Money Received for Treatment of Local Polio Patients

Check for \$1,070.00 to help for medical care of local patients has been received by the Foard County Chapter of the National Foundation for Infantile Paralysis, it was announced today by Marion Crowell, chairman. The funds were provided by national headquarters of the March of Dimes organization.

The polio incidence this year, being the worst epidemic in the nation's history in 1949, has increased the local treasuries of the National Foundation Chapter. The chairman declared, a September rise in cases in this area there will be more than 100 cases before the year is over. Mr. Crowell said, making this the second highest polio year record.

National Art Week Observed by Local Adolphian Club

National Art Week is being observed by the Adolphian Club of Crowell. The members of the club collected 150 pictures from magazines for an art study. The art committee, Mrs. Jack Crowell, Mrs. C. G. Graves and Frankie Kirkpatrick, have selected twenty pictures by contemporary artists for a picture study in the Crowell Schools. The pictures selected have been recommended for school study by local educators. Each room in school will study each picture and the pupils from each room will bring the best report will receive a prize picture.

Warfarin New Slow Death Rat Poison

Warfarin, a new rat killer recommended by the University of Wisconsin Research Foundation, appears to be one of the most effective poisons available for the control of rats and mice. The active ingredient of the poison is coumatral, a compound found in sweetclover which affects the clotting of blood, says Burkett, County Agent. Rats have eaten warfarin baits for several days become less active, develop internal hemorrhages, and finally bleed to death.

Burkett says that one advantage of warfarin over many of the other rat poisons is that it is tasteless and tasteless. Rats will continue to eat and bait until they die without detecting the presence of the poison. Another advantage is in the safety with which it can be used on the farm. Warfarin is poisonous to all warm-blooded animals, but the amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally.

Even though warfarin is considered an extremely safe rodenticide, Burkett warns that the usual precautions should be taken to prevent accidental poisonings on the farm.

For the poison to be effective, it is necessary for rats to eat warfarin baits over a period of five or more successive days. Grain and cereal type baits, which are readily eaten by cats and dogs, may be mixed with the poison, thus reducing the possible danger of poisoning these farm pets.

Funeral for Mrs. W. L. Johnson Held Wednesday 2 P. M.

Mrs. Johnson Died Early Monday at Home of Her Son

Funeral services for Mrs. W. L. Johnson, who passed away very suddenly at an early hour Monday morning at the home of her son, Richard Johnson, were held at the First Baptist Church on Wednesday afternoon, Nov. 15, with Rev. Bernard Franklin, pastor of the church, officiating. He was assisted by Rev. H. N. Estes, pastor of the Baptist Church of Thalia.

The song service was directed by Gus B. Neill of Thalia and accompaniment was played by Mrs. Neill.

Pall bearers were grandsons of the deceased: Leon Cheatham and Weldon Cheatham of Brownfield, Eugene Barry of Sundown, Paul Johnson, V. W. Latimer and Billy Ray Latimer of Crowell.

Flower bearers were all granddaughters, Mrs. Fred Priest, Mrs. Joe Deaton, Mrs. Leo Smith, Mrs. Burie Carter, Mrs. Ray McBride, Mrs. Jim Hogue and Misses Martha Johnson, Nell Johnson, Willie May Barry, Annie Fay Barry and Nelda Johnson.

Interment followed in the Crowell Cemetery with the Womack Funeral Home in charge of arrangements.

Survivors include her husband; eleven children, Alfred Johnson of Gridley, Calif.; Mrs. Cora May of Lawndale, Calif.; Richard Johnson of Crowell; Mrs. Reona Barry of Sundown; Mrs. Zella Langston of Henrietta; Henry Johnson of Sundown; Herman Johnson of Crowell; Charlie Johnson of Sundown; Mrs. Estella Cheatham of Brownfield; Mrs. Essie Latimer of Crowell and Clarence Johnson of Wichita Falls. Forty-six grandchildren and twenty-seven grand-grandchildren also survive, as well as two brothers, William Burton and Arvalee Burton of Amity, Ark., and Mrs. Essie Sheets of Amity, Ark., and Mrs. Missouri Sheets of Long Beach, Calif.

Mrs. Johnson, Nancy Ann Burton Johnson, was born in Hot Springs County, Ark., on June 4, 1873. She was married to William L. Johnson on Dec. 22, 1887. Fourteen children were born to them, three of whom died. She professed faith in Christ and united with the Rush Fork Baptist Church in Arkansas at the age of 17. She has remained a faithful Christian and loyal church member since that time. She was of a quiet disposition but known for her good neighborly deeds.

She, with her husband, moved to Wilbarger County in 1915. In 1917, they moved to Foard County and to Crowell in 1943. They have resided here since then.

Out-of-town relatives and friends attending the funeral services include Mr. and Mrs. W. O. Barry and children, Mr. and Mrs. Burie Carter and baby, Mr. and Mrs. Joe Deaton and children, Lewis Barry, Mr. and Mrs. Henry Johnson and children, Mr. and Mrs. Walter Johnson, Mr. and Mrs. C. E. Johnson and son, and Jo Ann Ward, all of Sundown; Mrs. Leo Smith and children of Acuff, Mr. and Mrs. Ray McBride of Levelland, Mr. and Mrs. Jim Hogue of Hobbs, N. M.; Mr. and Mrs. Walter Cheatham and children of Brownfield; Mrs. R. L. Dunahoo, Mrs. Ira Ellison, Mr. and Mrs. J. L. Dunahoo and children, all of Bonham; Mr. and Mrs. Clarence Johnson, Mr. and Mrs. Bill Langston of Wichita Falls; Mrs. Zella Langston of Henrietta and Mr. and Mrs. Fred Priest and daughter of Ft. Worth.

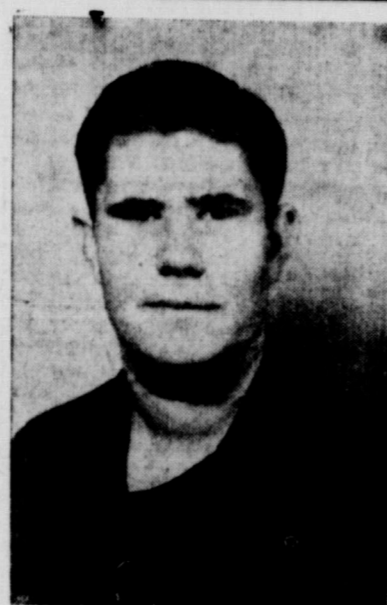

Bleachers Being Provided for Game Friday Night

Crowell school officials have obtained bleachers which will accommodate 750 people for the football game Friday night between Crowell and Olney.

The seats, borrowed from E. Paul Waggoner of Vernon, will be located on the south side of the football field and will be for use of general admission.

The entire north stand tickets, has been marked off for reserve seats and the tickets for these have already been sold.

Three Quana Rotarians, Bill Reeves, Joe Anderson and Ross Magee, were visitors at the Wednesday noon luncheon at the Crowell Rotary Club at the Club Cafe.

DAVID JACKSON

David Jackson of Thalia Wins Gold Star 4-H Award

The 1950 Gold Star 4-H Award for outstanding 4-H Club work was won by David Jackson of the Thalia community. It was announced this week by Joe Burkett, County Agent. This award is given each year by Texas A & M. College Extension Service to the outstanding 4-H Club boy in each county. David has been in 4-H Club work for five years and has done an excellent job. During this time he has won more medals than any other 4-H Club boy in Foard County.

David also won a sterling silver medal for his work in tractor maintenance this year.

Other awards announced by the County Agent follow: Temple Yates of Crowell won the leadership award because of outstanding leadership while president of his 4-H Club.

