A. F. Barkley of Spearman Died October 11th

"Friends in Hansford County, and from all over the Panhandle Plains country, paid homage to an outstanding, useful life of service, when they gathered at the First Baptist Church in Spearman to pay their last respect and tribute to the memory of Judge Albert Freeman Barkley, in the memorial service held at 3 p. m., Wednesday, Oct. 13," according to a news story appearing in the Spearman Reporter, Oct. 14.

Judge Barkley, 72, died at the Shattuck, Okla., Hospital at 1 p. m., Monday, Oct. 11, after several weeks illness. He was a pioneer resident of Crowell and Foard County, having served this county as tax assessor from 1898 through 1904, leaving here in 1905 for Hansford County where he assumed the responsibilities of county clerk at Old Hansford, serving out an unexpired term.

He did not choose to run for reelection and established the Hansford Abstract Company which he operated for many years. In 1908 he became county judge of Hansford County, serving only one term at that time. In 1910 he was again elected county judge, an office he held until his death. He was married to Miss Gertrude Lyon of Denton in 1908.

He is survived by his wife, four children and five grandchildren.

Texas Farm Bureau Organization Week Is October 21-28

Farmers and ranchers of Foard County should be interested to know that Governor Beauford Jester has issued a proclamation declaring October 21-28 as Texas Farm Bureau Organization Week in Texas.

"Farmers should organize and join the Farm Bureau to protect themselves from unfavorable legislation before our state legislature," says Curtis Ribble, president of the Foard County Farm Bureau. "For instance, there is a bill now before the House to raise the gasoline tax two cents per gallon. The farm program for the year 1950 is already written. According to this program, wheat will bring 91c per bu.; Cotton 14c per pound and all other farm commodities will be in proportion. As an individual you can do nothing to stop the rise in farm labor and supplies, which are now increasing from 5 to 10 per cent each year. But as a member of the Texas Farm Bureau which is affiliated with all the Farm Bureaus in the country, you can as a united group yield tremendous power through your representatives in Austin and Washington. It is to your advantage to safeguard the prices of farm products and thus protect your family, home and county," Mr. Ribble further stated.

To date, there are 1,300,000 members in the Farm Bureau in this country.

A study of the Farm Bureau ad in this paper will show how our national income is now distributed.

The Foard County Farm Bureau County Convention will be held on Thursday evening, Nov. 4, at 7:30 p. m., in the district court room. Any farm bureau member having any resolution to bring before the meeting should have it in writing and signed. The resolution will be voted on at the convention. Delegates to which will be held at San Antonio November 8-10.

Hobo Stew to Be Held at Gambleville on Friday Night, Oct. 29

There will be a hobo stew and 42 party at the Gambleville School House on Friday night, Oct. 29, to begin at 6:30. This occasion is an annual affair with the Gambleville Club and is an outstanding event in the community. The Gambleville Home Demonstration Club is sponsoring a monster picnic which will be held at the affair. A pie supper will be held in connection with the hobo stew.

Each one who attends is asked to bring something to go into the stew and a spoon. Mrs. J. C. Prosser, president of the club, invites everybody in this section to join in the fun and enjoy an evening of neighborliness together.

WINDSTORM AT VIVIAN

The Vivian community was hit by a strong windstorm and hail on Wednesday evening, October 13. The front porch of the home of Mr. and Mrs. Allen Fish suffered damage and the roof was blown from their hay barn. Only about 1/4 inch of rain fell in the community, however.

Soil Conservation News of District

Lower Pecos River Soil Conservation District, Lower Pecos River District, Board: W. C. Howard, Grady Halbert, S. Z. Bailey, I. H. Brannon, Claude Orr.

How do grasses grow? Have you ever stopped to think just how grass grows? This question is very important to all mankind—especially those who raise and sell livestock. Growing a crop of grass is no different than growing any other crop. There are three main parts to all grass plants. These are the roots, the stems, and the leaves. All parts are important, but the leaves are probably the most important because they are the manufacturing plant for food. Water is taken up by the roots from the soil and carried up through the stem to the leaves. Here it is combined with carbon dioxide from the air. Here the main food substances are formed through the power of sunshine. The process that takes place in the leaves is very essential to grass production. Of all the elements required by grass for growth about 95 per cent are taken from the air and only about 5 per cent from the soil. This is why about half of the grass must be left ungrazed so that enough leaves remain to manufacture food and keep the plant healthy. Too close grazing soon starves the plant to death because the manufacturing system is destroyed. Also under close grazing, there are not enough leaves to support a large root system and gradually the root system dies back to match the top growth. Thus after continuous close grazing, the root system is very shallow and when dry summers come along many plants die because of an inadequate root system. The grass dies whenever it does not have a chance to grow and reproduce. In effect, the plant starves because livestock starve. Livestock starve because plants starve under too much grazing. Keeping ranges well stocked with healthy grasses is the best way to insure continuous animal production.

Former Crowell Merchant Dies in Corpus Christi

I. R. Yanny, former Crowell grocery merchant and brother-in-law of Mrs. M. J. Girsch, died in a Corpus Christi hospital on Sept. 30, following an operation. Funeral services were held in the South Bluff Methodist Church in Corpus Christi.

Mr. Yanny lived in Crowell from 1908 until 1913. His first wife, Mrs. Girsch's sister, passed away here in 1910. He had lived in Corpus Christi for many years.

Survivors include his wife and three sons.

Prizes Awarded in Poster Contest

In the recent Poster Contest sponsored by the local unit of the American Legion Auxiliary in the primary grades of the local school, first awards went to Dorothy Wehba, pupil of Mrs. Carrie Hart and to J. C. McCoy, pupil of Mrs. Henry Fields. The Auxiliary also treated the pupils of both Mrs. Fields' and Mrs. Hart's rooms to ice cream on Tuesday afternoon.

This poster contest was held as a forerunner of the "Gift-Tea" which the unit is sponsoring on Oct. 29 at the Adolphian Club House, when the Veterans Hospital Gift Shops, it is hoped that Crowell people, men, women and children will respond to this request and attend the tea in order that deserving veterans and their families will have a joyous Christmas.

The receiving hours will be from 4 to 7 o'clock, and both tea and coffee will be served.

Mrs. E. R. Roland is chairman of the committee planning this affair.

VETERANS COMPENSATION

Every veteran of World Wars I and II are entitled to the following benefits when facts warrant: service-connected compensation, disability pay, hospitalization, burial expense, veterans homes, free flag.

World War II veterans are entitled to loans on farms, homes or business, on-the-job training, farm and crop training, vocational training, widows' pension both wars, dependent parents pension. Veterans may obtain further information by writing to the United War Veterans of America, 912 1/2 Main St., Dallas, Texas.

OFFICES MOVED

The offices of the Lanier Finance Co. were moved Tuesday from the Jones building in the rooms formerly occupied by Drs. Altamirano & Gilmore. The finance company has been located for many years in the second story of the Lanier building.

B & PW Club Holds Tea to Observe B & PW Week

In observance of National Business Women's Week October 10-16, the Business and Professional Women's Club held open house last Thursday evening at the Community House. Invitations were issued to members of the Chamber of Commerce, the Rotary Club, bosses, and their wives.

Guests were received at the door by the Executive Board, made up of the president, Ella Rucker; the vice president, Cora Carter; the recording secretary, Bessie Fields; the treasurer, Thelma Hunt; and the corresponding secretary, Lillie Welch. Gusta Davis presided at the guest register.

Decorations for the refreshment table were in the club colors, pink and green. Punch was poured by Louise Fisch and served with dairy sandwiches, cookies and cheese apples by Inez Spencer and Aylene Graham.

Those calling spent a pleasant hour of visiting, inspecting the Community House, a project of the business women's club, and hearing more of the aims and plans of this organization.

Crowell Wins 5th Victory, 13-6, from Seymour Panthers

Crowell High's Wildcats racked up their fifth victory of the season here Friday night as they came from behind to beat the Seymour Panthers, 13-6, in a thrilling 9-A district battle.

Seymour started like winners and scored early in the first period. The Panthers took the ball on their own 25 yard line and marched 75 yards with Sandy Parks and Billy Green running the ball, and Buddy McCord passing to John Moorhouse. Parks made the final 10 yards on an off tackle thrust through the line for a 6-0 lead. The conversion was no good.

Early in the second period, the Wildcats started on their own 20-yard line and went 71 yards with Rouse Todd and Dalton Biggerstaff running behind good interference. A 15-yard penalty against Seymour for roughness put the ball on the Wildcats 44. From there Todd sprinted for 20 and Biggerstaff for 13 yards. Jerry Culbertson fumbled on a gain and Todd recovered for a first down. Then quarterback Biggerstaff hit pay dirt with a 12-yard scamper. The score now stood at 6-6. But not for long, as Biggerstaff passed to Billy Joe Halenack for the extra point. The score now was Crowell 7, Seymour 6.

Taking the ball a few moments later on their own 20-yard line, the Wildcats called on big Jerry Culbertson, a powerhouse of strength on the Crowell offense. On the first play, Culbertson broke through the line, sailed downfield and was given a clear road when every Crowell lineman and back took his opponent with a beautiful block and thus enabled Culbertson to score standing up and give Crowell a 13-6 lead. Todd ran the extra point over, however Crowell was offside and penalized. On the second try Grover Yocham's kick fell short so the score remained 13-6.

