Defeats Mud to Win Okinawa

Upper left shows Cpl. Charles Lissa of St. Louis, Mo., as he scrapes mud off his boots to continue after fleeing Japs. Even the tanks and jeeps had mud trouble as shown in upper right. Lower left and right show how the war machines had to be dug out in order to catch up with fleeing Japs. Mud slowed up operations even more than Jap bullets.

IN SERVICE

Pfc. Herman Gloyna Jr. has been evacuated to a Navy hospital in the Marianas after being wounded recently in the battle for Okinawa, according to a letter received this week by his parents, Mr. and Mrs. Herman Gloyna, of the Riverside community. He has been in the South Pacific since March 1 and went to Okinawa in May as a replacement in the 184th Infantry. Pfc. Gloyna, who was awarded the Purple Heart, says he is recovering satisfactorily and enjoys the good hospital bed and fine treatment he is receiving.

With U. S. Supply Forces in Germany—Sgt. Wm. Fred Priest, son of Mr. and Mrs. Lonnie Priest of Margaret, has been awarded the Bronze Star Medal for meritorious service with the 448th Ordnance Heavy Automotive Maintenance Company in the Continental Advance Section. It was the first base section to cross the Rhine and had been in direct support of the American and the First French Armies since the invasion of Southern France last August. The citation for the coveted award reveals that Sgt. Priest contributed greatly to the success of this tremendous supply operation.

Pvt. Wm. L. Gray of Route 2, Crowell, has recently joined the 123rd Infantry Regiment and is a member of Company E, according to a news release from the public relations office, APO 500, San Francisco. This regiment recently climaxed a two-month campaign of rugged mountain fighting in Central Luzon by capturing Baguio, summer capital of the Philippines. Originally composed of National Guardsmen from Illinois, the 123rd Infantry Regiment is a seasoned outfit whose veterans fought in the jungles of Dutch New Guinea. Pvt. Gray was inducted into the Army on Sept. 25, 1944, and left the States for overseas duty on March 26, 1945.

Public Relations Office, Pearl Harbor, T. H.—The crew of the oldest destroyer in the United States Navy, veteran of two wars, and a 20-year lay-up in "red lead" between wars, would not trade her for the newest "can" of the ways. The ship is the USS Allen, attached to the Hawaiian Sea Frontier and the crew calls her Gracie. One of the men assigned to this command is J. L. "Bit" Adams, quartermaster 3rd class, USNR, son of Mr. and Mrs. Ed Adams of Crowell, who has been attached to the activity for 21 months. Adams' duty is chief helmsman and quartermaster. He entered the service in June, 1943, and previous to assignment to this area he was stationed at Naval Training Station, San Diego, Calif.

Pvt. William Simmons reported to Fort Ord, Calif., last week after spending a furlough here visiting his wife and daughter and his parents, Mr. and Mrs. Clint Simmons.

Cpl. J. L. Glidewell, mortar gunner with the 83rd Division of the 9th Army, is one of the first soldiers to be discharged under the Army point system. Cpl. Glidewell, 25, received his discharge at Fort Sam Houston, June 15, with a total of 118 points. He has the Infantry Combat Badge, Good Conduct Ribbon and five battle stars. He fought in the Normandy invasion, Northern France, the Ardennes sector, the Ruhr Valley and the Rhineland. The 83rd was the first division to reach the Rhine River and was relieved by the Russians on the Elbe River, 30 miles from Berlin, in early May. Cpl. Glidewell is the son of Mr. and Mrs. R. Z. Glidewell of Truscott. His wife is the former Miss Pauline Lindsey of Cooper and they have a daughter, age 2, and a 6-months old son.

Cpl. Fred L. Carroll, son of Mr. and Mrs. G. Y. Carroll of Crowell, has arrived at Gulfport Army Airfield, large Third Air Force Training Station for B-29 Superfortress crews, and has been assigned to duty. Cpl. Carroll entered the service in January, 1942, and is now serving as an electrician. He returned home in May after more than thirty-seven months' service in Australia, New Guinea, the Netherlands East Indies and the Moluccas.

Mrs. Juanita Phillips of Mansfield has been notified by her husband, Pfc. E. M. Phillips, who has been with the Fifth Army in Italy for 14 months, that he will probably return home soon. His brother, Pfc. Jack Phillips, is on his way overseas. They are brothers of Mrs. W. C. Thompson of Route 1, Crowell, and Mrs. George Pruitt of Margaret.

Pvt. Marion Gentry left last week for Fort Ord, Calif., after spending a 15-day furlough here visiting his parents, Mr. and Mrs. and Mrs. Will Teal of Burkburnett, and Mr. and Mrs. Carlton Browder and daughters, Doris and Opal Jean, of Truscott.

Mrs. J. C. Calvin Died Suddenly in Hospital Thursday

Funeral Services Held Saturday at 10 o'Clock A. M.

Mrs. J. C. Calvin passed away at the local hospital, Thursday afternoon, June 28, after an illness of only a few hours. She became ill on Wednesday afternoon. Funeral services were held at the Womack Funeral Home on Saturday morning, June 30, at 10 o'clock, with Rev. R. S. Watkins, pastor of the Crowell Methodist Church, officiating. Rev. Otis Sturckland, pastor of the First Baptist Church, assisted in the services. "Funeral" was accompanied by Mrs. A. L. Rucker, Mrs. C. W. Thompson was in charge of the music and favorite songs of the family were sung by the choir. Pall bearers were Ted Carter, R. R. Jones, Hinton Emery, Sgt. Glendon Hays, Hartley Easley, Jim Cook and M. L. Hughtson. Flower bearers included Mrs. R. R. Jones, Mrs. Hinton Emery, Mrs. Gordon Cooper, Mrs. Jim Cook, Mrs. D. R. Magee, Mrs. Oscar Gentry, Mrs. W. A. Dunn, Mrs. Hartley Easley and Misses Claudia Carter, Marilyn Hays, Marian Hays and Yvonne McLain. Interment was made in the Crowell cemetery, under the direction of the funeral home.

Mrs. Calvin, wife of Miss Allie Alfreddie Carbaugh, was born on May 14, 1878, at Austin, Texas. At the age of six years, she moved with her parents to Henrietta and from there to Cloud Chief, in what was at that time, Indian Territory. She was married to James Clabourne Calvin on October 21, 1898. They came to Foard County on July 28, 1907. To this union, five children were born, two of whom died in infancy. Mr. Calvin passed away at the home here on Sept. 7, 1934. Mrs. Calvin united with the Methodist Church in Henrietta and her membership was in the Methodist Church of Crowell at the time of her passing. She was a consistent Christian and numbered her friends by her acquaintances. Her chief object in life was to be a good mother and good neighbor. Her home-loving nature and her gentle disposition created a home of outstanding influence.

Survivors are two daughters, Mrs. W. B. Tysinger, Crowell, and Mrs. John Carter of Lockney; one son, J. Frank Calvin of Santa Fe, N. M.; five grandchildren, Joyzelle Tysinger, John Calvin Carter, Rondelle Carter, Jane Calvin and Jimmie Calvin; two sisters, Mrs. Lula Rhoades of Raymondville, Texas, and Mrs. Geneva Rhoades of Carnegie, Okla., and a number of nieces and nephews. Out-of-town relatives and friends present for the funeral services were Frank Calvin and daughter, Jane, of Santa Fe, N. M.; Mrs. N. D. Rhoades of Carnegie, Okla.; Mrs. J. T. Morris, Mrs. Henry Carbaugh and two daughters, Mrs. John Fleisher and Mrs. Oran Nix of Mountain View, Okla.; Mrs. A. Brian and Jack Brian of Lockney, Mrs. Will I. Stephens of Oklaunion, Mr. and Mrs. Hinton Emery of Sterling City, and Mrs. A. B. Schooling of Tulsa, Okla.

Oscar Gentry, and other relatives and friends.

Mrs. A. S. Hart has received a telegram from her son, Lt. Jim A. Hart, stating that he had arrived in the States at Boston, Mass., and would be home soon. Lt. Hart has been with Patton's 3rd Army in Germany.

Major T. P. Reeder Jr. of the Medical Department of the U. S. Army, and his wife arrived at home Sunday from Fort Sam Houston, San Antonio. Major Reeder is on a leave to visit his parents, Mr. and Mrs. T. P. Reeder, and other relatives and friends. He has recently returned from overseas duty.

Capt. Thomas B. Johnson, who has been stationed at Ft. Sumner, N. M., spent Monday and Monday night here visiting his wife in the home of her parents, Mr. and Mrs. Hubert Brown. Capt. Johnson left Tuesday for Salinas, Calif.

T-Sgt. Ted Reeder left Monday night for Camp Crowder, Mo., after spending a furlough here with his wife.

J. C. Randolph of Truscott has received an honorable discharge from the service and has returned home. He served four years with the 36th Division.

Sgt. J. M. Young is in Truscott visiting friends. He has been released from a German prison camp where he was kept for 23 months.

Three Members of Allied Command

The "International Police Force," if San Francisco proposals are carried through, will be directed by a military staff composed of the chiefs of staff of the Big Five. Three chiefs of staff are pictured here. Left to right are Gen. A. I. Antonov of USSR; Gen. Ho Ying-Chin of China; and Gen. Alphonse Juin of France. England and U. S. will also be represented.

Livestock Feeders Entitled to Federal Production Pay

Cattle feeders in Foard County can now apply to the County AAA Office for beef cattle production payments under the Government's new program to increase the production of meat.

Feeders are encouraged to feed more cattle, including those they purchase and those they raise, to good and choice grades under the new program. The method of payment is similar to the dairy payment program, also handled through the County AAA office, according to A. R. Sanders, administrative officer.

The beef cattle production payment amounts to 50 cents per hundred-weight on good or choice cattle weighing 800 pounds or more and selling for at least the minimum stabilization price, which for sales in this county is 13 1/2 cents.

This is the first meat production payment made directly to livestock feeders. The program is designed to help hold the line against inflation by preventing sharp increases in retail prices which might lead to uncontrolled increases in wages and other economic factors.

The beef cattle production payment is available to all feeders, including slaughterers, who also are feeders, provided their cattle meet the program requirements. To be eligible a feeder must certify on his application (1) that he owned the cattle at least 30 days before their sale; (2) that the cattle weighed at least 800 pounds when sold; (3) that the cattle brought not less than the minimum price for good grade, and (4) that the cattle were sold for slaughter to an authorized slaughterer.