The achievement medal was won by Robert Fish of the Vivian community.

George Morgan of the Thalia community won the Wilson Meat Animal Award for his outstanding work in beef production.

The Soil Conservation Award was won by H. L. Ayers of the Riverside community. H. L. is another club boy who has won several medals and done lots of 4-H Club work during the seven years he has been a member.

The award for a job well done in the production of Field Crops went to A. L. McGinnis of the Margaret community.

Lindel McBeath of the Thalia community, Jimmy Bradford of the Margaret community, Jerry Pittillo of Crowell, David Bursey of the Black community, and Jackie Walker of Crowell all won medals for outstanding work in poultry production.

Jerry Thompson, Robert Davis and Jimmy Williamson all won medals on their garden demonstrations.

First Baptist Church to Observe All-Church Day Next Sunday

The First Baptist Church of Crowell will observe all church day next Sunday, with the membership bringing basket lunches for a fellowship dinner at noon.

It will be All-Church Loyalty Day for the members, and a goal of \$1000.00 to be raised as a fund for the promotion of the regular work of the church.

An old-fashioned singing, followed by the ordinance of baptism, is in store for the afternoon.

Sunday School will begin at 9:45, with the morning preaching hour moved up to 10:50 o'clock. Training Union begins at 6 p. m., and the evening preaching service starts at 7 o'clock.

A hearty welcome is extended to all.

ATTEND FUNERAL

Mr. and Mrs. Wm. E. Wells, Mrs. F. C. Brooks and daughter, Elaine, attended the funeral of Mrs. D. G. Anders of Matador, Tuesday. Mrs. Anders was a niece of Mr. Wells. She passed away suddenly Sunday night following a heart attack. Funeral services were held in the Baptist Church of Matador with the pastor, Rev. Potts, officiating, assisted by Rev. M. G. Brotherton, pastor of the Methodist Church of Matador.

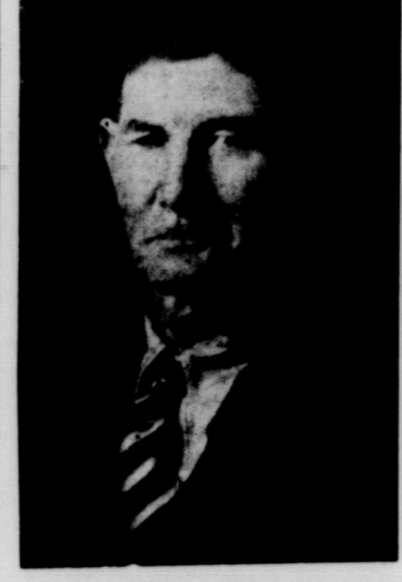

The body was shipped to McComb, Miss., where interment took place Wednesday. Mrs. Anders formerly resided in the home of Mr. and Mrs. Wells and had many friends here.

Largest Crowd in Wildcat History Due to Be Here Tomorrow Night Crowell Wildcats Meet Olney Cubs Here Friday Night to Determine District 10-A Champion; Both Teams in Top Condition

Former Resident Pays Subscription for 53rd Year

J. R. Coffman of 320 South Vassar, Albuquerque, N. M., pioneer resident of Foard County, sends in his renewal to the News for the 53rd year. He has been taking the paper regularly during all those years. In his letter Mr. Coffman says: "Dear Tully, enclosed you will find money order for the Foard County News for the 53rd year, as I can't get along without it. It's like getting a letter from home."

Pioneer Observes Ninetieth Birthday

J. R. (Uncle Bob) Ford, pioneer Foard County farmer, quietly observed his 90th birthday at the home of his son and wife, Mr. and Mrs. Oran Ford, of Thalia, Friday, Nov. 10, where he has resided most of the time since 1947.

Born in Batesville, Ark., in 1860, he came to Texas with his mother in 1871 and the family settled in Ellis County. He was married to Miss Qynn Moore of Palmer, Texas, in March, 1885. They came to Foard County in 1900 and located on their farm 5 1/2 miles east of Crowell where Mr. Ford lived until moving to Crowell in 1941. Mrs. Ford passed away in 1918. Since 1945 he has lived with his children.

Mr. Ford is quite tottery because he is nearly blind, but he has fair health. He sits at his radio all day and comes to Crowell every Saturday and visits with his many friends on the streets.

Fifteen children were born to Mr. and Mrs. Ford and thirteen of them are living. One son, Gordon J. Ford, was killed in action in World War I. The Foard County American Legion Post was named in his honor. Another son, Ray, died when he was 8 years old.

Paper Will Be Printed One Day Early Next Week

Owing to the fact that Crowell businesses will be closed Thursday of next week to observe the Thanksgiving holiday, it will be necessary for the News to be printed on Wednesday morning, instead of Thursday morning. The Crowell postoffice and the rural route carriers will also observe the holiday.

Rural correspondents are requested to take notice and send in their items one day early, on Monday instead of Tuesday. This will be absolutely necessary if they are printed in next week's issue. We suggest that correspondents send in what items they have and let the remainder go until the next week.

Advertisers are also requested to get the copy for their ads in one day earlier than usual. If the paper is printed on Wednesday it will be delivered to subscribers on that day.

Annual Christmas Opening Set for Friday, Dec. 1st

The annual Christmas opening in Crowell was tentatively set for Friday, December 1, by members of the Retail Committee of the Foard County Chamber of Commerce in a meeting held Wednesday morning.

Members of the committee said the opening date may be changed later due to the outcome of the Crowell-Olney game here Friday night. Announcement will be made of the definite date in next week's issue of the Foard County News.

Changes are being made in the time plan. This year the opening parade will be held in the afternoon instead of waiting until evening. These changes were advisable due to the possibility of cold weather.

Truscott Couple to Observe 50th Wedding Anniversary Nov. 19

The golden anniversary of the marriage of Mr. and Mrs. B. S. Westbrook of Truscott will be celebrated by their children on Sunday, Nov. 19, at the Truscott Hotel. An invitation is hereby extended to all friends of the family to attend the reception between the hours of 2 and 6 o'clock on that day.

Stan Westbrook and Miss Sallie Ayers were married at her home in Crowell on Nov. 18, 1900. Mr. Westbrook is the son of the late Mr. and Mrs. J. H. Westbrook and Mrs. Westbrook is the daughter of the late Mr. and Mrs. N. J. Ayers, both early day pioneer families of this community.

Since leaving Crowell, Mr. and Mrs. Westbrook have resided in Truscott.

CHRISTIAN ENDEAVOR

Christian Endeavor will be held November 20, at 7:30 at the First Christian Church, for the Mid-Way Youth Rally. Visiting churches will be Paducah, Quana and Memphis. The speaker for the evening will be Miss Wanza Spears, president of the Mid-Way Youth Rally. A cordial invitation is extended to all who wish to come.

There is no rhyming word for orange.

The District 10-A football championship will be at stake tomorrow (Friday) night when the Olney Cubs play the Crowell Wildcats on the Wildcat gridiron. This game will match two of the few undefeated teams of the State in the final conference 10-A game of the season for both clubs. The winner will play the champion of the 9-A conference for bi-district honors Thanksgiving week. Albany and Haskell are playing for the championship of that district tomorrow night.

The Cubs have won seven conference games and two non-conference contests thus far this season. Crowell has six conference victories, one tie, and two non-conference wins marked up on its record. The Crowell boys have not won their games in as decisive manner as the Cubs have this season, but statistics can be thrown out the window when these old rivals meet for one of these crucial contests as they have done many times in the past.

Pre-game ticket sales and enthusiasm indicate there will be one of the largest crowds to see this important game that has ever been at Wildcat Stadium.

