EDUCATION AFTER SCHOOL

We have taken notice several times of requests made in our Wildcat and in our corridors for new subjects to be added to our curriculum, that is, last week's editorial for a current events class. Our school has always been aware of the need for a larger variety of subjects to be taught, but we can have only a given number of teachers, in accordance to our daily attendance figure; therefore, only a limited number of courses can be offered. Our teachers are carrying as many courses to as many pupils as they can; some have made pupils that the state recommends.

Most teachers can bring "off the record" discussions to their classes to enrich our curriculum, but it must be remembered that any class can work only as fast as the slow students. For this reason, our school has begun to establish another unit of learning, the library.

If you are one who can get your assignments with a study period or two left in which to loaf, you are injuring your mentality by not using it to its fullest extent to develop your potentialities. You should find your interest and use your library to enrich your own knowledge, for knowledge is not divided into subjects, but is infinite to the individual. Some knowledge is gathered from everything read, and in reading, one may find that extra interest he needs. Develop that interest and you'll have your own extra subject.

Learn to use your library now; it will be your only source of education after you leave school!

BUSIEST GIRL IN CHS

Peggy Evanson is probably the busiest girl in Crowell High and also at City Cleaners. She always finds something to do. This is a summary of the comments this reporter received in asking the question, "How is Peggy doing at her part-time job?"

When school started last September, Peggy began her job. Now every week-day afternoon at 3:00, after attending six full periods—Home Economics II, bookkeeping, two study halls, English IV and geometry—Peggy goes to Ike's shop where she works until five. On Saturdays, her hours are from eight to five. During her hours she is always busy, according to one of her fellow employees.

In her work, she does everything from pressing skirts to waiting on customers and taking money. Peggy learned the fundamentals of the cleaning and pressing business from her boss, Ike Wilson. "The most difficult thing for me to do," she says, "is to press silk dresses with all their frills."

Peggy says she just loves her work. She is a good example for those who say you cannot keep up your grade and a part-time job too. No matter what she does in the future, at the present it is evident that she is enjoying herself and making a success of her job.

HOMEMAKING CLASSES

Numerous and different projects are being accomplished by all classes in Home Economics under the supervision of Mrs. Ruth Keener.

The freshmen girls and sophomores are busy preparing food this semester. This week they are planning lunches and various salads.

Fifteen girls from the Freshman class who are FHA members are working for their Junior degrees. Marcia Kincaid, Kay Cribbs, Jean Hughton, Mary Lou Woods, Rosemary Moss, Bobbie Jean Spears and Pauline Wheeler have completed their degrees while Black, Margaret Thompson, Nell Johnson, Bessie Franklin, Jackie Rasberry, Georgeann Ricks, Helen Ribble and Donna Allen are still studying in order to accomplish their degrees.

In the first period class one may think the noise is a swarm of humble bees, but don't be alarmed; it's only the humming of sewing machines.

The juniors and seniors in this class have just finished making a garment for an infant or small child. Now they are sewing a garment for themselves.

One outstanding project is the quilted bathrobe and silk pajamas by Virginia McKown. Other girls are making dresses, skirts and blouses.

Everyone will have a chance to see the fashion parade in a style show to be given in a few weeks.

BASEBALLERS START WORKOUTS

With six lettermen back from last year, the Crowell Wildcats baseballers started working out Monday, March 6, for the coming district 9A competition.

The returning lettermen are being depended upon to give the club the hitting spark at the plate and the fielding spark in the field.

With their pitching staff completely shot by graduation, the Wildcats will, of course, be looking for some strong armed rookies to again build up a pitching staff.

A few of the boys have already started working out, and they will have an advantage on the ball. However, the spirit of competition is expected to be very keen, especially for the pitching staff and the infield.

The returning lettermen from the second place club last year are "Boeger" Rasberry, Rouse Todd, F. L. Ballard, Jon Sanders, Bobby Stinebaugh and "Willie" Lynch.

