Make Donations to Nineteen Churches of Foard County

In deep appreciation of the bountiful wheat crop produced on their farms in Foard County this year, Mr. and Mrs. C. P. Sandifer, pioneer couple of this community, this week made a contribution in cash to all of the nineteen churches of Foard County. The total amount was \$915.00 and included the eleven churches in Crowell, three in Thalia, two in Margaret, one in Rayland and two in Foard City.

The letter by Mr. and Mrs. Sandifer accompanying the check to each church follows:

"Mrs. Sandifer and I came here Sept. 7, 1889, my 25th birthday. There weren't many people here then and Foard County was not organized. We have watched the country develop and the people multiply.

"We rejoice in the fact that we have had a share in the noticeable development and the prosperity and happiness of the people.

"It has been our happy privilege to serve in places of leadership in almost all of the worthwhile enterprises of Crowell and Foard County during the intervening years.

"It is putting it mildly when we say we love and appreciate the people with whom we have been privileged to live since coming to this wonderful country.

"It is true we have seen some hard times and rough sledding, but they were the making of us. Therefore, we look back on them with a great deal of joy and pride. We are actually thankful for them.

"However, we do not by any means overlook the successes and good times we have had. The Lord has been wonderfully gracious unto us. This has been, perhaps, the most prosperous year of all, and we want to share our success with all the churches of Crowell, Thalia, Margaret, Rayland and Foard City.

"Enclosed you will find a check for your church, which we hope you will accept with the spirit in which it is given. We feel that all of you are our friends and this is a reciprocal act of friendship.

"Wishing you and yours every measure of success and happiness, we beg to remain your friends."

LOCAL THEATRE MANAGER ATTENDS CONVENTION

A. W. Willis, manager of the Rialto Theatre, returned home last Thursday from Dallas where he attended the initial convention of the Committee of Motion Pictures Organization.

Moving picture authorities numbered in the thousands as they registered in the lobby of the Hotel Adolphus for the four-day affair of the organization which promoted "Movie Time in Texas." After registering, the members were escorted to the roof garden of the hotel where they had the pleasure of hearing such noted celebrities as Chill Willis, Phil Harris, Alice Faye, Ronald Reagan and Bill McCraw. Willis, serving as master of ceremonies, kept the delegation continually laughing with his sense of humor while Reagan rendered an oratory more on the serious side of the movie industry that highlighted the event, according to Mr. Willis.

Mr. Willis also reported that he had an opportunity to become acquainted with some of the top men in the motion picture industry.

When a youth, Glenn Cunningham, the runner, was so badly burned, it was feared he would never walk.

Ted Reeder's Father Died Sunday in Knox City; Burial Monday

W. A. Reeder, 67-year-old Knox County farmer and father of Ted Reeder of Crowell, passed away in the Knox County Hospital in Knox City Sunday following an illness of two years.

Funeral services were held at 10 o'clock Monday morning from the First Christian Church in Knox City with Rev. Howard Marshall, pastor officiating, assisted by Rev. Oscar Bruce, pastor of the Methodist Church of Knox City. Mr. Reeder was born in Baylor County on March 15, 1885, and moved to Knox County in 1886 with his late parents, Mr. and Mrs. T. P. Reeder, who were among the Knox City area's first settlers.

His parents donated land for the first school in Knox City where he attended school, and he was buried on the old school site where the Knox City Cemetery is now located. The Masonic lodge conducted graveside rites.

He is survived by his wife; a daughter, Mrs. Fuller Shannon of Knox City; three sons, Herman Reeder of Graham, Murray Reeder of San Francisco, Calif., and Ted Reeder of Crowell; one brother, Joe C. Reeder of Knox City; two sisters, Mrs. R. G. Vaughan of Knox City and Mrs. J. M. Sawyer of Ryan, Okla.

Those from Crowell attending the funeral services besides Mr. and Mrs. Ted Reeder were: Mr. and Mrs. J. B. Rashberry Jr., Mr. and Mrs. Jack Turner, Mrs. Merl Kincaid, Mr. and Mrs. James Weiss, Mr. and Mrs. Woodie Lemons, Mr. and Mrs. Milton Hunter, Mr. and Mrs. Earl Manard, D. R. Magee, Jim R. Gafford, Mack Gamble, W. B. Carter, Grady Halbert, Virgil Johnson, Jack Welch, Dan Callaway, T. S. Haney, C. C. McLaughlin, Hagan Whatley, Joe B. Roberts, Judge Leslie Thomas and Bill Bell.

Children of J. N. Ribble Gather Here

Children, grandchildren and other relatives gathered at the home of Mr. and Mrs. J. N. Ribble on Sunday, June 15, to observe Father's day. The noon meal was served cafeteria style. Mr. Ribble received several nice gifts and \$30.00 in money.

