CHSITES PLACE IN ALL
 CONTESTS ENTERED AT
 INTERSCOLASTIC LEAGUE
 MEET

CHS had contestants present at every day of the 3-day Interscholastic League meet of District 10-A, lasting from Thursday, April

13, to Saturday, April 15. Dallas bound CHSsites who will enter the regional contest will be Bobbie Abston, typing; Clara Jones, ready writing; and Jimmy Rasberry, Buster Laquay, Jon Sanders and Rouse Todd, track.

Thursday at noon the members of the one-act play cast, Montez Laquay, Maurine Youree, Billy Johnson and Patsy Carroll, along with their stage crew, Jimmy Franklin and W. C. Langford, the director, Miss Beulah Turney, and student director, Clara Jones, left for Iowa Park in the cars of Grady Graves and Jimmy Franklin. The play was presented at 4 o'clock, but announcement of the winners was not made until after the last play that night. Members of the Crowell cast received red ribbons for placing second. First and third place winners were Holliday and Olney which was the same as the 1949 rating.

Henry Black and Beulah Turney took the Crowell literary contestants to Iowa Park early Friday morning. They had time only for a quick cup of coffee before arriving for the 9:45 typing contest which Henry Black directed. The Crowell typing team — Bobbie Abston, Mary Alice Rader and Rozella Autry—won first as a team and Bobbie won the blue ribbon as an individual typist.

Miss Turney's senior declamation contestants were Montez La-

quay and Donald Reynolds. Montez won third in the senior girls' declamation event.

Crowell was represented in the ready writing contest by Clara Jones who won second for her essay entitled, "The Advantages of Living in a Small Community."

The tennis courts were a scene of action all day long. Welding their rackets for the honor of CHS were Bobby Hord in the boys singles and Bobby Stinebaugh and Jon Sanders in boys doubles. Their efforts were rewarded with red, second place ribbons, for both events. They were accompanied by F. L. Ballard and Coach Gordon Erwin.

Saturday the track team and Coach Thayne Amonett journeyed to the field of actions with signs of rain threatening them. The field was so muddy that a call was made to Austin in an effort to postpone the contest, but it was impossible. Nevertheless, Jimmy Rasberry won third in the 100-yard dash and the 440-yard relay team — Jon Sanders, Buster Laquay, Rouse Todd and Jimmy Rasberry—won third place in that event.

The contestants going to Dallas will leave Friday in order to have plenty of time to rest up for the meet at SMU on Saturday. Let's hope that they will all continue on to Austin!

APRIL, THE MONTH OF TERM THEMES

"Oh, dear! Just three more weeks to get my term theme. I think I will write my theme on the month of April."

The first thing I will have to do is to find out what the month of April means. April, which comes from the Latin word "to open," is especially fitting. It is the opening of flowers, beginning of spring, and the budding of romance.

Two favorite days of old and young is Easter and April Fool's Day. The birthdays of Henry Clay and Thomas Jefferson come in the month of April.

There is the budding of romance which comes in April. In the spring a young man's fancy turns lightly to love. As you probably noticed, I said a young man's fancy, because I could not say a young girl's fancy for they think of love all year round.

There are two things about the month of April that puzzle me; they are weather and that nearly every war in the United States has begun in this month. The weather has days so cold you wish for summer, and days that are so hot that you would be glad to have winter-time again.

I wonder how much more I could find out about the month of April?

GOE, things have really been happening around here lately! I have been so busy congratulating everyone who won a ribbon at Iowa Park that I haven't had time to write.

We now have a cupid around school. She has fixed up several romances. One of the most recent is the one between Billy Abston and Mary Lou Woods.

Speaking of romances, I see that Lewis Hunter and Noma Kelly have that certain light in their eyes. I might say the same thing for Bobby Lax and Rosemary Moss.

It has been said that a certain eighth grade girl is just dying to go with Martin Langham. I can say that I don't blame her.

Anna Jo still looks forward to the letter from Tulsa. Although Virginia McKown went with a boy from Quannah the other night, she still thinks Joe Lee from Vernon is tops. Lucille Carroll still goes with a Vernomite and Norma Jean does too.

"Ain't Love Grand"! In the spring a young girl's fancy turns to rings, and Donna Allen has a pretty one!