An authorized slaughterer is any slaughterer who operates under Federal inspection or under OPA permit at the time he slaughters the feeder cattle on which the payment has been made. A feeder-slaughterer is eligible to receive payment provided payment has not previously been made on his cattle. He may also receive payment on cattle he raises provided they are eligible under the program.

To collect payment he must substantiate the date of purchase, the price he paid, and the weight at the time of purchase. He must also certify the grade and weight of the carcass after slaughter to further determine the eligibility of the cattle.

A feeder other than a feeder-slaughterer must present sales receipts, invoices, scales tickets, or other written evidence from the buyer to verify (1) date of sale; (2) the name of the buyer; (3) the point of sale; (4) the number of head; (5) the total live weight; (6) the price received; and (7) the name of the legal authorized slaughterer to whom sold.

In addition the feeder, if he did not raise the cattle, must show the status of the cattle at the time he purchased them by furnishing the name of the person from whom purchased, and the date of the purchase. The feeder may also be required to furnish evidence that the payment has not been made previously on these cattle.

Payments will be made from funds of the Commodity Credit Corporation of which \$40,000,000 has been authorized. Farmers may obtain details of the program and make applications at their local AAA Office.

Mrs. Nelson Oliphant has received word that her husband has recently been promoted to the rank of Sgt. He is now located in Czechoslovakia.

Early Settler of Foard County Dies in Los Angeles

J. L. Klepper, 82, of Los Angeles, Calif., a pioneer resident of Foard County, died at his home in Los Angeles, Monday, July 2, following an illness of several weeks. He had lived in that city for about twenty-five years.

Mr. Klepper was born in Collin County and came to this section in 1887. He lived here until about 1907 when he moved with his family to Mineral Wells. Later he moved to Martin County where he was engaged in ranching for a number of years before moving to Los Angeles. His active years in that city were devoted to contracting and building homes.

Funeral to Be Held Today for J. L. Klepper

Survivors include Mrs. Klepper; one son, S. W. Klepper, of Pomona, Calif.; two daughters, Mrs. M. E. Swarner, of San Diego, Calif., and Mrs. G. R. Kruger, of Los Angeles; one brother, J. W. Klepper, of Crowell, and one sister, Mrs. Maude Latham of Alhambra, Calif. Fifteen grandchildren also survive.

Home Nursing Classes Are Being Continued in Foard County

Four Home Nursing classes have been completed since the beginning of this project by the Foard County Red Cross chapter, under the direction of Miss Olga Larson of Tyler, Red Cross Nurse. The classes which have completed the course are those sponsored by the Columbian and Adelphi Study Clubs, by the Business and Professional Women's Club and by the West Side Home Demonstration Club.

The Foard City class will have its last meeting on Thursday, July 12. The Gambelville Home Demonstration Club women will have their third class on Thursday, July 5. The Vivian class will begin its series of classes on July 9, at the home of Mrs. T. W. Cooper at 3 o'clock.

A class, organized this week under the chairmanship of Mrs. S. S. Bell, has been called the Number Twelve Class, for the reason that it is the twelfth class in the project. Members of this class will be Mesdames A. L. Davis, Gordon Cooper, Grady Graves, Jack Seale, Moody Burgess, Homer White, R. S. Watkins, Henry Earl Thomson, Hollis Barnicoat, Doyle Kenner and Miss Frankie Kirkpatrick. Their first class will meet on Monday, July 9 at 9 a. m., and will meet on Monday, Wednesday and Friday for two weeks.

The Home Nursing project will continue in Foard County until August 9.

Waste Paper Needed, D. F. Eaton Says

In answer to many inquiries, D. F. Eaton announced Wednesday that waste paper is still needed and at present he is storing it at his home, since he does not have a permanent storage place. He expects to secure a place in the near future where waste paper can be stored until it is shipped out.

Further announcement will be made later and those who have paper that they cannot keep longer are hereby notified by Mr. Eaton to bring it in and he will manage to take care of it.

Fisch Department Store to Open Friday Morning

Housed in the beautiful new Lanier building on the west side of the square, Irving Fisch has established one of the prettiest, most attractive and complete dry goods stores to be found in any small town in West Texas. The official opening of the new store will be held at 9 o'clock Friday (tomorrow) morning, when twenty-five extra salesladies will be ready to serve the people who will attend the opening.

The front display windows are modern in every respect, with glass back, giving a complete vision of the entire store to the passer-by. All fixtures of the store are modern and convenient. A new washed-air cooling system has been installed for the comfort of the customers.

Upon entering the door, ladies' apparel, such as underwear, hose, purses, blouses, etc., may be found, displayed to the advantage of the customer. The shelves following these are filled with the needs of the ladies, dress goods, curtains and curtain material, staple materials of various kinds and quilts and comforters.

The shoe department in the rear has comfortable seats for the trying-on of the shoes, which include rationed and non-rationed shoes for each member of the family.

The Ladies' Ready-to-Wear department is at the rear of the shoe department, and as far as it is possible, in the stress of the times, Mr. Fisch has a splendid stock of dresses of various materials and fashions. It will be supplemented as time goes on.

A complete stock of baby garments and accessories are included in the large stock. Men's pants, hats, shirts—in fact, everything in men's furnishings, are displayed on the south side of the building. A line of excellent men's shorts, made by Allee Manufacturing Co. of Fort Worth, is available. Mitchell Allee, son of Mrs. J. R. Allee, is owner of the business.

Fluorescent lights lend softness to the lighting plan and also add to the attractiveness of the place. Hardwood flooring and asphalt tile cover the floors and the walls are finished in cool, clean colors to complete the building's attractiveness.

The office is placed in the rear of the building and is convenient and well-lighted. In fact, the store is complete in every respect and is ready to help take care of the dry goods needs of the people of this community.

Mr. Fisch is no new-comer to Crowell. He was engaged in the dry goods business here when he entered the Armed Forces in 1942. He sold his business and served his country until January, 1945, when he received an honorable discharge and returned home. His wife, the former Miss Louise Thomas, and their baby daughter, Carol, have resided here at the family residence in north Crowell during his absence.

Mr. Fisch, with the help of the wholesalers with whom he has dealt in the past, has been able to assemble a complete stock of high quality merchandise which includes many hard-to-buy critical items. Mrs. Hazel Thomas, who was employed in the store before it was sold, will again be employed as assistant manager.

Cpl. Douglas Adkins Arrives Back in United States

Cpl. Douglas E. Adkins wired his parents, Mr. and Mrs. Cap Adkins of Thalia, Monday morning that he had landed at Camp Patrick, Va., and they expect him to arrive at home the last of the week.

Cpl. Adkins was one of the first Foard County men to become a prisoner of the Germans. After being liberated he accepted a 7-day furlough to visit London and other places of interest in England.

Funeral Services for E. G. Campsey Friday Afternoon

Former Crowell Resident Succumbs in Pueblo, Colo.

E. G. Campsey, a former resident of Crowell, passed away at the home of his daughter, Mrs. M. Hayworth, and husband, in Pueblo, Colo., on Tuesday, June 26, after a long illness. The body was brought to Crowell and funeral services were held Friday afternoon, June 29, at the Methodist Church with Rev. D. A. Ross, pastor of the Truscott Methodist Church and Rev. Lon King, pastor of the Quana Baptist Church, officiating.

Pall bearers were C. S. Wood, E. Clarence Woodward, Ozzie Turner, Lee Linden Turner, the Turner, all of Truscott, and E. J. Hanning of Vernon.

In the "Sweet Bye and Bye" sung by the choir and a duet, "and the Sunset," was sung by Mrs. C. W. Thompson and Mrs. E. Klepper. Mrs. Allen Sanderson played piano accompaniment to the music.

Interment was made in the Hill cemetery by the side of his wife who died here in 1906. A Mack Funeral Home was in charge of arrangements.

Campsey was born in Cleveland, Ohio, on December 24, 1860. He was married to Miss Mary (Mamie) Durrett, of Ross, Texas, in January, 1895. They were seven daughters born to them, two of whom died in infancy. Five reached the age of maturity, Myrtle, Irene, Thyra, Verda and Zeffa. Only two survive, Mrs. L. J. (Irene) Worth of Pueblo, Colo., and Mrs. W. A. (Thyrabelle) Hardy of Tampa, Fla.

Campsey, with his family, moved to Foard County in 1900. In 1900 to 1908, he hauled coal to Crowell from Quana. From 1909 until about 1920, he served the people of Crowell as a water hauler. It was before then that he was a water hauler. He was a familiar figure to the people of Crowell and he was a devout Christian. He had many friends here in every place he lived. In 1920 he moved to Truscott where he lived with his sister, Mrs. S. S. Turner, who also was a former resident. She passed away at her home in Truscott on June 4, 1944. He made his home here seven years with his daughter, Mrs. E. J. Hanning of Pueblo. Besides the two daughters survive, other survivors are four sons, C. E. Campsey of Post Office, Campsey of Jacksboro, Campsey of Cleburne, and Campsey of Devine; one daughter, Mrs. Daisy King of Quana; seven grandchildren, and two great grandchildren. Two sons are serving in the Army, Cpl. Raymond Frank Scarborough Jr. of the Marine Corps, and Pfc. Frank Scarborough Jr. of the Marines, and stationed on Guam. He is survived by many of whom are out-of-town relatives and friends. He is buried in the Hill cemetery by the side of his wife. He was the son of Post Oak, Mr. and Mrs. A. L. Campsey and sons, Lt.

Prisoner Germany 4 Months, Arrives at Home Last Week

Pvt. Joe A. Minaryard arrived at home last Thursday from Fort Sam Houston on a 60-day furlough to visit his parents, Mr. and Mrs. Bud Minaryard, of the Margaret community, and other relatives and friends. Pvt. Minaryard was captured by the Germans in Belgium on Jan. 5, 1945, and was detained in II-B Stalag, about 40 miles east of Berlin, until he was liberated by the British Army on April 16, 1945.

He landed back in the United States at Newport News, Va., on June 17 and was taken to Fort Sam Houston, Texas, arriving there ten days later, June 27. After spending his furlough here he will report to Fort Sam Houston on August 29 for reassignment for duty in the United States.