Those present were Mr. and Mrs. H. Finley of Decatur, Mrs. Hugh Shaw and two sons of Dallas, Mr. and Mrs. M. O. Ribble of Shawnee, Okla., Mr. and Mrs. W. O. Dunlap and son, Roger, of Vernon; Mrs. Pearl Wright of Sweetwater, Mrs. R. M. Hudson of Madera, Calif., and her daughter of Mississippi; W. S. Ribble of Sweetwater; Mr. and Mrs. Jim Garrett and son, Mike, of Oakland, Ohio; Mr. and Mrs. Nelson Hudson and two children of Oklahoma City; Esther Hardin of Crowell; two nieces, Mrs. Frank Cook of Vernon and Mrs. Iva Ballard of Crowell; six grandchildren and three great grandchildren. Total number present was twenty-four.

Visiting Minister to Preach Here Sunday

Leo L. Oliver, minister of the Christian Church at Grove, Okla., will be visiting minister at the Crowell Christian Church next Sunday, preaching at both morning and evening services, J. Fred Bayless, pastor, announced Tuesday.

All members and friends are cordially invited to hear these sermons and to meet Bro. Oliver. Time of morning service is 11 o'clock; and evening service is 8 o'clock.

DOWN TOWN BIBLE CLASS

Attendance at the Down Town Bible Class was not up to the average last Sunday. There were 33 present and one visitor.

MOVE TO KANSAS

Mr. and Mrs. C. L. Thompson, former Foard County residents who had lived on a farm near Dimmitt, Texas, recently sold their farm in Texas and bought one near Gueda Springs, Kansas, and have moved there to make their home. In a letter to the News, Mrs. Thompson stated that they liked Kansas fine.

TO OPEN NEW BUSINESS

David Jackson of Thalia and Hollis Guice of Vernon will open the Kone-King on the corner of First and Commerce Streets at an early date, probably next Saturday. They will sell ice cream, ice cream cones, soft drinks and candy.

They have had Frank Hudson, local carpenter, construct a 6x10-foot building which will be moved to the corner of Spear Motor Company lot. Miss Norma Kelly has been employed to operate the business.

The above photo shows Hack Norman holding a 5-foot long diamond back rattlesnake he killed early last Wednesday morning, June 11. Mr. Norman killed the large snake near the office building at the W. B. Johnson lease 20 miles northwest of Crowell. The snake was 4 1/2 inches around and had 16 rattles. Mr. Norman stated that this was the largest of nineteen rattlesnakes he has killed on the lease this spring.

J. A. Stovall Named New Chairman of Foard County NFIP

J. A. Stovall has been named chairman of the Foard County National Foundation for Infantile Paralysis, according to information released last week by Marion Crowell, who had served in this capacity for the past two years. Mr. Stovall assumed his duties immediately.

"In case polio strikes you or any member of your family," Mr. Stovall said, "go immediately to the Wichita General Hospital in Wichita Falls, have the patient hospitalized, and in any hardship case, proper forms will be made out and sent to me for my signature."

Mr. Stovall stated that no new cases for Foard County had been reported to date in 1952.

Local Registrants Ordered to Report for Physicals June 23

The following Foard County registrants have been mailed orders to report for armed forces physical examination on June 23, 1952, by the Texas Local Board No. 131, Selective Service System, court house in Vernon, Texas:

He left on June 8 by plane for San Diego.

DDT Spraying in Town Underway

The important job of spraying the entire town of Crowell with DDT got underway Tuesday evening with members of the local Lions Club in charge of the project.

According to Weldon Hays, president of the club, spraying will continue until the city is fully covered. The spraying will usually begin in the evening provided the wind is not high enough to ruin the effects of the DDT mist.

The club requests that all windows and doors be open whereby each home may receive the full benefit of the spraying.

This is a yearly project organized and sponsored by the local Lions Club. In the past, it has greatly helped in controlling flies and mosquitoes here, and is considered by health officials to be a great aid in the prevention of polio outbreaks.

LIONS CLUB

The Lions Club held its regular weekly meeting Tuesday at the Liberty Cafe.

The program consisted of a discussion of the spraying project sponsored by the club.

Visitors at the luncheon included Markham Spencer of Los Angeles, Calif., Dub Drace of Lubbock, Harold Lanham of Vernon and Sam Dunnivant of Dallas.

RENT HOME TO McCLAIN'S

Mr. and Mrs. Karl ten Brink and children, Charles and Helen, of Electra were here Monday visiting friends and attending to business. They have rented their home in Crowell to Mr. and Mrs. Bill McClain. Mr. and Mrs. McClain and daughters moved into the home last week from the apartment in the McClain Food Market building. The space that has been used for the apartment will be included in the store by the removal of the partition.

At the beginning of the harvest season, the market price was \$2.05 per bushel but has gone down a few cents and Tuesday it was \$2.02. The total value of the crop in dollars and cents would be considerably more than \$2,000,000.

At the present time with the mercury hovering around 100 and above, Foard County citizens are ready for another rain and cooler weather.

Mrs. Borchardt Died Suddenly in Vernon Hospital

Funeral Services Held Wednesday in Methodist Church

Funeral services for Mrs. Fred C. Borchardt Sr., 67, resident of Foard County since 1916, were held from the Crowell Methodist Church Wednesday afternoon at 4 o'clock with J. Fred Bayless, minister of the First Christian Church, conducting the services, assisted by Rev. M. A. Walker, Methodist pastor. Mrs. Borchardt was a member of the Christian Church.

