Oct. 12, at Womack's Furniture Store. She urges that a large number attend the meeting, as business of importance is to be attended to.

### EXHIBIT SET UP AT FAIR

Miss Joellene Vannoy went to Dallas last Friday to set up the Foard County Exhibit at the Dallas Fair. This exhibit is sponsored by the Foard County Home Demonstration Clubs and depicts the growing and milling of wheat. Mrs. Tom Bell and Mrs. S. S. Bell accompanied her to Dallas, where they visited relatives. Miss Vannoy returned home the first of the week.

Items from Neighboring Communities

THALIA

(By Minnie Wood)

Mrs. Ed Cates left Monday for a visit with her mother, Mrs. C. E. Vandergriff, who is ill in Hugo, Okla.

Ben Hecan of Denton visited here last week-end. He was accompanied home by his wife and daughter, Mary Jo.

Mr. and Mrs. J. W. Bryson of Mineral Wells visited their daughter, Mrs. E. S. Flesher, and family here recently.

A large crowd of men attended the Brotherhood meeting at the Baptist Church here Wednesday night. Rev. W. W. Melton of Dallas was the speaker. Rev. Hickerson of Commerce was on the program also.

Louis Webb and family of Black visited his parents, Mr. and Mrs. B. D. Webb, here Sunday.

Mrs. J. L. McBeath went to Lockney Sunday to be at the bedside of Mrs. A. Brian, who is very ill.

Robert Hudgens and family of Elk City, Okla., visited C. E. Blevins and family here last week.

Mrs. Bertha Shultz left Saturday for a visit in Oklahoma City. Born to Mr. and Mrs. Roland Taylor, Monday, Oct. 5, a boy.

J. D. Miller of Newcastle, Miss Betty Miller of Wichita Falls and Miss Floy Huntley visited Mrs. J. D. Miller here last week-end.

Miss Helenore Reynolds of Benjamin and Mr. and Mrs. Bernice Perkins of Jeane, Texas, visited Mr. and Mrs. J. A. Parry here last week-end.

A large crowd attended singing at the Methodist Church here Sunday afternoon. C. E. Blevins was re-elected president of the convention for another year.

Mr. and Mrs. Elmer Patterson attended the Dallas Fair in Dallas Friday night and Saturday.

Arda Long and family of Post visited Mr. and Mrs. W. J. Long here last week-end.

Mr. Teel of Clarendon visited

friends and relatives here recently.

Harold Short, who is stationed in North Carolina, visited his father, G. C. Short, and family last week-end.

Mr. and Mrs. D. M. Shultz, R. C. Johnson and family, Dave Shultz and family of Gambelville, Hugh Shultz and family of Margaret, Clifford Clines and family of Tolbert, C. D. Haney and family, Mrs. Lee Shultz and son, Loyd, Mr. and Mrs. Roy Shultz, Mr. and Mrs. Isaac Shultz, Reid Pyle, James Adkins, Mary Evelyn Adkins, Mrs. C. L. Adkins, Mrs. Huston Adkins, Eudale Oliver and family of Thalia, and Gotechie Mints and family of Vernon visited G. A. Shultz and family Sunday, making 59 in all.

Mrs. Minnie Moore of Vernon visited Mrs. M. E. Moore here a few days this week.

RAYLAND

(By J. C. Davis)

Mr. and Mrs. J. C. Franks and small son of Littlefield visited her parents, Mr. and Mrs. Perry Tooley, and other relatives here last week.

Mr. and Mrs. Bill Lewellen of Snyder spent most of last week with relatives here.

Mr. and Mrs. Fred Tooley of Odell visited his brother, Perry Tooley, and wife last Friday.

Mr. and Mrs. T. F. Lambert spent the week-end with relatives at Levelland.

Mr. and Mrs. O. W. Holland of Vernon spent Sunday with his father, J. C. Davis.

October 14. — William Penn, founder of Pennsylvania, born, 1644. First Mississippi and Ohio steamboat left Pittsburgh, 1811.

October 15. — John L. Sullivan, pugilist, born, 1858. Monument dedicated at Springfield over grave of Lincoln, 1874.

October 16. — Noah Webster, born, 1725. First New York newspaper, 1725.

October 17. — First trans-Atlantic radiogram, 1907. The China Clipper completed the first passenger flight from California to Manila, 1936.

October 18. — United States takes formal possession of Porto Rico, 1898. First direct New York-Chicago telephone line placed in service, 1892.

October 19. — Napoleon begins his retreat from Moscow, 1812. First Woman's Rights convention in the United States held at Worcester, Mass., 1850.

The Works Progress Administration reports a decrease in unemployment from 9,000,000 in July, 1940, to 5,600,000 in July, 1941, a total of 4,000,000 for the year.

He is free from danger who is always on his guard.

MUCH-BOMBED CHUNGKING ROTARIANS SEND CASH FOR EUROPEAN VICTIMS

Though bombed and rebombed, Rotarians in Chungking, China, have sent a contribution to the Rotary Relief Fund which provides for the needs of refugee Rotarians everywhere and keeps Rotarian war prisoners supplied with boxes of comforts each month. writes Jeff H. Williams, Chairman of the Fund, in the current Rotarian magazine.

Quoting from the Chungking Club bulletin, Williams writes, "The reason for our poor attendance last week was that two of the worst raids came on Thursday (meeting day) and only 13 showed up (membership is 26). We regret to report the death of 'Steady' Hse after the bombing. In the raid 'Dent' Chen's office and home were completely destroyed; David Ngon's office was hit and home burned. His family was lost for three days."

Once a month, packages are sent to Rotarians and members of their immediate families in prison camps, and reply cards listing the contents come back. So far, all packages have gone through. French, Belgian and British prisoners are on the lists at present. The usual parcel contains canned meats, chocolate, dried fruits, nuts, cigarettes and pipe tobacco. Aid is also given to civilians who have escaped from conquered countries without means, or who

Your Horoscope

October 6, 7.—You are well informed, and your fund of general information is not limited to matters of your occupation or trade. You have a high order of mechanical ability, are exact and precise in every detail. The more artistic and finer work of finishing usually falls to you. You are apt to overdo and break down through your close attention to business.

October 8, 9.—You are very loving and true and no one ever doubts your genuineness. Although somewhat positive and combative, you attract the same sort of people and have many loyal friends. You have much originality, are thorough and painstaking, are always ready to listen to advice, but seldom need it as your own deductions are usually sufficient.

October 10, 11, 12.—You are conscientious in all your dealings, true and loyal to your friends. You know your ability, and do not like to remain in the background. You do not have many intimate friends, but are very close to the few you have. You like to dress well and what you wear is of the best. You are fond of refined and good society.

have had their homes or businesses ruined by the war.

The funds used for this service are raised by individual Rotary Clubs in various ways or are the gifts of individual members. So far, Rotarians or Rotary Clubs in 21 countries besides the United States have contributed to the fund, which was authorized at the 1940 Convention of Rotary International, held in Havana, Cuba.

