## Crowell's Wildcats Go to Floydada to Meet Whirlwinds in Last Practice Before Conference Play

Grady Graves' Crowell team will travel to Floydada tonight for their last practice of the season with the winds in a tilt that will be watched with much interest by the fans of District 4-A, as this game probably will be used as a measuring stick of determining the strength of that district's 3 top teams. Floydada, Matador and Paducah. The Wildcats tied Matador and Paducah 6-6.

Grady Graves will be sending his team and fighting Wildcat against a team made up of players and as yet previous to the outcome of the game have been very few. If a tie is given to either team, it will go to Floydada, for the Wildcats are undefeated and the lineup is composed of nine players, of whom three are all-stars from last year's team. The all-district men are Grady Graves, Turner, center; Grady Graves, back. Floydada (Continued on Page Five)

## Foard County Given Record CCC Quota

22 Boys Can Apply For CCC Service Here Before Oct. 17

Foard County has received its largest quota for enrollment in the CCC and a drive is now under way to fill this quota, according to Mrs. R. S. Carroll, Foard County case worker.

Twenty-two boys will be allowed to enroll for CCC service from this county on October 17, and at present, twelve boys have filed applications. Any boy wishing to enter this service is urged to contact Mrs. Carroll as soon as possible.

5,200 From Texas

Five thousand Texas boys will have opportunity to enroll in CCC camps October 17-18, it is announced by Washington and Austin authorities. Every county in the State will be permitted to enroll some of its boys.

The popularization and enlargement of the CCC program, its approval by President and Congress, have caused enrollment to be eagerly sought by youths all over the nation.

Admission to the CCC camps does not make a boy more liable for military call. Nor are the enrollees given distinct military training. The training is of a non-combatant type, calculated to aid the country in case of a national emergency. But it is primarily intended to fit the boys for profitable places in civil life.

Vocational and business training of many types are given in the camps, as well as regular school work for those needing it. A competent staff of technical and academic teachers is on duty at each camp. Instruction and books, as well as good food, shelter, and medical care are provided the boys in CCC.

The purpose behind the Civilian Conservation Corps is not chiefly to keep boys off the streets, but to make of them good American citizens. Right leadership, work habits, and sportsmanship combine to develop these boys.

Thousands of boys each month go directly from the camps to worthwhile jobs, as a result of their training. Only ambitious boys are sought for enrollment, those willing to work and to take instruction.

All boys are required to enroll for six months. A shorter period accomplishes nothing and is expensive for the government.

CCC rules now permit enrollment of all boys "employable and in need of employment." This includes the sons of families receiving some type of public assistance, and hundreds of worthy boys whose families are not on public assistance rolls, but who are in need of employment and training. Youths without families or proper support can enroll.

Boys between the ages of 17 and 23½ years are accepted. They must be of good moral character, and able to pass a reasonable physical examination by camp physicians. Boys with police records will be rejected.

All CCC boys with dependents, and this includes the vast majority, are required to remit \$22 monthly to their families, or other dependents. They retain \$8 for spending money. Enrollees without dependents must deposit a \$22 allotment with the government's Finance Officer, to be returned to them in full upon completion of enrollment.

County Welfare agents throughout Texas are now taking applications for the CCC. Their offices should be visited at once by parents and youths interested in enrolling.

## Rev. L. W. Bridges Will Hold Revival at Truscott Church

Lawrence W. Bridges, State Evangelist for the Christian Churches of Texas under the auspices of the Texas Christian Missionary Society of Fort Worth, will begin a series of evangelistic meetings at the First Christian Church of Truscott on October 8, at 7:30 o'clock. Services each evening at 7:30. The entire community is cordially invited to attend.

Special services to be featured during the revival include family night at which time the subject will be "Modern Enemies of Youth" and awards will be presented to each young person present. Some of the other subjects to be used will be: "Rocking in the Devil's Cradle;" "God Measuring the Church;" "They Crucified and They Crucify;" "The Gospel Armor;" "The New Birth;" "What Are You Worth?;" "Religion in the Present Crisis;" "Room for Jesus;" "The Unpardonable Sin;" and "So Great a Salvation."

Rev. Bridges was formerly pastor of the First Christian Church of Crowell. A cordial invitation is extended to his many friends of Foard County to attend these evangelistic services. Good congregational singing of favorite gospel hymns and straightforward Bible preaching will be features of each service.

## Frank F. Machac Died at Home Tuesday Evening

Funeral Services Held at Catholic Church Wednesday

Funeral services for Frank F. Machac, native of Czechoslovakia, were held at the Catholic Church in Crowell Wednesday morning at 9:30, conducted by Rev. Father Edward Szapka. Mr. Machac died at 9:45 Tuesday evening at his home on Pease River, following an illness of three years.

Pall bearers were Tom Vecera, Joe Drabek, John Matus, C. D. Mullins, A. A. Slovak and Frank J. Halenack.

Burial was in the Crowell cemetery with the Womack Funeral Home having charge of the arrangements.

Frank F. Machac was born in Bistrica Pod Hostinem, Czechoslovakia, on Dec. 5, 1886, and was married to Miss Lucy Barot in that country about 1874. When Mr. and Mrs. Machac came to the United States they first settled in Schulenburg, coming from there to Foard County in 1910. Mrs. Machac died in 1923.

Eight children were born to this couple, three daughters and one son dying in infancy in the old country. Survivors include two sons and two daughters: Charlie Machac of Crowell, Henry Machac of North Gulch, Mrs. Anton Hodanek of Shiner, and Mrs. John Benes of North Gulch. Seven grandchildren and one great grandchild also survive.

## Amendments to Texas Constitution Discussed by Senator "Cotton" George Moffett of Chillicothe

The State's present Constitution was written 65 years ago—in forefathers and buggy days. Our forefathers, being farsighted, provided that the Constitution might be amended, through the submission by the Legislature of the proposed change, to a vote of the people. In the past 65 years a total of 150 proposed amendments have been submitted. The people voted favorably upon 80 of these amendments, and they have become a part of the Constitution. The others were rejected.