The Wildcats spent most of the second half near the Panther goal line but could not organize their attack for another score. Biggerstaff thrilled the crowd with a 50-yard return of a Seymour kick. Another play brought the crowd to their feet, when Biggerstaff passed to Todd for 25 yards.

During the two final periods, Crowell rolled up six first downs to one for the visitors.

The entire Crowell team gave a brilliant demonstration of high school football. To a man, they played as a united team. However, two linemen deserve a lot of credit and were outstanding, James Bice and Haek Norman. These boys were in on almost every play. If ever a player was "All State" caliber, it was Haek Norman last Friday night. He played a whale of a game.

The following Crowell players participated in the game: C. Pittillo, F. Glover, J. Bice, D. Wilkins, P. Borchardt, J. Rasberry, J. Bartley, D. Biggerstaff, R. Todd, B. Halenack, G. Yocham, T. White, H. Norman, L. McNeese, H. Ribble, J. Culbertson and B. Rader.

MORE RAIN

A slow rain fell in Crowell most of Wednesday night and prospects were good Thursday morning that it would continue.

W. S. J. Russell Dies Suddenly in Ft. Worth Oct. 16

Funeral Services Held Here Monday Afternoon, Oct. 18

Funeral services were held at the Methodist Church Monday afternoon for W. S. J. (Sam) Russell, who passed away in a hospital in Fort Worth on Saturday morning, Oct. 16, following an operation on Friday. Though his illness was of a serious nature, his death came as a distinct shock to his family and friends.

Rev. T. M. Johnston, of Vernon, district superintendent of Methodist Churches, delivered the funeral sermon and Rev. Aubrey Haynes, pastor of the Crowell church, was in charge of the services. A special song, "Beyond the Sunset," was rendered by Gus Neill of Thalia who was accompanied by Mrs. Neill. Favorite songs of the family were sung by a choir with Mrs. Paul Shirley as organ accompanist.

Pall-bearers were Bill Bell, Hubert Brown, Alton Bell, A. B. Wisdom, J. A. Stovall, Doyle Kenner, Oscar Gentry and Horace Lovelady of Vernon. All were members of the Masonic Order. Honorary pall-bearers were other Masons and the following: Leo Spencer, M. S. Henry, Duke Wallace, Foster Davis, H. E. Davis, Charlie Wilson, Henry Ferguson, Sam Crews, W. L. Ricks, Furd Halsett, Glenn Halsett, Paul Shirley, W. C. Erwin, Jim Cates, Charlie Thompson, H. C. Roark, Sam Mills, Thomas Hughton, Byron Davis, Lester Ownby, L. G. Andrews, W. W. Kinsey, W. B. Griffin, Zeke Bell, Ed Rettig and A. G. Bell.

Flower bearers included Mesdames Doyle Kenner, Hubert Brown, Joe Brown, Joe Burkett, Sam Mills, Gordon Gribble, Henry Borchardt, J. B. Harrison, Sam Bell, Fete Holcombe and Misses Thelma White, Mayme Lee Collins and Gusta Davis.

Full Masonic rites were conducted at the graveside. The Womack Funeral Service had charge of arrangements and interment.

Sam Russell was born at Braxton, N. C., on July 10, 1872. He moved to Georgia with his parents, the late Mr. and Mrs. J. R. Russell, when he was but two years of age. He came to Foard County to reside in 1896 and two years later, returned to Brassville and married Miss Georgia French. They have made their home in Foard County since that time. They quietly observed their golden wedding anniversary this year.

To them were born nine children, seven of whom are living. They are W. R. Russell of Quanah, Tom of Crowell, Ed of independence, Mrs. Herman Gentry of Crowell, Mrs. Cone Green of Levelland, Miss Lottie Russell of Crowell and Rudell Russell of Grandfield, Okla. Two daughters, Miss Grace Russell and Miss Annie Russell preceded their father in death. All the surviving children were present for the funeral with the exception of Ed, who was unable to attend.

Mr. Russell was a devout member of the Methodist Church, having become a member of the Crowell church many years ago. He was a loyal Mason, being a Master Mason, a Royal Arch Mason, a Knights Templar and a Shriner. He was considered one of the real pioneers of the county in every way and had many friends here and in the communities near-by. He was of a quiet, unobtrusive nature, his family coming first in his interests. He was a good man.

Survivors include Mrs. Russell, the seven children; one nephew, Jim Russell and one niece, Mrs. Cora Donaldson of Crowell; twelve grandchildren and five great-grandchildren and a host of other relatives and friends. One grandson, Billy Russell, lost his life in the service during World War II.

Out-of-town relatives present for the funeral were Mr. and Mrs. Cone Green and family of Levelland; Mr. and Mrs. Rudell Russell and family of Grandfield, Okla.; Mr. and Mrs. W. R. Russell, Glen David Jobe, Mr. and Mrs. Sam D. Russell and family of Quanah; Mrs. Maggie French and Clifton French of Woodsboro; Mr. and Mrs. Clinton French of Texas City; Mr. and Mrs. Dick Swan and family and Mr. and Mrs. Will Johnson and family of Thalia; Hamp Pittillo of Fort Worth; and Mrs. Hugh Jones and daughter of Childress. Many out-of-town friends attended.

Chillicothe Eagles and Crowell Wildcats will Play Fifth District 9-A Conference Game Here Friday Night

The Chillicothe Eagles and Crowell Wildcats will play football here tomorrow night in a district 9-A conference game. This will be the fifth conference contest for both teams. Crowell defeated Seymour by one touchdown in a thrilling game here last week; while the Eagles were playing a 7 to 7 tie with the Burk Burnett Bulldogs. Chillicothe won over Crowell by two touchdowns last season and the Wildcats will be trying to avenge that defeat. Chillicothe has eleven lettermen, including five regulars back from their '47 squad. The Crowell team has a better record for this season, but history will prove that statistics mean nothing when these old rivals square off for any kind of a contest.

W. F. Randle, superintendent of Chillicothe Schools, states that a large delegation plans on accompanying the Eagles here for the game.

Probable starting lineup for the Chillicothe-Crowell game:

PROBABLE STARTING LINE-UP

No.	CROWELL	Wt.	Position	Wt.	Chillicothe	No.

OFFICIALS: Presley Wright (ETSTC), Childress, referee; John Stone (Baylor), Childress, umpire; and Keith Johnston (Denver U.), headlinesman.

Crowell Wildkittens Former Crowell Man to Play "B" Team in Paducah Tonight

The Wildkittens, Crowell Grammar School football team, and the Quanah Grammar School football team played one another here last Thursday night in a contest that was almost a duplicate of their first game at Quanah. The little Indians won again by a 6 to 0 score, same count that was registered a week before. Both teams ran off the "T" formation, but the larger Quanah boys executed their plays to a better advantage. The Crowell boys covered themselves with glory on defense in holding the class AA school team to one counter.

The Wildkittens will be playing in their own class when they journey to Paducah tonight to take on the Paducah Grade School team. The business men of Paducah have purchased twenty-two uniforms for their junior team. The Crowell team has thirteen new uniforms and a small admission fee will be charged here when Paducah returns this game, so the rest of the Crowell squad might have uniforms another year.

The following sixteen boys saw service in the Quanah game here: Jim Paul Norman, Wayne Borchardt, Roy Whitley, Raymond Halenack, V. W. Latimer, Jimmy Everson, Calvin Luttrell, Geo. Scott, Leon Pechacek, Billy Johnson, James Pittillo, Billy Abston, Fred Barker, Jimmy Stinebaugh, Larry Johnson and Don Gobin.

Match Roping to Be Held in Local Arena Sunday Afternoon

The Crowell Roping Club is sponsoring a match roping contest in the arena of the local club next Sunday afternoon, Oct. 24, with Fred Albright of Guthrie and Alvis Townley of Paducah featured in the main event. Jackpot roping and bull riding will follow the main event.

Everybody in favor say— "Lubri-tection!"*

That's the word that brings you
one of America's greatest motor oils—
Phillips 66 Premium Motor Oil!

What does "Lubri-tection" mean? Brother, it means just exactly what it says! It means lubrication *plus* protection.

Yes, with Phillips 66 Premium Motor Oil in your crankcase your engine gets both lubrication *and* protection. Here's how. Phillips 66 Premium Motor Oil is expertly refined from high quality crude to give you fine basic lubrication. But that's not all it does! Certain additives and inhibitors in this oil go to work in your engine to help fight against sludge, varnish, and other harmful deposits. Next time you need oil, ask for "Lubri-tection"... at the sign of the famous orange and black Phillips 66 shield!

PHILLIPS 66 PREMIUM MOTOR OIL

* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

THALIA

(By Mrs. C. H. Wood)

T-Sgt. Paul Payne and wife of Columbia, S. C., arrived last week for a visit with his parents, Mr. and Mrs. Ed Payne. Mr. Payne who had been working the past few months at the home of his daughter, Mrs. Frank Main, in Mills, N. M., returned home Wednesday.