On an average of 109 deaths occur in this country every 24 hours from highway traffic accidents. Some man, woman or child is killed every 13 minutes of the day and during the same period 35 others are mangled. Last year a total of 24,500 people were killed and 1,200,000 were injured. The property loss involved in the accidents was \$1,600,000,000.

Again...real reasons for the Mileage to expect from

Your Mileage Merchant

"TRY MY NEW CONOCO Nth OIL THAT WON THE CERTIFIED DEATH-TEST IN DEATH VALLEY"

That's certified. Conoco Nth outlasted one of them more than 8,200 miles!—mileage to the Nth degree. "You want reasons for anything that important, and let me say this: any oil that you'd want for your engine today has been plenty refined to get rid of the bad things in oil. The only trouble is that this same swell refining can't help taking out some of the very best things! Out goes lots of good 'vim-and-vigor', except for Conoco being able to bring it back good and plenty with their Thialkene inhibitor that's in Conoco Nth motor oil—patented.

"And surest thing you know, this great new Nth oil is still made under the famous Conoco Germ Processed oil patent. So it will still give your engine good old OIL-PLATING, which can't all drain down from the working parts even the whole night long, and that's why OIL-PLATING is on guard against wear in advance! This same OIL-PLATING is just one more thing that made Conoco Nth oil last more than twice as long as some of those others in Death Valley. "Sure, you don't try Death-Tests, or any other proving-ground tortures. So you'll still insist on draining at just the right times, depending on your car and how you use it. You can ask engineers, and so forth, or come and look at my official chart of when to drain. The way Conoco Nth lasted in Death Valley, you can know that every time I check your oil-level you won't be needing another quart or two. Better OIL-PLATE now with Conoco Nth oil!"

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

H. M. Jacklin Consulting Engineer, who during Academic year is Professor of Automotive Engineering, Purdue University

Miss Clifflie Hill of Farmersville arrived Monday of last week for an indefinite visit with her sister, Mrs. Leslie Dunn, and family... Mr. and Mrs. James Delaughter and son, Kenneth, of Crowell spent Sunday and Sunday night with

Leslie Dunn and family, assisting them during the illness of their children... RIVERSIDE (By Bonnie Schroeder) Miss Bennie Lee Bradford, daughter of Mr. and Mrs. Ben Bradford of this community, was able to be moved from the home of Mrs. A. J. Baggett in Abilene to the home of her sister, Mrs. Odie A. Claxton, in Brownwood Thursday... Miss Bradford recently submitted to an appendicitis operation in an Abilene hospital... Mr. and Mrs. Willie Buchanan of Paducah visited Mr. and Mrs. Luther Cribbs Sunday... Mrs. Joe Richter had as her guests this week-end her sons, Robert Richter and wife and Paul Richter, of Corpus Christi... Ruth Skelton returned home from Dallas, where she underwent an operation in Scottish Rite Hospital recently, Friday... She resumed her studies in Thalia High School Monday... Mr. and Mrs. Mutt McKinley and children of White Deer spent from Monday until Friday with her parents, Mr. and Mrs. Earl McKinley... Mr. and Mrs. W. M. Judd of Vernon visited Mr. and Mrs. Monroe Karcher Thursday evening... Misses Decima Fowler and Zella Scales of Vernon and Messrs. Keith Davis of Oshkosh, Wis., and Mel Silverman of Chicago, Ill., who are students in the Victory Air School in Vernon, were guests of Miss Scales parents, Mr. and Mrs. G. W. Scales, Sunday... The group was also accompanied by Mr. and Mrs. N. H. Scales of Vernon... Mrs. Allie Huntley went to Vernon last week to visit relatives... Mr. and Mrs. Henry Hlavaty of Seymour visited Mr. and Mrs. Roy Ayers, Mr. and Mrs. Ignac Zacek and other relatives and friends in this community Sunday... Mr. and Mrs. Jake Simmonds and children of Vernon were visitors in the R. G. Whitten home Sunday... Mr. and Mrs. J. Bailey Rennels visited Mrs. Delphus Tolen, who is recovering from an illness in the home of her parents, Mr. and Mrs. Carl Austin of Rayland, Sunday... Mrs. R. A. Miller left Sunday morning for her home in Norman, Okla., after a visit with her daughter, Mrs. Ben Bradford, who is confined to her home by illness... Mrs. Mollie Waggoner of Denton visited Mrs. Earl McKinley recently... Mr. and Mrs. Henry Raska of Farmers Valley were dinner guests of Mr. and Mrs. Herman Gloyna Sunday... Mrs. Howard Holland of Hawkins spent from Monday until Sunday with her parents, Mr. and Mrs. R. L. Rhey, Mr. Holland and daughter, Wanda, came Friday and the trio returned to Hawkins Sunday... Judge Leslie Thomas of Crowell visited the Riverside School Friday... Mr. and Mrs. Monroe Karcher were dinner guests of her parents, Mr. and Mrs. Karl Haselock, of Lockett Sunday... G. T. Teal of Clarendon visited Mr. and Mrs. G. W. Scales recently... Mr. and Mrs. Ignac Zacek and son, Joe, were visitors of Mr. and Mrs. John Michilik of Munday Monday... Mr. and Mrs. Bill Anderson and Mrs. Jones and daughter, Mabel, of Vernon visited Mr. and Mrs. Cap Adkins Monday evening... Mrs. Sudie Bradford of Margaret and Rev. and Mrs. Buel Bradford and children of Abilene were visitors in the Ben Bradford home Thursday evening... R. C. Johnson and family, Dave Shultz and family, Mr. and Mrs. D. M. Shultz and James and Mary Evelyn Adkins were dinner guests of Mr. and Mrs. G. A. Shultz of Thalia Sunday... Mr. and Mrs. Walter Williams of Los Angeles, Calif., spent Wednesday with Mr. and Mrs. Cap Adkins... Mrs. Williams is Mr. Adkins' cousin... The couple also visited other relatives here... Mr. and Mrs. David Lee Owens of Crowell visited Mr. and Mrs. Ben Bradford Sunday... Mrs. Loyce Lambert of Five-in-One spent Tuesday afternoon in the R. L. Rhey home... Mrs. C. L. Adkins and daughter, Mary Evelyn, attended the Wilbarger-Foard Baptist Association in Margaret Thursday... They were accompanied by Pat Dubose, Sidney Swan, Caroletta Jones, Mary Jo Hogan of Thalia and Marion Self of Five-in-One... Ralph Bradford and son, Henry, of Margaret visited in the Ben Bradford home Wednesday... Evelyn Bradford submitted to an appendicitis operation in a Vernon hospital Sunday evening... She is reported to be recovering satisfactorily...

Vacationing in U. S.

On a six-week vacation to the United States and Canada, the duke and duchess of Windsor, partners in a romance that rocked the world, are pictured at the British embassy in Washington, where they had breakfast. They were received briefly at the White House by the President. The duke is governor of the Bahamas, where the U. S. is building a defense base.