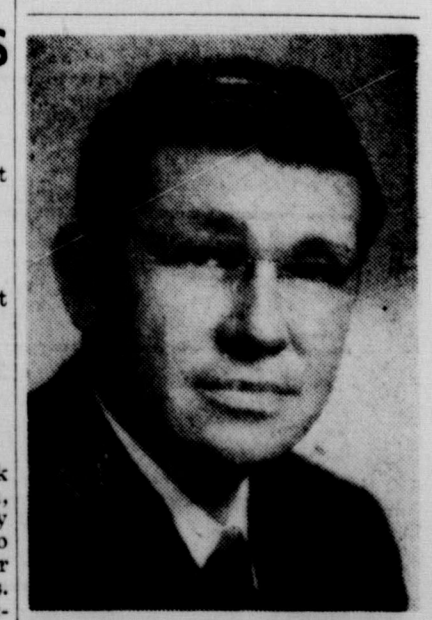

The choir consisted of singers from all churches with Mrs. Fred Bayless as accompanist. Mrs. Paul Shirley played organ selections. A special number was a solo, "Sunrise," sung by John Rasor.

Burial was made in the Crowell Cemetery with the Womack Funeral Home in charge of arrangements.

Bessie Modena Greer was born Jan. 25, 1885, in Denton County. She was married to Mr. Borchardt in Denton County on Dec. 21, 1902. After their marriage, they lived in Collin County for six years, then to Plainview where they lived for 4 years. The remainder of the time before moving to Foard County in 1916 they lived in Hunt and Young Counties. They lived on their farm southwest of Crowell for many years before buying a home in Crowell and the couple had resided here since that time.

She is survived by her husband; nine children, Mrs. Lewellen Morgan of Elkins, Ark., Dr. A. L. Borchardt of Vernon, Henry, Floyd and John Borchardt, of Crowell; Mrs. J. B. Stewart of Houston, Mrs. Darwin Bell of the Vivian community, Mrs. Archie Campbell of Crowell, and Fred C. Borchardt Jr. of Foard City. One daughter, Mrs. Chester Hord, preceded her mother in death. Other survivors are three sisters, Mrs. Jim Howell of Paducah, Mrs. Will Christi of Irvin, Mrs. John Sparks of Frisco; one brother, John Greer of Lewisville, and 23 grandchildren.

Mrs. Borchardt joined the Christian Church at the age of thirty and had lived a consistent Christian life since that time. She was a good friend and neighbor and a helpful and worthy wife and mother.

Dr. Morris Ford, pastor First Baptist Church, Longview, is to be camp pastor of the North Texas Baptist Encampment at Wood Lake, between Sherman and Denison, July 14 through July 18.

For a
**BETTER
COTTON
CROP**

PLANT PROPERLY TREATED COTTONSEED

The chance for a good stand of cotton with the first planting can be increased greatly when seed that has been treated properly with a recommended seed disinfectant is planted.

The circles in the picture above illustrate the difference seed treating may make. Treated seed and seedlings are less apt to suffer from seed decay, damping-off or sore-shin.

The small cost of treating is unimportant when compared with the expense of soil preparation, fertilizers, labor and equipment needed to produce a good crop. Less than 10c per acre spent for seed protection can often mean many dollars profit when the crop is brought to the gin.

For information about treating your seed and the name of the cottonseed treater nearest you consult your county agricultural agent.

provide a year-round program for the parish farm families.

One of its ideas is that the school is the center to which the entire community can turn for information, help, and guidance in farm and household problems. Last year the school and were helped to the school.

One hundred and several of the community took demonstrations of cake slip covering, crocheting, painting, the raising of and flower arrangements. Community residents were shown to can and freeze foods. Of 2055 cans of fruit, vegetables and meat and soup were processed. Pounds of meat and 28 pounds of vegetables were packed for the school. Shop work included the making of 125 items and construction of 38 others.

Community Program

The school has come to the conclusion that where aims are set cooperatively by adults, and children and objectives are concrete, practical, the whole goes to school, and profit to it.

The whole community is made stronger and a better living in which to live and maintain as a result of this program.

But the important thing is that it could be accomplished, no matter how much school authorities unless the community supported the program and willing to finance it.

The United States is the heaviest defense budget far of the nations united. Communism. It plans to spend fiscal 1953 some 18 per cent its gross production on it. All of the NATO countries together, plan to spend 40 per cent of their gross product for that purpose.

