Town Builds Parking Lots Aimed to Lure Back Local Trade

Rye, N. Y. — Like many communities across the country, Rye has had a serious parking and traffic problem. The town has just completed a major operation on some of the back yards of the city's blighted business district that is aimed at increasing the local trade by \$4,000,000 a year.

The program is the establishment of "car parks," the first two of which were dedicated recently. They are located behind stores on the main shopping thoroughfare. Two more such parks will be constructed next year.

To accomplish the transformation the town condemned and de-

molished 20 residential properties and two small commercial establishments at a cost in excess of \$200,000. Then it spent \$55,000 to construct the car parks.

Trees will shade each of the 270 stalls and decorative shrubbery and flowers will be set in the stone curbs that divide the parking fields into small sections for easier access to particular stores. That part of the program the Garden Club of Rye which is was developed with the help of contributing much of the greenery.

The decision to rehabilitate the business sector stemmed from growing complaints of lack of parking facilities. The main shopping thoroughfare is a narrow traffic trap. There were only a few isolated lots near the stores and local residents were going to other communities for many items available at home. Some housewives were even doing their day-to-day shopping in other communities.

With the new car parks the merchants hope lost trade will re-

turn, and they are doing their part by rebuilding the rear of their shops to form an attractive backdrop for the parking lots.

To insure the continuing attractiveness of the new municipal parking areas the town adopted an ordinance that not only bars commercial advertising signs but requires merchants wishing to identify their locations to submit the designs to an architectural board of review for approval.

CAT CRACKER SETS RECORD

What is believed to be the world's record has been set by a big fluid catalytic cracker on its initial run. The unit has been on stream continuously for two years, one month and 21 days when it was closed down recently for overhauling. A total of 11,914,000 barrels of gas oil were processed into high-test gasoline during the 785 days it ran without a hitch. The nation's refineries, like this one, are kept running around the clock, day in, day out, to keep America supplied with petroleum products.

30 YEARS AGO**

The following items were taken from the issue of the Foard County News of Friday, Jan. 20, 1922:

The lowest temperature registered in Crowell this winter was Wednesday night when the thermometer registered 18.

J. A. Stovall is making arrangements to move to Vernon where he will be connected with the Massie-Vernon Grocery as bookkeeper, the same position he has held with the store in Crowell.

Only 618 automobiles have been registered in this county up to the present.

Rev. J. A. Crutchfield, 82, retired Methodist preacher and former pastor of the Crowell Methodist Church, passed away in the home of his brother, Wm. Crutchfield, in Chicago last Friday.

Elmo Molsinger and Miss Mary Smith were married in Vernon last Friday evening.

This winter has been the mildest in many years.

Mr. and Mrs. C. R. Ferguson were taken to Quannah Sunday morning by their nephew, Percy Ferguson, where they took the train for a visit with relatives in Nashville, Tenn.

Sylvan Haney, who was employed as a clerk in Cecil & Co., the past year, left on the first for Dallas to accept a position in a drug store.

A. C. Gaines, jeweler, left Thursday for Hot Springs, Ark., and will be there for about two weeks.

Deb Owens and wife moved Wednesday to the home of Mrs. J. M. Teel, Mrs. Owens' aunt.

Grady Magee, Allan Sanders and Albert Schooley attended a meeting of the Vernon Commandery in Vernon Wednesday night.

Mrs. J. A. Johnson and son, Baxter, visited friends in Chillicothe and Quannah Monday.

Paul Shirley and Glen Offield bought 120 head of corn fed Hereford calves from John Epley of Rochester last week.

Salvation Army to Launch World-Wide Campaign in 1952

The Salvation Army is launching a world-wide campaign in the year 1952, which will be called "The Midnight Cry," based on the words of Matthew 25:6, "At midnight there was a cry made." Every Corps in the State of Texas will cooperate in this great Spiritual Crusade, Lt. Col. John A. Morrison, the State Commander, said. In commenting on the Crusade the Colonel continued:

"What time is it? If we could imagine a great clock whose hands recorded the passing of the hours of light and darkness in the moral and spiritual history of mankind, what would we read there? Are we living in days of righteousness, God-fearing, and the clear shining of faith? What think you: are the nations of the world standing in the brightness of His glory, whose reign is one of truth and peace. Would my contemporaries say that the state of the world is better now than it was, say fifty years ago? Or would they agree with me that aside from scientific developments and improvements—the world is uneasy, restless, frightened and troubled and, over wide areas, very dark."

The Army will, the Colonel stated, make definite plans in every Salvation Army Corps to promote the campaign. People will be urged to read the Bible, especially the words of Jesus on these significant issues: To re-establish the family altar in the homes; to attend the church of their choice; to practice Christian virtues in their daily living; and to recognize the necessity for emphasis on the moral and spiritual standards of the Christian religion as the only sure way of the survival of this nation through these times of crisis.

The man who brags that he runs things around his house is probably referring to the lawn mower and the washing machine.

Many workers are like a certain processed coffee; 98 per cent of the active ingredients have been removed from the bean.

According to a book publisher, only a person who has suffered can write a modern novel. If that's true, then we'd say that anyone who has read a modern novel can write one.

