"Marshall Mars" Explodes

Honolulu, T. H. — The U. S. Navy's giant amphibious transport, "Marshall Mars," exploded after it caught fire and landed on the Pacific during a test flight. The seven crew members escaped without injury after the emergency landing in the smooth sea.

Servicemen Entitled Re-Employment Upon Application

Returning servicemen who left the employ of private employers to enter the armed services, whether by induction, enlistment or from the service, are entitled to reinstatement upon application, stated William Cooper, field representative for Bureau of Veterans' Re-employment Rights, Department of War, Texas, Oklahoma, Louisiana and Arkansas.

These rights exist for anyone entering in military service today under their first enlistment under the 1948 Act and for not more than three years.

Cooper called attention to the fact that Supreme Court decisions in

Oakley vs. L&N Railway and Haynes vs. Southern Railway, which held that the reemployment rights of ex-servicemen extend beyond the first year of reinstatement and that there is no one year statute of limitations.

The right of reemployment exists for enlistees entering the service since June 24, 1948, regardless of military service prior to that date, provided the enlistment is for not longer than three years. Even if the Congress does not extend the Selective Service Act of 1948, anyone who enters service prior to June 24, 1950, will have rights upon discharge, Cooper pointed out.

Information about reemployment rights may be obtained from local offices of the State Employment Service. Assistance in connection with reemployment rights problems may be obtained from

Investigate Kansas City Killings

Kansas City, Mo. — Police and prosecutors are pictured examining a tape-recording device which was found in the desk of Charles Binaggio, Kansas City Democratic political chief who was shot down along with his aid, Charles Gargotta. The murders were charged either to gambling or the ballot box theft of 1948; and echoes of the case were heard in Washington when Rep. Short and Sen. Kern, both of Missouri, demanded federal investigation.

Vacation Bible School Announced for Thalia Baptist Church

The Baptist Church at Thalia announces that there will be a Vacation Bible School held at the church there, beginning May 22. The school will open at 8:30 in the mornings and will continue for two weeks.

Every child between the ages of 4 and 15 in the community is cordially invited to attend.

Pictures of C. H. S. Graduates to Appear in Next Week's Issue

The News had made plans to print the pictures of the 41 graduates of Crowell High School in this issue, but the cuts failed to arrive from the engravers in time. We sincerely regret this delay, but the pictures will be printed next week.

Bobby Ferguson Killed in Airplane Crash Late Monday

Funeral services were held at 3 o'clock, Wednesday afternoon at 3 o'clock, Rev. Aubrey C. Haynes, pastor of the church, officiated at the rites.

With Mrs. Paul Shirley playing organ accompaniment, the choir songs were under the direction of Sam Mills. A duet, "Near to the Heart of God," was sung by Mesdames Charlie Thompson and T. B. Klepper.

DR. GROVER C. BOSWELL

Arthur Compere Passes Away in Spur Hospital

Funeral services were held at Spur Sunday afternoon, May 14 for Arthur Compere, an ex-resident of Crowell. Mr. Compere died in Nichols Hospital in Spur on Saturday, May 13, after a long illness. He had been in the Spur hospital for more than a year.

He was the son of the late Mr. and Mrs. J. L. Compere, pioneer residents of Foard County. Funeral services were conducted in the Campbell Funeral Home by the pastor of the Methodist Church in Spur and the body was then taken overland to Abilene where interment was made.

Fifth Annual One-Day Invitation Golf Tournament of Spring Lake Country Club Will Be Held Here Sunday, May 21

The program for the fifth annual one-day invitation golf tournament of the Spring Lake Country Club of Crowell which will be held Sunday, May 21, has been completed. More than 100 players from surrounding towns are qualifying on their home courses and will be on hand Sunday morning to begin match play at 7 a. m. Each player will send his qualifying score and entrance fee of three dollars to Irving Fisch, Crowell, not later than Saturday, May 20. Flights will consist of 16 players each and prizes will be awarded to winners, runners-up and consolation winners.

Bobby Ferguson Killed in Airplane Crash Late Monday

Funeral services were held at 3 o'clock, Wednesday afternoon at 3 o'clock, Rev. Aubrey C. Haynes, pastor of the church, officiated at the rites.

With Mrs. Paul Shirley playing organ accompaniment, the choir songs were under the direction of Sam Mills. A duet, "Near to the Heart of God," was sung by Mesdames Charlie Thompson and T. B. Klepper.

Commencement Exercises for Crowell High School Graduates Will Be Held at High School Auditorium Friday Night

The Friday evening at 8 o'clock, commencement exercises will be held in the High School Auditorium for the graduating class of 1950 of the Crowell High School.

Miss Bobbie Ruth Abston will be the professional and the regional. Rev. Warren Everson will offer the invocation. A sextet, composed of Mary Ermine Cooper, Bill Thomson, Jackie Rasberry, Peggy Carroll, Charla Ketchersid and Peggy Weaver, will sing a duet with Miss Abston playing

1950 Smith-Doxey Benefits Available to Cotton Farmers

Cotton farmers can now secure their applications for 1950 Smith-Doxey benefits, according to John A. Albritton, in charge of the local office of the cotton branch, Production and Marketing Administration, U. S. Department of Agriculture.

Applications are available at agribusiness, County PMA offices, County Agricultural Agents' offices, and at the local cotton office, P. O. Box 249, Altus, Okla.

Mr. Albritton points out that the farmers belonging to organized cotton improvement groups under the Smith-Doxey Act can get their cotton classified by USDA without cost. Also, they can get free market news service.

Groups should file their applications for Smith-Doxey benefits as soon as their cotton is planted to make sure of getting them approved in plenty of time to get first bales classed.

Applications must be filed with the local cotton office before August 1.

J. H. Cope Funeral Held in Lubbock Last Thursday

Funeral services for J. H. (Johnnie) Cope, 61, native of Foard County, were held in the First Christian Church in Lubbock last Thursday afternoon with the pastor officiating. In addition to the pipe organ numbers, music for the service was furnished by a mixed quartet, "Ole Faithful" was sung as a solo. Mr. Cope died Tuesday.

Mr. Cope was born in Foard County in December, 1888. He was married to Miss Bessie Rash in 1910. Mr. Cope began his business career in the store of J. H. Self & Sons, hardware and groceries, in about 1908. Later he was associated with the late L. J. Massie in the ownership and management of a chain of grocery stores in Northwest Texas and Southwest Oklahoma. He managed stores in Crowell, Quanah and Vernon. After selling his interest in the Massie stores he operated a store of his own in Vernon before going to Lubbock in 1939. He served as the president of the Vernon Chamber of Commerce in 1935-36. He was prominent in civic activities wherever he lived. He has been engaged in selling trailer houses since moving to Lubbock.

