SEVENTH YEAR NUMBER 15

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, NOV. 2, 1950

EIGHT PAGES

Rev. Otis Strickland, new president of the Foard County Baptist College, with family. Mrs. Strickland, Carlisle, and Charles, Jr. Strickland is a former pastor of the Crowell First Baptist Church.

The annual homecoming of the Foard County Baptist College will be held on Monday, November 10. Plans are under way to make this the homecoming ever held at the college. A full day and night program has been scheduled. The homecoming is being held on this day because the Baptist General Convention sessions are being held in Dallas, Texas, from Monday through Thursday. The homecoming program will begin in the afternoon with the meeting of the Ex-Students Association, at which time the officers of the association will be elected for another year. After the business of the association will be addressed by a former student.

The next item on the program will be the parade which is to be sponsored by the present student body and the various business establishments of the town.

At 6 o'clock in the evening a Western Style Barbecue Supper will be prepared under the direction of Mrs. R. H. Watkins, and reservations for the meal should be mailed to her.

The homecoming football game is to be between the D. B. C. Indians and the Ranger Rangers. This should be an outstanding game since both teams have made an excellent record in the Texas Junior College Conference this year. The kick-off will be at 8:00 p. m.

Archer City Wildcats Win Over Crowell Wildcats 13 to 0 Friday; to Burk Burnett for Game Tomorrow

Crowell High School football team remained undefeated this season last Friday night when it won over the Archer City Wildcats 13 to 0 in District 10A conference. Archer City is the only other team in District 10A. It has one tie marked up in its record. This is the first time Crowell has been able to win a game since 1945. Archer City scored their first touchdown early in the second quarter when Jon Sanders ran 13 yards for the score. This was Archer City's seventeenth touchdown of the season. The extra point was wide to leave the half-time score 6 to 0 for the Crowell team. Archer City had driven to Crowell's 13-yard line in the first quarter to lose the ball on downs. The Wildcats drove to Archer City's one-yard line in the third quarter to lose the ball. Archer City came back to drive to Crowell's 18-yard line in the fourth quarter but lost the ball on a fumble. It took the Wildcats only three plays to make their second touchdown from this point. Hack Norman took a hand-off from Don Gobin, and behind excellent blocking, reversed his field after getting through the line of scrimmage to travel 70 yards for the score. He was led all the way down the field with Gordon Wood Bell acting as a shield. Gobin passed to Jim Paul Norman for the extra point to make the final score 13 to 0 for the Crowell boys.

National Flower Week Observed in Crowell

The observance of National Flower Week, Oct. 29 - Nov. 5, Mrs. Brown, of the Crowell Flower Shop, has placed flowers in Crowell churches and the County Hospital and each house has been reminded with a posy pinned on some member of the firm. Flower Week has been proclaimed by the Society of American Florists. Flower Week is meant to leave a lasting impression on the person who receives them. Whether they be expressions of love, congratulations, hope, gratitude, sympathy for just the personal expression they bring, they do leave a lasting impression. They lift spirits, they are impressive and they are beautiful.

Crowell School Carnival Proves Great Success

The Hallowe'en Carnival, sponsored by the Crowell Schools on Tuesday afternoon and night, proved a success from every angle, financially and otherwise. The long parade entered into with floats and representations from each Grammar School grade showed evidence of work and patience on the part of parents and teachers. Headed by the Crowell Wildcat Band, the parade marched around the court house twice, giving everyone a chance to witness it.

The booths and stands showed a thriving business until they had sold out of the merchandise they had.

AND TO RECEIVE AID

Miss Comedians who are appearing in Crowell all next week, announced that a part of the receipts taken in on Thursday, November 9, will be given to the Crowell Wildcat

Oliver Bulkeley of Fresno, Calif., Buried Here Mon.

Funeral Services Held at Methodist Church at 3 P. M.

Funeral services were held at the Methodist Church on Monday afternoon for Oliver Bulkeley who died in Fresno, Calif., on Friday, Oct. 27. Mr. Bulkeley had been ill for only a short time.

Pall bearers were A. B. Curtis, Leo Spencer, Gordon Cooper, Grover Cole, Oscar Gentry and D. R. Magee. Flower bearers were Mrs. Clint White, Mrs. Oscar Gentry, Mrs. Will A. Jones and Mrs. Grover Cole.

A choir sang several favorite songs of the family and was accompanied by Mrs. Paul Shirley.

Mr. Bulkeley was born in Jackson County, Okla., on Oct. 8, 1891. He was the son of Mrs. Belle Bulkeley, who, with her husband, was a pioneer of Foard County. He left here when quite young and had resided in California for many years.

Survivors include his mother, Mrs. Belle Bulkeley of Van Nuys, Calif.; two sisters, Miss Mildred Bulkeley of Van Nuys and Mrs. C. W. Norrid of Matador; three brothers, S. L. Bulkeley of Santa Fe, N. M., W. H. and J. W. Bulkeley of Red Bluff, Calif. A number of nephews and nieces and other relatives as well as a host of friends also survive. Mrs. G. M. Bush of Crowell is an aunt of the deceased.

Out-of-town relatives present for the funeral were Mrs. C. W. Norrid of Matador, S. L. Bulkeley of Santa Fe, N. M.; Scott Bulkeley of Sweetwater and Mrs. Glenn Grissom of Sweetwater.

Interment was made in the Crowell cemetery under the direction of the Womack Funeral Service.

Pioneer Citizen to Celebrate Birthday

The 80th birthday of Henry E. Ferguson will be celebrated with open house at the Adelphi Club House on Sunday, Nov. 5, with his daughter and son-in-law, Mr. and Mrs. Karl ten Brink, as hosts.

All friends of Mr. Ferguson and the family are invited to attend, Mr. and Mrs. ten Brink stated, and this announcement is to be considered an invitation.

Mr. Ferguson is a real pioneer of Foard County, having resided in this community since Nov. 8, 1886, and has always been active in the development of the town and county. He was an active member of Ferguson Bros. Drug Store for over 40 years, retiring in 1944. The store was established in 1901.

Mr. Ferguson was born Nov. 6, 1870, in Tennessee. The family, consisting of his mother and seven sons and three daughters, came to Collin County, Texas, on January 25, 1881. The family came to Hardeman County Nov. 8, 1886, before Foard County was organized, bringing with them ten head of cattle. He began his first work as a cowboy on the Witherbrook Ranch in 1896.

On June 25, 1908, Mr. Ferguson was united in marriage to Miss Effie Harrison. Two children were born to this union, Charles D. Ferguson of Santa Fe, N. M., and Mrs. ten Brink of Crowell. Of his three grandchildren, Helen Marie ten Brink was also born on Nov. 6.

During the many years, Mr. Ferguson has resided in this community, he has had an active part in all civic affairs and a sincere interest in the development of the town and county.

He has been an active steward in the Methodist Church since 1912, a member of the City Council, served on the Crowell School Board, has been a member of the Odd Fellows Lodge for 40 years, charter member and past president of the Crowell Rotary Club, is a life member and an honorary director of the Foard County Chamber of Commerce. At present he is a member of the board of directors of the Crowell State Bank.

Lon Cottingham Dies in Quannah Saturday Morning

Funeral services for M. L. (Lon) Cottingham, well-known rancher of this area, were held at 4 o'clock Sunday afternoon in the First Methodist Church in Seymour, where he had resided since selling his ranch in the Gilliland community and retiring from the ranching business about one year ago.

Mr. Cottingham passed away in the Quannah Hospital early Saturday morning.

Last rites were conducted by Rev. Euel D. Crosby of Lubbock and Rev. J. O. Quattlebaum, pastor of the Seymour Methodist Church. Interment was in the Greenwood Cemetery in Fort Worth Monday at 10:30 a. m.

Pall bearers were Bax Johnson of Crowell, Tom Craddock, D. E. Moorhouse, Dave Holman, D. J. Brookreson of Seymour and J. O. Cure of Gilliland.

Survivors are his wife; two sisters, Mrs. Roy Harrison and Mrs. Irma Patterson, both of San Antonio; and one brother, G. C. Cottingham, of Seymour.

Mr. Cottingham came to this area in 1929 where he entered the ranching industry in the Gilliland community in Knox County. He was well-known and loved by a large number of people in Knox, Foard and Baylor Counties.

B&PW Members Attend District Meet in Wichita Falls

Attending the conference of the 10th district of Texas Business and Professional Women's Clubs which was held in Wichita Falls on Saturday evening and Sunday, October 28 and 29, were the following representatives from the Crowell Club: Misses Cora Carter, Mayme Lee Collins, Gusta Davis and Lottie Russell and Mrs. Mae Solomon and Mrs. Dove Carlisle.

At the Saturday evening meeting, Pearl Scott, director of district 10, was the officiating officer. Addresses of welcome were given by Mayor Harold Jones, Chamber of Commerce President Henry Grace, and Beatrice Williams, president of the Wichita Falls B&PW Club. Suitable response was made by Dove Carlisle, vice president of the Crowell Club. Introduction of Aileen Ater of Childress, first vice president of the Texas Federation, Margaret Brand, state legislation chairman and Dora Davis, a former president of the State Federation, were made and Dora Davis delivered the main address of the opening session.

A banquet session was held in the evening at which Miss Brand spoke on the subject, "Measure Up to Citizenship," in line with the conference theme "Measure Up." The theme is also the theme for the 1950-51 year of the National Federation of B&PW Clubs. The speaker urged the business women to help educate their communities to the "Equal Rights Amendment;" talked on the need for jury service for women and on the fact that the present state laws in Texas discriminate against women in the handling of their own property. She urged the pushing of a bill to revise the statute which will permit a married woman to deal with her separate property on the same basis that her husband deals with his separate property.

Voters to Cast Ballots in General Election Nov. 7

When voters of the county go to the polls next Tuesday, Nov. 7, to vote in the general election, they will mark the smallest ballot that has been used in many years. The ballot contains only four columns, one for the Democratic Party, one for the Republican Party, one for Independent candidates and one for write-in candidates with candidates for office appearing only in the Democratic and Republican columns. The ballot for 1948 was the largest to ever be used. It contained 8 columns and included seven parties. There were also eight amendments to the Constitution of the State of Texas on the 1948 ballot.

Voting boxes will be located in the usual places over the county and the polls will open at 8 o'clock and close at 7 o'clock.

There will be twenty-nine names in the Democratic column and eleven names in the Republican column. The names in the Democratic column include candidates for state, district and county offices, and in the Republican column are listed candidates for state offices from Governor down to state treasurer.

It is a privilege and a duty for every voter in the county to go to the polls and vote in every election and it is hoped that a good vote will be cast in next Tuesday's election.

ROTARY CLUB

Misses Betty Barker, Bobbie Abston, Maurine Youree and Mary Alice Rader, high school students, delightfully entertained Crowell Rotarians at the Wednesday noon meeting of the club at the Club Cafe. The quartet rendered two musical selections and Miss Youree gave a feature number.

H. S. Powell of Vernon was a visitor.

Mr. Long was one of twelve purebred Aberdeen-Angus breeders elected from Texas during the past month to membership in the organization.

Lions Club Is Sponsoring Home Talent Show, "It's a Date," in High School Auditorium Monday - Tuesday Nights

Rehearsals are underway for "It's a Date," the local talent show being sponsored by the Crowell Lions Club and to be presented on November 6 and 7 at the High School auditorium.

The play is under the direction of Miss Florence Gray, who has had much experience in this line of work. Miss Gray states that she is greatly pleased with the cast and anticipates one of the finest shows she has ever directed.

Cast Includes Prominent People

The cast includes about 50 people who impersonate famous radio personalities, mythical characters including Foster Davis in the role of Santa Claus and Mrs. Elmo Todd who will portray his wife. Larry Ferguson will appear as Santa Claus Jr.

The two leads in the show will be taken by Mrs. Gordon Erwin and Don Wilkins, who are cast as Ginger Jones and Jojo Brown, a typical American boy and girl who are in love, but just can't decide on the proper date for their wedding. They discuss the various

Deer Refuge in County Virtually Assured, Self Says

The proposed deer refuge project for Foard County has been virtually assured by the cooperation of land owners of the county, according to an announcement made here this week by George Self.

Mr. Self stated that 153,000 acres have been put into the refuge during the past two weeks. A meeting was held Saturday in the office of the Foard County Chamber of Commerce for landowners interested in the project.

There are still some land owners who may be interested in their property becoming a part of the game preserve, Self said. In case any of the property owners whose land lies adjacent to those already in the preserve are interested, they have been requested to see Mr. Self or Ted Stafford at the Chamber of Commerce.

This must be done before November 10 because that is the deadline when the Game Department of the State will take over work on the deer refuge.

Land owners who have cooperated in the project are W. B. Johnson, Hagan Whatley, Merl Kincaid, Paul Shirley, Hartley Easley, Mrs. G. D. Self, V. A. Johnson, J. A. Marr, Teague Estate, Mrs. J. B. Rabberry, Carroll Brothers, Leslie Thomas, Leslie McAdams, C. D. Shamburger, Wishon Estate, C. A. Bowley and Tom L. Burnet Cattle Co.

Grady Graves, Superintendent of Crowell Schools, announces the following holidays for the school year: Thursday, November 23 and Friday, November 24, for Thanksgiving; Friday, December 22 and the following week for Christmas; and Friday, March 23, for Easter.

Due to new regulations by State School officials, there will have to be 175 days of actual instruction which will cause the school year to continue through Thursday, May 24, next spring. This is practically an entire week longer school term than has been in the past.

School Holidays for Entire Year Are Released Monday

Former Resident Visits

Mrs. D. J. Wilhelm of Lubbock, resident of Margaret from 1909 to 1914 where her husband, the late D. J. Wilhelm, owned and operated the Margaret gin for five years, was a visitor in Crowell last Friday morning. Mr. Wilhelm passed away in Lubbock on Aug. 24 of this year, and his twin brother, W. A. Wilhelm, of Vernon died in February, 1950.

Mrs. Wilhelm visited Mrs. A. E. McLaughlin in Crowell and was en route to Vernon to visit her sister-in-law, Mrs. W. A. Wilhelm. Mrs. Wilhelm is a former teacher in the Lubbock schools, but at present is teaching in the Smyer schools in Hockley County.

FREAK BOLL OF COTTON

Claude Nichols brought a freak boll of cotton to town Monday which had nine locks. The usual number of locks for a cotton boll is five or six. The boll which Mr. Nichols was exhibiting was immature because it had been punctured in two places by boll worms.

Lieut. Lester W. Blevins Wounded in Action in Korea

Lieut. Lester W. Blevins was wounded in action in Korea recently, according to reports received by his wife of Fort Dix, N. J., and his parents, Mr. and Mrs. Charlie Blevins of Fort Worth, former residents of Thalia. He is wounded in the abdomen and right leg and has been evacuated to a general hospital in the States, according to the reports.

ON "A" HONOR ROLL

The names of Marcia Kincaid and Jean Hughton should have been included in the names on the "A" honor roll for Crowell High School printed in last week's issue. Through a mistake, these names were omitted.

Brother of Mrs. T. W. Cooper Dies in California Oct. 27

P. L. Taylor, 66, of Marysville, Calif., brother of Mrs. T. W. Cooper of Crowell, passed away in a Marysville hospital on Monday, October 23, following an operation. Funeral services were held at Auburn, Calif., last Friday, Oct. 27, with burial in the Newcastle, Calif., cemetery.

Native of Glasgow, Ky., Mr. Taylor went to California in 1901 where he had resided for 49 years. He had been engaged in the fruit business during that time. He was a 32nd degree Mason.

Besides Mrs. Cooper of Crowell, he is survived by another sister and four brothers, all living in California.

One of the brothers, H. B. Taylor, of Lodi, Calif., and his nephew, Loyd Stephens of Yuba City, Calif., who had been visiting in Glasgow, Ky., spent the night of October 25 here visiting Mrs. Cooper and her husband. Learning of the brother's death after arriving here, they took a plane at Amarillo on October 26 to return to California for the funeral. The brother who died had planned to be here on Oct. 25.

OUR WORLD TODAY

Last week was United Nations Week. How many noticed our United Nations flag flying on the campus Tuesday?

Even though all of us were not able to listen to the United Nations Day program over all principal networks at 11 o'clock a. m. Tuesday, many CHS students, along with many millions of other Americans, have signed the Freedom Scrolls and voluntarily contributed to the Crusade to help support and expand Radio "Free Europe" into a "truth network."

This is the plan through which liberated leaders of satellite countries are speaking to their oppressed friends and relatives still behind the Iron Curtain, combatting vicious communist propaganda with the truth about democracy. This gives these people hope for eventual freedom.

Today the future of our world looks dark and solemn and many people say there isn't much hope of men ever living peacefully together. The UN is trying to salvage what little good remains in this world and make a new world where men may live together peacefully without fear of war and destruction.

We students of CHS wonder how all this can possibly concern us, who are content to live in our private worlds away from the realities of today. Too many people feel this way, and yet, it is in their hands that the future of our world lies.

Although the UN has had many roadblocks in its path, it is making tremendous headway toward the peaceful settlement of problems of the world.

CHS BAND AMONG MANY GROUPS ATTENDING MIDWESTERN HOMECOMING

Among the sixty bands attending the Midwestern University Homecoming last week end was the Crowell Wildcat Band.

After a colorful performance at Archer City, the band left for Wichita Falls in buses driven by Allan Taylor and George Fox and made camp at the Marchman Hotel. Scavenging around Wichita, the band members found the entrance of their choice, then returned to the hotel at midnight. The Marchman was quite a busy place all night, for most of the band members just "conducted."

At 9:30 a. m. Saturday, the band lined up in preparation for the Homecoming parade. The parade was led by the Midwestern Indian Band which was followed by a maroon and gold float on which the Homecoming Queen, Rita Bauldwin of Vernon, reigned. Next in line was the ACC Band. Many colorful floats added to the parade as well as clowns and mock bands.

The Wildcat Band, led by Drum Major Charles Wishon, was close to the front of the parade and had finished marching long before many of the floats and bands had begun.

After the parade, the band members went shopping, sight-seeing, or back to the hotel for a rest until time for their noon meal.

Going to the game at 2:15 p. m. to see the Midwestern Indians challenging the ACC Wildcats, the band enjoyed very much the Indian dances done by a group of Indians from an Oklahoma Indian School. At half-time the ACC band gave a brilliant performance with their theme being the United Nations. Next came the Midwestern Band, lined up parallel and making an assie through which came the Homecoming Queen, sitting atop an elaborately decorated float.

After the crowning of the queen by the MU student body president, Pee Wee Trumpler, the MU band drum major led the Indian Band into many difficult and entertaining formations. One of these performed was the formation of an Indian chasing a Wildcat, catching him, and then the letters "OW" were formed.

The Wildcat Band members yelled for the team of their choice, but at last saw ACC the victor over Midwestern.