Inter-Community Contest Endorsed by Governor

Abilene.—Ten more towns have appointed Public Affairs committees to work with the West Texas chamber of commerce, said a WTCC announcement this week. The new committees are in Brady, Cisco, Colorado City, Comanche, Dublin, Edery Mason, Menard, Stamford and Winters... To date, organization of these committees, which will sit as a house of delegates in the WTCC's fall convention at Midland on Nov. 4, has been completed and certified to the regional chamber from 75 affiliated towns. The number is expected to pass the 100 mark as WTCC President J. Thos. Davis and members of the staff continue their tours over the territory for conferences with local chambers of commerce boards... Nine more meetings have been scheduled for the next two weeks, as follows: Monday, Oct. 6, Mineral Wells, night; Tuesday the 7th, Merkel and Wichita Falls, noon; Cisco, night; Friday the 10th, San Angelo, afternoon; Brownwood, night; Monday, Oct. 13, Weatherford, night; Friday, Oct. 17, Fort Worth, noon; Friday, Oct. 24, Amarillo, night... The local Public Affairs committees, besides sitting as the house of delegates in the convention, will serve as permanent contact groups between their local and regional chambers on all programs calling for joint action... Chairman of each committee is the local WTCC director; its secretary, the local chamber manager... Other Westex towns where committees have been created, to date, are: Abernathy, Abilene, Albany, Anson, Ballinger, Big Spring, Bowie, Breckenridge, Bronte, Brownfield, Burk Burnett, Chillicothe, Clarendon, Coleman, Crosbyton, Crowell, Dalhart, Decatur, Denton, Del Rio, Eastland, Fort Stockton, Gainesville, Gatesville, Goree, Graham, Hale Center, Hamlin, Haskell, Henrietta, Hereford, Idalou, Iowa Park, Jacksboro, Junction, Lamesa, Levelland, Littlefield, Lorenzo, Marfa, Midland, Munday, Nocona, Olney, Pecos, Petersburg, Post, Quanah, Ranger, Roscoe, Rotan, Santa Anna, Seminole, Seymour, Slaton, Snyder, Stephenville, Strawn, Tahoka, Vernon, Waco, Weinert and Weatherford... that will hold water should be destroyed. Houses should be screened with sixteen mesh screen. Community-wide mosquito campaigns will greatly aid in reducing Dengue fever and add much to the comfort of the citizens... The talking machine record business which experienced quite a slump with the coming of the radio is enjoying a marked upturn. Record producing companies announce the biggest year since 1929.

Dengue Fever Will Continue Till Frost

Austin.—This is the season for Dengue fever, according to Dr. Geo. W. Cox, State Health Officer. Several cases of this disease have been reported to date and no doubt will continue to increase until the first frost... Dengue is characterized by sudden onset, headache, and pain in the back and limbs, especially the joints. The fever is of short duration, but recovery is slow. While causing great discomfort, the disease is seldom fatal. However, the loss of time involved is a great economic factor. One attack is generally followed by immunity for a few years... Dengue fever is caused by the bite of the same mosquito that transmits yellow fever. Those who have not studied the mosquito are unable to distinguish the different species. Even though certain mosquitoes may be incapable of causing diseases such as Dengue or malaria, they are very much a nuisance... To prevent Dengue fever and other diseases transmitted by mosquitoes, all places where they propagate should be eliminated. All standing water should be drained or oiled, rain barrels screened, and cans or anything

Lying lips are an abomination to Jehovah; but they that deal truly are his delight.—Proverbs 12:22.

We have noticed that when it comes to community events the fellow who never gives any time to them is usually the most prompt and valuable critic. We have often wondered if such persons pitched in and worked hard to put community events over so other men do, if they would do so free to criticize those who do. Try to get a chronic critic on a committee and he will dig up a hundred excuses why he can't serve. It would be interesting to see a town run altogether by the chronic critics.

What the country needs is more good Sunday School teachers and more good Boy Scout leaders. Both are tasks of service that receive no material reward, little praise and not enough appreciation.

The Kansas state convention of the American Legion passed unanimously a resolution asking for the dismissal from the cabinet of Secretary of Labor, Perkins. There was not a single dissenting vote.

After seeing some of the things that get by the censors in the movies, we can't help but wonder what the original shots were.

Napoleon had a great army of 600,000 when he marched upon Moscow and only 20,000 when he got back.

Only an accomplished liar can hand some persons all the compliments they require to keep one in their good graces.

It is unfortunate but it is true, the folks who need the vacations most seldom get them.

The man who has to resort to untrue statements to prove his point is on the wrong side of the argument.

Opportunity merely knocks on one's door, some contend, but once. Temptation knocks at first but if it doesn't get attention it proceeds to break the door down.

Between 1930 and 1940 there was a sharp increase in ownership of small part-time farms near large cities.

When it comes to giving up silk hose we don't blame the women. There is no glamour to cotton hose.

Aid To Armed Forces Seen as Main Red Cross Defense Work

Practical assistance to soldiers and sailors preparing to defend America's shores has become the major task of the American Red Cross throughout the nation, Mr. Geo. Self, chairman of the local Red Cross Chapter, declared today. All the many branches of the organization are contributing time and effort to this program of aid to the armed forces, he reported.

Financial support for this essential work must come from membership funds received during the annual Roll Call, to be held from November 11 to 30. Aid to the armed forces is only one of the activities financed from membership receipts.

"The Red Cross is obligated by its Congressional charter to act as the link between the military forces and the folks back home. To accomplish this task the Red Cross has had field directors in military and naval stations and hospitals since 1917 and is now assigning directors to cover new stations as they are opened. It has begun a \$1,250,000 building program to construct Red Cross headquarters buildings at 62 Army camps."

"There are over 300 field directors and assistants on duty at 185 stations and hospitals covering approximately 900 points of field service," he reported. "These men," he explained, "are trained to serve as advisors to soldiers and sailors with social or economic problems. If a service man's family is involved in the problem, Red Cross workers in the home town chapter form a liaison to bring about an effective solution."

Pointing out that the Red Cross is the official non-military agency operating within military establishments, Mr. Self said approximately 65 medical and psychiatric social workers are stationed in hospitals of the Navy and general hospitals of the Army. The organization is completely furnishing, staffing and operating Red Cross recreation buildings erected at 65 Army stations and general hospitals.

In another phase of the program Red Cross volunteers render friendly service to bed patients and aid in the recreation program for convalescents. Other volunteers make comfort articles to supplement those provided by the government.

More than 10,000 Red Cross nurses, members of a large reserve of the nation's finest registered nurses, are being assigned to Army and Navy duty. The Red Cross also is registering medical technologists and dietitians for possible military service. In addition, the Army had requested the Red Cross

SCRAPE OFF THOSE BARNACLES!

to obtain 200,000 donations of blood to build a blood plasma reservoir for efficient and speedy field transfusions.

Another Red Cross service is the distribution of \$1,000,000 worth of athletic and recreation equipment to Army and Navy posts, an important item in building morale among service men. Production volunteers in 3,700 local chapters throughout the country are making 40,000,000 surgical dressings to bolster military reserves of medical supplies.

"It is imperative that our community contribute its full share to the upkeep of these and all other Red Cross services connected with national defense."