Mr. Cope was of a happy and friendly disposition and was highly respected and loved by all who knew him. He was a member of the Christian Church.

Survivors include his wife; one daughter, Mrs. Mike Spiller, of Amarillo; one son, Bob Cope, of Lubbock; his aged mother, Mrs. J. W. Cope, and two sisters, Mrs. W. F. George and Miss Lourena Cope, all of Fort Worth; and five grandchildren. Mrs. N. J. Roberts of Crowell is his cousin.

Crowell people attending the funeral include Mr. and Mrs. N. J. Roberts, Mr. and Mrs. J. R. Beverly, Mr. and Mrs. John E. Long, Mr. and Mrs. C. W. Thompson, Mr. and Mrs. Crockett Fox, E. P. Bomar, H. E. Ferguson, Mr. and Mrs. Alton Bell, Mr. and Mrs. Hubert Brown, Mr. and Mrs. T. S. Haney and daughter, Miss Sharon Haney, Mrs. Gordon Bell, Mr. and Mrs. C. C. McLaughlin, Mr. and Mrs. T. B. Klepper, Mrs. R. R. Magee, Mrs. Leon Speer and M. L. Hughston.

40th Anniversary of Columbian Club Being Observed

The fortieth anniversary of the Federation of the Columbian Club of Crowell is being observed by that organization this spring.

The club was organized by the women of this city in October, 1910, and was federated in the spring of 1910. At the time of the organization and federation there were 16 charter members. Today only two of this group are still active members. They are Mrs. T. L. Hughston and Mrs. Sam Crews.

During the 40 years that the club has been active, its members have accomplished many firsts in this area. It was this group of women who promoted the first motion picture matinee. The year was 1916 and the film was "Neptune's Daughter."

Foard County's first home economics course was sponsored by the Columbians. This was the first runner to the system now operated by the county agents of the Extension Service. The first Mother's Day program in Crowell was given by the Columbian Club.

In the days before radio and motion pictures, the Columbians, working in conjunction with the Adelphian Club of Crowell, brought Lyceum and Chatauqua programs here. One of the highlights of this era was a lecture by the then-famous Lincoln McConnell.

Clean-up campaigns were waged by the women of the club for the protection of the health of the community. One of the goals of the group in the early days as well as at the present time was the promotion of music appreciation in the public schools of the county. In 1920 the organization bought the first phonograph for the Crowell school. They have given records, prizes and programs in their music appreciation project.

Members of the group carried on relief work for Europe and sold bonds during the first World War.

During the forty years the purpose of the club has not changed. The object of the group is for improvement and social life. The motto of the Columbian Club is, "Happy is he who acts the Columbian."

Lions Club and Band Mothers Buy Banner for Wildcat Band

The Lions Club of Crowell, together with the Band Mothers, have recently purchased a large Band Banner to be used in all appearances of the band. Letters in gold on a field of black appear "Crowell Wildcat Band." It is very attractive and adds greatly to the effect of the band concerts.

The Band Mothers also have bought a slide trombone for the band and it will be used as band property. Several other instruments have been purchased by the school and the rest of the instruments are owned by the individual band members.

Thalia Child Is Recovering from Serious Illness

Raymond Hayton Williams, 22-month-old son of Mr. and Mrs. J. B. Williams of Thalia, was reported to be making satisfactory improvement in a Wichita Falls hospital Friday after a serious operation had been performed successfully.

The little child had been injured Monday night when he stumbled at the home and fell against a rocker, bruising his head. The mother thought the child was uninjured until she noticed a blue spot on the baby's head as the child was being put to bed. He soon became violently ill.

The baby was rushed to the Crowell hospital where Dr. J. H. Barnebee Jr. immediately said the child should be flown to a specialist in Wichita Falls. Clinton McLain of Crowell flew the family to Wichita Falls where a delicate brain operation was found necessary. The operation was successful and the baby became much improved and is still making satisfactory recovery.

The little boy is the grandson of Mr. and Mrs. D. H. Heath of Thalia.

Lucky Book Week Will Be Feature of Summer Reading

A summer reading program for children and young people has been planned for the Foard County area. New books are now on hand and reading can begin as soon as school closes as anyone wishes.

"Lucky Book Week" will add to the usual pleasures of reading. The lucky books have been selected by the committee and the author of each of these books will receive a prize. The only requirement is that the reader must have at least 2 books during each week. Lucky Book Week will be held last week in each vacation month—June, July and August. At this time the committee will select the winners. The book may be read at any time during the preceding month. It is hoped many will see if they can get one of these lucky books.

The following new books have been received recently: Swift Watling, The Day Break, The Fire-Red, The Enduring Hills, Room One More, Amazon Adventure, The Secret Passage, Island Summer, It Happens Every Spring, Shoes, She's My Girl, Black Return, Happy Ever After, For Heaven's Sake and Under the Green Umbrella.

New books are on order and will be added to the list as they are received. Small notebooks and a record of the books read during the summer will be given each reader upon registration and a certificate will be issued at the end of each vacation month.

Free Barbecue to Be Given by Oscar Tillery

Oscar Tillery, owner and operator of Tillery's Red Elevator, will give a free "get acquainted" barbecue at the elevator Saturday afternoon, May 27, at 5:30 o'clock. Wheat farmers and the general public of the county are invited to attend. "Everyone is welcome," Mr. Tillery stated in making the announcement.

Crowell High School Baseball Team Wins District 9-A Championship Monday by Defeating Archer City 8-6

The Crowell High School baseball team, coached by Gordon Erwin, won the District 9A championship last Monday when it defeated the Archer City Wildcats 8 to 6 at Duster Field in Vernon. Archer City won the eastern zone of the district and Crowell won the western zone for the right to play the three-game series for the championship. Archer City won the first game 13 to 2, and the Crowell boys came back to take the second game here last Friday 12 to 6, and the rubber game at Vernon to clinch the championship.

Roy Whitley, ace freshman pitcher for Crowell, turned in a better job in the final game than Danny Powell, star Archer City pitcher, did for his team. Although Powell struck out thirteen batters, he allowed eleven hits. Whitley held the Archer County boys to four hits but he was very wild in walking nine men. Clinton Marlow and Jon Sanders were the big guns at the plate for Crowell. Marlow hit four singles out of four times up. Sanders came through with two singles and a double. Bobby Taylor (rf), Wallace (c), Baggett (lf), Mathis (3b), Petit (2b)

Visits Here Friday

Mrs. E. O. Jewell, wife of the founder of New Orleans' famous International House and International Trade Mart, was a visitor in Crowell Friday.