In November, at the same time that the voters express their choice for president, four proposed amendments to the Texas Constitution, will appear on the ballot.

Number One—Applies only to Red River County, which desires (Continued on Last Page)

## COTTON REPORT

## Twelve Registration Posts Will Be Open in Foard County

Foard County is preparing for the registration of men between the ages of 21 and 35 eligible for military training in Uncle Sam's first peace time conscription of man power which is the outstanding feature of the preparedness program that is now being launched by the United States.

Men registering will be subject to call for military training any time during the next ten years.

## Register on Oct. 16

On Wednesday, Oct. 16, every man in Foard County who has passed his 21st birthday and who has not yet reached his 36th birthday must register and become eligible for one year's military service.

Registration will be held one day only and every man between 21 and 35 years of age, regardless of physical condition, must register on Oct. 16. Fitness for service will be passed upon later by a local draft board.

County Clerk J. A. Stovall, who will be in charge of the registration in Foard County, announced that every man of eligible age must register on Oct. 16 and there is no way in which one can be excused. If one is ill on that day and cannot appear at a registration post, County Clerk Stovall must be notified and a clerk will be sent to the home to make the registration. If not in Foard County on that day, register in the city or county which you are in and the registration card will be forwarded to Crowell.

## Register at Voting Polls

Registration posts will be open from 7 a. m. to 9 p. m. on Oct. 16 at each voting box in Foard County. This means that there will be 12 registration posts in Foard County, conveniently placed in order that men in the voting precincts may have a post at which to register without having to travel several miles.

## Clerks Wanted

County Clerk Stovall has issued a call for the voluntary services of men and women to work at the registration posts on this day. Men of eligible age can not be accepted as clerks, but the services of men over the age limit and all women will be welcomed. In order that registration work may be carried on more speedily, typists are urged to volunteer their services for this one day. No one will receive pay for working during the registration, but it is felt there are many in the county who will be glad to help.

Uncle Sam has made it clear that there can be no dodging of this registration, and there probably will not be, but if there is anything concerning the registration which is not clear, those subject to register should contact County Clerk Stovall as soon as possible.

## ENLISTS IN ARMY

### Velveteens Ideal For Dress-Up Time At Every College

New Cottons To Add To Charm of 1940 Crop of Collegians

Whether it's a big co-ed university or your state women's college, there's always dress-up time on every campus. And during the 1940-41 session, campus parties, tea dances and the military ball will all find the best dressed girls in velveteens.

Just on the chance that you will be one of the lucky girls whom Professor Jones' wife invites to the tea for the scholars making straight A's the first six weeks, include in your wardrobe a graceful

afternoon dress in cotton velveteen with very full skirt and quilted embroidery on the bodice. Mrs. Jones will think you're charming.

Or if you're going to a tea dance with Johnny and you see a boy you want to meet, then you'll be sure to attract his attention wearing a black cotton velveteen with fractional waistline, circular skirt, and any tiny white flowers outlining the neck and pockets. And atop your crowning glory there's almost certain to be a pleated pill box of matching black velvet.

When comes time for the military ball or the mid-term formals, you'll appear at your own lovely best in a black velveteen with long torso and twirling full skirt. Or perhaps you've got ideas about a thrillingly feminine old-rose velveteen with its long torso bodice

shirred into a swirling skirt. On the campus at home coming day and other such blissful events calling for smart in a black velveteen skirt, cut almost straight, a close fitting jacket and no collar at all.

For that nine o'clock "cock" which may wind up in a bit of dancing there's a dress of rosy twill-backed cotton velveteen, with small buttons on the blouse, a narrow sash, tied in bow-knot, push-up sleeves, and a skirt cut with a slight flare so you can dance whenever the spirit moves you.

Another dress for more or less informal wear is a cotton velveteen with top of Chinese green, a gored skirt the color of brick dust, and a skull cap to match. Or if you're wearing your hair in a long bob the boys will find you most fetching in one of the new velveteen jockey caps. You can't go wrong on any campus with velveteens.

Accidents bring suffering.

## "Hot Time!" Cold Night. Parked Late?

### Never mind...start up in jig-time

Bad days ahead. But here's how Winter OIL-PLATING maintains needed lubricant in advance—for Safe Quick Starts...

Your engine is up around 2 feet tall. But where is its highest oil-level? Barely 3 or 4 inches off the bottom during parking. So if you depend on crankcase oil alone, when starting up cold, you'll wait till it climbs a good ways—and goes worming around.

But now!... no more hard risky waiting for that first badly needed lubricant... not with your engine OIL-PLATED for Winter by changing today to your correct Winter grade of Conoco Germ Processed oil.

Processed into this patented oil that sells at a normal price is a rare extra substance—created by man—to fasten lubricant firmly to metal. The result is OIL-PLATING, attached to inner engine parts as closely as chrome plating is attached to bumpers. And like chrome plating, OIL-PLATING doesn't all drain down during parking, but stays up as high as the highest piston rings reach—ready to smooth out starting stroke No. 1—ready to fight for oil economy by fighting the wear of oil-starved starting. In the day of my trouble I will call upon thee; for thou wilt answer me.—Psalms 86:7.

Why would any nation fear Japan? Japan has been trying for three years to whip the Chinese, who haven't anything to fight with but their bare hands, and hasn't got it done yet.

What We Think (By Frank Dixon)

The time is coming when every high school worthy of the name is going to have in it a course of selling. Not a course in selling merchandise, insurance, groceries, bonds or real estate, desirable as such a course might be, but a course that will help the individual to sell himself.

I do not mean by this that the school should make high pressure salesmen of everyone—of course that should not, but it is important, it is desirable that every boy and girl and young man and young woman know how to sell himself.

It is just as important that they know how to sell themselves as it is that they know how to write and spell and know their multiplication table, their grammar and history.

It is important, because if education is supposed to fit young people for life, to live in and make a living in the world in which they are going to find themselves, they should know how to sell at the best market, their best

asset, their personality and themselves.

In this highly competitive age the struggle for existence has changed greatly over what it used to be in father's day and grandfather's day. It requires a different type of training and skill to meet the world and wrest from it an existence and a competence. The age demands more of young people emerging from school than it has ever demanded before.