What We Think (By Frank Dixon)

A business man in my town, who incidentally operates the largest business in the town, from the standpoint of volume done, told me recently of his plan for raising the necessary money to finance the nation's defense program.

Instead of the many forms of taxes now being proposed which are difficult and expensive to collect, he proposes a nation wide registration day to be held one or more times during each year, whatever necessary demands at which every wage earner and every person having an income from sources other than wages or salaries will register as the selectees registered for the draft.

Each wage earner at the time of registration would pay the equivalent of one day's income, or the average daily earning for the preceding year.

This party believes that such a plan would solve at once several problems that are facing the federal government today.

It would, he believes, raise the necessary revenue to pay for the defense program. If one day's income from each employed man and woman would not be sufficient he suggests that two or three or even four payments be made during the year.

He points out that a means of handling the registration could be set up similar to that used in the draft registration. In his opinion the collection of the money would

THE POCKETBOOK OF KNOWLEDGE BY TOPPS

Illustrations and text from 'The Pocketbook of Knowledge' including: '55 TONS OF AIR CONDITIONED FOR A MINUTE WILL BE PROVIDED FOR EMPLOYEES IN A NEW AIRPLANE FACTORY IN CALIFORNIA', 'GOING UP!', 'AMERICAN AIRPLANE PRODUCTION HAS BEEN STEPPED UP TO THE POINT WHERE 3 PLANES ARE DELIVERED TODAY FOR EVERY 1 OF A YEAR AGO', '7,500 POUNDS OF COAL ARE USED ANNUALLY FOR EACH PERSON IN THE UNITED STATES', 'PRETZELS WERE ORIGINALLY DESIGNED BY MONKS OF THE EARLY CHRISTIAN ERA WHO MADE THE "LITTLE CAKES" TO RESEMBLE FOLDED ARMS IN PRAYER... THEY WERE GIVEN TO CHILDREN AS REWARDS FOR LEARNING THEIR PRAYERS'.

ELECTRIC GHOSTS

Everywhere there are ghosts—electric ghosts. They rush over wires. They flash through space. We are all electric ghosts, even though we may never move from our chairs. What happens when we telephone. A bit of the personality, the human voice, is turned into electric waves and turned back into sound. John Jones in New York and Bill Smith in San Francisco are reduced to mere mouths and ears and shot through space. Their conversation can also be recorded on discs. We can hear them long after they are gone. These discs are their ghosts.

It is the same with television. Our eyes are electrically conveyed through space or over wires, so that a football game in Chicago can be seen in New York. And again we can preserve what is seen. Strange as it may seem the waves can be recorded on a disc as sound, and turned back into pictures. A trained engineer can identify a televised carrot or a cabbage by its whorces and grunts. Or he can cock his ear to a roar and say: "Sounds like Jim Hutchins' face." But for the rest of us the sounds must be translated into a picture.

Just as we have telephony and television today we may yet have what I call "teletaction," which means electrical feeling. If I am right this means that our descendants will shake hands electrically with friends across the continent, or feel a piece of silk in New York as they sit in Chicago.

For all I know the inventor may also devise ways of smelling and tasting across vast spaces. Perhaps our grandchildren will send their senses of taste and smell to a distant city and thus enjoy banquets that they need not actually eat. What is more their sensations may even be recorded and reproduced at will. "Let's taste that fine dinner we had in New Orleans ten years ago" some one will say, and dust off an old record. This may sound fantastic, but in theory it is not impossible.

Two of our senses, hearing and sight, have already been disembodied. They are by far the most important. If feeling were as hearing and seeing the inventors would have given us electrical ways of shaking hands across the set long before they gave us the telephone and television.

And although the future may hold many marvels for us, sight will always be the king of the senses. Because our eyes bring us over four-fifths of our knowledge—our eyes let us see our loved ones, and bring us all the beauty and color of the world.

(This is the sixth in a new series of articles prepared by Dr. W. F. Baber. Dr. Baber will be in Crowell, Oct. 22, 1941).

Pampa B. & P. W. Club to Entertain Dist. 1 Conference

Climaxing a week of varied activities over the entire First District, the Pampa Business & Professional Women's Club will entertain the District One Conference of Business & Professional Women October 11 and 12. National Business Women's Week is being observed all over the United States from October 5-11. One week is set aside annually to call attention to the achievements of women in business and the professions, and to give the community at large an opportunity to become acquainted with the programs of the clubs. It is observed every year in October. Governors of most states and mayors of cities have proclaimed the week.

District One of the Texas Federation consists of the following clubs: Amarillo, Brownfield, Childress, Crosbyton, Crowell, Electra, Hereford, Lubbock, Pampa, Plainview, Quanah, Shamrock, Tahoka, Vernon, Wellington, Wichita Falls, Henrietta, Seymour and Panhandle. The Panhandle Club was organized Sept. 7, 1941, and it is hoped that it will receive its charter at the conference at Pampa. A varied program of work and social activities has been planned by the Pampa club under the direction of Mrs. Vera Lard, general conference chairman, and Mrs. Audrey Fowler, club president. Many state and district officers will be present and take part in the program. At the banquet on Saturday night, Mrs. Jewel Spinks of Tyler, state president, will speak on "We Shall Defend Our Ideals." Hattilu White of Amarillo, state president-elect

JOBS FOR TOMORROW

The chemical laboratories of the petroleum industry are now laying the foundation for industries of the future. Out of their research are being created new products and more efficient ways of making old ones. Synthetic rubber, plastics, explosives, basic chemicals and scores of other essentials developed in petroleum laboratories are already being made on a commercial scale. These scientific discoveries of materials vital to peace-time needs, as well as National defense, are opening up new fields of industrial activity. Texas as the leading oil State is playing an important part in the creation of these new American enterprises. As a result, many young Texans now preparing themselves in our schools and colleges will find places in the industries resulting from this research. The test tubes of today make the jobs of tomorrow. Mr. and Mrs. S. T. Crews accompanied their son, Lieut. Sam Crews, to Abilene Monday. He left from there for San Francisco, Calif., and will sail on the 11th of October for Hawaii, where he will be with the Coast Artillery branch of the service.

Sheet iron heaters.—W. R. Womack.

Mrs. Laura Giddings of Vernon has spent several days of this week in Crowell visiting friends.

Mr. and Mrs. James Brothers and little son of Shamrock visited relatives in Crowell last week-end.

Superflex-Ivanhoe and Guiberson oil or distillate heaters.—W. R. Womack.

Judge Leslie Thomas and I. T. Graves made a business trip to Austin Friday of last week.

Miss Thelma White had as her guest last week-end her sister, Mrs. Ollie Power, of Throckmorton.

The Florence Garlinghouse Estate's property is for sale for cash. Make me an offer.—W. R. Womack, administrator.

Mr. and Mrs. Everett Swain have returned from a visit with their daughter, Mrs. Wayland Griffith, in La Junta, Colo.

J. E. Minor returned to Lubbock Tuesday after having been here to attend the funeral of his wife's mother, Mrs. Nora Boardman.