SCHOOL TRENDS

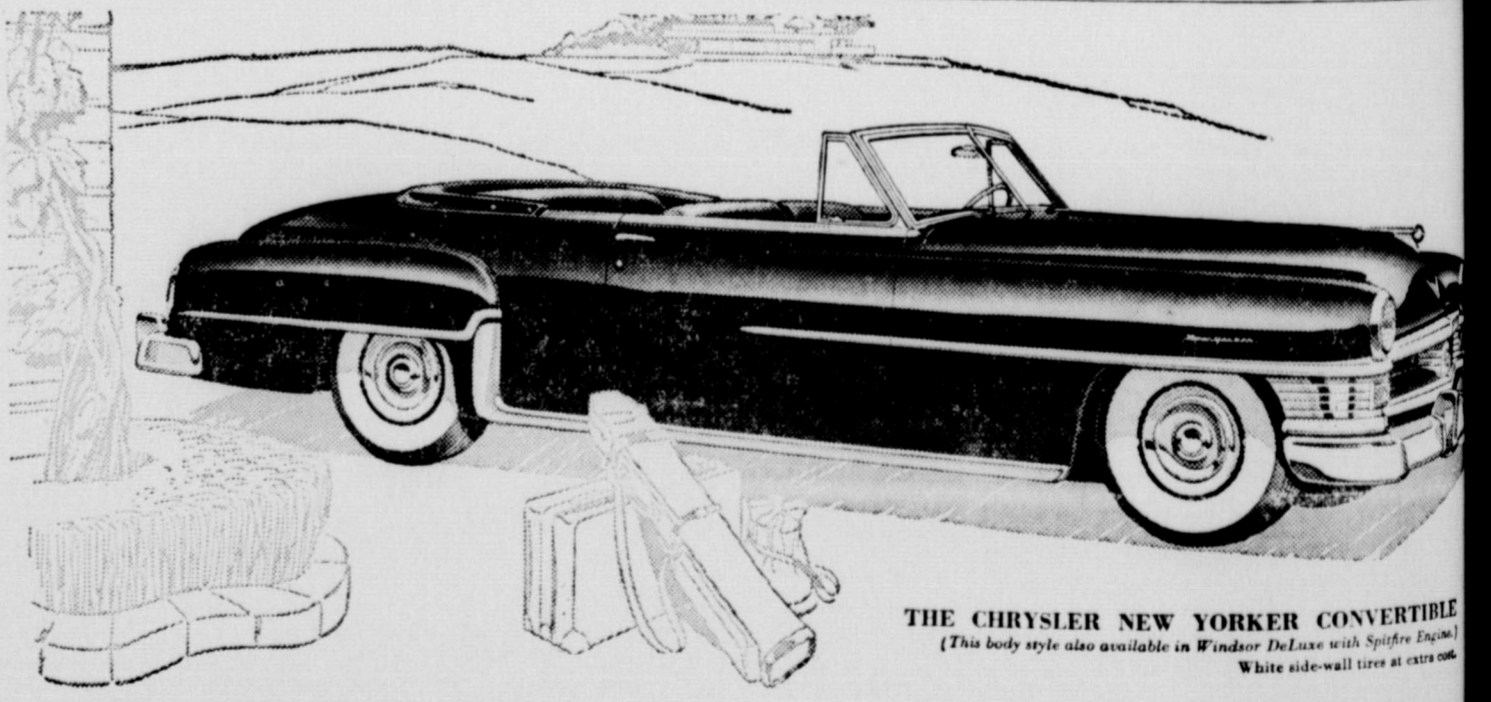

Louisiana Parish Sets New Trends

Marksville, La. — The school system of the rural parish of Avoyelles, La., of which Marksville is the seat, is becoming widely known in the south for its progressive idea of serving all the people of all the community.

Avoyelles has taken to heart the words of State Superintendent of Education Shelby M. Jackson: "Schools are set up for all the children of all the people, but in addition should serve the youth and adults of the community, meeting their interests, needs, and

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more quietly, and with less wear than any other engine ever built into an American automobile.

... and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?

Physicians Are Again Locating in Small Towns, Official Says

Denver, Colo. — Doctors again are locating in villages, Dr. F. S. Crockett of Lafayette, Ind., chairman of the Council on Rural Health, of the American Medical Association, told the seventh annual conference on Rural Health recently in Denver.

"These physicians are practicing today's medicine, due, often, to the cooperation of the community in making available a work shop equipped with modern diagnostic facilities," he said. "Any community willing to back its ideas in this manner has qualified for a high priority in physician placement."

Another physician, Dr. Kenneth Katsch, who gave up practice in Detroit to serve the people of a South Dakota town of 900 population, outlined a few simple rules which will help a small town get and hold a doctor.

Difficulties Outlined
(1) To obtain a doctor: provide adequate hospital facilities and personnel, office space for a doctor to rent and the type of town in which a person would want to live.

(2) To keep a doctor: treat him as a human being with the same mental outlook and physical stamina as yourselves; try working with him instead of against him. Some small towns have more difficulty in keeping a doctor than in getting one.

Since practicing in a small town, Dr. Katsch said he has had occasion to talk with other physicians serving small communities.

brother, Ray Gable, and wife in Hobbs, N. M., this week.

Wallis Scales of Vernon is spending this week with his grandparents, Mr. and Mrs. G. W. Scales.

Mr. and Mrs. Delmar McBeath and children visited her father, Luther, Marlow, at Foard City Sunday.

Doretta Price of Garland is visiting her aunt, Mrs. Ruth Hammonds, this week.

Mr. and Mrs. C. C. Lindsey were dinner guests in the Cap Adkins home of Riverside Sunday.

Mr. and Mrs. Glen Gable visited his grandparents, Mr. and Mrs. S. W. Gable, at Odell Sunday. They were accompanied by Doretta Price.

