Veterans are not required to pay attorneys or agents for representing them in monetary claims against the Veterans Administration, VA said in answer to numerous recent inquiries.

Fees for such services, VA said, are payable only by the agency itself and are deducted from the monetary benefit due the veteran at the time the claim is allowed. Fees are fixed by statute at \$10 for an original claim and \$2 for claim to obtain increased benefits.

Any agent or attorney who charges or attempts to charge any veteran for such services is subject to penal provisions of the law in addition to loss of his accreditation, VA said.

Veterans going to school under provisions of the GI Bill can transfer to another institution without prior approval from Veterans Administration and still expect VA to pay tuition and assistance, VA said.

Veterans who plan transfers and still wish to receive educational benefits of the GI Bill must contact their appropriate VA regional office or VA training officer to obtain approval for the change and to insure their compliance on the subsistence rolls.

VA emphasized that in most cases there is no objection to veterans changing schools. In order to prevent delays in payment of subsistence allowances and to eliminate unnecessary paper work, VA must be notified in advance of any contemplated change.

Blind veterans, who have been issued equipment by Veterans Administration to aid them in overcoming their handicap, may now obtain minor repairs to this equipment without prior VA approval, Dr. Paul B. Magnuson, chief medical director, announced today.

Approximately 6,400 blind veterans are eligible for the new service. They are receiving VA prosthetic service cards, similar to those used by amputees to obtain immediate minor repairs to their artificial limbs.

By presenting their cards to any repair shop in any section of the country, blind veterans will receive, without delay, repair service up to a limit of \$20, without VA's prior approval.

More than a half-million World War II veterans in 1947 bought homes of their own with the aid of Government-guaranteed loans under the GI Bill, the Veterans Administration reports.

VA said 540,000 GI home loans were made to veterans during the year compared with 410,000 in 1946. This brings the total loans averaging \$8,200 each.

Eligible veterans, estimated to number more than 14,000,000, still have nearly 10 years in which to exercise their loan guarantee rights under the GI Bill. Real estate loans carry a Government guarantee of 50 per cent of the amount of the loan, up to a maximum guarantee of \$4,000.

One in every three World War I veterans has taken some form of education or training under the GI Bill or Public Law 16 since both laws went into effect, VA said.

Almost three-quarters of a million educational institutions and on-job training establishments have been approved by state approving agencies and VA to offer training to veterans under the GI Bill and Public Law 16.

E. B. GERMANY

E. B. Germany, above, well known Masonic leader, was recently elected president of the Texas Scottish Rite Hospital for Crippled Children. The Dallas hospital gave 5,000 free treatments in 1947 to crippled children for whom proper medical attention was otherwise unobtainable.

E. B. Germany Elected President Scottish Rite Hospital

E. B. Germany, prominent Texas businessman and Masonic leader, was elected president of the Texas Scottish Rite Hospital for Crippled Children at a recent meeting of the Board of Trustees in Dallas.

Nearly 5,000 crippled children from all over Texas received treatment at the hospital in 1947, according to the report made to the board by Asher Mintz, secretary.

In complimenting the hospital staff, Dr. Brandon Carrell, chief surgeon, pointed out that this number was more than twice the average of cases handled at six other similar crippled children's hospitals in the United States. More than 58,000 patients have benefited from the services of the hospital since its inception in 1924.

Nearly \$200,000 will be needed to operate and maintain the hospital in 1948, according to the secretary's report. It was emphasized that the institution is entirely dependent for funds upon donations and bequests, and offers the finest available treatment free of charge to crippled children who otherwise would find adequate medical attention unobtainable.

Young Children Need Protection Against Measles Epidemic

Austin.—With the incidence of measles more than three times higher than the seven year median, Dr. Geo. W. Cox, State Health Officer, has issued a statement concerning the use of gamma globulin for protecting very young or frail children from an attack of this perennial childhood disease and its often serious complications.

"If you have a child less than five years old who has been exposed to measles, your family doctor may recommend giving him gamma globulin, Dr. Cox advised.

"Through city, county or state health departments, doctors can obtain gamma globulin free, when parents are unable to pay. Infants and children, whose health makes it inadvisable for them to suffer an attack of measles, may postpone it by again in gamma globulin is administered within eight days from the time of exposure.

The State Health Officer emphasized the fact that gamma globulin cannot give a child permanent protection against measles and added that the protection against measles is ordinarily of about three weeks duration. However, there is no limit to the number of times it can be used, and a baby who is protected by it now can be protected by it again in June or July. Gamma globulin can go on shielding him against measles until he is old enough and strong enough to stand an attack without serious consequences.

During an outbreak of measles Dr. Cox said that it is well to keep children under five years of age, and more especially frail children, away from all other youngsters who might serve as sources of infection. Statistics show that ninety per cent of all measles deaths occur in children under five years of age.

Horse Sense Contest Has Five Winners

Mrs. Fern McKown, Charles Ferguson, E. W. Kidd Jr., Mrs. Nick Chatfield and Mrs. Frank Langston tied in the horse sense contest staged at the Rialto Theatre Tuesday night. The \$50.00 award was divided evenly among the five winners.

Crowell All-Star Cagers Won North Side Tournament

The Crowell Independent Basketball team won the Northside invitational tournament last week by defeating Vernon 63 to 35; Thalia 45 to 30; and Northside 37 to 35. The game with Northside was just as thrilling as the score indicates. Crowell was leading by three points at halftime, and by eight points in the third quarter. However, the Northside team, led by Mark Belew, former Baylor star, forged ahead by three points late in the fourth quarter. The Crowell boys scored five points in the last forty seconds to win the game by two points.

Crowell received a purse of \$40 as an award for the championship. The following seven players represented Crowell in this tournament: Gus Russell, Cotton Owens, Marvin Myers, Charles Nelson, Grady Graves, Clifford White, and Glendon Russell.

Soil Conservation News of District

Lower Pease River Soil Conservation District, Lower Pease River District Board: W. C. Howard, Grady Halbert, S. Z. Bailey, I. H. Brannon, Claude Orr.

Terraces are being constructed on Ed Mechell and H. L. Ayers farms. Both of these co-operators are in conservation group No. 6.