Mr. and Mrs. Dwight Campbell and their sons, Lowell and C. D., were in Denton over the week-end to visit their daughter and sister, Doris Campbell, who is a student at Texas State College for Women.

Mr. and Mrs. Joe Couch and their son, Joe Jr., of Vernon were in Crowell for a few hours Wednesday afternoon.

Mrs. John Long returned Sunday from Henrietta where she had been on account of the illness of her father, E. P. Bomar. She reports his condition somewhat improved.

Superflex and "Ivanhoe" black oil heaters are one and the same thing. We have them.—W. R. Womack.

Reports from Joe Eddy Jr., who was seriously injured in a car wreck several days ago, indicate that he is improving rapidly. He is to be moved from Olney to an army hospital in Brownwood at an early date.

Miss Aylene Lanier, accompanied by Mrs. Ragsdale Lanier, Miss Gusta Davis and Miss Bertha Womack spent last Friday in Ft. Worth.

Tom Ray Roberts left last week for Galveston where he is a senator in the Texas University College of Medicine after spending a month with his parents, Mr. and Mrs. N. J. Roberts. He was accompanied to Wichita Falls by his parents where they were met by Miss Leona Young of Dallas, Mrs. Roberts' sister, for a short visit.

Harvey Crosnoe, son of Mr. and Mrs. Eldon Crosnoe, and graduate of Crowell High School in 1941, left Wednesday of last week for Port Arthur to enter Port Arthur College to take a course in radio, sending and receiving. Harvey expects to complete the course in about six or seven months.

The W. R. Womack Burial Association now has almost 800 members. Join now, help us get a thousand by November 15th.—W. R. Womack, president.

Mr. and Mrs. W. A. Cogdell and Mrs. W. A. Cogdell left Thursday in Paducah.

The Wilson, Leo Cates and Bill Stephens left last week for California.

For Rent—The Ashford home on Paducah Highway, \$15 per month. See Mrs. A. L. Johnson.

Lots of inlaid linoleum and concrete. Lay it before it gets any harder.—W. R. Womack.

Arnie Fisch left Sunday for St. Louis markets, where he will buy merchandise for Fisch's Department Store.

Miss Maymie Lee Teague, teacher at the Phillips schools, spent the week-end with her mother, Mrs. L. Kamstra, and family.

The Bu-Pro-Fire (Butane gas only) lights itself. No matches adjusting.—W. R. Womack.

Mrs. J. E. Harwell and Mrs. Annie Greene of Lawton are visiting friends and relatives in Crowell.

Mrs. S. S. Carroll spent last Friday in Vigo Park, near Lawton, visiting her daughter, Miss Helen, who is teaching at that place.

The Dearborn gas heater has 100 per cent pilot light. Stays on all the time, so turn gas on, it lights the burner, no matches.—W. R. Womack.

## Plenty of Action in World Series

Joe Gordon of the New York Yankees is tagged out at home in the second inning of the second game of the World Series, played at Yankee stadium, New York, before a crowd of 66,248. Umpire Pinelli and Yankee Johnny Sturm are also shown in the picture. Gordon was forced when he tried to score on Chambers' single down first base line. Whitlow Wyatt hurled for the Brooklyn Dodgers, who won this second game of the series—3 to 2—evening up. For 21 years Dodger fans had been waiting for their beloved "bums" to play in a world series playoff. Were they happy? They were delirious, and the old town fairly blazed with excitement.

Mr. and Mrs. Joe Couch and their son, Joe Jr., of Vernon were in Crowell for a few hours Wednesday afternoon.

Mrs. John Long returned Sunday from Henrietta where she had been on account of the illness of her father, E. P. Bomar. She reports his condition somewhat improved.

## Wildcat Football Team Won Fourth Consecutive Game of Season Last Friday Night; Defeats Floydada 12-7

The Crowell High School football team won their fourth consecutive game for the season last Friday night when they defeated the Floydada Whirlwinds 12 to 7. The game was just as close as the score indicated as the Whirlwinds were down on Crowell's eight yard line once in the final quarter to be turned back by the Wildcat line. Floydada held the Cats for downs once two yards short of pay dirt in the second quarter.

Rushing, Floydada's quarterback, ran, passed and kicked the football like a college veteran to keep the Wildcats in trouble all night. Rutledge, halfback, and Fawver, guard, for Floydada also played exceptionally well.

The mud kept the Crowell boys from blocking down field very effectively, however, the line opened up some wide holes for Halenack and Bird to make nice gains through.

Arnold Smith, sensational left end for Crowell, received a hip injury during the first quarter that will keep him out of play for the next several games. Smith turned in some nice end around runs during the game to average eight yards for each time he carried the ball.

Crowell scored in the first five minutes of the game after Halenack received a 20 yard pass from Bird to carry the ball to the five. On the next play Halenack made a touchdown on a reverse. The extra point was wide.

Floydada scored on Rushing's plunging after Rutledge set the play up by taking a lateral from Rushing down to the ten yard line. Rushing kicked the extra point to

## Crowell's B Team Loses Grid Game to Vernon Tuesday

The Crowell High School's B team in football played a similar team from Vernon Tuesday afternoon at Wildcat Stadium. The Vernon boys won the contest 26 to 6. Sam Price, who is ineligible to play on Vernon's regular team because he played with Oklahoma last year, made all of Vernon's touchdowns. The Vernon boys outweighed the Crowell boys quite a bit, and had had much more experience.

Crowell's score was made by Pat McDaniel on a spinner back over center. Bobby Jo Hunter, Glen Taylor, and Pat McDaniel were Crowell freshmen that looked the best. Bill Owens, Lee J. Stout, J. W. Solis, Clifford White, and Gordon Erwin are other boys

that looked extra good for the Wildkittens. Other boys that saw some service for Crowell were Bob Gohin, Lowell Campbell, Morris Naron, Billie Fred Short, John Carter, and Cecil Parkhill.

Fire is a welcome visitor—but always see it out.

Both the Dearborn and the Bu-Pro-Fire have the 100 per cent pilot lights.—W. R. Womack.

## CAT'S CLAW

There was music and dancing and cats, and "kids." What a grand time they did have at Margaret Clire's last Thursday night.

We hear Mary Evelyn Edwards has been stepping out with an ex-senior of Crowell High. Oh! Mary, why don't you give the school boys a chance?

We are curious to know why Wanda Jo Ketchersid was so concerned whether or not the Truscott "kids" would get to school Friday or not.

What's this about Margaret Claire Shirley and a Swearingen boy and the V.S. Well, they were all seen at church Sunday night.

We wonder if Jean Orr and Howard Lee Black enjoyed the "wild west" show Saturday night.

We wonder what Wanda Evans was looking for in Truscott Sunday afternoon.

Embarrassing

When Acid Indigestion, Gas on Stomach or Heartburn make you feel uncomfortable or embarrassed you try Alka-Seltzer, which contains alkalinizing buffers and so helps counteract the associated Excess Stomach Acidity.