Mr. and Mrs. Horace Rodgers and daughter of Electra and Mr.

and Mrs. Dalton Railsback and children of Vernon spent Saturday night in the home of their parents, Mr. and Mrs. Ed Railsback.

Mr. and Mrs. Morris McCarty and Glen Gamble returned home last week-end after several weeks work near Vega.

Fred Gray and R. H. Cooper flew to Hereford Wednesday of last week.

Mr. and Mrs. Homer Matthews, Mr. and Mrs. Delmar McBeath

QUESTIONS AND ANSWERS

(Answers on page 3)

1. Is a tournament some sort of a tournament?
2. What is the name of the movie star whose last name is Crain?
3. What is the name of the movie star whose last name is Mature?
4. Of what state is Denver the capital?
5. Of what state is Tallahassee the capital?
6. Of what state is Atlanta the capital?
7. Who was it who said, "I never met a man that I didn't like"?
8. The widow of Theodore Roosevelt died recently at the family home at Oyster Bay, New York. What was the name of the family home?
9. A memorial stamp of Will Rogers has been issued. Where was he born?
10. What animal is usually shown in caricature to represent Russia?

and Mr. and Mrs. Fred Gray attended the Dallas Fair last week-end.

Mr. and Mrs. Fred Brown, accompanied by her brother, George Burgess, and son of Lubbock, attended the funeral of Mrs. Brown's brother-in-law, W. B. Jones, in Terrell last Sunday.

Mr. and Mrs. Dee Powers visited her parents, Mr. and Mrs. Fred Harrison, and her sister and husband, Mr. and Mrs. Hass Huntsman, in Knox City Saturday.

Mr. and Mrs. Otis Burson of Levelland spent while Sunday in the home of his sister, Mrs. E. J. McKinley.

Mrs. R. I. Hart of Vernon visited the F. A. Browns Thursday.

Ray Short and Harley Hopkins of Borger spent the week-end at home.

Truman Quillin's cousin of Wichita Falls visited him Saturday night.

Mr. and Mrs. Doyle Ford and son, Dale Ray, of Goodlett spent Sunday in the home of her parents, Mr. and Mrs. G. C. Short.

The T. L. Ward family of Chillicothe attended services at the Church of Christ here Sunday.

Melvin Nethery, small son of Mr. and Mrs. Buddie Lindsey, underwent a tonsil operation in a Vernon hospital last week.

Mr. and Mrs. C. C. Wheeler visited his mother in Vernon Sunday.

Mrs. Clyde Newsome and daughter, Clydene, returned home Saturday night after a week's visit with Mr. and Mrs. A. B. Newsome in Vernon.

M. C. Adkins went to Amarillo Saturday to visit his nephew, Glen Adkins, who is suffering from injuries received while working in a gin there.

Mrs. J. L. McBeath entertained with a surprise birthday party honoring her mother, Mrs. W. J. "Mommie" Booth, on her 77th birthday Wednesday, Oct. 13. She received many useful and lovely gifts. "Mommie" Booth, who is an invalid, was wheeled to the dining table in her chair where she cut the first piece from a beautifully decorated birthday cake which was served with hot drinks to the following guests: Misses Reba Bartley and Peggy Evans of Crowell, Mrs. J. L. McBeath Jr. of Truscott, and Mesdames Maggie Hammonds, J. C. Taylor, C. C. Lindsey, M. H. Jones, J. K. Langley, Robert Long, W. G. Chapman, B. F. Tarver, C. H. Wood, Delmar McBeath, and Miss Lottie Hammonds.

Cap Morris of Clarendon was looking after business interests here last week.

Mrs. H. L. Swan, who was visiting her children in Pampa, was

called home Sunday on account of the death of her brother-in-law, W. S. J. Russell, of Crowell.

Mr. and Mrs. M. C. Adkins accompanied her brother and wife, Mr. and Mrs. M. S. Henry, to Wichita Falls Tuesday of last week.

Floyd Webb who is working in the oil field at Sunset, spent last week-end with his parents, Mr. and Mrs. Bailey Webb.

Ray Gable visited Miss Mary Ray Ayers of NTSC in Denton last week-end.

Mr. and Mrs. Bob Wisdom and family visited her parents, Mr. and Mrs. S. C. Melton, in Olney last week.

Mr. and Mrs. A. K. Edens of Vernon visited their daughter, Mrs. Raymond Grimm, and husband Sunday.

Ed Kausback, Dalton Railsback, Horace Rodgers and Foy McRae spent Sunday with Barney Railsback and family in Farmers Valley.

Mrs. J. L. McBeath, Lindel McBeath, Mike Hudgens, Sherman McBeath and Miss Reba Bartley of Crowell took Mrs. McBeath's mother, Mrs. W. J. Booth, to her home in Dallas Saturday after an extended visit here.

J. L. McBeath Sr. and James McBeath spent Sunday in the home of Mr. and Mrs. J. L. McBeath Jr. in Truscott.

Mr. and Mrs. Houston Adkins spent Sunday in the Cap Adkins' home in Riverside.

Mr. and Mrs. Z. E. Mason and grandson, Ronnie Cox, and Mrs. Isabelle Thompson and daughter, Theresa, visited in the home of Mrs. M. L. Self Sunday.

Mr. and Mrs. Sim Gamble visited her brother, Frank Wood, and family in Vernon Saturday.

Mr. and Mrs. Carroll Jones and daughter, Fay, visited Martin Jones and family and Mr. and Mrs. Mitchell Jackson in Abilene Sunday. Retha Jo Jones, who had been visiting there the past week, returned home with them.

Mr. and Mrs. Ray Pyle of Vernon visited his daughter, Mrs. Houston Adkins, and family Friday night.

Mr. and Mrs. Leroy Henry and children visited his brother, J. L. Henry, and family, in Foard City Sunday.

Mr. and Mrs. Robert Dunn and son of Wichita Falls were weekend visitors in the home of his parents, Mr. and Mrs. Jim Dunn. Relatives and friends who attended the funeral of W. S. J. Russell in Crowell Monday were Mr. and Mrs. H. L. Swan, Mr. and Mrs. Joe Tarver, Mr. and Mrs. Will Johnson, Mr. and Mrs. O'Neal Johnson, Woodro Johnson, Mr. and Mrs. Douglas Tucker, Mr. and Mrs. Morgan Price, Bill and Jim Moore, J. M. Jackson, Mr. and Mrs. A. B. Wisdom, Mrs. Raymond Grimm and O. M. Grimm.

Mr. and Mrs. Jady Tole and daughter, Carolyn, of Riverside and Rex Kyker and Lynn White of Abilene spent Sunday in the home of Mr. and Mrs. John W. Wright, and family.

Mr. and Mrs. Oran Ford, J. R. Ford, Mrs. M. D. McCarty and sons visited Mr. and Mrs. R. B. Hensley of Sundown Sunday. Mr. Ford remained for a longer visit. Burl Hall and Wayne Gamble left Monday for Vega.

salad plate and hot tea was served to 12 members.

Mrs. Beverly Railsback and children of Vernon visited her parents, Mr. and Mrs. Clyde Seif, Sunday.

Mrs. Willie Cato visited her mother, Mrs. W. D. McElroy, in Vernon Monday.

Myra Don Self and Jean Levey Gamble from Thalia accompanied the club girls of Crowell to the Dallas Fair last week-end. Floyd Oliver was the bus driver for the group.

Mr. and Mrs. Sim Gamble visited Mr. and Mrs. Willie Garrett in Crowell Sunday.

Mr. and Mrs. Hugh Giles and children and Gracie Morrison of Vernon visited the C. C. Lindsey family Sunday. Mr. and Mrs. Giles have recently moved to Vernon from South Carolina where she and the children will live with her mother, Mrs. Bessie Lindsey while Mr. Giles, who is in the service, is being sent to Germany.

HOUSEHOLD HINTS

To Restore Feathers—Pillowcase feathers which have become packed and heavy with use can be restored in this way: Divide the feathers into three or four cheese-cloth bags, large enough to allow the feathers room to expand as they fluff. Pin the bags to the clothes-line on a sunny, breezy day and shake them occasionally.

Bake your next meat loaf in a tube cake pan. It will be ready to serve more quickly. You can fill the center with vegetables to make an attractive plate.

There were no native honey bees on the continent when Columbus discovered America—only bumble bees, wasps and hornets.

Oysters are at their best in all months which contain the letter "R".

Didactic poetry is instructive or moral poetry.

NOTICE

A representative of the Hardeman-Foard National Farm Loan Association will spend each Saturday in Crowell for purpose of taking applications for loans and for the transaction of any other business incident to its operations.

"The New Ford knocked my hat off!" "I knew it would be the fine car of its field. But that '49 Ford is clear out of its class. It's the car of the year." "Take those 'Magic Action' Brakes, the 'Mid Ship' Ride, the new 'Picture Window' Visibility. They're all the type of features you'd expect in the highest priced cars." "My dealer took me out for a ride. Those 'Hydra-Coil' Front Springs and 'Para-Flex' Rear Springs are mighty smooth! And what room! ... those seats are sofa wide." "I've got my order in. But, till that Ford in my future is in my garage, I'm getting real Ford Service at my Ford Dealer's. He knows how to keep my Ford safe, peppy and comfortable. And some day he'll own it ... so, naturally, he's keeping up its trade-in value." SELF MOTOR CO.

