WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met Oct. 9 in the home of Mrs. M. O'Connell.

Mrs. Ray Brown, acting home demonstration agent, gave a demonstration on windows and window treatment. She showed various dyes and colors of materials suitable for draping which were loaned her by a store in Wichita Falls.

"Curtains should fit the room," reminded Mrs. Brown. "Formal type curtains should be used in a room which is furnished formally. A modern pattern should be used with modern furniture. Curtains should measure at least twice the width of the rod. Most draperies are lined and cotton sateen is best for lining," continued Mrs. Brown.

More People Buy Chevrolets Than Any Other Car!

Longest of the Lot
Chevrolet looks longest, Chevrolet is longest... a swank and sweeping 197 1/2 inches over-all that tops any other car in the low-price field. Size up Chevrolet's greater length, and you'll find it hard to settle for less.

Most Road-Hugging Weight
Gives you more road-hugging, road-smoothing weight... a hefty 3140 pounds* in the model illustrated that no comparable car in the field can match. Get the feel of this big car, and you won't settle for less. (*Shipping weight.)

Widest Tread in Its Field
Here's the steadiness of the widest tread in the field... 58 3/4 inches between centers of rear wheels. Once you've known the better roadability of Chevrolet's wider tread, you wouldn't settle for less.

The Styline De Luxe 4-Door Sedan (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Finest Comfort Features
Luxury of Body by Fisher... cradled ease of unitized Knee Action... smooth control of Center-Point Steering!

Biggest Brakes of Any Low-Priced Car
Big, powerful Jumbo-Drum brakes—largest in the low-price field! Use the car's own momentum to increase stopping power.

Way Ahead with Valve-in-Head
The trend's to valve-in-head. And Chevrolet's had it for nearly 40 years! Get sparkling performance and real over-all economy.

America's Largest and Finest Low-Priced Car!

Join the Shift to No-Shift **POWER Glide** Automatic Transmission*
Sensationally smooth! Excitingly easy! It's a new experience in driving, the modern way to drive. Costs little more—or even less than many a car with standard gearshift!

OIL SPURS ECONOMY

The oil business is one of the largest and more important segments of the country's economy. It utilizes about \$33 billion of total gross assets, gives employment to nearly two million workers, is a large purchaser from other industries of a wide range of materials, and serves practically the entire economy with useful commodities. A perfect example of free enterprise and competition at work, its well-being is of prime importance to the whole country.

Past - Present - Future . . .

ALL THREE SHOULD BE CONSIDERED WHEN YOU CHOOSE YOUR BANK

PAST HISTORY of your bank is important because age brings seasoned judgment, broad perspective and intimate knowledge of the background of business situations.

PRESENT FACILITIES of your bank are important because they are the gauge of your bank's ability to serve you efficiently. Our bank offers a complete banking service, which is modern to the minute and in tune with Crowell.

FUTURE of your banking connection is important to the man or business that looks ahead, because a strong bank can prove of vital value in helping an individual or enterprise succeed.

New Safety Lane Opens

We have our new SAFETY LANE EQUIPMENT installed and are ready to repair your motor vehicle so that it might pass the new Inspection Law starting Dec. 1.

Many motor vehicle owners are having their vehicles repaired now so as to be ready at inspection time, avoiding the rush. Most vehicles repaired now should be all right when the official inspections start. Although specifications and tolerances have not been set by the Department of Public Safety, we feel we can put your vehicle in tip-top shape and it will pass. The following items must be checked on your vehicle:

- Brakes, for wear and stopping ability
- Lights for focus and candlepower
- Windshield Wipers for efficiency
- Horns for volume and sound
- Mufflers, for leaks and defects
- Front wheel alignment and wear of steering gear.

On the cars we have already checked, only about 40 per cent of them have passed. However, most of the newer cars check out all right. Bring your car in now and let us check it over for you. May we serve you before the rush?

WHY THE TERM 'GOOD SPORT'?

Dear Editor: We, a group in the ninth grade, would like to have some information on how to be a good sport. Yours truly, Billye Bell.

Dear Billye: You and your friends have chosen with the rare instinct that God gives to the young, the most important subject in the world, "How to Be a Good Sport."

If all of us were good sports, Billye, there would be no wars, no arguments, no jealousies, no crime; there would be no Korea, and there would have been no Bucheuwald.

If all of us were good sports—woohoo. Just like that, most of the troubles of the world would disappear.

Well, gee, you may say, if that would happen, why isn't everybody a good sport?

Being a good sport isn't easy, Billye, because being a good sport means following the Golden Rule. And following the Golden Rule is one of the hardest things in life to do.

"Do unto others as you would have them do unto you."

Only eleven words, eleven simple words that answer your question: How to be a good sport?

But why is the Golden Rule so hard to follow?

Because, Billye, it goes against our natural inclinations. Most of us come into the world greedy and selfish and envious, and many of us stay that way although we may not be able to recognize it, and we would strongly deny it.

Most of us go through life wishing we had as much money as the Joneses; wishing we were as beautiful as Hedy Lamarr or as handsome as Robert Taylor; wishing we could drive long limousines; wishing we could be powerful.

And many persons achieve their ambitions, Billye, by bowling over everybody who stands in their

way. And when they get what they believe is their success, they find that, after all, they aren't happy; all they have really gained is misery. They have lost the respect of their fellow-man.

They have not been good sports. They have put themselves above all others.

I think it is important, Billye, that when you and your friends decided to find out how to improve your relations with each other, you thought of the term, "good sport."

Why does that typify one of the highest forms of human relations?

Because when a boy or girl is a good sport, it means that he or she can be proud in defeat and humble in victory.

Have you ever watched a football game, Billye, in which the players hit each other hard but cleanly throughout the contest, and then, when it's over, shake hands and walk off the field smiling.

Those players are good sports. Win or lose, they know they have played the game fairly, to the best of their ability, and they have kindly feelings toward their opponents.

That is why our athletic program in this state is so important. It teaches young girls and boys to be good sports which is the highest compliment that can be bestowed upon any one.

Our athletic program doesn't guarantee that all boys and girls will remain good sports as they go through life, but it gives them a long headstart. Their mothers and fathers provide the foundation. After that the schools help with the job.

Athletic competition helps boys and girls take their defeats with a smile and to be gracious in victory.

You don't have to be an athlete to be a good sport, Billye. All you have to do is to smile through your troubles, take success without being smug and conceited, do your best and be considerate of others; you'll be a good sport.

(With apologies to Bill Rives of the Dallas Morning News. The above article was reprinted from the Sunday, Oct. 7 edition of that paper.)

FIRE-CONSCIOUS DURING FIRE PREVENTION WEEK

Thousands of years ago an ancient people, the Carthians, worshipped an idol called Moloch in whose insides was a great furnace. Whenever they wanted a great victory in battle or a good crop, they offered this idol their most precious belongings, sometimes even their children.

Today people don't believe in idols any more; but each year they sacrifice many of their good citizens, plus millions of dollars worth of property to the fire demon. People carelessly throw down

lighted cigarettes, leave campfires burning, leave electrical and gas appliances turned on, and overload currents; thus causing great fire losses.

Every minute of every day, a new fire breaks out somewhere. Everyone should realize this, not only during this week, dedicated to fire prevention, but all the time.

Let's be fire conscious all through the year. Fires must be prevented.

FHA GIRLS MAKE ANNUAL TRIP TO DALLAS FAIR

What of the unheard of early hour? What matter the still sleepy looks? What if they were shivering in their moccasins? These things were of little importance because they were on their way to the State Fair of Texas at 4 o'clock a. m.

At 10:30 the two Crowell School buses pulled into the huge parking space specially allotted the many school buses for the day and after a few instructions from their sponsor, Mrs. Doyle Kenner, they were soon dissolved in an ocean of excited FHA, 4-H and FFA boys and girls.

The Ice Cycles of 1952 and the musical production of "Guys and Dolls" were the two main attractions for our girls, and in addition to this some saw the now very highly advertised motion picture, "A Place in the Sun" in downtown Dallas.

The many other colorful, noisy, enchanting attractions that provide fun and excitement for all, no matter what age each year, found no exceptions in our FHA girls, and at 10:30 that night when they met again at the buses, the conglomeration of polka dot hats perched jauntily atop their heads, the dolls, statuettes, candy and a non-estimable amount of nick-nacks and do-dads, not to mention the surprisingly contented faces were a sight to behold. Dorothy Gamble's panda was the envy of the freshman girls who took turns holding it on the way home.

They arrived at TSCW in Denton at 12:30 and the unoccupied third floor of Fitzgerald Hall offered comfortable rooms for all at the low rate of one dollar each.

Clara Jones, a graduate of Crowell High School and now a sophomore at TSCW, acted as campus guide for the girls Sunday morning. In addition to seeing the whole campus, most of the girls attended the services at the Little Chapel in the Woods, the college's pride. This attractive chapel was originally planned from the intricate gold carving atop the entrance to the beautifully designed glass windows, by TSCW students.

They had their breakfast at the new, huge, attractive, Colonial style cafeteria. Afterwards, Clara showed them to the beautiful Red

Bud Room, the new Smith-Carroll Hall and other dormitories. She pointed out many interesting, traditional things about the campus.

At 10 a. m. the girls were again at the buses and ready to begin at the long ride home. All energy was not spent at the fair and that little remaining energy and pep spent itself in the form of pep yells and much laughing and exchange-

ing of experiences. The buses arrived in Crowell at 4 p. m. Sunday. FHA members attending the fair were as follows: Rosemary Moss, Bobbie Jean Spears, Jackie Rasmussen, Maurine Youree, Jean Hughston, Rebecca Calvin, Genevieve McDaniel, George Ann Davis, Marcia Kincaid, Faye Black, Sue Wehba, Doris Morris, Frances Kincaid, Billye Bell, Sue Meason, Faye Gamble, Rosie Lee Rejoyce Ford, Helen Ribble, Norma Jones, Carolyn Betty Sue Bartley, Nita Jun (Continued on Page 7)

Here's why Fordomatic puts them all in the past

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving . . . and here's why you get it only in Ford Cars:

All the power you need when you need it! It gives you instant "GO" It practically drives itself!

Some automatics have this

The automatic drive some cars offer you is a torque converter which multiplies torque without the use of gears. Its advantage is a smoother flow of power. Its disadvantage is a smaller range of torque multiplication which requires more power from the engine and an uneconomical axle ratio which increases costs.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

But Fordomatic has both

Yes, Fordomatic has a torque converter plus automatic gears. It brings you only the advantages of both drives. Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth. Intermediate Gear then shifts itself into Drive Gear.

See our selection of USED CARS

Fordomatic Drive optional on V-8 models of extra cost. Equipment, accessories and trim subject to change without notice.

Miss Laverne Shultz United in Marriage to Glen Gable

Miss Laverne Shultz, daughter of Mr. and Mrs. Dave Shultz of Crowell, and Glen Gable, son of Mrs. Ruth Hammonds of Thalia, were united in marriage in an impressive single ring ceremony at the home of Mr. and Mrs. Louis Pyle, Oct. 5, at 6 o'clock in the evening.

The bride wore a beautiful green suit with black accessories and carried a corsage of tiny red rosebuds. Her matron of honor, Mrs. Carl Shultz, wore a corsage of white carnations.

Carl Shultz served as best man for the groom.

The impressive ceremony was read by Rev. W. B. Fitzgerald, pastor of the Thalia Baptist Church.

Those who attended the wedding were the bride's family, Mr. and Mrs. Dave Shultz, and children; E. V. Cato, grandfather of the bride; Mrs. Ruth Hammonds, mother of the groom; his grandmother, Mrs. R. G. Wynn of Garland; Mrs. Houston Adkins and children of Crowell; Mrs. Maggie Hammonds and Mrs. Lee Sims and Mr. and Mrs. Pyle.

Delicious refreshments were served at a reception at the Pyle home immediately following the ceremony.

Mr. and Mrs. Gable are at home at the Joe Tarver place in Thalia.

Former Thalia Girl Married in Houston on October Third

Miss Georgia Jones, formerly of Thalia and Crowell, was married to Travis Tyler in the Berean Baptist Church in Houston on Wednesday night, Oct. 3, at 9 o'clock.

An informal double ring ceremony was read by Rev. H. Frank Fort, a former resident of the

The bride was given in marriage by her father. She was attired in purple velveteen with black accessories. Her corsage was of orchids. She was attended by her cousin, Miss Margaret Birdsong. Hilton Crawford served as best man for the groom.

A reception was held in the home of the bride's grandmother, Mrs. J. E. Beeler, immediately following the wedding. Approximately 100 friends and relatives attended the reception.

The bride is the daughter of Mr. and Mrs. George Jones of Houston. She attended grade school in Crowell and junior and senior high school at Houston.

The groom is the son of Mr. and Mrs. Jack Tyler, also of Houston. He graduated from high school in Houston and is now in the service, stationed at Ft. Hood, Mr. and Mrs. J. C. Jones, Mrs. M. H. Jones and Mr. and Mrs. Bill Lynch of Thalia attended the wedding.

Adelphian Club Celebrates Fortieth Anniversary Oct. 3

Adelphian Club members observed their fortieth anniversary on Wed. Oct. 3. Hostesses for this birthday tea, honoring past presidents, were Mrs. W. B. Johnson, Mrs. Bert Ekern, Mrs. Ray Shirley and Mrs. Grady Graves.

Guests were greeted at the door by Mrs. Johnson, who presented them to the receiving line which was composed of Mrs. Merl Kincaid, leader for the afternoon; Mrs. A. M. McGinty, incoming president of District 7; Mrs. Mark Henry, charter member; Mrs. C. P. Sandifer, charter member; and Mrs. Emily Girsch, only other active life member.

Mrs. Bert Ekern ushered the guests into the living room where Mrs. Shirley and Mrs. Graves presided. Mrs. Shirley pinned violet corsages on all past presidents of the club present and the president of the sub-junior club, Mrs. Mark Henry, Mrs. G. D. Self, Mrs. A. Y. Beverly, Miss Frankie Kirkpatrick, Mrs. S. S. Bell, Mrs. Merl Kincaid, Mrs. W. B. Johnson, Mrs. L. A. Andrews, Mrs. Hubert Brown and Miss Maurine Youree were so honored.

Special guests for the afternoon were Mrs. A. M. McGinty, 7th District president-elect, Columbian Club members, and the presidents of all other federated clubs of Foard County.

Mrs. W. B. Johnson, as a member of the governing board, welcomed the guests and club members. She gave a short history of the club, telling how it has grown from an original membership of nine to its present 45 active members. She gave emphasis to the club motto, "Every good thing that is worth possessing must be paid for in strokes of daily effort," and the object of the club, which is the "literary culture and intellectual growth of its members."

The leader, Mrs. Merl Kincaid, recognized all past presidents present, as well as those who are no longer affiliated with the club or are deceased. They were Mrs. C. W. Thompson, Mrs. J. T. Carter, Mrs. R. D. Oswalt, Mrs. G. V. Walden, Mrs. R. L. Burrow, Mrs. W. B. McCormick, Mrs. Gordon Witherspoon, Mrs. J. A. Gafford and Mrs. A. D. Campbell.

Life members of the club who were present were Mrs. S. S. Bell, Mrs. M. S. Henry, Mrs. A. Y. Beverly and Mrs. C. P. Sandifer, who were asked to stand. Others recognized as life members were Mrs. J. A. Johnson, Mrs. W. B. McCormick and Mrs. J. F. Potts.

Mrs. McGinty, as speaker of the afternoon, gave an inspiring talk on the place of the American club woman in the world of today; the challenge she faces and how she can meet it.

Miss Marcia Kincaid played Leibesbraut by Listz, preceding Mrs. McGinty's address and provided a lovely musical background for the tea hour.

Guests were invited into the dining room by Mrs. Ray Shirley. Here Mrs. Mark Henry and Mrs. Sam Bell poured tea from a beautifully appointed tea table featuring the club flower, the violet, and the club colors, purple and gold. The table was laid with a white maderia linen cloth and organza flounce over purple. At either end the gold tea services were placed on mirrored trays. In the center-back was the large three-tiered white birthday cake, decorated with violets and topped with an open book which read, "Adelphian Club—Fortieth Birthday." On either side of the cake were gold candelabra holding white tapers decorated with violets. Large nosegays of violets outlined with gold leaves and tied with golden ribbon streamers were placed just in front of the mirrored trays. A large bow of gold ribbon hung from the center front of the table and down over the organza flounce. Violet decorated mints and salted nuts from gold accessories completed the tea table.

The birthday cake was cut by Mrs. Jeff Bruce and was served by Mrs. Ekern and Mrs. Graves. They were assisted by Mrs. Merl Kincaid and Miss Marcia Kincaid. Over fifty members and guests were present.

Luncheon Honors President of Seventh District, T. F. W. C.

Mrs. Merl Kincaid was hostess for a luncheon Wednesday of last week honoring Mrs. O. M. McGinty of Spur, Mrs. McGinty is president of the Seventh District of the Texas Federation of Women's Clubs. The luncheon at one o'clock was in the home of Mrs. Kincaid.

The formal luncheon table was lovely with a cut-work linen cloth, wedgewood china and an unusual arrangement of pink floribunda roses and pink candles. Pastel colors of tea roses served as decoration throughout the rest of the house.

The luncheon was a compliment to Mrs. McGinty and served as a medium of becoming better acquainted with committee members of the club before her formal presentation at a tea that afternoon.

Guests for the occasion were: Mrs. McGinty, Mrs. Baxter Johnson, Mrs. L. A. Andrews, Mrs. Jack Sauls, Mrs. Jack Turner, Mrs. H. N. Ekern, Mrs. Clinton McLain, Mrs. Mark Henry, Mrs. Fred Thompson, Mrs. Hubert Brown and Mrs. Ray Shirley.

Engagement of Miss Irene Marie Pechacek Announced by Parents

Mr. and Mrs. R. L. Pechacek of Crowell have announced the engagement and approaching marriage of their daughter, Irene Marie, to George William Lawn of Buffalo, N. Y., son of Mr. and Mrs. A. A. Lawn of DuBois, Pa. The couple will be married at 9 o'clock Tuesday morning, Oct. 30, in St. Joseph's Catholic Church in Crowell. Rev. Ed. J. Shopka, pastor of Holy Family Catholic Church in Vernon, will be the officiant at the double ring ceremony.

Thelma Jean Smith to Marry Floyd C. Borchardt This Month

Mr. and Mrs. Ward M. Taylor of Vernon announce the engagement and approaching marriage of their niece, Miss Thelma Jean Smith of Crowell, to Floyd C. Borchardt, son of Mr. and Mrs. Floyd B. Borchardt of Foard City. The wedding will take place in late October at Crowell in the home of Mr. and Mrs. Henry Borchardt, uncle and aunt of the groom-elect.

COLUMBIAN CLUB

The club theme, "Community Service," was carried out when the Columbian Club met Wednesday, Oct. 3, at the home of Mrs. S. P. Ferguson.

The program topic was "The American Home," led by Mrs. R. L. Kincaid. She discussed "Family Finance," followed by Mrs. Hines Clark, whose subject was "Religion in the Home."

Mrs. Pearl Carter concluded this most interesting program, her subject being "Needs of the Home."

Plans were perfected for bringing Margie Koen, the Dallas Garden consultant, to Crowell Wed., Oct. 10.

Mrs. Ferguson served delicious refreshments to 19 members.