Besides having a good time, the Band, whose director is Mary Close, made a very good showing in the parade and was complimented on their precision marching. Tired but happy, they arrived in Crowell about 8 Saturday night, ready to tell about their adventurous experiences.

NEW DRUM MAJOR SELECTED BY WILDCAT BAND

Leading the Wildcat Band on the field at half-time at the Archer City-Crowell game Friday night was none other than the new drum major, Charles Wishon. Tall, dark-haired Charles looked very handsome as he wore the white

and gold suit as drum major for the first time.

A senior this year, Charles, or "Phushay" as his friends call him, is a credit to CHS. He has lived in Crowell all his life, residing on the Wishon Ranch.

Distinguishing himself in the field of agriculture, he has helped to win many pennants for CHS. At present, two of his main interests are dating Pat Hammonds and pestering Mrs. Sloan. In the future, he plans to go to college to study to be a veterinarian.

As Charles has had previous band experience, he is a very capable drum-major, and the band feels it has made a wise selection.

AMONG ALUMNI

Clara Jones, who is attending TSCW at Denton, was presented in a current issue of "The Lass-O" as having won a prize in the cornhusking contest. This contest was a race to see which girl could husk the most corn in the allotted time. Clara is quite accustomed to being a contest winner. She went to state in the Interscholastic League Short Story Writers contest, and she was titled as the best individual actress in the one-act play contests. In 1949-50 she was editor of the Wildcat and literary editor of the "Round-Up," and district winner in the essay soil conservation contest. This year at TSCW Clara was one of the few freshman girls appointed to the staff of the yearbook, and also chosen as one of the two freshman editors of the "Lass-O."

We hear that another ex-senior who is doing well is Rondyn Self at Ward-Belmont in Nashville, Tennessee. While at CHS Rondyn was editor of "The Round-Up," social reporter of the Wildcat, and she was given the Activities Award by the faculty. At Ward-Belmont, Rondyn is a member of the yearbook staff. She is also on the Junior Council Board. This board consists of six students from Vanderbilt University, George Peabody University and Ward-Belmont. She attends the YWCA and is a member of the Wesley Foundation.

SECOND SOUTHERN ASSEMBLY

On Thursday, October 26 at 9 a. m. Mr. and Mrs. Frank Layton entertained both high school and elementary school in the high school auditorium with their famous dogs. Eight well-trained dogs were included in this show, two being twelve years of age.

The tricks included hoop jumping, rope skipping, barrel rolling, from foot walking, back foot walking, the singing dog and impersonations of famous people.

There were also acrobatics, performing tricks on the tight wire, mathematical dogs barking the correct answers to arithmetic problems called out by the students, a dog that could pick out the color of scarf that the students called for, and last of all a clever dog who guessed the color of underwear worn by Hack Norman.

These, plus several other stunts provided a laughable and entertaining program lasting about 45 minutes.

Mr. Layton also included in his fine program a demonstration, teaching secrets of his profession, making it a pleasure for us to teach our own pets how to perform these amazing stunts.

The Layton dogs were thoroughly and expertly trained through kindness alone, as everyone realized after witnessing their tricks and seeing the many little tails wagging after a job well done.

CALISTHENIC CUTIES CUT CAPERS

Those of you who have friends that come dragging back to classes with sore muscles in their legs probably think that the Gym-Janes have taken up football.

Let me tell you they haven't. Twenty-six little lovelies have just completed a forty-five minute period in Mrs. Sloan's third period gym class.

The first fifteen minutes of this period are spent in calisthenics that are very capably led by Billy Caddell. These exercises are terrific for techniques in posture, health, and muscle control.

If you have the time during

your four years at CHS, take two years of P. E. if possible whether you intend to be a volley ball player or not.

FLASHES FROM CLASSES

Mrs. Davis' Algebra II class says, "It took mathematicians many centuries to decide what to do about plus and minus numbers. Now how can we expect to know them on this three weeks test?"

Mr. Myers' VA II class is studying the mixing of feeds for the best production of livestock.

Mr. Black's drivers' education class is studying Driver's Handbook, which is a requirement of passing Texas driver license girls. Mrs. Kenner's Homemaking girls are studying the fine art of baking and decorating cakes.

Mrs. Black's English classes are struggling with verb forms and the most effective means of expressing their own ideas, in both oral and written work.

Mrs. Hulse's bulletin board says "You'll be as wise as tree full of owls if you learn to use reference books."

Coach Amonett's American History class is studying "The Critical Period in American History."

Mr. Sallis' biology class is studying plants and animals in a physical world.

Mrs. Close's world history class is studying the civilization of the Greeks and how it is related to our present-day living.

Mrs. Todd's first and second period Speech classes are each working on one-act plays. Each class plans to present three one-act plays on an evening in the near future.

F. H. A. PROJECTS

This week your FHA chapter reporter received from Patsy McMeans, Area I reporter, a letter and a sheet on which was printed this question, "Does your chapter participate in any of these?"

We had an excellent report to send back to Patsy. We checked "Yes" on the column for these:

1. Plant red rose bushes.
2. Participate in FHA week.
3. Have a homemaking education project.

4. Participate in FHA week.
5. Have yearbooks.
6. Have publicity appearing regularly in the newspaper.
7. Have a chapter mother.
8. Chapter members work for degrees.
9. Send in material for "The Future Homemaker" or "Teen Times."
10. Have regular scheduled meetings throughout the whole year.
11. Make money to carry on activities of your chapter.
12. Exhibits.
13. Report of summer activities.
14. State and county fair activities.
15. Activities done to earn any degree.
16. Have outstanding CHA clubs.
17. Have very impressive installation ceremonies for FFA or FHA clubs.

Patsy McMeans wanted this information about our club to publish in "The Future Homemaker" and "Teen Times." The FHA club is very proud of this report and even though it is still early in the year, it has already completed several of its projects.

THE WILDCAT

(Continued from Page 2)

FACULTY DEFEATS GYM JANES

Friday at noon the faculty defeated the Gym Janes 15 to 12. "What happened to the faculty?" was what everyone was asking. It did seem that the faculty was having a little difficulty. "Hit 'em all" Sallis and "Pick 'em up" Erwin were really having a tough time keeping up with those who missed the most balls. Even though "Spiker" Myers was absent, R. C. Sanders took his place and did a "swell" job.

PLAYER OF THE WEEK

There is the snap from center. Harold "Tony" Ribble throws a beautiful block. "Tony" is the Wildcats' regular center. A three-year letterman for the Wildcats, Tony is eighteen years old and is one of the toughest players on the team. He has played every offensive play from the first of last year's season up until now.

Stay in there "Tony" and help those Wildcats win district!

WILDCAT WHISPERS

Hi! You all! After looking the field over I find several people unattached. We might suggest Mildred Templen, Bobbie Abston, Bertha Johnson, Faye Black and Mary Lou Woods for the girls. The boys recommended are James McBeath, Robert Brock, Don Brisco, Jimmy Cates and Jimmy Rasberry. "Love Letters" is the tune on Maurine's mind. Of course, we wouldn't know why, would we, Maurine?

Edna Curtis is still mooning over her secret love. Why not tell us, Edna? After all, a fella needs a girl. Flash! Gordon Bell is almost able to part his hair with crew cut growing out.

I hear by the grapevine that several of our freshman girls are planning on matrimony. (Three years from now.)

What vivacious blond has a crush beyond comprehension for Jon Sanders? But then who doesn't?

Neva Potts has been seen without a date at several recent affairs. Looks as though this would be a task to undertake for some boy.

Why has Jean Jones got that dreamy look in her eyes? I wonder who it is this time?

I certainly was flabbergasted to discover that Hack Norman likes to collect pictures of a certain girl.

Ruth McRae, who is this good looking chap we've heard so much about lately?

Seen Sunday night were James Pyle and Lucille Carroll.

What's this we hear about Harold Ribble and Kay Cribbs?

Wonder why Jean Gamble and Pat Hammonds are so unhappy? Could it be because Pat is homesick and Jean is just down right broken hearted?

It seems that in Wichita Friday night, some girls didn't know that every time you go downstairs the burglar alarm rings.

What did you girls think of the air-boys who were here Saturday night?

Joyce Ford was seen with an air-boy over the week end. Hey, Joyce, why don't you introduce him?

It's for certain that there's some lucky femme on this campus! Visits from her man in his Buick proves it. Who could it be but Jean Kile.

Jo Ann Dixon seems to have an interest in Orval Railsback.

Jolyne Wallace received a letter from a certain boy in Alford, Texas.

Imagine my surprise when I heard that James Denton had finally found him a cute freshman girl, Myrna Loy Riley.

Neal Perkins and Rebecca Calvin would really make a cute couple.

Rumors are flying that Posey and Floyd have broken up. Ditto for "Booger" and Tommie.

The girls of the Junior Columbian Club and their guests whirled to dance music at the community house Saturday night.

Couples seen at the dance were Sue Meason and Fred Barker, Billie Bell and Buddy Caddell, Billye McCoy and Wayne Borchardt, and Gail Knox and Robert Kincaid.

Shades of witches, ghosts, goblins and whatever there might be were seen Halloween night. Be good til I'm back again. The Cat's Tail.

SIDE SPLITTERS

"The Way It's Done" Freshman: "Plesse, Mom, could I go out tonight?" Sophomore: "May I go out tonight? I'll be home by ten." Junior: "I'm going out tonight." Senior: "Goodnight, folks. I'll bring in the milk."

It was Max Hardin's first visit to the farm when he visited George Ann Davis one day. Viewing her father's farm equipment, he replied, "Your father's methods of farming are so out of date, I'd be surprised if he got a bushel of apples from that tree." George Ann replied: "So would I. That's a pear tree."

Many of us spend half our time wishing for things we could have if we didn't spend half our time wishing.—Alexander Woolcott.

Woodrow Wilson issued the first Mother's Day proclamation.

Women Everywhere like **Electric Cooking** because it's **CLEANER** ... COOLER and SAFER!

Some day you will **COOK** **ELECTRICALLY** why not **NOW?**

- Here are a few of the reasons Women prefer Electric Cooking
- It's Fast! Electric "speed-units" now cook faster than any other method!
- It's Automatic! Electric cooking's automatic features save you time, labor and money!
- It's Cool! Electric ovens are insulated on 6 sides. Heat goes into food and not into the kitchen.
- It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!
- It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.
- It's Economical! Low-cost electric rates and faster cooking bring operating costs way down.
- It's Labor Saving! Automatic features save you work; free you from much kitchen drudgery.
- It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.
- It's Convenient! Designed for modern kitchens, the special features of Electric Ranges mean extra conveniences for you!

The clean flameless heat that comes from an electric coil frees you from the grime ... soot ... and dangerous fumes usually caused by old-fashioned flame methods of cooking. The flameless heat of an electric range will keep your kitchen bright and fresher longer with a minimum of repainting and upkeep ... and pots and pans will stay shiny bright, too! The modern electric range is not just a better range—it's a better method of cooking!

THERE'S A NEW ELECTRIC RANGE FOR YOU

See your **Electric Range Dealer TODAY!**

He will tell you more about the wonderful electric ranges ... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

GO TO THE BALLOT BOX

The ballot box stands between a free people and enslavement. The right to vote is the strongest defense we have against oppression.

Few people will deny this. Yet huge numbers of Americans, who regard themselves as good and patriotic citizens, fail to take advantage of their greatest privilege.

In local elections, it is common for less than half of the eligible voters to go to the polling booths. Even in national elections, in which men are running for the highest offices, and in which issues and principles of the utmost moment are at stake, millions of us don't vote.

The result, of course, is government by minority—there is no way to measure the views and opinions of the man who fails to exercise the right of franchise. Government of the people is possible only when the people make their stand known—and that can be done only at the ballot box.

On next Tuesday there will be another election of great importance. The control of Congress will be decided. The Presidential campaign of 1952 will be strongly influenced by what happens this November. Policies which will determine the future of the nation, for good or ill, will be established. The majority will rule, as usual. But the true voice of the majority

It requires the smartest kind of selling to sell life insurance. The life insurance salesman must sell his prospect a little scrap of paper which binds the purchaser to pay over a sum of money each year for ten, twenty or thirty years or for life, for something that will be delivered after his death to some one else.

Nothing impresses one with the fact that the years are relentlessly creeping upon him, as the realization that his friends his own age are one by one answering the final roll call. As one's friends go, one's world begins to slip away from him, for our world is after all the people we know. Not many of us make many friends after we are fifty.

It is beginning to look as though something should be done quickly about unity here at home among the armed forces heads. There is too much bickering, too much pulling and hauling, too much petty jealousy, too much politics.

There's a lot of pleasure to be found in a well managed business and there is a lot of pleasure to be found in a well managed life. There is not much pleasure to be found in any other kind of business or life.

In a good many places in the Bible the Lord promises to do things for the sinful man if he will turn from his sinful ways, but nowhere in all the Bible is there any promises made to the lazy man.

We've seen a lot of monuments erected to men who had the courage to fight to help preserve freedom and our way of life, but we have never seen a monument erected to the memory of a conscientious objector.

The meek are admirable people but when it comes to driving a car through a stream of heavy traffic, they are always late for dinner.

What a great world this would be if all the criticism were withheld until all the facts were known. Criticism based on incomplete knowledge or blind prejudice may be as harmful as a malicious lie.

can never be known if again, as in the past, millions of people who possess the right to vote shirk their duty and responsibility.

Study the candidates and the issues. Make up your mind as to which of them, in your opinion, can do the most to keep this country strong, solvent and free. And then vote.

The Critic

What We Think

(By Frank Dixon)

Last week in this column I discussed some of the things that the women's clubs of my community and other communities might do to provide a focal point for their efforts and energies, and a design for living. This week I am going to talk about what one club in my town did accomplish that will remain a monument to their energy and foresight and devotion as long as the town shall endure.

This group of women sensing a community need banded themselves together to secure a library for the community. They called themselves the Bookman Club.

They began in the humblest sort of a way to study how without funds or financial aid, they might create for the community a library. Their efforts, at first small, extended over a good many years, twenty-five or thirty. Starting in a very small way with commendable and inspiring tenacity, they devoted a great deal of thought and study and effort to the project.

The result is that today the town has a splendid library housed in a modest building that has been bought and paid for by the Association. A librarian is on duty during the day and the evenings and each week hundreds of persons visit the library for reading, research and to take home books.

Within the last few years the people of the community voted to levy a small tax to provide more funds to the Association for the purchase of books and to defray operating expense. A state law made this possible.

I have known the organization since its inception years ago. To me it has always been a challenge when I remember the unselfish devotion and the tireless and unceasing perseverance with which these women devoted themselves to this project. The long years of effort, the at times slow progress that was made never seemed to daunt or discourage them. They had a goal in sight—a design for living and were willing to give cheerfully of their time and thought and effort and study to make of it a reality. When this group started out it was made up of relatively young women. In the more than thirty years that have elapsed since they first conceived and set to work on their plan, they have grown old, some of them to the point where their activities are

Two Minute Sermon

(By Thomas Hastwell)

The Mantle of Elijah: I like the story of the old prophet, Elisha. When the call came to him that he was to succeed the prophet, Elijah, he accepted without hesitation his new and great responsibility. He renounced his old life and everything connected with it. He even destroyed his yoke of oxen and his plow, symbolizing that he was giving up his former life and would henceforth follow the call of the prophet. Later, at the close of the dramatic scene that surrounded the going of Elijah in a chariot of fire, he picked up the fallen mantle of Elijah and put it upon his own shoulders signifying acceptance of the responsibility in full for his new work. How elemental and dramatically beautiful are these incidents, and how truly do they epitomize the life of this man. How perfectly do they point the way for the men and women of today who would follow Christ. There is the complete turning away from the old life and the acceptance, as of a mantle, the responsibility for the new. Such an act now as in the days of Elisha requires courage and conviction and character, for without these there can be no renunciation of the past, and no surrender of self.

A mis-managed business is bad, but a mis-managed life is worse.

quite limited, but this fact has not lessened their interest nor dulled the thrill of satisfaction that is theirs every time they visit their beloved library.

It took a lot of work. It took a lot of study. It took a lot of patience and persistence and determination in the lean days when no one outside the group knew of the real effort that was being made, but they persevered and now they are able to enjoy the reward of satisfaction that comes from the contemplation of their efforts.

I do not think the opportunities for such efforts are exhausted in my community. We do not need another library, but there are other things that would add to the richness of the community life. Whether or not we secure them will depend upon whether some unselfish group dedicates itself to their attainment with the same selfless devotion as did the Bookman Girls more than thirty years ago.

In The News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Nov. 5, 1920:

The first of the week Public Weigher C. W. Thompson had weighed 2,500 bales of the 1920 cotton crop and was receiving about 100 bales per day. He figured he would easily weigh 3,000 bales by Saturday night. It is estimated that the county will make 15,000 bales.

Dave Solis, public auctioneer, reports a big day in trading for Crowell last Monday. Many horses and mules changed hands, Mr. Solis said.

P. O. Williams and Fred Bomar are preparing to open up a meat market in the near future.

Plans were started this week for the building of a new Baptist Church in Crowell.

County Agent P. D. Chaney reports quite a lot of cholera among the hogs of this county.

Mr. and Mrs. T. L. Hughston were here last Thursday and Friday from Quanah.

District Attorney James V. Leak of Vernon was attending court here this week.

Howard Ringgold of Breckenridge is here visiting relatives.

Mrs. L. G. Andrews has been in Vernon this week visiting her sons, Beaty and Charlie.

Mrs. Lee Allan Beverly and little son, Fred Allan, returned Tuesday from Wichita Falls.

G. C. McGowan, former secretary of the Foard County Chamber of Commerce, left Sunday for Seymour where he will be county agent.

Mrs. W. C. Sears died at the home of her daughter, Mrs. J. M. Stroud, in Odell Oct. 28. The body was shipped to Crowell for burial. She would have been 84 on Nov. 16. She was the mother of Mrs. J. W. Bell and lived here many years before the death of her husband.

Mrs. Elizabeth Ballard reports she will make one-half bale of cotton per acre on 90 acres. Her four sons pick a bale every two days.

As a result of a survey along this line it is announced that if a person enjoys one-fourth of his work, he had best continue in it and make no change. If he enjoys less than a fourth of the work he is doing, a change is advisable.

THE COUNTRY PRESS SAYS

Scotland Neck, N. C., Commonwealth: "The Department of the Interior is insisting on competing with the Virginia Electric and Power Company for the right to build a dam across the Roanoke River at Roanoke Rapids, Hert is a definite attempt on the part of the government to be one of the players instead of being willing to sit back on the sidelines and control the rate situation for the benefit of the people."

Dillon, S. C., Herald: "If the American way of living is not the best, no other nation has been able to prove it."

Redkey, Indiana, Times-Journal: "The same high taxes and inflationary prices which are figuratively breaking the backs of many businesses also have a lot of farmers on the ropes."

Knoxville, Iowa, Express: "What this country needs instead of fewer big businesses, is a lot more of them, decently run for the benefit of the workmen, the public and the consumers, which, of

course, they have to do or they will not be big very long, but any size very long if they do not run right."

Myrtle Point, Oregon, Herald: "The menace at home is socialism. Why do Americans to be regimented into social medicine when, for the cost of a package of cigarettes a day, complete protection can be obtained for your entire family?"

Marion, Wisconsin, Advertiser: "We are in the midst of a shaking world development, the nation is in desperate attitude of the advice and the vote comes from the grass roots."

Somehow the grass roots have always had a sound attitude toward national affairs. The kind of attitude which has been noticeably absent."

It must be a sign of advance when one begins to think all of the interesting things opened years ago and that really interesting happens

Capital Stock of Southwestern Life to Be Increased

Taking cognizance of the company's rapid growth during recent years, the board of directors of Southwestern Life Insurance Company at a regular quarterly meeting Tuesday, October 17, recommended an increase in the company's capital stock from \$4,000,000 to \$5,000,000.

The proposal will be submitted at an early date to the company's stockholders, who will be asked to vote on the transfer of \$1,000,000 of surplus funds to capital stock. If the proposal is approved by them, the stockholders would receive one additional share of stock for each four shares of stock which they now hold.

President James Ralph Wood said the present capital stock structure of Southwestern Life has existed since 1937. At the beginning of that year the Company had \$303,215,774 of life insurance in force, \$51,852,241 in assets, and \$41,846,463 of reserves belonging to policyowners.

As of December 31, 1949, the company's life insurance in force amounted to \$761,644,019; assets totaled \$200,132,922 and policyowners' funds were excess of \$173,000,000.

He pointed out that in this period insurance in force has more than doubled and the company's liability to its policyowners has increased fourfold.

"It is the considered opinion of the company's directors," Wood

Cemetery Report Made by President

Mrs. N. J. Roberts, president of the Cemetery Association, writes the following concerning some needed work at the cemetery. "While the grading and gravelling is being done on the Crowell streets, there are plans being made to do some work at the cemetery while trucks and gravel are available.

"We plan to build up and fill in the old streets and open up two new ones. For this work and the fence, some extra cash is badly needed."

Contributions made since the last report was made on Oct. 12 include:
Hoyt Turner, Amarillo \$5.00
Miss Lourena Cope, Fort Worth \$5.00
Mrs. G. J. Benham \$2.00
Mrs. T. S. Patton \$5.00
O. N. Baker \$5.00
H. L. Cannon, Ft. Worth \$10.00

said, "that the capital structure of the company should now be strengthened in line with the greater responsibility assumed as a result of the company's growth during the past 13 years."

Southwestern Life is represented here by Winston Simmonds.

CARD OF THANKS

Words are inadequate to express the appreciation we feel toward our friends and loved ones who were so nice to us in sending gifts, flowers, cards and each kind word and deed during the illness of Mother at the hospital and since being home. We also thank the doctors and the wonderful nurses. May God bless each of you.

Houston Fat Stock Show Starts Jan. 31

Houston, Texas, Nov. 1 — Livestock show exhibitors, county agents and vocational agriculture teachers throughout the State of Texas are receiving premium lists for the 1951 Houston Fat Stock Show and Livestock Exposition.

This was announced by President W. A. Lee, who said the 19th annual show would be held January 31 through February 11 in downtown Houston's Sam Houston Coliseum.

At the same time, Mr. Lee said

that more than \$102,000 in premiums and cash awards would be offered for the 1951 show—a new high—and that a record number of exhibitors were expected.

December 15 will be the deadline for cattle, sheep and hog entries, Mr. Lee said, with poultry, turkey and horse entries accepted through January 15.

The best in rodeo entertainment has already been contracted for

19 performances of the West Championship Rodeo. Starring will be William Boyd, nationally-known motion picture and on television Eddie Arnold and his Oklahoma Wranglers have also been contracted.

These two acts will be complete with other action-packed rodeo events, Mr. Lee said, all adding up to a full two hours of entertainment.

REBEKAH LODGE

Crowell Rebekah Lodge held a regular meeting on Friday night, October 27, at the Odd Fellow and Rebekah Hall, with Juanita Garrett, Noble Grand, presiding.

The session opened with the flag ceremony, the pledge of allegiance and the singing of the national anthem.

The altar and stations were covered with white taffeta covers and candles were used at the different stations. All officers were in formal attire for the beautiful candlelight service when the Degree of Rebekah was conferred on one candidate by the local degree staff.

During the business session, plans were completed to have a "Sock Supper," Monday night, November 13, which is open to the public.

Delegates were selected for the annual meeting of the Lower Panhandle Association of Odd Fellows and Rebekahs which meets in Vernon on Nov. 2.

CO-LABORERS' CLASS

The Co-Laborers' Class of the Methodist Sunday School met in the home of Mrs. Jim Shook on Thursday evening, Oct. 26, for a social and study meeting with Mrs. Grover Cole and Mrs. Ralph McKown as assistant hostesses.

Mrs. Allen Sanders directed the songs, "I Love to Tell the Story" and "Haven of Rest." Mrs. W. C. Erwin was lesson leader and gave the devotional on "Today." Mrs. A. Y. Beverly was assistant leader and discussed several chapters of the book, "Women of the Scriptures," featuring Mary, the Mother of Jesus, Mary Magdalene, and several outstanding women of the Bible. Mrs. J. W. Bruce talked on "Sharing of the Home," with examples of Aquila and Priscilla and Mary and Martha.

In the business period presided over by Mrs. Erwin, president, reports of officers were given, also a report by Mrs. Grover Cole of the workings of the Social Service committee. Several contests were conducted by the hostesses. A plate of delicious refreshments was served to eighteen members at the close of the program.

WEEK OF PRAYER OBSERVED

The week of prayer outlined for the W.C.S. of Methodist Churches was observed by the local organization at the church on Monday with an all-day service. Opening at 10:30, Mrs. T. B. Klepper was leader for the morning service. Meditations were given by Mrs. Klepper, Mrs. Hines Clark, Mrs. Henry Borchardt and Mrs. Fred Wehba. The Home

Projects which were considered for the day's study and to which an offering was made were discussed by Mrs. Mike Brown, Mrs. Sam Bell, Mrs. J. N. Ribble, Mrs. Ray Duckworth, Mrs. Jim Shook and Mrs. Grover Cole. Mrs. G. D. Self gave an inspiring talk of prayer power. Mrs. M. J. Girsch held the consecration service before the offering was made. Mrs. Paul Shirley played piano accompaniment for all songs sung.