But the relief of these minor stomach upsets is only a small part of what you can expect Alka-Seltzer to do for you. You will find it effective for Pain Relief in Headache, Neuralgia, Colds and Muscular Aches and Pains. It contains an analgesic, (sodium acetyl salicylate), made more prompt and effective in its pain-relieving action by alkaline buffer salts.

When hard work or strenuous exercise make you feel tired and drowsed out, enjoy the refreshing effect of a glass of sparkling, tangy Alka-Seltzer.

At Drug Stores in packages and at drug store soda fountains by the glass.

Alka-Seltzer

## JOKES

Billy Fred Short: How long can a man like me live without brains?  
 Mr. Foster: Time will tell.

Sunday School Teacher: Jimmy, why don't you believe that Jonah stayed inside a whale for three days and nights?  
 Jimmy: Because he didn't bring back any moving pictures.

Guide in Egypt: It took hundreds of years to build those pyramids.

Tourist: Ah, I see. It was a government project.

Teacher: J. T., how many make a few?

J. T.: Three or four.

Teacher: How many make a dozen?

J. T.: Twelve.

Teacher: How many make a million?

J. T.: Very few.

Paul (sympathetically): Did you get hurt while you were on the eleven?

Bill: No, it happened while the eleven was on me.

Mrs. Foster: I'm going shopping today, dear. What does the weather man say about the weather?

Mr. Foster: Rain, hail, sleet, thunder and lightning.

June (wearing new off-the-face hat): How do you like my new hat?

Charlie: It's pretty, but it makes your face awfully public.

Mrs. Sloan: Now, class, what do we mean by plural?

Richard: By plural we mean it's the same thing only more of it.

Mr. Myers: J. W., why does Missouri stand at the head of the mule raising business in this country?

J. W.: Because the other end is too dangerous.

Miss Motley (to Travis Vecera entering class late): When were you born?

Travis: On April 2, sir.

Miss Motley: Ah, I see, being a little late must be a habit with you.

Wife: I wonder if I'll ever live to be a hundred years old?

Husband: Not if you stay forty-five much longer, dear.

Virginia: Don't you think I show distinction in my clothes?

Alton: Well,—er, that is, I think distinctly would be a better word.

## "WE WONDER"

If Joan Solomon enjoyed the preview Saturday night?

If Virginia Thomas is really blissful?

If anyone of the five girls who were in June Billington's car Sunday afternoon will decide to dye their hair red? (because of a blonde (boy) with blue eyes).

If June Billington got to "talk" over some "business" after she got rid of those four girls?

Who Betty Johnson is thinking about? (aw, you know what I'm talking about).

If Miss Motley likes tan Chevrolet?

If there have been any more phone calls to Thalia?

If Margie Davidson is having softening of the hearties? (Who is he?)

If Margaret Claire Shirley is as happy as she was—when—???

If anyone has seen all those sweet looks that have passed between Howard Lee Black and Jean Orr—like I have.

When Arnold Smith will get to come back to school?

Who Lee J. Stout is interested in? Also, if he had fun sitting in front of the Corner Drug Saturday night?

Why six weeks exams have to come every six weeks?—once a year is once too often.

We wonder what we can wonder about Jean Scales?

If Bill Owens had fun Saturday night?—Oh, yes, he was in Hollis, Okla.

Why I can't think of any "news"?

## THE INK I SPLATTERED

(A Transome Pecker)

This morning Mrs. Johnson told me the very gossip I asked you not to repeat to anyone because I promised Mrs. Jones I wouldn't tell.

Ruby, the mean thing. She promised me she wouldn't tell a soul. I'll tell her a thing or two.

Oh! No, don't do that! I promised her I wouldn't tell you she had told me you told her.

The above is dedicated to all the girls of Crowell High. Any similarity to people living or dead is purely no concern of mine.

Margie Davidson has written a special delivery letter to the president asking him to please have two Thanksgivings again this year. One for the Air Corps, the other for the rest of the boys. It might help the situation at that.

The seniors had quite a time Saturday in taking the part of salesmen and salesladies. Part of the success of the sale was due to the modeling of Margaret Claire Shirley—Evening Dresses, Shorty Roark—Ladies' Hats, Jimmy Cates—Ladies' Wearing Apparel, Billy Bruce—Ladies' Shoes and Hats.

First customer was Homer Lee Garlinghouse, who is trying to improve his chances on getting an education by purchasing a book

## Two Minute Sermon

(By Thomas Hastwell)

The Hope of Mankind: Every one has heard of the fable of Pandora's box. In it, with other things, were imprisoned all the evils that might befall man. The instructions were that no one was to open the box, but one day, impelled by curiosity, Pandora lifted the lid of the box and instantly the imprisoned evils all escaped into the world to plague man. Alarmed at the consequences Pandora instantly closed the lid of the box, imprisoning as she did so, the last spirit in the box, Hope. As a result, so this story goes, man has always had hope. Regardless of the misfortunes that befall him, he can always turn to hope. The story is, of course, recognized as a fable of mythology. It is true man still has hope, but his hope comes from the promises of Christ. All through his teachings Christ holds out to mankind the gospel of hope, and good cheer, and faith. The only condition is that man shall follow his teachings and keep faith. According to these teachings there is no difficulty, no unhappiness, no misfortune so great that His religion will not overcome. It is the greatest message of hope ever given to mankind. It is not the fable of Pandora's box. It is the real fact of life.

What is this about Marjorie Young snaring Hugh Longino for a party Thursday night?

What is it that causes all the excitement when Swearingen and the V.S. come to Crowell on Saturday and Sunday. Some of you girls have the home boys wringing their hands.

## OWNERSHIP STATEMENT

Statement of ownership, management, etc., required by the Act of Congress of August 24, 1912, published weekly at Crowell, Texas, for October, 1941.

STATE OF TEXAS,  
 County of Foard.

Before me, a notary public, in and for the state and county aforesaid, personally appeared T. B. Klepper, who had been duly sworn according to law, depose and says that he is the publisher of The Foard County News, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid

publication for the date shown the caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse side of this form to-wit: That the name and address of the publisher, editor, managing editor and business manager is: T. B. Klepper, whose address is Crowell, Texas, that the known bondholders or mortgagees or other securities are none.

T. B. KLEPPER,  
 Sworn to and subscribed before me this 6th day of October, 1941.  
 GLEN GOODWIN,  
 Notary Public.

## Weaves Rug for College Chapel

Adorning the chancel of the Little-Chapel-in-the-Woods at Texas State College for Women is a hand-woven rug which, in a few months' time, would be impossible to weave because of the growing scarcity of good linen and wool. Miss Adeline Lee of Mineral Springs, Ark., graduate student at the college, figures that she tied 115,680 knots by hand, used 200 razor blades to cut threads, and put 15 pounds of linen warp and 50 pounds of wool into weaving the 17x4-foot rug for her master's thesis in art.

## Miss Gladys Russell Wed To Bill Drabek Thursday at 8 A. M.

A pretty church wedding was solemnized this morning at 8 o'clock at St. Joseph's Catholic Church when Miss Gladys Russell of Margaret became the bride of William George Drabek of Crowell. Father E. J. Shopka, pastor of the church officiated at the marriage ceremonies.