The fire loss in this country for 1948 will be the highest in the history of the country around \$775 million.

Services Offered by Crippled Children's Division in Texas

Austin, Texas. In an effort to familiarize every person in Texas with the services offered by the Crippled Children's Division of the State Health Department, Dr. Geo. W. Cox, State Health Officer, has released the following statement:

Every crippled child in Texas, under 21 years of age, and of normal mentality whose parents are unable to pay for needed care, is entitled to assistance from this Division.

Crippling conditions which may be treated are infantile paralysis, osteomyelitis, club feet, harelip and cleft palate, burns, curvature of the spine, arthritis, bow legs, rickets, tuberculosis of the bone, flat feet, congenitally dislocated hip, muscular dystrophy, supernumerary fingers and toes, wry neck, elephantiasis, spina bifida, brachial palsy, Pott's Disease, congenital anomalies, spondylolisthesis, amputation, webbed fingers, epiphisis, and sarcoma.

Assistance may be obtained by applying to the Crippled Children's Division, Texas State Department of Health, Austin, or by placing

an application through an established city or county health unit.

Full information about local groups and organizations throughout the state who are anxious to assist crippled children to establish their eligibility and receive proper care, may be had by writing for a pamphlet, "Handbook on Agencies." Address Crippled Children's Division, State Department of Health, Austin 2, Texas.

Parasites Cost Money to Ranchmen

Most of the stockmen know there hasn't been much grass in the pastures and on the range this year. There hasn't been enough to feed the cattle, so there sure isn't enough to feed the cattle and parasites too. But lots of farmers and ranchers are feeding them, and it's costing an awful lot of money to do so, says Joe Burkett, County Agent.

Cattle that are free of parasites have a better appearance, are healthier and more productive than cattle that have to keep switching flies off, or rubbing against the fencepost to scratch the lice.

Cattle are bothered by lice more in the winter and early spring when the hair is long, so the best

time to treat cattle for lice is the fall of the year. Both rotenone and DDT are good for the control of lousy cattle. If you use rotenone, two treatments two weeks apart will give a good lice control. Here's the recipe: one pound of 5 per cent rotenone and 10 pounds of wettable sulphur for each 100 gallons of water. Or you can use eight pounds of 50 per cent DDT wettable powder to each 100 gallons of water.

Farmers and stockmen will notice better and bigger gains on their livestock if they keep the lice away especially during the winter months, says Burkett.

Each one thinks that the current in which he lives is the whole ocean.—Edward Carpenter.

There is no wholly satisfactory substitute for brains, but silence does pretty well.—Edwin Stuart.

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

IN THE NEWS 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Oct. 18, 1918:

R. L. McCormick died at his home in Crowell last Thursday evening after a long illness. He was buried in the Crowell Cemetery. His son, W. B. McCormick, is manager of the local telephone exchange.

Seed wheat is being shipped in and an enormous crop of wheat will be planted this fall. Two cars were unloaded Monday and a third started. Wagons came from the country early in the morning and were crowded around the cars until late in the night.

Miss Bess Harris left Sunday for Clarendon where she has accepted a position with T. L. Hughston.

The contract for the construction of the highway from the Wichita River to the Cottle County line was let Tuesday to Baldwin & Stevall of Aspermont.

Mrs. Elizabeth Ross died Wednesday evening at the home of her daughter, Mrs. M. O'Connell, in this city after a few days illness from a severe attack of influenza.

Warwick Cole, who had been seriously ill with pneumonia at Penniman, Va., died Thursday at 3 o'clock. Warwick was in Virginia doing war work since he had been rejected from the service on account of a slight disability.

J. R. Coffman was here yesterday from the Thalia community and says he has 50 acres of corn in the roasting car stage and will make fine if frost stays off long enough.

T. L. Hays left Monday for Wichita Falls.

Mrs. S. J. Ferguson was called to Chilton, Texas, Saturday to attend the funeral of her nephew, Gordon Gaither, who died at Camp Pike, Ark., of pneumonia.

Mrs. E. J. Anderson and little daughter, Brenz, have returned to their home in Snyder, having been here on account of the death of Mrs. Anderson's father, R. L. McCormick. They were accompanied by her mother.

It is the enemy who keeps the sentinel watchful.—Mad. Swetchine.

The normal person has 52 teeth in his lifetime, twenty as a child, and 32 as an adult.

Pres. John Tarleton

Inauguration ceremonies for President E. J. Howell, first President of Tarleton since it became a part of the A & M system, will be held in the College Auditorium at 2 p. m. October 27.

Approximately 100 invitations have been mailed to other Texas schools and colleges. Representatives from these are expected to swell the audience of students, faculty and Stephenville townpeople to 2,000.

Robert R. Herring, Breckenridge mayor and president of the Tarleton Ex-Student Association, will deliver the main address, introduced by Dean Emeritus J. Thomas Davis. Herring will speak on "Tarleton Faces the Future."

Following his address will be the installation of the president by Gibb Gilchrist, Chancellor of the A & M system. President Howell will then make his response.

Disease Outbreaks Caused from Lack of Refrigeration

Austin, Texas. From statistics compiled by the State Health Department, Dr. Geo. W. Cox, State Health Officer has disclosed that a lack of proper refrigeration contributes materially to the total disease outbreaks for one year, caused from foods other than milk and milk products.

During the year, there were 299 outbreaks of diseases from contaminated foods, incapacitating 12,526 persons, 17 of whom died.

"The food poisoning was usually caused from contamination through insanitary conditions, infections of food handlers, or of even more significance, lack of early and adequate refrigeration," Dr. Cox said. "Even when contaminated, foods will seldom develop toxins sufficient to cause poisoning if properly refrigerated promptly after preparation. Outbreaks caused from foods have totaled nearly six times the number caused from water or milk."

The State Health Officer pointed out that the consuming public is, in many areas, protected by proper enforcement of sanitation standards for eating establishments such as are set up in the United States Public Health Service Milk Ordinance and Code. The public is entitled to a good, clean, safe and wholesome food supply, including milk which has been produced under strict sanitary conditions and properly refrigerated. This is a great protection against disease outbreaks caused by contaminated foods of various kinds, and Dr. Cox said this was especially obvious in view of the fact that no disease outbreak has as yet been traced to pasteurized grade A milk, which had been adequately refrigerated.

Veterans News

Some American citizens who served with the Royal Canadian Air Force and are eligible to receive "War Service Gratitudes" from the Canadian Government, have not applied for those payments although the RCAF has been trying to locate them since the end of the war.

The men, many of whom joined the U. S. Air Force after service with RCAF, are entitled to a bonus of \$7.50 for every 30 days' service in the RCAF, plus an extra 25 cents for every day of overseas service in the RCAF, an amount will be paid equaling seven days' pay and allowances computed on the rank held at the time of discharge from the RCAF. Those eligible to receive the payments may apply in writing to: The Air Member, Canadian Joint Staff, 1760 N. Street, N. W., Washington, D. C.

More than five and one-quarter million World War II veterans had taken some type of training under the GI Bill from the inception of the program until September 1, 1948, the Veterans Administration reports.

On that date, 1,553,000 were still in training and 3,742,000 had completed or discontinued their training. The number of veterans of all wars reached 18,744,000 on July 1, 1948, VA said. Of these, 14,887,000 served in World War II. The remainder were veterans of World War I and other wars.

When the nation's population of veterans and members of their families reaches its expected peak in 1955, VA predicts that the number of veterans of all wars will be 17,200,000 and the number of persons in their families, 42,900,000.

Tooth decay never starts inside the tooth—always from the outside.

Atlantic City is famous for its salt water taffy.

If You Are an Average American

Your automobile is your second largest investment and when you protect it, you also protect your largest investment, your home.

For if your automobile is uninsured or under-insured it may become necessary for you to place a mortgage on your home in order to pay a liability judgment.

Don't gamble on these unpleasant probabilities when adequate protection costs so little.

Hughston Insurance Agency

A new camp fire and picnic food is known as spud-dogs. Spud-dogs were originated by the Junior Chamber of Commerce of Grand Rapids, Michigan, to promote Itaska county potatoes. A spud-dog consists of a potato with a bored through it and a wiener inserted in the hole. The wiener is baked together. The spud-dog finishes a tasty morsel of meat and potatoes in one serving.

Here it is,

The 1949 FRAZER

Trailblazer—of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a-day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... out front—trailblazing the way for all the cars to come.