Mrs. Jewell, who now resides in Norfolk, Va., where her husband is manager of the Norfolk Port, was the guest of Mr. and Mrs. Ted Stafford, Mrs. Stafford is a niece of Mrs. Jewell.

A native of Terrell, Texas, Mrs. Jewell lived in New Orleans for a number of years while Mr. Jewell was manager of the Port of New Orleans. During the remainder of her stay in Texas, she is visiting in the home of Mr. and Mrs. Horace Coon and Mrs. F. E. Johnson in Vernon. Mrs. Coon is her sister and Mrs. Johnson is her mother.

Ed Payne was rushed to a Vernon hospital Monday after having been bitten by a centipede on the Wagoner Ranch, where he was working.

Warren Pruitt Announces for District Attorney

Warren Pruitt, Vernon attorney, Saturday authorized the News to announce his candidacy for the office of District Attorney of the 46th Judicial District of Texas, subject to action of the Democratic primary in July. Mr. Pruitt released the following statement regarding his qualifications for the office:

"As it is my belief that no man should offer as a reason for his election to public office anything other than his qualifications, I shall accordingly confine this formal announcement to what I regard as my qualifications.

"The primary duty of a District Attorney is to defend the rights of the public and to protect the individual against those who would violate the laws of our society. The degree of success he attains in performing that duty depends largely upon his experience and ability as a lawyer and upon his moral character.

"The following information is submitted for your consideration as to my qualifications. I am 33 years of age, and am a graduate of the Law School of the University of Texas, where I served as a student editor of the Texas Law Review for two years. For the past ten years I have been a partner in the law firm of Potect and Pruitt, in Vernon, Texas, where I received experience of a wide and varied nature, in both criminal and civil law. I am a member of the State Bar Association of Texas and past president of the Vernon Bar Association.

"I have always taken an active interest in the church and civic affairs of my community. I am a member of the First Baptist Church of Vernon, the American Legion, the Veterans of Foreign Wars, and a life member of the Optimist Club. My principal civic work, however, has been with the Cub Scout and Boy Scout program.

"Our retiring District Attorney, Mr. R. R. Donaghey, is leaving a splendid record, almost without parallel in this district, and it will be very difficult for his successor to surpass it, but I would like to have the opportunity to attempt to do so.

"I shall be most grateful for your careful consideration of my candidacy."

MARGARET MRS. BAX MIDDLEBROOK

Mr. and Mrs. Alton Cavin of Wichita Falls and Mr. and Mrs. Jonathan Bradford of Crowell visited Mr. and Mrs. Jim Owens Saturday evening.

Mr. and Mrs. Henry Bradford and daughter, Betty Ann, of Lubbock visited in the C. T. Murphy and Ralph Bradford homes over the weekend.

GRAVES COMMENTS STUDENTS AND FACULTY

Crowell High students and faculty are proud of the additions to our school plant that have been made this year under the capable supervision of Grady Graves, Crowell school superintendent. The school has been able to move in two school houses, Good Creek and Four Corners. The Four Corners building has been converted into a band house and the Good Creek building has been remodeled into an attractive home for Allen Taylor, who keeps the school buses rolling to CHS schools.

Mr. Graves expressed his appreciation for the cooperation and attitude of the student body during this year in the following statement: "Student delinquency has been kept to a minimum in Crowell. The School Board and I wish to express our sincere appreciation for the fine behavior and cooperation we have received from the student body."

Among the things that Mr. Graves has done for the school has been to build up the athletic department. Mr. Graves previously coached the football, basketball and baseball teams for 17 years without any assistance. He is responsible for building up the coaching staff of which he is very proud.

Thayne Amonett is head coach with Gordon Erwin and J. W. Sollis, assistants. Their program in elementary school has proved a boon in improving conduct and will help produce outstanding teams in the future. Mr. Graves has attended the football games, has paid particular attention to the student body, and has this to say about the cheering section. "I have especially observed their conduct and sportsmanship at football games, and the faculty and I are especially proud of the students."

Praising the faculty (which we have Mr. Graves to thank for he selected them and hired them), "I am sure the leadership extended to the student body has been a major factor in the fine attitude the students have exhibited in the school and sports. We have gone a long way in all of our major fields of competition with our neighboring cities, and I am sure we can contribute this program to the fine cooperation that is evident between the faculty and students."

By his fairness and consideration in not interfering in problems that arise until student and teacher have had every chance to make necessary adjustments, he has won admiration and universal approval.

PRINCIPAL BLACK SAYS CROWELL SCHOOLS ABOVE AVERAGE

"Crowell High School, as a whole, is above the average, and the morale and the spirit of the students is outstanding," said Henry Black.

In speaking of the behavior and cooperation evidenced by the students, Mr. Black continued: "At all times have I found the students very loyal and cooperative. They are a very progressive student body which is an admirable trait in any group. The students are to be commended for their interest in helping develop a well-rounded high school. These are a few of the things that are necessary to see Crowell High School stand at the top of schools in its class in Texas."

Needless to say, we know we will do that very thing under the capable direction of our advisor and principal, Henry Black.

BARBS BY BOBBIE

Well, kids, the big day for the Seniors arrived. They were off

for Galveston and points south Sunday night. They left from Vernon about 11 p. m. in a blue and white bus with the words, Crowell Seniors, painted with Clara Jones' lipstick. The class mothers, Mrs. Veatrice Brock, Mrs. M. A. Wilkins and Mrs. C. S. Bartley, and Mr. Black accompanied the group. Rouse, F. L., Bobby Jack and Sylvester had to stay in Crowell because of the ball game. They left Monday night to join the other Seniors at the Jack Tar Courts.

Oh, a nappy face was seen but it was just because Gordon Wood told Buster the oldie about the lightning bug that backed into a fan. "He was delighted no end," laughed Buster.

Clara was hostess to the Junior and Senior classes Saturday night for a "Roundup Party." We all had a wonderful time. I surely am going to miss Clara and her parties next year. Maybe Norma will carry on.

With many scalps hanging from the belt of Chief Amonett and his Wildcat baseballers, it seems that the Wildcats are well on their way to winning the district finals. If the Wildcats win this game, they will go to regional. Congratulations go to Maurine Youree, Myra Self, Betty Barker and Carolyn Bell on being elected pep leaders. Let's have the best pep squad ever!!

One of the most important happenings of the year occurred last Thursday when Mr. Graves announced after assembly that the annual had arrived. Many bottles of ink have been used acquiring the signatures of classmates and teachers.

