USS Shaw Ready to Go on Warpath

Here is the USS Shaw, after being entirely reconstructed at a West navy yard, on her first trial run. The Shaw, which was heavily damaged in the Pearl Harbor attack on December 7, came to this navy yard with a false bow. A new bow was waiting for her upon her arrival. The Shaw is now ready to go on the warpath to avenge Pearl Harbor.

Nazi Saboteurs Went on Trial for Lives

"Black Maria," right, with guard on rear, pulls into the archway of the Justice Department building in Washington, filled with eight Nazi saboteurs who were tried by a military commission. The armed military guard rides on the rear step of the "Black Maria" and a U. S. armored car follows closely to prevent any possibility of a "slip."

A Little Rest for the Weary

American fighter pilots are shown as they rest at an alert station while waiting for an attack warning, somewhere in northern Australia. U. S. airmen like the ones pictured here that have kept the Japs away from the northern territory of Australia.

Officers for Crowell Masonic Lodge Were Installed Last Month

Judge Leslie Thomas was installed as worshipful master of Crowell Lodge No. 840, A. F. & A. M., at a meeting held for that purpose last month. J. A. Stovall, the retiring worshipful master, presided at the installation. Other officers installed were: T. S. Haney, senior warden; William Bradford, junior warden; D. R. Magee, secretary; Merl Kincaid, treasurer; S. Gentry, senior deacon; Bill Johnson, junior steward; and Tex Alton, junior steward.

Retires As Active Manager Cameron & Co. Lumber Yard

W. F. Kirkpatrick, manager of the Wm. Cameron & Co. lumber yard in Crowell for the past 34 years, has retired from active duties as manager but will still make his home in Crowell and be connected with the yard. Mr. Kirkpatrick came to Crowell as manager of the Cameron yard Sept. 7, 1908, and in December of that year he moved his wife and daughter, Frankie, to Crowell from Hamlin. Although Mr. Kirkpatrick had had several years experience in the lumber business, he began his 34 years service with Cameron & Co., Inc., when he came to Crowell. Since coming to Crowell Mr. Kirkpatrick has taken part in every movement for the benefit of the town. He has been an active member of the Presbyterian Church and the Crowell Rotary Club through the years and is an outstanding citizen of the community. Virgil Smith of Vernon has been transferred from Altus, Okla., to Crowell to become manager of the local yard. Mr. Smith has been employed by Cameron & Co. for the past nine years, and will move his family to Crowell in the near future. The change in management was effective July 1.

To Wed Hopkins

Mrs. Louise Gill Macy leaves her home in New York after confirming news of her betrothal to lend-lease administrator Harry Hopkins. She revealed that the wedding may be held in the White House "probably around noon on July 30."

Our Soldier Boys

Pvt. Orville Alston, son of Mr. and Mrs. D. A. Alston, who has been at home on a 15 day leave, left for Camp Blanding, Fla., where he has been stationed for some time, Monday morning. Corp. Gilbert Lankford, one of the first young men from Foard County to volunteer into the U. S. service, has recently been promoted to the rank of Supply Sergeant. He is now stationed at Camp Blanding, Fla. Joe Bailey Cook, son of Mr. and Mrs. J. W. Cook, and former manager of a clothing store in Jackson, Miss., has been added to the recruiting staff at State Marine headquarters at Jackson. Mr. Cook, a former Marine, re-enlisted with the rank of Sergeant, and he will be in the public relations division of the state office. He first enlisted in the Marines in 1927, and saw duty in Cuba, Nicaragua, Hawaii, and the Panama Canal, being stationed aboard the USS Arizona, and Nevada. Sgt. Cook has resided in Jackson with his family for the past three years. Sgt. Cook is an active member of the Robert C. Nail Post in Jackson and is at present quartermaster.

A. H. Culbertson's Mother Died Monday, July 6, in Ft. Worth

Mrs. Carrie Culbertson, 89, mother of A. H. Culbertson, president of the Texas Natural Gas Co. of Crowell, passed away at the home of her son, H. D. Culbertson, in Fort Worth Monday, July 6. The body was shipped to St. Charles, Minn., Tuesday and was buried beside the grave of her husband, R. W. Culbertson, who died in 1887. St. Charles is the old home of the Culbertson family where the children were born and reared. She is survived by four sons, R. W. Culbertson, Rochester, Minn.; H. D., A. H. and E. W., all of Fort Worth; one sister, Mrs. Anna Anderson, of Chippewa Falls, Wis.; and eleven grandchildren. Mrs. Culbertson had been making her home in Texas since 1932. She was a member of the Presbyterian Church.

