## Aviation Conference Underway

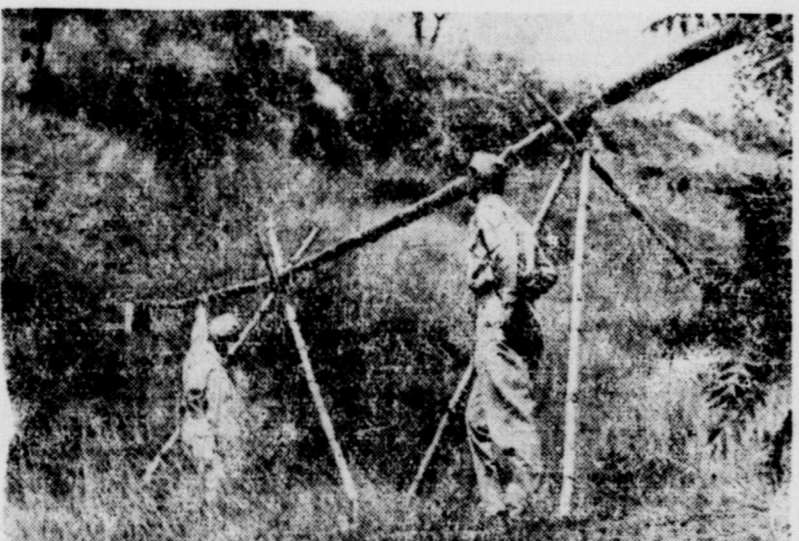

Adolph Berle, assistant secretary of state, and temporary chairman, is shown as he made the opening address of the International Civil Aviation conference held in Chicago. Delegates representing 50 countries met in first conference of its kind, hoping to work out a plan for world air transportation. The conference has dedicated itself to world-wide peacetime aviation development.

## New Water System for City of Crowell Nearly Completed

The six-inch water line from the reservoir on the east side of Crowell to the wells north of Margaret has been completed, according to announcement made by officials of the construction company Tuesday. The pipe has also been connected at the wells and five pumps installed. The pump for the sixth well has not been received. Three booster pumps have also been installed and the fourth will be installed as soon as it arrives. The two pumps are expected to reach here any day.

Pipe from the reservoir to connect on north Main Street two blocks from the square has been strung and the work of laying it will be started at an early date. It has also been announced that the stringing of the poles for the power line to be constructed by the West Texas Utilities Co. has been completed and work of placing them will start as soon as a crew of workers can be secured. Anyone wanting to work on this job should apply to the Utilities company.

## GIs Build Bamboo Water Line

Bamboo water line is supported across a defile by trestle also made of bamboo. This improvised line, in Yunnan province of China, the end of the lines for American Army soldiers, released hundreds of Chinese coolies from carrying water in order that they could handle other essential war supplies for America.

## Lower Pease River Soil Conservation District Approved

The State Board has approved the Lower Pease River Soil Conservation District consisting of Foard and Wilbarger counties. At the request of the State Board, a committee from these two counties met last Friday and divided the area into five smaller districts: two in Foard and three in Hardeman County. In Foard County, they made the Quannah-Benjamin highway the dividing line. All territory west of the highway is in District No. 4; all east is in District No. 5. Hardeman County was divided into three equal districts by north and south lines across the county. The committee recommended W. C. Howard as temporary supervisor for District No. 2 in Hardeman County and Grady Halbert as temporary supervisor for District No. 4 in Foard County.

## Sixth War Loan Campaign to Raise Foard County's Quota to Start Monday, November 20; Plans Are Complete

Plans are complete for the starting of the 6th War Bond drive which will open in Foard County on Monday, Nov. 20. The quota for Foard County in the sixth drive is only \$130,000.00. The community quotas are smaller than they were for the last drive. County Chairman Geo. D. Self states that all the supplies have arrived and many of the community chairmen have already gotten them and are ready to go to work this coming week. A number of bonds have already been purchased and, due to this fact, an excellent showing is expected the first week.

The selling agencies are the Crowell State Bank, the Crowell National Farm Loan Association, and the Crowell Postoffice. The bond buyers are asked to instruct the selling agency at the time of purchase, what community he desires to have credit for his purchase. All types of bonds are on sale at the various agencies at the same prices they have been in previous drives. The most popular bond is Series "E," with a denomination to suit any purchaser, however. The \$25.00 bond costs \$18.75; the \$50.00 bond costs \$37.50; the \$100.00 bond costs \$75.00; the \$1,000.00 bond costs \$750.00; and the \$5,000.00 bond costs \$3,750.00. Foard County is asked to purchase \$70,000.00 of Series "E" bonds.