Rotary Club Barbecue Served in Town on Account of Rain

The Rotary Club barbecue which was to have been held at the Spring Lake Country Club last Thursday evening was served under the awnings at the Crowell State Bank on account of the rain which fell late in the afternoon.

Good Rain Falls Over Foard County Thursday Night

Rain which was recorded at the Crowell State Bank as .88 of an inch fell over Foard County Thursday afternoon and night of the 4th. The precipitation reached the flood stage between the Todd farms east of Crowell to several miles beyond Thalia where it measured from 4 to 5 inches. In the Four Corners community it was estimated that the rainfall amounted to from 2 1/2 to 3 inches.

The rain was lighter in other portions of the county, perhaps about the same as recorded in Crowell. Another light rain fell in Crowell Wednesday morning.

Aston Campsey and wife and Harry and wife and baby, and daughters, Mrs. Tom Stephens, Mrs. Donald Scarborough and a son-in-law, Doc Lemons; Mr. and Mrs. J. H. Campsey of Greenwood; Mrs. Brooks Campsey of Munday; Rev. and Mrs. Lon King of Quana; Mrs. Edd Hanning and son, E. J. of Vernon; Mrs. W. A. Hardy and daughter, Mary Lou; Chester Thompson and son, Chester Jr. of Clovis, N. M.; Mr. and Mrs. C. S. Woodward and son, C. E., of Knox City; Mr. and Mrs. Ozzie Turner and sons, Lee Linden and Wayne, and daughter, Winnie Sue, of Truscott; Mr. and Mrs. E. L. Turner of Abilene; Mr.

Items from Neighboring Communities

Mr. and Mrs. W. A. Johnson of Thalia spent Sunday with Alton Farrar and family.

Mrs. Arlie Cato and sons of Fort Worth visited last week with

TEXAN'S SHARE in the WAR

Good news for all Texans . . . and for thousands of army officers and enlisted men . . . was the appointment of Lt. Gen. Walton H. Walker as commandant of the army's Eighth Service Command.

For all can be sure that the doctory Texan will do a good job there, as he did in Europe, where he commanded an armored unit for Gen. George H. Patton.

General Walker, who took his post in Dallas on June 22, was honored the day before when his home-town, Belton, celebrated "Walker Day." Complete with parade, barbecue and the appearance of Gov. Coke Stevenson and other notables, the gala day told the Texas general that his neighbors truly welcomed him home and to his new job.

Maj. Gen. Richard Donovan, who preceded General Walker as commanding general of the Eighth Service Command, made thousands of friends in Texas, and was a staunch supporter of all civic and patriotic enterprises within the state. When he was recently transferred to Washington, Wayland D. Towser, general manager of the United War Chest of Texas, said:

"General Donovan was a tower of strength in our campaigns on behalf of the National War Fund, as he was in all other war-related efforts. His all-out support helped Texas achieve its almost-miraculous success in the 1945 and 1944 drives."

State and county war chest leaders by army personnel during last year's National War Fund campaign. They recall the colorful "War Chest Commando" unit which toured a large portion of the state, and which could not have done its work without the six officers and men who took part under assignment by General Donovan.

Now comes a typical Texan—General Walker—to command of the Eighth Service Command, and Texans naturally feel that this help for their patriotic enterprises will continue.

General Walker, one of the most famed field commanders during the bloody battles that preceded our victory over Germany, is a vigorous, scrapping Texan—every inch a soldier. A graduate of West Point, he is termed a master at the intricate task of commanding large army units.

That he will take a prominent part in Texas enterprises is inevitable. Already admired and loved by the people of the state, he is in a position to exert civilian, as well as military leadership.

As a soldier and veteran of long

Most Decorated G.I.

First Lt. Audie L. Murphy, Farmersville, Texas, is the most decorated American soldier. He has every decoration for bravery save the Legion of Merit. Murphy won the Congressional Medal of Honor by beating off 250 Germans and six tanks at Colmar.

THOUGHTS OF SERIOUS MOMENTS

True courage and courtesy go hand in hand. The bravest men are the most forgiving and the most anxious to avoid quarrels.—Thackeray.

That courage is poorly housed which dwells in numbers.—The lion never counts the herd that is about him, nor weighs how many flocks he has to scatter.—Hill.

Courage often forsakes a man when he has occasion for it; courage which arises from a sense of duty, acts in a uniform manner.—Addison.

A U. S. destroyer will cost around \$1,750,000.

months of overseas fighting, he knows the real value of USO, War Prisoners Aid, United Seamen's Service and other National War Fund agencies which serve our fighting men.

Every state and local leader who takes part in the October war fund drive in Texas will be inspired to greater effort by the fact that this great Texas military leader is with them in their work.

A rainfall of one inch over an acre of ground means a downpour of 27,143 gallons of water, or 603 barrels of 45 gallons each.

Uncle Sam pays nearly \$5,000,000 for each submarine.

"It Must Be The Vitamins In Ful-O-Pep!"

Yes, calves raised on Ful-O-Pep Calf Starter are bounding with energy and bubbling with health because Ful-O-Pep is such an appetizing, nourishing energy-giving feed for calves. And best of all, Ful-O-Pep Calf Starter is cheaper to feed than whole milk, because one pound replaces up to 10 pounds of whole milk in feeding calves. Many dairymen save up to 75% of the milk formerly used in feeding calves; a saving in cost of as much as \$25 to \$30 per calf, by feeding Ful-O-Pep.

• Saves Milk
• Saves Money
• Raises Healthy, Robust Calves.

Canada's Big War Production Continues

"NOW that victory in Europe has been officially declared, Canadian war plants must concentrate their efforts toward the quick defeat of Japan," Canadian Munitions Minister C. D. Howe declared, following V-E Day. He emphasized that Canadian war production will continue at a high level, and that plans developed in readiness for V-E Day, or entry into Stage 2 of the war, will go into effect immediately. Mr. Howe appealed to all war plant personnel to stay on the job and see the war through to a definite and victorious conclusion. Anticipating the collapse of Germany, which now has become a reality, readjustments in various programs already have been made, with the result that the general change-over will not have so marked an effect on the Canadian economy as otherwise would have been the case.

"In short," he said, "the entry into Stage 2 of the war and the gradual conversion from war to peacetime production, having been planned for in advance, will be effected with a minimum of disturbance."

Briefly, Canada's war production picture for the immediate future, based on present information supplied by the United Kingdom and the United States, is as follows:

Aircraft: Production will continue indefinitely with emphasis on most recent models of combat aircraft and with reduction of trainer plane output.

Shipbuilding: Continued high rate of deliveries will into 1946. The ship repairs program already substantial, may increase.

Gun and Small Arms Ammunition: Progressive cutback, possibly by as much as 50 per cent of the present rate by the end of 1945.

Chemicals and Explosives: Cutback in explosives in line with ammunition demands. Chemical production for agricultural and other industrial needs will continue at high rate.

Armored Vehicles: Production will decline sharply.

Automotive Vehicles: Partial conversion from military to civilian requirements will keep factories

will continue to be heavy.

"Production of civilian necessities, so long deferred by the war together with production for export to the liberated countries, will absorb manpower released by the resumption of war production, and this summer the labor demand will still be heavy," Mr. Howe stated. The Minister paid tribute to the excellent plans already laid by most of Canada's industries for this period, in many of which the reconversion will mean simply the moving of workers from one machine to another.

Railway Equipment: Production will continue at an even higher rate to supply domestic and foreign demands.

Restaurants and Canteens: Device for preparing and cooking present production, sufficient to change use.

Cafeteria Construction: Program will be stepped up.

Alcohol: Large military stores for much longer with demands continuing heavy.

Raw and Semi-Processed Materials: War and civilian demands

THE FARM FRONT FIGHTS

No matter how many acres your farm covers . . . no matter how varied your equipment . . . it will not add to the National War Effort if it is not kept in "fighting" condition. See us immediately concerning a repair program for your farm.

Propeller Cuts Jap

Dallas, June 27.—Colonel William McGrath's voice came in clearly Sunday on the "Army Hour" radio program as he told of his command's keeping planes in action against Japan's islands and home land. "Same old Bill McGrath," his lawyer friends said, thinking of meeting him in courts while he made an outstanding record as Attorney General of Texas. Repairs was his principal concern, yet like the overtones of a great organ in the background was his concern that the Navy have adequate shipping to supply and protect his forces, as they in turn "keep 'em flying."

Skilled Mechanics Needed in Shipyards for Repair Work

The enormous size of that job was revealed a few minutes later when an admiral said it will require some six and a half million man hours to return the carrier Franklin to the fight. This is more than an hour for every man, woman and child in Texas. Quite a job! The Navy has thousands of other ships to be repaired, and calls for electricians, machinists, and sheet metal workers to help at Pearl Harbor, Mare Island, Hunter's Point and Puget Sound Navy Yards. Any first or second class post office can tell those interested where and how to reach a Civil Service representative who can send qualified men to the yards needing them, with travel expenses paid and housing reserved for them in advance. Information may also be had at the Branch Regional Office, New Orleans, or the Regional office, U. S. Civil Service, 210 South Harwood Street, Dallas, Texas.

Marine 1st Lt. Robert Klingman, Binger, Okla., who knocked down a Jap plane at 43,000 feet by using his propeller as a carving knife. His guns had frozen because of cold.