Coaches Thayne Amonett and Gordon Erwin of Crowell and Charlie Marshall and R. L. Clendaniel of Olney report all of their starters in top shape for this championship game.

The probable starting line-up for the Crowell-Olney game that is to be played at Wildcat Stadium Friday night, November 17, at 8:00 o'clock, is as follows:

No.	Crowell	Wt.	Position	Wt.	Olney	No.
65	Jim Paul Norman	158	L. E.	177	Wayne Holt	82
66	Gordon Wood Bell	184	L. T.	195	Eldon Kreuger	72
61	Charles Pittillo	160	L. G.	140	Oscar Walters	64
53	Harold Ribble	132	C.	160	Joe Fulton	50
70	Jimmy Rasberry	180	R. G.	178	Ronald Dunagan	60
56	James Pittillo	165	R. T.	195	Melvin Schlegel	71
51	Robert Brock	145	R. E.	155	Charles Bentley	81
55	Don Gobin	145	Q. B.	140	Richard Lunsford	34
50	Jon Sanders	143	L. H.	147	Donal Schmidt	32
54	Buster Laquay	140	R. H.	143	Walter Bryan	35
63	Hack Norman	184	F. B.	182	C. Alexander	36

C. H. S. Receives New Chevrolet for Drivers' Training

The new Chevrolet for the drivers' training class of Crowell High School arrived Monday and the training course is being offered to the freshman boys this year.

The new automobile is a light brown 4-door which was given to the class by the American Automobile Association through the Borchardt Chevrolet Co.

Henry Black, principal of the High School, is teacher of the class.

Lions Club Entertains C. H. S. Wildcats at Luncheon Tuesday

Guests at the Tuesday noon meeting of the Crowell Lions Club held at the Club Cafe were Mrs. Tommy McCrary and daughter, Miss Sandra, of Vernon, Mrs. Ted Stafford, Mrs. J. H. Barnebee Jr., High School football coaches Thayne Amonett and Gordon Erwin, and twenty-eight members of the Wildcat football squad.

Ted Stafford was in charge of the program, and presented Miss McCrary, who entertained the Lions and their guests with five vocal selections. She was accompanied at the piano by her mother, Mrs. McCrary.

President J. M. Crowell gave words of encouragement to the football boys and also conducted a short business session at which the local Lions Club voted to furnish a plaque to the farmer of Foard County who proves to do the most work toward soil conservation during the year. The award will be given sometime next spring.

Two Wildcat Tests Announced for Foard County

Two wildcat locations were announced Monday for Foard County, according to a news story in the Fort Worth Star-Telegram.

James F. Brueil, Oklahoma City, president of the Kingwood Oil Company, will drill the two wildcats.

One is his No. 1 John-Self, 330 feet from north and west lines of section 8, block A, SP survey, eight miles west of Crowell, in the west-central part of the county. Location also is 330 feet north of Cities Service Oil Company No. 1-J Johnson, abandoned in September at 7,448 feet.

Brueil's second location is for No. 1 Beryle Johnson Self, 330 feet from south and west lines of the northeast quarter of section 7, block A, SP survey, one mile southeast of his other location. Contract of both wildcats is 5,000 feet, according to the Star-Telegram.

Thanksgiving to Be Observed in Crowell Nov. 23

Crowell will observe November 23 as its official Thanksgiving Day, according to an announcement made Wednesday by the Retail Committee of the Foard County Chamber of Commerce.

This date has been accepted by all the neighboring towns. All businesses are expected to be closed all day or part of the day.

Good Demand for Cotton Seed Products

Oscar Tillery of Tillery's Red Elevator reports a brisk demand for cotton seed products from feeders and ranchers during the recent cold spell. The elevator sold over 1,000 bags last week. The cotton seed products are being delivered by local truckers from the cotton oil mills to the barns of the feeders and ranchers.

THANKSGIVING SERVICES

A series of Thanksgiving services will be held at the First Baptist Church beginning November 22 and continuing through November 26. M. T. Hollie of Crowell will conduct the services. Everyone is welcome and urged to attend any or all of these services.

wilbur — the inhibited wildcat
 what weather oh what weather i freeze all morning and melt all afternoon its getting cooler and cooler and will probably freeze us all at the olney-crowell game the wish itd freeze so i could go skating over to the cafeteria at noon and get my meal before anyone else

goodness can it be possible that next week is six weeks exams guess i'll have to crawl out of the morgue for a while and help mrs. sloan make out her exams i feel sorry for her classes since they have to work all the time for the wildcat paper — they write it all except for the part some others do anyway to get back to the subject if i was ever on one this six weeks has really flown by seems as if something has been going on all the time yet not so much has been done after all guess thats the way it always seems when you look back over the past guess i'm pretty smart don't you think i'm pretty smart

hoping i can go to the band banquet saturday night girls in formals and boys looking so pretty i know i'll rush down to the bonfire pep rally because if the wildcats win friday night i want a part in it well enough chatter for nowhere comes mr. black waving a yellow pas at me and saying some indistinguishable words — leave me alone — ouch — ok mr. black i'm going to class — i'm a goner — so long

HEAR YE! HEAR YE!

MEN! WOMEN! CHILDREN! Make plans to back the Wildcats by attending the Annual Bonfire Pep Rally Thursday night. Activities will start "blazing" at 6:30 p. m. to the music of the Wildcat Band and the booming yells of the student body. Of course, a por ole Olney Cub will be burned in effigy as evidence of the Wildcat's fighting spirit.

The bonfire, sponsored by the pep squad, is the climax of the football season, for the game between Olney and Crowell Friday night will determine what team will hold the title as first in the district. If you are a Wildcat fan, be you old as the hills or young as a spring chicken, leap into your automobile, run, jump or hop to the bonfire stomping ground, just north of the high school building, and show those Wildcats that we're backing them and wanting them to be the victors!

STUDENTS ENJOY FILM, "SCIENCE AND RELIGION"

On Friday, November 10, 1950, students of CHS and elementary school were presented a film, "Science and Religion." This film was in color, and was of special interest to any biology student.

It showed the process of photosynthesis from an actual slide. Photosynthesis is food manufacturing carried on within a green plant.

One part of the film seemed like a miracle. A bud opened into a flower. The picture was taken

by a camera that recorded each little opening of the bud. The speed was increased until what actually took two days happened in a few seconds right before our eyes.

Another division of the film was on astronomy. The nearest star is 4.3 light years away which means if one traveled 186,000,000 miles per second, it would take 4.3 years to reach the nearest star. The pictures were actual photos taken by the largest telescope in the world located on Mt. Palomar, in California.

The theme for the film was taken from the Bible verse, "Consider the lilies of the field." The film was concluded with the thought that if we will only obey God's commandments, we will have life everlasting. We wish to thank Rev. Barnard Franklin, pastor of the First Baptist Church, for making it possible for us to see this very enlightening film.

BAND TO HOLD BANQUET

Members and guests of the C. H. S. Band will assemble in the banquet room of Henderson's Cafe in Quannah Saturday night for a banquet which is to be an annual affair.

The guest list includes those to whom the band wishes to show its appreciation.

Committees planning the banquet are: program, Betty Barker, George Ann Davis, Jimmy Stinebaugh and Don Brown. Decoration: Jean Whitby, Clovonne McKown, Marcia Kincaid and Virginia Tamplin; plate favors, Wanda Jones, Chun Gaffard and Zonelle Eddy.

TODD'S DRAMATICS CLASSES ANNOUNCE CASTS OF COMING ATTRACTIONS

While the carefree life of CHS goes its merry way, CHS dramatists are working diligently to ready the production of several plays to be presented in the near future.