Betty Barker seems to get around. O. L. Jack, Buster and Grover, who's next, Betty?

Neva Lou just can't keep her mind off Nebraska. It could be because down there they grow 'em tall, dark and handsome, like Joe Harris.

Jean and Jim Paul are getting quite friendly; they are being seen together lately.

Jon and Geraldine seem to be a new two-some.

Seen at Benjamin Friday night were Martha and Bob, Mary Alice and Jimmie Louis, Lon and Ann. More fun!

Here and there in the halls we noticed "dreamy" eyes wandering to each other's locker to have a chat between classes. Among them are Violet and James, Rouse and Myra Don, Billy Joe and LaVerne, Blackie and Frankie, and Joe Ray and Joyzell.

From the odors in the hall last week, the Homemakers' room and the chemistry lab are trying to out-do each other. We don't mind, for these students may be the future homemakers and chemists of America.

Joline, Ham, Betty Lou and Presley are practically inseparable. You might call them a four-some.

Here we leave the girls dreaming and the boys wondering. No more for this week but I'll try to shovel up some more and dump it all in the column again next week.

or above for this six weeks.

The junior class leads as a group with 60 per cent of their number placing in this group, the sophomores and freshmen tie for second with a 53 per cent average, while the seniors come trailing in with only 35 per cent of their class in the 85 per cent or over average.

What's the matter, Seniors? Surely you aren't going to let the freshmen get ahead!

Another challenging fact from this month's grade list is the news that over three times as many girls as boys were in this list. What about it, boys?

ABSENTEE LIST

The following students were absent one day or more each last week: Leon McNeese, E. W. Kidd, Doyle Sparks, Arthur Marlow, Floyd Porter, Hack Norman, Lucille Carroll, Lois Evenson, Betty Harper, Maurine Youree, Gamille Todd, Donna Allen, Don Wilkins, Wayne Brown, Norma Jones, Margaret Caram and H. L. Ayers.

These students were absent one-half day each: James Bice and Jackie Rasberry.

COLLINS SPEAKS TO STUDENTS

Thursday morning, April 13, Brother B. Frank Collins of Goodlettsville, Tenn., spoke to the students of Crowell High School. The subject of his very interesting talk was "Habit." He explained what a hold habits can get on anyone and how hard it is to throw them off without the aid of someone else.

At the close of his speech, Brother Collins invited everyone to attend the Crowell meeting of the several hundred simultaneous meetings being held in Baptist Churches west of the Mississippi.

Misses Clara Jones and Montez Laquay went to Iowa Park Friday for the annual Interscholastic League meet.

George Moffett Seeks Re-Election to State Senate

Friends of State Senator George Moffett of Chillicothe, often called "Cotton" George because of his persistent efforts to develop new uses for cotton, have authorized the placing of his name in our announcement columns as a candidate for re-election to the State Senate.

Senator Moffett is the first native of this district to represent in the State Senate at Austin. He has become widely known as a hard working independent thinking member who strives for the best interests of the State and of the people of this district which he represents. He is a graduate of Texas A. & M. College, a veteran of World War I, and now operates his father's farm in Hardeman County.

Even though not a lawyer, he has been the author of more amendments to the State Constitution than any other member of the Legislature, some of which are of special benefit to the smaller cities and towns and rural communities. At the recent short special session of the Legislature, he sponsored the rural telephone bill in the Senate. He plans to issue a platform statement at a later date.

Fighting Man of Plains" to Be at Rialto
 Randolph Scott's association with Nat Holt goes back to days before Holt became an independent producer with Twentieth-Century-Fox. Prior to the picture of the star-producer

team, the Cinecolor "Fighting Man of the Plains," which opens Sunday and Monday at the Rialto, the two combined forces to make "Canadian Pacific."
 While Holt was still on RKO's producing staff, Scott did three pictures for him. They were "Badmen's Territory," "Trail Street," and "Return of the Badmen." Al-

though the actor started out in business with his father, it wasn't long after a film talent scout spotted him in the Pasadena Playhouse that he made his debut in "Sky Bride" at Paramount. Among his other picture credits are "Belle Starr," "Virginia City," "Belle of the Yukon," "Roberta," "My Favorite Wife" and "China Sky."

