Re-Allocation of Taxes Election Foard County to Be Held with Special Congressional Election on Sat., Sept. 8

Re-allocation of taxes will be held in the same Congressional election on Saturday, September 8, at 10 o'clock. The first re-election was held in 1945, at approximately six years ago, at the time the people of the county voted for re-allocation of taxes. The re-allocation was authorized by the State of Texas on July 7, 1944, when the legislature of the State, voting on the proposition, approved the request to Section 9 of Article VII of the Texas Constitution, which provides that the County Court in any county may re-allocate the county tax authorized in said Section 9, by changing the amount of such taxes either increasing or decreasing the same, but in no event the total of such taxes exceeding one cent on the one hun-

red dollars' valuation for any year, provided that before the court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpayers voters of such county at a general or special election; and in event such re-allocations changes are approved by a majority of the qualified property taxpayers voters of any such county, the re-allocations and changes shall remain in force and effect for a period of six years from the date of the election at which they shall have been approved.

At the present time, by virtue of the first re-allocation election, the eighty cents is divided in the county as follows: twenty-five cents for the general fund, thirty-five cents for the road and bridge fund, five cents for the jury fund and fifteen cents for public buildings and other permanent improvements. This re-allocation places the money in the funds it is most needed; in other words, for example, the road and bridge fund is in need of more money than the jury fund and such re-allocation authorizes the Commissioners' Court to levy a lesser amount for the jury fund and a greater amount for the road and bridge fund.

This re-allocation does not, in any manner, increase or authorize any increase in taxes, the eighty-cent tax will be levied regardless of whether such re-allocation carries; if the re-allocation does pass, it will simply mean that the money realized from such eighty cents will be levied according to the need of the various funds.

The voting places and officials for both the Congressional and the Re-allocation election are as follows:
Pre. No. 1, County Clerk's office, Luther Tampion, presiding officer; Pre. No. 2, County Judge's office, L. A. Andrews, presiding officer; Pre. No. 3, County Welfare office, R. C. Johnson, presiding officer; Pre. No. 4, County Attorney's office, S. W. Gentry, presiding officer; Pre. No. 5, Schoolhouse at Margaret, W. F. Bradford, presiding officer; Pre. No. 6, Farmers Gin at Thalia, C. L. Adkins, presiding officer; Pre. No. 7, Schoolhouse at Thalia, Raymond Grimm, presiding officer; Pre. No. 8, Schoolhouse at Fossil, Floyd Borchardt, presiding officer; Pre. No. 11, Lockett Gin in Rayland, Tom Lawson, presiding officer.

"Footwashing" to Be Special Topic at Baptist Church Next Sunday

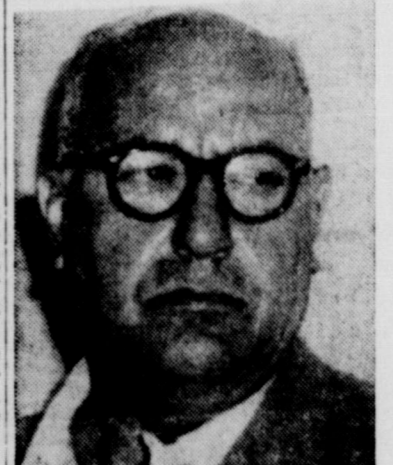

An unusual topic is announced for next Sunday morning at the First Baptist Church, Pastor Barnard Franklin is to preach on the subject of "Footwashing."

The open-air revival meeting on the vacant lot across the street from the church will continue all next week through August 26. Attendance has been unusually large. The extra attraction is the large choir numbering between fifty and sixty voices. All who sing are urged to assist in the choir. Rev. James B. Franklin is expected to arrive Friday to lead the song service.

Ocean City, Md. — When Russell Wynn Tarr, 42, saw his 12-year-old daughter go to the depth of a little boy beyond the beach here, in water at the South Beach here, Tarr went to help her. Both of the children made their way back to shore safely, but Tarr died of a heart attack.

