Santa Fe Railroad Helping in National Scrap Metal Drive

The Santa Fe Railway deserves credit for its efforts to support the national newspaper scrap iron and steel campaign with its current and timely advertisement urging all to get this needed scrap into proper hands "before the snow flies."

With its own job well in hand the Santa Fe now turns to aiding the nationwide newspaper campaign to dig up every bit of scrap possible to help our Nation and our fighting men. As a member of the newspaper sponsoring this patriotic campaign, we welcome the Santa Fe's fraternity of the United States, help in spurring collection of vital metals, and with the Santa Fe, urge all—to get in the scrap "before the snow flies."

NEW VEGETABLE RACK

A new McCray refrigerator vegetable rack has been installed at the Brooks Food Market this week. Mr. Brooks, owner and manager of the store, announces that with this new equipment, he expects to carry a full line of fresh vegetables when it is possible to obtain them.

CARD OF THANKS

We wish to thank our friends and neighbors for the many kindnesses shown by them to us during the illness and at the death of our wife, mother and daughter, Mrs. Frank Polk. Words cannot express our thanks and appreciation. May God bless each one, is our prayer. Frank Polk and Children, Mr. and Mrs. W. C. Golden and Family.

4-H Club Boys Boost Far Effort

College Station.—National 4-H Achievement Week, to be observed in this and other states from November 7 to 14, will mark a record of high achievement by members of Texas 4-H boys clubs. A survey by J. W. Potts, assistant state boys' club agent for the A. & M. College Extension Service, shows that the boys increased their productive demonstrations in 1942, and were active in many special war programs. Outstanding is their contribution to the collection of scrap. Through September, the 31,185 club members in 240 counties gathered an estimated 11,490,480 pounds of metal; 663,400 pounds of paper, burlap and rags, and 1,728,960 pounds of rubber.

Town Meetings on WTCC Referendum Still Being Held

Abilene, Oct. 25.—As town meetings continue throughout the territory on the West Texas Chamber of Commerce referendum, plans are going forward for the organization's executive and referendum board meeting in Abilene, set for Tuesday, Nov. 10.

Seymour Game--

(Continued from Page One) Shumate ran the other fifty for the final touchdown. Hatter plunged the extra point to make the score 13 to 7 in Seymour's favor. Thornhill kicked out of bounds on the kickoff, and on the last play of the game Smith passed to Bird for thirty yards, and Bird carried the ball to Seymour's twenty yard line before he was brought down from behind by Shumate of Seymour.

COAL COAL COAL We will have a car of coal within a few days and all those who will need coal should call at our elevator and make arrangements for their winter supply immediately. Coal will be hard to get this winter, but we will do our best to supply the demand. FOARD COUNTY MILL HUBERT BROWN

"Money won't win the war. Neither can it be won without the things to fight with which money provides." —The Wall Street Journal. "JUSTLY PROUD" Banking, the one industry above all others which of necessity was the sober-sided partner in American progress, has rolled up its sleeves to fight this war all-out. The President recently recognized the unstinted war effort of the banks in a letter to the American Bankers Association. "For over a year they (the banks) have met unprecedented demands from industry for the expansion and conversion necessary to win the battle of production," he wrote. "They have been in the forefront of the fight against inflation not only through the sale of savings bonds... but by putting into effect restrictions on consumer credit and combating unnecessary expenditures of all kinds. They have been indispensable in the freeing of foreign funds to prevent their use directly or indirectly by the enemy. I mention all this in the past tense not because the job is done, but because even now it represents a record of accomplishment of which you all may be justly proud."

A mandate to press the fiscal control campaign is contained in Plank 10 of the WTCC referendum platform being voted upon by affiliates. The plank is recommended by Jas. D. Hamlin, chairman of the Public Expenditure committee, and Rep. Humphrey, committee member. More than 50 towns have taken action on the referendum, and the regional chamber announces. Many directors and local chamber of commerce managers have wired in results of their group gatherings, advising that the referendum ballots are following by mail. Last week-end completion of action with return of signed ballots, was received from 14 more towns. These were Olney, Clarendon, Bronco, Anson, Lamesa, Decatur, Pecos, Marfa, Hereford, Cisco, Hamlin, Haskell, Snyder and Sonora. Sonora's meeting was a night affair, Oct. 21, held under sponsorship of the Lions Club, which, with 108 active members, is the nation's largest for a town of 2,500 population. John Lee Niebet is president. Invited to the session to counsel with WTCC Director A. C. Elbert and the club's officers and board were the presidents of all other Sonora organizations and the city's WTCC membership of 20 business men and ranchmen. Affiliates' ballots will be canvassed by the executive and referendum board, Nov. 10. Officers to head the chamber in 1943 will be elected, the policies and work program will be announced, and

progress reports will be received on current activities. Topping these will be the report by George Moffett of Chillicothe, state senator and member of the WTCC's tri-state cotton allotment committee. Moffett is en route to Washington where he will promote the organization's campaigns for increased cotton production in the nation's war effort; for continued and expanded use of cotton products in synthetic rubber production; and for utilization of West Texas grain sorghums in the manufacture of ethyl alcohol, butadiene and rubber. The West Texas senator left Fort Worth today, by American Airlines, and will open his Washington conferences tomorrow.