The Wildcat staff and sponsor again thank Mr. Klepper and his staff for printing the "Wildcat Column." Without this courtesy, CHS would not have a voice in the press.

SYMPATHY TO JEANNIE

The students and faculty of CHS sincerely sympathize with Mrs. Jeannie Davis whom we missed Wednesday, Thursday and Friday of last week when she attended the funeral of her brother at Jonesborough, Texas.

In your time of sorrow may you be guided by a sustaining Power. Please accept our deepest sympathy.

FHA GIRLS HONOR FATHERS

The '49-'50 F. H. A. Club year was closed Thursday night when the girls were hostesses at a picnic for their dads. This picnic was held in the Home Economics Department, and refreshments of sandwiches, Cokes, potato chips, and cookies were served to the Dads present and guests, Rev. J. V. Patterson and Mr. and Mrs. C. G. Graves.

Following the picnic the group went to the gym where games were conducted by Brother Patterson. The girls chose sides and three teams played a team composed of Grady Graves, Carlton Ribble, G. D. Self, Carlton Browder, Tom Geaslin and J. V. Patterson.

Hostesses for the evening were Eva Ray Geaslin, Clara Jones, Elba Caddell, Pat Owens, Opal Browder, Neva Potts, Pauline Wheeler, George Ann Ricks, Martha Athey, Laverne Shultz, Helen Ribble, Jamile Caram, Naida King, Margaret Caram, Bobbie Spears,

Myra Self, Evelyn Kajs, Wanza Spears, Joyce Hinkle, Montez Laquey, Rondyn Self, Virginia Tamplen, Barbara White, Jackie Raspberry and Betty Harper.

CROWELL HIGH MEETS COLLEGE REQUIREMENTS

Seniors who are contemplating entering college next year may be interested to know that Crowell High is a state affiliated school. This means that any graduate of CHS is eligible for entrance into any state college or university in Texas without taking an entrance examination. This entrance examination, which is very difficult, must be taken by those who wish to enter a state college or university from an un-affiliated school.

Crowell High School is affiliated in the following subjects: American History, World history, Texas history, civics, general math, algebra I and II, English, I, II, III and IV, plane geometry, general science, biology, chemistry, Spanish I and II, V. A. I, II and III, Homemaking I, II, III and commercial arithmetic, junior business training, bookkeeping, public speaking, health, education, safety education and theory.

PARKS TO LEAD BAND IN 1950-51

The election doors of the Crowell Wildcat Band were open Monday afternoon for the selection of drum major and majorettes for the year 1950-51.

Fifteen girls running for the two majorette positions paraded to the drum beat before the band members. From this group Melba Coker and Geraldine Schmittou were chosen to march in front of the forty-piece band next year as the two majorettes.

Dowal Parks was elected drum major. The majorettes and Dowal will attend school in the Wichita Mountains during the summer.

FOUR LEAF CLOVERS

Betty Lou Brock and Rouse Todd are truly four leaf clovers

of CHS since they are the fourth member of their family to graduate from CHS.

Preceding Betty were Marjorie, Mary and J. L. Brock while Guy, John and Dick Todd preceded Rouse.

FOOTBALL FIELD FLOWED, GRADED AND RE-SEEDED

Thanks go to Coach Amonett and his football boys for re-seeding the football field last week.

Coach and his boys with much hard work plowed, graded and sowed nineteen pounds of seed.

The equipment that made this work possible was furnished by Hays-McLain Farm Equipment.

The stadium is receiving two coats of paint this week. C. H. S. will be ready for football season next year!

C. H. S. STUDENTS WIN IN ESSAY CONTESTS FOR THIRD YEAR

For the third consecutive year C. H. S. students have won prizes in the Soil Conservation Essay Contest sponsored by the Fort Worth Press under the local supervision of Grady Halbert and J. B. Harlan.

The three CHS students who wrote prize winning essays in 1950 were Clara Jones, Mary Alice Rader and Virginia McKown.

Crowell students have participated in this essay contest for 3 years. Twice, members of the class of '50 have won the \$25 district first prize. This was won by Chas. Hudgens in 1948 and Clara Jones in 1949.

LAST SOUTHERN ASSEMBLY

Thursday, May 11, at 2 p. m., the elementary and high school assembled in the auditorium for the last Southern Assembly program of the year.

Suki, the world's most talented and beautiful dog, was the star performer. Trained and presented by Leon F. Smith, the noted animal trainer, Suki waddled a tight rope, crooned, impersonated Spike Jones'

band and performed various other tricks.

Mr. Smith, also director of the Chimpanzee Circus at the St. Louis Zoo, said that the chimpanzee is the most intelligent animal, but it is very difficult to travel with, and as it gets older, it is more dangerous.

Mr. Smith said, "The fox terrier is the most desirable as a pet because it sheds very little and is intelligent and friendly."

WILDCAT PURRS

Seen Sunday afternoon were Raymond Carter, Doris Jones, Myrtle Bartley and Travis Vecera.

Mary Alice and Jimmye Louis were seen frequently over the week-end.

It seems that Geraldine Schmittou really enjoys Gordon Bell's company. Need we say more, Bubba?

Seen after baccalaureate were Rondyn and Vernon, Peggy and Floyd Oliver, Bobbie Abston and Dowal Parks, Frankie and Blackie, Clara and Jackie.

Wayne Dolan, just where were you Sunday night? Don't tell us you don't know.

Dowal Parks, Bobbie Abston, Frankie Mabe and Blackie White were seen at Vernon Friday night.

Miss Turney and Raymond Hord and Maxine and Coach were seen at baccalaureate Sunday night. My, these teachers!

We wonder if anyone found the picture of the school before in the annual.

It certainly is lonesome without the seniors; not only the seniors but Rondyn and her station wagon, too.

Seen at Clara's party Saturday night were Frankie and Blackie, Bob and Martha, Maurine and F. L., Myra and Rouse, Jackie and Clara, Mary Alice and Jimmye Louis, Kildee and Melba, Jean and Jon, Bobby Jack and Marcia and Vernon and Rondyn.

Ruth McRae is still carrying the torch for Raymond Werley.

Wedding bells for James and Violet! June the 18th is the red

letter day. Good luck, kids!

Bubba is wondering why Black doesn't put gravel on roads.

Everybody is wondering Booger is going to spend his during the coming year.

Our cheer leaders for the coming year are: Myra Self, Max Youree, Carolyn Bell and Barker.

We hear Billy Joe and LaVerne have decided to call it quits. It seems we have a new angle in school—Andrew Schmittou, Mary Bergt and James Beach.

