## Crowell B Team Defeats Paducah Here, 20 to 0

The Wildkittens, Crowell Grammar School football team, covered themselves in glory here last Thursday night when they defeated the little Paducah Dragons 20 to 0 in their final game of the season. The Kittens kicked on first down each time they received the ball during the first quarter playing for a "break." The opportunity presented itself in the second quarter. Little Raymond Halenack, substitute quarterback for Crowell, sparked his team to a drive that resulted into a touchdown in the second quarter. His fifteen yard run set the score up, and Roy Whitley's fifteen yard run carried over for the first counter. Halenack carried the extra point over to make the score 7 to 0 at halftime.

Don Gobin, quarterback for Crowell, made a brilliant fifty yard run in the third quarter behind good blocking that carried to Paducah's one-yard line. Gobin made the touchdown on the next play through the line. The extra point was no good. Whitley set the next touchdown up in the fourth quarter on another nice run and Gobin covered the last eight yards through the line. Whitley converted the extra point to make the final score 20 to 0.

V. W. Lattimer, Calvin Luttrell, Roy Whitley and James Denton looked the best for Crowell on the defense. Several of these boys will be in high school next year and should be good prospects for the Wildcat team. Jim Paul Norman, stellar fullback for the Wildkittens, had to miss this game due to an injury.

The following twenty-one boys saw service for Crowell in this game: Wayne Borchardt, Roy Whitley, Jimmy Stinebaugh, Raymond Halenack, Don Gobin, Fred Barker, Billy Johnson, James Pittillo, Leon Pechacek, Calvin Luttrell, George Scott, Ginger Johnson, V. W. Lattimer, Glydon Johnson, Billy Abston, A. L. McGinnis, Joe Don Thompson, Carroll Poik, Larry Johnson, James Denton and Billy Ray Dunn.

The Grammar School pep squad contributed a great deal toward making this game a grand success. They not only sold over \$40 worth of advance tickets, but entertained both squads and the Paducah pep squad with a party and refreshments immediately after the game. Marcia Newland received a prize for selling the most tickets and Bobby Jean Spears received a prize for second place. The leaders of the pep squad are Marcia Kincaid, Virginia Tammelin, Clo Vonne McKown and Carolyn Bell.

### ROTARY CLUB

A large number of visitors attended the Wednesday noon meeting of the Crowell Rotary Club at the DeLuxe Cafe. They were Rotarians Charlie Ladd, Judge Green, Keith Berry and Bud Harverson of Vernon and Rotarian Joe Anderson of Quannah. Only two local Rotarians were reported absent this week.

Jack Seale was in charge of the program and Clinton McLain gave a very interesting and instructive classification talk on flying. Mr. McLain operates a flying school and a flying service in Crowell.

**CHRISTMAS TOY PREVIEW . . .** A few days ago at the American Toy Institute Santa Claus opened his big sack to give young America a peek at the good things he has in store for the coming Christmas. Above are two striking samples of what may pop out of the stocking on the morning of December 25. Sandra Lake teams up with a doll that blows bubbles, has washable hair and goes vocal when her tummy is pressed. Jane Fraser marvels over a hen that lays miniature eggs, brags about it with loud cackles and struts like a real hen.

## Funeral Services Held for Private Herman E. Davis

Funeral services were held for Pfc. Herman E. Davis, son of Mrs. Mattie Davis, who lost his life in combat on March 3, 1945, Wednesday afternoon at 3 o'clock at the First Baptist Church with Rev. Aubrey C. Haynes, pastor of the Methodist Church and an ex-chaplain, officiating. Assisting him in the services were Rev. Geo. Smith, pastor of the Baptist Church of Margaret and Rev. J. D. McDaniel, pastor of the Baptist Church of Claude.

Pall bearers were members of the local American Legion Post. Other members were named as honorary pall bearers.

Flower bearers were Mrs. J. B. Harlan, Mrs. Leon Callaway, Mrs. Otis Coffey, Mrs. Allen Taylor, Mrs. Milburn Carroll, Mrs. George Fox, Mrs. W. H. Dodd and Mrs. M. L. Rettig.

With Mrs. Arnold Rucker playing accompaniment, a choir sang favorite songs of the family. She also accompanied Misses Bettie Lou Brock and Marjorie Brock as they sang a duet, "Does Jesus Care?" A male quartet from Claude sang "Going Down the Valley." They were Rev. McDaniel, Roy Woods, Floyd Pannell and Frank Dunn.

Re-burial was made in the Crowell cemetery with full military rites under the sponsorship of the Gordon J. Ford Post, American Legion. Womack Funeral Home directed arrangements.

Herman E. Davis was born May 12, 1919, at Thackerville, Okla. He moved to Foard County, with his parents, when he was small and was educated in the Margaret schools. He was converted and united with the Baptist Church in Margaret at the age of ten and had moved his membership to the First Baptist Church in Crowell where it remained until his death.

On Oct. 30, 1939, he was married to Miss Viola Britt of Lubbock. To them one child, Herman Eugene, was born.

Pfc. Davis entered the Armed Services in Dec., 1942, and was

## Richard Ferguson Seriously Injured in Auto Accident

Richard Ferguson, until recently a druggist of Crowell, was seriously injured in an automobile accident which occurred near Waynesboro, Tenn., while traveling on the new work he has entered into as salesman for a wholesale drug company.

He suffered both legs broken, one above the knee and the other below the knee and is hospitalized in Waynesboro. Other than the broken bones, Mr. Ferguson seems to have suffered no other serious injuries.

Mrs. Ferguson was here when she received the news and left immediately by plane for his bedside. She reports that he is resting satisfactorily. Their daughter, Betsy, remained in Crowell.

### BUYS SERVICE STATION

Clyde (Sonny) Eddy has bought the Gulf Service Station and took over its operation on last Thursday, Nov. 4. The station will be known as the Eddy Service Station under the new ownership.

Mr. Eddy is an experienced station operator.

given paratroop training at Fort Benning, Ga. He was sent to the European Theater in May, 1944, from Camp Meade, Md. From then, he served in England, France and Germany. On Feb. 28, 1945, he was wounded while guiding a tank into position. This happened during an attack against the town of Immerath, Germany. He lived until March 3, 1945. He was given an American military funeral and burial was made in the U. S. Military Cemetery at Margraten, Holland.

He was of a quiet disposition and was ever desirous of doing something for others. Survivors include his son, Mrs. Mattie Davis, his mother; four sisters, Mrs. Fay Holladay of Lubbock, Mrs. Ann Morris of Claude, Mrs. Marie Reagan and Mrs. Robbie Nichols of Crowell; three brothers, R. E. Davis of Pampa, Cecil Davis and Billie Davis, both of Crowell; his maternal grandparents, Mr. and Mrs. John Neely of Frederick, Okla., and a number of aunts, uncles, cousins and friends.

## Crowell Wildcats Defeat Bulldogs of Burkburnett, 14-7

The Crowell Wildcats added another victory to their record last Friday night at Burkburnett when they defeated the Burkburnett Bulldogs by the score of 14 to 7. The Wildcats did not play up to par in this game, however, they received 100 yards in penalties to the Burk boys none. The Bulldogs led in first downs 12 to 5, but the yardage gained from scrimmage was about the same. Long touchdown runs by Dalton (Butch) Biggestaff and Rouse (Smoky) Todd spelled the difference in score. Biggestaff returned a punt 72 yards in the second quarter for his score. Todd ran the extra point over. A few minutes later in the same quarter, Todd took a handoff from Biggestaff and loped 33 yards for his touchdown. Grover Yochem kicked the extra point to make the score 14 to 0. Just before the half was over, Bobby Smith, halfback for Burk, threw a thirty-five yard pass to Wayne Randoipa, left end for the Bulldogs, that resulted into a touchdown. Joe Harrison, 200-lb. fullback, plunged the extra point over to make the final score 14 to 7 for Crowell.