Approximately one and eight-tenths miles is being built on the Ed Mechell farm and two miles on the H. L. Ayers farm. In addition to the terrace construction on H. L. Ayers' farm, a waterway has been staked and will be built in the near future. This waterway is being built to handle the excess water draining out of the terraces. As soon as the waterway is built it will be sodded with Bermuda grass.

Terrace lines have been run on a part of the Henry Machac farm in conservation group No. 15. Construction of these terraces will begin in the near future.

During the past week 85 acres of Hubam sweetclover was seeded in this part of the district. A tank is being dug on the H. R. Borchardt farm. Mr. Borchardt is a co-operator in group No. 4.

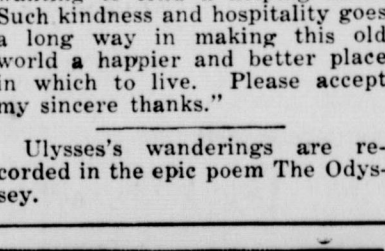

Letter of Thanks From Accident Victim

Mrs. L. W. Norman of Rule, who was injured in a car accident east of Crowell last week, writes the following letter to the people of Foard County:

"It was my misfortune to be in an automobile accident last week. It was my good fortune to have that accident take place in a community where neighborliness, friendship and true western hospitality reign supreme—the little city of Crowell, Texas. I want to express my gratitude and offer a word of praise to the friendly people of Crowell.

"I especially appreciate the cordiality of Mrs. Cassie Shievers and the entire hospital staff; Sheriff Ed Dunn, Patrolman McClung, Mr. Foster Davis, unknown cafe operators and waitresses and many others who were sincere in wanting to lend a helping hand. Such kindness and hospitality goes a long way in making this old world a happier and better place in which to live. Please accept my sincere thanks."

'AND ALL I ASK IS A TALL SHIP' . . . Swift and graceful as it cuts the waters off Miami Beach, the "Cyclone," Cuba's entry in this year's Lipton cup race, inevitably calls to mind the memory of Sir Thomas Lipton. Except for his tea, the amateur yachtsman asked for little but "a tall ship and a star to steer her by." Sometimes called the world's greatest sportsman, Lipton spent millions over a period of many years in an attempt to bring the yachting title to England.

Major Cause of Accidents Pointed Out in Booklet

The major causes of accidents are pointed out in an illustrated booklet which is being distributed to motorists by the Texas Good Roads Association.

In the authority of the Texas Department of Public Safety the following violation were listed as causing most of the traffic crashes in the state:

Disregard of traffic signs and signals, exceeding safe speed, drinking while driving, improper parking on highway, driving on the wrong side of the road, right of way violations, improper turning movements, improper passing.

"It is not difficult to drive safely," the Good Roads Association points out in its booklet, continuing:

"It simply means using common sense and courtesy. Realizing where danger lurks and driving defensively, which means keeping out of the other fellow's way."

Announce New Program For 4-H Club Members

"How can we best apply our leisure time?"

That query from farm youth throughout Texas has brought an answer in the form of a 4-H recreation and rural arts awards program. Designed to promote group action, the program promises to be a decided influence in community spirit.

Activities encouraged include 4-H members forming outdoor or indoor sports teams, quartettes, orchestras, bands; presenting one-act plays, or pageants, and hiking, camping or picnicking. In rural arts and crafts, members' handiwork in drawing, painting, carving, collecting leaves or some other hobby, may receive recognition at state exhibits.

A blue ribbon will be presented to each local 4-H Club determined by the county extension office as having conducted a recreational program worthy of an outstanding rating. A \$25.00 cash award will be provided to each county naming a blue award group of 4-H Clubs. In rural arts and recreation equipment.

Individual efforts to get club members together in carrying the recreational activities will also receive recognition. Two 4-Hers excelling in recreational leadership in each of the four extension sections will both receive an educational trip to the 1948 National 4-H Club Congress in Chicago.

All awards, in addition to funds for training clinics at which specialists will instruct local 4-H Club leaders in recreation and rural arts, are provided by U. S. Rubber Co. The leaders in turn pass the instruction on to their club members.

County extension agents will furnish full information regarding this new program.

The census bureau reports that the average income of non-farm families in this country during 1946 was about \$3,000. The average for individuals not living with families was \$1,100. The bureau reports.

Trial of Henry Durham Being Held in District Court

Selection of a jury for the trial of Henry Durham for the alleged murder of John Scissions was completed Tuesday afternoon and the taking of testimony was started immediately in district court with Judge C. Y. Welch presiding. Durham was indicted by the grand jury in session last week.

District Attorney R. R. Donaghey is being assisted in the prosecution by Foster Davis, local attorney. The defense attorneys are John Story and Jesse Owens of Vernon.

Taking of testimony was expected to be completed before adjournment of court Wednesday afternoon.

Campaign to Raise County's Red Cross Quota Opens Mar. 1

The campaign to raise Foard County's Annual Red Cross quota was started Wednesday evening with a kick-off meeting featuring a banquet at the DeLuxe Cafe for Red Cross officials and workers in the campaign.

With Hubert Brown as county chairman and Alton Bell as county fund drive chairman, the campaign opens Monday, March 1. Foard County for many years has been one of the first in the nation to reach the goal. Chapter officers are Hubert Brown, chairman; Margaret Curtis, secretary-treasurer; George Self, disaster preparator; Alton Bell, fund chairman; and Mrs. T. B. Klepper, publicity.

Community chairman for the campaign are Richard Ferguson, Crowell; Mrs. Clyde Bowley, Vivian; Glen Jones, Good Creek; Geo. W. Davis and R. L. Pechacek, Black; Gerald Knox, Four Corners; W. E. Bradford, Margaret; Mrs. T. E. Lawson, Bayland; Monroe B. Karcher, Riverside; A. B. Wisdom, Thalia; A. W. Barker and Roy Ferguson, Foard City; Karl ten Brink, Texaco Plant; C. W. Barker, Claytonville.

John Rasor, charter member and past president of the Crowell Rotary Club, was a visitor at the Wednesday meeting held at the DeLuxe Cafe at 11:30 o'clock. A program was not rendered on account of lack of time.

Bob Edwards, high school junior Rotarian, completed his three months attendance at this meeting. Carol Cato has been chosen as the junior Rotarian for the next three months and will begin his attendance next week.