Another thing the age hasn't the time nor the disposition to explore and to examine into a young man or young woman seeking a place in it to discover if they have the peculiar qualities that it desires. They assume that if a young man or a young woman has these qualities they will be evident. They will be visible on the surface.

Unfortunately this is not always the case. In many instances the brightest minds, the most efficient minds are presented to the buyer of service at a disadvantage. The young man and the young woman do not know how to present themselves. They are backward, hesitant, diffident, lacking in confidence, self depreciat-

ing when they should be alert, alive, aggressive, self assertive, and fail to do themselves full justice when they approach the world to seek from it the dues and the rewards to which their ability justly entitles them.

On the other hand, many with greatly inferior qualifications, are gifted with a measure of conceit that carries them along and which enables them to really oversell themselves and get the choice rewards while their more competent and efficient brothers and sisters sit back or apologetically take what is left and win tardy recognition the hard way.

I know of no school that pays any attention to the thing I mention, though I doubt if there is a high school teacher anywhere in the land who would question the desirability of a course of instruction along this line. Some day some bright teacher is going to institute such a course and for it she will receive the lasting gratitude of a number of fine young people in her classes who need very much just this thing.

Wildcats Win Over Munday Moguls, 12 - 0

The scores in this surprising upset were made by A. Y. Olds, 129-pound quarterback, with 70 and 85 yard runs, and this lead was well protected with excellent defensive playing by every member

Truscott Bulldogs Defeat O'Brien Six By 30 to 6 Score

The Truscott High School Bulldogs won their second game of this season from the O'Brien Bulldogs Friday afternoon by a score of 30-6. They won their opening game last week from Sunset by a score of 25-18.

Truscott's team play was good, with all players giving good account of themselves. This was O'Brien's second game of football and they played excellent ball for a beginning team. They will likely develop into a strong team before the season closes.

O'Brien elected to receive the opening kickoff which was fumbled and recovered by Truscott. On the first play from scrimmage, English passed to A. Smith for a touchdown and English kicked for the two points. O'Brien next scored by a series of running and passing plays culminating in a pass play which netted about 30 yards and a touchdown. Their attempt to pass for the extra point was intercepted. Shortly afterward, B. Smith received a pass over the goal line for Truscott's second score. English kicked for the two points.

In the second quarter, Truscott scored from about the 20 yard line on a pass from Young to English. English missed the try for the extra points. This ended the scoring until late in the fourth quarter when a pass from English to A. Smith from about mid-field placed the ball on the 3 yard line. On the second try English carried the ball over for a touchdown and then kicked for the two points.

The starting line-up for Truscott was Cook, center; A. Smith, end; Kelton, end; English, quarterback; B. Smith, halfback; and Stout, fullback. Substitutes were: Young, Jones, M. Ryder, H. Ryder, Franklin, McMinn, Browder, Black and Westbrook.

O'Brien's starting team was Hughes, Sellers, Riggins, Elmore, Carver and Hestor.

of the Crowell team. The Wildcats' first score came about midway of the second quarter when Olds intercepted a Munday pass on his own 30-yard line. Well-placed blocks carried Olds through the first 25 yards of his run, and during the remaining distance he outran three Moguls. A pass for the extra point failed.

Olds scored again on the opening kickoff of the second half. Gibson fumbled the kickoff and the ball rolled back to Olds on the Crowell 15-yard line where he momentarily fumbled it before tucking it under his arm. After getting control of the ball, Olds cut up the right sideline behind a screen of blockers and reached the goal line untouched. Olds' place kick for extra point was low.

Reading the statistics on this game, one would think the Wildcats were outplayed as the Moguls rolled up more yardage and first downs, but this came from the Wildcats shifting to defensive ball playing during the second half.

The first half and last quarter were easily the Wildcats, with the third quarter being the only one which Munday took from the Crowell boys.

Practically all of the first period was played in Munday territory with the Moguls having the ball on the Wildcats' side of the field for only 5 plays. Taking the ball on the 20-yard line after the kickoff went over the goal line, the Wildcats rolled down to the Munday 19 before losing it on downs. A recovered fumble gave Munday the ball in Crowell territory before the period closed.

After being on the Wildcats' end of the field for 5 plays, the Moguls were set back on the opposite side of the mid-stripe with a penalty and a loss. The next time they got the ball it was on their own 10-yard line where Ownbey had punted out-of-bounds. The Moguls pushed up to the 43 before Olds intercepted the Munday pass and galloped for the first score.

Taking the kickoff on their 35, the Moguls pushed up to the Crowell 17, where the Wildcats stiffened to take the ball on downs, thus stopping Munday's first and only threat of the first half.

On the kickoff following Olds' second touchdown, the Moguls drove from their 45 to the Crowell 12 where the Wildcats again stopped the Munday boys and took the ball on downs. Gibson punted out of danger. The Moguls drove back to the Crowell 19 where another threat was stopped when the Wildcats recovered a fumble.

The Moguls received a break at this point, but could not turn it into a touchdown. With fourth down on their own 28, the Wildcats in some manner lost track of the downs and run with the ball instead of punting, so the Moguls took the ball on Crowell's 28. From this point, they marched to the Crowell 9, where Stevens was jarred loose from the ball and Crowell recovered to stop Munday's last threat made early in the fourth period. Ownbey punted to the Munday 36, and the Moguls were never able to get back onto Wildcat soil during the remainder of the game.

Play By Play

KICKOFF—Stevens of Munday kicked over the goal line and the Wildcats took the ball on their own 20.

WILDCATS—Olds tried left end but lost 1. Ownbey broke into the open momentarily to go to the Crowell 49 for a first down. Olds went through right tackle for 5. Ownbey again went through right tackle for another first down on the Munday 41. Time out for Munday. Olds circled right end for 9. Denham dropped Ownbey for a 4-yard loss. Olds made 3 at right tackle and then crashed center for 2 and a first down on the Munday 34. Munday received an offside penalty of 5 yards. Ownbey was stopped at right tackle by Kitchens for no gain. Hudgsons passed to Capps for a first down on the Munday 18. J. Stevens tossed Olds for a 5-yard loss at left tackle, and again Stevens stopped Olds for a yard loss at center. Olds made 4 at left end and then passed incomplete on the fourth down and Munday took the ball on its own 19.