Well, well, it seems we have a new case, R. C. Sanders and George Ann Ricks.

Jean Gamble certainly does for these "Jons," doesn't she? Still going steady are Gladys and LaVerne Shultz.

The couple of the week is other than Bobbie Abston and Dowal Parks.

Miss Close makes a very good cupid, doesn't she, Bobbie? Notice; if any jobs need to be done, such as car pushing, Sanders is your man.

ACCIDENTS AT HOME

During the years between Port Harbor and VJ Day, this county lost 251,608 members of the armed forces by death, and the same period at home, accidents killed 355,000 and injured 651,911. During the same period at home, accidents killed 355,000 and injured 651,911. More than six times many civilians underwent amputations during that period as members of the armed forces. The difference is due to the fact there were twenty-five times many civilians at home as there were men in the service.

In a recent poll of editors in the country, conducted by *Pearson Magazine* on the question of "Who is America's most intelligent woman," Mary McLeod Bethune, a negro woman, founder of the National Council of Negro Women, was awarded 15th place.

Highway Department Starts Campaign on Traffic Accidents

The Texas Highway Department is pulling no punches in an all-out war on rural traffic accidents that exacted a toll of 1,395 lives, left 24,926 injured and maimed, and resulted in an estimated economic loss of \$43,710,600 during the year 1949. Taking note of this tremendous toll of human lives and property, a safety-conscious Highway Commission has decreed that every possible measure within the power of the Highway Department be applied to make Texas highways as safe as possible for all who use them. The decree of the Highway Commission was not an idle one; it was backed by an appropriation of \$500,000 for center lines, lane lines and barrier lines for no-passing zones during the year 1950 alone. This sum will be applied on some 25,000 miles on the State Highway System on which the center lane lines are marked and about 23,000 miles on which the barrier stripes for no-passing zones are marked. These lines are just one of many weapons the Highway Department is employing in the battle for traffic safety.

that when you cross it to overtake and pass another car that you should be sure the other half of the road ahead of you is clear. Failure to observe the simple but important meaning of the center line can result in a tragic end for you. Last year (1949) on rural highways there were 3,625 accidents caused by thoughtless drivers who were on the wrong side of the road, and they were not even in the act of passing another car—just driving on the wrong side of the road for no good reason whatever. These needless "on - the - wrong - side - of - the - road" accidents cost the lives of 253 people; maimed and injured 2,316 others; and caused property damage of \$7,927,400. Take a good look at that center line when you drive and think what it can mean to you.

And what happened to those who make a mistake in passing another car when the road way ahead was not clear? These mistakes cost the lives of 46 people; maimed and injured 462 others and added more thousands of dollars to the toll of property damage. It is not too hard for the average motorist to make a mistake in judgment on the distance ahead a roadway must be clear for him to overtake and pass the car ahead of him.

Take a look at the sketch showing the distance required for a car traveling 60 m. p. h. to overtake and pass a car traveling 50 m. p. h. when there is a car traveling toward him at 60 m. p. h. in the opposite lane—2,360 feet or six and one-half city blocks! If the car in the sketch had failed

to complete his overtaking and passing maneuver safely and had met the opposing car head-on at 60 m. p. h., the energy developed by the collision would be as great as though one car had been driven off the top of a 21 story building. Head-on collisions are deadly!

Respect that center line and stay on your side of the road; cross that single center line to pass another car only when you are sure that the roadway is clear far enough ahead for you to do so safely, but don't ever cross that double center line unless directed to do so by an officer.

and Mrs. Henry Bice. Mr. and Mrs. R. G. Whitten spent from Thursday until Sunday with their daughter and family, Mr. and Mrs. Arlie Cato, of Fort Worth. They also visited in Dallas.

Mr. and Mrs. Bob Miller and Mr. and Mrs. Charley Machac spent Sunday afternoon with Mr. and Mrs. Charley Machac Sr. of Crowell.

WOMACK FURNITURE STORE

Just because a man has his price does not mean that he is worth it.

If you can't appreciate a half holiday or an evening at home, it is a sign you are not working hard enough.

The race is on between the U. S. War Department and the traitors in this country. The War Department is working on new secret weapons and the traitors within our borders are working overtime to tip off Russia as to the progress we are making.

I am not surprised, a local man says, when those who have information about a gangster killer hesitate to tell it to the police. The police in most cities seem more concerned about giving such details to the city papers than they do about catching the criminal. Not many men are willing to take the chance of being a marked man by giving confidential information only to see it spread all over the front page of the local newspaper that evening. Why can't the police keep such things a secret?

A budget has been defined as a system by which one does his worrying before he spends his money instead of after.

Some forty-three American boys and girls will spend the summer on the farms of the different countries of Europe. The same number of European young folks will come to the United States and study our farming methods. The Agriculture Department will have charge of them.

A lot of persons who are very critical of the government because it is spending more than it is taking in are doing the same thing, and instead of doing something about it complain that they don't have enough income to get the job done and will have to have more money. It has a very familiar ring.

Noting that the Chrysler strike which ended last week after 99 days, the editor of one of our exchanges says that the pay must not be nearly so bad as is represented to be if 80,000 workers can lay off for 90 days over a petty detail in the working agreement.

What We Think (By Frank Dixon)

The other evening former President Hoover delivered an address before the members of the Bureau of Advertising of the American Newspaper Publishers Association in New York.

Mr. Hoover proposed that the present United Nations organization be scrapped and that a new organization be formed with the Communist countries excluded.

The former President said the need is great for a dynamic "New United Front" against the "creeping Red imperialism." This country, Mr. Hoover contended is becoming "more and more isolated as the sole contender in this cold war, and is steadily losing ground" to Russia and her allies. "The United States," he said, "needs to know who are with us and whom we can depend on." If it is impractical, Hoover said, that the United Nations be organized without the Communist nations in it, then a definite new United front should be organized of those people who disavow Communism, who stand for morals and religion and who love freedom. "Such a phalanx of free nations," Hoover said, "could come far nearer to making a workable relation with the other half of two worlds that the United States can ever do alone. By collective action we could much more effectively keep the Communists' conspiring agents and bribers out of our borders and out of our laboratories."

Mr. Hoover made it clear that the United alliance he proposes is nothing like a military pact or alliance. "It is," he said, "a proposal based solely on moral, spiritual and defense foundations. It is a proposal to redeem the United Nations to the high purpose for which it was created."