YOUTH REPORTS

BY YOUTH COUNCIL

Tuesday, August 21, winds up the summer wading program at the City Park. Joyce Ford and Helen Ribble have it Monday, and Faye Black and Marcia Kincaid sponsor it Tuesday.

Some boy or girl is going to be mighty lucky and get that \$25.00 Defense Bond. If we all would put our thinking caps on and jot down an outline of a project, we could make the contest more interesting; and we ourselves would know we have done our part. Too, every idea will be used, if it is workable. The \$15.00 cash offered for second and third prize isn't to be overlooked, either.

The Center will be opened again this Saturday night, with a committee appointed by the Council sponsoring, and parents chaperoning.

Gwynne Johnson's name was erroneously omitted from the group who assisted in the clothing drive. She was there and the Council wants to take this opportunity to thank her.

Essay Contest Changed to Idea Contest for Community Projects

The term "essay" has evidently scared our young people from entering the contest sponsored by the Adolphian Club, Mrs. Ray Shirley said Tuesday. Mrs. Shirley also announced that it would be changed to an "Idea Contest." However, the ideas must be explained or outlined from start to finish of the project. The committee wants to stress again that it is not the composition, but it is the ideas that make up the composition that will be judged.

A total of \$40.00 is being awarded for these ideas: \$25.00 Defense Bond for first place; \$10.00 cash for second place and \$5.00 cash for third place.

It is again urged that the parents encourage their children to enter this contest. The members of the contest committee, Mrs. Ray Brown, Mrs. Merl Kincaid and Mrs. Ray Shirley, will help each and every one if they are just contacted.

Remember, too, the ideas are not only to be for youth, but with youth for the community. Young people from the ages of 10 to 21 are eligible, and may obtain their entry blank and other contest data at either drug store.

Youths to Honor Dr. Clark in November

Friday and Saturday of this week, the populace of Crowell will be contacted in a door-to-door canvass by members of the Sub-Junior Adolphian Club and Sub-Junior Columbian Club for a contribution to honor Dr. Hines Clark. This will commemorate his fifty-year anniversary of actively practicing medicine in Foard County. The Youth Council decided to make the campaign this week while he and Mrs. Clark are out of town and during their vacation. They will present him with the award at an Armistice Day celebration planned for November 10.

"This is a deserving award, for few communities are able to boast that they have a doctor who has served so faithfully and competently for fifty years or more," states the Youth Council. The members of the Youth Council and of these sub-junior organizations decided that he should be publicly acknowledged for this devoted service.

It is hoped the community will respond to their efforts, and make some contribution when the girls call upon each citizen Friday or Saturday of this week. The type of award is being kept secret until it is presented to Dr. Clark. However, their goal is at least \$75.00.

W. H. Moyer Died Suddenly Monday Afternoon, Aug. 13

Funeral Held at Methodist Church Wednesday Morning

Funeral services for W. H. (Brownie) Moyer, operator of the Moyer Produce & Hatchery in Crowell for many years, were held at the Crowell Methodist Church Wednesday morning at 10 o'clock, conducted by the pastor, Rev. M. A. Walker, assisted by Rev. Barnard Franklin, pastor of the First Baptist Church.

Arrangements were in charge of the Womack Funeral Service with burial in the Crowell Cemetery. Fall bearers were R. L. Ballard, Grover Cole, Parker Churchill, W. L. Wilks, Emery Angus and J. L. Gobin. Serving as flower bearers were Mrs. Bill Bell, Miss Mayme Lee Collins, Mrs. H. E. Thomas, Mrs. Moody Bursey, Mrs. Parker Churchill, Mrs. Grover Cole and Mrs. Alton Higginbotham. Mr. Moyer passed away suddenly in the Foard County Hospital Monday afternoon, having been there only a short time. Although he had been in failing health for several years, his death was unexpected.