JUDGE O. O. MCCURDY

O. O. McCurdy Enters Race for District Judge

The News has been authorized to announce the candidacy of Judge O. O. McCurdy of Vernon for the office of District Judge of the 46th Judicial District of Texas. He makes the following statement in connection therewith.
 "The District Court is a State Court in which litigants may have their rights passed upon by court and jury; and where charged with a crime has the privilege of having his guilt or innocence determined by a jury of his fellow citizens. The decisions of the judge of such courts are therefore far-reaching in their importance to any person or persons, who have or may have controversies to be adjudicated.
 "In announcing my candidacy for the office of District Judge of the 46th Judicial District I am sincerely prompted by a desire to serve the people of the district with the best of whatever ability I may have. I am also prompted by a selfish ambition to become District Judge of a Judicial District in which I have lived all my life.
 "I was born in Harold in Wilbarger County and have lived here almost continuously except several years spent in law school and in the U. S. Marines during World War I. My education background consists of Vernon High School, Valparaiso University, and Washington & Lee University Law School where I received a law degree in 1917. In addition to practicing law since that time I have had considerable practical business experience, and have had at least some small part in worthwhile community activities. I served for a number of years as chairman of the Democratic Executive Committee. Public offices I have held include, County Attorney and County Judge of Wilbarger County and City Attorney of Vernon.
 "The present Judge is serving an unexpired term as an appointee of the Governor. I served two special terms, having been appointed by the Bar Association during the illness of the late Judge Welch. There is therefore no second term question involved, because there has not been an election by the people since the death of Judge Welch. Either the present incumbent or myself, if elected, would be serving a first elective term.
 "If elected to this important judicial office, I propose to give you my very best, and to deal fairly with all people with whom I may have official contact. I earnestly solicit your personal support, and I assure you that I will deeply appreciate and ever be grateful for your help in my behalf."

"Must be something to it" EVERYONE TALKS ABOUT THE Ford TRACTOR

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor"... winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

BARKER IMPLEMENT CO.

Announcement

I take this means of announcing to the public that I have bought the Weiss Farm Equipment in Crowell, dealers in International Harvester Co. farm machinery, from James Weiss and took over the operation of the business this week. I am a farmer and have been using International Harvester machinery in my farm operations, which enables me to be thoroughly familiar with the line.

I earnestly solicit the continued patronage of the customers of this establishment and cordially invite others to visit my store and become acquainted. I was reared in the Rayland and Thalia communities and know many people in that section and feel like I am just moving back home.

What We Think
(By Frank Dixon)

In the town in which I live there used to be a man to whom we all referred to as the Handy Man. He was a good practical mechanic, whatever the job was about the home that had to be done, he would be called in to do it. He usually did a good job. We couldn't have gotten along without him in those days.
But today we have no such luxury as a general handyman. The men who used to do those things are either drawing old age pensions or are securing their subsistence from the County Welfare office.
I miss the handyman. It seems to me that there is a greater need for him today than there ever was, but no one cares to do those odd jobs today.
For the past several months I tried to get a man to repair my roof but I could get no one. After putting up with the leaky roof for some time I climbed up on the roof and made the repairs myself. I tried to get some cave troughs hung, but all of the firms that do this kind of work were busy on bigger jobs and had no time for these little jobs. There are storm windows to put up and take down, a door doesn't latch as it should, a patch on the porch needs painting, the furnace needs cleaning, there is water in the cellar that should be pumped out, but for lack of time all of these odd jobs are being put off in the hopes that some day I will find time to do them all. Eventually I will get to them and get them all done.
I have no doubt that my needs are duplicated in nearly every home in the community and the needs of the town as a whole are duplicated in practically every town and city in the United States. A great many people do not have the time and the tools and the skill to do many odd jobs that come up these days in the average home.
Each season of the year has its peculiar jobs, its peculiar needs and things that have to be done. In the spring and summer there is the storm windows to take down, garden plots to be plowed, lawns to be taken care of and grass seed sown. In the winter there are the walks to clear off, dripping faucets to be cared for and a thousand and one such duties that our modern homes require.
An energetic man who is a good mechanic, could find all he could get done and more in every town any size in this country. A good many of these jobs could be done by older men and women and in the aggregate would furnish a little employment.
With spring house cleaning coming on I can see a multitude of tasks that a handy man could do. I have no doubt that if some man in my community should announce that he was prepared to render such a service that he would find all he could do and more.
We are so busy these days with our regular routine duties that we have gotten out of the way of being our own mechanic. We would rather call in some one to do these odd little jobs for us. There is a real need for such a service and in the providing of such service lies the possibility of a steady, useful and varied employment.
At the age of 70 a Supreme Court Justice may retire on full pay.

Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.
Austin, Texas—Has chickenpox come your way? If it has, or if it does come your way in the future, the first thing to do is to call your physician, says Dr. Geo. W. Cox, State Health Officer.
Chickenpox is a common communicable disease caused by a virus. It occurs most frequently in the winter and spring among children less than 15 years of age. The virus is present in the discharges from the mouth and nose and from the small blisters which contain a watery fluid. Chickenpox is very contagious and is probably spread by direct contact with the patient.
Chickenpox begins from about 14 to 21 days after exposure, usually with feverishness and loss of appetite. Within about 24 hours, the skin breaks out in small raised rose-pink spots which change into blisters. The blisters quickly become crusted with scabs which eventually fall off. The scabs are not contagious. Each crop completes its course from rose-pink spot to crust in from two to four days.
Scratching or picking at the blis-

ters may cause serious sores and disfiguring scars. The doctor will probably suggest a remedy to relieve the itching, which may be severe. Usually the child is not very ill and begins to feel better in from one to three days.
Warning — Chickenpox is an entirely different disease from smallpox. But when a person has not been vaccinated, mild smallpox is sometimes mistaken for chickenpox, because the early symptoms are strikingly alike. Smallpox is a serious disease which spreads rapidly among unvaccinated persons.

Washington Newsletter
(By Congressman Ed Gossett)

Washington, D. C., April 15, 1950—The House gets back to serious work on the 18, following a so-called Easter recess. On my motion, the House Judiciary Committee has agreed to vote on the so-called Tidelands bill on Thursday, April 20. It has been my duty, as well as my privilege, to serve on the Judiciary Committee as spokesman for the States in this matter. The bill is long and complicated. It probably will not be passed by both Houses of Congress during this session. We will have to do the work all over again in the next session of Congress, for regardless of what the Supreme Court may decide Congress must eventually settle by legislation the tidelands controversy.
Many of us are happy that Harry Bridges, the notorious red labor leader of the West Coast has been convicted of perjury growing out of his naturalization proceedings of some years ago. There seems little doubt that Harry Bridges has long been a communist. Certainly he has been of much help to the cause of communism. During my first session in Congress I voted for a bill to deport the said Harry Bridges. Had we got rid of him at that time we would have avoided a great deal of trouble including the recent serious shipping strikes in the Hawaiian Islands, Harry Bridges came originally from Australia. Rumor now has it that even if he is de-naturalized and ordered deported Australia will not accept him back. We have been unable to deport a number of bad characters because the countries from which they came would not allow them to return. It seems to me that our States Department should be able to compel these countries to accept the return of these people. There are many ways in which we could bring enough pressure on them to compel their accepting the return of such individuals.
For the first time, in this session of Congress we are trying to pass a "one package" appropriations bill. That means that all of the major appropriations are included in one bill instead of in ten different bills as has been the practice. The bill now before the House for a vote carries the appropriations under the following heads, or chapters:
I. District of Columbia
II. Legislative Branch
III. States, Justice, Commerce and the Judiciary
IV. Treasury-Post Office
V. Labor-Federal Security
VI. Agriculture Department
VII. Interior Department
VIII. Independent Offices.
IX. Civil functions (Rivers, har-