First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

PROCLAMATION BY THE Governor of the State of Texas

TO ALL TO WHOM THESE PRESENTS SHALL COME WHEREAS, farming and ranching activities in Texas afford the principal income of a vast majority of its inhabitants; and WHEREAS, the farming and ranching business is one of the leading industries of Texas; and WHEREAS, the farmers and ranchers of Texas have, through their various organizations, crusaded for recognition, representation, and economic equality through democratic procedures; and WHEREAS, the farm and ranch groups recognize the necessity and supreme importance of having an educated, prosperous, and organized agricultural husbandry in this State: NOW, THEREFORE, I, Beauford H. Lester, Governor of Texas, do hereby proclaim the week of October 21 - 29, 1948, as TEXAS FARM BUREAU FEDERATION ORGANIZATION WEEK I urge our citizens to cooperate in the recognition and observance of this week so that special attention can be given this important phase of our Texas life.

BY THE GOVERNOR: Beauford H. Lester SECRETARY OF STATE

Make Your Vote Mean Something

Vote for a man who will be seated—Who is sincere and sensible—Who will represent YOU, and not special interests or groups —Who will save the Tidelands for the school children of Texas—Who will rid our government of the Communists in our midst —Who will oppose any and every Civil Rights program devised to disenfranchise the South.

Vote for the All-Texas Candidate JACK PORTER for U. S. SENATE

MARGARET (By Mrs. S. B. Middlebrook)

Mr. and Mrs. M. O'Connell of Crowell and son, Bryan, of Texas were visitors in the C. W. Ross home Sunday afternoon.

Mr. and Mrs. Henry Bradford and daughter of Lubbock visited relatives here over the week-end.

Mrs. Melvin Moore and son, Billy Ray, and John and Tommy Jones of Sundown spent the week-end with Mrs. Moore's parents, Mr. and Mrs. Bax Middlebrook.

Mr. and Mrs. Tom Smith and daughter, Gale, spent the week-end in Fort Worth with Mr. and Mrs. Edgar Lee Smith and daughter.

Wayne Lindsey and Willie Barnett of Wichita Falls spent the week-end with home-folks.

Mrs. Arthur Bell has returned from Temple where she attended a club meeting.

Josephine Halenack and Joyce Dean Smith accompanied the Home Ec. Class of Crowell to the Dallas Fair over the week-end.

Chigger Bledsoe was a Sunday visitor in Paducah.

Loek Reinhardt of Ft. Worth is visiting his sister, Mrs. Jack Murphy, and family this week.

Bud Prewitt has returned from Rock Springs after building a house for Mr. and Mrs. M. T. Reinhardt.

Mrs. Curtis Bradford was brought home Saturday from the hospital in Dallas.

Mr. and Mrs. Milton Cooper of Canyon attended church services here Sunday.

Mrs. Ernest Elliott visited relatives in Paducah over the week-end.

Gwendell Baker and Barbara Cline of Vernon spent Saturday

night with Barbara's grandparents, Mr. and Mrs. Hugh Shultz. Kenneth and Mary Helen Payne from Decatur spent the week-end with their parents, Mr. and Mrs. Coy Payne.

Mr. and Mrs. W. H. Grimm of Oklahoma City were visitors in the G. C. Wesley home last week.

Mr. and Mrs. Ralph Shultz and daughter, Judy, of Thalia were Sunday visitors in the W. A. Priest home.

Mr. and Mrs. Jack McGinnis and daughter, Patsy, and Mr. and Mrs. Hugh Shultz spent Sunday in Littlefield in the Marvin Phillips' and Greek Davis' homes.

Mr. and Mrs. R. H. Blevins visited their daughter, Mrs. Lawrence Carter and family in Dallas several days last week.

Mr. and Mrs. C. W. Ross and Miss Edwina visited Mrs. Ross' parents, Mr. and Mrs. Lisenby in Matador last week-end.

Mrs. C. F. Haseloff and sons of Quannah and Mr. and Mrs. S. B. Middlebrook of Vernon were dinner guests of their parents, Mr. and Mrs. W. R. McCurley, Sunday.

Wayne Shultz and A. L. McGinnis accompanied Barbara Cline and Gwendell Baker to their homes in Vernon Sunday.

The great obstacle to progress is prejudice.—C. N. Bovee.

CARD OF THANKS

We wish to express sincere thanks to the many friends who ministered to us with deeds and words of neighborliness and comfort upon the death of our beloved husband and father. The evidences of friendship to us and the respect thus shown our loved one are appreciated to the fullest. The W. S. J. Russell Family.

Progressive party headquarters reports that Henry Wallace already is on the ballot in forty-two states and will probably qualify in four more. The six states in which Wallace has not been certified are: Oklahoma, Illinois, Nebraska, Mississippi, Georgia and Tennessee. Court fights are pending in the first three.

PROGRESSIVE CHS

Every student, as he trudges the path of education, has a feeling of loyalty to his school. Especially is this true of Crowell High.

Crowell High students have always had great pride in their school. Even through the years they suffered defeat, they held their chins up! Today we have a winning football team, a band in the making, an enthusiastic pep squad, a wide awake FHA and FFA and other active organizations. Every student is proud to know these are a result of the school to which he belongs, praises and upholds.

Every week you see some excellent student roaming our halls. We know that person really loved his school and has a feeling of loyalty. In a few years it will be you.

RADIO REPAIR
Marion Crowell

We will want to come back at one time or another, and when we hear about those growing Wildcats, even then, we'll feel that tingling running up and down our spines.

Crowell High isn't only a building; it takes interested school board members, patrons, superintendent, principal, faculty and a wonderful group of cooperating students. We have all of the above mentioned; therefore we believe that a suggestion is all that is needed to remind our students of any thoughtful actions. On the way to a recent football game a few students thoughtlessly tapped their knives on the table and whistled for service. Let us consider the waitresses are working under trying conditions when so many come at once. Be considerate, for we want them to welcome Crowell the next time—to say, "Wish all the youngsters were as nice as the Crowell bunch."

A new privilege, riding home together, has been granted the pep squad girls and football boys this year. Let's not lose this privilege. Remember that love should be sacred and beautiful—above all a private affair. A few careless students should remember this on our buses and thereby not cause others to lose a privilege.

Let's settle down and unite in making our school one to be proud of. As a result of headaches and perspiration CHS is stepping out.

FHA GIRLS ATTEND STATE FAIR OF TEXAS

The FHA girls began the journey to the Fair Oct. 16 about 4:30 a. m. The rain fell slowly in Elcebra, where the girls stopped for breakfast. On the way you could hear complaints of the girls as

"Be quiet, I want to sleep." Almost all of the girls were asleep on the first lap of the journey. They were aroused when passed by the Amarillo Sandies who were going to play Woodrow Wilson of Dallas at the Cotton Bowl. They won the game that day.

We arrived in Dallas about noon. Everyone rushed out to see the fair. Since it was FHA Day, the girls were admitted free. Looking up, we saw the huge buildings, scattered here and there. The first thing that caught our eye was the huge ferris wheel.

We enjoyed numerous rides on the Midway—the most exciting were the roller coaster and the hi-ball. We visited the natural history and Art Museum, the Aquarium, Automobile, Health, general exhibits, and livestock buildings as well as many other exhibits.

At noon we were given free lunches on the picnic grounds, consisting of hot dogs, cookies, and apples. The lines were very long, but there was plenty of food. In the afternoon some attended the Harry James Show which featured Jimmie Durante and other clever entertainers. Ask Bobby Abston how she managed to get Harry James' autograph.

In the evening several went to see the Ice Capades. The show is considered the best of the three that have been shown in Dallas. The exquisite costumes—some made entirely of shining plastic, were very beautiful. Skating has become an art—the skater could do everything from jumping hurdles to performing acrobatic feats.

After the show, Mrs. Kenner, Mrs. Jones and Mrs. Sloan took the wrong turn and walked entirely across the fair to the opposite gate. After walking back in the rain, they were a little bedraggled, but declared the Ice Capades were worth it.

Leaving the Fair grounds, we started to the Kiwanis Camp. After we reached the place where we thought the camp was, we rambled around for about an hour and found out later we were about a quarter of a mile from the camp all the time.

The next morning after a late breakfast, we boarded the buses and went to downtown Dallas, and drove up Elm and back down Commerce, so that the girls could see the large buildings. Some of the girls had never been to Dallas before.

At twelve o'clock we were on our way home. At Sunset the girls stopped to buy souvenirs—dogs, horses, ash trays, spiders, etc. They were at lunch. At seven p. m. we arrived in Crowell, tired but happy at the end of a very exciting trip.

We wish to thank our sponsor, Mrs. Doyle Kenner, and Mrs. Edgar Jones and Mrs. Bob Astton who helped her and made our trip possible. Also we appreciate our bus drivers, Allen Taylor and Floyd Oliver, who were capable and careful drivers.

ASSEMBLY PROGRAM

On Monday morning, October 18, an assembly was held in the high school auditorium.

We first had a March of Time film concerning the religious problems in Palestine. It made the students realize how wonderful it is to live in America.

Second, we sang our school song, "Dear Old Crowell High," which was led by the pep leaders. Another song was a beautiful hymn, "The Lord Is My Shepherd," a duet by Ruth Slovak and Melba Ward. They were accompanied by Bobbie Abston on the piano.

The last part of the assembly consisted of a talk by Rev. W. G. Gilbert, pastor of the First Baptist Church in Thalia. The topic of his talk was, "What We Owe to Christ." The talk was enjoyed by everyone, and we readily welcome him back again in the future.