Leslie Thomas to Seek Re-Election As County Judge

Judge Leslie Thomas has authorized the News to announce that he will be a candidate for re-election to the office of County Judge, subject to action of the Democratic Primary. A formal announcement will be made at a later date.

TWO KINDS OF DIAGNOSIS

The Freeman magazine recently ran this significant little item: "The Associated Press reports the story of a 48-year-old Englishman who tried to get a good diagnosis of his case from the socialized medicos of Great Britain. Looking him over hurriedly, the harassed and distracted British doctors decided he was a gone goose: his legs appeared to be suffering from an incurable disease of the blood vessels and they soon would have to be cut off. Death would follow in fairly short order. Far from resigning himself to obliteration, however, the 48-year-old Englishman, who happened to be an employee of a shipping firm, wangled himself a trip to America. Doctors in Connecticut gave him a diagnosis that took 20 days for its completion. It was finally determined that the Englishman's trouble was due to a spine condition which could be relieved by wearing a brace. The man will live, and he will keep his legs."

The Freeman observed that it did not want to force a moral from this, as one item does not prove a trend. But it is the sort of thing that can be expected under either socialized medicine, or government-dominated medicine. The British doctors are perfectly competent, and Britain has made many an outstanding contribution to the advancement of medical science. But the change that has taken place since the Labor government socialized medicine has been tremendous and depressing. Doctors must follow rules laid down by bureaucrats. It is all done by the book—and the politicians write the book. Under the panel system, doctors often are forced to deal with so many patients that it is a physical impossibility to give difficult cases the time and attention needed.

In all probability, the overwhelming opposition which the Administration's proposed compul-

Midwestern University Receives \$10,000 Gift

Midwestern University in Wichita Falls has announced that a \$10,000 gift of two Intertypes by the Time Publishing Co. of Wichita Falls brings into active reality long-time plans for major emphasis in the field of Graphic Arts. With this additional equipment it is now possible to open classes not only to the tradesman who devotes his full time pursuing craftsmanship in this field, but also to the academic student who desires to qualify as a teacher in this field in addition to mastering the trade.

Rhea Howard, president of the Times Publishing Company, in pres-

enting the gift to Midwestern University said, "It has always been a part of our program to help in every way possible in the development of Midwestern University. We feel, because of employment opportunities and needs, that the Graphic Arts program at the University should be accentuated. We are happy to make this investment in a worthwhile and valuable service which is regional in scope and nature."

University officials pointed out that in addition to the proficiency diploma as a craftsman, the students who qualify for a Bachelor of Science degree in Education may choose as one of their majors, Graphic Arts. This provision discharges an obligation to the teaching field in the training of teachers for this service for the many schools which are clamoring for qualified people on secondary school faculties. Such teachers can qualify to teach not only in whol-

sory government health insurance scheme has met with, was in large part due to what has happened in England. Britain is entitled to socialized medicine if she wants it—but the American people are clearly convinced that free medicine far better fits the needs and traditions of this country.

The tax medicine Washington mixes up for us isn't so palatable, but it's worth any price just to live in this country.

Success is built on small margins. The fastest runner in the world can't run five per cent faster than ordinary runners.

New 90 H.P. 6-Cylinder Engine

Up to 35 Miles Per Gallon

Loafs at 60 - Cruises at 75 - with Power To Spare

61" Wide Seating

In one giant stride, Willys sets a new pattern for the future with a car which embodies advanced features of Aero design. With its advent, many other cars become obsolete. For no other car possesses its combination of Economy; air-borne Ride; low-center-of-gravity Safety; sheer dollar Value and it's Beautiful!

It's Low and Wide, It's Big Inside and It's Beautiful. Today, Willys brings you this revolutionary car, a brilliant blend of aero and auto engineering, ready to thrill you with a new experience in motoring.

WARNING
Don't drive the new Aero Willys unless you are prepared to be satisfied with your present car.

AERO-FRAME CONSTRUCTION, following principles of aero-design, welds the body and chassis members into one extremely rigid unit. Streamlined from its plane-wing hood to the rear air-fins, the Aero Willys, powered by a new 6-cylinder Hurricane Engine, gives breath-taking performance and up to 35 miles a gallon with overdrive.

PREMIUM GAS NOT REQUIRED because of F-Head engine design. This new engine, with 7.6 compression, produces .560 horsepower per cubic inch of displacement, surpassing even the engines in America's most costly cars.

HELICOPTER VISIBILITY, with panoramic vision all around, results from wide glass areas. All 4 fenders are visible from the driver's seat.

SMOOTH, QUIET AIR-BORNE RIDE. Road shocks, noise and vibration are smothered by new springing and rubber "pillows" at strategic points. Center-fill gas tank at rear... pull-out dash drawer... 24 cu. ft. luggage space—these are but a few of the features you will notice when you see the surprise car of the year—and it's Beautiful!

DON'T BE AN EASY MARK
We are living in an age when the fine art of trying to get something for nothing is being practiced by nations, states, cities, and on down to the lowliest pick pocket and professional writers of bad checks.

Fred Johnson, Vice President of the American Stores of Philadelphia, has compiled information on the growth of the bad check racket. It reads like a fast moving story. For example, he points out that in the trading area of the American Stores a certain group of banks formerly turned back from three to five worthless checks a day. Now they turn back eighty each day. The recent crime investigations have caused certain lawless elements to switch their activities into other types of swindling, particularly the pushing of bad checks among merchants, with shoplifting and counterfeit money as side lines.

