## Crowell High Cagers Win Over Holliday and Henrietta During Past Week; Cats and Newcastle Still Tied in District Race

Crowell High School basketball team protected its tie with the Marlow brothers for grip shots. Jerry Harris, diminutive guard for Henrietta, did an excellent job of floor work for the losers. Crowell scored nine of 13 free shots and Henrietta sunk nine out of 12. The hustle of both squads was well received by the Crowell fans.

**Holiday Game**  
The Holiday game was Crowell's all the way. The Wildcats were leading 38 to 12 at halftime and the final count of 77 to 44 was the highest score the Wildcats have run up in a single game this season. All of the regulars made from 12 to 15 points each. Jerry Walker scored 13 points for the Eagles. Crowell's "B" squad played most of the last quarter of this game.

**Wildkittens' Games**  
The Wildkittens also won their two contests with Henrietta and Holliday. The game with the Bearkittens was very interesting with the Crowell "B" boys coming out ahead 47 to 31. Gordon Graves scored 17 points for the Wildkittens and Bobby Gill counted nine points for Henrietta. Gaylon Whitley's floor play continued to be the outstanding feature for the Wildkittens.

**Play Archer City Tomorrow Night**  
The Wildcats should have very little trouble at Archer City tomorrow night. A victory in this contest will cinch a tie for the District championship. Newcastle is playing at Henrietta at the same time. In case both Crowell and Newcastle come through with victories Friday night, there will have to be a play-off next week for the title to see who represents District 1A-9 at Denton the following week in the regional tournament.

## VA Issues Statement Concerning GI Bill

Former GI Bill veteran-trainees who returned to active military duty were reminded recently by the Veterans Administration that they have little time to lose, in case they want to resume their GI studies after discharge.

Under VA regulations, they must resume their training within a reasonable period after their release from active duty. That "reasonable period," VA said, will be based on the circumstances of each veteran's case, and will depend on the kind of training he is taking and a number of other factors.

These regulations apply to veterans affected by the July 25, 1951, cut-off date for entering training, who had previously been in training under the GI Bill, but who were unable to be enrolled at that time because of re-entrance into military service.

Veterans were advised to make their training plans early, rather than wait for the last minute. This way, VA said, they may avoid the disappointment of missing out altogether.

VA also reminded veterans of three requirements that must be met in order to take post-cut-off date training after military service:

1. Conduct and progress of their previous GI Bill courses must have been satisfactory.

2. The amount of training they may get after discharge will be limited by their remaining GI Bill entitlement.

3. And their courses may not extend beyond the wind-up of the GI Bill program on July 25, 1956.

According to the law, the July, 1951, cut-off date applied to World War II veterans discharged before July 25, 1947. For those few discharged afterwards, the cut-off date is four years from their date of discharge.

## Good News for World

The Arabian American Oil Company, which is made up of a number of American concerns, is the world's largest oil producer. It has done a magnificent job in developing the vast oil resources of Saudi Arabia, and in bringing civilization to the Arabian people.

The enemies of free enterprise argue that such an endeavor as this is just a form of exploitation and economic imperialism—that the company's interest lies solely in getting the most for the least. So a recent change in the operational organization of Aramco is highly significant. The operating headquarters of the company has been transferred from New York to Dhahran, Saudi Arabia.

The chairman of the board, the president and other high company officers will live there, and so will the great majority of all American employees of Aramco.

The retiring chairman, in making the announcement, said, "We have what is usually described as a 50-50 profit sharing arrangement with the Saudi Arab government and have always felt that the best interests of that country and of Aramco went hand-in-hand. We believe that by having more of our top management group reside in Saudi Arabia we are acting in a spirit of partnership and cooperation which will benefit the economy of Saudi Arabia and the investments of private American capital in that country."

This will be welcome news in the capitals of the world where more and more emphasis is being placed on national self-expression and national ambitions. And it is another example of the fact that the American oil industry, in its operations both here and abroad, fully realizes its responsibilities toward all with whom it deals.

Six attempts to gain statehood were made by Utah before it finally succeeded on Jan. 4, 1896. Admission was repeatedly refused because of polygamous practices.

**Memphis P. C. A. Has Annual Meeting**

The eighteenth annual stockholders' meeting of the Memphis Production Credit Association was held in Wellington last Friday, Feb. 8. It was attended by approximately 400 members and guests from the nine-county area served by the association.

Directors J. C. Emmert of Collingsworth County, and J. C. Franks of Motley County were re-elected for terms of three years, and L. J. Halford of Hall County was elected for one year to complete the unexpired term of S. M. Jolly of Cottle County, resigned. Other directors on the board include Otis Wilson of Briscoe County and L. M. Bartlett of Childress County.

Guest speaker at the meeting was Dr. Virgil P. Lee, president of the Production Credit Corporation, Houston, and one of the outstanding speakers of Texas in the field of finance.

On Saturday morning succeeding the meeting, the board met for organization. J. C. Emmert was elected president, and J. C. Franks vice president. Other officers elected were James Van Pelt, secretary-treasurer, and Harmon Elliott and Willie Isham, assistant secretary-treasurers.