Julian Evans of Troy spent from Tuesday until Thursday in the home of his uncle, E. T. Evans. Chief Petty Officer J. M. Denton, who has recently returned from Bermuda where he was stationed, and his wife and small daughter, Faye, of Paducah, spent Wednesday night with her parents, Mr. and Mrs. Allen Fish. Harold Fish, F 2-C, of the U. S. Merchant Marines, who is spending a leave with his parents, Mr. and Mrs. H. H. Fish, of Paducah spent Sunday night with his brother, Benny Fish, and family. Harold has recently returned to the States after making a trip to Guam. James Marvin Sosebee of Anson returned home Wednesday after spending several weeks with his grandparents, Mr. and Mrs. Egbert Fish. Olaf Nelson of Brownwood returned home Saturday after spending several days with his brother, O. H. Nelson, and family. Mr. and Mrs. R. L. Walling spent Sunday in the home of Rev. and Mrs. R. C. Brown of Paducah. Miss Geneva Marr left Monday for Sagerton for a visit with her sister, Mrs. Emil Kainer, and husband. NATIONAL LETTER WRITING WEEK OCTOBER 1-7

Your Horescope July 2, 3, 4.—You are rather silent and reticent at times, and very independent. You show much persistence regarding your undertakings and cannot be easily conquered. You are a capable talker and people know only what you want them to about your private life. You are careful, have much self-control and are ready to help those in whom you are interested. July 5, 6.—You will have many sad experiences in the early days of your life, and whatever height your reach will be by toil and suffering, but the end is worth the sacrifice. Your clothes and any ornaments you have will always be of the best, although you do not care much for finery. July 7, 8.—You are just regarding the opinions and feelings of others. You are charitable and generous. You have a sympathetic nature, are very sensitive and easily offended. You are certain to reach your aims, although you always place them high. You are not always satisfied with your surroundings. The largest motor in the world is 44 feet long, 16 feet wide and 13 feet high. It has sufficient power to lift a four-stack destroyer weighing 1,350 tons, at the rate of 200 feet a minute. Due to the resistance of the air it takes about 19 seconds for a bomb to reach the earth when dropped from an airplane a mile high.

Repair, Paint and Insulate, Your Farm Is A War Plant We Have Many Items Which Are NOT RATIONED CEMENT BRICK WOOD POSTS DRAIN TILE BARBED WIRE SEWER TILE DOORS BUILDING TILE WINDOWS WALL BOARD ASPHALT SHINGLES ROOFING PAINT and other items in the building material line. For purposes of protecting or housing foodstuffs and livestock there is plenty of lumber for such construction work on farms. Although 75 per cent of the lumber produced goes into military uses, we still have supplies for upkeep of farm property. There is plenty of roofing, insulation, paint and many other materials for you. Don't neglect your property. WM. CAMERON & CO., Inc.

INTERESTING FACTS OF THIS AND THAT

Nearly 2,000 persons were killed in grade crossing accidents last year. The city of Damascus is so old that its origin is unknown! It is the oldest inhabited city on the face of the earth. The "Big Inch" oil pipe line, the largest in this country, is two feet in diameter. It originates in Longview, Texas, and terminates 1,254 miles away at Phoenixville, Penn. A sequoia tree in Yosemite National Park estimated to be 3,800 years old is said to be the oldest living thing on earth. A new dime bearing the likeness of the late President Roosevelt will be out by Christmas. One grower near San Francisco ships out each year over a million dollars worth of flowers, mostly by airplane. The U. S. Merchant Marine increased from 11 million tons and 55,000 men in 1941 to 50 million tons and 200,000 men in 1945. It is better to be always careful than always crippled. You cannot measure the value of carefulness. A second of carelessness may destroy a lifetime of carefulness. A careless man heeds no counsel. The windiest point in the United States is on top of Mt. Washington in New Hampshire.

The Encouraging Word

A minister told in his sermon one Sunday, of how years before one of his parishioners had complained that his sermons did not hold out enough words of encouragement.

Many people fail to accomplish all they might in life, because of their fear of taking hold of new experiences, and a feeling that they are unfitted for posts of responsibility.

Experience has been described as something you get while you are searching for something else.

Some women talk to their husbands positively awful; others awfully positive.

He who watches the clock usually remains as one of the hands.

HISTORY

The First Successful Atlantic Cable—July 27: The first successful Atlantic cable was placed in operation on July 27, 1866, following several efforts which for one reason or another failed.

Goodwill is as fragile as an orchid, but as beautiful; as precious as a gold nugget, but as hard to find; as powerful as a giant turbine, but as difficult to build;

It isn't possible to buy happiness. If it was the person with plenty of money would always be happy.

When ma says that pa hammers nails like lightning it does not necessarily mean that he's fast; could be that he just never hits twice in the same spot.

The man who likes a cigar after a good meal probably smokes about one a month, nowadays, and that, providing he can find one.

They say he would have lived to a ripe old age if he hadn't eaten so many cherries—from the bottom of his cocktail glass.

Some would rather speak ill of themselves than not to speak of themselves at all.

Today the world isn't worrying so much about who's who, as it is what's what.

He who watches the clock usually remains as one of the hands.

What We Think (By Frank Dixon)

Let us see what the facts are: Under existing law the salary of a member of Congress is \$10,000 a year. In addition to that salary each member is allowed \$9,500 a year for clerk hire.

I am not prepared to say whether members of the National House of Representatives were underpaid under the old salary schedule.

The point I do wish to make is that the action of the members of the lower House in voting themselves an increase at the present time was most inopportune.

The effort of the administration for the past three years has been centered on holding prices in line with the hope that by so doing inflation might be controlled.

While there have been murmurings and rumblings on the part of this group and that group to break over and demand more pay.

I may be seeing ghosts, that in reality do not exist, but I predict this precipitous action by the members of Congress is going to have its effect on the economic stability of the home front.

We recall with what effort the demands of the coal miners for an increase of a few cents an hour were resisted before they were finally granted.

Christmas and New Year's are observed the world over.

Hears Son's Ovation

Mrs. Ida Eisenhower, mother of Gen. Dwight D. Eisenhower, is doing her knitting and listening to the radio at her home in Abilene, Kansas. She heard the ovation given her son.

I predict that many of those who have been trying to hold on under the old pay schedules will say: Why should we worry? Congress, which has been telling us to stay in line has itself broken over.

IN THE NEWS 30 YEARS AGO

News items in this column were taken in whole or in part from the issue of The News of July 9, 1915:

After the wet spell ceased about a month ago, the country has had but few good rains, but Sunday morning the storm clouds swept over from the north and gave the country an abundant supply of moisture.

The Crowell Grocery Co. is this week discarding its mule team and wagon as a means of delivering groceries and is now doing the work by the means of an auto with a specially constructed bed.

The Crescent Confectionery was sold this week to Frank Hill and Ferguson Bros. Mr. Hill and Percy Ferguson will be in charge of the business.

Dr. J. M. Hill threshed 120 acres of wheat last week that made 23 1/2 bushels to the acre and another small patch of 12 acres made 33 1-3 bushels.

Rev. H. H. Bowers, who has been pastor of the Presbyterian Church for some time, has been assigned another post at Grandbury.

G. C. Phillips of the Thalia community was in the city Saturday and stated that he had thirty acres in peanuts this year and that they are looking fine.

Mrs. F. Young returned Wednesday morning from a month's visit with her son in Long Beach, Calif.

G. D. Owens returned Friday from Post where he went on a prospecting tour and was so impressed with the country that he bought land there.

Miss Ella Edgin is visiting friends and relatives at Tolar this week.

Marion Hughston made a trip to Clarendon this week to visit home-folks.

Mrs. Chas. Thompson returned Saturday from a visit of several weeks at Pilot Point, accompanied by a sister, Miss Adele Ragland.

Miss Lottie Cole left Wednesday for Memphis where she will visit relatives for a few weeks.

When Will Japan Yield?

Will the Japs fight on until they are utterly defeated, until their cities and industrial plants are destroyed, until their people are crying from hunger as sources of food supply are cut off?

Or will their leaders have some sense and recognize that the country is beaten and they would do well to quit while they have something of their industrial equipment left, and while many of their communities have probably not been seriously hurt?

A water proofing chemical known as P. B. used to insulate motors in army equipment against water, has been made available to the public.

Christmas and New Year's are observed the world over.

Daring Rescue

Crew of U. S. Coast Guard rescue plane flew 1,100 miles to pick up a crew of nine of Charlotte, tuna clipper. Wreckage of craft in Magdalena Bay, Baja. is shown in upper photo. In lower photo the rescued coastguardsmen are shown.

Washington News

By Congressman Ed Gossett, 13 District of Texas.

Washington, D. C., June 22.—President Truman's recommendation for a law changing and making more certain the matter of presidential succession, in the event of his death, has met with favorable response in Congress.

Two recent Supreme Court decisions have been greatly disappointing to many of us here in Congress. Several years ago I voted for a bill to deport Harry Bridges, notorious member of the Communist party and president of the west coast maritime workers' union.

In a local newspaper I see the picture of the Queen Mary just returned to New York City with 15,000 American soldiers aboard. More than two years ago I saw 15,000 American boys loaded on the Queen Mary for overseas.

General "Ike" Eisenhower's appearance before the joint session of Congress on Monday of this week was a notable event. To me the most significant lines in his excellent address was the following statement made in reference to the American soldier: "He knows that in war the threat of separate annihilation tends to hold allies together; he hopes that we can find in peace a nobler incentive to produce the same unity."

General Eisenhower, who calls Kansas his home, explains his birth near Denison, Texas, by saying, "Yes, I was born in Texas, but it happened like this: The grasshoppers ate my daddy's crop up over in Kansas, and he moved into Texas for a season to make ends meet. It was the grasshoppers that caused me not to be born in Kansas."

A colonel just back from the Philippines gives an interesting account of the capture of a Kamikaze or Japanese suicide pilot. This Jap, who speaks English, told Americans he and four others were called out from a regimental line-up in Tokyo and were told they were about to die for the emperor.

Christmas and New Year's are observed the world over.

INSURANCE General Lines of Fire, Windstorm, Casualty, Life, Sickness and Accident. It is always the unexpected that happens. See us and protect yourself before it happens. Hughston Insurance Agency

was willing to take his chance in battle but resented being forced to die for the emperor. He had no parachute and was sealed into the bomb plane. On a million to one chance, he picked out a smooth American held beach where no trees were visible and skidded the plane in on its tail.

SUNNY SQUIBLETTS

How far should husbands go around places when their wives are not with them? Don't know, but it is usually safe to let them go to church alone.

They tell us to fill our minds with information, but many seem more anxious to fill their mouths with good eats.

They used to tell about the wild men of Borneo, and there are some fairly wild men in Texas when the umpire makes a doubtful decision against the home ball team.

It takes ten inches of snow to equal in water content one inch of rain.

Let Us Do Your Laundry Work. Laundry work from the people of this territory is respectfully solicited. Truck makes one trip each week, Monday. Efficient service in every particular is our aim. MISS VERNON LAUNDRY. VERNON, TEXAS. OTHO T. CARRUTH, Solicitor

WE KEEP 'EM ROLLING. Many cars destined for the scrap heap have been saved by proper and timely care. But it's best not to wait too long—and certainly it's less expensive. Have your car checked now at our shop. We appreciate your patronage. KINCHELOE MOTOR COMPANY

KIMBLE'S POULTRY and COW FEED. We handle a full line of Kimble's expertly mixed Poultry and Cow Feed and would be glad to supply your needs in the feed line. We are in the market for your poultry, eggs, hides and cream and will pay the highest market price for these products. MOYER PRODUCE

Someday soon-- perhaps-- you can buy a lot of things you've been needing pretty badly for some time—perhaps a new car, a washing machine, a refrigerator, or heating system. SAVE NOW—so that when these necessities again are available to the general public, you'll be able to get the best price, or the best terms. The way to start is to open an account at this bank and start saving systematically. GROWELL STATE BANK Member Federal Deposit Insurance Corporation

LOCALS

R. R. Lanier spent a few days this week in Dallas on business.

Miss Maxine Johnson of Vernon is visiting her parents, Mr. and Mrs. George Johnson, and family.

Mrs. A. E. McLaughlin went to Covina, Calif., last week for a visit with her daughter, Mrs. Mildred McLaughlin, and family.

Mr. and Mrs. B. A. Moncus returned to Crowell Saturday from a visit with Mrs. Moncus' brother, Thad Hoot, in Jones County.

John Teague of Knoxville, Tenn., arrived here Monday night for a visit with his family and his mother, Mrs. L. Kamstra, and family.

Miss Marjory Tisdale of McAllen, student in the University of Texas at Austin, is here visiting her sister, Mrs. Recie Womack, and family.

Miss Jean Breedlove, student in Texas College for Women at Denton spent the mid-term holidays here visiting her parents, Mr. and Mrs. Ernest Breedlove.

Mrs. A. Brian and Jack Brian of Lockney, former residents of Crowell, visited friends here and their daughter and sister, Mrs. Will Stephens, in Oklahoma last week.

Mr. and Mrs. Joe Smith and son, Joe Vernon, went to Canadian Wednesday. Mr. Smith's mother, Mrs. J. W. McLaughlin, who has been visiting here for two weeks, returned with them.

Mr. and Mrs. Gordon Cooper and children, Mary Ermine and Paul, accompanied by Mrs. Oscar Gentry went to Amarillo Tuesday to spend the Fourth of July visiting in the home of Mr. and Mrs. Sewell Roy and Mrs. P. P. Cooper.

Miss Sybil Gobin was operated on for an acute attack of appendicitis in the Headlee Hospital in Odessa Friday afternoon, June 22. Her parents, Mr. and Mrs. Pete Gobin, of Crowell went to Odessa to be with her, returning home last week.

New Shoes Needed

Mrs. Aecnath Carson, left, and Mrs. Roy Price of East St. Louis, Ill., as they visited the ration board office to stress the fact that they need shoes. The ration board clerks advised them to buy non-rationed shoes until the next shoe stamps are available.

Army's Educational Program Starts Soon for ETO Troops

SHAFF, June.—The Army's educational program for the ETO, the biggest ever undertaken abroad by the United States, was announced by Gen. Eisenhower. It is designed for officers, EM's and Wacs who are to remain in the ETO on occupational duty or who are waiting to go home. It will enable them to:

1. Attend two great Army colleges, one at Shrivenham, Eng., and the other to be located on the Continent.
2. Take courses of their own choosing at Britain's Oxford and Cambridge Universities and France's Sorbonne University at Paris.
3. Learn a wide range of skills in a centralized Army vocational school.
4. Study in the Army's system of correspondence schools.

Most inclusive phase of the program is the setting up of unit schools in each battalion or unit of comparable size. While some of these schools already are operating, the majority cannot get under way until readjustment of troops who are to remain in the ETO is completed.

CARD OF THANKS

Our sincere thanks and appreciation are extended to the friends who were so kind to us in many ways at the sudden passing of our loved one. Such friendship is greatly cherished and will ever be remembered.
Family of
Mrs. J. C. Calvin.

4-H's Urged to Go Limit in Checking Accident Hazards

Four-H Club boys and girls are urged to go the limit in checking accident hazards on farms this year. Authorities emphasize that due to labor shortage, farm families must work longer hours and the resulting fatigue makes them less alert. Also, farmers must employ as helpers young people with no previous experience in farm work, who may fail to recognize hazards.

nating the honor. Full information concerning the activity, which is conducted under the direction of the Extension Service, may be obtained from county extension agents.

Last year's state winner in Texas was Jackie G. Brock of Floydada. County winners were named in Callahan, Camp, Comanche, Dallas, Dickens, Eastland, Floyd, Fort Bend, Frio, Grimes, Hall, Parker, Rock, Sabine, Stephens, Wood, Young, Armstrong, Wichita, Coke, Foard and Clay Counties.

Operating Income for Santa Fe R. R. Increased in 1945

The Santa Fe net railway operating income for May, 1945, was \$5,809,173 according to a statement released by President F. G. Gurley June 26. This is an increase of \$1,745,202 compared with May, 1944. Gross for the System was \$52,090,153, an increase over May, 1944, of \$9,596,574. Operating expenses were \$29,909,929, an increase of \$3,927,120 over the same month of 1944. Railway tax accruals were \$15,614,963, an increase of \$3,686,337 over the same month in 1944.

Comparative figures for the month and five month periods for three years are:

May gross, 1945, \$52,090,153;	1944, \$42,493,679;	1943, \$39,855,368.
May net railway operating income, 1945, \$5,809,173;	1944, \$4,063,981;	1943, \$5,485,506.
Five months' gross, 1945, \$229,435,324;	1944, \$200,415,589;	1943, \$193,560,414.
Five months' net railway operating income, 1945, \$24,453,043;	1944, \$20,231,444;	1943, \$25,628,896.

Railway tax accruals for three months ending May 31, 1945, include \$56,038,000 federal income and excess profits taxes compared with \$49,913,170 in 1944.

Mrs. Roosevelt employed fourteen persons to handle her personal correspondence during the time her husband Franklin Roosevelt was President.

NEW RADIATOR SHOP

I have opened a new radiator and welding shop in the new building across the street from the Girsch Service Station and will appreciate your patronage.

I will also continue to do terracing. Call at my new place of business.

Attention! FARMERS

We now have for Rent a **POWER AIRE SPRAY EQUIPMENT**
It Can Be Operated by a 10-year Old Boy

This equipment has been recommended by the U. S. Government for spraying paint on barns, equipments and dwellings. In fact, anywhere that paint is used outdoors. One man can paint a 7-room house in one day's time.

You simply attach spray to the two front plugs in tractor or car. It will do finest of finish jobs and handle the heaviest of paint without much thinning.

See us if you want to save money on painting your barns, implement houses and fences.

\$5.00 Per Day Rents It

Come in and see it and let us explain it to you.

W. R. Womack

NEW MASONIC OFFICERS

New officers for Thalia Lodge, No. 666, A. F. & A. M., of Thalia have been installed as follows: Morgan Price, worshipful master; William Wisdom, senior warden; C. D. Haney, junior warden, and Marlin Woodson, secretary.

H. E. Ferguson is spending a vacation in Colorado Springs and other points in Colorado.

Paul Shirley, who has been ill for a number of months, is improving and is able to be in town for a short while each day.

Bert Self, his daughter, Miss Mary Frances Self and Mrs. Floyd Thomas attended the Stamford Fourth of July Rodeo Monday.

Miss Ada Jane Magee, who is a student at TSCW at Denton, is spending the week at home with her parents, Mr. and Mrs. D. R. Magee.

Mrs. C. E. Hutchison of Covina, Calif., is visiting in the homes of her brothers, J. R. and A. Y. Beverly, and other relatives and friends.

Hunter Lanier and his three grandchildren, Bobby, Jolene and Sidney Lanier, attended the Stamford Fourth of July Cowboy Reunion Wednesday.

Mr. and Mrs. Grady Graves and four sons returned home last week from Stephenville where they visited Mr. Graves' parents, Mr. and Mrs. W. T. Graves.

Cathie Cook, little daughter of Mr. and Mrs. George Cook, is seriously ill in the home of her maternal grandparents, Mr. and Mrs. Earl Morley, in Quanah. She is also the granddaughter of Mr. and Mrs. Jim Cook of Crowell. She is suffering from infantile paralysis, but is reported to be responding satisfactorily to the Kenny treatment which is being administered. Miss Frances Cook is nursing the little girl. Her father is somewhere in the South Pacific doing duty in the Navy.

AGRICULTURE

(D. F. Eaton, County Agent.)

Plain's Grain Harvest

The Plainview office which has been directing the harvest combines and farm labor program reports that 90 per cent of the wheat has been cut south of Amarillo, and 60 per cent just east of Amarillo and that machines are moving into the extreme Northeast Panhandle.

Also they report Oklahoma about through and Kansas just well underway in its harvest. Yields have been much better than was anticipated just before harvest.

Some local combines are now returning to this county. Some will follow through to the Canadian line.

Pig Crop Report

The Texas spring pig crop is the lowest in years. The crop is estimated at 1,122,000 head. The number saved between Dec. 1, 1944, and June 1, 1945, shows a decrease of 19 per cent over the same period in 1944 and a 48 per cent reduction from the record production of 1943 and 9 per cent smaller than the 10 year average.

It is estimated that 187,000 sows farrowed pigs, and that an average of six pigs per litter were saved.

In 1944, 240,000 sows farrowed pigs and only 5.8 pigs per litter were saved.

The number of sows to farrow in the fall will be 181,000 head about the same as last year.

In the United States as a whole the number of spring pigs are estimated at 51,687,000 head, or a slump of 7 per cent from spring crops.

University in France

A second Army university will be established in France in August under the command of Brig. Gen. Samuel L. McCroskey.

Combined enrollment of both colleges is expected to reach 1,000, Col. Thompson said. In ten months, Col. Thompson said, 36,000 students will have taken the two-month courses.

Study in the civilian universities is scheduled to start early in July, with a series of two-week refresher courses to prepare soldiers for the university he is to attend. The first group of soldier students will enter Oxford, Cambridge and the Sorbonne for the fall terms. They may study for one semester.

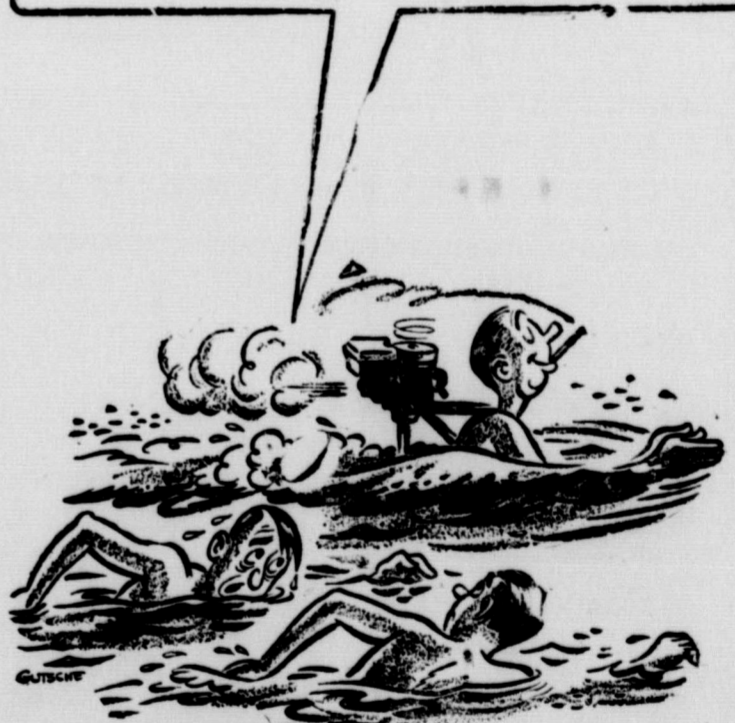

Another 4,000 soldiers may study technical and vocational subjects at a technical training center which will open at Tidworth, England, about Aug. 15.

In addition, arrangements are being made to place vocational and technical students with civilian firms and industrial plants.

Soldiers who wish to study by mail will have access to 30 additional subjects in addition to the 88 now offered through Armed Forces Institute. The army also will assist in making available to troops regular university extension courses.

General DeGaulle attacked with force of arms the little Arab state of Syria and Lebanon at the east end of the Mediterranean. DeGaulle's excuse was a post-World War 1 League of Nations mandate. DeGaulle demanded a continuation of French powers under the mandate which had been discontinued in the settlement following the World War 2 under which Syria and Lebanon were given independence. The League of Nations mandate gave France control of air and naval bases, control of armed forces, control of education, economic privileges—especially oil. Syria and Lebanon having been granted independence by the Allies following the defeat of Germany refused to grant DeGaulle's demands. As a result DeGaulle sent the French army and air force against them causing many casualties and \$40,000,000 property damage. France at the same time attacked Algeria causing 10,000 casualties among practically unarmed people. Churchill with President Truman's approval ordered DeGaulle to cease firing or be prepared to meet the British army. DeGaulle heeded the demands.

"Yessir, Jim's got a great system"

A GREAT SYSTEM for Jim, that is. But a little unfair to the other swimmers.

Swimming a race or running a business is pretty easy when you don't have to pull your own weight!

Take government-owned electric power-systems, for example. They pay little or no taxes. When they need money, they can call on the U. S. Treasury and get it at little or no interest. If they have losses, why worry? You, as a taxpayer, will take care of that.

Business-managed power-systems do not have these special privileges. They pay their full

share of taxes, pay fair interest on any loans, pull their own weight all the way through.

Fortunately for you and your tax bill, over 80% of all the electric power in this country is produced by tax-paying, self-supporting electric companies owned and operated by millions of Americans.

And how well are these companies doing their job? Electricity is still available at low pre-war prices. There is enough to meet even the gigantic demands of war. And there will be plenty to help give you greater comfort and convenience in the electric living of the post-war world.

Listen to "THE SUMMER ELECTRIC HOUR" with Robert Armstrong's Orchestra and guest stars. Every Sunday afternoon, 5:30, CWT, CBS Network.

What does this mean to you? Government ownership of any business is a threat to every American in business. Whether you run a shop, garage or factory, government ownership means you have a rival across the street who enjoys special privileges at your expense. He has little or no rent to pay, can borrow money at little or no interest, can keep on operating at a loss—and YOU are called upon to help make up that loss!

West Texas Utilities Company

FISCH'S GRAND OPENING

Friday, July 6th, 9 A. M.

In December, 1942, I entered the Armed Forces of the United States and upon receiving an honorable discharge in January, 1945, I decided to re-enter the dry goods business here in Crowell, where I had sold out upon entering the service.

With the help of my wholesalers, I succeeded in assembling a new, large, complete stock of High Quality Merchandise, including dozens of Hard-to-Buy critical items.

In our store you will find a very modern and up-to-date business, where your shopping will be a pleasure.

I want to welcome all my old friends and customers and all other citizens of Foard and adjoining counties to come and visit us in my newest enterprise.
(Signed) IRVING FISCH.

Among many Nationally Advertised Brands you can always find featured at our store are Stetson Hats, Hickok Belts, Wembley Ties, Jayson Shirts and Pajamas, Redwing Shoes, Olsen-Stelzer Boots, Cooper's Hosiery, Joleen Shoes, Mary Barron Underwear. Arriving soon, Paul Sach's, Doris Dodson, Joan Miller, Jo Dee Dresses and Smarty Togs. (Our Rule Always—You must be satisfied or your money back.)

"Air-Conditioned for Your Comfort"

TOWN and FARM in WARTIME

Civilians At War
Government needs and the citizens in the 186th week of the war against Japan to...

gasoline will still be issued at the rate of a gallon a day. Mr. Bowles explained, "but the 30-gallon limit is being removed for the benefit of released American prisoners of war who get leave or temporary duty assignments for sixty days in this country, and for those members of our armed forces who return from overseas and get more than 30 days' leave."

Reminders
Fats, Red Stamps E2 through J2, last date for use June 30. Stamps K2 through P2, last date June 30. Stamps Q2 through U2, last date June 30. Stamps V2 through Z2, last date June 30. Blue Stamps processed Foods, date June 30. Stamps T2 through X2, last date June 30. Stamps Y2, Z2, A1, B1, last date June 30. Stamps D1 through H1, last date June 30. Stamps 36, last date August 31. Oil, Period 1, 2, 3, 4 and 5, good for ten gallons unit, continue valid throughout the country for the rest of the year. New Period 1 coupon, in the 1945-46 ration may be used anytime after June 1. Stamps, Airplanes stamps Nos. 1, 2, 3, in Book Three, continue indefinitely.

Farm Loans For Returning Service Men
The Farm Security Administration has been authorized by Congress to lend \$25,000,000 in the next 12 months to returning service men who want to buy family farms, and will start making the loans on July 1, 1945. The interest rate on these loans is 4 percent, but not more than 2,000 counties. Part of an additional \$20,000,000, not restricted for use of veterans, also may be used to make loans to discharged service men.

Production of Bedding and Electrical Appliances Increased
Production of bedsprings, box springs, inner-spring mattresses, studio couches and other types of bedding will be increased in the coming months, says WPB, but not to any appreciable extent, as the supply of textiles and other materials is still limited. Limitations have been removed on the manufacture of the following electrical appliances: air heaters, household toasters, casseroles, chafing dishes, heating pads, household waffle irons, dry shavers, hair clippers, permanent wave equipment and home dishwashers.

Extra Gasoline Rations For Service Men
Additional gasoline rations may be obtained by service men on furloughs of more than 30 days. OPA Administrator Chester announced, "Furlough

Two Minute Sermon
The Master Mechanic: The other day as I watched a linotype mechanic making some repairs, he explained to me something of the scheme of operation of this remarkable machine. He explained that the working parts had to be kept clean. In some instances, although the machine weighs a couple of tons, a speck of dirt that would scarcely interfere with the operation of a watch might prevent its smooth operation. If intended to do the work it is intended to do, it must be in good order and in perfect adjustment, he said, adding that in this respect a linotype was like a man. I agreed with him that he was right, that a man had to be in good condition in order to do his best work. I pointed out, however, that unlike the linotype a man has a mind and a heart. Not

The Money Mystery
A humorist remarks that mysterious stories and plays have made the American people rather clever in solving mysteries, but many people cannot solve the mystery of where their money has gone to. It is a useful habit for people to keep a cash account and determine what becomes of their money. It would take but a few moments each day to make this record. If it is kept with some correctness, they will know whether they are spending an unreasonable amount in some way. This habit will help them to keep money for the most important things. The habit of keeping a correct cash account is good training for business.

Flying Garage of the Future
When that "postwar automobile" is ready for the public, a flying garage will be ready to carry it from New York to San Francisco, or to Europe. It will be a quick, though somewhat expensive, means of taking your car on a long-distance vacation trip. Photo shows a sedan being loaded into a Fairchild Facket for test purposes. Two can be carried. It also provides room for entire family.

Methodist Church
Church School each Sunday at 9:45 a. m. Church services each Sunday at 11 a. m. and 8:30 p. m. Woman's Society of Christian Service meets Monday at 4 p. m. at the Church. R. S. WATKINS, Pastor.

First Baptist Church
Otis Strickland, Pastor. Church Program for June 10-16. Sunday, June 10, 7:30 a. m., Baptist Hour Program; 10 a. m., Sunday School. Department, Superintendent. Cradle Class, Mrs. J. L. Bradford. Adult, Mrs. Frank Moore. 11 a. m., Morning Service. 7:30 p. m., Training Union. 8:30 p. m., Evening Service. Wednesday, June 13, 8:00, Cabinet Meeting; 8:30, Prayer Meeting. The Bible Lesson will be Galatians 3.

Christian Church
Bible School at 10 a. m. Lord's Supper and Preaching at 11 a. m. Evening Service at 8 o'clock. We appreciate the increased interest that is being manifested in both morning and evening services. The sermons are being well received and provoking much favorable comment. The sermon last Lord's Day, "The Knowledge God Imparts of Himself," many asserted, was beneficial in opening new views on the attributes, character and benevolence of God. We will study the character of man this Lord's Day morning. Our subject for Lord's Day evening will be "Faith." As every avenue of life is traversed by Faith, we believe this to be a very timely theme. What is Faith? How is it obtained? Does God miraculously impart it, as some maintain? As life or death result not from the act of eating, but from the thing eaten, so Salvation results not from the act of believing but from that which is believed. Therefore, what is to be believed? Can one believe for another? Can Salvation be obtained through proxy? Is the Holy Spirit necessary to Faith? Does He give Faith as some would have us believe? In this age in which we live, when there are so many varied and contradictory doctrines on this great theme, it behooves us to ascertain what God Himself has revealed and taught on the subject. His word says "Without Faith, it is impossible to be well pleasing to Him." Arrange your evening to take in this service. Grant L. Slagle, Minister.

Rayland Baptist Church
Sunday School, 10 a. m. Preaching at 11 a. m. Prayer meeting on Wednesday night at 8:30. Everybody is welcome to attend these services. D. R. PHILLEY, Pastor.

Foard City Church
Sunday School every Sunday. Preaching every first and third Sunday by Rev. George Smith, Baptist pastor. Preaching every fourth Sunday by Rev. D. A. Ross, Methodist pastor. Everybody is cordially invited to attend these services each Sunday.

St. Joseph's Catholic Church
Time of Masses: October-April (inclusive). 1st Sunday at 11:00. 3rd and 5th Sundays, 9:00. May-September (inclusive). 1st Sunday at 10:30. 3rd and 5th Sundays, 8:00.

Truscott and Gilliland Baptist Churches
Preaching services are held at Gilliland on the first and third Sundays, and at Truscott on the second and fourth Sundays. A most cordial welcome is extended to all. Delightful Christian fellowship. J. W. ENGLISH, Pastor.

HOUSEHOLD HINTS
To save time when peeling potatoes to be boiled, peel only a strip around the potato lengthwise. The skin will come off easily when the potato is cooked. Avoid "dishpan" hands—after dishwashing, before you dry your hands, pour a few drops of lemon juice into your palms and rub it in gently. An easy way to clean silver is to put a good sized aluminum pan on the stove, pour in a quart of water and add two tablespoons of baking soda. Let it come to a slow boil, then put in the silverware. Result—bright and shiny silver.

A Case of Unmistaken Identity
Despite his grimy and emaciated appearance the young soldier looked familiar to Mrs. Mary Alford, a Red Cross club director. She began by asking his home town. "Kansas City," he replied. "Really?" she exclaimed. "Why, that's my home town, too." "I know," the soldier replied, "you are my aunt."

If the earth did not rotate on its axis the sun would rise and set but once during the year.

If the earth did not rotate on its axis the sun would rise and set but once during the year.

Weekly Sermon

By the Rev. Kenneth S. Wuest, Member of Faculty, Moody Bible Institute, Chicago.

God's Emancipation Proclamation
The Emancipation Proclamation of 1862 declared all slaves in the United States to be "then, thenceforward and forever free." It was signed by President Lincoln. The emancipation proclamation of the Christian reads: "For sin shall not have dominion over you; for you are not under the law, but under grace" (Rom. 6:14). It has been signed by God Himself in the precious blood of Jesus Christ. "If the Son therefore shall make you free, ye shall be free indeed" (John 8:36). Thus we know that sin is no more master over us. "Thanks be to God, which giveth us the victory through our Lord Jesus Christ" (1 Cor. 15:57). God's work in this transaction is already completed. He has broken the power of sin over us (Rom. 6:1-6). Although sin still remains in us (Rom. 7:17) yet we are not in its grip (Rom. 6:6). Before God saved us we had a sinful nature which always led us to sin; we now have the divine nature which impels us to obey God's Word (Rom. 7). These are inner changes wrought in every person when he believes. In addition, God reckons to him a perfect righteousness in which he stands, even Jesus Christ. He is accepted in the beloved. Now what is the believer's part in the Christian's emancipation? He must believe these things are true (Rom. 6:11). Through the energy of the Holy Spirit who dwells in him he must refuse to obey the evil nature (Rom. 6:12). He must yield himself to the divine nature once for all (Rom. 6:13). In a few words, the believer, to enjoy complete freedom from the power of sin, must have implicit faith in the Lord Jesus Christ and be fully yielded to the leadership of the Holy Spirit. This is truly emancipation for the Christian.

On America's Soil
As some of the first men to return from the European fighting landed at an American airport, some of them knelt down and kissed the soil or the asphalt surface of the runway. Their act seemed an expression of the joy they felt in placing their feet on American soil. The very ground or pavement looked good to them, and it suggested thoughts of home and loved ones. One can imagine the tremendous thrill which these men get when they get their first glimpse of the American coast line. After their hard experiences in war, our peaceful land with its friendly homes and welcoming people, will seem like a paradise to them. They will realize as never before how fortunate they are to have grown up on that soil, to have obtained the free opportunity offered in that favored land. The great majority of the returning men will have only a brief furlough before being transferred to the Pacific, but every day of that rest will be precious. The average battleship costs the U. S. about \$27,000,000.

Home Town Improvements
Some improvements that would be highly desirable in a town cost more money than the community is able to afford, considering its financial status and the ability of its people to pay taxes. There are certain improvements which are not expensive, and cost no great amount except whatever energy is necessary to carry them on. One is the improvement that people make in their home places. If they clear up disorder and beautify their homes by setting out shrubs and trees and cultivating flowers, their improvement has cost but little, and it makes a neighborhood and the community more attractive. When people give time to working for some project that the community needs, they help to improve the town. When they organize or carry on some club or society that provides a useful or pleasant activity, they improve the home town and the expense is slight.

SANTA FE CARLOADINGS
The Santa Fe System carloadings for week ending June 2, 1945, were 24,886 compared with 22,738 for same week in 1944. Cars received from connections totaled 16,744 compared with 12,105 for same week in 1944. Total cars moved were 43,730 compared with 34,843 for same week in 1944. Santa Fe handled a total of 44,927 cars in the preceding week of this year.

On top of Mt. Washington (N. H.), on April 12, 1934, at 1:21 p. m., there was a wind gust at the rate of 231 miles an hour.

Part of the Federal Land Bank System.

\$10.00 For 25 or 30 CENTS
NO GAMBLING INVOLVED
If you were told that a 25 or 30 cent investment would likely return you \$10.00 or more it would sound like a game of chance, wouldn't it? But it isn't. Here's the proposition: Around your farm or home there are probably a number of useable items which you have discarded, yet they are needed by some one else who would pay good money to get them. Well, for a mere 25 or 30 cents you can insert a classified ad in The News and likely sell the un-needed item in less than a week. War production has stopped the manufacture of many needed items. For this reason, it is essential that all utensils, tools, appliances, implements and the like be kept in good state of repair and when un-needed by the present owner they should be sold or conveyed to another person. ADVERTISING does not work miracles but it does render a useful service that profits both buyer and seller. Use Foard County News Want Ads to help both you and your neighbor. THE FOARD COUNTY NEWS

THEY... WANT AND READ the Paper they PAY FOR

The interest a reader has in a newspaper determines its value as an advertising medium.

The Foard County News is an invited guest in every home. The subscriber has asked for it. He has paid money for it. He wants it and reads it. If he didn't read it he wouldn't pay for it.

When you place your advertising with The News you know it will enter the home as a welcome guest, to be read and appreciated. Your message will not be thrown on the porch.

You wouldn't waste time and money preparing a letter and then drop it in a waste basket instead of a mail box. Be sure you put your advertising message in a newspaper that goes straight to the mark—your prospect, who will read it.

THE PAPER THAT GOES INTO THE HOME

THE FOARD COUNTY NEWS

When that "postwar automobile" is ready for the public, a flying garage will be ready to carry it from New York to San Francisco, or to Europe. It will be a quick, though somewhat expensive, means of taking your car on a long-distance vacation trip. Photo shows a sedan being loaded into a Fairchild Facket for test purposes. SOCIETY

Mrs. T. B. KLEPPER, Editor
Phone 43

Couple Honored on 25th Wedding Anniversary

Mr. and Mrs. Clint White were honored on the occasion of their twenty-fifth wedding anniversary Thursday evening, June 21, when their two daughters, Mrs. Don Drake and Barbara White, and their niece, Mrs. Moody Bursey, entertained friends at the Adelpian Club House with a 42 party.

The entertaining rooms were attractively decorated with red roses and other cut flowers. The dining room was especially pretty with the table decorations which followed the anniversary theme. The wedding cake was topped with a silver bell and was surrounded with pink and white

sweet peas. Sweet peas further added to the table attractiveness. A beautiful cut-work cloth covered the table.

In the games of 42, Mrs. A. Y. Beverly was high scorer for the ladies and T. B. Klepper scored high among the men. Mr. and Mrs. White were presented with lovely gifts in honor of the occasion. Both expressed their thanks.

During the refreshment hour, the guests were invited into the dining room where the bride and groom of twenty-five years ago, cut the cake which was served at quartet tables with frosted punch. Favors were tiny bags of rice, in pink net containers.

The guest list was composed of eighteen couples.

TRUSCOTT H. D. CLUB

Mrs. C. A. Bullion was hostess to members of the Truscott Home Demonstration Club Thursday af-

ternoon, June 28, in the basement of the Baptist Church in Crowell. Mrs. J. R. Brown presided over the brief business session. The remainder of the time was spent stenciling, each person having brought material with which to work. Some attractive bed room curtains, kitchen curtains, tea towels and luncheon cloths were finished during the afternoon.

The next meeting will be held on July 12.

Tea and Book Review Given by Ladies of the Christian Church

The ladies of the First Christian Church were hostesses to the ladies of all other church ladies' societies of Crowell on Wednesday afternoon, June 27, at the home of Mrs. R. L. Kincaid at which they presented one of their number in a book review. Mrs. John E. Long reviewed Sholem Asch's "The Apostle."

Mrs. Grant Slagle sang "Nesth the Old Olive Tree" as a solo. She was accompanied by Mrs. T. S. Haney.

The home was attractively decorated with cut flowers of the summer season. Mrs. Long presented the selected book in a pleasing manner which held her audience with interest. Mrs. Long was presented with a gift and both she and Mrs. Slagle were given corsages by the church ladies.

Following the book review, the hostesses served iced punch and cookies to approximately fifty ladies who responded to the invitation.

4-H Club Camp Held Friday and Saturday at Country Club Lake

A county-wide 4-H Club camp was held at Spring Lake Country Club Lake Friday and Saturday under the leadership of County Agent D. P. Eaton, who was assisted by Bob Abston. Mr. Eaton reports that this is the best county-wide camp that has been held since he assumed his responsibilities as county agent of Foard County. The camp ended Saturday after dinner.