After listing scores of examples of the way merchants and individuals are imposed on and bilked by the bad check artists, Mr. Johnson gives some sound advice: "Checks should never be cashed on the basis of casual acquaintance, sympathy, hard luck tales, distress telegrams, vague answers, altered credentials, haste, bluff and bluster, offended dignity, personal resentment, threats to report to the main office, or alleged friendship with an official of the company. Phoned instructions to cash checks, regardless of the source, should be disregarded."

There is one safe rule to follow. Don't cash a check for anyone whom you don't know or who cannot furnish you with absolutely satisfactory credentials.

SWEATSHOP WAGES
A California power and light company has asked the state public service commission for permission to raise its rates. This increase is necessary to give it a fair and reasonable return on its investment in electric properties and service facilities of a little less than six per cent. The average household electric bill would rise by about three cents a day. And more than half of the additional revenue gained would go for taxes.

Utility companies in various parts of the country have found it necessary to take similar actions. Like all the rest of us, they must meet inflated prices, wages and taxes. They have cut costs wherever possible and vastly improved their operating efficiency. But there is finally a limit to the economies that can be effected, and then the only solution is an increase in rates.

Since 1936 the cost of living has jumped 90 per cent. The price

FOARD CITY W. S. C. S.

A very brief business finished, the members and guests of the Women's Society of Christian Service of Foard City heard more of the book of study on Monday, Jan. 14. Preceding the lecture, Mrs. Grady Halbert made two hymns, Luther's "Away in a Manger" and Mohr's "Silent Night, Holy Night," seem ever more cherished by telling the circumstances under which each was written.

The second lesson on the Book of Acts, directed by Mrs. Virgil Johnson, dealt with eight chapters beginning with chapter four. After the trying experience before the Sanhedrin, Peter and John sought out their fellow disciples as though to impart and receive spiritual strengthening and moral support. "What a source of comfort a group that bears each other's burdens can be!" said Mrs. Johnson. This Christian group prayed a common prayer and shared in a common power; they preached a common doctrine and experienced a common favor with God.

A moral lesson, as well as a spiritual one, was noted in the story of Ananias and Sapphira. This couple loved money and prestige and their sin was hypocrisy and dishonesty. For they wanted honor for giving all to the brotherhood when in reality they had given but part. Many of us have been likewise guilty: claiming we have given much of our time, talent and money, when we have hoarded the greater portion of all three for our own use.

"In what respects does the story of Stephen's trial and martyrdom remind you of Jesus?" asked Mrs. Johnson. One answer is found in the last verse of Chapter 7. Stephen preached in a very convincing manner but was too radical for the Jews in whose synagogues he preached. They refused to accept Christ as the end of the law and the temple, as Stephen maintained.

Beginning with Chapter 8, it is found that the Christians begin to extend the boundaries of their evangelistic territories, embracing a broader outlook concerning nationalities worthy of hearing the Word. Persecution of the church in Jerusalem played an important part in the scattering of the Christians who subsequently caused the gospel to spread faster and in farther places than it would have spread, probably, under quiet conditions.

The conversion of Paul and his early Christian preaching is a fascinating story which is ageless as the story of the Babe in the Manger. The extraordinary zeal and energy of Paul puts to shame the lackadaisical manner in which most Christians today accept the privileges and shirk the responsibilities of salvation.

Peter's vision on the rooftop of Cornelius and the appearance of the two strangers at the door seemed at first to have no connection; yet, by accompanying them, Peter was made to understand the meaning of his vision. This experience carried Peter far off the beaten path of Jewish legalism. His offense in the eyes of the Jew was not in preaching to Gentiles but in admitting them to all the blessings reserved for God's children without requiring them to observe the law.

A very true-to-life happening concerning the reaction of Peter's friends, who were praying for his deliverance from prison, was used to conclude the lesson for the day. "The surprise of the prayers at the speedy answer to their prayers but illustrates the little faith we bring to God," Mrs. Johnson regretfully stated in conclusion.

COLUMBIAN CLUB
The first Columbian Club meeting of the new year was held at the home of Mrs. N. J. Roberts on Wednesday, Jan. 9.

This was the day for the Fine Arts program, but because of illness there were a number absent, and none of those who were to provide the program were present.

Mrs. T. L. Hughston, a charter member, was present for the first time in several months. She announced to the group that, since the club's major project had always been music in the school, she wished to pass on through the club her Edison phonograph. The machine is a beautiful piece of furniture and in perfect condition.

The club has also sponsored Mother's Day programs since the observance has been nationally recognized, and on recommendation of the chairman of mothercraft of the American home, the club will present a candidate for the "Mother of the Year." This nominee will be presented at the regular Mother's Day observance in May. She must be a mother of distinction.

Mrs. Roberts served a refreshment plate to 15 members.

UNPAMPED MOTHER
Murreesboro, Tenn. — Three days after giving birth to triplets, Mrs. John Coker, 36, returned to her Oliver Springs, Tenn., mountain cabin to care for her other six children. Her husband, 76, is in a local hospital.

of many items has gone up much more. Yet the cost of electric service has hardly changed. In the case of the California utility, it is but 4 per cent above the 1936 level, and that is typical throughout the country. In today's king-sized household budgets, the power bill is about the smallest item. This splendid servant really works for sweatshop wages!

CARD OF THANKS

For the splendid way my many, many friends have responded during my recent 16-day stay in the Crowell hospital, for every call, every word of encouragement, every Christmas gift, every act of kindness in any way I wish to express my deepest gratitude.

To the faithful doctors and nurses and to the four blood donors, T. R. Cates Jr., Oran Ford, Eva and Gordon Self, and to Fey McRae who administered first aid, I wish to say from the bottom of my heart, "Thanks," and "Thanks again" for restoring to me my very life. God bless and keep you every one. I shall never forget you.

CARD OF THANKS

To my many friends who were so thoughtful of me on my 80th birthday, it makes me feel like I might have been of some help to someone in times past. But it has passed now for I know that I am out of place. I am like a one-eyed in a round-up. I'm jumping, trying to keep out of the way. Thanks to all. Yours very truly.

WHAT IS YOUR TOTAL GROSS WEIGHT?

How much honor do you have to contribute to CHS? Five pounds? Ten pounds? Or 25 pounds?

Afraid that isn't enough? If you contributed five pounds, that would equal a couple of hands or a foot. If you contributed ten pounds, that would be a couple of feet or a leg. If you contributed 25 pounds, that would be a couple of legs and an arm.

In a "system" like CHS when you are allowed privileges, you're put on your honor.

You are allowed freedom during the noon hour to eat where you please. Do you appreciate this privilege by acting in such a way that the school would be proud of you? Or do you loiter and smoke on the private property of other people? Do you use this time to watch a game in the gym and play a game on the grounds, or do you slyly try to court your girl a block or two from school?

Your parents do not follow you to town when you go on an errand. Should the teachers be forced to act as body guards, or shall we always be trusted to uphold

the honor of our school? We could almost lose our noon hour entirely by being allowed only a few minutes to eat.

You've got to contribute every single ounce of integrity, energy and willingness. That, of course, means 140 pounds—if you weigh 140 pounds.

This is the only way you can contribute to the honor and uphold the freedom that has been the practice of CHS.

MONKEYS, CLOWNS, GIRAFFES CAPTURE SPOTLIGHT AT DOLL REVIEW

One of the most interesting spectacles of the week has been the bright colored objects the freshmen girls have been carrying under their arms up and down, and from, the homemaking department in preparation for the much talked about, much publicized doll review.

They worked diligently to perfect each detail of the little stuffed characters and toward the end of the week had them in such good form that they attracted many a curious and amused glance from the upperclassmen.

So skillfully were the dolls

NEW AERO WILLYS SEDAN INTRODUCED BY DEALERS; HAS 90 FEATURES, GOES UP TO 35 MILES PER GALLON

One of the few entirely new automobiles to be introduced by an American manufacturer in over two decades, the new Aero Willys sedan, will go on display in the showroom of Phelps Motor Co. tomorrow, Jan. 18. It is named the Aero Willys because of being "more fully engineered than any previous auto

to combine principles of aeronautical design with advanced automotive engineering," according to Ward M. Canaday, company president.

transported from the homemaking room to lockers that actually all the on-lookers got was a glimpse of bright yellow yarn hair or maybe a bright, sunny, embroidered grin.

Friday, however, the mystery was brought out in the open. The girls proudly invited the entire school to their doll review. The homemaking department looked similar to a Walt Disney production. There were dolls everywhere! Ones with black hair and blue eyes. There were little pickaninnies complete with dozens of braids. Clowns grinned at you from under little polka dotted hats with huge topknots. Monkeys with long tails and giraffes with necks even longer provided variety. Little girl dolls with yards upon yards of ruffled dresses and petticoats alone showed evidence of much work on the part of their creators.

The doll review was a big success and we wish to compliment the freshmen girls for their skillful creations.

CONGRATULATIONS, SOLLIS!

Our beloved professor of chemistry and geometry was all smiles Monday morning as he passed out the proverbial cigars. The cause—the arrival of a boy, his second son. Here's hoping you, Sollis, put some of those famous equations in chemistry to good use mixing the milk formula for the dear little bundle of joy some morning about 3 o'clock. Congratulations!

TWO LUCKY STUDENTS ATTEND ROTARY LUNCHEONS EACH WEDNESDAY

Every Wednesday just a little before 12, Jean Hughston and Robert Brock quietly leave school and drive to town. Why are they privileged to leave early? Well, it's because they are the Junior Rotarian and the pianist for the Rotary Club luncheons.

Each year the Rotarians choose a high school boy and girl to fill these places. During that year, the boy and girl attend the weekly meetings of the Rotary Club. In this way these two are privileged to learn something about the good work of the Rotarians.

SENIOR WHEELER ATTENDED LUBBOCK HIGH SCHOOL DURING SUMMER

The brown haired, blue eyed senior girl of the week this time is Pauline Wheeler, a Foard City-lite. She attended Crowell Grammar School before entering CHS as a freshman. Planning to finish high school in three years, she went to school at Lubbock last summer.