Meeting to Start at Thalia Church of Christ

A series of gospel meetings will begin Sunday, July 19, at the Church of Christ at Thalia. Services will be conducted daily at 10 a. m. and at 9:30 p. m. Roy L. Ruekman, local minister, will do the preaching.

Former Thalia Woman Succumbs in Vernon

Mrs. E. C. Hargrove of Vernon died in a hospital in Vernon last Tuesday and funeral services were held from the Baptist Church of that place on Thursday afternoon, July 9, with the assistant pastor of the church, Rev. D. C. Hamilton, officiating. Mrs. Hargrove is a former resident of Thalia. She was born in 1896 at Ranger and moved to the Thalia community in 1927, where her husband was engaged in farming. They moved to Wilbarger County in 1935. Surviving relatives include the husband, twelve children, four brothers, three sisters and seven grandchildren. Pall bearers were W. N. Martin, Louie Reithmeyer, Carl Huddleston, C. F. Flowers, C. D. Beard and Delbert Webb.

District Laymen Meet at Christian Church Tuesday Night

The District Laymen's League of District No. 12, Christian Church, will meet at the First Christian Church in Crowell, July 21, at 8 p. m.

HOSPITAL NOTES Foard County Hospital

Patients In: Mrs. Henry Sprinkle, Murphy Sillis. Patients Dismissed: J. L. Sollis, Horace Tole, Mrs. A. R. Croxton and baby boy, Mrs. Charlie Durham, Mildred Young, Murdis Williams. Visiting Hours: 9:30 to 11:30 a. m.; 2 to 5 p. m.; 7 to 9 p. m.

60 Crowell Men Take Physical Examination in Abilene Friday for Entrance into the U. S. Army

Will Terrell Passes Away at His Home in Norman, Oklahoma

Will Terrell, brother-in-law of G. H. Patton of Crowell and uncle of Mrs. I. S. Haney, passed away at his home in Norman, Okla., on Monday, July 5. He had suffered a stroke on the Thursday preceding. Funeral services were held in Norman on Tuesday, July 6, and were attended by Mr. and Mrs. G. H. Patton, Mrs. T. S. Patton, Miss Beulah Patton and Mr. and Mrs. Earl Manard.

Proposals for Post Office Quarters in Crowell Solicited

Proposals are solicited to be received in the office of Postoffice Inspector A. S. Page at Fort Worth, up to and including August 3, 1942, to furnish quarters suitable for post office at Crowell, under a lease subject to the provisions of the standard form of lease used by the Post Office Department, at a stated price per annum, including fuel, light, power, water, toilet facilities, plumbing, heating, and lighting fixtures, safe or vault, and all necessary furniture and equipment, for a term of five or ten years from November 3, 1942, or date thereafter of occupancy, it was announced last week by Postmaster Alva Spencer. Floor space of about 1,750 square feet is desired, it was stated. Important considerations are a reasonably central location, good daylight, and accessibility to rear or side entrance for mail.

S. H. Puryear, Ex-Resident of Crowell Passes Away

S. H. Puryear, 82, of San Antonio, died in a Wichita Falls hospital Saturday, after a short illness. Mr. Puryear and his wife had been visiting a daughter in Wichita Falls when he became ill. Funeral services were held in Wichita Falls Sunday afternoon. Mrs. Hines Clark, sister-in-law of Mr. Puryear, attended the services.

Funeral for Rayland Man Held Wednesday

Funeral services for Carl Austin, prominent resident of the Rayland community, who passed away Sunday, July 5, in Ranger, were held Wednesday afternoon at the Rayland Baptist Church with Rev. J. J. DuBose, pastor of the Thalia Baptist Church, in charge of the services. Mr. Austin had lived in Wilbarger County since 1911, having previously resided in Pecos. Immediate surviving relatives are Mrs. Austin, two daughters, two sisters and one brother.