Each team should have scored another touchdown. A Burk boy dropped a pass out in the clear in the third quarter that should have gone for a touchdown.

Todd broke loose on a 70-yard run in the fourth quarter that was nullified due to a clipping penalty. Coach Scott Whitaker used the most of his substitutes during the last half which slowed the Wildcats' offense down considerably. The Bulldogs threatened to score late in the game but Crowell took over on their twenty-yard line and due to a 15-yard penalty ended up with the ball in their possession on their own five-yard line.

The following twenty boys saw service for Crowell in this game: C. Pittillo, F. Glover, W. Caddell, D. Wilkins, F. Borchardt, J. Rasberry, J. Bartley, D. Biggestaff, K. Todd, B. Halenack, G. Yochem, J. Culbertson, H. Norman, J. Bice, L. McNeese, T. White, B. Lax, H. Ribble, B. Rader and J. Williams.

The Wildcats receive a well-deserved rest this week before playing the strong Olney Cubs here next week in the final game of the season.

## Garden Club Will Hold November Meet

The Crowell Garden Club will meet at the Community House on Friday, Nov. 12, at 3 o'clock and Mrs. Hines Clark will serve as program leader for the meeting. She will discuss the forest trees of Texas. Roll-call will be answered with county wild flowers.

Mrs. Ray Hysinger will tell of the trees of other states and Mrs. R. J. Thomas will talk on Wild Birds and their need for protection.

Hostesses for the meeting will be Mrs. Maude Rasberry, Mrs. J. H. Shults and Mrs. Ray Duckworth. A Thanksgiving flower arrangement will be used as the exhibit for the afternoon.

All members are urged to be present at the meeting.

### ATTENDING SHERIFF SCHOOL

Pete Gobin, sheriff-elect for Foard County, is in Austin this week attending the third biennial sheriff's school conducted by the State Department of Public Safety.

Men attending this school will undergo intensive training in criminal law and scientific investigation procedure and other duties of the sheriff's, according to Director Homer Garrison, Jr.

## Opening of Christmas Shopping Season Will Be Staged by Crowell Business Men on Friday Night, December 3

Crowell merchants will hold their annual Christmas opening on Friday night, Dec. 3, according to plans mapped out at a meeting of the retail committee of the Foard County Chamber of Commerce last Wednesday.

Various committees were appointed and plans for a bigger and better Christmas opening than ever before were gotten underway immediately. The Christmas openings in Crowell during the past several years have been more popular than those of larger neighboring cities and Crowell

merchants are planning and backing a Christmas season that will dim those of the past.

Arrangements are being made this week with Santa Claus to be in Crowell on the night of Dec. 3. He will make known the hour of his arrival next week. Watch the News for the time.

The merchants are showing keen interest with the near approach of Christmas. They will stage a contest for the best window display. Gaily and appropriately decorated show windows will hold a feature place in the city's celebration.

C. R. Seale, manager of the West Texas Utilities Co., announced that the company will sponsor this contest and also a home decoration contest. This may be a yard or window display. However, the business place and home that won last year are not eligible for this year's prize.

The judging of the homes won't take place until the week of Dec. 17-25. The two prizes for the best business window and home or yard display will be, according to Mr. Seale, Hollywood steak broilers.

The Kris Kingle committees appointed to help Santa Claus stage Crowell's greatest Christmas opening celebration are as follows:

Gift committee, Irving Fisch, J. A. Stovall and the Business & Professional Women's Club; Finance committee, Fred Thompson, Ray Shirley and James Welch; Decoration committee, Herbert Edwards and Jack Seale; truck committee, James Weiss; assistants to Santa Claus, Hubert Brown, Mike Bird, Marion Crowell, Weldon Johnson and George Self; judging committee, Fred Webba, Decker Magee and Pete Yates.

The complete cooperation of the merchants and all other citizens is asked by the Kris Kingle committees for the Christmas Opening which promises to be better than ever before.

## Body of Sgt. Orvil Jones to Arrive Here Sat., 11 a. m.

Mrs. J. H. Jones has received notification that the remains of her son, S-Sgt. Orvil H. Jones, who lost his life in Central Holland on October 29, 1944, would arrive in Crowell by way of the 11:10 a. m. Santa Fe on Saturday, Nov. 13.

Funeral services will be held Sunday afternoon, Nov. 14, at the First Baptist Church at 2 o'clock. Military burial services will be conducted at the cemetery under the direction of the Gordon J. Ford American Legion Post.

S-Sgt. Jones was with the 7th Army, 45th Infantry Division when he was killed.

## Community House Project Has Been Completed Recently

The Community House Board has asked that their appreciation and thanks be extended through the paper to the Roping Club and everyone who helped in any way to make a success of the recent roping held for the Community House.

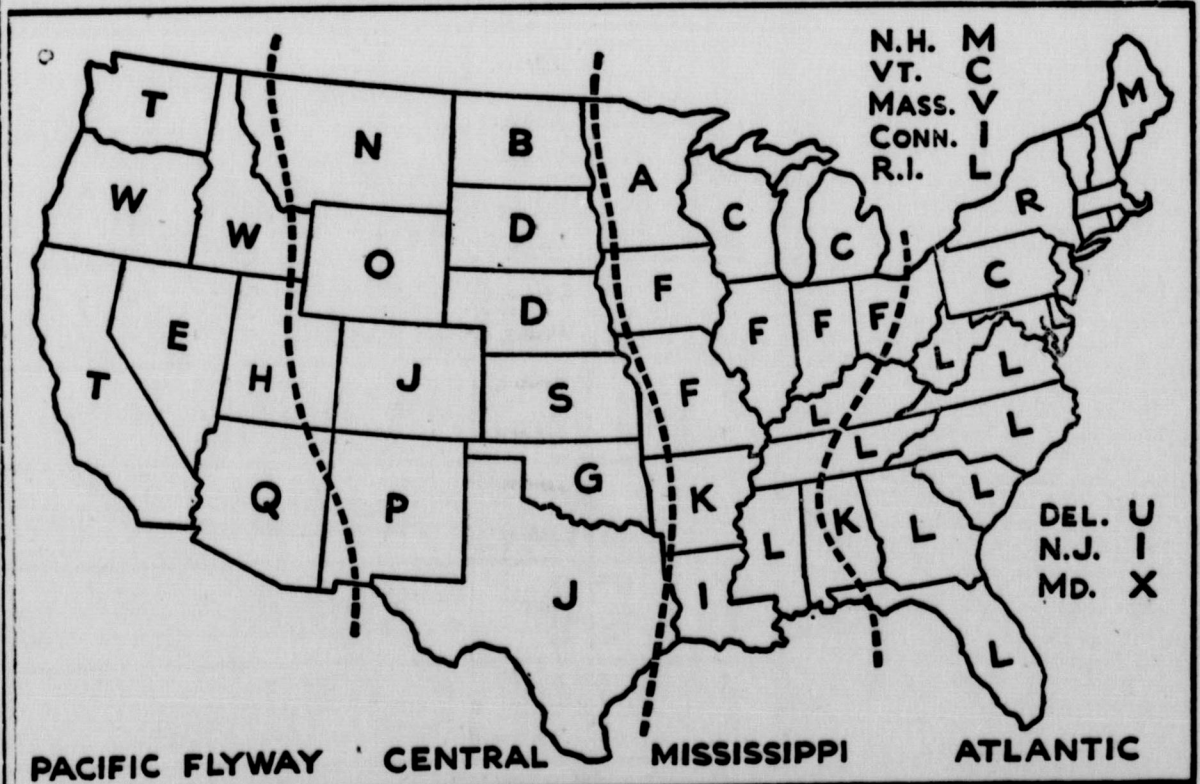

Thanks are also extended to all people who had a part in making a success of the rummage sale. There has been splendid cooperation in each of these projects, announces the Board. All bills on the Community House have been paid, and the Board wishes to say that the House belongs to the people and they hope that the people will enjoy it to the fullest.