Pauline tells us that her favorite dish is food, it is even better if it happens to be fried chicken. Another of Pauline's favorites is movies with Farley Granger or June Allison. Baseball is tops in the sport line.

With a twinkle in her eye she disclosed that playing harmless jokes on her friends is her favorite pastime. Anyone who knows her will assure you that her most

outstanding trait is her wonderful sense of humor.

As almost everyone has a pet peeve, we asked Pauline what her's was. She answered without a moment's hesitation, "People who act stuck up, of course."

After she graduates, Pauline plans to enroll in Draughon's Business College at Lubbock. Whatever she does, you may be sure she will succeed, for her happy smile endears her to everyone.

NEW STUDENT

What's her name? Where did she come from? What class is she in? Where does she live now? These are just a few of the many questions asked by the student body about an attractive, dark-eyed, brown-haired senior who enrolled last week.

Here are some of the answers: She is Barbara Thaxton from Sweetwater now living at Thalia.

At Sweetwater, Barbara was a Theban and head cheerleader for the Pop Squad.

Among her favorites are algebra, fried chicken and a certain military student at Kerrville.

CHS is certainly glad to have you, Barbara.

FAREWELL TO DORIS AND BUDDY MORRIS

By the time this reaches the press, Doris and Buddy Morris will be well on their way to their future home in Arizona.

Of you, Doris, we can say: you are a good pal with a grand sense of humor. CHS will miss the sound of your laughter and infectious grin throughout the halls.

Buddy, we will miss you too. Your ready laughter and jokes will be missed by faculty and students both, in CHS.

Here's hoping that you two will enjoy living in Phoenix, Arizona. May Crowell's loss be Arizona's gain. Good luck, Doris and Buddy.

"A" CAGERS DUMP NEWCASTLE IN INITIAL DISTRICT GAME

After experiencing a wild and awkward passing contest for the first half, the local dribblers returned to the hardwoods the final half and put on a devastating hustling and sharp shooting attack to outlast the Newcastle Bobcats 46-37 Friday night.

The visitors, led by grid stalwarts, Sonny Blanton, Lee Otis Clayborn and Jackie Stringer, took advantage of the Cats' mistakes and led the locals 25-19 at the intermission.

Immediately after the half the Wildcats indicated that they were not to be denied by showing a capacity filled gym a fine brand of hustle and ball control that they had witnessed this season. Roy Whitley was instrumental for the local's comeback by contributing 15 points. Jim Norman was runner-up with 10 markers; however, Clinton Marlow and Ginger Johnson deserve a good bit of the credit for their hustling and hawking the ball from those victory minded Bobcats the entire game. Tonight our basketballers go to

Chillicothe to be entertained by the tall and aggressive Eagle quintet.

QUANAH HANDS CROWELL "B" TEAM FIRST DEFEAT

Crowell's "B" team was defeated last Tuesday for the first time this season. They have played seven games and lost only one of these.

Quanah had the advantage on Crowell in height. Their rebound work and ball control proved to be the deciding factors of the game.

Gaylon Whitley was high point man with six; however, Gordon Graves was close behind with five.

Richardson of Quanah scored 10 points to lead his team to victory. The final score was 34-19.

NORMA'S NONSENSE

Here we go again with pencil, paper, typewriter, eraser, and gun at hand. Object: to get the low down on students of CHS.

Arizona, Montana and Chillicothe gain, we lose.

Tuesday was the last day for one of the friendly little gals in CHS, Doris Morris. Doris and Buddy are moving to Arizona; CHS will miss you.

Rosemary is leaving for Montana in less than two weeks to get married. Hope you both have a lot of happiness.

Leonard and Mary Reynolds moved back to Chillicothe. It has really been nice knowing you. By the way, Margaret and Ronny are moving later?

Ain't it a relief that school is half way over.

Can you imagine: Norma Jones and Floyd Porter going steady? Volley ball girls

New 3-Cent Stamp Honors 4-H Clubs

A 3-cent postage stamp in honor of 4-H Clubs is being issued by the Post Office Department. Mary Mary D. Brown, Foard County H. D. Agent, announced.

A special observance will be held at Springfield, Jan. 15, when the stamp first goes on sale at all post offices in the United States.

Stamp collectors who first-day cancellations of stamp may send not more than 10 addressed envelopes to Day Covers, Postmaster, Springfield, Ohio, with a money order to cover cost of the stamps. Place a medium weight closure in each envelope and the flap.

This commemorative stamp carries the 4-H club emblem in center. On the right are a boy and a 4-H girl. A small grain is shown in the left corner. From just below the 4-H emblem, a country road up by a group of farm buildings in the upper left corner.

The stamp is printed in green color used in 4-H designs.

A girl may wear a golf outfit when she can't play golf, but when she puts on a gown she knows what she's doing.

Maxine seems dreamy eyed now. What happened? Did he pop the question?

Mary Lynn's heart seems to be in Illinois.

Dear Ginger: I was there that dark night. Does the grass really look greener over at Quanah? You may leave the money to pay for my silence under the radiator at the front door. Thank you, dear.

—A friendly friend.

Thanks a million for the little bit of scandal that was turned in this week. Please, please turn in your scandal.