Invocation for the noon meal was given by Mrs. Bell. In the afternoon, Mrs. M. S. Henry was the leader and gave the devotional. Foreign projects were considered during the afternoon and were presented by Mrs. Leotis Roberts, Mrs. Moody Bursley, Mrs. Bill Bell, Mrs. R. R. Magee, Mrs. Hubert Brown climaxed the afternoon's program with a discussion of the Jesse Lee Home for Children in Seward, Alaska, which she visited on a summer tour of Alaska. She showed colored pictures of the Home and of other places in Alaska. The day's offering amounted to about \$65.00 which will be sent to the places mentioned.

BIRTHDAY PARTY

Sue Meason was hostess to a group of friends at her home Monday evening, Oct. 30, in observance of her fourteenth birthday. The party was an out-door affair and all the guests wore western attire.

Games were enjoyed on the back lawn where the pretty birthday cake adorned a table from which refreshments of the cake, sandwiches and Cokes were served to the following guests: Billye McCoy, Billye Bell, Frances Kincaid, Ann Bayless, Zonelle Eddy, Barbara Fairchild, Charlene Borchardt, Betty Sue Bartley, Neta June Carroll, Nancy Hallmark, Judy McGregor, Francine Coffey, Gail Knox, Robert Kincaid, Don Kidd, Robert Graves, Gordon Graves, Bobby Weiss, Bobby Davis, C. FOARD CITY W. S. C. S.

Week of Prayer was observed by the Foard City W. S. C. S. on Monday, Oct. 23, in an all-day meeting at the church. The morning meditation was begun with organ music by Mrs. Jack Welch and a prayer by Mrs. R. E. Sparks. "Guidance for Daily Living" was the devotional, based upon the 143 Psalm, given by Mrs. Blake McDaniel. A special song number, "Others," was sung by Mrs. Hughston McLain, accompanied at the piano by Mrs. Welch.

As a free-will offering is always taken at these meetings, Mrs. Virgil Johnson told of the several places where the offering would be sent.

The first meditation, beginner of the day's theme, "Looking Unto Jesus," was presented by Mrs. Allison Denton. Following the lunch hour, meditations were led by the following ladies: Mrs. Roy Ferguson, Mrs. W. L. Johnson, Mrs. Marlin Thompson and Mrs. Jay Barker.

Concluding the service was a period of silent prayer and meditation.

Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, State Health Officer

Austin — The Texas State Department of Health has undertaken a program to promote the fluoridation of municipal water supplies wherever necessary, according to Dr. Geo. W. Cox, State Health Officer.

It has been proved that where drinking water contains 1.0 to 1.5 parts per million of sodium fluoride that less dental decay occurs, especially among those that have used the water since birth. Excessive amounts of fluoride causes mottling of the enamel.

The city water supply at Marshall has been treated for four and one-half years. This has resulted in a reduction of 47 per cent in the decay rate among the age group 6 and 7 years. The younger groups receive the earliest benefits from such a program but all ages have shown some improvement. Other cities adopting fluoridation of their water supplies are Austin and Corpus Christi, Fort Worth, Iowa Park and Breckenridge and some forty other Texas cities are seriously considering the measure.

The Texas Junior Chamber of Commerce in cooperation with the State Health Department and the State Dental Society has made this program its main health objective for this year for control of tooth decay.

Home Demonstration Notes

MARY DEEB BROWN

This month we are having Christmas gifts, decorations, candies and cookies at the club meetings, so make your plans now to come to club.

The Riverside Club meets Thursday, November 2, Gambleville meets Friday, November 3, Vivian meets Thursday, November 9, Margaret meets Friday, November 10, and West Side is Tuesday, November 14. If you would like to see these demonstrations but are not a club member, we'd be very glad to have visitors for all of them.

In September the demonstration at the Margaret Club was on Wishing Well Ivy Pots and the women liked them so well that so far they have made thirty-three for Christmas gifts, etc.

We're through with the copper demonstrations now. However, I do have a little copper left and quite a few of you who are not club members have asked about making the pictures. If you are interested, call me or come by the office any time and I'll be glad to show you how they are made.

Brunks Comedians Tent Show Coming

Brunks Comedians will be here all next week in their big tent with a big new show each night. The opening play Monday night is "Hollywood Calling," one of the late comedies.

One of the big features with this year's show is the new vaudeville presented between acts. The Farren Twins, western and hill-billy entertainers, is one of the big features.

The big tent is waterproof and will be heated if it should be cold.

The management of Brunks Comedians invite the people of this area to attend the show.

Authority Granted for Civilians to Receive Officer Appointments

According to an announcement made by Lcdr. H. Heine Jr., officer in charge of Navy Recruiting station and office of Naval Officer Procurement in Dallas, authority has been granted to open procurement, effective November 1, 1950, of civilian candidates for appointment as officers in the Naval Reserve.

The programs thus re-opened are for general line officer, electronic specialist, petroleum engineer, civil engineer, supply corps, chaplains and Merchant Marine officers.

Although officer commissions in the Naval Reserve secured under these programs are primarily for inactive duty, subject to active duty in a national emergency, there is an opportunity in the general line and supply corps programs for those candidates who have a 1-A draft classification to apply for immediate active duty if they are commissioned.

The procurement programs re-opened as of November 1, are in addition to those reserve programs already in effect, namely, Medical Corps, Dental Corps, Nurse Corps, and the Navy's numerous programs for those students in medical and dental schools.

A general statement of qualifications cannot be made, since applicants must meet the special qualifications for the different programs. However, in most cases, a college degree is a basic requirement.

Any civilian desiring to make application for a Naval Reserve Commission is requested to contact the office of Naval Officer Procurement, Room 1904, 1114 Commerce St., Dallas, Texas, for detailed information.

BANK DEPOSIT INSURANCE

Federal insurance on bank deposits has been increased from \$5000 to \$10,000 by a bill recently signed by President Truman. In effect, the bill will also reduce the cost of insurance to banks by about 60 per cent. Similar legislation previously passed covers accounts in building and loan associations that meet federal requirements.