MONICKERS

In our school we have—
Short but no Long, Kidd but no Lamb, Black but no Gray, White but no Green, Brown but no Tan, Graves but no Pitts, Nichols but no Dimes, Sells but no Persons, Porter but no Cooks, Bullion but no Dollars, Smith but no Carpenters, Spears but no Shields, Hunter but no Gunn, Fox but no Wolfe, Fish but no Poole, Norman but no French, Christian but no Saint, Lax but no Luce, Wishon but no Wells, Weathers but no Summers, Brooks but no Rivers, Crews but no Camps, Rasberry but no Cherry, Ricks but no Cord, Parks but no Hollidays, Woods but no Fields, Payne but no Hurts, Potts but no Kettles, Bell but no Clapper, Cooper but no Shippis, Spruis but no Waters, Cribbs but no Barnes, Sanders but no Brooms, Gamble but no Chance, Hord but no Slacks, Close but no Far, Moss James, Lynch but no LaVerne Taylor but no Barber, Lyons but no Monks, Davenport but no Couch, Edgin but no Frames.

Can you think of others?

TOURNAMENT ENDS!

The volley ball girls from the third period gym class have ended the every day tournament which has been underway. Two teams, ranking the highest in victories will be entertained by the two losing teams in the near future.

The winning team consists of the following girls: Joyzell Thomson, Myrtie Bartley, Geraldine Schmittov, Leth Marlow, Laverne Poyner and Mary Matus. Team two; Violet Rummel, Anna Jo Lankford, Frankie Mabe, Mary Bergt, Evelyn Kajs and Norma Mathews.

Plans are now underway for the party to be given in honor of these teams. Arrangements are under

WILDCAT PURRS

From the deep, dark depths of the "blue Monday" comes the familiar cry—
Hi! And now to the news. I warned you last issue that I'd be back, so if you're reading this it's your own fault.

Jenny Weiba has a new sport. Jenny is at it day and night and is driving everybody crazy. She calls her new sport, Rag Mop Doodle ee ah de da, or something like that. She says she's only kidding, but we know better.

Enough of this nonsense, here's real news now.

Walter Caddell and Jean Kile were seen making Truscott merry.

We wonder if Elba Caddell will persuade Pete Moody to be a good boy and come back or not? Don't be surprised if you suddenly hear Rusty has been sent to Wichita for observation. He surely has been acting strange lately. Did you notice his strange disguise?

Has Buster really got a girl friend or is this just a rumor? Faye, Gordon Wood, Melba and Martin were enjoying looking at

the moon and watching the stars Saturday night.

Betty Barker, Bobbie Abston and Miss Close seemed to enjoy their week-end in Abilene.

Betty Brock and Presley Thomson were seen making the rounds Saturday night.

Evelyn Kajs has picked her an OAO. It is Herman Hostass.

Say, Mary Matus, next time write Melvin's last name on the board.

We wonder if the big dipper will ever be as pretty as it was last Tuesday night.

Sweetpea and Travis were seen in the movie Sunday night with Dubber as chaperone.

Mary Alice, Jimmy Louis, Frankie and Blackie were seen Sunday night.

We wonder if everyone had fun at Marcia's slumber party Friday night.

Norma Jones and Wayne Brown were seen together the past week. Joe Ray and Joyzell are still going steady.

Congratulations to Kay Cribbs for winning second place in the talent show Friday night.

Everyone enjoyed the little tennis game Saturday afternoon. I can't imagine why Tommie would have Myrtie to go get the ball if it was in stickers. Can you?

Rondyn and Vernon went to MYF together last Sunday night. More fun.

We hope to see Annie Jo back in the halls again soon.

Billy Joe and LaVerne were their usual selves Sunday night. They were together.

"Ham" Tamplen and Joline Lanier were seen together Thursday night. Could this be renewing an old acquaintance?

THE ONE FINE CAR IN THE LOW-PRICE FIELD

You'd never guess from the low price tag what a store of quality this '50 Ford offers

YOU CAN EVEN "hear" ITS QUALITY!

FORD'S 50 WAYS NEW
Quality feature after feature puts the '50 Ford far ahead of its class... take the 13-way stronger "Life-guard" Body... the "Fashion Car" styling—now more beautiful than ever... the big car "feel" of Ford's improved "Mid-Ship" Ride.

AND QUIETER, TOO!

Ford's 100-horsepower V-8 shows its authority in power, yet keeps its voice down to a refined whisper. And new "sound conditioning" keeps road noises out too. You're even insulated from bumps by Ford's "Hydra-Coil" and "Para-Flex" Springs. Best of all, Ford's powerful V-8 sells for hundreds less than most!