Ralph Dunn, Ruth Hammonds and Mr. and Mrs. Jim Dunn visited Robert Dunn and family in Wichita Falls Sunday. Their son, Bobby, who was brought home from Scottish Rite Hospital last Friday, is much improved from polio.

Roberta Dunn and son, Danny, visited the Joe Hanes at Lockett Sunday.

Mrs. R. C. Bassett of Burkburnett and Mrs. Lela Glassgow of Fort Worth spent Sunday with Mrs. B. D. Webb and boys.

Among the difficulties encountered is gossip. Let a doctor make a slight mistake, and the fact not only is spread but is magnified many times.

Another deterrent to service in a small community is the feeling that a city physician is a better trained man, with the result that the doctor in a small town frequently is by-passed except for emergencies or ordinary illness.

Also, Dr. Katsch said, the inhabitants of a town should not think their doctor is available for any and all illnesses 24 hours a day.

New Trend Noted
He added, "The least they can do is to regard him as a human being and with the same capacity for work as they."

There has been a campaign in recent years to increase the enrollment of medical students from small towns with the belief that many will go back to their home towns to practice.

A recent survey of one medical school revealed that 45.9 per cent of the graduates who lived in communities of from 2,500 to 10,000 population before they attended medical school returned to areas with less than 10,000 population and that 27.7 per cent of those whose prior residences were in towns of less than 2,500 went back to communities of that size to practice.

BUSINESS BRIEFS

The rapidly growing program of aid to the so-called underdeveloped countries may become a serious load for the already overburdened American taxpayer. The Four Point program for such aid began in 1950 with a modest appropriation of only a few million dollars. This year, the request is for more than \$650 million. At the beginning, it was implied that this aid would consist mostly of technical assistance. But the size of the present request should put everyone on his guard.

You get MORE TRUCK FOR THE MONEY when you buy on the plain hard facts!

Fact No. 1
Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Fact No. 2
Mile after mile at rock bottom cost. Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Fact No. 3
Right truck for the job saves money. Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Fact No. 4
Lower, slower depreciation. Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

Court Rules Supreme

The action of the Supreme Court recently in ruling that President Truman usurped powers of Congress in seizing the steel mills reassures the average American in the balance system which is United States' democracy.

The President, as is expected in a country like ours, bowed quickly to the Supreme Court decision and returned the steel mills to their owners.

The attitude of most Americans is best demonstrated by members of Congress themselves. Many Senators and Congressmen, some of whom had bitterly criticized the President's seizure of the steel mills, were ready to vote for a bill which would authorize Presidential seizure of the mills after the Court decision was announced.

However, legislation by Congress authorizing seizure and a Presidential seizure, without authorization, are two different things. That belief probably comes close to the convictions of most Americans today.

State 4-H Round-Up Highly Successful

Texas rural youth last week visited their Texas A. & M. College. The thousand boys and girls attending the annual 4-H Roundup came from every section of the state.

June 10 was the big day. State winners were named in the 16 different judging and team demonstration contests and the dress revue. Competition was stiff between the 215 competing teams and individuals.

The winning poultry judging team from Guadalupe County is eligible to participate in the national contest also to be held in Chicago. Brazos County was second and Rannels county third in this contest.

The Bastrop county vegetable demonstration team will go to New York City in November for their national contest.

Winner of an all-expense trip to National 4-H Club Congress, Chicago, this fall was Jo Ann Glover of Hardeman county, top dress revue winner. Sherry Simpson, Hopkins county, was second, and Louise King, Hays county, third.

Featured speaker for the Round-up was Chaplain George C. Baker Jr., of Southern Methodist University. He told the group, "Real satisfaction in life is found by unselfish devotion to the things that matter most and tomorrow's honors will come to those who make sound plans in youth, choose wisely, are patient and thorough and have courage and unselfish devotion."

Co-chairman Jack Harris, Hale county, and Wanda Kachtik, Cameron county, of the 4-H Council, presided over the general sessions and all Council members took a very active part in the proceedings.

FUTURE FARMERS OF DALLAS—Big things are planned for the more than 3,000 Texas Future Farmers expected in Dallas for the state organization's annual convention July 16-18.

A full round of entertainment features is being planned for the farm boys who will represent the 35,000 Texas high school boys who are students of vocational agriculture.

Scope of the Future Farmer organization will be displayed to Dallas residents with a giant downtown street parade in which the FFA boys will march along with farm equipment and FFA pickups.

A special feature of the convention this year will be a banquet at the Baker Hotel, convention headquarters, on July 17 which will honor Lone Star Farmers and at which Lone Star Farmer degrees for 1952 will be awarded.

Pictured here, with the Dallas skyline in the background, are members of the Dallas executive committee for the convention and Franklin Brandt of LaGrange, state FFA president. Pictured, left to right: C. G. Scruggs, associate editor of Progressive Farmer magazine; President Brandt, C. T. Rhee, Dictator

Recent actions of President Syngman Rhee, in South Korea, indicate that the President is more of a dictator than a president. The South Korean President, with whom the United States has had some trouble on occasions before, recently arrested 12 Assemblymen for what he called a plot against his government.

These actions do not appeal to most Americans, and they are believed to be responsible for a message which President Truman reportedly sent the South Korean president, expressing disapproval of the same. The United Nations is supposedly fighting a war for democracy and freedom against dictatorship in Korea.