Walter H. Moyer was born Dec. 1, 1892, in Findley, Ohio. He was married to Lulu Belle Cavitt on Dec. 20, 1912. Two children were born to this couple, Mrs. W. C. Johnson and Robert Dale Moyer, both of Crowell. The family came to Crowell in 1931 and had made their home here since that time.

For many years Mr. Moyer operated a feed store and bought produce. For several years he has been operating a baby chick hatchery in connection with his feed store. In addition to operating his business, Mr. Moyer served the City of Crowell as mayor from April, 1947, to April, 1949.

Mr. Moyer was converted and joined the Methodist Church in 1945 during the pastorate of Rev. R. H. Watkins. He was a highly respected citizen and had many friends throughout this area. Survivors include his widow and two children, Mrs. Johnson and Bob Moyer, and two grandchildren, Gwynne and Jerry Johnson. He is also survived by four sisters, Mrs. Bertha Greenlee of El Centro, Calif., Mrs. George Grotty, Mrs. Ben Kidner and Mrs. George Alexander of Findley, Ohio, and two brothers, R. R. Moyer of Hammond, Ind., and Glenn Moyer of Kent, Ohio.

Crowell Colored School Will Open Monday, August 20

The Crowell Negro School will start the 1951-52 term next Monday, August 20. Plans call for operating for four to six weeks and then turn out for about the same length of time to give the pupils an opportunity to help gather the cotton crop in this section. The Negro School house has been renovated this summer with a concrete porch, sheet rock on the walls, the floors sanded, and the house painted on both the inside and outside. However, both the Negro Baptist and Methodist Church houses will have to be used for class rooms until more room is provided.

The following faculty members have been engaged for this year: Paul Barge, principal; Mrs. Lillian Powell, Miss Marie Nefleese and Miss Juanita Jones, Jack Sillemon will operate the school bus.

West Texas Towns Observe Memorial Day

Abilene — Growing interest in observing Memorial Day as a holiday instead of Armistice Day, November 11, and the "victory" days is shown by a survey of West Texas cities just completed by the community services department of the West Texas Chamber of Commerce.

Sixty-six local chambers of commerce contributed to the survey. Twenty-eight reported their towns observe Memorial Day while only twenty "close up" on Armistice Day and none on VJ Day. All 66 observe the fourth Thursday of November as Thanksgiving Day. All observe Christmas but four do not close on Independence Day and only 48 observe New Year's Day.

One town observes Easter and another Good Friday. Labor Day is a holiday in 39 of the 66 towns. None reported a holiday on San Jacinto Day or on George Washington's birthday.

The song, "Maryland, My Maryland," was written as an appeal to that state to secede from the Union.

News About Our Men in Service

M./Sgt. Johnny Ray Gray, son of Mr. and Mrs. M. T. Gray of Quanah and formerly of Crowell, received his discharge from active service in the Army on August 5.

Joseph P. Bartley, seaman apprentice, USN, son of Mr. and Mrs. Charles S. Bartley of Crowell, is serving aboard the patrol frigate, USS Everett, in Korean waters when the ship received a direct hit recently from communist guns at Wonsan harbor.

It was the first time the ship had been hit during her numerous fire missions against the North Koreans. One casualty and several injuries were suffered by the crew. The Everett was the first frigate to be recommissioned of the group returned to the United States by the Russians after World War II. The ship has been alternating between Korea and Hong Kong since July of last year.

Sgt. Robert Carroll reported Monday at Fort Sill, Okla., for re-assignment to duty. He was accompanied to Fort Sill by his parents, Mr. and Mrs. Bob Carroll, after spending a 30-day furlough here. At the beginning of his furlough he had just returned from Korea where he had spent 11 months in the combat area.

Fishing and Hunting Licenses to Go on Sale Last Week in August

Austin — Fishing and hunting licenses for the fiscal year beginning September 1 will be in the hands of Texas agents the last week in August, according to the Chief Clerk of the Game, Fish & Oyster Commission.