In the first year speech class we find that "The Pretty Farmer's Daughter," author unknown,

is slated to be presented this week. It is a burlesque on the old melodrama.

The cast for this play is as follows: The Pretty Farmer, Hezikiah Wampasdigue — David Bayless; His Daughter, Nell — Joye Sparks; Sin Sin, the Chinaman, Paul Cooper, Lusitania Sweeny, the deserted wife, Jo Ann Dixon; The Ghost of the Farmer — Himself.

The stage workers are: stage manager, Loretta Matus; properties, Opal Jean Browder; prompter, Mary Lynn Hough; costumes, Joye Sparks; make-up, Anna Rea Owens and Eva Rae Geaslin; electrician, Robert Brock; sound effects, Jean Jones; music, Melba Coker.

Another play that the Speech I class, cast with Dramatic Club members, is rehearsing is "The Dear Departed," a farce by Stan-ley Houghstand (by arrangement with Samuel French). In this play we find Carla Manning as Mrs. Stater; Paul Cooper as Mr. Stater; Rebecca Calvin as Victoria; John Diggs as Ben Jordan; Bessie Franklin as Mrs. Jordan; Jimmy Stinebaugh as Abel Merriweather.

Working as the production staff are: student director, Maurine Youree; stage manager, Nettie Black; prompter, Jackie Rasberry; properties, Lois Eavenson; make-up, Virginia McKown and Neva Lou Potts; costumes, Melba Coker; electrician, Robert Brock.

"Between the Soup and the Savory," a comedy by Gertrude Jennings (by arrangement with Samuel French) will set you to laughing as you never laughed before. Cast as the cook is Jean Jones, the serving maid, Jean Kile, and Emily, the kitchen maid, Rozella Denton. Working behind the scenes are: stage manager, Myrna Riley; prompter, Jeanette Johnson; properties, Joyce Ford; costumes, Norma Mathews; make-up, Melba Ward and Neva Lou Potts; electrician, Jimmy Franklin.

One-act plays to be presented soon by the second year speech class are: "The Valiant" by Hallmark and Middlemoss, (arrangement with Langman Green); "The Twelve Pound Look," J. M. Bar-

rie (arrangement with S. French), "My Lady Dreams," Eugene Piltott (arrangement with S. French.) Small admission fees will be charged at each production to defray royalty expenses. All plays except "The Pretty Farmer's Daughter" are eligible for the Interscholastic League one-act play tournament.

DRIVERS' TRAINING CLASS RECEIVES NEW AUTO

"Accident rate of ex-students of CHS is very low." This should be a headline of a newspaper fifteen years from now. The reason for this low rate will be the Drivers' Training Course being offered to freshman boys this year.

The new Chevrolet for the class arrived Monday, and the class spent the period "trying it out." The Chevrolet is a light brown color and is a four-door. The car was given to the class by the American Automobile Association through the Borchardt Chevrolet Company.

Henry Black is the teacher of the class.

BARBS BY BOBBIE

Several students attended the game between Burnburnett and Olney at Olney Friday night. The score was 34 to 0 in favor of Olney so it looks as if Crowell and Olney are going to have quite a battle.

One of the new fads among our couples is to wear socks the same color. Betty and Buster appeared Monday morning with socks of an indescribable color.

Let's all plan to attend the bonfire Thursday night.

The trophy for being the district winners in baseball arrived last week. The gold pitcher is atop a monument inscribed, "District Champs, 1950."

The Senior Class and their mothers are making cushions to be rented at the game Friday night. The cushions will be presented to

the class of '52 at the end of the year.

Beat Olney
 Mr. and Mrs. Grady Graves and sons, Robert and Gordon, and T. S. Haney and Sharon attended the SMU-A&M football game at Dallas Saturday. Approximately one hundred people from Crowell attended this game.

Beat Olney
 Coach Taylor was the referee of a girls' basketball game in his second period gym class Monday morning. The girls are now nursing bruises of various descriptions.

PLANS FOR THANKSGIVING BANQUET

The Sophomore girls in Mrs. Kenner's homemaking II class have laid some tasty plans for a banquet which will be Thursday at noon.

Each girl has invited a guest which will make about forty-two girls attending the banquet. The menu consists of: baked chicken, giblet gravy, mashed po-

tatoes, dill pickles, muffins, dressing, cranberry sauce, cranberry peas, heavenly hash, hot rolls, tea.

The following freshmen have been chosen to serve guests: Jean Whitby, Clovonne McKown, Nora Lee Davis, Mary Lynn Hough, George Davis.

IRRITATING HABIT POL

"What habit of your chum irritates you the most?" According to a recent poll of CHS students, the answers of a wide variety of complaints, everything from biting fingernails, gushing over the current fare beau or belle.

One of the top complaints, moochers — those who constantly borrow theme paper or fountain pens.

Another good complaint — "One who raves all the time says nothing."

Several boys gave the old

Right down the line!

All-welded cabs! Powerful Valve-in-Head engines! Strong rear axles and heavy-steel channel-type frames! Right down the line, Chevrolet trucks are built for the rough-tough jobs and the big payloads. All parts, all units—like Chevrolet's positive Synchro-Mesh transmissions—are engineered to withstand the shocks and strains of real work. Engineered to serve you better—and longer! That's why there are more Chevrolet trucks on the road than any other make... why you should come in and see these great trucks today!

Rugged engines

Chevrolet's valve-in-head engine design has been proved and improved for 38 years. It's world famous for rugged reliability, for its ability to take hard use year after year.

Rugged frames

Chevrolet's channel-type frames are built for the load... built with reserve of strength in their wide flanges, deep section and heavy metal... Advanced—Designed to withstand the road shocks and distortions of hauling big payloads.

Rugged cabs

Chevrolet cabs with Advance-Design construction are all-steel, all-welded for greater safety and longer service. Rigid, solidly built cabs are flexi-mounted on rubber for greater durability. Doors open easily, even in off-the-road use.

Plus CHEVROLET ADVANCE-DESIGN TRUCK FEATURES

- Two Great Valve-in-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch
- Synchro-Mesh Transmissions
- Hypoid Rear Axles • Double-Actuated Brakes • Wide-Base Wheels • Ball-Tyde Steering • Unit-Design Bodies • Advance-Design Styling.

THE WILDCAT

(Continued from Page 2)

"Girls who smoke." Others said, "those vivacious people who always go around slapping others on the back."

One boy had the unusual complaint, "Girls who make fun of low grades."

Another irritating chum is the one who talks too loud, causing attention in drug stores and cafes.

"He always refuses to study at the right time." This is a typical complaint.

A typical irritating habit listed by boys is, "that everlasting habit of primping." While a habit given by girls is, "Hair dripping with oil."

Another irritating chum is the one who "mumbles and I can't hear what he is saying."

GYM JAMES DEFEAT THE BOYS

The Gym James defeated several CHS boys Friday in a volleyball game 15-9.

Even though two of the regular volleyball girls were absent, we had two subs that did a swell job in helping us win.

The following boys played in this game: R. C. Sanders, James McBeath, Buddy Hardin, Coy Payne, Roy Whitley and Clinton Marlow.

PLAYER OF THE WEEK

That pass was broken up by Jimmy Tom Cates. Kildee, as Jimmy Tom is called by his friends, plays defensive safety for the Wildcats. Kildee is a dark-haired, seventeen year old senior, who is playing his second year on the Wildcat Squad. He is always "on the ball" when they throw those passes, and he tackles them hard when they run.

When a pass is intercepted, listen for "Cates" over the loud speaker.

WILDCAT WHISPERS

What's this we hear about Carla Manning going with a "fly boy"? Some of the freshman girls sure wish that they had someone to go with to the freshman party. (pd. adv.)