The Veterans Administration reports that it has approved more than 85,000 business loans to veterans totaling 273 million dollars in the two years the loan program has been operating. During this period 10,886 loans totaling \$23,157,600 have been repaid in full. 6,723 loans have been defaulted. The average loan was \$3,200.

BUY'S HOME IN CROWELL

Rev. Charles Powell of Rule has bought the J. C. Thompson home in Crowell from the Thompson estate. Rev. and Mrs. Powell expect to make their home in Crowell when he retires as a Baptist minister. They are well known in this community, having visited here many times. They own a farm on Pease River.

Mr. and Mrs. Walford Thompson and children, who were living in the house, have moved to their farm north of Crowell.

Three-fourths of the federal acres paid, income, excise, etc., will go for war or for national defense, or for the direct aftermath expenses of war, including interest on the war debt, veterans, and the post war foreign aid. We should think of this before we rush headlong into another war.

Crowell High School Will Play Hard Baseball in Spring; Six 9-A Teams to Play Double Round Robin Schedule

Crowell High School will play hard baseball this spring for the first time in twenty years. The Interscholastic League Bureau has ruled spring football out and most of the High Schools of the state will have baseball. Six teams of

District 9A will play a double round-robin schedule beginning in April and last through May 11th. The Wildcats will play four practice games with Paducah and Quannah.

The business men of Crowell have purchased about \$400.00 worth of equipment to start the High School team off. This includes fourteen new uniforms that will be here before Crowell's first game.

Coach Scott Whitaker and Superintendent Grady Graves have been working the following twenty-nine boys out for the last several days: Billy Earl Lynch, J. P. Bartley, Thomas Tamplen, Clifford Ohr, Bob Edwards, Jon Sanders, F. L. Ballard, Dale Everson, Marvin Briscoe, Floyd Borchardt, Bob Johnson, Grover Yocham, Mark Hill Taylor, Rouse Todd, Billy Johnson, Jimmy Rasper, Buford Wheeler, Jack Henderson, Wayne Lindsay, Bob Brock, Jack Stinebaugh, Richard Wood Bell, Hack Norman, Jim Tom Cates, Billy Joe Halenack, Kenneth Polk, Charles Wishon, and Melvin Newland.

Frank H. Crews Died Suddenly Monday Afternoon

Funeral Services Held at Christian Church Wednesday

Frank H. Crews, resident of Foard County since 1906, passed away suddenly in his car in front of Curtis Ribble's residence about 5 o'clock Monday afternoon. Although he had not been in good health for several years, his sudden death came as a shock to relatives and many friends.

Funeral services were held from the First Christian Church Wednesday afternoon at 2:30 o'clock, conducted by Rev. H. J. Howard, pastor of the First Christian Church of Quannah, assisted by Rev. D. D. Denison, pastor of Crowell Methodist Church.

A special song, "Beyond the Sunset," was sung by John Rasor of Vernon and Mrs. C. W. Thompson and Mrs. T. B. Klepper sang "In the Garden" as a duet. All songs were accompanied by Mrs. A. L. Rucker.

Pall bearers were Doyle Kenner, Alton Bell, John E. Long, Jim Cates, Hubert Brown and Earl Davis. Miss Carmen Whittis, Mrs. Alton Bell, Mrs. Gordon Bell, Mrs. Jim Cook, Mrs. Jim Cates, Mrs. Roy Steele, Mrs. Henry Borchardt, Miss Frankie Kirkpatrick, Miss Thelma White, Mrs. Earl Davis and Mrs. Doyle Kenner, served as flower bearers.

Interment was in Crowell Cemetery with Womack Funeral Home in charge.

Mr. Crews was born Sept. 15, 1873, in Fayette, Howard County, Mo., in the old family home where his father was born. On Oct. 11, 1898, he was married to Miss Bertha Winn of Fayette. Three children were born to this couple, two sons and one daughter, all of whom survive and arrived in Crowell as quickly as possible after their father's death.

Mr. and Mrs. Crews moved to Foard County from Missouri in 1906. Previous to that time they had lived in South Texas for some time but had moved back to Missouri. They lived on their farm on the highway east of Crowell as long as his health would permit. About five years ago they sold the farm and bought a home in Crowell, one block east of the square where they had since resided. Aside from his farming activities, Mr. Crews was a partner in the Crews-Long Hardware Store in the late nineteen and twenties.

Mr. Crews was a good man and possessed all the qualities of a good citizen and was highly respected and loved by all who knew him. He was a charter member of the First Christian Church and had been an active official in the church over a long period of years.

Survivors include Mrs. Crews and three children, Frank T. Crews of Amarillo, Paul C. Crews of Midland and Mrs. Miles M. Hart of Fort Worth; five grandchildren, Miss Genelle Hart of Fort Worth; F. T. Jr. and Paul Pat Crews of Amarillo, and Paul Jr. and Lana Jane Crews of Midland; two brothers, Sam and Guy Crews of Crowell; three sisters, Mrs. Charlie Smith of Rogers, Ark., and Mrs. Rob Cooper and Mrs. J. A. Whitfield, of Crowell.

Out-of-town relatives attending the funeral were Mrs. Elmo Malsinger and Sam Smith of Kirk, Colo., niece and nephew of Mr. Crews.

Farm Bureau Meet Held in Wichita Falls Last Week

The Texas Farm Bureau held a district meeting in Wichita Falls Wednesday of last week, Feb. 18, with a large number of Farm Bureau members from Foard County in attendance. There were 304 people attending the meeting from thirteen counties. There were twenty-nine from Foard County, including the president of the Foard County Farm Bureau, C. C. Ribble, and other officials.

The purpose of the meeting was to bring to the Farm Bureau members the status of agriculture in the nation today. Plans for a future farm program were discussed and the holding of the party that now exists for 1948, 1950, 1951 and 1952.

Emphasis was placed on the fact that farmers must be stronger to have a workable farm program. Every effort will be made to strengthen the Foard County Farm Bureau. A membership drive will start March 2. A membership workers meeting will be held Monday night, March 1, at 7:30 p. m. in the district court room.

Farm Bureau officials who spoke at the Wichita Falls meeting were R. G. Arnold, regional organization director, of Arbut, Ala.; Dave Mecher, executive vice president Southern Farm Bureau Life Insurance Co., Jackson, Miss.; J. Walter Hammond, president Texas Farm Bureau, Tye, Texas; Marvin Carter, organization director of Texas, Waco, Texas.