X. Defense Establishment (Army, Navy, Air Force).
The biggest items in this bill are 13 billions for the defense establishments and 6 billions for the Veterans Administration. The approximately 19 billions recommended for the defense establishment and the Veterans Administration is approximately two-thirds of the total amount carried in the bill.
There has been considerable eye-brow lifting hereabouts over the recently published fact that England is currently operating on a balanced budget. In fact, the British not only have balanced their books but show a surplus of something over 100 million dollars. On the other hand, we will operate this current fiscal year with a deficit of 5 or 6 billion dollars. At least 1 billion of this deficit

went to the British.
Two Republican members of Congress have hit upon a unique way of publicizing and protesting our deficit financing. These members, Cole and Kilburn, both of New York, sign all of their letters in red ink.
We get numerous letters urging us to support the Hoover Commission Report. While I enthusiastically supported the creation of the said Hoover Commission hoping its recommendations would result in greater economy and efficiency in government, I now find that a good many of these recommendations do not promote these desirable objectives. Putting patches on patches does not necessarily strengthen a garment. Shift-

ing an agency from one business to another will not necessarily promote efficiency. What is needed to reduce the size and cost of government. This could be done without impairing the service of the government to the people.

SHOP FOR YOUR MONEY WHEN . . . you need to borrow

A WISE SUGGESTION
To meet sudden expenses, consolidate bills or other reasons many folks borrow at higher interest rates than they should. Should you need financial help, you'll be wise to "shop" for money as you do for groceries, clothes and other things. We have money available to you for any worthy purpose at interest rates that are reasonable. Repayment can be made on terms to fit your budget. Come in and talk over your needs with us soon.

RUPTURE SHIELD EXPERT HERE

H. M. Shevnan, widely known expert of Chicago, will personally be at the Kemp Hotel, Wichita Falls, Tuesday and Wednesday only, April 25 and 26, from 9 A. M. to 4 P. M. Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments. Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

Former Resident of Crowell Weds Amarillo Girl

Marriage vows were solemnized Sunday afternoon, April 2, in the Chapel of Polk Street Methodist Church in Amarillo, for Miss Sue Benton, daughter of Mr. and Mrs. W. E. Benton of Amarillo, and Horace Todd, son of Mr. and Mrs. Roy C. Todd, also of Amarillo and former residents of Crowell.

Rev. Roy G. Percival, assistant pastor of the church, read the double ring service. Arrangements of white gladioli and fern, flanked by candelabra, formed the decorative setting at the altar.

As pre-nuptial music, Mrs. Wendell Heiny, organist, played organ selections and accompanied Mr. Heiny who sang, "My Friend" by Malotte and "Because" by D-

Hardelot, preceding the exchange of vows. The traditional wedding marches were used for the processional and the recessional. "The Lord's Prayer," by Malotte, was sung as the benediction.

Attending the bride as maid of honor was Miss Melba Smith who wore a rose crepe dress with black and white accessories and a corsage of white carnations.

Perry Todd attended his brother as best man and ushers were Jack Lawson and Eddy Leuders while Lahroy Todd, brother of the groom, was candlelighter.

Given in marriage by her father, the bride was attired in a ballerina length dress of white nylon lace over taffeta. Her off-the-face white hat was trimmed with tulle and lilies of the valley. Her corsage was an orchid. For something old and borrowed, she wore a string of pearls belonging to the bride-

groom's mother.

For her daughter's marriage, Mrs. Benton wore a navy crepe dress with matching accessories and a pink carnation corsage. Mrs. Todd, mother of the groom, wore a navy faille suit and matching accessories. She, too, wore a pink carnation corsage.

Following the ceremony, the bridal party was complimented with an informal reception in the home of the bride's parents. The bride's table was laid with a lace cloth and had a central arrangement of white gladioli and tapers in silver holders. Foliage plants and stands of white gladioli were used throughout the entertaining rooms.

Mrs. H. S. Benton, sister-in-law of the bride, served the tiered wedding cake and Mrs. Maude Watson, aunt of the groom, presided at the punch bowl. Miss Coralee Benton, niece of the bride, directed the signatures of the guests in the bride's book.

Mrs. Todd is a graduate of the Paragoul, Ark., High School and is employed in Amarillo by Shultz United. Mr. Todd is a graduate of Crowell High School and is now employed by Morrow - Thomas Hardware Co. in Amarillo.

The couple is at home at 1311 Washington St., Amarillo.

Compliment Given for Bride-Elect Prior to Marriage

Mrs. J. H. Gillespie, Mrs. Howard Bell and Miss Sharon Haney complimented Mrs. Richard Stripling, who was Miss Betty Seale before her marriage on April 7th, at a delightful Coke party at the home of Mrs. R. J. Thomas on Friday morning, April 7.