We wonder if Joyce Ford had a good time Saturday night with her "feller."

Short but sweet: Rebecca Calvin and Sammy Cook.

If you see the kids going down the halls rubbing their eyes you'll know it's just because of the bright colored socks they see walking around.

Why doesn't Paul Cooper ever go with a girl?

It seems like Jo Ann Dixon has a date for the freshman party with Buddy Caddell. It's a shame everyone can't be that lucky.

Some new couples that were seen together at the party at Truscott Saturday night were: Jimmy Woods and Pat Owens, Joe Reid and Marcia Kincaid, and Blackie White and Norma Jones.

Mary Woods can't make up her mind which one of the Hardin boys she likes the better. The question: Will it be Buddy or Max?

It seems that some of the sophomore boys are interested in the senior girls. For instance, Ginger Johnson and Patsy Hammonds, and Mary Langham and Posey Autry. Norma Jean was glad to have Sebe home for the week end.

As if you don't get enough of football here, some people go out of town to see a game. Those people are: Buster, Betty and Bobbie and Jon traveled to Olney. Myra and Rouse watched the game between SMU and A&M. Even if Tech did get beat, Maurice and F. L. enjoyed the game played at Lubbock Saturday afternoon. Also attending that game were Coach Amontett and his wife.

Seen at Myrtle's and Travis' wedding Friday were Mary Alice Rader, Jenny Wehba and Frankie Mabe.

Whom did we see Rosemary and Sweet Pea with Saturday night?

Put scandal in Locker 77!

Beat Olney!

Be sure to attend the bonfire Thursday night. Back the Wildcats!

For more scandal, read the Wildcat next week.

The Cat's Tail.

MARGARET MRS. BAX MIDDLEBROOK

Mr. and Mrs. Jim Owens visited Mr. and Mrs. J. D. Taylor and Mr. and Mrs. Ross Culbert at Spur last Sunday.

Mr. and Mrs. Buss Ingle and son, Don Keith, and Mrs. Ella Ingle spent Saturday with Mr. and Mrs. Lee Blevins in Vernon.

W. H. Tamplin visited over the week end with his daughter, Mrs. Lee Echols, and family in Lubbock.

Mrs. W. L. Smith is visiting her son and wife, Mr. and Mrs. Hubert Smith, and son in Fort Worth this week.

Doris Ann Huskey of Thalia spent Friday night with her grandparents, Mr. and Mrs. Jim Choate, Mrs. Arthur Bell, Mrs. R. A. Bell and Laynette, and Mrs. W. T. Dunn visited relatives in Quannah Sunday afternoon.

Mr. and Mrs. Jonathan Bradford of Crowell visited Mrs. Sudie Bradford and daughter, Mrs. Lizzie Bradford, Sunday afternoon.

Mrs. Louis Painter of Black visited her mother, Mrs. Curtis Bradford, and Mrs. Sudie Bradford Monday.

Mr. and Mrs. John Ricketta and family of Paducah visited in the

Raymond Kubicek and Lonnie Halencak homes here Sunday.

J. M. Owens and family of Lubbock visited her father, Dick Smith, Saturday.

Mrs. Buddy McCreary of Goodlett spent several days last week with her brother, Dink Russell, and wife.

S. B. Middlebrook of Vernon visited in the Bax Middlebrook and W. R. McCurley homes Thursday.

Mrs. W. A. Priest is visiting Mr. and Mrs. Bob Choate and children in San Angelo this week.

Mr. and Mrs. W. T. Blevins of Truscott visited Mr. and Mrs. Jim Choate Sunday afternoon.

Mrs. Joe Orr was dismissed from the Crowell hospital Monday.

Mr. and Mrs. Frankie Halencak visited in Vernon Saturday.

Mr. and Mrs. Bill Murphy spent Sunday with their daughter, Mrs. Dewitt Edwards and husband in Wichita Falls.

Mrs. John L. Hunter was dismissed from the Crowell Hospital Sunday.

Rev. E. R. McGregor and family and Billy Joe Halencak were Vernon visitors Saturday.

Mr. and Mrs. Bax Middlebrook visited Mr. and Mrs. S. B. Middlebrook in Vernon Thursday.

Mr. and Mrs. Charlie Huskey visited her parents, Mr. and Mrs. Jim Choate Saturday.

Mrs. Lizzie Bradford of Chickasha, Okla., is visiting this week.

Mrs. Sam McCord of Belen, N. M., Mr. and Mrs. Herdis Sellers and granddaughter of Paducah, Mr. and Mrs. Jonathan Bradford of Crowell, Mr. and Mrs. Elmer Smallwood and sons, Billy and Robert, Mrs. Earl Thompson and Mrs. Van Thompson, Mr. and Mrs. M. S. Norris and son, Larry Eugene, and Mr. and Mrs. Leon Smallwood of Matador and Mr. and Mrs. George Pruitt and sons, Bill, Marion and Earl, of Crowell were here Sunday to celebrate Grandmother Pruitt's 90th birthday. A number of Grandmother Pruitt's friends called in the afternoon.

Mrs. Archie Brakeen and son, Randy, and Mrs. Carl Bradford and daughter, Glenda Sue, of Vernon visited Mrs. Sudie Bradford Sunday.

Mrs. Earnest Elliott left Sunday.

Mrs. Archie Brakeen and son, Randy, and Mrs. Carl Bradford and daughter, Glenda Sue, of Vernon visited Mrs. Sudie Bradford Sunday.

AUCTION SALE

Three Miles Northeast of Crowell

WEDNESDAY, NOV. 22, at 10 o'clock

(In case of bad weather sale will be held Nov. 29)

The following farm equipment will be sold to highest bidder:

- One John Deere, Model A, 2-row equipment.
- One John Deere, Model D.
- One 6-ft. Baldwin Combine with Motor.
- One 6-ft. One-Way on Rubber.
- One 7-ft. Case Tandem.
- One 7-ft. Dempster Chisel.
- One 4-Section Harrow; one 2-Section Harrow.
- One 2-row Slide Go-Devil.
- One John Deere Row Binder.
- One 4-wheel Cotton Trailer.
- One 3-row Stalk Cutter.
- One Mower, one Dump Rake.
- One Butane Brooder; one electric fence.
- Several Sweeps and Grease Guns, Pair Posthole Diggers, Fence Stretchers and Numerous Other Articles.

BILL CARROLL, Owner.

DAVE SOLLIS, AUCTIONEER

Time to buy trucks on something besides hearsay!

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

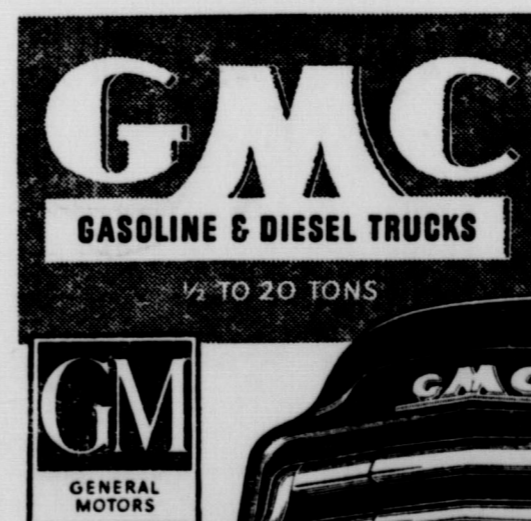

That's our specialty as a GMC truck dealer — we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

Come in and see us—whether you want a 1/2-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck—designed for longer mileage with less maintenance expense—and it will be a real truck, engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

NEW faster service anywhere in U. S.