## Mrs. Lizzie Davis Buried in Clarendon

Mrs. Lizzie Davis of Clarendon, a former Foard County resident, passed away Nov. 1 in a hospital at Groom. She left Foard County 32 years ago.

Mrs. Davis was a sister of Mrs. Joe Orr and R. H. Blevins of Margaret and W. T. Blevins of Truscott. Funeral services were conducted from the First Methodist Church in Clarendon on Nov. 2 with burial in the Citizens Cemetery.

Relatives from Margaret attending the funeral services were Mr. and Mrs. R. H. Blevins, J. L. Orr, Miss Audra Orr, Mr. and Mrs. C. E. Blevins and Mrs. Robert Hudgens and Mrs. Carl Ingle of Quannah.

## New Telephone Rates Announced for Crowell

Announcement of necessity for new telephone rates at Crowell was made today by F. A. Robinette, district manager for the Southwestern Associated Telephone Company.

Greatly increased costs of furnishing telephone service make it necessary for the telephone company to place new rates into effect immediately. Robinette states that he plans to go before the City Council at an early date to explain the need for new telephone rates here.

The present rates for telephone service were established prior to 1935. Since January 1, 1935, the telephone system in Crowell has grown from 302 telephones to 575. "We are proud," Robinette said, "that in these thirteen years we have been able to provide more and better telephone service without increasing rates. However, the pyramiding effect of higher costs of operation—higher wages, taxes, equipment and supplies—make new rates necessary despite every possible economy that could be used."

Robinette stated that while revenues had increased, expenses had increased at a much faster rate, and "that a company net revenue had dropped until today the company is losing approximately \$2080.00 per year."

"The new rates are reasonable and are necessary to help pay the cost of furnishing telephone service. We do not seek big profits, but are asking only for rates that will provide enough earnings so that we can continue to expand and improve service," it was stated.

### Proclamation

Whereas, thirty years ago, after four years of stupendous and bloody struggle the peaceable nations of the world in their eternal effort to stamp out militarism gained a glorious and memorable victory in their everlasting desire and hope to preserve and maintain peace among all peoples; and

Whereas, then as in World War II, many brave American sons of the supreme sacrifice on the field of battle in order that their posterity might live in a world of peace and understanding; and

Whereas, every peace loving citizen is desirous of renewing his expression of gratitude to those who gave their lives and those who in any way sacrificed their comfort and happiness that our ideal of freedom and democracy might remain intact;

Now therefore, I, W. H. Moyer, Mayor of the City of Crowell, Texas, hereby proclaim Thursday, November 11th, A. D., 1948, as a day to pay our sincere respect and to express our undying gratitude to those brave comrades who gave their all in order to preserve all the ideals of Americanism.

It is respectfully urged that all business houses within the corporate limits of the City of Crowell be closed all day Thursday, November 11th, A. D., 1948, for the aforesaid purposes.

W. H. MOYER,  
Mayor, City of Crowell.

### BAKERY SALE

The Altar Society of St. Joseph's Catholic Church is sponsoring a Bakery and Food sale Saturday, November 13, to begin at 10 a. m. The sale will consist of dressed chickens, hens and fryers, and cakes and pies. The sale will be held at the Stovall Grocery on the north side of the square.

The recent World Series was attended by 358,363 fans and drew \$1,600,000 gates at the six games.

The cranberry crop this year will be the second largest on record, according to the U. S. Department of Agriculture. In addition to this large amount of processed berries, canned sauce and other products has been carried over from last year's crop. Because of this surplus a price drop is expected. Harvesting of cranberries reached its peak in October.

According to C. E. Wilson, president of General Motors, there is little chance that auto prices will recede to pre-war levels. It is believed by Mr. Wilson that the present market will continue for at least two years, barring a war or an economic upset.

**Many Persons Can Be Protected from Catching Diseases**

Austin, Texas — In a statement on controlling communicable diseases issued by the Texas State Department of Health, Dr. Geo. W. Cox, State Health Officer states that if every case of suspected communicable disease were seen promptly by the family physician and definitely diagnosed, thousands of susceptible persons would be protected from these disabling diseases.

"The theory that it is a good thing for children to have these catching childhood diseases and get them over with, has long since been proven an error which may actually endanger a child's life," says Dr. Cox. "The longer he can avoid having these diseases, the better it is for him. Every child should be protected by immunization against all diseases where an immunity can be established."

Prompt diagnosis, isolation and good medical care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the milder forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine protects not only the patient, but helps to prevent the spread of the disease to other persons.

"The State Health Department," Dr. Cox said, "does everything within its power to protect the health of the people of Texas, but the cooperation of every individual in protecting his own health and that of his community will do more than anything else to successfully check the spread of communicable diseases among our people."

**Building Permits in Texas Rose 9 Per Cent in August**

Texas building permits rose 9 per cent from August to September, the University of Texas Bureau of Business Research reported.

Building permits for 49 Texas cities totaled \$32,809,485, or 1 per cent under September 1947.

After adjustment for seasonal variation, the Bureau's index of building permits climbed 31 per cent to stand at 683 per cent of the prewar base (1935-39) period.

Building permits more than doubled August levels in Texas City, Marshall, Jacksonville, Brownsville, Lubbock, and El Paso.

Counter to the upward trend, sharp declines from August occurred in Lockhart, 87 per cent; Denton, 74 per cent; Edinburg, 66 per cent; Nacogdoches, 64 per cent; Port Arthur, 61 per cent; and New Braunfels, 54 per cent.

Cities doubling building permits from September 1947 were Snyder, Lockhart, Childress, Lubbock, and Tyler. On the other hand, substantial decreases were turned in by Midland, 75 per cent; Palestine, 71 per cent; Brownwood, 65 per cent; Bryan, 62 per cent; Nacogdoches, 61 per cent, and Gainesville, 55 per cent.

Leading the state for three consecutive months, Houston's building permits totaled \$7,842,950. Dallas was second, with \$6,867,985; San Antonio, Fort Worth, and Lubbock followed in that order.

HISTORY

Aviation Day, December 17 — On December 17, 1903, the Wright brothers at Kitty Hawk, N. C., made the first successful flight in a heavier than air machine. The day has been observed as an anniversary in various ways ever since. Orville and Wilbur Wright, of Dayton, Ohio, some three years before began experiments with a glider similar to that used by Octave Chanute some years before. They finally devised a plane equipped with a sixteen horse-power four cylinder gasoline engine. The machine was equipped with a rudder for steering and the wings could be warped. In a test at the Kill Devil sand hills near Kitty Hawk on December 17, 1903, four successful flights were made. In one of them the plane rose by its own power and remained in the air fifty-nine seconds and traveled a distance of eight hundred and fifty-two feet. This feat demonstrated that man could fly. How far and well depended upon further development of the flying machine. The principle had been discovered. The experiments were continued and on Oct. 5, 1905, with a new model machine a flight of twenty-four and a half miles was made with the machine remaining in the air thirty-eight minutes and three seconds. During its flight the machine developed a speed of thirty-eight miles an hour. Not a great deal toward developing the plane was done in this country until the beginning of World War I, when unlimited money became available for developing the machine for military use. The past twenty years have seen a great development in the airplane in design and speed and size. Development of the airplane had been so rapid that it is said that the last word in development today would be obsolete six months from now.