Mrs. J. M. Hill Jr. and son, Mark, visited this week with Dr. and Mrs. J. M. Hill.

Ohio Village Plans Suit Against Federal Government

Pomeroy, Ohio. — The village of Pomeroy has asked its attorney to determine the cost of filing suit against the federal government to recover flood losses since construction of the Eureka Dam 30 miles downstream raised the water level.

Village businessmen claim floods have been more frequent and more damaging since construction of the dam in 1936. They contend it has done several hundreds of thousands of dollars damage to the community.

Deadline Near for Filing Smith-Doxey Application for Cotton

The Smith-Doxey program continues to be popular with Texas cotton farmers. Last year almost 109,000 participated in the program and had 2,543,244 bales classed for grade and staple.

According to John L. McCollum, southwest area cotton branch manager, USDA's Production and Marketing Administration, Dallas, this was almost two-thirds of the entire Texas crop. In addition to the classing service, participating farmers also received the cotton market news service without charge.

To be eligible to participate in the program, farmers must be members of an organized Smith-Doxey group. Only a few more days remain for these groups to get in their application. McCollum says July 1 is the closing date for accepting Smith-Doxey applications from all Texas counties laying entirely or for the most part east of the 100th meridian and July 15 for the counties west of the 100th meridian. Deadline for the earlier counties is Aug. 1 and August 15 for the later counties.

County agricultural agents have rendered valuable assistance in organizing the participating groups in the counties. Farmers

Community and Farm Unit Improvement

The continuing trend in farm unit and community improvement is toward unified action in family and community welfare and away from individual methods. Consolidation of rural schools and shifts in rural population have brought about renewed interest in community organization for improvement with the farm family as the pivot.

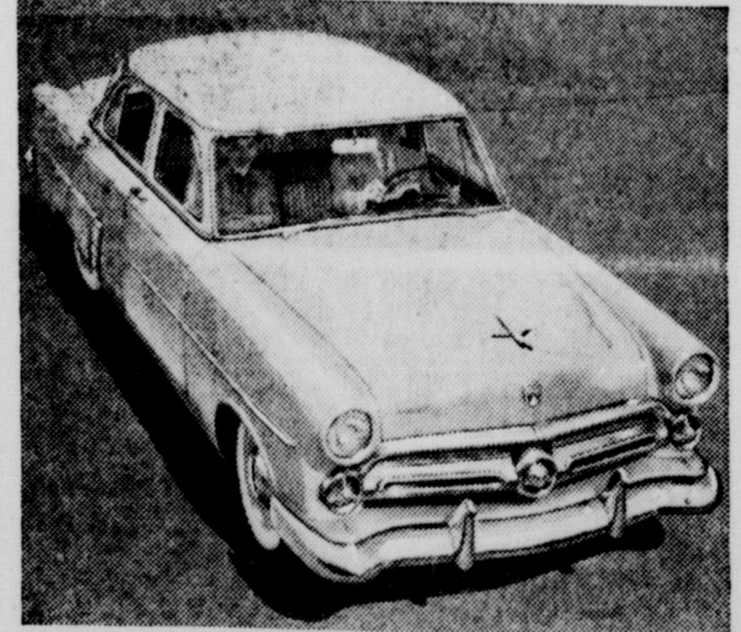

Home management specialists with the Texas Agricultural Extension Service point out in their 1951 annual report that county Extension agents helped 212 families study their needs in relation to current economic outlook and plan improvements for their farms and homes. In turn these families assisted 5,065 other families to make farm and home plans. Farm unit tours—138—were conducted and resulted in 2,658 families adopting improved home practices.

The specialists cite as an example of progress in the farm unit demonstration the farm of Mr. and Mrs. Belton Snider, Matagorda county. In 1950 the Sniders planned as their major goal, a farm drainage system which they completed that year. Mr. Snider said this resulted in a 25 per cent increase in crop yields. At the end of 1951 new fences had been built, an insect control program started, 20 acres of legumes and

Town Plans to Replace House Driver Wrecked

Peshtigo, Wis. — This small town has started a drive to build a new home for Louis Frederickson and his family. It was wrecked recently when a car careened through it.

James Frederickson, 10, died of injuries he suffered when the car struck him. He was in bed with two brothers, Arthur 9 and Phillip, 5. The father, a 57-year-old laborer, was in another bed in the same room with William, 12. All were injured. Mrs. Frederickson was treated for shock.

The McKinley School Community club announced the plan for a drive to raise building materials and funds for a new five room home. Chairman of the drive is Stanley Pristelski, whose own son was hurt by an automobile a short time ago.

Prisoners Build Town A Municipal Building

Beaver, Okla. — The town of Beaver needed a new municipal jail, but did not have sufficient funds to meet today's building costs. Then it was discovered that the roster of the city jail included a bricklayer, a plasterer, a roofer and several building laborers. The prisoners were put to work building a new city hall. Cost of the project when finished: a mere \$1,200.

Upper Michigan town put its community spirit on display recently when the townspeople held a "pulpwood bee" for the benefit of a 10 year old boy who lost his legs in a train accident.