MOGULS—Carden picked up 1 at center. Moore passed to Morrow incomplete. Wells met Moore at center for no gain. Kitchens punted to the Crowell 40 with Olds making an 8-yard return. WILDCATS—Olds fumbled and Carden recovered for Munday on the Moguls' 48. MOGULS—Carden made 6 at right tackle. Stevens made 4 at left tackle but the Moguls recovered a 5-yard penalty for backfield in motion. Patterson downed by Hudgsons at right end for no gain. Patterson's pass hit by Crowell lineman to fall incomplete. Kitchens kicked to the Crowell 15 and Olds returned it to the 21.

WILDCATS—Ownbey lost 3 at right end and Gibson quick-kicked to the Munday 46. MOGULS—Patterson circled right end for 12 yards and a first down as the first quarter closed. Crowell 0, Munday 0.

Second Quarter MOGULS—Moore passed incomplete but Munday penalized 15 yards for illegal motion of backfield. Moore lost 8 and then passed incomplete. Kitchens punted to the Crowell 30 and Olds returned to the 43. WILDCATS—Olds passed incomplete. Olds passed to Own-

bey for 5 yards. Olds picked up 2 at left guard. With the ball on the Crowell 49, Ownbey punted out-of-bounds on the Munday 10.

MOGULS—Roark came into the Crowell lineup at left guard for Spears. Patterson circled right end for 15 and a first down. Diggs replaced Hudgsons at left end for Crowell. On the first play, Crowell was given an offside penalty of 5 yards. Moore passed to Morrow for 15 yards and a first down on the Moguls' 45. Both teams ruled offside.

Stevens lost 2 at left tackle. On the following play, Olds intercepted Moore's pass on the Crowell 30, cut to the right sideline where Haseloff blocked out a prospective Munday tackler and four other Crowell blockers came in fast to clear Olds' path for a 70-yard touchdown run. Due to well-timed blocks, Olds was not touched on this long run. A pass for extra point was incomplete. Crowell 6, Munday 0.

KICKOFF—Diggs kicked to the Munday 25 and Moore returned to the 35.

MOGULS—Stevens crashed right tackle for 9. Carden pounded center for 6 and a first down. Munday lost 5, but Crowell was penalized fifteen yards to make it first down on the Crowell 44. Moore passed incomplete to Morrow. Carden made 1 at center. Patterson picked up 11 yards and a first through right tackle. Carden made 4 at center. Crowell penalized 5 yards for offside. A fake play directed at the center of the line failed to gain.

Stevens made 5 at right guard and Moore hit the same position for 2 and a first down. Caldwell came into the Munday lineup for Carden. Olds knocked down Moore's pass intended for Morrow. Moore passed incomplete to Patterson and then overthrew Stevens. Another Munday pass fell incomplete and Crowell took the ball on its own 17.

WILDCATS—Hudgsons passed to Capps for 5. Ownbey made 2 at left end as the half ended. Crowell 6, Munday 0.

Second Half

KICKOFF—Crowell elected to receive. Gibson fumbled Stevens' kick with Olds finally picking it up on the Crowell 15. Gibson took out a Mogul who was ready to drop Olds to allow Olds to cut to the right sideline where a number of blockers were clearing his path for an 85-yard run for pay dirt. Olds' attempted kick from placement for the extra point was low.

KICKOFF—Diggs kicked to the Munday 30 and Moore made a 15-yard return.

MOGULS—Crowell drew a 15-yard penalty for unnecessary roughness to put the ball on the Crowell 45. Moore passed to Morrow for 8. Carden made 3 yards and a first down. Moore made another first down with 14 yards at right tackle. Wells tossed Carden for a 2-yard loss. Moore circled right end for 6. Hudgsons came back into the Crowell lineup for Haseloff and Flesher in for Capps. Stevens lost 3. Moore passed incomplete to Patterson and Crowell took the ball on its own 12.

WILDCATS—Olds was stopped by Moore at left end for a yard pickup. Gibson quick-kicked out-of-bounds on the Crowell 48.

MOGULS—Moore made 2 at right tackle and then circled right end for 4. Moore passed to Stevens for 9 and a first down on the Crowell 38. Crowell was given an offside penalty of 5 yards. Moore passed to Patterson for a first down on the Crowell 26. Moore passed to Stevens for a yard loss. Carden fumbled and

Crowell recovered on its own 20. WILDCATS—Patterson came in on Olds at left end for a 3-yard loss. Diggs circled left end for 12. Ownbey failed to gain at right tackle. Ownbey failed at right tackle again and Munday took the ball on the Crowell 29.

MOGULS—Moore made 2 at right tackle. Stevens circled left end for 11 and a first down on the Crowell 16 as the quarter closed. Crowell 12, Munday 0.

Fourth Quarter MOGULS—Patterson tried left tackle but Wells dropped him for a 2-yard loss. Moore made 5 at left tackle and hit the same position again for another 5. Stevens fumbled when hit by Roark and Crowell recovered on its own 9-yard line.

WILDCATS—Ownbey punted to the Munday 36-yard line.

MOGULS—Moore stopped at left tackle by Wells and Owens after a 1-yard pickup. Flesher came in to intercept Moore's pass on the Crowell 43.

WILDCATS—Flesher tried right guard for 1. Ownbey made 1 at right end. Haseloff dropped by Morrow for a 9-yard loss. Ownbey punted to the Munday 30 and Carden was stopped on the 31. Time out for Munday.

MOGULS—Olds knocked down Moore's pass. Hudgsons knocked down a second pass. Olds knocked down a third pass. Kitchens punted to the Crowell 40 and Olds returned 4 yards.