Cokes and a menu of tasty dishes were served to the honoree; her mother, Mrs. C. R. Seale; mother of the groom-elect, Mrs. J. C. Stripling of Levelland; Mrs. Leonard Mundt of Big Spring; Mrs. E. V. Abbott of Fort Worth; Miss Larue Graves of Floydada; Miss Betty Denny of Iowa Park; Miss Betty Buchanan of Perryton and Mrs. Q. D. Williams of Truscott.

B. & P. W. Club Meets at Easter Banquet

The Crowell Business and Professional Women's Club held its Easter banquet at the Hotel Premier on Thursday, April 6th. The room was beautifully decorated with green grasses, Easter bunnies and large colorful eggs. Individual tables carried out the Easter motif having for a centerpiece a basket of eggs and bunnies.

Hostesses Louise Fish, Marjorie Magee and Frances Davis served a delightful plate to seventeen members and one guest, Miss Martha Rettig. Following the meal, the guests played progressive canasta. Mrs. Inez Spencer was high scorer in the games.

VIVIAN H. D. CLUB

"Let's look at our hands," said Mrs. Chester Hord at the Vivian Home Demonstration Club which met in an all-day session in the home of Mrs. Darvin Bell on Thursday, April 6. "A good time to pay particular attention to cuticle care is at bath time," continued Mrs. Hord.

"Any good hand lotion should be used lavishly. A good idea is to have two bottles, one in the kitchen and one in the bath room. A good softening cream used at night and to sleep in cotton gloves is a great help. Nails should be filed to conform to the shape of the fingers."

Mrs. Hord continued her demonstration by selecting three ladies with distinct types of nails, as broad, oval and long, and giving them a manicure.

A covered dish lunch was served at noon to four visitors and ten members and one new member. They were Mrs. F. C. Borchardt and Mrs. Chester Hord of Crowell, Mrs. J. W. Carroll and Mrs. J. B. Brothers and Mrs. W. O. Fish, Mrs. J. B. Raspberry, Mrs. Arthur Sandlin, Mrs. Clyde Bowley, Mrs. Leslie McAdams, Mrs. I. D. Gilbert, Mrs. E. T. Evans, Misses Myrtle and Neoma Fish, Mrs. Allen Fish and Mrs. Bell.

JUNIOR ADELPHIAN CLUB

The Sub-Junior Adelpian Club met in the Adelpian Club House on April 12 with Mrs. Henry Borchardt as hostess.

The business meeting consisted of making final plans for the club's Frontier Dance which will be held on Saturday, April 22, at the Community House.

New officers for the forthcoming year were elected and are as follows: Bobbie Abston, president; Jean Hughton, vice president; Betty Barker, secretary; Mary Rader, treasurer; Maurine Youree, reporter; Rozella Autry, Federation Councilor.

The next club meeting will be on April 26th.

Farmers' Cotton Classing Program Announced for 1950

Details of the 1950 Smith-Doxey cotton classing program for cotton farmers were announced today by John A. Albritton, in charge of the local office of the cotton branch, Production and Marketing Administration, U. S. Department of Agriculture, Altus, Okla.

"Farmers will follow the same procedures as they did last year in signing up for this program," Mr. Albritton said.

Under it, he continued, they receive without cost cotton classing and market news from the U. S. Department of Agriculture. Any group of farmers organized to promote the improvement of cotton is eligible for these services.

Mr. Albritton urges all cotton farmers interested in Smith-Doxey benefits to organize community

groups immediately and submit applications.

Applications and more details about the program can be secured at the local cotton office, P. O. Box 249, Altus, Okla., or from County Agricultural Agents, County PMA offices, and ginners.

Lafayette presented the key to the French Bastille to George Washington and it may now be seen at Mt. Vernon.

SCHOOL LUNCH SCOPE

According to a report of the U. S. department of agriculture, school lunch program in the 47 school year reached 44 million schools, and 6,016,129 children. The original federal appropriation amounted to 75 million dollars, was augmented by six million dollars appropriation to assist states because of rising costs.