Ten acres of spruce trees were cut and corded and proceeds of

its sale will go into a special fund for Kenneth (Buddy) Bailey Jr., who fell under a slow moving freight train last February 14.

The \$2,000, which the sale is expected to realize, will be used for the lad's medical care and education.

The timber was bought and donated to the "bee" by Charles Taylor, a lumberman from the village of Rudyard.

About half of the village's population of 200 took part in the wood cutting. Power saw operators, drivers of earth moving machines, men to load the cut timber on trucks and move it to Eckerman, crane operators—all donated their time and equipment.

The project was an outstanding example of community spirit and cooperation.

A human, adult, male skeleton will weigh from nine to thirteen pounds.

Our Weekly Sermon

A GRACIOUS INVITATION
from Moody Bible Institute, Chicago

This is a day when intellectualism and logical reasoning are held in highest respect. Man boastfully asserts that he will accept only that to which reason gives assent. Whether or not he is able to make good his boast is another matter. And oftentimes, since he is given over to logic and logic alone, insofar as that is possible, he comes to feel that Christianity, based on faith, is not for him. Many are the men who have lived and died under the impression—the very false impression—that Christianity is void of all that is rational and sound.

In the book of Isaiah we find a verse that should dispel any such feeling. "Come now, and let us reason together, saith the Lord; though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool" (Isa. 1:18).
Glance at the verse for a minute. What do we find? First, a specific invitation. An invitation to accept the precepts to Christianity in blind faith? No, an invitation to reason together with God concerning a very important matter—your sin.

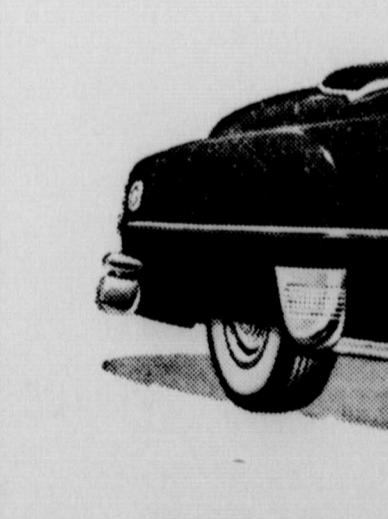

Now, sin is a definite reality. No man, aware of conditions around him and honest about the secret desires of his heart, can deny it. God refers to it as such throughout the Bible. And so deep is God's concern in this matter that He calls the sinner to Himself to talk with him concerning his sin. And why would God reason with us about our sin? Because He knows it must be judged and the sinner must suffer the consequences of his sin, unless he will accept the way of escape God Himself has provided in the person of His Son, the Lord Jesus Christ. That is the blessed hope our text offers us. Though your sins be as scarlet . . . though they be red like crimson . . . they shall be as white as snow, they shall be as wool.

Local Efforts Solving Health Problems

Jefferson City, Mo. — Missouri communities are solving their health problems through their own cooperative efforts, according to Chester G. Starr, director of the rural health service, Missouri Farm Bureau Federation.

He cited a nutrition project in Miller county and a diabetes survey in Green county as examples of what is being done to meet local health conditions.

Miller county is in the Missouri Ozarks. The local health council conducted a representative survey of what people in the county were eating from day to day in order to determine if the diets were as they should be.

In Green county, the health council was concerned about possible high incidence of diabetes and embarked upon a survey of the prevalence of that disease. Almost 1,000 volunteers participated. A total of 11,960 tests were made, of which 309 turned out to be positive.

These are only two of a number of Missouri communities conducting health surveys and programs. As a result, Mr. Starr reports, Missouri is getting to be a better place in which to live and in which to raise a family.

Alfred Binet was the first psychologist to determine a scale for measuring intelligence.

Clark Christian and Miss Bonnie Ruth Boyd Marry Saturday

The Fargo Church of Christ was the scene Saturday evening of marriage rites uniting Miss Bonnie Ruth Boyd, daughter of Mr. and Mrs. Seth Boyd of Northside, and Clark Christian, son of Mrs. Jim Christian of Crowell and the late Mr. Christian.

Noel Grisham, minister of the Odell Church of Christ, read the double ring ceremony before a white archway, entwined with greenery and flanked by tall baskets of white gladioli tied with white satin ribbons. Arrangements of palms completed the setting.

The bride was given in marriage by her father and wore a gown of Chantilly lace over white satin fashioned with fitted bodice, buttoned to the waist in front with tiny self-covered buttons. The sleeves tapered to points over the hands and the lace of the bodice extended in points over the ruffant, ballerina length skirt. The bridal veil of illusion was attached to a white satin coronet, encrusted with seed pearls and edged with chantilly lace. Her bouquet was of gardenias and white carnations, showered with braided white satin ribbon streamers.

Miss Nona Joyce Cullar was maid of honor and wore a ballerina length dress of blue net over taffeta, designed with fitted bodice and bouffant skirt and completed with a net stole. She carried an arm bouquet of pink carnations.

The bridesmaids, Misses June Lewis and Allene Riggins, wore identical dresses of pink organza over taffeta, ballerina length and styled with fitted bodices and full skirts.