Two Women Badly Injured in Traffic Accident Friday

Two women were seriously injured in a traffic accident which occurred last Friday afternoon near the concrete bridge east of Bob Abston's home. The injured were brought immediately to the Foard County Hospital in Crowell by the Womack Funeral Home ambulance. They were Mrs. Edward Williams of Wichita Falls, whose throat was badly cut, and Mrs. Cora Petty of Swenson, who suffered a back injury. Mrs. Petty was taken to her home in Swenson Tuesday, but Mrs. Williams is still in the local hospital.

Several cars were involved in the accident which was started when cattle crossing the road caused the cars to bump into each other.

2nd and 4th Tuesdays Are Set to Apply for Old Age Assistance

The State Department of Public Welfare will accept applications for old age assistance, aid to the needy blind and aid to dependent children from 8:30 a. m. to 12 noon on the second and fourth Tuesdays of each month, it was announced here Tuesday by Jas. M. Hudson, field worker from Vernon.

Anyone who wants to consult Mr. Hudson concerning public assistance will find him in the basement of the court house on these days.

Be Quick To Treat Bronchitis

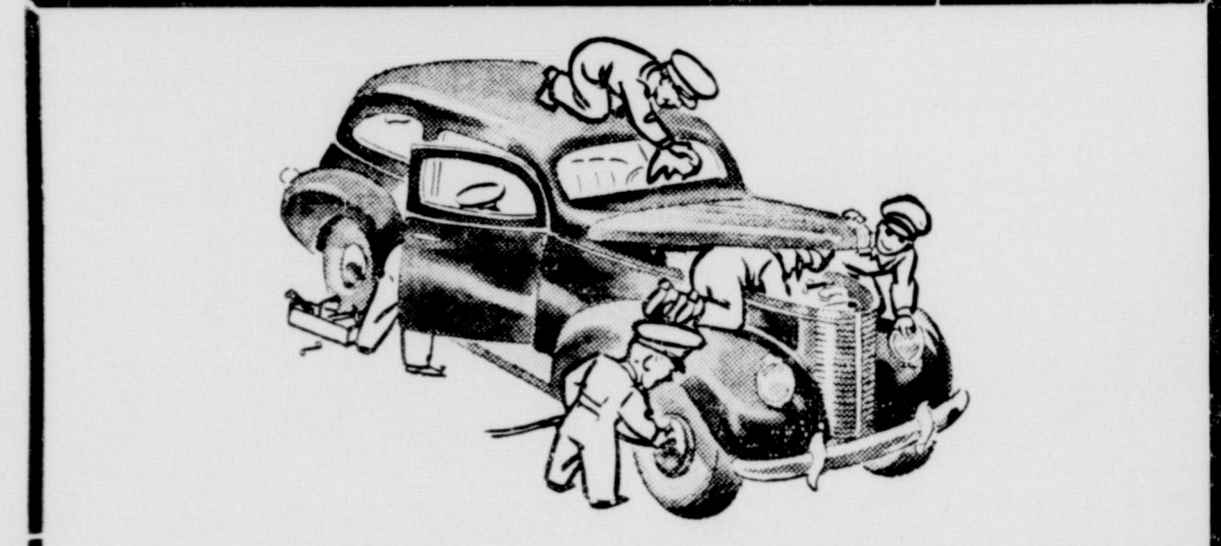

Chronic bronchitis may develop if four cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

What We Think (By Frank Dixon)

Though I am one of those who will be affected by the break in mounting prices I confess that I have not the slightest idea as to what happened the other day that caused commodity prices to begin to slip.

Even the experts who usually come up with an explanation of some sort seem stumped. They are not even attempting to make a guess as to the cause.

30 YEARS AGO IN THE NEWS

News items below were taken from the issue of the Foard County News of Feb. 22, 1918:

An exhibition of farm products will be held in Crowell during the fall of 1918 for the boys of the agricultural clubs of the county under the leadership of W. C. Orr, new farm demonstrator.

Rev. Paul J. Merrill delivered a patriotic address at the Christian Church Monday evening to a large audience. Rev. Merrill had some very interesting data sent to him concerning the horrible crimes committed by the Germans in Poland and Belgium.

Mr. and Mrs. W. L. Ricks were in Chillicothe Sunday.

Pvt. Harry Beldeman came in Wednesday from Camp Bowie to visit his parents, Mr. and Mrs. C. W. Beldeman.

Mrs. B. F. Ringgold and daughter, Miss Minnie, visited Howard Ringgold, who is training at Ft. Sill, Okla., this week.

Mr. and Mrs. John Thompson have a new boy in their home born last week.

Mr. and Mrs. C. M. Church of Fort Worth announce the marriage of their daughter Susan May, to John Franklin Clifton on Feb. 14.

Shoe leather is high. Save it. Phone your groceryman to put your bill of groceries on Stovall's "quick service" car.

The Government is calling for laborers to help build ships. G. A. Mitchell, president of the County Council of Defense, says skilled laborers are needed for this work, but none are barred.

Dr. J. M. Hill exhibited some of his thoroughbred white face cattle in Crowell Saturday and it was the first opportunity the people had had of seeing these fine cattle.

ANOTHER PAYROLL TAX?

The proposal that an additional payroll tax be imposed on the income-earners of this country to start building a fund for national, compulsory health insurance, poses a number of important questions.

The initial tax would be set at one per cent of individual income up to \$4,800 per year. That is admittedly insufficient, and would have to be increased to at least 4 per cent and perhaps more.

Going further, is there any real need for compulsory health insurance? The fact that something like 40,000,000 people now have low-cost, voluntary protection, and that the membership in the Blue Cross and other plans is rapidly growing, certainly indicates that the answer is negative.

Last, despite the denials, the verdict of history is that compulsory health insurance is just a prelude to the eventual socialization of medicine and related services. Bureaucratic government never goes half-way—it operates on the all or none principle.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending February 14, 1948, were 22,899 compared with 25,567 for same week in 1947.

Cars received from connections totaled 10,284 compared with 10,663 for same week in 1947. Total cars moved were 33,183 compared with 36,230 for same week in 1947.

Santa Fe handled a total of 34,897 cars in preceding week of this year.