Exclusive rapid road service for GMC owners—call Western Union Operator 25 for name of nearest GMC approved service

LIGHT • MEDIUM • HEAVY MODELS • Made in widest variety of engine-body-chassis combinations to fit every trucking need

SPEER MOTOR CO. - 204 E. Commerce

You'll do better on a used truck with your GMC dealer

Who shall separate us from the love of Christ? Shall tribulation or distress, or persecution, or famine, or nakedness, or peril, or sword.—Romans 8:35.

There may be a better formula for success, but if there is, trot it out. Work at something. If you can't get the kind of work you want, take the kind you can get. If you can't get the wage you want, take the wage you can get. Get to work on time. Don't be a clock watcher. Work for the interest of your employer and save a part of every dollar you earn.

One of the mysteries of nature that we have never been able to explain to our own satisfaction is the toadstool. The toadstool pushes its head up through the crusted and enked loam to the sunlight and warmth of the world above. The nature of the soil through which it has thrust itself into the sunlight is such that it must require considerable force to penetrate it. Grasp the toadstool to pluck it from its habitat and it crumbles in your fingers, too soft, too delicate, too fragile to stand the pressure. How, except through some force we do not understand or know, does the delicate textured plant find its way to the light without a scratch or a bruise upon its fragile, satiny surface.

We have lived long enough and seen enough to know that a lot of the big boys at the top of things aren't any smarter than the little fellows in the smaller places in life who don't get much of an opportunity to make the front page, but are never the less doing relatively a lot better job of business management. Most of the men in big places are one-track minds. They know very little outside one narrow little groove in which they run each day. If you don't believe it try talking to one of them some day. It will do good for your ego.

An exchange observes with a note of resignation, "The trouble with most of us is, that when we reach the top of the ladder, we are too old to enjoy the scenery." This from an exchange: The best reason we can see for not turning over too much power to the government, is the people we elect to govern us.

In The News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Nov. 19, 1920:

The new Methodist Church of Crowell has just been completed at a cost of \$62,000.00. Rev. J. H. Hamblen is pastor.

Miss Flora E. Goodwin is here this week to begin her work as county home demonstration agent for the county. Miss Bess Edwards is the district home demonstration agent.

Elmo Molsinger happened to the accident of getting an arm fractured Sunday night when trying to crank a Ford.

Stewart Hamblen was in bed two days the first of the week on account of an abscess on his leg caused from a bruise.

Mrs. J. C. Locke and children returned Sunday from Chillicothe where they had been visiting for a week.

Jeff Bruce left Sunday for Burk Burnett for a visit of a few days.

Mrs. N. J. Roberts returned Saturday from a week's visit with Mr. and Mrs. W. F. George of Fort Worth and her sister, Miss Leona Young, of Dallas.

Thomas Hughston was over from Quanah the first of the week.

Burnace Halsell, who is working on the Orient railroad, spent Monday and Tuesday with friends in Crowell.

The cow, sow and hen program is being advocated for Texas cotton farmers. State Press of the Dallas News, J. J. Taylor, has the following to say about the program: "Cow, Sow & Hen compose a firm that can make any Texas farm owner rich if he will give them a fair chance to thrive. The trouble with that firm's popularity in most parts of the South is that the members of it require a good deal of waiting on and considerable care and patience in handling. This is objectionable to many of our very best people. They prefer to give their land to a hit or miss tenant to raise a crop of cotton on."

Soil Conservation News of District

Lower Pease River Soil Conservation District, Lower Pease River District Board: W. C. Howard, Grady Hulbert, O. T. Holmes, O. H. Brandon, H. L. Ayers.

Fort Worth, Nov. 13 — Louis P. Merrill, regional head of the Soil Conservation Service, has some timely suggestions for farmers who are considering expansion of their cotton acreage in 1951. Merrill fears that some farmers, with the lifting of government cotton restrictions, may undo much of the good conservation work they have accomplished unless they choose their cotton land wisely and take steps to protect it.

Advertisement for 'It's Sure Good' Homogenized Milk, featuring a can of milk and text describing its benefits and availability.

FOR SALE — Houses and Farms! 360-acre stock farm, 90 acres in grass, good 4-room house, plenty of good water. 640 acres, 290 planted in wheat, 2 good tanks. 329 acres, 285 in cultivation, 290 planted in wheat. 1800-acre stock farm, 500 in cultivation, 40 acres in alfalfa, extra good improvements. 1556-acre Plains farm, 1000 in cultivation. Priced to sell. 7-room house, bath and garage on pavement. 5-room concrete house with nice orchard and 6 lots. 5-room house, bath, garage, storm house, on paved street. DR. GEORGE W. COX Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

Austin — The Texas State Board of Health has elected Dr. George W. Cox of Austin to his eighth consecutive two-year term as state health officer.

The vote of the nine member

Here are Merrill's recommendations for the farmer planning to increase his cotton acreage:

- 1. Put cotton only on land that is suited to cotton. Cotton land should be productive enough for a profitable yield and not easily eroded. 2. Plant legumes or other winter cover as quickly as possible on land to be planted to cotton in 1951. Such crops prevent erosion and step up cotton yields from 25 to 100 per cent. Increased per acre yields can meet national cotton needs without expanding planting to unsafe land, Merrill points out. 3. Keep cotton off land where cotton root rot is common. 4. Think it over before plowing up good stands of grass. Farmers often net more from grass than from cotton, especially when they make full use of opportunities for grazing and seed harvesting.

In most areas, information on land suited to cotton is available, Merrill said. Landowners can make use of the help that soil conservation districts can give them in deciding what land can produce cotton profitably and without damage. In the Plains areas of Texas and Oklahoma, nearly 5,000,000 acres of land now being cultivated are too shallow or unstable for cotton, a crop offering almost no resistance to the forces of erosion. Legumes and other winter cover, planted immediately, would be worked into the soil next spring. These crops improve the soil, protect it against erosion during a danger period and offer winter grazing in addition to increasing the yields of the cotton crop that follows, Merrill said.

It is seldom wise to follow cotton with another crop of cotton, Merrill pointed out. However, when it is done, a legume cover between crops of cotton will help to control erosion, increase productivity and reduce cotton root rot. Farmers have been getting more grass-conscious in recent years, the regional director said. More than 250,000 acres have been put in native grasses alone in Oklahoma and Texas during the last two years and still additional acreage in introduced grasses. On nearly all of this land grass for livestock is the safest and the most profitable use, and to plow up such plantings with the questionable prospect of a high cotton yield would be poor business, Merrill added.

Several grasses fit in well with rotations that include cotton, Merrill said. Some of these grasses are blue panicum, weeping and sand lovegrass, and King Ranch bluestem. Merrill also urges that farmers keep in mind the other practices that are useful in conservation farming. Planting cotton in alternate strips with tall-growing crops such as grain sorghums is essential in helping to control wind erosion in sandy lands. Stubble mulching, contour cultivation and terracing help conserve moisture and prevent erosion.

Soil conservation districts can help farmers needing assistance in making decisions on what lands to plant to cotton and on how to use these lands to best advantage, Merrill concluded.

board was unanimous in favor of keeping Dr. Cox in the post he has held since 1935, the longest tenure in the Department of Health of the State Department of Health. Dr. O. B. Kiel of Wichita Falls, chairman of the board, called Dr. Cox, "outstanding among the health officers in the nation."

"The job he has done in his capacity is remarkable," Dr. Kiel said. "I speak for the whole board when I say Texas is fortunate to have such a man as Dr. Cox heading its public health activities."