The new church was beautifully decorated for the occasion. On the main altar were arrangements of white chrysanthemums while, on the side altars, pink carnations and pink asters were used. The ring ceremony was performed by Father Shopka and the solemn nuptial mass of the Catholic Church followed. The solemn nuptial blessing was given during the mass. The wedding music was played by Mrs. J. A. Huber of Vernon, Lohengrin's Wedding March being used for the professional and Mendelssohn's for the recessional. Mrs. Huber accompanied Mrs. L. A. Cummins of Odell, who sang "Ave Maria" at the offertory.

The bride and groom were attended by Miss Rosalie Drabek, sister of the groom, as maid of honor, and by Clyde Russell, brother of the bride, as best man. W. L. Pechacek of Vernon served as usher.

The bride wore a dress of bridal white, slipper satin, modeled

with a sweetheart neckline and long, tight sleeves. Her fingertip veil was caught with a wreath of lilies-of-the-valley. She carried an arm bouquet of white roses. Her maid-of-honor wore a blue lace dress with a matching hat. She wore a corsage of pink ribbon lilies.

Mrs. Russell and Mrs. Drabek, the mothers of the bride and groom, wore corsages of pink carnations and Mr. Drabek and the men of the wedding party wore boutonnieres of white carnations. Mrs. Drabek is the daughter of Mrs. J. F. Russell of Margaret. She attended school at Margaret and at Crowell. Mr. Drabek is the son of Mr. and Mrs. Joe Drabek and was reared here. He attended the Crowell schools and also went to St. Ludmila's High School at Shiner, Texas.

Mr. and Mrs. Drabek left soon after their marriage, for Burk Burnett where they were honored with a dinner party by Mrs. Drabek's sister, Mrs. Clyde Hollingsworth. From Burk Burnett, they went to various points in Texas for a short wedding trip, after which they will reside on a farm home about two miles northwest of Crowell, which the groom has prepared.

## 42 Club Honored With Luncheon by Mrs. Paul Shirley

Mrs. Paul Shirley was hostess to the members of the 42 Club and one additional guest, Mrs. W. B. Johnson, with a delightful luncheon at her home at 1 o'clock on Tuesday. The home was artistically decorated with cut-flowers. The guests were seated at the dining table where places were marked with attractive name plates. The three-course luncheon was lovely in its every detail.

In the early afternoon, games of 42 were played in which there was a floating \$4 prize which was captured by Mrs. A. Y. Beverly. It was two bulb bowls containing bulbs.

The following ladies were Mrs. Shirley's guests: Mesdames Johnson, L. E. Archer, Belle McKown, T. L. Hughston, C. W. Thompson, A. Y. Beverly, W. B. Tysinger, John Carter, R. J. Thomas, Clint White, and T. B. Klepper.

## Mr. and Mrs. Drabek Honor Guests At Wedding Breakfast

Mrs. J. F. Russell and Mrs. Joe Drabek were hostesses at a breakfast at O'Connell's Lunch Room Thursday morning, to honor their son and daughter, Mr. and Mrs. Bill Drabek, immediately following their marriage at St. Joseph's Church.

The table was centered with a three-tiered wedding cake topped with a bride and groom in miniature. The cake was beautifully decorated in pink and white, the chosen colors of the bride. A flat arrangement of pink flowers extended from the cake to candelabras placed at either end of the table. The three-branched candelabras held white tapers. After the serving of the breakfast, the cake was cut by the bride and was served by Mrs. H. Schindler.

Approximately 35 guests were present at the breakfast.

## ADELPHIAN CLUB

The Adelpian Club met at the Club house on Wednesday, Oct. 1, with Mrs. Foster Davis acting as hostess. The rooms were attractively decorated with the season's flowers.

A program on National Defense was presented by Mrs. W. B. Johnson, Mrs. L. A. Andrews and Mrs. A. D. Campbell. These ladies reviewed the progress being made on defense building in Iceland, Guam and the West Indies together with current events on defense. A delicious salad plate was served by the hostess.

## B. & P. W. CLUB

Fourteen members of the Business & Professional Women's Club met in regular business meeting Thursday, Oct. 2. The Club re-endorsed the following resolution which was passed at the National Federation of Business and Professional Women's Clubs Biennial Convention at Los Angeles, Calif., in July.

"Be it resolved that the Business & Professional Women's Clubs of Crowell, members, hereby endorse and approve the United States Defense Savings Program and urge its members to subscribe for and purchase in accordance with their financial ability the Defense Bonds and Stamps.

"Be it further resolved that this club and its members should promote the sale of Defense Bonds and Stamps in this community." Mrs. Lottie Russell, president, was elected delegate, and Miss Mayme Lee Collins, alternate, to the District One Conference to be held in Pampa, Oct. 11 and 12. An invitation from the Quannah B. & P. W. Club to attend a book review on Oct. 7, of W. L. Shirer's "Berlin Diary," was read by the president.

Subject: "Democracy Versus Fascism." Program leader, Mrs. Estelle Powers, discussed "Freedom of Fascism" and Mrs. Sally Archer talked on "The Citizen and His Government in Germany."

## GARDEN CLUB

The first meeting of the club for this fall will be next Friday, Oct. 10, at 3 o'clock at the Christian Church. All members who have not paid their dues, for next year, are urged to bring their fifty cents to this meeting.

Mrs. Vance Favors is the new president; Miss Frankie Kirkpatrick, vice president, and Mrs. Mason Brown, secretary-treasurer. The new year-books will be ready soon.

## THALIA IDLE HOUR CLUB

Thalia Idle Hour Club met Thursday, Sept. 25, with Mrs. C. H. Wood. The nine members present were: Mrs. Jno W. Wright, Mrs. Woodson, Mrs. W. J. Long, Mrs. Raymond Grimm, Mrs. Leotis Roberts, Mrs. G. W. Scales, Mrs. G. A. Shultz, Mrs. Isaac Shultz and the hostess.

The afternoon was spent in the usual way. The hostess was presented with a set of colored-handled silverware, after which a delicious plate was served to those present.

The next meeting will be Oct. 9 with Mrs. Raymond Grimm as hostess.

## Tent Theatre Will Present Two Shows in Crowell, Oct. 13-14

The Great Jeffersonian and his entire company of trained assistants will present two evenings of odd and baffling mysteries in Crowell at the big tent theatre Monday and Tuesday nights, Oct. 13 and 14.

Included in the two nights' performances will be Leon, the yodeling cowboy, and Allene with her accordion, direct from Hollywood, Calif. Leon sings good old songs of the range and hills. Jeffersonian and his lady assistant, Allene, will perform mystery after mystery in rapid succession. Among some of the larger mysteries he will perform will be placing Allene under complete hypnotic control, and made to float in mid-air while a large hoop is passed over and around her body, proving that while under hypnotic influence she is superior to gravity and weight. Another act is the Great Houdin Tirank Escape, also the mysterious floating light bulb.