He said 1650 persons in practically every community in Texas will help distribute the licenses. Approximately 315,000 individual resident sport fishing licenses and roughly 310,000 individual resident hunting licenses will have been issued to Texans for the current fiscal year ending August 31. The Chief Clerk visions a small increase in the sale of both hunting and fishing licenses for the next year.

All of the 36 licenses issued by the Game, Fish & Oyster Commission must be renewed for the new fiscal year, advised the Chief Clerk. The fees range from 50 cents to a duplicate individual fishing license, replacing the original, to \$200 for a wholesale fish and oyster dealer permit.

One important change to sportsmen is the new combined \$2.15 resident hunting license which is good for both big game and small game, barring antelope which requires a special \$5 permit. All persons over 17 years of age hunting beyond their home county must have a hunting license.

The resident license for sports fishing in fresh water costs \$1.65. It must be used by all persons over 17 years of age when fishing beyond their home counties or adjoining counties. Licenses must be possessed even when artificial bait is used in the home county or artificial bait or live bait are used in adjoining counties.

Texas H. D. Ass'n. to Celebrate Anniversary

The Texas Home Demonstration Association will celebrate its 25th anniversary on the campus of Texas A&M College, August 29, 30 and 31.

Maurine Hearn, State Home Demonstration leader, says more than 2,000 club members are expected to attend this annual convention, the first on the campus since 1940.

Mrs. R. M. Almanrode of Munday, Knox County, is president of the Texas Home Demonstration Association, consisting of nearly 42,000 members. She said, "The members are pleased to return to the place where they organized 25 years ago."

"United We Stand" is the theme of the 1951 convention. The three-day program consists of committee workshops on legislation, recreation, education, marketing and 4-H, and special workshops on county THDA organization and "The Messenger," official publication.

Mrs. R. J. Turrentine, Denton, and Dr. T. O. Walton, former president of Texas A&M College, will be featured speakers for the general sessions. "The Wheel of Progress" will be shown in pageant form, the 25 years' growth in the Texas Home Demonstration Association. Mrs. G. W. Ferguson, Bell County, editor of the "Messenger," has written the pageant for 374 participants.

Mrs. Zach Norton, Smith County, and Mrs. Fred Hopkins, Denton County, are editing the history of the Texas Home Demonstration Association for the convention.

Mrs. Arthur Bell, Mrs. S. E. Tate and Miss Neomi Fish are going to represent Foard County.

Election to Be Held Sept. 1 to Vote on Bonds for Addition to Colored School and Cafeteria for White School

The Crowell School Board met last Tuesday and voted to present two propositions to the qualified voters of the Crowell Independent School District Saturday, Sept. 1, that, if passed, will create bonds that will finance two very worthy projects for the Crowell School system. One of these projects is an addition to the Crowell Negro School building and the other is a cafeteria for the Crowell white school. Each of these call for \$12,500 which will bear about a 3 per cent interest rate and be

retired within twenty years.

The Crowell Colored School has only two rooms at the present time while it has four teachers and over one hundred children in the school. It has been recommended by the Texas Education Agency and twenty-four qualified voters have duly presented a petition to the Board in behalf of this project.

The cafeteria at the white school is also a project that is needed very badly. Two class rooms in the grade school have been used for this purpose in the past, but since two new teachers have been added to the grammar school faculty in the past two years and each new crop of beginners is larger than the one preceding it, it becomes necessary that these rooms be used for regular class work.

Inasmuch as these buildings will be permanent structures and the present outstanding bond indebtedness calls for only ten cents on each dollar of income, the Board members have unanimously come to the conclusion that this is the proper procedure to finance these projects. The payments on both projects combined will amount to about \$1,750 per year and should not add any tax burden for any one school term.

First Wildcat Band Meeting to Be Held Monday Evening

Walter Harris, band director for Crowell Schools, is asking all Crowell School children that are interested in this year's band to meet at the Wildcat Band Hall Monday evening, August 20, at 6:00 o'clock for the purpose of discussing organization plans for this year's work. As Mr. Harris is new here and does not have the names of all band prospects, he is requesting all individuals who are interested to pass the word around to other prospects.

This year's band should be outstanding as Miss Mary Close, Crowell band director for the past three years, has done a splendid job in building the interest up. Mr. Harris comes well recommended from Tipton where he had a fifty-piece band last year. His five years of experience with professional bands and orchestras will afford the Crowell School children an excellent opportunity to obtain some valuable training.

Mr. Harris and five members of the Crowell band are attending the band clinic at Midwestern University in Wichita Falls at the present time. Bobby Davis, Bobby Weis, Billye Berman, Frances Kincaid and Marcia Kincaid are the Crowell band members attending this clinic.

the privilege of representing the people of this district is as follows:

"1. National Defense: I have always favored a national defense second to none. As a World War I veteran I became acquainted with our national defense equipment, as a member of the House Naval Affairs and Appropriations Committees I have become familiar with and have continued an active interest in the problems confronting the national defense program in Congress.

"2. Agriculture: I have always favored parity for farm and ranch products. We should continue the program of assistance to the farm, including soil conservation, rural electrification and cost of production plus a reasonable profit on all agricultural products. We should continue to improve federal highway aid for farm-to-market roads.

"3. Labor and Management: I have favored fair treatment for labor and management to protect each other's rights. We should now enact such legislation as is desirable to establish a just body to assure free and effective collective bargaining to determine in the public interest the rights of employees and employers and to enable unions to keep their memberships free from communistic influences.

"4. Anti-trust laws: I have favored strengthening and intensifying enforcement of anti-trust laws.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, August 19, 1921:

Miss Lois Taggart of Royce City was here this week visiting friends.

R. J. Roberts left the first of the week for Bonham in his car to get his wife and son, Joe Ben.

R. A. Wells has sold his home place to John Ellis and he and his two sons, Rob and George, left Tuesday morning for Dalhart where they expect to buy land.

Light showers fell in the county Sunday and Monday which will be of some benefit to the crops.

Mr. and Mrs. Charlie Bryson were here the first of the week from Snyder, Okla.

Mr. and Mrs. Counts Ray are remodeling and doing some other work on their home.

Dempsey Wright and three small sons of Oklahoma City visited his mother, Mrs. Bud Harrell, this week.

Mr. and Mrs. Clyde Cobb's nieces, Misses Ruthell and Estelle Davis, from Chillicothe visited them here last week.

Mrs. J. N. Lewis is here from Normangee visiting her sister, Mrs. A. Y. Beverly.

Mr. and Mrs. T. F. Hill left Tuesday in their car for Longview to visit relatives.

A. C. Gaines and family returned Monday from an automobile trip to Palo Pinto and Hood counties where they visited relatives.

Wednesday morning Mr. and Mrs. R. M. Magee and little son, Milton, and Miss Myrtle Mullins, trimmer for Self Dry Goods Co., were taken seriously ill with ptomaine poisoning. They began to improve late in the afternoon and were on the road to recovery.

We should enact legislation providing that violations of our anti-trust laws should be punished on the same basis as violations of other criminal laws. We must stop monopolies, unfair trade practices and unfair competition and give small business an equal opportunity to survive and prosper.

"5. Rights of the aged and the veteran: I have always voted for uniform treatment and benefits for veterans, their widows, and orphans. Their rights under law should be made uniform for all wars, including the Korean, which so far has received little consideration by congress. I have voted for the Social Security Act and the corrective amendments to provide \$40 per month pension for the aged. We should now increase old age assistance commensurate with the increased cost of living.

"6. States rights free from Federal domination: I have favored states rights wherever this question has arisen and favor the states title claim in the submerged lands.