There were fifty 4-H Club members from over the county who attended the camp. They were Joe Howard Williams, John Thomas Diggs, Jimmie Tom Carter, Joe Verne Walden, Charles McDaniel, Robert Carroll, Carl Schultz, Norman Shultz, Gordon Wood Bell, Billy Joe Halenack, Raymond Halenack, Billy Bond, Billy Spears, Ray Spears, Joe Glover, Don Gobin, Charles Wishon, Oran Carroll, Jimmy Rasberry, John Slovak, Jimmy Stinebaugh, Fred Barker, L. C. Gordon, Buford Wheeler, Lawrence Lee Payne, Robert Brock, Charles Pittillo, Floyd Borchardt, Wayne Borchardt, Fred Glover, John Potts, T. F. Black, J. B. Vanwinkle, Ginger Johnson, Billy Ray Davis, Mark Davidson, Clint Beatty, Glendon Johnson, James Pittillo, Frank Hinkle, Lawrence Hinkle, Charles Hudgens, John Sanders, Leon Pachack, Billy Abston, Bobby Roberts, Kenneth Fox, Glenn Norris Jones, Doyle Sparks and Herman Athey.

The boys had three meals in camp which were prepared and served by the boys themselves. They liked this plan and it provided an ample supply and variety of foods. Leaders were selected from the group who were responsible for the conducting of the camp. Orders were obeyed and the conduct of the large group of boys was excellent.

Appreciation for the use of the park and swimming pool was expressed and also for the excellent food donated by the Rotary Club which has been very active in sponsoring 4-H Club activities.

"These boys are learning to do things themselves, and are inspired by owning and caring for livestock, crops and gardens, and the use and handling of money," Mr. Eaton said, "and we count them among our very best friends."

Mr. Eaton wants to express his appreciation for the co-operation of the parents of the boys, the teachers of the schools where clubs are located, and to all others who have co-operated in putting over the 4-H Club program in the county.

WANT TO BE A MARINE?

U. S. Marine Corps will enlist 100 seventeen year old men during the month of July. Those enlisting now will serve for the duration and six months. Men who would like to go to duty at once may do so or can be placed on inactive duty for a period of thirty days. All men will take their "Boot Training" at Parris Island, South Carolina. Applicants should write or call at U. S. Marine Recruiting Office, 217 P. O. Bldg., Lubbock, Texas, enclosing their birth certificate.

School Days Are Over for Grads

It was a big moment in the lives of these tiny girls of St. Catherine, N. Y., as they stand in line, in their caps and gowns, to receive diplomas at a kindergarten graduating ceremony. Thousands of others are now receiving their diplomas from kindergarten, grammar and high schools or from colleges in every community of the nation.

Dr. George W. Cox Appeals to Texans for Co-operation

Austin.—"Environmental sanitation is the public health term for clean, safe housekeeping whether it applies to a private home and its surroundings or to towns and cities. Among other things, it insures safe drinking water, proper garbage and sewage disposal, the safe service of wholesome food including milk, rat and insect control, and general cleanliness of the premises. However, for environmental sanitation to be effective, it is essential that not only public health officials but the citizens living in their respective homes or operating establishments serving the public co-operate wholeheartedly with the local sanitation policy," declared Dr. Geo. W. Cox, State Health Officer.

"Consider, for example, the seasonal housefly hazard. It has been determined that 120 eggs are laid by a single female at one time and that a generation is produced every ten days at summer temperature. Thus, the possibility of reproduction during the warm months of a single fly runs into many millions. While the housefly does not bite, it is dangerous because it breeds and feeds upon both filth and food.

"Again, rats are the source of several diseases of man including plague, typhus fever, infectious jaundice, and trichinosis, to mention some of the more important ones. Homes can be made comparatively ratproof by removing rubbish and garbage accumulations, and by closing avenues of access. Approved poisons and traps should be employed when a real problem presents itself.

"Removal of containers of stagnant water such as tin cans and barrels will do much to eliminate the mosquito for householders. The householder needs to devote more seasonal attention to mosquito eradication than he is today if this is to be properly controlled.

"In general, good and thorough housekeeping, inside and out, is the personal and civic duty of every home dweller. It not only adds to the pleasure of living and removes disease hazards, but increases the appearance of one's surroundings."

Y. M. C. A. Planning Postwar Building Program in State

Texas Y. M. C. A.'s will spend more than \$765,000 for postwar construction and remodeling to meet changed community needs and demands for more co-educational programs, according to R. L. Rayburn, senior secretary of the national Y. M. C. A. building bureau.

Construction slated in Texas is part of a \$50,000,000 nationwide "Y" building program, he said, adding that figures for this state will be greatly increased as estimates of other projects are completed.

The swimming pools, more club rooms and a large general purpose room, all suitable for co-educational uses, are planned in most future "Y's," Rayburn said.

Dormitories are due for redesigning, according to Rayburn, who pointed out the "Y's" throughout the country last year had a bed-night occupancy of more than 24,244,000. Better materials and decorative schemes will be used and even dormitory shower rooms restyled. In showers tile will con-

Boy Scouts Giving Aid to Nation's Garden Program

Backing up President Truman's appeal for more gardens, the nation's Boy Scouts are embarked in a program to raise a half million gardens this summer. As the war is now centered in the Pacific, home front attention is centered on the growing food crisis here and abroad.

The Boy Scouts of America with its membership of 1,916,637 boys and leaders, are furnishing a substantial part of the additional manpower needed by farmers and commercial producers. Last year more than 300,000 Boy Scouts worked on farms, and several hundred thousand Boy Scouts and Cub Scouts had their own gardens. Many groups of Scouts went out from towns and cities on "day hauls" to work on farms, returning at night.

The National Victory Garden Institute has obtained General MacArthur's interest and is offering on his behalf a General MacArthur Medal to those Scouts who do an outstanding job with their individual gardens. Those winning this honor will need to successfully cultivate, care for, harvest and put to good use a reasonable variety of products from gardens at least 400 square feet in size.

The 400 square feet requirement was arrived at on the basis that it represents a big enough job to warrant special recognition and that it is a large enough garden to be a major factor in the Food for Freedom program. Each garden will be inspected by a competent adult and the awards will be made not for "best" gardens but on the basis of meeting the high standards. The medal is for individual Scout gardens only. However, Scouts in a Troop or Patrol working together in a common garden plot will be eligible for the Green Thumb Certificate, which may be presented to all Scouts who produce food this year.

There is one thing quite sure in regard to advertised goods, that they represent exceptional value. When concerns spend money to tell the public about something, one can be sure that it is an attractive bargain. The fact that they spend money to promote its sale indicates that they are confident the public will like this merchandise, and that it has exceptional value for the money asked.

The people who keep close watch of the advertising find constant opportunities to pick up bargains. Business concerns can feel sure that when they find exceptional bargains and offer them through advertising, the public will be attracted and will come in and buy the stuff.

Senator A. B. (Happy) Chandler recently appointed baseball czar to fill the vacancy caused by the death of Kenesaw Mountain Landis receives a salary of \$50,000 a year. As senator his salary was \$10,000.

United Clothing Drive Declared as a Success

Mrs. R. L. Kincaid, who served as Foard County chairman of the United National Clothing Collection drive for War Relief, is in receipt of a letter from Henry J. Kaiser, National chairman of the drive, congratulating her and Foard County upon the successful achievement of the clothing collection a pronounced success.

Foard County shipped 1,699 pounds of used clothing. Mrs. Kincaid announces. This amount has helped to achieve the goal of 150,000,000 pounds of good useable clothing possible. On May 28, the S. S. Gripsholm was loaded with a cargo of the clothing, the first of many shipments which will be made.

The contribution of the State of Texas to the drive amounted to 1,243,027 pounds. Mr. Kaiser expressed his thanks for the amount sent by Foard County and urged that it be extended to each and every person who had a part in the drive. Mrs. Kincaid, as local chairman, wishes to relay that appreciation and that of herself to the Foard County people who helped make the drive a success.

During 1944 the American Bible Society distributed 12,403,541 Bibles, testaments, gospels and other Bible portions. This was the largest distribution for any single year on record.

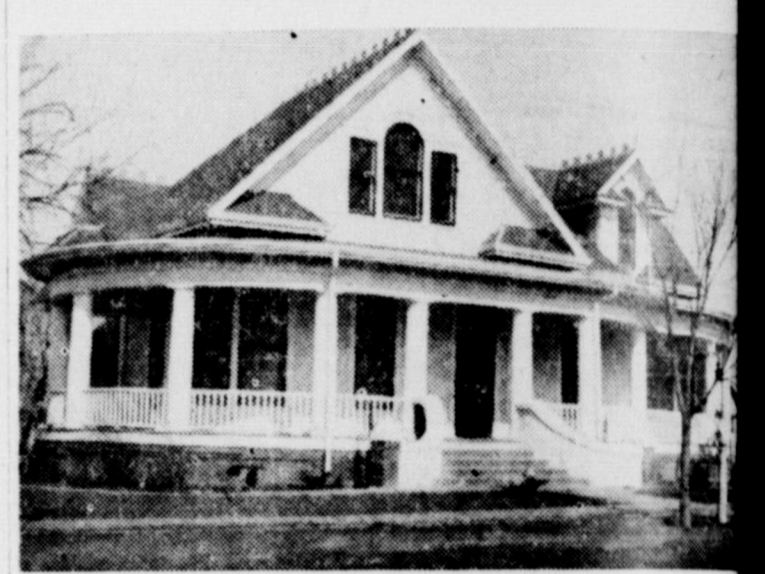

Wednesday night is the busiest night of the week at Geis Field, Ill., since the local Camp and Hospital Council began to furnish 150 girls, a military band and refreshments for a party every Wednesday. Decorations in the dining, sitting, recreation room in the psychoneurotic ward at Schick General Hospital, Camp and Hospital Council, in the hospital's therapeutic program by providing a homelike, military atmosphere for the "The Sky Shack" at Lowry Field, Denver, Colo., is a joint project of the Camp and Hospital Council which furnished it, the Camp Corps, which provides meals all hours, and the Army Air Corps.

The source of the St. Lawrence River is in the State of Minnesota.
