## Conference Football Game Will Played Here Tomorrow Night Between Holliday Eagles and Wildcats

Crowell High School football plays its first conference game here tomorrow night (Friday) when the Holliday Eagles will meet the Wildcats of Crowell. The Wildcats will be trying to avenge their defeat last Friday night when they were defeated by a 7 to 0 score. The Wildcats will be playing in this contest, but they are not taking anything for granted in this important game. They dropped their only contest this far this season when they came back to almost a district championship. The coaches plan on starting a line-up in this contest which is so good against the

**Photograph of the Late Judge C. Y. Welch Hung in District Court Room**

Welch rendered the 46th Judicial District, composed of Foard, Hardeman and Wilbarger Counties, as District Judge. Photographs of Judge Welch have also been placed in the district court rooms of Hardeman and Wilbarger Counties by the attorneys of those two cities.

## Large Group Here District 3 Farm Bureau Meeting

Fact that farmers as a group are beginning to speak for themselves is the main theme of an address given at the district court room of the Southern Region, Texas Farm Bureau Federation, at a group attending the district 3 meeting of the Texas Farm Bureau Federation held September 11 in the District court room of Crowell.

Arnold, whose home is in Crowell, has been active in the farm movement in Texas for the last decade, and a great deal of credit is due him for the success of this popular farm organization. "The time has now come," said Mr. Arnold, "for our farmers to present their views and desires to the legislatures of the State and National governments, for upon this depends the future well-being of the farming business."

Plantings of winter legumes will be resumed this week by several cooperators. Those planting this week will be Leslie Thomas, Thomas Hughton, Robert Long, Grady Halbert and Chester Graham. Others will be sown if land becomes dry enough to seed.

Terraces were run last week on Henry Johnson's farm in Margaret group. Terraces will be run this week on Mr. Johnson's other farms. Alfalfa seedlings made two weeks ago are up to good stands with still lots of acres to be seeded. If you haven't planned to plant a soil improving crop this fall, think it over. Legumes today will mean profits tomorrow.

**AT BAPTIST CHURCH**  
Rev. Barnard Franklin of Sherman will fill the pulpit at the First Baptist Church Sunday morning and evening, it was announced Tuesday by church officials.

Rev. Franklin preached at the church last Sunday and was invited to return and preach next Sunday.

## Two New Members Appointed to Local Draft Board

James F. Gregory and Robert P. Webb, both of Vernon, have recently been appointed by the President of the United States as members of the local Board of Selective Service. Mr. Gregory was elected chairman of the board due to the vacancy made when Dr. Joe Snipman resigned.

The membership of the local board at present is as follows: chairman, James F. Gregory of Vernon; co-chairman, Walter M. Barbee of Quanah, secretary, Robert P. Webb of Vernon and J. A. Stovall of Crowell. The regular meeting of the board has been changed to 10 a. m. on the third Tuesday of each month. The next official meeting is slated for Oct. 17, 1950. Office hours are 8 to 12 and 1 to 5, Monday through Friday each week. The next induction call is for Oct. 5 for 14 registrants.

The local board No. 131 is composed of Foard, Hardeman and Wilbarger Counties and the office is located at 1819-27 Marshall St., Staley Building, Vernon, Tex. List of registrants called to report on Sept. 21, 1950, for induction into military service follows: W. Mitchell Jr., Bobby Bennett, Irbylee Shultz, Clarence Norice, Kenneth Greening, Keith McDaniel, Cecil Fowler, William Dawson, Clinton Davis, Don Gary, Nathan Adams, Joe Castleberry, Harold Zoch and Calvin May.

## 4th Annual Blevins Reunion Held Sunday in Wichita Falls

The fourth annual reunion of the Blevins clan, many of whom are well known in this section, was held in the Wichita Valley Community House Sunday, Sept. 17. The morning was spent in greeting relatives and a basket lunch was spread at the noon hour. Herman Blevins gave the invocation. Charlie Blevins acted as master of ceremonies and announced that the reunion would be held at this place every year on the third Sunday in September.

Singing was the feature of the afternoon program and was directed by Charlie Blevins and William Blevins with Mrs. Leon Pierrot as pianist. Several quartets were rendered by Charlie Blevins and his daughters, Mrs. Rudell Porter and Flora Belle Pennington, and William Blevins. Other quartet numbers were sung by John Blevins, Mrs. Clyde Blevins and Charlie and William Blevins.

Those present were Mr. and Mrs. John Blevins and Mr. and Mrs. Clyde Blevins of Grapevine, Mr. and Mrs. John Killian and son of Holliday, Mr. and Mrs. H. A. Blevins of Chillicothe, Mr. and Mrs. R. H. Blevins of Margaret, Mr. and Mrs. L. M. Carter and daughters of Dallas, Mr. and Mrs. Fort Worth, Mr. and Mrs. Lee Blevins and daughter of Vernon, Mr. and Mrs. W. T. Blevins of Truscott, Mr. and Mrs. Clois Orr and daughter of Margaret, Mr. and Mrs. M. B. Stephenson and daughters and son of Fort Worth, Mr. and Mrs. Robert Hudgens and children of Margaret, Mr. and Mrs. L. R. Presley of Henrietta, Mr. and Mrs. Carl Ingle and children of Quanah.

Mr. and Mrs. Thad Hopkins and children of Foard City, Mr. and Mrs. J. D. Thompson and Mr. and Mrs. Joe Woolfolk of Vernon, Mrs. Gaines Blevins and Mrs. Leon Pierrot and son of Lorenzo, Mrs. Rudell Porter and daughters of Thalia, Mrs. Janelle Ingle of Quanah, Mr. and Mrs. Emory White of Fort Worth, Mr. and Mrs. Claude Orr of Crowell, Mr. and Mrs. Jim Blevins of Keller, Mr. and Mrs. Joe Orr and Miss Audra Orr of Margaret, Mrs. W. S. Bourland of Wichita Falls, Mr. and Mrs. Richard Blevins of Keller, Mr. and Mrs. David Thompson of Vernon, Arnold Killian of Wichita Falls, Mr. and Mrs. Charlie Blevins of Fort Worth, Mr. and Mrs. D. T. Teague of Anton, Mrs. Flora Belle Pennington and daughter of Thalia and Mrs. Sally Killian of Newport.

Mrs. Killian was presented a gift by the master of ceremonies for being the oldest person present. She is 84 and despite her advanced years she is very active and enjoys life each day.

## T. S. Jernigan Home Burglarized

T. S. Jernigan's home was burglarized some time during the week end and a black folder, containing important papers such as insurance and burial policies and receipts, was taken from the building. The folder contained no money or anything that would be of value to anyone but Mr. Jernigan and no doubt was thrown away. He requests that anybody who finds it to please return it to him.

A large elephant will consume 800 pounds of hay and fodder in twenty-four hours.

## Crowell Wildcats Upset Paducah Dragons, 34 to 0

The entire Crowell High School football team looked good in its surprise attack on the Paducah Dragons here last Friday night that gave the Wildcats a 34 to 0 victory. The Paducah team lived up to pre-game publicity during the first half and held the Crowell boys to a 7 to 0 score. In fact, the Dragons were camped on the Crowell 3-yard line at half time and tried to go. It looked like the Crowell boys were in much better physical shape than the Paducah players were as the last quarter scoring indicates. Several of Paducah's best players were unable to participate during this quarter. The Wildcats scored four touchdowns in the last ten minutes of the game.

Touchdowns were registered by Hack Norman, fullback; Buster Laquey, right halfback; Jim Tom Cates, substitute left halfback, and two by Jon Sanders, left halfback. Extra points were converted by a pass from Don Gobin to Sanders, a pass from Sanders to Fred Barker and two kicks by Sanders. The blocking by Crowell's line was again the main factor in Crowell's scoring. Jimmy (Booger) Rasberry looked exceptionally good in shifting from end position to fill Charles Pittillo's guard spot. Pittillo and Ginger Johnson missed this game due to illness. Crowell's passers, Don Gobin and Jon Sanders, completed nine out of sixteen passes attempted. Paducah completed 3 out of 9 passes tried. Crowell made fifteen first downs to the Dragon's eight, ran 205 yards to Paducah's 110, and gained 122 yards in the air to the opposition's 48.