In addition to Dr. Kiel, present board members are Dr. S. D. Coleman, Navarro; Pat J. Cavenagh, a San Antonio pharmacist; Dr. John H. Mitchell, Tyler; Dr. A. W. Rogers, Corsicana; J. P. Burden, San Angelo; Dr. T. C. Terrell, Fort Worth; Dr. B. E. Pickett, Carrizo Springs; and Dr. L. S. Oates, Center.

Dr. Cox has aligned himself with the public health movement in Texas throughout his professional career. He is a former member of the State Board of Health. His medical degree was conferred at Tulane University. Some of the highlights of his tenure as the leader of State public health activities are:

A reduction of typhoid fever death rates of 97 per cent; a 96 per cent cut in malaria mortality; 43 per cent reduction in syphilis death tolls.

The common diseases of childhood — scarlet fever, whooping cough, diphtheria and measles — have been sharply curtailed that last year the combined death rate from these four causes was less than one-third that of diphtheria alone 15 years ago. Influenza and pneumonia deaths have also fallen off sharply since 1937.

A 500 per cent increase in the number of local health units has occurred under the administration of the veteran health chief who strongly advocates decentralization of the state's health facilities "so people can get to them."

He is a past president of the United States - Mexico Border Public Health Conference, a diplomate of the American Board of Preventive Medicine and Public Health, and a member of the American Public Health Association.

Insurance Protects You — And the Other Fellow . . . Accidents are often the fault of neither party — and adequate insurance is the protection that stands between both of you and financial loss in replacement or repairs to damaged property. It is needlessly hazardous to drive your car uninsured. We can write insurance for your car, on your house and business or to protect you from accident and protect your family in the event of your death. Why delay longer? — Protect yourself now! Hughston Insurance Agency

THE COUNTRY PRESS SAYS Port St. Joe, Fla., Star: "This country is now committed to a policy of active resistance to Communist aggression. It is a policy whose cost no one can as yet estimate. In the light of this, how can further waste and unnecessary domestic spending be countenanced? In a world struggle for survival, there is no room for the welfare state. . . . Clear Lake, Calif., Observer: "Can you afford to take a pay cut so that the people in the Tennessee Valley can buy power from the government at a fraction of its actual cost?" Canyon, Texas, News: "If the government succeeds in taking over the medical business, it will not be long before it will take over the newspapers, the lumber yards, the grocery stores, and all other lines. The bureaucrats are after power, more power, and more power." Greene, Iowa, Recorder: "That the fault of the present day situation, American Medical Association, and the Texas State Medical Association. He is also director of the Division of Emergency Medical Services and Public Health within the framework of the State's civil defense organization."

SECURE IN THE FUTURE. The feeling of security, backed by a savings account in a bank you know and trust, is not only a comfort but almost a necessity as well. With all the conveniences of modern living, nothing as yet has been invented to prevent emergencies. Keep secure in the future by planning now to set aside a portion of your salary every pay day for your own savings account. May we help you? CROWELL STATE BANK Member of Federal Deposit Insurance Corporation

Your Health . . . "Arthritis" Cases Not Identical. "Arthritis" sometimes called Articular Rheumatism, is an inflammation of the joints. The condition is characterized by changes in cartilaginous and synovial membranes, and deformity of bone, which later may become nodular and ankylosed. This condition is caused by a disturbance in the calorific (heat) function, over nerve fibers supplying the parts affected, combined with subnormal activity in organs of elimination, especially the kidneys. The Chiropractic approach in Arthritis is to locate the cause of mal-expression of normal calorific nerve impulses. The cause of this irritation is frequently found in the spinal cord. Cord tension or pressure here also usually affects the kidneys. The Doctor of Chiropractic aids in the restoration of normal quantity transmission of nerve energy to the nerves supplying affected areas and the body responds with normal function. In acute stages of Arthritis, restoration of normal nerve force is the first step necessary to bring prompt recovery. Where the condition has persisted for many years, frequently little or no help is possible—yet in many chronic cases results have been phenomenal. No two cases are identical. See your family Chiropractor.

DRY MILK SOLIDS

Dry milk solids improve both the food value and baking quality of bread.

OPTICAL GLASS

Optical and ophthalmic glass, from which fine lenses are made, amounts to only one-tenth of one per cent of all glass produced in the United States in a year. Yet that small fraction enables us to see, by microscope and telescope, objects which the unaided eye cannot see. And it enables millions of spectacle-wearers to read, work and play with comfort and efficiency.

fall here with his brother, Luther
— Marlow.

Mr. and Mrs. Tom Callaway — 17-1tp
made a business trip to Wichita
— Falls Monday.

Longest non-scientific word in — 17-1tp
the English language is Proan-
— tidisestablishmentarianism.

The term "hand" in measuring — 17-1tp
the height of a horse, is four
— inches.

NAIL MANUFACTURE

Jacob Perkins of Newburyport, — 17-1tp
Mass., invented a nail cutting
— machine. This machine, and later
— ones, eventually did away with
— the home manufacturing of nails.

To Relieve Misery of COLDS take 666

LIQUID OR TABLETS—SAME FAST RELIEF

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. — 17-1tp
27 St., East St. Louis, Ill., a nurse,
— says she wishes she had found
— out about HADACOL sooner be-
— cause since taking HADACOL she
— feels so good. Mrs. Adele was
— suffering a deficiency of Vitamins B₁,
— B₂, Niacin and Iron which HADA-
— COL contains.

Here is Mrs. Adele's own state- — 17-1tp
ment: "I have been a nurse for
— over 14 years. My food never
— seemed to agree with me. I heard
— one day how so many folks were
— being helped because of HADA-
— COL. I tried it and after 3 bottles
— I could tell a big improvement.
— Now I eat anything I want—sleep
— well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just — 17-1tp
symptomatic relief. HADACOL
— now makes it possible to actually
— relieve the cause of aches and
— pains in the shoulders, legs and
— arms, certain nervous distur-
— bances, and a general run-down
— weakened condition due to defi-
— ciencies of Vitamins B₁, B₂, Niacin
— and Iron in your system.

HADACOL not only supplies de- — 17-1tp
ficient systems with extra quan-
— tities of Vitamins B₁, B₂, Iron, and
— Niacin but also helpful amounts of
— important Calcium and Phosphorus

Be fair to yourself! Give your- — 17-1tp
self a break if you have such defi-
— ciencies! Why continue to drag
— yourself around—a burden to your-
— self and your family—when relief
— may be as close at hand as your
— nearest drugstore if you suffer a
— deficiency of Vitamins B₁, B₂, Niacin
— and Iron. This great HADA-
— COL is inexpensive, too—costs only
— a small amount a day. Trial size,
— only \$1.25. Large family or hospi-
— tal size, \$3.50. If your drug-
— store does not have HADACOL, order
— it direct from The LeBlanc Corpora-
— tion, Lafayette, Louisiana.

Miss Myrtle Bartley and Travis Vecera Wed by Candle Light in Methodist Church on Friday Evening, November 10

In the soft glow of candle light on Friday evening, November 10, Miss Myrtle Bartley became the bride of Travis Vecera in a double ring ceremony performed in the Methodist Church by Rev. Aubrey C. Haynes, pastor of the church.

The ceremony was performed before an improvised altar formed by baskets of white and yellow gladioli and candelabra holding tall white tapers.

Ushers for the wedding were

E. W. Kidd Jr. and Thomas White. Preceding the exchange of marriage vows, Miss Ann Richards of Waco, a cousin of the bride, played pre-nuptial organ selections, "Love You Truly," "O Promise Me" and "With This Ring I Thee Wed." She also accompanied Miss Sharon Hanev who sang "Always" and "The Lord's Prayer."

The candles were lighted by the ushers and little Misses Alta Nell Bartley, sister of the bride, Barbara Langford, Linda Mecheil, Linda McClain, Beverly Fairchild and Jo Frances Long held lighted candles during the ceremony. Their dresses were of yellow, peach, aqua, blue, white and aqua, respectively.