The Perils of a Cold Heart
from Moody Bible Institute, Chicago

One of the dangers which constantly beset the children of God—and especially those engaged in God's work—is the peril of a cold heart.

The Old Testament believer was commanded, "Love Jehovah thy God with all thy heart, and with all thy soul, and with all thy might" (Deut. 6:4,5). The Lord Jesus Christ repeats the same command as the "first and great commandment" in Matthew 22:37. There should be no question but that these "orders," as we may call them, extend to us in our own day. The Word of God is clear that the standards which are ours in Christ, in practical life, are no less exacting than the righteousness demanded of the Old Testament saint.

Do we, then, love God with all our hearts, and with all our souls and all our minds? Before answering, look at the implication. In I John 4:20 we read, "If a man say, I love God, and hateth his brother, he is a liar." No amount of talk, no amount of argument, can change that. If we claim to love God, but harbor bitterness and malevolence and maliciousness in our hearts toward some individual, God says we are liars! He says we do not love Him.

If we pass this test—if we can truly say we love our brothers—then how much do we love the Lord? To an extent, at least, we can judge the measure of our love for Him by the answers to a few

School Sets Up Plan to Train Rural Doctors

Durham, N. C. — The rural health of North Carolina is benefiting from an exchange program for medical students and country doctors sponsored by Duke University.

In their senior year, Duke Medical students are permitted to take a minimum "time-out" of two weeks to serve a tour of duty with a small town or country doctor in the state. In turn, the physicians to whom the students are "farmed out" all are instructors in general medical practice at the University.

The program was instituted by Dean W. C. Davison, who began to pioneer in this field 20 years ago. "The program gives an insight into the problems of the country doctor on a give-and-take basis," he said. "These students learn to examine, diagnose and treat, thus meeting the principal problems confronting a doctor in rural practice."

Dean Davison reports that students taking part in the program have written from the rural areas expressing their satisfaction with the lot of the modern country doctor.

Quail Hunters Sent in Record Number of Wings During Season

The director of Wildlife Restoration for the Texas Game and Fish Commission reported the receipt of a record number of bob white quail wings during the 1951-52 season.

The total has not been tabulated and will not be known until next month when wildlife biologists assemble at San Marcos to study the wings.

The Director said the wings for the season are fairly representative of the entire state but that the greatest number was received from the Panhandle and from Southeast Texas.

He attributed the splendid return to the "better cooperative attitude of sportsmen and to the fine help from newspapers and radio stations in informing hunters how they could help scientific studies by forwarding the quail wings."

The subject of sportsmen-biologist teamwork in gathering and studying the wings is covered in an article in the January issue of "Texas Game and Fish" magazine.

This article breaks down the results of the 1950-51 season studies and indicates the benefits of this team-work toward "advancing studies of breeding, feeding and migration habits."

The Director of Wildlife Restoration points out in the magazine that quail wing feathers tell the approximate age of the birds. He adds that acquiring sex and age data on a good sample of birds from a locality indicate rather definitely the extent of hatch and survival for the year.

Game Law Violations Increase in December

The Director of Law Enforcement for the Texas Game and Fish Commission reported that game law violation cases for December increased sharply over November but were less than the total for December, 1950.

December arrests totaled 462 with fines and costs totaling \$14,008.45. The December, 1950, arrests were 5933 with fines and costs amounting to \$13,307.85. The November, 1950, arrests were 332 for combined fines and costs of \$10,055.20.

Approximately 100 of the 462 cases in December concerned deer law violations. The arrests included: hunting deer at night, 33; killing doe deer, 20; headlighting deer, 16; killing spike buck deer, 9; failure to tag deer, 5.

The waterfowl flight also was marked by some prosecutions. Thirty-six cases involved killing ducks or geese in closed season. Twenty-nine cases were for killing ducks after the legal hour. Seven arrests were for shooting ducks from a motor boat.

Some hunters failed to abide by the quail regulations and 20 were arrested for killing quail in closed season.

The December arrest also included: no hunting license, 61; using unplugged gun, 24; hunting from an automobile, 13; killing doves in closed season, 8.

Bridal Shower for Mrs. Wayne Turner Given in Truscott on Jan. 12

A lovely bridal shower was held in the home of Mrs. Owen New of Truscott on Jan. 12 to honor Mrs. Wayne Turner, a recent bride.

Hostesses for the shower were Mesdames Owen New and C. A. Bullion.

Guests were received by Mrs. New and introduced to Mrs. Wayne Turner; Mrs. S. O. Turner, mother of the groom; and Mrs. Lee Turner of Amarillo. Mrs. Joe B. Turner of Crowell presided over the bride's book.

In the dining room, the table reflected the bridal theme with miniature bride and groom standing under a white archway. Behind the archway was a pretty arrangement of pink carnations and white snapdragons. Miss Winnie Sue Turner poured English tea which was served with cake, frosted with pink and white icing, nuts, mints, wafers and olives. Mrs. Bullion assisted in the dining room.

Mrs. Curtis Casey furnished the beautiful piano music. In the gift room, Miss Angie Maddox displayed the many pretty gifts.

The next meeting will be Tuesday, Jan. 15, in the home of Mrs. Frank Ward. Subject: "Let's Work on Our Rugs."

FRIENDSHIP GROUP MEETS

The Friendship Group of the Methodist Church met in the home of Mrs. Fred Wehba with Shirley Wehba as hostess on last Tuesday afternoon. The lesson was from the book, "The Gates Swing Wide."

Billye McCoy, president of the group, presided and also gave the devotional from Rev. 2 and 3 giving the thought that "the kingdom of God is within you."

"Christian Missions in Latin America" was the theme of the lesson. Short sketches of young people of Latin American Christians were given by Billye Bell, Sue Meason, Doris Morris, Jean Whitty, Shirley Wehba and Mary Cooper. These sketches were listed "of such is the kingdom" and explained how the young people throughout Latin America are helping make the dark places light.

Silent prayer was given for the young people of Latin America in our Christian schools as they prepare themselves for leadership of their people. Also a prayer was given for joy to be found in the heart of each person who helps them.

VIVIAN H. D. CLUB

"Politeness is to do and say the kindest thing in the kindest way, is one thing learned early in school," said Mrs. Mary D. Brown, to the Vivian Home Demonstration Club which met with Mrs. Arthur Sandlin in an all-day meeting, Thursday, Jan. 10.

"The leader of the county home demonstration council is called the chairman, rather than president, because the council is a committee and only committees have chairmen. The president of the club may vote in case of a tie and if the voting is done by secret ballot, continued Mrs. Brown.

A very informative quiz on parliamentary law was conducted by Mrs. Brown.

The new president, Mrs. Clyde Bowley, was in charge of the meeting. Mrs. W. O. Fish was elected secretary-treasurer. Other officers are Mrs. Darwin Bell, vice president; Miss Neoma Fish, reporter; Mrs. J. B. Raspberry and Mrs. Arthur Sandlin, council delegates.

Committees appointed by the president are as follows: finance and marketing, Mrs. W. O. Fish, chairman; education, exhibit, expansion, Miss Myrtle Fish, chairman; recreation, Miss Neoma Fish, chairman.

Demonstrators are living room, Mrs. Dee Gilbert, and foods, Miss Neoma Fish.

A final yearly report was given by the secretary.

A committee composed of Mrs. Allen Fish, Mrs. W. O. Fish and Miss Neoma Fish was appointed to adopt a constitution and by-laws for the club.

"Get well" cards were sent to Mrs. T. W. Cooper and Mrs. Egbert Fish.

The year books were partly filled out and programs discussed. The next meeting on Jan. 24 will be with Mrs. W. O. Fish.

Visitors present were Mrs. S. J. Lewis of Lockney, Mrs. Fred Pierce and sons, Larry and Fred Lee, of Quanah, Mrs. Ray Brown of Crowell, Mrs. Raymon Raspberry and the following members: Mrs. Clyde Bowley, Mrs. Allen Fish, Mrs. W. O. Fish, Mrs. I. D. Gilbert, Misses Myrtle and Neoma Fish, Mrs. Leslie McAdams and the hostess.

GAMBLEVILLE H. D. CLUB

Mrs. W. J. Garrett was hostess to the Gambleville Home Demonstration Club on Friday, Jan. 11. This meeting was scheduled for the previous Friday but was postponed due to bad weather.

The new officers installed are: Mrs. Ed Huskey, president; Mrs. A. B. Calvin, vice president; Mrs. Clarence Garrett, secretary-treasurer; and Mrs. Milton Hunter, reporter.

During the business session, Mrs. Huskey conducted a parliamentary quiz. The constitution and by-laws of the organization were read, committees were appointed and the yearbooks were filled out.

The committee chairmen are: Mrs. Calvin, finance and marketing; Mrs. Cecil Carroll, yearbook; Mrs. H. Monkes, education, exhibition, and expansion; and Mrs. Archie Campbell, recreation. Appointed to serve as demonstrators are Mrs. Campbell and Mrs. J. C. Prosser. Mrs. C. Garrett and Mrs. C. Carroll are council delegates.

The members were happy to see Dennis, young son of the hostess, back in his parents' home. Dennis was a victim of polio last summer and must return to the hospital for further treatment in February.

The next meeting will be with Mrs. Milton Hunter January 18.

The hostess served refreshments to the following: Mrs. Fred Diggs, Mrs. A. B. Calvin, Mrs. J. C. Prosser, Mrs. Cecil Carroll, Mrs. Ed Huskey, Mrs. Archie Campbell, Mrs. H. Monkes, Mrs. Milburn Carroll, Mrs. Clarence Garrett, Orceana Garrett and Junior Carroll.

RIVERSIDE H. D. CLUB

The Riverside Home Demonstration Club met for the first time this year on Tuesday, Jan. 8, in the home of Mrs. Ewald Schroeder.

Mrs. Sam Kuehn, president, called the meetings to order. Open-

PIONEER CIRCLE

The Pioneer Circle of the W. S. C. S. met in the home of Mrs. H. E. Thomson for a missionary program and social meeting Monday afternoon, Jan. 7, with Mesdames Alton Higginbotham, S. E. Tate and J. N. Ribble as co-hostesses with Mrs. Thomson.

After a piano solo by Mrs. S. T. Crews, the group sang several numbers with Mrs. Crews as pianist.

Mrs. A. Y. Beverly was leader of the program on the theme, "All Children Our Concern." After the devotional by Mrs. B. Thomson introduced Mrs. D. M. Thomson of Honolulu, Hawaii, who gave a very interesting and informative talk on the children in Hawaii and Puerto Rico. Mrs. Thomson taught in the schools in Hawaii for a number of years.

Mrs. M. A. Walker sang as a solo, "Beautiful Garden of Prayer," with Mrs. Crews accompanying.

Delicious refreshments were served by the hostesses to twenty members and one guest, Mrs. Thomson.

BEREAN CLASS SOCIAL

The members of the Berean Class of the First Christian Church were entertained with a social at the home of Mr. and Mrs. Marion Crowell recently. Games of forty-two, character reading and tape recordings of the group sayings were enjoyed throughout the evening.

In a business session the following officers were elected for this year: president, Loyd Teal; vice president, Mrs. Jack Spikes; secretary-treasurer, Alyene Graham; reporter, Jackie Borchardt. A tentance project was also voted to be sponsored by the class.

A delicious salad plate was enjoyed by twenty members.

LOCAL COMMUNITIES TO BE ASKED TO SUPPORT SCHOOL

New York, N. Y. — Local communities, particularly small towns, will in the next few months be hearing a lot about two great projects—the united appeal for world relief and reconstruction, popularly known as "One Great Hour of Sharing," and the International Christian University of Japan, better known as "ICU."

Both of these interdenominational, international and interracial movements are headed by the Rev. Stanley I. Stuber of New York.

The aim of "One Great Hour of Sharing" is to receive on Sunday, March 23, an offering of several millions of dollars in local churches all over the nation. A large part of this offering will come from small churches in towns and villages.

This is also true of the International Christian University of Japan. This new educational institution, which will open in April, 1952, is depending heavily upon the interest, prayers and financial support of hundreds of small churches which are interested in great international projects.

Home Demonstration Notes

MARY DEEB BROWN

There is a definite need for scrap metal today. Most farms have old tools, implements etc., just sitting around taking up space which could be used for something else. As Home Demonstration Club members, we should support this national scrap metal drive, so won't you look around today and see what you can take to your scrap dealer.

Council will meet this Saturday, Jan. 19, at 2:30 p. m. in my office for its first regular meeting of the year.

On Friday, January 25, we will have a training meeting for all living room demonstrators on Care of Rugs and Furniture. I will send out letters telling you the time and place early next week.

Parties Honor Mrs. D. M. Thomson

As a lovely compliment to her sister, Mrs. D. M. Thomson of Honolulu, Hawaii, who is a house guest in her home, Mrs. J. R. Beverly entertained with two lovely luncheon parties on Tuesday and Wednesday, Jan. 15 and 16. The Tuesday party was a 42 luncheon and on Wednesday it was a bridge luncheon.

A delicious salad and dessert course was served at 1 o'clock, at quartet tables, with attractive cloths and laid with silver and crystal. Each table was centered with a bowl of coconut chips and macadamia nuts, which came from Hawaii. Coffee was served with the dessert course.

For the games, compotes filled with chocolate covered macadamia nuts were found on each table.

High and second high score winners were Mrs. S. S. Bell, Mrs. R. L. Kincaid, Mrs. Merl Kincaid and Mrs. J. H. Barnebe Jr., who received attractive prizes.

The invitation list for both parties follows: Mesdames E. R. Roland, A. Y. Beverly, S. S. Bell, T. N. Bell, Percy Ferguson, Hines Clark, John Long, M. S. Henry, J. H. Minnick, R. L. Kincaid, Sam Crews, C. W. Thompson, T. L. Hughston, C. C. McLaughlin, C. R. Ferguson, T. B. Klepper, Alton Bell, Gordon Bell, George Self, M. L. Hughston, T. P. Hughston, T. S. Haney, Fred Youree, Foster Davis, W. B. Johnson, Ray Shirley, Paul Shirley, Merl Kincaid, Leon Spear, Henry Borchardt, J. H. Barnebe, Hubert Brown, Jack Seale, Nelson Oliphant, Jack Spikes, Jack Roberts Jr., M. L. Steele, Marie Blythe, R. G. Gribble, L. M. Altaras, Lee Black and the honoree, Mrs. Thomson.

DISCUSSION CLUB

The Discussion Club of St. Joseph's Catholic Church met at the home of Mr. and Mrs. M. O'Connell Sunday, Jan. 13, with Mrs. Bill Drabek as hostess.

The book of "The Treasures of the Mass," which proved to be so interesting last year, has again been chosen as the study for this year. The principal topic of discussion was the Miene Creed or "Credo" which contains the whole substance of the Catholic belief and profession of faith.

Refreshments were served to sixteen members.

MARGARET H. D. CLUB

Parliamentary procedure was the discussion of the day when the H. D. Club met with Mrs. Clois Orr on Friday, Jan. 11. The meeting opened with the state song, "The Eyes of Texas," also district song, "Follow the Gleam."

Roll call was answered with "Why I Come to Club" with many interesting answers.

Mrs. Ray Brown conducted a quiz on parliamentary procedure.

The next meeting will be with Mrs. Lula Bradford to make rugs and any type of handwork for those who are not making rugs.

Refreshments were served to ten members and the agent, Mrs. Brown.