## Magnetic Nail Picker Will Be Operated in Crowell November 17

Under the direction of the State Highway Department, the magnetic nail picker will be operated on State highways in Crowell on Friday, Nov. 17, to pick up nails and other metal debris. It will also go over all highways out of Crowell, including the new Farm-to-Market Highway No. 98, from Crowell to Margaret. The announcement was made here Wednesday by W. V. Favor of Quannah, maintenance foreman for the Highway Department for Foard and Hardeman Counties. Working in co-operation with the City of Crowell, the principal streets of the city will be cleared of nails, Mr. Favor said.

## Crowell Wildcats to Meet Wellington Skyrockets in Non-Conference Game Friday Night; Both Teams Undefeated

The Crowell Wildcats will be at home Friday night to entertain the Wellington Skyrockets, which is perhaps the strongest football team that the Crowell team has met this season. The Skyrockets are undefeated in District 3-A play, having scored 162 points to their opposition's 13. Wellington defeated Shamrock 26 to 13 last Friday night to clinch their District championship. Dan Austin, Ernest Kendrick, and I. D. Russell are three of the best running backs in Northwest Texas, according to Cotton Weidman, Childress High School Coach. Crowell caught Wellington crippled last season and ran up a 39 to 6 victory over them. Things

## Emergency Call for Gift Boxes for High Sea Men

The Sheppard Field Camp and Hospital Council has received a call from Red Cross Headquarters for 750 Christmas boxes to be filled and wrapped for the service men who will be on the high seas on Christmas day and who will not be able to receive packages from their loved ones for that reason. The councils of the mid-western area have taken that responsibility of making the Christmas season less dreary for men who happen to be on shipboard and Foard County has assumed 75 boxes as its part in this undertaking.

The call for the boxes is being made for immediate response as the boxes must be sent to the coast for shipment soon. Mrs. L. A. Andrews, Foard County Camp and Hospital chairman, is asking that all who will help in the project, get their packages to the Ben Franklin Store, to Reeder's Drug Store, to Ferguson's Drug Store, or to Beverly Hardware and Furniture Store on Friday and Saturday, of this week, Nov. 17 and 18.

A list of appropriate gifts has been suggested. They follow: pad and pencil, paper-backed novel, handkerchiefs, cigarettes, soap, camphor. Substitutions may be chosen from the following: snapshot case, miniature game, waterproof oilskin tobacco pouch, washcloth, inexpensive wallet, pipe tobacco, nail file or useful small items of similar nature. There should not be more than six items, they should be gift-wrapped, and a Christmas card within, with name of donor on, if wished.

## Mrs. Sudie Bradford Gives The News 12 Subscriptions

Mrs. Sudie Bradford, pioneer resident of the Margret community, was in Crowell Wednesday afternoon with her daughter-in-law, Mrs. Ralph Bradford, and renewed her own subscription to The Foard County News and took yearly subscriptions for ten of her children. Mrs. Bradford has been doing this for several years and this year she is adding her daughter-in-law, Mrs. R. Y. Bradford, of Floydada, making in all 12 subscriptions. Mrs. Bradford gives the yearly subscriptions to the home paper to her children for Christmas presents.

## Crowell Wildcats Defeat Valley View in Conference Tilt

The Crowell Wildcats passed another milestone last Thursday night on their way to the conference 12-A football championship with the defeat of Valley View by a score of 13-0 under the lights at Holiday. Crowell remained the only undefeated team in the district.

The Wildcats did not show the aggressive blocking and tackling that they did in the game against Holiday. However, they were plagued with injuries and hard breaks throughout the contest. Valley View presented a rugged defense but showed very little in the way of offense.

## Red Cross Sewing Room Will be Open Tuesday Afternoon

Mrs. S. S. Bell, Red Cross War Production chairman for Foard County, announces that the Red Cross sewing room will be reopened Tuesday afternoon, Nov. 21, at 2 o'clock with Mrs. A. L. Davis, sewing chairman, in charge. A request for 144 army utility kits has been received and the shipment must be made as soon as possible. Mrs. Bell and Mrs. Davis are appreciative of the co-operation of the ladies for the last quota and hope that the same co-operation will be extended at this call so that the work can be finished in record time. Anyone who can sew is qualified to aid with this project and the more who respond, the quicker the kits can be made and shipped.

Charles Earthman S I-C, of San Diego, Calif., has returned to San Diego after a short visit to the home of his parents, Mr. and Mrs. Ernest Earthman, of Thalia. He will be re-assigned soon. J. F. SLOATE

The Waco plant of the General Tire & Rubber company will be under the management of Joseph F. Sloate, a veteran of 22 years with the company.

Sloate, one of the Big Ten's best known athletes 20 years ago, has had a varied executive experience since he took his first job in Akron upon graduation from the University of Indiana in 1925.

Assigned to the stock control department, he was switched in 1926 to sales and accounting work and until 1930 concentrated on reorganizing some General Tire dealers and in setting up new sales methods.

In 1930 Sloate was transferred to company controlled accounts and, after a brief tenure in the west, was sent to many large cities to reorganize the dealerships.

Sloate next served as assistant to Sam S. Poor, vice president in charge of retail merchandise.

When William O'Neil, General manager, decided to build a tire plant at Jackson, Miss., Sloate headed the operation. He later served as plant administrator when General assumed management of the government-owned synthetic plant at Baytown, Tex., and more recently has had the title of director of personnel at the Akron plant.

When William O'Neil, General president, decided to build a tire plant in Waco, he named Sloate as general manager, a job he assumes November 1.

At Indiana university, Sloate starred in football, basketball and baseball. He was on the trip to Japan with Indiana university on which Ernie Pyle went along as a stowaway. He received all-America rating in football.

# We used to ride a lot

Wistful young America may not be able to understand why those long, lovely rides in the country are now only a memory.

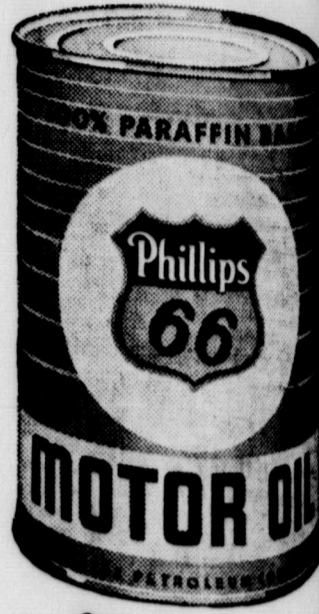

But their patriotic fathers, meeting the necessity for conserving gasoline and for prolonging the life of tires and cars, have reduced their driving to a minimum. They know that "Care for your car—For your country" is more than a slogan, that such care is important lest the nation face a wartime crisis in domestic transportation.

So now, more than ever, they want a quality oil to preserve and protect their motors. Their only question is: How can I tell which are the quality oils?

Here is one easy answer, in a very frank statement by Phillips: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Experts recommend changing oil every two months. Especially, don't neglect the seasonal change this fall. Get rid of contaminated, summer-thin oil. Drain and refill with a quality lubricant. Ask for Phillips 66 Motor Oil.

CARE FOR YOUR CAR—FOR YOUR COUNTRY

## A NEW LAUREL FOR TEXAS' WAR RECORD

# Texas-Made Tires

With well deserved pride, Texas greets leading representatives of the nation's Press, come to participate in "Texas-In-The-War" week and eager to tell all America of the tremendous contributions Texans and Texas industry have made to the war effort.

And, Texas can take particular pride that November 13th marks the dedication of the first tire ever to be built in Texas... at the huge new plant of The General Tire & Rubber Company at Waco.

Truly, Texas has gone all the way to meet America's immediate need for greatly increased production of military tires.

A year and a half ago, at Baytown, we began operation of the first synthetic rubber plant in Texas... established there to make full use of the priceless minerals found in such lavish abundance under the soil of Texas.

Since then, with the aid of willing Texas hands, we have produced

synthetic rubber in quantities beyond all estimates.

Now comes the final step. For today Texas has its own tire plant... from which Texas-made tires will speed to the fighting fronts... and where Texas will build the finished product from every corner of its own great Commonwealth.

We of General Tire are happy to reaffirm our faith in the productive capacity of Texas and to become an even closer partner in its industrial progress.

When Texas enters its tremendous peacetime future... this General Tire plant will be ready with Texas-made passenger car tires, truck tires and aircraft tires for all of the South and Southwest... thus assuring Texas that it will be the hub of supply for this area's expected expansion of transportation on rubber.

100% war production at Waco will hasten that day.

HISTORY

The Boston Tea Party—December 16: Perhaps the best known incident among the numerous protests by the Colonies against the English rule and the taxes imposed on the Colonies by the mother country England, was the Boston Tea Party.

to say what one thinks in criticism of the President's official acts—it is much better, I think, that the disagreeing individual "gets it off his chest," as they say, than that his resentment should be required to burn, and smoulder futilely in his heart.

Because our form of government does offer this safety valve it is destined to continue for some time to come unless the people of the nation reach that point of satisfied indifference where they do not take sufficient interest in their government to vote.

It seems to me, now that the battle is over, and we can look back over the way we have come the past eight or ten weeks, that our presidential campaigns of which we can be proud, they lack completely the dignity and restraint that the office and the men aspiring for it merit.

Such campaigning reminds me of the old evangelists who used to open the very gates of hell and give their audiences a chance to see the incandescent glow of the fiery furnace, and then while they trembled in fear and horror offered them an escape from their certain destruction.