"It may be," Mr. Hoover said, "that the non-Communist world is not willing to take such a vital

In The News... 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, May 21, 1920:

Foard County will not have such a big wheat crop as it had last year, but there will be a pretty good crop. The crop last year was a record breaker. The Crowell baseball team defeated the Truscott team on the local grounds Tuesday afternoon by a score of 6 to 2.

H. E. Ferguson this week purchased the modern home of E. P. Bomar in the northeast part of town. Mr. Bomar has bought a ranch near Alpine.

Cary Alger is here from Vernon visiting his sister, Mrs. J. A. Stovall.

Roy Bratcher has sold his interest in the White Rose Cafe to Frank Crews Jr.

Mrs. John Long left Monday for her home in Covington, Texas. A musical program will be given at the school auditorium May 27 by Mildred McLaughlin and Bess Thompson, assisted by Inez Reavis.

Mrs. J. H. Hamblen returned Tuesday afternoon from a visit with relatives at Hamlin.

John Roberts was here last Thursday from Quanah where he is now making his home.

The office of building of Herring-Showers Lumber Co. will soon be completed.

Mr. and Mrs. T. F. Hill are having a lot of improvements made on their home and when it is completed will make it one of the most modern and up-to-date homes in town.

"The Melting Pot," high school annual has been completed and turned over to the editor, Clarence Benham, and Milburn Hart, business manager, and, although the job was a big one, these boys and all who were connected with the project feel amply repaid for the hard work necessary for its completion. This is the first high school annual for the Crowell High School.

stand. At least it would clarify what we have to do. The test I propose is the logical and practical method of total diplomacy. It would make diplomacy dynamic and lessen the dangers of the American people."

The reception of Mr. Hoover's remarks was spontaneous and enthusiastic, by the newspaper men. Several outbursts of cheering lasted a full minute each. When it is known that Mr. Hoover is not a stirring orator, but a very plain-spoken man of mature years, it must be concluded that the group was impressed by the logic of his remarks.

The following morning the press contained expressions of opinion of well-known figures in the political life of this country. As might be expected opinion was divided. Some favored the Hoover plan and some believed that the present arrangement should be continued as it provided the only contact of the democratic and non-Communist nations with Russia.

The reason, perhaps, that more did not express the belief that the present arrangement is getting us nowhere is the reluctance on the part of many to admit of the failure of a plan upon which such hopes have been built.

There is, notwithstanding, the absence of general favorable comment regarding the Hoover suggestion, a feeling that the United Nations, because of the unfriendly and non-cooperative attitude of Russia, that the program is not going to accomplish any useful purpose and it is quietly predicted that the time will soon come when the idea is abandoned altogether or it is reorganized with non-Communist members only, and with Russia excluded.

Governor Shivers to Speak at Tulia on Friday, May 19

Gov. Allan Shivers will recognize soil conservation work in Foard County when he speaks at a banquet in Tulia May 19 honoring soil conservation in 51 Panhandle counties.

Several people from Foard County have been invited to attend the banquet.

The Texas governor had two soil conservation appearances scheduled in Texas this week. The first was May 16 in Houston. Tulia is the other special appearance the governor plans in observance of Soil Conservation Week.

Johnny Linn, Uncle Jay of Radio Station KGNC in Amarillo, will be master of ceremonies at the dinner. Mr. Linn was recognized May 1 in Fort Worth at the state soil conservation awards program as farm editor of KGNC which won the state award for outstanding work in soil conservation.

The West Texas State College Band from Canyon will salute the governor when he arrives and then will appear at the banquet. Members of the band will present a variety program during the dinner.

While in Tulia, Governor Shivers will address the graduating class of Tulia High School.

Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

Austin, Texas — State Health Officer Geo. W. Cox believes chronic diseases represent the biggest problem facing health officials today.

Recent statistics compiled by the Bureau of Vital Statistics, Texas State Department of Health, show:

1. One-third of all deaths among 15-29 year olds are due to chronic diseases, with tuberculosis being the leader.

2. "Well over half" the mortality in the 30-40 age group is due to chronic disease, with heart trouble, cancer and tuberculosis being the leaders.

3. "Almost 8 out of 10" deaths in the 45-59 bracket are caused by this disease classification, with the proportion rising to 85 per cent for those 60 to 74 years old.

4. For those 75 and over chronic diseases cause 82 per cent of the total mortality. The slight decrease in percentage over age 75 is because of the high susceptibility to accidents, pneumonia, and influenza among the aged.

"When chronic disease is mentioned, all too many people think of the problem as being confined to the middle-aged or older," the health chief said, adding that such an idea was not consistent with the facts.

The term chronic, Dr. Cox ex-

plained, means the opposite of acute. When applied to a disease, chronic means of long duration. That would mean cancer of tuberculosis is chronic, while smallpox or poliomyelitis is acute. "The significant thing," Dr. Cox indicated, "is that the chronic disease classification cause one-third of all deaths among young people in the 15-29 age bracket." "Obviously, that makes the teen ages the first age at which the diseases assume a major mortality role."

ROTARY CLUB

Quanah Rotarians who met at the Crowell Rotary Club at Wednesday noon meeting at DeLuxe Cafe were Harold Ziegler, Jack Cromartie and W. D. France.

With Fred Youree as program chairman, Rev. Aubrey C. Harp gave an interesting talk on the duties of a chaplain in the Army, Navy and Air Force.

Mrs. H. E. Thomson and son, Karl Wayne, spent last week in the Arbuckle Mountains near Davis, Okla. Mrs. Thomson was in attendance at a Retreat which is held there. She is conference promotion secretary of the Northwest Texas Methodist Conference. Karl Wayne returned Tuesday but Mrs. Thomson remained until Friday.

Baccalaureate Held at Methodist Church Sunday Evening

Baccalaureate services for the Senior Class of 1950 were held at the Methodist Church on Sunday evening, May 14. The auditorium of the church was lavishly decorated with roses, white flowers and greenery.

Mrs. Allen Sanders and Mrs. Paul Shirley played a piano and organ procession after which Rev. Aubrey C. Haynes, pastor of the Methodist Church, offered the invocation. The choir songs were directed by Sam Mills and accompanied by Mrs. Shirley and Mrs. Sanders.

Rev. N. B. Moon, pastor of the First Baptist Church, read the scripture and was followed by a trio of high school girls, Patsy Carroll, Charlica Ketchersid and Peggy Weaver, who sang a beautiful number, with Bobbie Abston playing piano accompaniment.

Rev. Moon rendered the sermon of timely thoughts and advice to the young people just reaching the commencement of their life work. J. Fred Bayless, minister of the First Christian Church, pronounced the benediction. A large crowd of interested parents and friends attended the service.