DO WE WANT WAGE ROLLBACKS?

Newsweek recently published an account of the reason for Congress' refusal to reimpose price controls and rollbacks on the national economy. Among them were the belief that price control would cut production, result in fewer goods for the consumer, and drive inflation underground into new black markets. . . . That inflation cannot be stopped without wage controls, which are politically unfeasible. It is probable that a great many people have been deluded into the idea that prices could be cut arbitrarily just by shaving the excessive profits earned by industry. The only trouble with that idea is that it has no basis in fact. As an example, the average chain food store, keeps, as profit, only two cents or less of each dollar spent with it. The average general merchandise store makes but five or six cents. The manufacturers of most consumer goods are in a similar position. Profit is one of the smallest items in industry's ledger. The percentage rise in prices, for the most part, has almost exactly paralleled the percentage rise in wages. The appealing theory, which was argued at vast length after the war, that higher wages need not produce higher prices

Uncle Sam's Selective Service

(Editor's note: Below is one installment of a series of questions and answers on the second peacetime military training program. It has been prepared under the direction of the Texas Director of Selective Service, Maj. Gen. K. L. Berry.)

Classification Procedure No. 1

Q. How will classification of registrants take place? A. Registrants will be given detailed questionnaires by their local boards which will provide basis for classification.

Q. How long will a registrant have to fill out this questionnaire? A. It must be returned completed within five days.

Q. If they need it, who can help the registrants in completing the questionnaire? A. In each local board area an Advisory Board for Registrants, composed of one or more registrants serving without pay, will assist registrants in answering the questionnaires.

Q. What will the questionnaire include? A. It will consist chiefly of questions which will divulge information on which the registrant's desirability for military training will be determined. It will call for detailed information on a registrant's family, economic, physical, and occupational conditions.

Q. Will this information be kept confidential? A. All information of a personal nature given in the questionnaire will be kept confidential.

Q. What is the importance of the questionnaire? A. On the basis of the answers given to these questions, the local boards will determine whether the registrant should be classified as available for immediate induction into training or should be temporarily or permanently deferred from the training program.

Q. Must claims for a deferred status be made at the time the questionnaire is filed? A. Yes. Unless the registrant demonstrates in his questionnaire by specific request a desire for a deferred status, he will be classified as immediately available for the training program.

Q. How many is it anticipated will be disqualified under the standards expected to be fixed for service? A. The National Director of Selective Service expresses the possibility that 40 per cent will be disqualified.

has been proven baseless. Wages are not, of course, the sole cause of inflation—such factors as unbridled government spending must bear a heavy share of the blame. But to talk about price rollbacks without wage rollbacks just doesn't make sense. And, even if both were rolled back, we would simply enter a black market era, in which conscienceless racketeers would control the distribution of scarce goods.—Industrial News Review.

What We Think

(By Frank Dixon)

I am going to admit that I am disturbed over the future. Though I have an abiding conviction in the ultimate triumph of right I am concerned when that ultimate triumph will come.

I do not recall another time in history, at least within the period covered by my life when the future seemed so uncertain and so fraught with dire possibilities as does the future today.

A large part of this uncertainty grows out of the condition existing between this country and Russia, and a part of it comes from the growing spirit of unrest in this country.

As I read the news and attempt to read between the lines and analyze its import it seems to me that we are drifting slowly but inevitably toward the brink of the precipice beyond which lies war. At the present time war is abhorrent to everyone, but if we continue to think about it and to talk about it the idea of its abhorrence is going to gradually fade out and in its place there is going to come the feeling and even the conviction that war is the only answer.

While I admit that there are some things worse than war—namely the sacrifice of principle and honor, nevertheless I feel that, whatever the cause, another war at this time is going to exact a greater toll upon civilization, and upon humanity, and upon humanity's posterity, than any through which the world has gone in the annals of recorded history. In addition to the loss of life and the potential possibilities in the world future development that may be embodied in the lives thus sacrificed, there is the loss of treasure and the dire possibility of lowered concepts of morality that are always a part of war. I have always counted among the greatest losses of war the price that society pays, in the diversion of its capital reserves and in the disruption of its orderly thinking and planning. I cannot believe that the thing that loses to the utmost the elemental passions of men and permits their unchecked play can help but destroy something more in our social order than the things included in the best of war material. It takes with it some spiritual things that are only won back over years of living.

I do not mean by this that I am not in favor of preparedness. I am to the utmost, I do not mean by this that I am in favor of appeasement. I am not. I feel that if our demands are right and just and wholly in the interest of lasting peace we have the right and the obligation to make them.

I feel that if this world is ever going to have a concept of peace we are the people who are going to have to point the way and bring the world to see the way.

So much for world conditions. The next disturbing element is the unrest at home. There is not a person living in this country whose lot is not immeasurably better than the lot of the people in any other nation in the world. Are we appreciative of this fact? Do we realize our great good fortune and are we grateful and thankful for it? I do not need to answer that. The daily newspapers furnish the answer. They are in undeniable language the fact that people are not satisfied. They want still more and are ready to go to any ends for it. Many who are enjoying the benefits once known only to the very wealthy are planning and scheming to upset an economic order that has given them this—victims of a lack of appreciation and of greed an ill considered needlessness.

Of the two the unrest at home might conceivably become the most disturbing.

Veterans News

Qualified persons in Texas, Louisiana and Mississippi can now obtain jobs as clerk-stenographers with the Veterans Administration in Washington, D. C., VA has announced.

VA is extending its recruiting into most parts of the nation because of the current shortage of qualified stenographers in the nation's capital.

Entrance salary for the positions is \$2,498 per year with a very good chance for quick promotion to higher grades, VA said. Travel to Washington will be at government expense.

An adequate number of rooms for single persons are available in Washington at rates from \$5 a week and up. Government quarters at Arlington Farms in dormitories are also available for girls.

A savings in insurance premiums is available to World War II veterans who still are paying their GI insurance premiums on a monthly basis VA said.

Pointing out that approximately 90 per cent of the veterans are paying premiums on a monthly basis, VA explained that they may receive a three per cent annual discount by paying their premiums on a quarterly, semi-annual or annual basis.

Veterans can take advantage of the savings by visiting any VA office or writing to the VA Dallas Branch Office insurance service, requesting the type of premium payment desired.

Each year some 285,000 sightseers visit the Bureau of Engraving at Washington.

IN THE NEWS 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Nov. 8, 1918:

### New Method for Oil Exploration Is Discovered

A charge of dynamite, set off in the bleak region near the south Pole during the Byrd Expedition of the early '30s, set off a train of events which today gave promise of making the search for oil in Foard County quicker and cheaper.

The explosion was set off during the Byrd Antarctic Expedition of 1933-1935 by Dr. Thomas C. Poulter, second in command and scientific advisor of the expedition, as part of some seismic measurement experiments.

