Members of Foard County Advisory Committee Selected

Senator James E. Taylor, chairman of the Gilmer-Alkin Committee has notified the following members of their appointment to membership on the Foard County Advisory Committee to Study Education: At the time of notification each member was mailed a copy of the committee handbook, "A Look at Our Local Schools in Texas" as a guide to the county study of the public school system.

The following were appointed to this committee: C. Grady Spence, superintendent; Leslie Thomas, county judge; Henry Crowell, principal; Mrs. Marion Crowell, vice-president; PTA; Fred Greer, druggist; Bill Wisdom, farmer; and Miss Cora Carter, principal.

The names of the persons appointed to membership on the local advisory committee were submitted to the Gilmer-Alkin Committee by service local school officials. These committees are being established in every county in Texas for the purpose of making a careful study of the local schools to ascertain the facts concerning the local schools for the purpose of the cooperative study.

The facts, together with recommendations, can be transmitted to the Statewide Committee for consideration in making recommendations for improving the public school system of Texas.

Mrs. Jones Takes Second Place in Ready Writing Contest

The winners in ready writing in the district meet held at Valveston two weeks ago were announced this week and Clara Jones of Crowell High School took second place honors. This qualifies her to compete at the regional level which is to be held at S.M.U. this weekend.

Miss Jones is representing the Crowell High School in the Making Department at the contest which is being held at Valveston this weekend. She was accompanied by Mrs. M. J. Kenner, instructor in home-making at Crowell High School.

Mrs. Jones and Mary Kay Ayers, first and second place winners, respectively in typing at the district meet will represent Crowell at the regional meet in Dallas tomorrow. Mr. and Mrs. J. C. Jones will accompany these girls to Dallas.

Fresh Food for the Farm Pond

It is not too late to start fertilizing the farm pond this year. It is a good idea to get it done before the hot months of July and August. Says Joe Burkett, county agent: "Plankton is the life on the tiny plants and animals in the pond commonly referred to as 'the bloom' or the 'plankton'. The production of plankton is the first step in the production of food for the fish, since an abundant supply of plankton means more pounds of fish per pond. Fertilized ponds will grow more plankton than the unfertilized ponds, and consequently more fish.

U. C. Rader Dies Thursday Morning After Long Illness

Funeral Held in Crowell Methodist Church Friday

Funeral services for U. C. Rader, who passed away at his home in the Foard City community on Thursday morning, April 15, were held Friday afternoon at the Methodist Church in Crowell, with the Foard City pastor, Rev. J. V. Patterson, officiating, and Rev. D. D. Denison, pastor of the Crowell church, assisting.

Mr. Rader died of a heart attack. He had been in failing health for about five years but until the fatal stroke was about as well as he had been for some time.

A special song, "Take My Hand, Precious Lord," was rendered by Sam Mills and Mrs. Daurice Ray Naron. They were accompanied by Mrs. Paul Shirley who also played for the choir songs.

Pallbearers were Tom King, Frank Welch, C. V. Barker, J. L. Gobin, A. W. Barker and Dick Ballard, all members of the Crowell I. O. O. F. Lodge, of which the deceased was a member. Other members of the order were named as associate pallbearers. Flower-bearers included Mrs. Virgil Johnson, Mrs. Jim Harper, Mrs. Eunice Jones, Mrs. Dan Callaway, Mrs. A. A. Manning, Mrs. Luther Marlow, Mrs. Sty Barker and Mrs. Willie Garrett.

Interment followed in the Crowell cemetery under direction of the Womack Home. Grave-side rites were performed by the I. O. O. F. with M. A. Barnes, Noble Grand of Vernon and Duke Wallace, chaplain, officiating.

U. C. Rader was born in Cooke County, East Tennessee, on Nov. 18, 1868. He came to Texas when twenty years of age. He was married to Miss Jennie Darrel in early manhood and to this union one child, O. D. Rader, was born. In 1895, he married Miss Molly Womack in Burnett County, Texas, and ten children were born to them, one of whom died in infancy. The nine children are: Lester Myers, Littlefield; Mrs. Lester Myers, Crowell; Mrs. Dwight Kenner, Crowell; L. C. Rader, Crowell; Mrs. Earnest Lilly, Amarillo; Joe Rader, Foard City; Mrs. J. Della Johnson, Amarillo; and John Rader, Crowell. All these were present at their father's funeral, as well as O. D. Rader of Vernon.

Other survivors are 15 grandchildren, 4 great grandchildren and four sisters, Mrs. John Glover, formerly of Crowell; Mrs. J. W. Harris, Crowell; Mrs. C. B. Campbell, Tulsa, Okla., and Mrs. C. C. Fox, Crowell.

NEW ISOTOPE TRACER TO AID CANCER RESEARCH

Electronic engineer Irving Sucher poses with the mass spectrometer he developed at Columbia University under an American Cancer Society grant. The apparatus is used for research in measuring stable isotopes (heavy atom elements) that can be traced through the body.

Pitchers' Battle Expected in Ball Game Here Friday

The Crowell Wildcats held on to second place in their district race for the baseball championship by virtue of their decisive 21 to 4 victory over the Olney Cubs here Tuesday afternoon. They will have a chance to go into a tie for top place tomorrow afternoon when the Archer City Wildcats come here for a conference game. Archer City handed Crowell its only defeat of the season at Archer City three weeks ago. The Archer County boys have been victorious in all of their games thus far this year including two victories over class AA teams.

Clifford Orr continued to pitch big league style in the Olney game by holding the Cubs to two hits in the five innings that he worked. Orr has had only three hits registered against him in the last nineteen innings of pitching. Orr, F. L. Ballard, and Billy Lynch were the big guns in Crowell's seventeen hitting attack Tuesday. These boys collected three hits each. One of Orr's hits was a home run. Dale Everson, J. P. Bartley and Rouse Todd rapped out two bingles each. Todd has hit safely eight times in eleven trips to the plate this season. The game here Friday should be a pitcher's battle between Clifford Orr for Crowell and Danny Powell for Archer City. These boys allowed seven hits each in the game at Archer City.

Drive for Cancer Society Funds in County Continues

Fairly good response by the public is being shown the American Cancer Society campaign for the Foard County quota in Crowell and surrounding communities. It was announced this week by Mrs. A. G. Magee, campaign chairman.

"The drive which continues through April, and officially closes May 3, is meeting with full cooperation by the people who are educated in the meaning of this disease and its fatal results if not discovered early," the county chairman stated.

Mrs. Magee expressed her thanks for the donations already received and hopes that if anyone is not personally contacted, they will realize this privilege of assisting in the campaign and will voluntarily make their donation to her or some member of the committee.

"Within a week we will be able to announce what percentage of our goal has been reached," said Mrs. Magee.

"We are depending on the people of this county to make the drive a success," continued Mrs. Magee, "and since our quota is not being reached as rapidly as we expected, we are appealing to each citizen through the press."

Local Man Makes Dean's List at N. T. S. C. in Denton

The name of Gordon Erwin, son of Mr. and Mrs. W. C. Erwin, appears on the Dean's list of North Texas State College at Denton. The names of 759 advanced students have been placed on the Dean's list this year, topping last fall's record of 683 students. To be eligible for the list, a student must be of at least junior standing and have made an average of "B" with no grade less than "C" on at least 12 hours' work last semester.

Several Crowell Merchants to Give S. & H. Green Stamps

Several Crowell merchants will offer to their customers S. & H. Green Stamps, it was announced here Wednesday by Tom Fritz of Amarillo, branch manager of the Sperry & Hutchinson Co. Green stamps have been issued for over fifty years by successful merchants all over the United States. Mr. Fritz stated that the following merchants will offer the green stamps: Mac's Food Market, Rhodes Phillips 66 Service, Shirley-Youre Drug and Beverly Hdw. & Furn. Co.

Many New Homes Completed in Crowell and in Other Towns and Communities in County Within Past Few Months

Many modern and beautiful homes have been completed in Crowell and Foard County within the past few months and many others are now under construction in the community. Construction work also includes additions and repair work on old homes.

New homes recently completed and occupied, which include all modern conveniences, are as follows:

Mr. and Mrs. Jack Sauls in north part of town, five rooms and bath, wood siding and fireplace.

Mr. and Mrs. S. P. Ferguson on North Main Street, four rooms and bath, asbestos siding, additional room upstairs.

Mr. and Mrs. Claude Callaway, five rooms and bath, brick veneer, northeast part of town.

Mr. and Mrs. Frank Cates, five rooms and two baths, asbestos siding, northeast part of town.

Mr. and Mrs. O'Neal Johnson, five rooms and bath, in Thalia.

Mr. and Mrs. Glen Fox, six rooms and bath, four blocks northeast of square.

Mr. and Mrs. Harold Canup, new 4-room house with bath, completed recently in the northeast part of town.

Mr. and Mrs. T. L. Owens, new 4-room house with bath, northeast part of town. Mr. Owens has another 4-room house under construction next door to his new home.

Houses under construction:

Mr. and Mrs. Fred Youree on North Main Street, six rooms with bath, asbestos siding, contracted by Joe B. Roberts.

Mr. and Mrs. Jim Cook, northwest part of town, six-room brick veneer with two baths.

Mr. and Mrs. M. S. Henry, six rooms, two baths, brick veneer, four blocks northeast of square.

Roy Fox is building two 4-room houses with baths in the northeast part of town, in addition to his new home recently completed. One of the new homes has been sold to Mr. and Mrs. J. A. Stovall.

Mr. and Mrs. Charlie Hall are building a new home on their farm in the black community.

A new home is under construction for Mr. and Mrs. W. J. Murphy in the town of Margaret. Six rooms with bath, asbestos siding.

Mr. and Mrs. Grover Owens are adding two rooms and bath to their farm home in the Foard City community.

One new room and bath are being added to the home of Mr. and Mrs. Bill Cox on their farm in the Foard City community.

Cameron Roofing Co. will construct a 3-room house with bath on lots north of Hubert Brown's home.

Sam Russell is building a new barn on his farm three miles west of town.

It is estimated that the cost of the above new construction will run between \$100,000 and \$200,000.

Any new construction work has been overlooked, it has been through error and it would be appreciated if some one would call our attention to it.

Opening Game of Softball League Won by Crowell

On Tuesday night, April 20, in the opening game of the newly-formed Greenbelt Softball league, Crowell's All-Stars defeated Paducah by a score of 4 to 1 in a fast, well-played contest.

Paducah scored in the first frame, but throughout the balance of the game big Gus Russell, Crowell pitcher, was complete master of the situation. Brilliant fielding by Raymond A. Bell and timely hitting by R. A. Bell and Manager Howard Gamble were highlights of the night.

Crowell will play Vernon here Friday night (tomorrow) in the second league contest of the season.

Plan Mechanical Soil Conservation Practices Now

It's not too early to begin planning terraces, dams, drainage ditches, and similar mechanical conservation practices which can be carried out when the crops are harvested, says Dwight Campbell, chairman of the AAA Committee. In the last few years, much of this work has been done by contractors with heavy dirt-moving machinery.

Delay in planning and in making arrangements, the chairman explains, may result in not getting the work done, another year is lost, and the land the conservation work would have saved is lost too. "Everywhere are evidences of erosion and soil depletion which have resulted from letting little conservation jobs slip by."

Mr. Campbell says that the growing season provides a good opportunity to study the land and determine where conservation work is needed most. Plans for terraces should be carefully checked so that they will be most effective in saving water and soil. The same is true for other dirt-moving practices.

He urges all farmers in Foard County to talk over summer and fall plans with county or community AAA committeemen. This will avoid delay in getting work started and farmers will be assured of program requirements.

Crowell Man Injured in Auto Accident

Grover Nichols of Crowell and John Shirley of Roaring Springs were seriously injured in an automobile accident Monday afternoon near Matador when the car in which they were riding and a meat truck collided. Both men were rendered unconscious and at last report Mr. Shirley had not regained consciousness. They were placed in the Matador hospital following the accident.

ROTARY CLUB

Rotarians Vance Favor and D. L. Hickey of Quanah were visitors at the Wednesday noon luncheon of the Crowell Rotary Club. Other visitors were G. F. Hemphill of Vernon, flying instructor, and Coach Scott Whitaker.

T. B. Klepper was in charge of the program and Coach Whitaker talked for a short time on prospects for a C. H. S. baseball team in 1949. He reported the prospects good as the present team will lose only two members.

NEW OLDSMOBILE DEALER

Jack Turner, manager of the Foard County Implement & Motor Co. and new Oldsmobile dealer, has announced that he will have a new 1948 model Oldsmobile today and it will be on display in his show rooms on the east side of the square.

New York harbor is the busiest seaport in the world.

Chaney Brothers to Be Buried in Vernon Sunday

The bodies of Lt. Dan Chaney and Pfc. Paul Chaney, sons of Mr. and Mrs. P. D. Chaney of Vernon, are due to arrive here Friday evening, April 23, from Europe.

Funeral services for the servicemen who died in action in the war against Nazi Germany will be held at the Church of Christ in Vernon at 3 p. m. Sunday. Interment will be in East View Memorial Park there.

Both of these young men were natives of Vernon and entered the U. S. Air Force during World War II. Paul Chaney was killed on the field of battle in November of 1945. Dan Chaney lost his life Feb. 24, 1945 when his plane was downed over enemy territory.

Mr. and Mrs. Chaney are well known in Crowell and Foard County, having resided here many years ago.

St. Joseph's Church Will Have Picnic Saturday, April 24

The members of St. Joseph Church will hold their annual picnic on Saturday evening, April 24 at 6:30 p. m. to honor the choir members. This is an all-church affair and members of the parish and their families are extended a cordial invitation to attend. The picnic will be held at the picnic grounds of the Country Club.

Raise Rabbits As You Would Fryers

Raising rabbits may be of special interest to the youngsters. Rabbits make a good 4-H club project just as beef calves, poultry, or other are used. Also it gives the town boys a chance to get in on the 4-H work where they couldn't otherwise because of a lack of space. The town boys can raise rabbits right in their own backyard, according to Joe Burkett, County Agent.

One of the best breeds of rabbits for meat purposes is the New Zealand White. The white skin of this breed are good for dyeing processes, too and usually bring two to three times as much money as other skins.

Rabbit furs are sold under 35 to 40 different names including Arctic Seal, Baltic Black Fox, Coney Beaver, French Mole, and many others. An important thing about raising rabbits is that it helps save grain. Rabbits furnish a lot of good nutritious all-white meat compared to the small amount of grain that is fed. They also eat lots of hay and garden products, and in cases where only a few rabbits are being raised, table scraps will help out.

A good ratio is one buck to ten does, and each doe can raise two litters per year, and sometimes three with careful management. Five to seven rabbits per litter is the average.

Tularemia affects only the wild rabbits. Domestic rabbits are free of this disease. If the rabbit owner starts his business with good, healthy stock and carries on strict sanitary precautions, he should have little trouble from disease.

Here is a word of advice, especially to the younger rabbit raisers, from Burkett. It doesn't do to get too attached to the rabbits and make pets of them.

SPEAKING AT THALIA

Cline Taden, missionary from Italy, will speak at the Thalia Church of Christ Thursday (tonight). He will speak on the condition of Italy and the public is invited to hear him. His talk promises to be instructive and inspiring.

The total number of live births last year was 3,910,000. This was 621,000 more than in 1946 the previous record and 975,000 more than the war time peak of 1943.

A majority of U. S. presidents have been lawyers.

We Invite

Mr. and Mrs. Jack Seale and Mrs. Herman Sandlin will attend any picture advertising for the coming week at the Thalia Theatre in Crowell. We want you to be our guests.

VETERANS' QUESTIONS AND ANSWERS

Q. I have a discharge from the draft of World War I. May I consider myself a veteran?
 A. For the purposes of laws administered by Veterans Administration in order to be classified as a veteran you must have had active military service during a time of war. A discharged draftee is not considered to have had such service.
 Q. I received a pension as a Spanish-American War veteran's widow. I remarried and my second husband is now dead. Am I eligible for a pension again as a widow of the Spanish-American War veteran?
 A. Yes, if you meet the other requirements of the law and regulations.
 Q. May I receive death benefits for my husband and my son?
 A. Yes, if both were veterans and you are otherwise eligible.
 Q. What proof is required to obtain death compensation or pension for an illegitimate child?
 A. Acknowledgement in writing, signed by the veteran, or evidence showing he has been judicially ordered or decreed to contribute to the child's support or has been, prior to his death, judicially decreed to be the father of such child, or evidence satisfactory to the Administrator of Veterans Affairs that the veteran is the father of such child.
 Q. Is it necessary that a child, in custody of the widow, file a separate claim for compensation?
 A. No.

30 YEARS AGO IN THE NEWS

News items below were taken from the issue of the Foard County News of April 19, 1918:

Of the Texas quota for 4,320 white men and 3,487 negroes called under the selective service draft, Foard County must furnish five white and one negro.

Capt. Jonathan W. Roark passed away at his home here April 12, after an illness of a few weeks. He was born in Tennessee, April 28, 1839, and at the outbreak of the Civil War he made up two companies for the Union Army.

Another good rain has fallen over Foard County, measuring 1.7 inches at Crowell. Big hail stones fell in the Vivian community.

The first German war prisoners, members of the crew of the U-58 submarine sunk by an American destroyer, arrived in the United States April 16.

Leonard Pyle was here yesterday from Quanah doing business with our grocerymen.

Rev. P. J. Merrill has organized a Boy Scout Athletic Association which will hold its meetings in the lower floor of the Masonic Hall building.

Mrs. M. O'Connell was in Paducah Wednesday visiting her sister, Mrs. Ruby Malone.

C. E. Flowers, the Delco light man from Vernon, was here yesterday.

Mrs. T. A. Taggart returned yesterday morning from Mineral Wells.

Mrs. Leslie McAdams was here last Friday from the ranch on her way to Quanah.

Mrs. Luther Roberts came in Tuesday from Austin to visit relatives.

Mr. and Mrs. Joe Couch left Sunday for Hedley.

Foard County's quota in the Third Liberty Loan is \$43,400.

Service Officers School to Be Held in Stamford in May

Austin, Texas. The Veterans Affairs Commission of Texas announced today that it will hold a Service Officers School in Stamford on Saturday and Sunday, May 8 and 9, at the American Legion Hall.

This school will be for County and Veteran Organization Post or Chapter Service Officers within a radius of approximately seventy-five to one hundred miles of Stamford. All persons interested in veterans' affairs are cordially invited to attend.

This is one of a series of schools being held by the Veterans Affairs Commission throughout Texas. The purpose is to stress instruction on insurance, education, deceased and living veteran benefits, hospitalization, out-patient treatment, compensation and pensions, etc.

Mr. Harry E. Rafter, Educational Officer of the Commission will conduct the school and will be assisted by representatives from the Veterans Administration, State and National Service Officers of the Veterans of Foreign Wars, The American Legion, Disabled American Veterans and Federal and State Agencies.

No other person in the world—including the heads of other governments—receives as much mail as President Truman.

Brewster County, Texas, is six times as large as the state of Rhode Island.

Veterans News

The Veterans Administration today relieved its training officers of all responsibility for the direct supervision of 220,000 non-disabled World War II veterans in training under the GI Bill in Texas, Louisiana and Mississippi.

The change will permit VA's training officers to devote more time to the needs of the 30,000 disabled veterans in training under the Vocational Rehabilitation Act (Public Law 16) in the same tri-state area. The law gives VA full responsibility for the training of those veterans.

In suspending supervision of GI Bill trainees by direct contact, VA called on all state approval agencies, schools and training establishments to meet fully their obligations under the Servicemen's Readjustment Act (GI Bill).

VA will look, to an increased extent, to state approving agencies to carry out their obligation to approve only schools and establishments that are fully qualified and equipped to give good courses of instruction and are otherwise satisfactory on the basis of current inspections.

Schools and job establishments are obligated to furnish effective education and training to each veteran they enroll, VA said. The institutions must not keep a veteran in training any longer than his conduct and progress warrant. They must provide VA with reports of the veteran's attendance and progress.

VA will use these reports, along with spot checks of veterans in GI Bill programs, to safeguard the veterans' rights to adequate training and to prevent possible fraud against the government.

The new supervision policy varies among the different types of training institutions.

VA will use periodic conduct and progress reports and spot checks to supervise ex-servicemen and women in other schools and in job-training establishments.

Spot checks will be used in supervising veterans taking institutional on-farm training.

No change was made among colleges and universities which already have the responsibility to supervise all veteran-students they enroll.

Thousands of near perfect counterfeit bills—twenties, fifties, and hundreds have turned up in San Francisco recently. Counterfeiting rings in the Orient are believed to be the source. According to William H. Merrill, head of the secret service at least \$10,000 has come into San Francisco the past year. Most of it is so good that it cannot be detected except by expert bank clerks trained to feel the difference in the paper. The bills are federal reserve notes. The twenties are on the San Francisco bank and the fifties and hundreds on the New York bank. The \$20 bills can be identified by the fact that the "1" in "United States" is not crossed. The others have no discernible mark. The secret service believes that the money was brought to this country by travelers from Shanghai who got it at oriental banks.

I'd like to demonstrate this tractor on your farm

I'll bring a Ford Tractor out to your place, without any obligation. I'll bring along one or two of those good Dearborn Implements, specially made for the Ford Tractor. I'll put this Ford Tractor through its paces, then let you take the wheel.

You'll find out how easily Ford Hydraulic Touch Control lifts and lowers implements and controls their depth. I'll run the plow into an obstruction and prove there's no damage. You can hold your watch while I demonstrate Triple-Quick Attaching of implements. I'll show you why new Ford steering and brakes are the best.

Then you'll know why Ford production is up to 300 tractors a day. Leave it to Ford! Whatever tractor you own, you owe yourself this Ford Tractor demonstration. When can I make it?

WHAT'S YOUR FUTURE?

Calmly and quietly, the senior students will be leaving high school with expectation and adventure shining in their eyes. Dressed in gray caps and gowns, they will receive diplomas, the symbols of twelve years' work. Then what? Some will go into business, some establish homes, and some enter the college best suited to their personal needs.

We interviewed several of them and a young man gave this as his reason for going to college. "I want social and economic security, a chance to do my best in this world. Although all recent graduates do not make top salaries, a trained worker has a better chance than an untrained worker. I also want to be able to talk to anyone—the president, a ditch-digger, or a farmer—intelligently."

A slim young girl with a diamond sparkling on the third finger of her left hand said, "I want to give the best to my children and to have a greater understanding of people, so that I can get along with them. There I hope to make lasting friendships."

The seniors of 1948 are going into a chaotic world—specialized training will make for peace, a better understanding and security.

LETTER TO THE EDITOR

Dear Editor:
 The hot, spring days are here and the C. H. S. students are lining up between classes for a chance at the water fountain. The lines are long, and the three minutes between periods cannot be spent entirely waiting for a drink. C. H. S. has only two water fountains working, both on the first floor.

If another fountain could be connected, the situation would be greatly improved. Sometimes one gets rather thirsty these days, and a drink of water would help a lot. Hopefully,
 A Student.

home, if you have an iron stomach of course.
 Montez Laquey, sophomore—I like to put on my jeans and sit in a chair, and read about Bob Mitehum. All this would be senseless to me if I couldn't be eating peanut butter and crackers and drinking a coke. So I guess that is my favorite snack.

Betty Barker, freshman—My favorite snack is composed of any kind of sandwich, preferably tuna, plus a coke or cokes.
 Julia Johnson and Betty Lou Brock—Cheese spread on Ritz crackers is good enough for us any time.

Clifford Ohr—I like to drink iced tea and eat a "Dagwood" pickle, lettuce, tomatoes, mayonnaise, and anything else I can find sandwich of cheese, bacon, dill in the ice box.

Butch Biggerstaff — French fried potatoes, fried chicken, and watermelon will make me a happy man (snack???) Take a note, Tommy).

FLASHES FROM CLASSES

Friday there was a hush over geometry class as Mr. Graves lifted a stray mongrel pup and dropped him gently out the window while giggles rose in volume and several boys had guilt written on their faces.

In English IV class when Mrs. Sloan practiced her habit of saying "S" for "yes", students wondered which dictionary she found the abbreviation in.

A bright saying heard around the halls is, "I'm sorry" and the brilliant answer is, "Yes, I bet your little heart bleeds ice water for me."

If an explanation of square root is needed and someone directs you to John Teague for directions, beware, he is an expert at getting it every way except the right way in Algebra I.

Home Economics classes have discovered that with the first signs of spring come the cotton dresses . . . and, this year, another old-new fashion note, the ruffled petticoats. The best analysis of the situation we've heard was one boy's remark: We boys don't know

what to do. If we don't comment, we're unobservant; if we do, we may get our faces slapped." P.S. Coach Whitaker is slip-conscious. More than cotton dresses as a notice of spring are the annual burr haircuts (and just in time for the banquet too). Have you seen J. P. Bartley, Charles Pittillo, or F. L. Ballard's. How could you miss them? A day never goes by that another fugitive from the Fuller Brush Company doesn't appear on the horizon. Well anyway, the boys say they are cool.

"I'VE A LADY IN THE BALCONY, DOCTOR"

What's your sports Intelligence Quo? Does your knowledge of athletics rank with Bill Stern, Grantland Rice, Uphiur Vincent, and other experts?

Many people think they know all about sports, but I wonder just how many know that Babe Ruth was known as "Nightmare Alice." Or that Joe DiMaggio is tabbed as "The Yankee Clipper" and who realizes it was one Patrick Holloway who filed the first copyright on the Special Entry back in the spring of '29?

Printed here is a list of questions dealing with famous sports personnel. Test your wits with facts. The answers can be found at the bottom of the story. Don't peek!

1. What famous outfielder was known as the "Wild Hoss of the Osage"?
2. What world renowned heavyweight pugilist won the title on a foul blow from Jack Sharkey?
3. What other former heavyweight champion bore the nickname of "The Wild Bull of the Pampas"?
4. In baseball's Hall of Fame, what member was called "The Georgia Peach"?
5. Who is the retired amateur golf champion known as the "Boy Wonder" that won his first state title at the age of 14?

ANSWERS

1. Schmeising, 3. Primo Carnera, 4. Max Baucus, 5. Bobby Jones.

WILDCAT WHISPERS

To write a column, you gotta have atmosphere. And so, in a deserted attic study behind bolted doors, and drawn window shades, a despondent writer, sleeves rolled high and hair ruffled, hovered restlessly over the Wildcat gossip column. To add realism, sharpened pencils and scratch pads littered a desk top. A thermos of Coke rested on the bureau, and the Philco 1209 played full blast. The place reeked of lemon candy—this is what we wrote.

The picnic at the Country Club Friday night was a big success. How the crows and cranes did run. Thomas Whittemore and Betty Williams were seen after the picnic Friday night and also Saturday night.

Ham Tاملen and Betty Brock are seen together lately. Mary Ayers, Doris Rummel, and Violet seemed to be having a good time doing nothing Friday night. Did I say nothing??

Patsy Fox and Billy Lynch had quite a time at the negro ball game Sunday and also Saturday night.

Mary Payne and Lyn Tatom and Betty Williams and John Nantz were seen skating (?) at Vernon Wednesday night.

The picnic in Truscott Thursday night seemed to be quite a success. The refreshments were so delicious!

We understand that Myra Self still gets stary eyed when she talks to Clifford Ohr.

Marion Bailey's motto must be, "If at first you don't succeed, try, try again."

Pat Owens says that after taking so many pictures Sunday afternoon at the rock house she is going to combine photography with her nursing career.

Two together — Bob Haynie and Martha Ohr.
 Why was Vernon Jones so anxious to trade the pick-up for the car Sunday evening? Roudyn might understand!

Frankie Mabe really gets around. First it's Billy and then it's John.
 What has happened to the Hen-

derson-Weaver case?
 Seen around Saturday night were Vernon and Roudyn, Rusty and Mary Alice.
 Who is Hack Norman's girl friend? Come on, Hack, don't keep us in the dark.
 By ding dong, Joyzelle, why don't you make up your mind who you like? Signed, Peggy Weaver.
 A big time was had by all at the Canteen Saturday night.
 Frankie Mabe really had a good time at Thalia Friday night.
 Jerry Culbertson's hearthrob is still Myrtle Bartley. What a pair!!
 Marion Bailey has finally found him a girl. The lucky one is none other than Mary Short.
 See ya',
 The Cat's Tail.

The general feeling among the
nation's leaders is that Stalin does
not want war and is not ready for
it. There is a feeling also that he
will try infiltration and irritation
tactics as long as it will get results.
In this way he might conceivably
occupy most of the countries of
Europe in time. He can do this
at small cost. For this nation to
attempt to resist him would cost
a great deal.

ZECARIAH 1:1-6; 4: 7-8.
EVANGELICAL READING: Psalms 24:
1-4.

Zechariah Pleads For Righteousness

ZECARIAH almost certainly
was born and reared in or
near Babylon, and was trained for
the priesthood and ordained of the
Lord as a prophet.

His father, Berechiah, was the son
of Iddo, the prophet. Though much
younger than Haggai, about whom
we studied last Sunday, Zechariah
began his ministry only two
months later than Haggai—a ministry
which was to summon the people
to righteousness as a condi-
tion essential in the rebuilding of
the temple and in cleansing them-
selves of idolatry, if they were to
throw off the yoke of their foes.

The student will need to read the
entire Book of Zechariah to have
the background for this lesson.
Also Psalm 24:1-6.

LIVING TOGETHER IN GOD'S WAY
Lesson for April 25, 1948

"Turn ye unto me, saith the
Lord of hosts, and I will turn unto
you," Zechariah 1:3. People cannot
live together in peace and
harmony until first they are on
speaking terms with God. The in-
sidious onslaught of secularism
was weakening the Jews at the
very moment when they needed
to be strong and united for the task
of rebuilding the temple and re-
storing their life in Jerusalem.

Read further into the prophecy
of Zechariah and note the admoni-
tions of the Lord for kindness
one toward another—kindness and
understanding and sincerity, which
are the indispensable qualities of
community life.

WHAT MAKES A PEOPLE GREAT?
Zechariah reminds the people
that the downfall of their fathers
had been due to their forgetful-
ness of God. He calls them now
to repentance of their own sins,
that they become truly a great
people. "Fear not but let your
hands be strong," Zechariah 8:13.

"What makes a nation great
and strong?
Not brick, nor stone, nor wood.
But justice, love and brother-
hood."
Boys and girls will do well to
look again at what this old prophet
was saying. We long to see the
United States a truly great nation.
Then let us be strong in the Lord.

GOD HAS A STANDARD
Read chapter seven, verses 8-
14 and 8:16-17, for some of the
standards which God sets up for
his people. "Execute true judg-
ment, and show kindness and com-
passion every man to his brother.
Oppress not the widow, the or-
phan, the foreigner, or the poor,
and never plot evil in your hearts
against one another."

Zechariah is here epitomizing
the Ten Commandments and the
Sermon on the Mount. All of which
is to remind us today that we do
not need new standards. We sim-
ply need to conform to God's eter-
nal standards.

GOD IS TO BE SOUGHT UNTO
The first eight chapters of Ze-
chariah have to do with the essen-
tial qualities of life if the people
are to rebuild the temple. The
last six chapters deal with the
general standards of life which
we must accept and strive to at-
tain if we are to be well-pleasing
unto him.

I like the phrase of the fathers,
"God is to be sought unto." And
how are we to come into the Pres-

All men are not equally qual-

When Your Back Hurts—
And Your Strength and Energy Is Below Par
It may be caused by disorder of kid-
ney function that permits poisonous
waste to accumulate. For truly many
people feel tired, weak and miserable
when the kidneys fail to remove excess
acids and other waste matter from the
blood.

You may suffer sagging backbone,
rheumatic pains, headaches, disin-
nating up nights, leg pains, swelling.
Sometimes frequent and scanty urina-
tion with smarting and burning is an-
other sign that something is wrong with
the kidneys or bladder.

treatment is wiser than neglect. Use

Notice to Bidders

Notice is hereby given that the
Commissioners' Court of Foard
County, Texas, will on the 10th
day of May, A. D. 1948, at 10
o'clock a. m., in its usual meeting
place in the courthouse at Cro-
well, Texas, proceed to receive
and consider competitive bids for
the purchase of the following de-
scribed road machinery:

"One Heavy Duty Motor
Grader, to be equipped as
follows: Full Diesel motor,
developing not less than 75
drawbar horsepower, with
starter, generator, front
and rear mounted head-
lights, fully enclosed cab;
two moldboard extensions,
and to weigh not less than
21,500 pounds."

and will at such time let a con-
tract therefor if any bid be ac-
cepted, all such bids to be made
as required by law but the county
reserves the right to reject any
and all bids received. The success-
ful bidder shall be required to
execute a good and sufficient
guaranty as to the uniform fitness
of such machine and its soundness
and if required, to furnish a good
and sufficient bond, executed by
some Surety Company authorized
to do business in this State, in
accordance with the provisions of
Article 5160, Revised Civil Stat-

utes of the State of Texas, 1925,
and amendments thereto.
If any bid be accepted by the
court, it is the intention of the
court to purchase such machinery
upon a Lease contract, said County
to pay a part cash and the bal-
ance to be represented by said
Lease Contract; provided said
Lease contract shall not exceed
the sum of \$10,000.00, payable
in an amount not to exceed \$2000.-
00 per year and to bear interest
at a rate not to exceed 3%
per annum. Such lease contract
shall extend over a period of years
not to exceed five and the last
payment due on such lease con-
tract shall not be later than Dec.
31st, 1952.

Miss Doris Denton and H. L. Swan Jr. Are Wed April 8

The marriage of Miss Doris Denton and H. L. Swan Jr. of Thalia took place in Vernon Thursday, April 8.

The bride is the daughter of Mr. and Mrs. Luther Denton. She is a graduate of Crowell High School and also attended a business college. Mr. Swan is the son of Mr. and Mrs. H. L. Swan of Thalia. He is a graduate of Thalia

COLUMBIAN CLUB

Mrs. Kenneth Halbert was hostess to members of the Columbian Club on Wednesday, April 14, in the home of Mrs. E. V. Halbert.

Mrs. C. R. Ferguson was leader for an interesting study on the United States and Russia. Mrs. A. E. McLaughlin gave an inter-

High School. He served four years with the Paratroopers during the war.

The couple left immediately for Borger where Mr. Swan is employed.

esting discussion of "The Ukraine." She stated that parts of the land was similar to the Great Plains of the United States. Most of the reconstruction work is done by German soldiers. One out of every five Soviet soldiers come from the Ukraine.

Mrs. M. N. Kenner gave a talk on "Our Foreign Policy and What to do about it." The purpose of the Policy is to achieve peace and the Soviet leaders do not want war and are more suspicious of the U. S. than the U. S. is of her.

Mrs. C. R. Ferguson reviewed the article, "Women and Children of USSR," by Steinbeck who made a trip to Russia recently. He stated that the people live in hope that each year will be better. His impression was that the women worked very hard doing men's work. They wanted to know what the women in America were like.

During the social hour the hostess served delicious refreshments to members and two guests, Mrs. W. A. Mussetter and Mrs. E. V. Halbert. The club will meet on April 28 in the home of Mrs. A. E. McLaughlin.

day of the convention. Other members who attended were Mrs. M. S. Henry, Mrs. Merl Kincaid, and Mrs. Clint White. Delicious refreshments were served from a beautiful flower decorated table in the dining room to 27 members and one guest, Mrs. Arthur Bell.

Crowell delegates to the Pampa convention returned with three prizes offered for club work in the seventh district. Mrs. Bette B. Gafford won first place by popular vote in the art contest at the convention. Her picture "Stardeck" won. The Adelpian Club won first prize with its report of art work in Crowell. This work is principally that sponsored in the Crowell Grammar School under Miss Florence Black, Chairman, with Mrs. Richard Ferguson and Mrs. J. T. Gilmore, committee members.

The Sub-Junior Adelpian Club won first prize in Cancer Control work with their report of \$87.09 donated on tag-day in Crowell.

B & PW CLUB SPRING DINNER

Miss Cora Carter, Mrs. Lillie Welch and Mrs. Inez Spencer were hostesses for a dinner meeting of the Business and Professional Women's Club on Thursday evening, April 15, in the home of Mrs. Irene O'Connell.

Decorations were in the club colors, pink and green. Place cards were pink umbrellas and pink plants. Spring flowers, irises and tulips, decorated the table while spirea Van Houteti was strewn along the center decorations of pink and green down the entire length of the table.

Miss Carter served as master of ceremonies and introduced each member who impersonated a famous person. This resulted in a varied program of plays, solos, double piano numbers, dance teams, commentators, choruses, and orchestras.

Mrs. Elizabeth Hardin and Miss Carmen Whitia attended as new members and Mrs. Joyzelle Sauls was a guest.

WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met on Wednesday, April 14, with Mrs. J. L. Kinchloe. "Food to Make the Patient Happy" was the subject for discussion.

Mrs. Henry Ross gave "Fun for the Sick Child." Mrs. John Teague told how to keep grandmother happy with the proper food attractively served.

Mrs. Kinchloe's demonstration was on arranging and serving trays for the convalescent. One for men; one for children and one for women was demonstrated. Mrs. Kinchloe also gave a flannel talk on proper foods, decorations and dishes for trays.

The hostess served a lovely refreshment plate to those present. The next meeting will be with Mrs. L. Kamstra.

ADELPHIAN CLUB

Mrs. S. S. Bell and Mrs. T. N. Bell were hostesses to the Adelpian Club Wednesday afternoon, April 14, in the home of Mrs. S. S. Bell.

After a short business session Mrs. James Weiss, leader for the afternoon, introduced the delegates who attended the Seventh District convention of Texas Federation of Women's Clubs which was held in Pampa on April 5 and 6.

Mrs. Richard Ferguson reported "Things of Interest on the First Day of the Convention." She also gave the important points from the Junior convention held in Ft. Worth the previous week. Several of the official speakers spoke at both meetings. Mrs. Ferguson stressed the fact that progress on the part of the Junior clubs had been noted and urged that the Senior clubs work harder to attain higher goals before they were outdistanced by the younger workers.

Mrs. Hubert Brown reported the president's session at the convention and the highlights from the speakers' talks on the second

NEW BOOKS IN LIBRARY

"Taos and Its Artists" by Mabel Luhan has been added to the Library books recently. This is perhaps the most unusual art colony in the world. Taos is perhaps the most closely knit community in the world. It was founded during the First World War.

Another new book is "Driftwood Valley" by Theodora C. Stanwell-Fletcher. In a remote part of British Columbia, some thirty miles from the nearest village and over two hundred miles from the nearest road, railroad or telephone, two young people built their log cabin and spent three eventful years.

Ordinary House Fly Is Menace to Health

Austin, Texas. The ordinary housefly is an enemy to health, and is one of the agents most commonly responsible for the spread of disease throughout the nation, according to Dr. Geo. C. Cox, State Health Officer. Typhoid fever, dysentery, and many other intestinal diseases can often be traced to the common housefly as the carrier of infection.

Speaking in this connection, Dr. Cox advised: "Be sure that your windows and doors are tightly screened so that stray flies will not endanger the health of your family. Keep flies away from food, drink, and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infections from this source can be picked up by flies and spread to human beings through contact with food, drink and utensils.

Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Dr. Cox said that the State Health Department would furnish upon request a pamphlet outlining safe and practical methods recommended for use in fly control.