Mrs. Williamson, who teaches in the Teachers' College at Flagstaff, was granted a leave of absence for that year when she received a master's degree. She will commence her studies in June in Boulder toward a Ph.D. degree.

CARD OF THANKS

I wish to express my heart-felt thanks for the thoughtfulness of friends while I was ill recently. The cards, the flowers, the magazines and the books sent were very much appreciated and helpful.

T. V. Rascoe.

CARD OF THANKS

We wish to express our sincere appreciation to the many friends who remembered us so kindly during the recent illness of each of us. For the flowers, the cards, the cheerful visits and the fine foods sent us by neighbors and friends, we say a grateful "Thanks" and "God bless you."

Mr. and Mrs. S. S. Bell

CARD OF THANKS

We thank our friends and all those who ministered to us in so many important ways at the sudden illness of our baby last Monday, May 8. To the nurse on duty in the hospital, to Dr. Barnebee, to Clinton McLain, to Charlica Ketchersid and to Mrs. Bert Hanks who kindly loaned the necessary things for the trip to Wichita Falls, we would like to say a special "Thank you." All the ministrations were deeply appreciated and everything done helped to get the baby to the specialist in time to save his life.

Mr. and Mrs. J. B. Williams
Mr. and Mrs. D. H. Heath.

Nature has given to men one tongue but two ears, that we may hear twice as much as we speak.—Epictetus.

CARD OF THANKS

We take this means of trying to express our thanks to those who ministered to us so kindly in our recent bereavement. The flowers, the food sent in and all expressions of sympathy are deeply appreciated and we would say "thank you" to each and every one.

The Relatives of Troy Erwin.

APPRECIATION EXPRESSED

Mrs. A. G. Magee, chairman of the Foard County Cancer Crusade, announces that she is deeply gratified with the response of the Foard County people during the campaign now in progress. Mrs. Joe Eddy of Thalia has been appointed chairman for her community and Ted Stafford of the Lions Club and Clinton McLain of the Rotary Club are also giving splendid cooperation.

Several Foard County residents have made volunteer donations, thus eliminating solicitation of these people and the committee members are very grateful for this gesture.

stitutional grants to 38 hospitals, medical schools, research institutes and industrial laboratories.

"Cancer education has begun to pay dividends, too. After every drive physicians report an increase in the number of patients with symptoms that may mean cancer. Statistics show that in one state three times the proportion of cancer patients are reporting for early treatment.

"During the 1950 Cancer Crusade," the chairman said, "added emphasis is being placed on educational effort." The Foard County committee, composed of Mrs. Magee, Mrs. R. L. Hunt and Mrs. J. L. Farrar, also urge you to have frequent medical examinations as a safeguard against cancer and to learn the danger signals—symptoms that might mean cancer.

Mr. and Mrs. Jim Christian spent last weekend in Wichita Falls with their son, Clark Christian, who underwent another operation on his leg Friday of last week. Mr. Christian returned home Sunday but Mrs. Christian remained until Thursday afternoon. Clark was brought to a Vernon hospital and is reported to be doing satisfactorily. It is hoped that he will be able to return home at an early date.

Foard County Cancer Drive Continues Through Month of May

"Continued progress in Texas cancer control work is dependent on success of the 1950 Cancer Crusade which opened here recently," Mrs. A. G. Magee, American Cancer campaign chairman, declared here today.

The Foard County unit is seeking at least \$500 as its share of the \$500,000 state goal.

"This is the smallest amount needed to carry on the work of research, education and service to the cancer patient," Mrs. Magee said. "The attack on cancer has made definite progress in the past five years."

She said that progress had been made in three directions: (1) the building of a nation-wide organization for cancer control; (2) the greatest peacetime research effort in history; (3) the expansion of a program to alert people to cancer while it is still curable.

"Besides the American Cancer Society unit here," said Mrs. Magee, "the Society has active local units in more than two-thirds of Texas' 254 counties. To be most effective we must try to reach all the people."

The Crusade chairman said the public has given the ACS a vote of confidence on its research program. "According to a survey made for the Society," she said, "It was shown that seven out of ten Americans feel that definite progress is being made in cancer research."

"To look at the record, we see that \$13,153,560 has been spent on research nationally by ACS during the past five years. This money financed 102 fellowships to train researchers; 244 grants-in-aid to 91 universities, hospitals and laboratories in 31 states; 80 in-

Mr. and Mrs. Fred Hagaman visited Mrs. J. E. Stover Sunday.

R. D. Oswalt Enters Race for District Judge

The News has been authorized to announce the candidacy of R. D. Oswalt of Vernon for the office of District Judge of the 46th Judicial District of Texas, subject to action of the Democratic primary in July. Mr. Oswalt is a former resident of Crowell and is well known in this district. He has released the following statement relative to his candidacy:

"After long and serious consideration, I have concluded to ask you, the voters of this district, for your support of my candidacy for the office of District Judge and I take this opportunity to solicit your support. I do not feel that I am a stranger to many of you, but to those that I have not had the pleasure of knowing well, I wish to say in behalf of my candidacy that I have resided in this district continuously since January, 1906. I have practiced law actively and extensively in this district for the past thirty-three years, and I have served as County Attorney in each of the three counties, comprising this district.

"I believe that the knowledge I have acquired, and my experience as a practicing lawyer, and my experience and observation of the mechanism and workings of the courts under our Judicial System should be considered to some extent in support of my candidacy for this most important office.

"I have carefully and seriously considered the tremendous responsibility which I have accepted, and I am confident that I am qualified to serve in this capacity, and I am conscious of the many demands that may be made on the one occupying such office.

"Should I be fortunate enough to be elected to this important office, I make one promise, and that is that I will endeavor to conduct the affairs pertaining to such office on a high plane and in a dignified manner, and to see that every litigant's rights are protected in accordance with the law and the facts pertaining to each individual case. Upon this promise I solicit your support.

"I also realize that the time is short between now and the Democratic Primary, and it is my intention to see each of you, but should conditions and circumstances be such that I fail to contact you personally, I trust that you will accept this as a personal solicitation of your vote and influence."

RECORD HOUSE BUILDING
An all-time record in house building is expected for this year, according to the federal Bureau of Labor statistics. The pace was set in March when construction was begun on 110,000 new homes, the highest total for any one month yet recorded. The association predicts that if the present pace continues as it is expected to do, more than a million new homes will be built in 1950. For the first quarter of this year 270,000 new homes have been begun. That is 59 per cent more than were begun in the first quarter of 1949.

RAMSEY ANNOUNCES FOR LT. GOVERNOR

Ben Ramsey of San Augustine, backed by a long record of outstanding service in both the Texas House and Senate, has announced for Lieutenant Governor.