Garson Offers Searing Portrayal As Colorful Heroine of 'Desire Me'

Once again Greer Garson clinches her title of the Screen's First Lady with her distinguished playing of a powerful emotional role in "Desire Me," the exciting M-G-M drama to be shown at the Rialto Theatre March 3 and 4.

In one of the most touching and poignant portrayals of her career, Miss Garson essays the role of Marise, a French girl in a small fishing village, who mourns the soldier husband Paul, who has been announced as being dead. When she is abruptly confronted by a stranger, Jean Renaud, who is determined to fill the void left by Paul and who fascinates Marise by his knowledge of the most intimate details of her married life, the dramatic impact of a turbulent plot first makes itself apparent.

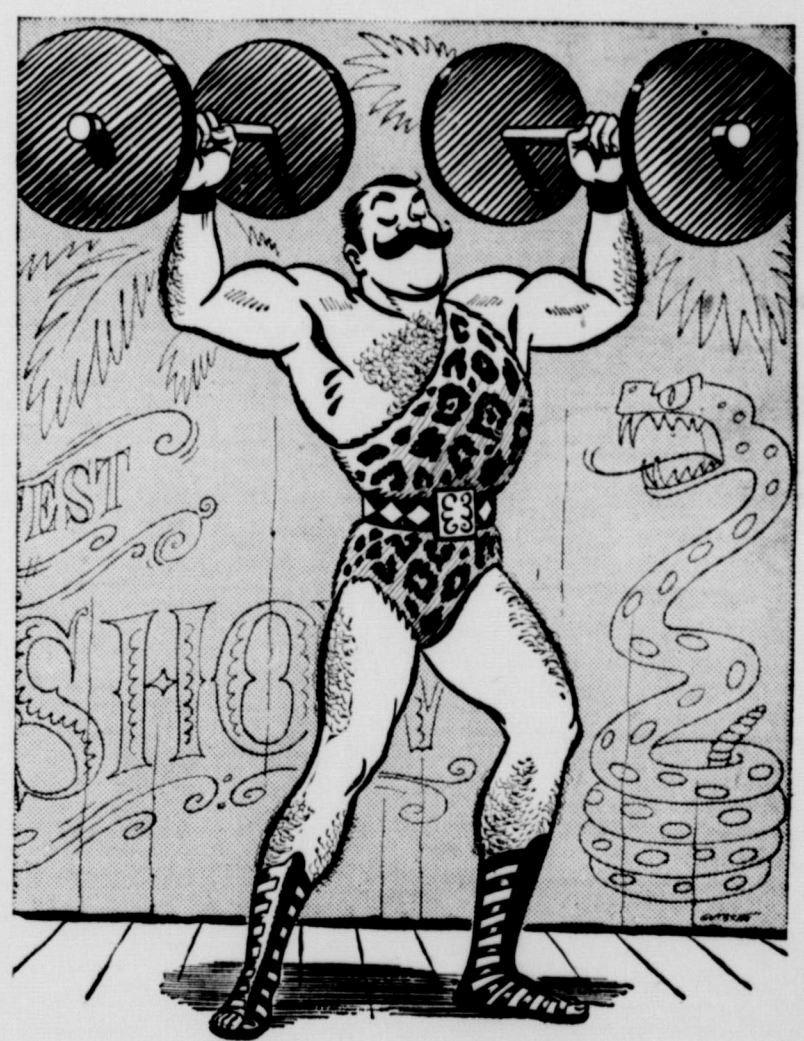

It is not long before Marise discovers that Jean had been a fellow prisoner of her husband, and that the latter had revealed so

BUY YOUR SERVEL GAS

Refrigerator

NOW BEFORE HOT WEATHER GETS HERE

Some things you should know about the Servel
Gas Refrigerator:

Description—The silent Servel Gas Refrigerator op-
erates on a simple, continuous absorption principle which
eliminates the necessity of moving parts in the freezing
system and requires only a small gas flame for energy.
Since there are no moving parts in the freezing system,
noise is eliminated, wear and maintenance are re-
duced to a minimum, and operating efficiency remains
constant.

Natural, manufactured or liquefied petroleum gas
may be used for fuel. The gas flame is thermostatically
controlled. If, for any reason, the gas flame should be
extinguished, a safety device prevents further flow of gas.

Cabinet Construction—Outer shells are of heavy
gauge steel with rounded corners. "Fiberglas" insula-
tion is built into all sides, top and bottom. Doors are sim-
ilarly insulated and are equipped with rubber gasket to
minimize leakage.

Finish—Exterior is finished in newtone, a lustrous
baked enamel which is stain-resistant and will not chip,
crack or craze.

Interior finish is stain-resistant porcelain enamel.

All exterior hardware is chromium plated.

ERATOR ON THE FLOOR. WE HAVE THE SIZE

THIS IS YOUR SCHOOL

Crowell High School is an example of a type of school found all over America, the consolidated school. A consolidated school is one made up of the children of several different communities. Quite often, as in Crowell, the number of out-of-town students exceeds the number of students from the town where the school is located.

It has been decided that a few good schools are better than several poor schools. There are arguments for both sides of the question. Pupils who were ignored in their former schools suddenly shine in the new larger school. Pupils who were leaders in their home communities are suddenly not as important as they once were. In a large school there are fewer leaders. This makes it hard upon those who have been pushed into the background.

Jealousy between the students of the different communities is one of the hardest things to get rid of. Jealousy can ruin a school's spirit and prevent co-operation and friendship among the students. The government of a school should be put in the hands of the most capable students. This is why it is best not to elect officers until the new students have become acquainted with each other.

Friendliness is the keystone to a good school spirit. If the students are unfriendly toward one another, how can they be really loyal to their school? It is not too much to ask of you to be loyal to your school. You should be loyal to your home also, but why should the two loyalties conflict. Loyalty to your home and loyalty to your school should mean the same thing. Even if you live in another town, the school which you are attending is the school provided for you by your community. Crowell High does not belong to any one town, but is supported by all the communities that send their high school pupils here.

Crowell High School is supported by eleven communities including Margaret, Truscott, Crowell, Foard City, Thalia, Gambleville, Black, Vivian, Riverside, Good

Creek, Claytonville, and Four Corners.

This is your school and you are an important part of it. Show your pride in it by helping in every way you can. Attend basketball, football, and other games. Go to your class meetings and parties. Let people know that your high school is a good one and you are proud of it.