During 1951, the association loaned \$2,689,911 to members at an average cost to those who used it of \$2.83 per \$100. With the rising costs of production, the Board of Directors anticipates that the loan volume for the current year will run around three million dollars.

**Health Letter**

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

Inasmuch as the incidence of whooping cough in Texas is expected to show an increase during the coming months, Dr. Geo. W. Cox, State Health Officer, released a statement this week urging that strenuous efforts be made to control the spread of this debilitating childhood disease. There were 1,273 cases reported during the first 5 weeks of this year.

"Whooping cough can only be contracted by direct exposure to the disease, and isolation of cases must be universally practiced if the incidence is to be controlled," Dr. Cox stated.

"The infectious agent or germ or whooping cough is transmitted by droplets expelled in coughing, sneezing or speaking," Dr. Cox said. "The discharges from the nose and throat are dangerous to susceptible persons; the need for

**Texas Schools Facing a Critical Period**

Austin, Texas—Texas schools are facing one of the most critical periods in their history. Chas. H. Tennyson, executive secretary of the Texas State Teachers Association, said this week as he outlined pressing needs for new buildings and more teachers over the entire state.

The school population, particularly on the elementary level, is growing at an alarming rate, he pointed out. For example, he said, Texas in 1945—this year's first graders—numbered 156,000. In 1947 births in the Lone Star State jumped to 197,000, an increase of 65,000. If this additional group could be divided into classes of 30 children each, Texas would still need 2100 additional teachers and classrooms in just the first and second grades.

And the birthrate continues to climb. In 1950, live births numbered 203,678, and the number for 1951 will exceed that figure.

In addition to the birthrate, educators worry about the size of the graduating class as compared to the number of children entering first grade. For instance, this year 156,000 youngsters crowded into first grade rooms over the state, but only 90,000 graduated from the eighth grade. This left already over-burdened teachers with 66,000 additional children to accommodate in one year.

"The gain is going to continue to increase until at least the 1956-57 school year," Tennyson added. "By that time, the elementary schools must take care of 300,000 children in addition to the ones now enrolled. If 75 per cent of this number enters public schools, it will mean 8554 additional classrooms."

The average cost of each classroom and related facilities now exceeds \$28,000. Thus Texas must spend \$242,312,000 for buildings and facilities alone if the children are to have desirable schools. And this does not take into consideration the need for new facilities to replace undesirable buildings and to relieve already over-crowded conditions. A recent survey made by the Texas Education Agency shows that Texas needs to spend \$540,294,500 to bring school buildings, facilities, sites and busses up to ideal conditions.

After the 1956-57 school year, the elementary enrollment over the state should begin to level off, but high schools will then face the problems of increased enrollment.

Texas does not face the educational problem alone. A nose count among elementary children over the entire nation showed that grade school population rose nearly three million from 1947 to 1950. In October 1950, the U. S. Census Bureau reported that enrollment in all schools and colleges was at an all-time high of slightly over 30 million persons. This represents a fifth of the nation's total population and half of the population between 5 and 29 years of age.

early recognition and careful isolation of whooping cough is obvious. Your family physician should be called at the first sign."

"The first symptom of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Cox stressed the fact that children who have whooping cough should not attend school or come in contact with other children until three weeks after the appearance of typical signs of the disease.

"Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved vaccine and convalescent serum," Dr. Cox asserted. "and it is important that such measures be taken to protect them. Neglecting to do so, and allowing the young child to suffer an attack of this disease, may seriously impair his future health."

The Texas cotton crop is the most valuable crop grown in a single political subdivision in the world.

President Grover Cleveland vetoed more than 300 bills, for an all-time record.

## Teachers to Meet in Sweetwater March 7-8

Approximately 2,000 teachers and administrators from 23 Texas counties are expected to attend the Oilbelt District VII Teachers' Convention at Sweetwater March 7-8, according to C. W. Tarter, superintendent of Sweetwater Public Schools.

"Education Is Good and Is Getting Better," theme chosen by Texas teachers this year, will be emphasized throughout the convention.

A host of outstanding national educators will be on hand to address the Oilbelt delegation, A. B. Passmore, district president and elementary supervisor of the Vernon Public Schools, has announced.

Featured speakers for the three general sessions will be John Brackeen, past president of American Association of School Administrators; Judge John A. Brett, member of the Criminal Court of Appeals; and Dr. James Hymes Jr., from George Peabody College.

At the level meetings, a new feature of the convention, Dr. Henry Otto from the University of Texas; Dr. John Carroll of Texas Technological College; and Dr. R. A. Collins, Hardin-Simmons University, will address the teachers when separate meetings for elementary, junior high and senior high grades will be held.

District VII officers in addition to Passmore are Laura Sheridan of Sweetwater, vice president; J. W. Hamilton, secretary, from Seymour; Johnnie Mae Long of Wichita Falls, treasurer; Earl Connel of Anson, membership chairman; and G. H. Kirby, past president, from Wichita Falls. Olaf South, Sweetwater, is general chairman of the convention.

Local chairmen for sectional meetings are Mrs. E. J. Yates, music; Mrs. E. J. Woodward, art and elementary; J. G. Overton, mathematics; Marie Haney, library; John McKay, industrial arts and Reba Roberts, science.