Attend Funeral of George Moore in Ft. Worth Tuesday

J. R. Ford, Mr. and Mrs. Oran Ford and Mrs. Dee Thompson went to Fort Worth Monday afternoon to attend the funeral of George Moore, Mr. Ford's brother-in-law, who died in that city Sunday. Mr. Moore, a former resident of Crowell, left here in 1918 and located in Fort Worth where he had lived since that time. He was 57 years of age. He is survived by his wife and three children, Henry, Loyd and Mrs. Stella Williams, and his mother, Mrs. W. J. Moore, 92, all of Fort Worth. Funeral services were held at a funeral home in Fort Worth Tuesday afternoon at 4 o'clock.

Friday Declared as American Heroes' Day

Friday, July 17, has been designated as "American Heroes' Day" and on that day every person is urged to buy a Bond or Bonds, a stamp or as many stamps as it is possible to purchase on that day. Mrs. W. B. Johnson, who is a member of the County committee for the sale of War Bonds and Stamps, and who represents the Woman's division of the work in Foard County asks that each woman put forth an extra effort to make a purchase, be it large or small, on that day, of stamps and bonds. By this means, the opportunity is offered to honor our representatives in the service for us, and to put the town on America's Honor Roll of War Bond and Stamp Purchasers.

At New Air Post

Gen. M. Scanlan, center, greets Gen. Ralph Royce, head of Pacific air forces, left, and Lieut. Comdr. Lyndon Johnson, congressman from Texas, at an American-Allied air base, somewhere in New Guinea. These are the first pictures of the new base.

Board of Review to Be Conducted for Boy Scouts of District

John E. Long will conduct a Board of Review for Boy Scouts of District 12, including Crowell, Truscott, Rayland and Thalia, at 8 o'clock, Friday, July 24. It was announced the first of the week. Scoutmasters should send in to Mr. Long a list of the boys coming up for advancement and what they are coming up for not later than July 22.

Water Carnival for Boy Scouts to Be Held on August 11

The Boy Scouts of this District are to have a water carnival August 11. Jim Polk, field executive, announced today. The Country Club is donating the use of its swimming pool and Dwight Moody, of the Rialto Theatre, is donating forty picture show tickets to be used as prizes. Judge Leslie Thomas, J. A. Stovall and John Long constitute the committee that made arrangements for this event.

Automobile Burns in Prairie Fire on Good Creek

While W. R. Womack and his two nephews, Charles and Billy Rouse McKown, of Altus, Okla., were fishing on Good Creek Thursday, a grass fire destroyed Mr. Womack's new Chrysler car. The car was insured.

RETURNS HOME

A. D. Campbell, who was seriously injured in the cyclone on April 28 and has been in the Vernon Hospital since, was brought to the home of his son, A. D. Jr., on the farm east of Crowell this week. His condition is gradually improving.

TOM JAMESON DIES

Tom Jameson, a resident of Matador for many years and a former pioneer resident of Foard County, died suddenly at his home in Matador Sunday, according to reports reaching here.

A WEEK of the WAR

Army Chief of Ordnance Campbell, speaking at Salisbury, N. C., said, "Our tanks are superior to anything the enemy has. Type by type, our tanks have heavier guns, heavier armament and greater speed. Our high-velocity 75-millimeter guns in our M-3 tanks far and away outrange the best the Germans have... and we can fire this high-velocity 75 when the tank is in motion, which is more than any enemy tank, whatever its size, can do."

Gen. Campbell said the so-called "new German 88-mm. gun" is about as secret as a daisy water pistol. It has been known to us and our Allies for at least 10 years. We outmatch this gun with several of our field and anti-tank guns. He said the German 88 is effective as an anti-tank weapon only within its limited range. U. S. machine guns, Gen. Campbell said, will "outfunction any enemy gun under the most adverse circumstances—in other words, they will keep firing when enemy guns have to shut down to change barrels." The United States "can build a better automatic, a better typewriter, a better radio and we can build—and are building—better machine weapons," Gen. Campbell said. "The enemy cannot outdo American design and production and spirit."

The WPB reported the dollar value of war shipments from 430 automotive industry plants totaled \$258 million during April, an increase of 46 per cent over February. Army Services of Supply Commander Somervell instructed civilian guards at 11,000 war plants to organize an auxiliary to the Army's Corps of Military Police as a further protection against enemy saboteurs.

The "Flying Tigers" of the American Volunteer Group were placed under the Army Corps command in China and opened their operations with heavy raids on three key Japanese bases at Hankow, Nanchang and Canton. Six Japanese planes were destroyed.