IT'S WORTH PROTECTING

"Next case!" thundered Judge CHS of the Honesty Court.

A policeman led a group of students up before the judge's stand, nice looking group of students. "What are the charges?" demanded the aging judge, kind on the inside, but cross as a bear on the outside.

"Dishonesty, your honor," answered the policeman.

The judge lifted his glasses and peered down at the students. "Hump," he muttered.

"You see, your honor these students were taking six weeks' exams last week. It seems they had had extra important dates the night before and didn't have time to peek into their lessons. Just their luck, so they thought, a good student sat next to them. Mary or Joe. As the teacher turned his back they quickly copied down the answers."

The judge's wrinkled face scowled. "This condition is not only on six weeks and three weeks exams but also on daily tests. I suggest these students be punished to the full extent of the Honesty Court."

Excited murmurs arose from the boys. "Order! Order! Order! in the court!" yelled the judge, pounding his worn gavel on the stand. "Guilty or not guilty?" he asked. "Guilty," said the students.

"Well, then," he said, "do you promise to forever hereafter to practice the honesty that is the custom of CHS and is at all times encouraged by Mr. Graves?"

"Yes, your honor," chanted the students in unison. "All right," said the judge, remember honesty is one of the greatest qualities of CHS. It's worth protecting."

"Case dismissed."

FASHIONS FOR BOYS

The girls have been getting all the fashion notes this year. We have decided that it is time for the boys to get a chance to get into the fashion column.

It is not hard to guess the kind of favorite trousers among CHS males; it is Levis. We suspect that they object to the girls wearing Levis because that leaves them without any! Those who

have been seen sporting Levi suits are Hack Norman, "Red" Rasberry, and Vernon Jones. Vernon adds color to his with high, Mexican top, green and brown boots. Three boys having handsome plaid wool shirt-jackets are Marlon Bailsy, Doyle Sparks, and Clifford Orr. Doye one seems to like plenty of color in his socks. We especially liked Leon McNeese's baby blue socks. Bob Johnson seems to prefer wine colored socks. Grover Yoeham was wearing a green sport shirt and Ham Tamplen a yellow one. Naturally we couldn't write a column like this and not mention all those beautiful football and basketball jackets and sweaters. Almost as many girls are wearing jackets and sweaters as there are boys!

SENIOR DAY

Seniors who worked for the following business men Saturday and who appreciate very much the opportunity for adding to the Senior Day Fund were:

- Mary Norman—Sheriff's office.

LIBRARY RULES

During this school year several books have been misplaced in the CHS library. There are rules for this department of our school just as there are in other departments. Students, please abide by these rules and help not to lose books.

The following is a list of the rules:

1. No person is allowed to have out more than one book at a time.
2. No person is allowed to take a dictionary or encyclopedia from the study hall.
3. Dictionaries and encyclopedias may be checked out for only one period at a time and a fine of five cents per period will be charged for those kept over-time.
4. No person can check out a book when they owe a fine.
5. A fine of five cents per day will be charged for books overdue.

The librarians are asked to please enforce these rules and if a student insists on breaking the rules, he will be barred from the use of the library.

ENGLISH STUDENTS ENTER CONTEST

The English students of CHS are participating in an essay contest sponsored by the Fort Worth Press. The subject is "What Soil Conservation Means to My Community." The essay is supposed to be at least two hundred words long. The contest for this school will end on Friday.

Soil conservation is very important to everyone. The topsoil which took hundreds and thou-

sands of years to make has been worn down by poor farming and ranching. Soil conservation is an interesting subject and a very interesting essay may be written on the subject. Students entering the contest may obtain information from the school or county library, the Vocational Agriculture room, and from County Agent Burkett at the court house.

THE SPOTLIGHT'S ON

What tall boy of CHS wears glasses and is a member of the senior class? That is Carol Cato, a true C. H. Site who lives at Thalia.

Standing exactly five feet eleven inches high, Carol has brown hair, blue eyes, and is sixteen years of age.

His net peeve is people getting the "high hat" over good grades. Carol says his ambition is to graduate from CHS and have a "whale" of a time on the senior trip!

Esther Williams is his favorite actress and Cornel Wilde his favorite actor. "Now is the Hour" rates top on his hit parade of song hits.

Carol prefers bookkeeping to all other studies, and as a pastime he chooses "just fooling around."

Come next May when Carol receives a certain piece of paper and bids farewell to the "dear ole' halls" of CHS, his plans are undecided as yet.

Until then if you take a peek in one of the business houses of Crowell, he can be seen "slaving" for the senior class while a vision of the time he plans to have on the senior trip flashes before him.

OUR BASKETBALL OFFICIAL

Houston Adkins has officiated at the CHS basketball games for the last several years and is recognized as one of the best basketball officials in this part of the state.

He has also officiated at games in Vernon, Five-in-One, Oklaunion, and Harrold High Schools. He also calls many games for independent teams.

Houston is an even-tempered individual, fair in his decisions, firm in his convictions, and has a commanding personality.

He attended both Riverside and Thalia schools, having graduated from Thalia High School in 1935. He later attended DeCATur Baptist College. He was an outstanding basketball player to each of these schools.

HOME EC. NOTES

Thursday, February 19, the F. H. A. Club met in the Home Economics room. After being served a delightful dinner of meatballs,

spaghetti and cheese, lettuce, and cokes, the members were entertained by a program in which four Future Homemakers of America, Mary Norman, president; Jacquelyn Wesley, historian; Clara Jones, secretary; and Emily Kajs, were presented with small keys as symbols of the Junior Homemaker degree. This degree is a symbol of the fact they have fulfilled certain requirements of the F. H. A. The next meeting will be held March 18.

H. E. I girls are learning how to cook better meals, H. E. II students are beginning to finish their dresses, and the H. E. III class just had their six weeks' test. They are planning a field trip to several homes this week.

WILDCAT PURRS

Why all the glum faces this week? It could be because we had six weeks' test last week and because we didn't make so well on them also!

Anyway, here are a few questions we'd like answered: Are James Weathers and Frankie Mabe really serious?

Were Myra and Iris really chased by someone Thursday evening?

Why does "Butch" Biggerstaff come into fourth period study hall so much?

How do the Thalia kids always manage to have so much fun? Mildred, this is "48," or hadn't you heard?