Ramsey resigned as secretary of state Feb. 9 to prepare for the state race, convinced that the thinking people of Texas must take a more active interest in the actual operation of their state government.

Ramsey has been a leader in advancing rural electrification in the state and in the farm-to-market road program.

(Pol. Adv.—Paid for by friends of Ben Ramsey)

Tea Features 40th Birthday Party of Columbian Club

It was May 3rd when Mrs. R. L. Kincaid and Mrs. J. B. Fairchild were joint hostesses to the Columbian Club at the home of Mrs. Kincaid with a Federation Day tea. It was also the 40th anniversary of the founding of the Columbian Club.

Mrs. M. O'Connell was leader for the afternoon and for roll call, she asked each member to tell "Why I am a Columbian." She then introduced Marcia Kincaid who played two beautiful piano numbers, "Rustle of Spring" and "Dream of Love."

Mrs. M. N. Kenner gave a report of her one day's attendance at the district club convention in Memphis. She chaperoned a group of junior club members on their visit to this meeting.

Since the day was approximately the anniversary of the organization of the Columbian Club, Mrs.

N. J. Roberts read a short history of the club. She mentioned numerous incidents of the ups and downs of its forty-year existence.

Carrying out the birthday theme, a beautiful tea table was arranged with the birthday cake, decorated in club colors, yellow and white, with the lettering, "1910-1950." Mrs. T. L. Hughston, a charter member, blew out the candles and Mrs. Sam Crews, another charter member, cut the cake.

Mrs. N. J. Roberts presided at the punch bowl and plates were served with cake, frosted punch, sandwiches and dainty mints.

At this meeting, the president appointed committees to serve at the Mothers' Day program which was held on May 10.

Mothers' Day Is Observed by Guest Book Review May 17

Of all the special days observed by the Columbian Club, Mothers' Day is outstanding. For approxi-

Car and Truck Collision Injures Charles Nelson

Charles Nelson received painful injuries Monday night when the car he was driving collided with a Miller & Miller freight truck at the crossing at Main and Commerce. The truck was going east and the rear wheels of the truck were struck by Nelson's car which was going north.

Nelson was treated for injuries at the Foard County Hospital before being taken to the home of his parents, Mr. and Mrs. H. D. Nelson.

SAFEGUARD FOR MILK

Pasteurization is the most important single protective measure that can be taken against disease germs in milk. Without pasteurization, there is danger of such milk-borne diseases as undulant fever, typhoid fever, scarlet fever, and septic sore throat. Over one-half of the milk consumed by persons living in communities under 10,000 population was not pasteurized, but was raw milk.

Scientists estimate that the earth is about two billion years old.

mately forty years this club has entertained with a program for mothers on Wednesday afternoon preceding the second Sunday in May. This year was no exception.

In spite of threatening weather, about sixty ladies were present at the Christian Church where a program arranged by Mrs. Grady Halbert was presented. Mrs. Halbert gave a beautiful devotional which she concluded with a poem on "Mother," used as pianoogue with Miss Betty Guthrie accompanying with "The Rosary."

Mrs. Beard of Vernon was presented. She provided the highlight of the afternoon's program with a book review, "Mary, the Mother of Jesus," by Sholem Asch. Another feature of the program was a piano solo, "Little Mother," by Miss Guthrie.

Corsages were presented to the oldest and the youngest mother present, these being Mrs. B. F. Ringgold and Mrs. John Borchardt. Aside from the customary flowers a beautiful arrangement was provided by Mrs. Bob Beck of Lubbock, in memory of her mother, Mrs. Ora Thurston. Mrs. Thurston was a charter member of the club.

Girls from the Junior Columbian Club served refreshments of iced drinks which were cleverly packed

Acheson's New Aide

WHO'S NEXT TO FIELD-PROVE THE FINEST McCORMICK W-9 TRACTOR EVER BUILT?

Yes... better than ever... the tractors already famous for top lugging ability—amazing fuel economy—year-after-year service. BOTH the gasoline-operated W-9 and WD-9 Diesels are improved 21 ways—improved from radiator to drawbar. What's more, the power of the WD-9 Diesel has been increased. Now these tractors are more efficient, easier to handle, and they cut your farming costs more than ever. But don't take our word for it. Ask us for a free demonstration. Prove it yourself—on your farm. Convenient terms with the Income Purchase Plan.

PIANO RECITAL

The music pupils of Mrs. Sam Crews were presented by her in a recital given in the High School auditorium Monday evening, May 15.

The following program was rendered: Brahms' Lullaby, The Rosary and Plantation Serenade were played by Betty Fern Dunn; The Fairy Wedding and Belfrey Bats by Karen Davis; The Poet and the Peasant Overture by Sharon Chatfield.

Frances Kincaid played Charmante and The Wayside Chapel; Robert Kincaid played the Second and Third Movements of the William Tell Overture; Janis Crowell played Il Trovatore Overture.

The last two numbers were played by Marcia Kincaid, who rendered The Rustle of Spring and A Dream of Love and by Betty Guthrie who gave a rendition of Claire de Lune and of Hungarian Rhapsody No. 2.

The pupils played with strong technique and ability. The memory work was also outstanding.

REBEKAH LODGE

Crowell Rebekah Lodge met for regular meeting Friday, May 12, with Juanita Garrett, Noble Grand, in charge. There were 31 members present.

Lodge opened in regular form with officers' drill, flag ceremony, the pledge of allegiance and the singing of "America the Beautiful." One candidate was elected to membership and initiation will be held next regular meeting on May 26, with local degree staff conferring the degree.

Plans were made to have a joint memorial service with the Odd Fellows on June 16.

During the business session it was voted that the local lodge continue to meet twice a month as in the past, and that the present officers serve twelve months, which is a new ruling passed at the last regular session of the Rebekah Assembly.

The meeting was concluded with the customary routine. Lodge closed with prayer by the Chaplain.

Attends Hospital Ass'n. Meeting in Wichita Falls Thurs.

Miss Martha Rettig, superintendent of the Foard County Hospital, was in Wichita Falls last Thursday to attend a meeting of the Texas State Hospital Association.

"Area hospital councils are invaluable in disseminating information, aiding both the hospitals and the communities they serve," executive secretary of the Texas State Hospital Association, said in opening the meeting in Wichita Falls Thursday.

Mrs. Ruth Barnhart, speaking to some 30 members of the new Wichita Falls council which represents 13 counties in this area, said the councils also bring closer relations between the hospitals and the state association. The group met at Wichita General Hospital.