Crowell—Ownbey punted out-of-bounds on the Munday 11. Halenack replaced Roark at guard for Crowell. MOGULS—Patterson picked up 5 at right tackle and Stevens made it a first down on the Munday 21 at left tackle. Hudgsons stopped Moore at right end for no gain. Stevens circled left end for 10 and a first down on the 31. A Munday pass fell incomplete. A Munday fumble lost 6 with Wells coming in for the tackle. Stevens was stopped at left end by Haseloff after picking up 6. Crowell penalized 15 yards for unnecessary roughness to give Munday a first down on the Munday 46. Hudgsons knocked down a Mogul pass. After another incomplete pass, Stevens rammed left tackle for 6. Moore passed to Morrow for 9 and a first down on the Crowell 34. Ownbey intercepted a Munday pass on the Crowell 30 and returned 4 yards.

WILDCATS—Ownbey raced through right tackle for 30 yards to put the ball on the Munday 36 as the game ended. Crowell 12, Munday 0.

### SHERIFF'S SALE

The State of Texas, County of Foard.

Notice is hereby given that by virtue of a certain execution issued out of the Honorable County Court of Foard County, 18th day of September, 1940, by J. A. Stovall, Clerk of said County Court, for the sum of One Hundred Sixty-Four and 79/100 Dollars and costs of suit, under a judgment, in favor of Lawrence Kimsey in a certain cause in said Court, No. 434 and styled Lawrence Kimsey vs. N. J. Jones, placed in my hands for service, I, A. W. Lilly as Sheriff of Foard County, Texas, did on the 20th day of September, 1940, levy on certain Real Estate, situated in Foard County, Texas, described as follows, to-wit:

All that certain tract or parcel of land, situate, lying and being in Foard County, Texas, and being a part of the northeast quarter of the Nancy Ann Horton Survey of 640 acres, by virtue of Cert. No. 384, and patented to Nancy Ann Horton on May 18, 1888, by Pat. No. 463, Vol. 9, and more particularly described as follows:

Beginning at the northeast corner of said Nancy Ann Horton Survey and the northwest corner of the Jacob Oswald Survey; Thence south 8950 varas to a point in the E. B. Line of said Nancy Ann Horton Survey; Thence south 950 varas to a point in the E. B. line of the right-of-way of the K. C. M. & O. Ry. Co.; Thence north 28 degrees, 60 minutes, east 1084 varas with the east line of said right-of-way to point in the N. B. line of said Horton;

Thence east 130 varas to the place of beginning, and containing 65.88 acres of land, and levied upon as the property of N. J. Jones and that on the first Tuesday in November, 1940, the same being the 5th day of said month, at the Court House door, of Foard County, in the town of Crowell, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said execution I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said N. J. Jones in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Foard County News, a newspaper published in Foard County.

Witness my hand, this 20th day of September, 1940.

**Margaret-Thalia Methodist Churches**  
A "live-wire" program has been arranged for celebrating Promotion Day for the younger members of Margaret Sunday School. Each class will have some part in this interesting ceremony. We invite the community to attend these exercises at 11 a. m. Sunday.

Announcements for the week are: Sunday School at each church at 10 a. m. Preaching at Margaret Sunday night at 7:30. Subject: "Do This In Remembrance of Me." Prayermeeting at Thalia Wednesday night at 7:30, at Margaret Thursday night at 7:30. Bring your Bibles for we are studying Acts.

Our fourth quarterly conference is to be held at Margaret Tuesday night, Oct. 15, and all members are urged to attend. I believe each of these events will be worthwhile and we welcome everyone to any of our services.  
Don Culbertson, Pastor.

**Christian Science Services**  
"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 6.

The Golden Text is: "Know therefore this day, and consider it in thine heart, that the Lord he is God in heaven above, and upon the earth beneath; there is none else" (Deuteronomy 4:39). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord my God, I cried unto thee, and thou hast healed me" (Psalms 30:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is no power apart from God. Omnipotence has all power, and to acknowledge any other power is to dishonor God."

Nothing unspiritual can be real, harmonious, or eternal" (pages 228, 335).

**OWNERSHIP STATEMENT**  
Statement of ownership, management, etc., required by the Act of Congress of August 24, 1912, of The Foard County News, published weekly at Crowell, Texas, for October, 1940.

**STATE OF TEXAS, County of Foard.**  
Before me, a notary public, in and for the state and county aforesaid, personally appeared T. B. Klepper, who had been duly sworn according to law, and deposes and says that he is the publisher of The Foard County News, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse side of this form to-wit: That the name and address of the publisher, editor, managing editor and business manager is: T. B. Klepper, whose address is Crowell, Texas; that the known bondholders, owners or holding one per cent or more of the total amount of bonds, mortgages, or other securities are, none.

T. B. KLEPPER, Sworn to and subscribed before me this 27th day of September, 1940.  
HENRY ASHFORD, (Seal) Notary Public.

## Two Minute Sermon (By Thomas Hastwell)

It Waits On Man Alone: I am a member of a well known lodge. It so happens that my attendance at lodge is irregular. Because of my irregular attendance I receive during the year from members of the lodge, no less than fifty invitations to attend its meetings. I have often wondered why there is such a difference in the practice of inviting absent members to lodge and inviting absent members to church. I know of church members who seem to take some pride in the fact that they are church members who never, to my knowledge, have invited anyone out to church. I think in their failure to do this that they rob themselves of a certain amount of satisfaction and spiritual increase. Men and women are, as a rule, interested in an organization in the degree that they give to it their service, and they give to it their service in the degree in which they are interested. Service for one's church consists in doing something that will make it grow. To make a church grow a member has to do more than merely attend, himself. He must get others to attend. When he does this the church grows and he grows also. Christ left his work in the hands of men. There is no other

plan by which it is to be carried on except as one man through his interest and personality brings the invitation to another, and he to another. Men are led by men and not by creeds or philosophies. The extension of God's Kingdom and his church waits on man alone.

CAMPUS CHAT

Wheel! I'm a Wildcat Kitty. Meow! Did you see those beautiful touchdowns A. Y. Olds made at the game Friday night?

is. The girls only wish he would give them a date, but Billy does not seem to notice.

A. Y. Olds seems to have about three little (ah, yeah!) Junior girls hanging onto his neck. Better hurry, A. Y., they're going fast.