WATCHING A FOOTBALL GAME

Do you know that most people only see one-eleventh of a football game? This is a recognized fact, for nine out of every ten people watch the boy carrying the ball and forget the other ten members of the team.

When you see Jerry, Grover, Dalton, Billy Joe, Rouse, or any of the other backs break through for a touchdown or a long gain, remember that there are ten other boys out there, and they are helping the ball carrier along. I know that you read about what the "great" backs do and how they "win" the close games and "run wild" in the other games, but the boys in the line do the work.

The next time you are at a ball game take a look at those boys in the line. They are the ones that really make a team go. Watch the tackles, Hack Norman, Jimmy Rasberry, "Bull" Glover, and guards, James Bice, Floyd Borchardt, Walter Caddell, and others pull out to block the defensive tackles or to lead the ball carrier around the ends. Did you ever notice who it was that took the secondary out of a play? If you take a look, you will see the tackles, guards and ends, down the field each time blocking the secondary defense, so the "glory boys" can make the touchdowns.

If the public would only realize that every play is designed as a team play with a job for each boy, they would enjoy the games a lot more and the linemen, the work horses of football, would get some credit. So give the linemen a break next time and take a look at them—you will be surprised.

PERSONALITY OF THE WEEK

Dorothy Gamble, the pretty dark haired, green eyed senior from

Thalia, is our personality of the week.

Dorothy is 17 and stands five feet two inches tall. Her favorite pastime is flying, but roller skating rates a close second. In the spring and summer you can bet your life she'll be watching the Vernon Dusters play baseball.

When it comes to food, nothing is more tempting to her than fried chicken and french fries, with a little ketchup thrown in. She likes Cornell Wilde and Anne Baxter in the movies and is always ready to hear "Rambling Rose" played on a juke box.

Dorothy dreams of someday having a private license, her own plane, and a pilot! It's a big order, but power to you, Dorothy Gamble!!!

STUDENTS ARE ASSIGNED SEATS FOR ASSEMBLIES

The seniors, juniors, sophomores and freshmen were called, a class at a time, to the auditorium Friday, October 15, to be assigned seats for regular assembly.

The freshmen, sophomore, junior and senior girls are seated consecutively on the east. The boys are seated on the west in the same order.

Everyone has an individual seat on a certain row. They must sit in those seats for regular assembly. During a paid assembly the high school students sit near the back.

THANKS TO MAJORETTE VIRGINIA MCKOWN

We are sorry to hear that Virginia McKown will be unable to continue to be a majorette for the Wildcats. We will choose another girl to take her place whose name will be announced next week. We thank Virginia for her loyalty to the pep squad and to the school.

PEP SQUAD FORMATION

The Pep Squad made a very lovely formation on the field at the Seymour game last Friday night.

They were led by the head majorette, Violet Rummel, the other four majorettes were Maggie Eavenson, Virginia McKown, LaVerne Owens and Tommie Meason. Then the four leaders, Betty Barker, Betty Brock, Peggy Evans and Julie Johnson. The other girls, six in a row came next. The girls welcomed the Panthers with a "P" and a rousing yell. Then they made a "W" for Wildcats. The girls did exceptionally well for their first time, and many people complimented them for their excellent work.

The Pep Squad thanks Miss Close, their sponsor, and Little Jackson, who played the drum.

REVENGE SWEET FOR WILDCATS

The Crowell Wildcats came from behind Friday night to beat the Seymour Fanthers 13-6. This was the first time in several years that the Wildcats have beaten this team.

Seymour made its only score in the first period after taking the ball from Crowell on downs. They drove 60 yards for this score.

But that was all, they didn't threaten again during the whole game. Crowell took the ball on its own 30 yard line and drove for its first touchdown without giving up the ball. The touchdown was made from the ten yard line. A pass from Biggerstaff to Halencak was good for the extra point and Crowell was ahead 7-6.

Crowell's second touchdown was scored by Jerry Culbertson on a 75-yard run. He received some very fine blocking on this play. The try for point was no good and the half ended Crowell 13, Seymour 6.

The second half was played in the Seymour end of the field entirely, with Crowell constantly

knocking on the touchdown door, but couldn't seem to get one over. The game ended with Crowell in charge of the ball.

Special recommendations should go to Charles Pittillo, Rusty McNeese, Fred Glover, Hack Norman, James Bice, Don Wilkins, Floyd Borchardt, Harold Ribble, Booger Red Rasberry, J. P. Bartley, Blackie White, Smoky Todd, Buddy Rader, Butch Biggerstaff, Grover Yocham, Jerry Culbertson and Billy Joe Halencak, who all play a very, very good game. They seemed to click just perfectly in this game.

Crowell plays Chillicothe here this Friday. When these two teams meet, there's no telling what will happen.

PICKINGS

Well, it seems that I didn't do too well last Friday night. Archer City still has to be scored upon. Holiday still has to be beaten and Seymour made a touchdown; but even at that I suppose I did pretty well for the first try. Let's look at some of the scores.

Archer City beat Jackson 20-0. I guessed it to be 15-0. Holiday beat Iowa Park 6-0. I took Iowa Park 13-0. Chillicothe and Burk Burnett tied 7-7. I had Chillicothe as favorite. Olney beat Valley View 25-0. That's just about as I guessed. But if Crowell had held Seymour scoreless, I would have guessed it just right, the score Crowell 13, Seymour 6.

Now I'm ready to commit myself with this week's scores. If you're a betting man, you'd better not bet with these.

First I predict Holiday beating Valley View 27-0. Then I see Archer City drubbing Burk Burnett 32-0. Seymour and Olney are the ones that don't seem to make sense. I've thought and thought but finally I see plainly, Seymour 13, Olney 14. (maybe). Now as Crowell comes into the picture I keep getting more nervous. As you know, you can never tell about a Crowell team. But I see Chillicothe made 6 points, while Crowell only makes 19.

This is your mysterious Mr. X, signing off until next week and hiding my face.

WILDCAT PURRS

Well, kiddies, gather round and let me tell you about the exciting episodes of the past week!

Who else has noticed Raymond Carter wandering to Vernon every week-end? Don't get lost, Ray-

mond. Wouldn't we all lose if humanity if Floyd and Posy break up?

It looks like romance for way Marion Bailey winks at a ha Ward from afar. Give chance, Melba.

Lots of stars have been in the eyes of Pat Rhodes and neth Ownbey lately. How do happen!

Seen Sunday afternoon Sunday night were Dick Tr and Faye Jones.

The cheer-leaders, Peggy Judy Johnson, Betty Brock, Betty Barker, have caused heads to turn with their deer-skin moccasins and be match.

"Ham" Tamplin, ex-senior ball captain, has completely the heart of Myrtle Bartley visa-versa.

It's getting to where it (Continued on Page 7)

MIND BABYS

Captain of Industry

Meet Butch—Pres., Treas., and Field Force of the One Man Odd Jobs Co., Uninc. Take a good look at him—for Butch is America.

Butch wants a bicycle. Lots of lawn and lemonade and baby-sitting lie between Butch and that bike, but we're betting on the boy. He has energy, vision, and our national habit of working hard for what he wants. He's American business—in miniature.

There are many names for Butch's philosophy. You can call it Free Enterprise, Opportunity, Democracy, or Capitalism, if you want.

But, whatever the name, America owes it much. For our most valuable natural resource lies in the ambition and initiative of Americans like Butch.

As great publications have grown from the dreams of young men with old handpresses—and great industries from the products of grubby little cellar workshops—the electric industry had small beginnings, too. Like our own company. A few men with vision strung the first small lines. People with faith risked their savings. Better and better service, at lower and lower cost, created more and more jobs—and carried the benefits of electric living to more and more people.

Free enterprise and hard work will bring Butch and his bike together. They are what built America and the American way of life, which is the highest standard of living in the world. No nation on earth has found a satisfactory substitute for that combination.

This advertisement, awarded "Advertising cum laude" in the September READER'S DIGEST, is reprinted in the Public Interest.

West Texas Utilities Company

NEW DEMANDS

SOARING COSTS
WAGE INCREASES

48 hours pay for 40 hours work
Penalty pay for weekends & holidays
25¢ an hour increase
Total 1 1/2 BILLION DOLLARS

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!

By moving a colony of bees from place to place to give them the advantage of year round blooming flowers, expert beemen are able to secure as much as 250 pounds of honey from a single colony of bees, five times the average of stationary colonies.

Normally bees produce but one pound of wax to 60 pounds of honey.

MEDICAL DOCTOR DISCOVERS CAUSE AND RELIEF FOR HIGH AND LOW BLOOD PRESSURE

No exaggerated claims are being made. The records of over 1,000 patients during the past five years stand for themselves. If you have either high or low blood pressure, you owe it to yourself to thoroughly investigate this wonderful discovery. The usual symptoms of high blood pressure are: the back of the head, dizziness, pains in the back of the head and neck, nervousness and leg cramping are helped and many times entirely relieved by taking one tablet before each meal. The Boaz treatment is the result of years of careful study and clinical research. The necessary medicines have been formulated into one tablet. In most cases, a 20-day course of treatment brings welcome relief. Hundreds of happy patients are willing to tell you of the help they have received. Don't delay. Write a personal letter to me for you. Write a personal letter describing your case. You will receive a personally supervised reply recommending proper treatment procedure. The Boaz treatment requires no dieting or restrictions of any kind.