The War Front

The flying Tigers of the American Volunteer Group were placed under the Army Corps command in China and opened their operations with heavy raids on three key Japanese bases at Hankow, Nanchang and Canton. Six Japanese planes were destroyed.

without loss. A Navy communique reported Army bombers scored hits on an enemy cruiser and sank a transport in the Aleutian Islands. In addition, Navy submarines sank three destroyers. The situation in the Islands "has not changed materially," however, in the past two weeks, the Navy report said. The Office of Indian Affairs announced all of the Aleutian Islands west of Dutch Harbor, as well as the Pribilof Islands, have been classified as parts of a total evacuation zone. The Office reported nearly 1,000 civilians have been removed from these areas by the Navy and transferred to the American mainland.

The first communique from U. S. headquarters of the European theater reported six U. S. Douglas light bombers manned by U. S. pilots successfully attacked targets by daylight in German-held territory in a joint operation with RAF bombers. Two American planes were reported missing. The navy said U. S. bombers carried out a second attack on Japanese-held Wake Island. The Navy also announced the U. S. aircraft carrier Wasp carried aerial reinforcements to the British island of Malta in the Mediterranean. Gen. MacArthur's Australian headquarters reported repeated air raids on Japanese-held territory in that area. The sinking of 17 more United Nations merchant vessels by enemy submarine action was announced.

Scrap Salvage The WPB said a new and greatly intensified campaign to salvage vital scrap materials will be formally opened July 13, because the only way the U. S. can meet materials requirements of war production is "to collect every last bit of scrap from every farm and home, and from every commercial enterprise and industry in the country." The iron and steel industry has raised about \$1,500,000 and the glycerin industry about \$500,000 to finance national advertising to stimulate scrap collection, the Board said. The farm implement industry has offered to assist the country's 12,000 State and local salvage committees in the collection of rural scrap. Materials to be sought in particular are iron and steel, rubber and waste fats.

The rubber scrap salvage campaign will close at midnight July 10. The Public Buildings Administration reported 15,000 pounds of scrap rubber were salvaged from Federal buildings during the first two weeks of the campaign. The War Department said the Army faces a 250,000-ton rubber shortage by the end of 1943, but present plans do not include military requisitioning of civilian tires.

Rationing Price Administrator Henderson said consumers may purchase an extra two pounds of sugar between July 10 and August 22, in addition to the basic half-pound-a-week ration. He said the new East Coast coupon system for gasoline rationing will grant a fraction of a gallon more per week than temporary A cards, but the conditions that must be met to obtain supplemental rations under the permanent system are so strict that most motorists will have to get along on the minimum. Motorists will register for A books July 9, 10 and 11. Small boat owners will be issued E and R gasoline ration books and will receive a basic six months ration of four gallons for each horse power for inboard motors and five gallons for outboard motors.

The OPA set the quota of passenger automobiles for rationing during July at 25,000, excluding State and National reserves, which will reduce the original inventory of about 402,000 cars to about 260,000. Between July 9 and August 31, the Office will release 230,000 bicycles for rationing—150,000 to the States, 20,000 to State reserves, and 60,000 for a National reserve.

Transportation Transportation Director Eastman handed for the duration all automobile, midget car and motorcycle racing meets, effective July 19. He also asked that State and county fairs be postponed for the duration to help relieve the strain on transport facilities. The OLT postponed until July 15 the date on which over-the-road carriers will be required to be loaded at least 75 per cent of capacity for return trips and on which tank trucks will be limited to one delivery daily. The Office reported the majority of milk dealers have put their deliveries on an every-other-day basis and have reduced mileage by an average of 25 per cent. The Office authorized its 51 field offices to begin action immediately upon applications for special permits under the truck conservation regulations.

Shipbuilding The Maritime Commission said shipbuilding has not yet equaled total sinkings, but delivery of 86 ships totaling 730,000 tons by American shipyards in June set a new world's record for steel ship construction and represented an increase of 450 per cent in volume of construction since Pearl Harbor. The War Shipping Administration reported the U. S. will operate between 2,200 and 2,600 merchant vessels this year.