Marjorie Davidson seems to be hitting it off swell with an ex-senior again. Course we couldn't mention names.

We're glad—that Charles Davis is back in school again. Who is this that Maxine Johnson has been going with? Oh, an ex-senior, too, huh.

J. T. Hughton is quite popular. Every Saturday night he is seen out with a bevy of beautiful girls!

"I'm Nobody's Baby" seems to be a popular song. Some of these beautiful girls claim that it is their theme song. We wonder.

Listen, you mugs, people have been accusing the editor of the Wildcat of being KITTY, and once and for all, she is NOT! Cause, I'm two people. Wouldn't you like to know who?

Yours in a pickle (dill at that!) KITTY.

SNOOPY SNOOPS

This is a second edition of Campus Chat, or in other words, Campus Chat Jr.

We've seen that Evelyn Crossnoe has been shining up to Billy Beggs. She certainly has some strong competition in Betty Jo Zeibig and Earlene Everson.

Roy Jo Cates and Betty Johnson seem to have a mutual feeling (for each other?).

Is this a new romance or is it just one being renewed—Faye Griffin and James Lee Braswell.

What's this we hear about Lola Mae Donaldson and Tip Edgin.

Marguerite Marlow seems to be robbing the cradle, but she and Kenneth Greening seems to be getting along pretty good together.

Who was it that walked home with Edwina Ross after the ball game? Oh, yes, we wonder!

HEAVENS!

What is all this excitement about? (No, it's not the "Crazy Smith Family" this time). Why is everyone running and shouting to everyone else?

What's this we hear about Lola Mae Donaldson and Tip Edgin. Marguerite Marlow seems to be robbing the cradle, but she and Kenneth Greening seems to be getting along pretty good together.

SAY, KIDS!

Have you been noticing that an extra lot of noise has been coming out of the history room, at noon? Well, the reason is, can't you guess?

HAVE YOU SEEN?

All of the new things in our commercial department. It's really swell! The swankiest we think is the glass partition that was put between the bookkeeping room and the typing room.

THINGS MOST STUDENTS DON'T KNOW

—That the Home Economics department has new stoves and new cabinets. The better to eat with, my dear!

—That the music room has been moved to the Grade School so that the music class won't have to use the auditorium in these cold winter months!

—That the pep squad had a ripping good time in Munday. —That we have our first assembly program in about two weeks.

JUNIOR RUMMAGE SALE

The Junior rummage sale Saturday was a big success, due to the fact that they made \$21.01, which we Seniors have to admit, was slightly better than we did.

The following Juniors participated in the rummage sale: Harry Harwell, Alton Roark, J. T. Hughton, Charlie Thompson, T. L. Owens, John Clark Long, Virginia Thomas, Margaret Claire Shirley, Jean Orr, Marjorie Davidson, Jimmie Cates, Tex Hays,

June Billington, Truman Taylor, and Mrs. Paul Shirley. This all was, of course, under the direction of the Junior sponsor, Miss Cogdell, whose car also enjoyed it!

Here's wishing the seniors success on their sale this coming Saturday, but here's wishing the Juniors better success on their sale the Saturday after that!

PEP SQUAD TRIP

The pep squad girls and their sponsors, Miss Cogdell and Miss Motley, went to Munday, Friday afternoon about six, on a bus driven by Dale Jones.

Songs were sung while passing through various towns, and in Munday, a little time was spent in seeing the town.

The pep squad showed remarkable spirit, especially when the Crowell touchdowns were made.

Everyone had "hot dogs" and "hamburgers" in town after the game and they are all looking forward to the Floydada game (they hope!) and to meeting Mr. Foster's little brother! HMMMM we wonder!

DID YOU CHILUNS KNOW THAT—

The seventh grade has been allowed to come into the pep squad? The Juniors are out to make money and bankrupt fellow students? (So are the Seniors).

Equals added to equals results is love. (Geometry, Poohyey!) The band is pretty keen?

Bill Owens has gotten to go with Mary Edwards at last? Good work, Bill!

Ray Burrow sorta stepped out with Marjorie Young?

All purple polka dotted angles have chartreuse stripped wings? Sandra Bell was back the other day?

John Thomas Razor is entirely too fresh for a Freshman! The Spanish Class sings every Monday? (How could you help knowing it?)

Shorby Roark is a flirt? We have a nifty bunch of freshmen this year? Did ya?

DOUBLE NOTICE

Several articles (good ones) were dropped in Locker 44 this week but were put in too late to be typed. They will appear in next week's paper.

**Glenn Shook and Miss Lavoyce Lefevre Married Last Wed.**

Glenn Shook of Crowell and Miss Lavoyce Lefevre of the Foard County community were married Wednesday in the parsonage of the First Baptist Church, with the pastor, Rev. W. B. Fitzgerald performing the ring ceremony.

The couple was accompanied by Mr. and Mrs. R. J. Owens.

The bride wore a soldier blue dress with black accessories. She is the daughter of Mrs. Lee Lefevre and was born and reared in Foard City. She attended school at Foard City and also at Crowell, graduating from Crowell High School in 1939.

Mr. Shook is the son of Mr. and Mrs. Jim Shook of Crowell and was born and reared in Foard County. He graduated from the local high school in 1937.

Mr. and Mrs. Shook will make their home on a farm south of Crowell.

**Mrs. Ted Reeder Honoree at Shower Given in Thalia**

Mrs. Ted Reeder, formerly Miss Jean Long of Thalia, was the honoree guest at a pretty miscellaneous shower last Thursday afternoon at the Thalia Baptist Church, with Mrs. C. C. Wheeler and Mrs. C. H. Wood as hostesses.

The church was prettily decorated with flowers of the season and ferns.

Mrs. Wheeler greeted the guests at the door and Mrs. Houston Adkins presided at the bride's book. After registering, the guests were served punch by Mesdames Wood and Cap Adkins.

The program consisted of musical numbers by Jimmie Johnson and Mrs. Walter Ramsey and a reading by Mrs. C. D. Haney.