This show is sponsored and recommended by the American Legion.

## CARD OF THANKS

We wish to express our deep and sincere thanks and appreciation to the many friends who aided us and sympathized with us during the short illness and at the death of our dear mother and grandmother, Mrs. Nora Boardman. May God bless each of you. Mr. and Mrs. J. E. Minor. Mr. and Mrs. George Copelin. Edwin Edgin.

## 42 CLUB

Mrs. Decker Magee was hostess to the 42 Club at her home on Sept. 22. Outside guests for the afternoon were Mrs. Dwight Campbell and Mrs. John Rasor. The 84 floating prize went to Mrs. Clint White and was a closet door shoe pocket.

The hostess served a tempting refreshment plate after the games.

## Defends Statement

J. J. Pelley, president of the rail association, (above) tells senate oil shortage committee that he still stands on his original testimony that the railroads have 20,000 tank cars ready to relieve the supposed oil shortage on the East coast. Secretary Ickes, appearing before the committee, branded Pelley and his associates "storm troopers" for claiming that the tank cars were available.

## 1942 AAA Allotments Must Be Completed by November 1

Speeding up work to get 1942 AAA allotments to farmers by Nov. 1 is the gigantic task facing county offices, Grady Halbert, chairman of the Foard County AAA committee, announced this week.

Allotments are being issued about two months before the usual time since all decks must be cleared for the house-to-house canvass in the national defense program, the AAA official said. The farm plan sheet method, through which farmers plant crops for maximum payments under the AAA program, will be used by committee-men in the feed and food campaign.

Since greater production of milk, eggs, and other foodstuffs, are being asked of Texas farmers, county goals will be announced in a few weeks, Halbert said. Secretary of Agriculture Claude R. Wickard outlined details of the defense program to southern agricultural workers in Memphis, Tenn., Sept. 29 and 30.

Flexibility of the AAA program to curtail production of surplus commodities and at the same time increase production of commodities essential to defense needs is evidenced in the 1942 AAA program which has been designed to meet a national emergency.

Cotton, wheat, rice and peanut allotments will be established as in former years but no general

## Immunization for School Children

Due to the bad weather of last week, the plan of the Health committee of the local P. T. A. was not carried out and the chairman, Mrs. W. V. FAVOR, states that immunization will be planned this week just as it was planned for last week. Typhoid and diphtheria immunization measures will be administered at the Grammar School tomorrow, Oct. 10, beginning at 1:30 in the afternoon. Smallpox vaccination will also be given, as well as the Schick test for diphtheria. The local doctors will be present and the parents of the children who need the serums will please take notice and have their children on hand.

The service is for all children of school age, and also for preschool children, especially those who will enter school next fall. The chairman urges that the mothers of such children assist in this work by having their children present at the appointed hour. Diphtheria anti-toxin will be given to any child from 9 months to school age at this time, also, if the parents desire.

Allotments will be made because of the increased emphasis on feed and food. Allotments will also be established for commercial Irish potatoes.

When details of the 1942 program are received, educational meetings will be held in the various communities, the chairman said.

## Colorado Doctor Visits at Rayland

Dr. J. B. King and wife of Las Animas, Colo., left Monday for their home after visiting J. C. Davis in Rayland since Saturday.

The doctor was blind for several years and had the picture of his "All-Seeing Eye Dog" painted on his home in Las Animas where he was reared. He studied to cure himself and after having done so, visited his home in Las Animas where he is for treatment and now he is operating the King Health Clinic and treating people from every state in the Union and, also, from patients in England.

The doctor and his wife are great enthusiasts of the wolf chase and, having gotten most of his pack poisoned recently, they were out recruiting it, having bought four dogs in Kansas on Friday. He also took one of C. Davis' dogs home with them. He said there was not another trailing dog closer than 200 miles of their home.

Dr. King says Trace Bradshaw, a well known former Foard County resident, is getting along fine and lives only 15 miles from Las Animas.

It is estimated that 5,707,000 pounds of mail were handled by the Post Office Department by the year ended June 30, 1939, of which over 5,300,000,000 pounds or nearly 93 per cent, were handled by the railroads.

## Popular 3-Ring Circus Soon to Appear in This Vicinity

Circus day with its perennial appeal to all ages will be the center of attraction for people of this vicinity when Russell Bros.' 3-Ring Circus appears in two performances, afternoon and night, at Vernon, Texas, Saturday, Oct. 18.

Russell Bros., one of the most popular of the larger and better circuses still on the road, has succeeded in effectively combining all the cherished circus traditions of old with the latest modern trends and improvements. Its eventful two-hour program, presented in a colorful big top of "cucumber green," abounds with novel surprises and interest innovations.

An all-new array of performing talent is being offered, including some of circusdom's top-rank flying trapeze artists, acrobats, tumblers, jugglers, tight-wire performers, equestrians and clowns while in the animal department are marvellously trained performing leopards, unusually fine horses and various other species of fourfooted entertainers.

Performances will start at 2 and 8 p. m. with the front doors opening one hour earlier. A complete collection of rare and costly wild animals from all parts of the world will be displayed in the menagerie at no extra cost to circus patrons, and in addition to

the main big show performance there will be an exciting, fast-moving wild-west show and a tented museum of human oddities and exotic entertainers.

According to the Wall Street Journal, "More people are spending more money on amusement and recreation than they have ever spent before."

## FUTURE FARMERS ORGANIZE

The Crowell chapter of Future Farmers of America was organized for the ensuing year at a meeting Monday night, Sept. 30. The following officers were elected: Billie Nichols, president; Richard Carroll, vice president; Leiland Lewis, secretary; Dan Petchacek, treasurer; Truman Taylor, reporter; J. T. Hughston, parliamentarian; and Rudolf Halcnack, farm watchdog. Billie Nichols will represent the chapter in the district organization.

The plans of the chapter for the year include sending a representative to the national FFA convention in October, Father-and-Son banquet in February, and a project show in March.

An agricultural library has been provided for the chapter this year. It includes several hundred bulletins from the U. S. Department of Agriculture, 110 textbooks, and much other useful information. The farmers and ranchers of this county are invited to use this library at any time.

## SANTA FE CARLOADINGS

The Santa Fe Railway System carloadings for the week ending Oct. 4, 1941, were 22,526 compared with 22,034 for the same week in 1940. Received from connections were 9,595 compared with 7,322 for the same week in 1940. The total cars moved were 32,121 compared with 29,356 for the same week in 1940. The Santa Fe hauled a total of 32,611 cars during the preceding week of this year.

## Delinquent Tax - Payers

At the last session of the legislature, a law was passed remitting interest and penalty on delinquent taxes for years 1939 and prior provided payment was made by November 1, 1941. It is therefore possible for you to save from 18 per cent to 49 per cent by paying up within this period.

In order to make this big saving it will be necessary that you pay in full all the delinquent taxes you now owe. No provision is made whereby you can make this saving on an installment payment.

If you have two pieces of realty, a provision is made whereby you can pay in full on one and leave the other. In this case the interest and penalty is a flat 6 per cent.