His Hand in History
 Lesson for October 24, 1948

SUPPOSE you were given a long flexible wire and were asked to arrange it on a pattern which would represent history, what would you do to it? Some people would cut that wire into little bits and let them fall in a pile like jackstraws. History, they would say, is a meaningless collection of disconnected events—it has no real pattern.

Others would arrange it as a series of up-and-down curves—history, they would say, sometimes goes up and sometimes down, but it never gets anywhere. Others again would make an immense circle; history goes around and around in cycles, repeating itself.

Others still might take that wire and shape it into a kind of spiral, almost repeating itself but never quite, often seeming to go backward but actually making some progress.

GOD'S CHOSEN PEOPLE
 A good deal of the Old Testament is taken up with history. Starting with Genesis and going through Esther, most of what you read is history. But it is not mere chronicles, that is to say it is not a mere listing of events.

The historical parts of the Bible were written by men who had a theory of history. They would agree that the Golden Age is ahead of us, not behind.

They would all agree that the most important figure in human history is not a human being at all, but God the Creator. They would all agree that his hand can be seen—if you look for it—in the events of man's existence here. And they all affirm that among all the nations of the earth there was one which could be called truly God's chosen people, the little nation called Israel, the people we know as the Jews.

The whole of Hebrew history is a sort of sermon on this text: Righteousness exalteth a nation, but sin is a reproach to any people. The history of any nation, ancient or modern, would illustrate that text just as well; only the Israelite historians saw it most clearly. They showed how, when their people followed God's leading and his laws, they prospered; when they went their own stupid, selfish ways they suffered.

SOMEHOW GOOD
 One great lesson the Old Testament history teaches is that God's will is good, and that when man defies and disobeys that will, he does it to his own destruction, but that God can bring good out of evil.

People often act from bad motives; yet even the worst of motives God can overrule. David

"Sitting Pretty" at Rialto Oct. 27

In "Sitting Pretty," which opens at the Rialto Wednesday, Oct. 27, Twentieth Century-Fox has come up with a rare and rollicking screen treat that will have local citizens bursting at the seams with irrepresible mirth.

Originality—fresh and scintillating—is the keynote of this hit; originality that doesn't take off on a flight of fantasy, but instead, has its roots in a down-to-earth problem and its hilarious complications with which every family is familiar. That problem is the universal one of getting a reliable baby-sitter.

Wampum was a shell used by North American Indians for money.

Waded in blood to his throne, and he treated cruelly many of his enemies. That was not good; yet God brought out of that a national independence and strength.

David put Solomon on the throne because he was the son of his favorite wife; that was pure favoritism. Yet God brought good out of a choice which was selfish.

When the Israelites were tempted to fall for the cheap and nasty gods whose shrines filled the land, that was bad; but it gave the prophets their great opportunity to make perfectly clear the difference between false and true religion.

THE VOICE OF GOD
 History is no bucket of ashes if you have ears to listen, it is the voice of God. These ancient tales of a nation long since dead, that lived in all our 5000 years, carry God's voice to us today.

The diseases which are fatal to a nation's life are here described; the foundations on which alone true national welfare can be built are made quite plain.

Up to now, all nations have perished sooner or later. We can see some of them decaying in our own time. That is because no nation ever yet has built its life on God's design. But the pattern is there, the lesson has been written. God still waits for a people who will learn his lesson in how to live.

I'd like to demonstrate this tractor on your farm

I'll bring a Ford Tractor out to your place, without any obligation. I'll bring along one or two of these good Dearborn implements, specially made for the Ford Tractor. I'll put this Ford Tractor through its paces, then let you take the wheel.

You'll find out how easily Ford Hydraulic Touch Control lifts and lowers implements and controls their depth. I'll run the plow into an obstruction and prove there's no damage. You can hold your watch while I demonstrate Triple-Quick Attaching of implements. I'll show you why new Ford steering and brakes are the best.

Then you'll know why Ford production is up to 400 tractors a day. Leave it to Ford! Whatever tractor you own, you owe yourself this Ford Tractor demonstration. When can I make it?

THE WILDCAT

(Continued from page 6)
 safe for a "peaceful" person to walk down the hall between periods. At least one student fear him. Seriously, now, fellas, save your "friendly fights" for a time when you have more room and not so many people around.

Melba Hardage has a sudden interest in the Abilene Eagles. Could it be because of Leslie Price?

We wonder why Clara Jones doesn't give Clifford Orr a date? Could it be because of Jack Brown?

We wonder where Rouse and Edna, Joeline and J. P., Maureen and F. L., the "happy couple," went Friday night after the game. Judy and George are still seen around together.

Don, what happened to your scarf?

Rusty McNeese and Mary Alice Rader seem to be toting the torch again.

We wonder if all the FHA girls had a good time in Dallas? Well, we can imagine.

We wonder what lucky girl will capture Jimmy Rasher's heart? What's the latest report? Did everyone enjoy the dance Friday night?

Butch and Tommie are still going strong. Power to you, kids!

We wonder why Mona Hammonds and Virginia Railsback go to Vernon so often? Could it be because of Grant Hall and Danny Rich?

A new couple of Thalia is James McBeath and Ruth McRae.

An old couple of Truscott is Bertharene Hardage and David Maddox.

Congratulations to the following people who have birthdays in October: Betty Brock, Lewis Hunter, Bobby Lax, Miss Mary Close, Don Wilkins, Vernon Jones, Essie Franklin, Patsy Carroll, Melba Hardage, Wanza Spears, Clinton Marlow, Joyzelle Thomson, Jimmy Rasher, La Verne Owens, Floyd Oliver, Faye Jones, Dorothy Wilson, Billy Earl Lynch, Floyd Borchardt, and Coy Payne.

We gotta go. See 'ya next week.

Open House Held Sunday to Honor "Aunt Elon" Young

Mrs. M. E. Young, lovingly called "Aunt Elon," was honored on her 94th birthday Sunday when open house was held at the Adolphian Club House with her nieces as hostesses. A family dinner was enjoyed at the Club House at the noon hour for the relatives who came for the celebration.

Between the hours of 3 and 4 in the afternoon, guests called and congratulated Mrs. Young and visited together. Approximately fifty callers came during the hour. Mrs. Young greeted each one and reminisced with them, alert, clear-minded despite her advanced age and total blindness.

The beautiful birthday cake, iced in lavender and ornamented with pink rosebuds, was served with pink punch to the guests. Mrs. J. W. Henry of Breckenridge and Mrs. Dwight Craig of Abilene, granddaughter and niece of Mrs. Young, alternated at the punch bowl and cake service.

Out-of-town relatives who were present for the birthday celebration included Mr. and Mrs. Chas. T. Bowers and Mrs. Dwight Craig and son, Charles, of Abilene; Mrs. John H. Davis of Paducah; Mrs.

Iva Chambers of Moran, R. L. Hightower of Covina, Calif., brother of Mrs. Young; Mr. and Mrs. Clarence Self of Wichita Falls; Mr. and Mrs. Counts Ray and Mrs. Henry of Breckenridge; Mrs. L. D. Harris of Tipton, Okla.

Mrs. Young makes her home in Breckenridge with Mr. and Mrs. Counts Ray, Mr. Ray being her grandson. She lived in Crowell a number of years about forty years ago. She and Mr. and Mrs. Ray moved to Breckenridge from Crowell in 1924. Mrs. Young, though blind, does handwork all the time. Her hands are never idle. She listens to the radio and keeps abreast of the current happenings and is well posted on national, state and local affairs. She is of a sunny, happy disposition, and makes those around her happy. Her outlook is bright and she is an inspiration to those with whom she comes in contact. She remained for a short visit in the home of a niece, Mrs. T. N. Bell.

Bridal Shower Given to Honor Mrs. Banister

Mrs. Harold Banister, a recent bride, was honored with a lovely bridal shower on Friday afternoon, given by Mrs. Walter Johnson, in her home. She was assisted by Mrs. Clyde Self, Mrs. Judy Tole, Mrs. Duane Capps, Mrs. Louis Pyle, Mrs. Edgar Johnson and Mrs. Waldon Johnson.

The bride, Mrs. Harold Banister, and her mother-in-law, Mrs. H. W. Banister, were introduced to the guests as they entered by Mrs. W. A. Johnson. Mrs. Self and Mrs. Tole arranged the gifts and the bride's register was in charge of Mrs. Edgar Johnson. The dining table was covered with a lace tablecloth over green and the letters in green and white

formed the names, "Marie-Harold" across the table. Green and white were the bride's chosen colors.

More than fifty guests were received and the bride and groom received numbers of beautiful and useful gifts. They left Saturday afternoon for a visit with her parents near Denver, Colo.

Local Girl Weds Ft. Sill Man, Oct. 9

Miss Betty Love, daughter of Mr. and Mrs. R. E. Love, became the bride of Recruit Cecil Blackwood of Vernon on Saturday, Oct. 9, at 8 p. m. at the Free Will Baptist Church in Vernon with the double ring ceremony being performed by Rev. Lamb, pastor of the church.