Dr. Poulter, nationally known scientist who now is the associate director of Stanford Research Institute, Palo Alto, Calif., last year presented his new method of seismic exploration to the Institute of Inventive Research, San Antonio. Dr. Poulter then was on the staff of the Armour Research Institute, Chicago.

The Institute of Inventive Research is a non-profit public service organization endowed by Tom Slick, Texas oil producer and rancher, to provide aid for inventors. The Institute agreed to underwrite further research on Dr. Poulter's new development, provided he would conduct the experimentation.

On Thursday, Nov. 4, at Essar Ranch near San Antonio, the new way of making seismic tests for oil was unveiled. Dr. Poulter and Dr. Harold Vagtborg, president of the Institute, held a press conference.

Then newspaper men were taken into the mesquite brush on the ranch for a demonstration. Light charges in the explosive pattern were set up on stakes above the ground, spread around the area to be tested, and all were exploded together.

The new method contrasts with the present system of firing a single, large charge in a hole of considerable depth. The Institute staff sees the principal advantages of the Poulter method over those currently in use as being the elimination of shot holes and their attendant costs, and the greater speed with which areas may be mapped.

Seismic recording equipment identical with that now generally in use is employed by the new method. Tests have shown, Dr. Vagtborg said, that the above-ground method reduces danger of damaging nearby structures of concrete or other solid material. It also eliminates the dangers of falling stones.

Applications for patents on the method have been filed.

## "BEND DOWN, SISTER," NEGRO MINSTREL, TO BE PRESENTED THURS. NIGHT

Mrs. Moody Bursley's seventh period speech class will present the long awaited "Bend Down, Sister," a negro minstrel, in the high school auditorium Thursday night, November 11th, at 7:30 p. m.

Bobby Cato will act as inter-locutor for the all-girl chorus. The minstrel is staged in the deep South and the softly slurred voices of the actors will convince the audience that they really are "Deep in the Heart of Dixie." Many a flirtatious look will be directed at the audience from behind the footlights, if the rehearsals are any sign. The cast has practiced on learning how to roll their eyes and smile at the boys as well as learning their lines.

Special novelty numbers will be presented to the audience by those old favorites, the Ink Blotters. The luscious Miss Ima Peach, Maurine Youree, will sing a song

well-suited to her personality. Miss Dolly Doolittle, Betty Barker, and Miss Candy Brown, Ann Haynie, are also listed in the program with individual songs. Even the interlocutor takes part by doing a special "Kicking the Gong Around."

This cast of talented actors is sure to please everyone. Besides the songs and dances, there will be some jokes. Some are the tried and true ones of every minstrel show, but most are new and refreshing to hear. Leave your troubles at home next Thursday night and come to the high school auditorium where you will laugh, and laugh, and laugh some more.

## SPORTSMANSHIP

Sportsmanship is one of the most defined words in the English dictionary. Everyone has his own ideas about sportsmanship, but I like the way Winston says it, "like, befitting or worthy of a sportsman." The Wildcats seem to gain by every game they play, win or lose, and while they are matching wits and strength, the student body is matching sportsmanship. It is up to us as students to set the pattern for everyone else to go by. If the Wildcats can be as proud of us as we are of them, we can say that our student body is worthy of wearing school colors, singing the school song and using the school name. George Herbert once said, "After the game, we shall see who wins." The Wildcats will win their share of games, and let's win our battles against unsportsmanlike conduct. We have been good winners and good losers this year.

## The Sportsman's Creed

- The Player—
1. He lives clean, plays hard for the love of the game.
  2. He wins without boasting, he loses without excuses, but never quits.
  3. He respects officials and accepts their decisions without question.
  4. He never forgets that he represents his school.
- The Coach—
1. He inspires in his boys a love for the game and the desire to win.
  2. He teaches them that it is better to lose fairly than to win unfairly.
  3. He leads playmates and spectators to respect officials by setting them a good example.
  4. He is the sort of man he wants his boys to be.
- The Official—
1. He knows the rules.
  2. He is fair and firm in all decisions, and calls them as he

sees them.

3. He treats players and coaches courteously and demands the same treatment for himself.
4. He knows the game for the boys and lets them have the spotlight.

The Spectator—

1. He never boos a player or officiate.
2. He applauds a good play, no matter who makes it.
3. He knows the school gets the blame or the praise for his conduct.
4. He recognizes the need for more sportsmen and fewer "sports."

## BACK WILDCATS AT CROWELL-OLNEY GAME

The last game of the season will be played next Friday night Nov. 19, at the Wildcat Stadium here in Crowell. For at least thirty of the students in CHS this will be their last football game of their high school year. Several of the boys on the team will either graduate and not be here to play next year and some of the boys will not be able to play because next year they will be over the age limit.

You understand, therefore, why this last game of the season is so important, and why it is so important that we all back our fighting team to the very limit, and let them know that we are backing them. Let's make the attendance at this game a record breaker. The enthusiasm of the Wildcat fans this year has been great, but this time we should surpass ourselves. It has been said that the last pep rally was the best ever given at CHS. Next week let's hold an even bigger and better one to prove to our boys that we really do "love them all the time."

## MORE GIRLS ASKED TO MARCH IN PEP SQUAD FORMATION

For various reasons the Pep Squad has not been able to march the last two weeks. This week, let them know that we are backing them. Let's make the attendance at this game a record breaker. The enthusiasm of the Wildcat fans this year has been great, but this time we should surpass ourselves. It has been said that the last pep rally was the best ever given at CHS. Next week let's hold an even bigger and better one to prove to our boys that we really do "love them all the time."

Miss Close asks that every girl who can, come to the football field at 12:35 each day in order to practice in the formations. Each girl should march unless it is impractical for her to do so as not being able to attend the game or some other reason. We want to have the biggest and best Pep Squad of the year next Friday night, all marching in the black suits of the Pep Squad. Come on out to the field today, if you have not been marching, you will be welcomed with an open heart. Perhaps you have been missing marching or have been late a few times. Let's hurry up from now on, so that we can set a good example for the new girls in the lines.

## HAYNES SPEAKS ON SUCCESS IN LIFE

"If we expect to gain success in life," commented Rev. Aubrey Haynes, speaking at the assembly Thursday morning. "We must make the most of our high school education."

Rev. Haynes gave some of his experiences as an Army chaplain in World War II. He told how soldiers went into the Army as young boys who cared for no one but themselves and came out as young men interested in everyone. He told that several boys who had been drafted from high school into the armed forces had originally done poorly in school, but when they returned to high school, they made grades among the highest in the class. The boys had not realized the necessity of an education until they had been brought into contact with people other than those in their home towns.

Brother Haynes told us that most of us would not realize the importance of a high school education until we had finished school unless something brought it to us forcefully. He brought out the need of learning to think for one's self while still in school. Being able to think gives one the ability to accomplish things with only a minimum of information and material available for one to use. Some subjects, such as algebra, or a foreign language, may seem useless at the time, but they help us to learn to use that all important "little gray matter" as it should be used.

## FOOTBALL BOYS TO GIVE BARBECUE

Food! Fun! Excitement! At last the students of CHS cannot say "I wish we had something to do or Crowell is the dearest town this side of Jal's County."

Saturday afternoon, Nov. 13, the football stadium will light up promptly at 5 o'clock. No, you missed it this time. It is not going to be a football game, but a barbecue given by the football boys and sponsored by Coach Whitaker.