"7. Debts and Taxes: As a member of the Appropriations Committee I have favored rigid economies in government spending and have advocated placing of safeguards on administrative agencies and limiting their expenditures. I favor reduction of taxes on incomes under \$10,000 and more liberal exemptions for each dependent. I have always favored retention of the community property exemptions and depletion allowances, which have been a part of the statutes for many years.

"8. Socialized Medicine: I am opposed to socialized medicine as it now exists in England. We should enact legislation that will encourage and provide more doctors, and through insurance programs care for those unable to pay for needed care.

"9. Foreign Affairs: Under our bipartisan foreign policy we won World War II and have been winning the cold war against communistic hostility whenever and wherever it has shown its ugly head. We should continue to strive for preparedness, not weakness; collective security, not isolation; our people everywhere want peace, not war.

"10. Price and wage controls: During the Korean situation and any other war emergency when and where our government is purchasing tremendous war supplies we should immediately have price and wage controls to protect consumers against the perils of inflation.

"You remember those chaotic conditions confronting the nation back in 1932. Cotton was selling at 5 cents per pound, corn at 10 cents per bushel, wheat at 25 cents per bushel, cattle at 3 cents per pound on the hoof, crude oil at ten cents per barrel and all other products in proportion. Our nation was staggering under the heavy load of poverty, unemployment, and want. Farms and homes being foreclosed, by the thousands, and farm products were rotting in the fields for lack of a market and buying power to purchase them.

The order is as follows:

WHEREAS, at the general election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9, of Article 8, of the Texas Constitution, which amendment provides that the Commissioners Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8, by changing the rates provided for any of the purposes authorized in said Section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed Eighty (80c) Cents on the one hundred dollars' valuation for any one year, provided that before the Commissioners Court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpaying voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpaying voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless

Fifteen million men were unemployed. Factories were closed, banks were broke. The whirlwind of hunger and starvation howled through the empty streets and vacant buildings throughout the land.

"It was at this time and under these conditions that you good people elected me to Congress to right these wrongs perpetrated by these three republican administrations. The above program and platform upon which I now ask your support is the record I made as your representative in Congress.

"In going to the polls on September 8, I urge you to select your representative in congress as you would your lawyer, doctor, banker, or place of doing business, which is and should be based upon their ability, integrity, honesty and efficiency to now render the service in the position involved. On this basis, I urge and request your vote and influence."

The best laid plans in the world will not produce dollars unless they are backed by energy and hard work.

CLAUDE CALLAWAY HEARTILY ENDORSES WAGONSELLER FOR CONGRESS

If you have not made up your mind as to who you will vote for in the race for Congress, I would like to recommend to you my great and good friend—

Wayne W. Wagonseller of Montague Co.

I served with Wagonseller in the State Legislature and he later was elected to the State Senate. He is State Senator at this time and asking to be elected to Congress to fill the place formerly held by Ed Gossett.

Wagonseller is a country boy who has really made good. He was born and reared in Montague County, served in World War II and was wounded twice in battle. He finished his education at the University of Texas.

He can do as much work as any man in Congress. He is energetic enough to get the job done. He is Christian enough to stay honest and humble while serving. He is one of the best orators I have ever heard make a talk. A fine Christian character, energetic and a hard worker.

Let's elect Wayne to Congress and you will be proud of him while he serves you up there.

Be It Resolved by the Legislature of the State of Texas:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

(1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; provided that the maximum payment per month from State funds shall not be more than Thirty Dollars (\$30) per month.

"Any applicant for or recipient of assistance, including the spouse in each instance, who shall dispose of any property after June 1, 1952, and any person who initially applies for assistance after June 1, 1957, who has disposed of any property within five (5) years prior to the date of application, shall be ineligible to receive assistance; provided, that if such property was disposed of by bona fide sale and conveyance, and for value commensurate with the actual market value thereof, such disposition shall not affect eligibility for assistance if it be shown that all proceeds from such sale have been used by such person and spouse for normal living expenses, or for the purchase of other real property of like value. If any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of sale have been expended for normal living expenses, and in case of disposition of such property by gifts or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid their normal living expenses had the actual market value been realized therefrom.

"(2) Needy blind persons who are over the age of sixteen (16) years, provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years

during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application.

(3) Needy children who are under the age of sixteen (16) years; provided that any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance, or, if said child is under the age of one (1) year, whose parent or other relative with whom the child is living has resided in the State for one (1) year immediately preceding the birth of such child.

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not inconsistent with restrictions herein set forth; provided, however, that the amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal funds; and provided further that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind and needy children shall never exceed the sum of Forty-two Million (\$42,000,000) per year.

"Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this Amendment, such Acts shall not be invalid by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at the Election to be held throughout the State of Texas on the Second Tuesday in November, 1951, at which election there shall be printed on such ballot the following clause:

"FOR the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State fund expenditures for such purpose each year.

"AGAINST the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; pro-

viding for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal Funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State Fund expenditures for such purpose each year."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and Laws of the State of Texas. 3-4tc

House Joint Resolution No. 2

Proposing an Amendment to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars (\$100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

Be It Resolved by the Legislature of the State of Texas:

Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue not to exceed One Hundred Million Dollars (\$100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 318 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars (\$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds, such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

erans' Land Fund.

"The Lands of the Veterans' Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All Moneys received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board for the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1959, to pay principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose. After December 1, 1959, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

THINKING OUT LOUD

BY LYNN LANDRUM

JOE JACKSON

Eight men are running for Congress to succeed Ed Gossett in the Thirteenth Congressional District (Wichita County, Denton County, Cooke, Wilbarger, Montague, Hardeman, etc.). So far as the column knows, all eight of them are respectable citizens with clean records.

... But it will not be overlooked that the Thirteenth District has in this election a very real opportunity to do a signal service to the State of Texas. The Democratic administration at Washington has taken from the school children of Texas the tidelands. It deserves a rebuke of the only kind which the present administration can understand. It deserves to be told that Texas is utterly angry and utterly disgusted with the treatment it has received. The Thirteenth District has the opportunity to send that word to Washington.

ALL-TEXAN

The Thirteenth District is all Texan and all-American. And it has an honorable record in defense of the tidelands title of Texas. Ed Gossett put up a magnificent fight, recently climaxed with a magnificent victory on the floor of the House at Washington.

Now, there should be no unfairness to the candidates in this election. It is understood that all eight of them are in favor of the return of the tidelands to Texas . . .

But if the Thirteenth District really wants to make the cold chills run up and down the backs of the Queer Deal politicians in Washington, it will turn out

a whacking big vote for Joe Jackson. Nothing else will do so much to make Harry Truman chew the staff of his pen before he signs a veto on the tidelands return. Nothing else in this race would have a greater effect upon the forthcoming Democratic National Convention, when it gets ready to decide whether it is going to let Harry Truman renominate himself.

QUITE A MAN

Mr. Jackson is quite a man. He talks the language of a straight shooter—and he shoots with both barrels when he has the target clearly in view:

"If Mr. Truman were running your business, the way he is running the country's business, you would be bankrupt right now. If he were your employer, and you were working for him, you would be out of a job at this very moment . . . The whole platform of the Fair Deal party is against our fundamental principles. We believe in States' rights. We know the tidelands belong to the State. We don't believe in socialized medicine. We believe in economy in government spending. We believe in free enterprise. We believe in clean, decent, moral government . . .

"Six years ago the United States was the most powerful nation on the face of the globe. We had the strongest army, the strongest navy, the strongest air force in the world. We had a monopoly on the atom bomb. Six years have passed; six years of conferences, of little wars like the one in Korea, of lack of leadership in Washington."

If the Thirteenth District doesn't like the situation, it has in Joe Jackson a wonderful message of its wrath.