Musical programs will be presented by Sweetwater choral and band students, the Jacksboro Choral club and the Abilene Christian College A Cappella choir.

Sweetwater classroom teachers will honor Oilbelt delegates at a

## Game Law Violations Show Big Decrease

The Director of Law Enforcement for the Game & Fish Commission reports that the January arrest report shows "a substantial decrease" from January 1951.

He added that the monthly report on violations for the last three months covering most of the major 1951 hunting season, reflects a lower number of prosecutions.

The Director of Law Enforcement deduced that "this apparently indicates a better attitude of the general public and healthier sportsmanship all the way around."

He went on: "It seems significant that there has been a decline in arrests in the face of increased law enforcement facilities."

The Director referred to a slightly larger game warden force and improved policing aids such as two-way radios in many wardens' cars.

The Director of Law Enforcement observed that "there still is room for improvement." He based this comment on the list of cases which showed: nineteen arrests for killing doe deer; eight for killing spike buck deer; four arrests for killing fawn deer; 36 arrests for hunting at night; five arrests for headlighting deer; 25 arrests for killing migratory waterfowl in closed season; 12 arrests for hunting ducks in closed season; 14 for killing ducks after legal hours; 10 arrests for killing geese after legal hours; eight arrests for killing quail in closed

reception in the Sky Room of the Blue Bonnet Hotel Friday night following the general session. Mrs. Roger Eaton is president of the Sweetwater association.

Counties included in District VII Oilbelt region are Hardeman, Foard, Wilbarger, Wichita, Clay, Knox, Baylor, Archer, Montague, Stonewall, Haskell, Throckmorton, Young, Jack, Scurry, Fisher, Jones, Shackelford, Stephens, Nolan, Taylor, Callahan and Eastland.

With the exception of Callahan, Taylor, Scurry, Fisher, Jack, Montague and Haskell counties, District VII has a 100 per cent membership in the Texas State Teachers' Association, it has been announced by membership chairman Connel.

## DID YOU KNOW?

1. That the last dollar of government capital in the Memphis Production Credit Association was paid off on December 31, 1948, and is now completely owned and operated by farmers and ranchers.
2. That this Association now pays Federal income tax and other taxes just like other privately owned businesses.
3. That we do not and never have loaned government money.
4. That we get our money from the Intermediate Credit Bank of Houston which in turn gets it from private investors in all parts of the country.
5. That in the past two years, we brought about \$5,000,000 of this money into Texas communities to the benefit not only of farmers and ranchers but of people in all other lines of business.
6. That we have five branch offices located at Wellington, Quanah, Matador, Paducah and Turkey and that each office makes crop, livestock and dairy loans.

## TRADITIONAL DAY OF SWEETHEARTS BEGAN WITH ST. VALENTINE, PRIEST

According to the old tradition, February 14 was the day on which Valentine, a Roman priest of the third century, was beaten and put to death for his religious beliefs. Later he was made a saint by the Catholic Church, and the anniversary of his death has long been celebrated as a lover's festival because, according to legend, Saint Valentine's feast day occurs just before spring, the lovers' season.

The custom of sending anonymous Valentine greetings seems to come from the legend which relates that the saint used to leave food at the doors of the needy without making himself known.

Today, however, in this era of impersonal, machine-made Valentine cards, amorous people have a definite disadvantage. Women,

for instance, who buy approximately 85 per cent of the cards on the market, can only imagine their heart throbs' reaction to the "Be My Valentine" message which they hopefully send by mail. The trouble with men these days is their fear of appearing childish if they send their girl a printed sign of romance. A few of the simpler items, which would nevertheless thrill the girl, include a heart-shaped box of candy, red roses, inscribed jewelry, or maybe a little maroon convertible with an ingrown television set.

## SPECIAL ASSEMBLY HONORS FOOTBALL SQUAD AND COACHES

Friday, February 8, Crowell High School had an assembly in honor of the football squad and coaches.

Though belated in their arrival, the well-earned jackets caused great excitement, and the attempt

to keep them a secret until the assembly proved to be entirely unsuccessful. The news spread like wildfire.

So it was for an expectant audience that the curtain was drawn. Upon the stage sat the full membership of this last season's football squad. Mr. Graves opened the program by asking Coach Amoneit to present the jackets to the boys whom he so ably coached through seven out of ten victories. Coach Amoneit first held one of the jackets for the audience to see. Made of wool broadcloth, they were black on the outside with the traditional gold "C" on the left-side front. It was the reversible side that caught the eye of everyone, however. From the handsomely tailored full collar, which is different from those of the past few years, to the knitted waistline, the jackets were of bright new gold. Gold sweaters, which also had the large "C" on the left-side front, were then presented to the reserves.

Coach Amoneit explained that it was the number of quarters of playing time that the boy saw during the season that determined whether he would receive a jacket or a sweater. "It is these boys, that bring those on the 'A' string through," Coach said. "Next year most of them will get a jacket too."

After each boy had received his jacket or sweater, the curtain was drawn while the boys followed the usual custom of donning their new awards for the audience to see.

Mr. Graves next presented Coaches Amoneit and Erwin each with a jacket. Both coaches stated that they were proud of the football team and were looking forward to an even more successful year next year since the squad is losing only four members.