KENNETH NICHOLS

Popular Akron columnist in America's rubber capitol, Kenny Nichols will be among the 25 newsmen who will visit Texas November 13 to 22 to look over the industries and other state contributions to the war program.

Nichols began his newspaper experience on the Akron Times Press and has been with the Beacon Journal since the consolidation of the two papers. He will write of Texas camps and Texas hospitality.

The tour opens at Waco with the dedication of the new tire factory of the General Tire & Rubber company. Stops will be made at the Humble Oil company plant at Baytown, the Day Chemical plant at Freeport, the Tennessee Iron and Coal plant on the Houston ship channel and the Houston ship plant at Dallas.

Rheumatic Heart Disease Fatal to Children, 10 to 14

Austin.—Rheumatic heart disease is now the first cause of death among children aged ten to fourteen, and is second only to tuberculosis at ages 15 to 25. Despite the importance of this disease its epidemiology is not completely established.

Dr. Geo. W. Cox, State Health Officer, points out that in general the danger signals of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain usually is felt in one of these centers and spreads to the others.

Exposure to frequent chilling, damp or overcrowded living quarters, a poor diet, an attack of scarlet fever, a bad cold or other infection caused by certain streptococcus germs are likely to be predisposing factors in the appearance of rheumatic fever.

According to Dr. Cox the best safeguard against this disease is to have each child and adult examined at least once a year by a physician, to have the right kinds of food for an adequate diet, and to have plenty of rest.

Hospital-Surgical Plan for Employees of Texas Company

A hospital and surgical benefit plan for employees of The Texas Company and domestic subsidiaries is now in effect throughout the United States. It was announced here this week by M. McGuigan, District Superintendent.

The plan, a voluntary one, provides benefits for hospital confinement and surgical operations not otherwise covered by men's compensation or other provisions. Benefits include payment at the rate of four dollars per day for each day the employee is confined in a hospital, up to 30 days for each period of disability; a surgeon's fee allowance which provides up to \$150.00 for some major operations and smaller amounts for lesser operations.

Texasco's hospital and surgical benefits plan is in addition to company's employe benefit plan covering accident and sickness permanent total disability, group life insurance and pension which have been in effect for past several years.

TURKEYS

The Turkey Market is Open. The Government wants the turkeys on the market as early as possible, so they can get them distributed among our camps. See me for prices. I will come and get them.

I am going to set my hatchery on the second of December, providing eggs are available. Those of you who have setting eggs, can start saving them on the 25th of November, but bring them to me on December 2nd. I will pay above market price as usual for setting eggs.

I buy poultry, eggs, cream and hides. See me before you sell. I carry a full line of Kimbell's Feed, also Gaine's Dog Food.

See me for your turkey market or phone 183.

What We Think (By Frank Dixon)

By the time this appears in print the election will be over. The people of the country will have chosen the man whom they desire for their president for the next four years.

I am impressed at every election with the wisdom and the foresight with which the forefathers were inspired and endowed when they laid the plans for this nation's government and the provisions that permit the people to have an opportunity, once every four years, to make a change in the country's leadership if they so desire.

The chief value of such a plan, I think, is that it affords an opportunity for a bloodless revolution every four years—a revolution expressed by votes, but none the less a revolution, in that it affords the individual an opportunity to express his wishes for or against the ruling head of the nation.

There is a tremendous physical and spiritual release in being able

IN THE NEWS 30 YEARS AGO

News items below were taken in whole or in part from the issue of The News of Nov. 20, 1914:

What came near seriously burning two persons and causing the loss of the Christian Church by fire was narrowly averted Sunday night. The caride lights at the church had not been working well, and T. L. Haggard and Albert Schooley went out to the small building where the gas fixtures were to ascertain the cause of the low gas pressure. A match was lighted by Mr. Schooley and an explosion followed that was heard all over town. Both men were burned about the hands, arms and face.

Mrs. M. S. Henry left for Galveston Sunday to attend the Club Federation. She went as a delegate of the Adelpian Club of this place.

87 times I've gone out—and come back.

When your score gets that high, they usually let you quit for a while.

But sometimes that isn't possible. You just have to keep on going—perhaps till your number is up.

Out here, you get to understand those things. There's no question of quitting—no matter how much you've done.

Back home, it's the same way about buying War Bonds. You feel

good when you count up and realize what a high score you've got. You feel you deserve a rest, too.

But the war isn't over yet. And until it is, I'll make a bargain with you: You keep on buying, and I'll keep on fighting till the last Jap drops!

ROTARY CLUB
The Rotary Club program Wednesday, in charge of Virgil Smith, consisted of a selection of songs rendered by a male quartet composed of John Rasor, Ebb Scales, J. P. Davidson and Ernest King, Jr. M. L. C. of the Navy, with Mrs. Arnold Rucker, piano accompanist. This is the first time the quartet had been together in two years on account of Mr. King entering the service.
Preceding the quartet numbers, Rev. R. S. Watkins gave his news comments on developments on the battle fronts. Mrs. Woodrow Lemons acted as pianist for the club songs.
Hollis Barnico, new manager of the Raito theatre, attended for the first time as a new member.
Visitors at the meeting were Mr. and Mrs. Ernest King, Mrs. Arnold Rucker, Ebb Scales, J. P. Davidson and Rotarian Vance Favor of Quanah.

CONDUCTS MEMORIAL SERVICE SUNDAY
Rev. R. S. Watkins conducted a memorial service Sunday afternoon at Tuscola for T-Sgt. Thomas M. Melver, who was killed in action in France August 29. Sgt. Melver was a nephew of Rev. Watkins and the son of Mr. and Mrs. Geo. W. Melver of Tuscola. Rev. Watkins was assisted in the service by Chaplain Major Brown of Camp Berkeley, Abilene, and the American Legion. Sgt. Melver has a brother, who is in the Navy and is somewhere in the Pacific.

IT TAKES PLENTY OF WAR BONDS TO BUILD B-29s

THE WAR in the Pacific is the most costly war America has ever engaged in. It's simple arithmetic. A mountain of special, costly equipment is needed. A B-29 Superfortress used in the bombing of Japan costs \$600,000 in War Bonds. And this is just one of the many extra costly implements of war needed to achieve final victory in the Pacific. That's why the 6th War Loan Drive is so important. That's why you must back it as generously as you have every other war loan drive. Invest in the next raid on Japan. . .

Notice is hereby given that pursuant to a resolution passed by the City Council, City of Crowell, Texas, on the 20th day of October, A. D. 1944, I, C. T. Schlagal, Mayor of the City of Crowell, Foard County, Texas, will on Saturday, November 25th, A. D. 1944, at the City Hall in the City of Crowell, County of Foard, State of Texas, sell at a public auction to the highest bidder, the following described real estate belonging to said City of Crowell, to-wit:

161.8 acres of land, more or less, lying in the North one-half of Section No. 482, Block A, H. & T. Co. By Company Survey, situated in Foard County, Texas, together with all mineral rights with the exception of an undivided one-half interest in 21.4 acres, same having been reserved by a prior owner of said land, said City of Crowell further reserving all water and fishing rights, together with the rights of ingress and egress in, upon and along said 161.8 acre tract of land. Said 161.8 acre tract does not include a 31 acre tract of land upon which the City Lake proper is situated.

# ON TO TOKYO!

Let's all get behind the greatest march in history—the march to Tokyo—and victory!

On countless invasion fronts, thousands of your fighting men are taking up the battle cry: "On to Tokyo!" We've got to back them up with what it takes for complete victory. Remember, the supply lines in the Pacific are long and your fighting men will need more material than was required for the entire European invasion to crush the Jap foe.

## Let's Echo that cry with BONDS!

Our boys won't quit until they've reached their goal. Let's not stop buying Bonds until we've reached ours! In this 6th War Loan Drive, the Nation's goal is \$14 billions... our individual job is to buy at least an extra \$100 Bond... another and then another... let's keep on going... let's keep on buying... let's keep on saying it with Bonds... "On to Tokyo!"

Your Horoscope

November 13, 14.—You are inventive, like flattery, full of wit, but have a streak of anxiety and sadness in your nature. You modify your more undesirable characteristics which makes you loved by all who know you.

November 15, 16.—Your self-control can not be excelled. You can stand many unkind remarks and undesirable advice in silence. You are kind and loving and make true friends quite easily. You are musical and appreciate art. You are original and would make a good inventor.

November 17, 18, 19.—You are a good business man but you need some one to look after your finances. You know how to buy and sell. You are a cheerful, intelligent companion but you have the times occasionally which are usually caused by your own doings. You are quick to put your trust and confidence in anyone.

**Letters To The Editor**

Dear Editor:  
 Zigzag to the right, then to the left, then to the right again—watch as a door just opened and they are pouring out—squeeze up against the wall just in time—new, that was close! No, dear editor, I'm not completely crazy, just outlining the procedure we have to use when going down the halls sometimes—the upper hall, especially. Why is it that we have to use the tactics of a football player to successfully go down a hall? Such maneuvers along on the football fields and are entirely out of place in the halls of CHS. A simple rule: keep to the right and watch where you're going. Besides you'll find you can get where you're going more quickly.  
 Protestingly yours,  
 A victim of hall traffic.

Dear Editor:  
 The scandal editor is always complaining about no news in locker 44. If all the students could realize it's all in fun, and that everyone would be co-operating to make a better school paper, I think they would be more willing to contribute. If there is some reason why a person doesn't want their name to appear, I'm sure if they told you of it you would see that their wishes would be considered.

To the Editor:  
 Speaking of pep, the pep squad has got lots of it. Some people don't think there is much to the pep squad, but they yell their lungs out for the football boys. The game means as much to them as to the team who is playing. When you pass by the grandstand and hear them yelling, give them a smile. It makes them feel good.

Dear Editor:  
 You know what? I think it would be a swell idea if somewhere in the halls of CHS a "Roll of Honor" would hang—as a small tribute to those who are fighting our battles. It would not take much money to purchase such a memorial and I'm sure the student body would co-operate in buying one. Think what it would mean to the boys when they return to our school and see their names on our honor roll.  
 Think it over Editor, and you, too, student body, then let's do something about it.  
 Hopefully yours,

**WILDKITTENS DEFEATED BY CHILDRESS "B" TEAM**  
 The Crowell Wildkittens were defeated by the Childress High School "B" team, by a score of 26-19. This was only a practice game but both teams were pret-

ty evenly matched. The first score was set up by Jimmie Johnson on a long run around end, "Mouse" Ballard then plunged over from the 3-yard line for the score. The Wildkittens failed to make the extra point.  
 Childress' first score came on the first play of the game when Elven Watkins went around end with some excellent blocking for the score. Three other scores were made by Watkins. Two of these were made by runs around end, and a pass from Watkins to Workman made the other.  
 Crowell's next score was also set up by Jimmie Johnson on a double reverse play around end. The score was made from about the six-yard line where Ballard passed to J. L. Gobin. The next score for Crowell was made by Ballard who returned a Childress punt for about 60 yards and went over the goal standing up.  
 Crowell was put into scoring position near the end of the game by a pass from Ballard to A. G. Wallace. Three long passes tried by Crowell near the end of the game fell incomplete.  
 Some excellent playing was done by both teams. The game was played Friday night, November 10, at the Childress High School stadium.  
 The acting co-captains for the Wildkittens were Gobin and Wood.  
 The starting lineup for Crowell was Jerry Westbrook, right end; N. A. Nichols, right tackle; V. Bond, right guard; Henry White, center; Larry Wood, left guard; C. F. Bradford, right tackle; Gobin, right end; Ballard, quarterback; Jimmie Johnson, right half; Wallace, left half; and Patton, fullback.

**Weekly Sermon**

By the Rev. Wendell P. Loveless, Director of WMBI and WDLM, Chicago.

**True Love**

In a day when the meaning of true love is so hopelessly obscured by counterfeit, it is well to meditate on the unchanging love of Christ. I suggest seven characteristics of this love.  
 1. It is permanent. "Having loved His own which were in the world, He loved them unto the end" (John 13:1). Human friendship may be dissolved, loved ones may prove untrue, those upon whom we have lavished our affection may fail, but Christ's love never changes.  
 2. The love of Christ is powerful. "Who shall separate us from the love of Christ? ... in all these things we are more than conquerors through Him that loved us" (Rom. 8:35-37). All the powers and agencies of heaven and earth are not so powerful as the love of Christ. Therefore the believer is secure, for he is the object of that love.  
 3. It is personal. "The Son of God ... loved me, and gave Himself for me" (Gal. 2:20). It is true that He "gave Himself a ransom for all," but it is likewise blessedly true that every believer may say, "He gave Himself for me."  
 4. The love of Christ is past knowledge. "And to know the love of Christ, which passeth knowledge" (Eph. 3:19), that is, past the realm and function of mere human knowledge. His love is revealed by the Holy Spirit (John 14:26; I Cor. 2:9, 10, 14).  
 5. Christ's love is pattern love. "And walk in love, as Christ also hath loved us, and hath given Himself for us" (Eph. 5:2). "He laid down His life for us; and we ought to lay down our lives for the brethren" (I John 3:16). His love for us is to be the measure of our love for one another, as members of the family of God. What need today for the practical exercise of that privilege and obligation.  
 6. The love of Christ is a provoking love. "For the love of Christ constraineth us" (II Cor. 5:14). Christ's love had complete possession of Paul. It was his impelling motive. To be occupied with Christ will furnish us with those which shall lead us on into lives well pleasing to Him.  
 7. The love of Christ is a present love. "Unto Him that loveth us, and washed us from our sins in His own blood" (Rev. 1:5, R. V.). He loves us this moment. He is concerned about all that concerns us. How can we be fearful of the future when we are the objects of such love? How can

**Deep in the Heart of Taxes**

You've heard the song "Deep in the Heart of Texas." Most people today are deep in the heart of taxes. A bad pun to make a good point. Last year America's tax-paying electric light and power companies footed a tax bill of more than seven hundred million dollars. One-fourth of the electric dollar goes for taxes of one kind or another.

Still, taxes are necessary in modern war, and seven hundred million dollars or any fraction thereof will buy a lot of planes and guns, medical supplies, tanks and ammunition.

The business-managed companies which pay the taxes are glad to contribute to this fight for freedom. But a lot of people say: How can the electric companies pay these increased taxes and other wartime costs and still keep the price of our household electricity so low? For the truth is, if you're the average user of home electricity, you're getting about twice as much electricity for your money as you were getting, say, fifteen years ago. To do this takes the utmost operating efficiency and economy, and constant engineering research under sound business-management. You can be sure that experienced business management will keep your electric service dependable and low-priced.

## Daughter of Thalia Couple Weds in Vernon

Mr. and Mrs. Will L. Johnson of Thalia announce the marriage of their daughter, Claudia Lou, to Charles Earl Niell, S 1-C, son of Mr. and Mrs. J. H. Niell, of the Five-in-One community. The marriage took place at the First Baptist Church in Vernon Friday evening at 7:30 o'clock with Dr. E. S. James, pastor of the church, officiating with the double ring ceremony.

The bride had been employed at the Amarillo Army Air Field until the time of her marriage. The groom has just returned from the South Pacific and has seen action in both the Atlantic and Pacific areas.

The bride wore a suit of white with black accessories and her corsage was of red sweet-heart roses. Mrs. Doyle V. Gibson of Amarillo, sister of the bride, wore a dress of white crepe, sequin trimmed, with a corsage of red carnations. Her accessories were black. Boyd D. Burlingame, MM 2-C, stationed in San Francisco, Calif., attended the groom as best man.

Mr. and Mrs. Niell will leave soon for Seattle, Wash., where they will make their home until the groom is shipped again.

Others attending the wedding were Mr. and Mrs. J. H. Niell and Aubrey Dee, family of the groom, and Miss Faye Swan of Amarillo, cousin of the bride.

## Daughter of Local Couple Weds in Frederick, Okla.

Miss Evelyn C. Johnson, daughter of Mr. and Mrs. R. C. Johnson of Crowell, was married to Staff Sergeant Thomas Fred Priest, son of Mr. and Mrs. Lonnie Priest of Margaret, on Thursday, November 9, at 6 o'clock in the evening at Frederick, Okla. The ceremony was performed in the home of the Frederick Baptist minister, Rev. Milo Arbuckle, who officiated.

Mrs. Priest was reared in Foard County and was graduated from Thalia High School in 1941. She had been employed as cashier in the Big Four Tailor Shop in Vernon for the past six months.

Sgt. Priest was also born and reared in Foard County and has been in the service for four years, having served overseas for three years in Puerto Rico. He has been home on a furlough and left Monday for Fresno, Calif., where he will be re-assigned. Mrs. Priest will join him when he is established.

## CROWELL GARDEN CLUB

The Crowell Garden Club met on Friday, Nov. 10, with Mrs. L. A. Andrews as hostess. The lesson was on "Indoor Gardening" and was presented by the club president, Mrs. N. J. Roberts, and Mrs. Andrews.

There were ten members present, two of them being new members, Mrs. W. L. Thurston and Mrs. Leo Spencer being the new ones.

LYLE C. WILSON

More than 100,000 readers are going to learn of Texas in November when a group of 25 leading writers visit the state. Representing a large part of this readership is Lyle C. Wilson, chief of the Washington Bureau of United Press.

The newsmen are coming as the guests of Texas Industries. The General Tire & Rubber company, Humble Oil company, Dow Chemical company, Ford Motor company, Missouri Pacific Lines and American Airlines.

They will visit the new General Tire plant at Waco and makes stop at Temple, Austin, San Antonio, Corpus Christi, Freeport, Galveston, Baytown, Houston, Dallas, Amarillo, Abilene, Lubbock, Tyler, Longview, Fort Worth, Lufkin and possibly College Station.

MORRIS ERVIN

Representing the Cincinnati Times-Star in Texas, November 13 to 22 will be Morris D. (Tex) Ervin, Washington correspondent for that paper. Ervin is one of 25 top flight writers who will be in the state during Texas in the War Week, set aside by proclamation of Governor Coke R. Stevenson.

The visiting newsmen will look over various leading industrial plants, the flying fields at San Antonio, the navy installation at Corpus Christi, and sections of east and west Texas.

The tour will begin with the opening of The General Tire & Rubber company's new factory at Waco November 13. Other industries to be inspected are the Ford plant at Dallas, the Humble Oil plant at Freeport and the U. S. Steel operation at Houston.

## Foard Camp and Hospital Committee Makes Report

Foard County had an excellent report at the November meeting of the Sheppard Field Camp and Hospital Council on Thursday afternoon, Nov. 9. The meeting was attended by Mrs. L. A. Andrews, Mrs. N. J. Roberts and Mrs. T. B. Klepper.