Misses Betty Brock and Tommie Meason were bridesmaids and wore frocks of green and pink crepe and carried colonial bouquets.

Miss Betty Sue Bartley was maid of honor to her sister and was attired in a frock of yellow organdy and also carried a colonial bouquet.

The bride, given in marriage by her father, C. S. Bartley, wore a wedding dress of white nylon over taffeta, fashioned with tight bodice, high neck, with tiny collar and covered buttons down the front. The skirt was ballerina length. Her flowers were white glads, in a shower bouquet, and carried atop a white Bible.

Paul Vecera of Wichita Falls served his brother as best man.

Following the ceremony, a small informal reception was held at the Bartley home for the members of the wedding party and the out-of-town guests. The wedding cake was served with punch to those

DON'T BLAME THIS STUDENT—if she thinks chickens bring good luck. Miss Inez Franz, freshman Texas State College for Women student from Barker, keeps one on her study desk. She wears miniature chickens on necklaces and bracelets. Reason? Chickens are paying her way through college. A pen of five entered in the Houston Fair brought a record \$55 per pound or a total of \$935.

present. Out-of-town relatives and friends who were present included Mr. and Mrs. Travis Box, Mr. and Mrs. Paul Vecera and Mr. and Mrs. Arthur Hale, all of Wichita Falls; Mr. and Mrs. Gilbert Langford and family of Quanah; Ed Mecheil of Rayland; Mrs. E. S. Richards and Miss Ann Richards of Waco; Mr. and Mrs. Sankey Johnson, Mrs. Earl Johnson and Mrs. Harmon Edge, all of Lubbock, and Miss Ernestine English of San Angelo.

The bride and groom left after the reception for a short wedding trip, after which they will reside in Crowell.

Mrs. Vecera is the daughter of Mr. and Mrs. C. S. Bartley and is a member of the Crowell High School graduating class of 1950. Mr. Vecera, the son of Mr. and Mrs. Tom Vecera, is also a graduate of Crowell High. He served in the Army during World War II. He is now engaged in farming near Crowell.

F. H. A. MEETS

The Crowell FHA Club held its first meeting of the year on last Tuesday evening at 7 o'clock in the Home Economics Department of the High School.

The leader of the program was Geraldine Schmittou who introduced Mrs. Mike Brown who talked on many interesting things concerning flowers and flower arrangement. To add to the interest of the talk, Mrs. Brown told of Japanese arrangement of flowers. The Japanese express the whole philosophy of life in their designs— heaven, earth and man being their main subjects. She opened the meeting to a question and answer period and many helpful hints about flower preservation were exchanged.

Norma Jones gave an interesting talk on the tooling of leather for belts. She had her own kit of instruments for the work. During the business meeting, the club voted that each girl bring a Christmas gift to the next meeting, to be put under the Christmas tree and names would be drawn for the gift exchange.

After the business meeting, delicious refreshments were served by the following hostesses: Cleo Vonne McKown, George Ann Davis, Iris Abston, Betty Barker and Lucille Carroll.

THALIA P. T. A.

The Parent-Teacher Association of Thalia met in regular session on November 8 with Mrs. E. C. King in charge of the program.

The girls of Mrs. King's room, dressed as boys, sang "Home on the Range." The boys, dressed as girls, also sang a song. Mrs. King gave an interesting talk on "Are habits the stuff of which behavior consists?"

It was decided the P. T. A. would not sponsor the program and community Christmas tree this year but each room would have a small tree and party on the afternoon before school is dismissed for the Christmas holidays. All pre-school children of the community are invited.

Mr. Steele's room had the largest number of mothers present for the meeting and received a book for the room.

Mrs. McBeath gave a report on the lunch room. She stated that they are still able to furnish a balanced meal and that it would not be necessary to raise the price of lunches at this time.

The next meeting will be held on the first Wednesday in December.

FOARD CITY W. S. C. S.

The ladies of the Foard City Woman's Society of Christian Service met at the church on Monday afternoon, Nov. 13, with eight members and one visitor, Mrs. L. C. Wisdom, present.

Mrs. J. M. Barker led the devotional which was based on the Second Psalm. From this scripture comes the wonderful lesson of thinking before speaking. One should consider three points before speaking, first, is it the truth? second, is it loving? and third, is it necessary? By practicing these three things, one will be helped to find the hidden splendor of the human soul.

Mrs. Blake McDaniel was program leader and reviewed duties the society has in relation to Christian Social Relations.

The Christmas cards were distributed among the members to be sold to raise funds. The meeting was dismissed with prayer after which Mrs. W. L. Johnson served refreshments.

BAPTIST W. M. S.

The First Baptist Church Woman's Missionary Society met November 13 in the home of Mrs. Henry Edgin for the Royal Service program.

After a song and a short business session, Mrs. W. F. Stater had charge of the program, "Is There a Doctor in the House?" She stressed the need of missionary doctors in the foreign fields today.

Following the program Mrs. Edgin served a lovely plate of refreshments to the twelve members present.

On Nov. 20, the WMS will meet in the home of Mrs. J. B. Harlan. Mrs. T. W. Cooper, foreign missionary chairman, will bring the concluding chapters of the book on Prayer, by Hollisby.

TRUSCOTT SUB-DEB CLUB

Acting as hostesses, Peggy Tra-week and Jamile Caram served a delicious refreshment plate to the members of the Truscott Sub-Deb Club at their meeting last week. The speaker's table was covered with a yellow linen cloth and centered with a bowl of chrysanthemums.

The program with Camille Todd as leader was on "International Relations." She gave a talk on the subject, "Looking to the League of Nations." Pat Owens gave a report on the United Nations. Nora Lee Davidson directed a parliamentary quiz game.

The next meeting will be held on Nov. 25th.

FRIENDSHIP CIRCLE

The Friendship Circle of the W. S. C. S. of the Methodist Church met Tuesday, Nov. 7, in the home of Mary Ermine Cooper.

The program, "Make a Joyful Noise," was given by Jane Bruce, Barbara White, Virginia McKown and Peggy Weaver.

Refreshments were served to eight Circle members. The next meeting will be held in the home of Joyzell Thomson on Dec. 5.

Home Demonstration Notes MARY DEEB BROWN

The Foard County Home Demonstration Council will meet this Saturday, November 18, at 2:00 P. M. in the Agent's office. We need to make final plans for the yearbook so try to be here on time so we can start promptly at 2:00.

We have mimeographed a copy of the Texas Home Demonstration Association's Reading List for each club and I'd like to start urging you all to read some of these books. Quite a few of them are in the County Library here and we should all make more use of it. As club members and members of the County Federation of Clubs you help sponsor the library, and as sponsors you should also use it. Very few towns this size have such a nice library and we should all use it more.

One of the THDA Reading Lists will be left in the library also for your use. The books on this list deal with fiction, history, sociology, biography, religion, mythology, etc., so there is something to interest each of us. The more books we read from this list the more credit we receive as individuals and as a county in being better home-makers to make a better world.

Storing Government Loan Maize for South Plains Producers

During the past week Tillery's Red Elevator has unloaded 26 cars, totaling around two and three-quarter million pounds, of milo maize, which they are storing for farmers of the South Plains area, it was announced Monday by Oscar Tillery, owner and manager of the elevator.

The elevator is issuing bonded warehouse receipts, which are approved by the Government, direct to the farmers.

Mr. Tillery says they expect to unload approximately fifty cars of maize which will total over five million pounds. The elevator is employing a crew of three to five local men doing the work.

Baseball's National League was founded in 1876.