Miss Mable Fox, who was attended as an old maid, and accompanied by David Haney and David Jackson, as "brownies," presented the bride with a large pumpkin and asked her to follow them to the "Pot of Gold." Here she found many lovely and useful gifts.

About seventy guests registered. Mrs. James Garrett of Thalia, an aunt of the bride, was a guest.

**Recent Bride Honored Last Wednesday with Shower at Truscott**

Mrs. Bill Carroll of Crowell, formerly Miss Frances Casey of Truscott, was honored with a miscellaneous shower by ladies of the Baptist Church at the home of Mrs. Marion Chowning in Truscott Wednesday afternoon of last week.

Miss Sybil Spivey presided at the bride's book and Mrs. Grady Spivey directed games throughout the afternoon. Many lovely gifts were presented to the bride.

Those present were Mrs. Chester Pogue and Mrs. Lester Carroll of Crowell, Mrs. J. D. Carroll and Mrs. "Red" Carroll of Abilene, Mrs. Jack Brown, Mrs. Jack Whitaker, Mrs. Hardy Glascock, Mrs. Bill Stoker, Mrs. A. F. McMillin, Mrs. J. M. **Shower Honoring Mrs. L. T. Derrington Given Last Saturday**

Mrs. L. T. Derrington of Wichita Falls, who was formerly Miss Dorothy Beggs, until her marriage a few weeks ago, was honored with a miscellaneous shower last Saturday afternoon at the home of Mrs. F. A. Davis with Mrs. Roscoe Eubank and Mrs. Davis as hostesses. Flowers of the season were artistically arranged throughout the house.

Miss Opal Garrett presided at the bride's book. Wanda Evans and Jean Scales opened the program by singing "I Love You Truly." Mrs. Davis gave a reading, "Courtin' in Kentucky." Bonita Liles sang, "Only Forever."

Mrs. Roy Steele presented the gifts to the honoree and invited the guests into the dining room where punch was served by Misses Thelma Lois Moore and Opal Garrett. Mrs. Derrington thanked her friends for the many lovely

gifts which were attractively arranged in an adjoining bed room.

**SURPRISE BIRTHDAY DINNER**

Mrs. Clyde Cobb honored Mrs. Claud Nichols and Grover Nichols with a surprise birthday dinner at her home Sunday. Sunday was Mrs. Nichols' birthday and Tuesday, Oct. 1, was Mr. Nichols'.

There were 43 present for the occasion: Mr. and Mrs. Jack Meason and Mr. and Mrs. John Meason and son of Roaring Springs; Mr. and Mrs. Ethyl Boman and daughter, Mr. and Mrs. Harry Cobb and Mr. and Mrs. Henry Teague and daughter of Five-in-One; Mr. and Mrs. Jimmie Larue and son of Sweetwater; Mr. and Mrs. L. Kamstra, Mr. and Mrs. Loy Wayne Bell and Robert McCown of Crowell; Mr. and Mrs. Walter Nichols, Mr. and Mrs. Claud Nichols and three children, Mr. and Mrs. Grover Nichols and son, Claren, Mr. and Mrs. Sherman Nichols and three children, Mr. and Mrs. J. D. Bursay and son and Mr. and Mrs. Clyde Cobb and children, Wayne and Wanda B., of the Black community.

The afternoon was spent in visiting and talking over old times. This was the first visit of Mrs. Jack Meason to the old "Teague" place in 36 years. Mr. and Mrs. Boman also lived in the community 30 years ago. Mr. Boman furnished watermelons from his farm for the crowd.

**COUNTY FEDERATION**

The ladies of the Vivian Home Demonstration Club were hostesses to the County Federation at the Dallas school last Thursday in the first meeting of the year.

The program was opened with the song, "Work, For the Night Is Coming." During the business session, the resignation of the president, Miss Bonnie Schroeder, was regrettably accepted. The vice president, Mrs. H. Schindler, automatically became president and will serve for the coming year. It was voted to sponsor a food sale on Saturday, Oct. 12.

Mrs. N. J. Roberts gave the devotional. Mrs. L. L. Hughston talked on "George Washington Carver," the Negro scientist. Mrs. M. S. Henry discussed "The U. S. Flag—Its Significance—Its Proper Use."

Following a covered dish luncheon at the noon hour, the program was resumed. Mrs. Jno. S. Ray presented a pioneer medal to Mrs. Henry, who has been chosen as the outstanding woman in the Federation from the standpoint of service.

Mrs. A. Y. Beverly gave a travelogue of her summer vacation trip, especially stressing Washington, D. C., and Detroit, Mich. Miss Frankie Kirkpatrick talked on "The University of Mexico," she having been a student at that university the past summer.

The next meeting of the County Federation will be held at Margaret.

**GARDEN CLUB WILL MEET**

The Crowell Garden Club will meet next Friday, Oct. 11, at 3 o'clock at the First Christian Church. This being the first meeting of the new year, each member is urged to be present and to be prepared to pay dues, if they have not been paid.

The program promises to be an interesting one. Mrs. M. O'Connell will be program leader. Roll call will be answered with garden reminders.

The president, Mrs. R. L. Kincaid, will give a report of gardens she visited on her summer vacation.

Miss Frankie Kirkpatrick will discuss "The Flowers of Mexico." The flower exhibit will be made by Mrs. George Self and Mrs. Mason Brown.

**THALIA IDLE HOUR CLUB**

Mrs. Leotis Roberts entertained the Thalia Idle Hour Club members in her home Wednesday afternoon, Sept. 26. The afternoon was spent in sewing and pleasant conversation.

A lovely salad plate and drink was served to the following members: Mesdames C. C. Lindsey, Chas. Wood, Raymond Grimm, Allen Shultz, Wallis Scales, Thorney Cates, John Wright, and Miss Minnie Wood and the hostess.

Next meeting will be held at the home of Mrs. John Wright on Oct. 10.

**FORTY-TWO CLUB**

Mrs. D. R. Magee entertained the members of the 42 Club at her home last Wednesday evening.

In the games the floating "84" prize was given to Mrs. A. Y. Beverly. It was a glass bell.

The hostess served a delicious refreshment plate to the members.