The four boys who will be missed next year are Coy Payne, Robert Brock, Roy Whitley and Leon Pechacek.

## ANNUAL 4-H AND FFA LIVESTOCK SHOW HELD SATURDAY

Prizes in sheep and poultry were judged Saturday afternoon at the 15th annual Foard County 4-H and FFA Livestock Show held in the Self Motor Company's building at Crowell and sponsored by the Crowell Rotary Club.

Usually cattle classes are included in the show, but the investment discouraged the boys from raising any steers for the show this year. One fat steer was exhibited by George Morgan of Crowell, but no cattle judging was done. This steer will go on to the Wichita Falls Fat Steer Show.

First and second places in the fat lamb class were carried off by Don Welch, a son of Mr. and Mrs. Jack Welch of Foard City.

Don's lambs are cross bred and have Suffolk, Corriedale, and Southdown blood. The first place animal weighed about 110 pounds and the second place lamb about 90 pounds. Don owns five sheep and has been in the 4-H Club for two years. Last year he won third in the fat steer class of the show with an Angus steer.

Gilts were judged in three classes: light, medium and heavy. Wayne Borchardt, who lives one and one-half miles north of Foard City, won first place in the heavy gilt class with a Duroc. Last year, Wayne, a sophomore FFA boy, won second with a Duroc gilt in the Crowell show.

Gaylon Whitley won first in the medium gilt class with a Poland China which is the daughter of a sow that won first place last year. Gaylon lives in the west part of Crowell and is a freshman FFA boy.

Donald Werley won first and second places in the light gilt class with two Durocs. Charles Todd, who lives 5 and a half miles southwest of Truscott in Knox County, won first place in both the breeding ewe lamb and breeding ram lamb classes. The first place ram had previously won fourth place in the T-O Fair at Iowa Park, and the ewe also won a fifth place at Iowa Park. Charles is in the fifth grade in the Crowell School and has been in the 4-H Club for two years.

First place boar at the show, a Hampshire, was exhibited by Shirley Naron with Denton Werley taking second and third with Durocs. Antone Kajs exhibited the top sow, a Duroc, and Duane Cates had the second place sow, also a Duroc.

In the laying hen class Edward Howard took first place, and Donna Norris took first in the meat bird class. About 325 individuals were shown in the poultry division which included rabbits, pigeons, and guinea pigs.

Sheep judges were Kirby Clayton and Bill Palmeyer. Judging swine were J. B. Harlan and Bill Palmeyer, and on poultry were Ray Stockard and Walker Todd.

Prizes in sheep and swine are \$5 for first, \$4 for second, and \$3 for first, \$2 for second, and \$1 on all other entries.

## EDITOR'S NOTES

Fifty-two per cent of the students in Crowell Schools ride the school buses.

Forty-five per cent of the students eat their noon lunch in the school cafeteria.

Every Tuesday is stamp day in CHS. See Mr. Sollis about buying Savings Stamps.

Wednesday and Friday are the days when the volleyball girls play volleyball in the gym with the faculty.

Mr. Black's Driver Education Class conducted a survey last week on a downtown street corner. They discovered a surprising number of violations.

There are 613 students enrolled in Crowell Schools.

## DEBRA DEMANDS DUNKING

Who is she? Where did she come from? What does she look like? These are some of the questions asked when a home economics student mentioned "Debra."

Debra was a student who visited the Home Economics III class. The students became acquainted with this girl very quickly and learned that she had had no bath since she visited the home economics class last year.

Debra is, of course, a fictitious patient, but the "Infant Care" course is not. This course was conducted for all the girls of the HE III class.

The girls learned to help Debra feel comfortable at all times by giving her baths each morning until each student had given her one. They also learned to give her medicine, how to feed her, and other essential things.

## TODD OVERTURNS IN ACCIDENT THURSDAY

Last Thursday, Feb. 7, Mrs. Elmo Todd, while traveling east on Logan St. toward the school building, collided at the intersection of Logan and North 1st with a car driven by Mrs. Emily Girsch, who was driving south toward the business section of town.

The two cars met in a severe impact which forced the Todd car completely off the street and over on its side in Allen Sanders' front yard.

While both cars were damaged considerably, the Todd car suffered most with one whole side completely smashed in.

Fortunately no one was injured, and Mrs. Todd was on time for her next Speech II class, where she calmly carried on as usual.

## 1952 TYPING CLASS IS LARGEST IN HISTORY OF CHS

The 1952 typing class is the largest class in the entire school, and also the largest typing class in the history of CHS. There are 38 students who take this course, which is an elective.

At the beginning of the school term the school board purchased 14 new typewriters to make it possible for the added number of students to enroll in typing class. Even with the new machines, however, it is necessary for several students to use their own typewriters.

## SOLLIS' CHEMISTRY CLASS ENTERTAINS ERWIN'S 7TH GRADE

Professor Sollis with the combined forces of his first period chemistry class put on a demonstration for Coach Erwin's Seventh Grade Science Class Thurs-

day, Feb. 7.

Those having exhibits were as follows: Jeanette Johnson, Eva Rae Geasin, water test; Ginger Johnson and Jimmy Stinebaugh, bases, acids, and salts; Mary Cooper and Maurine Youree, H<sub>2</sub> experiment; Edgin and Brock, O<sub>2</sub> experiment; Coy Payne and Don Gobin, water distillation.

Mr. Erwin commented on the fact that it was very interesting to the children. "Most of them now want to take chemistry in high school," he said.

## WHAT I LEARNED IN SCHOOL

Age six, first grade: that chewing gum is hard to get out of your hair. That s-a-c-k does not spell poke. That mothers believe everything that teacher tells them.

Age 7, second grade: that girls can count better than boys. That pencil sharpeners are always breaking down. That teachers know everything.

Age 8, third grade: that a boy should always carry a pocket knife. That girls would rather borrow a pocket knife than use a pencil sharpener. That girls are cute.

Age 9, fourth grade: that girls are prettier in the fourth grade than in the third. That men teach-then women teachers. That, if your hair is cut off close, you've got a better chance in a fight.

Age 10, fifth grade: that you can play hooky and not get caught at it. That it's better to tear up the note the teacher wants you to deliver to your father. That girls like cats better than dogs.

Age 11, sixth grade: that, if you play hooky to go fishing, you should have a lunch with you. That homework isn't necessary.

Age 12, seventh grade: that a mother will believe the teacher before she will believe her own son. That playing cards for lunch money is frowned on by parents. That it's easier to learn to smoke cigarettes than it is to chew tobacco. That teachers hate boys.

Age 13, eighth grade: that kid brothers and sisters are stool pigeons. That three of a kind will beat two pairs; that you can fish and play cards at the same time. That if you catch a skunk you'll be excused from classes, even on examination day.

Age 14, first year high: that red-headed boys can't fight any better than the others. That girls prefer boys with curly hair. That parents are old-fashioned.

Age 15, 2nd year high: that girls are more fun than boys. That all girls paint their toenails. That it is almost impossible to fill an inside straight.

Age 16, 3rd year high: that having a car is more important than having curly hair. That football players have to study their lessons too. That most girls are fickle. That a straight won't beat a flush.

Age 17, 4th year high: that

boys are more loyal than girls. That the boy with a car has an advantage over a football player. That if you don't smoke you're a sissy. That lipstick comes in several different flavors.

## INTERIOR DECORATOR, MILLION DOLLARS IN FUTURE FOR V. A. SMITH

Is it a bird? Is it a plane? Is it superman? Nope! You're all wrong. It's just V. A. Smith hurrying from one job to another. V. A. truly seems to be the busiest boy in CHS. Not only is he president of the junior class, but he is also business manager of the annual, reporter for the Wildcat, president of the Youth Council, and vice president of Dramatic Club. As if all this doesn't keep him "hopping," V. A. takes on any other odd job anyone cares to hand out.

Tall, but not dark, V. A. has two definite hobbies. They are collecting Dixieland jazz records and studying automobiles. It's rumored that V. A. can tell the make, model, capable speed, and price of a car a block away. Says V. A., "the car that outclasses them all the Cadillac Fleetwood. They may make 'em faster and better, but they don't make them longer!"

V. A.'s favorites include vegetables, sweets, Jack Benny, "Samson and Delilah," and practicing his dry wit on everyone. In the future he plans to become an interior decorator in which profession he is determined to make his first million while he is still young enough to enjoy it.

## Weekly Sermon

### WRONG DIRECTIONS

from Moody Bible Institute, Chicago

"We ought to obey God rather than man."—Acts 5:29.

An overland train was plowing through a western blizzard. On the train was a woman and her baby, who wanted to get off at a little flag station. As the brakeman came through calling stations, the woman said, "Don't forget me." And he replied, "Indeed I won't." But the woman seemed concerned, so a man sitting near her said, "I will see that the brakeman does not forget you. Don't you worry."

Soon afterward he said, "Here's your station." She got off the train into the storm. When the train had traveled on for nearly an hour, the brakeman came in and said, "Where's that woman?" The man replied, "She got off when the train stopped yonder." "Then she's gone to her death." We stopped the train back there because of engine trouble.

Volunteers were called for to go back and look for the woman and the baby. Hours later they found her out on the prairie, covered with a shroud of snow. She folded to her breast. She followed directions, but they were wrong. How great the responsibility of the man who sent her into the raging storm.

Whom shall we believe? That is the question that we must answer before we inquire, what shall we believe? The apostles had no difficulty in reaching a decision. When they were forbidden to preach, on penalty of death, they said, "We ought to obey God rather than man." There are only two voices, the voice of God and the voice of man. It is evident that the apostles were convinced that if the one was right, the other was wrong. To obey God would be to disobey man, and to obey man would be to disobey God. God must be put on the one side and man on the other.

Four of our Presidents have been governors of New York State—San Buren, Cleveland, Theodore Roosevelt and Franklin D. Roosevelt.

Kansas produces more wheat than any other state in the nation.

## THE WILDCAT

(Continued from page 6)

Bearcats of Henrietta 43-39 before a yelling and excited crowd, dazed by the outcome of this critical contest.

Our never-give-up charges found themselves trailing at the end of the first quarter 10-8 but rallied for 12 more in the second period to deadlock the score 20-20 at intermission. The Cats came out of the dressing room for the final half determined to win this one and immediately started racking up those baskets while the Bearcats cooled off a little from the torrid pace they had demonstrated before half time. Yet, it was anybody's game at the beginning of the fourth quarter with Crowell only 3 points ahead and Jim Norman playing with four fouls. The last quarter was mostly defense with only 9 points scored between the two quintets. A four minute freeze of the ball was executed by the locals to insure the victory and remain in a tie with Newcastle.

Clinton Marlow paced the locals with 14 points, while his younger brother, Billy, racked up eleven for runner-up. Harold Cotton was high point man of the evening with 15 markers.

Friday night (tomorrow night) our round ballers go to Archer City while Henrietta plays hosts to Newcastle. The game at Newcastle could make the Wildcats district winners if the upset-minded crew from Henrietta dumps the Bobcats. For this to happen Crowell must win that game from Archer City.

### NORMA'S NONSENSE

**Valentine Greetings!**  
To all the students in our school who read the Wildcat as a rule, we send a special big red heart, and pray from us you shall not part.

To the football boys — the entire flock — who stand up like a solid rock, we send a football on this day. (They'd rather have it anyway!)

Mary Lou, with hair of red-gold hue, we send no valentine to you. We know you'd rather be

quite dead, than wear red hearts with that red head!

Billy Ray, with your collection of girls, that always keep you in a whirl, you'll need an extra heart or two, should you lose the one that belongs to you.

To C. H. S., each well loved hall, we send the biggest heart of all; it comes from every student here, because you'll always be most dear.

## Albert M. Sandlin Married Feb. 2 in Kansas City, Kansas

Albert Merl Sandlin, son of Mr. and Mrs. Arthur Sandlin of the Vivian community, was married to Miss Nola Marie Luckey, daughter of Mr. and Mrs. Weldon Luckey of Kansas City, Kan., on Saturday evening, Feb. 2, at 7 o'clock in the Welmeyer Chapel of the Washington Avenue Methodist Church of Kansas City. The pastor of the church, Dr. John Hoon, officiated at the double ring ceremony.

The traditional wedding music was played by Miss Joan Collins, Miss Jean Marie Smith, accompanied by Miss Collins, sang "Because," "I Love You Truly" and "The Lord's Prayer."

The bride was attired in a ballerina length gown of white nylon

tulle and lace over slipper satin, styled with a fitted bodice and long tapered sleeves. Her fingertip veil was held in place with a Juliet cap embroidered with seed pearls. She carried a white Bible with an orchid bouquet.

The maid of honor, Miss Bernice Luckey, sister of the bride, wore a ballerina length gown of blue nylon net over taffeta with matching cap and mitts and carried a bouquet of yellow roses. Francis Luckey, brother of the bride, served the groom as best man.

The tapers were lighted by Mrs. Rex Woods of Salina, Kansas, a sister of the bride, and Mrs. Chas. Long, William Clark and Rex Woods served as ushers.

Following the ceremony a reception was held in the church parlor. Mrs. William Clark, Mrs. Roger Sinaard and Miss Edith Darby assisted with hostess duties at the reception. Miss Ruth Benson had charge of the gifts and Mrs. Sam Palackas attended the guest book.

Immediately after the reception Mr. and Mrs. Sandlin left for a short wedding trip. For going-away, the bride wore a navy blue suit with frosty white accessories. Her corsage was of yellow roses with orchid center.

Mrs. Sandlin is a graduate of Glen Elder High School and the Bethany Hospital of Nursing. She is now employed as Nursing Arts Instructor at that hospital. The groom is a graduate of Crowell High School and attended Oklahoma A&M College at Stillwater. He is employed by the Great Lakes Pipeline Co. of Kansas City.

The couple will reside at 12 N. Thorp, Kansas City 2, Kansas.

### BAPTIST W. M. S.

The First Baptist W. M. S. met Monday, Feb. 11 at 3:30 at the church. Mrs. Dan Callaway had charge.

The program began with a song, followed by prayer by Mrs. H. A. Petty.

Mrs. W. F. Stotter had charge of the Royal Service Program. A skit was given on missionary work by Mrs. H. A. Petty, Mrs. J. B. Harlan and Mrs. Chester Hord.

## Annual "Gentlemen's Evening" Observed by Adelphian Club

Approximately seventy guests were present when the Adelphian Club observed its annual "Gentlemen's Evening" buffet supper on Wednesday evening, February 6.

Mrs. George Self, Mrs. Lewis Sloan and Mrs. Lorraine Carter were hostesses for the evening.

The Valentine motif was suggested throughout the entertainment suite. Nosegays of white stock circled with ruffs of scarlet horsehair braid centered each of the quartet tables. Nosegays of scarlet carnations circled with ruffs of white horsehair braid adorned the top of the piano.

In the northwest corner of the living room, Mrs. Lorraine Carter presided over the coffee service while she featured a beautiful white sweetheart cake decorated with pink rosebuds.

In the dining room, Mrs. Self and Mrs. Sloan assisted the guests as they served themselves from the beautifully appointed table. Scarlet tapers burned in three silver candelabra down the length of the table. Nosegays of scarlet carnations circled with ruffs of white horsehair braid completed the arrangement.

Following the dinner hour the guests enjoyed a short program under the leadership of Mrs. Clinton McLain. John Kasser sang two numbers, "Because of You" and "Far Away Places." He was accompanied by Mrs. Woodrow Lemons. Miss Marcia Kincaid presented two piano numbers. Special recognition was made of Mr. and Mrs. C. P. Sandifer's sixty-sixth wedding anniversary and the club presented them with a beautiful cake as a token of their love and appreciation for their service to this community throughout their long married life.

### INCOME TAX ASSISTANCE

Deputy Collector Kenneth F. Washington will be at the City Hall in Vernon on March 4 and 5 and March 11 to 15 from 8:30 a. m. to 5 p. m. to render assistance with income tax problems to any who desire it, according to information received Monday from the Collector of Internal Revenue in Dallas.

"Seven Encouragements to Pray" was given by Mrs. Bernard Franklin.

The ladies were dismissed in prayer by Mrs. T. W. Cooper. The W. M. S. will meet at the church next Monday for "Mission Study." Mrs. Petty will bring the lesson, "Crusade of Home Missions."

## Home Demonstration Notes

MARY DEEB BROWN

As you know, I attended the re-upholstery school in Vernon last week, and I can't begin to tell you how much I learned. We removed everything from our chairs and started our work from the wooden frame. After tying the springs, we used new tow, moss, and reupholsterer's cotton so that all of our padding would be fresh and without lumps.

Then we covered the padding with muslin before putting on the final covering.

I hope that I will be able to pass some of the things that I learned on to you when we have our reupholstery demonstrations in May.

I would like to thank all of the 4-H Mothers who contributed food and money to the 4-H food sale. Without you there would have been no sale.

I would particularly like to thank the mothers who helped to sell the food. They were Mrs. J. C. Prosser, Mrs. Archie Campbell, Mrs. H. E. Monkros, Mrs. Raymon Rasberry, Mrs. Moody Bursey, Mrs. Gerald Knox and Mrs. John Borchardt.

Also I would like to thank the 4-H girls who helped with selling the food and the 4-H boys and FFA boys who did all the carrying and heavy lifting for us.

Council meets this Saturday, February 16, at 2:30 p. m. in my office.

### COLUMBIAN CLUB

Wednesday, Feb. 6, was regular meeting date for the Columbian Club. Mrs. N. J. Roberts and Mrs. B. W. Self served as hostesses at the home of Mrs. Roberts, relieving Mrs. Hines Clark who was scheduled to be hostess.

The yearbook committee in preparing their "Community Service" program had not overlooked one of exceptional local interest, that of the newly enlarged and remodeled hospital. Miss Martha Rettig, superintendent of the hospital, was guest speaker for this meeting and gave an informative outline of the facilities and the services the hospital will be able to render when the present improvement program is complete. All of which brings to a realization a project which this community may be truly proud.

Mrs. J. Fred Bayless, R. N., who also appeared on this program, used as her subject "Do's and Don't's when visiting the sick."

Refreshments of cake and coffee were served to 14 members and one guest.

### DILETTANTE CLUB

The Truscott Dilettante Club's presentation of "The Old Maid's Convention" was a financial success when it was enacted at the Truscott Community House last Wednesday night. Mrs. Newell Looney, club treasurer, reports that over \$62.00 were taken in from tickets, gate sales, and the refreshment booth.

The two-act comedy, a classic for small towns, was the dramatization of a club meeting of "old maids." Included in the cast were Mrs. Jack Hickman, Mrs. Newt Bryant, Mrs. T. E. Smith, Mrs. Odell Williams, Mrs. Warren Corley, Mrs. Seth Woods, Mrs. Jim Davis, Mrs. Jack Brown, Mrs. Oscar Solomon, Mrs. H. P. Gillespie, Mrs. Marion Hord, Mrs. Marion Chowning Jr., Mrs. Newell Looney, Mrs. Q. D. Williams, and Misses Peggy Traweck, Mary Kathleen Chowning, Norma Jones, Faye Black, Nettie Black, Mary Lou Woods, Nora Davidson and Elba Caddell. Don Brown played the lone man in the cast.

### WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met Feb. 12 in the home of Mrs. Guy Morgan.

Mrs. Henry Edgin, president, called the meeting to order. Mrs. Charlie Bryson led the club collect. As the roll was called, each member named the piece of furniture she would like to have.

Mrs. Mary Brown, agent, gave a moving picture demonstration and explanation of the inner construction of furniture, and the different styles. She said, "when buying a chair, the comfort of the person for whom it is bought should have first consideration. Also the labels on furniture are very important to the purchaser."

The club welcomed back Mrs. Donald Norris and Mrs. Jack Lyons as a new member. Delicious refreshments were served by the hostess to two guests, Mrs. Mary Brown and Mrs. J. C. Morgan, and 12 members. Mesdames, Henry Edgin, Herman Kincheleo, Charlie Bryson, S. E. Tate, Donald Norris, R. J. Roberts, T. W. Cooper, O. M. Gentry, Jack Lyons, Pearl Kamstra, Tom King and Roy Cooper.

### NO SUNDAY NIGHT SERVICE

There will be no evening services at the Margaret Methodist Church on Sunday, Feb. 17, it was announced this week by the pastor, Rev. M. R. Mathis. This will be in order to give the members and pastor an opportunity to be at the dedication of the Thalia Methodist parsonage that afternoon and the evening services at Crowell. Bishop W. C. Martin is to officiate at the dedication services and will preach at the Methodist Church in Crowell Sunday evening.

## Latest in Chevrolet Trucks

Representative of one of 22 series offered by Chevrolet on 10 wheelbases, the 1952 half-ton pickup promises to be a continued favorite. This model is powered by the rugged 92-horsepower valve-in-head Thriftmaster engine, which benefits this year by improvements in carburetion to assure peak efficiency under severe operating conditions.

### FOARD CITY W. S. C. S.

On Monday, Feb. 11, the Foard City Women's Society of Christian Service met at the church at 2:30 for its leaflet program concerning "Gifts for the Master."

Mrs. Jack Welch presided over the business session which followed the singing of a song and a prayer by Mrs. Grady Halbert. Mrs. Howard Ferguson announced the zone meeting at Quannah, Feb. 28, and urged all officers to attend this all-day meeting, beginning at 10 a. m. Plans for a Bible study were completed and the book of Proverbs chosen for the study.

The first three chapters is the assignment and Mrs. Glenn Shook will be leader.

The devotional, brought by Mrs. Howard Ferguson, was based upon Proverbs 19:4.

Mrs. Grady Halbert talked on "Gifts for the Master." The highest value to Christ is people. We should ever search out people for the Master. The greatest gift is a dedicated life.

"Trouble Spots in Our Country" was the title of the article presented by Mrs. Allison Denton. "Racial discrimination can be not only a trouble spot to the security of our nation but also a trouble spot in the advancement in Christianity. Even our individual lives can be trouble spots in that advancement if we stand in the way of anyone searching for Christ."

Mrs. Shook dismissed the group with prayer.

### FOARD CITY H. D. CLUB

Prayer by Mrs. W. L. Johnson opened the meeting of the Foard City Home Demonstration Club at the home of Mrs. Frank Welch on Tuesday afternoon, Feb. 5.

The vice president, Mrs. O. N.

Baker, presided at the business session. Roll call was answered with "A time saver I use."

Mrs. Tom Callaway, who was to have demonstrated "Care of Rugs and Furniture," was called away because of the death of her sister-in-law. This demonstration will be at the next meeting.

Time and methods of planting and care of various flowers and shrubs was discussed and bringing of plants for exchanging with members to future meetings.

Using the letters "February," the hostess conducted a word making game, then served refreshments to six members and a new member, Mrs. Floyd Borchardt.

### REBEKAH LODGE MEETING

Crowell Rebekah Lodge held a regular meeting on Friday night, Feb. 8 at Odd Fellow and Rebekah Hall, with Mattie Sue Bartley, Noble Grand, in charge. There were 17 members present.

Lodge opened in regular form, with presentation of the United States flag, the pledge of allegiance and the singing of the national anthem. Report given by visiting committee on visitations made since last meeting was given. LaVerne Teal was appointed team captain by the Noble Grand to serve for 1952. Drill work was practiced after lodge adjourned. In the future the team captain will take charge immediately after regular lodge for practice work.

A new electric coffee urn received recently was displayed in the kitchen for the members to see. It was purchased by the Rebekahs.

Birthdays of those who had had birthdays since last regular meeting were observed.

A good report was given by Joyce Naron on Rebekah Study Club meeting on Feb. 7 in the

## Dallas Contractor Leaves Estates to Three Faiths

Because a Dallas contractor died with equal gratitude to benevolence of three leading charities are richer by several thousands of dollars.

About two years ago, Mr. Childs, a childless widower, at his home in Dallas, Wis. will was probated recently. Copies distributed along with individual bequests, the charities were the recipient of several thousand dollars each. The Catholic Church, Dallas; the Texas Scottish Rite Hospital; Crippled Children, and Jewish Welfare Association.

Mr. Childs made particular mention in his will to the Protestants, Catholics and all had been his friends and was due to their friendship, he had enjoyed a successful business career.

"It is only that what is left in my will should be returned to the one who made it so," he said.

Asher Mintz, spokesman for Texas Scottish Rite Hospital Crippled Children, the beneficiary, said "The sense of the late Mr. Childs, as expressed in his will, is a glowing tribute to the unselfish and ungrudging spirit of this community and a lesson of tolerance that can be found only in this great America. Mr. Mintz is secretary of the Crippled Children's hospital."

Mr. Childs was a Mason and ardent supporter of its institutions.

## McMurry College Plays to Full House Monday Evening

The McMurry College Band, whose visit to Crowell day night was sponsored by Crowell High School and the Parents Club, presented a wonderful musical program to an appreciative audience in the high school auditorium.

Fifty collegiate musicians under the direction of E. T. Bynum in an hour-long program of both classical and light selections which was greatly enjoyed by all present.

Walter B. Harris Jr., director of the Crowell High School band, was complimented by Mr. Bynum when he directed the band during the performance.

The meeting was concluded by the customary routine, and by Rowlene Choate, chaplain.