The two good workers largely responsible for this month's report were Mrs. M. S. Henry, USO chairman for the Adolphian Club, who solicited gifts and Mrs. T. W. Cooper of the Vivian Home Demonstration Club who asked for cookies.

The report follows: 1) portable phonograph and 12 records, Mrs. W. B. Jones; 1 large pot of trailing plants, Mrs. T. W. Cooper; 1 box home-made candy, Mrs. Crockett Fox; 1 joke book, Jimmy Tom Cates; 1 dishpan (special request), Miss Maye Andrews; 120 Christmas cards, employees of Haskell Telephone Co. and Mrs. Oscar Gentry; \$3.00 value in Christmas wrappings, Foard County Red Cross chapter; Birth-day gifts, Mrs. W. O. Fish, Mrs. Leslie McAdams, Mrs. Frank Crews, Mrs. T. B. Klepper and Mrs. W. M. Crews. Those who made the 38 dozen cookies were Mrs. Ed Self, Miss Neoma Fish, Mrs. Clyde Bowley, Mrs. Bert Matthews, Mrs. C. D. Hall, Mrs. J. B. Rasberry, Mrs. Glen Rasberry and Mrs. Raymond Rasberry. Three flowerpots were given by Mrs. Leslie McAdams, 25 magazines by Mrs. Alton Bell, Mrs. Jim Cates and Mrs. W. B. ## Social Meeting for Homebuilders Sunday School Class

The Home Builders Class of the Methodist Church met Wednesday, November 8, in the home of Mrs. Merl Kincaid. Mrs. Lewis Sloan served as leader of the program which was opened with a singing led by Misses Ada Jane Magee and Polly Davis.

The devotional was given by Mrs. Foster Davis on the subject "Beligion in the Home." Marcia Kincaid played a piano number, entitled "On a Summer Sea," by Ella Ketterer. This was followed by a religious story "Where Love is, There God is Also," by Leo Tolstoy, given by Mrs. Earl Manard. This was a most inspirational story about Martin, the shoe cobbler, who found Christ by doing good turns for others who needed help.

At the close of the program, a short business session was conducted by Mrs. Moody Bursey, class president.

## Birthday Celebration Held for C. E. Dunn

The seventy-second birthday of C. E. Dunn was celebrated by his family Sunday and came as a complete surprise to him. Ten of the eleven living children of Mr. and Mrs. Dunn were present for the celebration.

A turkey dinner served cafeteria style, was enjoyed at noon. The dining room was attractive with cut flowers and the birthday cake centered the table.

## THALIA 4-H CLUB

The Thalia 4-H Club met November 2 at 3:15 p. m. The recreation leader was in charge and the play, "Poor Kitty" was presented.

Miss Elizabeth Elliott gave out the year books and discussed them with those present. The members received game sheets and learned to play and make several inside games. The next meeting will be November 16.

## Nation-wide Bible Reading Thanksgiving to Christmas

A nation-wide Bible Reading Thanksgiving until Christmas, in which millions of American service men and women and their families and great numbers of other Americans will join, is being sponsored by the American Bible Society and two national sponsoring committees formed for the purpose.

The national sponsoring committee of laymen, composed of leaders in various fields, includes ex-President Herbert Hoover, John Foster Dulles, Admiral Ernest J. King, James Wright Brown, editor and publisher, and Ambassador John G. Winant. More than thirty major religious bodies are represented on the national sponsoring committee.

Hundreds of thousands of men and women in the armed forces and multitudes at home are finding the Bible an inspiration and guide now as never before. By a more extended and simultaneous reading now by those in service and by those of us at home, a spiritual bond will be created that will be full of meaning for millions of families and that will make a priceless contribution to their hope and faith.

Through a nation-wide poll of pastors and Army and Navy chaplains, Bible passages most helpful in times like these have been chosen. The passages receiving the largest number of votes are being designated one for each of the 33 days between Thanksgiving and Christmas. Book mark leaflets listing the passages with helpful suggestions on how to get the most out of the reading are being furnished without charge in large quantities to churches and chaplains for wide distribution. Copies may also be had by writing to the American Bible Society in New York.

## WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met with Mrs. Tom King last week and the subject for discussion was "Needwork Pick-ups." Club members answered roll call by exhibiting some handwork and telling the history of the piece. Some of the articles were made from feed sacks.

Mrs. Agnes McLaughlin, Mrs. Marion Chowning and Mrs. Charlie Bryson were visitors, also eight members were present. It was voted to have the December meeting in the home of Mrs. S. H. Ross, the club president.

## FOARD CITY H. D. CLUB

The Foard City Home Demonstration Club met with Mrs. Floyd Borchardt Tuesday, Nov. 14, with six members and one visitor present. The visitor was Miss Evelyn Jones. The following officers were elected for another year: Mrs.