**Margaret PTA to Sponsor Motion Picture Friday**

The Margaret Parent-Teacher Association will sponsor a talking motion picture in the Margaret school auditorium Friday night at 8 o'clock.

The program will consist of "Harmony Broadcast" with Major Bowes, an Amos and Andy short, and the third chapter of "Custer's Last Stand."

An admission of ten cents will be charged.

**Health Meet**

Dr. Thomas Farran Jr., U. S. surgeon general, will be one of the principal speakers at the sixty-ninth annual meeting of the American Public Health association to be held at Detroit October 8-11.

**YOU ARE INVITED**

We cordially invite everyone attending the big State Fair at Dallas to visit our exhibit in the General Exhibit building for a free voice test, and to see an attractive demonstration of typing speed on the electrical typewriter which was recently used in winning the World's champion speed record at a National Typewriter Speed Contest in Chicago.

Another special feature will be a demonstration of audio teaching and a demonstration of the recording machine on which teaching transcriptions are made. Free voice tests will also be given on transcriptions. This exhibit will be outstanding, it will contain many of the most modern machines used in the offices of the National Government and large industries and will illustrate the modern equipment used in Byrne College. A visit will thoroughly convince you that Byrne College and School of Commerce at Dallas is the school in which you will want to secure your business training, that you may be thoroughly equipped to do first class work in a first class office and draw a first class salary either in Big Business or with the National Government.

Write for particulars on our modern business training courses, get a cash producing education at Byrne College and School of Commerce, the business University of the Southwest. 16-37c

**Chevrolet Dealers Show Increase, New and Used Car Sales**

Detroit, Sept. 27.—Chevrolet dealers rounded out a million-car model year with a total of 10,286 new passenger car and truck sales during the 10-day period ending Sept. 20. New 1941 models were announced the following day. The Sept. 20 figure, according to W. E. Holler, general sales manager, represents a gain of 7.5 per cent over the same period last year, when dealers were still almost a month away from new car announcement.

Used car sales in the same period, he said showed a gain of nearly 9,600 units over last year, an increase of 25.8 per cent over the first 10 days of September this year. Truck sales, likewise, continued their steady gains, being 22 per cent in advance of those for the Sept. 1-10 period.

**ROTARY CLUB**

Rotarians Ross Magee, Jack Goodykoontz and E. F. Magee of Quanah, and Rotarian Geo. Backus of Vernon, were visitors at the Wednesday meeting of the Crowell Rotary Club.

The program for this meeting was in charge of Leslie Thomas and featured a talk on "Modern Trends of Education," by I. T. Graves, superintendent of Crowell schools.

**Television Equipment to Be in Operation at Texas State Fair**

The first television unit to cross the nation from coast to coast will arrive in Dallas for the opening of the State Fair of Texas on October 5. The Farnsworth Television and Radio Corporation of Fort Wayne, Ind., are sending to the State Fair of Texas over a hundred thousand dollars worth of the most modern type of electronic television equipment, designed by Philo T. Farnsworth who is conceded the inventor of electronic television.

Such organizations as American Telephone and Telegraph, Radio Corp. and Philco have taken out licenses under Farnsworth patents.

A complete television studio will be installed in the Hall of Gold and transmissions will run continuously from 10 a. m. to 10 p. m. In addition to transmitting equipment, there will be receiving equipment. The Farnsworth

**1941 Parity Payment Regulations Released**

The provisions under which producers of corn, cotton, rice, tobacco and wheat may earn 1941 parity payments were announced today by the Agricultural Adjustment Administration. Payments will be made to eligible producers from a fund of \$212,000,000 appropriated for this purpose.

The 1941 parity provisions are essentially the same as those in effect for the 1940 program. A producer who participates in the 1941 AAA Farm Program will be eligible for payments if: (1) the 1941 planted acreage of the commodity for which payment is made does not exceed the farm acreage allotment for such commodity; (2) he plants within the total of the acreage allotments of corn, cotton, rice, tobacco and wheat established for his farm in 1941; (3) he does not offset his performance by overplanting these commodities on any other farm, wherever located, in which he has an interest.

As provided in the Agricultural Adjustment Act of 1938, the 1941 parity payment rates for the five commodities will be based on the amount by which the returns from the 1940 crop of each falls below the parity income. The rate for any crop can not exceed the amount by which the 1940 average farm price is less than the parity price and will be as nearly equal to parity as the available funds permit. Rates will be announced later when the information upon which they are based is available. In 1939 and 1940 the rate of payment and the average farm price combined could not exceed 75 per cent of parity.

As in the two previous years, parity payments will be made on

the normal yield of the farm allotment determined for each commodity under the 1941 program.

**Amendments—**

(Continued from Page One)

to refund a heavy bonded indebtedness and secure a lower interest rate. It is necessary to amend the State Constitution to permit them to do so. Red River County favors the amendment and since no other county is affected, it seems proper to vote for it.

Number 2:—Provides that Notary Public may be appointed at any time. Under the Constitution as it now reads, Notarys can be appointed only while the Legislature is in session, which is usually about one-fourth of the time. If amendment Number 2 is adopted, Notarys may be appointed by the Secretary of State at any time. This amendment can do no harm and might do quite a lot of good, and therefore should be adopted.

Number 3:—Applies to Civil Service for State, County and Municipal appointive employees, with particular reference to the appointment of an employee for more than two years. There seems to be little or no opposition to this amendment, and as far as the writer knows it is not objectionable.

Number 4:—Is probably the most important of the four amendments, as it makes a definite attempt to hasten Court procedure so that the Constitutionality of a law may be more quickly determined. Because of the long pathway that a case usually travels, it is sometimes three years

or more after a law is passed before anyone can be sure it is constitutional.

**Amendment No. 4, if adopted, will hurry up the matter pending for direct appeals from trial court to the Supreme Court in matters involving constitutionality.**

The writer (Senator Moffett) the author of Amendment No. 4 and earnestly urges its adoption.

**CARD OF THANKS**

I want to express my deep appreciation for the many things done for us by friends and neighbors since I have been confined to my home with a broken leg. We are sincerely grateful for everything that was done.