Paul Weldon Cullar served as best man and ushers were Vic Christian, brother of the groom, and Robert Fitzgerald.

The mother of the bride chose

a dress of navy lace with white and navy accessories and a corsage of pink carnations. The groom's mother wore a navy silk dress with navy and white accessories and her corsage also was of pink carnations.

An all-girl chorus sang "I Love You Truly" and "Always" and Miss Shirley Rowland sang "Because" as pre-nuptial selections.

Reception

The ceremony was followed by a reception held in the home of Mr. and Mrs. Tom Boyd on the Crowell highway. The serving table, laid with a white hand-crocheted cloth over blue, was centered with a three-tiered wedding cake topped with a miniature bride and groom. At one end of the table was a fan-shaped arrangement of white gladioli tied with satin ribbon while the crystal punch service was at the opposite end. Misses Joan White, Louise Ketchersid and Joyce Mabry presided at the table. Miss Shir-lene Brown was in charge of the bride's book which was of white satin, hand-painted in her chosen colors of blue and white.

For the wedding trip to points in New Mexico, Mrs. Christian wore a lime tissue sheer dress, with black accessories and a gardenia corsage.

The couple will reside in Vernon where Mr. Christian is employed with Montgomery Ward & Co.

RIDGWAY CALLS ON FRENCH PRESIDENT—New commander of the European defense army against communism, Gen. Matthew B. Remember this Saturday is Council day—2:30 p. m. in my office. This is a very important meeting, so plan now to attend.

As you know I attended the 4-H Round-Up at College Station June 9, 10, 11. As always, I learned a great deal from working with these outstanding boys and girls from all over the state. It is always inspiring to be with them and see the work they have done.

On June 18, 19, 20, I will take 4-H girls from this county to Leaders for the District Three 4-H Girls Camp. These girls were chosen because of their outstanding 4-H club work and because of their abilities as leaders. The girls to go are Gail Knox, Kay Rasberry, Janet Rasberry and Roma Jan Spikes. These girls will use the training they receive at Leaders later this summer to help in planning our county camp.

If you are looking for a new way to serve chicken, here is a wonderful recipe for Italian Chicken Hunter's Style.

Italian Chicken Hunter's Style
2 1/2 to 3 1/2 pound frying chicken.
1/2 cup olive oil or other fat.
1 thinly sliced onion.
3/4 cups canned tomatoes or 8 medium tomatoes.
1 clove garlic.
1 1/2 teaspoons salt.
1/4 teaspoon pepper.
Cook chicken in fat until delicately browned, turning to brown evenly. Add onions and cook until transparent and golden brown. Add tomatoes, garlic, salt and pepper. Cover and simmer until chicken is tender and the tomatoes are reduced to a thick sauce, 40 to 50 minutes. Remove garlic clove before serving. Makes 4 to 5 servings.

Social Security Representative to Be Here June 24th

Failure to show a social security account number or showing an incorrect account number when reporting earnings for social security purposes, whether for employees or for the self-employed, prevents those earnings from being credited to any individual's account by the Social Security Administration's central records office in Baltimore, Md.

The Administration's records office can be certain of the reported earnings are to be credited only if the report of earnings shows both the correct account number and name of that individual as they both appear on the Administration's master records. A person's official social security account-number card is the only safe source from which to copy that person's account number and name.

Incompletely reported, or incorrectly reported, earnings items can be credited ultimately, only after a check-back by the Baltimore office with the reporter of the earnings. That check-back increases the Baltimore office operating expense and is bothersome to the erring reporter. Both can be avoided by reasonable and normal care on the part of the reporter of the earnings.

A representative of the Wichita Falls social security office will be in Crowell in the basement of court house on Tuesday, June 24, at 2 p. m. to discuss any questions anyone may have in connection with social security.

KING-WINTERS MARRIAGE VOWS EXCHANGED

Miss Naida Dean King of Crowell became the bride of Richard Winters of Vernon on Wednesday, June 11, with Rev. Pruitt of the city conducting the ceremony.

The bride is the daughter of Mr. and Mrs. W. M. King of Crowell. The groom is the son of Mr. and Mrs. O. L. Winters of Vernon.

Mrs. Winters attended Crowell High School and Mr. Winters attended school in Vernon.

The couple will make their home in Vernon.

LEAVE FOR PECOS

Mr. and Mrs. Ebb Scates left this morning for Pecos, Tex., to make their home. Mr. Scates has accepted a position as manager of an Anderson & Clayton gin in the Pecos valley. For several years he has been manager of the Crowell Gin here.

Mr. and Mrs. Scates were raised in this county and will be greatly missed by their many friends.

Winston Churchill chose the city at the outset of his career.

A representative of the Wichita Falls social security office will be in Crowell in the basement of court house on Tuesday, June 24, at 2 p. m. to discuss any questions anyone may have in connection with social security.

V. F. W. Auxiliary Instituted Tuesday

Mrs. Olin Barrett of Vernon, president of District 15, Veterans of Foreign Wars Auxiliary, met with the Crowell Auxiliary Tuesday night at 8 p. m. for the purpose of instituting and installing officers of the local auxiliary.

The officers installed are as follows:
