'Motor Memories' of Henry Ford

Warmth of 50 years' friendship attaches to this hitherto unpublished photograph of Henry Ford and Eugene W. Lewis (right) Detroit author, taken at Richmond Hill, the Ford Georgia plantation. It is in print in "Motor Memories" (Alved, of Detroit, Inc.) Mr. Lewis' book about automotive pioneers he knew so well. The sweater and tie of Mrs. Ford, "The Believer," who was constantly at his side, into the death of Henry Ford April 7 at the age of 83 years.

Community Circus Show at Santa Rosa June 7

Suggestions have been made to bring to Vernon the nationally famous Gainesville Community Circus, the only show of its kind in the world. The performance will be given Thursday night, June 7 at the Santa Rosa Roundup grounds. There are 150 performers in this unique amusement enterprise which presents a two-hour show of more than 100 features in three rings, running the gamut of circus thrills. Unlike professional circuses, the bareback rider is a high school athlete, the clown cop is a man and surgeon, the horse operator a truck line operator, the tight wire artists are a woman and her daughter. Accompanying with an elaborate spectacle "Spangleland Fantasy" in which the entire personnel appears in gorgeous costumes, the program includes acrobats, jugglers, aerialists, trapeze artists and two severe funny acts.

There are thrills aplenty when Reeves walks upside down in the arena without a net and when Gloria Shephard tumbles through space on the loop trapeze. The Starling, a clever feminine acrobat, does a startling teeter-board act, and Buddy Gandil, a galloping horse, stands in the steeplechase.

Alexanders, six-people barebacking act, employing three builds three-high pyramids on the broad backs of their steeds, and pretty Evelyn slides 200 feet from the center pole to the ground, aided only by her teeth. It is fortunate that it is in the itinerary of the show plays inasmuch as the show plays eight engagements outside Gainesville during the 1947 season.

All the children of the city are invited to attend the school.

Commencement for Eighth Grade Pupils Held on May 20

Graduation exercises for Grammar School were held in the High School auditorium on Tuesday afternoon, May 20. Betty Guthrie played the processional for the class to enter.

An ensemble, "The Old Lamp Lighter" was presented by the girls of the class with Betty Guthrie playing accompaniment. A piano solo was rendered by Bobbie Ruth Abston. "Memories" was sung by Rozella Autry with her accompaniment being played by Bobbie Ruth Abston.

The address to the class was made by Rev. D. D. Denison, pastor of the Crowell Methodist Church. He made timely remarks to the students, using Daniel as an example and quoting the scripture "And he purposed in his heart that he would not defile himself."

Miss Cora Carter, Grammar School Principal, presented the diplomas to the graduates. Supt. Graves dismissed the assembly with prayer and Betty Guthrie played their recessional.

The largest class of eighth grade graduates in several years, 44 in number, 19 girls and 25 boys, comprised the roll this year.

Bobbie Ruth Abston was valedictorian with an average of 94.3 and Betty Barker, with an average of 94.2, was salutatorian. Charles Steele had the highest average for the boys, 91.4.

Search Now on for Oldest Chevrolet Truck Still in Use

Owners of early-model Chevrolet trucks in Foard County were invited today by Borchardt Chevrolet Co. to participate in a nationwide search by the Chevrolet Motor Division to locate the oldest Chevrolet truck still in active service in the United States.

"The owner of the oldest truck will be presented with a brand new Advance-Design truck and may choose any standard model in the current line of Chevrolet commercial cars and trucks," R. H. Borchardt said.

Trucks entered in the search must be driven to a Chevrolet dealership, where official entry blanks are available. The search ends June 15, 1947, and the winner will be notified on or before June 20, 1947.

"We have a large number of old Chevrolet trucks still in everyday service in the Foard County area," Mr. Borchardt said, "and the winning vehicle may be on a farm or engaged in some other hauling work right in our own community."

The winning truck must carry 1947 license plates. The oldest Chevrolet truck will be determined by the earliest serial number. In cases where the serial number is lost or illegible, the number may be established by an original bill of sale or other legal documents showing the original serial number.

Entries must be filed with the Chevrolet dealer by midnight June 15, the local dealer emphasized. Only vehicles manufactured as trucks by Chevrolet are eligible, and the search is open to all truck owners with the exception of employees of the Chevrolet Motor Division, dealers in cars and trucks and their employees.

Dr. A. L. Borchardt Named Head of Golf Association

Dr. A. L. Borchardt of Vernon, son of Mr. and Mrs. F. C. Borchardt of Crowell, has been elected president of the Greenbelt Golf Association to succeed T. S. Haney of Crowell, who has held that position for some time. Sid Collins of Vernon, son of Mrs. T. L. Collins of Crowell, was appointed as secretary.

The directorship of the Golf Association is composed of one member from each city in the organization. T. S. Haney represents Crowell. The 21st annual Greenbelt tournament was concluded Sunday afternoon.

Help May Be Had for Harvest Aid

If there are those who need to contact help for harvesting their grain crops, they are informed that they may get in touch with the County Agent's office for information. Joe Burkett, County Agent, has a line-up on all who have come in to help with the harvest.

LEAVES FOR JAPAN

Mrs. Fred Priest left Monday for Seattle, Wash., where she will sail for Tokyo, Japan, to join her husband, Staff-Sgt. Fred Priest, who has been on duty in the Army Material Area office. He has been in Japan for the past seven months.

The state of Maine has 2,465 lakes.

Vacation Bible School to Start at Baptist Church

Registration for the annual Vacation Bible School of the First Baptist Church will begin at three o'clock Friday afternoon, May 30. Immediately following this there will be a picnic on the church lawn for all the boys and girls and their leaders.

The Vacation Bible School will be held June 2-13, (Monday through Friday), from 8:30 to 11:30 each morning. For boys and girls ages 4 to 16 there will be music, Bible stories, character stories, handwork, directed recreation and various other activities of interest.

The faculty will be: principal, Mrs. N. B. Moon; general secretary, Mrs. E. C. King; pianist, Mrs. Mac Steele; director of recreation, Mrs. John Nichols; directors of refreshments, Mrs. Homer Zeibig and Mrs. Howard Williams; assisted by Mrs. Ruth Anderson; director of boys' handwork, Joe Burkett, assisted by Grady Graves J. B. Harlan, Marvin Myers and James Welch; superintendent of nursery, Mrs. J. V. Allen, assisted by Mrs. Luther Denton; superintendent of beginners, Mrs. Charles Ferguson, assisted by Mrs. Glenn Goodwin, Mrs. George Fox, Mrs. Ed McDaniel and Miss Betty Seale; superintendent of primaries, Miss Marjorie Brock, assisted by Mrs. John Edwards, Miss Betty Williams, Miss Lola Mae Fox, Miss Ina Mae Hardin and Miss Mary Brock; superintendent of juniors, Mrs. Louis Purvis, assisted by Mrs. Weldon Johnson, Miss Ruth Barker, Mrs. Audie Brown, Miss Doris Denton and Miss Glenna Self; superintendent of intermediates, Mrs. Gordon Bell, assisted by Mrs. J. B. Harlan, Mrs. J. H. Fields, Miss Betty Barker, Miss Martha Johnson and Mrs. Gilbert Lanford.

Commencement will be held Friday, June 13, at 8:30 p. m. At that time there will be demonstrations of work accomplished given by the various departments. All parents and friends are invited to attend.

Officers to Be Elected for Thalia Cemetery Ass'n.

A meeting will be held in the school auditorium at Thalia Friday night at 8 o'clock to elect new officers for the Thalia Cemetery Association. It was announced here Tuesday by Will Johnson, president.

This is an important meeting and everybody interested in the Thalia cemetery is urged to attend.

Ben Franklin Store Having Pre-Harvest Sale Starting Friday

The Ben Franklin Store, owned and operated by Mr. and Mrs. Dick Davis, is starting a sale Friday in which many items are being quoted at a very low price in order to reduce the stock. A big ad listing the many bargains appears in this issue of the paper.

Mayor Calls to Mind Memorial Day

Mayor W. H. Moyer calls to mind that Friday, May 30, is Memorial Day, a national holiday. He suggests that the war dead be honored in some way on that day. Their graves decorated, a kindness done in their honor, or, at least, a moment of silent prayer of thanksgiving and appreciation for their sacrifices be given.

New Farm Road to Margaret Will Be Finished Soon

The construction crew of the Highway Department on the Farm Road No. 98 to Margaret is putting forth every effort possible to get the road completed and ready for the harvest traffic. It was announced Tuesday by H. T. Cunningham, resident engineer.

Mr. Cunningham reports that some delay is being caused by motorists tearing down barricades and cutting up surface of roadbed which interferes with the progress of the work.

Without these hindrances, the work could make more rapid progress and the road completed and be ready for use much sooner, Mr. Cunningham said.

First Load 1947 Wheat Received at Foard County Mill

The first load of the 1947 wheat crop was received at the Foard County Mill Wednesday afternoon. The new wheat tested 61 lbs. and had a 15 per cent moisture content. The wheat was raised by Lawrence Glover on ninety acres of land owned by C. P. Sandifer, south of Dwight Camp. The place and averaged 25 bushels per acre.

Mr. Sandifer put this land in cultivation a short time after coming to this section in 1889.

Dave Rhodes New Jobber for Phillips Petroleum Company

Dave Rhodes of Berger took over his duties last week as jobber for the wholesale distribution of Phillips Petroleum Company products for this county to fill the vacancy made by the resignation of Earl Mason of Vernon, who had been operating the business for several months.

Mr. Rhodes expects to move Mrs. Rhodes and their three children to Crowell to make their home as soon as he can secure a house in which to live. Mr. Mason resigned as jobber here on account of the fact that he recently bought the Chaney Service Station on East Wilbarger street in Vernon and its operation required all of his time.

MOVE TO VERNON

Mr. and Mrs. O. D. Rader moved to Vernon last week where they had recently bought a home and where they expect to reside permanently. Mr. Rader had lived in Foard County for the past 39 years and since 1924 he and his wife had lived on C. P. Sandifer's farm in the south part of the county. The hail storm which struck in that vicinity about three weeks ago practically destroyed Mr. Rader's wheat crop. He estimates that he lost approximately 700 acres.

Mr. and Mrs. Rader had already arranged to retire from the farm following the harvest of this year's wheat crop.

Lynn, Mass., has been manufacturing boots and shoes since 1636.

1947 Wheat Harvest for Foard County Will Get Underway Next Week Provided the Weather Remains Favorable

Although some wheat has been harvested in the county this week, the harvest season is not likely to get into full swing until the latter part of next week, and a great deal depends on weather conditions during the next few days. The absence of rain and

the summer weather with high winds for the first days of the week have been beneficial in drying out the wheat and causing it to ripen faster.

The wheat acreage in the county has been damaged by rain, wind and hail, from 15 to 20 per cent, it is estimated by County Agent Joe Burkett. Mr. Burkett states that there is a possible shortage of combines, but there is an excess of laborers at the present.

According to Burkett, Westar wheat is showing up good thus far and is not falling and lodging. This variety of wheat has been damaged less by water than other varieties. There is some falling and lodging in Early Black Hull wheat at some fields have offered considerable damage to this, Burkett said.

Comanche, Tenmark and Wichita are showing up pretty well with a smaller percentage of lodging than Early Black Hull, the agent further stated. Last year Early Black Hull outyielded the other varieties in Foard County, but the outlook now is that it will be trailing Westar, Comanche and some of the other varieties by several bushels.

After almost a whole month of rain and mud, the old-time sand storm that raged Wednesday afternoon was a district surprise to residents of this section. Continued dry weather for three or four weeks, or less, the 1947 wheat harvest will be drawing to a close.

Mrs. J. F. Steele Succumbs Early Saturday Morning

Mrs. J. F. Steele passed away in the Foard County hospital at an early hour Saturday morning, May 24, following a long illness. Funeral services were held Sunday afternoon, May 25, at 3:30 o'clock at the Methodist Church with Rev. D. D. Denison, the pastor, officiating. He was assisted by N. B. Moon, pastor of the First Baptist Church.

John Rasor of Vernon sang "Sunrise" as a solo. A mixed quartet, Mrs. Charlie Thompson, Mrs. T. B. Klepper, R. H. Cooper and A. Y. Beverly, sang "Many Mansions." Mrs. Paul Shirley was accompanist. Rev. Denison based his talk on "In My Father's House Are Many Mansions" a scripture selected by the deceased.

Funeral Services Held at Methodist Church Sunday

Pall bearers were John Long, Virgil Johnson, Hubert Brown, H. E. Thomson, Jim Cates and Curtis Ribble. Flower bearers included Mesdames Virgil Johnson, J. W. Bruce, Jim Cook, H. E. Thomson, Earl Manard, Curtis Ribble, Gordon Cooper and Misses Frankie Kirkpatrick, Nona Olds and Sybil Hays. Members of Mrs. Steele's Sunday School class and of the Woman's Society of Christian Service, of both of which she was a faithful member, and other close friends, were named as honorary flower bearers.

Interment was made in the Crowell cemetery under the direction of Womack Funeral Home.

Mrs. Rosanna Eslinger Steele was born in Bremen, Ind., on Feb. 10, 1863. She was married to the late J. F. Steele in Indiana in 1886. They came to Texas in 1895 and to Foard County in 1933. They had resided here since that time. She was converted and united with the Methodist Church in early life and had lived a Christian life, doing many unselfish deeds through the years. She was devoted to her church and its activities and to her last days was interested in its ongoing.

Six children were born to Mr. and Mrs. Steele, three girls and three boys, only two of whom survive. They are Earl Steele and Roy Steele of Crowell. Mr. and Mrs. Steele suffered the hardships of all pioneers and also appreciated the blessings of life. They survived two major disasters, the Galveston flood and the Crowell tornado.

Besides the two sons, survivors are three brothers, Edward Eslinger of Kinsley, Kan., Robert and William Eslinger of Hardin, Mo., eleven grandchildren and eleven great grandchildren.

Out-of-town relatives attending the funeral services were one brother, Robert Eslinger of Hardin, Mo., Mr. and Mrs. Tollie Steele and baby son, James Frank, and Carl Steele, of Dallas; Mr. and Mrs. R. C. Steele and two daughters, Nadene and Sharon, of Fort Worth; Mr. and Mrs. Robert Steele and children, Bobby and Karan, of Stillwater, Okla.; and Wayne Steele of Norman, Okla. Two grandchildren, Ray Steele, of Dallas and Leroy Steele of Helena, Mont., were unable to be present.

Meeting of Parents' Organization to Be Held Tuesday, June 3

There will be a regular meeting of the Parents' Organization in the Red Cross room of the County Court House on Tuesday morning, June 3rd, at 9:30 o'clock. Every member is urged to be present at the meeting.

ROTARY CLUB

Rotarians T. W. Harding of Dallas, Vance Favor of Quanah and R. D. L. Killough of Vernon were visitors at the Wednesday noon meeting of the Crowell Rotary Club in the banquet hall of the First Baptist Church.

With Marion Crowell as program chairman, Herbert Edwards, whose classification is retail dry goods, made a clever classification talk on shoes.

Dr. W. M. Pearce Will Retire from Active Service

Dr. W. M. Pearce, district superintendent for the Vernon district of Methodist churches of the Northwest Texas Conference, has brought to a close six years of service in that capacity and on Sunday in Amarillo, at the concluding session of the annual meeting of the Conference, will retire from the active ministry on account of ill health.

Dr. and Mrs. Pearce plan to move from Vernon to Pampa, where they lived prior to going to Vernon. Dr. Pearce will probably do some local work for the church there but will not be a pastor.

Dr. Pearce has had a ministry as district superintendent which is outstanding in forward projects. All churches of the Vernon district show forward strides as to evangelistic work, debt paying, church building, church repairing and other activities.

Rev. and Mrs. Pearce are now attending the conference in session in Amarillo. Mrs. Pearce has also been active in church work and an aid to her husband.

Donkey Soft-Ball Game to Be Held Thursday, June 5

A donkey soft-ball game will be staged at the Crowell ball park on Thursday evening, June 5, to start at 8 o'clock. The Crowell Roping Club will play the Crowell Soft-ball team. Trained donkeys from Crescent, Okla., will be used in the game and an interesting game is assured. Everybody is invited to attend.

Roping Club Will Have Meeting Friday

A meeting of the Crowell Roping Club will be held Friday, May 30, at Weiss Farm Equipment at 8 p. m., when a financial report will be made and other business of importance will be transacted. Every member of the Roping Club is urged to attend the meeting. There will be a regular roping held on Sunday afternoon at 2 o'clock at the Crowell Club grounds.

New Drugs Should Be Administered By Trained Hands

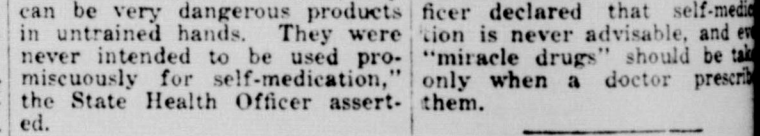

Austin.—It is an unfortunate fact that some people are willing to risk their health—possibly even their lives—by prescribing for themselves and taking a drug that they have read about somewhere and which has been termed a "miracle drug," states Dr. Geo. W. Cox, State Health Officer.

"Although such drugs as penicillin, streptomycin, thiouracil and sulfa drugs have been of great value in combating diseases that have heretofore been very difficult to control, nevertheless, they can be very dangerous products in untrained hands. They were never intended to be used promiscuously for self-medication," the State Health Officer asserted.

If a pharmacist refuses to sell a particular drug and explains that it cannot be supplied without a physician's prescription the would-be purchaser should not become provoked. That pharmacist is giving sound public health advice and is also complying with the law. The State Health Officer declared that self-medication is never advisable, and that "miracle drugs" should be taken only when a doctor prescribes them.

What We Think

(By Frank Dixon)

We read and hear so much these days about the coming recession or depression whichever the particular writer chooses to call it, that we are all more or less confused.

I do not base my conclusion upon any inside information nor do I have access to a crystal ball. I base it on the known facts and conditions and trends.

We can delude ourselves if we choose to. That is everyone's blessed privilege.

ing that we can continue to go on in our present course with periodic strikes and wage increases and periodic advances in the cost of living to be followed by more strikes and more wage increases.

At the present moment, because we choose to delude ourselves with a false reasoning that it can go on and on, no one is doing much about it, no one is doing anything to remedy it.

Labor continues to strike demanding more and more pay causing corresponding price advances in manufactured goods and sending increased price eddies in all directions as does the pebble dropped into the pool.

Foard City W. S. C. S. Met Monday, May 26

On Monday, May 26, the Foard City Woman's Society of Christian Service met in the home of Mrs. Virgil Johnson. "Blest be the Tie" was the opening hymn and a prayer was offered by Mrs. Grady Halbert. With the president in charge, the business session was held, with several new items being discussed. The devotional, based upon the 2nd chapter of Acts, was brought by Mrs. Virgil Johnson, who led a general discussion upon "mountain top" experiences, the feeling of the Divine presence. Mrs. Grady Halbert brought the last lesson of the study "The Christian and Race." She said that we can follow our racial practices and be thrust into a global race war where we may be outnumbered four to one. The child of the white race does not form his attitudes of other races through contact with that race but through the attitudes of his parents toward that race. If all men are equal before God, why are they not equal before men, she asked. A high school student in giving his idea of a solution to the race problem said, "We should get out our big broom and sweep out our petty prejudices." Whatever the decision may be, this is known "There is no master race and there must be no servile race. We can have color caste or we can have Christianity. We cannot have both." The story of Dr. O'Hara's experiences and conclusions as told in the book, has been very interesting and the women feel that their racial attitudes have undergone a change in the broader sense of the word. Mrs. Luther Marlow dismissed the group with prayer after which the hostess served iced punch.

COLUMBIAN CLUB

The Columbian Club was entertained by Mrs. Crews Cooper in the home of Mrs. Maurice Kenner on Wednesday, May 21, in the last meeting of the club year. Mrs. C. E. Ferguson, leader for the afternoon's program, conducted an interesting program on "Women and Their Achievements." Roll call was answered by suggestions for next year's club projects. Mrs. R. L. Kincaid gave a report of the State convention of Texas Federation of Women's Clubs which met in Houston from May 12 to 15. The new state officers were elected and installed. Mrs. John Perry of Sweetwater was elected president and announced her year's projects as Youth Conservation, International Relations and Recruiting of Teachers for the Public Schools. "A Watch for Mary," was the title of an article given by the leader, which was an interesting story of Abraham Lincoln buying a handsome watch for Mary Todd, who became his wife. Mrs. T. L. Hughston told of the life and works of Carrie Jacobs Bond. "Great American Women" was discussed by Mrs. Lee Black and the activities of such women as Frances Willard and others were included. Mrs. Cooper served dainty refreshments and another happy year's work came to an end.

"My Brother Talks to Horses" Will Appeal to All of the Family

Every once in a while there comes out of Hollywood a story that is of personal appeal to every member of the family from Grandpa down to little Junior. Such a story is unfolded on the Rialto screens June 1 and 2, in "My Brother Talks to Horses," with "Butch" Jenkins, Peter Crawford, Beverly Tyler and Spring Byington comprising a household that may not be exactly like the one next door but is one you will find difficult to forget.

The Empire State building in New York is the tallest building in the world, with 102 stories.

SENATE JOINT RESOLUTION NO. 4

Proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas as a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, or organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such

institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereunder authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of higher learning, and in the following proportions, to-wit:

Table with 2 columns: Institution and Per Cent of Total. Includes John Tarleton Agricultural College (5.72107), North Texas Agricultural College (6.17028), Texas State College for Women (11.52992), Texas College of Arts and Industries (4.75551), College of Mines and Metallurgy (4.71936), Texas Technological College (16.54877), East Texas State Teachers College (8.10657), North Texas State Teachers College (12.64522), Sam Houston State Teachers College (5.55068), Southwest State Teachers College (6.78474), Stephen F. Austin State Teachers College (4.55414), Sul Ross State Teachers College (2.15315), West Texas State Teachers College (5.41643), Prairie View Agricultural and Mechanical College of Texas (5.34416).

Not later than June 1st of the beginning year of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants

upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose.

Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million (\$5,000,000.00) Dollars, and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million (\$10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:

For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas.

Against the amendment to the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning in the amounts of Two (2c) Cents and Five (5c) Cents, respectively; providing for a Five (5c) Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state. Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

VETERANS' QUESTIONS AND ANSWERS

Q. I was discharged from the U. S. Army in May, 1945. Are readjustment allowances still available to me?

A. Yes. Readjustment allowances are available to any eligible veteran until 2 years after the date of his discharge or release, or until 2 years after the official termination of the war, whichever is later.

Q. I am a World War II veteran and have been ill for five months. At the end of my sixth month of total disability, will I have to continue paying my National Service Life Insurance premiums or is a waiver granted automatically?

A. No automatic waiver of premiums is ever granted. A veteran must be disabled for six months before he may apply for a waiver of premiums. You are entitled to file a claim for refund of those premiums you paid from the date on which the waiver becomes effective.

Q. I receive a portion of my husband's compensation because

we are separated. Am I entitled to a widow's pension at his death?

A. At the death of your husband, you may be entitled to a widow's pension notwithstanding the separation, provided you are otherwise eligible.

Q. Under what conditions is a veteran entitled to out-patient treatment from the Veterans Administration?

A. A veteran whose disabilities are service-connected may receive out-patient medical, surgical and dental service for service-connected diseases or injuries. Treatment may be given at a Veterans Administration field station, or

VA may authorize it to be given by a physician or dentist in the applicant's place of residence.

Two Minute Sermon

(By Thomas H. Eastwood)
 Paying for the Tulip Bed: One day recently a couple of small boys in our neighborhood made a raid on a beautiful tulip bed and pulled all the flowers and in one of the neighborhood yards trampled down the plants, destroying for the season, the tulip bed. The father of one of the boys discovered what had been done and brought his young son down to the neighbor whose flower bed had been destroyed. "Jackie," he said, "has a confession to make to you Mrs. Smith. He destroyed your tulip bed. He can't replace the tulips, but I have suggested to him that he bring each week to you five cents from his weekly allowance of ten cents. He is to do this each week for twenty weeks until the tulips are paid for." Mrs. Smith, while she knew that a dollar would not pay for the tulips sensed that the father was trying to teach the boy a lesson and agreed to the plan. Each week Jackie brought his nickel, gave it to Mrs. Smith and told her he was sorry that he had destroyed her flowers. I thought when I heard it, here is a wise father. Jackie is learning a lesson that he will never forget—a lesson that will go with him all through life—that whenever he destroys another's tulip beds he must pay for it.

Improved SUNDAY Uniform International SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute of Chicago. Released by Western Newspaper Union.

Lesson for June 1

FACING NATIONAL PERILS
 Lesson Text—II Kings 19:5-7, 32-37, 20:12-17.
 Memory Selection — For thus said the Lord God, the Holy One of Israel: in returning and rest shall ye be saved; in quietness and in confidence shall be your strength.—Isaiah 30:15.

Perilous times had come upon the southern part of the divided kingdom known as Judah. There had been a period of outward prosperity under King Uzziah, but the inward decay of the people made it an empty thing. Judah, like Israel, was on the downward path which was to lead to ultimate captivity and judgment. The occasional reign of good kings seemed to stem the tide a bit; in fact, the great king of whom we study today, Hezekiah, gave Judah a "fresh lease on life and enabled her to outlive her sister kingdom by nearly a century and a half."

Judah experienced a real revival of faith in God under Hezekiah, II Kings 10:4-6, Chron. 29:31). The temple was cleansed, the priesthood renewed and re-consecrated, and the great feast of the Passover kept once more. This undoubtedly explains the new life which came to Judah in an hour when the nation seemed about to disintegrate.

I. The Enemy's Threat (19:5, 6). For the background here one must read the previous chapter. Hezekiah, having tried to throw off the yoke of Assyria, had seen Sennacherib and his armies sweep over the land. Thinking to stop him and to save Jerusalem, he sent great gifts amounting in value to millions of dollars. The gift was accepted, and then Sennacherib treacherously seized Jerusalem.

Rabshakeh, Sennacherib's messenger to Hezekiah, not only threatened the nation, but blasphemously denied the power of God. Such was the awful situation Hezekiah faced as he went to the temple, and sept trusted servants to inquire of Isaiah what he ought to do.

The response was prompt and definite. We may learn from this incident that in an hour of confusion and danger it is well to take time to find out what the Lord has to say about things. He knows what to do!

II. The Lord's Answer (19:7, 32-37). God has only to blow on the mighty, blustering monarchs of this world and they come to their end, definitely and conclusively. The "blast" of the Lord (v. 7) is enough to care for that! And remember, he is still ready to act on behalf of his people!

On the plains of Philistia the mighty host of Assyria met the angel of the Lord, and they never awoke from their sleep. The loss of 185,000 men sent Sennacherib home to Nineveh broken and fearful, and there he met his own violent death.

How much we need the encouragement of such an event as this in our own day when the mighty of this earth seem to speak so boldly and confidently against the name of the Lord. His children must often hear the blasphemous threats of unbelievers and bear the burden of their scorn.

Let us remember that we do serve a God who can with a glance of his eyes throw into confusion all the enemies of his mighty name. Let us be strong to fight the victorious battle in his name!

Hezekiah knew the sweetness of victory as he trusted in the Lord. If we could only rest the matter there. But the weakness of the flesh comes to the fore as we see

III. The King's Folly (20:12-17). Babylon, one of the great Gentile enemies of Assyria, wanted to cultivate the friendship of Hezekiah, so an embassy was sent to express joy at his recovery from a serious illness.

It was the Lord who had healed him (see 20:1-11) in a miraculous way, but now Hezekiah did the foolish thing of trying to cultivate the help of men.

To impress these possible allies from Babylon, he showed them all his wealth. He evidently wanted them to return to their ruler with a story of the might and glory of Judah.

Poor Hezekiah! He only made a fool of himself, prepared the way for the ultimate taking of his possessions and his people by the Babylonians.

The lesson to be learned here is not only that boasting is folly (although that is always true), but also that it is the height of folly to put one's trust in the arms of flesh.

Weekly Sermon

The Rev. Will H. Houghton, D. D. LL. D., President, Moody Bible Institute, Chicago.

Pride
 Isaac Watts once wrote in a hymn this indictment of pride:
 "How proud we are, how fond to shew
 Our clothes, and call them rich
 and new,
 When the poor sheep and silk-worm wore
 That very clothing long before."

If Watts were writing now, he would need to refer to the newer fibers which are being made into yarns and fabrics. Neckties from wood, garments from glass, men's hats from milk—to mention but a few of these newer materials. But however new the apparel, the old stirrings of pride and show will still be with us—even in Christians. Pride isn't necessarily a matter of clothes. Some people are proud of their drabness, and some are proud of their lack of pride.

Gipsy Smith mentions three varieties: pride of face, pride of race, pride of grace. The last is religious pride that says, "I thank Thee that I am not like other men." This is the worst pride of all. As to apparel, surely no one will boast either in speech or in strut if he really hears the word of Jesus: "And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin; and yet I say unto you, That even Solomon in all his glory was not arrayed like one of these." (Matt. 6:28, 29).

HOUSEHOLD HINTS

Making Brooms Last Longer.—Brooms will last longer and not wear the nap off the carpet if they are occasionally dipped into boiling water and allowed to stand in it until the water cools, then put out into the open air until they become dry. When the brooms are not in use they should be inverted and placed in a cupboard to keep them out of the way, or hung up.

Use of Wash Water.—After washing, throw the soapy water on your porch, then scrub the floor with a broom. Then throw your rinse water on the floor and wash with the broom. It's a better method than scrubbing and saves time.

There is no dignity quite so impressive, and no independence quite so important, as living within your means.—Calvin Coolidge.

Uncle Sam Says

Whenever I hear one of my nephews say he has bought United States Savings Bonds, I feel like nudging him and saying: "Nephew, you haven't really bought anything. That may sound strange at first, but the proof is simple. Ordinarily when you buy something you have to spend your money. What you have actually done in acquiring savings bonds is to exchange non-interest bearing notes for interest bearing ones. You have merely converted your money into a different form, a form in which it will start growing in amount. In savings bonds form your money earns \$4 for every \$3 invested in ten years."

Miss McDaniel Weds Gordon Erwin Sunday at Methodist Parsonage

The marriage of Miss Bobby McDaniel and Gordon Cooper, both young people of Crowell, was solemnized in the parsonage of the Methodist Church Sunday afternoon, May 25, at 3 o'clock, with Rev. D. D. Denison, pastor of the church, performing the ceremony.

The marriage took place before an improvised altar before double windows in the living room. Tall pedestals holding ferns were placed at the sides of the altar and an archway of pink snapdragons and blue larkspur was placed on the white-covered floor. The bridal couple stood under the archway.

Miss Kathleen Eddy was bridesmaid and Clarence Orr was best man. Miss Mariene Mason also attended the wedding.

Miss Sharon Haney sang "Because" to accordion accompaniment by Mrs. Denison.

The bride was attired in a dress of white eyelid embroidery with which she wore navy blue and white accessories. Her corsage was of pink sweetheart rosebuds. Miss Eddy wore a brown and blue butcher linen ensemble, with white accessories and a pink carnation corsage.

Immediately following the mar-

riage, the wedding party went to the home of Mr. and Mrs. W. C. Erwin, parents of the groom, where a small reception was given for them. Receiving at the door was Mrs. Erwin and the receiving line was composed of the bride and groom and Mrs. Pat McDaniel, mother of the bride.

In the dining room, the pretty three-tiered cake, decorated in pink and white and topped with a miniature bride and groom, was cut for the guests, after first being cut by the bride and groom, by Mrs. Gordon Gribble, aunt of the groom. The cake was served with frosted punch by Misses Sharon Haney and Kathleen Eddy. The tiny pink napkins, with bobby-Gordon on the corner, were in pink. Mrs. A. Y. Beverly received in the room where the bridal gifts were displayed.

Only relatives and a few friends attended the reception. Following it, Mr. and Mrs. Erwin left for Lubbock and Carlsbad, N. M., on a brief honeymoon. They will go to Denton next week where Mr. Erwin will attend Texas State College during the summer term. He is majoring in Physical Education.

Mrs. Erwin, the daughter of Mr. and Mrs. Pat McDaniel, was a member of the Senior class of the current year. Mr. Erwin is a graduate of the 1944 class of Crowell High School, he also has had one year at Texas Tech in Lubbock. He served in the U. S.

Navy for fifteen months, nine months of which were spent overseas.

Bridal Shower Given at Thalia for a Former Resident

Mrs. Beryl Massengill of Vernon, who was formerly Miss Nell Thompson, daughter of Mr. and Mrs. John Thompson of Gilliland, ex-residents of Thalia, was named as honoree at a lovely bridal shower at the home of Mrs. R. H. Cooper in Thalia Tuesday afternoon, May 27, from 3 until 5 with Mrs. Glen Gamble as co-hostess with Mrs. Cooper.

Mrs. Cooper greeted the guests at the door and presented them to the receiving line composed of the bride; Mrs. John Thompson, her mother; Mrs. B. W. Massengill of Gilliland, mother of the groom; Mrs. J. A. Abston of Thalia, grandmother of the bride and Mrs. Groves of Gilliland, grandmother of the groom.

The guests were invited into the dining room where punch was poured by Misses Norma Gamble and Jane Cooper. The dining table had as a center decoration a crystal bowl filled with roses. Miss Dorothy Gamble presided at the bride's table and Mrs. Raymond Grimm received the guests in the gift room where the many lovely gifts were displayed. Spring flowers were used in decoration throughout the entertaining rooms.

Misses Bobbie Ruth Abston and Lora Abston played incidental piano music during the reception hours.

Miss Bonnie Schroeder and Floyd Phillips Are Wed in Vernon

Miss Bonnie Schroeder, daughter of Mr. Otto Schroeder of Vernon, formerly of Riverside, and Floyd Phillips, son of W. A. Phillips, of Vernon, were married Saturday evening in the parsonage of the First Baptist Church in Vernon with Rev. E. S. James, pastor of the church, officiating with the double ring ceremony.

The bride wore an aqua mesh dress with brown accessories and a corsage of gardenias. Her only jewelry was a chatelaine set with blue stones, a gift of the groom. For something old, she carried a hand embroidered linen handkerchief carried by her mother on her wedding day and for something borrowed, a gold compact belonging to Miss Nell Johnson.

Miss Johnson was bridesmaid and wore a frock with black accessories and a shoulder corsage of white carnations. Elmer Jackson of Chillicothe served the groom as best man.

Following the ceremony, the couple left for Carlsbad, N. M., and upon their return they will establish their residence in Vernon.

The bride is a graduate of the Baylor University School of Nursing in Dallas and is superintendent of nurses at the Vernon Hospital. The groom served five years in the Army Air Corps, spending part of that time with the Ninth Air Force in the ETO.

The Packard Motor Co., which took 48 years to build its first million cars plans to turn out another million cars in the next five years.

Miss Anderson and Chas. W. Thompson Will Wed in June

Mr. and Mrs. Alex Anderson of Papaikou, Hawaii, have announced the engagement and approaching marriage of their daughter, Nancy Jo, to Charles William Thompson Jr. of Crowell.

The wedding will take place in Crowell at the Methodist Church in the latter part of June.

Miss Anderson is the niece of Mr. and Mrs. J. R. Beverly and has lived in their home while attending college in El Paso and Lubbock. Mr. Thompson is the son of Mr. and Mrs. Charlie Thompson and is a medical student at Texas Tech at Lubbock.

Sister of Local Lady Weds in Quanah

Miss Johnnie Day, sister of Mrs. James Loyd, became the bride of Charles B. Hinsey of Amarillo, Tuesday, May 27, in a beautiful double ring ceremony at the home of Mr. and Mrs. Harley Gravelley of Quanah.

Rev. C. Henson of Carey read the vows before a fireplace banked with gladioli, roses and sweet-peas.

C. S. Edmons of Quanah attended the groom as best man and Mrs. Loyd was matron of honor to her sister.

The bride wore a lovely two-piece white suit with sky blue trim and white accessories. For something old and something borrowed, she carried a beautiful handkerchief which belonged to a friend. For luck, she wore a sixpence in her shoe. Her corsage was of small red rosebuds. Mrs. Loyd wore a white carnation corsage.

Mrs. Hinsey has visited in the home of Mr. and Mrs. Loyd here a number of times and is well known.

Mr. and Mrs. Hinsey will make their home in Amarillo, following a wedding trip to Denver, Colo.

Geraldine Davis and J. W. Whitley Wed on May 24

Miss Geraldine Davis, daughter of Mr. and Mrs. Jim Davis, and J. W. Whitley, son of Oscar Whitley of Crowell, were married in a quiet ceremony on Saturday evening, May 24th, at the First Baptist parsonage with Rev. N. B. Moon, church pastor, officiating.

Mr. and Mrs. Whitley have established their residence in Crowell.

Girl Scouts and Council Meet

Miss Ida Mae McClure, area leader of Girl Scout work, met with the Crowell Girl Scouts on Friday, May 23, in the afternoon and met with the Council in the evening. Plans were discussed for summer camping and story telling.

The local leaders expressed thanks for the wiring and decoration of light fixtures for the Little House.

An area meeting will be held in Childress on June 10th.