MARY DEEB BROWN

Working with 4-H girls is one of the goals of our HD Clubs and as most of you know we had our 4-H encampment at Lake Pauline last week. Our adult leaders were Mrs. A. B. Calvin, Mrs. J. C. Prosser and Mrs. Archie Campbell. Without these women we could not have gone over there. As most of you know, working with young people is one of the most rewarding jobs we can have, and we always receive much more than we give at this job.

Soon, school will be starting and I will be asking many of you to help with 4-H Club work. I hope you will be able to help. It takes time, true, and it takes work; but I believe that like Mrs. Calvin, Mrs. Prosser and Mrs. Campbell, you will find it worth your while and will actually enjoy it more than the girls.

Bridal Shower Given for Miss Lucille Carroll

Miss Lucille Carroll, who became the bride of Earl Zimmerle of Abilene Friday evening, was complimented with a lovely miscellaneous pre-nuptial shower given at the Adelphian Club house on Thursday afternoon, Aug. 9.

Hostesses for the shower were Mrs. J. T. Brooks, Mrs. C. Y. Pettigrew, Mrs. Clyde Cobb, Mrs. Grover Cole and Misses Essie Franklin, Norma Mathews, Noma Kelly and Barbara White.

Miss Franklin greeted the guests and presented them to the honoree, Mrs. Bill Manning, her mother, and Mrs. Alton Zimmerle of Abilene, mother of the groom-elect. Miss Mathews attended the bride's book and Mrs. Pettigrew presided in the gift room.

Misses Kelly and White assisted in the dining room where punch, sandwiches and cookies were served. They carried out the color scheme of pink and green. The refreshment table was centered with an arrangement of small pink zinnias and white bachelor buttons.

Miss Marcia Kincaid played piano numbers during the shower hours.

State Fair of Texas Has Completed Plans for 1951 Exposition

The State Fair of Texas has virtually completed its lineup of major attractions for the 1951 exposition, Oct. 6-21, James H. Stewart, executive vice president and general manager, has revealed.

The biggest and best of all state fairs expects to crack wide open the national records set by last year's fair, which drew a whopping 2,176,519 attendance, Stewart said. Here are some impressive samples of this year's top-caliber attractions:

"Guys and Dolls," successor to "South Pacific" as Broadway's hottest musical smash hit, will play 24 performances in the Auditorium. An impressive cast is headed by Movie Star Allan Jones.

The Pan-American National Hereford Show will have more than 500 whiteface aristocrats competing for \$25,000 in premiums. Total livestock and poultry premiums add up to a record \$90,414, highest in history. There'll be 26 breeds of beef and dairy cattle, horses, swine, sheep and Angora goats shown.

There'll be a big-time college football game in the Cotton Bowl each Saturday of the fair—SMU vs. Missouri Oct. 6, Texas vs. Oklahoma Oct. 13 and SMU vs. Rice Oct. 20—plus six other games. Featured will be "The Storybook of Texas Agriculture," revo-

lutionary new presentation of Texas' agricultural riches in a massive, animated display; a Science Engineering Show that will show how research laboratories of the nation's industrial giants are creating modern miracles of science; the 35th annual Southwestern Automotive Exposition, South's largest automobile show.

The fabulous million-dollar Midway will be bigger and brighter

with the nation's best sideshows, 33 great thrill rides, a half-acre of rides just for the kids, and the sensational Sky Wheels, towering double ferris wheel that will carry fun-seekers to new heights indeed.

Free lectures, flower shows, contests and a vastly expanded list of competitive classes will boost the Women's Show to the top among the nation's events of that type.

And that's only the beginning. Stewart promises. There'll be Cycles of 1952, the Aut Show Thrillcade, thousands of glass exhibits, free exhibits, farm machinery exhibits, free aerial acts, special events, free fireworks and entertainment to make the 1951 state fair the world's best entertainment and educational bargain.