Housing FHA field offices resumed the processing of applications for priority assistance in the construction of privately financed homes for war workers. Processing was suspended late in May. The Agency said a new simplified procedure combines preference rating applications for the electricity, gas, water and sewer connections of proposed war housing projects with the corresponding applications covering the housing itself. The joint applications will be

processed entirely in the field by the FHA offices and by NHA and WPB regional offices. NHA Administrator Blandford issued a simplifying order to empower qualified creditors or lenders to decide whether a proposed remodeling project is "war housing," thus exempting the project from credit restrictions set up by the Federal Reserve Board.

Army Expansion President Roosevelt signed the \$42 billion Army Supply Bill for fiscal 1943. The War Department said men now in Class 1-B because of minor physical defects will be inducted into limited military service under a regular quota system in order to release fully qualified

soldiers for duty with task forces. Only those 1-B's "who are able to bring to the Army a useful vocation which was followed in civil life" will be called.

Your Horoscope July 13, 14, 15.—You have much power for good and can be very helpful to others. You never turn a deaf ear to any call for needed help. Your tastes are domestic and you take much pride in the good appearance of your children. You are not content with inferior positions, but aspire to something better. July 16, 17, 18, 19.—You have much poise and self-confidence, and generally a good disposition. You have a sympathetic, kindly nature, always ready to overlook the short comings of others. You are fond of society and a good time, and like to be well dressed. You love your home and family. More than 400 sawmills were operating in East Texas in 1940, according to the Texas Forest Service. Eleven of the sawmills produced hardwood lumber; the rest cut pine. All of the people acting foolish aren't acting.

OUR DUTY: TO FIT THEM TO FIGHT

France, once a great world power, was brought to her knees with lightning quickness by a Nazi war machine that was years in the making. France's lack of preparedness as well as Germany's readiness caused her downfall.

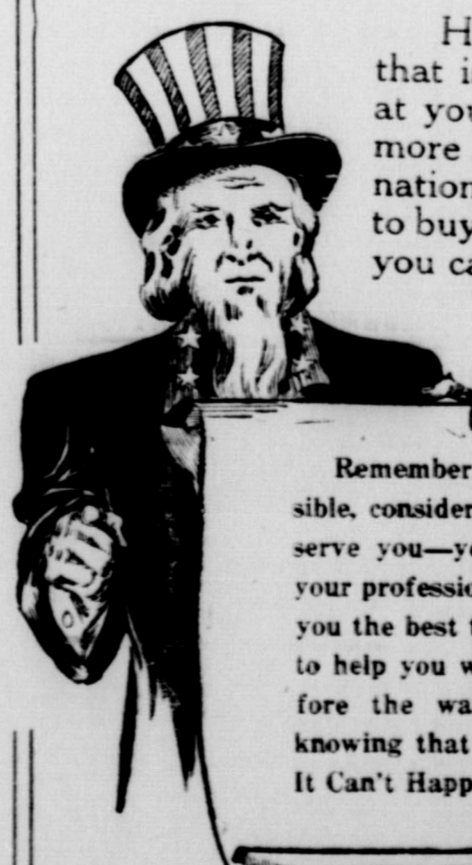

France, re-assured by what she thought was a bulwark of defense... (the Maginot Line)... was lulled into complacency, thinking that It Cannot Happen Here.

France, once proud, today is humbled. Her people are suffering untold misery because she was whipped by a ruthless dictator. The people of France were asleep! They did not do their part to preserve their nation.

France's sad plight should awaken every American to the dangers that now threaten our nation. No one believes that the Axis powers can whip us... that IT CAN HAPPEN HERE, and rightly so, if we all do our part.

You have a clear-cut duty as an American citizen. Uncle Sam needs everything to amass huge stocks of supplies of every kind for use in the fight against those whose aim is to destroy our nation and to enslave us.

How can you help? The answer to that is clear-cut!... by working harder at your job, whatever it is, to produce more... to increase the collective total of national production. It is also your duty to buy Defense Bonds and Stamps, all that you can as soon as you can.

Remember that it is patriotic to carry on as normally as possible, considering that we are at war. Remember that those who serve you—your retail merchants, your service institutions and your professional men—are doing all that they can to accommodate you the best that they can. If, in some instances, they are unable to help you with the same completeness and thoroughness as before the war, bear with them with cheerful understanding, knowing that they are doing their level best. Keep in mind that It Can't Happen Here if we all do our part.

Work hard for Uncle Sam today that you will be free to work for yourself tomorrow