One question we know to be true is that Laverne James is still true to Harley Hopkins.

Walter Caddell, who is it now? Is the Abston and Bell case really serious?

Bobbie Abston and Gordon Bell, J. P. Bartley and Mary Rader, Jimmy Tom Cates and Frankie Mabe and Pat Rhodes.

Seen somewhere between Quannah and Vernon Saturday night were Dorothy Thompson and Thomas Whittimore, Imogene Moon and David Bowley, J. C. Thompson and Mary Johnson. What a blowout!

Something old—Myra Self and Clifford Orr.

Something new—Violet Rummel and Billy Earl Lynch.

Something borrowed—Notes on six weeks' exams.

Something blue—Jean Gamble. Notice—if you have anything you just can't keep, jot it down and drop it in Locker 29 for our Wildcat column.

See ya, next week, The Cat's Tail.

HERE'S THE MUD AND SNOW HUSKY THAT "DIGS YOU OUT"

CO-OP BAR LUG

Here's the tire built to "dig you out" when the going gets tough instead of dig you in. This Co-op mud and snow husky features an open tread design that kicks out clogs with every turn of the wheel. Stocky shoulder buttresses give extra traction, prevent side slips. And non-directional lugs provide excellent forward and backward traction.

Come in now and see this great tire. It's backed by a liberal CO-OP Warranty.

AVAILABLE FOR TRUCKS, TOO!

The Co-op Bar Lug Heavy Service truck tire gives you extra tread life and extra mileage, plus forward and backward traction, and shoulder traction to block side slips, and positive self-cleaning action.

World Mission of Church
Lesson for February 29, 1948
JOHN WESLEY said, "The world is my parish." Many another Christian has entertained this great concept, and that is precisely what Jesus wants us to understand concerning the sweep and scope of his Kingdom.
Sunday's lesson brings us to consider three great passages — Acts 16:9, 10; Romans 10:8-15; Ephesians 3:8-12. Read these carefully, and you will feel the winds of God lifting up the flaps of the tent of your small habitation until you will catch glimpses of the far horizon.

There is no backyard definition of the mission of the church in these great words of Jesus. Just as Paul was summoned to cross over into Europe with the Gospel, so are we commanded to make Christ known to all lands. He loves everybody.

"Jesus loves the little children,
All the children of the world;
Yellow, brown, or black, or white,
They are precious in his sight,
Jesus loves the little children
On the world."

REACHING THE WORLD
Just as Paul went from one land to another, so may every Christian boy and girl do. Each church can reach out hands of blessing to all the world.
How? Through our gifts. Our gifts for missions, joined with the gifts of all the other members of our local church, joined with the gifts of many other churches, go out in multiplied blessings through the missionaries to make Christ known around the world.
How? Through our prayers. As we pray for the redemption of the world, we fortify the missionaries—teachers, doctors, preachers—in all the parts of the world.
How? Through our sympathetic understanding of the conditions under which people live in other lands. Just now we are giving clothes and food to help the stricken peoples of the war-ravaged lands. These gifts of material things bear their message of our Christian concern for all who suffer. Thus we are extending the reach of our individual lives and the reach of our churches to the ends of the earth.

PUBLISHING SALVATION
"How beautiful upon the mountains are the feet of him that bringeth glad tidings, that publisheth peace... publisheth salvation," Isaiah 52:7.
The world mission of the church is here pictured in the exquisite language of the ancient prophet, with which words we may link the declaration of the great apostle, "For whosoever shall call upon the name of the Lord shall be saved." Romans 8:13.
Publishing salvation is the chief task of the church of the Lord Jesus Christ, and the objects of this universal message are the souls of all men. There is universal need, and here is the adequate and available answer.
See how this conception of the world mission of the church brings into focus the one hope for civilization. The only voice that carries across the barriers of this troubled world is the voice of salvation through Jesus Christ. Let that word be sounded in any spot on this earth, and some waiting heart will be lifted up.
THE UNSEARCHABLE RICHES
And what are we to say about the message we have to publish? Paul puts it well in Ephesians 3:8-12, when he declares:
"Unto me, who am less than the least of all the saints, is this grace given, that I should preach among the Gentiles the unsearchable riches of Christ."
In another place we read about the "unspeakable gift of God," II Corinthians 9:15. The message, then, is one of unsearchable riches, and unspeakable gift.
In this message is healing for the peoples of the earth. If the true mission of the church is understood and voiced in all of the ways by which the Gospel may today be given to the world, we shall see the fulfillment of the dreams of the prophets, and the angels about the throne of God will shout for joy.
As Paul changed his course in the long ago, heeding the Macedonian call, so may we today find ourselves turning about in our response to the Holy Spirit's leading; but let us not be afraid so long as we are sincerely seeking to publish glad tidings to all men.

Home Demonstration Council Meets Feb. 21

The Home Demonstration Council met in the office of Miss Whittis, Home Demonstration Agent, on Saturday afternoon, Feb. 21. Mrs. J. C. Prosser, Home Demonstration Chairman, presided over the meeting. Mrs. Charlie Bryson read a letter from Miss Elizabeth Elliott, former Home Demonstration Agent and Mrs. Hugh Shultz read a letter from Mrs. Almonrod.

Three committees were elected. The marketing committee is composed of Mrs. E. V. Halbert, Foard City; Mrs. Earl Davis, Gambleville; Miss Myrtle Fish, Vivian, and Mrs. Bax Middlebrook. The recreation committee is composed of Mrs. Robert Long, Thalia; Mrs. S. E. Tate, West Side and Mrs. Arthur Sandlin, Vivian. The 4-H Club committee is composed of Mrs. Darwin Bell, Vivian; and Mrs. John Teague, Crowell.

The birthday calendars are available and may be had by calling at Miss Whittis' office.

Son of Former Residents Weds on February 14th

Miss Mary Jaunice Wilkinson, daughter of Mrs. Pearl Wilkinson of Matador, became the bride of Walter T. Ross Jr. of Flomot in a double ring ceremony performed at the First Methodist Church in Grand Prairie on February 14th with Rev. James E. Jones officiating. Mr. Ross is the son of Mr. and Mrs. W. T. Ross of Flomot, formerly of Willow, Okla. Both mother and father are former residents of Margaret.

The bride's costume was a white woolen street length dress with which she wore brown and gold accessories. She wore an orchid corsage.

Mrs. W. R. Coffey of Grand Prairie and Miss Jessie Parsons of Dallas were bridesmaids. Ray Coffey was groomsmen and Jim Ross of Dallas, brother of the groom, served as best man.

Mrs. Ross graduated from Matador High School in 1946. She

attended Texas State College in Denton, also Texas Technological College in Lubbock. Mr. Ross graduated from High School in Willow, Okla., in 1940, and attended Mangum Junior College. He served three years in the U. S. Army, a part of which time was spent in the E. T. O.

Following the ceremony the couple left for a short wedding trip. For going away Mrs. Ross wore a brown gabardine suit with matching accessories. They will make their home at Flomot where Mr. Ross will be engaged in farming.

FOARD CITY W. S. C. S.

On Monday, Feb. 23, members of the Foard City Woman's Society of Christian Service met at the church. Mrs. Jack Welch opened the program with a piano solo "Sunrise Tomorrow," after which the group sang "Jesus is a Friend of Mine." Mrs. Grady Halbert led in prayer and Mrs. Allison Denton led the worship service. She previewed the incidents just prior to the granting of the Ten Commandments to Moses, read the commandments and told the story of the breaking of the first tablet. In Jesus teaching, the necessity of keeping the law is stressed over and over. "It seems that the law concerning the keeping of the Sabbath is broken more often and by more people than any other commandment," said Mrs. Denton. The public conscience must be quickened to the sacredness of the day for no legislative action prohibiting certain forms of amusement on Sunday can make people good. The true observance of the Sabbath will come only when the people want it.

Bringing another chapter of "Great Prayers of the Bible" Mrs. Virgil Johnson told of events in the lives of Jesus' disciples after the Crucifixion. It was not a lack of faith which troubled the disciples at that time; theirs was a need of forceful effort to put into action the plan of salvation through the teaching of Jesus' word. Their prayers were answered by the Holy Spirit and today's Christian prays with faith that God will be with him, no matter to what depths of despair or to what heights of ecstasy his prayer may reach.

A guest, Mrs. V. M. Newland, brought a most interesting discussion of her experiences in Tibet, "the top of the world." She told of the arduous trip upcountry by primitive means, of the filth and ignorance and superstitions of the people of Tibet. They are instinctively religious and believe in many gods, all jealous and wrathful, sending evil spirits to torment and torture those who do not appease their ungodly wrath by acts which seem as ridiculous as refusing to walk under a ladder or turning back at the sight of a black cat. Mrs. Newland answered many questions asked by the women at the conclusion of her talk and all felt that theirs had been a rare privilege to hear of these people who thirst for knowledge of Jesus Christ and a feeling of awe crept over many at the hearing of such hardships of this missionary who years to leave, the world of conveniences and return to the primitive huts of Tibet to continue the ministering of the Gospel. The prayers and best wishes of those present were extended to her and her family when that time comes.

GAMBLEVILLE H. D. CLUB

The Gambleville Home Demonstration Club met with Mrs. Claudius Carroll on Friday afternoon, February 20, with the chairman presiding.

The club prayer opened the program. The demonstration for the day was "How to Make a Plant Box" given by Miss Whittis, Foard County Demonstrator. Roll call was answered with "How I Grow My Own Plants."

Miss Whittis gave each one present directions on making a plant box, also in starting and handling the plants and seed treatment. Anyone interested in these subjects may receive the directions by calling at the office of Miss Whittis.

A delicious plate was served to one visitor, Mrs. C. W. Carroll; Mrs. Bob Abston, a new member and seven members, Mrs. Willie Garrett, Mrs. Andrew Calvin, Mrs. Claudius Carroll, Mrs. Fred Diger, Mrs. Elton Carroll, Mrs. J. C. Prosser, Mrs. Milburn Carroll and Miss Whittis.

The next meeting will be with Mrs. Elton Carroll on March 5th. All members are urged to be present and visitors are welcome at all times.

COLUMBIAN CLUB

With Mrs. J. B. Harrison as hostess at the home of Mrs. S. T. Crews, the Columbian Club met on Wednesday afternoon, Feb. 17.

The president presided at a short business session. Mrs. J. T. Carter, chairman of citizenship, reported that Mrs. D. L. Willie of Matador would visit the club in March and talk on her recent trip to Mexico City and Guatemala. Mrs. Willie is state chairman of citizenship.

Mrs. John Ray, leader for the afternoon program, presented Mrs. Sam Crews who explained the various parts and stressed the beauty of various phrases of Liszt's Hungarian Rhapsody. The number was beautiful and greatly enjoyed.

The leader lectured on "Hungary, the Land of Rhythm and Melody." The irresistible lure of Gypsy music was noted. Its haunting melody was brought to mind and a greater appreciation of the wandering tribes was instilled.

Roll call was answered with "My Favorite Hymn and classical number." The hostess served a lovely refreshment plate to those present. Texas Day will be observed on March 3rd at the home of Mrs. N. J. Roberts.

JUNIOR GIRL SCOUTS

At a meeting of the Junior Girl Scouts last week officers were elected, as follows: Billy Bell, president, Ann Wishon, vice president; Martha Gray, secretary, and Patsy Hunter, reporter.

Representative Albert L. Reeves Jr. of Kansas City, has introduced a bill for mandatory payments on the national debt of not less than one and one-half billion a year. The purpose is not to restrict payments to this sum but merely to establish a minimum and a pattern. In prosperous years, when treasury receipts are ample, debt payments could be several times the amount fixed in the bill. At the close of the war the debt was 279 billion dollars. Cancellation of war appropriations and the use of treasury balances in some war projects reduced the debt to 257 and one-half billion. At the present time there is no systematic plan of debt reduction.

The state department announced the other day that 70,000 tons of surplus potatoes would be shipped to Italy and France under the emergency aid program.

Legislation to pay a pension of \$75 a month to veterans of World War I, who are 65 years old and over and varying amounts to partly disabled veterans of that war under 65, has been introduced by Representative Glenn Johnson of Oklahoma. The schedule of payments provided for in the Johnson bill is as follows: Any World War I veteran with a 10 per cent disability would receive \$24 a month; 25 per cent disabled, \$42.50; 50 per cent disabled, \$60; and 100 per cent disabled and blind, \$100.