The boys agreed to send individual invitations to the pep squad and to their parents. So, girls, if you haven't gotten yours yet,

be patient, you will. I've always heard that a good deed is usually paid back sooner or later. Do you remember when you walked back to close the gate at the football stadium to keep coach's sheep from running astray? Wake up and come to the barbecue; this is the way he is paying you back.

## WE THOUGHT YOU SAID SPECIAL BUS, NOT IGLOO

All a-board!!! Miss Close took a last look for stragglers, and the cameras snapped, the bus driver fainted, the horn blew, and wheels began to turn from the school yard at ten miles an hour, Burk Burnett bound.

Have you ever looked closely at the word Burk-bur-nett (Just a burn—I mean passing thought).

The bus driver summed up all his courage and left the city limits, while we all thought we'd never get there traveling so slowly. We found Miss Close acting as conductor (collecting fares).

Upon investigation of the commotion in the rear of the bus, we found Don Wilkins with a very peculiar look on his face. We questioned him, but all he would and could say was, "Hang those cigars."

We followed a glamorous brunette (that will be 25c, Miss Close) through the bus when we finally caught her and asked if she weren't of some notoriety. She said, "No, just a faculty member and ain't this fun." She ain't from the English department.

About this time Jerry Culbertson staggered down the aisle muttering "and I only want a little

air." (If it's all the same to everyone, I'd rather not hear another word pertaining to weather).

The phrases James Bice kept murmuring to himself were translated thus! "On the way back we demand no sponsor and no lights," Betty Brock rushed up crying, "Them's my sentiments too."

Before we were completely exhausted by yelling and singing, we arrived in Burk Burnett where we ate at the Greasy Spoon. The sand and wind took over from there, but this didn't stop the Wildcats.

They played a whale of a good game. After it was over, the whole herd of Wildcats and Kittens, braved the wild west wind and boarded the bus for Crowell. It wasn't long before someone shouted, "Tally Ho" and we disembarked and touched dear old terra firma again.

**DELIVERIES, TRADE-INS, FINANCING, ACCESSORIES**

When an automobile manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should reach record-breaking proportions. Add to this today's pent-up need for automotive transportation—plus continuing shortages of steel and other critical materials—and you'll see why we, as Oldsmobile dealers, have a real problem on our hands. We value the good will of all our customers. We would like to provide

all our customers with new Oldsmobile cars. But unfortunately, *this can't be done overnight.* That is why we are taking this opportunity to reaffirm publicly our policies on NEW CAR DELIVERIES, as listed in the box at right. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you and merit your patronage for Oldsmobile and for ourselves.

**OUR PLEDGE TO THE PUBLIC**

DELIVERIES—We will deliver all new Oldsmobiles at the earliest possible date consistent with production.

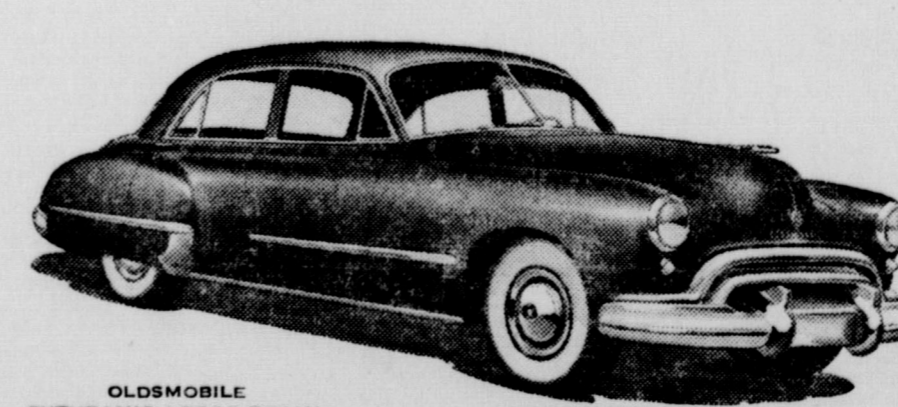

TRADE-INS—We will take your order and deliver your car without requiring a trade-in. However, we have many valued used car customers we would like to supply, and we will give you a fair and reasonable allowance on your present car.

FINANCING—You may pay cash for your new Oldsmobile or finance it wherever you wish. We will be glad to furnish low cost finance and insurance terms if you so desire.

ACCESSORIES—All cars are delivered with accessories as ordered, and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders.

**ROAD TO PEACE**  
 by F. Cox, Moody Bible Institute, Chicago.

We all want peace. The United Nations spends tring days trying to weld the world into a peaceable place where all men love each other as brothers.

If we as individuals, learn to love our fellow men we can help bring peace to this world in a small way. By accepting Christ as our personal Saviour and hence a vital force in our lives, we can show forth His love in our everyday meetings with people. Without God, there can be no real love for others. "For God is love" (I John 4:8). But with God, love for others is not only possible, but it is commanded of us, for in I John 4:7 we read, "Let us love one another, for love is of God."

Starting in our family, where love grows easily and becomes stronger and richer, we should reach out toward those in our community and city. Not only the people on our street are lovable. We should learn to know the families in the other sections of town, get acquainted with those who are not of our nationality or color. Then, we should reach out through knowledge to those across the sea. By knowing people well, we soon learn to love them. A country of loving communities will be a country on its way to peace.

Of course, complete and perfect peace among all men cannot be ours until Christ rules this earth with a perfect rule. Then, as we read in Micah, "Nations shall not lift up a sword against nation, neither shall they learn war any more" (Mic. 4:3). Yes, in those days men will love peace because they will all love the same God, the God of love and peace. Micah also says, "And many nations shall come, and say, Come, and let us go up to the mountain of the Lord, and to the house of the God of Jacob; and he will

# THE WILDCAT

(Continued from page 6)

## WILDCATS BEAT BULLDOGS

People who saw the game are wondering whether the Wildcats were letting up or whether the Bulldogs were inspired. The conclusion must be both. For the Wildcats barely won a hard victory over a bunch of Barkburnett Bulldogs that would not give up at all.

The first score of the game came in the second period when Biggerstaff ran a punt return back for the marker. The second came a few plays later when Todd ran through the line. Todd ran the first extra point over, and Yocham kicked the other.

Crowell kicked off to the Bulldogs and got the ball on the first play from scrimmage after a Burk boy had fumbled. Crowell went held for downs and had to kick. Crowell held Burk, and Burk had to punt. It was then that Crowell struck.

The Burk score came later in the period on a pass that netted fifty yards and a touchdown. The half ended a few plays later.

The second half was played very much like the first offering many a thrill. The game ended on Crowell's one-yard line with Crowell in charge of the ball. The Crowell fans and boys were very glad to hear the final whistle.

The final score was 14-7 in favor of CROWELL.

## PICKUPS

Hi, folks, here I am once more and never was I more happy over missing my predictions than I am over last week-end's games. I guessed Iowa Park to win over Seymour and sure enough they did, 14-0. I guessed that Crowell would beat Barkburnett and they did, but, man, did they have a time of it. Those Barkburnett boys were really hopped up. Crowell beat 14 to 7. Now for the ones I missed, and am I glad I did. Holiday was beaten by lowly Chillicothe, 13 to 7. This was Holiday's first defeat and Chillicothe's first win. But the one that fooled everybody was the Archer City-Olney game. Archer went in heavy favorites and came out on the losing side of a thrilling game 27-25.

My guesses for this week are as follows. Archer City to beat Holiday 13 to 0. Olney to stay in the running and beat Barkburnett about 14 to 0. After what Chillicothe did to Holiday Friday night, I'll take Chillicothe to chill Iowa Park 18-6. And to finish off, I'll take Seymour to beat Valley View 36-0. The Wildcats have a night off this week. They meet the Olney Cubs here the 19th of this month.