The bride wore a blue dress with black accessories. She carried on the wearing of something old, something new, something borrowed and something blue. The couple will make their home in Fort Sill, Okla.

Those attending the wedding were Mr. and Mrs. R. E. Love, parents of the bride; Mr. and Mrs. Clarence Beesinger of Crowell and the following from Vernon, Mr. and Mrs. T. A. Blackwood, parents of the groom, Mr. and Mrs. D. H. Helms, Mr. and Mrs. Coy Hughes, Mrs. Bill Hughes, Mrs. Ted Barton and Junior Blackwood.

On Sunday, Oct. 17, a wedding dinner honoring the newlyweds was given in the home of her parents in Crowell. Those present on this occasion included Mr. and Mrs. Frank Love and daughter, Suzanne; Mr. and Mrs. Shelby Wallace and daughters, Edna Ruth and Jolene; Mr. and Mrs. Jabus Harris and children, Mr. and Mrs. W. A. Love and Dutch Love, Billy Jean Love, Robert Lee Love, Larry Love, Virginia Pearl Love, Steve Love and the host and hostess, Mr. and Mrs. R. E. Love.

Henry Circle Meets in Arthur Bell Home

The Henry Circle of the Methodist Church met in the home of Mrs. Arthur Bell on Monday afternoon, Oct. 11, with Mrs. M. S. Henry as co-hostess.

Mrs. Moody Bursey, the president, being absent, Mrs. Shelton Ferguson presided over a brief business meeting.

The program was opened by an inspiring devotional given by Mrs. Andrew Calvin. The story of the Good Samaritan and our Christian duty to Alaska were stressed. The Circle is studying the book "On Our Own Doorstep" by Frank Mead. The theme of the book is "Missions as the human hand of God teaching from pole to palm trees, running like a golden cord, to bind our outposts together."

Alaska, the second chapter of the book, formed the lesson for the afternoon. Mesdames Richard Ferguson and Haskell Norman talked on missionary work being conducted in Alaska, emphasizing the work of the medical missionary in bringing Christ to the Indians and the Eskimos. Alaska, instead of remaining the lost frontier of the United States, may be crossing the threshold of a new civilization, and the responsibility of the church to these people is great.

The program closed with a prayer by Mrs. Henry. The next meeting will be at the church on October 25 at 1 o'clock p. m.

The hostesses served a delicious dessert plate to eleven members and one visitor, Mrs. Pennington.

WCS Will Observe Week of Prayer Oct. 25

The Woman's Society of Christian Service of the Methodist Church will observe the annual Week of Prayer in an all-day service at the church on Monday, October 25. The meeting is scheduled to begin at 10 a. m. and will be continued after the noon meal.

The lunch will consist of sandwiches and pie which will be brought by each lady who attends. A splendid program is being planned and a spiritual, inspiring day will be spent. Each and every lady in the church is cordially invited and urged to attend.

ATTEND CHURCH MEET

A number of Crowell ladies, members of St. Joseph's Church recently attended a meeting of the Wichita Falls Deanery, National Council of Catholic Women, held in Vernon.

Faithful represented included Crowell, Electra, Bomarton, Henrietta, Rhineland, Seymour, Scotland, Nocona, Megargel, Vernon, Wichita Falls and Windthorst. Mrs. M. O'Connell, president of

Girl Scout Troop No. 1 Meets Monday

Crowell Girl Scout Troop No. 1 met Monday, Oct. 18, with their sponsor, Mrs. Merl Kincaid for the first meeting of the year.

Officers elected to serve for the following year: Betty Sue Bentley, patrol leader; Donna Norris, assistant patrol leader; Sue Meason, minute secretary; Frances Kincaid, roll secretary; Billy Bell, reporter.

Hot cocoa was served at the refreshment hour.

ADELPHIAN CLUB

Husband's evening of the Adolphian Club was recently enjoyed at the Club House on the off-week from the club's regular meeting date.

Hostesses for the delightful occasion were Mrs. Jack Sauls, Mrs. James Weiss, Mrs. Frank Fletcher, Mrs. Nelson Oliphant and Mrs. Mike Rasberry.

A lovely covered-dish dinner was served early in the evening, after which Mrs. Merl Kincaid, recreation leader, introduced as an after dinner speaker, Miss Eudora Hawkins, of Abilene, special representative of the West Texas Utilities Co.

Miss Hawkins illustrated her talk on "Power Behind America" with projected pictures of American life.

An Art Exhibit from the Crowell Grammar School featured the meeting of the Adolphian Club on Wednesday, Oct. 13. Winners in the Art contest were 2nd grade, Joyce Howard; 4th grade, Anna Marie Fiske; 5th grade, Joan Greening and 8th grade, Marcia Kincaid. Judges were the high school teachers.

The Adolphian Club has as one of its projects the sponsoring of Creative Art in the Crowell school. Miss Florence Black is chairman of art work for the club.

The book "Toos and its Artists" was ably reviewed by Mrs. Mike Rasberry. It was announced by Miss Black that the club would have an art program at the school auditorium during the first week in November which is American Art Week.

The club welcomed Mrs. Henry Borchardt back to active membership and Miss Nina Jo Chessnir as a new member in the club.

Hostesses to the club for the afternoon were Mrs. Hubert Brown and Miss Frankie Kirkpatrick.

COLUMBIAN CLUB

Mrs. Grady Halbert was hostess to the members of the Columbian Club on Wednesday, Oct. 13, at her pretty country home in the Foard City community.

At a short business session it was decided to send a box of "little things" to the Philippine club women for the Christmas season and a CARE package to a European child. These packages are sent by the General Federation for the individual clubs at Christmas time.

Mrs. Kenneth Halbert was leader for the lesson on National Parks. She stated that there were 171 National Parks. The first, National Park, the Yellowstone, was set aside in 1872 and is known as the first National Park in the world.

Mrs. John Ray discussed National Parks and what they mean to America. She stated that more than 25 million tourists visited the National Parks in 1948 and that they were a source of recreation to more people than any other institution.

Mrs. Jeff Hardin gave interesting data concerning National Parks. She included Mena Verde Park, the home of the Cliff Dwellers, stating that some of their homes had as many as 200 rooms; Carlsbad Cavern, the home of the bats, is considered the largest underground cavity in the world; Gettysburg Park, where Lincoln delivered his famous address; Hot Springs National Park known for its medicinal waters; Jamestown, Yorktown and Williamsburg Parks each commemorating historical events in American life and Big Bend International Park, "deep in the heart of Texas."

A dainty refreshment plate was served to eighteen members and one guest, Mrs. R. L. Leonard.

The Crowell group, gave a report of the local activities and was applauded for the splendid showing made. Mrs. O'Connell is also chairman of the "Shrines in the Homes" committee of the Deanery.

Only those strong enough to keep silent about self are strong enough to be sure of self.—John Galsworthy.

VIVIAN H. D. CLUB

Mrs. J. B. Rasberry Sr. was hostess to the Vivian Home Demonstration Club which met Thursday, Oct. 14, in an all-day meeting.

Roll-call was answered with "An experience with fire prevention." Methods of fighting fire were discussed. Some of these were: smother burning grease, oil, gasoline with sand, flour or soda. Never use water as it only spreads the flame. If clothing catches fire, wrap a blanket or rug around the person. Keep covering tightly drawn around the neck to protect the face. Roll on ground until flames are out.

To fireproof work clothing, kitchen aprons, potlifters, curtains or other washable articles used around fires, dissolve 7 ounces of boric acid in two quarts boiling water. (8 teaspoons equal one ounce) when the water has cooled sufficiently, dip the article to be fireproofed in the solution and wet it thoroughly. Dry and iron as usual. This treatment has a stiffening effect and makes starching unnecessary. This treatment is not permanent and should be done each time the article is washed.

First aid for burns are tannic acid or strong tea. Baking soda or Epsom salts in water may be used.

There were ten members present and eleven visitors. The visitors follow: Mesdames G. J. Benham, Oscar Nelson, Fowler Carroll, Charles Ferguson, J. W. Carroll, J. M. Marr, T. S. Patton, Bruce Benham and A. L. Walling and Misses Lula and Deulah Bowley.

The club will meet with other clubs of the county for a Tea and book review at the Community House in Crowell on October 28 at 2 o'clock.

SERVING ON USS PRAIRIE

Roy Augusta Shivers, fire controlman, first class, USN, of Ft. J. Thalia, is serving aboard the destroyer tender USS Prairie, which has just been awarded the Battle Efficiency Pennant and "E" for her general excellence throughout the fiscal year July 1, 1947, to July 1, 1948.

The award is a competitive one, based on overall battle efficiency. Each department of the ship is graded to determine the vessel's final mark in the competition.

ELECTED REPORTER

Miss Marilyn Hays, daughter of Mrs. H. E. Hays of Crowell, senior in McMurry College in Abilene, has been elected reporter of

the Press Club of the college in the 1948-1949 session. The first major activity of the club is the publishing of a student directory which will be issued this week.