Crowell's first touchdown was made on a 13-yard run through the line by Jon Sanders. It was set up by passes from Don Gobin to Hack Norman, Gobin to Buster Laquey, and Gobin to Jim Paul Norman. The extra point was made by a pass from Gobin to Sanders.

The Dragons threatened to score only one time during the last half when they drove down to Crowell's twenty-yard line. Robert Brock, Crowell right end, broke through to down Paducah's passer for a ten-yard loss and break up the Dragon drive.

Crowell's scoring in the last quarter was started by Buster Laquey's twenty yard run through the line that resulted into a touchdown. This score was set up by nice runs by Laquey, Sanders and Hack Norman. The third touchdown was made by Hack Norman through the line for two yards. It was also set up by Hack Norman on an eighteen yard jaunt. The conversion was good on a kick by Sanders. The fourth touchdown was registered by a pass from Gobin to Sanders that was good for thirty-five yards. Sanders again kicked the extra point.

Crowell's last touchdown was made on a pass from Sanders to Jim Tom Cates that was good for fifteen yards. This score was set up by passes from Gobin to Raymond Halenack and from Sanders to Brock. The extra point was registered by a pass from Sanders to Fred Barker to make the final score 34 to 0.

Crowell's entire line composed of Brock and Jim Norman, ends; Gordon Wood Bell and James Pittillo, tackles; Rasberry and Leon Pechacek, guards; and Harold Ribble, center, played excellent football throughout the game. Pat Green, fullback; Joe Clark, quarterback; and H. A. Lee, right end, looked the best for Paducah in this contest.

The Wildcats will play the Holliday Eagles here Friday night in their first conference game. The Crowell boys will be trying to avenge the 27 to 0 defeat they suffered at Holliday last year.

## Death Claims Miss Ida Richardson 12:55 Wednesday

Miss Ida Richardson, sister of Dr. Hines Clark, died Wednesday in the Foard County Hospital after an illness of two days. Funeral services will be held on Thursday afternoon (today) at 4:30 p. m. at the Methodist Church. Rev. Aubrey C. Haynes, pastor of the church, will conduct the services.

Survivors include one brother, Jim Richardson of Spurger, and two half-brothers, Dr. Hines Clark and Chas. Clark of Port Lavaca, also a number of nephews and nieces.

## METHODIST MEN TO MEET

The Methodist Men's organization will meet at the church in a regular meeting tonight at 7:30 o'clock. A splendid program has been prepared and it is desired that a large group of men attend.

## Q. V. Winningham Dies in a Morton Hospital Sept. 13

Q. V. Winningham of Petersburg, formerly of Crowell, passed away in a hospital in Morton on Wednesday, Sept. 13, according to information received this week. Funeral services were held on Friday, Sept. 15, and burial was made in Morton.

Mr. Winningham owned and operated a machine shop while residing in Crowell. He and his family moved from Crowell about eight years ago. He is survived by his wife and two daughters, Mrs. Dan O'Connor of Canyon and Jane Winningham of Petersburg. Two grandsons also survive.

## Rain Recorded in Crowell During 1950 Totals 20.17 Inches

The 1950 precipitation recorded by the Government gauge at the Crowell State Bank amounts to 20.17 inches, up to Saturday, Sept. 16. Moisture which fell in the county during the year has been much heavier in most every part of the county with the exception of a two or three mile strip between Crowell and Margaret.

According to the gauge at the local bank, rain recorded during the year up until Saturday is as follows: January, .98; February, .70; March, 0; April, 1.56; May, 5.24; June, 3.09; July, 3.95; August, 2.35; September, 2.3.

## Inoculate-Fertilize Winter Legumes

Legumes are fine soil building crops if they are properly inoculated and fertilized. Most fields should be planted to a legume crop at least once every three years, to improve the soil fertility and to make crop production more profitable.

For legumes to be effective in building up soil fertility, it is necessary that the seed be inoculated with the right kind of inoculant, says Joe Burkett, County Agent. The label on the inoculant container indicates the kinds of legume seed on which the inoculant may be used. The inoculation provides bacteria which live in the nodules on the leguminous plant roots and makes possible their utilization of nitrogen from the air.

Burkett says that inoculated legumes may well be called nitrogen factories. Other crops such as cotton, corn and grain sorghums cannot utilize nitrogen from the air. They have to get it from the soil and, therefore, are soil depleting crops. To make sure that the plants will have plenty of nodules, many farmers now use a double dose of the inoculant.

The other important step in growing legumes, Burkett emphasizes, is fertilizing properly. The application of 200 pounds of 20 per cent superphosphate per acre on the better soils of this area and the same amount of 0-14-7 on old sandy crop land is recommended.

## RECEIVES DEGREE

Mrs. Richard Stripling, who was Miss Betty Seale before her recent marriage, received a Bachelor of Business Administration degree in the summer graduating exercises at Texas Tech in Lubbock on Aug. 23. Mrs. Stripling majored in commercial teaching.

She formerly attended Baylor University in Waco and in Baylor University of Texas in Austin. In Baylor she was a member of the Peer sorority, in the University, she was elected to membership in Alpha Chi Omega and at Tech she was a Phi Gamma Nu, an honorary business women's sorority. Her parents, Mr. and Mrs. Jack Seale, were present for the graduation.

## GRAND JURY REPORT

The State of Texas, County of Foard, in District Court, September term, to Hon. Jesse Owens, judge of said district: Comes now the grand jury for the above term of said court and makes its report and says: That we have investigated all criminal matters coming to our attention and return herewith six true bills and two no-bills, and, having finished our labors, beg to be discharged for the term.

A. Y. Beverly, Foreman.

## Foard County People Gave An Excellent Response to the Three-Day Free Chest X-Ray Survey Held Here Last Week

Approximately one-third of Foard County's population received free chest x-rays during a three-day survey here last week. A total of 1,265 chests were x-rayed by a unit of the Tuberculosis Division of the State Department of Health, according to an announcement made by Ted Stafford, general chairman of the Foard County survey.

Only people 15 years of age or older were x-rayed. The unit was located in the office of the Foard County Chamber of Commerce. Clerical and hostess duties were handled by the Crowell Business and Professional Women's Club and other civic groups. The survey was one of the B&PW's projects for the year. The clerical committee chairman was Miss Maymie Lee Collins. She was assisted by Miss Gusta Davis, Mrs. Louise Fisch, Mrs. Viola Biggerstaff, Mrs. Aly-

## Crowell High School Band Performs Brilliantly at the Crowell-Paducah Football Game Here Last Friday Night

One of the outstanding features of Friday night's football game was the appearance of the Crowell Wildcat Band. All during the game, the performance of the band added enthusiasm and pep to a game which in itself made a record, and at the half, made an excellent showing, both in appearance and exhibition of ability.

Its marching, playing, and every part of its performance made every citizen of Crowell and Foard County proud of the band. The Pep Squad, with equal enthusiasm, added zest to the occasion.

The additional members to last year's band with their new suits and the new majorette uniforms made an appearance which thrilled everyone present. Miss Mary Close, band instructor, deserves special praise for the work she has done since coming to Crowell to direct the Wildcat Band.

The Band Mothers' Club also deserves some words of encouragement and praise. They and the band members wish to express their thanks and appreciation for the support given them in their projects since becoming an organization. The sale of Wildcat emblems for automobiles has been quite a success. They have also received a check for \$25.00 from Edwards Dry Goods Co. of which they are most appreciative. Numerous other things have been done to further the interests of the band and they plan to continue to do so.

The band is a county-wide project and everybody in Foard County has a deep interest in its progress. If anyone wishes to make a donation of any kind, it will be welcomed and appreciated. A memorial might be made to the honor of some loved one, a living monument which can be used for the on-going of a creditable project.

Announcer Marion Crowell cheered the band members' appearance with his remarks over the loud speaker Friday night.

## Two Cases Tried in District Court Monday Morning

Two cases, one for rape and one for theft, were tried in District Court Monday morning before Jesse Owens, District Judge. In the rape case, the defendant pleaded guilty and was sentenced to 15 years in the penitentiary.

In the theft case, the defendant pleaded guilty, waived jury and was given a two-year sentence. In the Negro murder case, Judge Owens appointed Leslie King of Vernon and Rex Sullivan Jr. of Quanah as attorneys to represent the defendant. They called for a special venire and Judge Owens set the date of the trial as Feb. 19, 1951, in the February Term of District Court.

## Funeral for Mrs. B. F. Ringgold at 3 P. M. Today

Mrs. B. F. Ringgold passed away at the home of a daughter, Mrs. Claude Brooks, about ten o'clock Tuesday night, after an illness of about two weeks. However, she had been in failing health for several months.

Mrs. Ringgold was born on Nov. 9, 1871, and was a pioneer resident of Crowell. She was the wife of the late B. F. Ringgold, pioneer Crowell merchant. Funeral services will be held Thursday afternoon at 3 o'clock from the Methodist Church, of which she was a faithful member. Rev. Aubrey C. Haynes, pastor, will conduct the services. Interment will be made in the Crowell Cemetery under the direction of Womack Funeral Service. Survivors include three daughters, Mrs. W. C. McKown, Mrs. Wm. E. Wells and Mrs. Claude Brooks, all of Crowell; three sons, C. B. Williams of Amarillo, Howard Ringgold of Pasadena, Calif., and Archie Williams of Long Beach, Calif. Nine grandchildren and nine great-grandchildren also survive.

A buffet supper was given Saturday night in the home of Mr. and Mrs. E. J. Jones for their daughter, Miss Clara Jones. Miss Jones left Monday to enter TSCW at Denton.

After the football game Friday night, Norma Jones, Mary Lou Woods, Faye Black, Melba Coker and Geraldine Schmittou attended a slumber party at the home of Miss Marcia Kincaid in Crowell.

Mrs. E. J. Jones, Mrs. C. R. Jones and Mrs. Q. D. Williams accompanied Miss Clara Jones to Denton Monday.

Locomotive Number 29 — one of the Santa Fe Railway's modern streamlined Diesels has a new "voice." That new voice is in the form of a different and newly designed set of horns, which resembles to some extent the sound

emitted by the steam locomotive whistle.

The new "voice" is an experiment on the Santa Fe. In the congested eastern areas of the country, some complaints have been lodged that the regular Diesel horn is too harsh and startling.

The new "voice" is a five-chime Nathan whistle which is basically a musical instrument and when in use the simultaneous sounding of the various single tones produces a musical chord, or chime effect. The whistle can be modulated or softened without tonal distortion.

Santa Fe officials cannot say to the extent the Nathan air chimes will be used as there have not yet

been sufficient tests. So far reports are mostly favorable. Locomotive 29 is operating in regular service between Chicago and Los Angeles.

The Rayland Home Demonstration Club was entertained last Friday afternoon at the home of Mrs. Horace Taylor.

Mr. and Mrs. Joe Johnson and sons visited his sister and husband, Mr. and Mrs. Tom Wayland, of Vernon during the week end.

## Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, State Health Officer

Austin—A puny little parasite no more than a quarter inch long when it's full grown can turn a champion weight lifter into an enemy cream puff.

Even while it's still a baby, this pernicious parasite can make a wheezing weakling out of a top field hand, and turn a stout boy's muscles to the texture of soft butter.

It's a hookworm.

State Health Officer Geo. W. Cox, with understandable disdain, puts the finger on it as the cause

of so-called toe itch, dew itch, ground itch, and summer scratch.

Says he: "All these itches are provincial ways of saying hookworm."

Dr. Cox says his department has been waging a ten-year battle against hookworms in Texas, and that deep inroads have been made into its natural habitat, especially in eastern and southern sections.

Health experts know what it is and how it gets into the human body, but the big job is in convincing people that they ought to do something about it.

Hookworms live a double life, the health official says, half in the intestines of a human being and half in the soil around an open pit privy. The female lays eggs while attached to the intestine.

Eggs pass from the body, and hatch within 24 hours. Then the young worm lies in wait for the first unsuspecting barefoot person—usually a youngster—to come by. It pierces the foot skin and slowly inches its way deeper and deeper into the body until it reaches the intestinal tract where the cycle starts again.

"It is a disease," Dr. Cox says, "that stunts the growth of children, causes skin discoloration, loss of weight, and anemia." Severe infestations often cause a morbid craving for such things as chalk or dirt, he adds.

But it's easy enough to control

—merely by building properly designed sanitary pit privies or septic tanks. That, and wearing shoes.

A good many children in various rural sections have had light infestations all their lives, and have never known what it means to feel entirely well.

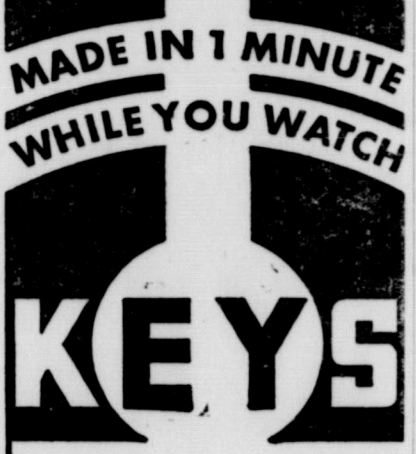

Mongolia's great desert is called the Gobi.

O give thanks unto the Lord, for he is good; for his mercy endureth for ever.—Psalm 107:1.

Here is something for the people who were in such a hurry to junk all our war equipment at the close of World War II, and those who do not believe in this country keeping itself prepared, to think about. The only plant currently producing tanks in this country is the Army's Detroit tank arsenal. It is making but 12 tanks a day— not a drop in the bucket in the event of war. Cadillac has been ordered to get ready to produce tanks at the Fisher bomber plant in Cleveland, which has been shut down since World War II. It will take nine months to turn out a single tank from this plant. What couldn't an enemy do to us in nine months while we are sitting twirling our thumbs, waiting for a tank. It might be a good time to ask those who were so ready to junk our war machines, what shall we do while we are waiting for our tanks?

The Korean war has brought out in the open what many have contended is true for a long time—that the Communists are out to get the democracies of the world either by propaganda or bullets. The only difference between the Communists in this country and in Russia is that the Communists in this country are not in power here and they are in Russia. We do have in this country a lot of limber-necked weak-spined persons who sympathize and go along with the Communists. These are the people who, if the Communists should secure control of this country, would be advanced to positions where they would rule over the rest of us.

World planners are now discussing a plan for rearming Germany. It will be recalled that following World War II the program was to not only completely demilitarize Germany but to dismantle all her heavy industries. The job was just about completed when the Russian situation presented the possible necessity of replacing all the stuff that has been removed and destroyed. The old German war set-up would be a wonderful help as a buffer against Russia. This thing of being able to look ahead is a rare gift that too few people have.

Henry Wallace has parted company with the Progressive party which two years ago nominated him for President. He split with his party over the Korean War. He made this statement at the time of his withdrawal from the party: I am on the side of my country and the UN. It sort of raises the question as to where the so-called Progressive party stood in principle in relation to this country and the UN before the Korean war.

The test of a man's character consists of the things that he thinks in his own mind are right or dishonest. Temptation may not permit him to live up to his concept always, but as long as he has right concepts the chances are the sum total of his character is going to be good.

In Caesar's day it cost the Army 50 cents to kill one man, today it costs \$55,000, according to Drew Pearson.

One exchange contains a unique "Thank you" card published by a defeated candidate the week following the primary election. The card read: I have decided not to be County Clerk. But thanks anyway.

In the past ten years the United States has gained 19 million in population. This gain is more than the combined populations of Norway, Sweden, Denmark and Finland.

So far this country has been a match for all external foes, but we are still in danger from the enemies within our border. In this connection it will be recalled that while outside influences tried it, it was local talent that cracked the Liberty Bell.

Letting Jacob Malik take over the Security Council for the month of August was like letting a member of the Capone gang take over the FBI during a law enforcement drive.—Sen. William F. Knowland (Republican of California).

RAYLAND FRANCES LAWSON

Will Green of Odessa visited with Mr. and Mrs. Buck Clark and other friends here during the week.

Billy Cleveland has returned home after being in Colorado for his health.

Bill Cook of Quannah visited here with friends and relatives Monday.

Mr. and Mrs. Buck Williams of Wichita Falls visited here with friends Sunday.

Mrs. W. A. Daniel left Monday for Chillicothe to work in the Brock home there.

Mr. and Mrs. E. D. Poyner and Mrs. Fern Parr and daughter, Donna, spent the week end in Amarillo visiting with Mr. and Mrs. Danny Ashford and daughter, Mary Sue. They also visited in Memphis.

Mr. and Mrs. Harry Simmonds have returned home from Amarillo after visiting with friends there last week.

Lester Martin of Levelland spent the week end with his mother, Mrs. A. H. Martin, and brother, Emmett.

Mr. and Mrs. Otis Thompson spent the week end with relatives and friends in Palo Pinto.

Dewey Harrington of Nocona spent the week end with Mrs. Harrington and daughter, Joyce Ann.

Rev. Leon Patterson of the Southwestern Baptist Theological Seminary in Ft. Worth, will preach at the Rayland Baptist Church Sunday, Sept. 24. Everyone is invited to attend the services. Preaching services at 11 a. m. and 7:30 p. m.

Mr. and Mrs. Louis Keischnick and infant daughter made a trip to Wichita Falls Tuesday.

Mrs. Hixie Raines and grandson, Buzzy Davis, are visiting in Amarillo with Mr. and Mrs. Noel Sitz and children this week.

Pvt. Kenneth Pope of Camp Hood, near Temple, visited here with relatives and friends, also visiting with Mr. and Mrs. Autry Pope and daughter, Grace, and James Barnes the past week.

Mrs. E. J. McDaniel is visiting with relatives and friends in McKinney this week.

Mr. and Mrs. H. D. Lawson and daughter, Frances, visited with Mr. and Mrs. Roy Hoffmann of the Lockett community Tuesday.

Cap Tuggle and Bob Adkins made a business trip to Electra last Saturday.

Mrs. Claude Carr and son and Mrs. J. B. Townley of Waggoner's Ranch visited with Mr. and Mrs. Cap Tuggle Monday.

Miss Lura Custer of Vernon spent the week end with Mr. and Mrs. Homer Custer and daughter, Sandra.

Mr. and Mrs. A. T. Beazley, Mrs. Homer Custer, Mrs. T. F. Lambert Jr., Mrs. Burkhardt and Mrs. Jack Mints, members of the Rayland Baptist Church, attended the associational meeting held at the First Baptist Church in Vernon last Friday.

J. T. Lewellen of Vernon visited with his sister and brother-in-law, Mr. and Mrs. Carl Lawson, and family and other relatives here Sunday.

Mr. and Mrs. T. E. Lawson visited with Mr. and Mrs. Joe Bowers of Vernon Sunday.

James Newton and Bert Murphy visited with friends in Fort Worth and Dallas during the week end.

In The News . . . 30 YEARS AGO

The following news items were taken from the issue of the Foard County News of Friday, Sept. 24, 1920:

C. A. Bowley of the Vivian community was in town Wednesday with a few boxes of home-grown tomatoes which he sold to Adcock-Matthews Grocery.

Allan R. Sanders has resigned his position at the Owl Drug Store to accept a position as bookkeeper at Cecil & Co.

J. R. Beverly has sold his residence on North Main Street to Paul Barry.

G. C. Morgan returned last week from a prospecting trip to California.

Mr. and Mrs. J. R. Bond and two little daughters stopped in Crowell a short time Wednesday while en route from Clarendon to their home in Vernon. Mr. Bond is disposing of his lumber yard in Vernon since the oil boom has not proved to be as great as expected.

Mr. and Mrs. S. S. Bell and son, Arthur, returned last week from Fort Worth.

T. P. Reeder was in Dallas last week buying goods for the Owl Drug Store.

Mrs. Herbert Edwards visited her parents in Clarendon the latter part of last week.

Alfred Shook is here from Graecmont, Okla., visiting relatives and friends.

G. C. McGown, chamber of commerce secretary, is in Fort Worth this week attending to business.

Elmo Motsinger returned Thursday from a visit in his home town of Salem, Ind.

W. W. Kimsey returned last week from Amistad, N. M., where he purchased a half section of land.

Mrs. Jeff Bruce returned Sunday from Nocona where she had been visiting her mother, Mrs. G. M. Bush.

In most household budgets the largest and most expensive item is "miscellaneous."

READY FOR ACTION

What We Think (By Frank Dixon)

It seems to me that the developments since the war have disclosed more mistakes on the part of this country and the world than have ever been made by all the peoples of the earth in any like period of its history. Because of the fact that it occupied the dominant position in the world at the time the biggest share of the mistakes were made by the United States and as a result of these mistakes we are face to face with the Russian situation and will continue to be faced with it until it is finally solved—if it ever is. It will serve no good purpose to go back over the long list of blunders and point out the tragic errors. They are all evident now to even the school children of the nation. Some of these were obvious errors at the time they were made and appeared foolish and ridiculous at the time. These and the errors of the other nations have been shown up by the subsequent march of events. The only thing we can do now is to put our mistakes behind us and see to it that we do not make the same mistakes again. It is unfortunate that during and following the close of World War II enough of our leaders in this and other countries did not have the wisdom and the foresight to look ahead and to shape our course to the end that our future would not be burdened as a result of the collection of errors in judgment and incorrect decisions. I am not intimating that I or that anyone else knew just what should have been done. The things that were done all seemed the best thing to do at the time they were done. It was sincerely thought at the time that they were for the best interests of everyone. There is no thought that the future peace of the world was being deliberately sabotaged. In fact the sole and the central motivating thought was that the possibility of world peace was being promoted by everything that was done. In spite of all these high hopes, the cold, cruel, relentless fact remains that our future has been seriously and adversely affected by

Don't Drive Your Car Unprotected

Accidents may happen—where are you with insurance? It is a needless risk to you—and to the general public to drive without adequate insurance. Fire, theft and damage to property or persons is covered in our auto insurance policies. You are protected—the other fellow is protected—and the cost is moderate . . . premiums are cheaper than damage. We write all kinds of insurance—coverage against fire in your home or business, life and accident policies . . . in fact, any form of insurance you need. Get in touch with us today.

Hughston Insurance Agency

the results of those acts, all good intentions, high hopes and best wishes, notwithstanding. And thus, it always is, and always will be, not only in the case of nations but in the lives of individuals as well. We always pay for our mistakes whether they are intentional, or inadvertently made. Heading our errors, it seems to me, was our failure to properly appraise Russia. Everything we have done, it seems to me, that has turned out to our disadvantage and the disadvantage of the world, has been the result of this failure. We have been the victims of our hopes. We hoped Russia would do this and be that and acted on this hope. Now that the true Russia has been revealed, our own plans have all gone awry. The first thing we have to do, it seems to me, is to get a realistic view of Russia. To analyze her as we would a specimen under the microscope and then when the results have been tabulated, to chart our course with a slide rule and a micrometer wholly uninfluenced by No one brags on the radio or in the newspaper that he is forever bragging on the radio. The reason is perhaps because one feels that he can do so, devoting part time to a bragging fellow who is giving up his time. One thing the Korean war has already accomplished has been to show up the experts who thought they knew all there was to know about defense weapons and offensive tactics. Merchants in many sections of the world are panicking because of the port panic buying due to the Korean war. The run is most able on sugar. It is reported that there is plenty of sugar in the country and in Cuba. If a shortage should be caused in this country the government will boost and import more. The price of sugar, however, is bound to rise. The price of sugar, cooking fats, many goods and all imported goods will rise. Any sentiment or common reaction.

Control... that has no equal

Prestomatic Fluid Drive Transmission . . . simple, cool-running, with three rugged compact units designed with a minimum of moving parts . . . gyrol Fluid Drive, the Safety Clutch, and Prestomatic Transmission. Ruggedly built for trouble-free service.

Take this beautiful car out on the road . . . and you'll discover the most important driving difference in cars today. For here is the automatic gear shifting that gives you full control of your car at all times! Here is the only automatic transmission that takes its orders from you . . . that shifts when you want to shift . . . that can't shift up and down when you'd prefer another gear. See . . . feel . . . and hear the difference in slow moving traffic. You cruise smoothly along in high gear at 12 miles an hour . . . saving gasoline . . . saving wear and tear on your engine. In 12 miles an hour, other automatic shifts drop you down into lower gears—and there's nothing you can do about it. Try Chrysler's Fluid Drive and automatic transmission . . . learn how Chrysler has kept far ahead of all others. And discover built-in value all the way through that has no equal today!

CHRYSLER IMPERIAL 4-DOOR SEDAN . . . the car that has no equal at any price. One of 21 beautiful Chrysler body-styles.

Your Bank Helps the Farmer:

Have you ever stopped to think of the number of acres of farm crops which have been produced because your bank could invest money in loans to the farmer? In the free enterprise system which is the backbone of American economy, the bank is one of the keys to successful business operation. Good farmers, good ranchers, good merchants, successful professional men, and men of many skills have often been able to trace their success to a simple loan. Although loans are a mutual benefit to both the bank and the individual or firm, it is just one of the many banking services you can find at the Crowell State Bank. Let us tell you about them.

CROWELL STATE BANK Member of Federal Deposit Insurance Corporation

See it—drive it . . . there's built-in value all the way through!

- Advantages of Chrysler's Fluid Drive
Advantages of Chrysler's High Compression Spitfire Engine!
Chrysler's Advantages in Comfort and Safety

- Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.
Waterproof Ignition—prevents stalling in rain or high water! Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean longer!
Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops. Easy-Lock Parking Brake—holds car on any hill. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for arm chair comfort.

**S. H. Bynum**  
QUANAH, TEXAS  
Rt. 2 Ph. 90R3

Mr. and Mrs. Walter Williams of Paducah visited relatives and friends in Crowell this week.

C. D. Campbell left Tuesday for Houston to enter a medical school for the coming term.

Mrs. John Vernor left Tuesday for her home in Dallas after a visit in the home of her parents, Mr. and Mrs. A. L. Sloan.

Mrs. G. C. Walker, Mrs. E. S. Haggard and Miss Isabelle Haggard of Dallas are visiting in the home of their sister and aunt, Mrs. S. S. Bell, and family.

Plenty of money to loan on farms and ranches. Liberal prepayment privileges. No charge for inspection. See us.—Roberts-Beverly Abst. Co. 31-tfc

Mr. and Mrs. Clark Hitt have gone to Lancaster where Mr. Hitt assumed his duties as coach. They had spent the summer with Mrs. Hitt's parents, Mr. and Mrs. Homer Zeibig.

Mr. and Mrs. Clint White and Mrs. White's father, J. H. McKown, went to Comanche Sunday. Mr. McKown stayed for a visit with relatives, but Mr. and Mrs. White returned Sunday evening.

Mr. and Mrs. J. N. Ribble, accompanied by Mrs. Pearl Wright of Sweetwater, visited in the home of their son, Oran Ribble, and family in Shawnee, Okla., recently.

Claude Orr has bought a 480-acre farm near Duke, Okla., and he and Mrs. Orr have moved to their new place to live for an indefinite time. Mr. Orr will sow a wheat crop on the land.

Dr. and Mrs. Wade W. Fox of Norman, Okla., stopped in Crowell for a short visit Wednesday while en route home from Paducah. Dr. Fox is a native of Foard County and attended the Crowell Schools as a boy.

Miss Mary Rastrand Thompson returned to Commerce Monday to resume her duties in ETSC as librarian. She had spent three weeks in the home of her parents, Mr. and Mrs. C. W. Thompson, and family.

Mr. and Mrs. Wilburn Johnson, who have been living in Ojai, Calif., arrived here Friday night and have taken over the operation of the Hotel Premier. Mrs. Chas. Dickerson, who has been temporarily operating the hotel, has returned to her home in Abilene.

Buy your gas heaters from Womack's, a Licensed Butane dealer.

Roscoe Brown of Fort Worth was here this week visiting relatives.

Now is the time to buy your Servel Gas Refrigerator at Womack's.

Miss Barbara Campbell returned recently from a visit with relatives in Sweetwater.

Joe Ray Setliff, 1950 graduate of Crowell High School, is attending Abilene Christian College in Abilene.

Mrs. Lela Johnston and daughter, Miss Oleta, of Glendale, Calif., visited their cousin, Mrs. S. E. Tate, last week.

Mr. and Mrs. Sim Gamble of Thalia had as guests in their home last week, Mr. and Mrs. Forest Durham of Littlefield and Mr. and Mrs. Martin Barber of Long Beach, Calif.

Mr. and Mrs. Rawleigh Luker of Brownfield, Mr. and Mrs. W. R. Daniel and small son, Danny, Mr. and Mrs. E. L. Thomas and two sons, Bill and Keith, and Mr. and Mrs. Milton Evans of Floydada visited last week with their parents, Mr. and Mrs. E. T. Evans.

Mr. and Mrs. J. L. Gobin Jr. and small daughter, Carolyn Sue, have moved to Crowell to make their home. They are living in one of the Jack Seale apartments. Mr. Gobin has been employed to operate his truck on the farm-to-market road south of Thalia.

### DAIRY PRODUCTS IN TEXAS

Austin, Texas — Manufacture of dairy products in Texas slid 2 per cent from June to 81,505 pounds milk equivalent in July, the University of Texas Bureau of Business Research reported.

In comparison with July 1949, manufacture of dairy products stepped up 1 per cent in July 1950.

Production of creamery butter was up 4 per cent in July from June, while American cheese and ice cream production rose 9 and 7 per cent, respectively.

Compared with July of last year, production of creamery butter pushed up 10 per cent, while production of American cheese and ice cream dropped 6 per cent.

After adjustment for seasonal variation, the Bureau's index of dairy production fell 6 per cent from June to 75 per cent of the prewar (1935-39) base period in July.

Tight Spot. Young Jim Hawkins (Bobby Driscoll) and Israel Hands battle over the precious map, in Walt Disney's all-live action version of Robert Louis Stevenson's "Treasure Island," this week at the Rialto.

### Fumigate Stored Grain for Insect Control

Stored grain must be fumigated for insect control if the same quality grain is to be removed from the bin as was stored, cautions Joe Burkett, County Agent.

Burkett recommends that the initial fumigation be made within a month after the grain has been placed in the bin. Monthly inspections during warm weather are recommended to determine whether or not refumigation is necessary.

Since insects are likely to be found near the surface of a bin, the degree of infestation can usually be determined by sifting a sample of the surface grain. If as many as two weevils or five grain beetles are found in a two-pound sample, the bin should be refumigated.

If the grain is stored in wooden bins, 1000 bushels of the grain can be fumigated with a mixture of ten gallons of one part carbon tetrachloride and three parts ethylene dichloride. Other recommended dosages are eight gallons of a mixture of four parts carbon tetrachloride and one part carbon disulfide per 1000 bushels of grain. The dosages of the two fumigants can be reduced by 25 per cent if the grain is stored in steel bins.

Fumigants should be applied from the outside of the bin by means of a bucket pump or other type sprayer, and they should be distributed evenly over the surface of the grain. Burkett warns that it is unwise to attempt to apply the fumigant with a sprinkling can because the vapors are dangerous to breathe.

Burkett cautions that the per-

son applying the fumigant should avoid spilling the insecticide on his skin, clothing or in his shoes. If the clothing becomes wet, it should be removed at once, and the skin should be washed with soap and water to prevent blistering.

First among the most dangerous occupations in the United States is farming, according to the National Safety Council farm division. One farm worker received a disability injury every ten seconds throughout the year. In the next month an estimated one in 17 farm workers will be seriously injured. In one out of each 380 farm families accidental deaths will occur, giving an average of 48 for each day of the year. Most of the accidents are caused by falls. Farm machinery is the next cause of accidents.

For the first time in American history cars outnumber horses on American farms. The agriculture department estimates that there were 5,800,000 cars and 5,310,000 horses on the nation's farms as of January 1.

### 4-H and F. F. A. Day on Saturday, Oct. 7 at T. & O. Fair

Iowa Park, Texas, Sept. 13 (Special)—More than 600 Four-H and FFA Clubbers throughout this area are expected to converge on the Texas-Oklahoma Fair and Southwestern Oil Exposition on Saturday, Oct. 7, which has been designated as their day by fair officials.

A special program and presentation of awards, donated by the Iowa Park Chamber of Commerce is planned for 3:30 o'clock Saturday afternoon.

The clubbers will be admitted free to the fair and will be furnished free lunches at noon.

Added to the fair's expansion this year is a junior livestock sales committee which will assist the boys in marketing their fat barrows following the Junior Swine Show on Saturday morning, keeping in trend with similar markets

provided at other leading fairs. Officials anticipate a premium above market for the county winners over this section.

Beef calves will be judged on Wednesday afternoon, Oct. 4; dairy and sheep judging on Thursday. The County Sears pigs, district Sears pigs, Electra Chamber of Commerce pigs and the Junior Hog Show will be judged on Saturday morning beginning at 9 o'clock.

Both individual and team judging contests of dairy, livestock and grass will also be held on Saturday.

### CARD OF THANKS

I wish to express my grateful appreciation to the many friends who remembered me so kindly while I was ill in the hospital and since coming home. "Thank you sincerely" for the flowers, cards and other manifestations of friendship.

**NEUROSI AND PSYCHIATRY PROVIDE TODAY'S MECCA**

If any one word has leaped into the nation's medical vocabulary within the past twenty years, it is the word "neurotic." Everyone today who has the time, money or interest can acquire a subject for never-ending conversation by discovering his own private idiosyncrasy and labeling it neurosis.

too far. Perhaps we would have fewer of these tendencies if we decide that some of Junior's misbehaving is mischievous energy that has to be expended, that some crimes are committed not by sick people, but by persons who need to learn a healthy respect for the letter and spirit of the law, and that some of them can be eliminated by a little more work and less introspection.

From the WICHITAN.

When Junior smeared his baby sister's face with mud at the turn of the century or when he put a frog in bed with his little brother, he received a good tanning behind the woodshed for breaking certain rules observed by the household. When Junior's grandchild does the same thing today, he is looked upon with sorrow and concern, and much sympathy is expended in trying to get to the bottom of his behavior. In the meantime, he has the incentive to find a baby garter snake to put in his father's house slippers.

### BAND RECEIVES DONATION

The following letter was received by the Wildcat Band:

Crowell, Texas,  
 Sept. 18, 1950

Dear Mr. Graves,

Enclosed herewith is our check for \$25.00 (twenty-five dollars) payable to the High School Band.

Will you please deliver this check to the Band Treasurer and with it convey to the band instructor and members the information that it is given in appreciation and recognition of, and as a reward for, outstanding improvements and excellent performances achieved since its organization such a short time ago.

These funds may be used in any manner which, in the opinion of the band organization, will best further its interests.

A Business Firm.

The band members and their director wish to take this opportunity to express their gratitude.

Fifty years ago a mother was kept so busy tending to the needs of her family that she had little time to brood over the state of her emotional well-being. With a psychiatrist's couch around every corner, relatively speaking, in the Twentieth Century, she finds more time to devote to mental ailments.

Even the problem of crime has taken on a new perspective in our age. Prison administrators are coming more and more to look upon their charges as sick men rather than as men who have broken the laws of society.

Physicians are stating that many of man's physical ills are of mental origin and that some can be cured in the psychiatrist's office.

No one denies that psychiatry is a good thing; even so, is the discovery of the neurotic tendencies that lie within people. But even a good thing can be carried

asked his pet peeve, he stated that he was pretty well happy with everything. His ambition is to see the world.

For the benefit of our seniors, our "veep" is Billy Joe Halemeak, a brown-eyed and black-haired boy. He is a Crowellite by birth and his ambition is to become an engineer. He plans to prepare for this at Texas Tech. Could this be because of a certain red head? Good luck to you, "Holly," we'll let you build our next bridge.

Being from Thalia has not won Myra Self her fame. No sir, it's being our senior secretary-treasurer that's done it. We feel that Myra is positively trustworthy of being our secretary and our "Judas with the money bag." (No insinuation intended.)

Myra is five feet three inches tall, has blond hair and blue eyes. She is also a pep leader, and corresponds with a certain "Fish" at Texas A. & M. Myra's ambition is to be an air hostess. We think that she is qualified because of her friendly personality.

If you accidentally stumble into the auditorium while a senior class meeting is underway, you will see our reporter, Martha Ohr, bending feverishly over her notes and trying to keep up with the proceedings.

Martha, with all her five feet seven inches of height, her black hair and brown eyes, is one of the most popular girls in CHS. She has a pleasing personality and her ambition is to attend Draughon's in Wichita.

BUY YOUR MAGAZINE SUBSCRIPTIONS FROM THE JUNIORS

"Wouldn't you like a subscription to your favorite magazine?" This urgent plea from the industrious Junior Class has evidently reached home, for they have already sold 116 subscriptions and lack only 9 more sales to reach their quota.

With only a little over a week left, the Junior Class is working diligently to raise enough money to be able to give their upperclassmen, the Seniors, a wonderful banquet to remember them by.

Robert Brock, captain of the boy's team, had better be on the job for the boys are a little behind the girl's team, headed by Essie Franklin. The team that sells the most subscriptions will be entertained at a party by the losing team. The individual selling the most subscriptions will be rewarded with a prize, with the choice of a wrist watch, radio or phonograph.

**NATIONAL FARM LOAN ASSOCIATION**  
 SECRETARY - TREASURER'S OFFICE  
 FEDERAL LAND BANK LOANS

Who Owns The Federal Land Bank and The National Farm Loan Associations?

All of the capital stock of the Federal Land Bank of Houston is owned by Texas national farm loan associations.

The national farm loan associations in turn are owned by over 30,000 individual farmers and ranchers of Texas.

Each association elects its own board of directors and officers. Their business, therefore, is handled by homefolks who know and understand local conditions.

Let us tell you more about this home-owned financial organization.

**Hardeman-Foard Nat'l. Farm Loan Association**

**TEACHERS SPEND SUMMER TRAVELING, GOING TO SCHOOL, STAYING AT HOME**

Henry Black — Received Master of Education Degree from Highland University in Las Vegas, N. M.

Miss Close — Spent summer with parents in Alexandria, La.

Mrs. Todd — Rode horseback, herded sheep and redecorated her kitchen.

Mrs. Sloan — Attended Highland University, Las Vegas, N. M.

Mrs. Kenner — Attended Texas Tech.

Mrs. Black — Visited her mother in Madison County and spent rest of summer keeping house and resting.

Mrs. Davis — Traveled around to Oklahoma City, Dallas, Arkansas and Pampa. She said she had a very enjoyable time because she did what she wanted to.

Mr. Graves — Visited parents in Stephenville and worked in high school office.

Mr. Sollis — Attended West Texas State College at Canyon.

Coach Amonett — Attended Texas Tech and married.

Mr. Myers — Attended Texas A&M College at College Station.

**HOLLYWOOD IN CHS**

About seventy students who are interested in dramatics filed into the Speech room Monday to join a newly-founded organization, the Dramatics Club.

Mrs. Elmo Todd, head of the Speech Department, is responsible for this new club which will enable the members, whether they take speech or not, to represent CHS in dramatics in the Interscholastic League.

Besides acting, members of the club will be trained in directing, make-up and stage craft.

Officers elected for the club are Marion Gobin, president; Ann Haynie, vice president; Peggy Weaver, treasurer; Myra Self, recording secretary; Maurine Youree, corresponding secretary; and Billy Caddell, house manager.

Quite a lot of talent is found in the members. There should be a number of plays produced this year.

**FACULTY TO CHALLENGE GYM JAMES FRIDAY**

The first volley ball game of the year has been arranged by Coach Glen Taylor to be Friday at noon between the CHS male faculty and the second period gym class girls.

The faculty, having lost a game to the Gym James last year, is out to win. Those representing the "professors" will be Henry Black, Coach Amonett, J. W. Sollis, Marvin Myers, Superintendent Graves and Coach Taylor.

On the girls' team will be Mary Bergt, Mary Matus, Peggy Weaver, Joyzell Thomson, Frankie Mabe and Betty Barker.

**SENIORS ELECT CLASS OFFICERS**

Remember for whom you held up your arm in the senior class election? You must have unintentionally "stuffed the ballot box" (not really) for Cates for president, for that's who seems to be in charge of senior class affairs.

This tall, peroxide-haired, blue-eyed Jimmy has lived in and around Crowell all his life. He's going to make a fine senior president because he is crazy about CHS. He also likes girls, and when

**FHA ELECTS OFFICERS FOR COMING YEAR**

The FHA organization met in four sections last Friday to elect new officers for the coming year. The results were as follows: president, Mildred Tamplen; vice president, Maurine Youree; secretary, Jean Hughston; treasurer, Martha Ohr; historian, Wanza Spears; parliamentarian, Nell Johnson; Sergeants at Arms, Ann Haynie, Myra Self, reporter, Marcia Kincaid; song leader, Peggy Weaver; pianist, Betty Barker.

The FHA can very well look forward to a successful year.

**BETWEEN THE LINES**

The band, Friday night, demonstrated its ability on the field by executing formations that provided solid half-time entertainment for football fans.

Calisthenics are taught every day in the third period gym class by Billy Caddell, who enjoys his work very much. I wonder why, Billy?

We have four fine pep leaders this year—Maurine Youree, Betty Barker, Myra Self and Carolyn Bell. They decorated the stadium and the goal posts before the game and they also are working on some new yells.

Every day or so we find someone who has been hurt in some way. Carolyn Bell pulled a ligament in her foot while leading yells and Charles Pittillo hurt his leg in football practice last week. Ginger Johnson has a broken finger and a cut lip. My, who will be next?

The drum major, Dowal Parks, the majorettes, Melba Coker, Geraldine Schmittou and Marcia Kincaid, and the flag bearers, Mildred and Virginia Tamplen, are to be complimented on their part of the band work.

**WILDCAT PURRS**

Rumors are flying again about a certain Gordon Bell and Fayo Black.

Seen after the ball game Friday night were Melba and Jimmy Tom, Geraldine and Jon, Margaret and Hack, Noma and Butch, and Tommie and "Booger."

Mary Alice and Jimmie really had a good time at the Childress Fair Saturday.

What's this we hear about Neva Lou and Billy Joe?

Joyzell was seen over the week end with her Abilene heart throb.

We hear Marcia had three uninvited visitors at her slumber party Friday night. How those girls did talk.

Charles Wishon had a cute date Friday night, Patsy Hammonds.

Jean Gamble was seen at the ball game with George Johnson.

We wonder if this affair between Virginia Railsback and Doyle Sparks is serious?

Some girls are complaining because Robert Brock pays no attention to the girls. Give them a chance, Bobby.

Melba Ward gets lonesome for

Layton while he is away at school. Three cheers for the wonderful pep squad we had at the game Friday night.

Myra Self enjoyed Saturday evening with Glen Halsall.

Martin Earl Langham was seen with a certain girl Saturday night.

Barbara and Collin were double dating Friday night with Norma Jean and Sebe.

Why doesn't Don Briscoe latch on to a girl?

Virginia Tamplen is a cute sophomore who has no special interest in any certain boy.

See ya next week, Snooper.

The President of the United States cannot be arrested.

asked his pet peeve, he stated that he was pretty well happy with everything. His ambition is to see the world.

The gin was closed Tuesday because of the death of G. W. Sim-

mons, general manager for the Quanah Cotton Oil Co., who died in Dallas.

Let's wife is never mentioned by name in the Bible.

### Crowell Rotary Club Invited to Attend Fellowship Day

The Crowell Rotary Club has been invited to participate in a gigantic Rotary Fellowship Day on Friday, Oct. 20, at the 1950 State Fair of Texas.

A block of tickets to "South Pacific," the sensational music show which will play in the Auditorium during the Fair, and to "Ice Cycles of 1951," sparkling skating extravaganza, will be available to Rotarians on a first-come, first served basis on this day at the Fair.

Dallas Rotarians have mailed out about 15,000 invitations to members of some 255 clubs over the state. Members of the nine Dallas County clubs are hosts for the occasion.

A Rotary Friendship House in the Foods Building will be headquarters for the Rotarians. Rotarians will receive attendance credit by registering at the Friendship House or at a box luncheon to be served at the Picnic Pavilion at noon. Following the luncheon, transportation will be provided to the Auditorium where an impressive program will be presented.

## Jesse Whitfield and Miss Mary Ruth Jones Wed Wednesday Night

Miss Mary Ruth Jones became the bride of Jesse Whitfield in a ceremony performed by Rev. Aubrey C. Haynes at his home on Wednesday evening.

The couple was attended by Miss Laura Belle Whitfield, sister of the groom. The single ring ceremony was used.

The bride was attired in a maroon gabardine suit with marsh rose and brown accessories. Her corsage was of white carnations.

Mr. and Mrs. Whitfield went to points in New Mexico for a short wedding trip after which they established residence in Crowell, where Mr. Whitfield is engaged in farming. Mrs. Whitfield is an employee of Southwestern Associated Telephone Co. in Crowell.

## Miss Lois Gentry Marries Rct. Shook Saturday, Sept. 9th

Mr. and Mrs. A. C. Gentry announce the marriage of their daughter, Miss Lois Gentry, to Rct. Kenneth W. Shook, which took place on Saturday, Sept. 9, in Lawton, Okla.

Ret. Shook is the son of Mr. and Mrs. Tom Shook of Crowell. He has returned to Fort Ord, Calif., where he is stationed.

Mrs. Shook remained here and is residing in the home of her parents.

### JUNIOR ADELPHIAN CLUB

The Sub Junior Adelpian Club held its first meeting of the club year in the home of Mrs. Merl Kincaid on Wednesday, Sept. 13, with Jean Hughston and Marcia Kincaid as hostesses.

The business meeting consisted of making plans for Dad's Night, which will be held on Wednesday, Sept. 27, in the home of Mrs. Henry Borchardt.

The next meeting will be held

on October 11, at the Adelpian Clubhouse with Carolyn Bell as hostess.

## Shower Given to Compliment Miss Jones, Bride-Elect

The home of Miss Alma Patton was the scene of a lovely bridal shower given Wednesday afternoon, September 13, to compliment Miss Mary Ruth Jones, who became the bride of Jesse Whitfield, Wednesday evening. Joint hostesses with Miss Patton were Mrs. M. W. Wagoner, Mrs. Viola Biggerstaff, Miss Rosalie Drabek, Mrs. Ben Barker, Mrs. Vernon Garrett, Mrs. Lewis Ballard and Miss Lola Mae Fox. All are employees of the Southwestern Telephone Co., as is the honoree. The house was attractively decorated with arrangements of roses.

Miss Patton received the guests at the door and introduced them to the honoree; Mrs. Claude Sellers, her mother; Mrs. W. D. Parkhill, her grandmother; and Mrs. J. A. Whitfield, mother of the groom. Miss Edna Jewel Curtis was in charge of the register.

Guests were ushered into the dining room by Mrs. Ballard. The table was covered with a lace cloth. Punch and cookies were served by Misses Laura Belle Whitfield and Blanche Jones, sisters of the groom and bride, respectively.

Miss Drabek presided in the gift room where the gifts were viewed by the guests.

## Home Demonstration Notes MARY DEEB BROWN

Quite a few women have been to see me about starting a Riverside Home Demonstration Club. Already I have the names of fifteen interested women and we are planning to meet at the home of Mrs. S. C. Kuehn at 2:30 p. m., Thursday, September 28, to organize. If you live in the Riverside community, near Rayland or Thalia, and are interested in this kind of work, we would be glad to have you meet with us at that time.

The Foard County Home Demonstration Council met Saturday afternoon at 3:00 in the Agent's office. Seven members, one visitor and the agent were present. All four clubs were represented and Mrs. Kuehn was present to discuss the forming of the Riverside Club. Mrs. Bowley, Council Chairman, was in charge of the meeting. The group discussed making United Nations Flags and decided to have an all-day meeting October 18 to make them. This flag project is nation-wide, for October 24 is United Nations Day and our goal is to have one flag flying in each community. Home Demonstration Club women all over this state are making flags to be flown then. How many of you have ever seen this flag? It is blue with a white globe in the center encircled with a wreath of peace. Certainly in times like these we should all know the flag of the United Nations and the things it stands for and the women of the county are proud to help in such a worthwhile project.

### FOARD COUNTY FEDERATION

The Foard County Federation will hold the first meeting of the club year on Friday, Sept. 29th, at the Adelpian Club House. The Vivian Club will be hostess club and the Margaret Club will furnish the program. The Margaret Club has planned to have a display of ceramics in the afternoon.

Mrs. Merl Kincaid is president of the County Federation. Mrs. R. G. Ralston is vice president and Mrs. Raymond Bell is secretary and treasurer. As president, Mrs. Kincaid states that most everyone is familiar with the County Federation program and work, but for a few who may not be acquainted with the club, the following information will be of help.

The membership of the County Federation is made up of all the women's clubs of the county; the two study clubs of Crowell, the Adelpian and Columbian, the Garden Club, and the four Home Demonstration Clubs of the county; Margaret, Vivian, West Side and Gamberville.

If one is a member of one or more of these clubs, she is automatically a member of the County Federation. Each one is cordially invited and urged to attend the meetings. There are four meetings of the Federation a year with the different clubs as hostess and program chairman. The meetings are usually called to order at 10:30 a. m., with a devotional and a short program.

The noon hour is spent as a social and visiting hour. Each member is expected to bring a covered dish of her own choice. The afternoon program is usually short and is usually a book review, a demonstration of handwork done by the club in charge of the program or a lesson on some subject particularly interesting to the club.

The biggest work and responsibility of the County Federation is the maintaining of the Foard County Library. Everyone in the county is proud of the library. It is the desire of the Federation that every person in Foard County use and enjoy the library. It is one of the outstanding projects of the community.

The new and enthusiastic Home Demonstration Agent, Mrs. Mary D. Brown, is with us and a good year is expected for the Federation. September 29 is the date of the first meeting and a large crowd is anticipated and urged for that day. Mrs. Kincaid said.

### MYF MEETS AT FOARD CITY

The Sub District meeting of the Methodist Youth Fellowship of the Methodist Church held its zone meeting on Monday night at 7:30 in the Foard City church.

The churches represented were Foard City, Truscott, Margaret, Thalia, Quannah and Crowell. Crowell had the largest representation present, 31 being in attendance.

The Crowell church had charge of the program which was opened

with the hymn, "Have Thine Own Way, Lord." Virginia McKown gave a talk on "I Dare You." Peggy Weaver sang as solo, "Jesus Took My Burden" and Maurine Youree gave an inspirational talk on "What Do We Want Out of Life?"

Those present from Crowell included Sue Meason, Billy Bell, Frances Kincaid, Virginia McKown, Marcia Kincaid, Joyzell Thomson, Peggy Weaver, Jane Bruce, Carolyn Bell, Barbara White, Shirley Wehba, Clovonne McKown, Jean Whitty, Jim Paul Norman, Baxter Gentry, Jon Sanders, Haskell Norman, Ginger Johnson, Ward Whately, Mary Cooper, Rebecca Calvin, Mike Wishon, Jack Wishon, Robert Kincaid, Bobby Davis, Maurine Youree, George Fergeson, Charles Gafford, Jean Hughston and Rev. and Mrs. Aubrey C. Haynes.

### BAPTIST W. M. S. MEETS

The First Baptist Church W. M. S. met on Monday, Sept. 18, in the home of Mrs. T. W. Cooper. After a brief business session, Mrs. C. C. McLaughlin gave the concluding chapter of "Pioneer Women" by Lawrence. This concluded a very interesting study about the work of the early missionary program.

After the meeting was dismissed by prayer, refreshments were served by the hostess. The next meeting which will be on Sept. 25, will be held at the church. Mrs. W. F. Statser will be in charge of the program. The meeting will be from 10:00 a. m. until 1:00 p. m. with a covered dish lunch being served at the noon hour. The men are invited to eat lunch at the church and to attend the meeting if possible.

### HENRY CIRCLE

The Henry Circle of the Woman's Society of Christian Service met Monday afternoon at the Methodist Church. Mrs. M. S. Henry spoke on pledges and a pledge is to be made when the study book now used will be finished.

Mrs. Crockett Fox led a song, "This Is My Father's World." Mrs. Foster Davis gave the devotional, first reading the 24th Psalm, this being the National Psalm. Mrs. Davis led in prayer.

Mrs. Doyle Kenner introduced the new study book, "Near East Panorama." She gave the objectives of the book, a brief history of the writer and had an interesting study of the pictures in the book.

Mrs. Moody Bursey was made chairman of a committee to give

## Field Day at Spur Experiment Station Set for October 3

Ranchmen, County Agents, Veteran and Vocational Agricultural Instructors, members of Soil Conservation Service, airplane operators, PMA, Production Credit, Federal Land Bank and others are cordially invited to attend the Field Day, October 3, at the Texas Agricultural Experiment Station at Spur, according to Joe Burkett, Foard County Agent.

Latest results on methods of controlling mesquite will be observed on 3,000 acres of range and pasture land. The methods used include airplane application of chemicals, ground application of chemicals and oils, hand and mechanical grubbing, brush plows, chaining, and heavy brush cutters. Results of grazing trials will be observed and discussed on cleared and mesquite infested pastures, and on pastures light, moderate and heavy grazed, rotation grazed, seasonally grazed and upland bottom land pastures, contour furrowing, water spreading, weed control, reseeding, fertilization and other practices will also be included. The program will begin promptly at 9:30 a. m. and a barbecue lunch will be furnished by the Spur Chamber of Commerce at \$1.00 per plate.

### ADELPHIAN CLUB

On Sept. 6, the Adelpian Club held its first meeting of the club year, which was Gentlemen's Evening. Mrs. Fred Youree, Mrs. Winston Simmonds, Mrs. Mac Steele and Mrs. Fred Thompson were hostesses for the covered dish dinner.

The quartet tables were laid with linen and silver and centered with small bouquets of fall flowers. Attractive arrangements of dahlias and other flowers were used throughout the club house.

The guests were welcomed by Mrs. Hubert Brown, club president. Mrs. Brown served as program leader and introduced Mrs. Crockett Fox who gave a vocal solo, "Mona Lisa." Mrs. Frances Ricks accompanied her at the piano.

Through the courtesy of West Texas Utilities Co., Miss Eudora Hawkins of Abilene was the guest speaker for the evening. She gave a very interesting talk on "Youth Conservation." She stressed the point that, no matter how much is done toward youth conservation, nothing can be accomplished without first helping the child to know God.

After Miss Hawkins' talk, she showed a movie on what some communities have done for their young people.

gifts or flowers. Fourteen members were present.

### THALIA W. M. U

The ladies of the Thalia Baptist W. M. U. met in the home of Mrs. Sim V. Gamble Monday for an all-day Week of Prayer program. Ten ladies were present.

The devotional for the morning program was given by Mrs. Mack Edens on the subject "Because I Live." Mrs. Walter Long talked on "Rural Rehabilitation." Mrs. Gus Neill talked on "Departments Sponsored by State Mission Board." "Mary Hill Davis Department Financed" was given by Mrs. Bill Cates.

Following a covered dish lunch at noon, the program was resumed with the singing of "He Lives." The devotional, "Because I Live, You Shall Live" was brought by Mrs. H. N. Estes. "Cooperation" was presented by Mrs. Sim V. Gamble.

The Federal Reserve Board reports that Americans are piling up personal debts at an alarming rate. The Board reports that more than \$19,600,000,000 of "consumer credit" was outstanding at the end of June for such items as refrigerators, television sets and cars.

This is \$130.30 for every man, woman and child in the country. Time ripens all things. No man is born wise.—Cervantes. Selfishness is the greatest curse of the human race.—Gladstone.

## JEWELRY STOCK ENLARGED

We have added a new show case and have practically doubled our stock of jewelry which includes prism white diamonds, baby jewelry, cigaret lighters and many other items of jewelry for both men and women. You are invited to call and see us for your needs in the jewelry line.

We will take old watches in on new ones.

## DIXON JEWELRY

WOODCRAFT is the only closet of its kind that can be used as an extra closet every day and give years of service. Here are some of the reasons why:

- WOODCRAFT is the ONLY closet with a solid wood frame throughout.
- WOODCRAFT is the ONLY closet with ALL FRAMING at least three-fourths inch thick.
- WOODCRAFT is the ONLY closet with three heavy steel hinges on each door that are screwed in place—not nailed.
- WOODCRAFT is the ONLY closet, under ordinary conditions, that won't warp, bend, sag, or fall apart from constant use.
- 2-MINUTE ASSEMBLY

A WOODCRAFT closet can be assembled by anyone in 2 MINUTES. That's because it's built in ONLY TWO PARTS. Each WOODCRAFT, regardless of model, comes equipped with the original and famous WOODCRAFT AUTOMATIC SPRING LOCK assembly. That means No Tacks . . . No Nails . . . No Cotter Pins . . . No Bad Tempers.