## WILDCAT PURRS

Hello once again, and here's a great big smile from yours truly to each person who wants it. If I should say, "I don't know what to tell you," you would probably wonder if I were speaking of the weather.

Dee Powers and Lois have been doing a lot of talking lately. Wonder why Arthur Lee Marlow started riding the Riverside bus? Could it be Dorothy Wilson? Betty Barker was seen with that red-haired casanova, Jimmy Raspberry, Saturday night. Double dating with them were "Sweet Pea" Owens and Gordon Wood Bell.

## Change of Mind

Little girls choose dolls for toys. While soldiers are the choice of boys. But when they're grown up, you'll find, That each has had a change of teach us of his ways, and we will walk in his path.

But until that day, let us remember that everyone is here in this world because of the same God. He loves all in the same way. And if we would seek peace by loving those in our family, community or country, we must first find the love of God, through Jesus Christ, in our own life.

## VETERANS' QUESTIONS AND ANSWERS

**Q.** My husband is a World War II veteran suffering from a service-incurred disability and is in need of a prosthetic appliance. Will Veterans Administration pay for the appliance?  
**A.** VA will furnish a prosthetic appliance if the veteran has a service-connected or service-aggravated disability requiring an appliance.

**Q.** I enlisted in the war during July 1947. Am I entitled to loan benefits under the G-I Bill?  
**A.** If you served at any time between Sept. 16, 1940 and July 25, 1947 and you were discharged under conditions other than dishonorable after at least 90 days you may qualify for a GI loan.

**Q.** What is the last date on which a veteran of World War II may apply for a GI loan?  
**A.** Such veterans have until July 25, 1957 in which to apply for GI loans. Armed Forces Recruitment Act enlistees will have 10 years after their period of enlistment is ended where the discharge date is later than July 25, 1947.

**Q.** My son was disabled during World War II. Will Veterans Administration pay him an additional sum for dependents?  
**A.** If your son is rated 60 per cent or more disabled, he is entitled to an additional sum for his dependents.

**mind.**  
 The girls prefer the soldiers now. And baby dolls attract the men. Seen after the ball game Friday night were: Tommie and Butch, Wanza and James Bied, Don and Violet, La Verne and Billy Joe, Walter and Frankie, Myra Don and Charles Wishon, Betty Fern and Grover, Joline and J. P. Rusty and Mary Alice, "Bogie" and "Posey," and Maurine and F. L.  
**Good to Hear—**  
**Pfc. Carlos McBeath** was here over the week-end. Peggy, how did Carlos like your permanent?  
**Clifford Ohr's** cast came off last week and F. L. Ballard's this week.  
**That Lenora Gray and Marion Gobin** are a couple on the steady list.  
**Edna Jewel** has recovered from the flu. Rouse looked mighty lonely Friday night!  
**Seen making the Quanaha-Vernon-Crowell circuit Saturday night** were Pat and Betty Lou. These two were also seen in Quanaha Sunday night with Jim Hill, Presley and "Ham."  
**We wonder who has the nick-**

name of "Little One?"  
**Joline and Betty Fern** have been missed this week. They have gone to Austin for a Sub-Junior Adelphian meeting.  
**We wonder if James McBeath and Letha Marlow** are still whispering sweet nothings.  
**Girls, a man is loose!** He's none other than that good-looking senior, John Potts.  
**It seems that Melba Ward** has captured someone's heart at last! Come on, Melba tell us who he is!  
**Attention boys!** Myrtie Bartley is a cute girl round town who doesn't go steady. (That'll be a Coke, Myrtie).  
**Now comes the long-awaited-for item:** The couple of the week are Christine Hanks and Bill Nichols. Have you noticed Christine's third finger? Congratulations!  
**It's bedtime now,** so I think without further mention of "gossip," I'll say so long, until the next issue of the Wildcat. Meanwhile, if a professor asks a question you are unable to answer, try smiling and say, "I don't know what to tell you."

## Bride-Elect Is Honored at Party Held in Lubbock

Miss Ada Jane Magee, daughter of Mr. and Mrs. D. R. Magee, and her fiancé, James Eldon Franks, were named the honorees at a dessert party given in the home of Mrs. E. C. Roney of Lubbock, with Mrs. Roney, Mrs. D. B. Oak and their daughters, Stella Ethel and Ethel Claire, as hostesses on Friday evening, Nov. 5th. Miss Magee and Mr. Franks will be married in Crowell on Sunday, Nov. 21.

The dining table was laid with a white linen Italian cutwork cloth and was centered with crystal bowl of blue carnations, flanked by tall white tapers in silver candlesticks. The blue and white theme, chosen colors of the bride-to-be, was followed in other decorations.

On the buffet a white flower-circled large reflector formed the setting for two miniature dolls, one in a dress of white satin with veil and train and the other dressed in delicate blue. A large blue and white satin and maline bow softened the reflection for the mirror above the buffet.

Mrs. Elmo McClellan of Lubbock, aunt of the bride-elect, and Mrs. E. A. Leach, of Oton, aunt of the groom-elect, poured from the antique china coffee and chocolate services.

Music followed the dessert hour. Guests for the evening were close friends and members of the wedding party and included Misses Sue Lynn Guthrie, Polly Millsbaugh, Imogene Holmes, Kay Kendrick, Rosalind Schrier, Sharon Haney, Polly Cumpston, Wilma Wheeler, Mrs. Eldon Franks and daughter, Linda, mother and sister of the groom-elect, his cousin, Lawanda Phillips of Oton; Messrs. Tommy Hulsey, Bob Bowers, Gene Sorley, Jim Snam, Archie Sorley, Bob Cooper, Duane Hill and Mr. and Mrs. E. Franklin of Plainview.

The railroads of this country have invested in equipment \$20,265 for every worker employed.

## Surprise Birthday Party Honors Jean Hughston

Misses Marcia Kincaid and Margaret Thompson were hostesses at the home of the former last Saturday evening at a surprise birthday party to compliment Miss Jean Hughston on her 14th birthday.

The guests had all arrived before the honor guest who was greeted by the group singing, "Happy Birthday, Jean."

Games and dancing provided the diversion for the evening. A pretty birthday cake in colors of white and pink adorned the dining table and was served with pink punch by the hostesses to the following:

Misses Jean Hughston, Myrtle Bartley, Tommie Meason, Neil Johnson, Jacqueline Rasberry, Marcia Newland, Anna Rea Owens, Maurine Youree, Nancy Rhodes and Frances Kincaid and Billy Bond, Bobby Jack Stinebaugh, Ginger Johnson, Jimmy Stinebaugh, Don Gobin, V. W. Lattimer, Jimmy Tom Cates, Haskell Norman, Glyndon Johnson, A. C. McGinnis and Robert Kincaid.

The honoree was the recipient of many lovely birthday remembrances.

### GIRL SCOUT MEETING

The Girl Scout Troop No. 4 and the West Side Cub Pack No. 49 had a weiner roast at the Cub Hut on Friday afternoon, Nov. 5. It was sponsored by Mrs. Merl Kincaid, Mr. and Mrs. C. P. Sandifer were special guests.

Mrs. Kincaid, assisted by Mrs. Charlie Wishon, served hot dogs, cookies and cocoa. Those present were Ann Wishon, Frances Kincaid, Sue Meason, Billy Bell, Betty Bartley, Elaine Brooks, Charlene Borchardt, Kay Rasberry, Billy McCoy, Carlton Black, Gerry Knox, Don Kidd, Billy Rader, Gordon Graves, Robert Kincaid, Jack Wishon, Mike Wishon, Jerry Thompson, Buddy Morris and Charles Gaffard.