National 4-H Club Week to Be Observed from March 4 to 12; Efforts Will Be Made to Increase Membership in Texas

More than 1,850,000 4-H Club members in the United States will observe National 4-H Club Week, March 4-12. They will be joined in their activities by the 225,000 volunteer local adult leaders, the 14 million former members, their parents and friends. According to the state 4-H leaders of Texas A. & M. College, the 113,514 4-H members in Texas will strive to increase their membership during the week and at the same time will show what they have accomplished during the past year.

A summary of the reports from the county extension agents in the state show how important the 4-H program is to Texas. 4-H members grew crops on nearly 51,000 acres of land; everything from cotton and corn to soil improving crops; they planted and cared for more than 10,000 acres of home orchards, home gardens and truck crops; they carried out soil and water conservation practices on 29,300 acres and conducted pasture improvement demonstrations on 27,300 acres.

They owned 58,893 head of livestock and sold more than 23,000 head for approximately 20 million and one-half million dollars. They exhibited nearly 22,000 head of livestock and poultry at 212 livestock shows and fairs and sold \$272,000 worth of poultry and eggs from their demonstration flocks.

They were just as active in home economics work. James Browning Weds Miss Walker on February 26

The marriage of James Clyde Browning of Truscott and Miss Olene Walker of Knox City took place in the home of Mr. and Mrs. Sammy B. White in Knox City on Sunday, Feb. 26. Mrs. White is a sister of the bride.

Rev. J. Tracey Hooper, student preacher from Abilene, was the officiant at the double ring ceremony.

The couple stood before an arch covered with plumosis and picardy gladioli and featured huge white satin bows with floor length streamers. The arch was flanked with floor baskets of the gladioli. A trellis, banked with flat fern and picardy gladioli, formed a background for the arch where the couple stood for the recitation

of their wedding vows. Other floral arrangements were used throughout the home.

Mrs. E. Q. Warren provided the wedding music. At the piano, she played "Because" and "Always" as pre-nuptial numbers and also played the traditional wedding marches.

Wayne Turner served the groom as best man and Alfred Hendrix and Charlie Moody of Crowell were ushers.

The bride, given in marriage by her father, was lovely in an ice blue two-piece gabardine suit, accented by a short cape, hand-embroidered in a deeper shade of blue. Her off-the-face hat of matching material was encircled with yards of net and dainty flow-ers, giving the halo effect. She carried a white Bible topped by a shower bouquet of white orchids. Lilies of the Valley and candytuft were tied into the white satin streamers which fell from the bou-

quet.

For something old, she carried a handkerchief belonging to her great grandmother. For something borrowed she wore a sapphire bracelet which belonged to her sister, Miss Imogene Walker.

Mrs. Sammy B. White was her sister's matron of honor and wore a pastel pink gabardine suit with navy accessories. She carried a bouquet of pink gardenias.

Miss Jeanette Hawkins and Miss Imogene Walker were bridesmaids. Miss Hawkins wore a light green suit with white and beige accessories and carried white carnations and Miss Walker wore a yellow gabardine suit with brown accessories and carried a bouquet of yellow rosebuds.

For the reception which followed immediately after the wedding, the bride's table was lace-laid and centered with an arrangement of A. S. Tupper of Truscott poured punch from the crystal bowl and Mrs. White served the three-tiered cake which was topped by a miniature bride and groom. Mrs. J. G. Hawkins presided at the bride's book and secured the guests' signatures.

After a wedding trip to Mexico City and Monterey, Mexico, the couple will make their home near Truscott where the groom is engaged in farming and ranching. For going-away, Mrs. Browning chose a gray and yellow three-piece ensemble with gray and beige accessories. She wore a shoulder corsage of white orchids.

Mrs. Browning is the daughter of Mr. and Mrs. F. E. Walker of Knox City, a graduate of Knox City High School and also attended T. S. C. W. at Denton for two years. Mr. Browning, the son of Mr. and Mrs. C. C. Browning of Truscott, is a graduate of Truscott High School and attended John Tarleton College in Stephenville. Both bride and groom are members of pioneer families of Knox County.