## Art Exhibit Is Sponsored by the Adelpian Club

In observance of American Art Week, the first week in November, the Adelpian Club fostered an art exhibit by the primary and elementary school children in the High School auditorium on Tuesday afternoon, Nov. 2nd. American Art Week is sponsored by the American Artists and Professional League and the Federation of Women's Clubs.

Mrs. M. S. Henry gave an art lecture, featuring the "Madonna and the Child" by Raphael, showing the tender feeling between the mother and child and "Christ and the Children" by Kirchback. She showed beautiful colored prints of the artists.

"Christ and the Children" is a world famous painting reproduced in full color from the original painting with the most modern processes of color renditions. The picture should be viewed from many angles in order to give even a fair conception of its beauties, the life-like portraiture of the characters who represent nationalities that inhabited Samaria at the beginning of the Christian era.

Mrs. Henry gave highlights on Taos and its artists. She stated that Bert Phillips has painted many Indian portraits which have done a great service in making known the true Pueblo character, both gentle and stern, dignified and humorous.

She also discussed another artist of Taos, Ernest Blumenschein, who completed a masterly canvas, depicting the Indian deer dance which includes one hundred figures, perfectly balanced and jewel like, massed together in the canyon above Pueblo.

Mrs. Hubert Brown, president of the Adelpian Club, displayed two original paintings, "Star Dust" by Betty B. Gaffard, a local artist, and "Carter's Farm" by William Lester, a well-known artist of Texas University. Mrs. Brown, in behalf of the Adelpian Club, awarded prizes for the best drawings in the school exhibit to the following students: Joyce Marie of the second grade, Anne Howard Fiske of the fourth grade; Jo Ann Greening of the fifth grade and Marcia Kincaid of the eighth grade.

## Foard City W. S. C. S. Meets in Recreation Room Monday P. M.

Monday's meeting of the Foard City Woman's Society of Christian Service was held in the Recreation Room with a large group present for further discussions on the study book, "On Our Own Doorstep."

Mrs. J. M. Barker presided over the business meeting in the absence of Mrs. Virgil Johnson. Mrs. Luther Marlow led in prayer and Mrs. Howard Ferguson announced the offering for the Week of Prayer. Plans were made for a Christmas party.

The devotional, based on Numbers 6: 24, 25 and 26, was presented by Mrs. Blake McDaniel and the chapter on Alaska was discussed by Mrs. Grady Halbert. A thorough presentation of the Eskimo was given and facts were presented which gave an insight into the country and its peoples.

The Panama Canal Zone was also ably discussed by the leader. Mrs. W. L. Johnson told of the problems and conditions in the Virgin Islands which were bought by the U. S. on account of their strategic military position. She told of the wonderful work being done in the Islands by the churches of various denominations. An interesting story of the islands, the work already done there and the work which is planned to be done when Christ shall come into His own was given. Puerto Rico was as fully studied and discussed.

Mrs. T. F. Welch dismissed the group meeting with a prayer.

## Junior Adelpian Club Has Meeting

The Sub-Junior Adelpian Club held its regular meeting on Wednesday, Nov. 3, with Myrtle Bartley as hostess.

Joline Lanier led the group in a discussion. The next meeting will be held on November 17 with Jane Bruce as hostess.

The maximum life of the large ghost moth of Australia is two days.

## Social Meeting of W. S. C. S. Held on Monday, Nov. 1

The November social meeting of the Woman's Society of Christian Service was held at the home of Mrs. S. S. Bell on Monday afternoon, Nov. 1, with Mrs. T. L. Hughston, Mrs. T. F. Hughston, Mrs. S. E. Tate and Mrs. W. B. Tysinger assisting Mrs. Bell with hostess duties.

The program was opened by quiet music by Mrs. F. C. Brooks, followed by singing "Rescue the Perishing" and "Beautiful Words of Life." "The Christian Soldier" was the theme of the devotional given by Mrs. R. R. Magee. "Dawn Brightens in Korea" was the subject of the lesson study with Mrs. Magee as leader.

The purposes of the program were to arouse in Methodist women a sympathetic understanding of the desire of the Korean people, after years of enslavement, to be free, to show the growth of Christianity in Korea in the sixty years that the country has been open to Christian influence.

Mrs. F. C. Brooks, Mrs. W. C. Erwin, Mrs. J. W. Bruce and Mrs. Jim Shook gave informative talks of various subjects pertaining to the subject.

Mrs. Bell, in behalf of the W. S. C. S., presented Mrs. B. F. Ringgold with a life membership pin, in a pretty ceremony.

Delicious refreshments were served by the hostesses to twenty members.

## Birthday Surprise Dinner Given to Honor Mrs. Manning

Mrs. J. L. Manning was honored with a surprise birthday dinner given at the home of Mr. and Mrs. Luther Marlow on Sunday, Nov. 7. Mrs. Manning, Mrs. Marlow's mother, was 78 years of age on Nov. 5. She has been ill for more than a year but was able to be up for a part of the day.

Those present for the celebration included Mr. and Mrs. Bill Manning, Mr. and Mrs. A. A. Manning and daughter, Carla, Mrs. S. W. Wallace and daughters, Edna Ruth and Jolene and granddaughter, Susie Lou, of Crowell; Mr. and Mrs. Delmar McBeath and daughter, Paulette, of Thalia; Mrs. Howard Ferguson and Mr. and Mrs. Luther Marlow of Foard City and the honoree, who received many nice birthday gifts.

Blouses Stay Damp Longer -- Roll your laundered blouses in plastic or rubber sheeting and they will stay damp for ironing longer than when rolled in turkish towels.

Don't discard the salt shaker because the cork is lost. Use a gummed preserving label over the hole to keep in the salt until you get a new cork.

## Youth Rally Held at Christian Church

Fifty young people and their sponsors from the Christian churches of Quanah, Paducah and Crowell met for a Youth Rally at the Christian Church on Tuesday evening, Nov. 9.

Enthusiastic singing of youth choruses, talks on past work and plans for future work from a representative of each group present, both Seniors and Juniors, a Bible quiz program, Bible verse-finding contests, an address by Bro. W. Reaves, new minister of the Quanah Christian Church, and a social period with refreshments later were the features of the evening's program.

Quanah, with 23, had the largest group present. Melvin Newland of Crowell won the Bible verse-finding contest participated in by 12 contestants.

It was voted to make the Rally a monthly affair and the next meeting will be held in Quanah on Monday, Dec. 6.

Melba Ward is president of the Senior Christian Endeavor group at Crowell, and Janis Crowell spoke for the Juniors.

## College Education Available Free

A free college education is available to certain Crowell High School seniors and graduates between the ages of 17 and 21.

If they meet physical and mental standards and pass an aptitude test they may attend, at Navy expense, one of 52 colleges and universities in which there are Naval Reserve Officer Training Corps Units. The University of Texas and Rice Institute are the Texas school with NROTC units.

Applications for aptitude tests should be made before November 15. Principals of high schools, college deans and Naval recruiting stations will advise students on how to apply. Aptitude tests will be given December 11 in 21 Texas cities.

Successful applicants will be permitted to take any college course they desire but must include certain naval subjects. Students enrolled in this program will be deferred from induction under the Selective Service Act. In return for payment of tuition, books
